

BEYOND

SKINWALKER RANCH

1
00:00:11,450 --> 00:00:09,049
I often wonder about the nature of

2
00:00:13,789 --> 00:00:11,460
reality about our relationship to the

3
00:00:15,919 --> 00:00:13,799
creative force that forged the particles

4
00:00:18,769 --> 00:00:15,929
of our stars and intertwine them with

5
00:00:21,200 --> 00:00:18,779
the molecules of our bodies who are we

6
00:00:23,840 --> 00:00:21,210
and where are we actually sitting within

7
00:00:26,810 --> 00:00:23,850
the architecture of our universe are we

8
00:00:30,169 --> 00:00:26,820
alone or is the answer simply stranger

9
00:00:32,900 --> 00:00:30,179
than we can think my name is jeremy

10
00:00:35,900 --> 00:00:32,910
Korbelt I seek to weaponize your

11
00:00:39,200 --> 00:00:35,910
curiosity and if you're ready to suspend

12
00:00:51,510 --> 00:00:39,210
your own prejudice welcome to the world

13
00:01:07,500 --> 00:01:05,400

I believe that there are aspects of

14

00:01:09,900 --> 00:01:07,510

consciousness that are associated with

15

00:01:14,700 --> 00:01:09,910

the UFO phenomena that we have not

16

00:01:18,330 --> 00:01:14,710

addressed the global public is not ready

17

00:01:20,880 --> 00:01:18,340

to have global confirmation is a lot of

18

00:01:47,130 --> 00:01:20,890

disturbing things will occur it's just

19

00:01:52,540 --> 00:01:50,500

in the UN - basin you are being visited

20

00:01:57,700 --> 00:01:52,550

by something that appears to be

21

00:02:02,320 --> 00:01:57,710

non-human yes what is your full name

22

00:02:05,560 --> 00:02:02,330

my name is Gary walking Lee Bach poo

23

00:02:07,870 --> 00:02:05,570

yuck I got to talk with your mom and

24

00:02:09,279 --> 00:02:07,880

kind of hear her perspective over over

25

00:02:11,890 --> 00:02:09,289

months and months on the phone and

26

00:02:13,720 --> 00:02:11,900

finally we had a interview she doesn't

27

00:02:16,240 --> 00:02:13,730

even remember it was dramatic you know

28

00:02:18,520 --> 00:02:16,250

she was having an emotional experience

29

00:02:21,070 --> 00:02:18,530

because you guys don't talk about this a

30

00:02:23,500 --> 00:02:21,080

lot with other people the moment that

31

00:02:25,420 --> 00:02:23,510

changed your mom's ideas from what I

32

00:02:27,250 --> 00:02:25,430

remember do you know the what I'm

33

00:02:28,180 --> 00:02:27,260

talking about huh okay so I don't even

34

00:02:30,550 --> 00:02:28,190

want to tell you the way your mom

35

00:02:35,080 --> 00:02:30,560

described it yeah when you were out

36

00:02:37,960 --> 00:02:35,090

there what happened it was dead night we

37

00:02:39,640 --> 00:02:37,970

just stepped out of our truck just

38

00:02:41,320 --> 00:02:39,650

barely walking and I mean I'm just

39

00:02:42,130 --> 00:02:41,330

walking my own way and she's walking

40

00:02:45,780 --> 00:02:42,140

this way

41

00:02:49,150 --> 00:02:45,790

then out of nowhere it just lit up

42

00:02:51,970 --> 00:02:49,160

bright as this I'm just as you see in

43

00:02:55,750 --> 00:02:51,980

the windows that's how bright it was but

44

00:02:57,699 --> 00:02:55,760

that did my mom was screaming you know

45

00:03:00,610 --> 00:02:57,709

thinking that it was a Swardson

46

00:03:03,039 --> 00:03:00,620

that's who homeless he said he got a

47

00:03:06,610 --> 00:03:03,049

brand new spotlight or something shining

48

00:03:08,830 --> 00:03:06,620

on us because it was bright no just like

49

00:03:10,690 --> 00:03:08,840

saying gay cut that off or something

50

00:03:14,770 --> 00:03:10,700

then it just went just went back to

51
00:03:18,370 --> 00:03:14,780
black where did the light come from just

52
00:03:21,280 --> 00:03:18,380
came from above and like the Sun like

53
00:03:24,190 --> 00:03:21,290
the Sun just popped out and nowhere I'm

54
00:03:26,440 --> 00:03:24,200
directly on that dead a night in just

55
00:03:30,190 --> 00:03:26,450
lit up the whole area right where we

56
00:03:31,900 --> 00:03:30,200
were just that spot lit up that's what I

57
00:03:33,970 --> 00:03:31,910
hear from so many people they always say

58
00:03:36,310 --> 00:03:33,980
it was who was brighter than the Sun

59
00:03:38,350 --> 00:03:36,320
mm-hmm we've had a lot of reports of

60
00:03:39,760 --> 00:03:38,360
lights from the sky coming down and

61
00:03:42,190 --> 00:03:39,770
hitting people

62
00:03:46,570 --> 00:03:42,200
and some people have gotten sick from

63
00:03:48,820 --> 00:03:46,580

that like birds and you describe one

64

00:03:50,860 --> 00:03:48,830

experience of that yes so they've been

65

00:03:53,200 --> 00:03:50,870

negative health effects from the burns

66

00:03:55,930 --> 00:03:53,210

so just to get personal let me ask you

67

00:03:58,150 --> 00:03:55,940

first you have a medical condition you

68

00:04:04,720 --> 00:03:58,160

know yes can you tell me about that

69

00:04:06,790 --> 00:04:04,730

there's ms/ms I'm only 30 years old and

70

00:04:10,150 --> 00:04:06,800

I got this something I'm very sure if

71

00:04:13,660 --> 00:04:10,160

it's even the same when I started seeing

72

00:04:15,490 --> 00:04:13,670

those lights and stuff but that's what I

73

00:04:18,789 --> 00:04:15,500

have you know I'm the only one that has

74

00:04:21,940 --> 00:04:18,799

in in my whole family my first one in

75

00:04:24,700 --> 00:04:21,950

family history I'm the only one it's

76
00:04:26,440 --> 00:04:24,710
hard for your mom you can see she's it's

77
00:04:31,120 --> 00:04:26,450
hard for her right I mean any family

78
00:04:34,060 --> 00:04:31,130
yeah one thing she asked is she's

79
00:04:38,050 --> 00:04:34,070
curious if these lights had any negative

80
00:04:40,000 --> 00:04:38,060
impact on your guys health do you feel

81
00:04:42,610 --> 00:04:40,010
there's any connection to that or do you

82
00:04:45,340 --> 00:04:42,620
feel it's just not that not feeling like

83
00:04:47,950 --> 00:04:45,350
it's not I shed does not think that his

84
00:04:50,590 --> 00:04:47,960
medical or health situations related to

85
00:04:55,300 --> 00:04:50,600
what he was exposed to do you suspect

86
00:04:59,560 --> 00:04:55,310
that there is a connection me personally

87
00:05:02,350 --> 00:04:59,570
yes because my child has never been sick

88
00:05:06,430 --> 00:05:02,360

what happened to him came after being

89

00:05:08,320 --> 00:05:06,440

exposed to this lake whether it is or

90

00:05:11,860 --> 00:05:08,330

it's not it's part of your life story

91

00:05:14,740 --> 00:05:11,870

there's that seed of doubt of knowing if

92

00:05:17,110 --> 00:05:14,750

it is just natural occurrence or if it

93

00:05:20,020 --> 00:05:17,120

is something from these strange

94

00:05:21,850 --> 00:05:20,030

occurrences here it's just that seed of

95

00:05:27,010 --> 00:05:21,860

doubt is real no matter what the truth

96

00:05:29,560 --> 00:05:27,020

is these things you're seeing I remember

97

00:05:32,680 --> 00:05:29,570

I was hearing that ringing again but it

98

00:05:34,480 --> 00:05:32,690

was only on one side on my left side to

99

00:05:37,330 --> 00:05:34,490

use my cane and not walk around and give

100

00:05:40,420 --> 00:05:37,340

right here I saw the moon this bright it

101
00:05:44,830 --> 00:05:40,430
was now I just see this object a white

102
00:05:46,960 --> 00:05:44,840
object doesn't picking up speed circling

103
00:05:49,850 --> 00:05:46,970
it then it came back around and it did

104
00:05:51,930 --> 00:05:49,860
again then it just went in

105
00:05:54,629 --> 00:05:51,940
backwards towards it and I can remember

106
00:05:57,870 --> 00:05:54,639
seeing it just jumped and just see that

107
00:06:00,330 --> 00:05:57,880
weird flash guess they probably noticed

108
00:06:03,230 --> 00:06:00,340
me or something then it just took off

109
00:06:07,800 --> 00:06:03,240
you're talking about craft

110
00:06:09,900 --> 00:06:07,810
unusual propulsion yes because whether

111
00:06:13,670 --> 00:06:09,910
it kind of looked timey like bright

112
00:06:16,230 --> 00:06:13,680
white just circling then just jolt it

113
00:06:20,310 --> 00:06:16,240

and it's like damn it must have been

114

00:06:22,560 --> 00:06:20,320

hidden top speed an unknown amount of

115

00:06:25,260 --> 00:06:22,570

speed in the stack quick it just circled

116

00:06:27,510 --> 00:06:25,270

the moon that quick now it's just weird

117

00:06:29,730 --> 00:06:27,520

so it's not it's not just the ranch it's

118

00:06:31,650 --> 00:06:29,740

all around you into basins around your

119

00:06:34,050 --> 00:06:31,660

home around your copy whatever this

120

00:06:37,260 --> 00:06:34,060

phenomenon is it's all around you here

121

00:06:40,800 --> 00:06:37,270

yes what have you seen the weirdest [h__h]

122

00:06:43,469 --> 00:06:40,810

that you've seen I remember a scene but

123

00:06:47,010 --> 00:06:43,479

I remember hearing like the fictional

124

00:06:49,370 --> 00:06:47,020

character Bigfoot now I just remember

125

00:06:52,260 --> 00:06:49,380

hearing there's a loud banging of trees

126

00:06:55,740 --> 00:06:52,270

just hitting it to each other over here

127

00:06:58,740 --> 00:06:55,750

just trees just break breaking thinking

128

00:07:01,680 --> 00:06:58,750

I was thinking it was somebody chopping

129

00:07:05,580 --> 00:07:01,690

wood but who does chopping wood at

130

00:07:07,560 --> 00:07:05,590

almost dusk time I can understand if

131

00:07:09,330 --> 00:07:07,570

it's still a light out but it was just

132

00:07:13,370 --> 00:07:09,340

about to get to the tipping point of

133

00:07:16,560 --> 00:07:13,380

blackness then I was me I was just

134

00:07:18,450 --> 00:07:16,570

ignorant and I found this big old log

135

00:07:20,909 --> 00:07:18,460

and I start beating this tree that's up

136

00:07:23,250 --> 00:07:20,919

here in front of my house start hitting

137

00:07:27,080 --> 00:07:23,260

it in it and I just remember hearing

138

00:07:29,640 --> 00:07:27,090

this weird grunt kind of sound as well

139

00:07:33,150 --> 00:07:29,650

it was just like a weird

140

00:07:36,120 --> 00:07:33,160

it wasn't no Cal it wasn't nothing we

141

00:07:39,659 --> 00:07:36,130

don't even have bears around here but it

142

00:07:43,010 --> 00:07:39,669

sounds huge he was growling I just hear

143

00:07:47,230 --> 00:07:43,020

this commotion tree branches kind of

144

00:07:50,500 --> 00:07:47,240

we'd just move him just sear it them

145

00:07:55,730 --> 00:07:50,510

during a high-pitched scream and dark

146

00:07:58,700 --> 00:07:55,740

kinda bulky kind of sound now I swear I

147

00:08:01,360 --> 00:07:58,710

never been kite scared but I thought

148

00:08:04,010 --> 00:08:01,370

something was gonna jump from those

149

00:08:06,950 --> 00:08:04,020

bushes and that and just come and lunge

150

00:08:14,720 --> 00:08:06,960

at me like it's still here just kind of

151

00:08:18,740 --> 00:08:14,730

breathing heavily this deep was like

152

00:08:21,470 --> 00:08:18,750

that just barely back and way back to my

153

00:08:23,570 --> 00:08:21,480

porch just barely got my hands on the

154

00:08:26,120 --> 00:08:23,580

rail then that's when I just heard and

155

00:08:29,150 --> 00:08:26,130

it just took off further back that way

156

00:08:31,640 --> 00:08:29,160

just hear it like god I can't just seen

157

00:08:33,410 --> 00:08:31,650

when I was I wasn't bugging it or

158

00:08:36,410 --> 00:08:33,420

something like then it just lost

159

00:08:41,450 --> 00:08:36,420

interest and took off and it just went

160

00:08:42,980 --> 00:08:41,460

all dead quiet people that haven't had

161

00:08:44,900 --> 00:08:42,990

encounters were the kind of thing that

162

00:08:46,220 --> 00:08:44,910

you you guys have both had encounters

163

00:08:47,930 --> 00:08:46,230

with you neighbours have had encounters

164

00:08:49,970 --> 00:08:47,940

with everybody you know have had

165

00:08:51,560 --> 00:08:49,980

encounters some people have been harmed

166

00:08:53,900 --> 00:08:51,570

by these their lives have been changed

167

00:08:56,540 --> 00:08:53,910

once you see something like this you can

168

00:08:58,730 --> 00:08:56,550

never see the world the same again what

169

00:09:00,380 --> 00:08:58,740

do you say to people that they don't

170

00:09:02,030 --> 00:09:00,390

believe it because they've never seen

171

00:09:04,190 --> 00:09:02,040

anything what do you say to those people

172

00:09:07,940 --> 00:09:04,200

is this real is this happening here I

173

00:09:10,100 --> 00:09:07,950

don't talk about it because if you say

174

00:09:11,150 --> 00:09:10,110

something and I answer to it and you get

175

00:09:13,970 --> 00:09:11,160

smart with me

176

00:09:14,920 --> 00:09:13,980

are you or do you say oh you're just

177

00:09:19,490 --> 00:09:14,930

crazy

178

00:09:21,620 --> 00:09:19,500

then I all shut down but if you're

179

00:09:25,070 --> 00:09:21,630

interested and want to know you know

180

00:09:29,840 --> 00:09:25,080

what has gone on around down here fine

181

00:09:32,570 --> 00:09:29,850

but for those non-believers I guess you

182

00:09:36,710 --> 00:09:32,580

just have to it just has to happen to

183

00:09:40,700 --> 00:09:36,720

you to know it's real I mean if

184

00:09:41,910 --> 00:09:40,710

something is here you know what I don't

185

00:09:44,400 --> 00:09:41,920

know

186

00:09:48,629 --> 00:09:44,410

but it seems to have a powder too

187

00:09:50,900 --> 00:09:48,639

because it comes it comes through the l

188

00:09:53,220 --> 00:09:50,910

guess it colored bulbs that can't man

189

00:09:55,289 --> 00:09:53,230

there seems to be a path where these

190

00:09:59,069 --> 00:09:55,299

things come through is that yeah so when

191

00:10:02,099 --> 00:09:59,079

people don't understand the reality that

192

00:10:04,739 --> 00:10:02,109

you're living in you just don't tell

193

00:10:07,049 --> 00:10:04,749

them no I kind of mind huh sure do you

194

00:10:08,669 --> 00:10:07,059

feel the same way like you don't share

195

00:10:10,109 --> 00:10:08,679

these stories with people unless they're

196

00:10:12,720 --> 00:10:10,119

really willing to hear what you're

197

00:10:16,109 --> 00:10:12,730

saying is that the truth just very close

198

00:10:19,439 --> 00:10:16,119

friends is it real oh yes and I believe

199

00:10:21,960 --> 00:10:19,449

it is not real those deniers you know

200

00:10:24,239 --> 00:10:21,970

then just come out here I don't care how

201
00:10:26,479 --> 00:10:24,249
many numbers they just got to have that

202
00:10:29,039 --> 00:10:26,489
kind of experience but it's a gamble

203
00:10:32,909 --> 00:10:29,049
some days they're here some days they're

204
00:10:36,059 --> 00:10:32,919
not it'll be take days weeks months just

205
00:10:38,970 --> 00:10:36,069
to have just one more experience I think

206
00:10:42,299 --> 00:10:38,980
it's just one even just seeing a light

207
00:10:45,809 --> 00:10:42,309
or a UFO just coming by just peeking

208
00:10:47,669 --> 00:10:45,819
just let's just get that one image just

209
00:10:49,139 --> 00:10:47,679
like that and then we'll just be with

210
00:10:51,869 --> 00:10:49,149
them for the rest of their lives just

211
00:10:55,889 --> 00:10:51,879
that one little piece no it's not

212
00:10:58,289 --> 00:10:55,899
I don't know cuz like seems like one of

213
00:11:00,299 --> 00:10:58,299

the ones that expects something it

214

00:11:02,159 --> 00:11:00,309

doesn't happen why does this area so

215

00:11:05,249 --> 00:11:02,169

many things all concentrate I think

216

00:11:08,069 --> 00:11:05,259

there's a main port hole somewhere here

217

00:11:11,609 --> 00:11:08,079

is what I believe I don't know that's

218

00:11:15,720 --> 00:11:11,619

just my opinion on a day-to-day basis do

219

00:11:18,470 --> 00:11:15,730

you think about the thing you know it

220

00:11:20,729 --> 00:11:18,480

just pops up from time to time yeah so

221

00:11:23,519 --> 00:11:20,739

while you're here in your living room

222

00:11:25,559 --> 00:11:23,529

it's not a whole past 10 and evening

223

00:11:26,139 --> 00:11:25,569

moment oh you're going to go a bed in

224

00:11:28,179 --> 00:11:26,149

the minute

225

00:11:35,110 --> 00:11:28,189

turn things off I wonder what's gonna

226

00:11:38,350 --> 00:11:35,120

happen that's not your life no there are

227

00:11:40,949 --> 00:11:38,360

big displays and the cops are called out

228

00:11:44,199 --> 00:11:40,959

something is coming over this area

229

00:11:46,749 --> 00:11:44,209

Beeman lights this is even the cops know

230

00:11:48,910 --> 00:11:46,759

this but it's but it's something that

231

00:11:51,610 --> 00:11:48,920

scares it scares me because it's unknown

232

00:11:54,879 --> 00:11:51,620

and it's and it's harmed some people

233

00:11:57,400 --> 00:11:54,889

your concern last time was that is this

234

00:12:00,449 --> 00:11:57,410

having negative effects on the people I

235

00:12:04,480 --> 00:12:00,459

love and is it government or is it

236

00:12:06,249 --> 00:12:04,490

entities other beings you both you're

237

00:12:08,079 --> 00:12:06,259

both nodding your heads attempt so what

238

00:12:08,519 --> 00:12:08,089

is it what does that mean what could it

239

00:12:11,439 --> 00:12:08,529

be

240

00:12:15,129 --> 00:12:11,449

is it from here or is it from somewhere

241

00:12:18,489 --> 00:12:15,139

else the other side or a different world

242

00:12:21,489 --> 00:12:18,499

or somewhere different solar system just

243

00:12:23,980 --> 00:12:21,499

visiting the universe is wild there's

244

00:12:27,579 --> 00:12:23,990

many planets there it probably is a

245

00:12:31,869 --> 00:12:27,589

planet NOW more of a advanced society

246

00:12:34,389 --> 00:12:31,879

that can really just be in a different

247

00:12:39,489 --> 00:12:34,399

universe in just just like that real

248

00:12:42,160 --> 00:12:39,499

quick then just stop time almost but it

249

00:12:45,489 --> 00:12:42,170

just I don't know I really would like to

250

00:12:48,460 --> 00:12:45,499

know like that one of these days are

251

00:12:51,819 --> 00:12:48,470

something in my life they find out at

252

00:12:54,009 --> 00:12:51,829

least something but I don't really don't

253

00:12:56,559 --> 00:12:54,019

know one of the questions but not a

254

00:12:59,860 --> 00:12:56,569

whole lot of answers God just trying to

255

00:13:02,139 --> 00:12:59,870

live my life just normally just trying

256

00:13:05,259 --> 00:13:02,149

really I've been just trying to get all

257

00:13:07,360 --> 00:13:05,269

those memories and experience I had just

258

00:13:10,900 --> 00:13:07,370

kind of push it over to the side and

259

00:13:14,769 --> 00:13:10,910

just try to just welcome away in my life

260

00:13:16,400 --> 00:13:14,779

I was a non-believer would last me

261

00:13:19,340 --> 00:13:16,410

friend

262

00:13:22,010 --> 00:13:19,350

once it started happening so if there

263

00:13:26,450 --> 00:13:22,020

was um if people wanted to come and

264

00:13:31,510 --> 00:13:26,460

visit this place your area would you

265

00:13:34,430 --> 00:13:32,750

yeah

266

00:13:38,330 --> 00:13:34,440

if you're curious come and see yourself

267

00:13:40,790 --> 00:13:38,340

you know cuz I can sit here tell you

268

00:13:44,480 --> 00:13:40,800

forever you want all my experiences but

269

00:13:47,990 --> 00:13:44,490

that's me but there are risks but they

270

00:13:51,230 --> 00:13:48,000

are they yes there is risks you might

271

00:13:57,470 --> 00:13:51,240

see something you can't handle argh you

272

00:14:01,580 --> 00:13:57,480

might experience entity I'm gonna say

273

00:14:04,670 --> 00:14:01,590

that you can't handle and so yeah I

274

00:14:07,290 --> 00:14:04,680

don't know it's hard yes and no I don't

275

00:14:42,280 --> 00:14:07,300

just it'd be up to that individual

276

00:14:42,290 --> 00:14:56,660

you
