## OUT OF THIS WORLD

UFO SIGHTINGS REPORT TO BE PROVIDED TO U.S. CONGRESS

SYD ☀️ 21°

1  
00:00:05,809 --> 00:00:03,830  
next week the eyes of the U.S Congress

2  
00:00:08,690 --> 00:00:05,819  
will be on the sky as they hand down a

3  
00:00:11,089 --> 00:00:08,700  
report on potentially extraterrestrial

4  
00:00:12,410 --> 00:00:11,099  
encounters now look while most sightings

5  
00:00:14,390 --> 00:00:12,420  
turn out to be like weather balloon

6  
00:00:17,090 --> 00:00:14,400  
space jungle foreign surveillance

7  
00:00:19,189 --> 00:00:17,100  
devices maybe even now drones some are

8  
00:00:21,109 --> 00:00:19,199  
unable to be explained so joining us now

9  
00:00:23,590 --> 00:00:21,119  
to discuss this is investigative

10  
00:00:25,970 --> 00:00:23,600  
reporter and editor of

11  
00:00:28,550 --> 00:00:25,980  
extraordinarybeliefs.com Jeremy Corbell

12  
00:00:31,130 --> 00:00:28,560  
in Los Angeles Jeremy good to see you

13  
00:00:33,049 --> 00:00:31,140

this is a huge topic people debate all

14

00:00:35,270 --> 00:00:33,059

the time why do you think there's been

15

00:00:36,830 --> 00:00:35,280

an increase let's say in sightings in

16

00:00:39,530 --> 00:00:36,840

the last year

17

00:00:42,229 --> 00:00:39,540

yeah it is a huge topic and it should be

18

00:00:44,869 --> 00:00:42,239

a huge topic because the sightings have

19

00:00:46,490 --> 00:00:44,879

increased in frequency and this is due

20

00:00:49,069 --> 00:00:46,500

to an actual increase of these

21

00:00:51,889 --> 00:00:49,079

unidentified flying with impunity within

22

00:00:54,170 --> 00:00:51,899

our restricted airspace but also our

23

00:00:55,850 --> 00:00:54,180

Technologies are getting better in some

24

00:00:58,150 --> 00:00:55,860

of our fighter planes where we're able

25

00:01:00,170 --> 00:00:58,160

to track and verify through

26

00:01:02,510 --> 00:01:00,180

multi-platforms that these things are

27

00:01:04,850 --> 00:01:02,520

real UFOs are real they outpace

28

00:01:07,550 --> 00:01:04,860

outmaneuver and outperform anything we

29

00:01:10,010 --> 00:01:07,560

have so this is a real issue I story so

30

00:01:12,830 --> 00:01:10,020

much U.S intelligence agencies are set

31

00:01:17,030 --> 00:01:12,840

to release a report next week about UFO

32

00:01:19,910 --> 00:01:17,040

incidents what are you expecting to hear

33

00:01:21,830 --> 00:01:19,920

yeah well look fingers crossed that we

34

00:01:24,469 --> 00:01:21,840

do get this report next week it was

35

00:01:26,990 --> 00:01:24,479

actually due on Halloween but that could

36

00:01:28,969 --> 00:01:27,000

be internally they have to put out an

37

00:01:31,249 --> 00:01:28,979

unclassified version because the public

38

00:01:33,950 --> 00:01:31,259

wants to know this is a flight safety

39

00:01:35,510 --> 00:01:33,960

issue for our aviators but also this is

40

00:01:38,330 --> 00:01:35,520

something that's been with Humanity for

41

00:01:41,270 --> 00:01:38,340

a long time so in this report my highest

42

00:01:42,890 --> 00:01:41,280

hopes is there's no more obfuscation and

43

00:01:45,710 --> 00:01:42,900

ridicule that really kills the

44

00:01:48,230 --> 00:01:45,720

scientific study of what is a very real

45

00:01:50,090 --> 00:01:48,240

phenomenon which is UFOs yeah right so

46

00:01:52,490 --> 00:01:50,100

there's greater calls for transparency

47

00:01:54,710 --> 00:01:52,500

like you're saying for UFOs or uaps is

48

00:01:56,330 --> 00:01:54,720

now they like to be called I mean should

49

00:01:58,609 --> 00:01:56,340

this just be it should just be on the

50

00:02:00,830 --> 00:01:58,619

public record shouldn't it

51  
00:02:02,749 --> 00:02:00,840  
and that's exactly what people are are

52  
00:02:05,569 --> 00:02:02,759  
doing and you're right there is a call

53  
00:02:08,270 --> 00:02:05,579  
for transparency that is beyond anything

54  
00:02:10,430 --> 00:02:08,280  
that I have seen in my generation and in

55  
00:02:13,250 --> 00:02:10,440  
my lifetime people want to know the

56  
00:02:15,290 --> 00:02:13,260  
truth they have a duty in my eyes to

57  
00:02:17,330 --> 00:02:15,300  
find out the truth this is a global

58  
00:02:19,250 --> 00:02:17,340  
phenomenon I get emails from Australia

59  
00:02:21,010 --> 00:02:19,260  
every day with videos this is something

60  
00:02:24,650 --> 00:02:21,020  
that the public is curious about

61  
00:02:27,110 --> 00:02:24,660  
rightfully so it's a vast Universe what

62  
00:02:29,210 --> 00:02:27,120  
we're seeing is not our technology have

63  
00:02:31,309 --> 00:02:29,220

you seen anything or have you you know

64

00:02:32,809 --> 00:02:31,319

through this your website and your

65

00:02:34,610 --> 00:02:32,819

discussions with lots of people have you

66

00:02:37,250 --> 00:02:34,620

seen something that is absolutely

67

00:02:38,809 --> 00:02:37,260

without a shadow of a doubt convinced

68

00:02:41,270 --> 00:02:38,819

you

69

00:02:43,550 --> 00:02:41,280

yeah it's a cumulative effect of

70

00:02:45,229 --> 00:02:43,560

evidence but certainly as you see from

71

00:02:47,390 --> 00:02:45,239

what I've been able to obtain and

72

00:02:49,610 --> 00:02:47,400

release which is confirmed military

73

00:02:51,890 --> 00:02:49,620

footage of UFOs for multi-system

74

00:02:53,869 --> 00:02:51,900

platforms that was something that I put

75

00:02:56,690 --> 00:02:53,879

out with my mentor in journalism George

76  
00:02:58,009 --> 00:02:56,700  
Knapp imagine what I can't put out so

77  
00:03:00,470 --> 00:02:58,019  
there are so many things that have

78  
00:03:02,750 --> 00:03:00,480  
convinced me there's a true mystery here

79  
00:03:05,390 --> 00:03:02,760  
and there is a physical aspect to it in

80  
00:03:07,670 --> 00:03:05,400  
craft I I don't have the luxury of

81  
00:03:09,410 --> 00:03:07,680  
disbelief so you know for a long time

82  
00:03:10,970 --> 00:03:09,420  
people would have thought that this sort

83  
00:03:13,430 --> 00:03:10,980  
of reporting or this sort of

84  
00:03:15,589 --> 00:03:13,440  
investigating was just a bit kooky or a

85  
00:03:17,750 --> 00:03:15,599  
bit of a conspiracy theory and now these

86  
00:03:19,490 --> 00:03:17,760  
sorts of reports they sort of vindicate

87  
00:03:21,530 --> 00:03:19,500  
what you're talking about how does that

88  
00:03:24,589 --> 00:03:21,540

make you feel

89

00:03:26,270 --> 00:03:24,599

right so the climate has changed in this

90

00:03:28,430 --> 00:03:26,280

world when it comes to this topic I

91

00:03:30,830 --> 00:03:28,440

think we've sobered up we're looking at

92

00:03:33,110 --> 00:03:30,840

this now Through The Eyes Of This is

93

00:03:35,089 --> 00:03:33,120

actually being picked up with our radar

94

00:03:37,850 --> 00:03:35,099

systems by our Pilots by credible people

95

00:03:39,830 --> 00:03:37,860

sure there's a sense of vindication for

96

00:03:42,289 --> 00:03:39,840

people that have been into this but much

97

00:03:44,390 --> 00:03:42,299

more importantly we are now facing

98

00:03:46,430 --> 00:03:44,400

reality and we're saying who are

99

00:03:48,229 --> 00:03:46,440

operating these craft where do they come

100

00:03:50,449 --> 00:03:48,239

from and what do they want

101

00:03:52,490 --> 00:03:50,459

I often feel like you know especially

102

00:03:54,890 --> 00:03:52,500

leaders who probably have access to this

103

00:03:56,449 --> 00:03:54,900

information like apparately Obama had

104

00:03:58,309 --> 00:03:56,459

access to this information or Trump or

105

00:03:59,390 --> 00:03:58,319

Joe Biden if they never say anything I

106

00:04:00,589 --> 00:03:59,400

don't know why they're not saying

107

00:04:01,850 --> 00:04:00,599

anything or they're just going guys it's

108

00:04:03,589 --> 00:04:01,860

fine it's just a few especially Trump

109

00:04:05,509 --> 00:04:03,599

yeah said everything else I know he said

110

00:04:07,670 --> 00:04:05,519

literally everything else so are we

111

00:04:09,770 --> 00:04:07,680

going to get any closer to confirmation

112

00:04:11,089 --> 00:04:09,780

possibly I mean next week is midterms

113

00:04:12,770 --> 00:04:11,099

over there so it might be pushed again

114

00:04:16,430 --> 00:04:12,780

but are we getting any closer to

115

00:04:19,310 --> 00:04:16,440

actually finding extraterrestrial life

116

00:04:21,770 --> 00:04:19,320

so I I don't know that UFOs necessarily

117

00:04:23,510 --> 00:04:21,780

represent extraterrestrial life it might

118

00:04:25,310 --> 00:04:23,520

be Stranger than that we might be

119

00:04:27,890 --> 00:04:25,320

dealing with a natural phenomenon that's

120

00:04:30,350 --> 00:04:27,900

been here longer than us there does seem

121

00:04:34,969 --> 00:04:30,360

to be craft though and those craft need

122

00:04:37,070 --> 00:04:34,979

to be occupied or driven by in by an

123

00:04:39,469 --> 00:04:37,080

intelligence biological or not so look

124

00:04:40,550 --> 00:04:39,479

this is the big mystery this is what we

125

00:04:42,530 --> 00:04:40,560

need to find out it would be a great

126

00:04:44,629 --> 00:04:42,540

waste of space if there weren't other

127

00:04:46,790 --> 00:04:44,639

beings but the real question is not are

128

00:04:48,890 --> 00:04:46,800

there aliens or this sort of thing the

129

00:04:51,290 --> 00:04:48,900

real question is who's visiting here

130

00:04:53,330 --> 00:04:51,300

what do you think

131

00:04:55,969 --> 00:04:53,340

you know I'm going to suspend my

132

00:04:57,409 --> 00:04:55,979

judgment until we can get a larger study

133

00:04:59,390 --> 00:04:57,419

on this and everybody in the scientific

134

00:05:01,249 --> 00:04:59,400

Community should be salivating over this

135

00:05:04,370 --> 00:05:01,259

this is Uncharted Territory it's

136

00:05:07,189 --> 00:05:04,380

unexplained this is a new topography and

137

00:05:08,990 --> 00:05:07,199

we are cartographers this is a whole new

138

00:05:10,730 --> 00:05:09,000

world where science can study a

139

00:05:12,170 --> 00:05:10,740

phenomenon that could give us a lot of

140

00:05:13,909 --> 00:05:12,180

answers that could help a lot of people

141

00:05:15,950 --> 00:05:13,919

Jeremy we want to touch base with you

142

00:05:17,390 --> 00:05:15,960

when this report comes out again so um

143

00:05:19,010 --> 00:05:17,400

thank you so much for being here we

144

00:05:20,150 --> 00:05:19,020

really do appreciate it I said there's a

145

00:05:22,249 --> 00:05:20,160

lot of people that sought stuff here in

146

00:05:23,689 --> 00:05:22,259

Australia thanks mate yeah just stay

147

00:05:25,430 --> 00:05:23,699

curious about it it's important topic

148

00:05:26,870 --> 00:05:25,440

thank you absolutely I actually think

149

00:05:28,490 --> 00:05:26,880

it's us coming from the future to the

150

00:05:29,689 --> 00:05:28,500

past to say that so I was just thinking
