

SUNRISE

LOS ANGELES

UFO INVESTIGATION

SECRET DOCUMENTS REVEALED

U.S. OFFICIALS FORCED TO RELEASE CLASSIFIED REPORTS

CAN 25° 

8:48

1
00:00:04,150 --> 00:00:02,149
to the pentagon now where officials have

2
00:00:06,470 --> 00:00:04,160
been forced to release an explosive

3
00:00:09,030 --> 00:00:06,480
report about ufos under freedom of

4
00:00:11,190 --> 00:00:09,040
information laws now the new documents

5
00:00:13,110 --> 00:00:11,200
lift the lid on a secretive intelligence

6
00:00:14,709 --> 00:00:13,120
program which was run by the united

7
00:00:18,150 --> 00:00:14,719
states defence force and employed more

8
00:00:20,550 --> 00:00:18,160
than 50 agents 50 the ufo hunters

9
00:00:23,269 --> 00:00:20,560
researched health impacts on humans who

10
00:00:25,910 --> 00:00:23,279
reported paranormal experiences and the

11
00:00:28,150 --> 00:00:25,920
findings are downright spooky

12
00:00:30,470 --> 00:00:28,160
investigative filmmaker jeremy corble

13
00:00:32,950 --> 00:00:30,480

joins us live from l.a to make sense of

14

00:00:35,910 --> 00:00:32,960

it all jeremy great to see you again now

15

00:00:40,150 --> 00:00:35,920

this new report says ufo sightings left

16

00:00:43,190 --> 00:00:40,160

witnesses with burns nausea and nerve

17

00:00:45,190 --> 00:00:43,200

damage what do you make of the claims

18

00:00:47,350 --> 00:00:45,200

yeah this is pretty incredible so first

19

00:00:48,869 --> 00:00:47,360

of all everybody's got this wrong the

20

00:00:51,990 --> 00:00:48,879

new york times even reported it

21

00:00:55,430 --> 00:00:52,000

improperly the the secret ufo study was

22

00:00:58,389 --> 00:00:55,440

called osap advanced aerospace weapon

23

00:01:01,189 --> 00:00:58,399

system applications program it received

24

00:01:05,030 --> 00:01:01,199

the 22 million dollars not a tip now

25

00:01:07,350 --> 00:01:05,040

they generated 200 over 200 reports but

26

00:01:09,830 --> 00:01:07,360

38 of these reports were technical

27

00:01:12,310 --> 00:01:09,840

documents and one of those documents

28

00:01:14,469 --> 00:01:12,320

really stands out and that document

29

00:01:16,070 --> 00:01:14,479

talks about the biological effects of

30

00:01:18,469 --> 00:01:16,080

human beings who come into close

31

00:01:20,230 --> 00:01:18,479

proximity with the ufo and there's a lot

32

00:01:23,030 --> 00:01:20,240

of negative health effects that have now

33

00:01:25,429 --> 00:01:23,040

been revealed by the secret government

34

00:01:28,149 --> 00:01:25,439

ufo program the biggest program of all

35

00:01:30,230 --> 00:01:28,159

time this includes radiation burns it

36

00:01:33,510 --> 00:01:30,240

includes on a cellular level people

37

00:01:35,270 --> 00:01:33,520

being harmed as well as cognitive uh you

38

00:01:36,469 --> 00:01:35,280

know damage to people so it's very

39

00:01:39,510 --> 00:01:36,479

haunting

40

00:01:42,870 --> 00:01:39,520

okay so do we have to assume then that

41

00:01:44,550 --> 00:01:42,880

ufos are real if we're then looking at

42

00:01:47,990 --> 00:01:44,560

physical effects

43

00:01:50,389 --> 00:01:48,000

from the you know from being exposed

44

00:01:52,389 --> 00:01:50,399

yeah look if people don't know that ufos

45

00:01:54,069 --> 00:01:52,399

are real yet then they haven't been

46

00:01:55,910 --> 00:01:54,079

paying attention our government

47

00:01:57,670 --> 00:01:55,920

including your government has admitted

48

00:02:00,469 --> 00:01:57,680

that there are machines in our skies

49

00:02:03,030 --> 00:02:00,479

that outpace outmaneuver and outperform

50

00:02:04,870 --> 00:02:03,040

anything of our advanced weaponry it is

51
00:02:06,789 --> 00:02:04,880
something that the defense intelligence

52
00:02:08,469 --> 00:02:06,799
agency our government your government

53
00:02:11,510 --> 00:02:08,479
they're all studying because it's

54
00:02:13,510 --> 00:02:11,520
perplexing who made these machines

55
00:02:16,150 --> 00:02:13,520
what are they doing what is the intent

56
00:02:17,910 --> 00:02:16,160
who's operating them ufos are as real as

57
00:02:20,070 --> 00:02:17,920
the nose on your face yeah

58
00:02:22,630 --> 00:02:20,080
but okay

59
00:02:23,910 --> 00:02:22,640
let me be devil's advocate here it

60
00:02:24,869 --> 00:02:23,920
they could be

61
00:02:26,949 --> 00:02:24,879
um

62
00:02:28,150 --> 00:02:26,959
something from another country though it

63
00:02:30,550 --> 00:02:28,160

could be a

64

00:02:33,270 --> 00:02:30,560

a different type of airplane or a

65

00:02:35,350 --> 00:02:33,280

missile or whatever

66

00:02:37,270 --> 00:02:35,360

that would be incredible but the problem

67

00:02:39,509 --> 00:02:37,280

with that is that ufos have been

68

00:02:42,070 --> 00:02:39,519

engaging humanity since the beginning of

69

00:02:44,150 --> 00:02:42,080

recorded human history this isn't a new

70

00:02:45,430 --> 00:02:44,160

phenomenon our government is studying

71

00:02:47,750 --> 00:02:45,440

them and they've actually looked into

72

00:02:49,430 --> 00:02:47,760

that they've said it's not ours it's not

73

00:02:51,589 --> 00:02:49,440

russian it's not chinese it's not

74

00:02:54,949 --> 00:02:51,599

australian it's no technological nation

75

00:02:56,869 --> 00:02:54,959

that we know these machines are so far

76
00:02:59,750 --> 00:02:56,879
advanced to anything that we can even

77
00:03:02,550 --> 00:02:59,760
conceive of that unfortunately your

78
00:03:05,990 --> 00:03:02,560
theory is off the table at this point

79
00:03:09,190 --> 00:03:06,000
okay so how concerned then let's we

80
00:03:11,589 --> 00:03:09,200
we say ufos are real and that it's real

81
00:03:14,229 --> 00:03:11,599
that you can have physical effects

82
00:03:17,589 --> 00:03:14,239
physical harm from it so how concerned

83
00:03:19,350 --> 00:03:17,599
should we be going about our daily lives

84
00:03:21,350 --> 00:03:19,360
i don't think it's a matter of concern

85
00:03:23,350 --> 00:03:21,360
it's a rare occurrence and typically

86
00:03:25,430 --> 00:03:23,360
this does not look like an overt

87
00:03:27,670 --> 00:03:25,440
hostility this seems to be an

88
00:03:29,910 --> 00:03:27,680

interaction with whatever the propulsion

89

00:03:32,710 --> 00:03:29,920

system is the method that these things

90

00:03:34,710 --> 00:03:32,720

move and fly that is what it's believed

91

00:03:37,110 --> 00:03:34,720

that these things demonstrate a

92

00:03:39,030 --> 00:03:37,120

gravitational propulsion system so

93

00:03:41,110 --> 00:03:39,040

there's some interaction with human

94

00:03:43,190 --> 00:03:41,120

biology that seems to occur when you

95

00:03:45,350 --> 00:03:43,200

come into close proximity it's nothing

96

00:03:47,750 --> 00:03:45,360

to fear but it's definitely something

97

00:03:50,229 --> 00:03:47,760

that needs to be studied from a global

98

00:03:52,710 --> 00:03:50,239

and national security point of view

99

00:03:54,229 --> 00:03:52,720

so is there is there a common time that

100

00:03:55,830 --> 00:03:54,239

this contact

101
00:03:57,830 --> 00:03:55,840
occurs like

102
00:03:58,949 --> 00:03:57,840
after the pub closes or something like

103
00:04:01,509 --> 00:03:58,959
that

104
00:04:03,990 --> 00:04:01,519
always on wednesdays no no no there's

105
00:04:06,789 --> 00:04:04,000
not a there's not a common time this was

106
00:04:08,949 --> 00:04:06,799
studied military encounters right that's

107
00:04:11,030 --> 00:04:08,959
something that the follow-up program

108
00:04:13,750 --> 00:04:11,040
called atip did is they were studying

109
00:04:15,670 --> 00:04:13,760
military encounters we all know about

110
00:04:17,830 --> 00:04:15,680
the tic tac ufo case it's the most

111
00:04:20,150 --> 00:04:17,840
famous ufo case of all time this is

112
00:04:22,230 --> 00:04:20,160
something that occurs regularly with an

113
00:04:23,510 --> 00:04:22,240

increased frequency but not just on

114

00:04:25,590 --> 00:04:23,520

wednesdays or after people leave the

115

00:04:27,590 --> 00:04:25,600

pubs okay all right

116

00:04:29,350 --> 00:04:27,600

nice try though hey jeremy great to talk

117

00:04:30,710 --> 00:04:29,360

to you it's always so interesting to
