

GEORGE KNAPP

SECRET STUDIES OF

SKINWALKER RANCH

1
00:00:19,510 --> 00:00:17,110
I often wonder about the nature of

2
00:00:21,820 --> 00:00:19,520
reality about our relationship to the

3
00:00:23,980 --> 00:00:21,830
creative force that forged the particles

4
00:00:26,830 --> 00:00:23,990
of our stars and intertwine them with

5
00:00:29,260 --> 00:00:26,840
the molecules of our bodies who are we

6
00:00:31,900 --> 00:00:29,270
and where are we actually sitting within

7
00:00:34,840 --> 00:00:31,910
the architecture of our universe are we

8
00:00:38,229 --> 00:00:34,850
alone or is the answer simply stranger

9
00:00:40,960 --> 00:00:38,239
than we can think my name is jeremy

10
00:00:43,960 --> 00:00:40,970
Korbel I seek to weaponize your

11
00:00:47,229 --> 00:00:43,970
curiosity and if you're ready to suspend

12
00:01:09,940 --> 00:00:47,239
your own prejudice welcome to the world

13
00:01:13,969 --> 00:01:12,410

the explosive stuff is coming out I mean

14

00:01:16,730 --> 00:01:13,979

something's going on right now can you

15

00:01:19,039 --> 00:01:16,740

talk about that if everything goes as

16

00:01:23,600 --> 00:01:19,049

planned I think we are on the eve of

17

00:01:27,410 --> 00:01:23,610

something momentous that will change the

18

00:01:28,940 --> 00:01:27,420

on a tectonic level the UFO subject it's

19

00:01:30,830 --> 00:01:28,950

gonna reveal some things that have been

20

00:01:32,980 --> 00:01:30,840

going on for a long time government

21

00:01:35,690 --> 00:01:32,990

involvement in studying the phenomenon

22

00:01:38,630 --> 00:01:35,700

itself it's beyond just lights in the

23

00:01:41,290 --> 00:01:38,640

sky or radar returns they've been

24

00:01:43,790 --> 00:01:41,300

investigating and looking into

25

00:01:46,389 --> 00:01:43,800

associated phenomena things that occur

26

00:01:48,560 --> 00:01:46,399

in proximity with what we call UFOs

27

00:01:50,450 --> 00:01:48,570

things that you would think the

28

00:01:53,270 --> 00:01:50,460

government would find too far out but

29

00:01:55,899 --> 00:01:53,280

which are intrinsically related to what

30

00:01:58,160 --> 00:01:55,909

we see in the sky it's been funded by

31

00:01:59,660 --> 00:01:58,170

American taxpayers without their

32

00:02:02,330 --> 00:01:59,670

knowledge but I think it's got about to

33

00:02:04,550 --> 00:02:02,340

come spilling out if it does well any of

34

00:02:16,390 --> 00:02:04,560

the fingers be pointing toward its gonna

35

00:02:22,250 --> 00:02:19,460

it took two decades for this story to

36

00:02:25,070 --> 00:02:22,260

even begin to open and what's most

37

00:02:49,490 --> 00:02:25,080

interesting is how it relates to what's

38

00:02:51,500 --> 00:02:49,500

happening what is the link between the

39

00:02:53,539 --> 00:02:51,510

current releases by the Department of

40

00:02:55,819 --> 00:02:53,549

Defense using the New York Times to get

41

00:02:57,550 --> 00:02:55,829

out two videos now three what is the

42

00:02:59,839 --> 00:02:57,560

connection between not in the ranch

43

00:03:02,360 --> 00:02:59,849

so it's kind of a long and winding road

44

00:03:05,750 --> 00:03:02,370

with a lot of acronyms involved but

45

00:03:07,819 --> 00:03:05,760

here's the basics December 2017 the New

46

00:03:10,430 --> 00:03:07,829

York Times breaks a story about the

47

00:03:12,380 --> 00:03:10,440

existence of a secret UFO program in the

48

00:03:14,390 --> 00:03:12,390

Pentagon and while many of us have long

49

00:03:15,740 --> 00:03:14,400

suspected they had something going we

50

00:03:17,360 --> 00:03:15,750

didn't know exactly what it was well

51
00:03:20,059 --> 00:03:17,370
turns out it's something called a tip

52
00:03:22,430 --> 00:03:20,069
advanced aerospace threat identification

53
00:03:24,020 --> 00:03:22,440
program a guy named Lou Elizondo comes

54
00:03:26,599 --> 00:03:24,030
forward he says he was the point man for

55
00:03:28,340 --> 00:03:26,609
this program in addition we learned that

56
00:03:31,009 --> 00:03:28,350
there was a contract given out and

57
00:03:33,199 --> 00:03:31,019
involved bass Bigelow advanced aerospace

58
00:03:35,390 --> 00:03:33,209
within Bigelow Aerospace here in Las

59
00:03:37,460 --> 00:03:35,400
Vegas and that a study had been

60
00:03:39,680 --> 00:03:37,470
conducted twenty-two million dollars and

61
00:03:42,020 --> 00:03:39,690
that part of that study focused on

62
00:03:44,030 --> 00:03:42,030
skinwalker ranch a lot of people assume

63
00:03:45,920 --> 00:03:44,040

that a tip and bass were almost

64

00:03:48,259 --> 00:03:45,930

synonymous that the money for a tip and

65

00:03:51,530 --> 00:03:48,269

was came from the same pot that it was

66

00:03:54,110 --> 00:03:51,540

the same program fact is it wasn't what

67

00:03:56,150 --> 00:03:54,120

was bass was involved with something

68

00:03:58,789 --> 00:03:56,160

else bass was under a much larger

69

00:04:00,770 --> 00:03:58,799

program the existence of which has not

70

00:04:03,440 --> 00:04:00,780

been made public yet but the house was

71

00:04:04,970 --> 00:04:03,450

not part of a tip a tip did communicate

72

00:04:07,069 --> 00:04:04,980

with bass there was exchange of

73

00:04:08,599 --> 00:04:07,079

information back and forth but it wasn't

74

00:04:09,289 --> 00:04:08,609

a tip that went to the ranch it was

75

00:04:11,440 --> 00:04:09,299

somebody else

76

00:04:13,580 --> 00:04:11,450

bass investigators went to the property

77

00:04:16,430 --> 00:04:13,590

investigated it interviewed witnesses

78

00:04:18,379 --> 00:04:16,440

collected evidence much like knids had

79

00:04:20,630 --> 00:04:18,389

done before National Institute for

80

00:04:22,099 --> 00:04:20,640

discovery science which while many

81

00:04:24,560 --> 00:04:22,109

people suspected it was a government

82

00:04:26,000 --> 00:04:24,570

program was not it was completely funded

83

00:04:27,770 --> 00:04:26,010

by Bob Bigelow he

84

00:04:31,070 --> 00:04:27,780

the property he hired the people to be

85

00:04:33,740 --> 00:04:31,080

there he conducted studies for more than

86

00:04:35,330 --> 00:04:33,750

a decade he owned the ranch for 20 years

87

00:04:38,990 --> 00:04:35,340

and sold it in 2016

88

00:04:41,260 --> 00:04:39,000

needs was private mass was public in

89

00:04:44,630 --> 00:04:41,270

that it was funded by taxpayer money and

90

00:04:48,170 --> 00:04:44,640

that came from a program whose name has

91

00:04:51,830 --> 00:04:48,180

not yet been made public the bass

92

00:04:53,930 --> 00:04:51,840

program to study the ranch we were told

93

00:04:56,810 --> 00:04:53,940

dia ran that program but you're telling

94

00:04:58,790 --> 00:04:56,820

me that there's a host program to a tip

95

00:05:01,910 --> 00:04:58,800

that actually was funded by that 22

96

00:05:04,580 --> 00:05:01,920

million I don't know if a tip is a dia

97

00:05:07,280 --> 00:05:04,590

program but I can tell you that bass was

98

00:05:09,800 --> 00:05:07,290

under dia dia put out the contract bass

99

00:05:11,750 --> 00:05:09,810

won the contract and with that contract

100

00:05:14,480 --> 00:05:11,760

and those federal dollars they studied

101
00:05:17,000 --> 00:05:14,490
the ranch among many other things so

102
00:05:19,850 --> 00:05:17,010
there's a host UFO program that was

103
00:05:21,470 --> 00:05:19,860
funded with taxpayer dollars to study

104
00:05:22,370 --> 00:05:21,480
the phenomenon is that were you telling

105
00:05:23,570 --> 00:05:22,380
me yeah

106
00:05:28,220 --> 00:05:23,580
well it's what's the name of that

107
00:05:30,770 --> 00:05:28,230
program I can't say do you know I can't

108
00:05:32,990 --> 00:05:30,780
say if I know it what it is but somehow

109
00:05:36,200 --> 00:05:33,000
you know that this is I think it is true

110
00:05:38,210 --> 00:05:36,210
yeah it is true but you think it is true

111
00:05:40,340 --> 00:05:38,220
it is it is true I'm just not in the

112
00:05:40,520 --> 00:05:40,350
position to say much more about it right

113
00:05:43,360 --> 00:05:40,530

now

114

00:05:45,950 --> 00:05:43,370

will we be learning more about this soon

115

00:05:47,240 --> 00:05:45,960

that's that's my intention and I think

116

00:05:49,240 --> 00:05:47,250

it's the intention to some other people

117

00:05:51,820 --> 00:05:49,250

who know about it what's the connection

118

00:05:54,830 --> 00:05:51,830

specifically between skinwalker ranch

119

00:05:56,900 --> 00:05:54,840

222 million and the videos that were

120

00:05:59,540 --> 00:05:56,910

released to the public showing unknown

121

00:06:02,660 --> 00:05:59,550

craft of unknown origin skinwalker ranch

122

00:06:04,850 --> 00:06:02,670

was an inspiration for this secret

123

00:06:06,110 --> 00:06:04,860

Pentagon study the 22 million dollars

124

00:06:10,730 --> 00:06:06,120

that we heard about from the New York

125

00:06:13,220 --> 00:06:10,740

Times personnel within the DIA had read

126

00:06:14,570 --> 00:06:13,230

the book had learned about what was

127

00:06:17,300 --> 00:06:14,580

going on there from the knids study

128

00:06:19,670 --> 00:06:17,310

became interested in the property went

129

00:06:21,590 --> 00:06:19,680

to the property some of these folks had

130

00:06:23,840 --> 00:06:21,600

their own experiences they went back to

131

00:06:26,680 --> 00:06:23,850

Washington they talked to Harry Reid and

132

00:06:28,700 --> 00:06:26,690

said hey this needs to be studied read

133

00:06:31,520 --> 00:06:28,710

consulted with some of his colleagues in

134

00:06:34,130 --> 00:06:31,530

the Senate got their approval to come up

135

00:06:38,519 --> 00:06:34,140

with the money for a budget the program

136

00:06:41,339 --> 00:06:38,529

a proposal was posted on fed biz ops

137

00:06:43,289 --> 00:06:41,349

Bigelow Robert Bigelow put together his

138

00:06:45,389 --> 00:06:43,299

own organization bid on it and got the

139

00:06:47,959 --> 00:06:45,399

contract and he that's where the 22

140

00:06:51,629 --> 00:06:47,969

million dollars went a lot of that money

141

00:06:53,519 --> 00:06:51,639

was spent at the ranch and so it sort of

142

00:06:55,649 --> 00:06:53,529

came full circle the people who were

143

00:06:58,049 --> 00:06:55,659

inspired by the book about the ranch got

144

00:06:59,459 --> 00:06:58,059

a program together that ended up going

145

00:07:01,649 --> 00:06:59,469

back and studying the ranch but they

146

00:07:03,389 --> 00:07:01,659

studied a lot more than that it was a

147

00:07:05,639 --> 00:07:03,399

much bigger program than just looking at

148

00:07:09,629 --> 00:07:05,649

the ranch it it looked at a much bigger

149

00:07:11,999 --> 00:07:09,639

spectrum of UFO related issues because

150

00:07:13,889 --> 00:07:12,009

of the events surrounding and at the

151
00:07:16,439 --> 00:07:13,899
ranch the Defense Intelligence Agency

152
00:07:17,909 --> 00:07:16,449
got interested partnered with private

153
00:07:20,159 --> 00:07:17,919
industry with Robert Bigelow Bigelow

154
00:07:23,819 --> 00:07:20,169
Aerospace they created an organization

155
00:07:26,219 --> 00:07:23,829
and they implemented a strategy to begin

156
00:07:28,739 --> 00:07:26,229
to understand what's going on at the

157
00:07:30,389 --> 00:07:28,749
ranch what we call paranormal or UFO

158
00:07:31,889 --> 00:07:30,399
that was actually done that was a

159
00:07:33,419 --> 00:07:31,899
government program it's a government

160
00:07:36,689 --> 00:07:33,429
program and you know we call it

161
00:07:38,399 --> 00:07:36,699
paranormal and people would assume

162
00:07:40,169 --> 00:07:38,409
that's something mysterious that will

163
00:07:41,999 --> 00:07:40,179

never understand that's beyond science

164

00:07:44,009 --> 00:07:42,009

it's just that we haven't figured out

165

00:07:45,749 --> 00:07:44,019

how to categorize it yet science is

166

00:07:47,789 --> 00:07:45,759

really great at figuring out the

167

00:07:51,989 --> 00:07:47,799

physical the material world we things

168

00:07:54,389 --> 00:07:51,999

that we can measure and quantify and see

169

00:07:56,009 --> 00:07:54,399

and feel we can figure that out things

170

00:07:58,379 --> 00:07:56,019

beyond that we're not so good at

171

00:08:00,869 --> 00:07:58,389

figuring out that's what this study at

172

00:08:02,839 --> 00:08:00,879

the ranch was trying to to deal with is

173

00:08:05,309 --> 00:08:02,849

to figure out what these phenomena are

174

00:08:07,469 --> 00:08:05,319

what generates them are they intelligent

175

00:08:09,719 --> 00:08:07,479

and if so where's this intelligence from

176

00:08:12,689 --> 00:08:09,729

that spills over a little bit with what

177

00:08:15,539 --> 00:08:12,699

a tip was doing which is it's it has

178

00:08:17,639 --> 00:08:15,549

these instances where things interact

179

00:08:19,919 --> 00:08:17,649

with our military over nuclear missile

180

00:08:21,719 --> 00:08:19,929

bases or over carrier groups the reports

181

00:08:24,089 --> 00:08:21,729

come in and they try to figure them out

182

00:08:26,639 --> 00:08:24,099

somehow you had knowledge that there was

183

00:08:28,229 --> 00:08:26,649

going to be a complete watershed moment

184

00:08:30,389 --> 00:08:28,239

where information was put out through

185

00:08:32,009 --> 00:08:30,399

the Department of Defense about UFOs as

186

00:08:34,949 --> 00:08:32,019

a journalist you had prior knowledge

187

00:08:37,230 --> 00:08:34,959

about that skinwalker ranch was the

188

00:08:39,059 --> 00:08:37,240

impetus for the best study and the best

189

00:08:41,969 --> 00:08:39,069

study not only looked at the ranch but a

190

00:08:43,799 --> 00:08:41,979

lot of broader topics related to what we

191

00:08:46,230 --> 00:08:43,809

would call paranormal and UFOs in

192

00:08:48,869 --> 00:08:46,240

addition same time there was a parallel

193

00:08:50,669 --> 00:08:48,879

program a tip which dealt specifically

194

00:08:51,440 --> 00:08:50,679

with military sightings and military

195

00:08:53,120 --> 00:08:51,450

encounters

196

00:08:55,550 --> 00:08:53,130

that was running along a parallel track

197

00:08:58,160 --> 00:08:55,560

not the same program but they exchanged

198

00:09:00,020 --> 00:08:58,170

information so there's a host UFO

199

00:09:05,180 --> 00:09:00,030

program and we're going to learn more

200

00:09:07,910 --> 00:09:05,190

about that hope so you also mentioned

201
00:09:10,070 --> 00:09:07,920
that people within the DIA came to the

202
00:09:13,210 --> 00:09:10,080
ranch out of interest to try to

203
00:09:16,370 --> 00:09:13,220
understand if there is some sort of

204
00:09:18,290 --> 00:09:16,380
capability or threat to what we call

205
00:09:20,630 --> 00:09:18,300
paranormal but whatever the events are

206
00:09:24,410 --> 00:09:20,640
at the ranch the people came there from

207
00:09:27,830 --> 00:09:24,420
the DIA I can't can't say I don't want

208
00:09:31,670 --> 00:09:27,840
to use that word I don't want to get so

209
00:09:33,860 --> 00:09:31,680
work but you can ask about dia be in

210
00:09:35,840 --> 00:09:33,870
there but you mentioned people from the

211
00:09:37,820 --> 00:09:35,850
DIA came to the ranch to look at the

212
00:09:40,190 --> 00:09:37,830
phenomenon of what was going on to try

213
00:09:42,860 --> 00:09:40,200

to understand if there is some sort of

214

00:09:44,660 --> 00:09:42,870

threat to what we call paranormal but

215

00:09:45,560 --> 00:09:44,670

whatever the events are at the ranch and

216

00:09:47,390 --> 00:09:45,570

then that they have their own

217

00:09:49,760 --> 00:09:47,400

experiences what do you mean by that

218

00:09:51,770 --> 00:09:49,770

dia personnel have been on the ranch and

219

00:09:53,420 --> 00:09:51,780

they did have their own experiences what

220

00:09:55,520 --> 00:09:53,430

we would call encounters with the

221

00:09:57,110 --> 00:09:55,530

paranormal and those experiences were

222

00:09:59,930 --> 00:09:57,120

dramatic enough that it convinced them

223

00:10:02,780 --> 00:09:59,940

this was worthy of further study it

224

00:10:05,840 --> 00:10:02,790

followed them stuck with them after they

225

00:10:08,840 --> 00:10:05,850

left the property I've heard the term

226

00:10:13,280 --> 00:10:08,850

used hitchhikers but they something

227

00:10:14,990 --> 00:10:13,290

attaches to them and follows him home so

228

00:10:17,150 --> 00:10:15,000

skinwalker ranch and the study of

229

00:10:18,650 --> 00:10:17,160

skinwalker ranch by Robert Bigelow and

230

00:10:21,560 --> 00:10:18,660

the partnership with the Defense

231

00:10:23,690 --> 00:10:21,570

Intelligence Agency they're looking at

232

00:10:25,040 --> 00:10:23,700

this because they feel it is important

233

00:10:27,200 --> 00:10:25,050

that there's something to be learned

234

00:10:31,270 --> 00:10:27,210

that there's something going on there

235

00:10:35,030 --> 00:10:31,280

that is a National Defense interest

236

00:10:36,980 --> 00:10:35,040

that's wild yeah like a tip is dealing

237

00:10:39,470 --> 00:10:36,990

with national security issues in a

238

00:10:42,290 --> 00:10:39,480

direct way what was going on with bass

239

00:10:44,440 --> 00:10:42,300

and the ranch is dealing with national

240

00:10:47,390 --> 00:10:44,450

security issues in a much broader sense

241

00:10:49,550 --> 00:10:47,400

maybe it's not a direct threat could be

242

00:10:52,190 --> 00:10:49,560

there's an intelligence operating there

243

00:10:54,470 --> 00:10:52,200

it's shown remarkable capabilities it

244

00:10:57,890 --> 00:10:54,480

seems that it whatever this intelligence

245

00:10:59,570 --> 00:10:57,900

is it can access our physical reality at

246

00:11:01,780 --> 00:10:59,580

will and there's not much we can do

247

00:11:04,070 --> 00:11:01,790

about it so that's of interest to

248

00:11:04,820 --> 00:11:04,080

national security people but it's a

249

00:11:08,090 --> 00:11:04,830

broader interest

250

00:11:11,410 --> 00:11:08,100

the scientific minds of how the universe

251
00:11:14,900 --> 00:11:11,420
works the nature of reality itself

252
00:11:17,240 --> 00:11:14,910
beings other intelligences are placed in

253
00:11:19,460 --> 00:11:17,250
the universe and the cosmos so there are

254
00:11:21,980 --> 00:11:19,470
a lot of big brain people who were happy

255
00:11:23,420 --> 00:11:21,990
to take on this this issue not because

256
00:11:25,150 --> 00:11:23,430
it was a national security issue but

257
00:11:28,010 --> 00:11:25,160
because they have inquisitive minds

258
00:11:30,440 --> 00:11:28,020
where their other intelligence agencies

259
00:11:32,870 --> 00:11:30,450
or other nations that were interested in

260
00:11:35,630 --> 00:11:32,880
what was going on at skinwalker ranch

261
00:11:37,400 --> 00:11:35,640
ever since knids was there there have

262
00:11:39,140 --> 00:11:37,410
been rumors that knids itself was an

263
00:11:40,730 --> 00:11:39,150

intelligence agency or working for an

264

00:11:42,860 --> 00:11:40,740

intelligence agency and that's just not

265

00:11:47,150 --> 00:11:42,870

true this was an entirely bob Bigelow's

266

00:11:48,950 --> 00:11:47,160

program but throughout the known recent

267

00:11:51,530 --> 00:11:48,960

history of the UN to base and there have

268

00:11:53,930 --> 00:11:51,540

been sightings of what we would call men

269

00:11:55,760 --> 00:11:53,940

and black types military types who were

270

00:11:58,190 --> 00:11:55,770

there checking out the ranch checking

271

00:12:00,380 --> 00:11:58,200

out the larger basin helicopter flights

272

00:12:03,500 --> 00:12:00,390

over the property it seemed like it had

273

00:12:06,380 --> 00:12:03,510

been of interest to someone for a long

274

00:12:09,350 --> 00:12:06,390

time in addition to people that we would

275

00:12:10,700 --> 00:12:09,360

think were our government I am told that

276

00:12:12,470 --> 00:12:10,710

there was interest from other

277

00:12:14,600 --> 00:12:12,480

governments after the book came out for

278

00:12:16,640 --> 00:12:14,610

the skinwalker it attracted that

279

00:12:19,400 --> 00:12:16,650

property attracted attention from a lot

280

00:12:23,540 --> 00:12:19,410

of different people not just UFO buffs

281

00:12:26,810 --> 00:12:23,550

what could other nations not you know I

282

00:12:31,070 --> 00:12:26,820

don't know I mean if you're looking at

283

00:12:33,140 --> 00:12:31,080

wormholes and portals time travel exotic

284

00:12:35,630 --> 00:12:33,150

technology that can get you from A to B

285

00:12:37,400 --> 00:12:35,640

in a big hurry maybe that's what they're

286

00:12:39,680 --> 00:12:37,410

trying to figure out same as sort of the

287

00:12:41,300 --> 00:12:39,690

larger study a tip was doing for the

288

00:12:44,150 --> 00:12:41,310

Pentagon trying to figure out how these

289

00:12:46,640 --> 00:12:44,160

machines worked how could they could

290

00:12:49,850 --> 00:12:46,650

accelerate as they did appear and

291

00:12:51,590 --> 00:12:49,860

disappear seemingly defy the laws of

292

00:12:54,200 --> 00:12:51,600

physics as we know them are the laws of

293

00:12:55,760 --> 00:12:54,210

aerodynamics that that's pretty good

294

00:12:57,440 --> 00:12:55,770

info to to figure out that's a good

295

00:13:00,110 --> 00:12:57,450

mystery to crack if you're in the

296

00:13:02,240 --> 00:13:00,120

national security establishment the

297

00:13:04,970 --> 00:13:02,250

locals that we've spoken with recently

298

00:13:07,550 --> 00:13:04,980

they are in distress they want to know

299

00:13:10,100 --> 00:13:07,560

if the illness is and the experiences of

300

00:13:12,230 --> 00:13:10,110

craft burning people's faces are they

301
00:13:15,380 --> 00:13:12,240
government or are they truly what we'd

302
00:13:16,940 --> 00:13:15,390
call paranormal people want answers is

303
00:13:18,620 --> 00:13:16,950
the government responsible for what's

304
00:13:20,509 --> 00:13:18,630
been happening to the community there

305
00:13:22,490 --> 00:13:20,519
well the phenomena in the UN 2 basin has

306
00:13:24,110 --> 00:13:22,500
been going on since before the United

307
00:13:26,660 --> 00:13:24,120
States government existed since before

308
00:13:28,220 --> 00:13:26,670
there was a US military the first humans

309
00:13:30,470 --> 00:13:28,230
there have reported the same kinds of

310
00:13:34,189 --> 00:13:30,480
things for you know far back as the

311
00:13:36,050 --> 00:13:34,199
1770s maybe further so the government

312
00:13:37,490 --> 00:13:36,060
didn't create that Bob Bigelow didn't

313
00:13:40,430 --> 00:13:37,500

create it has been going on for a long

314

00:13:41,749 --> 00:13:40,440

time could some of it have been created

315

00:13:44,569 --> 00:13:41,759

by the government sure could the

316

00:13:46,879 --> 00:13:44,579

government carve up the cow sure but you

317

00:13:49,550 --> 00:13:46,889

know the needs folks determined that it

318

00:13:51,710 --> 00:13:49,560

wasn't a hoax by the family they had a

319

00:13:53,389 --> 00:13:51,720

broadened circle of witnesses that was

320

00:13:55,100 --> 00:13:53,399

not just a couple of people it was

321

00:13:57,800 --> 00:13:55,110

thousands of people who had seen this

322

00:14:00,829 --> 00:13:57,810

phenomena over decades there is physical

323

00:14:03,230 --> 00:14:00,839

evidence that was evaluated we mentioned

324

00:14:04,699 --> 00:14:03,240

that in the book and the mids guys

325

00:14:06,769 --> 00:14:04,709

investigated a lot of it this is a

326

00:14:09,170 --> 00:14:06,779

physical thing that comes into our

327

00:14:10,970 --> 00:14:09,180

reality and leaves physical measurable

328

00:14:13,009 --> 00:14:10,980

traces and there's a lot of evidence of

329

00:14:15,110 --> 00:14:13,019

that it manifested itself in many ways

330

00:14:17,600 --> 00:14:15,120

we've been warned from going to the

331

00:14:20,090 --> 00:14:17,610

ranch and the surrounding area to hunt

332

00:14:21,710 --> 00:14:20,100

the phenomenon yet as a journalist

333

00:14:23,600 --> 00:14:21,720

you've been doing this for decades does

334

00:14:25,970 --> 00:14:23,610

that concern you at all

335

00:14:28,370 --> 00:14:25,980

it's starting to concern me yeah I mean

336

00:14:30,199 --> 00:14:28,380

I have a you know I try to prepare

337

00:14:32,480 --> 00:14:30,209

myself for these trips that we make and

338

00:14:33,980 --> 00:14:32,490

and I'm respectful of whatever it is

339

00:14:36,679 --> 00:14:33,990

that's there and I don't want to take

340

00:14:38,150 --> 00:14:36,689

anything home to any loved ones but most

341

00:14:40,910 --> 00:14:38,160

of the people who've gone there as many

342

00:14:42,829 --> 00:14:40,920

times as we have have taken something

343

00:14:44,960 --> 00:14:42,839

with them and I don't want that to

344

00:14:46,340 --> 00:14:44,970

happen so I'm not sure how many more

345

00:14:48,590 --> 00:14:46,350

times I'm going to be going there I

346

00:14:51,980 --> 00:14:48,600

think this might be either the last or

347

00:14:54,240 --> 00:14:51,990

one of the last times I go yeah I get a

348

00:14:55,920 --> 00:14:54,250

little concerned about it

349

00:14:57,509 --> 00:14:55,930

I'd like to see something you know

350

00:14:59,519 --> 00:14:57,519

because I've been there a lot of times

351

00:15:02,100 --> 00:14:59,529

and have never seen anything that I

352

00:15:04,980 --> 00:15:02,110

would categorize as paranormal or all

353

00:15:06,300 --> 00:15:04,990

that out of the ordinary I'd like to see

354

00:15:06,809 --> 00:15:06,310

something but I don't want to take it

355

00:15:08,999 --> 00:15:06,819

home with me

356

00:15:11,850 --> 00:15:09,009

as a journalist to break stories

357

00:15:13,740 --> 00:15:11,860

sometimes you have to keep secrets you

358

00:15:15,240 --> 00:15:13,750

know something you know something you're

359

00:15:18,150 --> 00:15:15,250

not really able to tell me there's a

360

00:15:20,490 --> 00:15:18,160

parent UFO program there's another

361

00:15:22,530 --> 00:15:20,500

program whether it's a parent of a tip I

362

00:15:25,379 --> 00:15:22,540

can't say but it's separate from a tip

363

00:15:27,449 --> 00:15:25,389

and that story has not been told yet and

364

00:15:29,340 --> 00:15:27,459

I think it will come out I think there

365

00:15:32,129 --> 00:15:29,350

are efforts to get that information out

366

00:15:35,670 --> 00:15:32,139

and when it does come out it's a lot of

367

00:15:37,829 --> 00:15:35,680

stuff so the government got wind of

368

00:15:41,790 --> 00:15:37,839

skinwalker ranch what was going on there

369

00:15:44,340 --> 00:15:41,800

and they did actively study the ranch to

370

00:15:47,160 --> 00:15:44,350

try to understand the phenomenon and try

371

00:15:51,360 --> 00:15:47,170

to understand if it was a threat the

372

00:15:53,280 --> 00:15:51,370

government created a pool of money gave

373

00:15:54,840 --> 00:15:53,290

it to a contractor who hired the best

374

00:15:56,670 --> 00:15:54,850

people in the world to study this stuff

375

00:15:58,410 --> 00:15:56,680

and one of their priorities was

376

00:16:00,600 --> 00:15:58,420

skinwalker ranch and they were there to

377

00:16:02,999 --> 00:16:00,610

try to figure out the mystery what is it

378

00:16:04,470 --> 00:16:03,009

where is it from how intelligent it is

379

00:16:06,809 --> 00:16:04,480

how does it do the things that it does

380

00:16:08,879 --> 00:16:06,819

what are its intentions I don't think

381

00:16:10,889 --> 00:16:08,889

they answered any of those questions but

382

00:16:13,259 --> 00:16:10,899

they learned a lot we know a lot more

383

00:16:15,540 --> 00:16:13,269

about it than we used to but if you were

384

00:16:16,710 --> 00:16:15,550

asking is the mystery cracked no and I'm

385

00:16:17,999 --> 00:16:16,720

not sure it ever will be and I don't

386

00:16:20,610 --> 00:16:18,009

know that there's anybody in the world

387

00:16:23,129 --> 00:16:20,620

that knows the ultimate answer to it Bob

388

00:16:26,519 --> 00:16:23,139

Bigelow international man of mystery

389

00:16:26,939 --> 00:16:26,529

billionaire aerospace mogul he sold the

390

00:16:34,290 --> 00:16:26,949

ranch

391

00:16:36,660 --> 00:16:34,300

more than most of us do most of the

392

00:16:39,090 --> 00:16:36,670

world knows but ultimately does he know

393

00:16:42,900 --> 00:16:39,100

what it is I you know I kind of have my

394

00:16:44,939 --> 00:16:42,910

doubts as he dropped subject he has not

395

00:16:46,620 --> 00:16:44,949

dropped the subject he's dropped funding

396

00:16:48,210 --> 00:16:46,630

the subject he's not spending any more

397

00:16:49,980 --> 00:16:48,220

money on it he's not funding any more

398

00:16:51,840 --> 00:16:49,990

studies he doesn't want to own the ranch

399

00:16:54,059 --> 00:16:51,850

anymore and he's got his own reasons for

400

00:16:55,980 --> 00:16:54,069

it he told me he will be interested in

401
00:16:58,470 --> 00:16:55,990
the subject until the day he dies you

402
00:17:00,509 --> 00:16:58,480
know it's different from having being

403
00:17:02,639 --> 00:17:00,519
actively involved and spending millions

404
00:17:05,370 --> 00:17:02,649
of dollars and just having a casual

405
00:17:07,460 --> 00:17:05,380
interest as he does clearly his

406
00:17:12,740 --> 00:17:07,470
curiosity was weaponized

407
00:17:15,470 --> 00:17:12,750
but was his curiosity satisfied tough to

408
00:17:18,340 --> 00:17:15,480
say I think I think he's had some

409
00:17:21,560 --> 00:17:18,350
questions answered that's my sense of it

410
00:17:26,240 --> 00:17:21,570
but the ultimate answer I don't think

411
00:17:28,880 --> 00:17:26,250
anybody knows how can you walk away from

412
00:17:32,150 --> 00:17:28,890
a mystery that's so vague well there are

413
00:17:36,020 --> 00:17:32,160

risks there are risks involved for those

414

00:17:37,700 --> 00:17:36,030

who pursue this stuff and Bob's done

415

00:17:38,210 --> 00:17:37,710

more than just about anybody in the

416

00:17:40,220 --> 00:17:38,220

world

417

00:17:42,710 --> 00:17:40,230

he has other priorities not only

418

00:17:45,110 --> 00:17:42,720

business priorities the space program

419

00:17:46,580 --> 00:17:45,120

but personal priorities family

420

00:17:48,640 --> 00:17:46,590

priorities and I think they take

421

00:17:50,960 --> 00:17:48,650

precedence at this stage of his life

422

00:17:52,820 --> 00:17:50,970

should people be grateful for what he

423

00:17:54,860 --> 00:17:52,830

did do I mean the people are gonna say

424

00:17:56,780 --> 00:17:54,870

he got in bed with the government they

425

00:17:59,060 --> 00:17:56,790

did a secret study the Defense

426

00:18:00,680 --> 00:17:59,070

Intelligence Agency Bob Bigelow bass I

427

00:18:02,240 --> 00:18:00,690

mean is that the attitude we should take

428

00:18:04,220 --> 00:18:02,250

or should we be grateful he did it at

429

00:18:06,290 --> 00:18:04,230

all we absolutely should be grateful he

430

00:18:08,930 --> 00:18:06,300

did it he had the best team in the world

431

00:18:10,760 --> 00:18:08,940

he had the the only experienced

432

00:18:13,220 --> 00:18:10,770

organization that had ever done anything

433

00:18:15,590 --> 00:18:13,230

like this on this kind of a scale and he

434

00:18:17,390 --> 00:18:15,600

put his own money into it he lost money

435

00:18:20,420 --> 00:18:17,400

on it this is not a moneymaker for him

436

00:18:23,480 --> 00:18:20,430

he lost money on it and it was doing a

437

00:18:25,220 --> 00:18:23,490

service for his country and for humanity

438

00:18:26,900 --> 00:18:25,230

and for science and we should thank him

439

00:18:28,700 --> 00:18:26,910

for it and he's got nothing but grief

440

00:18:31,070 --> 00:18:28,710

about it nothing but grief that he's

441

00:18:34,200 --> 00:18:31,080

he's this he's that the shadowy Bob

442

00:18:36,420 --> 00:18:34,210

Bigelow it's a bunch of [h__h]

443

00:18:40,630 --> 00:18:36,430

are you gonna walk off camera again no I

444

00:18:46,880 --> 00:18:43,280

there's a host programmer there's a

445

00:18:49,880 --> 00:18:46,890

bigger UFO program in Walker ranch was

446

00:18:51,830 --> 00:18:49,890

the linchpin to create what we're seeing

447

00:19:00,410 --> 00:18:51,840

today with the releases by the
