

1
00:00:00,900 --> 00:00:05,210
and this is weapons

2
00:00:10,009 --> 00:00:08,330
and here we are in 2023 you know what's

3
00:00:13,249 --> 00:00:10,019
the big picture man where are we going

4
00:00:15,530 --> 00:00:13,259
with this from reports to Arrow to other

5
00:00:17,090 --> 00:00:15,540
agencies we know that are interested in

6
00:00:19,010 --> 00:00:17,100
the UFO subject like where are we going

7
00:00:21,050 --> 00:00:19,020
with this man well we know that because

8
00:00:23,269 --> 00:00:21,060
of that legislation there are

9
00:00:24,769 --> 00:00:23,279
whistleblowers who are lined up at least

10
00:00:26,570 --> 00:00:24,779
a few of them that we know of who are

11
00:00:29,210 --> 00:00:26,580
lined up prepared to tell what they know

12
00:00:31,550 --> 00:00:29,220
uh the most interesting unanswered

13
00:00:34,190 --> 00:00:31,560

question is where are the goodies is

14

00:00:36,650 --> 00:00:34,200

there metamaterials stashed in a

15

00:00:38,510 --> 00:00:36,660

warehouse are there intact craft as Bob

16

00:00:40,729 --> 00:00:38,520

Lazar suggested somewhere out in the

17

00:00:43,310 --> 00:00:40,739

desert uh are their bodies you know

18

00:00:44,869 --> 00:00:43,320

there are people who have told us that

19

00:00:47,569 --> 00:00:44,879

they know that those things are true

20

00:00:49,490 --> 00:00:47,579

that there are materials exotic

21

00:00:51,170 --> 00:00:49,500

materials from somewhere else the

22

00:00:53,209 --> 00:00:51,180

question is are they going to be allowed

23

00:00:55,430 --> 00:00:53,219

to speak now I did Express a little bit

24

00:00:57,770 --> 00:00:55,440

of optimism a couple of minutes ago but

25

00:01:00,950 --> 00:00:57,780

I think for them it's still a dicey deal

26

00:01:03,729 --> 00:01:00,960

you know stepping forward to till these

27

00:01:07,310 --> 00:01:03,739

incredibly sensitive uh Secrets

28

00:01:08,570 --> 00:01:07,320

comes with the risk and and we know that

29

00:01:11,149 --> 00:01:08,580

there are at least some of them who are

30

00:01:14,170 --> 00:01:11,159

already facing uh potential consequences

31

00:01:16,490 --> 00:01:14,180

for agreeing to step forward hopefully

32

00:01:18,109 --> 00:01:16,500

the stories will come out the

33

00:01:20,090 --> 00:01:18,119

information will be conveyed to Congress

34

00:01:22,249 --> 00:01:20,100

whether or not that information gets to

35

00:01:23,690 --> 00:01:22,259

us the public that's another matter but

36

00:01:27,710 --> 00:01:23,700

we'll be doing our best to get it out

37

00:01:30,530 --> 00:01:27,720

the process designed through the whisper

38

00:01:32,510 --> 00:01:30,540

protection stuff the idea of using

39

00:01:35,210 --> 00:01:32,520

something like the Inspector General to

40

00:01:37,730 --> 00:01:35,220

to move forward with with complaints of

41

00:01:39,050 --> 00:01:37,740

reprisal and this sort of thing I think

42

00:01:42,410 --> 00:01:39,060

it is fair to say because we've we've

43

00:01:45,050 --> 00:01:42,420

said before that process whether or not

44

00:01:47,990 --> 00:01:45,060

it has been formalized there are people

45

00:01:50,690 --> 00:01:48,000

in this subject who are using the right

46

00:01:52,850 --> 00:01:50,700

mechanisms to get the information where

47

00:01:55,249 --> 00:01:52,860

it needs to go out of fear of reprisal

48

00:01:58,429 --> 00:01:55,259

that is something current

49

00:02:00,050 --> 00:01:58,439

that is happening so I'm I'm encouraged

50

00:02:02,630 --> 00:02:00,060

that that process is there to protect

51
00:02:06,530 --> 00:02:02,640
people ultimate goal let's just say it

52
00:02:09,169 --> 00:02:06,540
like it is there are UFO study programs

53
00:02:11,449 --> 00:02:09,179
in multiple agencies across every branch

54
00:02:14,210 --> 00:02:11,459
of our military many of which we know

55
00:02:16,250 --> 00:02:14,220
about the idea is can they go through a

56
00:02:18,470 --> 00:02:16,260
formal process to bring those illegal

57
00:02:19,910 --> 00:02:18,480
programs to where they should go there

58
00:02:21,890 --> 00:02:19,920
shouldn't be a job of Journalism this

59
00:02:23,510 --> 00:02:21,900
should be a job a cleaning house this

60
00:02:25,670 --> 00:02:23,520
should be something that they do on the

61
00:02:28,010 --> 00:02:25,680
inside journalists do what they do this

62
00:02:29,990 --> 00:02:28,020
should be clear and straightforward if

63
00:02:31,190 --> 00:02:30,000

there are unknown illegal programs

64

00:02:33,290 --> 00:02:31,200

dealing with non-terrestrial

65

00:02:36,710 --> 00:02:33,300

Technologies yes that's a huge issue for

66

00:02:39,290 --> 00:02:36,720

Humanity but this also needs to be fixed

67

00:02:41,270 --> 00:02:39,300

on the inside absolutely and uh you know

68

00:02:42,650 --> 00:02:41,280

this report for example there's a line

69

00:02:45,050 --> 00:02:42,660

in there that I found pretty interesting

70

00:02:47,570 --> 00:02:45,060

it says that we have no evidence of any

71

00:02:51,350 --> 00:02:47,580

uh direct human health consequences of

72

00:02:54,350 --> 00:02:51,360

exposure to UFOs I can hope that

73

00:02:56,750 --> 00:02:54,360

sometime in the next 12 months that the

74

00:02:59,210 --> 00:02:56,760

arrow folks will go around down the hall

75

00:03:01,850 --> 00:02:59,220

and knock on the door at the DIA and ask

76
00:03:03,949 --> 00:03:01,860
to see the OSAP files because ASAP as we

77
00:03:06,949 --> 00:03:03,959
have reported has very definitive

78
00:03:09,890 --> 00:03:06,959
evidence about harmful consequences from

79
00:03:11,809 --> 00:03:09,900
people who got too close to UFOs

80
00:03:14,509 --> 00:03:11,819
um and there are some very dramatic and

81
00:03:17,630 --> 00:03:14,519
well-documented cases that that the DIA

82
00:03:20,149 --> 00:03:17,640
program followed for a number of years

83
00:03:23,509 --> 00:03:20,159
so having seen these some of these

84
00:03:26,509 --> 00:03:23,519
reports the the thing you're saying is

85
00:03:29,449 --> 00:03:26,519
that Arrow who's studying the UFO

86
00:03:31,670 --> 00:03:29,459
phenomenon they should already have all

87
00:03:34,309 --> 00:03:31,680
this documentation of a huge program

88
00:03:36,410 --> 00:03:34,319

like ASAP that clearly shows that there

89

00:03:39,470 --> 00:03:36,420

have been health issues that have been

90

00:03:43,309 --> 00:03:39,480

caused directly from close proximity to

91

00:03:45,110 --> 00:03:43,319

UAP right and they don't seem to have

92

00:03:46,670 --> 00:03:45,120

any knowledge of that it was similar to

93

00:03:48,170 --> 00:03:46,680

the two guys who appeared before the

94

00:03:50,330 --> 00:03:48,180

Congressional hearing the first

95

00:03:52,490 --> 00:03:50,340

congressional Hearing in 54 years when

96

00:03:54,589 --> 00:03:52,500

they were asked about nuclear incidents

97

00:03:56,089 --> 00:03:54,599

incidents or nuclear missile bases not

98

00:03:57,770 --> 00:03:56,099

they don't know anything about it well

99

00:04:00,530 --> 00:03:57,780

there are some pretty dramatic cases

100

00:04:02,390 --> 00:04:00,540

that were studied also by OSAP that were

101
00:04:06,050 --> 00:04:02,400
written up into reports all they have to

102
00:04:08,390 --> 00:04:06,060
do is ask for it Congress seemed uh to

103
00:04:10,610 --> 00:04:08,400
only know a little bits and pieces they

104
00:04:13,250 --> 00:04:10,620
were unaware seemingly unaware that OSAP

105
00:04:14,390 --> 00:04:13,260
ever existed when the Navy guys were

106
00:04:17,030 --> 00:04:14,400
asked is there anything in between

107
00:04:19,370 --> 00:04:17,040
Project Blue Book and atip nope well

108
00:04:21,890 --> 00:04:19,380
that's not true I mean you know it was

109
00:04:24,230 --> 00:04:21,900
it was a lot of money millions of public

110
00:04:26,629 --> 00:04:24,240
dollars were spent on that the the

111
00:04:28,730 --> 00:04:26,639
stories have been all over the world the

112
00:04:30,050 --> 00:04:28,740
book has been written the people were

113
00:04:31,490 --> 00:04:30,060

involved in the program have come

114

00:04:34,290 --> 00:04:31,500

forward and talked about it how can they
