

1
00:00:00,900 --> 00:00:05,210
and this is weapons

2
00:00:08,870 --> 00:00:07,249
so in this last five years so much

3
00:00:11,870 --> 00:00:08,880
tremendous change the public has

4
00:00:13,490 --> 00:00:11,880
energized Congress major media but there

5
00:00:15,829 --> 00:00:13,500
is considerable pushback we've been

6
00:00:17,330 --> 00:00:15,839
saying uh publicly for a while now the

7
00:00:18,950 --> 00:00:17,340
closer you get to the truth yeah the

8
00:00:21,230 --> 00:00:18,960
closer you get to the goods the harder

9
00:00:23,090 --> 00:00:21,240
the pushback is going to be and it's not

10
00:00:24,769 --> 00:00:23,100
only from within the military and the

11
00:00:27,890 --> 00:00:24,779
Pentagon people don't want this to be

12
00:00:30,470 --> 00:00:27,900
taken seriously it's their emissaries in

13
00:00:33,170 --> 00:00:30,480

the public sector debunkers who all

14

00:00:35,810 --> 00:00:33,180

right Tic Tac is a bird it's a seagull

15

00:00:37,670 --> 00:00:35,820

it's Flair it's afterburners it's a

16

00:00:39,590 --> 00:00:37,680

drone it's a balloon you know all those

17

00:00:41,510 --> 00:00:39,600

things let's see what sticks they'll

18

00:00:43,850 --> 00:00:41,520

throw all that stuff out and we saw the

19

00:00:45,350 --> 00:00:43,860

same thing with all the 2019 incidents

20

00:00:47,270 --> 00:00:45,360

that we're going to talk about the

21

00:00:49,910 --> 00:00:47,280

efforts to debunk this stuff you see

22

00:00:51,590 --> 00:00:49,920

those kinds of excuses against the

23

00:00:53,690 --> 00:00:51,600

testimony of somebody like commander

24

00:00:55,790 --> 00:00:53,700

fraber commander Underwood Ryan Graves

25

00:00:57,470 --> 00:00:55,800

people like that credible people who are

26
00:00:59,569 --> 00:00:57,480
there who see it who are experienced

27
00:01:01,250 --> 00:00:59,579
they know what their equipment and their

28
00:01:03,950 --> 00:01:01,260
eyes are showing them are telling them

29
00:01:06,469 --> 00:01:03,960
and yet these people try to debunk this

30
00:01:09,230 --> 00:01:06,479
stuff you mentioned about media pushback

31
00:01:12,350 --> 00:01:09,240
New York Post has a headline what does

32
00:01:14,030 --> 00:01:12,360
it say 2019 cases all explained okay so

33
00:01:15,590 --> 00:01:14,040
let's let's get to let's get to the

34
00:01:17,090 --> 00:01:15,600
Brass tax that's one of the big things

35
00:01:21,050 --> 00:01:17,100
that I wanted the three of us to talk

36
00:01:23,630 --> 00:01:21,060
about is what actually happened in 2019

37
00:01:26,510 --> 00:01:23,640
off the West Coast why this is important

38
00:01:28,190 --> 00:01:26,520

to to George and myself is because we

39

00:01:30,350 --> 00:01:28,200

broke that story we broke that story

40

00:01:34,310 --> 00:01:30,360

together over so for everybody that

41

00:01:37,730 --> 00:01:34,320

doesn't know about it in 2019 uh in in

42

00:01:39,590 --> 00:01:37,740

the summer there was a series of workups

43

00:01:41,450 --> 00:01:39,600

that were going on off the coast of

44

00:01:43,249 --> 00:01:41,460

California so you know basically we had

45

00:01:45,950 --> 00:01:43,259

about 10 Navy warships that were

46

00:01:48,410 --> 00:01:45,960

prepping for departure and during that

47

00:01:51,490 --> 00:01:48,420

time during that work up there was a

48

00:01:53,109 --> 00:01:51,500

three-night period where there was

49

00:01:56,109 --> 00:01:53,119

continuous

50

00:01:59,510 --> 00:01:56,119

swarms of unidentified

51
00:02:03,289 --> 00:01:59,520
simultaneously around 10 Navy worships

52
00:02:06,350 --> 00:02:03,299
that I know of and it was such a

53
00:02:08,089 --> 00:02:06,360
dramatic event and while we were like

54
00:02:09,589 --> 00:02:08,099
wow this is incredible and then luckily

55
00:02:11,930 --> 00:02:09,599
we were able to George and I were able

56
00:02:14,150 --> 00:02:11,940
to get a lot of footage it was part of a

57
00:02:15,890 --> 00:02:14,160
UFO internal report we were able to put

58
00:02:18,110 --> 00:02:15,900
out slides from that report images

59
00:02:20,750 --> 00:02:18,120
videos nine pieces of corroborative

60
00:02:23,330 --> 00:02:20,760
Visual Evidence George brought in these

61
00:02:25,190 --> 00:02:23,340
three images from the east coast and we

62
00:02:28,250 --> 00:02:25,200
dropped them basically all in the same

63
00:02:31,070 --> 00:02:28,260

few days and then on the the West Coast

64
00:02:33,770 --> 00:02:31,080
which is 2019 you know it was UFO people

65
00:02:35,869 --> 00:02:33,780
on the ships is UFO event series now

66
00:02:37,850 --> 00:02:35,879
we have done a lot of work in the

67
00:02:40,490 --> 00:02:37,860
meantime and I've consulted with you on

68
00:02:43,309 --> 00:02:40,500
a lot about these just you know

69
00:02:45,229 --> 00:02:43,319
personally that there was a lot of

70
00:02:46,790 --> 00:02:45,239
witnesses to this now a lot of witnesses

71
00:02:47,869 --> 00:02:46,800
have said You know Jeremy I want you to

72
00:02:49,190 --> 00:02:47,879
know what happened here we go we're

73
00:02:51,170 --> 00:02:49,200
going to go through it all

74
00:02:52,369 --> 00:02:51,180
but you know I'm not I'm not coming for

75
00:02:54,650 --> 00:02:52,379
it I'm not going to talk about it right

76

00:02:57,110 --> 00:02:54,660

now you weren't involved in the 2019

77

00:02:59,449 --> 00:02:57,120

series of events but I think it's really

78

00:03:01,009 --> 00:02:59,459

important that here is now a case that

79

00:03:03,350 --> 00:03:01,019

the public can really sink their teeth

80

00:03:05,089 --> 00:03:03,360

into it I maintain that this we we

81

00:03:07,670 --> 00:03:05,099

provided the best we could what I would

82

00:03:11,750 --> 00:03:07,680

consider a dream case we have thermal

83

00:03:13,910 --> 00:03:11,760

imagery we have IR infrared we have

84

00:03:15,949 --> 00:03:13,920

radar footage and we have what I call

85

00:03:18,530 --> 00:03:15,959

Deck footage as normal Optics from the

86

00:03:20,750 --> 00:03:18,540

deck of a boat so it's not like just a

87

00:03:22,369 --> 00:03:20,760

story anymore now we have all these

88

00:03:25,009 --> 00:03:22,379

pieces of corroborative Visual Evidence

89

00:03:26,949 --> 00:03:25,019

that really need to be dissected what's

90

00:03:30,229 --> 00:03:26,959

happened since we've done that is

91

00:03:31,790 --> 00:03:30,239

obviously a lot of people go in and they

92

00:03:33,949 --> 00:03:31,800

try to dismiss their certain things

93

00:03:35,570 --> 00:03:33,959

because that's what they want to do and

94

00:03:37,910 --> 00:03:35,580

there's no real voices of the people

95

00:03:39,649 --> 00:03:37,920

involved to stand up and say well hold

96

00:03:42,420 --> 00:03:39,659

on you know that's not how it went down

97

00:03:45,050 --> 00:03:42,430

but I think that's going to change today
