

1
00:00:00,900 --> 00:00:05,269
and this is weapons

2
00:00:11,150 --> 00:00:07,670
what is unfolding right now has been

3
00:00:13,370 --> 00:00:11,160
really unfolding since December of 2017

4
00:00:15,049 --> 00:00:13,380
with the New York Times article so to

5
00:00:17,750 --> 00:00:15,059
bring everybody up to date if you've

6
00:00:19,970 --> 00:00:17,760
never been into this topic but just on a

7
00:00:21,650 --> 00:00:19,980
real basic level there was an article

8
00:00:23,990 --> 00:00:21,660
that came out in the New York Times and

9
00:00:28,070 --> 00:00:24,000
it was an admission of the the longest

10
00:00:29,750 --> 00:00:28,080
most uh the biggest UFO study of all

11
00:00:31,910 --> 00:00:29,760
time by our government that is

12
00:00:34,190 --> 00:00:31,920
acknowledged and so this is a story that

13
00:00:36,170 --> 00:00:34,200

you knew about a long time before but it

14

00:00:38,330 --> 00:00:36,180

really broke the UFO story for the world

15

00:00:40,549 --> 00:00:38,340

that changed the attitudes of people

16

00:00:43,190 --> 00:00:40,559

right yeah the New York Times doing the

17

00:00:45,530 --> 00:00:43,200

story is a signal to other mainstream

18

00:00:47,810 --> 00:00:45,540

media that this is not disgraceful it's

19

00:00:49,850 --> 00:00:47,820

not nonsense if the paper of record does

20

00:00:51,889 --> 00:00:49,860

it it's acceptable for you to do it too

21

00:00:54,110 --> 00:00:51,899

and it's exactly the effect that it had

22

00:00:56,569 --> 00:00:54,120

because every news organization of the

23

00:00:58,549 --> 00:00:56,579

world started reporting on UFOs after

24

00:01:01,130 --> 00:00:58,559

the times through the story The the

25

00:01:03,470 --> 00:01:01,140

report in December of 2017 was explosive

26

00:01:05,690 --> 00:01:03,480

you and I knew it was coming and had

27

00:01:07,609 --> 00:01:05,700

done some things in advance it's in even

28

00:01:09,010 --> 00:01:07,619

in your film yeah Skinwalker hey in a

29

00:01:11,210 --> 00:01:09,020

couple of weeks something biggest

30

00:01:13,370 --> 00:01:11,220

but the New York Times story as

31

00:01:15,050 --> 00:01:13,380

important as it was got it wrong they

32

00:01:17,090 --> 00:01:15,060

had reported about the existence of a

33

00:01:19,730 --> 00:01:17,100

program called atip and the guy who was

34

00:01:23,030 --> 00:01:19,740

in charge of it was Lou Elizondo who had

35

00:01:25,370 --> 00:01:23,040

worked as an Insider he had had uh and

36

00:01:27,950 --> 00:01:25,380

came forward he was upset that secrecy

37

00:01:30,289 --> 00:01:27,960

existed the time said that the atep had

38

00:01:32,510 --> 00:01:30,299

a budget of 22 million dollars that had

39

00:01:34,130 --> 00:01:32,520

been arranged by Senator Harry Reid that

40

00:01:36,590 --> 00:01:34,140

the money went to Robert Bigelow and

41

00:01:38,690 --> 00:01:36,600

they were studying UFOs well a lot of

42

00:01:40,370 --> 00:01:38,700

that was right and it was a crucial and

43

00:01:41,710 --> 00:01:40,380

important story but a lot of it was

44

00:01:44,390 --> 00:01:41,720

wrong
