

BBC NEWS | WORLD SERVICE

with JEREMY KENYON LOCKYER CORBELL

ExtraordinaryBeliefs.com

1
00:00:03,510 --> 00:00:10,950

[Music]

2
00:00:15,669 --> 00:00:12,950

earlier this year video footage was

3
00:00:16,790 --> 00:00:15,679

declassified by the us military showing

4
00:00:19,670 --> 00:00:16,800

unidentified

5
00:00:20,550 --> 00:00:19,680

objects flying alongside military

6
00:00:22,630 --> 00:00:20,560

aircraft

7
00:00:36,790 --> 00:00:22,640

there's a whole fleet of look on the sa

8
00:00:40,150 --> 00:00:38,549

that's the pilots talking as they're

9
00:00:42,150 --> 00:00:40,160

tracking the object moving

10
00:00:43,270 --> 00:00:42,160

at high speed the pentagon said they

11
00:00:45,350 --> 00:00:43,280

released them

12
00:00:47,110 --> 00:00:45,360

to clear up any misconceptions after

13
00:00:49,350 --> 00:00:47,120

they were linked years ago

14

00:00:50,950 --> 00:00:49,360

well now the investigative filmmaker

15

00:00:53,029 --> 00:00:50,960

jeremy corbell

16

00:00:55,750 --> 00:00:53,039

says despite claims from the pentagon

17

00:00:57,910 --> 00:00:55,760

that teams investigating unidentified

18

00:00:58,709 --> 00:00:57,920

flying objects had been disbanded those

19

00:01:01,029 --> 00:00:58,719

probes

20

00:01:03,029 --> 00:01:01,039

are actually still being carried out

21

00:01:03,670 --> 00:01:03,039

recent reports in the new york times are

22

00:01:05,270 --> 00:01:03,680

making

23

00:01:07,429 --> 00:01:05,280

the same claims they say the

24

00:01:10,149 --> 00:01:07,439

investigation has been renamed

25

00:01:12,070 --> 00:01:10,159

and moved to inside the united states

26

00:01:13,910 --> 00:01:12,080

office of naval intelligence

27

00:01:15,510 --> 00:01:13,920

it's believed officials continue to

28

00:01:19,590 --> 00:01:15,520

study encounters between

29

00:01:21,190 --> 00:01:19,600

military pilots and ufos jeremy corbell

30

00:01:23,590 --> 00:01:21,200

the documentary filmmaker and director

31

00:01:27,030 --> 00:01:23,600

of documentaries on netflix and hulu

32

00:01:28,870 --> 00:01:27,040

with me tonight jeremy good evening

33

00:01:30,630 --> 00:01:28,880

good evening thanks for having me on

34

00:01:33,030 --> 00:01:30,640

well it's nice to talk to you

35

00:01:35,350 --> 00:01:33,040

and you've been aware of these reports

36

00:01:38,149 --> 00:01:35,360

for for some time so this is no surprise

37

00:01:42,230 --> 00:01:39,990

correct uh my mentor in journalism

38

00:01:44,710 --> 00:01:42,240

george knapp we have been reporting on

39

00:01:46,389 --> 00:01:44,720

these truths for many years to

40

00:01:47,990 --> 00:01:46,399

you know global media picking up all

41

00:01:49,749 --> 00:01:48,000

this information now is really

42

00:01:51,910 --> 00:01:49,759

exciting and interesting and i'm glad

43

00:01:54,550 --> 00:01:51,920

the public is being informed

44

00:01:58,469 --> 00:01:54,560

what do these videos show what do they

45

00:02:00,870 --> 00:01:58,479

actually show jeremy spelled out to me

46

00:02:01,590 --> 00:02:00,880

right so these are what the military has

47

00:02:04,870 --> 00:02:01,600

described

48

00:02:07,910 --> 00:02:04,880

as unidentifieds unknowns

49

00:02:09,029 --> 00:02:07,920

anomalous aerial vehicles that outpace

50

00:02:11,430 --> 00:02:09,039

outperform

51
00:02:12,070 --> 00:02:11,440
and can shut down our most sophisticated

52
00:02:14,949 --> 00:02:12,080
weapons

53
00:02:15,670 --> 00:02:14,959
systems that's what these videos show

54
00:02:18,630 --> 00:02:15,680
these are

55
00:02:18,949 --> 00:02:18,640
ufos and if people don't understand that

56
00:02:21,830 --> 00:02:18,959
they

57
00:02:23,510 --> 00:02:21,840
just haven't been paying attention we're

58
00:02:26,869 --> 00:02:23,520
living in a different world now

59
00:02:27,910 --> 00:02:26,879
since december of 2017. it's a world

60
00:02:30,790 --> 00:02:27,920
where

61
00:02:32,550 --> 00:02:30,800
ufos are acknowledged that they're

62
00:02:34,830 --> 00:02:32,560
indeed real

63
00:02:38,869 --> 00:02:34,840

that it's worthy of scientific

64

00:02:46,710 --> 00:02:42,630

and there obviously could be

65

00:02:49,750 --> 00:02:46,720

jeremy different countries developing

66

00:02:52,470 --> 00:02:49,760

technology far faster than our

67

00:02:54,710 --> 00:02:52,480

understanding of what's possible

68

00:02:56,390 --> 00:02:54,720

let me let me shut you down right there

69

00:02:58,390 --> 00:02:56,400

that is something that is said by

70

00:02:59,509 --> 00:02:58,400

numerous people that is actually one of

71

00:03:01,670 --> 00:02:59,519

the fears

72

00:03:02,630 --> 00:03:01,680

of the united states military as well as

73

00:03:03,750 --> 00:03:02,640

your military

74

00:03:06,229 --> 00:03:03,760

that there was some sort of

75

00:03:07,030 --> 00:03:06,239

technological leap frog by another

76

00:03:14,070 --> 00:03:07,040

nation

77

00:03:17,350 --> 00:03:14,080

absolutely patently false and we know it

78

00:03:19,509 --> 00:03:17,360

these vehicles have been displaying

79

00:03:21,509 --> 00:03:19,519

themselves since the beginning of

80

00:03:24,390 --> 00:03:21,519

recorded human history or certainly

81

00:03:25,670 --> 00:03:24,400

since any developed technological nation

82

00:03:28,070 --> 00:03:25,680

or military

83

00:03:29,509 --> 00:03:28,080

our optic systems our ability to track

84

00:03:31,910 --> 00:03:29,519

these on radar

85

00:03:33,670 --> 00:03:31,920

actually to engage them like commander

86

00:03:36,149 --> 00:03:33,680

david fravor did

87

00:03:38,309 --> 00:03:36,159

on the west coast off california that

88

00:03:41,350 --> 00:03:38,319

was reported in the new york times

89

00:03:44,789 --> 00:03:41,360

so these are not technologies

90

00:03:45,509 --> 00:03:44,799

that were built here on earth by humans

91

00:03:48,390 --> 00:03:45,519

i know that's

92

00:03:49,830 --> 00:03:48,400

a big statement to make but the new york

93

00:03:53,270 --> 00:03:49,840

times reported on this

94

00:03:56,070 --> 00:03:53,280

very recently and i quote

95

00:03:58,070 --> 00:03:56,080

off-world vehicles not made on earth our

96

00:04:00,869 --> 00:03:58,080

department of defense

97

00:04:01,990 --> 00:04:00,879

was briefed on this situation they're

98

00:04:05,589 --> 00:04:02,000

aware of it

99

00:04:07,990 --> 00:04:05,599

we now know there are two active ufo

100

00:04:10,390 --> 00:04:08,000

study programs within the united states

101
00:04:13,750 --> 00:04:10,400
military and your government as well

102
00:04:14,550 --> 00:04:13,760
so the idea that these are some other

103
00:04:16,710 --> 00:04:14,560
nation

104
00:04:18,069 --> 00:04:16,720
that has somehow leapfrogged

105
00:04:19,830 --> 00:04:18,079
technologically

106
00:04:21,270 --> 00:04:19,840
anything human beings have ever created

107
00:04:23,590 --> 00:04:21,280
in any arsenal

108
00:04:24,550 --> 00:04:23,600
on planet earth is patently false

109
00:04:27,590 --> 00:04:24,560
because the evidence

110
00:04:29,110 --> 00:04:27,600
suggests so much and and and that

111
00:04:31,830 --> 00:04:29,120
evidence

112
00:04:33,030 --> 00:04:31,840
it can you describe to me because we all

113
00:04:36,150 --> 00:04:33,040

understand

114

00:04:38,550 --> 00:04:36,160

what what what is within uh

115

00:04:40,870 --> 00:04:38,560

technology at the moment we understand

116

00:04:42,150 --> 00:04:40,880

how machines are propelled we understand

117

00:04:44,070 --> 00:04:42,160

spacecraft

118

00:04:45,670 --> 00:04:44,080

what do these videos show happening

119

00:04:50,070 --> 00:04:45,680

which is just completely

120

00:04:53,189 --> 00:04:50,080

outside the norm okay so to be clear to

121

00:04:57,270 --> 00:04:53,199

all of your listeners there are three

122

00:05:00,469 --> 00:04:57,280

acknowledged pentagon released videos

123

00:05:03,670 --> 00:05:00,479

of ufos these are advanced

124

00:05:05,510 --> 00:05:03,680

aerial spacecraft this has been

125

00:05:07,189 --> 00:05:05,520

acknowledged again by our government but

126

00:05:09,830 --> 00:05:07,199

also within the uk

127

00:05:11,830 --> 00:05:09,840

that there are studies being done on

128

00:05:15,110 --> 00:05:11,840

these technologies

129

00:05:17,590 --> 00:05:15,120

whoever can figure out and exploit

130

00:05:18,710 --> 00:05:17,600

derivative technologies that we are

131

00:05:21,749 --> 00:05:18,720

witnessing

132

00:05:26,310 --> 00:05:21,759

that are flying with impunity within our

133

00:05:29,270 --> 00:05:26,320

airspace over advanced facilities

134

00:05:30,230 --> 00:05:29,280

weapon systems whoever can figure this

135

00:05:33,270 --> 00:05:30,240

out first whatever

136

00:05:33,990 --> 00:05:33,280

nation can figure this out first they

137

00:05:37,110 --> 00:05:34,000

win

138

00:05:38,710 --> 00:05:37,120

it's an extraordinary technology it

139

00:05:40,790 --> 00:05:38,720

negates

140

00:05:41,990 --> 00:05:40,800

everything that we thought we knew about

141

00:05:44,870 --> 00:05:42,000

trans medium

142

00:05:45,830 --> 00:05:44,880

aircraft about space travel these are

143

00:05:48,230 --> 00:05:45,840

being seen

144

00:05:49,270 --> 00:05:48,240

they're being reported and in these

145

00:05:52,150 --> 00:05:49,280

videos

146

00:05:53,510 --> 00:05:52,160

you can see these extraordinary craft of

147

00:05:57,110 --> 00:05:53,520

unknown origin

148

00:05:58,150 --> 00:05:57,120

operated by somebody that we can't

149

00:06:01,350 --> 00:05:58,160

identify

150

00:06:02,469 --> 00:06:01,360

that again outpace outmaneuver and can

151
00:06:05,430 --> 00:06:02,479
shut down

152
00:06:06,230 --> 00:06:05,440
actively our weapon systems our most

153
00:06:08,550 --> 00:06:06,240
sensitive

154
00:06:09,830 --> 00:06:08,560
weapon systems and don't take my word

155
00:06:11,510 --> 00:06:09,840
for it

156
00:06:13,029 --> 00:06:11,520
this is something that's been revealed

157
00:06:14,309 --> 00:06:13,039
through major media

158
00:06:16,870 --> 00:06:14,319
this is something that the new york

159
00:06:18,309 --> 00:06:16,880
times broke this story twice

160
00:06:20,950 --> 00:06:18,319
and the most recent one is the most

161
00:06:23,590 --> 00:06:20,960
chilling it's an admission

162
00:06:24,550 --> 00:06:23,600
of briefings and again i quote of

163
00:06:29,990 --> 00:06:24,560

off-world

164

00:06:35,830 --> 00:06:33,029

so who do you think has built them who's

165

00:06:37,670 --> 00:06:35,840

flying them

166

00:06:39,350 --> 00:06:37,680

that's that's the trillion dollar

167

00:06:42,469 --> 00:06:39,360

question

168

00:06:45,670 --> 00:06:42,479

somebody somewhere

169

00:06:46,230 --> 00:06:45,680

has developed a gravitational propulsion

170

00:06:48,550 --> 00:06:46,240

system a

171

00:06:50,629 --> 00:06:48,560

field propulsion system it's not a

172

00:06:52,629 --> 00:06:50,639

reactionary propulsion system

173

00:06:54,070 --> 00:06:52,639

you push something out the back and you

174

00:06:56,390 --> 00:06:54,080

move forward that's how

175

00:06:58,150 --> 00:06:56,400

everything we know works that's how

176

00:07:00,790 --> 00:06:58,160

propulsion works

177

00:07:01,589 --> 00:07:00,800

except that it doesn't these craft

178

00:07:06,070 --> 00:07:01,599

demonstrate

179

00:07:09,189 --> 00:07:06,080

the ability to negate inertia

180

00:07:10,870 --> 00:07:09,199

they suspect our military actually knows

181

00:07:14,950 --> 00:07:10,880

how they operate

182

00:07:17,430 --> 00:07:14,960

it is through gravity wave amplification

183

00:07:18,070 --> 00:07:17,440

so it changes the whole dynamic of what

184

00:07:22,390 --> 00:07:18,080

we think

185

00:07:24,309 --> 00:07:22,400

about propulsion about humanity on earth

186

00:07:25,430 --> 00:07:24,319

that there are craft that are

187

00:07:28,230 --> 00:07:25,440

sophisticated

188

00:07:29,670 --> 00:07:28,240

they are advanced technologically so the

189

00:07:31,589 --> 00:07:29,680

trillion dollar question

190

00:07:33,029 --> 00:07:31,599

the question we should be asking right

191

00:07:37,110 --> 00:07:33,039

now

192

00:07:41,670 --> 00:07:37,120

is who is piloting these vehicles

193

00:07:44,950 --> 00:07:43,029

well how do you answer that what is

194

00:07:46,550 --> 00:07:44,960

their intent

195

00:07:51,350 --> 00:07:46,560

well i don't know i certainly have not

196

00:07:54,869 --> 00:07:53,670

your documentary on netflix it follows

197

00:07:56,710 --> 00:07:54,879

the stories

198

00:07:57,990 --> 00:07:56,720

fantastic stuff by the way jeremy and it

199

00:08:01,110 --> 00:07:58,000

follows the stories

200

00:08:02,070 --> 00:08:01,120

around a man called bob lazar who who

201
00:08:03,830 --> 00:08:02,080
was he

202
00:08:06,230 --> 00:08:03,840
for those people who haven't seen this

203
00:08:08,469 --> 00:08:06,240
on netflix yet

204
00:08:10,469 --> 00:08:08,479
so everybody around the world has heard

205
00:08:12,550 --> 00:08:10,479
about area 51

206
00:08:14,869 --> 00:08:12,560
the reason everybody around the world

207
00:08:18,309 --> 00:08:14,879
has heard about area 51

208
00:08:19,189 --> 00:08:18,319
is because in 1989 a man named bob azar

209
00:08:22,710 --> 00:08:19,199
came forward

210
00:08:25,990 --> 00:08:22,720
to a journalist named george knapp

211
00:08:29,029 --> 00:08:26,000
at that time babazar told a story

212
00:08:31,430 --> 00:08:29,039
he told his account of being employed

213
00:08:32,389 --> 00:08:31,440

by the united states military to attempt

214

00:08:36,070 --> 00:08:32,399

to reverse

215

00:08:38,709 --> 00:08:36,080

engineer extraterrestrial spacecraft

216

00:08:39,990 --> 00:08:38,719

that it was a secret project within area

217

00:08:43,029 --> 00:08:40,000

51 a sub

218

00:08:46,070 --> 00:08:43,039

base of area 51 called site 4

219

00:08:48,230 --> 00:08:46,080

and for 30 years people have been trying

220

00:08:50,150 --> 00:08:48,240

to dismiss his claims

221

00:08:51,509 --> 00:08:50,160

they've been trying to attack the

222

00:08:55,269 --> 00:08:51,519

messenger

223

00:08:59,190 --> 00:08:55,279

in order to diminish and put down

224

00:09:01,269 --> 00:08:59,200

what he said however over 30 years

225

00:09:02,550 --> 00:09:01,279

the only thing that has happened is that

226

00:09:06,389 --> 00:09:02,560

bob lazar

227

00:09:08,870 --> 00:09:06,399

each day is becoming vindicated

228

00:09:11,350 --> 00:09:08,880

so that's why you know about area 51

229

00:09:14,710 --> 00:09:11,360

that's the story that bob lazar told

230

00:09:17,590 --> 00:09:14,720

all of us over 30 years ago in 1989

231

00:09:20,389 --> 00:09:17,600

and that's why i made my movie the

232

00:09:23,190 --> 00:09:20,399

netflix movie babazar area 51 and flying

233

00:09:26,470 --> 00:09:23,200

fosters it was because i was curious

234

00:09:27,990 --> 00:09:26,480

is bob azar worthy of our trust

235

00:09:29,829 --> 00:09:28,000

and i can tell you now and i can tell

236

00:09:31,750 --> 00:09:29,839

you today

237

00:09:33,509 --> 00:09:31,760

that he is worthy of your trust that

238

00:09:36,470 --> 00:09:33,519

babazar is saying it

239

00:09:37,350 --> 00:09:36,480

exactly how it happened he worked on

240

00:09:40,870 --> 00:09:37,360

craft

241

00:09:44,070 --> 00:09:40,880

not of this earth a propulsion system

242

00:09:46,310 --> 00:09:44,080

and a fuel source it was far

243

00:09:48,470 --> 00:09:46,320

technologically beyond anything that

244

00:09:50,310 --> 00:09:48,480

humanity has ever made

245

00:09:52,070 --> 00:09:50,320

and to see now the new york times and

246

00:09:53,590 --> 00:09:52,080

the world media picking this up

247

00:09:55,829 --> 00:09:53,600

and i'm grateful that you are too for

248

00:09:59,829 --> 00:09:55,839

your audience people need to know this

249

00:10:01,590 --> 00:09:59,839

they need to make their own decisions

250

00:10:03,190 --> 00:10:01,600

you don't need to listen to me you need

251
00:10:05,269 --> 00:10:03,200
to look into yourself

252
00:10:07,190 --> 00:10:05,279
but people don't want to believe this do

253
00:10:09,590 --> 00:10:07,200
they they they

254
00:10:11,190 --> 00:10:09,600
they want to they want an understanding

255
00:10:12,870 --> 00:10:11,200
of what they can see what they touch

256
00:10:14,069 --> 00:10:12,880
they want to understand the world

257
00:10:16,310 --> 00:10:14,079
as they've known it throughout their

258
00:10:17,030 --> 00:10:16,320
whole life people don't want to believe

259
00:10:19,990 --> 00:10:17,040
in this

260
00:10:20,550 --> 00:10:20,000
surely you know i i disagree i think

261
00:10:24,230 --> 00:10:20,560
people

262
00:10:26,389 --> 00:10:24,240
too much want to believe in in the in

263
00:10:28,949 --> 00:10:26,399

the subject of ufos

264

00:10:29,910 --> 00:10:28,959

but it's not a matter of belief ufos has

265

00:10:32,949 --> 00:10:29,920

never been

266

00:10:35,829 --> 00:10:32,959

a matter of belief it's either true

267

00:10:37,590 --> 00:10:35,839

or it's not true i no longer have the

268

00:10:39,750 --> 00:10:37,600

luxury of disbelief because

269

00:10:41,670 --> 00:10:39,760

i have been paying attention i've been

270

00:10:44,230 --> 00:10:41,680

breaking these stories

271

00:10:45,269 --> 00:10:44,240

if anybody takes a rational mind and

272

00:10:47,750 --> 00:10:45,279

looks at the subject

273

00:10:48,790 --> 00:10:47,760

and looks at what has been reported on

274

00:10:51,269 --> 00:10:48,800

just as of

275

00:10:52,710 --> 00:10:51,279

recent with the new york times and other

276

00:10:55,829 --> 00:10:52,720

outlets

277

00:10:59,350 --> 00:10:55,839

you will see the ufo presence

278

00:11:01,190 --> 00:10:59,360

on planet earth is real there are craft

279

00:11:03,590 --> 00:11:01,200

of unknown origin flying with impunity

280

00:11:05,910 --> 00:11:03,600

through our airspace and disarming

281

00:11:06,630 --> 00:11:05,920

our greatest weaponry and arsenals this

282

00:11:10,150 --> 00:11:06,640

is a matter of

283

00:11:12,230 --> 00:11:10,160

mystery

284

00:11:13,190 --> 00:11:12,240

it is one of the greatest unsolved

285

00:11:16,949 --> 00:11:13,200

mysteries

286

00:11:19,350 --> 00:11:16,959

on planet earth because the implications

287

00:11:20,630 --> 00:11:19,360

of what it means there are other

288

00:11:22,710 --> 00:11:20,640

civilizations

289

00:11:23,990 --> 00:11:22,720
that not only have advanced and

290

00:11:28,069 --> 00:11:24,000
developed

291

00:11:31,110 --> 00:11:28,079
but have also visited our planet

292

00:11:32,069 --> 00:11:31,120
that when people start to understand

293

00:11:37,110 --> 00:11:32,079
that

294

00:11:38,949 --> 00:11:37,120
weaponizes the curiosity

295

00:11:40,230 --> 00:11:38,959
that is something that transforms an

296

00:11:42,470 --> 00:11:40,240
individual

297

00:11:44,069 --> 00:11:42,480
from looking up the heavens and saying

298

00:11:45,030 --> 00:11:44,079
maybe we're alone maybe they're out

299

00:11:48,630 --> 00:11:45,040
there

300

00:11:51,670 --> 00:11:48,640
in fact they're coming here

301
00:11:53,110 --> 00:11:51,680
what what do you think trump was talking

302
00:11:56,870 --> 00:11:53,120
about jeremy

303
00:11:58,389 --> 00:11:56,880
um when it was it was his son wasn't it

304
00:12:00,550 --> 00:11:58,399
was donald trump jr

305
00:12:01,670 --> 00:12:00,560
it was in a june interview that he said

306
00:12:03,750 --> 00:12:01,680
he knew something

307
00:12:05,269 --> 00:12:03,760
very interesting very interesting things

308
00:12:08,790 --> 00:12:05,279
about roswell

309
00:12:10,389 --> 00:12:08,800
is what he said yeah he he might

310
00:12:12,470 --> 00:12:10,399
i i don't know i'm not part of those

311
00:12:14,150 --> 00:12:12,480
presidential briefings i do not

312
00:12:16,550 --> 00:12:14,160
know that the senate intelligence

313
00:12:19,509 --> 00:12:16,560

committee is actively looking

314

00:12:20,870 --> 00:12:19,519

for transparency on all the active

315

00:12:23,590 --> 00:12:20,880

reverse engineering

316

00:12:25,350 --> 00:12:23,600

and ufo programs that span all through

317

00:12:29,509 --> 00:12:25,360

every branch of our military

318

00:12:33,430 --> 00:12:29,519

uh president donald trump also misspoke

319

00:12:35,430 --> 00:12:33,440

he didn't mean roswell he meant area 51

320

00:12:40,230 --> 00:12:35,440

which is interesting that he misspoke

321

00:12:46,550 --> 00:12:43,430

you have a deep fascination in this

322

00:12:49,910 --> 00:12:48,949

well i was 13 years old and i heard on

323

00:12:51,509 --> 00:12:49,920

the radio

324

00:12:54,069 --> 00:12:51,519

a man named bob lazar that we just

325

00:12:55,670 --> 00:12:54,079

talked about and my now mentor in

326

00:12:57,590 --> 00:12:55,680

journalism george knapp

327

00:12:58,870 --> 00:12:57,600

investigative reporter he was

328

00:13:01,990 --> 00:12:58,880

interviewing bob

329

00:13:03,430 --> 00:13:02,000

and that moment that switched for me i

330

00:13:05,190 --> 00:13:03,440

wanted to know the truth

331

00:13:07,430 --> 00:13:05,200

i wanted to know if bob lazar was

332

00:13:11,110 --> 00:13:07,440

telling it like it is

333

00:13:14,310 --> 00:13:11,120

i heard him describe a propulsion system

334

00:13:18,470 --> 00:13:14,320

a propulsion system that negates

335

00:13:20,710 --> 00:13:18,480

any problem of traveling via distance

336

00:13:22,310 --> 00:13:20,720

it was the idea of a gravity wave

337

00:13:24,710 --> 00:13:22,320

propulsion system

338

00:13:25,910 --> 00:13:24,720

and i gotta tell you every step of the

339

00:13:29,030 --> 00:13:25,920

way

340

00:13:30,470 --> 00:13:29,040

bob lazar has been vindicated it's

341

00:13:33,829 --> 00:13:30,480

fascinating

342

00:13:35,509 --> 00:13:33,839

it's another little piece to this big

343

00:13:38,629 --> 00:13:35,519

mystery and puzzle

344

00:13:41,829 --> 00:13:38,639

the question humanity asks itself

345

00:13:44,470 --> 00:13:41,839

since the inception of human beings

346

00:13:46,069 --> 00:13:44,480

on planet earth are we alone in the

347

00:13:50,069 --> 00:13:46,079

universe

348

00:13:51,189 --> 00:13:50,079

and are they visiting here

349

00:13:52,790 --> 00:13:51,199

well if they're visiting here they

350

00:13:54,949 --> 00:13:52,800

haven't revealed themselves to us too

351
00:13:56,790 --> 00:13:54,959
often have they

352
00:13:58,150 --> 00:13:56,800
if they wanted to reveal themselves they

353
00:14:00,870 --> 00:13:58,160
would reveal themselves

354
00:14:03,750 --> 00:14:00,880
however i would debate that i would say

355
00:14:06,150 --> 00:14:03,760
a lot has been revealed

356
00:14:07,750 --> 00:14:06,160
every single person that i speak with

357
00:14:09,670 --> 00:14:07,760
and i encourage your audience i

358
00:14:11,269 --> 00:14:09,680
encourage your audience to ask the

359
00:14:13,189 --> 00:14:11,279
person next to them

360
00:14:14,870 --> 00:14:13,199
ask their family their friends people

361
00:14:16,230 --> 00:14:14,880
that they respect

362
00:14:18,710 --> 00:14:16,240
have they ever seen anything

363
00:14:21,509 --> 00:14:18,720

unidentified have they had an encounter

364

00:14:22,550 --> 00:14:21,519

you would be surprised the social stigma

365

00:14:25,829 --> 00:14:22,560

is alive

366

00:14:27,590 --> 00:14:25,839

the social stigma about ufos why

367

00:14:29,350 --> 00:14:27,600

this should be a topic of great

368

00:14:32,310 --> 00:14:29,360

scientific vigor

369

00:14:33,189 --> 00:14:32,320

i challenge the scientific community i

370

00:14:35,670 --> 00:14:33,199

challenge

371

00:14:36,710 --> 00:14:35,680

people like neil degrasse tyson people

372

00:14:38,710 --> 00:14:36,720

that are

373

00:14:39,910 --> 00:14:38,720

at the forefront of science and

374

00:14:42,949 --> 00:14:39,920

technology

375

00:14:44,550 --> 00:14:42,959

to look at the evidence to analyze the

376

00:14:47,670 --> 00:14:44,560

evidence

377

00:14:50,710 --> 00:14:47,680

these are incredible times you have been

378

00:14:54,310 --> 00:14:50,720

told ufos are real

379

00:14:57,590 --> 00:14:54,320

spaceship craft of unknown origin

380

00:14:59,670 --> 00:14:57,600

highly advanced you've been told so

381

00:15:01,269 --> 00:14:59,680

physicists scientists i challenge the

382

00:15:02,790 --> 00:15:01,279

scientific community

383

00:15:05,670 --> 00:15:02,800

they should be salivating over the

384

00:15:09,670 --> 00:15:07,110

chris is in lockford wants to speak to

385

00:15:13,030 --> 00:15:09,680

you tonight jeremy hello chris

386

00:15:16,829 --> 00:15:13,040

hi uh hey stephen hi jeremy

387

00:15:19,670 --> 00:15:16,839

hi chris hi um how can you be

388

00:15:22,710 --> 00:15:19,680

100 sure that

389

00:15:26,230 --> 00:15:22,720

not all these objects are not

390

00:15:27,910 --> 00:15:26,240

military or from hostile powers how can

391

00:15:31,430 --> 00:15:27,920

you be social

392

00:15:31,910 --> 00:15:31,440

because we know chris through yeah we we

393

00:15:34,870 --> 00:15:31,920

know

394

00:15:35,590 --> 00:15:34,880

throughout military develops the best

395

00:15:38,389 --> 00:15:35,600

tech

396

00:15:39,990 --> 00:15:38,399

throughout history right very

397

00:15:42,069 --> 00:15:40,000

intelligent question chris

398

00:15:43,670 --> 00:15:42,079

and thank you so much i'd like to make

399

00:15:46,790 --> 00:15:43,680

it clear i never see

400

00:15:49,829 --> 00:15:46,800

i never stated that i never stated that

401
00:15:51,350 --> 00:15:49,839
not for one second we can't be sure that

402
00:15:54,470 --> 00:15:51,360
what is seen in the skies

403
00:15:55,990 --> 00:15:54,480
is ours or theirs but we can

404
00:15:57,749 --> 00:15:56,000
separate the difference in the

405
00:16:01,030 --> 00:15:57,759
propulsion systems

406
00:16:04,069 --> 00:16:01,040
there is a mode of operation

407
00:16:05,509 --> 00:16:04,079
that all world governments the uk

408
00:16:07,350 --> 00:16:05,519
as well as the united states on the

409
00:16:10,790 --> 00:16:07,360
forefront but we

410
00:16:13,829 --> 00:16:10,800
are exploring trying to understand

411
00:16:16,629 --> 00:16:13,839
the methodologies with which these craft

412
00:16:18,230 --> 00:16:16,639
operate because they are so far advanced

413
00:16:21,269 --> 00:16:18,240

and i'll tell you this

414

00:16:24,069 --> 00:16:21,279

our material science is the only thing

415

00:16:24,870 --> 00:16:24,079

holding us back we understand to a great

416

00:16:27,910 --> 00:16:24,880

degree

417

00:16:28,949 --> 00:16:27,920

how these craft operate how these pilots

418

00:16:32,470 --> 00:16:28,959

have come forward

419

00:16:33,509 --> 00:16:32,480

heroically pilots we trust to defend our

420

00:16:36,310 --> 00:16:33,519

countries

421

00:16:37,910 --> 00:16:36,320

and they reported to us seeing craft

422

00:16:40,870 --> 00:16:37,920

that seemed to defy

423

00:16:42,790 --> 00:16:40,880

our known laws of physics and i quote

424

00:16:45,910 --> 00:16:42,800

with impossible speeds

425

00:16:46,790 --> 00:16:45,920

of instantaneous acceleration so i never

426
00:16:48,710 --> 00:16:46,800
once said

427
00:16:50,629 --> 00:16:48,720
that everything seen in the sky we can

428
00:16:54,150 --> 00:16:50,639
completely exclude other militaries

429
00:16:57,189 --> 00:16:54,160
i did not say that what i am saying

430
00:17:00,230 --> 00:16:57,199
as a civilian when you listen

431
00:17:04,630 --> 00:17:00,240
to our militaries talk about this

432
00:17:05,429 --> 00:17:04,640
it is a matter of national security ufos

433
00:17:08,390 --> 00:17:05,439
are real

434
00:17:09,909 --> 00:17:08,400
they're unknown origin so i don't know

435
00:17:11,990 --> 00:17:09,919
where they're from

436
00:17:13,429 --> 00:17:12,000
nobody knows precisely where they're

437
00:17:16,949 --> 00:17:13,439
from that i know

438
00:17:18,789 --> 00:17:16,959

but we cannot say that these are

439

00:17:21,189 --> 00:17:18,799

anything terrestrial by the propulsion

440

00:17:22,470 --> 00:17:21,199

systems full stop

441

00:17:23,990 --> 00:17:22,480

well of course you always have you

442

00:17:25,990 --> 00:17:24,000

always have the bent waters case back in

443

00:17:27,669 --> 00:17:26,000

the 80s where a ufo actually went to an

444

00:17:29,669 --> 00:17:27,679

american air base

445

00:17:30,950 --> 00:17:29,679

and was spotted back there and that was

446

00:17:32,789 --> 00:17:30,960

declassified

447

00:17:33,990 --> 00:17:32,799

and that allegedly was incredible

448

00:17:35,750 --> 00:17:34,000

nuclear bomb cuts

449

00:17:37,270 --> 00:17:35,760

it was shooting allegedly shooting the

450

00:17:38,710 --> 00:17:37,280

light rays at nuclear bunkers with

451
00:17:42,310 --> 00:17:38,720
nuclear weapons in them

452
00:17:43,750 --> 00:17:42,320
now if that's not okay 1982-83

453
00:17:45,750 --> 00:17:43,760
if that's not a case of national

454
00:17:47,590 --> 00:17:45,760
security for the whole planet

455
00:17:50,070 --> 00:17:47,600
i don't know what is if they didn't know

456
00:17:50,470 --> 00:17:50,080
then what that object was what it was

457
00:17:54,310 --> 00:17:50,480
doing

458
00:17:56,070 --> 00:17:54,320
and reflecting a nuclear facility

459
00:17:57,750 --> 00:17:56,080
if that didn't bring up but i'm just

460
00:17:58,390 --> 00:17:57,760
worried that we're just going around in

461
00:18:02,070 --> 00:17:58,400
the same search

462
00:18:03,430 --> 00:18:02,080
let's say jeremy yeah let me let me

463
00:18:04,630 --> 00:18:03,440

respond to that i'm really glad you

464

00:18:07,190 --> 00:18:04,640

brought that up

465

00:18:08,789 --> 00:18:07,200

this is not theory this is not

466

00:18:10,390 --> 00:18:08,799

speculation

467

00:18:12,150 --> 00:18:10,400

we have the documents and the

468

00:18:15,590 --> 00:18:12,160

individuals that have come

469

00:18:18,789 --> 00:18:15,600

forward expressing this concern

470

00:18:20,870 --> 00:18:18,799

that there were nuclear

471

00:18:22,630 --> 00:18:20,880

locations and actually minutemen

472

00:18:23,510 --> 00:18:22,640

missiles here at maelstrom air force

473

00:18:25,510 --> 00:18:23,520

base

474

00:18:27,750 --> 00:18:25,520

and they were shut down they were shut

475

00:18:28,310 --> 00:18:27,760

down one at a time on independent

476
00:18:31,510 --> 00:18:28,320
systems

477
00:18:33,510 --> 00:18:31,520
at the same time in the public realm

478
00:18:34,710 --> 00:18:33,520
their documents how this happened in

479
00:18:36,470 --> 00:18:34,720
russia

480
00:18:38,070 --> 00:18:36,480
this has happened in most modernized

481
00:18:39,270 --> 00:18:38,080
nations that are new that have nuclear

482
00:18:43,270 --> 00:18:39,280
powers

483
00:18:45,830 --> 00:18:43,280
so this is from a military perspective

484
00:18:47,029 --> 00:18:45,840
something that is a great national and

485
00:18:50,230 --> 00:18:47,039
global

486
00:18:52,549 --> 00:18:50,240
concern however

487
00:18:53,830 --> 00:18:52,559
because these crafts represent a

488
00:18:55,830 --> 00:18:53,840

technology

489

00:18:57,110 --> 00:18:55,840

and most likely a civilization that is

490

00:19:01,110 --> 00:18:57,120

way far

491

00:19:04,150 --> 00:19:01,120

more technologically advanced than us

492

00:19:05,029 --> 00:19:04,160

nothing horrible has happened yet so i

493

00:19:08,470 --> 00:19:05,039

remain

494

00:19:10,870 --> 00:19:08,480

positive that whatever this

495

00:19:12,150 --> 00:19:10,880

visitation is that seems to have been

496

00:19:14,150 --> 00:19:12,160

going on since the beginning of recorded

497

00:19:16,789 --> 00:19:14,160

human history

498

00:19:17,990 --> 00:19:16,799

that it is not benevolent that it is

499

00:19:21,029 --> 00:19:18,000

something should be studied by the

500

00:19:22,710 --> 00:19:21,039

scientific communities

501

00:19:24,070 --> 00:19:22,720

so we look forward to watching more of

502

00:19:26,710 --> 00:19:24,080

your documentaries and

503

00:19:28,710 --> 00:19:26,720

thanks very much indeed for being so uh

504

00:19:29,430 --> 00:19:28,720

engaging tonight really appreciate it

505

00:19:34,310 --> 00:19:29,440

jeremy
