

THE NEW OWNER OF SKINWALKER RANCH

REVEALED

1
00:00:00,660 --> 00:00:04,749

[Music]

2
00:00:10,520 --> 00:00:07,789

imagine a place between shadow the

3
00:00:15,289 --> 00:00:10,530

substance the place where the world has

4
00:00:18,200 --> 00:00:15,299

just been not many pass through here

5
00:00:24,710 --> 00:00:18,210

they just tend to get burned up in fact

6
00:00:28,250 --> 00:00:24,720

it is the islands corrosive yeah an acid

7
00:00:31,279 --> 00:00:28,260

the mind can unwrap so you're gonna want

8
00:00:34,970 --> 00:00:31,289

to keep through wits about you you gotta

9
00:00:37,729 --> 00:00:34,980

show great impatience they say the

10
00:00:41,200 --> 00:00:37,739

secret of the finder sometimes that's

11
00:00:43,819 --> 00:00:41,210

true you better hope that's the truth

12
00:00:48,430 --> 00:00:43,829

welcome to the world extraordinary

13
00:01:06,230 --> 00:00:51,710

[Music]

14

00:01:08,330 --> 00:01:06,240

I believe that there are aspects of

15

00:01:10,730 --> 00:01:08,340

consciousness that are associated with

16

00:01:15,260 --> 00:01:10,740

the UFO phenomena that we have not

17

00:01:18,440 --> 00:01:15,270

addressed for the global public is not

18

00:01:21,530 --> 00:01:18,450

ready to have global confirmation yes a

19

00:01:36,470 --> 00:01:21,540

lot of disturbing things will occur it's

20

00:01:43,310 --> 00:01:39,890

why are you keeping your identity secret

21

00:01:47,180 --> 00:01:43,320

I have chosen to keep my identity

22

00:01:50,680 --> 00:01:47,190

confidential to not only protect the

23

00:01:53,330 --> 00:01:50,690

integrity of our effort int too late

24

00:01:56,620 --> 00:01:53,340

distractions it would attend surely

25

00:01:59,480 --> 00:01:56,630

compromise our efforts and also to

26

00:02:01,930 --> 00:01:59,490

maintain a level of professionalism in

27

00:02:06,800 --> 00:02:01,940

my other business activities and

28

00:02:10,970 --> 00:02:06,810

enterprise that I cannot allow to be

29

00:02:40,150 --> 00:02:10,980

compromised by virtue of any disclosure

30

00:02:49,520 --> 00:02:43,910

everybody wants to know what is going on

31

00:02:52,660 --> 00:02:49,530

at the ranch now have you continued the

32

00:02:56,500 --> 00:02:52,670

research and have you amplified it yes

33

00:03:00,410 --> 00:02:56,510

we have entered an entirely new and

34

00:03:03,860 --> 00:03:00,420

expanded era of scientific investigation

35

00:03:06,350 --> 00:03:03,870

at skinwalker ranch since acquiring the

36

00:03:10,730 --> 00:03:06,360

property two years ago from mr. Bigelow

37

00:03:12,650 --> 00:03:10,740

we have installed significant security

38

00:03:15,650 --> 00:03:12,660

enhancements in addition to scientific

39

00:03:18,650 --> 00:03:15,660

instrumentation that has allowed us to

40

00:03:22,640 --> 00:03:18,660

not only better understand but also

41

00:03:24,979 --> 00:03:22,650

better document the high strangeness and

42

00:03:28,430 --> 00:03:24,989

the anomalies that have been reported

43

00:03:31,280 --> 00:03:28,440

for decades if not millennia since the

44

00:03:34,790 --> 00:03:31,290

government investigation of skinwalker

45

00:03:38,060 --> 00:03:34,800

ranch after knits talking about bass in

46

00:03:40,630 --> 00:03:38,070

the DIA after that have you noticed

47

00:03:44,600 --> 00:03:40,640

being the new owner the activity

48

00:03:50,300 --> 00:03:44,610

increase or decrease activity has

49

00:03:54,039 --> 00:03:50,310

escalated we're not exactly sure why but

50

00:03:57,890 --> 00:03:54,049

our efforts and and frankly our

51
00:04:01,550 --> 00:03:57,900
stewardship of this unique property has

52
00:04:04,060 --> 00:04:01,560
seen an elevated degree of interest and

53
00:04:10,069 --> 00:04:04,070
activity that we had not anticipated a

54
00:04:13,539 --> 00:04:10,079
wide range of spectacular phenomena and

55
00:04:17,050 --> 00:04:13,549
events recorded everything from orbs to

56
00:04:19,610 --> 00:04:17,060
electromagnetic to infrasonic events

57
00:04:23,050 --> 00:04:19,620
that really defy conventional

58
00:04:25,909 --> 00:04:23,060
explanation and flying saucers

59
00:04:27,770 --> 00:04:25,919
absolutely have you seen anything at the

60
00:04:33,020 --> 00:04:27,780
range

61
00:04:37,880 --> 00:04:33,030
for the first time in my life I have

62
00:04:45,320 --> 00:04:37,890
been witness to craft to aerial

63
00:04:47,780 --> 00:04:45,330

phenomena let's be honest you bought the

64

00:04:50,480 --> 00:04:47,790

ranch thinking you might debunk it and

65

00:04:54,110 --> 00:04:50,490

in fact I fully expected that we would

66

00:04:57,140 --> 00:04:54,120

most likely debunk many of the reports

67

00:04:59,200 --> 00:04:57,150

and the claims I consider myself a

68

00:05:03,530 --> 00:04:59,210

healthy skeptic they have an open mind

69

00:05:06,130 --> 00:05:03,540

but I I did not expect that we would be

70

00:05:10,490 --> 00:05:06,140

able to actually document a record

71

00:05:13,700 --> 00:05:10,500

actual phenomena or you know

72

00:05:15,230 --> 00:05:13,710

extraordinary activity like we have some

73

00:05:17,810 --> 00:05:15,240

of the things that have occurred here

74

00:05:21,250 --> 00:05:17,820

have been violent do you feel that there

75

00:05:24,680 --> 00:05:21,260

is a malevolent to the phenomenon I

76

00:05:28,450 --> 00:05:24,690

believe that there are many different

77

00:05:33,440 --> 00:05:28,460

entities for whatever reason that

78

00:05:37,210 --> 00:05:33,450

interact with us at the ranch we have

79

00:05:39,469 --> 00:05:37,220

experienced very negative harmful

80

00:05:42,590 --> 00:05:39,479

activities in fact several of my

81

00:05:45,530 --> 00:05:42,600

personnel have ended up in the hospital

82

00:05:48,530 --> 00:05:45,540

with serious life-threatening injuries

83

00:05:50,450 --> 00:05:48,540

in just the past year as a result of

84

00:05:55,219 --> 00:05:50,460

their efforts and activities here at the

85

00:05:58,400 --> 00:05:55,229

ranch to date we have no explanation as

86

00:06:01,670 --> 00:05:58,410

to why they have been attacked or have

87

00:06:05,740 --> 00:06:01,680

had these negative experiences only that

88

00:06:08,150 --> 00:06:05,750

it does occur and it is without warning

89

00:06:11,710 --> 00:06:08,160

without provocation

90

00:06:13,969 --> 00:06:11,720

and frankly without any real

91

00:06:16,340 --> 00:06:13,979

conventional explanation as to where it

92

00:06:19,010 --> 00:06:16,350

originates from or what the real agenda

93

00:06:21,980 --> 00:06:19,020

is that's the most baffling this is

94

00:06:26,290 --> 00:06:21,990

trying to wrap our minds and our arms

95

00:06:32,410 --> 00:06:26,300

around exactly what is the agenda of

96

00:06:34,360 --> 00:06:32,420

these entities that the the anomalies

97

00:06:37,030 --> 00:06:34,370

that were interacting with to more

98

00:06:38,800 --> 00:06:37,040

questions the Department of Defense had

99

00:06:40,990 --> 00:06:38,810

great interest about the national

100

00:06:43,960 --> 00:06:41,000

security issues because of the presence

101
00:06:45,610 --> 00:06:43,970
on the ranch is the United States

102
00:06:49,000 --> 00:06:45,620
government and the intelligence

103
00:06:51,070 --> 00:06:49,010
communities still interested on the

104
00:06:53,920 --> 00:06:51,080
activity occurring here at the ranch

105
00:07:01,020 --> 00:06:53,930
today you know I'm probably not at

106
00:07:05,080 --> 00:07:01,030
liberty to disclose details relative to

107
00:07:07,960 --> 00:07:05,090
various investigations and briefings

108
00:07:10,720 --> 00:07:07,970
that are going on at present relative to

109
00:07:14,050 --> 00:07:10,730
the ranch but I can tell you that when

110
00:07:19,950 --> 00:07:14,060
certain phenomena are being recorded are

111
00:07:26,980 --> 00:07:19,960
being observed are being monitored and

112
00:07:30,370 --> 00:07:26,990
those how do I say this what is being

113
00:07:33,600 --> 00:07:30,380

witnessed at the ranch has significant

114

00:07:36,850 --> 00:07:33,610

national security implications anyone

115

00:07:39,280 --> 00:07:36,860

familiar with the phenomenon or that has

116

00:07:42,490 --> 00:07:39,290

been witness to the reality of what is

117

00:07:45,970 --> 00:07:42,500

happening cannot deny that it is both

118

00:07:49,630 --> 00:07:45,980

terrifying and exciting to know that

119

00:07:53,350 --> 00:07:49,640

we're potentially not alone so you're

120

00:07:56,320 --> 00:07:53,360

saying there is interest sustained right

121

00:08:00,280 --> 00:07:56,330

now by military on what's going on on

122

00:08:01,870 --> 00:08:00,290

the ranch yes last question I didn't

123

00:08:03,670 --> 00:08:01,880

think I was going to be able to fill me

124

00:08:08,650 --> 00:08:03,680

for this documentary because of your

125

00:08:10,240 --> 00:08:08,660

privacy why are you allowing me to film

126
00:08:12,620 --> 00:08:10,250
you for this documentary what do you

127
00:08:14,990 --> 00:08:12,630
want people to know

128
00:08:18,860 --> 00:08:15,000
I think it's important that people know

129
00:08:21,620 --> 00:08:18,870
the truth of what is going on this is

130
00:08:24,830 --> 00:08:21,630
not the stuff of fairy tales we have a

131
00:08:29,090 --> 00:08:24,840
team of seasoned professionals or

132
00:08:31,580 --> 00:08:29,100
scientists that have been involved with

133
00:08:35,469 --> 00:08:31,590
this property and with the surrounding

134
00:08:42,230 --> 00:08:35,479
area and activities that are reporting

135
00:08:45,320 --> 00:08:42,240
event observations that defy explanation

136
00:08:49,880 --> 00:08:45,330
I think it's important that people know

137
00:08:56,140 --> 00:08:49,890
the truth that we are not alone but the

138
00:09:04,160 --> 00:08:59,960

phenomena that seem to be able to

139

00:09:08,540 --> 00:09:04,170

manipulate space-time in a way that we

140

00:09:12,080 --> 00:09:08,550

simply cannot explain the truth is out

141

00:09:15,170 --> 00:09:12,090

there safe to say buying this ranch has

142

00:09:17,420 --> 00:09:15,180

changed your life absolutely it's a life

143

00:09:22,940 --> 00:09:17,430

changing experience not only for me but

144

00:09:28,070 --> 00:09:22,950

for my team it has impacted a wide range

145

00:09:33,680 --> 00:09:28,080

of individuals that have dedicated their

146

00:09:35,780 --> 00:09:33,690

time talent expertise to really help us

147

00:09:38,330 --> 00:09:35,790

determine what is really happening on

148

00:09:40,790 --> 00:09:38,340

this property that's what we're trying

149

00:09:43,250 --> 00:09:40,800

to get to the bottom of this is

150

00:09:44,960 --> 00:09:43,260

important not only relative to

151
00:09:51,260 --> 00:09:44,970
understanding our universe but really

152
00:09:55,820 --> 00:09:51,270
our place in the universe and for those

153
00:09:59,720 --> 00:09:55,830
people to see this and they say this

154
00:10:01,820 --> 00:09:59,730
isn't real what do you have to say to

155
00:10:03,340 --> 00:10:01,830
people who think this is not a real

156
00:10:08,330 --> 00:10:03,350
phenomenon

157
00:10:12,200 --> 00:10:08,340
they're delusional anyone who does their

158
00:10:16,490 --> 00:10:12,210
due diligence anyone who is a sincere

159
00:10:19,790 --> 00:10:16,500
seeker of truth that actually looks into

160
00:10:23,110 --> 00:10:19,800
this topic will find that there is

161
00:10:28,370 --> 00:10:23,120
absolute truth to what is happening

162
00:10:30,470 --> 00:10:28,380
there's legitimacy and it is perhaps the

163
00:10:39,290 --> 00:10:30,480

most important scientific effort of our

164

00:10:41,090 --> 00:10:39,300

time the game has changed people have

165

00:10:41,660 --> 00:10:41,100

ignored these facts they'd like it to go

166

00:10:46,070 --> 00:10:41,670

away

167

00:10:48,650 --> 00:10:46,080

because the phenomenon itself doesn't go

168

00:10:51,230 --> 00:10:48,660

away it's been with humans every

169

00:10:53,150 --> 00:10:51,240

continent every culture throughout human

170

00:11:00,710 --> 00:10:53,160

history it's here whether we like it or
