

1
00:00:00,900 --> 00:00:05,390
and this is weapons

2
00:00:09,589 --> 00:00:07,849
for people that don't know so awesome we

3
00:00:11,990 --> 00:00:09,599
keep saying that uh just it's bearish

4
00:00:14,169 --> 00:00:12,000
repeat Advanced Aerospace weapon systems

5
00:00:17,689 --> 00:00:14,179
application program that was the the

6
00:00:21,790 --> 00:00:17,699
largest best funded

7
00:00:24,710 --> 00:00:21,800
government Dia UFO program in history

8
00:00:27,950 --> 00:00:24,720
that is publicly known

9
00:00:30,109 --> 00:00:27,960
and then as that transitioned it turned

10
00:00:32,210 --> 00:00:30,119
into atip advanced Aerospace threat

11
00:00:34,549 --> 00:00:32,220
identification program

12
00:00:37,069 --> 00:00:34,559
so those are the acronyms that we keep

13
00:00:39,709 --> 00:00:37,079

talking about but I think it's important

14

00:00:42,470 --> 00:00:39,719

to to show that there's individuals in

15

00:00:44,209 --> 00:00:42,480

intelligence agencies that that are

16

00:00:46,610 --> 00:00:44,219

taking this seriously and building

17

00:00:48,110 --> 00:00:46,620

infrastructure for better reporting and

18

00:00:50,510 --> 00:00:48,120

want to be transparent with the American

19

00:00:52,850 --> 00:00:50,520

public to the degree that is safe with

20

00:00:55,970 --> 00:00:52,860

you know with problems with foreign

21

00:00:58,069 --> 00:00:55,980

problems that's so encouraging I love

22

00:01:02,270 --> 00:00:58,079

that there are a multitude of agencies

23

00:01:06,050 --> 00:01:02,280

now that are developing

24

00:01:08,330 --> 00:01:06,060

Beyond an interest but a process to help

25

00:01:10,250 --> 00:01:08,340

bring this information to where it needs

26
00:01:11,870 --> 00:01:10,260
to go it will make you and me obsolete

27
00:01:14,990 --> 00:01:11,880
maybe as journalists but it's great it's

28
00:01:17,870 --> 00:01:15,000
happening boss app the the DIA program

29
00:01:19,910 --> 00:01:17,880
lasted 27 months and then you know

30
00:01:23,149 --> 00:01:19,920
because of its it got into some pretty

31
00:01:25,249 --> 00:01:23,159
controversial areas and became a hot

32
00:01:28,130 --> 00:01:25,259
potato within the Pentagon intelligence

33
00:01:30,950 --> 00:01:28,140
Community Lou Elizondo steps forward and

34
00:01:34,010 --> 00:01:30,960
was able to keep something going a form

35
00:01:36,710 --> 00:01:34,020
of the program it's not as big it's not

36
00:01:39,830 --> 00:01:36,720
as high profile but he kept it going and

37
00:01:41,330 --> 00:01:39,840
and was upset eventually that it just

38
00:01:43,910 --> 00:01:41,340

didn't get enough attention it didn't

39

00:01:45,830 --> 00:01:43,920

get enough resources to to be able to do

40

00:01:48,830 --> 00:01:45,840

the work they really needed Jay who was

41

00:01:50,630 --> 00:01:48,840

working with Lou they're good friends a

42

00:01:53,210 --> 00:01:50,640

lot of mutual respect between the two of

43

00:01:55,069 --> 00:01:53,220

them moved on to another job he was

44

00:01:57,109 --> 00:01:55,079

aware as he told us he was aware that

45

00:01:58,429 --> 00:01:57,119

Lou Alexander was going to leave and the

46

00:02:01,670 --> 00:01:58,439

reasons why he was going to leave and

47

00:02:03,050 --> 00:02:01,680

was upset he was not aware that the New

48

00:02:05,450 --> 00:02:03,060

York Times story was going to come and

49

00:02:08,089 --> 00:02:05,460

then boom it happens one day so that's a

50

00:02:11,390 --> 00:02:08,099

funny yeah thing so so Lou I mean really

51
00:02:13,970 --> 00:02:11,400
that's i i people just don't get this

52
00:02:16,910 --> 00:02:13,980
but Lou is a champion I mean he took

53
00:02:19,729 --> 00:02:16,920
something and he kept it going and he

54
00:02:22,430 --> 00:02:19,739
made it strong and you know I I think

55
00:02:25,250 --> 00:02:22,440
and I think Jay really appreciates that

56
00:02:27,530 --> 00:02:25,260
you could tell from the conversations uh

57
00:02:30,770 --> 00:02:27,540
so so we get to the point where Jay is

58
00:02:32,990 --> 00:02:30,780
now out of the UFO topic that's not his

59
00:02:34,970 --> 00:02:33,000
task with his intelligence job so he's

60
00:02:38,410 --> 00:02:34,980
doing something else and the way he said

61
00:02:40,970 --> 00:02:38,420
it to us was so cool is uh on December

62
00:02:42,350 --> 00:02:40,980
17th or you know whatever it was 2017

63
00:02:45,830 --> 00:02:42,360

when the the New York Times thing

64

00:02:47,330 --> 00:02:45,840

somebody put a paper bang right on his

65

00:02:48,710 --> 00:02:47,340

desk and says you know Merry Christmas

66

00:02:51,229 --> 00:02:48,720

or happy birthday whatever they said

67

00:02:54,229 --> 00:02:51,239

we'll let him tell that story yes I knew

68

00:02:56,750 --> 00:02:54,239

Lou was leaving uh so again I at that

69

00:02:58,729 --> 00:02:56,760

point in the 2017 day into early 18 time

70

00:03:02,210 --> 00:02:58,739

frame I was in a job that UFOs were not

71

00:03:05,210 --> 00:03:02,220

my job uh in any form or fashion uh so I

72

00:03:06,589 --> 00:03:05,220

did not do that job uh you know very

73

00:03:09,290 --> 00:03:06,599

conscious throughout my career of

74

00:03:11,570 --> 00:03:09,300

sticking to what I'm paid to do right

75

00:03:13,430 --> 00:03:11,580

um however again Lou and I are friends

76

00:03:16,309 --> 00:03:13,440

and and the folks that kind of took it

77

00:03:19,190 --> 00:03:16,319

over when I left I knew them all uh and

78

00:03:21,350 --> 00:03:19,200

you know I got a uh face to face is

79

00:03:24,470 --> 00:03:21,360

called a tamberg insecure uh kind of

80

00:03:27,830 --> 00:03:24,480

face time with Lou in his office and

81

00:03:29,449 --> 00:03:27,840

this was about I think three or so days

82

00:03:30,770 --> 00:03:29,459

before he dropped his letter and he's

83

00:03:32,449 --> 00:03:30,780

holding his letter you know there's

84

00:03:34,490 --> 00:03:32,459

something that affected he's like you

85

00:03:37,970 --> 00:03:34,500

know here's what I'm doing and uh and I

86

00:03:40,850 --> 00:03:37,980

said you know good luck uh and then you

87

00:03:43,250 --> 00:03:40,860

know lo and behold he's on stage uh with

88

00:03:44,570 --> 00:03:43,260

with Hal and and Steve Justice and the

89

00:03:46,729 --> 00:03:44,580

team there

90

00:03:49,130 --> 00:03:46,739

um and I'm watching yeah and it's still

91

00:03:52,250 --> 00:03:49,140

at this point I I had no idea I would be

92

00:03:54,410 --> 00:03:52,260

back in into this topic at all right

93

00:03:56,270 --> 00:03:54,420

um I'm watching as an outsider just like

94

00:03:58,449 --> 00:03:56,280

everybody but I could actually text Lou

95

00:04:02,149 --> 00:03:58,459

if I wanted right so I had some Insider

96

00:04:05,390 --> 00:04:02,159

but but I'm watching and and interested

97

00:04:06,949 --> 00:04:05,400

are you sympathetic to his stated

98

00:04:08,449 --> 00:04:06,959

reasons for leaving in that he was

99

00:04:09,649 --> 00:04:08,459

frustrated that I can't get through to

100

00:04:11,869 --> 00:04:09,659

the Secretary of Defense and tell him

101
00:04:12,770 --> 00:04:11,879
about this and it needs to be a higher

102
00:04:15,909 --> 00:04:12,780
priority

103
00:04:18,409 --> 00:04:15,919
I am you what we needed was was a

104
00:04:20,210 --> 00:04:18,419
recognize a program of record as we call

105
00:04:21,530 --> 00:04:20,220
it right we needed something that had

106
00:04:31,670 --> 00:04:21,540
the

107
00:04:33,290 --> 00:04:31,680
and

108
00:04:35,749 --> 00:04:33,300
you know I was building towards that

109
00:04:37,790 --> 00:04:35,759
later and I'm sure we'll talk about the

110
00:04:39,650 --> 00:04:37,800
the task force but you know I Had A

111
00:04:42,110 --> 00:04:39,660
Five-Year Plan of how we're going to get

112
00:04:44,330 --> 00:04:42,120
all of these things that we needed but

113
00:04:46,909 --> 00:04:44,340

if you're just a working group you know

114

00:04:48,830 --> 00:04:46,919

and and trying to do your job and and my

115

00:04:50,990 --> 00:04:48,840

in my hat you know a Navy at the

116

00:04:54,110 --> 00:04:51,000

headquarters I had

117

00:04:55,430 --> 00:04:54,120

a certain amount of of uh wiggle room

118

00:04:57,950 --> 00:04:55,440

for trying to get things done and

119

00:04:59,930 --> 00:04:57,960

authorities right but you needed

120

00:05:02,030 --> 00:04:59,940

something above all that you needed

121

00:05:03,950 --> 00:05:02,040

something at that SEC def level at that

122

00:05:05,570 --> 00:05:03,960

odni level that could reach into

123

00:05:07,310 --> 00:05:05,580

everything and had the authority to get

124

00:05:09,469 --> 00:05:07,320

the answers it needed and Lou and I knew

125

00:05:11,689 --> 00:05:09,479

we needed that and and every time we

126

00:05:14,330 --> 00:05:11,699

would try to knock on a door and say hey

127

00:05:16,249 --> 00:05:14,340

we need that uh you know here's what we

128

00:05:17,810 --> 00:05:16,259

know right here's what we've seen a

129

00:05:20,510 --> 00:05:17,820

little bit of history on OS app and

130

00:05:22,249 --> 00:05:20,520

other things uh yeah you get the door

131

00:05:25,070 --> 00:05:22,259

kind of shut in your face because it's

132

00:05:27,170 --> 00:05:25,080

uh back to that careerism I don't know I

133

00:05:29,390 --> 00:05:27,180

I just I don't know you know I'm afraid

134

00:05:31,010 --> 00:05:29,400

of the Washington Post was there any

135

00:05:34,210 --> 00:05:31,020

involvement I've heard these stories

136

00:05:36,529 --> 00:05:34,220

from people we know about

137

00:05:39,770 --> 00:05:36,539

fundamentalists religious people high

138

00:05:43,490 --> 00:05:39,780

UPS who were concerned about its demons

139

00:05:45,050 --> 00:05:43,500

or we're messing with forces of biblical

140

00:05:46,610 --> 00:05:45,060

proportions there's absolutely some

141

00:05:48,710 --> 00:05:46,620

concern there and I did see it in

142

00:05:50,990 --> 00:05:48,720

writing one time in my career where

143

00:05:53,570 --> 00:05:51,000

someone was asking me to push back

144

00:05:54,950 --> 00:05:53,580

because they're religious concerns uh

145

00:05:56,090 --> 00:05:54,960

and and you should wave off of this

146

00:05:57,170 --> 00:05:56,100

topic is literally what they were

147

00:05:58,189 --> 00:05:57,180

telling me

148

00:06:00,050 --> 00:05:58,199

um you know you should you shouldn't be

149

00:06:01,450 --> 00:06:00,060

involved in this

150

00:06:05,810 --> 00:06:01,460

um

151

00:06:07,969 --> 00:06:05,820

I know it exists I think what my

152

00:06:13,070 --> 00:06:07,979

professional opinion is after again

153

00:06:15,830 --> 00:06:13,080

years now of being involved is

154

00:06:19,129 --> 00:06:15,840

that seems to have died off I think

155

00:06:21,290 --> 00:06:19,139

one now you know I'm elevated into that

156

00:06:23,330 --> 00:06:21,300

senior level and a lot of my colleagues

157

00:06:25,189 --> 00:06:23,340

that were all at the same you know level

158

00:06:26,870 --> 00:06:25,199

that had grown up with me throughout the

159

00:06:29,029 --> 00:06:26,880

process we don't really think that way

160

00:06:30,890 --> 00:06:29,039

right so I think kind of the Old Guard

161

00:06:34,610 --> 00:06:30,900

was moving out the new guard was moving

162

00:06:38,290 --> 00:06:34,620

in and it never once after that early

163

00:06:41,029 --> 00:06:38,300

Dia stuff you know did it ever ever stop

164

00:06:43,010 --> 00:06:41,039

uh or get in the way it was just early

165

00:06:45,890 --> 00:06:43,020

on when when kind of that old guard's

166

00:06:48,230 --> 00:06:45,900

there and protecting their own you know

167

00:06:49,969 --> 00:06:48,240

what they believe right December 2017 it

168

00:06:51,350 --> 00:06:49,979

blows up New York Times story I don't

169

00:06:54,110 --> 00:06:51,360

know if you knew that was coming but I

170

00:06:56,330 --> 00:06:54,120

know I you know Lou has been through the

171

00:06:58,430 --> 00:06:56,340

ringer since then I also know that

172

00:07:00,770 --> 00:06:58,440

Senator Reid who you know he'd let me

173

00:07:03,110 --> 00:07:00,780

know it was coming uh he starts getting

174

00:07:05,270 --> 00:07:03,120

phone calls immediately from former his

175

00:07:06,650 --> 00:07:05,280

former colleagues in the Senate and

176

00:07:08,629 --> 00:07:06,660

they're asking hey what's the deal is

177

00:07:10,790 --> 00:07:08,639

this program real how do I find out

178

00:07:12,830 --> 00:07:10,800

about it is that when you get sort of

179

00:07:15,230 --> 00:07:12,840

pulled back in uh and you start doing

180

00:07:18,230 --> 00:07:15,240

briefings or oh so I was sitting in my

181

00:07:20,689 --> 00:07:18,240

office at the other uh non you know UFO

182

00:07:23,689 --> 00:07:20,699

related job and I get an email from my

183

00:07:25,490 --> 00:07:23,699

old boss uh there was a link to the New

184

00:07:27,230 --> 00:07:25,500

York Times story and she said Merry

185

00:07:29,330 --> 00:07:27,240

Christmas

186

00:07:32,930 --> 00:07:29,340

um because I had no idea that was coming

187

00:07:33,890 --> 00:07:32,940

at all and it was literally a holy crap

188

00:07:35,390 --> 00:07:33,900

you know when you're reading that and

189

00:07:37,790 --> 00:07:35,400

you have some inside baseball knowledge

190

00:07:39,529 --> 00:07:37,800

and and uh but I didn't have any

191

00:07:41,570 --> 00:07:39,539

security concerns you know it's like

192

00:07:43,370 --> 00:07:41,580

yeah if I had security concerns I would

193

00:07:46,129 --> 00:07:43,380

have addressed it was with the security

194

00:07:47,990 --> 00:07:46,139

concern I had the yeah you know I can't

195

00:07:50,150 --> 00:07:48,000

believe we're saying all this in the New

196

00:07:53,629 --> 00:07:50,160

York Times here because of everything

197

00:07:54,950 --> 00:07:53,639

that was involved right but I didn't

198

00:07:57,469 --> 00:07:54,960

know it was coming it took me by

199

00:07:59,570 --> 00:07:57,479

surprise I had zero intent at that point

200

00:08:01,490 --> 00:07:59,580

of working the topic again and there's

201
00:08:03,529 --> 00:08:01,500
just when I'm out they pulled me back in

202
00:08:06,350 --> 00:08:03,539
exactly what happened exactly what

203
00:08:09,230 --> 00:08:06,360
happened so uh my old boss that sent me

204
00:08:11,870 --> 00:08:09,240
the email uh sometime after that sent me

205
00:08:14,450 --> 00:08:11,880
a position and said I should consider it

206
00:08:16,150 --> 00:08:14,460
and I did and I applied and I got that

207
00:08:18,409 --> 00:08:16,160
and that was that promotion

208
00:08:20,210 --> 00:08:18,419
I was actually stepping back into Office

209
00:08:24,469 --> 00:08:20,220
of Naval intelligence to do a different

210
00:08:27,350 --> 00:08:24,479
job but at that point uh

211
00:08:29,029 --> 00:08:27,360
you know your your Pilots have been

212
00:08:30,170 --> 00:08:29,039
taken to Congress the Senate armed

213
00:08:32,029 --> 00:08:30,180

service committee and all these folks

214

00:08:34,909 --> 00:08:32,039

had the interest in the topic

215

00:08:37,550 --> 00:08:34,919

and my boss realizing you know she knew

216

00:08:39,889 --> 00:08:37,560

all along hey I got one guy that's got

217

00:08:42,350 --> 00:08:39,899

some history in this and and the trust

218

00:08:43,550 --> 00:08:42,360

to tackle it appropriately and keep it

219

00:08:46,130 --> 00:08:43,560

professional and do all the things that

220

00:08:47,690 --> 00:08:46,140

need to be done so she reached out and

221

00:08:50,690 --> 00:08:47,700

said hey I want you to take this over

222

00:08:52,370 --> 00:08:50,700

and she really wanted a joint program is

223

00:08:54,250 --> 00:08:52,380

the word she used but you know joint

224

00:08:57,170 --> 00:08:54,260

effort built

225

00:08:59,990 --> 00:08:57,180

to tackle this problem and get out ahead

226

00:09:01,610 --> 00:09:00,000

of it because of the Alex dietrichs of

227

00:09:03,710 --> 00:09:01,620

the world right the people that we want

228

00:09:06,050 --> 00:09:03,720

to take care of and I only say her name

229

00:09:11,329 --> 00:09:06,060

because she's come out herself and

230

00:09:14,210 --> 00:09:11,339

um and and with that uh I I took it I

231

00:09:16,490 --> 00:09:14,220

had the authority we call it um duralos

232

00:09:18,110 --> 00:09:16,500

direct liaison Authority I had directly

233

00:09:21,230 --> 00:09:18,120

guys on Authority across the entire

234

00:09:23,870 --> 00:09:21,240

government she empowered me with her you

235

00:09:27,230 --> 00:09:23,880

know her her power to to do that to say

236

00:09:28,790 --> 00:09:27,240

just go for it and I I wouldn't let

237

00:09:31,430 --> 00:09:28,800

anything stop me unless they you know

238

00:09:33,829 --> 00:09:31,440

threw me out right so I started going

239

00:09:36,710 --> 00:09:33,839

through my own education and saying

240

00:09:38,329 --> 00:09:36,720

here's what I need and and that came

241

00:09:40,190 --> 00:09:38,339

from the years of looking at this and I

242

00:09:42,350 --> 00:09:40,200

knew I needed I needed things like the

243

00:09:44,090 --> 00:09:42,360

FBI and the Coast Guard and others for

244

00:09:45,050 --> 00:09:44,100

their Title 18 authorities I needed

245

00:09:46,190 --> 00:09:45,060

folks with the right title 50

246

00:09:48,050 --> 00:09:46,200

authorities the folks with the right

247

00:09:50,449 --> 00:09:48,060

title 10 authorities

248

00:09:53,530 --> 00:09:50,459

um and and to do this right and and to

249

00:09:55,670 --> 00:09:53,540

get that level of respect and and

250

00:09:57,710 --> 00:09:55,680

get to those true answers you've got to

251
00:09:59,990 --> 00:09:57,720
have the right people involved right so

252
00:10:02,329 --> 00:10:00,000
I went out like building a business and

253
00:10:05,030 --> 00:10:02,339
started knocking on doors and and now

254
00:10:08,150 --> 00:10:05,040
thanks to my new rank I pretty much got

255
00:10:10,009 --> 00:10:08,160
doors opened right and and previously

256
00:10:12,350 --> 00:10:10,019
they would have might might would have

257
00:10:14,630 --> 00:10:12,360
opened the doors but but now hey let's

258
00:10:16,550 --> 00:10:14,640
see what this guy has to say uh at that

259
00:10:17,750 --> 00:10:16,560
point you know we had the the Gimbal and

260
00:10:20,449 --> 00:10:17,760
other things right that people know

261
00:10:21,949 --> 00:10:20,459
about but we had more obviously I'm

262
00:10:23,810 --> 00:10:21,959
going through

263
00:10:26,930 --> 00:10:23,820

what we know we don't know what we think

264

00:10:28,490 --> 00:10:26,940

and everywhere I went because again of

265

00:10:30,110 --> 00:10:28,500

that education of how to present the

266

00:10:31,430 --> 00:10:30,120

data and how to present the the

267

00:10:33,350 --> 00:10:31,440

information

268

00:10:35,570 --> 00:10:33,360

they went holy crap how can we help

269

00:10:37,370 --> 00:10:35,580

right and I ended up with with somebody

270

00:10:41,210 --> 00:10:37,380

in each organization that was kind of my

271

00:10:43,610 --> 00:10:41,220

belly button to say uh hey uh this is

272

00:10:44,930 --> 00:10:43,620

your guy he'll help you and I just

273

00:10:46,970 --> 00:10:44,940

started building out that business and

274

00:10:49,130 --> 00:10:46,980

that framework and getting the things

275

00:10:51,170 --> 00:10:49,140

that we needed to be successful I would

276

00:10:53,389 --> 00:10:51,180

call it at that point a partnership not

277

00:10:55,610 --> 00:10:53,399

a task force because really you know

278

00:10:58,610 --> 00:10:55,620

task force is a legal thing and in the

279

00:11:00,410 --> 00:10:58,620

dod circles but we were this uh this

280

00:11:02,690 --> 00:11:00,420

this partnership with the right people

281

00:11:04,370 --> 00:11:02,700

across the services uh everybody

282

00:11:05,250 --> 00:11:04,380

approaching it from from the right

283

00:11:06,530 --> 00:11:05,260

perspective

284

00:11:08,750 --> 00:11:06,540

[Music]

285

00:11:11,090 --> 00:11:08,760

at that point no I I started Loosely

286

00:11:12,829 --> 00:11:11,100

calling it a task force but that was

287

00:11:14,329 --> 00:11:12,839

very loose it was really and the way I

288

00:11:16,730 --> 00:11:14,339

would brief it is partnership you know

289

00:11:18,110 --> 00:11:16,740

as I kind of show who's helping out uh

290

00:11:19,910 --> 00:11:18,120

and but at that point I am briefing

291

00:11:22,430 --> 00:11:19,920

Congress you know from from from that

292

00:11:25,069 --> 00:11:22,440

that day forward right we're I went in

293

00:11:27,470 --> 00:11:25,079

and and briefed the uh a couple of the

294

00:11:29,210 --> 00:11:27,480

Committees on my plan I had a what I

295

00:11:31,610 --> 00:11:29,220

call a one-pager again I'm you know from

296

00:11:32,930 --> 00:11:31,620

a marketing perspective of everything on

297

00:11:34,970 --> 00:11:32,940

one page and here's what I'm gonna do

298

00:11:37,130 --> 00:11:34,980

and here's how I'm gonna do it uh and

299

00:11:39,410 --> 00:11:37,140

they loved it uh and they got behind it

300

00:11:41,750 --> 00:11:39,420

and you saw some language coming out of

301

00:11:43,310 --> 00:11:41,760

the authorization for that I heard it

302

00:11:45,290 --> 00:11:43,320

became a hot ticket that you know

303

00:11:46,910 --> 00:11:45,300

whereas before it was not not nothing

304

00:11:49,009 --> 00:11:46,920

that ever popped up in Congress and

305

00:11:51,470 --> 00:11:49,019

suddenly hey let's have a hearing show

306

00:11:52,850 --> 00:11:51,480

us the videos absolutely yeah and and

307

00:11:55,190 --> 00:11:52,860

again it's how you present the data

308

00:11:57,470 --> 00:11:55,200

right and there were plenty there were

309

00:11:59,090 --> 00:11:57,480

still a few of the the Old Guard kind of

310

00:12:01,490 --> 00:11:59,100

hanging out that that could prevent me

311

00:12:02,870 --> 00:12:01,500

from being successful and some of them

312

00:12:04,730 --> 00:12:02,880

did not want to hear from me right they

313

00:12:06,949 --> 00:12:04,740

don't want to get the briefing but every

314

00:12:08,690 --> 00:12:06,959

time I finally got to brief them they

315

00:12:10,670 --> 00:12:08,700

were supportive every Congressman I ever

316

00:12:13,310 --> 00:12:10,680

briefed except for one I won't say who

317

00:12:15,710 --> 00:12:13,320

and it gets back to the belief word

318

00:12:17,509 --> 00:12:15,720

uh you know everybody understood where I

319

00:12:19,910 --> 00:12:17,519

was coming from and and the problem said

320

00:12:22,550 --> 00:12:19,920

and and that you know at the end of the

321

00:12:24,949 --> 00:12:22,560

day the business I built

322

00:12:27,110 --> 00:12:24,959

was working and it was and it was what

323

00:12:29,090 --> 00:12:27,120

we finally needed right

324

00:12:31,250 --> 00:12:29,100

it sort of reminds you of Michael

325

00:12:32,810 --> 00:12:31,260

Corleone just when I'm out that I

326

00:12:35,150 --> 00:12:32,820

thought I was out they pulled me back in

327

00:12:37,790 --> 00:12:35,160

it's the kind of thing so yeah he again

328

00:12:39,889 --> 00:12:37,800

he was not a UFO guy yeah he was doing

329

00:12:42,110 --> 00:12:39,899

his job each of the times he was asked

330

00:12:43,370 --> 00:12:42,120

to do this he was doing his job and you

331

00:12:45,470 --> 00:12:43,380

know something else he said that really

332

00:12:46,970 --> 00:12:45,480

uh impacted me was you know he was a

333

00:12:49,550 --> 00:12:46,980

really high rank and I don't want to get

334

00:12:52,009 --> 00:12:49,560

into exactly like how that works but you

335

00:12:54,110 --> 00:12:52,019

know we'd say an equivalent of let's

336

00:12:55,670 --> 00:12:54,120

just say really high rank so a lot of

337

00:12:59,269 --> 00:12:55,680

people could have pressured him because

338

00:13:03,050 --> 00:12:59,279

of their rank to try to diminish the

339

00:13:05,269 --> 00:13:03,060

work he was doing but he resisted that

340

00:13:07,069 --> 00:13:05,279

all along the way and did the right

341

00:13:08,690 --> 00:13:07,079

thing and I just I thought that was a

342

00:13:11,260 --> 00:13:08,700

really cool thing to hear from somebody
