

1
00:00:06,650 --> 00:00:04,730
and this is weapons

2
00:00:08,530 --> 00:00:06,660
I should point out you've got a lot of

3
00:00:11,690 --> 00:00:08,540
eyewitnesses that you've spoken to

4
00:00:14,030 --> 00:00:11,700
recorded who willingly come forward and

5
00:00:15,829 --> 00:00:14,040
shared information and to set up this

6
00:00:18,590 --> 00:00:15,839
this audio clip we're about to hear is

7
00:00:20,630 --> 00:00:18,600
those who would like us to dismiss this

8
00:00:22,250 --> 00:00:20,640
and say it's just drones like you know

9
00:00:23,810 --> 00:00:22,260
you can go buy them at Kmart or

10
00:00:26,630 --> 00:00:23,820
something or it's something you can buy

11
00:00:28,189 --> 00:00:26,640
off the internet uh again you're a

12
00:00:30,290 --> 00:00:28,199
hundred miles out to sea for some of

13
00:00:32,150 --> 00:00:30,300

these ships there are no other land

14

00:00:34,130 --> 00:00:32,160

there's no other land out there from

15

00:00:36,110 --> 00:00:34,140

which you could launch a drone there are

16

00:00:38,569 --> 00:00:36,120

no other ships except for one that we'll

17

00:00:40,549 --> 00:00:38,579

talk about yeah and where did these uh

18

00:00:43,369 --> 00:00:40,559

drones come from it's important that

19

00:00:45,709 --> 00:00:43,379

yeah so so what's so there's going to be

20

00:00:47,510 --> 00:00:45,719

a lot more from this witness and other

21

00:00:49,850 --> 00:00:47,520

Witnesses from Paul Hamilton that have

22

00:00:51,470 --> 00:00:49,860

allowed me to record with them and we're

23

00:00:52,910 --> 00:00:51,480

going to have some people in person but

24

00:00:54,709 --> 00:00:52,920

the main thing is all these people are

25

00:00:56,389 --> 00:00:54,719

still active duty and and this is not

26
00:00:58,729 --> 00:00:56,399
their goal is to become the UFO person

27
00:00:59,990 --> 00:00:58,739
so I'm not going to just broadcast their

28
00:01:03,349 --> 00:01:00,000
names necessary but I got the audio

29
00:01:05,270 --> 00:01:03,359
recordings so with this particular clip

30
00:01:07,310 --> 00:01:05,280
out of like a number that I'll that will

31
00:01:10,730 --> 00:01:07,320
be released at some point they talk

32
00:01:12,770 --> 00:01:10,740
about the these objects these UFOs at

33
00:01:14,510 --> 00:01:12,780
one point he said to me these are UFOs

34
00:01:16,550 --> 00:01:14,520
they're unidentified but we have to call

35
00:01:18,530 --> 00:01:16,560
them something we call them uas you know

36
00:01:19,670 --> 00:01:18,540
unmanned or aerial systems because they

37
00:01:20,929 --> 00:01:19,680
just weren't big enough to hold a human

38
00:01:23,030 --> 00:01:20,939

being

39

00:01:24,950 --> 00:01:23,040

we're coming from the west and so that's

40

00:01:26,690 --> 00:01:24,960

kind of the point of this audio let's

41

00:01:29,270 --> 00:01:26,700

listen to it and then we can talk about

42

00:01:32,090 --> 00:01:29,280

it but it's just one of the details of

43

00:01:33,649 --> 00:01:32,100

why we shouldn't just dismiss this first

44

00:01:35,330 --> 00:01:33,659

of all it just says drones or second of

45

00:01:36,649 --> 00:01:35,340

all just as like adversarial or even

46

00:01:38,510 --> 00:01:36,659

commercial drones

47

00:01:40,069 --> 00:01:38,520

where did they land where did they

48

00:01:42,469 --> 00:01:40,079

launch so let's play the audio and then

49

00:01:44,569 --> 00:01:42,479

we'll talk about it and her purposes

50

00:01:48,289 --> 00:01:44,579

right here I'm just gonna play it on my

51
00:01:50,810 --> 00:01:48,299
phone out loud for us 53 seconds

52
00:01:52,550 --> 00:01:50,820
so from what direction was this swarm

53
00:01:55,490 --> 00:01:52,560
coming it was actually coming a little

54
00:01:56,870 --> 00:01:55,500
less it was coming from the West yeah

55
00:01:58,490 --> 00:01:56,880
from the West

56
00:02:00,830 --> 00:01:58,500
so over water

57
00:02:02,389 --> 00:02:00,840
over water away from lead I mean like

58
00:02:04,310 --> 00:02:02,399
the only thing you have over there is

59
00:02:07,130 --> 00:02:04,320
like why this probably the closest thing

60
00:02:08,809 --> 00:02:07,140
wants to us and when they were departing

61
00:02:11,510 --> 00:02:08,819
what direction were they departing to

62
00:02:13,430 --> 00:02:11,520
they would depart in different

63
00:02:14,210 --> 00:02:13,440

of different bearings than they came in

64

00:02:16,309 --> 00:02:14,220

on

65

00:02:18,430 --> 00:02:16,319

so normally always from the west and

66

00:02:20,690 --> 00:02:18,440

then departing in a different direction

67

00:02:24,710 --> 00:02:20,700

yeah yeah

68

00:02:26,750 --> 00:02:24,720

um not exclusively but uh yeah pretty

69

00:02:29,690 --> 00:02:26,760

constantly it'd be a different bearing

70

00:02:31,309 --> 00:02:29,700

which is weird right like so if you

71

00:02:33,050 --> 00:02:31,319

deploy a drone to go check something out

72

00:02:35,089 --> 00:02:33,060

he would come back so that was like

73

00:02:37,430 --> 00:02:35,099

something significant enough for us to

74

00:02:38,690 --> 00:02:37,440

like report that hey these things are

75

00:02:39,530 --> 00:02:38,700

going a different direction that they

76

00:02:41,750 --> 00:02:39,540

came

77

00:02:43,670 --> 00:02:41,760

so very simple statement there's so many

78

00:02:45,410 --> 00:02:43,680

parts we could pull from to have this

79

00:02:48,770 --> 00:02:45,420

conversation but I thought that one was

80

00:02:51,890 --> 00:02:48,780

cool because he's like they were coming

81

00:02:53,449 --> 00:02:51,900

from the West so normally if you had any

82

00:02:55,550 --> 00:02:53,459

kind of drone they would have to return

83

00:02:57,530 --> 00:02:55,560

to its launch point but he's seen them

84

00:02:59,869 --> 00:02:57,540

come in and durationally go in other

85

00:03:01,430 --> 00:02:59,879

directions so whose were they where do

86

00:03:03,589 --> 00:03:01,440

they come from so did somebody launch

87

00:03:05,390 --> 00:03:03,599

their Walmart drone from Hawaii and it

88

00:03:07,369 --> 00:03:05,400

traveled 1800 miles to buzz these

89

00:03:09,470 --> 00:03:07,379

there's hundreds of them that buzzed

90

00:03:12,240 --> 00:03:09,480

these 10 ships over three days you've
