

A composite image featuring a UFO in the sky, a person standing on a desert landscape, and a glowing portal. The text is overlaid on this background.

**YOUR
GOVERNMENT
TRACKS UFOs
AND LIES ABOUT IT**

1
00:00:06,950 --> 00:00:01,910
jeremy joins us this morning from los

2
00:00:09,830 --> 00:00:06,960
angeles so jeremy do ufos actually exist

3
00:00:12,150 --> 00:00:09,840
yeah we are way past that point we're

4
00:00:14,470 --> 00:00:12,160
now living in a different world you've

5
00:00:16,790 --> 00:00:14,480
been to hold ufos are real they're

6
00:00:19,670 --> 00:00:16,800
machines of unknown origin they can

7
00:00:22,550 --> 00:00:19,680
outmaneuver outpace and outperform

8
00:00:25,029 --> 00:00:22,560
anything in our weaponry or arsenals or

9
00:00:27,589 --> 00:00:25,039
of any known technological nation and

10
00:00:31,910 --> 00:00:27,599
the fact that your name was dropped in

11
00:00:33,670 --> 00:00:31,920
congress i mean why was that such a big

12
00:00:35,670 --> 00:00:33,680
moment i think it was a big moment for

13
00:00:38,470 --> 00:00:35,680

everybody a lot of people have been

14

00:00:41,350 --> 00:00:38,480

curious about ufos ufos are one of the

15

00:00:44,470 --> 00:00:41,360

most spectacular mysteries that

16

00:00:47,110 --> 00:00:44,480

humankind has has been engaging with

17

00:00:48,950 --> 00:00:47,120

for so long this is not just a modern

18

00:00:51,750 --> 00:00:48,960

phenomena but now

19

00:00:53,910 --> 00:00:51,760

as our sensor systems as our data

20

00:00:56,630 --> 00:00:53,920

collection our optic systems our

21

00:00:58,549 --> 00:00:56,640

militaries are able to see an increased

22

00:01:00,470 --> 00:00:58,559

frequency it's not just somebody saying

23

00:01:02,310 --> 00:01:00,480

it anymore we are living in a world

24

00:01:03,670 --> 00:01:02,320

where our children are going to grow up

25

00:01:05,750 --> 00:01:03,680

and it's not going to be something that

26

00:01:08,149 --> 00:01:05,760

we laugh at it's going to be something

27

00:01:10,310 --> 00:01:08,159

that we scientifically study and we try

28

00:01:13,350 --> 00:01:10,320

to get to the bottom of because it could

29

00:01:15,830 --> 00:01:13,360

change our relationship to the world

30

00:01:18,390 --> 00:01:15,840

around us if we started to understand

31

00:01:20,870 --> 00:01:18,400

what the ufo presence on planet earth

32

00:01:22,469 --> 00:01:20,880

means to humankind is this stuff that

33

00:01:25,910 --> 00:01:22,479

was leaked to you

34

00:01:30,230 --> 00:01:25,920

yeah i obtained and released military

35

00:01:33,670 --> 00:01:30,240

film pentagon confirmed videos of ufos

36

00:01:35,990 --> 00:01:33,680

or uaps the green footage that was from

37

00:01:38,069 --> 00:01:36,000

one of our warships but that was one

38

00:01:40,469 --> 00:01:38,079

piece out of four pieces of

39

00:01:42,789 --> 00:01:40,479
corroborative visual evidence four

40

00:01:44,389 --> 00:01:42,799
different types of footage and radar

41

00:01:46,789 --> 00:01:44,399
going at the same time and they're

42

00:01:48,789 --> 00:01:46,799
performing in extreme ways why are they

43

00:01:50,950 --> 00:01:48,799
being covered up why are governments

44

00:01:53,429 --> 00:01:50,960
covering this up and not releasing it to

45

00:01:54,389 --> 00:01:53,439
the general public i think it's a little

46

00:01:56,230 --> 00:01:54,399
simple

47

00:01:58,709 --> 00:01:56,240
when we look at it just like somebody is

48

00:02:01,670 --> 00:01:58,719
covering this up for sure there's a

49

00:02:04,069 --> 00:02:01,680
national security aspect to the ufo

50

00:02:06,550 --> 00:02:04,079
phenomenon because they they perform and

51
00:02:08,949 --> 00:02:06,560
they show things they display propulsion

52
00:02:11,990 --> 00:02:08,959
systems that we don't yet have we don't

53
00:02:14,550 --> 00:02:12,000
even know how to begin making them so

54
00:02:17,110 --> 00:02:14,560
it is natural for a government to want a

55
00:02:18,390 --> 00:02:17,120
technological advantage but that day has

56
00:02:21,350 --> 00:02:18,400
done past

57
00:02:23,670 --> 00:02:21,360
we can't ignore this anymore so the

58
00:02:26,790 --> 00:02:23,680
secrecy within our government is one

59
00:02:29,990 --> 00:02:26,800
aspect of what you'd call a cover-up but

60
00:02:32,710 --> 00:02:30,000
additionally we do it to ourselves every

61
00:02:34,869 --> 00:02:32,720
time you bring up ufos 10 years ago 15

62
00:02:36,869 --> 00:02:34,879
years ago you know you're kind of the

63
00:02:40,309 --> 00:02:36,879

crazy uncle you talk about these things

64

00:02:43,350 --> 00:02:40,319

and we have been kind of conditioned to

65

00:02:46,150 --> 00:02:43,360

not look at actual reality and to have a

66

00:02:48,390 --> 00:02:46,160

consensus reality that is not quite

67

00:02:51,509 --> 00:02:48,400

matching with with our natural world

68

00:02:54,150 --> 00:02:51,519

it's not aliens we're thinking it's

69

00:02:57,110 --> 00:02:54,160

actually other countries potentially

70

00:02:58,790 --> 00:02:57,120

putting drones up and spying on each

71

00:03:01,270 --> 00:02:58,800

other is that not

72

00:03:03,430 --> 00:03:01,280

the big concern with this yeah that does

73

00:03:05,990 --> 00:03:03,440

that does happen that's a huge concern

74

00:03:07,589 --> 00:03:06,000

but that is not what we're talking about

75

00:03:09,110 --> 00:03:07,599

so you're talking about

76

00:03:12,550 --> 00:03:09,120

extraterrestrial

77

00:03:14,390 --> 00:03:12,560

life form here well we don't know we

78

00:03:15,750 --> 00:03:14,400

don't know where they're from but but

79

00:03:17,830 --> 00:03:15,760

here's the deal i mean it would be

80

00:03:19,509 --> 00:03:17,840

disingenuous for me to say that i know

81

00:03:22,309 --> 00:03:19,519

these were ets that these were

82

00:03:24,630 --> 00:03:22,319

extraterrestrials there are a number of

83

00:03:27,670 --> 00:03:24,640

other options but they're not foreign

84

00:03:31,030 --> 00:03:27,680

nations this is not a technology from

85

00:03:33,830 --> 00:03:31,040

any civilization that we know of here on

86

00:03:35,750 --> 00:03:33,840

earth so where do ufos come from the

87

00:03:38,070 --> 00:03:35,760

pilots of them where are they made where

88

00:03:41,110 --> 00:03:38,080

are the factories so some people will

89

00:03:43,670 --> 00:03:41,120

say well they must be extraterrestrial

90

00:03:46,070 --> 00:03:43,680

but other ideas are still on the table

91

00:03:48,309 --> 00:03:46,080

there's this idea of extra tempo which

92

00:03:50,949 --> 00:03:48,319

is that these machines somehow distort

93

00:03:53,589 --> 00:03:50,959

time and space all these ideas even you

94

00:03:56,710 --> 00:03:53,599

know a civilization that has been here

95

00:03:58,710 --> 00:03:56,720

all along that is more advanced and and

96

00:04:01,429 --> 00:03:58,720

this is one of the options so i'd like

97

00:04:03,990 --> 00:04:01,439

to keep my mind open when trying to

98

00:04:05,830 --> 00:04:04,000

understand what it is we're seeing what

99

00:04:09,350 --> 00:04:05,840

we know for sure

100

00:04:11,030 --> 00:04:09,360

what we know is that ufos are real that

101
00:04:13,350 --> 00:04:11,040
they are machines

102
00:04:16,310 --> 00:04:13,360
that they have a technology that we have

103
00:04:19,909 --> 00:04:16,320
yet to even become able to

104
00:04:22,629 --> 00:04:19,919
to fabricate or to replicate in any way

105
00:04:24,390 --> 00:04:22,639
at all and that ufos have been here

106
00:04:27,110 --> 00:04:24,400
since the beginning of recorded human

107
00:04:29,749 --> 00:04:27,120
history if not before if this isn't the

108
00:04:31,590 --> 00:04:29,759
greatest mystery of human time i i don't

109
00:04:33,030 --> 00:04:31,600
know what is yeah because jeremy this

110
00:04:35,350 --> 00:04:33,040
goes back to like do you believe that

111
00:04:37,830 --> 00:04:35,360
the whole uh situation around roswell

112
00:04:40,230 --> 00:04:37,840
and area 51 and like we would go back to

113
00:04:43,749 --> 00:04:40,240

roswell all those many many years ago

114

00:04:46,230 --> 00:04:43,759

about that the the the u.s government

115

00:04:49,270 --> 00:04:46,240

actually did have a live alien and they

116

00:04:51,990 --> 00:04:49,280

covered it all up right well so ufos

117

00:04:53,590 --> 00:04:52,000

it's not a matter of belief it's true if

118

00:04:55,510 --> 00:04:53,600

people don't know that they haven't been

119

00:04:58,070 --> 00:04:55,520

paying attention but then there's all

120

00:05:01,029 --> 00:04:58,080

these auxiliary mysteries you know and

121

00:05:03,430 --> 00:05:01,039

where there's smoke there's fire so area

122

00:05:05,749 --> 00:05:03,440

51 famously a man came forward named bob

123

00:05:08,150 --> 00:05:05,759

lazar and he talked about having the

124

00:05:10,390 --> 00:05:08,160

role of trying to reverse engineer one

125

00:05:13,430 --> 00:05:10,400

of these craft now

126

00:05:15,189 --> 00:05:13,440

the evidence suggests and supports that

127

00:05:17,670 --> 00:05:15,199

there are pilots

128

00:05:19,029 --> 00:05:17,680

on these craft that somebody is

129

00:05:21,909 --> 00:05:19,039

operating and it's not just an

130

00:05:24,790 --> 00:05:21,919

artificial intelligence so have we made

131

00:05:26,870 --> 00:05:24,800

contact do we have bodies do we have

132

00:05:28,790 --> 00:05:26,880

some sort of communication even if

133

00:05:31,270 --> 00:05:28,800

limited with whoever's piloting these

134

00:05:33,830 --> 00:05:31,280

craft the answer is yes

135

00:05:35,110 --> 00:05:33,840

but to prove that we need the books to

136

00:05:35,830 --> 00:05:35,120

be open

137

00:05:38,629 --> 00:05:35,840

so

138

00:05:40,950 --> 00:05:38,639

ufos do exist

139

00:05:42,469 --> 00:05:40,960

they do exist there is something out

140

00:05:44,310 --> 00:05:42,479

there you believe there is something out

141

00:05:46,070 --> 00:05:44,320

there i want to see what's in that safe

142

00:05:47,510 --> 00:05:46,080

have you got something in there behind

143

00:05:50,390 --> 00:05:47,520

you

144

00:05:53,189 --> 00:05:50,400

again i don't believe any of this this

145

00:05:54,710 --> 00:05:53,199

is fat ufos are real so it's found ufos

146

00:05:57,830 --> 00:05:54,720

are real you heard it here today yeah

147

00:05:59,749 --> 00:05:57,840

man you heard it here jeremy corbell

148

00:06:01,510 --> 00:05:59,759

listen thank you so much for ever

149

00:06:03,350 --> 00:06:01,520

talking to us and staying up really late

150

00:06:05,270 --> 00:06:03,360

to talk to us this morning no problem

151

00:06:07,270 --> 00:06:05,280

thank you guys my curiosity is my curse

152

00:06:09,430 --> 00:06:07,280

but i'm a man of simple taste i'm always

153

00:06:11,270 --> 00:06:09,440

satisfied with the absolute truth and

154

00:06:12,950 --> 00:06:11,280

that's what we're going for here is to
