right place at the right time this is

3
00:00:35,270 --> 00:00:32,160
Coast to Coast AM blasting out of the

4
00:00:38,030 --> 00:00:35,280
Mojave Desert like a Scirocco blazing

5
00:00:40,250 --> 00:00:38,040
across the land slamming into your radio

6
00:00:41,110 --> 00:00:40,260
like a supercharged nano particle of

7
00:00:44,210 --> 00:00:41,120
unobtainium

8
00:00:46,250 --> 00:00:44,220
readings from the boldest body's most

9
00:00:49,790 --> 00:00:46,260
outrageous city in the world the

10
00:00:52,970 --> 00:00:49,800
planetary capital of Sun fun sin sex and

11
00:00:55,640 --> 00:00:52,980
secrets my not so humble hometown Las

12
00:00:58,160 --> 00:00:55,650
Vegas Nevada my name is George Knapp

13
00:01:00,470 --> 00:00:58,170

your occasional host designated driver

14

00:01:03,020 --> 00:01:00,480
of the airwaves and moderator of

15

00:01:05,959 --> 00:01:03,030
tonight's upcoming cacophonous cavalcade

16

00:01:08,179 --> 00:01:05,969
of conversation tonight we journey back

17

00:01:09,620 --> 00:01:08,189
in time at least back in time for me to

18

00:01:12,800 --> 00:01:09,630
the point where I started down this

19

00:01:16,270 --> 00:01:12,810
weird Road the subject area 51 groom

20

00:01:18,469 --> 00:01:16,280
Lake dreamland the box paradise ranch

21

00:01:20,419 --> 00:01:18,479
probably a lot of other names we aren't

22

00:01:22,399 --> 00:01:20,429
allowed to know it's kind of a

23

00:01:23,480 --> 00:01:22,409
contradiction in terms in a sense the

24

00:01:25,639 --> 00:01:23,490
world's best-known

25

00:01:29,179 --> 00:01:25,649
secret base I'm using air quotes around

26

00:01:31,999 --> 00:01:29,189

the secret it is a top-secret facility

27

00:01:34,609 --> 00:01:32,009

that has played a crucial role in the

28

00:01:36,349 --> 00:01:34,619

protection of our national security but

29

00:01:38,690 --> 00:01:36,359

which has been so secretive so

30

00:01:40,700 --> 00:01:38,700

over-the-top and hiding what goes on out

31

00:01:43,760 --> 00:01:40,710

there that it has spawned all kinds of

32

00:01:45,679 --> 00:01:43,770

wild stories it's the base that didn't

33

00:01:47,239 --> 00:01:45,689

exist at least for a lot of years it was

34

00:01:50,149 --> 00:01:47,249

there and then poof it's gone like

35

00:01:53,149 --> 00:01:50,159

Brigadoon like the stealth aircraft that

36

00:01:56,059 --> 00:01:53,159

spawned for those of you who do not live

37

00:01:58,399 --> 00:01:56,069

in caves or under rocks area 51 is back

38

00:02:00,410 --> 00:01:58,409

on the front burner these days the base

39

00:02:02,629 --> 00:02:00,420

that didn't exist has found a whole new

40

00:02:04,730 --> 00:02:02,639

audience and is once again at the

41

00:02:06,859 --> 00:02:04,740

forefront of UFO arguments and

42

00:02:08,300 --> 00:02:06,869

discussions you know I mentioned a

43

00:02:10,639 --> 00:02:08,310

couple of times on the program in the

44

00:02:12,710 --> 00:02:10,649

last month or so and in several stories

45

00:02:13,520 --> 00:02:12,720

that we've written and aired for klas TV

46

00:02:16,190 --> 00:02:13,530

the

47

00:02:17,690 --> 00:02:16,200

dorm area 51 movement that's what you

48

00:02:21,050 --> 00:02:17,700

like to call it as I've expressed before

49

00:02:24,350 --> 00:02:21,060

you know the first rule of storm area 51

50

00:02:26,240 --> 00:02:24,360

is don't storm area 51 don't do it don't

51
00:02:28,640 --> 00:02:26,250
try to cross the line out there not even

52
00:02:30,320 --> 00:02:28,650
if there are a million people which is

53
00:02:31,850 --> 00:02:30,330
you know pretty unlikely number by the

54
00:02:34,040 --> 00:02:31,860
way we'll get into that a little bit

55
00:02:35,840 --> 00:02:34,050
later but is there something less

56
00:02:37,640 --> 00:02:35,850
drastic that might help move the ball

57
00:02:40,220 --> 00:02:37,650
down the field make a difference push

58
00:02:42,170 --> 00:02:40,230
for transparency while at the same time

59
00:02:45,650 --> 00:02:42,180
being perish the thought

60
00:02:47,990 --> 00:02:45,660
fun as well well maybe so tonight we'll

61
00:02:50,810 --> 00:02:48,000
look at how this happened what provided

62
00:02:52,550 --> 00:02:50,820
the current spark the historical context

63
00:02:55,340 --> 00:02:52,560

that provided the fuel for the fire

64

00:02:57,560 --> 00:02:55,350

that's burning now and what might happen

65

00:03:00,140 --> 00:02:57,570

less than a month from now out in the

66

00:03:01,940 --> 00:03:00,150

Nevada desert we have multiple angles to

67

00:03:03,830 --> 00:03:01,950

cover because this is not a simple

68

00:03:07,040 --> 00:03:03,840

matter and not a simple plan is tricky

69

00:03:08,900 --> 00:03:07,050

and may be risky primarily because no

70

00:03:10,729 --> 00:03:08,910

one could say for sure what is about to

71

00:03:13,220 --> 00:03:10,739

happen or how many people are gonna show

72

00:03:15,559 --> 00:03:13,230

up it's hard to even get a good guess so

73

00:03:17,240 --> 00:03:15,569

tonight we'll take a deep dive into this

74

00:03:19,190 --> 00:03:17,250

subject we will hear from the young man

75

00:03:22,490 --> 00:03:19,200

whose Facebook page launched a million

76
00:03:25,370 --> 00:03:22,500
memes jokes cartoons videos serious news

77
00:03:27,199 --> 00:03:25,380
articles and what's the view of locals

78
00:03:30,229 --> 00:03:27,209
about the main events planned for

79
00:03:31,970 --> 00:03:30,239
September 20th and 21st a longtime

80
00:03:34,250 --> 00:03:31,980
devout a businessman and political

81
00:03:36,440 --> 00:03:34,260
strategist George Harris will join us to

82
00:03:39,050 --> 00:03:36,450
tell about his plans for his portion of

83
00:03:41,870 --> 00:03:39,060
this event he calls it storm area 51

84
00:03:44,990 --> 00:03:41,880
base camp and has a robust two-day event

85
00:03:46,699 --> 00:03:45,000
planned then filmmaker Jeremy Korb

86
00:03:48,620 --> 00:03:46,709
will join us to talk about his role in

87
00:03:51,740 --> 00:03:48,630
helping to shape the narrative that's

88
00:03:53,840 --> 00:03:51,750

unfolding as we speak how a much broader

89

00:03:55,069 --> 00:03:53,850

audience might be able to help even if

90

00:03:58,039 --> 00:03:55,079

they can't make it to the event

91

00:03:59,990 --> 00:03:58,049

themselves and in person so yes we can

92

00:04:02,569 --> 00:04:00,000

allow the ground to cover tonight we go

93

00:04:04,759 --> 00:04:02,579

exploring into the deep dark secrets of

94

00:04:06,920 --> 00:04:04,769

area 51 how to shine some light on

95

00:04:09,860 --> 00:04:06,930

secrets that perhaps don't need to be

96

00:04:11,660 --> 00:04:09,870

kept a few months ago a Facebook page

97

00:04:13,880 --> 00:04:11,670

appeared cut out of the blue and it

98

00:04:15,500 --> 00:04:13,890

caught fire page was created by a young

99

00:04:16,819 --> 00:04:15,510

man named Maddy Roberts who lives in

100

00:04:18,380 --> 00:04:16,829

Bakersfield California

101
00:04:20,330 --> 00:04:18,390
he'd just seen an interview that

102
00:04:22,490 --> 00:04:20,340
included involved a man named Bob Lazar

103
00:04:24,890 --> 00:04:22,500
talking about a secret facility in the

104
00:04:27,570 --> 00:04:24,900
Nevada desert south of a base known as

105
00:04:30,089 --> 00:04:27,580
area 51 the interview was by podcast

106
00:04:32,399 --> 00:04:30,099
Joe Rogan and it included filmmaker

107
00:04:35,159 --> 00:04:32,409
Jeremy Korbelt discussing his film about

108
00:04:37,290 --> 00:04:35,169
Lazara the whole area 51 lore that's

109
00:04:38,790 --> 00:04:37,300
grown over the past 30 years and it's a

110
00:04:41,580 --> 00:04:38,800
story that's been around a long time I

111
00:04:43,469 --> 00:04:41,590
know that you know that but it's taken

112
00:04:45,390 --> 00:04:43,479
on a new life and Matti saw this

113
00:04:48,809 --> 00:04:45,400

interview with Rogan and Lazar and

114

00:04:50,760 --> 00:04:48,819

Korbel and had an idea a joke really hey

115

00:04:52,379 --> 00:04:50,770

why don't we all storm Mary 51 you know

116

00:04:54,059 --> 00:04:52,389

they can't stop all of us let's see them

117

00:04:56,369 --> 00:04:54,069

aliens that's kind of how it went funny

118

00:04:59,480 --> 00:04:56,379

stuff but somehow it struck a nerve

119

00:05:02,640 --> 00:04:59,490

it exploded and within a matter of days

120

00:05:04,080 --> 00:05:02,650

millions of people not only saw this

121

00:05:06,089 --> 00:05:04,090

page but said they planned to

122

00:05:08,939 --> 00:05:06,099

participate in an event out there

123

00:05:11,100 --> 00:05:08,949

September 20th storm Mary 51 was born

124

00:05:12,719 --> 00:05:11,110

here's a clip from an interview Maddy

125

00:05:14,999 --> 00:05:12,729

did when he first went public and

126

00:05:23,490 --> 00:05:15,009

revealed his identity talking about why

127

00:05:25,140 --> 00:05:23,500

he was inspired to do something in the

128

00:05:32,249 --> 00:05:25,150

back of my mind after watching the Joe

129

00:05:35,730 --> 00:05:32,259

Rogan podcast with you and and then

130

00:05:38,550 --> 00:05:35,740

clicked I was like man I have an idea

131

00:05:41,219 --> 00:05:38,560

for the page real reason I made this was

132

00:05:43,499 --> 00:05:41,229

as a joke and it just completely took

133

00:05:44,999 --> 00:05:43,509

off after like three days there's the

134

00:05:46,170 --> 00:05:45,009

need for knowledge that I feel like

135

00:05:48,180 --> 00:05:46,180

there's a lot of knowledge that's being

136

00:05:50,579 --> 00:05:48,190

withheld and I think that's why the

137

00:05:53,189 --> 00:05:50,589

event really took off the people have

138

00:05:54,990 --> 00:05:53,199

really made this into what it is it

139

00:05:58,260 --> 00:05:55,000

struck a nerve with everybody it's the

140

00:06:00,510 --> 00:05:58,270

pinnacle of the mean so it started as a

141

00:06:03,390 --> 00:06:00,520

joke he's not serious about storming ari

142

00:06:05,399 --> 00:06:03,400

51 most people got that but some didn't

143

00:06:06,839 --> 00:06:05,409

and soon enough the Facebook page kind

144

00:06:09,209 --> 00:06:06,849

of took on a life of its own it's

145

00:06:11,670 --> 00:06:09,219

inspired other jokes and videos and

146

00:06:13,019 --> 00:06:11,680

cartoons and celebrity endorsements as

147

00:06:15,420 --> 00:06:13,029

well as serious news stories about

148

00:06:17,579 --> 00:06:15,430

whether or not this is real what started

149

00:06:21,450 --> 00:06:17,589

it story a bob lazar told all over again

150

00:06:23,939 --> 00:06:21,460

articles about the legacy of area 51 not

151
00:06:25,350 --> 00:06:23,949
long afterward Maddy came forward and

152
00:06:27,450 --> 00:06:25,360
revealed his name and then he was

153
00:06:29,700 --> 00:06:27,460
visited by a couple of FBI agents and

154
00:06:31,920 --> 00:06:29,710
the word went out loud and clear the

155
00:06:34,680 --> 00:06:31,930
stormy storming area 51 is a bad idea

156
00:06:37,649 --> 00:06:34,690
bad on many levels so please don't do it

157
00:06:40,290 --> 00:06:37,659
it would accomplish nothing but the seed

158
00:06:41,040 --> 00:06:40,300
has been planted so several ideas have

159
00:06:43,140 --> 00:06:41,050
been born

160
00:06:44,730 --> 00:06:43,150
puzzles four major events out there in

161
00:06:47,010 --> 00:06:44,740
the desert in Lincoln County in Knight

162
00:06:49,710 --> 00:06:47,020
County a couple here in in Clark County

163
00:06:51,300 --> 00:06:49,720

pitches for events and gatherings of one

164

00:06:53,490 --> 00:06:51,310

kind or another with different names and

165

00:06:55,350 --> 00:06:53,500

some of those most of those have died or

166

00:06:57,990 --> 00:06:55,360

fallen by the wayside but others are

167

00:07:00,689 --> 00:06:58,000

moving forward they're still forming

168

00:07:02,100 --> 00:07:00,699

you know George Harris is primarily

169

00:07:05,339 --> 00:07:02,110

known as a businessman and entrepreneur

170

00:07:07,559 --> 00:07:05,349

here in Las Vegas but you know he's uh

171

00:07:10,529 --> 00:07:07,569

he's a lifelong has a lifelong interest

172

00:07:12,360 --> 00:07:10,539

in aliens and ETS and government secrecy

173

00:07:14,909 --> 00:07:12,370

he refers to himself as he of follow

174

00:07:16,920 --> 00:07:14,919

gist he created a business around all

175

00:07:19,200 --> 00:07:16,930

his interests it's called alien tequila

176

00:07:21,240 --> 00:07:19,210

the bottles if you've ever seen them are

177

00:07:23,339 --> 00:07:21,250

shaped like an e t--'s head he also

178

00:07:25,529 --> 00:07:23,349

founded the alien research center which

179

00:07:28,379 --> 00:07:25,539

is built right at the start of the e t

180

00:07:31,680 --> 00:07:28,389

highway that's the road that leads to

181

00:07:33,930 --> 00:07:31,690

area 51 his property will host one of

182

00:07:36,510 --> 00:07:33,940

the events that's planned for September

183

00:07:39,420 --> 00:07:36,520

20th 21st at George it's great to have

184

00:07:41,730 --> 00:07:39,430

you on the program George thank you so

185

00:07:44,550 --> 00:07:41,740

much for inviting me it's uh it's gonna

186

00:07:47,879 --> 00:07:44,560

be nice to give people information that

187

00:07:49,950 --> 00:07:47,889

they can use and understand and really

188

00:07:54,029 --> 00:07:49,960

hopefully understand that we want them

189

00:07:55,559 --> 00:07:54,039

to be safe first before anything if

190

00:07:57,029 --> 00:07:55,569

people have ever driven on the et

191

00:07:58,320 --> 00:07:57,039

Highway you know right the beginning of

192

00:08:00,300 --> 00:07:58,330

the highway there's a turn off to a

193

00:08:02,279 --> 00:08:00,310

place called heiko which is a tiny

194

00:08:04,439 --> 00:08:02,289

little community I don't know if there's

195

00:08:07,920 --> 00:08:04,449

a hundred people out there and and

196

00:08:11,369 --> 00:08:07,930

there's this silver building a curve a

197

00:08:13,350 --> 00:08:11,379

curve building and a 50-foot tall alien

198

00:08:15,450 --> 00:08:13,360

robot that looks kind of like Gort from

199

00:08:18,779 --> 00:08:15,460

the Day the Earth Stood Still so when

200

00:08:20,939 --> 00:08:18,789

was that built and and what inspired you

201
00:08:22,700 --> 00:08:20,949
to take that leap because no there's not

202
00:08:25,140 --> 00:08:22,710
a whole lot out there in Lincoln County

203
00:08:26,969 --> 00:08:25,150
well there's nothing out there but when

204
00:08:28,860 --> 00:08:26,979
I decided that I was going to be serious

205
00:08:31,589 --> 00:08:28,870
about this for the rest of my life and

206
00:08:36,029 --> 00:08:31,599
provide an area where people can come

207
00:08:38,550 --> 00:08:36,039
and do their own research we have a tiny

208
00:08:42,839 --> 00:08:38,560
little Museum and and a gift shop it's a

209
00:08:45,090 --> 00:08:42,849
pretty pretty large gift shop and it

210
00:08:48,030 --> 00:08:45,100
helps pay a lot of these bills for my

211
00:08:50,069 --> 00:08:48,040
hobby because this is a hobby and how is

212
00:08:54,120 --> 00:08:50,079
it doing now since this Facebook page

213
00:08:55,860 --> 00:08:54,130

and the store Mary 51 idea popped up

214

00:08:58,290 --> 00:08:55,870

how long did like for you to notice her

215

00:09:01,290 --> 00:08:58,300

I can tell you that everybody wants to

216

00:09:05,250 --> 00:09:01,300

give full credit to this meme

217

00:09:09,330 --> 00:09:05,260

but honestly George our business started

218

00:09:13,470 --> 00:09:09,340

increasing when Jeremy Korbelt came out

219

00:09:14,190 --> 00:09:13,480

with the documentary on Bob Lazar we'll

220

00:09:16,620 --> 00:09:14,200

get into that

221

00:09:20,010 --> 00:09:16,630

sticking with after this Facebook page

222

00:09:21,540 --> 00:09:20,020

takes off how quickly did it come to

223

00:09:23,730 --> 00:09:21,550

your attention and what was your first

224

00:09:26,190 --> 00:09:23,740

thought when you heard it so it was

225

00:09:28,710 --> 00:09:26,200

pretty much immediately people people

226

00:09:30,000 --> 00:09:28,720

would call and they to ask and then you

227

00:09:31,770 --> 00:09:30,010

know then you started hearing chatter

228

00:09:34,320 --> 00:09:31,780

that there's going to be 5,000 people

229

00:09:37,830 --> 00:09:34,330

show up out here on the 20th and then it

230

00:09:39,600 --> 00:09:37,840

went from 5,000 to 10,000 men and now

231

00:09:40,800 --> 00:09:39,610

the latest number that's consistent

232

00:09:45,410 --> 00:09:40,810

number that you've heard over the last

233

00:09:48,030 --> 00:09:45,420

month and a half it's 30,000 people and

234

00:09:49,890 --> 00:09:48,040

are they going to come I think that

235

00:09:52,950 --> 00:09:49,900

you're going to be amazed and that

236

00:09:55,740 --> 00:09:52,960

number is going to come on the 21st and

237

00:09:56,760 --> 00:09:55,750

22nd of September you know we started

238

00:09:58,380 --> 00:09:56,770

talking to the sheriff

239

00:10:01,230 --> 00:09:58,390

I said look these people are coming

240

00:10:02,220 --> 00:10:01,240

anyways you know let's try to put

241

00:10:05,310 --> 00:10:02,230

something together that's going to be

242

00:10:07,290 --> 00:10:05,320

faced and well thought out so you can

243

00:10:10,230 --> 00:10:07,300

manage people and move them from point A

244

00:10:13,560 --> 00:10:10,240

and point B because I do think if 30,000

245

00:10:15,480 --> 00:10:13,570

people showed up at one time you know

246

00:10:17,880 --> 00:10:15,490

this is a rural area Nevada

247

00:10:22,410 --> 00:10:17,890

there's no services there's nothing it

248

00:10:26,250 --> 00:10:22,420

would be a problem so we decided to take

249

00:10:29,040 --> 00:10:26,260

that and we created storm area 51 base

250

00:10:31,230 --> 00:10:29,050

camp experience which is a two-day event

251
00:10:33,780 --> 00:10:31,240
taking place at the alien Research

252
00:10:35,940 --> 00:10:33,790
Center let's talk for a moment about the

253
00:10:37,890 --> 00:10:35,950
the challenges of putting on a large

254
00:10:39,570 --> 00:10:37,900
event out in Lincoln County yeah you

255
00:10:41,720 --> 00:10:39,580
know it's it's one of my favorite places

256
00:10:44,940 --> 00:10:41,730
in the world it's a beautiful area rural

257
00:10:47,580 --> 00:10:44,950
but there are limited services it's

258
00:10:48,930 --> 00:10:47,590
sparsely populated so when you're

259
00:10:50,610 --> 00:10:48,940
talking about you know two million

260
00:10:52,680 --> 00:10:50,620
people sign up and say they're coming

261
00:10:54,870 --> 00:10:52,690
which of course no one believed that

262
00:10:56,880 --> 00:10:54,880
would ever get that big but even 5,000

263
00:11:00,270 --> 00:10:56,890

people would be a major challenge for

264

00:11:03,420 --> 00:11:00,280

the businesses for emergency services

265

00:11:05,400 --> 00:11:03,430

police can you describe the challenges

266

00:11:08,070 --> 00:11:05,410

that you have faced in anticipating a

267

00:11:10,170 --> 00:11:08,080

big crowd well when

268

00:11:13,440 --> 00:11:10,180

we first started this the I immediately

269

00:11:15,930 --> 00:11:13,450

called sheriff caringly and said sheriff

270

00:11:17,580 --> 00:11:15,940

this thing's getting bigger and bigger

271

00:11:20,750 --> 00:11:17,590

and it's going to get bigger and bigger

272

00:11:24,210 --> 00:11:20,760

and no matter if we do nothing at all

273

00:11:25,860 --> 00:11:24,220

people are still going to show up so if

274

00:11:28,230 --> 00:11:25,870

we know people are still going to show

275

00:11:31,320 --> 00:11:28,240

up why don't we take the bull by the

276

00:11:33,930 --> 00:11:31,330

horns and start discussing the

277

00:11:36,030 --> 00:11:33,940

number-one issue which is safety which

278

00:11:38,580 --> 00:11:36,040

is you're in rural Nevada cuz you know

279

00:11:41,130 --> 00:11:38,590

people get great ideas and it's a great

280

00:11:42,300 --> 00:11:41,140

day trip and they come out and you know

281

00:11:45,270 --> 00:11:42,310

and some people think they're going to

282

00:11:47,550 --> 00:11:45,280

storm area 51 at 3 o'clock in the

283

00:11:49,500 --> 00:11:47,560

morning well you know when I talk to

284

00:11:51,840 --> 00:11:49,510

those people I try to explain to them if

285

00:11:53,970 --> 00:11:51,850

you're on the desert floor at 3 o'clock

286

00:11:55,260 --> 00:11:53,980

in the morning you're not going to have

287

00:11:57,120 --> 00:11:55,270

to worry about the sheriff getting you

288

00:11:58,260 --> 00:11:57,130

or the military getting in it you're

289

00:12:01,350 --> 00:11:58,270

going to have to worry about getting bit

290

00:12:04,700 --> 00:12:01,360

by a rattlesnake that's how that's why

291

00:12:08,220 --> 00:12:04,710

we had continually talked about safety

292

00:12:11,700 --> 00:12:08,230

every other word so we decided to put

293

00:12:14,820 --> 00:12:11,710

this experience together the storm area

294

00:12:17,160 --> 00:12:14,830

51 base campus which is what we're doing

295

00:12:18,720 --> 00:12:17,170

is going to be an experience it's a

296

00:12:21,180 --> 00:12:18,730

two-day event that's going to take place

297

00:12:24,150 --> 00:12:21,190

at the alien Research Center starting on

298

00:12:27,900 --> 00:12:24,160

Friday September 20th and Saturday the

299

00:12:30,080 --> 00:12:27,910

21st the base camp experience will

300

00:12:32,790 --> 00:12:30,090

feature an exclusive screening and

301

00:12:37,040 --> 00:12:32,800

appearance by the cast of the Netflix

302

00:12:39,720 --> 00:12:37,050

hit Bob Lazar area 51 and flying saucers

303

00:12:42,450 --> 00:12:39,730

we're also going to include appearances

304

00:12:45,960 --> 00:12:42,460

by expert speakers we're going to have

305

00:12:50,520 --> 00:12:45,970

live music film screenings food trucks

306

00:12:53,670 --> 00:12:50,530

art installations costume contests photo

307

00:12:58,200 --> 00:12:53,680

opportunities and many more and so

308

00:13:00,660 --> 00:12:58,210

George that's how this grew out and and

309

00:13:02,940 --> 00:13:00,670

it grew out of necessity because no

310

00:13:05,880 --> 00:13:02,950

matter what you're going to have a large

311

00:13:07,800 --> 00:13:05,890

amount of people coming out to rural

312

00:13:10,290 --> 00:13:07,810

Nevada and we just want to make the

313

00:13:13,110 --> 00:13:10,300

experience one something that's going to

314

00:13:14,970 --> 00:13:13,120

be exciting for them and to something

315

00:13:17,310 --> 00:13:14,980

that will be safe there was another

316

00:13:18,780 --> 00:13:17,320

event for Nye County that was called

317

00:13:21,090 --> 00:13:18,790

peace stock which was going to be a

318

00:13:21,630 --> 00:13:21,100

music festival and the County

319

00:13:24,150 --> 00:13:21,640

Commissioners

320

00:13:26,460 --> 00:13:24,160

turn that down and then in Lincoln

321

00:13:28,890 --> 00:13:26,470

County there were two events under

322

00:13:30,510 --> 00:13:28,900

discussion that needed permits an event

323

00:13:31,860 --> 00:13:30,520

in Reichle which we'll talk about a

324

00:13:33,930 --> 00:13:31,870

little bit later and then your event and

325

00:13:36,030 --> 00:13:33,940

the commissioners at least provisionally

326

00:13:37,920 --> 00:13:36,040

have said yes but they had doubts right

327

00:13:41,850 --> 00:13:37,930

I mean just in terms of law enforcement

328

00:13:43,860 --> 00:13:41,860

coverage emergency services you got

329

00:13:46,200 --> 00:13:43,870

challenges what cell phone service roads

330

00:13:47,970 --> 00:13:46,210

they got there's there's there's a lot

331

00:13:50,370 --> 00:13:47,980

of legit I'll go over the logistics with

332

00:13:53,190 --> 00:13:50,380

you for a bit because it's it's it's

333

00:13:55,980 --> 00:13:53,200

massive you know I'm lucky enough that

334

00:13:59,400 --> 00:13:55,990

I'm you know and I'm not I'm a business

335

00:14:02,070 --> 00:13:59,410

guy and I understand the way to success

336

00:14:05,040 --> 00:14:02,080

is to have a great team behind you so

337

00:14:06,750 --> 00:14:05,050

when this all came up I went and I

338

00:14:09,780 --> 00:14:06,760

called a good friend of mine Emily

339

00:14:12,690 --> 00:14:09,790

Wofford who has got years and years

340

00:14:16,190 --> 00:14:12,700

experience in doing these type events

341

00:14:19,770 --> 00:14:16,200

and then the other person is Keith right

342

00:14:22,410 --> 00:14:19,780

which he's the guy you want because he

343

00:14:26,550 --> 00:14:22,420

did Britney Spears in the desert with no

344

00:14:28,260 --> 00:14:26,560

services nothing no gasoline no I mean

345

00:14:30,960 --> 00:14:28,270

he had to go out there and build

346

00:14:33,420 --> 00:14:30,970

everything out so that's my team that's

347

00:14:37,080 --> 00:14:33,430

the core team with a bunch of other

348

00:14:40,230 --> 00:14:37,090

great people that they have so they took

349

00:14:41,730 --> 00:14:40,240

this mission on and you know we believe

350

00:14:45,450 --> 00:14:41,740

we're going to be very successful

351
00:14:47,910 --> 00:14:45,460
look my event or our event because I I

352
00:14:49,850 --> 00:14:47,920
want you you're part of it Jeremy's part

353
00:14:52,770 --> 00:14:49,860
of it everybody's going to be up there

354
00:14:55,710 --> 00:14:52,780
it's gonna be for believers and then the

355
00:14:59,100 --> 00:14:55,720
uninitiated people to come out and learn

356
00:15:02,070 --> 00:14:59,110
more about this growing movement and to

357
00:15:04,860 --> 00:15:02,080
call for greater transparency around

358
00:15:06,690 --> 00:15:04,870
what many believe it's been decades of

359
00:15:10,470 --> 00:15:06,700
government secrecy surrounding UFO

360
00:15:11,850 --> 00:15:10,480
technology the challenges that were of

361
00:15:13,800 --> 00:15:11,860
concern to the Lincoln County

362
00:15:15,900 --> 00:15:13,810
Commissioners who decided to give you a

363
00:15:17,760 --> 00:15:15,910

permit to go forward with this were

364

00:15:19,560 --> 00:15:17,770

obvious they're no gas stations out

365

00:15:21,870 --> 00:15:19,570

there there's no hotel rooms there's

366

00:15:23,580 --> 00:15:21,880

like you know ten hotel rooms and Rachel

367

00:15:26,190 --> 00:15:23,590

they're booked there's maybe a hundred

368

00:15:27,540 --> 00:15:26,200

in the whole county and you know people

369

00:15:29,040 --> 00:15:27,550

that come out there have to be ready to

370

00:15:31,790 --> 00:15:29,050

take care of themselves I mean you're

371

00:15:34,650 --> 00:15:31,800

gonna provide some services

372

00:15:35,340 --> 00:15:34,660

porta-potties food water but other than

373

00:15:37,050 --> 00:15:35,350

that I mean

374

00:15:40,080 --> 00:15:37,060

people are kind of on their own we tell

375

00:15:41,700 --> 00:15:40,090

people look our event the tickets are

376

00:15:43,800 --> 00:15:41,710

going to be fifty one dollars per day

377

00:15:45,360 --> 00:15:43,810

that's going to help pay for all the

378

00:15:48,470 --> 00:15:45,370

infrastructure okay

379

00:15:51,540 --> 00:15:48,480

why fifty one dollars because area 51

380

00:15:53,520 --> 00:15:51,550

we're going to have camp sites for tents

381

00:15:56,490 --> 00:15:53,530

and we're going to have RV spaces the

382

00:15:59,160 --> 00:15:56,500

base camp pass includes parking two

383

00:16:01,800 --> 00:15:59,170

bottles of water a ten dollar food truck

384

00:16:04,080 --> 00:16:01,810

vouchers and a commemorative lanyard you

385

00:16:06,900 --> 00:16:04,090

know we're paying for the you know for

386

00:16:08,700 --> 00:16:06,910

the infrastructure cost George there's

387

00:16:12,360 --> 00:16:08,710

no there's not going to be cell service

388

00:16:14,820 --> 00:16:12,370

when five when 300 people show up cell

389

00:16:18,990 --> 00:16:14,830

service is going to collapse so now I

390

00:16:21,450 --> 00:16:19,000

have to rent a satellite because there's

391

00:16:23,010 --> 00:16:21,460

no infrastructure for this can you say

392

00:16:25,590 --> 00:16:23,020

will you spend already just get this

393

00:16:29,310 --> 00:16:25,600

thing going I think we're a little over

394

00:16:32,700 --> 00:16:29,320

forty five thousand bucks and and right

395

00:16:34,590 --> 00:16:32,710

now we're self funding we will we we do

396

00:16:36,840 --> 00:16:34,600

have people that want to be sponsors we

397

00:16:39,570 --> 00:16:36,850

want to we want everybody to understand

398

00:16:41,850 --> 00:16:39,580

that we think that this festival can go

399

00:16:44,490 --> 00:16:41,860

on every year and it would be a good

400

00:16:47,070 --> 00:16:44,500

thing for people to come and talk about

401

00:16:49,770 --> 00:16:47,080

ufology and talk about parallel

402

00:16:52,230 --> 00:16:49,780

activities or remote whatever they want

403

00:16:54,540 --> 00:16:52,240

to discuss we want to provide an

404

00:16:56,970 --> 00:16:54,550

atmosphere where someone can physically

405

00:16:58,820 --> 00:16:56,980

come out and go hey look at this I mean

406

00:17:02,640 --> 00:16:58,830

the government's got the most top secret

407

00:17:04,920 --> 00:17:02,650

base on the planet is in the state in

408

00:17:07,350 --> 00:17:04,930

the back and no one ever talks about

409

00:17:10,800 --> 00:17:07,360

this George but who are the people that

410

00:17:14,250 --> 00:17:10,810

announce that area 51 really existed the

411

00:17:17,280 --> 00:17:14,260

Central Intelligence Agency the CIA they

412

00:17:19,710 --> 00:17:17,290

announced it in the New York Times a

413

00:17:23,250 --> 00:17:19,720

couple of years ago so that even makes

414

00:17:25,830 --> 00:17:23,260

all these questions you know bigger and

415

00:17:27,780 --> 00:17:25,840

bigger I'm with you on that I you know

416

00:17:29,880 --> 00:17:27,790

I'm not opposed to I wouldn't be opposed

417

00:17:33,060 --> 00:17:29,890

to just something just for a party out

418

00:17:34,710 --> 00:17:33,070

there if you can pull it off and if it

419

00:17:36,690 --> 00:17:34,720

also is a learning experience that's

420

00:17:39,480 --> 00:17:36,700

pretty cool too it's kind of like the

421

00:17:40,980 --> 00:17:39,490

Roswell Festival in a sense if it could

422

00:17:43,080 --> 00:17:40,990

grow into something like that and and

423

00:17:45,120 --> 00:17:43,090

the state of Nevada has sort of embraced

424

00:17:47,460 --> 00:17:45,130

this when it created the et Highway was

425

00:17:49,180 --> 00:17:47,470

meant to do it to increase tourism out

426

00:17:51,760 --> 00:17:49,190

there to take advantage of the law

427

00:17:53,920 --> 00:17:51,770

legends of area 51 so this certainly

428

00:17:56,800 --> 00:17:53,930

fits with that this has turned into a

429

00:18:01,660 --> 00:17:56,810

cultural movement and what we're trying

430

00:18:03,610 --> 00:18:01,670

to do is provide the area and and the

431

00:18:05,290 --> 00:18:03,620

time and the space for these folks have

432

00:18:07,210 --> 00:18:05,300

fun we're going to have music we're

433

00:18:10,000 --> 00:18:07,220

gonna have band we're gonna have all

434

00:18:12,940 --> 00:18:10,010

that but I wanted to make it to have

435

00:18:15,460 --> 00:18:12,950

really great speakers you know Jeremy's

436

00:18:19,210 --> 00:18:15,470

coming out she's gonna he's going to do

437

00:18:21,550 --> 00:18:19,220

his film he's kidding me speakers that

438

00:18:25,000 --> 00:18:21,560

really you know people can come out and

439

00:18:26,950 --> 00:18:25,010

discuss stuff and ask questions and and

440

00:18:28,900 --> 00:18:26,960

make decisions on their own well let's

441

00:18:31,420 --> 00:18:28,910

bring Jeremy on and and talk about the

442

00:18:33,880 --> 00:18:31,430

bigger picture of how to make a positive

443

00:18:36,550 --> 00:18:33,890

impact Jeremy Korb is an investigative

444

00:18:38,950 --> 00:18:36,560

filmmaker an artist and martial artist a

445

00:18:41,350 --> 00:18:38,960

friend of mine I should point out I've

446

00:18:43,390 --> 00:18:41,360

been featured in two of his films I'm

447

00:18:45,340 --> 00:18:43,400

listed in the credits they're his films

448

00:18:47,050 --> 00:18:45,350

not mine but he did interview me for

449

00:18:49,060 --> 00:18:47,060

them and Jeremy good to have you back on

450

00:18:50,860 --> 00:18:49,070

the show hey George and George how're

451
00:18:52,750 --> 00:18:50,870
you doing this is amazing it's a

452
00:18:54,790 --> 00:18:52,760
cultural movement it's like the twilight

453
00:18:58,120 --> 00:18:54,800
zone in the best world and clockwork

454
00:19:01,300 --> 00:18:58,130
orange' so give us the 50,000 foot view

455
00:19:03,310 --> 00:19:01,310
of how to make this into something more

456
00:19:05,080 --> 00:19:03,320
than a party if it's just a party in a

457
00:19:07,120 --> 00:19:05,090
celebration and people get together and

458
00:19:09,010 --> 00:19:07,130
are safe that's that's good by itself

459
00:19:10,300 --> 00:19:09,020
but it could you're hoping that it's

460
00:19:11,890 --> 00:19:10,310
something more and you've been talking

461
00:19:14,170 --> 00:19:11,900
to George about how to do that it is

462
00:19:16,120 --> 00:19:14,180
something more it's important to point

463
00:19:19,210 --> 00:19:16,130

out the power of a meme a meme is a new

464

00:19:21,600 --> 00:19:19,220

thing it's not born out of thin air it

465

00:19:24,520 --> 00:19:21,610

can only thrive when there's some deep

466

00:19:27,370 --> 00:19:24,530

undercurrent and culture surrounding a

467

00:19:30,010 --> 00:19:27,380

timely thought and that's exactly what

468

00:19:33,340 --> 00:19:30,020

we're seeing that the storm area 51 has

469

00:19:35,530 --> 00:19:33,350

become a powerful cultural movement

470

00:19:37,450 --> 00:19:35,540

there is no denying that whether you

471

00:19:39,970 --> 00:19:37,460

like it or not and it's born out of

472

00:19:42,820 --> 00:19:39,980

frustration and and and it's an

473

00:19:46,240 --> 00:19:42,830

important point that it's mobilizing

474

00:19:49,150 --> 00:19:46,250

people of all ages it's being driven by

475

00:19:51,990 --> 00:19:49,160

a digitally savvy youth in America and

476
00:19:54,790 --> 00:19:52,000
around the world this is unprecedented

477
00:19:57,640 --> 00:19:54,800
you are now seeing something occurring

478
00:19:59,590 --> 00:19:57,650
that couldn't happen 30 years ago and

479
00:20:01,750 --> 00:19:59,600
Bob Lazar came out with his story

480
00:20:02,560 --> 00:20:01,760
because we're living in a different

481
00:20:06,610 --> 00:20:02,570
digital

482
00:20:09,820 --> 00:20:06,620
world-so 30,000 foot view you're seeing

483
00:20:12,340 --> 00:20:09,830
the will and the desire of the youth and

484
00:20:15,779 --> 00:20:12,350
the people on this planet to shine a

485
00:20:19,539 --> 00:20:15,789
light on your foe secrecy to reveal UFO

486
00:20:22,990 --> 00:20:19,549
transparency this is a true cultural and

487
00:20:24,249 --> 00:20:23,000
social movement it's cool to have you

488
00:20:26,139 --> 00:20:24,259

know Maddie

489

00:20:27,490 --> 00:20:26,149

when he started this you were talking to

490

00:20:29,740 --> 00:20:27,500

him right off the bat before the world

491

00:20:33,460 --> 00:20:29,750

knew who he was and I remember you

492

00:20:36,129 --> 00:20:33,470

called me and had discussed it and and

493

00:20:37,990 --> 00:20:36,139

the initial concern was how to get this

494

00:20:40,119 --> 00:20:38,000

under control make sure people don't try

495

00:20:41,769 --> 00:20:40,129

to storm every 51 because I think Jeremy

496

00:20:43,810 --> 00:20:41,779

you and George would both agree that is

497

00:20:45,850 --> 00:20:43,820

a really bad idea yeah yeah it started

498

00:20:47,980 --> 00:20:45,860

off as a joke I mean you know just to be

499

00:20:49,659 --> 00:20:47,990

very specific I mean you heard you know

500

00:20:53,230 --> 00:20:49,669

the kid talk about it you know he's

501
00:20:55,299 --> 00:20:53,240
watching a jogging clip and he sees Bob

502
00:20:56,680 --> 00:20:55,309
and he sees me on Joe Rogan's you know

503
00:20:59,470 --> 00:20:56,690
the powerful Joe Rogan I I

504
00:21:01,629 --> 00:20:59,480
underestimated that you know around the

505
00:21:04,450 --> 00:21:01,639
world the bell tolled and this kid was

506
00:21:06,190 --> 00:21:04,460
them you know inspired to put a Facebook

507
00:21:09,730 --> 00:21:06,200
event up and and again that's a me point

508
00:21:12,879 --> 00:21:09,740
if people aren't fascinated by this show

509
00:21:14,590 --> 00:21:12,889
me them aliens people are fascinated and

510
00:21:16,749 --> 00:21:14,600
all of this was inspired you know

511
00:21:18,879 --> 00:21:16,759
because of just the simple retelling of

512
00:21:21,659 --> 00:21:18,889
the bob lazar story in a Netflix

513
00:21:25,210 --> 00:21:21,669

documentary I mean it's it's absolutely

514

00:21:27,669 --> 00:21:25,220

surreal and it has caught fire and it's

515

00:21:29,619 --> 00:21:27,679

very real in the fact that people are

516

00:21:32,560 --> 00:21:29,629

coming so I think someone like George

517

00:21:34,930 --> 00:21:32,570

Harris is doing the right thing in a

518

00:21:38,409 --> 00:21:34,940

community that wants it by providing

519

00:21:40,990 --> 00:21:38,419

safety by providing security we all know

520

00:21:43,810 --> 00:21:41,000

the threats we all know what can go

521

00:21:45,970 --> 00:21:43,820

wrong but seeing what he's doing that's

522

00:21:48,970 --> 00:21:45,980

why I'm advocating I'm not organizing

523

00:21:51,369 --> 00:21:48,980

anything but I'm advocating for safety

524

00:21:53,889 --> 00:21:51,379

and sanity and look man this could be a

525

00:21:56,320 --> 00:21:53,899

national holiday this could be a time

526

00:21:59,049 --> 00:21:56,330

every year where people gather to

527

00:22:01,899 --> 00:21:59,059

communicate and show their desire it's

528

00:22:03,850 --> 00:22:01,909

it's a really unprecedented time in

529

00:22:06,789 --> 00:22:03,860

human history a once in a generation

530

00:22:09,580 --> 00:22:06,799

opportunity to be part of a true

531

00:22:12,159 --> 00:22:09,590

cultural movement let me ask you this

532

00:22:13,600 --> 00:22:12,169

George are you concerned that something

533

00:22:15,310 --> 00:22:13,610

gets out of hand and that law

534

00:22:16,570 --> 00:22:15,320

enforcement just shuts it down I mean

535

00:22:19,449 --> 00:22:16,580

you're talking to the sheriff

536

00:22:21,129 --> 00:22:19,459

almost daily you know what the concerns

537

00:22:23,409 --> 00:22:21,139

are not only the sheriff but the

538

00:22:24,940 --> 00:22:23,419

military and I just wonder how what

539

00:22:28,239 --> 00:22:24,950

you're hearing back from them

540

00:22:31,989 --> 00:22:28,249

well here's you know the sheriff and all

541

00:22:34,749 --> 00:22:31,999

the nine county sheriffs and the Highway

542

00:22:36,399 --> 00:22:34,759

Patrol and and believe it or not

543

00:22:38,799 --> 00:22:36,409

law enforcement agencies from other

544

00:22:41,169 --> 00:22:38,809

counties you know they're meeting they

545

00:22:42,820 --> 00:22:41,179

have their emergency response team I'm

546

00:22:47,349 --> 00:22:42,830

you know one of the requirements is that

547

00:22:50,709 --> 00:22:47,359

I have ten armed security of ten armed

548

00:22:54,729 --> 00:22:50,719

security staff that that has experienced

549

00:22:57,159 --> 00:22:54,739

a lot of my guys are cops with retired

550

00:22:58,869 --> 00:22:57,169

military they know what they're doing so

551
00:23:00,789 --> 00:22:58,879
you know when you come to our place

552
00:23:02,409 --> 00:23:00,799
you're going to come up you're going to

553
00:23:03,549 --> 00:23:02,419
park you're going to walk up you're

554
00:23:07,359 --> 00:23:03,559
going to go through you're going to be

555
00:23:08,829 --> 00:23:07,369
wanded and then you're going to be

556
00:23:10,659 --> 00:23:08,839
giving your lanyard and your thing and

557
00:23:12,940 --> 00:23:10,669
you're going to walk in and you're going

558
00:23:16,329 --> 00:23:12,950
to have an enjoyable experience and the

559
00:23:18,849 --> 00:23:16,339
entire family is is invited and then

560
00:23:21,819 --> 00:23:18,859
after we screen the movie we're going to

561
00:23:24,519 --> 00:23:21,829
have a couple of a couple of big

562
00:23:28,119 --> 00:23:24,529
telescopes they'll go on the screen and

563
00:23:32,049 --> 00:23:28,129

you know you'll have you'll be able to

564

00:23:34,269 --> 00:23:32,059

see probably the best star viewing you

565

00:23:36,789 --> 00:23:34,279

know this little area where we're at in

566

00:23:39,279 --> 00:23:36,799

area 51 is considered one of the top ten

567

00:23:42,119 --> 00:23:39,289

places to look at the Stars

568

00:23:45,879 --> 00:23:42,129

so we want to make this an experience

569

00:23:48,999 --> 00:23:45,889

for everyone and a place for everyone to

570

00:23:51,009 --> 00:23:49,009

get together and talk and and to give

571

00:23:53,799 --> 00:23:51,019

people things to do without them

572

00:23:58,089 --> 00:23:53,809

storming the base you will be able to

573

00:24:00,909 --> 00:23:58,099

storm area 51 because we are going to

574

00:24:03,399 --> 00:24:00,919

duplicate the back gate of area 51 on

575

00:24:05,079 --> 00:24:03,409

the alien research property you'll be

576

00:24:06,430 --> 00:24:05,089

able to run through the gate you'll be

577

00:24:10,180 --> 00:24:06,440

able to take all the pictures you want

578

00:24:12,969 --> 00:24:10,190

and camo dudes we're gonna have camo

579

00:24:16,209 --> 00:24:12,979

dudes right the white truck up there and

580

00:24:19,569 --> 00:24:16,219

we're doing this because it's not gonna

581

00:24:20,979 --> 00:24:19,579

be a smart idea to try to go up in and

582

00:24:23,529 --> 00:24:20,989

storm the base first of all you won't

583

00:24:25,209 --> 00:24:23,539

you won't get on the base I appreciate

584

00:24:27,279 --> 00:24:25,219

you coming on good luck with your event

585

00:24:28,659 --> 00:24:27,289

I think it's probably safe to say that

586

00:24:30,250 --> 00:24:28,669

there will be quite a bit of news

587

00:24:32,680 --> 00:24:30,260

coverage including Kayla

588

00:24:34,480 --> 00:24:32,690

TV so thanks for joining us and Jeremy

589

00:24:36,250 --> 00:24:34,490

Korbel with more of our conversation

590

00:24:39,460 --> 00:24:36,260

about the big picture look at at what

591

00:24:41,110 --> 00:24:39,470

this movement might become I'm not sure

592

00:24:43,450 --> 00:24:41,120

we can call what's happening right now a

593

00:24:45,700 --> 00:24:43,460

revolution not just yet anyway but

594

00:24:48,580 --> 00:24:45,710

something is happening you can feel it I

595

00:24:51,220 --> 00:24:48,590

mean the ball is in play it it feels

596

00:24:53,410 --> 00:24:51,230

like a movement is underway and it's

597

00:24:55,480 --> 00:24:53,420

been that way so far I don't know

598

00:24:58,390 --> 00:24:55,490

19 months or so since that New York

599

00:25:01,000 --> 00:24:58,400

Times story December 2017 talking about

600

00:25:02,800 --> 00:25:01,010

the secret Pentagon UFO program and

601
00:25:04,300 --> 00:25:02,810
since then we've seen the u.s. Navy

602
00:25:06,670 --> 00:25:04,310
announced that it's changing its

603
00:25:08,950 --> 00:25:06,680
guidelines to make it easier for its

604
00:25:11,290 --> 00:25:08,960
pilots to report encounters with unknown

605
00:25:13,500 --> 00:25:11,300
objects doesn't mean we're talking about

606
00:25:16,630 --> 00:25:13,510
alien spacecraft it just unknowns

607
00:25:19,170 --> 00:25:16,640
unidentifieds since then we've had all

608
00:25:22,600 --> 00:25:19,180
kinds of TV coverage news coverage

609
00:25:25,450 --> 00:25:22,610
television programs documentaries and

610
00:25:28,660 --> 00:25:25,460
films and hearings for congressional

611
00:25:30,070 --> 00:25:28,670
members closed-door briefings by pilots

612
00:25:32,740 --> 00:25:30,080
who've seen these things I mean a lot of

613
00:25:36,760 --> 00:25:32,750

stuff is in play and now we see this

614

00:25:38,980 --> 00:25:36,770

event this movement about area 51 with

615

00:25:43,450 --> 00:25:38,990

George Harris who has talked about his

616

00:25:45,160 --> 00:25:43,460

area 51 storm base camp event and as

617

00:25:46,660 --> 00:25:45,170

there's another event planned for the

618

00:25:49,750 --> 00:25:46,670

town of Rachel also in Lincoln County

619

00:25:52,450 --> 00:25:49,760

and yet you have to wonder is there a

620

00:25:55,180 --> 00:25:52,460

way to funnel all of this energy to make

621

00:25:57,310 --> 00:25:55,190

sure that the momentum continues Jeremy

622

00:25:59,170 --> 00:25:57,320

Korbel let's talk big-picture stuff and

623

00:26:02,110 --> 00:25:59,180

you and I have had this conversation in

624

00:26:06,090 --> 00:26:02,120

private and we've discussed it in public

625

00:26:08,410 --> 00:26:06,100

as well you're dealing with UFOs ufology

626

00:26:11,680 --> 00:26:08,420

ufologists that whole world and it's

627

00:26:12,760 --> 00:26:11,690

like herding cats except it's harder you

628

00:26:14,500 --> 00:26:12,770

know for 70 years

629

00:26:16,210 --> 00:26:14,510

you follow just people who follow this

630

00:26:20,680 --> 00:26:16,220

topic I've been griping and complaining

631

00:26:22,750 --> 00:26:20,690

and and and demanding this and demanding

632

00:26:23,860 --> 00:26:22,760

that you know the secret government's

633

00:26:25,150 --> 00:26:23,870

been studying this stuff

634

00:26:27,250 --> 00:26:25,160

admit it you know you've been hiding

635

00:26:28,900 --> 00:26:27,260

evidence for all these years you've been

636

00:26:30,460 --> 00:26:28,910

studying UFOs you'll want to know about

637

00:26:31,960 --> 00:26:30,470

the technology you're trying to figure

638

00:26:33,850 --> 00:26:31,970

this stuff out you've probably got

639

00:26:35,890 --> 00:26:33,860

videos and films that you're not sharing

640

00:26:37,660 --> 00:26:35,900

with us we demand to know what's going

641

00:26:40,570 --> 00:26:37,670

on on and on and on and then the

642

00:26:42,790 --> 00:26:40,580

government finally December 2017 there's

643

00:26:44,169 --> 00:26:42,800

a little crack in the dam and

644

00:26:45,970 --> 00:26:44,179

information start see

645

00:26:48,220 --> 00:26:45,980

being out and the government in a way

646

00:26:49,720 --> 00:26:48,230

admits yeah you're right we have been

647

00:26:51,369 --> 00:26:49,730

lying we have been studying this stuff

648

00:26:53,080 --> 00:26:51,379

in secret here's a little bit of what

649

00:26:54,820 --> 00:26:53,090

we've been doing and you follow just

650

00:26:57,909 --> 00:26:54,830

react as if you just shot their

651
00:27:01,239 --> 00:26:57,919
grandmother and it's just it's hilarious

652
00:27:02,560 --> 00:27:01,249
in a sense and tragic in another so you

653
00:27:04,659 --> 00:27:02,570
know there's a lot to be frustrated

654
00:27:07,269 --> 00:27:04,669
about so is that part of what's going on

655
00:27:09,340 --> 00:27:07,279
here yeah it's a big part of what's

656
00:27:12,249 --> 00:27:09,350
going on here but also we're dealing

657
00:27:15,460 --> 00:27:12,259
with a completely different reality now

658
00:27:17,049 --> 00:27:15,470
we're having people born into reality

659
00:27:19,419 --> 00:27:17,059
you know where we're asking the same

660
00:27:22,480 --> 00:27:19,429
question are we alone in the universe

661
00:27:24,669 --> 00:27:22,490
this this has remained one of the

662
00:27:28,389 --> 00:27:24,679
greatest questions ever asked by

663
00:27:30,909 --> 00:27:28,399

humanity when humans began looking up at

664

00:27:33,730 --> 00:27:30,919

the cosmos but but we're asking it now

665

00:27:35,739 --> 00:27:33,740

in a world a different world than the

666

00:27:38,889 --> 00:27:35,749

philosophers of past these are

667

00:27:41,259 --> 00:27:38,899

scientists and anyhow even mystics now

668

00:27:44,350 --> 00:27:41,269

are looking at it differently because we

669

00:27:47,109 --> 00:27:44,360

know more we have learned more if you

670

00:27:49,960 --> 00:27:47,119

don't get that message if you don't

671

00:27:53,200 --> 00:27:49,970

understand that you're living in a new

672

00:27:55,539 --> 00:27:53,210

age in a new world you have not been

673

00:27:57,430 --> 00:27:55,549

paying attention simple as that

674

00:27:59,980 --> 00:27:57,440

yeah it's an exciting time George I mean

675

00:28:02,560 --> 00:27:59,990

I think there's a there's a new era I

676

00:28:05,320 --> 00:28:02,570

think there's there's new people that

677

00:28:07,869 --> 00:28:05,330

are coming into this fascination from a

678

00:28:10,180 --> 00:28:07,879

different vantage than any of us before

679

00:28:10,720 --> 00:28:10,190

and I think that that's what we're

680

00:28:15,279 --> 00:28:10,730

seeing

681

00:28:16,989 --> 00:28:15,289

so it's a delicate time you want you

682

00:28:18,609 --> 00:28:16,999

hope that these young people or at least

683

00:28:20,019 --> 00:28:18,619

and none of them were young people

684

00:28:22,659 --> 00:28:20,029

there's a lot of people who haven't

685

00:28:24,700 --> 00:28:22,669

really paid attention to the topic who

686

00:28:26,980 --> 00:28:24,710

are now drawn to it and aren't taking a

687

00:28:28,749 --> 00:28:26,990

look at it and you got a hope that the

688

00:28:30,220 --> 00:28:28,759

experience will be positive that they'll

689

00:28:32,169 --> 00:28:30,230

stick with it that they'll dig deep

690

00:28:35,769 --> 00:28:32,179

because it's it's not something you can

691

00:28:37,299 --> 00:28:35,779

learn overnight it is challenging to

692

00:28:41,409 --> 00:28:37,309

separate wheat from chaff

693

00:28:44,200 --> 00:28:41,419

so it's hopeful that this area 51 storm

694

00:28:46,269 --> 00:28:44,210

event whatever you want to call it will

695

00:28:49,690 --> 00:28:46,279

can be a positive experience but that is

696

00:28:53,080 --> 00:28:49,700

challenging to channel it into positive

697

00:28:55,060 --> 00:28:53,090

ways right yeah that was the first thing

698

00:28:57,340 --> 00:28:55,070

that crossed my mind it was like there

699

00:28:57,659 --> 00:28:57,350

was so much press about lazar which is

700

00:28:59,399 --> 00:28:57,669

why

701
00:29:02,909 --> 00:28:59,409
because you know let's just take it back

702
00:29:06,029 --> 00:29:02,919
to that this is so simple bob lazar

703
00:29:09,359 --> 00:29:06,039
simply told his story again 30 years

704
00:29:11,279 --> 00:29:09,369
later and yes after 30 years you know we

705
00:29:13,619 --> 00:29:11,289
were able to go back and look at the

706
00:29:15,810 --> 00:29:13,629
things that Lazar had said and were able

707
00:29:17,399 --> 00:29:15,820
to you know prove things that weren't

708
00:29:20,399 --> 00:29:17,409
available 30 years ago just through the

709
00:29:24,359 --> 00:29:20,409
lens of time but but more importantly

710
00:29:28,079 --> 00:29:24,369
and and more obviously he's telling you

711
00:29:29,459 --> 00:29:28,089
the same story but now now we're living

712
00:29:31,919 --> 00:29:29,469
in a different age so information

713
00:29:35,369 --> 00:29:31,929

spreads completely differently

714

00:29:37,349 --> 00:29:35,379

fact-checking completely different so

715

00:29:39,719 --> 00:29:37,359

now we're looking at a time where we

716

00:29:42,269 --> 00:29:39,729

have this potential energy and all these

717

00:29:44,519 --> 00:29:42,279

people are coming in it add a new and we

718

00:29:47,399 --> 00:29:44,529

should harness this we should take this

719

00:29:48,839 --> 00:29:47,409

potential energy and educate and direct

720

00:29:52,019 --> 00:29:48,849

and yeah there was my first thought man

721

00:29:54,359 --> 00:29:52,029

I was really concerned that people would

722

00:29:57,029 --> 00:29:54,369

miss the point but guess what it's not

723

00:29:59,489 --> 00:29:57,039

happening people are getting it and it's

724

00:30:00,989 --> 00:29:59,499

through media and social media the

725

00:30:04,889 --> 00:30:00,999

people are starting to ask the right

726

00:30:06,659 --> 00:30:04,899

questions I'm very optimistic it was a

727

00:30:08,789 --> 00:30:06,669

scary there in the beginning how quickly

728

00:30:10,889 --> 00:30:08,799

this thing spread at to your point how

729

00:30:12,749 --> 00:30:10,899

quickly it spread all around the world

730

00:30:13,979 --> 00:30:12,759

and and suddenly you have to be millions

731

00:30:15,839 --> 00:30:13,989

of people saying yeah we're coming

732

00:30:17,819 --> 00:30:15,849

obviously millions of people are not

733

00:30:19,739 --> 00:30:17,829

coming but millions of people were

734

00:30:21,119 --> 00:30:19,749

expressing their interest in the subject

735

00:30:23,399 --> 00:30:21,129

and hopefully a lot of them will stick

736

00:30:25,979 --> 00:30:23,409

with it but even if it's a few thousand

737

00:30:27,719 --> 00:30:25,989

I mean that itself that it show up out

738

00:30:29,729 --> 00:30:27,729

there in the desert you'd want to be

739

00:30:32,249 --> 00:30:29,739

able to give them something to do to

740

00:30:34,829 --> 00:30:32,259

make it a lasting impression I mean a

741

00:30:37,859 --> 00:30:34,839

party is fine just for its own sake but

742

00:30:39,810 --> 00:30:37,869

this is an opportunity that hopefully

743

00:30:42,839 --> 00:30:39,820

somebody can take advantage oh yeah you

744

00:30:43,949 --> 00:30:42,849

can have a party anywhere anytime but

745

00:30:45,359 --> 00:30:43,959

just look at it this way I heard

746

00:30:48,180 --> 00:30:45,369

somebody on the news I think it was one

747

00:30:52,440 --> 00:30:48,190

of the council people who's saying it's

748

00:30:55,589 --> 00:30:52,450

1/10 of 1% of those who have publicly

749

00:30:57,719 --> 00:30:55,599

expressed you know the opinion that

750

00:31:00,209 --> 00:30:57,729

they're interested in coming to this out

751
00:31:03,419 --> 00:31:00,219
of 3 million people that's 3,000 people

752
00:31:05,639 --> 00:31:03,429
and that doubles the population I mean

753
00:31:06,959 --> 00:31:05,649
it's it's wild so yeah there's a lot of

754
00:31:09,690 --> 00:31:06,969
pitfalls and we should talk about that

755
00:31:11,010 --> 00:31:09,700
this is the desert everything in the

756
00:31:13,980 --> 00:31:11,020
desert has

757
00:31:16,620 --> 00:31:13,990
there's even more going on that people

758
00:31:19,020 --> 00:31:16,630
should be aware of but essentially if

759
00:31:21,570 --> 00:31:19,030
everybody comes with the with the right

760
00:31:23,760 --> 00:31:21,580
intent of learning and becoming educated

761
00:31:27,390 --> 00:31:23,770
and having a good time in a responsible

762
00:31:29,130 --> 00:31:27,400
way this is a moment everybody wins this

763
00:31:31,650 --> 00:31:29,140

is a moment that everybody wins in the

764

00:31:34,010 --> 00:31:31,660

local community the public relations you

765

00:31:39,960 --> 00:31:34,020

know you know to the military base to

766

00:31:42,570 --> 00:31:39,970

UFO secrecy to everybody we all win if

767

00:31:45,180 --> 00:31:42,580

this goes down well and for it to go

768

00:31:47,460 --> 00:31:45,190

down well it just needs to be organized

769

00:31:49,590 --> 00:31:47,470

and I do want to say something I know it

770

00:31:51,360 --> 00:31:49,600

might be a little controversial but look

771

00:31:52,890 --> 00:31:51,370

it was interesting to me I'm just going

772

00:31:56,190 --> 00:31:52,900

to be straight up with you it was

773

00:31:58,350 --> 00:31:56,200

interesting to me that two permits were

774

00:32:01,110 --> 00:31:58,360

put out and then there was this

775

00:32:04,169 --> 00:32:01,120

turnaround and it was however this is a

776

00:32:06,840 --> 00:32:04,179

state of emergency so clearly on one

777

00:32:09,750 --> 00:32:06,850

side everybody wants this but on the

778

00:32:12,000 --> 00:32:09,760

other side everybody's terrified I will

779

00:32:13,890 --> 00:32:12,010

say I was really sitting back to see who

780

00:32:16,290 --> 00:32:13,900

I should advocate for where I should

781

00:32:17,760 --> 00:32:16,300

advocate for because I don't know who's

782

00:32:21,150 --> 00:32:17,770

going to have a safe environment I'm not

783

00:32:22,799 --> 00:32:21,160

organizing it I'm trying to guide you

784

00:32:25,110 --> 00:32:22,809

know speakers and people and this sort

785

00:32:27,780 --> 00:32:25,120

of thing well one of the two permits was

786

00:32:29,370 --> 00:32:27,790

conditional the other one wasn't so the

787

00:32:31,650 --> 00:32:29,380

gentleman you just had on George Harris

788

00:32:33,540 --> 00:32:31,660

it was non-conditional he proved he had

789

00:32:35,610 --> 00:32:33,550

security he proved he had medical he

790

00:32:38,220 --> 00:32:35,620

proved everything he needed the one in

791

00:32:41,460 --> 00:32:38,230

Rachel yeah I'm worried about you know

792

00:32:44,460 --> 00:32:41,470

it's a conditional permit it's not

793

00:32:46,320 --> 00:32:44,470

authorized yet I know the first time I

794

00:32:49,049 --> 00:32:46,330

interviewed George Harris about his

795

00:32:52,080 --> 00:32:49,059

plans he had said you know that he was

796

00:32:53,880 --> 00:32:52,090

actually hoping for all the events that

797

00:32:56,910 --> 00:32:53,890

there be multiple events sort of like a

798

00:32:57,240 --> 00:32:56,920

big motorcycle event that happens every

799

00:32:59,370 --> 00:32:57,250

year

800

00:33:01,260 --> 00:32:59,380

Sturgis that there is multiple

801
00:33:04,020 --> 00:33:01,270
independent events that it would all be

802
00:33:05,730 --> 00:33:04,030
mutually supportive in a sense and I

803
00:33:08,430 --> 00:33:05,740
think that he is hoping that the event

804
00:33:11,280 --> 00:33:08,440
in Reichle centered around the little

805
00:33:13,110 --> 00:33:11,290
alien is a success as well I don't know

806
00:33:14,820 --> 00:33:13,120
that they're as far along as he is in

807
00:33:17,490 --> 00:33:14,830
the planning but we you know I've known

808
00:33:20,730 --> 00:33:17,500
those people a long time and and I sure

809
00:33:22,290 --> 00:33:20,740
hope that that they are moving forward

810
00:33:23,850 --> 00:33:22,300
with their own plans at this point

811
00:33:24,600 --> 00:33:23,860
nobody knows how many people are going

812
00:33:25,740 --> 00:33:24,610
to show up and

813
00:33:27,899 --> 00:33:25,750

was what the Lincoln County

814

00:33:30,269 --> 00:33:27,909

commissioners that you referred to were

815

00:33:31,860 --> 00:33:30,279

worried about and yes they did issue an

816

00:33:34,950 --> 00:33:31,870

emergency declaration the County

817

00:33:36,600 --> 00:33:34,960

Commission Lincoln County voted on an

818

00:33:38,399 --> 00:33:36,610

emergency declaration and what that

819

00:33:39,840 --> 00:33:38,409

means is it basically they're asking for

820

00:33:41,850 --> 00:33:39,850

help from the state of Nevada and

821

00:33:43,980 --> 00:33:41,860

they're gonna get it the state of Nevada

822

00:33:45,570 --> 00:33:43,990

has officials that were assigned to to

823

00:33:48,210 --> 00:33:45,580

help coordinate this thing to bring

824

00:33:50,100 --> 00:33:48,220

emergency personnel in Clark County

825

00:33:52,620 --> 00:33:50,110

Sheriff Joe Lombardo has said he's gonna

826

00:33:54,870 --> 00:33:52,630

send officers so a lot of different

827

00:33:56,450 --> 00:33:54,880

government entities are gonna have

828

00:33:59,759 --> 00:33:56,460

people on the ground there to make sure

829

00:34:02,310 --> 00:33:59,769

that everything goes smoothly

830

00:34:04,049 --> 00:34:02,320

but again nobody knows exactly how many

831

00:34:06,419 --> 00:34:04,059

people are gonna show up or what's going

832

00:34:08,909 --> 00:34:06,429

to happen yeah and and George Harris has

833

00:34:11,639 --> 00:34:08,919

it right from the beginning we all hope

834

00:34:13,680 --> 00:34:11,649

that everything goes over smoothly but I

835

00:34:14,700 --> 00:34:13,690

really couldn't get behind it even say

836

00:34:16,829 --> 00:34:14,710

was going to show up or show my film

837

00:34:20,520 --> 00:34:16,839

until I knew but you know what really

838

00:34:23,129 --> 00:34:20,530

told me this is this can happen and it

839

00:34:25,530 --> 00:34:23,139

can have a powerful social impact is

840

00:34:27,960 --> 00:34:25,540

that you know the law the local law

841

00:34:29,970 --> 00:34:27,970

enforcement and other agencies are

842

00:34:32,339 --> 00:34:29,980

establishing a command center on the

843

00:34:34,050 --> 00:34:32,349

hill up by what George is calling base

844

00:34:36,450 --> 00:34:34,060

camp and I thought that was such a

845

00:34:39,329 --> 00:34:36,460

perfect term when you're climbing Mount

846

00:34:41,520 --> 00:34:39,339

Everest in order to acclimate to the

847

00:34:43,889 --> 00:34:41,530

environment you go to base camp and from

848

00:34:46,200 --> 00:34:43,899

there you can continue venturing out so

849

00:34:49,800 --> 00:34:46,210

I am comfortable telling people by the

850

00:34:51,510 --> 00:34:49,810

way that it's going go to base camp use

851
00:34:52,800 --> 00:34:51,520
that as your location cuz we don't know

852
00:34:54,210 --> 00:34:52,810
what's gonna happen we don't know if the

853
00:34:56,339 --> 00:34:54,220
other permit is going to be you know

854
00:34:58,710 --> 00:34:56,349
finalized and we don't know if

855
00:35:00,870 --> 00:34:58,720
everybody's gonna be safe so I know they

856
00:35:03,089 --> 00:35:00,880
arm one tank of gas you can get a hotel

857
00:35:05,099 --> 00:35:03,099
in Las Vegas and you can drive out to

858
00:35:06,780 --> 00:35:05,109
base camp and you can see the speaker's

859
00:35:08,880 --> 00:35:06,790
who I am definitely curating I'm

860
00:35:10,290 --> 00:35:08,890
curating those speakers and I'm trying

861
00:35:12,810 --> 00:35:10,300
does that mean what it what do you mean

862
00:35:14,880 --> 00:35:12,820
you're curating speakers basically the

863
00:35:16,470 --> 00:35:14,890

the facility so George asked me said hey

864

00:35:18,300 --> 00:35:16,480

do you have people that people really

865

00:35:19,880 --> 00:35:18,310

want to hear from he's into this stuff

866

00:35:22,740 --> 00:35:19,890

he wants people to become educated

867

00:35:25,560 --> 00:35:22,750

absolutely I'll provide my film you can

868

00:35:28,079 --> 00:35:25,570

screen my film exclusively I will pull

869

00:35:30,480 --> 00:35:28,089

in people that I know that have a strong

870

00:35:33,300 --> 00:35:30,490

voice maybe not the voices you've heard

871

00:35:36,150 --> 00:35:33,310

from but the voices you should hear from

872

00:35:38,310 --> 00:35:36,160

as well as some you'll recognize and

873

00:35:41,700 --> 00:35:38,320

everybody's going to provide know

874

00:35:43,560 --> 00:35:41,710

of information it will be fun it will be

875

00:35:45,870 --> 00:35:43,570

an exciting environment but everybody

876

00:35:48,480 --> 00:35:45,880

there will learn the history of what's

877

00:35:52,020 --> 00:35:48,490

been going on and what the potential is

878

00:35:53,340 --> 00:35:52,030

for us now which is brand new as we know

879

00:35:57,030 --> 00:35:53,350

there are closed or congressional

880

00:35:58,470 --> 00:35:57,040

briefings and I want those open I there

881

00:36:01,560 --> 00:35:58,480

will be some things that are actionable

882

00:36:03,600 --> 00:36:01,570

that we can do but mainly provide a safe

883

00:36:06,840 --> 00:36:03,610

environment if the locals are doing that

884

00:36:08,460 --> 00:36:06,850

and they can all pull it off and we can

885

00:36:10,140 --> 00:36:08,470

go to Basecamp and kind of start there

886

00:36:12,600 --> 00:36:10,150

then this is going to be a real

887

00:36:14,820 --> 00:36:12,610

opportunity a springboard for UFO

888

00:36:18,840 --> 00:36:14,830

transparency I believe that with all of

889

00:36:20,580 --> 00:36:18,850

my heart in fact I know that um can you

890

00:36:22,650 --> 00:36:20,590

share any of the names of the speakers

891

00:36:24,750 --> 00:36:22,660

or is it too early to do that you know

892

00:36:26,580 --> 00:36:24,760

actually I have a lot of speakers they

893

00:36:29,310 --> 00:36:26,590

would like to talk at this but I

894

00:36:31,260 --> 00:36:29,320

actually have chosen a few people just

895

00:36:34,020 --> 00:36:31,270

to put out you know today I mean so

896

00:36:36,330 --> 00:36:34,030

obviously it's cast members as well I

897

00:36:38,070 --> 00:36:36,340

mean again if you come back to the root

898

00:36:40,680 --> 00:36:38,080

of this this is Bob Lazar

899

00:36:42,900 --> 00:36:40,690

so my film on Netflix it's like it got a

900

00:36:45,150 --> 00:36:42,910

lot of people talking Joe wrote him you

901
00:36:47,100 --> 00:36:45,160
know the powerful Joe Rogan amplified

902
00:36:48,510 --> 00:36:47,110
that you know there's a bunch of new

903
00:36:50,550 --> 00:36:48,520
celebrities talking about it which

904
00:36:52,440 --> 00:36:50,560
always drives traffic and information

905
00:36:55,290 --> 00:36:52,450
but I do have some speakers I know for

906
00:36:58,410 --> 00:36:55,300
example Ken Lane of desert Oracle

907
00:37:00,960 --> 00:36:58,420
magazine and desert Oracle podcast he

908
00:37:02,820 --> 00:37:00,970
will be the emcee for the entire night

909
00:37:04,260 --> 00:37:02,830
he's they call him the voice of the

910
00:37:05,910 --> 00:37:04,270
desert this guy's amazing

911
00:37:10,830 --> 00:37:05,920
and then I don't know if you know of a

912
00:37:12,810 --> 00:37:10,840
Jane Kyle UFO Jane out of Texas she is a

913
00:37:15,510 --> 00:37:12,820

speaker that I think has a very powerful

914

00:37:17,880 --> 00:37:15,520

powerful voice and I haven't heard

915

00:37:19,860 --> 00:37:17,890

enough from her so she's speaking and

916

00:37:21,990 --> 00:37:19,870

I'm excited about that and then we have

917

00:37:23,910 --> 00:37:22,000

Alejandro Rojas because he puts on

918

00:37:26,400 --> 00:37:23,920

events but a lot of times he doesn't get

919

00:37:29,760 --> 00:37:26,410

to talk and I think he has a good global

920

00:37:32,430 --> 00:37:29,770

view of what's going on and there are

921

00:37:34,020 --> 00:37:32,440

other speakers speakers that I think

922

00:37:36,540 --> 00:37:34,030

everybody's gonna be very excited about

923

00:37:39,180 --> 00:37:36,550

but I need to make sure the environment

924

00:37:41,370 --> 00:37:39,190

is what it appears before I announced

925

00:37:44,670 --> 00:37:41,380

those but people will be very interested

926
00:37:47,490 --> 00:37:44,680
to hear these people talk people you

927
00:37:49,950 --> 00:37:47,500
might not expect or you hope for you

928
00:37:52,320 --> 00:37:49,960
know we've we've talked about I referred

929
00:37:54,540 --> 00:37:52,330
to herding cats with ufologist you get

930
00:37:57,060 --> 00:37:54,550
it comes in waves people are interested

931
00:37:59,940 --> 00:37:57,070
in the topic there is folks who try to

932
00:38:02,220 --> 00:37:59,950
lobby Congress there are people who go

933
00:38:04,380 --> 00:38:02,230
on social media rant and rave and post

934
00:38:06,900 --> 00:38:04,390
up every day it's kind of as a look at

935
00:38:09,660 --> 00:38:06,910
me sort of a thing but then they don't

936
00:38:12,000 --> 00:38:09,670
follow through I'm wondering how to get

937
00:38:14,220 --> 00:38:12,010
people to stick with it and I don't know

938
00:38:16,140 --> 00:38:14,230

the answer to that you know there are

939

00:38:17,730 --> 00:38:16,150

some things cooking and I think we'll

940

00:38:19,680 --> 00:38:17,740

talk about that in a little bit I'm sure

941

00:38:22,440 --> 00:38:19,690

it's very interesting I think there's a

942

00:38:24,210 --> 00:38:22,450

way to do things now with the media and

943

00:38:26,370 --> 00:38:24,220

the attention that you know really

944

00:38:29,070 --> 00:38:26,380

started for me you know since I released

945

00:38:31,110 --> 00:38:29,080

my film the bombs are doing the five

946

00:38:33,210 --> 00:38:31,120

saucers that was like that was a turning

947

00:38:35,850 --> 00:38:33,220

point in my life my life has completely

948

00:38:37,770 --> 00:38:35,860

changed I don't have time to go on

949

00:38:39,480 --> 00:38:37,780

Twitter and argue with the same 25

950

00:38:42,510 --> 00:38:39,490

people anymore it's just the

951
00:38:45,120 --> 00:38:42,520
conversation has moved beyond that we

952
00:38:48,870 --> 00:38:45,130
are now pop culture we are now mass

953
00:38:51,660 --> 00:38:48,880
media this topic is so powerful and

954
00:38:53,820 --> 00:38:51,670
potent that it's time for us to stop

955
00:38:56,460 --> 00:38:53,830
bickering amongst ourselves and see the

956
00:38:59,640 --> 00:38:56,470
bigger picture and if you cannot do that

957
00:39:02,130 --> 00:38:59,650
then you're going to miss out so you

958
00:39:04,950 --> 00:39:02,140
will be there at the base camp thing

959
00:39:07,110 --> 00:39:04,960
will you have any idea if they're able

960
00:39:09,240 --> 00:39:07,120
to livestream it well people around the

961
00:39:10,800 --> 00:39:09,250
world be able to watch it that is one of

962
00:39:12,990 --> 00:39:10,810
the things that I suggested from the

963
00:39:15,720 --> 00:39:13,000

very beginning and I believe that there

964

00:39:17,610 --> 00:39:15,730

are attempts to create that situation

965

00:39:18,720 --> 00:39:17,620

there's a lot of people that want to

966

00:39:21,270 --> 00:39:18,730

help right now

967

00:39:25,230 --> 00:39:21,280

and I think very wisely the one thing

968

00:39:27,330 --> 00:39:25,240

that George Harris and his events person

969

00:39:29,310 --> 00:39:27,340

Emily what they've done it they didn't

970

00:39:30,540 --> 00:39:29,320

jump right in front of everything they

971

00:39:33,210 --> 00:39:30,550

didn't put the cart before the horse

972

00:39:35,280 --> 00:39:33,220

they're putting safety and security

973

00:39:38,400 --> 00:39:35,290

first so everybody has a good time

974

00:39:40,620 --> 00:39:38,410

however now that they are ahead of the

975

00:39:43,910 --> 00:39:40,630

game with that which we can see what the

976

00:39:46,800 --> 00:39:43,920

permit itself now there are these big

977

00:39:49,650 --> 00:39:46,810

opportunities to engage the greater

978

00:39:52,260 --> 00:39:49,660

public whether they can come or not to

979

00:39:55,410 --> 00:39:52,270

the event to what's going on because

980

00:39:58,310 --> 00:39:55,420

this is a human interest this is an

981

00:40:02,010 --> 00:39:58,320

interest that transcend a UFO community

982

00:40:05,329 --> 00:40:02,020

this is popular culture this is mass

983

00:40:07,039 --> 00:40:05,339

media this is now here's what

984

00:40:10,519 --> 00:40:07,049

worried about well a couple of things I

985

00:40:12,799 --> 00:40:10,529

worry about one is that somebody or some

986

00:40:14,660 --> 00:40:12,809

group of somebodies decide that they're

987

00:40:17,539 --> 00:40:14,670

smarter than the government they're

988

00:40:20,089 --> 00:40:17,549

gonna slip into the base become internet

989

00:40:22,009 --> 00:40:20,099

celebrities by doing so or slip over the

990

00:40:23,660 --> 00:40:22,019

line maybe even get themselves arrested

991

00:40:26,150 --> 00:40:23,670

and then something goes horribly wrong

992

00:40:26,959 --> 00:40:26,160

or that a lot of people try to try to do

993

00:40:30,019 --> 00:40:26,969

something like that

994

00:40:33,170 --> 00:40:30,029

it's just I can't emphasize enough how

995

00:40:36,529 --> 00:40:33,180

bad of an idea that is in light of the

996

00:40:38,359 --> 00:40:36,539

security situation around the base but

997

00:40:41,150 --> 00:40:38,369

you know that that area out there is

998

00:40:45,200 --> 00:40:41,160

beautiful especially at night looking at

999

00:40:47,299 --> 00:40:45,210

the Stars hopefully nobody will be quite

1000

00:40:49,819 --> 00:40:47,309

that stupid and that there aren't in the

1001
00:40:50,930 --> 00:40:49,829
accidents because it's a long way from a

1002
00:40:53,479 --> 00:40:50,940
hospital but there are a lot of

1003
00:40:56,630 --> 00:40:53,489
challenges and a lot of things that

1004
00:40:57,979 --> 00:40:56,640
could go wrong but you got to kind of

1005
00:40:59,779 --> 00:40:57,989
cross your fingers because if it goes

1006
00:41:01,489 --> 00:40:59,789
right it could become not only an annual

1007
00:41:03,650 --> 00:41:01,499
event but could affect the big picture

1008
00:41:05,479 --> 00:41:03,660
well you're on this absolutely at a

1009
00:41:07,069 --> 00:41:05,489
tipping point and I'm gonna hit the nail

1010
00:41:11,089 --> 00:41:07,079
on the head although it's very

1011
00:41:12,859 --> 00:41:11,099
uncomfortable for people yes the fear of

1012
00:41:15,559 --> 00:41:12,869
everybody is that there will be

1013
00:41:18,499 --> 00:41:15,569

extremist groups there will be some sort

1014

00:41:18,979 --> 00:41:18,509

of maniac and you know what I'm talking

1015

00:41:22,190 --> 00:41:18,989

about

1016

00:41:26,539 --> 00:41:22,200

living in Las Vegas that is absolutely a

1017

00:41:30,499 --> 00:41:26,549

valid fear however I will say that the

1018

00:41:33,319 --> 00:41:30,509

base has a very strategic plan nobody is

1019

00:41:36,229 --> 00:41:33,329

getting even close to that base there is

1020

00:41:39,739 --> 00:41:36,239

not a possibility in heaven or earth

1021

00:41:42,319 --> 00:41:39,749

it's not happening so because of these

1022

00:41:44,509 --> 00:41:42,329

things that are in place our job as

1023

00:41:46,509 --> 00:41:44,519

citizens is to harness the potential

1024

00:41:50,690 --> 00:41:46,519

energy drive people through education

1025

00:41:52,910 --> 00:41:50,700

arts cinema music and really talking and

1026

00:41:55,039 --> 00:41:52,920

getting people heard who need to be

1027

00:41:57,049 --> 00:41:55,049

heard and we are going to have a good

1028

00:41:59,870 --> 00:41:57,059

experience no one is going to take that

1029

00:42:03,499 --> 00:41:59,880

from us and there is so much security

1030

00:42:07,579 --> 00:42:03,509

remember area 51 the world's best known

1031

00:42:09,769 --> 00:42:07,589

secret base it has security as you have

1032

00:42:12,049 --> 00:42:09,779

uncovered in your reports well beyond

1033

00:42:15,289 --> 00:42:12,059

what people can imagine so we need to

1034

00:42:18,020 --> 00:42:15,299

let go of that idea that is not

1035

00:42:20,570 --> 00:42:18,030

beneficial to anybody

1036

00:42:23,230 --> 00:42:20,580

bring it back around to harnessing the

1037

00:42:26,420 --> 00:42:23,240

potential energy of everybody interested

1038

00:42:30,530 --> 00:42:26,430

to shine a light on UFO secrecy and

1039

00:42:32,210 --> 00:42:30,540

create UFO transparency really simple do

1040

00:42:35,420 --> 00:42:32,220

you get a sense of where things are in

1041

00:42:40,150 --> 00:42:35,430

DC you know we've had these discussions

1042

00:42:42,200 --> 00:42:40,160

privately and publicly including

1043

00:42:44,420 --> 00:42:42,210

conversations with some of the witnesses

1044

00:42:46,700 --> 00:42:44,430

who've appeared before the US Senate in

1045

00:42:49,490 --> 00:42:46,710

closed-door briefings pilots who've told

1046

00:42:52,460 --> 00:42:49,500

their stories to the Senators you know a

1047

00:42:54,440 --> 00:42:52,470

lot of speculation among the naysayers

1048

00:42:56,900 --> 00:42:54,450

that they're just talking about drones

1049

00:42:59,660 --> 00:42:56,910

it's classified projects it's ours

1050

00:43:02,630 --> 00:42:59,670

that's nothing unknown do you have any

1051

00:43:04,400 --> 00:43:02,640

indication that that is inaccurate that

1052

00:43:06,800 --> 00:43:04,410

they are having conversations about

1053

00:43:08,840 --> 00:43:06,810

unknowns and whether or not there's

1054

00:43:11,510 --> 00:43:08,850

action underway behind the scenes

1055

00:43:13,760 --> 00:43:11,520

yeah it's incredibly laughable and I

1056

00:43:15,620 --> 00:43:13,770

kind of come back to what Joe Rogan said

1057

00:43:16,970 --> 00:43:15,630

on his podcast because he did say some

1058

00:43:18,920 --> 00:43:16,980

things in the past that were very

1059

00:43:20,930 --> 00:43:18,930

inaccurate he had people giving you know

1060

00:43:23,750 --> 00:43:20,940

kind of bad data to him about for

1061

00:43:25,730 --> 00:43:23,760

example the tic-tock UFO case I mean Wow

1062

00:43:27,860 --> 00:43:25,740

wouldn't it be great to see flavor on

1063

00:43:29,330 --> 00:43:27,870

that platform commander flavor so again

1064

00:43:31,340 --> 00:43:29,340

you know my history of commander flavor

1065

00:43:33,530 --> 00:43:31,350

we talked for many years prior I kept

1066

00:43:35,780 --> 00:43:33,540

his secret about the exact UFO case you

1067

00:43:38,060 --> 00:43:35,790

and I actually broke that story twice on

1068

00:43:40,040 --> 00:43:38,070

coast to coast before the New York Times

1069

00:43:42,710 --> 00:43:40,050

so yes I'm intimately involved that case

1070

00:43:44,600 --> 00:43:42,720

and it's public knowledge now commander

1071

00:43:47,210 --> 00:43:44,610

Faber said it so we do know that

1072

00:43:48,920 --> 00:43:47,220

commander flavor did brief Congress and

1073

00:43:50,870 --> 00:43:48,930

closed-door briefings that he brought

1074

00:43:55,010 --> 00:43:50,880

other people that is public information

1075

00:43:58,280 --> 00:43:55,020

now so there is an interest there is a

1076

00:44:00,320 --> 00:43:58,290

unique moment you released document if I

1077

00:44:03,460 --> 00:44:00,330

recall correctly that showed that all

1078

00:44:05,540 --> 00:44:03,470

stop was trying to get special access

1079

00:44:09,110 --> 00:44:05,550

permission that it was trying to get

1080

00:44:11,570 --> 00:44:09,120

access to other UFO programs this is a

1081

00:44:13,400 --> 00:44:11,580

moment when Congress is listening we

1082

00:44:15,950 --> 00:44:13,410

don't need the people that already know

1083

00:44:18,230 --> 00:44:15,960

we need the people on the tipping point

1084

00:44:20,600 --> 00:44:18,240

we need the people who are on the fence

1085

00:44:22,610 --> 00:44:20,610

and so there are things and works right

1086

00:44:25,310 --> 00:44:22,620

now that I think can greatly influence

1087

00:44:27,400 --> 00:44:25,320

the the closed-door congressional

1088

00:44:30,290 --> 00:44:27,410

briefings the public wants to know

1089

00:44:31,820 --> 00:44:30,300

you're talking about area 51 of course

1090

00:44:33,080 --> 00:44:31,830

the public wants to know about that

1091

00:44:35,360 --> 00:44:33,090

they're legitimate national security

1092

00:44:38,570 --> 00:44:35,370

secrets out there legitimate programs

1093

00:44:40,070 --> 00:44:38,580

that that should rightfully remain out

1094

00:44:41,870 --> 00:44:40,080

of sight out of the sight of our

1095

00:44:43,940 --> 00:44:41,880

adversaries but this is something

1096

00:44:46,760 --> 00:44:43,950

different I think there's a shell game

1097

00:44:48,650 --> 00:44:46,770

that's been played for a long time and I

1098

00:44:51,590 --> 00:44:48,660

do believe that the one critical thing

1099

00:44:54,410 --> 00:44:51,600

is our material science we do understand

1100

00:44:56,030 --> 00:44:54,420

how gravity propelled craft works we

1101

00:44:58,130 --> 00:44:56,040

understand the physics where's that

1102

00:45:00,710 --> 00:44:58,140

exactly how it works the limiting factor

1103

00:45:02,900 --> 00:45:00,720

is our material science our ability to

1104

00:45:05,090 --> 00:45:02,910

replicate the materials not even to

1105

00:45:07,550 --> 00:45:05,100

mention the fuel source on how these

1106

00:45:09,920 --> 00:45:07,560

things actually physically mechanically

1107

00:45:12,980 --> 00:45:09,930

operate and even with nanotechnology as

1108

00:45:16,640 --> 00:45:12,990

it is right now we are eons away but I'm

1109

00:45:18,110 --> 00:45:16,650

a hopeful person in humanity you know

1110

00:45:19,730 --> 00:45:18,120

we're talking about the technology we

1111

00:45:22,760 --> 00:45:19,740

don't have to reveal the technology you

1112

00:45:23,810 --> 00:45:22,770

could talk about the fact that if it was

1113

00:45:26,600 --> 00:45:23,820

out there

1114

00:45:27,860 --> 00:45:26,610

acknowledge it right you know look that

1115

00:45:29,630 --> 00:45:27,870

that's the highest-ranking military

1116

00:45:30,890 --> 00:45:29,640

individual that I've ever spoken with in

1117

00:45:32,680 --> 00:45:30,900

my entire life

1118

00:45:37,010 --> 00:45:32,690

he made a point of saying to me one time

1119

00:45:38,840 --> 00:45:37,020

the government works for you 99.9% of

1120

00:45:41,750 --> 00:45:38,850

this stuff it's not truly national

1121

00:45:45,560 --> 00:45:41,760

security you should know it is your

1122

00:45:48,590 --> 00:45:45,570

human right to know to have questions

1123

00:45:51,440 --> 00:45:48,600

answered if like Bob Lazar emphasized in

1124

00:45:53,780 --> 00:45:51,450

in my film that that we have been

1125

00:45:55,730 --> 00:45:53,790

contacted by another technologically

1126
00:45:57,950 --> 00:45:55,740
advanced civilization in our universe

1127
00:46:01,460 --> 00:45:57,960
and they appear to be visiting earth now

1128
00:46:01,820 --> 00:46:01,470
that that is a reality whose time has

1129
00:46:05,270 --> 00:46:01,830
come

1130
00:46:07,580 --> 00:46:05,280
I think the secrecy personally it's not

1131
00:46:09,380 --> 00:46:07,590
what people think that the secrecy and I

1132
00:46:12,020 --> 00:46:09,390
and I agree with Bob he said in my film

1133
00:46:14,650 --> 00:46:12,030
as well he emphasized this in myself the

1134
00:46:16,820 --> 00:46:14,660
the same technology that could

1135
00:46:20,510 --> 00:46:16,830
instantaneously alter the path of

1136
00:46:24,470 --> 00:46:20,520
humanity the very next day that it could

1137
00:46:27,170 --> 00:46:24,480
be weaponized and this is the reason for

1138
00:46:28,340 --> 00:46:27,180

the secrecy and I understand that that's

1139

00:46:30,710 --> 00:46:28,350

a double edged sword

1140

00:46:32,030 --> 00:46:30,720

however the basics the base

1141

00:46:35,540 --> 00:46:32,040

understanding

1142

00:46:37,160 --> 00:46:35,550

nobody should own that if it is known

1143

00:46:41,630 --> 00:46:37,170

that we are not alone in the universe

1144

00:46:43,730 --> 00:46:41,640

that needs to be told I had got a

1145

00:46:45,410 --> 00:46:43,740

message from Bob you know I don't talk

1146

00:46:47,950 --> 00:46:45,420

to him every day I am in

1147

00:46:50,089 --> 00:46:47,960

communication with them every week or so

1148

00:46:51,620 --> 00:46:50,099

you were in communication with them a

1149

00:46:53,329 --> 00:46:51,630

lot more than that but he had toyed with

1150

00:46:56,420 --> 00:46:53,339

the idea of calling in tonight and

1151
00:46:59,059 --> 00:46:56,430
that's what's what are things have been

1152
00:47:01,220 --> 00:46:59,069
like for him since the film came out and

1153
00:47:03,380 --> 00:47:01,230
also since the Rogen Joe Rogan interview

1154
00:47:06,049 --> 00:47:03,390
because the Rogen interview reached a

1155
00:47:09,020 --> 00:47:06,059
whole different audience and I know my

1156
00:47:11,809 --> 00:47:09,030
emails and phone calls blew up all over

1157
00:47:13,910 --> 00:47:11,819
again was some of the same kinds of

1158
00:47:16,099 --> 00:47:13,920
questions and controversies that have

1159
00:47:18,680 --> 00:47:16,109
been addressed many times over the last

1160
00:47:20,839 --> 00:47:18,690
thirty years thirty years come November

1161
00:47:23,030 --> 00:47:20,849
what's it been like for him in the last

1162
00:47:24,500 --> 00:47:23,040
couple of months you know it's funny we

1163
00:47:27,440 --> 00:47:24,510

talked about that when we were walking

1164

00:47:28,730 --> 00:47:27,450

out from where Joe podcast he turned to

1165

00:47:31,130 --> 00:47:28,740

me and said you better shave your beard

1166

00:47:34,670 --> 00:47:31,140

I thought he was like joking right

1167

00:47:38,450 --> 00:47:34,680

it has transmuted this entire experience

1168

00:47:40,640 --> 00:47:38,460

for for Bob for me that the world is now

1169

00:47:45,170 --> 00:47:40,650

talking about this in a completely

1170

00:47:48,740 --> 00:47:45,180

different way Joe allowed Bob to tell

1171

00:47:52,789 --> 00:47:48,750

you what happened to him and that was so

1172

00:47:55,430 --> 00:47:52,799

powerful it was so profound more than

1173

00:47:56,960 --> 00:47:55,440

people understand and so with Bob's

1174

00:47:59,059 --> 00:47:56,970

everyday life you know he's kind of

1175

00:48:01,130 --> 00:47:59,069

isolated he works in his lab and in his

1176

00:48:03,049 --> 00:48:01,140

shop and he doesn't really engage the

1177

00:48:06,349 --> 00:48:03,059

outside world that much but those brief

1178

00:48:08,780 --> 00:48:06,359

encounters when he does he understands

1179

00:48:11,030 --> 00:48:08,790

now he understands that that phone

1180

00:48:13,700 --> 00:48:11,040

meeting you actually took a photo of

1181

00:48:15,650 --> 00:48:13,710

that put it on Twitter a phone meeting

1182

00:48:16,970 --> 00:48:15,660

with Joe Rogan called and I was kind of

1183

00:48:19,069 --> 00:48:16,980

trying to convince Bob to make a

1184

00:48:20,450 --> 00:48:19,079

decision you know does he want to put

1185

00:48:24,319 --> 00:48:20,460

his face out there in that kind of way

1186

00:48:27,620 --> 00:48:24,329

that photo was prophetic Joe was telling

1187

00:48:29,870 --> 00:48:27,630

us we have an opportunity to alter the

1188

00:48:33,700 --> 00:48:29,880

way people have this conversation on a

1189

00:48:37,670 --> 00:48:33,710

on a pop-culture level and he was right

1190

00:48:40,609 --> 00:48:37,680

so I think bob has been vindicated in a

1191

00:48:42,349 --> 00:48:40,619

lot of way more than he ever anticipated

1192

00:48:44,569 --> 00:48:42,359

because he said from the very beginning

1193

00:48:47,410 --> 00:48:44,579

to you he said I cannot prove this story

1194

00:48:50,450 --> 00:48:47,420

in full but what happened to me is

1195

00:48:52,309 --> 00:48:50,460

exactly like I'm saying so I think his

1196

00:48:55,670 --> 00:48:52,319

life has changed in a lot of ways I I

1197

00:48:58,790 --> 00:48:55,680

could see that there's a joy in him that

1198

00:49:01,280 --> 00:48:58,800

people have have at least heard

1199

00:49:04,040 --> 00:49:01,290

he has to say take it for whatever value

1200

00:49:05,380 --> 00:49:04,050

you think it should be value but look

1201
00:49:09,200 --> 00:49:05,390
again we're living in a different world

1202
00:49:11,450 --> 00:49:09,210
you've got commander flavor he saw your

1203
00:49:14,710 --> 00:49:11,460
foe fighting for five minutes he chased

1204
00:49:19,700 --> 00:49:14,720
a UFO for the United States military

1205
00:49:22,550 --> 00:49:19,710
it absolutely nullified nullified any

1206
00:49:24,170 --> 00:49:22,560
attack that he could possibly make no

1207
00:49:25,190 --> 00:49:24,180
wait this is just a classified drone

1208
00:49:27,410 --> 00:49:25,200
right it's ours

1209
00:49:29,450 --> 00:49:27,420
I mean it's we're joking and that's kind

1210
00:49:31,490 --> 00:49:29,460
of a funny thing to say but you know it

1211
00:49:33,890 --> 00:49:31,500
is so utterly ridiculous I was just

1212
00:49:35,600 --> 00:49:33,900
taught so there's a comic his name is

1213
00:49:37,940 --> 00:49:35,610

Dave Foley you probably know from kids

1214

00:49:39,860 --> 00:49:37,950

in the hall really intelligent dude and

1215

00:49:42,430 --> 00:49:39,870

you know he kind of was talking to me

1216

00:49:46,340 --> 00:49:42,440

recently and and he says you know look

1217

00:49:49,040 --> 00:49:46,350

when they talk about Occam's razor he

1218

00:49:53,030 --> 00:49:49,050

said it's not the most mundane answer

1219

00:49:54,680 --> 00:49:53,040

that's correct it's it's the most simple

1220

00:49:57,320 --> 00:49:54,690

it's the most obvious it's the most

1221

00:49:58,670 --> 00:49:57,330

clear it's the it's the one that's right

1222

00:50:00,710 --> 00:49:58,680

in front of you and I thought that was

1223

00:50:03,170 --> 00:50:00,720

so smart and that echoed what Joe Rogan

1224

00:50:05,630 --> 00:50:03,180

said on his podcast which is he finds

1225

00:50:08,180 --> 00:50:05,640

that debunkers or these you know

1226

00:50:11,120 --> 00:50:08,190

quote-unquote skeptics that they're

1227

00:50:13,760 --> 00:50:11,130

fundamentally lazy they're constantly

1228

00:50:16,280 --> 00:50:13,770

just trying to belittle anything complex

1229

00:50:19,190 --> 00:50:16,290

more complex than a spoon hosannah

1230

00:50:22,640 --> 00:50:19,200

diktat so yeah to hit on your joke there

1231

00:50:25,880 --> 00:50:22,650

this was absolutely an anomalous aerial

1232

00:50:29,180 --> 00:50:25,890

vehicle of advanced technology unlike

1233

00:50:31,670 --> 00:50:29,190

humanity has ever made or can make in

1234

00:50:34,340 --> 00:50:31,680

foreseeable future all governments know

1235

00:50:36,590 --> 00:50:34,350

about it all are fighting to master this

1236

00:50:38,480 --> 00:50:36,600

technology because whoever can reverse

1237

00:50:40,700 --> 00:50:38,490

engineered this gravity propulsion

1238

00:50:45,790 --> 00:50:40,710

system they win period

1239

00:50:49,340 --> 00:50:45,800

. they win so the tick-tack UFO was

1240

00:50:51,500 --> 00:50:49,350

absolutely an unidentified an a a be an

1241

00:50:53,780 --> 00:50:51,510

enormous aero gravity propelled vehicle

1242

00:50:55,900 --> 00:50:53,790

and hopefully you heard commander flavor

1243

00:50:58,730 --> 00:50:55,910

tell you about his first-hand encounter

1244

00:51:02,210 --> 00:50:58,740

with why it couldn't have been a glitch

1245

00:51:04,220 --> 00:51:02,220

on the radar well that'd be a tall order

1246

00:51:06,860 --> 00:51:04,230

to get him to come out I won't even ask

1247

00:51:08,360 --> 00:51:06,870

you about that let me add mention about

1248

00:51:11,450 --> 00:51:08,370

Rogan so Rogan is an interesting

1249

00:51:13,130 --> 00:51:11,460

character on the multiple levels

1250

00:51:15,170 --> 00:51:13,140

it would be fun to have him on the other

1251
00:51:16,519 --> 00:51:15,180
side of this microphone sitting in the

1252
00:51:18,349 --> 00:51:16,529
chair where you're sitting to ask him

1253
00:51:21,410 --> 00:51:18,359
some questions I I don't have the time

1254
00:51:23,739 --> 00:51:21,420
to listen to podcasts his is one of the

1255
00:51:25,430 --> 00:51:23,749
few that I ever tuned into when he's

1256
00:51:28,279 --> 00:51:25,440
specifically when he's talking about

1257
00:51:30,049 --> 00:51:28,289
UFOs and I've seen him take both sides I

1258
00:51:33,160 --> 00:51:30,059
mean you know he's been really harsh

1259
00:51:36,859 --> 00:51:33,170
when he thinks somebody is biessing him

1260
00:51:40,789 --> 00:51:36,869
but it seems like he's been transformed

1261
00:51:43,789 --> 00:51:40,799
by his interest in in the area 51's for

1262
00:51:45,739 --> 00:51:43,799
bob lazar stuff Joe Rogan is a brutally

1263
00:51:48,559 --> 00:51:45,749

honest individual that has been my

1264

00:51:52,009 --> 00:51:48,569

experience I think that he is absolutely

1265

00:51:55,279 --> 00:51:52,019

open and I think that he did something

1266

00:51:57,140 --> 00:51:55,289

kind of heroic in allowing Bob to tell

1267

00:51:59,539 --> 00:51:57,150

his account of what happened to him but

1268

00:52:01,519 --> 00:51:59,549

but really I equate it to there's not

1269

00:52:04,370 --> 00:52:01,529

many people that really wanted to know

1270

00:52:06,710 --> 00:52:04,380

if bob was telling the truth they wanted

1271

00:52:09,259 --> 00:52:06,720

to jump into judgment where Joe Rogan

1272

00:52:11,390 --> 00:52:09,269

got to meet him Bob went to one of his

1273

00:52:12,980 --> 00:52:11,400

comedy shows he got you know Joe and Bob

1274

00:52:15,920 --> 00:52:12,990

got to kind of get to know each other a

1275

00:52:18,799 --> 00:52:15,930

little bit and Bob had the opportunity

1276

00:52:20,930 --> 00:52:18,809

to to state his case and Joe gave him

1277

00:52:22,999 --> 00:52:20,940

that because Joe really wanted and I

1278

00:52:24,620 --> 00:52:23,009

think he still wants to know the truth

1279

00:52:26,809 --> 00:52:24,630

about that I think it's important to him

1280

00:52:28,880 --> 00:52:26,819

yeah I would love if the tables were

1281

00:52:30,380 --> 00:52:28,890

reversed I would like to know what Joe

1282

00:52:33,289 --> 00:52:30,390

thinks I would like to have that

1283

00:52:35,359 --> 00:52:33,299

conversation in that way absolutely he's

1284

00:52:37,970 --> 00:52:35,369

a brilliant minded he's straightforward

1285

00:52:40,430 --> 00:52:37,980

and brutally honest absolutely

1286

00:52:42,170 --> 00:52:40,440

so one day I hope to hear that but I

1287

00:52:44,239 --> 00:52:42,180

think he speaks volumes in in many ways

1288

00:52:46,069 --> 00:52:44,249

and I think you'll hear more from Joe

1289

00:52:48,200 --> 00:52:46,079

about this and yes I do think the script

1290

00:52:50,390 --> 00:52:48,210

was flipped he said to me that my movie

1291

00:52:52,220 --> 00:52:50,400

you know changed his mind about it and

1292

00:52:54,109 --> 00:52:52,230

and that's you know very flattering and

1293

00:52:55,970 --> 00:52:54,119

you know that's great wasn't me though I

1294

00:52:59,059 --> 00:52:55,980

mean my movie hopefully was entertaining

1295

00:53:02,059 --> 00:52:59,069

but that was um that was there was Bob's

1296

00:53:04,789 --> 00:53:02,069

account that did that but at least Joe

1297

00:53:07,549 --> 00:53:04,799

was open enough to watch and to listen

1298

00:53:10,370 --> 00:53:07,559

and I did see a change because there was

1299

00:53:12,229 --> 00:53:10,380

a time when you know he just didn't want

1300

00:53:14,420 --> 00:53:12,239

to hear any more CoCo because he was

1301
00:53:16,130 --> 00:53:14,430
enough you know with all the people that

1302
00:53:18,049 --> 00:53:16,140
were cuckoo for cocoa puffs it was a

1303
00:53:21,440 --> 00:53:18,059
data poor perspective he was getting

1304
00:53:24,720 --> 00:53:21,450
people who were I don't even say fringe

1305
00:53:27,150 --> 00:53:24,730
they were full of BS so thankfully he's

1306
00:53:29,310 --> 00:53:27,160
had some people now that are coming on

1307
00:53:30,780 --> 00:53:29,320
to give him some basic information that

1308
00:53:33,270 --> 00:53:30,790
he could rely on he can take it to the

1309
00:53:35,940 --> 00:53:33,280
bank he's a loud voice I hope he's an

1310
00:53:37,560 --> 00:53:35,950
ally to get to the truth whatever that

1311
00:53:40,170 --> 00:53:37,570
truth may be well his Reach is

1312
00:53:42,030 --> 00:53:40,180
incredible I mean I had no I knew it was

1313
00:53:44,580 --> 00:53:42,040

big but I had no idea and I and you

1314

00:53:45,960 --> 00:53:44,590

referenced that photo I took that when

1315

00:53:49,590 --> 00:53:45,970

we were at lazarre's house in Michigan

1316

00:53:51,420 --> 00:53:49,600

some months ago and having a cell phone

1317

00:53:53,040 --> 00:53:51,430

conversation with Rogan on the other end

1318

00:53:55,140 --> 00:53:53,050

three of us on one end him on the other

1319

00:53:57,060 --> 00:53:55,150

and listening to his pitch about Bob

1320

00:53:59,580 --> 00:53:57,070

doing the show and you know after we

1321

00:54:01,650 --> 00:53:59,590

finished we went back and I was share

1322

00:54:04,470 --> 00:54:01,660

private thoughts there that we were went

1323

00:54:06,600 --> 00:54:04,480

back and forth about what Joe Rogan's

1324

00:54:08,400 --> 00:54:06,610

ultimate intent was and it turns out it

1325

00:54:10,290 --> 00:54:08,410

was exactly what he said it was it said

1326

00:54:11,700 --> 00:54:10,300

he was curious he wanted to hear the

1327

00:54:12,960 --> 00:54:11,710

story and and share it with his

1328

00:54:16,020 --> 00:54:12,970

listeners and that's what he did

1329

00:54:18,450 --> 00:54:16,030

yeah Joe Rogan is a man of his word I do

1330

00:54:21,060 --> 00:54:18,460

believe that as I like to say his

1331

00:54:23,430 --> 00:54:21,070

curiosity has been weaponized once again

1332

00:54:25,830 --> 00:54:23,440

meaning that he wants to actively

1333

00:54:27,510 --> 00:54:25,840

participate in getting closer to the

1334

00:54:30,510 --> 00:54:27,520

truth on this subject because it is

1335

00:54:32,430 --> 00:54:30,520

absolutely compelling right now we know

1336

00:54:36,480 --> 00:54:32,440

more today than we did before

1337

00:54:37,950 --> 00:54:36,490

and he's right skeptics are lazy there

1338

00:54:39,180 --> 00:54:37,960

there's there's one way to look at

1339

00:54:40,770 --> 00:54:39,190

something and try to come to the truth

1340

00:54:42,930 --> 00:54:40,780

and there's another way to try to you

1341

00:54:45,630 --> 00:54:42,940

know always try to fit a square block

1342

00:54:48,480 --> 00:54:45,640

into a round hole and I think that the

1343

00:54:50,910 --> 00:54:48,490

Joe has spoken and I think that he will

1344

00:54:53,730 --> 00:54:50,920

continue to seek the truth and I am

1345

00:54:56,340 --> 00:54:53,740

grateful for that we need allies in this

1346

00:54:59,370 --> 00:54:56,350

we need people who really want to know

1347

00:55:02,400 --> 00:54:59,380

not people that just really want to

1348

00:55:04,020 --> 00:55:02,410

confine the truth to whatever their whim

1349

00:55:07,380 --> 00:55:04,030

is and I think they'll have an

1350

00:55:09,510 --> 00:55:07,390

opportunity in conversation now that we

1351
00:55:12,540 --> 00:55:09,520
didn't before so I am eternally grateful

1352
00:55:15,290 --> 00:55:12,550
that he allowed Bob to talk and I really

1353
00:55:19,320 --> 00:55:15,300
hope that Joe gets more credible

1354
00:55:21,600 --> 00:55:19,330
powerful witnesses and people to talk

1355
00:55:25,290 --> 00:55:21,610
with because I think the public needs to

1356
00:55:27,540 --> 00:55:25,300
hear it well the result of his broadcast

1357
00:55:29,670 --> 00:55:27,550
I mean his his podcast is that we're

1358
00:55:32,490 --> 00:55:29,680
here tonight talking about storm area51

1359
00:55:35,730 --> 00:55:32,500
and its various incarnations and what

1360
00:55:38,460 --> 00:55:35,740
could be a fairly large gathering or two

1361
00:55:40,349 --> 00:55:38,470
we're not quite sure which if there's

1362
00:55:42,359 --> 00:55:40,359
well they're good plans for more than

1363
00:55:44,700 --> 00:55:42,369

one two different ones on the same dates

1364

00:55:46,620 --> 00:55:44,710

and then some part big parties in Las

1365

00:55:48,900 --> 00:55:46,630

Vegas do I'm not organizing I'm

1366

00:55:51,180 --> 00:55:48,910

advocating I share the same fears but

1367

00:55:52,890 --> 00:55:51,190

also the same hopes it is important to

1368

00:55:55,260 --> 00:55:52,900

know that we are not stopping this

1369

00:55:57,690 --> 00:55:55,270

September 20th is happening there's a

1370

00:55:59,820 --> 00:55:57,700

storm brewing we have to deal with that

1371

00:56:01,500 --> 00:55:59,830

fact so I like what locals are doing

1372

00:56:03,480 --> 00:56:01,510

such as George Harris with Basecamp

1373

00:56:05,849 --> 00:56:03,490

creating a safe environment now you

1374

00:56:08,430 --> 00:56:05,859

should also know I'm creating a call to

1375

00:56:10,830 --> 00:56:08,440

action so pay attention there will be a

1376

00:56:12,180 --> 00:56:10,840

document it will be a weapon that if

1377

00:56:14,849 --> 00:56:12,190

placed in the right hands of our

1378

00:56:17,550 --> 00:56:14,859

representatives it will help enact true

1379

00:56:19,380 --> 00:56:17,560

and lasting change pay attention to my

1380

00:56:22,020 --> 00:56:19,390

social media there will be a call to

1381

00:56:25,080 --> 00:56:22,030

action it will help us and then finally

1382

00:56:27,359 --> 00:56:25,090

walking Twitter there will be a campaign

1383

00:56:29,130 --> 00:56:27,369

to harness the potential energy of those

1384

00:56:31,800 --> 00:56:29,140

who cannot physically be there and

1385

00:56:33,660 --> 00:56:31,810

contribute so two things there will be a

1386

00:56:35,730 --> 00:56:33,670

call to action you'll be able to sign

1387

00:56:37,410 --> 00:56:35,740

you live the health and second there

1388

00:56:40,140 --> 00:56:37,420

will be a Twitter campaign to invoke

1389

00:56:42,839 --> 00:56:40,150

everybody that can't be a look exciting

1390

00:56:45,570 --> 00:56:42,849

times this is amazing we're gonna allow

1391

00:56:47,970 --> 00:56:45,580

this to go the right direction safety

1392

00:56:50,190 --> 00:56:47,980

first and let's have a good time

1393

00:56:52,500 --> 00:56:50,200

thanks Jeremy appreciate it and we'll be

1394

00:56:54,390 --> 00:56:52,510

in touch I'll probably see you out there
