

# BOB LAZAR

AREA 51 & FLYING SAUCERS

DELETED SCENE

1  
00:00:30,450 --> 00:00:19,170

[Music]

2  
00:00:34,860 --> 00:00:32,370  
dropping bombs the middle of the desert

3  
00:00:36,660 --> 00:00:34,870  
all that atomic energy fused sand

4  
00:00:39,630 --> 00:00:36,670  
together that's what gives it's really

5  
00:00:41,910 --> 00:00:39,640  
nice of glassy green you know texture

6  
00:00:43,380 --> 00:00:41,920  
that people really look for in it so and

7  
00:00:46,110 --> 00:00:43,390  
it's rare you know it's running out it's

8  
00:00:47,760 --> 00:00:46,120  
definitely a you know there's not enough

9  
00:00:51,420 --> 00:00:47,770  
on the planet for it to be an infinite

10  
00:00:55,920 --> 00:00:51,430  
resource so can't even do any more tests

11  
00:00:58,350 --> 00:00:55,930  
so that's why it's so rare all of a

12  
00:01:00,570 --> 00:00:58,360  
sudden you're selling a whole bunch of

13  
00:01:01,140 --> 00:01:00,580

treatment tight yeah and what why is

14

00:01:03,389 --> 00:01:01,150

that

15

00:01:05,850 --> 00:01:03,399

well apparently Twin Peaks came out with

16

00:01:09,389 --> 00:01:05,860

an episode last week or so where they

17

00:01:11,999 --> 00:01:09,399

make good it's a really cool shot of the

18

00:01:14,520 --> 00:01:12,009

bomb going up in 1945 White Sands New

19

00:01:16,800 --> 00:01:14,530

Mexico and all it is is a two-minute

20

00:01:20,370 --> 00:01:16,810

closeup of the bomb going off and then

21

00:01:23,040 --> 00:01:20,380

it goes deeply into like this atomic you

22

00:01:26,310 --> 00:01:23,050

know everything's going off exploding

23

00:01:28,290 --> 00:01:26,320

and all this no fusion and that's it

24

00:01:29,760 --> 00:01:28,300

that's all that happens in the episode

25

00:01:31,440 --> 00:01:29,770

it's the only mention of it really

26

00:01:34,170 --> 00:01:31,450

and then I guess later in the episode

27

00:01:36,090 --> 00:01:34,180

you see a bug crawl out of what the

28

00:01:38,700 --> 00:01:36,100

aftermath of the bomb but there's no

29

00:01:41,130 --> 00:01:38,710

explicit mention of Trinitite or

30

00:01:43,289 --> 00:01:41,140

anything like that and we sales just

31

00:01:46,380 --> 00:01:43,299

went through the roof like we hadn't so

32

00:01:50,070 --> 00:01:46,390

we sold more in the in one week than we

33

00:01:51,510 --> 00:01:50,080

had all year of this stuff so it was but

34

00:01:52,950 --> 00:01:51,520

yeah it was bizarre I thought for sure

35

00:01:54,570 --> 00:01:52,960

there would be an explicit mention like

36

00:01:57,330 --> 00:01:54,580

you said with the Trinitite ring or

37

00:01:59,730 --> 00:01:57,340

something but nothing so that was it

38

00:02:02,190 --> 00:01:59,740

really it's really nice because you get

39

00:02:03,660 --> 00:02:02,200

to hold that like a bomb exploded in my

40

00:02:06,570 --> 00:02:03,670

hand basically that's why I really like

41

00:02:09,029 --> 00:02:06,580

to Trinitite so and it looks pretty cool

42

00:02:13,750 --> 00:02:11,350

pretty nice they have the genuine piece

43

00:02:15,580 --> 00:02:13,760

of American history a little in your

44

00:02:17,050 --> 00:02:15,590

hand so that's why I like it a lot and

45

00:02:19,390 --> 00:02:17,060

it's all like it's called Trinitite

46

00:02:22,000 --> 00:02:19,400

because it was from the first atomic

47

00:02:24,280 --> 00:02:22,010

test it was thought the trick with the

48

00:02:25,840 --> 00:02:24,290

Trinitite bomb Trinity test sites

49

00:02:28,870 --> 00:02:25,850

Trinity test site that's what it was

50

00:02:34,060 --> 00:02:28,880

yeah and that's why it's called turnit

51  
00:02:34,720 --> 00:02:34,070  
site that's the only reason yeah I love

52  
00:02:35,949 --> 00:02:34,730  
my job

53  
00:02:37,720 --> 00:02:35,959  
there's a lot of craftsmanship and with

54  
00:02:39,580 --> 00:02:37,730  
the stuff I do I really like working

55  
00:02:41,620 --> 00:02:39,590  
with my hands and it's a really unique

56  
00:02:42,970 --> 00:02:41,630  
job I don't think there's any other job

57  
00:02:46,720 --> 00:02:42,980  
where you get to do this kind of stuff

58  
00:02:49,960 --> 00:02:46,730  
every day I work for Bob Lazar what more

59  
00:02:51,729 --> 00:02:49,970  
can I ask for that was kind of a coffee

60  
00:02:53,620 --> 00:02:51,739  
drop moment when I realized that my boss

61  
00:02:55,810 --> 00:02:53,630  
was dead when I interviewed with him I

62  
00:02:58,090 --> 00:02:55,820  
thought it was just some guy and then I

63  
00:03:00,430 --> 00:02:58,100

go back home and I kind of start putting

64

00:03:02,560 --> 00:03:00,440

two and two together when I you know

65

00:03:04,000 --> 00:03:02,570

research who am i working for and all

66

00:03:05,860 --> 00:03:04,010

that and I was like oh my god I'm

67

00:03:08,140 --> 00:03:05,870

working for Bob because this is a guy

68

00:03:09,910 --> 00:03:08,150

known about since I was 12 years old so

69

00:03:12,100 --> 00:03:09,920

my uncle showed me a conspiracy video

70

00:03:14,110 --> 00:03:12,110

you know it's the Bob tape with the

71

00:03:16,870 --> 00:03:14,120

interview with him as for and area 51

72

00:03:18,100 --> 00:03:16,880

from the 80s or so and I remember that

73

00:03:20,470 --> 00:03:18,110

because that was like the only video had

74

00:03:22,120 --> 00:03:20,480

ever seen where I actually trusted the

75

00:03:23,590 --> 00:03:22,130

it was like the only conspiracy video

76

00:03:26,440 --> 00:03:23,600

where I actually trusted the guy and

77

00:03:27,520 --> 00:03:26,450

what he was saying so flash forward 10

78

00:03:29,470 --> 00:03:27,530

years later and I'm actually

79

00:03:31,210 --> 00:03:29,480

interviewing with him and I'm like oh my

80

00:03:32,830 --> 00:03:31,220

god I get to work for this guy the

81

00:03:35,500 --> 00:03:32,840

bonuses is that he's actually a really

82

00:03:36,729 --> 00:03:35,510

cool boss I never ever asked for that I

83

00:03:37,990 --> 00:03:36,739

never would have expected that but he's

84

00:03:40,330 --> 00:03:38,000

a really cool boss he's a really cool

85

00:03:42,559 --> 00:03:40,340

guy so that's what makes this job so

86

00:03:45,619 --> 00:03:42,569

awesome

87

00:03:47,030 --> 00:03:45,629

I find to be an endlessly fascinating

88

00:03:49,250 --> 00:03:47,040

person he's always working on something

89

00:03:51,020 --> 00:03:49,260

different something cool and then he and

90

00:03:52,580 --> 00:03:51,030

I are always matched on curiosity about

91

00:03:54,709 --> 00:03:52,590

science in general so that's the best

92

00:03:55,550 --> 00:03:54,719

part is that whenever he's coming up

93

00:03:56,809 --> 00:03:55,560

with something new

94

00:03:58,610 --> 00:03:56,819

he'll come up and be like hey Zack check

95

00:04:00,379 --> 00:03:58,620

this out a super Cola oh my god you're

96

00:04:02,959 --> 00:04:00,389

right it is just that kind of like

97

00:04:04,789 --> 00:04:02,969

curiosity about the natural world and

98

00:04:08,119 --> 00:04:04,799

Sciences what really motivates me to

99

00:04:09,259 --> 00:04:08,129

come into work basically Bob's chemist

100

00:04:10,940 --> 00:04:09,269

scientist have you heard that stuff

101  
00:04:12,470 --> 00:04:10,950  
before yeah oh yeah you hear that all

102  
00:04:14,629 --> 00:04:12,480  
the time or you know he's a liar he

103  
00:04:15,770 --> 00:04:14,639  
never worked for area 51 that's why they

104  
00:04:17,029 --> 00:04:15,780  
can believe whatever they want you know

105  
00:04:18,589 --> 00:04:17,039  
the love that I know is like one of the

106  
00:04:21,289 --> 00:04:18,599  
most honest people that I've ever met

107  
00:04:22,550 --> 00:04:21,299  
and I love his ethics as a businessman

108  
00:04:24,409 --> 00:04:22,560  
that's kind of something that I try to

109  
00:04:26,330 --> 00:04:24,419  
you know propagate as a person as well

110  
00:04:27,680 --> 00:04:26,340  
he's got really good principles the more

111  
00:04:28,749 --> 00:04:27,690  
you get to know him than where you

112  
00:04:31,490 --> 00:04:28,759  
realized he's telling the truth

113  
00:04:33,050 --> 00:04:31,500

yeah that's the bizarre part is that his

114

00:04:34,879 --> 00:04:33,060

story's true it's like the most

115

00:04:35,960 --> 00:04:34,889

unbelievable story in American history

116

00:04:38,240 --> 00:04:35,970

and then it kind of clicked to me is

117

00:04:39,920 --> 00:04:38,250

like he actually worked there it's like

118

00:04:41,270 --> 00:04:39,930

that was the most unbelievable part to

119

00:04:42,920 --> 00:04:41,280

me it's like this whole time I thought

120

00:04:44,510 --> 00:04:42,930

he's just some crackpot honestly I

121

00:04:46,820 --> 00:04:44,520

thought he's gonna be suggest some you

122

00:04:49,249 --> 00:04:46,830

know another guy that's propagating his

123

00:04:51,649 --> 00:04:49,259

UFO conspiracies like we never landed on

124

00:04:53,899 --> 00:04:51,659

the moon I think like the first week I

125

00:04:55,460 --> 00:04:53,909

worked here I heard him call somebody

126

00:04:56,839 --> 00:04:55,470

out on the phone because they asked him

127

00:04:58,310 --> 00:04:56,849

did we land on the moon he's like I

128

00:05:00,080 --> 00:04:58,320

personally know somebody who's been on

129

00:05:02,120 --> 00:05:00,090

them and that kind of set the tone for

130

00:05:03,379 --> 00:05:02,130

me like he's not one of those guys he

131

00:05:05,089 --> 00:05:03,389

doesn't want to associate with those

132

00:05:08,420 --> 00:05:05,099

guys he doesn't want to be just some

133

00:05:09,649 --> 00:05:08,430

conspiracy nut so that really kind of

134

00:05:11,749 --> 00:05:09,659

started turning the wheels of like you

135

00:05:12,879 --> 00:05:11,759

know maybe his story's true maybe he

136

00:05:14,899 --> 00:05:12,889

actually did work there and

137

00:05:17,060 --> 00:05:14,909

understanding him as a person as being

138

00:05:19,129 --> 00:05:17,070

like somebody that's pretty honest that

139

00:05:20,600 --> 00:05:19,139

only reinforces the idea that yeah he

140

00:05:22,760 --> 00:05:20,610

actually worked there and he doesn't

141

00:05:25,040 --> 00:05:22,770

care he doesn't care if you don't

142

00:05:27,820 --> 00:05:25,050

believe him he doesn't care if you think

143

00:05:30,250 --> 00:05:27,830

is a total crackpot he left all guy

144

00:05:32,650 --> 00:05:30,260

and that to me is probably the biggest

145

00:05:34,120 --> 00:05:32,660

invocation because Liars will always try

146

00:05:35,980 --> 00:05:34,130

to go the one step forward to make sure

147

00:05:38,350 --> 00:05:35,990

you believe their story and he does not

148

00:05:40,120 --> 00:05:38,360

he doesn't care he doesn't want people

149

00:05:42,280 --> 00:05:40,130

to believe that actually Italy just

150

00:05:48,070 --> 00:05:42,290

wants to be left alone and run his shop

151  
00:05:49,750 --> 00:05:48,080  
that's it so he doesn't even told me the

152  
00:05:52,800 --> 00:05:49,760  
full story and I'm not gonna press him

153  
00:05:57,580 --> 00:05:55,450  
it would be almost really convenient

154  
00:05:59,590 --> 00:05:57,590  
ever if everyone does it didn't believe

155  
00:06:02,760 --> 00:05:59,600  
him I think that's kind of life that he

156  
00:06:04,810 --> 00:06:02,770  
wants he just wants to be known as Bob

157  
00:06:07,450 --> 00:06:04,820  
just most a little normal life so I

158  
00:06:10,390 --> 00:06:07,460  
guess if you know people then view him

159  
00:06:13,360 --> 00:06:10,400  
as the area51 guy would be a lot easier

160  
00:06:15,970 --> 00:06:13,370  
to do that in his life and that leads

161  
00:06:17,350 --> 00:06:15,980  
credence to you know me trusting him and

162  
00:06:18,900 --> 00:06:17,360  
trusting his story and all that is

163  
00:06:31,320 --> 00:06:18,910

unbelievable as it may be
