

WEAPONIZED #1

ALL ROADS LEAD TO UFOs

1
00:00:06,889 --> 00:00:04,130
Secrets cover-ups and strange phenomena

2
00:00:09,890 --> 00:00:06,899
UFOs and ideas that challenge reality

3
00:00:11,509 --> 00:00:09,900
itself all these Mysteries all this time

4
00:00:14,089 --> 00:00:11,519
are we ever going to get to the bottom

5
00:00:16,609 --> 00:00:14,099
of these my name is George Knapp I dig

6
00:00:18,950 --> 00:00:16,619
into news stories that others can't or

7
00:00:20,630 --> 00:00:18,960
won't I'm Jeremy Corbell and for some

8
00:00:22,670 --> 00:00:20,640
reason people tell me things they

9
00:00:24,910 --> 00:00:22,680
probably shouldn't

10
00:00:28,370 --> 00:00:24,920
and this is weapons

11
00:00:30,410 --> 00:00:28,380
[Music]

12
00:00:33,470 --> 00:00:30,420
George good to see you and you Jeremy

13
00:00:35,330 --> 00:00:33,480

this is unexpected uh well you know

14

00:00:37,130 --> 00:00:35,340

we've been asked to do a lot of podcasts

15

00:00:39,590 --> 00:00:37,140

over the years as guests we've been

16

00:00:40,970 --> 00:00:39,600

asked to host them as well and finally

17

00:00:42,010 --> 00:00:40,980

we decided the time is right and go

18

00:00:44,090 --> 00:00:42,020

ahead and do it and it's called

19

00:00:46,610 --> 00:00:44,100

weaponized why did you come up with that

20

00:00:48,950 --> 00:00:46,620

name why did you come up come on man

21

00:00:51,350 --> 00:00:48,960

it's a horrible man I mean you have used

22

00:00:53,270 --> 00:00:51,360

that word that term before and it works

23

00:00:55,790 --> 00:00:53,280

I mean it's it's a good grabby word

24

00:00:57,590 --> 00:00:55,800

right yeah yeah I mean uh you know

25

00:00:59,450 --> 00:00:57,600

everybody hates it when I say it but it

26

00:01:02,270 --> 00:00:59,460

was born from I said in some interview

27

00:01:03,889 --> 00:01:02,280

my curiosity has been weaponized and

28

00:01:06,469 --> 00:01:03,899

that that just stuck with me people were

29

00:01:07,850 --> 00:01:06,479

haunting me with it so I embraced it but

30

00:01:11,149 --> 00:01:07,860

but I think the point for you and me

31

00:01:13,010 --> 00:01:11,159

both is there are things that just keep

32

00:01:15,950 --> 00:01:13,020

us up at night things that we can't put

33

00:01:18,469 --> 00:01:15,960

down like for 35 years studying UFOs 40

34

00:01:21,170 --> 00:01:18,479

years whatever you've been doing so for

35

00:01:22,789 --> 00:01:21,180

me the title weaponized is that there

36

00:01:25,490 --> 00:01:22,799

are these things that we can't put down

37

00:01:27,410 --> 00:01:25,500

to keep us up at night and on the show

38

00:01:29,690 --> 00:01:27,420

we're going to cover all the things that

39

00:01:31,910 --> 00:01:29,700

do that to us that excited that was my

40

00:01:34,609 --> 00:01:31,920

thinking yeah and you know we we are

41

00:01:36,410 --> 00:01:34,619

identified uh on purpose with the UFO

42

00:01:38,390 --> 00:01:36,420

subject and we certainly are going to be

43

00:01:40,370 --> 00:01:38,400

talking about UFOs and all of its

44

00:01:41,630 --> 00:01:40,380

various ramifications but that's not all

45

00:01:44,030 --> 00:01:41,640

that we're going to cover in this

46

00:01:46,190 --> 00:01:44,040

program right right and and I want to

47

00:01:48,469 --> 00:01:46,200

start there a little bit for people that

48

00:01:50,210 --> 00:01:48,479

don't know you you know I mean the the

49

00:01:51,649 --> 00:01:50,220

big question like who is George Knapp

50

00:01:54,109 --> 00:01:51,659

how do we find him you know sitting here

51
00:01:56,450 --> 00:01:54,119
in the seat so I know George Knapp as

52
00:01:58,910 --> 00:01:56,460
investigative reporter out of Las Vegas

53
00:02:00,649 --> 00:01:58,920
Nevada and that was my introduction to

54
00:02:02,870 --> 00:02:00,659
looking for you it was through UFOs

55
00:02:04,249 --> 00:02:02,880
trying to find you so can you give us a

56
00:02:07,789 --> 00:02:04,259
few you know kind of key points of

57
00:02:11,510 --> 00:02:07,799
people that don't know you I am uh based

58
00:02:13,850 --> 00:02:11,520
in Las Vegas I started in 1981 at klas

59
00:02:16,670 --> 00:02:13,860
TV as a general assignment reporter I

60
00:02:19,670 --> 00:02:16,680
then became an anchor commentator in the

61
00:02:21,530 --> 00:02:19,680
mid 90s that the station created uh the

62
00:02:23,449 --> 00:02:21,540
i-team the investigative unit and uh

63
00:02:25,369 --> 00:02:23,459

since 1995 I've been the chief

64

00:02:27,050 --> 00:02:25,379

investigative reporter and in those

65

00:02:28,790 --> 00:02:27,060

years you know Las Vegas is the best

66

00:02:30,830 --> 00:02:28,800

news town in America and I've covered

67

00:02:32,990 --> 00:02:30,840

everything I've covered the mob

68

00:02:35,930 --> 00:02:33,000

organized crime The Exorcism of all the

69

00:02:39,070 --> 00:02:35,940

Mobsters political scandals corruption

70

00:02:42,110 --> 00:02:39,080

government officials uh celebrities

71

00:02:44,030 --> 00:02:42,120

murderers bikers fires every kind of

72

00:02:47,449 --> 00:02:44,040

story you can imagine in this great news

73

00:02:49,430 --> 00:02:47,459

town but since 1987 I've been known as

74

00:02:51,229 --> 00:02:49,440

the UFL reporter and you know it comes

75

00:02:53,089 --> 00:02:51,239

with the territory it's my own fault for

76
00:02:55,309 --> 00:02:53,099
that no matter what other story I've

77
00:02:57,110 --> 00:02:55,319
done and what other Awards I've won and

78
00:03:00,830 --> 00:02:57,120
I've won a lot of them national awards

79
00:03:02,390 --> 00:03:00,840
uh peabodies Dupont Edward R Murrow 28

80
00:03:04,309 --> 00:03:02,400
Regional Emmys a bunch of other stuff

81
00:03:07,070 --> 00:03:04,319
but no matter what story I do no matter

82
00:03:10,610 --> 00:03:07,080
how big it is I'm the UFO guy and it's

83
00:03:12,710 --> 00:03:10,620
my own fault because in 1987

84
00:03:15,589 --> 00:03:12,720
a guy named John Lear walked into the TV

85
00:03:17,630 --> 00:03:15,599
station and he had a stack of documents

86
00:03:19,970 --> 00:03:17,640
turned out to be UFO documents and he

87
00:03:23,149 --> 00:03:19,980
dropped them on the desk of my managing

88
00:03:26,170 --> 00:03:23,159

editor my good buddy my my my running

89

00:03:28,490 --> 00:03:26,180

partner Ned day who was the principal

90

00:03:31,369 --> 00:03:28,500

muckraker investigative reporter of his

91

00:03:33,170 --> 00:03:31,379

era Ned worked with my news director at

92

00:03:34,729 --> 00:03:33,180

the time Robert stodall the most

93

00:03:36,350 --> 00:03:34,739

important newsman and probably the

94

00:03:39,050 --> 00:03:36,360

modern history of Journalism in Nevada

95

00:03:41,449 --> 00:03:39,060

those guys had a long time standing

96

00:03:42,830 --> 00:03:41,459

interest in a place called Area 51 and

97

00:03:45,229 --> 00:03:42,840

they had tried to get me interested in

98

00:03:48,830 --> 00:03:45,239

it as well in the mid 1980s the U.S Air

99

00:03:51,890 --> 00:03:48,840

Force illegally seized 89 000 acres of

100

00:03:54,229 --> 00:03:51,900

land around area 51. one day it's public

101
00:03:56,570 --> 00:03:54,239
land and anybody drive up there the next

102
00:03:59,330 --> 00:03:56,580
day you'd run into armed guards it's off

103
00:04:01,190 --> 00:03:59,340
limits only months later did they ask

104
00:04:02,509 --> 00:04:01,200
for permission so we all had an idea

105
00:04:05,330 --> 00:04:02,519
something really interesting was going

106
00:04:07,070 --> 00:04:05,340
on in the desert out there and Lear had

107
00:04:10,130 --> 00:04:07,080
helped Bob and Ned break a really big

108
00:04:12,649 --> 00:04:10,140
story about the existence of a plane

109
00:04:14,690 --> 00:04:12,659
that was in visible to radar seems

110
00:04:16,610 --> 00:04:14,700
Preposterous at the time but Lear had

111
00:04:18,409 --> 00:04:16,620
given information to Ned and Bob they

112
00:04:20,870 --> 00:04:18,419
broke the story before any of the

113
00:04:22,730 --> 00:04:20,880

national news organizations did so Lear

114

00:04:24,950 --> 00:04:22,740

had a certain credibility with with

115

00:04:27,230 --> 00:04:24,960

those guys his father of course Bill

116

00:04:29,870 --> 00:04:27,240

Lear had developed the eight-track tape

117

00:04:32,810 --> 00:04:29,880

and the Learjet John had run for public

118

00:04:34,550 --> 00:04:32,820

office he had flown for the seat CIA he

119

00:04:36,170 --> 00:04:34,560

was a really interesting guy comes into

120

00:04:38,390 --> 00:04:36,180

the station with a stack of documents

121

00:04:40,310 --> 00:04:38,400

tells Ned this is an even bigger story

122

00:04:42,170 --> 00:04:40,320

than the stealth fighter Ned this is

123

00:04:44,150 --> 00:04:42,180

going to make your career it's about the

124

00:04:46,670 --> 00:04:44,160

UFO cover-up biggest story in history

125

00:04:48,650 --> 00:04:46,680

here's the documentation to prove it Ned

126
00:04:50,570 --> 00:04:48,660
paused through the documents

127
00:04:53,749 --> 00:04:50,580
takes a look at a couple of the pages

128
00:04:56,210 --> 00:04:53,759
and then pushes it back at Lear and says

129
00:04:57,890 --> 00:04:56,220
look I'm not touching this if this was

130
00:05:00,650 --> 00:04:57,900
true I don't really know about it kind

131
00:05:02,629 --> 00:05:00,660
of cocky like it was in those days so

132
00:05:04,070 --> 00:05:02,639
Lear had kind of dejectively grabs up

133
00:05:05,990 --> 00:05:04,080
his pile he's walking out of The

134
00:05:08,150 --> 00:05:06,000
Newsroom I had been eavesdropping which

135
00:05:10,370 --> 00:05:08,160
I tend to do and I said hey let me take

136
00:05:12,530 --> 00:05:10,380
a look at that so he left the pile with

137
00:05:14,749 --> 00:05:12,540
me I read through it these are documents

138
00:05:16,909 --> 00:05:14,759

obtained through foia you know prior to

139

00:05:20,870 --> 00:05:16,919

the existence of foil created in the

140

00:05:22,850 --> 00:05:20,880

1970s if you asked the FBI or CIA or

141

00:05:24,830 --> 00:05:22,860

pentagon have you got any documents

142

00:05:26,570 --> 00:05:24,840

about UFOs they'd say no and we're not

143

00:05:28,790 --> 00:05:26,580

going to give them to you and they deny

144

00:05:31,189 --> 00:05:28,800

it after foia becomes the law of the

145

00:05:34,189 --> 00:05:31,199

land thousands of pages of documentation

146

00:05:36,890 --> 00:05:34,199

were forced out of the government and

147

00:05:39,650 --> 00:05:36,900

into the hands of UFO investigators and

148

00:05:41,689 --> 00:05:39,660

researchers so that's the primary uh

149

00:05:43,610 --> 00:05:41,699

composition of that pile I thought well

150

00:05:45,230 --> 00:05:43,620

this is really interesting because

151
00:05:47,810 --> 00:05:45,240
you know we all have the same kind of

152
00:05:49,670 --> 00:05:47,820
level of interest in UFOs I wonder if

153
00:05:51,590 --> 00:05:49,680
that's true but never really dug into it

154
00:05:53,029 --> 00:05:51,600
right but you had you were not a UFO guy

155
00:05:54,770 --> 00:05:53,039
before that you hadn't spent a lot of

156
00:05:56,990 --> 00:05:54,780
time when you were young thinking about

157
00:05:59,990 --> 00:05:57,000
this is you're just uh at this point a

158
00:06:01,850 --> 00:06:00,000
news reporter and a new news reporter

159
00:06:03,590 --> 00:06:01,860
and you're just eavesdropping on your

160
00:06:05,689 --> 00:06:03,600
boss and you hear this and it excites

161
00:06:07,969 --> 00:06:05,699
yeah so there had been some stories in

162
00:06:10,249 --> 00:06:07,979
my family that I'll tell someday just

163
00:06:12,590 --> 00:06:10,259

not today so I had a I had an interest

164

00:06:14,210 --> 00:06:12,600

in it but I had no UFO books I think I

165

00:06:16,310 --> 00:06:14,220

might own one that had been given me as

166

00:06:17,570 --> 00:06:16,320

present had not done any research but I

167

00:06:19,370 --> 00:06:17,580

started looking at these I thought this

168

00:06:21,350 --> 00:06:19,380

is really interesting because the story

169

00:06:23,210 --> 00:06:21,360

at the time as told by our government is

170

00:06:25,129 --> 00:06:23,220

there's nothing to it we've investigated

171

00:06:27,170 --> 00:06:25,139

it it's all but explained Project Blue

172

00:06:29,330 --> 00:06:27,180

Book go on your way don't worry about

173

00:06:31,309 --> 00:06:29,340

this at all these documents showed that

174

00:06:33,529 --> 00:06:31,319

was a much different picture behind the

175

00:06:35,330 --> 00:06:33,539

scenes that in fact military officials

176

00:06:37,969 --> 00:06:35,340

were very concerned about this that

177

00:06:39,710 --> 00:06:37,979

recognize it's a legitimate issue that

178

00:06:41,210 --> 00:06:39,720

these are not ours they're not Russians

179

00:06:43,249 --> 00:06:41,220

they're from somewhere else they might

180

00:06:44,990 --> 00:06:43,259

be extraterrestrial I thought great oh

181

00:06:47,510 --> 00:06:45,000

maybe I I'll just dig into this and at

182

00:06:49,610 --> 00:06:47,520

the time I produced a little on the a

183

00:06:52,189 --> 00:06:49,620

program called on the record a half hour

184

00:06:53,990 --> 00:06:52,199

public affairs show typically I would

185

00:06:55,670 --> 00:06:54,000

interview a county commissioner a City

186

00:06:57,110 --> 00:06:55,680

Commissioner something like that it

187

00:06:59,150 --> 00:06:57,120

aired at six o'clock in the morning

188

00:07:01,129 --> 00:06:59,160

under Saturday or Sunday very limited

189

00:07:02,749 --> 00:07:01,139

audience I thought what the heck I'll

190

00:07:04,969 --> 00:07:02,759

put later on this show see what he does

191

00:07:07,249 --> 00:07:04,979

and I put him on and just wound him up

192

00:07:09,170 --> 00:07:07,259

and let him go and holy cow I was blown

193

00:07:11,749 --> 00:07:09,180

away I mean that's a that's a pretty

194

00:07:13,790 --> 00:07:11,759

famous clip now you got out of nowhere

195

00:07:16,370 --> 00:07:13,800

you got this guy coming at you you know

196

00:07:18,409 --> 00:07:16,380

telling you all this [h__h] about UFOs and

197

00:07:20,210 --> 00:07:18,419

I just remember looking at your face in

198

00:07:22,249 --> 00:07:20,220

these original interviews and that it

199

00:07:23,390 --> 00:07:22,259

was almost like disdain you're like you

200

00:07:25,370 --> 00:07:23,400

couldn't believe what he was saying

201
00:07:26,629 --> 00:07:25,380
you're almost like angry about some of

202
00:07:28,969 --> 00:07:26,639
what he said because it was so

203
00:07:30,950 --> 00:07:28,979
outrageous but apparently you you

204
00:07:33,589 --> 00:07:30,960
changed your attitude later on so what

205
00:07:35,749 --> 00:07:33,599
happened after that he unleashes this

206
00:07:37,790 --> 00:07:35,759
barrage this incredibly elaborate

207
00:07:40,129 --> 00:07:37,800
conspiracy theory the the Lear white

208
00:07:42,170 --> 00:07:40,139
paper that is now known in UFO circles

209
00:07:44,570 --> 00:07:42,180
about we've got a secret treaty with

210
00:07:46,850 --> 00:07:44,580
aliens and they we allow them to abduct

211
00:07:48,650 --> 00:07:46,860
people and in exchange for technology

212
00:07:51,110 --> 00:07:48,660
and all kinds of cover-up stuff and

213
00:07:52,550 --> 00:07:51,120

assassinations and I was blown away I

214

00:07:55,790 --> 00:07:52,560

thought well did I make a mistake in

215

00:07:57,350 --> 00:07:55,800

doing this but oh he gets off the show

216

00:07:59,510 --> 00:07:57,360

uh thanks John that was really

217

00:08:00,469 --> 00:07:59,520

interesting and my phone starts ringing

218

00:08:03,110 --> 00:08:00,479

and

219

00:08:05,990 --> 00:08:03,120

people start inquiring what was that

220

00:08:07,790 --> 00:08:06,000

about who was that guy is this real and

221

00:08:09,469 --> 00:08:07,800

that kept ringing and I realized you

222

00:08:11,390 --> 00:08:09,479

know at the time well this this is of

223

00:08:13,129 --> 00:08:11,400

interest to the public here so I had him

224

00:08:15,290 --> 00:08:13,139

on again I started reading a little bit

225

00:08:16,850 --> 00:08:15,300

more about it I went up to see Lear he

226

00:08:19,790 --> 00:08:16,860

gave me a bunch of more documents from

227

00:08:22,730 --> 00:08:19,800

his files and I had him on again uh some

228

00:08:24,350 --> 00:08:22,740

months later so so you interested you

229

00:08:26,629 --> 00:08:24,360

realized the public was interested in

230

00:08:28,369 --> 00:08:26,639

this you had never had a response like

231

00:08:29,990 --> 00:08:28,379

that I had no idea and then the second

232

00:08:32,930 --> 00:08:30,000

time I had him on the response was even

233

00:08:34,969 --> 00:08:32,940

bigger that's when it really set in that

234

00:08:36,290 --> 00:08:34,979

this topic touches the pulse of the

235

00:08:38,329 --> 00:08:36,300

public in a way that I did not

236

00:08:40,190 --> 00:08:38,339

understand before or appreciate had him

237

00:08:42,050 --> 00:08:40,200

on a third time with a guy named Bill

238

00:08:44,570 --> 00:08:42,060

Cooper and we'll talk about that at some

239

00:08:47,030 --> 00:08:44,580

point in on the weapon why why did it

240

00:08:49,250 --> 00:08:47,040

grasp the public imagination at that

241

00:08:51,470 --> 00:08:49,260

time do you think so severely that Lear

242

00:08:52,910 --> 00:08:51,480

was saying all this stuff about UFOs why

243

00:08:55,430 --> 00:08:52,920

do you think the public was going crazy

244

00:08:57,769 --> 00:08:55,440

you know I I didn't understand it at the

245

00:08:59,329 --> 00:08:57,779

time I understand a lot more now is that

246

00:09:01,190 --> 00:08:59,339

this is a fundamental question of

247

00:09:03,590 --> 00:09:01,200

whether we are alone in the universe and

248

00:09:05,329 --> 00:09:03,600

the public really is it is also

249

00:09:06,949 --> 00:09:05,339

motivated by the idea that they've been

250

00:09:09,050 --> 00:09:06,959

lied to I know that that is what

251
00:09:10,790 --> 00:09:09,060
motivated me in the beginning the idea

252
00:09:12,170 --> 00:09:10,800
that these documents show that the

253
00:09:14,090 --> 00:09:12,180
government and the military in

254
00:09:16,670 --> 00:09:14,100
particular have a much different opinion

255
00:09:17,990 --> 00:09:16,680
about UFOs behind the scenes than the

256
00:09:19,910 --> 00:09:18,000
one that they've been sharing with the

257
00:09:21,410 --> 00:09:19,920
public and it pissed me off these were

258
00:09:23,030 --> 00:09:21,420
been lying to us these were official

259
00:09:25,550 --> 00:09:23,040
doctors yeah these are foia documents so

260
00:09:26,750 --> 00:09:25,560
you got you got really bit by this when

261
00:09:28,190 --> 00:09:26,760
you're seeing the dichotomy between

262
00:09:29,690 --> 00:09:28,200
these official documents from our

263
00:09:31,070 --> 00:09:29,700

government talking about UFOs and how

264

00:09:34,009 --> 00:09:31,080

they told you they were nonsense and

265

00:09:35,630 --> 00:09:34,019

you're like [h__h] this yeah so I had him

266

00:09:37,190 --> 00:09:35,640

on a third time the response was big

267

00:09:40,370 --> 00:09:37,200

again I thought you know and in that

268

00:09:42,050 --> 00:09:40,380

third show Lear hints about something

269

00:09:44,690 --> 00:09:42,060

that's out there in the Nevada desert

270

00:09:46,850 --> 00:09:44,700

reverse engineering of flying saucers

271

00:09:48,829 --> 00:09:46,860

alien craft that are being taken apart

272

00:09:50,389 --> 00:09:48,839

to figure out how they work and I

273

00:09:52,850 --> 00:09:50,399

thought that's a pretty outrageous claim

274

00:09:54,350 --> 00:09:52,860

but in light of the things that he had

275

00:09:56,030 --> 00:09:54,360

told us before that turned out to be

276

00:09:58,009 --> 00:09:56,040

true maybe we should look at it and he

277

00:10:02,509 --> 00:09:58,019

hinted that he knew a guy who'd been

278

00:10:04,910 --> 00:10:02,519

hired to work at a place near Area 51 I

279

00:10:07,130 --> 00:10:04,920

didn't know who this guy was six months

280

00:10:10,190 --> 00:10:07,140

go by I'm anchoring the five o'clock

281

00:10:11,870 --> 00:10:10,200

news and we have a five minute live

282

00:10:14,350 --> 00:10:11,880

interview segment every day on the news

283

00:10:17,750 --> 00:10:14,360

it was you know newsmakers celebrities

284

00:10:20,210 --> 00:10:17,760

uh our guest of that day canceled at the

285

00:10:22,490 --> 00:10:20,220

last minute maybe an hour and a half

286

00:10:23,870 --> 00:10:22,500

before the show I called up Lear I

287

00:10:26,090 --> 00:10:23,880

thought hey you know you told me about

288

00:10:27,410 --> 00:10:26,100

your UFO guy who's gonna go to work on

289

00:10:29,329 --> 00:10:27,420

this base

290

00:10:31,910 --> 00:10:29,339

do you think he might talk to me I had

291

00:10:33,470 --> 00:10:31,920

no idea who Lazar Bob Lazar was I had no

292

00:10:35,690 --> 00:10:33,480

idea what had been going on in his life

293

00:10:39,050 --> 00:10:35,700

but what had been happening was it

294

00:10:41,210 --> 00:10:39,060

unfolded it was a very dramatic personal

295

00:10:42,350 --> 00:10:41,220

Odyssey for him and he was afraid he

296

00:10:43,310 --> 00:10:42,360

would at the time he was going to be

297

00:10:44,930 --> 00:10:43,320

killed

298

00:10:47,449 --> 00:10:44,940

um because he'd been out there and had

299

00:10:49,850 --> 00:10:47,459

seen this amazing technology would your

300

00:10:52,430 --> 00:10:49,860

guy come on the show and boom it was not

301
00:10:54,050 --> 00:10:52,440
30 minutes later uh Lazar I didn't know

302
00:10:56,269 --> 00:10:54,060
his name at the time was on his way to

303
00:10:58,190 --> 00:10:56,279
lear's house we set a live unit up there

304
00:11:00,949 --> 00:10:58,200
set up an interview and at five o'clock

305
00:11:03,769 --> 00:11:00,959
we let it spill out into people's uh uh

306
00:11:06,530 --> 00:11:03,779
living rooms on Via television and he

307
00:11:08,509 --> 00:11:06,540
told this amazing story I had no idea

308
00:11:09,769 --> 00:11:08,519
what he was going to say but he tells

309
00:11:11,690 --> 00:11:09,779
this story that there was a secret

310
00:11:14,170 --> 00:11:11,700
program that he worked for the U.S Navy

311
00:11:17,090 --> 00:11:14,180
but the base was a place called S4

312
00:11:19,790 --> 00:11:17,100
adjacent to Papoose Dry Lake South the

313
00:11:21,769 --> 00:11:19,800

barrier 51 or south of Groom Lake rather

314

00:11:23,210 --> 00:11:21,779

and that built into the side of the

315

00:11:25,190 --> 00:11:23,220

mountain were these hangers and that

316

00:11:27,350 --> 00:11:25,200

inside the hangars were nine flying

317

00:11:29,329 --> 00:11:27,360

saucers flying discs as if we had the

318

00:11:31,370 --> 00:11:29,339

variety of pack and that we are taking

319

00:11:33,530 --> 00:11:31,380

up a part to figure out how they work

320

00:11:36,230 --> 00:11:33,540

this is alien technology it's not

321

00:11:38,630 --> 00:11:36,240

American Technology and wow just blew

322

00:11:40,250 --> 00:11:38,640

everyone away and I think you treated it

323

00:11:41,930 --> 00:11:40,260

you know from seeing those historic

324

00:11:43,730 --> 00:11:41,940

interviews because that is how I got

325

00:11:45,230 --> 00:11:43,740

interested in this subject was you know

326

00:11:47,569 --> 00:11:45,240

we'll talk about that in a little bit

327

00:11:49,009 --> 00:11:47,579

but just here in you and Lazar and the

328

00:11:51,290 --> 00:11:49,019

broadcast but what I noticed that I

329

00:11:53,569 --> 00:11:51,300

still notice now I look back you treated

330

00:11:56,090 --> 00:11:53,579

it like news you didn't like everybody

331

00:11:57,590 --> 00:11:56,100

else just say ah this is [h__h] I'm

332

00:11:59,210 --> 00:11:57,600

going to make some joke you said okay

333

00:12:00,590 --> 00:11:59,220

that you know thank you for being here

334

00:12:02,810 --> 00:12:00,600

thanks for reporting in he was in

335

00:12:04,670 --> 00:12:02,820

silhouette but the way you treated it

336

00:12:06,110 --> 00:12:04,680

made us think wait wait a second let's

337

00:12:08,870 --> 00:12:06,120

look at this guy now you didn't believe

338

00:12:10,130 --> 00:12:08,880

Lazar right off the bat no no no no I

339

00:12:12,769 --> 00:12:10,140

thought it was outrageous but I thought

340

00:12:14,389 --> 00:12:12,779

you know Lear has ledmus down this road

341

00:12:15,889 --> 00:12:14,399

and some of what he's told us has turned

342

00:12:18,290 --> 00:12:15,899

out to be true and this guy Lazar

343

00:12:20,030 --> 00:12:18,300

whoever he was sounded pretty credible

344

00:12:22,130 --> 00:12:20,040

we asked him some pointed questions

345

00:12:24,050 --> 00:12:22,140

about his background and who he worked

346

00:12:25,790 --> 00:12:24,060

for and how it operated and how they're

347

00:12:27,829 --> 00:12:25,800

able to keep this a secret and he had

348

00:12:30,230 --> 00:12:27,839

good answers and it didn't seem like he

349

00:12:32,569 --> 00:12:30,240

was making it up so we get off the set

350

00:12:34,190 --> 00:12:32,579

the news director pulls me in the

351
00:12:37,069 --> 00:12:34,200
general manager comes rolling in and go

352
00:12:39,590 --> 00:12:37,079
what the hell was that is that real is

353
00:12:41,630 --> 00:12:39,600
it for is he telling the truth I said I

354
00:12:44,810 --> 00:12:41,640
have no idea but I'm going to find out

355
00:12:46,310 --> 00:12:44,820
yeah that weekend uh Bob stodall and I

356
00:12:48,170 --> 00:12:46,320
go up to lear's house we said I want to

357
00:12:49,670 --> 00:12:48,180
meet this guy and we go to lear's house

358
00:12:51,410 --> 00:12:49,680
and there were some back and forth

359
00:12:53,810 --> 00:12:51,420
gamesmanship that was played but

360
00:12:55,910 --> 00:12:53,820
eventually get to meet Lazar we put him

361
00:12:58,250 --> 00:12:55,920
through his Paces ask him questions for

362
00:13:00,050 --> 00:12:58,260
three four hours and he had good answers

363
00:13:02,930 --> 00:13:00,060

about his background about what he did

364

00:13:04,310 --> 00:13:02,940

out there about the technology social and

365

00:13:07,310 --> 00:13:04,320

I leave that meeting looking at each

366

00:13:08,810 --> 00:13:07,320

other going holy crap I mean what if

367

00:13:10,850 --> 00:13:08,820

this is real this would be the biggest

368

00:13:13,129 --> 00:13:10,860

story in history and it's right here in

369

00:13:14,990 --> 00:13:13,139

our backyard we got to look into it

370

00:13:17,569 --> 00:13:15,000

snowed all says you know maybe we could

371

00:13:20,569 --> 00:13:17,579

do a multi-part series like five minutes

372

00:13:22,730 --> 00:13:20,579

a night that's only funny because we end

373

00:13:25,490 --> 00:13:22,740

up doing a nine part Series 13 14

374

00:13:28,430 --> 00:13:25,500

minutes a piece the longest uh stories I

375

00:13:30,410 --> 00:13:28,440

ever produced for television and uh so I

376

00:13:32,569 --> 00:13:30,420

started and I started in the next seven

377

00:13:34,370 --> 00:13:32,579

and a half eight months I dug full time

378

00:13:36,530 --> 00:13:34,380

into UFOs and I thought to tell the

379

00:13:38,350 --> 00:13:36,540

story of Bob Lazar had to understand the

380

00:13:41,150 --> 00:13:38,360

bigger picture the history of UFOs

381

00:13:42,949 --> 00:13:41,160

separate wheat from chaff who's credible

382

00:13:45,650 --> 00:13:42,959

who is it what lies has the military

383

00:13:47,810 --> 00:13:45,660

told what is the paper trail that is

384

00:13:49,190 --> 00:13:47,820

really what hooked me is the paper trail

385

00:13:51,050 --> 00:13:49,200

the documents that we've just been

386

00:13:52,430 --> 00:13:51,060

talking about that indicate they know a

387

00:13:54,170 --> 00:13:52,440

lot more than that what they've told us

388

00:13:56,690 --> 00:13:54,180

so and you thought you're gonna crack

389

00:13:59,150 --> 00:13:56,700

the story yeah I I was cocky the UFO

390

00:14:00,889 --> 00:13:59,160

story you know I'm reading I read

391

00:14:02,629 --> 00:14:00,899

everything about UFOs I read everything

392

00:14:05,150 --> 00:14:02,639

I could get my hands on and I realized

393

00:14:07,310 --> 00:14:05,160

this field is a mess this topic is an

394

00:14:10,910 --> 00:14:07,320

absolute disaster because there's so

395

00:14:12,949 --> 00:14:10,920

many hucksters and and uh fraudsters and

396

00:14:14,750 --> 00:14:12,959

people making stuff up and you can't

397

00:14:16,970 --> 00:14:14,760

tell who's A ufologist from a

398

00:14:18,410 --> 00:14:16,980

pseudo-ufologist and who's real and who

399

00:14:20,990 --> 00:14:18,420

isn't there's a lot of nonsense in there

400

00:14:23,090 --> 00:14:21,000

there give me six months and I'll have

401
00:14:24,650 --> 00:14:23,100
this figured out well you know it's 33

402
00:14:26,389 --> 00:14:24,660
years later and I haven't figured it out

403
00:14:29,569 --> 00:14:26,399
yet but I've at least figured out some

404
00:14:31,850 --> 00:14:29,579
of it so from that day on you know I dug

405
00:14:34,129 --> 00:14:31,860
into UFOs and have never stopped and we

406
00:14:38,329 --> 00:14:34,139
produced a a nine part Series in

407
00:14:40,250 --> 00:14:38,339
November uh of that year and 1989 and it

408
00:14:42,050 --> 00:14:40,260
was the biggest highest rated series

409
00:14:44,509 --> 00:14:42,060
that's ever been produced for local news

410
00:14:46,430 --> 00:14:44,519
in Las Vegas it pirated copies went all

411
00:14:47,990 --> 00:14:46,440
over the world I did a follow-up series

412
00:14:51,170 --> 00:14:48,000
six months later

413
00:14:53,269 --> 00:14:51,180

had an even bigger reaction or at least

414

00:14:55,009 --> 00:14:53,279

an equal reaction and it was off the

415

00:14:58,430 --> 00:14:55,019

paces from there and luckily at that

416

00:15:00,230 --> 00:14:58,440

time just my luck mufon had its

417

00:15:02,329 --> 00:15:00,240

International Symposium in Las Vegas

418

00:15:04,850 --> 00:15:02,339

that year so right after I started

419

00:15:07,550 --> 00:15:04,860

working on Lazar and the uh what became

420

00:15:09,710 --> 00:15:07,560

UFOs the best evidence the UFO world

421

00:15:11,689 --> 00:15:09,720

came to my door uh there I got to meet

422

00:15:13,850 --> 00:15:11,699

Stan Friedman and interview him Walt

423

00:15:17,150 --> 00:15:13,860

Andrus the head of MoveOn I got to meet

424

00:15:20,810 --> 00:15:17,160

Linda Howell and uh and uh subsequently

425

00:15:23,750 --> 00:15:20,820

met uh Bud Hopkins Whitley streber

426

00:15:25,790 --> 00:15:23,760

John Mack all the luminaries the really

427

00:15:27,829 --> 00:15:25,800

credible hard-working people who knew

428

00:15:29,269 --> 00:15:27,839

this topic and they shared so much with

429

00:15:31,069 --> 00:15:29,279

me over that and there was no turning

430

00:15:34,009 --> 00:15:31,079

back after that then I'm the UFO guy

431

00:15:35,449 --> 00:15:34,019

right but you continued as a as a

432

00:15:37,250 --> 00:15:35,459

journalist break in mob stories I mean

433

00:15:39,350 --> 00:15:37,260

UFOs might not have killed you yet but

434

00:15:41,329 --> 00:15:39,360

Mobsters sure have tried to I mean there

435

00:15:43,250 --> 00:15:41,339

there's a lot that you went through all

436

00:15:45,050 --> 00:15:43,260

these years being a journalist taking

437

00:15:47,150 --> 00:15:45,060

heat from people about the about the

438

00:15:49,129 --> 00:15:47,160

fact you're treating the UFO thing with

439

00:15:53,030 --> 00:15:49,139

journalistic Integrity that wasn't so

440

00:15:55,370 --> 00:15:53,040

cool 10 15 20 25 years ago like it is

441

00:15:57,170 --> 00:15:55,380

today it's okay to talk about it yeah it

442

00:15:58,730 --> 00:15:57,180

wasn't cool at all in fact and you know

443

00:16:00,350 --> 00:15:58,740

it was cool with the public the thing is

444

00:16:03,170 --> 00:16:00,360

the public couldn't get enough of it and

445

00:16:05,689 --> 00:16:03,180

no matter where I went to this day uh

446

00:16:07,850 --> 00:16:05,699

the public if I'm in a grocery store I'm

447

00:16:09,949 --> 00:16:07,860

in a bar I'm at a restaurant people come

448

00:16:11,449 --> 00:16:09,959

up and engage with me they want to they

449

00:16:13,550 --> 00:16:11,459

ask me do you really believe that stuff

450

00:16:15,350 --> 00:16:13,560

and what they really want to know is uh

451
00:16:16,730 --> 00:16:15,360
they want to tell me their UFO story and

452
00:16:18,410 --> 00:16:16,740
it seems like everyone's got one yeah

453
00:16:21,889 --> 00:16:18,420
and so the public key couldn't get

454
00:16:24,350 --> 00:16:21,899
enough the the pushback came for from my

455
00:16:26,569 --> 00:16:24,360
journalistic brethren they hated it I

456
00:16:28,970 --> 00:16:26,579
got nothing but crap about it the

457
00:16:31,550 --> 00:16:28,980
newspapers in town ran editorial

458
00:16:33,889 --> 00:16:31,560
cartoons the columnists made fun of the

459
00:16:36,050 --> 00:16:33,899
you people with UFO beanies and look

460
00:16:38,269 --> 00:16:36,060
over there there's E.T and Elvis and and

461
00:16:41,269 --> 00:16:38,279
all kinds of columns that whacked me on

462
00:16:44,030 --> 00:16:41,279
a regular basis the morning uh radio DJs

463
00:16:45,949 --> 00:16:44,040

would when they'd run out of belch barf

464

00:16:47,930 --> 00:16:45,959

and fart jokes would take off on me they

465

00:16:50,090 --> 00:16:47,940

wrote songs about it I started getting

466

00:16:53,389 --> 00:16:50,100

letters from all over the world wacky

467

00:16:56,150 --> 00:16:53,399

crazy letters from UFO people who told

468

00:16:58,069 --> 00:16:56,160

me they'd been abducted about sexual

469

00:16:59,870 --> 00:16:58,079

things that aliens had done to them I

470

00:17:02,210 --> 00:16:59,880

mean a lot of it was really crazy but I

471

00:17:04,730 --> 00:17:02,220

tried to to always treat it like a news

472

00:17:07,730 --> 00:17:04,740

story and I could never understand the

473

00:17:09,169 --> 00:17:07,740

uh the animosity from my fellow

474

00:17:11,990 --> 00:17:09,179

journalists because the people who were

475

00:17:14,449 --> 00:17:12,000

bashing me on a regular basis back then

476

00:17:15,949 --> 00:17:14,459

had never done any of the work it was

477

00:17:18,289 --> 00:17:15,959

easier to sit there and type up some

478

00:17:21,590 --> 00:17:18,299

Wise Cracks the same UFO jokes that have

479

00:17:22,850 --> 00:17:21,600

withhold a million times since then and

480

00:17:24,890 --> 00:17:22,860

before then

481

00:17:27,949 --> 00:17:24,900

um it was easier to do that than to do

482

00:17:29,870 --> 00:17:27,959

the work to go sit out in at Area 51 in

483

00:17:32,030 --> 00:17:29,880

the desert night after night as I did

484

00:17:34,070 --> 00:17:32,040

hundreds of times to try to see what

485

00:17:36,470 --> 00:17:34,080

ever was flying around in the sky to dig

486

00:17:38,270 --> 00:17:36,480

into lazar's background to investigate

487

00:17:40,370 --> 00:17:38,280

the background of other people who had

488

00:17:43,250 --> 00:17:40,380

worked in the military who had some

489

00:17:45,590 --> 00:17:43,260

recognition of UFOs and knowledge of of

490

00:17:47,390 --> 00:17:45,600

secret programs and that was hard stuff

491

00:17:48,830 --> 00:17:47,400

that was real journalism and that's

492

00:17:51,529 --> 00:17:48,840

that's how I always tried to approach it

493

00:17:53,870 --> 00:17:51,539

as a real legitimate Story Once you

494

00:17:56,990 --> 00:17:53,880

separate the wheat from the chaff and

495

00:17:58,490 --> 00:17:57,000

and get down to the bottom of it 95

496

00:18:00,289 --> 00:17:58,500

percent of everything you hear in the

497

00:18:02,029 --> 00:18:00,299

field is probably explainable but that

498

00:18:04,669 --> 00:18:02,039

other five percent is really interesting

499

00:18:06,409 --> 00:18:04,679

and it could be as we said at that first

500

00:18:07,730 --> 00:18:06,419

meeting with Lazar could be the biggest

501
00:18:10,850 --> 00:18:07,740
story in history

502
00:18:12,890 --> 00:18:10,860
so I mean on this podcast on this show

503
00:18:14,270 --> 00:18:12,900
you know let's say limited series 12

504
00:18:15,890 --> 00:18:14,280
months if we go all the way through

505
00:18:18,169 --> 00:18:15,900
we're going to be talking about a lot of

506
00:18:19,730 --> 00:18:18,179
the stories that you have brought to

507
00:18:21,289 --> 00:18:19,740
public attention you know we're not we

508
00:18:22,490 --> 00:18:21,299
don't have to go into all them the

509
00:18:25,010 --> 00:18:22,500
depths of them right now but I just want

510
00:18:27,470 --> 00:18:25,020
to highlight as a journalist I mean you

511
00:18:29,270 --> 00:18:27,480
also the only journalist that went over

512
00:18:32,210 --> 00:18:29,280
to Russia during glasnost and

513
00:18:35,150 --> 00:18:32,220

perestroika saw that opportunity and got

514

00:18:36,710 --> 00:18:35,160

original files they're classified files

515

00:18:38,150 --> 00:18:36,720

that you stripped of the classification

516

00:18:41,090 --> 00:18:38,160

and brought with you back to the us

517

00:18:42,650 --> 00:18:41,100

talking about Russia's UFO program so

518

00:18:45,710 --> 00:18:42,660

that's one of the things we'll go into

519

00:18:47,690 --> 00:18:45,720

on this but you also had your hands in

520

00:18:50,510 --> 00:18:47,700

at Skinwalker Ranch which is this now

521

00:18:52,789 --> 00:18:50,520

real famous place a paranormal hot spot

522

00:18:55,430 --> 00:18:52,799

a place where there's UFO sightings and

523

00:18:56,930 --> 00:18:55,440

more so those are some of the things in

524

00:18:59,150 --> 00:18:56,940

your career you've written a couple

525

00:19:00,950 --> 00:18:59,160

books on the on the skinwalker reading

526

00:19:03,110 --> 00:19:00,960

two books yeah hunt for the skinwalker

527

00:19:05,750 --> 00:19:03,120

and skinwalkers of the Pentagon

528

00:19:08,210 --> 00:19:05,760

um you know written newspaper columns

529

00:19:10,970 --> 00:19:08,220

and produced uh programs and specials

530

00:19:12,890 --> 00:19:10,980

that were independent of klas as well

531

00:19:15,470 --> 00:19:12,900

and work with you of course but you know

532

00:19:17,570 --> 00:19:15,480

along the way as with any good news

533

00:19:21,049 --> 00:19:17,580

story the most important thing you can

534

00:19:23,870 --> 00:19:21,059

do is established a trust with sources

535

00:19:25,789 --> 00:19:23,880

and um and it's not a trick it's that

536

00:19:28,070 --> 00:19:25,799

the trick in being trustworthy is to

537

00:19:30,529 --> 00:19:28,080

actually be trustworthy so among the

538

00:19:33,950 --> 00:19:30,539

first people that I engaged when I first

539

00:19:35,990 --> 00:19:33,960

started down this road became people who

540

00:19:37,730 --> 00:19:36,000

are Titans in this field and who are

541

00:19:40,010 --> 00:19:37,740

influencing events that are unfolding

542

00:19:42,409 --> 00:19:40,020

right now one was Senator Harry Reid

543

00:19:44,950 --> 00:19:42,419

Reed had just been elected to the U.S

544

00:19:47,570 --> 00:19:44,960

Senate the first of five terms in 1988.

545

00:19:50,029 --> 00:19:47,580

1989 as I'm working on this Lazar Area

546

00:19:52,490 --> 00:19:50,039

51 stuff he had worked with the military

547

00:19:53,990 --> 00:19:52,500

it helped secure DOD budgets and things

548

00:19:55,130 --> 00:19:54,000

of that sort I thought you know what

549

00:19:57,590 --> 00:19:55,140

who's going to want to know this is

550

00:19:59,270 --> 00:19:57,600

Harry Reid so as I'm digging into it and

551
00:20:00,710 --> 00:19:59,280
getting more information he's the first

552
00:20:03,590 --> 00:20:00,720
person I told

553
00:20:05,630 --> 00:20:03,600
outside of our Newsroom and it was in a

554
00:20:07,010 --> 00:20:05,640
limousine heading to McCarran airport he

555
00:20:09,650 --> 00:20:07,020
was flying back to Washington we had

556
00:20:11,090 --> 00:20:09,660
about a 25 30 minute conversation and

557
00:20:12,710 --> 00:20:11,100
instead of kicking me out saying I'm

558
00:20:15,049 --> 00:20:12,720
crazy he said that's really interesting

559
00:20:16,970 --> 00:20:15,059
keep me in the loop about this and I'll

560
00:20:19,190 --> 00:20:16,980
help you and he did over the next 30

561
00:20:21,350 --> 00:20:19,200
years we had a secret

562
00:20:22,970 --> 00:20:21,360
conversation behind the scenes I wasn't

563
00:20:25,010 --> 00:20:22,980

going to report it I didn't want to get

564

00:20:27,230 --> 00:20:25,020

get him in any kind of political hot

565

00:20:29,450 --> 00:20:27,240

water and make him look crazy but we he

566

00:20:32,390 --> 00:20:29,460

helped me and I helped him I helped

567

00:20:33,890 --> 00:20:32,400

introduce him to a lot of people and uh

568

00:20:35,990 --> 00:20:33,900

I would send him information and

569

00:20:38,750 --> 00:20:36,000

documents and and he took a long time

570

00:20:41,330 --> 00:20:38,760

interest in it and and uh he ended up

571

00:20:42,590 --> 00:20:41,340

going to Area 51 a number of times among

572

00:20:44,930 --> 00:20:42,600

the other people I met at the same time

573

00:20:46,490 --> 00:20:44,940

was Robert Bigelow Bigelow is a name

574

00:20:49,430 --> 00:20:46,500

that I did not know at the time but he

575

00:20:51,950 --> 00:20:49,440

called me up the day the series on the

576

00:20:54,169 --> 00:20:51,960

air ended I get a call hold for Robert

577

00:20:57,289 --> 00:20:54,179

Bigelow didn't know his name he's a

578

00:20:59,210 --> 00:20:57,299

billionaire he had the Budget Suites

579

00:21:00,890 --> 00:20:59,220

um he he had been a highly successful

580

00:21:02,270 --> 00:21:00,900

real estate developer

581

00:21:04,370 --> 00:21:02,280

and he gets on the phone and says hey

582

00:21:06,350 --> 00:21:04,380

boy that that series is pretty good can

583

00:21:07,669 --> 00:21:06,360

I help you I said well you know I

584

00:21:09,289 --> 00:21:07,679

appreciate your comment what do you mean

585

00:21:10,490 --> 00:21:09,299

you helped me well financially support

586

00:21:12,590 --> 00:21:10,500

you're going to do some additional

587

00:21:14,210 --> 00:21:12,600

research I said well no I work for

588

00:21:15,890 --> 00:21:14,220

channel eight I can't do that but you

589

00:21:18,409 --> 00:21:15,900

know keep you in mind and they wanted to

590

00:21:21,110 --> 00:21:18,419

meet Lazar I said well I'll ask Lazar

591

00:21:23,450 --> 00:21:21,120

but he was pretty he was pretty uh

592

00:21:25,970 --> 00:21:23,460

reticent to meet the public or engage

593

00:21:27,169 --> 00:21:25,980

with the public so it still is yeah he's

594

00:21:29,029 --> 00:21:27,179

gonna be killed he thought he was going

595

00:21:30,890 --> 00:21:29,039

to be killed at the time so I said you

596

00:21:33,950 --> 00:21:30,900

know I'll ask Lazar and I'll get back to

597

00:21:36,590 --> 00:21:33,960

you I and then within two weeks uh

598

00:21:38,690 --> 00:21:36,600

Robert Bigelow not one to be denied had

599

00:21:41,690 --> 00:21:38,700

hired private investigators track down

600

00:21:43,789 --> 00:21:41,700

Lazar met him uh and and they were gonna

601
00:21:45,730 --> 00:21:43,799
meet for drinks and invited me to join

602
00:21:50,090 --> 00:21:45,740
them and then that started a little

603
00:21:53,210 --> 00:21:50,100
Social Circle of me and Bob and Gene

604
00:21:55,250 --> 00:21:53,220
huff and Robert Bigelow who would meet

605
00:21:57,950 --> 00:21:55,260
and talk about UFOs and we took a trip

606
00:21:59,810 --> 00:21:57,960
up to Rachel and Area 51 and had some

607
00:22:01,370 --> 00:21:59,820
hijinks out there and I got to know

608
00:22:05,510 --> 00:22:01,380
Bigelow really well

609
00:22:08,390 --> 00:22:05,520
that relationship also became key to not

610
00:22:09,890 --> 00:22:08,400
only my career but also to the topic in

611
00:22:11,149 --> 00:22:09,900
general and we'll get into how that

612
00:22:13,909 --> 00:22:11,159
works yeah we're going to definitely get

613
00:22:15,529 --> 00:22:13,919

into that I mean I my theory is that a

614

00:22:18,169 --> 00:22:15,539

lot of these people that made a lot of

615

00:22:20,690 --> 00:22:18,179

Headway in this field for example uh

616

00:22:22,909 --> 00:22:20,700

Senator Harry Reid he's the one who

617

00:22:25,370 --> 00:22:22,919

created the funding for the largest

618

00:22:27,710 --> 00:22:25,380

acknowledged UFO program by our

619

00:22:29,390 --> 00:22:27,720

government ever but from my

620

00:22:31,310 --> 00:22:29,400

understanding is he wasn't into this

621

00:22:32,990 --> 00:22:31,320

thing until you came at him about Bob's

622

00:22:35,450 --> 00:22:33,000

so there's we'll talk about that more

623

00:22:37,070 --> 00:22:35,460

later but for people that don't or just

624

00:22:39,169 --> 00:22:37,080

kind of hearing about who you are that

625

00:22:41,210 --> 00:22:39,179

is your career in a nutshell is that you

626

00:22:43,250 --> 00:22:41,220

know you're a hard-edged investigative

627

00:22:45,169 --> 00:22:43,260

reporter you broke stories at every kind

628

00:22:47,029 --> 00:22:45,179

of thing people can imagine but the UFO

629

00:22:49,130 --> 00:22:47,039

thing has really stuck with you it's

630

00:22:51,950 --> 00:22:49,140

branded you along the way and it changed

631

00:22:55,070 --> 00:22:51,960

so in those days you know the dominant

632

00:22:56,570 --> 00:22:55,080

Paradigm was UFOs are ET craft coming

633

00:22:58,610 --> 00:22:56,580

here from other planets they're visiting

634

00:23:00,890 --> 00:22:58,620

Earth from some other planet that's what

635

00:23:03,169 --> 00:23:00,900

that's the operating presumption that I

636

00:23:05,270 --> 00:23:03,179

had and what most of the UFO luminaries

637

00:23:07,070 --> 00:23:05,280

at the time thought there was a guy

638

00:23:10,850 --> 00:23:07,080

named Dr Jacques valet that I got to

639

00:23:13,430 --> 00:23:10,860

meet later in that second UFO project

640

00:23:16,029 --> 00:23:13,440

who had maybe the most important writer

641

00:23:18,230 --> 00:23:16,039

on this topic a key thinker has written

642

00:23:20,510 --> 00:23:18,240

essential books about the subject matter

643

00:23:22,549 --> 00:23:20,520

who is the among the first to suggest

644

00:23:24,529 --> 00:23:22,559

UFOs may not be extraterrestrial it

645

00:23:26,570 --> 00:23:24,539

might be something far more exotic in

646

00:23:28,250 --> 00:23:26,580

fact our first meeting he said I'm going

647

00:23:30,049 --> 00:23:28,260

to be really disappointed if it turns

648

00:23:32,450 --> 00:23:30,059

out the answer to this UFO mystery is

649

00:23:34,970 --> 00:23:32,460

that these are craft from other planets

650

00:23:37,909 --> 00:23:34,980

because he said if as the witnesses have

651
00:23:40,130 --> 00:23:37,919
indicated and the evidence shows these

652
00:23:42,110 --> 00:23:40,140
craft can manipulate space-time create

653
00:23:43,789 --> 00:23:42,120
their own gravity as Lazar has said

654
00:23:47,029 --> 00:23:43,799
right they can be from anywhere they can

655
00:23:50,149 --> 00:23:47,039
be from ET interdimensional outer space

656
00:23:51,770 --> 00:23:50,159
time travelers all the above so he got

657
00:23:54,169 --> 00:23:51,780
me thinking that maybe there's a lot

658
00:23:56,029 --> 00:23:54,179
more to it than just aliens visiting the

659
00:23:58,789 --> 00:23:56,039
planet and then

660
00:24:00,830 --> 00:23:58,799
Bigelow drives that point home he

661
00:24:02,630 --> 00:24:00,840
creates an organization called nids the

662
00:24:05,690 --> 00:24:02,640
National Institute for Discovery Science

663
00:24:07,549 --> 00:24:05,700

he has spent more money on UFO research

664

00:24:09,770 --> 00:24:07,559

than any person in the history of the

665

00:24:12,649 --> 00:24:09,780

world and he offered a million bucks up

666

00:24:14,450 --> 00:24:12,659

to the three major UFO organizations if

667

00:24:16,070 --> 00:24:14,460

they could just get along you need money

668

00:24:17,570 --> 00:24:16,080

you're always complaining about not

669

00:24:19,310 --> 00:24:17,580

enough money to do research or

670

00:24:21,529 --> 00:24:19,320

investigations here's a million bucks

671

00:24:23,690 --> 00:24:21,539

all you got to do is get along of course

672

00:24:25,789 --> 00:24:23,700

they couldn't and so he pulled it back

673

00:24:27,890 --> 00:24:25,799

off the table created his own UFO

674

00:24:29,990 --> 00:24:27,900

organization based in Las Vegas called

675

00:24:32,510 --> 00:24:30,000

nids I'm The Only journalist that's

676
00:24:34,669 --> 00:24:32,520
allowed to know about it he had me speak

677
00:24:36,770 --> 00:24:34,679
at the first beating of this nid science

678
00:24:38,810 --> 00:24:36,780
Advisory Board this amazing panel of

679
00:24:41,810 --> 00:24:38,820
people Jacques ballet is there along

680
00:24:44,270 --> 00:24:41,820
with Dr Hal putoff a CIA scientist who

681
00:24:46,630 --> 00:24:44,280
helped develop remote viewing Dr Edgar

682
00:24:49,690 --> 00:24:46,640
Mitchell uh uh

683
00:24:52,549 --> 00:24:49,700
walk on the moon and a PhD

684
00:24:54,649 --> 00:24:52,559
astrophysicist and a great guy yeah uh

685
00:24:57,230 --> 00:24:54,659
John Alexander came later Dr Colin

686
00:24:58,909 --> 00:24:57,240
Kelleher came later just a table full of

687
00:25:01,789 --> 00:24:58,919
people there was another U.S senator who

688
00:25:04,070 --> 00:25:01,799

was at the table Dr Harrison Schmidt who

689

00:25:06,470 --> 00:25:04,080

was on this board who had been the last

690

00:25:08,090 --> 00:25:06,480

person to walk on the move and I

691

00:25:10,250 --> 00:25:08,100

delivered a presentation to them at

692

00:25:12,649 --> 00:25:10,260

their first meeting about the Russian

693

00:25:14,270 --> 00:25:12,659

piles that you mentioned and uh I was

694

00:25:15,830 --> 00:25:14,280

just blown away by it I get out of that

695

00:25:18,049 --> 00:25:15,840

meeting about a week later I called

696

00:25:20,510 --> 00:25:18,059

Senator Reid I said hey there's this new

697

00:25:23,390 --> 00:25:20,520

organization on this topic that you and

698

00:25:24,649 --> 00:25:23,400

I talk about under the table now and

699

00:25:26,210 --> 00:25:24,659

then and I think you'd really be

700

00:25:27,649 --> 00:25:26,220

interested he says do you think I could

701

00:25:29,930 --> 00:25:27,659

get invited well that was my point of

702

00:25:32,390 --> 00:25:29,940

calling him and I said yeah I'll set an

703

00:25:34,909 --> 00:25:32,400

emotion and he did he got a meeting uh

704

00:25:36,590 --> 00:25:34,919

it came to a needs meeting later in that

705

00:25:38,870 --> 00:25:36,600

year and then from there on he was

706

00:25:40,610 --> 00:25:38,880

hooked uh you know he saw the caliber of

707

00:25:42,470 --> 00:25:40,620

people who are around that table and he

708

00:25:44,510 --> 00:25:42,480

was hooked yeah and and to fast forward

709

00:25:46,669 --> 00:25:44,520

from that so we'll go into that in other

710

00:25:49,190 --> 00:25:46,679

episodes I'm sure but you know nids

711

00:25:52,070 --> 00:25:49,200

became other things that ended up being

712

00:25:53,990 --> 00:25:52,080

this huge Dia government UFO program so

713

00:25:55,789 --> 00:25:54,000

on this podcast it's fair to say we're

714

00:25:57,470 --> 00:25:55,799

going to talk a lot about UFOs I'm just

715

00:26:00,409 --> 00:25:57,480

saying about Skinwalker so that same

716

00:26:03,110 --> 00:26:00,419

year nid's Bigelow buys Skinwalker Ranch

717

00:26:05,210 --> 00:26:03,120

and the idea is that Jacques valet had

718

00:26:08,690 --> 00:26:05,220

planted with me that it may not be

719

00:26:10,549 --> 00:26:08,700

extraterrestrial that that was that bore

720

00:26:13,310 --> 00:26:10,559

fruit there at the ranch because they

721

00:26:14,630 --> 00:26:13,320

the smorgasbord of strange stuff that

722

00:26:16,730 --> 00:26:14,640

was going on there certainly doesn't

723

00:26:18,649 --> 00:26:16,740

sound like what we think we know about

724

00:26:20,750 --> 00:26:18,659

ETS this was something else and we'll

725

00:26:23,149 --> 00:26:20,760

get into that yeah I mean the more that

726
00:26:25,669 --> 00:26:23,159
you look into this topic even for myself

727
00:26:27,169 --> 00:26:25,679
the more unsure you are of the

728
00:26:28,789 --> 00:26:27,179
conclusions that you that you really

729
00:26:30,830 --> 00:26:28,799
started with I mean we all start with

730
00:26:34,250 --> 00:26:30,840
some idea of what we think it is and the

731
00:26:35,930 --> 00:26:34,260
UFO history it really I mean that's for

732
00:26:38,450 --> 00:26:35,940
me it was it was this moment this one

733
00:26:40,250 --> 00:26:38,460
moment that made me realize you know I

734
00:26:42,049 --> 00:26:40,260
can't be a passive consumer of this I

735
00:26:43,730 --> 00:26:42,059
have to be an active participant you

736
00:26:44,990 --> 00:26:43,740
know because it's so fascinating what

737
00:26:46,850 --> 00:26:45,000
you and I have talked about a lot of

738
00:26:49,130 --> 00:26:46,860

times over the last decade or so you

739

00:26:51,649 --> 00:26:49,140

know they they as I started out the the

740

00:26:53,810 --> 00:26:51,659

big questions who are they where are

741

00:26:55,909 --> 00:26:53,820

they from why are they here what's their

742

00:26:57,590 --> 00:26:55,919

interest in us and we don't have answers

743

00:26:59,390 --> 00:26:57,600

to any of that we know a lot more stuff

744

00:27:00,529 --> 00:26:59,400

but we really don't know and the more I

745

00:27:03,289 --> 00:27:00,539

learn

746

00:27:06,049 --> 00:27:03,299

the fuzzier those answers get because

747

00:27:08,570 --> 00:27:06,059

you know some of this activity it

748

00:27:10,789 --> 00:27:08,580

doesn't fit into a category and you your

749

00:27:12,289 --> 00:27:10,799

own Journey sort of started at the same

750

00:27:14,149 --> 00:27:12,299

place we have the same gateway drug

751

00:27:17,269 --> 00:27:14,159

that's right that's right my gateway

752

00:27:19,010 --> 00:27:17,279

drug into UFOs was John Lear I mean well

753

00:27:21,830 --> 00:27:19,020

you know really I gotta say my my

754

00:27:24,409 --> 00:27:21,840

gateway drug and UFOs was you and Bob

755

00:27:27,230 --> 00:27:24,419

Lazar first coming forward to the public

756

00:27:29,269 --> 00:27:27,240

in the news reports and Bob saying what

757

00:27:31,310 --> 00:27:29,279

he did about the propulsion systems of

758

00:27:34,909 --> 00:27:31,320

this UFO craft that he said he worked on

759

00:27:36,409 --> 00:27:34,919

so we do have this this Central Point it

760

00:27:38,029 --> 00:27:36,419

was getting to you though that I think

761

00:27:40,730 --> 00:27:38,039

is hilarious people should see hear

762

00:27:42,710 --> 00:27:40,740

about that but what happened to me was I

763

00:27:45,409 --> 00:27:42,720

heard you and Bob on the radio and I

764

00:27:47,690 --> 00:27:45,419

heard Bob describing the way that the

765

00:27:50,390 --> 00:27:47,700

craft would move through space and time

766

00:27:52,070 --> 00:27:50,400

and he described it as falling into

767

00:27:54,289 --> 00:27:52,080

place like he would always say if you

768

00:27:56,390 --> 00:27:54,299

put a bowling ball on the bed and you

769

00:27:57,769 --> 00:27:56,400

stick your fist down and push down on

770

00:27:59,690 --> 00:27:57,779

the bed the bowling ball falls into

771

00:28:01,970 --> 00:27:59,700

place he's like that's the way the craft

772

00:28:04,669 --> 00:28:01,980

moved it's it's not reactionary

773

00:28:06,409 --> 00:28:04,679

propulsion it's reaction less propulsion

774

00:28:08,450 --> 00:28:06,419

it's not pushing something out the back

775

00:28:10,730 --> 00:28:08,460

to move forward from Rockets to roller

776

00:28:13,789 --> 00:28:10,740

skates that's the way things move as far

777

00:28:15,470 --> 00:28:13,799

as we know but hearing him as a 13 year

778

00:28:18,169 --> 00:28:15,480

old kid and you're interviewing him

779

00:28:20,450 --> 00:28:18,179

hearing him talk about gravitational

780

00:28:22,490 --> 00:28:20,460

propulsion and falling into space it

781

00:28:25,250 --> 00:28:22,500

dawned on me even at that young age when

782

00:28:27,890 --> 00:28:25,260

I was interested in in other things this

783

00:28:30,890 --> 00:28:27,900

interests me because I could understand

784

00:28:33,830 --> 00:28:30,900

that if Bob Lazar was telling the truth

785

00:28:37,549 --> 00:28:33,840

and if he was right about the propulsion

786

00:28:39,230 --> 00:28:37,559

right then distance no longer matters it

787

00:28:41,090 --> 00:28:39,240

was this idea the universe is vast

788

00:28:43,430 --> 00:28:41,100

there's probably intelligent life

789

00:28:46,250 --> 00:28:43,440

teeming through the universe but they

790

00:28:48,049 --> 00:28:46,260

ain't coming here there's no way and and

791

00:28:50,990 --> 00:28:48,059

the moment I heard Bob describe that I

792

00:28:52,970 --> 00:28:51,000

realized distance would be irrelevant if

793

00:28:55,490 --> 00:28:52,980

the physics of what he's saying is

794

00:28:57,289 --> 00:28:55,500

correct it wouldn't matter how far

795

00:28:59,330 --> 00:28:57,299

another civilization was if they could

796

00:29:01,970 --> 00:28:59,340

build these machines they could get here

797

00:29:04,490 --> 00:29:01,980

very easily one thing a buddy of mine

798

00:29:06,350 --> 00:29:04,500

smart buddy of mine once said to me

799

00:29:07,909 --> 00:29:06,360

um which is that he was Jeremy you're

800

00:29:10,190 --> 00:29:07,919

thinking about it wrong he goes it's

801
00:29:12,289 --> 00:29:10,200
probably really easy to get here and you

802
00:29:15,350 --> 00:29:12,299
know because I was like why so much why

803
00:29:18,950 --> 00:29:15,360
so much activity of UFOs how it's not

804
00:29:22,190 --> 00:29:18,960
just one person it's over time so much

805
00:29:24,169 --> 00:29:22,200
contact sightings radar

806
00:29:26,149 --> 00:29:24,179
it's got to be [h__\h] easy to get here

807
00:29:27,889 --> 00:29:26,159
so so that was that was a really

808
00:29:30,769 --> 00:29:27,899
interesting way to look at it so that

809
00:29:33,169 --> 00:29:30,779
was my Inception point I was 13 though I

810
00:29:34,909 --> 00:29:33,179
had a whole life and whole career that I

811
00:29:38,510 --> 00:29:34,919
was starting in in Marshall Athletics

812
00:29:40,070 --> 00:29:38,520
and art and art I ended up doing art uh

813
00:29:42,169 --> 00:29:40,080

you know because I got real ill and

814

00:29:45,289 --> 00:29:42,179

couldn't compete or train or anything

815

00:29:47,750 --> 00:29:45,299

like that so yes I did art as well and

816

00:29:50,450 --> 00:29:47,760

then you know really I got

817

00:29:52,909 --> 00:29:50,460

this idea I got actually I got a camera

818

00:29:55,490 --> 00:29:52,919

for my wedding and I it was really funny

819

00:29:56,870 --> 00:29:55,500

I pointed it the second I'd point it at

820

00:29:58,490 --> 00:29:56,880

somebody they'd start spilling beans to

821

00:29:59,389 --> 00:29:58,500

me you know it's like he would just talk

822

00:30:01,850 --> 00:29:59,399

and tell me stuff they probably

823

00:30:04,010 --> 00:30:01,860

shouldn't on camera and I was like this

824

00:30:05,930 --> 00:30:04,020

thing is magical you know this thing if

825

00:30:07,610 --> 00:30:05,940

I just point it at somebody it's magical

826

00:30:10,310 --> 00:30:07,620

and I'm like who can I point it at I

827

00:30:11,810 --> 00:30:10,320

want to learn more about UFOs so you

828

00:30:13,250 --> 00:30:11,820

were completely inaccessible of course

829

00:30:14,810 --> 00:30:13,260

Bob was completely completely

830

00:30:16,669 --> 00:30:14,820

inaccessible and I thought well who

831

00:30:19,310 --> 00:30:16,679

knows anything about this and I thought

832

00:30:20,810 --> 00:30:19,320

that would be John Lear so you know

833

00:30:22,010 --> 00:30:20,820

finally I got through to John which was

834

00:30:22,850 --> 00:30:22,020

also hard at the time because he was a

835

00:30:24,710 --> 00:30:22,860

little sick so everybody was like

836

00:30:26,389 --> 00:30:24,720

ghosting me in the UFO world and there

837

00:30:27,769 --> 00:30:26,399

was no like Twitter or anything that I

838

00:30:31,669 --> 00:30:27,779

could jump in and try to ask people

839

00:30:33,769 --> 00:30:31,679

questions so finally Lear said okay you

840

00:30:35,630 --> 00:30:33,779

know you come talk to me and I think he

841

00:30:37,070 --> 00:30:35,640

just wanted me to smuggle him cigars and

842

00:30:38,690 --> 00:30:37,080

Fritos or something you know because he

843

00:30:40,909 --> 00:30:38,700

didn't give me the time of day we sit

844

00:30:42,470 --> 00:30:40,919

there and for like two days he's staring

845

00:30:44,210 --> 00:30:42,480

at me through the barrel of a cigar not

846

00:30:45,970 --> 00:30:44,220

answering a single question and I'm

847

00:30:48,350 --> 00:30:45,980

filming him just sitting at his computer

848

00:30:49,549 --> 00:30:48,360

he was kind of testing me I know because

849

00:30:50,450 --> 00:30:49,559

I ended up filming with him for years

850

00:30:52,549 --> 00:30:50,460

after

851

00:30:55,730 --> 00:30:52,559

but the first question I ever asked

852

00:30:57,649 --> 00:30:55,740

about UFOs was okay what is your best

853

00:30:59,570 --> 00:30:57,659

piece of evidence that UFOs are real

854

00:31:02,330 --> 00:30:59,580

show it to me get you show it to put in

855

00:31:05,090 --> 00:31:02,340

my hands and you know my gosh how naive

856

00:31:07,490 --> 00:31:05,100

I was that it's that easy but so that's

857

00:31:09,409 --> 00:31:07,500

where I started filming but really with

858

00:31:12,110 --> 00:31:09,419

journalism it was me trying to get to

859

00:31:13,430 --> 00:31:12,120

you and I think you probably know this

860

00:31:15,889 --> 00:31:13,440

story on your side but you might not

861

00:31:17,810 --> 00:31:15,899

know it on my side but uh man I tried to

862

00:31:20,930 --> 00:31:17,820

you know I tried to contact you for it

863

00:31:22,190 --> 00:31:20,940

was I think it was two years it was some

864

00:31:24,230 --> 00:31:22,200

ridiculous time if you look through your

865

00:31:25,549 --> 00:31:24,240

emails you might find every six months I

866

00:31:27,010 --> 00:31:25,559

was respectfully trying to reach out to

867

00:31:29,149 --> 00:31:27,020

you called the station a couple times

868

00:31:32,090 --> 00:31:29,159

finally somebody from your station

869

00:31:33,769 --> 00:31:32,100

called me back and I I was doing arts

870

00:31:35,210 --> 00:31:33,779

and I had a pain all over my hands I'm

871

00:31:37,010 --> 00:31:35,220

actually resining something at the time

872

00:31:38,870 --> 00:31:37,020

and I just get the phone in my ear and

873

00:31:41,090 --> 00:31:38,880

goes hold for George Knapp that's all

874

00:31:43,430 --> 00:31:41,100

they said and I'm like hold on you know

875

00:31:45,289 --> 00:31:43,440

hold on and I'm like uh and he goes can

876

00:31:47,750 --> 00:31:45,299

I give you a piece of advice I said sure

877

00:31:49,850 --> 00:31:47,760

he goes know what you want to say say it

878

00:31:51,830 --> 00:31:49,860

clearly he doesn't have much time hold

879

00:31:54,590 --> 00:31:51,840

for George now up and I'm like oh [\h__\h]

880

00:31:56,029 --> 00:31:54,600

so the second you get on the phone I

881

00:31:57,289 --> 00:31:56,039

just start going hi my name is Jeremy

882

00:31:58,490 --> 00:31:57,299

Corbell I'm really into this but I'm not

883

00:31:59,450 --> 00:31:58,500

a crazy person I really want to know the

884

00:32:00,350 --> 00:31:59,460

truth I've got a few things that I've

885

00:32:01,610 --> 00:32:00,360

been doing I've been filming with John

886

00:32:02,510 --> 00:32:01,620

Lear for about nine months and I really

887

00:32:03,830 --> 00:32:02,520

want to know if you can give me any

888

00:32:04,909 --> 00:32:03,840

information I'm really interested in

889

00:32:06,649 --> 00:32:04,919

this and I want to know the truth and I

890

00:32:09,049 --> 00:32:06,659

don't want any BS and you to seem like

891

00:32:10,610 --> 00:32:09,059

the guy just talked as fast as I could

892

00:32:11,990 --> 00:32:10,620

and then it was like I think you were

893

00:32:14,570 --> 00:32:12,000

eating a sandwich because it was like

894

00:32:18,110 --> 00:32:14,580

the longest pause I thought you had hung

895

00:32:20,690 --> 00:32:18,120

up on me and then you're like okay I'll

896

00:32:22,130 --> 00:32:20,700

do my part I remember you said that and

897

00:32:23,570 --> 00:32:22,140

then bam probably the longest

898

00:32:27,350 --> 00:32:23,580

conversation we had on the phone it was

899

00:32:29,870 --> 00:32:27,360

one way you just told me [\h__\h] and I was

900

00:32:31,430 --> 00:32:29,880

like man that's so cool that you gave me

901
00:32:34,130 --> 00:32:31,440
that time that you really did your part

902
00:32:35,690 --> 00:32:34,140
so that just made my disease worse I was

903
00:32:37,610 --> 00:32:35,700
like oh man I'm coming to stay with you

904
00:32:39,950 --> 00:32:37,620
and you're like okay so that was how we

905
00:32:42,950 --> 00:32:39,960
from my perspective you know finally

906
00:32:44,630 --> 00:32:42,960
connected on on the UFO topic I think

907
00:32:46,730 --> 00:32:44,640
you saw I was serious about it I was

908
00:32:47,990 --> 00:32:46,740
starting to film you know some I didn't

909
00:32:49,730 --> 00:32:48,000
even know I'd be a filmmaker but I

910
00:32:52,070 --> 00:32:49,740
started to film because it was my

911
00:32:53,930 --> 00:32:52,080
passport into people's lives was just

912
00:32:57,289 --> 00:32:53,940
holding this camera at them nothing's

913
00:32:58,789 --> 00:32:57,299

changed you know well Ian Russell is the

914

00:33:01,070 --> 00:32:58,799

guy you talked to he's the producer of

915

00:33:02,990 --> 00:33:01,080

the i-team he was one of many Shields

916

00:33:05,330 --> 00:33:03,000

that I had at the station and after a

917

00:33:06,889 --> 00:33:05,340

while you know I was I was all gung-ho

918

00:33:08,330 --> 00:33:06,899

in the beginning on the UFO topic I

919

00:33:10,010 --> 00:33:08,340

wanted to hear from everybody but it

920

00:33:11,750 --> 00:33:10,020

becomes oppressive after a while you

921

00:33:13,669 --> 00:33:11,760

understand yes they do and to this day I

922

00:33:15,710 --> 00:33:13,679

get I stopped taking phone calls I

923

00:33:17,630 --> 00:33:15,720

stopped answering the phone because he'd

924

00:33:19,850 --> 00:33:17,640

get on the phone and people would would

925

00:33:21,289 --> 00:33:19,860

have a two-hour story about their UFO

926

00:33:23,750 --> 00:33:21,299

experience and yeah you couldn't get

927

00:33:25,370 --> 00:33:23,760

anything done so I reluctantly had to

928

00:33:26,930 --> 00:33:25,380

cut that off and I have all kinds of

929

00:33:29,210 --> 00:33:26,940

people at the station who would run

930

00:33:31,190 --> 00:33:29,220

interference for me yeah which I I

931

00:33:32,750 --> 00:33:31,200

regret but there's no other way to get

932

00:33:34,909 --> 00:33:32,760

anything else yeah you can't survive I

933

00:33:37,490 --> 00:33:34,919

mean so so since then just so for people

934

00:33:39,590 --> 00:33:37,500

that don't know uh my work and what I've

935

00:33:41,630 --> 00:33:39,600

done so what I what I've been attempting

936

00:33:44,029 --> 00:33:41,640

to do is is gather as much information

937

00:33:45,409 --> 00:33:44,039

and get it out in a credible way and and

938

00:33:47,570 --> 00:33:45,419

films have been a cool way to do that

939

00:33:49,970 --> 00:33:47,580

documentaries so my first documentary

940

00:33:52,430 --> 00:33:49,980

was called patient 17. my father got him

941

00:33:54,289 --> 00:33:52,440

Dr Roger Lear he believed he was

942

00:33:55,669 --> 00:33:54,299

um taking out what he called alien

943

00:33:56,990 --> 00:33:55,679

implants for people it was really really

944

00:34:00,950 --> 00:33:57,000

far out there I didn't want to do the

945

00:34:02,630 --> 00:34:00,960

film but the guy patient 17 I found him

946

00:34:04,490 --> 00:34:02,640

very credible so that was one of the

947

00:34:06,950 --> 00:34:04,500

reasons I made that first movie and then

948

00:34:09,290 --> 00:34:06,960

obviously hunt for the skinwalker which

949

00:34:11,030 --> 00:34:09,300

is based upon your initial research and

950

00:34:12,829 --> 00:34:11,040

book and filming out there it was the

951
00:34:14,510 --> 00:34:12,839
first time anybody ever saw the ranch so

952
00:34:17,270 --> 00:34:14,520
that was a movie that came out on Hulu

953
00:34:18,950 --> 00:34:17,280
so patient 17 came out on Netflix huge

954
00:34:20,210 --> 00:34:18,960
success for an unknown filmmaker who

955
00:34:21,649 --> 00:34:20,220
didn't even go to film school and

956
00:34:23,750 --> 00:34:21,659
doesn't really know how to use aperture

957
00:34:26,089 --> 00:34:23,760
whatever then I made Hunt for the

958
00:34:28,250 --> 00:34:26,099
skinwalker and then finally I made the

959
00:34:30,050 --> 00:34:28,260
movie Bob Lazar Area 51 and flying

960
00:34:33,649 --> 00:34:30,060
saucers which has also come out on

961
00:34:36,230 --> 00:34:33,659
Netflix and so as an unknown filmmaker

962
00:34:37,430 --> 00:34:36,240
I've been very lucky to get you know

963
00:34:39,290 --> 00:34:37,440

people to interview with me but then

964

00:34:41,030 --> 00:34:39,300

just to get these films out and seen

965

00:34:43,730 --> 00:34:41,040

like you know I feel like inspector

966

00:34:46,849 --> 00:34:43,740

Crusoe of filmmaker described for uh our

967

00:34:49,070 --> 00:34:46,859

listeners how it was getting Bob to

968

00:34:53,089 --> 00:34:49,080

cooperate and to eventually go on camera

969

00:34:57,349 --> 00:34:53,099

yeah man people don't get this I mean

970

00:34:59,089 --> 00:34:57,359

so it it's like capturing the yeti or

971

00:35:00,770 --> 00:34:59,099

the soft Squad you have to be really

972

00:35:02,510 --> 00:35:00,780

lucky and patient and it might not even

973

00:35:05,329 --> 00:35:02,520

exist you know

974

00:35:07,310 --> 00:35:05,339

um obviously knowing John Lear and then

975

00:35:09,410 --> 00:35:07,320

getting to know you it's like there was

976

00:35:10,849 --> 00:35:09,420

this idea that at some point I could

977

00:35:11,990 --> 00:35:10,859

just talk with Bob I didn't even want to

978

00:35:14,690 --> 00:35:12,000

necessarily film I just want to talk

979

00:35:17,210 --> 00:35:14,700

with him but there was no it was radio

980

00:35:19,430 --> 00:35:17,220

silence notoriously he doesn't want he

981

00:35:22,069 --> 00:35:19,440

doesn't feel a need to justify to the

982

00:35:23,810 --> 00:35:22,079

public what he's told them he he told

983

00:35:25,430 --> 00:35:23,820

the public what he did about UFOs and

984

00:35:26,569 --> 00:35:25,440

back engineering craft because he was

985

00:35:28,250 --> 00:35:26,579

scared for his life and you know that

986

00:35:32,210 --> 00:35:28,260

better than anybody to be true because

987

00:35:34,490 --> 00:35:32,220

you were there during it but getting Bob

988

00:35:36,829 --> 00:35:34,500

to go on camera took many many years I

989

00:35:38,569 --> 00:35:36,839

also didn't want to be pushy and you

990

00:35:40,670 --> 00:35:38,579

know I wasn't a real filmmaker really

991

00:35:42,770 --> 00:35:40,680

even then even with anybody I was

992

00:35:45,349 --> 00:35:42,780

filming so so the thing with Bob

993

00:35:46,849 --> 00:35:45,359

I lucked out one day he came over to

994

00:35:49,069 --> 00:35:46,859

John Lear's house the first time I ever

995

00:35:50,450 --> 00:35:49,079

got on my camera and respectfully I put

996

00:35:52,310 --> 00:35:50,460

all the cameras away

997

00:35:53,930 --> 00:35:52,320

and it's really nice to meet you hey man

998

00:35:55,250 --> 00:35:53,940

I really wanted to know are you telling

999

00:35:57,530 --> 00:35:55,260

the truth you know that's basically are

1000

00:35:58,790 --> 00:35:57,540

you [h__h] lying you know and then it

1001
00:36:01,190 --> 00:35:58,800
could just see this kind of look in his

1002
00:36:03,290 --> 00:36:01,200
eye I said Bob look I'm I was 13 years

1003
00:36:05,930 --> 00:36:03,300
old when it came out three more minutes

1004
00:36:08,569 --> 00:36:05,940
of you talking the world hasn't had like

1005
00:36:09,950 --> 00:36:08,579
extra footage of you you did some news

1006
00:36:11,150 --> 00:36:09,960
reports but he would barely give his

1007
00:36:11,930 --> 00:36:11,160
time I mean just give me three minutes

1008
00:36:14,450 --> 00:36:11,940
man

1009
00:36:15,710 --> 00:36:14,460
he said okay and so I filmed this like

1010
00:36:17,450 --> 00:36:15,720
it would actually ended up being more in

1011
00:36:19,370 --> 00:36:17,460
three minutes it was the first time that

1012
00:36:20,810 --> 00:36:19,380
he's really like defended his position I

1013
00:36:22,730 --> 00:36:20,820

was like damn that was cool even Lear

1014

00:36:25,130 --> 00:36:22,740

said I never heard him talk like that

1015

00:36:26,990 --> 00:36:25,140

but that's not a movie and that's not a

1016

00:36:29,270 --> 00:36:27,000

real interview and I'm a nobody with

1017

00:36:32,750 --> 00:36:29,280

this stuff so then you and I were

1018

00:36:34,670 --> 00:36:32,760

talking all this time over time one day

1019

00:36:37,490 --> 00:36:34,680

Bob just calls me up he goes okay come

1020

00:36:39,710 --> 00:36:37,500

over and he's in Michigan you can come

1021

00:36:41,690 --> 00:36:39,720

over he's like yeah let's do it come on

1022

00:36:44,030 --> 00:36:41,700

over and I'm thinking I still can't

1023

00:36:46,130 --> 00:36:44,040

believe it so I go with all of my bags

1024

00:36:47,870 --> 00:36:46,140

of cameras but I don't like let him see

1025

00:36:48,950 --> 00:36:47,880

them I'm just like hey man so why am I

1026

00:36:50,990 --> 00:36:48,960

here he goes why do you think you're

1027

00:36:53,089 --> 00:36:51,000

here and I'm like are you gonna let me

1028

00:36:55,310 --> 00:36:53,099

tell your story he goes under one

1029

00:36:57,589 --> 00:36:55,320

condition I said what's that and he's

1030

00:37:00,170 --> 00:36:57,599

like don't [\h__\h] lie you know just

1031

00:37:02,150 --> 00:37:00,180

don't don't corrupt just word for word

1032

00:37:04,310 --> 00:37:02,160

what I say is fine

1033

00:37:05,750 --> 00:37:04,320

and I thought wow okay here's my only

1034

00:37:09,109 --> 00:37:05,760

one condition

1035

00:37:11,210 --> 00:37:09,119

you give me access to everybody and

1036

00:37:12,530 --> 00:37:11,220

anybody if I see a box and it's closed

1037

00:37:14,270 --> 00:37:12,540

and I want it open you're gonna let me

1038

00:37:16,130 --> 00:37:14,280

open it and he goes yeah fine

1039

00:37:17,630 --> 00:37:16,140

he didn't care let me look through all

1040

00:37:20,750 --> 00:37:17,640

your video tapes yeah cool audio tapes

1041

00:37:22,730 --> 00:37:20,760

no problem so that's that's once it once

1042

00:37:24,290 --> 00:37:22,740

he opened up then it was like okay the

1043

00:37:26,569 --> 00:37:24,300

world needs to hear this story again

1044

00:37:28,550 --> 00:37:26,579

they can make their own decision whether

1045

00:37:30,470 --> 00:37:28,560

it's true or not true that's not was not

1046

00:37:32,150 --> 00:37:30,480

the point of my documentary it was not a

1047

00:37:34,130 --> 00:37:32,160

breakdown of every argument for and

1048

00:37:36,890 --> 00:37:34,140

against Bob Lazar the idea of the

1049

00:37:38,990 --> 00:37:36,900

documentary was to show people who Bob

1050

00:37:41,569 --> 00:37:39,000

was so they could not dehumanize and

1051
00:37:42,829 --> 00:37:41,579
dismiss him based upon these outrageous

1052
00:37:44,569 --> 00:37:42,839
things they've said just get to know

1053
00:37:46,010 --> 00:37:44,579
he's a guy and then you start thinking

1054
00:37:47,810 --> 00:37:46,020
about his story maybe another

1055
00:37:50,150 --> 00:37:47,820
documentary we do we go into the

1056
00:37:52,370 --> 00:37:50,160
nitty-gritty of pros and cons for is Bob

1057
00:37:54,109 --> 00:37:52,380
telling us the truth the point that Bob

1058
00:37:55,430 --> 00:37:54,119
is telling us the truth I believe Bob's

1059
00:37:56,270 --> 00:37:55,440
telling us the truth and I actually have

1060
00:37:57,829 --> 00:37:56,280
more information than the general

1061
00:37:59,690 --> 00:37:57,839
Republican so do you

1062
00:38:01,790 --> 00:37:59,700
so yeah if I didn't think he was being

1063
00:38:04,190 --> 00:38:01,800

truthful I wouldn't still be on it and

1064

00:38:05,990 --> 00:38:04,200

I'd say so you know I would report it we

1065

00:38:07,730 --> 00:38:06,000

went down that road when I was first

1066

00:38:09,470 --> 00:38:07,740

looking into his background and we ran

1067

00:38:11,630 --> 00:38:09,480

into some speed bumps I mean some pretty

1068

00:38:13,370 --> 00:38:11,640

big problems the schools he said he went

1069

00:38:14,870 --> 00:38:13,380

to uh claimed they had never heard of

1070

00:38:16,310 --> 00:38:14,880

him I thought well this project could

1071

00:38:18,550 --> 00:38:16,320

end before it really gets going right

1072

00:38:21,230 --> 00:38:18,560

and then you know if

1073

00:38:24,109 --> 00:38:21,240

followed the lead a couple of different

1074

00:38:25,609 --> 00:38:24,119

places to Los Alamos his claim that he

1075

00:38:28,190 --> 00:38:25,619

had worked at Los Alamos if he had

1076

00:38:30,829 --> 00:38:28,200

worked there and classified projects in

1077

00:38:32,329 --> 00:38:30,839

a scientific or technical position then

1078

00:38:33,710 --> 00:38:32,339

it really didn't matter to me whether he

1079

00:38:35,390 --> 00:38:33,720

had gone to the schools he claimed or

1080

00:38:36,829 --> 00:38:35,400

not because it was plausible that he

1081

00:38:39,650 --> 00:38:36,839

could get hired to work out in the

1082

00:38:41,630 --> 00:38:39,660

Nevada desert and work on this and I

1083

00:38:43,790 --> 00:38:41,640

still believe that to be true there are

1084

00:38:45,650 --> 00:38:43,800

so many detractors so many people who

1085

00:38:48,050 --> 00:38:45,660

are deep into the UFO subject who

1086

00:38:49,790 --> 00:38:48,060

believe we have crash saucers and we're

1087

00:38:51,710 --> 00:38:49,800

doing reverse engineering and we might

1088

00:38:54,109 --> 00:38:51,720

even be doing it out at the places where

1089

00:38:56,390 --> 00:38:54,119

he said we're doing it still find

1090

00:38:58,790 --> 00:38:56,400

reasons to not believe Bob he's a liar

1091

00:39:00,829 --> 00:38:58,800

he's a you know he's a profiteer he's

1092

00:39:03,050 --> 00:39:00,839

just doing this for attention he is the

1093

00:39:05,030 --> 00:39:03,060

most reluctant UFO Messiah I know and

1094

00:39:07,370 --> 00:39:05,040

getting him to go on camera that first

1095

00:39:09,710 --> 00:39:07,380

time was was a miracle getting him to go

1096

00:39:11,390 --> 00:39:09,720

on camera after that was like pulling

1097

00:39:13,069 --> 00:39:11,400

teeth right and you and I were talking

1098

00:39:15,589 --> 00:39:13,079

on the way on the drive over here today

1099

00:39:17,569 --> 00:39:15,599

is that on the day that we revealed his

1100

00:39:19,910 --> 00:39:17,579

identity to the world and told him that

1101
00:39:21,650 --> 00:39:19,920
he's Bob Lazar not this guy Dennis he

1102
00:39:23,390 --> 00:39:21,660
was in the station and I was we were

1103
00:39:25,609 --> 00:39:23,400
editing right up at the last minute and

1104
00:39:27,170 --> 00:39:25,619
I had that videotape to take it to the

1105
00:39:29,210 --> 00:39:27,180
control room to get it ready to go on

1106
00:39:31,490 --> 00:39:29,220
the air and he grabbed it from me and we

1107
00:39:32,990 --> 00:39:31,500
got in a little tussle he had decided he

1108
00:39:35,089 --> 00:39:33,000
changed his mind I don't want to do this

1109
00:39:37,430 --> 00:39:35,099
and he's been that way ever since you

1110
00:39:39,650 --> 00:39:37,440
know he's uh he knew he was going to

1111
00:39:41,270 --> 00:39:39,660
take a lot of grief he's taken an

1112
00:39:43,730 --> 00:39:41,280
unimaginable amount of grief from

1113
00:39:46,609 --> 00:39:43,740

especially from the UFO world but he

1114

00:39:48,650 --> 00:39:46,619

stuck to a story so big picture this is

1115

00:39:49,730 --> 00:39:48,660

representative of that you know

1116

00:39:51,530 --> 00:39:49,740

obviously we're gonna have some great

1117

00:39:53,569 --> 00:39:51,540

guests throughout this podcast and show

1118

00:39:56,990 --> 00:39:53,579

it's gonna be cool people will speak for

1119

00:39:58,490 --> 00:39:57,000

themselves as well but big picture what

1120

00:40:00,109 --> 00:39:58,500

you're describing there is kind of a

1121

00:40:02,210 --> 00:40:00,119

syndrome of what we see about the UFO

1122

00:40:04,790 --> 00:40:02,220

Topic in general which which now there's

1123

00:40:07,370 --> 00:40:04,800

been a sea change and we're we are in

1124

00:40:09,410 --> 00:40:07,380

the mass media Congress and Senate is

1125

00:40:11,510 --> 00:40:09,420

creating whistleblower laws so that

1126

00:40:13,010 --> 00:40:11,520

people can come testify but the big

1127

00:40:15,050 --> 00:40:13,020

picture is that

1128

00:40:17,569 --> 00:40:15,060

human beings we all have this innate

1129

00:40:19,490 --> 00:40:17,579

feat nobody has no opinion about UFOs

1130

00:40:21,410 --> 00:40:19,500

everybody has a strong opinion to begin

1131

00:40:23,329 --> 00:40:21,420

with they're either real or they're not

1132

00:40:25,910 --> 00:40:23,339

real and and I kind of feel that's

1133

00:40:27,589 --> 00:40:25,920

that's fair UFOs are real or they're not

1134

00:40:29,690 --> 00:40:27,599

real there's either craft of Unknown

1135

00:40:31,730 --> 00:40:29,700

Origin that are flying with impunity

1136

00:40:34,010 --> 00:40:31,740

within our restricted airspace globally

1137

00:40:37,010 --> 00:40:34,020

for decades or longer

1138

00:40:39,650 --> 00:40:37,020

or they're not it's it's that simple but

1139

00:40:42,470 --> 00:40:39,660

the point is human beings we all have a

1140

00:40:44,990 --> 00:40:42,480

very strong opinion and bias when it

1141

00:40:46,970 --> 00:40:45,000

comes to this now the more we learn we

1142

00:40:49,490 --> 00:40:46,980

can start saying okay I'm starting to to

1143

00:40:51,290 --> 00:40:49,500

feel that this is a real phenomenon I I

1144

00:40:53,510 --> 00:40:51,300

don't feel that every opinion is created

1145

00:40:54,890 --> 00:40:53,520

equal I think that if you've lived a

1146

00:40:57,290 --> 00:40:54,900

certain life and you've done a certain

1147

00:40:59,030 --> 00:40:57,300

amount of work to understand something

1148

00:41:00,050 --> 00:40:59,040

you know if you put calculus in front of

1149

00:41:01,130 --> 00:41:00,060

me I'm not going to be able to jam it

1150

00:41:03,770 --> 00:41:01,140

out like somebody who studied it their

1151

00:41:06,490 --> 00:41:03,780

whole life so the idea is we all bring

1152

00:41:08,690 --> 00:41:06,500

bias towards this thing especially UFOs

1153

00:41:11,690 --> 00:41:08,700

however I think there is something to be

1154

00:41:13,670 --> 00:41:11,700

learned right well you know going at

1155

00:41:15,290 --> 00:41:13,680

this as I said what hooked me as the

1156

00:41:17,150 --> 00:41:15,300

paper trail there is a trail of

1157

00:41:19,069 --> 00:41:17,160

documents that shows our military has

1158

00:41:21,829 --> 00:41:19,079

studied this that they have evidence in

1159

00:41:25,010 --> 00:41:21,839

their possession maybe even craft uh and

1160

00:41:27,410 --> 00:41:25,020

maybe even bodies from Crash sites uh so

1161

00:41:29,210 --> 00:41:27,420

I I really wanted to pursue that and and

1162

00:41:32,089 --> 00:41:29,220

in order to pursue it you know that

1163

00:41:33,950 --> 00:41:32,099

there are people inside government who

1164

00:41:35,810 --> 00:41:33,960

know more than anyone else right in this

1165

00:41:37,430 --> 00:41:35,820

the reason is simple this is that Dr

1166

00:41:39,589 --> 00:41:37,440

ballet had said you know if you're

1167

00:41:40,970 --> 00:41:39,599

looking at who has the evidence it's the

1168

00:41:42,770 --> 00:41:40,980

government it's the military because

1169

00:41:44,390 --> 00:41:42,780

they have the capability to collect it

1170

00:41:46,190 --> 00:41:44,400

they have the sensor systems and

1171

00:41:48,050 --> 00:41:46,200

satellites and you know and and

1172

00:41:50,030 --> 00:41:48,060

Personnel all over the world they have

1173

00:41:51,950 --> 00:41:50,040

the evidence if you want high resolution

1174

00:41:53,450 --> 00:41:51,960

photos if you crash retrievals this is

1175

00:41:56,450 --> 00:41:53,460

going to be operated by a government so

1176

00:41:58,069 --> 00:41:56,460

if this stuff indeed exists bodies it's

1177

00:41:59,510 --> 00:41:58,079

not going to be in someone's home so how

1178

00:42:01,790 --> 00:41:59,520

do you crack that part of the mystery

1179

00:42:04,069 --> 00:42:01,800

and that not as a journalist I approach

1180

00:42:06,230 --> 00:42:04,079

that by trying to establish trust with

1181

00:42:07,910 --> 00:42:06,240

people that I thought knew the

1182

00:42:09,770 --> 00:42:07,920

relationships that I developed through

1183

00:42:12,589 --> 00:42:09,780

Robert Bigelow through those nids people

1184

00:42:15,170 --> 00:42:12,599

who had been in government who had

1185

00:42:17,690 --> 00:42:15,180

worked for CIA and Dia and other

1186

00:42:20,030 --> 00:42:17,700

organizations who had had information

1187

00:42:22,310 --> 00:42:20,040

from the inside just didn't have a way

1188

00:42:24,589 --> 00:42:22,320

to get it out develop relationships with

1189

00:42:26,450 --> 00:42:24,599

them establish trust and then work from

1190

00:42:28,730 --> 00:42:26,460

there and the seeds that were planted

1191

00:42:32,329 --> 00:42:28,740

back then by establishing relationships

1192

00:42:33,890 --> 00:42:32,339

with those folks and with Harry Reid is

1193

00:42:35,630 --> 00:42:33,900

directly responsible for what's on

1194

00:42:37,370 --> 00:42:35,640

folding right now I mean right and

1195

00:42:39,109 --> 00:42:37,380

there's a lot unfolding right now and

1196

00:42:40,730 --> 00:42:39,119

this is kind of what I want to make sure

1197

00:42:41,390 --> 00:42:40,740

we go through some stuff

1198

00:42:42,530 --> 00:42:41,400

um

1199

00:42:44,990 --> 00:42:42,540

so

1200

00:42:48,410 --> 00:42:45,000

what is unfolding right now has been

1201
00:42:50,750 --> 00:42:48,420
really unfolding since December of 2017

1202
00:42:52,430 --> 00:42:50,760
with the New York Times article so to

1203
00:42:55,190 --> 00:42:52,440
bring everybody up to date if you've

1204
00:42:57,349 --> 00:42:55,200
never been into this topic but just on a

1205
00:42:58,970 --> 00:42:57,359
real basic level there was an article

1206
00:43:01,309 --> 00:42:58,980
that came out in the New York Times and

1207
00:43:05,510 --> 00:43:01,319
it was an admission of the the longest

1208
00:43:07,130 --> 00:43:05,520
most uh the biggest UFO study of all

1209
00:43:09,290 --> 00:43:07,140
time by our government that is

1210
00:43:11,450 --> 00:43:09,300
acknowledged and so this is a story that

1211
00:43:13,490 --> 00:43:11,460
you knew about a long time before but it

1212
00:43:15,710 --> 00:43:13,500
really broke the UFO story for the world

1213
00:43:17,930 --> 00:43:15,720

that changed the attitudes of people

1214

00:43:20,569 --> 00:43:17,940

right yeah the New York Times doing the

1215

00:43:22,910 --> 00:43:20,579

story is a signal to other mainstream

1216

00:43:25,190 --> 00:43:22,920

media that this is not disgraceful it's

1217

00:43:27,230 --> 00:43:25,200

not nonsense if the paper of record does

1218

00:43:29,210 --> 00:43:27,240

it it's acceptable for you to do it too

1219

00:43:31,430 --> 00:43:29,220

and it's exactly the effect that it had

1220

00:43:33,950 --> 00:43:31,440

because every news organization in the

1221

00:43:35,870 --> 00:43:33,960

world started reporting on UFOs after

1222

00:43:38,510 --> 00:43:35,880

the times through the story The the

1223

00:43:40,910 --> 00:43:38,520

report in December of 2017 was explosive

1224

00:43:42,829 --> 00:43:40,920

you and I knew it was coming and had

1225

00:43:44,870 --> 00:43:42,839

done some things in advance it's and

1226

00:43:46,390 --> 00:43:44,880

even in your film yeah Skinwalker hey in

1227

00:43:48,589 --> 00:43:46,400

a couple of weeks something bigger right

1228

00:43:50,690 --> 00:43:48,599

but the New York Times story as

1229

00:43:52,430 --> 00:43:50,700

important as it was got it wrong they

1230

00:43:54,470 --> 00:43:52,440

had reported about the existence of a

1231

00:43:57,050 --> 00:43:54,480

program called atip and the guy who was

1232

00:44:00,410 --> 00:43:57,060

in charge of it was Lou Elizondo who had

1233

00:44:02,750 --> 00:44:00,420

worked as an Insider he had had uh and

1234

00:44:05,329 --> 00:44:02,760

came forward he was upset that secrecy

1235

00:44:07,609 --> 00:44:05,339

existed the time said that the atep had

1236

00:44:09,890 --> 00:44:07,619

a budget of 22 million dollars that had

1237

00:44:11,510 --> 00:44:09,900

been arranged by Senator Harry Reid that

1238

00:44:13,970 --> 00:44:11,520

the money went to Robert Bigelow and

1239

00:44:16,069 --> 00:44:13,980

they were studying UFOs well a lot of

1240

00:44:17,750 --> 00:44:16,079

that was right and it was a crucial and

1241

00:44:19,670 --> 00:44:17,760

important story but a lot of it was

1242

00:44:21,349 --> 00:44:19,680

wrong the actual program was called

1243

00:44:22,790 --> 00:44:21,359

something else and in the months that

1244

00:44:24,589 --> 00:44:22,800

followed

1245

00:44:26,809 --> 00:44:24,599

um I started digging into that I was

1246

00:44:28,730 --> 00:44:26,819

invited to go to a meeting in in

1247

00:44:30,950 --> 00:44:28,740

Washington DC with Senator Harry Reid

1248

00:44:32,270 --> 00:44:30,960

and an intelligence guy that I can say

1249

00:44:34,190 --> 00:44:32,280

the name of it now his name is Jim

1250

00:44:36,829 --> 00:44:34,200

lakatski he had worked for the defense

1251
00:44:39,950 --> 00:44:36,839
intelligence agency had spent 20 years

1252
00:44:41,750 --> 00:44:39,960
as a rocket scientist analyzing enemy

1253
00:44:44,809 --> 00:44:41,760
systems and and doing reverse

1254
00:44:47,210 --> 00:44:44,819
engineering things that sort and he took

1255
00:44:48,770 --> 00:44:47,220
an interest in Skinwalker Ranch and the

1256
00:44:50,809 --> 00:44:48,780
possibility that there were National

1257
00:44:52,849 --> 00:44:50,819
Defense considerations based on our book

1258
00:44:54,829 --> 00:44:52,859
hunt for the skinwalker he read the book

1259
00:44:56,690 --> 00:44:54,839
he shared it with other intelligence

1260
00:44:58,849 --> 00:44:56,700
officials they thought it was

1261
00:45:01,490 --> 00:44:58,859
interesting as well so he act as

1262
00:45:03,530 --> 00:45:01,500
superiors for permission to go visit the

1263
00:45:05,750 --> 00:45:03,540

ranch he reached out to Robert Bigelow

1264

00:45:08,390 --> 00:45:05,760

went to the property had a dramatic

1265

00:45:10,910 --> 00:45:08,400

experience went back to Washington wrote

1266

00:45:12,890 --> 00:45:10,920

up a proposal for a program sold it to

1267

00:45:15,470 --> 00:45:12,900

Harry Reid who pitched it to fellow

1268

00:45:17,630 --> 00:45:15,480

Senate Senators they secured 22 million

1269

00:45:19,609 --> 00:45:17,640

dollars the program is called ASAP

1270

00:45:21,950 --> 00:45:19,619

Advanced Aerospace Weapons Systems

1271

00:45:24,530 --> 00:45:21,960

application program it does not mention

1272

00:45:27,349 --> 00:45:24,540

UFOs in any of the documents it was put

1273

00:45:29,569 --> 00:45:27,359

out as a contract Robert Bigelow created

1274

00:45:31,730 --> 00:45:29,579

an organization called Bass

1275

00:45:35,270 --> 00:45:31,740

apologies for all these acronyms by the

1276

00:45:36,770 --> 00:45:35,280

way alsap is the program under DIA bass

1277

00:45:38,809 --> 00:45:36,780

is the organization that got the

1278

00:45:41,210 --> 00:45:38,819

contract and they started a study it was

1279

00:45:43,970 --> 00:45:41,220

a secret study it was supposed to last

1280

00:45:46,370 --> 00:45:43,980

for five years Skinwalker Ranch was used

1281

00:45:48,650 --> 00:45:46,380

as a sort of a base of operations but it

1282

00:45:51,230 --> 00:45:48,660

wasn't the focus of the study and they

1283

00:45:53,870 --> 00:45:51,240

proceeded to hire 50 full-time

1284

00:45:55,550 --> 00:45:53,880

investigators biggest UFO program in the

1285

00:45:58,490 --> 00:45:55,560

history of our government that we know

1286

00:46:00,109 --> 00:45:58,500

of right and there are others that we

1287

00:46:02,690 --> 00:46:00,119

might know and there are others and and

1288

00:46:05,089 --> 00:46:02,700

hopefully that'll come out so I am sure

1289

00:46:07,430 --> 00:46:05,099

that on this show we're going to have

1290

00:46:09,290 --> 00:46:07,440

people come on we're also going to poke

1291

00:46:11,870 --> 00:46:09,300

the bear on the show I mean we're going

1292

00:46:13,849 --> 00:46:11,880

to be able to release stuff that we've

1293

00:46:16,609 --> 00:46:13,859

debated about how to release if we

1294

00:46:18,589 --> 00:46:16,619

obtain information photos videos how do

1295

00:46:20,690 --> 00:46:18,599

we release it so but I want to talk

1296

00:46:23,030 --> 00:46:20,700

about how that started for us and how we

1297

00:46:25,250 --> 00:46:23,040

work together on this so we really poked

1298

00:46:26,930 --> 00:46:25,260

the bear because what happened was you

1299

00:46:29,270 --> 00:46:26,940

know UFOs all of a sudden it's all over

1300

00:46:32,150 --> 00:46:29,280

the media we catchwin that there is

1301
00:46:34,250 --> 00:46:32,160
going to be be a an official UFO report

1302
00:46:35,329 --> 00:46:34,260
coming out and we're thinking huh what

1303
00:46:36,650 --> 00:46:35,339
are they going to put in there are they

1304
00:46:38,990 --> 00:46:36,660
going to whitewash this are they going

1305
00:46:42,050 --> 00:46:39,000
to play it down so you and I have been

1306
00:46:44,210 --> 00:46:42,060
sitting on a certain imagery for for

1307
00:46:45,430 --> 00:46:44,220
years in some cases and we thought all

1308
00:46:49,250 --> 00:46:45,440
right let's put it together

1309
00:46:50,630 --> 00:46:49,260
corroborative Visual Evidence of East

1310
00:46:52,670 --> 00:46:50,640
Coast and West Coast encounters

1311
00:46:55,730 --> 00:46:52,680
everybody had kind of heard about the

1312
00:46:57,890 --> 00:46:55,740
Tic Tac UFO Case by that point with

1313
00:46:59,150 --> 00:46:57,900

Commander David fraver and I was

1314

00:47:00,589 --> 00:46:59,160

absolutely the first person to be

1315

00:47:02,510 --> 00:47:00,599

interviewing him about all that for

1316

00:47:04,370 --> 00:47:02,520

years he's talked about that and I

1317

00:47:06,470 --> 00:47:04,380

didn't blow his cover but the New York

1318

00:47:08,750 --> 00:47:06,480

Times article did blow his cover I mean

1319

00:47:10,910 --> 00:47:08,760

at that point there was a whole thing

1320

00:47:13,790 --> 00:47:10,920

about him so

1321

00:47:15,710 --> 00:47:13,800

basically we decided and tell me if you

1322

00:47:18,890 --> 00:47:15,720

agree with how this works but we we

1323

00:47:21,710 --> 00:47:18,900

decided hey if we have any chance ever

1324

00:47:24,589 --> 00:47:21,720

to push the envelope it's going to be

1325

00:47:26,870 --> 00:47:24,599

now what can we responsibly put out to

1326

00:47:28,370 --> 00:47:26,880

poke the bear and try to get a response

1327

00:47:31,069 --> 00:47:28,380

an official response from our government

1328

00:47:33,890 --> 00:47:31,079

on cases we knew were legitimate the

1329

00:47:37,069 --> 00:47:33,900

2019 swarm Events off of the West Coast

1330

00:47:40,970 --> 00:47:37,079

of California involving 10 ships over

1331

00:47:43,430 --> 00:47:40,980

100 UFOs simultaneously over three days

1332

00:47:46,190 --> 00:47:43,440

and then on the East Coast you have

1333

00:47:47,809 --> 00:47:46,200

photographs from fa-18 Pilots shooting

1334

00:47:50,210 --> 00:47:47,819

out the window on their iPhone let me

1335

00:47:52,190 --> 00:47:50,220

let me back up for a second 2004 Tic Tac

1336

00:47:54,650 --> 00:47:52,200

may be the most important UFO case of

1337

00:47:56,089 --> 00:47:54,660

all time given its importance it was

1338

00:47:58,370 --> 00:47:56,099

Central to the New York Times story

1339

00:48:00,530 --> 00:47:58,380

which changed everything we reported it

1340

00:48:02,030 --> 00:48:00,540

before the New York Times we did uh and

1341

00:48:03,530 --> 00:48:02,040

and in part that was because of the

1342

00:48:05,210 --> 00:48:03,540

relationship you developed with Dave

1343

00:48:07,370 --> 00:48:05,220

fraber I had shared with you some

1344

00:48:10,190 --> 00:48:07,380

information that had come my way through

1345

00:48:12,470 --> 00:48:10,200

the OSAP program about this the first

1346

00:48:15,410 --> 00:48:12,480

study of the Tic Tac incident was done

1347

00:48:18,290 --> 00:48:15,420

by OSAP for bass a document I released

1348

00:48:20,150 --> 00:48:18,300

in 2018 after you had broken the story

1349

00:48:22,490 --> 00:48:20,160

about Dave fraver we had broken it

1350

00:48:24,530 --> 00:48:22,500

together but because of how you handled

1351
00:48:26,750 --> 00:48:24,540
Dave fraver and you were trustworthy and

1352
00:48:28,670 --> 00:48:26,760
you kept your word and handled it in a

1353
00:48:31,910 --> 00:48:28,680
responsible way that word gets around

1354
00:48:34,190 --> 00:48:31,920
among his fellow Naval aviators which

1355
00:48:36,829 --> 00:48:34,200
paid off dividends in big ways and is

1356
00:48:39,109 --> 00:48:36,839
still doing that now absolutely and yeah

1357
00:48:41,210 --> 00:48:39,119
now it's just an onslaught you know of

1358
00:48:43,010 --> 00:48:41,220
information that comes our way which I

1359
00:48:45,950 --> 00:48:43,020
appreciate greatly but credible

1360
00:48:48,349 --> 00:48:45,960
information imagery videos photos that

1361
00:48:50,870 --> 00:48:48,359
kind of thing so so just to kind of get

1362
00:48:53,390 --> 00:48:50,880
to the core of it there's this sea

1363
00:48:54,490 --> 00:48:53,400

change how how UFOs are covered we

1364

00:48:56,450 --> 00:48:54,500

decide we're going to put out

1365

00:48:59,089 --> 00:48:56,460

responsibly we're going to put out this

1366

00:49:01,970 --> 00:48:59,099

information which is inherently non it

1367

00:49:04,370 --> 00:49:01,980

is inherently not classified yet it was

1368

00:49:06,530 --> 00:49:04,380

contained in classified briefings but

1369

00:49:10,790 --> 00:49:06,540

what we received was the non-classified

1370

00:49:13,550 --> 00:49:10,800

aspects of it so uh four videos radar

1371

00:49:16,309 --> 00:49:13,560

thermal ir and deck footage normal

1372

00:49:19,550 --> 00:49:16,319

camera footage all supporting one event

1373

00:49:21,530 --> 00:49:19,560

series that was happening in 2019 two

1374

00:49:24,650 --> 00:49:21,540

slides official government slides one

1375

00:49:26,809 --> 00:49:24,660

talking about uh trans medium craft the

1376

00:49:29,510 --> 00:49:26,819

other talking about pyramids triangular

1377

00:49:32,270 --> 00:49:29,520

and shape so we're reporting the news we

1378

00:49:34,550 --> 00:49:32,280

give all this information out hey we

1379

00:49:36,770 --> 00:49:34,560

this is what we see going on and then

1380

00:49:38,750 --> 00:49:36,780

also with that is your images you

1381

00:49:40,309 --> 00:49:38,760

obtained from the from the fighter

1382

00:49:42,109 --> 00:49:40,319

pilots off the West Coast so we're

1383

00:49:44,150 --> 00:49:42,119

trying to show East-West Coast this is

1384

00:49:46,790 --> 00:49:44,160

happening and you told people at that

1385

00:49:48,349 --> 00:49:46,800

time this is happening on a daily basis

1386

00:49:50,390 --> 00:49:48,359

I don't think anybody believed it but

1387

00:49:53,210 --> 00:49:50,400

yeah after the New York Times story

1388

00:49:54,970 --> 00:49:53,220

December 2017 there's an explosion of

1389

00:49:56,990 --> 00:49:54,980

interest in UFOs we start getting

1390

00:49:58,550 --> 00:49:57,000

invitations to speak at these

1391

00:50:00,530 --> 00:49:58,560

conferences and I'm gathering

1392

00:50:02,270 --> 00:50:00,540

information from people's sources I had

1393

00:50:04,069 --> 00:50:02,280

developed over a number of years and at

1394

00:50:05,390 --> 00:50:04,079

those conferences Lachlan may be a

1395

00:50:07,250 --> 00:50:05,400

couple of other ones I make the

1396

00:50:10,130 --> 00:50:07,260

statement that look there's a giant

1397

00:50:12,890 --> 00:50:10,140

Naval Base on the east coast and Pilots

1398

00:50:15,349 --> 00:50:12,900

Naval Pilots are seeing UFOs every day

1399

00:50:17,450 --> 00:50:15,359

right and that was going on in 2014 2015

1400

00:50:19,550 --> 00:50:17,460

and and continued and I don't think

1401

00:50:22,250 --> 00:50:19,560

anybody believed me but we subsequently

1402

00:50:24,290 --> 00:50:22,260

learned that it was going on that the

1403

00:50:26,809 --> 00:50:24,300

you know the Navy was trying to get its

1404

00:50:28,430 --> 00:50:26,819

Pilots to take photos these aviators are

1405

00:50:29,809 --> 00:50:28,440

reluctant to do that they don't want it

1406

00:50:31,609 --> 00:50:29,819

to interfere with their career or get

1407

00:50:33,589 --> 00:50:31,619

them grounded that'd be the last thing

1408

00:50:35,510 --> 00:50:33,599

they want to have happen but in the

1409

00:50:37,609 --> 00:50:35,520

course of uh there's an area called

1410

00:50:39,470 --> 00:50:37,619

Oceana that's the base the big Naval Air

1411

00:50:42,710 --> 00:50:39,480

Station on the East Coast there's an

1412

00:50:44,990 --> 00:50:42,720

area called w72 over the ocean

1413

00:50:47,270 --> 00:50:45,000

pliers aviators would fly out of this

1414

00:50:48,650 --> 00:50:47,280

base and go out into the ocean every day

1415

00:50:50,990 --> 00:50:48,660

and every day they're seeing these

1416

00:50:52,430 --> 00:50:51,000

things they finally get some Pilots to

1417

00:50:56,630 --> 00:50:52,440

take pictures

1418

00:50:57,970 --> 00:50:56,640

and in February of 2019 one sortee took

1419

00:51:01,430 --> 00:50:57,980

pictures of three different objects

1420

00:51:03,470 --> 00:51:01,440

those photos came my way a couple months

1421

00:51:05,510 --> 00:51:03,480

later there was a sort of a UFO Summit

1422

00:51:07,670 --> 00:51:05,520

in Las Vegas Harry Reid was there Robert

1423

00:51:09,650 --> 00:51:07,680

Bigelow I won't say everybody else but I

1424

00:51:11,930 --> 00:51:09,660

was there and saw these photos and I sat

1425

00:51:13,670 --> 00:51:11,940

on because I I didn't have permission to

1426

00:51:15,650 --> 00:51:13,680

release them but after you start getting

1427

00:51:17,390 --> 00:51:15,660

a lot of images I thought well what the

1428

00:51:18,710 --> 00:51:17,400

heck let's do it let's see and we and we

1429

00:51:20,089 --> 00:51:18,720

did kind of talk with everybody and make

1430

00:51:22,430 --> 00:51:20,099

sure now I'm not going to reveal

1431

00:51:24,710 --> 00:51:22,440

specifically how or where I receive

1432

00:51:27,890 --> 00:51:24,720

stuff you know or anything like that but

1433

00:51:30,109 --> 00:51:27,900

you know obviously the information we

1434

00:51:32,150 --> 00:51:30,119

have is correct and it is credible and

1435

00:51:33,290 --> 00:51:32,160

it is military film footage and how

1436

00:51:36,829 --> 00:51:33,300

quickly the United States government

1437

00:51:40,309 --> 00:51:36,839

confirmed yes these are military videos

1438

00:51:42,410 --> 00:51:40,319

and yes they are of unknowns now we'll

1439

00:51:45,410 --> 00:51:42,420

talk about how that's changed or not

1440

00:51:47,510 --> 00:51:45,420

changed at another date but I think it's

1441

00:51:50,089 --> 00:51:47,520

important to understand that when I get

1442

00:51:52,309 --> 00:51:50,099

information that comes to me I know I

1443

00:51:54,770 --> 00:51:52,319

can go to you and you have your own sort

1444

00:51:57,410 --> 00:51:54,780

courses that can then help me vet

1445

00:52:00,950 --> 00:51:57,420

information so it works both ways and

1446

00:52:03,170 --> 00:52:00,960

it's really cool that we can do that to

1447

00:52:05,690 --> 00:52:03,180

find out if the content or information

1448

00:52:08,390 --> 00:52:05,700

we're being given is credible reliable

1449

00:52:09,950 --> 00:52:08,400

and if it's something we can legally put

1450

00:52:11,990 --> 00:52:09,960

out I should point out that you

1451
00:52:14,150 --> 00:52:12,000
mentioned about a classified briefing so

1452
00:52:16,370 --> 00:52:14,160
there was the atip program that Lou

1453
00:52:18,230 --> 00:52:16,380
Elizondo had it that was the report in

1454
00:52:20,450 --> 00:52:18,240
the New York Times there was the OSAP

1455
00:52:22,849 --> 00:52:20,460
program that I revealed the existence of

1456
00:52:25,730 --> 00:52:22,859
that was headed by Jim lakatsky at the

1457
00:52:29,510 --> 00:52:25,740
DIA they studied Tic Tac and many other

1458
00:52:30,589 --> 00:52:29,520
UFO cases and then after those programs

1459
00:52:32,690 --> 00:52:30,599
went away

1460
00:52:34,069 --> 00:52:32,700
uh something else came in there it

1461
00:52:36,109 --> 00:52:34,079
didn't even have a name for a long time

1462
00:52:38,930 --> 00:52:36,119
and then it became the UAP task force

1463
00:52:40,549 --> 00:52:38,940

and the guy who was in charge of it I'll

1464

00:52:43,370 --> 00:52:40,559

say his name now we can say it Jay

1465

00:52:45,349 --> 00:52:43,380

Stratton had worked with both atip and

1466

00:52:47,930 --> 00:52:45,359

OSAP and he was carrying on the

1467

00:52:50,750 --> 00:52:47,940

investigation on a very quiet basis

1468

00:52:53,630 --> 00:52:50,760

trying to put things together collecting

1469

00:52:55,490 --> 00:52:53,640

data and information and images from all

1470

00:52:57,049 --> 00:52:55,500

kinds of different agencies he put it

1471

00:52:58,849 --> 00:52:57,059

together in this massive briefing

1472

00:53:02,150 --> 00:52:58,859

document and it would make presentations

1473

00:53:04,190 --> 00:53:02,160

to the Joint Chiefs to the CIA to the

1474

00:53:06,710 --> 00:53:04,200

DIA and eventually to defense

1475

00:53:09,049 --> 00:53:06,720

contractors and because the the actual

1476

00:53:11,390 --> 00:53:09,059

document itself was classified but the

1477

00:53:12,530 --> 00:53:11,400

images that we've now made public were

1478

00:53:14,510 --> 00:53:12,540

not classified

1479

00:53:15,710 --> 00:53:14,520

it's hard to explain that hard for

1480

00:53:17,089 --> 00:53:15,720

people to understand that it could be

1481

00:53:20,210 --> 00:53:17,099

true but it was true well anything

1482

00:53:22,849 --> 00:53:20,220

without a specific demarcation as a

1483

00:53:25,670 --> 00:53:22,859

journalist we can accept if if it's not

1484

00:53:28,130 --> 00:53:25,680

has a clear you know markation of it

1485

00:53:29,990 --> 00:53:28,140

being classified or secret or sensitive

1486

00:53:32,089 --> 00:53:30,000

so you and I steer well away from that

1487

00:53:34,250 --> 00:53:32,099

but that's one way you can know that

1488

00:53:35,990 --> 00:53:34,260

you're okay yeah so I I release the

1489

00:53:37,670 --> 00:53:36,000

images from the East Coast they're

1490

00:53:39,170 --> 00:53:37,680

photos and they're they don't show the

1491

00:53:40,790 --> 00:53:39,180

Starship Enterprise or something but

1492

00:53:42,710 --> 00:53:40,800

they're really interesting and they were

1493

00:53:45,770 --> 00:53:42,720

to that to this day we're still

1494

00:53:48,109 --> 00:53:45,780

considered unidentified you uh collect

1495

00:53:51,589 --> 00:53:48,119

some images that were in that classified

1496

00:53:53,390 --> 00:53:51,599

briefing not classified videos uh let's

1497

00:53:56,089 --> 00:53:53,400

start with talk about the USS overall

1498

00:53:57,890 --> 00:53:56,099

that's an example so July 2019 what's

1499

00:53:59,569 --> 00:53:57,900

going on on the west coast yeah so I

1500

00:54:01,790 --> 00:53:59,579

mean this is a huge topic we're going to

1501
00:54:03,950 --> 00:54:01,800
dedicate at least a couple episodes to

1502
00:54:07,549 --> 00:54:03,960
this but the the big picture is that

1503
00:54:10,190 --> 00:54:07,559
there were swarm events of UFOs and in

1504
00:54:11,990 --> 00:54:10,200
2019 one that came to my attention and

1505
00:54:14,990 --> 00:54:12,000
that I've done more digging on this than

1506
00:54:17,270 --> 00:54:15,000
than anybody yeah even more than our own

1507
00:54:18,950 --> 00:54:17,280
intelligence agencies every witness that

1508
00:54:20,870 --> 00:54:18,960
I speak with said they haven't talked to

1509
00:54:22,549 --> 00:54:20,880
any of them or if they did way less than

1510
00:54:24,410 --> 00:54:22,559
they've talked to me so now at this

1511
00:54:26,809 --> 00:54:24,420
point there's so many people involved on

1512
00:54:29,150 --> 00:54:26,819
these 10 ships at least 10 ships that

1513
00:54:30,950 --> 00:54:29,160

are swarmed simultaneously on the east

1514

00:54:33,349 --> 00:54:30,960

coast in 2019 over the course of three

1515

00:54:35,390 --> 00:54:33,359

days and and we're going to get in way

1516

00:54:37,309 --> 00:54:35,400

into this you know what are the shapes

1517

00:54:39,349 --> 00:54:37,319

of these things how did they look what

1518

00:54:41,089 --> 00:54:39,359

did the Spy one radar people think what

1519

00:54:46,490 --> 00:54:41,099

are the people fighting the ships do

1520

00:54:49,670 --> 00:54:46,500

this is one Epic modern day UFO swarm

1521

00:54:51,890 --> 00:54:49,680

encounter on our own military that is

1522

00:54:54,109 --> 00:54:51,900

not something we can brush under the

1523

00:54:56,630 --> 00:54:54,119

table or explain easily as some process

1524

00:55:00,410 --> 00:54:56,640

started to try to do so so that's what

1525

00:55:03,109 --> 00:55:00,420

that case was is the 2019 uh West Coast

1526

00:55:05,690 --> 00:55:03,119

but again there are big cases throughout

1527

00:55:07,190 --> 00:55:05,700

history we have the Tic Tac UFO event we

1528

00:55:08,930 --> 00:55:07,200

have everything that's going on in the

1529

00:55:11,270 --> 00:55:08,940

east coast like uh Lieutenant Ryan

1530

00:55:15,290 --> 00:55:11,280

Graves talking about how they would see

1531

00:55:16,910 --> 00:55:15,300

these UFOs on a daily basis I want to go

1532

00:55:18,890 --> 00:55:16,920

back to the Omaha because I think you're

1533

00:55:21,530 --> 00:55:18,900

giving it short shrift so you know all

1534

00:55:24,410 --> 00:55:21,540

right 10 ships yes 10 warships are the

1535

00:55:26,510 --> 00:55:24,420

U.S Navy yes 100 miles off the West

1536

00:55:29,809 --> 00:55:26,520

Coast yeah out there in the oceans uh

1537

00:55:32,089 --> 00:55:29,819

west of San Diego are all swarmed over a

1538

00:55:33,770 --> 00:55:32,099

couple days by hundreds of objects some

1539

00:55:36,650 --> 00:55:33,780

people have tried to say the other just

1540

00:55:38,750 --> 00:55:36,660

drones you know just drones flying out

1541

00:55:40,490 --> 00:55:38,760

of nowhere you don't see them land you

1542

00:55:42,170 --> 00:55:40,500

don't see them where they took off where

1543

00:55:45,170 --> 00:55:42,180

they came from right they're over our

1544

00:55:47,990 --> 00:55:45,180

ships buzzing around performing some

1545

00:55:50,329 --> 00:55:48,000

pretty amazing Maneuvers and some of

1546

00:55:52,790 --> 00:55:50,339

those images are recorded in particular

1547

00:55:56,030 --> 00:55:52,800

by the crew of the USS Omaha right so I

1548

00:55:58,849 --> 00:55:56,040

was I was able to obtain numerous videos

1549

00:56:01,790 --> 00:55:58,859

and to be clear that we're not in those

1550

00:56:03,770 --> 00:56:01,800

uh classified briefings I think we kind

1551

00:56:05,750 --> 00:56:03,780

of Miss talk let's get real clear on

1552

00:56:09,710 --> 00:56:05,760

that right a lot of what I obtained and

1553

00:56:12,290 --> 00:56:09,720

released was not in the report by Jay

1554

00:56:15,470 --> 00:56:12,300

Stratton for the UAP task force in fact

1555

00:56:18,589 --> 00:56:15,480

our Pentagon didn't have this military

1556

00:56:20,809 --> 00:56:18,599

footage until you and I gave it to them

1557

00:56:22,910 --> 00:56:20,819

and so I think that's really important

1558

00:56:25,130 --> 00:56:22,920

that they saw there was a break in the

1559

00:56:26,870 --> 00:56:25,140

chain of command here you and I should

1560

00:56:28,970 --> 00:56:26,880

be obsolete in this why should military

1561

00:56:31,130 --> 00:56:28,980

people feel like they need to give us

1562

00:56:32,569 --> 00:56:31,140

information that didn't we give because

1563

00:56:34,250 --> 00:56:32,579

we're already putting it out we say hey

1564

00:56:36,650 --> 00:56:34,260

we're putting this out so that's why

1565

00:56:39,470 --> 00:56:36,660

they had to confirm and then address

1566

00:56:42,049 --> 00:56:39,480

this footage in Congress and Senate

1567

00:56:43,609 --> 00:56:42,059

during the hearings some of it is

1568

00:56:45,470 --> 00:56:43,619

because we provided it to him we

1569

00:56:47,569 --> 00:56:45,480

shouldn't have to do that so I hope

1570

00:56:50,150 --> 00:56:47,579

that's that's it clarifies to people but

1571

00:56:52,490 --> 00:56:50,160

to your point I'd say we said 100 miles

1572

00:56:54,770 --> 00:56:52,500

within a radius of 100 miles there were

1573

00:56:58,809 --> 00:56:54,780

10 ships so this was the circle or the

1574

00:57:01,010 --> 00:56:58,819

diameter of at least 100 UFOs

1575

00:57:04,370 --> 00:57:01,020

simultaneously swarming all of these 10

1576
00:57:06,049 --> 00:57:04,380
Navy warships now it's proximity to land

1577
00:57:08,690 --> 00:57:06,059
is different for each ship because

1578
00:57:10,849 --> 00:57:08,700
they're in at radius and there are some

1579
00:57:13,370 --> 00:57:10,859
big deals about that for example

1580
00:57:16,309 --> 00:57:13,380
I think we should give people today two

1581
00:57:19,130 --> 00:57:16,319
things they haven't had before so one is

1582
00:57:21,190 --> 00:57:19,140
is that when the USS Omaha was swarmed

1583
00:57:24,950 --> 00:57:21,200
so is the USS Russell the Paul Hamilton

1584
00:57:27,170 --> 00:57:24,960
a bunch of ships well I've been speaking

1585
00:57:29,990 --> 00:57:27,180
with individuals from each ship in

1586
00:57:32,030 --> 00:57:30,000
different levels of responsibility I

1587
00:57:34,370 --> 00:57:32,040
think we should play for people one of

1588
00:57:36,829 --> 00:57:34,380

the direct testimony of an eyewitness

1589

00:57:38,630 --> 00:57:36,839

that's the thing that's been missing is

1590

00:57:40,549 --> 00:57:38,640

is people that were actually there yeah

1591

00:57:42,410 --> 00:57:40,559

I should I should point out you've got a

1592

00:57:45,170 --> 00:57:42,420

lot of eyewitnesses that you've spoken

1593

00:57:47,569 --> 00:57:45,180

to recorded who've willingly come

1594

00:57:49,430 --> 00:57:47,579

forward and shared information and to

1595

00:57:52,069 --> 00:57:49,440

set up this this audio clip we're about

1596

00:57:54,170 --> 00:57:52,079

to hear is those who would like us to

1597

00:57:55,849 --> 00:57:54,180

dismiss this and say it's just drones

1598

00:57:57,770 --> 00:57:55,859

like you know you can go buy them at

1599

00:58:00,710 --> 00:57:57,780

Kmart or something or it's something you

1600

00:58:02,329 --> 00:58:00,720

can buy off the internet uh again you're

1601
00:58:04,430 --> 00:58:02,339
a hundred miles out to see for some of

1602
00:58:06,349 --> 00:58:04,440
these ships there are no other land

1603
00:58:08,329 --> 00:58:06,359
there's no other land out there from

1604
00:58:10,309 --> 00:58:08,339
which you can launch a drone there are

1605
00:58:12,770 --> 00:58:10,319
no other ships except for one that we'll

1606
00:58:15,890 --> 00:58:12,780
talk about yeah and where did these uh

1607
00:58:17,930 --> 00:58:15,900
drones come from it's important yeah so

1608
00:58:19,910 --> 00:58:17,940
so what's so there's going to be a lot

1609
00:58:21,710 --> 00:58:19,920
more from this witness and other

1610
00:58:23,990 --> 00:58:21,720
Witnesses from Paul Hamilton that have

1611
00:58:25,609 --> 00:58:24,000
allowed me to record with them and we're

1612
00:58:27,049 --> 00:58:25,619
going to have some people in person but

1613
00:58:28,910 --> 00:58:27,059

the main thing is all these people are

1614

00:58:30,530 --> 00:58:28,920

still active duty and and this is not

1615

00:58:32,870 --> 00:58:30,540

their goal is to become the UFO person

1616

00:58:34,130 --> 00:58:32,880

so I'm not gonna just broadcast their

1617

00:58:37,549 --> 00:58:34,140

names necessarily but I got the audio

1618

00:58:39,349 --> 00:58:37,559

recordings so with this particular clip

1619

00:58:41,390 --> 00:58:39,359

out of like a number that I'll that will

1620

00:58:44,870 --> 00:58:41,400

be released at some point they talk

1621

00:58:46,910 --> 00:58:44,880

about the these objects these UFOs at

1622

00:58:48,650 --> 00:58:46,920

one point he said to me these are UFOs

1623

00:58:50,690 --> 00:58:48,660

they're unidentified but we have to call

1624

00:58:52,789 --> 00:58:50,700

them something we call them uas you know

1625

00:58:53,930 --> 00:58:52,799

unmanned aerial systems because they

1626
00:58:55,010 --> 00:58:53,940
just weren't big enough to hold a human

1627
00:58:57,289 --> 00:58:55,020
being

1628
00:58:59,150 --> 00:58:57,299
we're coming from the west and so that's

1629
00:59:00,890 --> 00:58:59,160
kind of the point of this audio let's

1630
00:59:03,470 --> 00:59:00,900
listen to it and then we can talk about

1631
00:59:06,230 --> 00:59:03,480
it but it's just one of the details of

1632
00:59:07,789 --> 00:59:06,240
why we shouldn't just dismiss this first

1633
00:59:09,410 --> 00:59:07,799
of all it just says drones or second of

1634
00:59:10,789 --> 00:59:09,420
all just as like adversarial or even

1635
00:59:12,589 --> 00:59:10,799
commercial drones

1636
00:59:14,150 --> 00:59:12,599
where did they land where did they

1637
00:59:16,609 --> 00:59:14,160
launch so let's play the audio and then

1638
00:59:18,710 --> 00:59:16,619

we'll talk about it and for purposes

1639

00:59:22,370 --> 00:59:18,720

right here I'm just gonna play it on my

1640

00:59:25,130 --> 00:59:22,380

phone out loud for us 53 seconds

1641

00:59:26,930 --> 00:59:25,140

so from what direction was this swarm

1642

00:59:29,750 --> 00:59:26,940

coming it was actually coming a little

1643

00:59:30,950 --> 00:59:29,760

less it was coming from the West yeah

1644

00:59:32,690 --> 00:59:30,960

from the West

1645

00:59:35,089 --> 00:59:32,700

so over water

1646

00:59:36,650 --> 00:59:35,099

over water away from Land I mean like

1647

00:59:38,089 --> 00:59:36,660

the only thing you have over there is

1648

00:59:40,670 --> 00:59:38,099

like the wine is probably the closest

1649

00:59:42,230 --> 00:59:40,680

thing left to us and when they were

1650

00:59:44,630 --> 00:59:42,240

departing what direction were they

1651
00:59:45,650 --> 00:59:44,640
departing to they would depart in

1652
00:59:48,349 --> 00:59:45,660
different

1653
00:59:50,329 --> 00:59:48,359
on

1654
00:59:52,510 --> 00:59:50,339
so normally always from the west and

1655
00:59:54,829 --> 00:59:52,520
then departing in a different direction

1656
00:59:58,849 --> 00:59:54,839
yeah yeah

1657
01:00:00,950 --> 00:59:58,859
um not exclusively but uh yeah pretty

1658
01:00:03,770 --> 01:00:00,960
constantly it'd be a different bearing

1659
01:00:05,450 --> 01:00:03,780
which is weird right like so if you

1660
01:00:07,190 --> 01:00:05,460
deploy a drone to go check something out

1661
01:00:09,230 --> 01:00:07,200
he would come back so that was like

1662
01:00:11,569 --> 01:00:09,240
something significant enough for us to

1663
01:00:12,829 --> 01:00:11,579

like report that hey he's saying we're

1664

01:00:13,670 --> 01:00:12,839

going a different direction that they

1665

01:00:15,770 --> 01:00:13,680

came

1666

01:00:17,569 --> 01:00:15,780

so a very simple statement there's so

1667

01:00:19,370 --> 01:00:17,579

many parts we could pull from to have

1668

01:00:22,670 --> 01:00:19,380

this conversation but I thought that one

1669

01:00:25,490 --> 01:00:22,680

was cool because he's like they were

1670

01:00:27,230 --> 01:00:25,500

coming from the West so normally if you

1671

01:00:29,450 --> 01:00:27,240

had any kind of drone they would have to

1672

01:00:31,670 --> 01:00:29,460

return to its launch point but he's seen

1673

01:00:34,010 --> 01:00:31,680

him come in and durationally go in other

1674

01:00:35,630 --> 01:00:34,020

directions so who's were they where do

1675

01:00:37,789 --> 01:00:35,640

they come from so did somebody launch

1676
01:00:39,589 --> 01:00:37,799
their Walmart drone from Hawaii and it

1677
01:00:41,569 --> 01:00:39,599
traveled 1800 miles to buzz these

1678
01:00:43,609 --> 01:00:41,579
there's hundreds of them that buzzed

1679
01:00:45,470 --> 01:00:43,619
these 10 chips over three days you've

1680
01:00:47,930 --> 01:00:45,480
got number of witnesses who saw them

1681
01:00:50,990 --> 01:00:47,940
yeah and then and then back to the USS

1682
01:00:53,270 --> 01:00:51,000
Omaha the video that you released pretty

1683
01:00:56,930 --> 01:00:53,280
famous this is an orb this is a eight or

1684
01:00:59,990 --> 01:00:56,940
nine ten feet uh at a circle no wings no

1685
01:01:02,329 --> 01:01:00,000
tail no rotor no visible propulsion

1686
01:01:04,670 --> 01:01:02,339
system and they track it on a thermal

1687
01:01:07,010 --> 01:01:04,680
screen it's not a TV Camera it's a

1688
01:01:08,630 --> 01:01:07,020

thermal imaging system they track it for

1689

01:01:10,069 --> 01:01:08,640

I don't know an hour they travel along

1690

01:01:11,930 --> 01:01:10,079

with it yeah well they track some so

1691

01:01:13,849 --> 01:01:11,940

yeah this is it's approximately about 10

1692

01:01:16,430 --> 01:01:13,859

feet in diameter is what the their best

1693

01:01:19,130 --> 01:01:16,440

assumption at this point but uh what's

1694

01:01:21,109 --> 01:01:19,140

important about it is it shows an object

1695

01:01:22,970 --> 01:01:21,119

going into the water and this was just

1696

01:01:25,069 --> 01:01:22,980

what the our government said they

1697

01:01:26,870 --> 01:01:25,079

believe it to be transmedium they sent

1698

01:01:28,970 --> 01:01:26,880

helicopters up after this thing and

1699

01:01:30,650 --> 01:01:28,980

actually do have witnesses that actually

1700

01:01:32,630 --> 01:01:30,660

saw them going into the water so that's

1701
01:01:34,130 --> 01:01:32,640
a whole nother thing but here's the deal

1702
01:01:37,490 --> 01:01:34,140
man

1703
01:01:39,650 --> 01:01:37,500
all that footage it's not just one piece

1704
01:01:42,589 --> 01:01:39,660
of footage it's a military filmed weapon

1705
01:01:45,170 --> 01:01:42,599
systems that got first of all thermal an

1706
01:01:48,530 --> 01:01:45,180
object going into the water but radar

1707
01:01:50,930 --> 01:01:48,540
that showed about 14 contacts around

1708
01:01:52,730 --> 01:01:50,940
this one ship at this one time then we

1709
01:01:53,750 --> 01:01:52,740
have deck footage from the deck what did

1710
01:01:56,030 --> 01:01:53,760
it look like

1711
01:01:58,430 --> 01:01:56,040
and then also infrared footage off the

1712
01:02:00,049 --> 01:01:58,440
USS Russell so the corroborative Visual

1713
01:02:01,910 --> 01:02:00,059

Evidence that this was going on but then

1714

01:02:04,370 --> 01:02:01,920

once you start talking with people I

1715

01:02:06,470 --> 01:02:04,380

mean they're like astonished of how

1716

01:02:07,549 --> 01:02:06,480

these things could move what they could

1717

01:02:09,890 --> 01:02:07,559

do

1718

01:02:11,750 --> 01:02:09,900

um how they seemed to be defenseless

1719

01:02:13,490 --> 01:02:11,760

against this and then there's been all

1720

01:02:14,990 --> 01:02:13,500

this play of like oh these are just

1721

01:02:16,549 --> 01:02:15,000

drones okay maybe they're not commercial

1722

01:02:18,589 --> 01:02:16,559

drones they're definitely military

1723

01:02:20,510 --> 01:02:18,599

drones so it must be China or something

1724

01:02:23,329 --> 01:02:20,520

like that well we have a lot to say

1725

01:02:25,730 --> 01:02:23,339

about that over the course of this these

1726

01:02:27,890 --> 01:02:25,740

next episodes I mean it's like there's a

1727

01:02:30,049 --> 01:02:27,900

lot of problems with trying to dismiss

1728

01:02:32,089 --> 01:02:30,059

this very important event just to point

1729

01:02:33,890 --> 01:02:32,099

out to our listeners too so you have the

1730

01:02:36,349 --> 01:02:33,900

three different sets of images from the

1731

01:02:38,329 --> 01:02:36,359

USS Omaha the thermal screen showing

1732

01:02:40,970 --> 01:02:38,339

this giant orb travel along with the

1733

01:02:43,609 --> 01:02:40,980

ship yep then a shot of the radar screen

1734

01:02:45,589 --> 01:02:43,619

showing up to 14 images blinking in and

1735

01:02:47,270 --> 01:02:45,599

out and then the videos taken on the

1736

01:02:49,730 --> 01:02:47,280

deck that shows the lights hovering over

1737

01:02:51,470 --> 01:02:49,740

the ship right you sent those we sent

1738

01:02:53,450 --> 01:02:51,480

those to the Pentagon because we had

1739

01:02:55,789 --> 01:02:53,460

them and they didn't and suddenly they

1740

01:02:58,069 --> 01:02:55,799

had them them and people started had to

1741

01:03:00,049 --> 01:02:58,079

ask them is this for real and to our

1742

01:03:02,329 --> 01:03:00,059

utter and total astonishment the

1743

01:03:03,710 --> 01:03:02,339

Pentagon said yes yes for the first time

1744

01:03:05,750 --> 01:03:03,720

of the life they're honest about UFOs

1745

01:03:08,089 --> 01:03:05,760

yes they are recorded by the Navy and

1746

01:03:12,950 --> 01:03:08,099

yes they're real and yes they are

1747

01:03:14,450 --> 01:03:12,960

included in the UAP uh study so these

1748

01:03:16,309 --> 01:03:14,460

are not just ident like it's not like

1749

01:03:19,130 --> 01:03:16,319

yeah that's real but we know what they

1750

01:03:20,809 --> 01:03:19,140

are it's included in the uh so they also

1751

01:03:24,829 --> 01:03:20,819

admitted that that was included in the

1752

01:03:26,630 --> 01:03:24,839

UFO UAP study and and we now know to a

1753

01:03:28,970 --> 01:03:26,640

higher degree that they did study it

1754

01:03:31,010 --> 01:03:28,980

that they did go check on some of the

1755

01:03:34,069 --> 01:03:31,020

ships after that OSI office special

1756

01:03:36,049 --> 01:03:34,079

investigations for the Navy so there's a

1757

01:03:38,510 --> 01:03:36,059

huge story in there that people are

1758

01:03:41,089 --> 01:03:38,520

trying to just dismiss with ridiculous

1759

01:03:44,569 --> 01:03:41,099

statements yeah so among the most famous

1760

01:03:47,150 --> 01:03:44,579

images from that July 2019 episode are

1761

01:03:49,069 --> 01:03:47,160

these green pyramids that we released

1762

01:03:51,049 --> 01:03:49,079

that you you obtained a Wii release

1763

01:03:53,089 --> 01:03:51,059

together and they went all over the

1764

01:03:54,950 --> 01:03:53,099

world immediately and every UFO story

1765

01:03:56,510 --> 01:03:54,960

you see on every Network now they use

1766

01:03:58,370 --> 01:03:56,520

some of that video Yeah and of course

1767

01:04:00,470 --> 01:03:58,380

you know the the debunkers who don't

1768

01:04:04,010 --> 01:04:00,480

want this to be true try to explain this

1769

01:04:05,569 --> 01:04:04,020

is It's a trick uh a bokeh it's a trick

1770

01:04:07,549 --> 01:04:05,579

from the lens light then enters this

1771

01:04:09,410 --> 01:04:07,559

lens from night vision and it's not

1772

01:04:11,450 --> 01:04:09,420

really pyramids it's something else well

1773

01:04:13,430 --> 01:04:11,460

you know the question is are they

1774

01:04:16,370 --> 01:04:13,440

unidentified craft flying over these

1775

01:04:18,289 --> 01:04:16,380

ships because the USS Russell they had a

1776

01:04:20,089 --> 01:04:18,299

rangefinder that said one of them at

1777

01:04:22,730 --> 01:04:20,099

least was 700 feet above the deck so

1778

01:04:24,049 --> 01:04:22,740

it's not a star right yeah yeah no there

1779

01:04:25,970 --> 01:04:24,059

were absolutely

1780

01:04:27,950 --> 01:04:25,980

um remember during this time period at

1781

01:04:32,210 --> 01:04:27,960

with any given ship there was you know

1782

01:04:34,430 --> 01:04:32,220

10 14 up to 20 of these unidentified in

1783

01:04:37,370 --> 01:04:34,440

close proximity to each other swarming

1784

01:04:40,490 --> 01:04:37,380

each Navy ship usually in patterns with

1785

01:04:42,410 --> 01:04:40,500

one above some even shot down like beams

1786

01:04:45,950 --> 01:04:42,420

of Light which you know I have testimony

1787

01:04:48,230 --> 01:04:45,960

for we'll talk about later but uh these

1788

01:04:51,829 --> 01:04:48,240

this whole big debate of trying to say

1789

01:04:54,170 --> 01:04:51,839

oh you know the shape of it was not uh

1790

01:04:57,650 --> 01:04:54,180

you know pyramid or triangle like

1791

01:04:59,030 --> 01:04:57,660

on one level I'm like okay no problem I

1792

01:05:01,549 --> 01:04:59,040

don't care if it was shaped like Mickey

1793

01:05:02,809 --> 01:05:01,559

Mouse we have no dog in this room people

1794

01:05:05,030 --> 01:05:02,819

have put it on me because because I

1795

01:05:06,770 --> 01:05:05,040

reported it but like I don't have a dog

1796

01:05:08,210 --> 01:05:06,780

in the fight it you know if there's a

1797

01:05:11,150 --> 01:05:08,220

lens artifact that makes it look that

1798

01:05:13,430 --> 01:05:11,160

way great great I don't care however

1799

01:05:14,990 --> 01:05:13,440

the problem is is that every time you

1800

01:05:16,849 --> 01:05:15,000

and I have pushed back on the people

1801
01:05:18,170 --> 01:05:16,859
that have more sensor data and more

1802
01:05:20,329 --> 01:05:18,180
information who did this for the

1803
01:05:22,130 --> 01:05:20,339
government tell them hey you know is the

1804
01:05:23,750 --> 01:05:22,140
shape wrong in your original report

1805
01:05:25,370 --> 01:05:23,760
because that's all we did we put out a

1806
01:05:26,750 --> 01:05:25,380
report says triangle by angle of

1807
01:05:28,549 --> 01:05:26,760
observation but in the classified

1808
01:05:30,770 --> 01:05:28,559
briefings they would say shaped in the

1809
01:05:32,569 --> 01:05:30,780
form of pyramids and I I actually

1810
01:05:35,089 --> 01:05:32,579
physically saw that okay I'll admit that

1811
01:05:37,010 --> 01:05:35,099
much so the question is is the report

1812
01:05:38,329 --> 01:05:37,020
wrong and you and I have asked over and

1813
01:05:39,710 --> 01:05:38,339

over and over to the people that

1814

01:05:41,450 --> 01:05:39,720

actually generated the report that have

1815

01:05:42,650 --> 01:05:41,460

all the sensor systems and they keep

1816

01:05:45,109 --> 01:05:42,660

saying

1817

01:05:46,730 --> 01:05:45,119

it's it's the original it's correct and

1818

01:05:48,829 --> 01:05:46,740

it's unknown I mean the main point is

1819

01:05:50,809 --> 01:05:48,839

it's an unknown crack of unknown or

1820

01:05:52,490 --> 01:05:50,819

that's flying over U.S warships that is

1821

01:05:53,990 --> 01:05:52,500

the main point here's what shape it is

1822

01:05:56,150 --> 01:05:54,000

yeah yeah that is the main purpose I

1823

01:05:58,789 --> 01:05:56,160

just want to address that that all I did

1824

01:06:00,289 --> 01:05:58,799

was report very directly what was in

1825

01:06:02,750 --> 01:06:00,299

originally a classified document

1826

01:06:05,329 --> 01:06:02,760

unclassified slides I reported what's in

1827

01:06:07,670 --> 01:06:05,339

the slide I wasn't there however I

1828

01:06:09,589 --> 01:06:07,680

became the go-to guy to to crap on about

1829

01:06:12,710 --> 01:06:09,599

it you know if if I'm wrong about

1830

01:06:14,990 --> 01:06:12,720

anything oh Jesus you know however in

1831

01:06:16,370 --> 01:06:15,000

this case we're I don't it's

1832

01:06:18,049 --> 01:06:16,380

undetermined because you and I keep

1833

01:06:19,250 --> 01:06:18,059

going back to the original sources of

1834

01:06:21,650 --> 01:06:19,260

these reports and they're sticking by

1835

01:06:23,630 --> 01:06:21,660

their claim they are even today so a

1836

01:06:26,150 --> 01:06:23,640

little context for our listeners is the

1837

01:06:28,010 --> 01:06:26,160

the UAP task force gets created and it

1838

01:06:29,630 --> 01:06:28,020

is given an assignment by Congress look

1839

01:06:32,029 --> 01:06:29,640

we want to report on this what do you

1840

01:06:33,950 --> 01:06:32,039

got on UFOs and they they had very

1841

01:06:35,690 --> 01:06:33,960

limited resources and a limited time

1842

01:06:37,910 --> 01:06:35,700

frame to put it together but Jay

1843

01:06:40,309 --> 01:06:37,920

Stratton and a friend of ours Dr Travis

1844

01:06:42,289 --> 01:06:40,319

Taylor known for television programs who

1845

01:06:44,089 --> 01:06:42,299

was a chief scientist for the UAP task

1846

01:06:46,390 --> 01:06:44,099

force they set about to put this

1847

01:06:51,010 --> 01:06:46,400

together that this report for congress

1848

01:06:53,569 --> 01:06:51,020

144 cases from 2004 through 2020

1849

01:06:56,089 --> 01:06:53,579

143 of those cases they told Congress

1850

01:06:58,849 --> 01:06:56,099

have been unidentified and among them

1851

01:07:00,770 --> 01:06:58,859

was the USS Russell and the the USS and

1852

01:07:02,809 --> 01:07:00,780

it's it's so much more now see that's it

1853

01:07:04,250 --> 01:07:02,819

it's just so much data coming and now

1854

01:07:06,829 --> 01:07:04,260

that we've opened this Pandora's box of

1855

01:07:09,230 --> 01:07:06,839

reporting they were dealing with 144 can

1856

01:07:10,970 --> 01:07:09,240

you imagine how many cases they now have

1857

01:07:13,370 --> 01:07:10,980

or our government has to deal with but

1858

01:07:16,789 --> 01:07:13,380

to to the main point I think it's

1859

01:07:21,589 --> 01:07:16,799

important to say that the the big issue

1860

01:07:23,750 --> 01:07:21,599

is who is operating these vehicles where

1861

01:07:26,329 --> 01:07:23,760

do they come from what's their intent

1862

01:07:28,370 --> 01:07:26,339

some UFO cases a lot of them will be

1863

01:07:29,930 --> 01:07:28,380

explained I get them every day in my

1864

01:07:32,510 --> 01:07:29,940

email and I'm like starlink starlink

1865

01:07:34,970 --> 01:07:32,520

starlink starlink oh that's weird

1866

01:07:36,710 --> 01:07:34,980

a lot of them will be explained I'm not

1867

01:07:38,450 --> 01:07:36,720

interested in those I'm interested in

1868

01:07:40,609 --> 01:07:38,460

the ones that are unexplained and have

1869

01:07:42,770 --> 01:07:40,619

incredible performance like trans medium

1870

01:07:44,930 --> 01:07:42,780

capability the ability to go from space

1871

01:07:47,809 --> 01:07:44,940

to air to sea without disturbance

1872

01:07:49,670 --> 01:07:47,819

without inertial effect so in this 2019

1873

01:07:53,569 --> 01:07:49,680

swarm event series which we're going to

1874

01:07:56,809 --> 01:07:53,579

talk a lot about uh there is absolutely

1875

01:07:59,329 --> 01:07:56,819

no way I can dismiss this case as being

1876

01:08:02,089 --> 01:07:59,339

prosaic yet well yeah and neither can

1877

01:08:04,849 --> 01:08:02,099

the original investigators so the uip

1878

01:08:06,950 --> 01:08:04,859

task force prepares this report Congress

1879

01:08:09,170 --> 01:08:06,960

has a hearing first one in 50 years a

1880

01:08:11,870 --> 01:08:09,180

UFO hearing these two guys show up on

1881

01:08:13,789 --> 01:08:11,880

the Pentagon Scott Bray the deputy

1882

01:08:15,650 --> 01:08:13,799

director of Office of Naval intelligence

1883

01:08:18,349 --> 01:08:15,660

and a guy named moultry a monkey muck

1884

01:08:20,150 --> 01:08:18,359

for the Pentagon and it it became pretty

1885

01:08:22,010 --> 01:08:20,160

clear from that presentation that they

1886

01:08:24,530 --> 01:08:22,020

were trying to diminish public interest

1887

01:08:27,590 --> 01:08:24,540

in this topic and to to sort of minimize

1888

01:08:29,749 --> 01:08:27,600

how important this issue is and the USS

1889

01:08:31,189 --> 01:08:29,759

Russell is one of the examples that that

1890

01:08:32,689 --> 01:08:31,199

got brought up by the way they also

1891

01:08:34,189 --> 01:08:32,699

mentioned your name in the in the course

1892

01:08:36,769 --> 01:08:34,199

of this the the chairman of this

1893

01:08:38,030 --> 01:08:36,779

commission uh he mentions Corbell and I

1894

01:08:39,530 --> 01:08:38,040

thought oh my God I'm never going to

1895

01:08:41,090 --> 01:08:39,540

have it here at the end of this after he

1896

01:08:43,910 --> 01:08:41,100

mentions your name on the in the public

1897

01:08:47,390 --> 01:08:43,920

hearing and then they they they're asked

1898

01:08:49,189 --> 01:08:47,400

Adam Schiff uh congressman from

1899

01:08:51,530 --> 01:08:49,199

California asks a very pointed question

1900

01:08:53,809 --> 01:08:51,540

from this guy Scott Bray who had kind of

1901

01:08:56,030 --> 01:08:53,819

breezed over these things ah yeah the

1902

01:08:59,689 --> 01:08:56,040

USS Russell this pyramid stuff it's just

1903

01:09:02,870 --> 01:08:59,699

a trick of the the lens from the the um

1904

01:09:05,269 --> 01:09:02,880

night night vision Scott Bray says after

1905

01:09:07,970 --> 01:09:05,279

Adam Schiff asks them a question so have

1906

01:09:10,249 --> 01:09:07,980

you done your own tests and studies to

1907

01:09:12,530 --> 01:09:10,259

figure out if that that pyramid effect

1908

01:09:13,610 --> 01:09:12,540

can be duplicated and Scott Bray's

1909

01:09:14,150 --> 01:09:13,620

answer was

1910

01:09:17,030 --> 01:09:14,160

um

1911

01:09:18,890 --> 01:09:17,040

the UAP task force is aware of studies

1912

01:09:22,430 --> 01:09:18,900

that have done that which is a very

1913

01:09:24,709 --> 01:09:22,440

lawyerly sort of a Weasley language way

1914

01:09:26,209 --> 01:09:24,719

to avoid the question we're aware of

1915

01:09:27,769 --> 01:09:26,219

studies that have been done it doesn't

1916

01:09:30,110 --> 01:09:27,779

say we've done them doesn't say the Navy

1917

01:09:32,510 --> 01:09:30,120

denim or and it doesn't say we did

1918

01:09:34,490 --> 01:09:32,520

studies after the UAP task force to

1919

01:09:37,490 --> 01:09:34,500

discredit this because there was no

1920

01:09:39,530 --> 01:09:37,500

organization the new organization arrow

1921

01:09:41,570 --> 01:09:39,540

that was called aimsog for a while

1922

01:09:44,269 --> 01:09:41,580

didn't exist it had no director it had

1923

01:09:46,390 --> 01:09:44,279

no staff so them trying to dismiss these

1924

01:09:49,370 --> 01:09:46,400

cases including the Russell in Omaha

1925

01:09:50,990 --> 01:09:49,380

with One Sweep of their hand was an

1926

01:09:52,490 --> 01:09:51,000

indication of what we're going to see in

1927

01:09:54,709 --> 01:09:52,500

the future I think of the Pentagon they

1928

01:09:56,330 --> 01:09:54,719

want this to go away they want media to

1929

01:09:58,550 --> 01:09:56,340

stop asking questions they want the

1930

01:09:59,930 --> 01:09:58,560

public to stop demanding answers and

1931

01:10:01,669 --> 01:09:59,940

they're going to try to minimize it

1932

01:10:03,410 --> 01:10:01,679

every step of the way we've we've

1933

01:10:05,930 --> 01:10:03,420

certainly seen the pressure put on

1934

01:10:08,450 --> 01:10:05,940

people to not be poking around so two

1935

01:10:10,130 --> 01:10:08,460

things one is I'm kind of glad uh I I

1936

01:10:11,390 --> 01:10:10,140

thought I was hallucinating when they

1937

01:10:13,250 --> 01:10:11,400

brought up my name in the Congressional

1938

01:10:15,229 --> 01:10:13,260

hearing I literally thought I was

1939

01:10:16,669 --> 01:10:15,239

hallucinating oh I'm screwed I gotta do

1940

01:10:18,650 --> 01:10:16,679

some news reports now and I'm really

1941

01:10:21,830 --> 01:10:18,660

hallucinating but I think he did that

1942

01:10:23,630 --> 01:10:21,840

I'm hoping to try to you know put it on

1943

01:10:26,330 --> 01:10:23,640

record and protect us because

1944

01:10:28,010 --> 01:10:26,340

journalists who obtain stuff right they

1945

01:10:29,090 --> 01:10:28,020

even asked some question later like are

1946

01:10:31,250 --> 01:10:29,100

there going to be any you know

1947

01:10:33,410 --> 01:10:31,260

repercussions for people journalism

1948

01:10:34,850 --> 01:10:33,420

should be alive and well in America and

1949

01:10:38,630 --> 01:10:34,860

so that's what I was hoping that was

1950

01:10:42,410 --> 01:10:38,640

about now here's the deal man we are in

1951

01:10:45,110 --> 01:10:42,420

a new a new time where where people are

1952

01:10:47,090 --> 01:10:45,120

asking for answers on this and and our

1953

01:10:48,890 --> 01:10:47,100

government is trying to get together to

1954

01:10:50,630 --> 01:10:48,900

to best answers we have a report that

1955

01:10:54,290 --> 01:10:50,640

will be coming very soon but

1956

01:10:56,030 --> 01:10:54,300

additionally just recently the the

1957

01:10:59,930 --> 01:10:56,040

National Defense authorization Act of

1958

01:11:03,410 --> 01:10:59,940

2023 passed and it is a historic piece

1959

01:11:05,510 --> 01:11:03,420

of legislation it provides a UFO

1960

01:11:07,430 --> 01:11:05,520

whistleblower Clause that says if you

1961

01:11:09,169 --> 01:11:07,440

have been reverse engineering UFOs for

1962

01:11:10,550 --> 01:11:09,179

the United States military and you feel

1963

01:11:12,050 --> 01:11:10,560

this has been hidden from Congress you

1964

01:11:13,189 --> 01:11:12,060

can come forward to us I mean I don't

1965

01:11:15,410 --> 01:11:13,199

know who's going to come forward from

1966

01:11:17,149 --> 01:11:15,420

like lockheeds or some like that but at

1967

01:11:19,130 --> 01:11:17,159

least it'll actually we do know but we

1968

01:11:20,450 --> 01:11:19,140

do know okay but I'm just saying it's a

1969

01:11:21,890 --> 01:11:20,460

big risk for people to come forward

1970

01:11:23,390 --> 01:11:21,900

still but I'm just saying we're living

1971

01:11:25,490 --> 01:11:23,400

in a different time where there is some

1972

01:11:27,729 --> 01:11:25,500

hope that this process will work that

1973

01:11:29,930 --> 01:11:27,739

people that have worked in these UFO

1974

01:11:32,030 --> 01:11:29,940

exploitation reverse engineering

1975

01:11:34,610 --> 01:11:32,040

programs can come forward through a

1976

01:11:35,630 --> 01:11:34,620

legal fashion and say yes a part of this

1977

01:11:38,209 --> 01:11:35,640

program this is what we're doing

1978

01:11:39,890 --> 01:11:38,219

congress senate they represent us and

1979

01:11:41,870 --> 01:11:39,900

they want to know because we want to

1980

01:11:44,030 --> 01:11:41,880

know we all want to know so this could

1981

01:11:45,410 --> 01:11:44,040

be a very interesting year for UFOs well

1982

01:11:48,110 --> 01:11:45,420

I mentioned that we had released some

1983

01:11:49,790 --> 01:11:48,120

videos and then provided them made sure

1984

01:11:52,390 --> 01:11:49,800

that they were available to the Pentagon

1985

01:11:54,470 --> 01:11:52,400

which hadn't seen some of it and then

1986

01:11:58,250 --> 01:11:54,480

inquiries were sent to the Pentagon

1987

01:12:00,350 --> 01:11:58,260

Susan the pil and they had to respond

1988

01:12:02,750 --> 01:12:00,360

and they the first three times that they

1989

01:12:04,250 --> 01:12:02,760

said yes yes yes it's legitimate it was

1990

01:12:05,930 --> 01:12:04,260

recorded by the Navy we were

1991

01:12:07,910 --> 01:12:05,940

flabbergasted and so was everyone else

1992

01:12:10,430 --> 01:12:07,920

yeah but after that they they clammed up

1993

01:12:12,110 --> 01:12:10,440

then they said we can can't respond to

1994

01:12:13,790 --> 01:12:12,120

that anymore because I think they

1995

01:12:15,290 --> 01:12:13,800

changed the policy right yeah well that

1996

01:12:17,330 --> 01:12:15,300

so that that's a whole another thing now

1997

01:12:19,130 --> 01:12:17,340

anything UFO related is inherently

1998

01:12:21,290 --> 01:12:19,140

classified or something to that level

1999

01:12:22,970 --> 01:12:21,300

look there's always going to be one hand

2000

01:12:24,709 --> 01:12:22,980

trying to cover up what the other hand's

2001

01:12:26,330 --> 01:12:24,719

doing when it comes to UFOs and our

2002

01:12:27,950 --> 01:12:26,340

government we have more and up than

2003

01:12:30,950 --> 01:12:27,960

enough evidence to know the phenomenon

2004

01:12:32,750 --> 01:12:30,960

is real that it is uh not us and not

2005

01:12:34,130 --> 01:12:32,760

some known for a nation but we're going

2006

01:12:35,990 --> 01:12:34,140

to get there in our thought process

2007

01:12:40,130 --> 01:12:36,000

together I'm sure by having guests on

2008

01:12:42,050 --> 01:12:40,140

and doing this I think we should try to

2009

01:12:44,030 --> 01:12:42,060

to give people something that they

2010

01:12:46,430 --> 01:12:44,040

didn't have yesterday something that's

2011

01:12:48,470 --> 01:12:46,440

new today and kind of describe a little

2012

01:12:50,689 --> 01:12:48,480

bit about it there'll be more context

2013

01:12:53,270 --> 01:12:50,699

put out about it soon but I think we

2014

01:12:55,250 --> 01:12:53,280

want to encourage people to go ahead and

2015

01:12:56,990 --> 01:12:55,260

continue to reach out to us and send us

2016

01:12:59,209 --> 01:12:57,000

information and we will protect your

2017

01:13:01,370 --> 01:12:59,219

identity if that's necessary protect the

2018

01:13:03,169 --> 01:13:01,380

source of the information a lot of that

2019

01:13:04,910 --> 01:13:03,179

information is coming into both of us

2020

01:13:06,530 --> 01:13:04,920

yeah and uh I'm going to give an example

2021

01:13:07,810 --> 01:13:06,540

yeah so

2022

01:13:11,689 --> 01:13:07,820

um

2023

01:13:15,050 --> 01:13:11,699

when people come with information

2024

01:13:17,450 --> 01:13:15,060

in this case to me an image I need to

2025

01:13:20,930 --> 01:13:17,460

make sure if this is a legitimate image

2026

01:13:23,450 --> 01:13:20,940

and story behind it uh it it is a

2027

01:13:26,510 --> 01:13:23,460

military filmed image an intelligence

2028

01:13:29,930 --> 01:13:26,520

agency filmed image and it's called the

2029

01:13:33,410 --> 01:13:29,940

mosul orb mosul Iraq correct yeah this

2030

01:13:35,330 --> 01:13:33,420

is an image taken over Northern Iraq and

2031

01:13:37,430 --> 01:13:35,340

you know this is fine to put out the

2032

01:13:39,350 --> 01:13:37,440

image itself and the I have some

2033

01:13:42,229 --> 01:13:39,360

detailed information about it but here's

2034

01:13:43,669 --> 01:13:42,239

the very Basics this is in the UFO

2035

01:13:46,310 --> 01:13:43,679

category within our intelligence

2036

01:13:49,370 --> 01:13:46,320

Community this is an example of one of

2037

01:13:51,050 --> 01:13:49,380

the UFOs that are military and

2038

01:13:55,669 --> 01:13:51,060

intelligence communities looking at it's

2039

01:13:58,729 --> 01:13:55,679

just one of many images uh this one is

2040

01:14:01,490 --> 01:13:58,739

actually a still from a video it's a

2041

01:14:05,169 --> 01:14:01,500

brief video maybe four seconds where

2042

01:14:10,550 --> 01:14:05,179

this orb or this metallic looking ball

2043

01:14:12,410 --> 01:14:10,560

runs alongside a spy plane and it is

2044

01:14:14,390 --> 01:14:12,420

shown in this footage moving alongside

2045

01:14:18,050 --> 01:14:14,400

the plane without dropping an altitude

2046

01:14:20,270 --> 01:14:18,060

at all I don't know if it is a you UFO

2047

01:14:23,209 --> 01:14:20,280

or what a UFO is it's unidentified but

2048

01:14:25,669 --> 01:14:23,219

this is within uh I I don't know how to

2049

01:14:27,110 --> 01:14:25,679

say this this is within this is part of

2050

01:14:28,669 --> 01:14:27,120

the conversation of our intelligence

2051

01:14:29,990 --> 01:14:28,679

Community this is an example of what

2052

01:14:32,030 --> 01:14:30,000

they're looking at I know when I first

2053

01:14:34,310 --> 01:14:32,040

saw it when you first showed it to me uh

2054

01:14:36,169 --> 01:14:34,320

I thought to the USS Omaha I mean it's a

2055

01:14:37,570 --> 01:14:36,179

heck of a lot similar to the craft that

2056

01:14:41,270 --> 01:14:37,580

was flying around there isn't it funny

2057

01:14:43,010 --> 01:14:41,280

UFOs are often reported in four basic

2058

01:14:45,890 --> 01:14:43,020

shapes you've got

2059

01:14:49,010 --> 01:14:45,900

spheres pyramids

2060

01:14:51,790 --> 01:14:49,020

cubes and cigars I mean it's like these

2061

01:14:55,189 --> 01:14:51,800

very fundamental shapes totally not

2062

01:14:58,130 --> 01:14:55,199

aerodynamic at all right are cubes in

2063

01:15:00,950 --> 01:14:58,140

Spears yes yes spheres and cubes yeah

2064

01:15:04,310 --> 01:15:00,960

there's not exactly none of them you got

2065

01:15:06,590 --> 01:15:04,320

a flying Cube you know flying spear you

2066

01:15:08,090 --> 01:15:06,600

know a flying pyramid and a flying cigar

2067

01:15:10,610 --> 01:15:08,100

I mean these are these shapes are not

2068

01:15:12,290 --> 01:15:10,620

aerodynamic so for purposes of the the

2069

01:15:13,310 --> 01:15:12,300

people listening by Audio they're not

2070

01:15:14,990 --> 01:15:13,320

going to be able to see this image

2071

01:15:16,669 --> 01:15:15,000

unless they look it up but yeah they

2072

01:15:18,530 --> 01:15:16,679

look it up there it is there it is look

2073

01:15:20,450 --> 01:15:18,540

there's no one piece of evidence or

2074

01:15:22,729 --> 01:15:20,460

footage that is groundbreaking

2075

01:15:25,310 --> 01:15:22,739

especially still imagery but I wanted

2076

01:15:26,270 --> 01:15:25,320

people today to have a sense of some of

2077

01:15:29,209 --> 01:15:26,280

the stuff that we're going to be

2078

01:15:31,189 --> 01:15:29,219

releasing on this podcast and again this

2079

01:15:33,530 --> 01:15:31,199

is a reconnaissance plan in Northern

2080

01:15:37,130 --> 01:15:33,540

Iraq and this is a from a four second

2081

01:15:39,709 --> 01:15:37,140

video where this metallic sphere moves

2082

01:15:42,649 --> 01:15:39,719

alongside the craft without any descent

2083

01:15:45,410 --> 01:15:42,659

any falling in any way and this is one

2084

01:15:47,450 --> 01:15:45,420

of the pieces of video and photographic

2085

01:15:49,610 --> 01:15:47,460

evidence that is within the intelligence

2086

01:15:51,830 --> 01:15:49,620

Community saying this is a UFO we caught

2087

01:15:53,810 --> 01:15:51,840

one what can we determine from it and

2088

01:15:55,189 --> 01:15:53,820

there's just so much of this stuff

2089

01:15:57,050 --> 01:15:55,199

you'll never see this in the public

2090

01:15:59,689 --> 01:15:57,060

realm other than right here is my point

2091

01:16:03,110 --> 01:15:59,699

um so over the course of the next months

2092

01:16:05,330 --> 01:16:03,120

yeah for um weaponized yeah we will be

2093

01:16:08,030 --> 01:16:05,340

covering UFOs in great detail but we

2094

01:16:09,410 --> 01:16:08,040

will be sharing uh statements interviews

2095

01:16:11,450 --> 01:16:09,420

with people who have never come forward

2096

01:16:13,010 --> 01:16:11,460

before we physically will be here with

2097

01:16:14,270 --> 01:16:13,020

us we'll physically be here we'll be

2098

01:16:16,250 --> 01:16:14,280

talking to some people who are well

2099

01:16:17,810 --> 01:16:16,260

known in the field we'll be talking to

2100

01:16:20,030 --> 01:16:17,820

people who are well known in other

2101

01:16:22,189 --> 01:16:20,040

fields we are not going to only cover

2102

01:16:25,310 --> 01:16:22,199

UFOs but look at conspiracies and

2103

01:16:28,550 --> 01:16:25,320

cover-ups and documents crimes organized

2104

01:16:30,410 --> 01:16:28,560

crime the mafia uh celebrities uh we're

2105

01:16:31,669 --> 01:16:30,420

gonna cast a pretty wide net and try to

2106

01:16:33,410 --> 01:16:31,679

keep things interesting anything that

2107

01:16:34,970 --> 01:16:33,420

keeps you weaponized man I mean it's

2108

01:16:36,709 --> 01:16:34,980

like anything that I lose sleep over

2109

01:16:38,450 --> 01:16:36,719

yeah I mean this is the idea things that

2110

01:16:40,250 --> 01:16:38,460

you and I are interested in but I think

2111

01:16:42,709 --> 01:16:40,260

that our audience will also find very

2112

01:16:44,450 --> 01:16:42,719

interesting but I'm just glad that we we

2113

01:16:46,790 --> 01:16:44,460

have these talks all the time you know I

2114

01:16:48,590 --> 01:16:46,800

can work your place you come to mind and

2115

01:16:50,930 --> 01:16:48,600

we get into all these cool things the

2116

01:16:52,370 --> 01:16:50,940

people miscontext on they miss the edges

2117

01:16:54,350 --> 01:16:52,380

because they just see the news report

2118

01:16:56,270 --> 01:16:54,360

and then they make crazy statements

2119

01:16:58,490 --> 01:16:56,280

about it this gives a lot more

2120

01:16:59,689 --> 01:16:58,500

information I think a way for us to

2121

01:17:01,189 --> 01:16:59,699

really flesh out some of the stories

2122

01:17:03,169 --> 01:17:01,199

that I don't know how we would put out

2123

01:17:05,630 --> 01:17:03,179

in other ways this is a real opportunity

2124

01:17:07,490 --> 01:17:05,640

I think for the public to see your and

2125

01:17:09,350 --> 01:17:07,500

my conversations about this stuff want

2126

01:17:11,209 --> 01:17:09,360

to make it fun you know some of this

2127

01:17:13,130 --> 01:17:11,219

would spill over into my news reports

2128

01:17:15,890 --> 01:17:13,140

into your films into Coast to Coast

2129

01:17:17,630 --> 01:17:15,900

where I host a show on Sunday nights a

2130

01:17:19,070 --> 01:17:17,640

couple times a month and and we want to

2131

01:17:21,290 --> 01:17:19,080

make it fun and interesting and we're

2132

01:17:23,149 --> 01:17:21,300

going to be asking our listeners to give

2133

01:17:25,189 --> 01:17:23,159

us input and send us stuff and give us

2134

01:17:27,830 --> 01:17:25,199

ideas yeah it definitely it seems to me

2135

01:17:30,110 --> 01:17:27,840

there's a participatory element uh but

2136

01:17:32,270 --> 01:17:30,120

the the main thing is I'm just glad that

2137

01:17:33,890 --> 01:17:32,280

you and I get to finally have these sit

2138

01:17:35,330 --> 01:17:33,900

Downs even though I don't have a beer in

2139

01:17:36,770 --> 01:17:35,340

front of me we get to have these sit

2140

01:17:38,870 --> 01:17:36,780

downs and have these talks a little bit

2141

01:17:40,250 --> 01:17:38,880

more in depth on our time in our own way

2142

01:17:41,930 --> 01:17:40,260

and I'm glad that other people can

2143

01:17:44,030 --> 01:17:41,940
