10
00:00:21,590 --> 00:00:19,359
video evidence that we know that the

11
00:00:23,750 --> 00:00:21,600
military filmed and the pentagon

12
00:00:25,349 --> 00:00:23,760
confirmed they were uap

13
00:00:27,990 --> 00:00:25,359

radar footage

14

00:00:30,390 --> 00:00:28,000

thermal footage deck footage why did

15

00:00:32,150 --> 00:00:30,400

they only show the green footage

16

00:00:33,670 --> 00:00:32,160

and not the three other pieces of

17

00:00:35,910 --> 00:00:33,680

corroborative visual evidence that were

18

00:00:37,430 --> 00:00:35,920

21

00:00:42,229 --> 00:00:40,879

get your second question guys guys guys

22

00:00:45,670 --> 00:00:42,239

guys guys

23

00:00:49,190 --> 00:00:45,680

i don't care if these were drones

24

00:00:53,350 --> 00:00:49,200

i don't care if these were seagulls with

25

00:00:56,709 --> 00:00:53,360

flashlights strapped onto their wings

26
00:00:58,069 --> 00:00:56,719
my question is this and it's a yes or no

27
00:00:59,590 --> 00:00:58,079
and it should have been asked in

28
00:01:02,869 --> 00:00:59,600
congress

29
00:01:06,149 --> 00:01:02,879
do you know the controllers

30
00:01:08,630 --> 00:01:06,159
of whatever these uas's

31
00:01:11,270 --> 00:01:08,640
or uaps were

32
00:01:13,190 --> 00:01:11,280
have you determined the controllers of

33
00:01:14,950 --> 00:01:13,200
these where did they land where did they

34
00:01:16,710 --> 00:01:14,960
launch from

35
00:01:19,109 --> 00:01:16,720
who operated them

36
00:01:21,830 --> 00:01:19,119
that should have been asked in congress

37
00:01:23,830 --> 00:01:21,840
why didn't they ask that it's yes or no

38
00:01:25,109 --> 00:01:23,840

it would have been a game changer and

39

00:01:27,429 --> 00:01:25,119

i'm telling you the answer is no they

40

00:01:29,109 --> 00:01:27,439

don't still don't know and i'm not even

41

00:01:30,310 --> 00:01:29,119

getting into the pyramid thing

42

00:01:32,310 --> 00:01:30,320

okay great

43

00:01:34,310 --> 00:01:32,320

47

00:01:44,230 --> 00:01:41,840

what would happen if they have

48

00:01:45,270 --> 00:01:44,240

commander david fraber testifying open

49

00:01:47,590 --> 00:01:45,280

all these videos corbell says he has

60
00:02:16,070 --> 00:02:12,400
do you think

61
00:02:18,309 --> 00:02:16,080
if he got amnesty and immunity for the

62
00:02:20,150 --> 00:02:18,319
people that gave him these alleged

63
00:02:23,110 --> 00:02:20,160
