

**YOUR GOVERNMENT
HAD UFO HEARINGS
TRYING TO GET ANSWERS**

1
00:00:11,270 --> 00:00:03,230
these classified videos the authentic

2
00:00:16,129 --> 00:00:13,370
more than 50 years ago

3
00:00:17,150 --> 00:00:16,139
the U.S government ended Project Blue

4
00:00:19,330 --> 00:00:17,160
Book

5
00:00:22,130 --> 00:00:19,340
an effort to catalog and understand

6
00:00:25,189 --> 00:00:22,140
sightings of objects in the air

7
00:00:27,290 --> 00:00:25,199
that could not otherwise be explained

8
00:00:28,609 --> 00:00:27,300
in 2017 we learned for the first time

9
00:00:31,310 --> 00:00:28,619
that the Department of Defense had

10
00:00:33,770 --> 00:00:31,320
quietly restarted a similar organization

11
00:00:38,810 --> 00:00:33,780
tracking what we now call unidentified

12
00:00:40,430 --> 00:00:38,820
aerial phenomena or uaps today we will

13
00:00:43,490 --> 00:00:40,440

bring that organization Out of the

14

00:00:46,069 --> 00:00:43,500

Shadows unidentified aerial phenomena

15

00:00:48,470 --> 00:00:46,079

are a potential national security threat

16

00:00:51,229 --> 00:00:48,480

and they need to be treated that way for

17

00:00:52,430 --> 00:00:51,239

too long the stigma associated with uaps

18

00:00:54,049 --> 00:00:52,440

has gotten in the way of good

19

00:00:56,630 --> 00:00:54,059

intelligence analysis

20

00:00:59,630 --> 00:00:56,640

Pilots avoided reporting or were laughed

21

00:01:01,729 --> 00:00:59,640

at when they did DOD officials relegated

22

00:01:04,310 --> 00:01:01,739

the issue to the back room or swept it

23

00:01:06,250 --> 00:01:04,320

under the rug entirely fearful of a

24

00:01:09,170 --> 00:01:06,260

skeptical National Security Community

25

00:01:12,590 --> 00:01:09,180

today we know better

26

00:01:14,810 --> 00:01:12,600

uaps are unexplained it's true but they

27

00:01:17,149 --> 00:01:14,820

are real they need to be investigated

28

00:01:18,170 --> 00:01:17,159

and many threats they polls need to be

29

00:01:21,830 --> 00:01:18,180

mitigated

30

00:01:23,990 --> 00:01:21,840

under secretary Moultrie Mr Bray you

31

00:01:27,710 --> 00:01:24,000

have to convince the audience today

32

00:01:29,510 --> 00:01:27,720

and most especially our military and

33

00:01:31,070 --> 00:01:29,520

civilian aviators

34

00:01:33,289 --> 00:01:31,080

the culture

35

00:01:35,810 --> 00:01:33,299

has changed

36

00:01:38,870 --> 00:01:35,820

that those who report uaps will be

37

00:01:41,569 --> 00:01:38,880

treated as Witnesses not as Coupes you

38

00:01:44,330 --> 00:01:41,579

need to show US Congress and the

39

00:01:46,490 --> 00:01:44,340

American public whose imaginations you

40

00:01:48,890 --> 00:01:46,500

have captured you are willing to follow

41

00:01:50,929 --> 00:01:48,900

the facts where they lead

42

00:01:53,210 --> 00:01:50,939

you know we fear sometimes that the dod

43

00:01:54,590 --> 00:01:53,220

is focused more on emphasizing what it

44

00:01:57,830 --> 00:01:54,600

can explain

45

00:02:01,010 --> 00:01:57,840

not investigating what it can

46

00:02:03,170 --> 00:02:01,020

looking for you to assure us today that

47

00:02:05,690 --> 00:02:03,180

all conclusions are on the table Civil

48

00:02:07,069 --> 00:02:05,700

Society groups like the mutual UFO

49

00:02:09,469 --> 00:02:07,079

Network

50

00:02:11,449 --> 00:02:09,479

Mr Corbell and others have been

51
00:02:13,610 --> 00:02:11,459
collecting data on this issue for years

52
00:02:15,530 --> 00:02:13,620
I hope you'll explain how you can

53
00:02:17,990 --> 00:02:15,540
leverage the knowledge and experience of

54
00:02:20,449 --> 00:02:18,000
our prior work on this matter the last

55
00:02:23,449 --> 00:02:20,459
time Congress had a hearing on uaps was

56
00:02:25,550 --> 00:02:23,459
half a century ago I hope that it does

57
00:02:27,470 --> 00:02:25,560
not take 50 more years for Congress to
