

LAZAR

**THE
CORE
SECRET**

1
00:00:03,669 --> 00:00:02,550
you're telling me there's a different

2
00:00:05,269 --> 00:00:03,679
physics

3
00:00:07,110 --> 00:00:05,279
that was your job you were working on

4
00:00:08,549 --> 00:00:07,120
that the science was something we were

5
00:00:10,310 --> 00:00:08,559
trying to figure out

6
00:00:11,669 --> 00:00:10,320
but we knew how the devices would

7
00:00:13,270 --> 00:00:11,679
operate

8
00:00:14,709 --> 00:00:13,280
you know for instance the propulsion of

9
00:00:17,590 --> 00:00:14,719
the craft

10
00:00:18,950 --> 00:00:17,600
everything that we have whether it's a

11
00:00:21,990 --> 00:00:18,960
propeller plane

12
00:00:24,710 --> 00:00:22,000
or a jet or a rocket

13
00:00:25,910 --> 00:00:24,720

it throws something out the back either

14

00:00:28,790 --> 00:00:25,920

high-speed exhaust

15

00:00:30,790 --> 00:00:28,800

or a large volume of air it's an action

16

00:00:32,630 --> 00:00:30,800

reaction for us the action is you

17

00:00:34,950 --> 00:00:32,640

throw something out the back and it

18

00:00:37,670 --> 00:00:34,960

moves you forward so everything works

19

00:00:38,150 --> 00:00:37,680

this is the first time there's a craft

20

00:00:41,190 --> 00:00:38,160

that's

21

00:00:42,470 --> 00:00:41,200

it's a reactionless craft it's a field

22

00:00:43,910 --> 00:00:42,480

propulsion craft

23

00:00:46,389 --> 00:00:43,920

and what it does is it creates a

24

00:00:47,110 --> 00:00:46,399

distortion in space and time in front of

25

00:00:52,069 --> 00:00:47,120

it

26
00:00:53,430 --> 00:00:52,079
technology that doesn't exist yet i mean

27
00:00:56,069 --> 00:00:53,440
you're talking about

28
00:00:57,590 --> 00:00:56,079
that there's science doesn't even know

29
00:00:59,510 --> 00:00:57,600
what gravity is

30
00:01:00,709 --> 00:00:59,520
much less how to produce it or control

31
00:01:05,990 --> 00:01:00,719
it

32
00:01:08,390 --> 00:01:06,000
put a bowling ball in the middle of your

33
00:01:09,109 --> 00:01:08,400
bed and then a foot in front of it take

34
00:01:11,190 --> 00:01:09,119
your fist and

35
00:01:12,149 --> 00:01:11,200
push down on the mattress bowling ball

36
00:01:14,070 --> 00:01:12,159
will roll

37
00:01:16,149 --> 00:01:14,080
towards it and that's exactly how the

38
00:01:17,350 --> 00:01:16,159

craft works creates a distortion right

39

00:01:19,510 --> 00:01:17,360

in front of it and the

40

00:01:20,710 --> 00:01:19,520

craft falls forward there so there's a

41

00:01:23,190 --> 00:01:20,720

different physics

42

00:01:24,870 --> 00:01:23,200

that well the science that explains how

43

00:01:27,030 --> 00:01:24,880

the technology works

44

00:01:29,749 --> 00:01:27,040

i mean it's all encompassed as one thing

45

00:01:32,630 --> 00:01:29,759

alien technology and science

46

00:01:34,550 --> 00:01:32,640

what is the big picture what are the

47

00:01:37,190 --> 00:01:34,560

what is the takeaway

48

00:01:38,950 --> 00:01:37,200

of your story after you're gone you're

49

00:01:41,109 --> 00:01:38,960

not a rebel kid

50

00:01:42,950 --> 00:01:41,119

with a with the jet car at los alamos

51

00:01:44,870 --> 00:01:42,960

today today is a different

52

00:01:46,550 --> 00:01:44,880

bob lazar right right what have we

53

00:01:47,429 --> 00:01:46,560

learned what's what's the message of

54

00:01:49,910 --> 00:01:47,439

your story

55

00:01:50,710 --> 00:01:49,920

the big thing is the suppression of

56

00:01:55,190 --> 00:01:50,720

extremely
