

LIVE

NO natural phenomenon involved
there's no visual disturbance
it's NOT clutter or debris or birds or anything else
but objects that demonstrate TECHNOLOGIES
that seem to DEFY the law of physics and capabilities
that WE DON'T HAVE as the world's SUPERPOWER...

▶ **JOHN RATCLIFFE | FMR DIRECTOR OF NATL INTELLIGENCE**

INTEL REPORT: UFO SIGHTINGS ROSE OVER PAST 2 YEARS

1
00:00:07,309 --> 00:00:04,550
there have been an increase in UFO

2
00:00:09,950 --> 00:00:07,319
sightings in the past two years at U.S

3
00:00:12,770 --> 00:00:09,960
intelligence report is saying you've

4
00:00:15,670 --> 00:00:12,780
pushed for more disclosures about the

5
00:00:19,010 --> 00:00:15,680
UFO when UFO sightings when you were dni

6
00:00:22,730 --> 00:00:19,020
head of the dni shortly after I became

7
00:00:24,410 --> 00:00:22,740
the dni in in June of 2020 I I was the

8
00:00:26,509 --> 00:00:24,420
first one to publicly acknowledge that

9
00:00:29,089 --> 00:00:26,519
there was a unidentified aerial

10
00:00:31,189 --> 00:00:29,099
phenomenon Task Force Through the Senate

11
00:00:33,049 --> 00:00:31,199
intelligence committee because I wanted

12
00:00:34,910 --> 00:00:33,059
there to be greater transparency to the

13
00:00:36,950 --> 00:00:34,920

American people about the number of

14

00:00:38,510 --> 00:00:36,960

sightings of things that are unexplained

15

00:00:40,610 --> 00:00:38,520

and I know everyone gets caught up on

16

00:00:41,930 --> 00:00:40,620

alien life and all of that but my

17

00:00:44,690 --> 00:00:41,940

concern as the Director of National

18

00:00:46,430 --> 00:00:44,700

Intelligence was if anyone foreign

19

00:00:49,549 --> 00:00:46,440

adversary regardless of how you Define

20

00:00:52,310 --> 00:00:49,559

foreign adversary have technologies that

21

00:00:54,049 --> 00:00:52,320

the United States don't have we need to

22

00:00:56,150 --> 00:00:54,059

find out more about that and what we

23

00:00:58,130 --> 00:00:56,160

found that was Navy pilots and Air Force

24

00:01:01,310 --> 00:00:58,140

Air Force pilots were you know

25

00:01:02,990 --> 00:01:01,320

discouraged from reporting that that uh

26

00:01:05,210 --> 00:01:03,000

they thought that it would impair their

27

00:01:06,590 --> 00:01:05,220

careers we need to have information if

28

00:01:09,050 --> 00:01:06,600

there are Technologies out there and

29

00:01:11,090 --> 00:01:09,060

very clearly as this most recent report

30

00:01:12,890 --> 00:01:11,100

reveals the sightings are increasing

31

00:01:14,810 --> 00:01:12,900

which is a good thing because that means

32

00:01:19,070 --> 00:01:14,820

we're getting more honest reporting from

33

00:01:20,690 --> 00:01:19,080

from our Navy and Air Force pilots but

34

00:01:22,370 --> 00:01:20,700

it gives us more information we need to

35

00:01:25,370 --> 00:01:22,380

find out when there are and there very

36

00:01:27,289 --> 00:01:25,380

clearly are now hundreds of unexplained

37

00:01:29,030 --> 00:01:27,299

sightings meaning that there's no

38

00:01:31,490 --> 00:01:29,040

natural phenomenon involved there's no

39

00:01:34,210 --> 00:01:31,500

visual disturbance it's not clutter or

40

00:01:37,730 --> 00:01:34,220

debris or birds or anything else but

41

00:01:40,730 --> 00:01:37,740

objects that demonstrate technologies

42

00:01:42,710 --> 00:01:40,740

that seem to defy the law of physics and

43

00:01:45,109 --> 00:01:42,720

capabilities that we don't have as the

44

00:01:46,789 --> 00:01:45,119

world superpower you know our role in

45

00:01:49,310 --> 00:01:46,799

the federal government is to provide for

46

00:01:51,410 --> 00:01:49,320

the common defense and we can't do that

47

00:01:53,990 --> 00:01:51,420

if someone else has technologies that

48

00:01:57,770 --> 00:01:54,000

are better than we have so all of this

49

00:01:59,690 --> 00:01:57,780

is a very uh you know uh you know a good

50

00:02:01,249 --> 00:01:59,700

development from my perspective and I'm

51
00:02:03,469 --> 00:02:01,259
glad that they're pursuing some of the

52
00:02:04,690 --> 00:02:03,479
things that I was pushing as dni there's

53
00:02:06,469 --> 00:02:04,700
a lot of

54
00:02:07,730 --> 00:02:06,479
documentation out there of different

55
00:02:09,770 --> 00:02:07,740
things that I think the American people

56
00:02:11,449 --> 00:02:09,780
deserve to know about yeah we need to

57
00:02:14,030 --> 00:02:11,459
restore confidence in our institutions

58
00:02:16,790 --> 00:02:14,040
and I think transparency and some truth

59
00:02:18,229 --> 00:02:16,800
telling and treating us like adults and

60
00:02:19,970 --> 00:02:18,239
citizens who are in charge of our

61
00:02:21,710 --> 00:02:19,980
government as opposed to servants well

62
00:02:23,089 --> 00:02:21,720
that's true so John treat us like an

63
00:02:25,910 --> 00:02:23,099

adult here you've seen the Intel it's

64

00:02:28,449 --> 00:02:25,920

January 15th in the year 2023 are aliens

65

00:02:37,190 --> 00:02:32,930

well um I can't talk to you about uh you

66

00:02:39,470 --> 00:02:37,200

know uh any potential alien life

67

00:02:41,110 --> 00:02:39,480

um uh so I'll just leave it at that

68

00:02:43,910 --> 00:02:41,120

there you go

69

00:02:46,250 --> 00:02:43,920

what does that answer say I I don't know

70

00:02:48,050 --> 00:02:46,260

I don't know because it's funny because

71

00:02:49,550 --> 00:02:48,060

the first answer he gave about it made

72

00:02:52,190 --> 00:02:49,560

me think maybe there was a foreign
