

FOX10

1
00:00:04,470 --> 00:00:01,750
thanks for joining us on newsmaker

2
00:00:07,110 --> 00:00:04,480
saturday do you believe we are being

3
00:00:09,669 --> 00:00:07,120
visited here on earth according to a

4
00:00:13,110 --> 00:00:09,679
gallup poll four in 10 americans now

5
00:00:15,270 --> 00:00:13,120
think some ufos that people have spotted

6
00:00:18,070 --> 00:00:15,280
have been alien spacecraft visiting

7
00:00:21,510 --> 00:00:18,080
earth from other planets or galaxies

8
00:00:24,950 --> 00:00:21,520
this is up from a third saying so two

9
00:00:27,189 --> 00:00:24,960
years ago this number of believers has

10
00:00:29,429 --> 00:00:27,199
climbed because for the first time the

11
00:00:31,429 --> 00:00:29,439
government is admitting this stuff

12
00:00:32,950 --> 00:00:31,439
and actually expressing concern over

13
00:00:35,270 --> 00:00:32,960

what they're seeing

14

00:00:37,910 --> 00:00:35,280

sightings of crafts that simply can't be

15

00:00:39,190 --> 00:00:37,920

explained by our current understanding

16

00:00:41,430 --> 00:00:39,200

of physics

17

00:00:44,310 --> 00:00:41,440

now this presents two problems

18

00:00:46,709 --> 00:00:44,320

either are adversaries namely china have

19

00:00:49,910 --> 00:00:46,719

developed superior technology

20

00:00:52,549 --> 00:00:49,920

or this stuff is otherworldly either way

21

00:00:53,910 --> 00:00:52,559

the choices are at the very least

22

00:00:56,150 --> 00:00:53,920

troubling

23

00:01:00,790 --> 00:00:56,160

let's listen into what fox explored

24

00:01:04,710 --> 00:01:02,869

military pilots have reported bizarre

25

00:01:06,310 --> 00:01:04,720

aircraft popping up around sensitive

26

00:01:08,469 --> 00:01:06,320

national security sites and so have

27

00:01:10,390 --> 00:01:08,479

commercial pilots we just had something

28

00:01:11,910 --> 00:01:10,400

go right over the top of us intelligence

29

00:01:14,070 --> 00:01:11,920

leaders in congress like senator marco

30

00:01:15,670 --> 00:01:14,080

rubio are growing increasingly concerned

31

00:01:18,789 --> 00:01:15,680

we don't know who they are don't know

32

00:01:20,230 --> 00:01:18,799

what it is it isn't ours

33

00:01:21,749 --> 00:01:20,240

nasa administrator bill nelson

34

00:01:23,910 --> 00:01:21,759

interviewed some of the military pilots

35

00:01:26,310 --> 00:01:23,920

who tracked them and then lost them

36

00:01:27,990 --> 00:01:26,320

they followed it and then suddenly it

37

00:01:30,550 --> 00:01:28,000

would move

38

00:01:32,870 --> 00:01:30,560

in a direction

39

00:01:35,030 --> 00:01:32,880

faster than anything that they had ever

40

00:01:37,590 --> 00:01:35,040

seen the sightings picked up during the

41

00:01:39,350 --> 00:01:37,600

obama administration we can't explain

42

00:01:41,510 --> 00:01:39,360

how they moved

43

00:01:43,429 --> 00:01:41,520

their trajectory and then they picked up

44

00:01:45,109 --> 00:01:43,439

more through the trump administration

45

00:01:46,630 --> 00:01:45,119

movements that

46

00:01:48,710 --> 00:01:46,640

are hard to replicate that we don't have

47

00:01:50,389 --> 00:01:48,720

the technology for and trump's director

48

00:01:51,830 --> 00:01:50,399

of national intelligence suggests it has

49

00:01:53,749 --> 00:01:51,840

picked up more than the public's been

50

00:01:55,270 --> 00:01:53,759

told there are a lot more sightings than

51
00:01:57,109 --> 00:01:55,280
have been made public the pentagon

52
00:01:58,709 --> 00:01:57,119
ordered the navy to investigate but as

53
00:02:00,469 --> 00:01:58,719
government leaders examined emerging

54
00:02:02,069 --> 00:02:00,479
classified intelligence the biden

55
00:02:04,310 --> 00:02:02,079
administration escalated the

56
00:02:06,310 --> 00:02:04,320
investigation by forming a new dedicated

57
00:02:08,389 --> 00:02:06,320
unit while we don't know what they know

58
00:02:10,150 --> 00:02:08,399
we do know they've been concerned this

59
00:02:12,150 --> 00:02:10,160
could be the work of an adversary like

60
00:02:13,510 --> 00:02:12,160
china or russia and with the sightings

61
00:02:15,110 --> 00:02:13,520
over national security facilities it

62
00:02:16,790 --> 00:02:15,120
raised concerns this summer that they

63
00:02:17,990 --> 00:02:16,800

could be spying on us maybe it's a

64

00:02:20,390 --> 00:02:18,000

foreign adversary who's made a

65

00:02:22,150 --> 00:02:20,400

technological leap

66

00:02:24,710 --> 00:02:22,160

sometimes we wonder whether or not our

67

00:02:26,150 --> 00:02:24,720

adversaries have technologies um that

68

00:02:27,990 --> 00:02:26,160

are a little bit further down the road

69

00:02:29,990 --> 00:02:28,000

than we thought or that we realized

70

00:02:31,430 --> 00:02:30,000

there's something there we just don't

71

00:02:34,229 --> 00:02:31,440

know what it is

72

00:02:36,710 --> 00:02:34,239

do you think it could possibly be russia

73

00:02:39,430 --> 00:02:36,720

or another foreign adversary that's why

74

00:02:41,270 --> 00:02:39,440

we need to find out because if there is

75

00:02:42,949 --> 00:02:41,280

an adversary with that kind of

76

00:02:47,350 --> 00:02:42,959

technology

77

00:02:49,509 --> 00:02:47,360

then we definitely need to be very very

78

00:02:51,430 --> 00:02:49,519

careful but over the past few weeks

79

00:02:53,110 --> 00:02:51,440

lawmakers with access to intelligence

80

00:02:54,630 --> 00:02:53,120

have publicly moved away from that

81

00:02:57,030 --> 00:02:54,640

theory well i don't believe they're

82

00:02:58,790 --> 00:02:57,040

coming from foreign adversaries and and

83

00:03:00,790 --> 00:02:58,800

frankly china and russia just aren't

84

00:03:03,190 --> 00:03:00,800

there to something maybe out of this

85

00:03:05,430 --> 00:03:03,200

world if for some reason these came from

86

00:03:07,990 --> 00:03:05,440

another uh system if you will another

87

00:03:10,309 --> 00:03:08,000

alien society that would make me uh

88

00:03:12,070 --> 00:03:10,319

more fascinated not fearful including

89

00:03:13,190 --> 00:03:12,080

nasa administrator nelson in this

90

00:03:17,030 --> 00:03:13,200

interview with the university of

91

00:03:19,589 --> 00:03:17,040

virginia who am i to say

92

00:03:23,430 --> 00:03:19,599

that planet earth

93

00:03:24,949 --> 00:03:23,440

is the only location of a life form that

94

00:03:29,830 --> 00:03:24,959

is

95

00:03:31,670 --> 00:03:29,840

civilized craig patrick fox news

96

00:03:33,910 --> 00:03:31,680

do you believe what you just heard i

97

00:03:35,670 --> 00:03:33,920

mean that is strong language from

98

00:03:37,589 --> 00:03:35,680

politicians joining me now is jeremy

99

00:03:39,910 --> 00:03:37,599

corbell a ufo expert who's been doing a

100

00:03:41,910 --> 00:03:39,920

deep dive into this subject for some 20

101
00:03:43,670 --> 00:03:41,920
years jeremy great to see you again

102
00:03:45,270 --> 00:03:43,680
good to see you again okay we've got

103
00:03:47,350 --> 00:03:45,280
guys like bill nelson and we've got

104
00:03:49,270 --> 00:03:47,360
obama we've got all kinds of people now

105
00:03:50,470 --> 00:03:49,280
saying hey we don't know what this stuff

106
00:03:52,149 --> 00:03:50,480
is

107
00:03:54,869 --> 00:03:52,159
if you just step back for a minute and

108
00:03:58,149 --> 00:03:54,879
go wow that i mean that is an

109
00:04:01,110 --> 00:03:58,159
unbelievable statement

110
00:04:05,429 --> 00:04:01,120
that's right you know people can believe

111
00:04:06,789 --> 00:04:05,439
in ufos but ufos are no longer a matter

112
00:04:09,830 --> 00:04:06,799
of belief

113
00:04:12,070 --> 00:04:09,840

you have now been told by your

114

00:04:14,869 --> 00:04:12,080

representative government a lot of

115

00:04:17,670 --> 00:04:14,879

details about how we study ufos that our

116

00:04:20,310 --> 00:04:17,680

military funded these studies and that

117

00:04:22,550 --> 00:04:20,320

it's an ongoing phenomenon with an

118

00:04:25,909 --> 00:04:22,560

increased frequency that represents

119

00:04:28,550 --> 00:04:25,919

craft of unknown origin that are far

120

00:04:31,189 --> 00:04:28,560

more advanced these craft they they

121

00:04:33,510 --> 00:04:31,199

infiltrate for lack of a better word

122

00:04:35,909 --> 00:04:33,520

into our restricted airspace they fly

123

00:04:38,310 --> 00:04:35,919

with impunity and this is a national

124

00:04:40,710 --> 00:04:38,320

security issue for some people and for

125

00:04:43,350 --> 00:04:40,720

me it's a it's a much bigger existential

126

00:04:46,310 --> 00:04:43,360

issue you know who are operating these

127

00:04:48,710 --> 00:04:46,320

craft who made them where are they from

128

00:04:49,670 --> 00:04:48,720

what is the intent of those who pilot

129

00:04:51,670 --> 00:04:49,680

these

130

00:04:53,510 --> 00:04:51,680

you know the minute you dive into this

131

00:04:55,590 --> 00:04:53,520

people think you're a kook you start

132

00:04:58,550 --> 00:04:55,600

going into this but more and more

133

00:05:00,629 --> 00:04:58,560

there are so called credible people

134

00:05:02,550 --> 00:05:00,639

saying this is real we don't know what

135

00:05:04,790 --> 00:05:02,560

it is and we're concerned

136

00:05:06,150 --> 00:05:04,800

are you concerned about what it is or

137

00:05:07,990 --> 00:05:06,160

are you more

138

00:05:10,310 --> 00:05:08,000

taking a position that

139

00:05:13,029 --> 00:05:10,320

if they were threatening they would have

140

00:05:15,270 --> 00:05:13,039

already obliterated us

141

00:05:18,550 --> 00:05:15,280

well you know two things about that one

142

00:05:21,270 --> 00:05:18,560

is that the stigma is dissolving it's

143

00:05:24,870 --> 00:05:21,280

fading because of fact because of

144

00:05:27,830 --> 00:05:24,880

science fact we now have data radar

145

00:05:29,749 --> 00:05:27,840

visual we have optics that track these

146

00:05:31,990 --> 00:05:29,759

things radar systems

147

00:05:34,950 --> 00:05:32,000

these this is not fiction it's not

148

00:05:37,670 --> 00:05:34,960

fantasy the entire stigma is now

149

00:05:40,390 --> 00:05:37,680

dissolving when it comes to talking

150

00:05:42,469 --> 00:05:40,400

about these unknown objects these

151

00:05:44,150 --> 00:05:42,479

machines that fly with impunity in our

152

00:05:46,629 --> 00:05:44,160

restricted airspace i mean this is a

153

00:05:48,710 --> 00:05:46,639

real issue and now finally people are

154

00:05:52,230 --> 00:05:48,720

talking about it as far as the question

155

00:05:54,870 --> 00:05:52,240

of concern look ufos have been part of

156

00:05:58,070 --> 00:05:54,880

the human experience from as far back as

157

00:06:01,029 --> 00:05:58,080

we can see in recorded human history if

158

00:06:03,670 --> 00:06:01,039

there was a nefarious intent you figure

159

00:06:06,309 --> 00:06:03,680

that we would know by now you know but

160

00:06:07,990 --> 00:06:06,319

the the issue here is that anybody

161

00:06:10,150 --> 00:06:08,000

that's looking at this such as our

162

00:06:13,670 --> 00:06:10,160

military it is their job it is their

163

00:06:15,990 --> 00:06:13,680

duty to protect the american public so

164

00:06:18,710 --> 00:06:16,000

there is this sense of national security

165

00:06:20,550 --> 00:06:18,720

there is this sense of assessing the

166

00:06:23,029 --> 00:06:20,560

threat and the potential

167

00:06:26,070 --> 00:06:23,039

whoever operates these craft

168

00:06:27,749 --> 00:06:26,080

these craft are so far advanced that

169

00:06:29,749 --> 00:06:27,759

that's why you hear officials saying

170

00:06:32,309 --> 00:06:29,759

look we're pretty much ruling out these

171

00:06:34,390 --> 00:06:32,319

are adversarial nations because people

172

00:06:37,830 --> 00:06:34,400

just aren't there yet the technology we

173

00:06:40,150 --> 00:06:37,840

witness the with the performances we see

174

00:06:42,790 --> 00:06:40,160

it doesn't represent a technology in a

175

00:06:45,430 --> 00:06:42,800

physics that we have yet grasped as

176

00:06:47,830 --> 00:06:45,440

humanity on planet earth so the ufo

177

00:06:50,550 --> 00:06:47,840

presence on planet earth it's as real as

178

00:06:53,589 --> 00:06:50,560

the nose on your face now finally we're

179

00:06:55,990 --> 00:06:53,599

being able to look at it without stigma

180

00:06:58,070 --> 00:06:56,000

jeremy this is a tic tac video the

181

00:06:59,589 --> 00:06:58,080

famous tic tac video you reported on it

182

00:07:01,510 --> 00:06:59,599

before anyone else

183

00:07:03,029 --> 00:07:01,520

but this is the one that kind of got the

184

00:07:04,390 --> 00:07:03,039

ball rolling

185

00:07:06,790 --> 00:07:04,400

yeah the first video you're showing

186

00:07:09,189 --> 00:07:06,800

right that is the tic tac ufo you're

187

00:07:11,990 --> 00:07:09,199

also showing the gimbal ufo from the

188

00:07:14,550 --> 00:07:12,000

east coast in 2015 the tic tac was in

189

00:07:16,790 --> 00:07:14,560

2004 and then you're showing one called

190

00:07:19,469 --> 00:07:16,800

the go fast all three of these have been

191

00:07:23,029 --> 00:07:19,479

confirmed by the pentagon as being

192

00:07:26,710 --> 00:07:23,039

unidentified aerial phenomenon uaps or

193

00:07:30,390 --> 00:07:26,720

ufos the flight characteristics of these

194

00:07:32,629 --> 00:07:30,400

craft are so astonishing the pilot that

195

00:07:36,230 --> 00:07:32,639

chased the tic tac ufo

196

00:07:38,230 --> 00:07:36,240

the commander who filmed the tic tac ufo

197

00:07:39,909 --> 00:07:38,240

they came forward to me and they

198

00:07:42,230 --> 00:07:39,919

detailed what they saw what they

199

00:07:45,270 --> 00:07:42,240

experienced what they encountered what

200

00:07:49,189 --> 00:07:45,280

they encountered was a vehicle that was

201
00:07:52,469 --> 00:07:49,199
able to defy our known physics its

202
00:07:55,350 --> 00:07:52,479
ability to move to shoot off to move at

203
00:07:57,990 --> 00:07:55,360
a 90 degree turn at unimaginable speeds

204
00:07:59,909 --> 00:07:58,000
these tic tacs by the way there were

205
00:08:03,029 --> 00:07:59,919
multiple many of them they were

206
00:08:04,790 --> 00:08:03,039
descending from above 80 000 feet which

207
00:08:07,749 --> 00:08:04,800
is the height we know because that's the

208
00:08:09,830 --> 00:08:07,759
scan volume of the spy-1 radar

209
00:08:12,629 --> 00:08:09,840
down to sea level

210
00:08:13,749 --> 00:08:12,639
in less than a second and a half like

211
00:08:15,749 --> 00:08:13,759
that

212
00:08:17,670 --> 00:08:15,759
no sonic booms

213
00:08:19,189 --> 00:08:17,680

how does this happen

214

00:08:21,270 --> 00:08:19,199

do you do

215

00:08:23,189 --> 00:08:21,280

what's the working theory there's some

216

00:08:25,510 --> 00:08:23,199

kind of gravitational thing going on

217

00:08:26,790 --> 00:08:25,520

right isn't that the view the working

218

00:08:29,270 --> 00:08:26,800

theory

219

00:08:31,270 --> 00:08:29,280

you nailed it so there were all these

220

00:08:33,829 --> 00:08:31,280

reports that recently came out through

221

00:08:37,750 --> 00:08:33,839

foia there were actually 38 of these

222

00:08:41,029 --> 00:08:37,760

reports and 37 of those reports were

223

00:08:43,509 --> 00:08:41,039

about things like the propulsion system

224

00:08:45,910 --> 00:08:43,519

it is theorized that these craft

225

00:08:48,949 --> 00:08:45,920

propelled for lack of a better word

226

00:08:51,990 --> 00:08:48,959

through manipulating gravity in fact

227

00:08:55,430 --> 00:08:52,000

amplifying what they call gravity waves

228

00:08:58,790 --> 00:08:55,440

so if this is true if these craft are

229

00:09:01,430 --> 00:08:58,800

literally bending space and time through

230

00:09:04,070 --> 00:09:01,440

harnessing the mysterious force that we

231

00:09:06,870 --> 00:09:04,080

know as gravity then we're talking about

232

00:09:08,870 --> 00:09:06,880

a technology that's not a hundred years

233

00:09:11,190 --> 00:09:08,880

it's not a thousand years ahead of us

234

00:09:13,829 --> 00:09:11,200

we're talking hundreds of thousands of

235

00:09:15,590 --> 00:09:13,839

years ahead of what we have here

236

00:09:18,150 --> 00:09:15,600

that we consider flight

237

00:09:20,070 --> 00:09:18,160

on earth unbelievable all right now

238

00:09:23,350 --> 00:09:20,080

you've got this awesome this is a

239

00:09:25,350 --> 00:09:23,360

secretly funded government ufo program

240

00:09:28,070 --> 00:09:25,360

they got 22 million

241

00:09:31,829 --> 00:09:28,080

to do a deep dive into this the advanced

242

00:09:32,870 --> 00:09:31,839

aerospace weapon system applications

243

00:09:35,430 --> 00:09:32,880

program

244

00:09:37,829 --> 00:09:35,440

this is the documents you're talking

245

00:09:40,070 --> 00:09:37,839

what what are we learning from that that

246

00:09:42,150 --> 00:09:40,080

we're taking this deadly

247

00:09:44,790 --> 00:09:42,160

seriously right

248

00:09:46,710 --> 00:09:44,800

correct so what we learned there was

249

00:09:49,509 --> 00:09:46,720

that our government

250

00:09:51,430 --> 00:09:49,519

we funded taxpayer money funded for 22

251

00:09:52,790 --> 00:09:51,440

million dollars it was misreported by

252

00:09:55,110 --> 00:09:52,800

the by the new york times but let's

253

00:09:57,350 --> 00:09:55,120

clarify it now that program was called

254

00:10:00,550 --> 00:09:57,360

awesome as you said advanced aerospace

255

00:10:04,230 --> 00:10:00,560

weapon system applications program

256

00:10:06,710 --> 00:10:04,240

that program generated over 200 papers

257

00:10:09,829 --> 00:10:06,720

they had over 50 employees it's the

258

00:10:12,150 --> 00:10:09,839

largest ufo study in history that we

259

00:10:15,030 --> 00:10:12,160

know of by our government they also

260

00:10:17,670 --> 00:10:15,040

built the largest database of sightings

261

00:10:20,470 --> 00:10:17,680

and encounters to help move this

262

00:10:22,389 --> 00:10:20,480

information forward they it we're seeing

263

00:10:24,310 --> 00:10:22,399

a very small part of that we're seeing

264

00:10:26,550 --> 00:10:24,320

they're called durds defense

265

00:10:29,750 --> 00:10:26,560

intelligence reference documents these

266

00:10:32,949 --> 00:10:29,760

are an unclassified acts um unclassified

267

00:10:33,910 --> 00:10:32,959

aspect of these larger classified

268

00:10:36,550 --> 00:10:33,920

studies

269

00:10:38,310 --> 00:10:36,560

in these reports one of them has made a

270

00:10:40,389 --> 00:10:38,320

lot of headlines made a lot of news

271

00:10:44,389 --> 00:10:40,399

because it deals with the biological

272

00:10:47,030 --> 00:10:44,399

impacts of close encounters with ufos

273

00:10:49,269 --> 00:10:47,040

however there are 37 more that talk

274

00:10:52,949 --> 00:10:49,279

about gravity propulsion talk about

275

00:10:54,949 --> 00:10:52,959

aerospace the future of our technology

276

00:10:57,829 --> 00:10:54,959

as we exploit

277

00:11:00,949 --> 00:10:57,839

and try to reverse engineer these

278

00:11:03,269 --> 00:11:00,959

materials and machinery that it appears

279

00:11:04,389 --> 00:11:03,279

we have recovered so these documents

280

00:11:06,310 --> 00:11:04,399

give us

281

00:11:08,389 --> 00:11:06,320

wait a minute we've recovered some stuff

282

00:11:10,389 --> 00:11:08,399

that we are looking at like materials

283

00:11:13,670 --> 00:11:10,399

metals from these craft

284

00:11:16,230 --> 00:11:13,680

that is 100 confirmed and that is also

285

00:11:17,910 --> 00:11:16,240

admitted to that we have alloys

286

00:11:20,310 --> 00:11:17,920

associated

287

00:11:22,550 --> 00:11:20,320

with the ufo phenomenon i i happen to

288

00:11:25,509 --> 00:11:22,560

know and it more will be revealed about

289

00:11:28,790 --> 00:11:25,519

that that we have much more than just

290

00:11:32,150 --> 00:11:28,800

materials we're talking machinery if not

291

00:11:34,069 --> 00:11:32,160

whole craft so look if this is true and

292

00:11:36,790 --> 00:11:34,079

you don't need to take my word for it

293

00:11:39,030 --> 00:11:36,800

just listen to talk to your government

294

00:11:42,470 --> 00:11:39,040

ask questions to your government we are

295

00:11:43,509 --> 00:11:42,480

exploiting and reverse engineering at

296

00:11:45,509 --> 00:11:43,519

minimum

297

00:11:47,829 --> 00:11:45,519

alloys and materials associated with

298

00:11:50,230 --> 00:11:47,839

ufos but also machinery which has been

299

00:11:53,670 --> 00:11:50,240

admitted so there are programs that are

300

00:11:56,629 --> 00:11:53,680

there now that are not yet public but

301

00:11:59,030 --> 00:11:56,639

the one that is public they also talk

302

00:12:01,190 --> 00:11:59,040

about that jeremy is there any chance

303

00:12:03,590 --> 00:12:01,200

that this is some kind of deep fake that

304

00:12:05,350 --> 00:12:03,600

we are way ahead i'm talking about the

305

00:12:07,350 --> 00:12:05,360

united states way ahead of everybody and

306

00:12:09,190 --> 00:12:07,360

we're this is a great misdirection

307

00:12:11,430 --> 00:12:09,200

saying this is otherworldly but it's

308

00:12:14,150 --> 00:12:11,440

actually our stuff

309

00:12:16,550 --> 00:12:14,160

i i wish that were true john i i really

310

00:12:19,030 --> 00:12:16,560

i my heart sunk the day that i

311

00:12:21,910 --> 00:12:19,040

absolutely confirmed that is not the

312

00:12:24,710 --> 00:12:21,920

case there is a protocol for black

313

00:12:27,110 --> 00:12:24,720

projects we don't typically use our

314

00:12:29,910 --> 00:12:27,120

black project technologies against our

315

00:12:32,310 --> 00:12:29,920

own military in 2019

316

00:12:36,470 --> 00:12:32,320

on the west coast there were swarms of

317

00:12:38,790 --> 00:12:36,480

ufos that were around 10 of our warships

318

00:12:41,269 --> 00:12:38,800

we were not using our own technology

319

00:12:43,910 --> 00:12:41,279

this was from somewhere else this was

320

00:12:46,550 --> 00:12:43,920

admitted by the top of the navy it was

321

00:12:48,470 --> 00:12:46,560

admitted at every part of the hierarchy

322

00:12:50,470 --> 00:12:48,480

of government that we don't know whose

323

00:12:53,430 --> 00:12:50,480

these were and now we can pretty much

324

00:12:56,069 --> 00:12:53,440

rule out that it was china or russia or

325

00:12:58,389 --> 00:12:56,079

another technologically advanced nation

326

00:13:01,590 --> 00:12:58,399

so no these are not ours there are

327

00:13:04,230 --> 00:13:01,600

protocols for when pilots engage

328

00:13:06,870 --> 00:13:04,240

a black project of ours they they are

329

00:13:08,949 --> 00:13:06,880

debriefed and they are told not to talk

330

00:13:11,190 --> 00:13:08,959

about it they have to sign nda's none of

331

00:13:14,389 --> 00:13:11,200

that happened for example in the case of

332

00:13:17,430 --> 00:13:14,399

the tic tac ufos or the case of the 2019

333

00:13:20,389 --> 00:13:17,440

swarms over 10 of our navy warships

334

00:13:23,030 --> 00:13:20,399

john this is this is not ours

335

00:13:25,430 --> 00:13:23,040

and that is is haunting

336

00:13:27,269 --> 00:13:25,440

our goal is to try to get a

337

00:13:28,629 --> 00:13:27,279

technological advantage that's part of

338

00:13:31,030 --> 00:13:28,639

the reason why there's secrecy about

339

00:13:33,269 --> 00:13:31,040

ufos obviously our government is

340

00:13:35,030 --> 00:13:33,279

studying this stuff in-depth and

341

00:13:36,550 --> 00:13:35,040

scientifically but we've got to believe

342

00:13:38,310 --> 00:13:36,560

we've got to believe china and other

343

00:13:40,150 --> 00:13:38,320

nations are as well because this isn't

344

00:13:42,230 --> 00:13:40,160

only happening in the us this stuff is

345

00:13:44,790 --> 00:13:42,240

happening all over the world right

346

00:13:46,389 --> 00:13:44,800

china has admitted not only are they

347

00:13:47,990 --> 00:13:46,399

studying ufos but in a public

348

00:13:50,629 --> 00:13:48,000

announcement they said that they're

349

00:13:53,829 --> 00:13:50,639

using artificial intelligence to help

350

00:13:56,389 --> 00:13:53,839

sort those encounters so they are if not

351
00:13:58,790 --> 00:13:56,399
as we are as interested but they might

352
00:14:00,150 --> 00:13:58,800
be even further along and that is one of

353
00:14:02,069 --> 00:14:00,160
the fears of the united states that

354
00:14:03,350 --> 00:14:02,079
russia or china is further along in the

355
00:14:05,269 --> 00:14:03,360
studying of these materials oh my

356
00:14:06,470 --> 00:14:05,279
goodness so we're in another arms race

357
00:14:09,110 --> 00:14:06,480
here

358
00:14:11,590 --> 00:14:09,120
it is it is it's a secret arms race

359
00:14:14,150 --> 00:14:11,600
because of the uh sensitivity to it it

360
00:14:17,110 --> 00:14:14,160
was said back in the 50s that the ufo

361
00:14:20,310 --> 00:14:17,120
phenomenon is classified higher

362
00:14:23,030 --> 00:14:20,320
than the nuclear weapons programs within

363
00:14:26,230 --> 00:14:23,040

the united states this is something that

364

00:14:28,550 --> 00:14:26,240

has been always held close to special

365

00:14:30,949 --> 00:14:28,560

access programs through special access

366

00:14:33,030 --> 00:14:30,959

protection because of the sensitivity

367

00:14:35,189 --> 00:14:33,040

these technologies are not just about

368

00:14:38,230 --> 00:14:35,199

energy and transportation these

369

00:14:39,990 --> 00:14:38,240

technologies can be weaponized

370

00:14:41,030 --> 00:14:40,000

uh jeremy one more thing before we let

371

00:14:43,110 --> 00:14:41,040

you go

372

00:14:44,870 --> 00:14:43,120

the people who have come into contact

373

00:14:46,870 --> 00:14:44,880

with this stuff you talked about that

374

00:14:48,550 --> 00:14:46,880

they are experiencing

375

00:14:49,509 --> 00:14:48,560

uh injuries

376
00:14:53,110 --> 00:14:49,519
from

377
00:14:54,629 --> 00:14:53,120
encounters with these anomalous vehicles

378
00:14:56,949 --> 00:14:54,639
what are we talking about what kinds of

379
00:14:59,110 --> 00:14:56,959
injuries are people or just discomfort

380
00:15:01,829 --> 00:14:59,120
are they experiencing

381
00:15:05,030 --> 00:15:01,839
right so these are highly documented by

382
00:15:07,590 --> 00:15:05,040
the osap program there are

383
00:15:10,710 --> 00:15:07,600
all sorts of radiation damage on a

384
00:15:13,110 --> 00:15:10,720
cellular and dna level to people we're

385
00:15:15,910 --> 00:15:13,120
talking radiation burns but there's more

386
00:15:18,310 --> 00:15:15,920
exotic types of harmful effects people

387
00:15:21,590 --> 00:15:18,320
have experienced from being in close

388
00:15:25,110 --> 00:15:21,600

proximity as they say to a uap or to a

389

00:15:27,590 --> 00:15:25,120

ufo so awesome studied specifically like

390

00:15:29,829 --> 00:15:27,600

boots on the ground studied 42 cases

391

00:15:32,230 --> 00:15:29,839

where they documented the human suffered

392

00:15:35,430 --> 00:15:32,240

injuries from these alleged encounters

393

00:15:37,350 --> 00:15:35,440

with anomalous vehicles so i will say

394

00:15:41,110 --> 00:15:37,360

though that this does not look like an

395

00:15:42,949 --> 00:15:41,120

overt hostility much more likely there's

396

00:15:44,790 --> 00:15:42,959

some sort of interaction that is going

397

00:15:47,030 --> 00:15:44,800

on with the propulsion systems

398

00:15:49,990 --> 00:15:47,040

themselves this does not seem like an

399

00:15:53,030 --> 00:15:50,000

act of war it does not seem like a

400

00:15:55,509 --> 00:15:53,040

directed harmful experience in most of

401
00:15:57,670 --> 00:15:55,519
the cases however there are some that

402
00:15:59,269 --> 00:15:57,680
do convey that so i think it's an

403
00:16:00,870 --> 00:15:59,279
interaction with the propulsion system

404
00:16:02,790 --> 00:16:00,880
that's what our government also thinks

405
00:16:05,269 --> 00:16:02,800
we now know ufos are real the big

406
00:16:07,030 --> 00:16:05,279
question is who operates them how do

407
00:16:08,870 --> 00:16:07,040
they work where do they come from and

408
00:16:10,470 --> 00:16:08,880
what's the intent and i'm as eager as

409
00:16:12,870 --> 00:16:10,480
you to find out it's exciting and

410
00:16:14,949 --> 00:16:12,880
uncharted territory it's the greatest

411
00:16:16,790 --> 00:16:14,959
mystery we could ever report on it's

412
00:16:18,389 --> 00:16:16,800
fascinating stuff we're back in the

413
00:16:22,300 --> 00:16:18,399

second half of the program with jeremy

414

00:16:30,949 --> 00:16:22,310

corbell ufo expert on newsmaker saturday

415

00:16:32,870 --> 00:16:30,959

[Music]

416

00:16:35,189 --> 00:16:32,880

back on newsmaker saturday it is

417

00:16:37,749 --> 00:16:35,199

probably the greatest mystery out there

418

00:16:39,990 --> 00:16:37,759

are we alone have we been visited it

419

00:16:41,829 --> 00:16:40,000

sounds like crazy talk but it's not

420

00:16:44,150 --> 00:16:41,839

crazy anymore for the u.s government

421

00:16:46,389 --> 00:16:44,160

they're taking it deathly seriously

422

00:16:49,670 --> 00:16:46,399

because craft had been identified

423

00:16:51,990 --> 00:16:49,680

videotaped tracked by our military that

424

00:16:55,189 --> 00:16:52,000

no one can explain with the current

425

00:16:56,870 --> 00:16:55,199

knowledge of physics ufo expert jeremy

426

00:16:58,230 --> 00:16:56,880

corbell joins us again for the second

427

00:17:00,230 --> 00:16:58,240

half of the program

428

00:17:03,430 --> 00:17:00,240

jeremy uh we talked in the first part

429

00:17:04,470 --> 00:17:03,440

about how the government has recovered

430

00:17:06,549 --> 00:17:04,480

you believe

431

00:17:08,549 --> 00:17:06,559

you've seen documents that we have

432

00:17:10,949 --> 00:17:08,559

recovered materials of these vehicles

433

00:17:13,029 --> 00:17:10,959

that have crashed

434

00:17:14,549 --> 00:17:13,039

yeah so this is actually well documented

435

00:17:16,390 --> 00:17:14,559

you don't have to take my word on it

436

00:17:18,470 --> 00:17:16,400

this was actually in the congressional

437

00:17:20,470 --> 00:17:18,480

language when they were trying to get

438

00:17:21,990 --> 00:17:20,480

our intelligence agencies to fess up

439

00:17:23,750 --> 00:17:22,000

about what they've been studying they

440

00:17:26,069 --> 00:17:23,760

said if we've been exploiting a reverse

441

00:17:28,789 --> 00:17:26,079

engineering we want to know about it so

442

00:17:31,830 --> 00:17:28,799

indeed this is true and one of the most

443

00:17:34,070 --> 00:17:31,840

haunting statements that was made by the

444

00:17:37,430 --> 00:17:34,080

heads of this uh dia defense

445

00:17:40,470 --> 00:17:37,440

intelligence agency ufo program was that

446

00:17:42,470 --> 00:17:40,480

after their program it was uh the

447

00:17:45,029 --> 00:17:42,480

department of homeland security

448

00:17:47,350 --> 00:17:45,039

officials that looked at the information

449

00:17:50,230 --> 00:17:47,360

and they were convinced that this

450

00:17:51,669 --> 00:17:50,240

advanced technology was sequestered at

451
00:17:54,950 --> 00:17:51,679
aerospace

452
00:17:57,430 --> 00:17:54,960
contractors facilities and that this is

453
00:18:00,470 --> 00:17:57,440
the biggest secret ever kept by the

454
00:18:03,350 --> 00:18:00,480
united states is is private industry

455
00:18:05,190 --> 00:18:03,360
being used to obfuscate the the ability

456
00:18:07,510 --> 00:18:05,200
to look at this stuff through freedom of

457
00:18:09,830 --> 00:18:07,520
information and that they're exploiting

458
00:18:12,549 --> 00:18:09,840
these technologies under government you

459
00:18:14,870 --> 00:18:12,559
know oversight but within the private

460
00:18:16,710 --> 00:18:14,880
aerospace sectors companies like

461
00:18:19,029 --> 00:18:16,720
lockheed martin that harry reid

462
00:18:20,470 --> 00:18:19,039
speculated senator reed speculated was

463
00:18:21,990 --> 00:18:20,480

one of the places we had some of these

464

00:18:24,710 --> 00:18:22,000

technologies it's an air it's an

465

00:18:25,990 --> 00:18:24,720

esoteric question but i'm gonna ask it

466

00:18:28,630 --> 00:18:26,000

um you know we're right in the middle of

467

00:18:32,390 --> 00:18:28,640

this russia ukraine business more kind

468

00:18:33,830 --> 00:18:32,400

of traditional warfare going on

469

00:18:39,830 --> 00:18:33,840

is this

470

00:18:41,909 --> 00:18:39,840

china russia us

471

00:18:43,669 --> 00:18:41,919

would start to collaborate to try to

472

00:18:47,590 --> 00:18:43,679

figure out what's going on if we think

473

00:18:49,590 --> 00:18:47,600

there may be a threat otherworldly

474

00:18:51,750 --> 00:18:49,600

right so this is a very interesting

475

00:18:54,310 --> 00:18:51,760

question because there was at times

476
00:18:56,710 --> 00:18:54,320
collaboration between governments to

477
00:18:58,789 --> 00:18:56,720
look at these materials and we learned

478
00:19:01,590 --> 00:18:58,799
more about the united states ufo

479
00:19:03,990 --> 00:19:01,600
programs from russian classified

480
00:19:07,190 --> 00:19:04,000
documents that actually george knapp

481
00:19:09,029 --> 00:19:07,200
smuggled back to the united states after

482
00:19:11,190 --> 00:19:09,039
glasnost and perestroika during that

483
00:19:13,270 --> 00:19:11,200
time period and we learned and we ran

484
00:19:15,909 --> 00:19:13,280
there that at one time we were working

485
00:19:18,470 --> 00:19:15,919
together but as breakthroughs occurred

486
00:19:20,870 --> 00:19:18,480
in the material science aspect we shut

487
00:19:23,110 --> 00:19:20,880
out other countries so here's the deal

488
00:19:25,909 --> 00:19:23,120

you'd like to think that humanity would

489

00:19:28,630 --> 00:19:25,919

come together and would work on the ufo

490

00:19:31,110 --> 00:19:28,640

problem in unison but in fact everybody

491

00:19:33,190 --> 00:19:31,120

is kind of jocking for a technological

492

00:19:35,430 --> 00:19:33,200

advantage to protect their own nation

493

00:19:37,350 --> 00:19:35,440

and to get an upper hand so right now we

494

00:19:38,390 --> 00:19:37,360

do not from my understanding have any

495

00:19:42,310 --> 00:19:38,400

coordination

496

00:19:45,270 --> 00:19:42,320

between major nations it is in fact a

497

00:19:48,230 --> 00:19:45,280

type of secret cold war yeah i mean this

498

00:19:50,470 --> 00:19:48,240

would be the ultimate kumbaya moment to

499

00:19:51,909 --> 00:19:50,480

bring the world together if if we

500

00:19:52,710 --> 00:19:51,919

thought there was something else out

501
00:19:55,110 --> 00:19:52,720
there

502
00:19:57,350 --> 00:19:55,120
that was truly an existential threat

503
00:19:59,430 --> 00:19:57,360
potentially it would bring nations

504
00:20:01,590 --> 00:19:59,440
together because they'd have no other

505
00:20:04,230 --> 00:20:01,600
choice this is something that president

506
00:20:06,310 --> 00:20:04,240
reagan said at the un in a very famous

507
00:20:08,870 --> 00:20:06,320
speech that you know imagine if we had a

508
00:20:12,630 --> 00:20:08,880
threat not from earth how quickly it

509
00:20:15,270 --> 00:20:12,640
would bond humanity together as one the

510
00:20:17,270 --> 00:20:15,280
reality is unfortunately human beings

511
00:20:19,430 --> 00:20:17,280
are still very primitive they're very

512
00:20:21,270 --> 00:20:19,440
primitive psychologically we are very

513
00:20:23,270 --> 00:20:21,280

primitive from a technological

514

00:20:25,990 --> 00:20:23,280

standpoint it's just been in the last

515

00:20:27,750 --> 00:20:26,000

150 years that we've really advanced to

516

00:20:29,590 --> 00:20:27,760

any degree technologically before that

517

00:20:32,470 --> 00:20:29,600

human beings are doing the same thing

518

00:20:36,070 --> 00:20:32,480

over and over and over so the kind of

519

00:20:38,549 --> 00:20:36,080

savage nature of humanity is that we are

520

00:20:40,870 --> 00:20:38,559

all looking for a leg up when it comes

521

00:20:42,950 --> 00:20:40,880

to combat and warfare it has not brought

522

00:20:45,029 --> 00:20:42,960

us together other than through our

523

00:20:46,789 --> 00:20:45,039

curiosity well you think of the of the

524

00:20:48,870 --> 00:20:46,799

leap from the wright brothers to flying

525

00:20:51,909 --> 00:20:48,880

to the moon it's an incredible thing in

526

00:20:54,789 --> 00:20:51,919

in you know 65 70 years it's

527

00:20:57,590 --> 00:20:54,799

unbelievable all right jeremy do do do

528

00:21:01,430 --> 00:20:57,600

the us defense department officials

529

00:21:03,909 --> 00:21:01,440

believe that these pose a hostile intent

530

00:21:05,909 --> 00:21:03,919

and does anybody even speculate why they

531

00:21:08,630 --> 00:21:05,919

might be probing

532

00:21:11,510 --> 00:21:08,640

uh civilization on this planet that's

533

00:21:13,909 --> 00:21:11,520

really if if this stuff is real

534

00:21:16,230 --> 00:21:13,919

that's really in the dark ages what

535

00:21:18,789 --> 00:21:16,240

would be the point

536

00:21:21,110 --> 00:21:18,799

right i i mean so so first of all the

537

00:21:23,750 --> 00:21:21,120

the idea that we have to assess the

538

00:21:25,830 --> 00:21:23,760

level of threat to these unknowns that's

539

00:21:29,029 --> 00:21:25,840

just a military perspective that is a

540

00:21:31,750 --> 00:21:29,039

duty of our military so absolutely this

541

00:21:34,549 --> 00:21:31,760

is considered a national security uh

542

00:21:36,710 --> 00:21:34,559

threat because we don't know the intent

543

00:21:39,190 --> 00:21:36,720

we don't know the capability and we

544

00:21:40,630 --> 00:21:39,200

don't know the opportunity so that's

545

00:21:42,390 --> 00:21:40,640

that's the kind of the triangle of

546

00:21:45,830 --> 00:21:42,400

defense that we're supposed to look at

547

00:21:47,590 --> 00:21:45,840

so at this point it is very fair to say

548

00:21:49,590 --> 00:21:47,600

that this is considered a national

549

00:21:50,789 --> 00:21:49,600

security threat that doesn't mean that

550

00:21:54,390 --> 00:21:50,799

it is

551
00:21:57,990 --> 00:21:54,400
however ufos have regularly displayed

552
00:21:59,830 --> 00:21:58,000
the ability to turn on or off our

553
00:22:02,310 --> 00:21:59,840
nuclear weapons and this is something

554
00:22:04,390 --> 00:22:02,320
that is well documented and public

555
00:22:07,270 --> 00:22:04,400
information there's a very famous case

556
00:22:09,190 --> 00:22:07,280
from mailstorm air force base where a

557
00:22:11,590 --> 00:22:09,200
saucer type craft comes over the base

558
00:22:15,430 --> 00:22:11,600
and turns on and off the nuclear weapons

559
00:22:17,830 --> 00:22:15,440
so the ability to show that overt act of

560
00:22:19,110 --> 00:22:17,840
power is something that is taken very

561
00:22:20,549 --> 00:22:19,120
seriously

562
00:22:22,950 --> 00:22:20,559
by our government and other governments

563
00:22:24,950 --> 00:22:22,960

in the world where this has happened so

564

00:22:26,630 --> 00:22:24,960

so that's the the first aspect to what

565

00:22:28,310 --> 00:22:26,640

she asked and i forgot the second yeah

566

00:22:29,669 --> 00:22:28,320

okay now now this is the now we're

567

00:22:31,590 --> 00:22:29,679

getting into the twilight zone but i've

568

00:22:33,430 --> 00:22:31,600

got to ask it if we've had craft

569

00:22:35,830 --> 00:22:33,440

actually go down where we've recovered

570

00:22:38,549 --> 00:22:35,840

materials as you've said

571

00:22:41,029 --> 00:22:38,559

these are unmanned um

572

00:22:42,950 --> 00:22:41,039

there's no life on board

573

00:22:45,430 --> 00:22:42,960

well that's not consistent with the

574

00:22:48,310 --> 00:22:45,440

reports some of the reports are that

575

00:22:50,470 --> 00:22:48,320

these are you know drones of some sort

576

00:22:52,630 --> 00:22:50,480

that there aren't occupants piloting

577

00:22:54,950 --> 00:22:52,640

them directly that maybe they're piloted

578

00:22:57,510 --> 00:22:54,960

through an ai but the majority of

579

00:23:00,149 --> 00:22:57,520

reports is that these are

580

00:23:01,430 --> 00:23:00,159

piloted craft

581

00:23:04,070 --> 00:23:01,440

well what

582

00:23:06,710 --> 00:23:04,080

who's on board

583

00:23:08,549 --> 00:23:06,720

people john people from somewhere else

584

00:23:11,270 --> 00:23:08,559

and when i say somewhere else i mean

585

00:23:13,029 --> 00:23:11,280

somewhere else we don't know where

586

00:23:14,710 --> 00:23:13,039

they're from have they been here all

587

00:23:17,350 --> 00:23:14,720

along and just had a breakaway

588

00:23:19,909 --> 00:23:17,360

civilization that somehow you know

589

00:23:22,149 --> 00:23:19,919

they've been here before us or it looks

590

00:23:24,070 --> 00:23:22,159

like from the way the craft propel

591

00:23:26,710 --> 00:23:24,080

likely they're from much farther away

592

00:23:28,310 --> 00:23:26,720

from that but also wild theories i've

593

00:23:29,830 --> 00:23:28,320

got to leave it there uh well that'll

594

00:23:32,149 --> 00:23:29,840

leave people hanging

595

00:23:34,070 --> 00:23:32,159

yeah jeremy corbell

596

00:23:35,750 --> 00:23:34,080

boy we've touched the third rail thank

597

00:23:37,029 --> 00:23:35,760

you for being with us on youtube we have

598

00:23:39,270 --> 00:23:37,039

touched the third rail but here's the

599

00:23:40,710 --> 00:23:39,280

deal john everybody should look at this

600

00:23:42,390 --> 00:23:40,720

and determine for themselves this is

601

00:23:44,390 --> 00:23:42,400

real it's happening you're either aware

602

00:23:48,440 --> 00:23:44,400

of it or you're not you've been told
