

1
00:00:00,900 --> 00:00:05,390
and this is weapons

2
00:00:11,150 --> 00:00:08,509
the idea of uh investigating anomalies

3
00:00:13,970 --> 00:00:11,160
is Central to Scientific progress you

4
00:00:16,129 --> 00:00:13,980
know you can stay in a safe Lane and and

5
00:00:18,109 --> 00:00:16,139
spend your whole career living within

6
00:00:20,269 --> 00:00:18,119
the Paradigm not risking going outside

7
00:00:22,310 --> 00:00:20,279
the boundaries of what's acceptable but

8
00:00:23,870 --> 00:00:22,320
in the history of science the ones that

9
00:00:25,670 --> 00:00:23,880
really make the difference are the ones

10
00:00:27,650 --> 00:00:25,680
that pursue anomalies something that

11
00:00:29,810 --> 00:00:27,660
doesn't fit the General accepted

12
00:00:32,450 --> 00:00:29,820
knowledge absolutely I couldn't agree

13
00:00:35,990 --> 00:00:32,460

more I mean I I and I think when Robert

14
00:00:38,270 --> 00:00:36,000
Bigelow founded uh needs as it became as

15
00:00:41,510 --> 00:00:38,280
it became known as I think that was a

16
00:00:44,869 --> 00:00:41,520
central objective was to bring in some

17
00:00:48,229 --> 00:00:44,879
mainstream quote-unquote scientists we

18
00:00:51,350 --> 00:00:48,239
were shortly joined by a physicist Eric

19
00:00:53,869 --> 00:00:51,360
Davis who was sort of Since since then

20
00:00:57,590 --> 00:00:53,879
become quite well known in the UFO

21
00:01:01,970 --> 00:00:57,600
circles and we also uh hired our Robert

22
00:01:04,609 --> 00:01:01,980
Bigelow hired a DVM PhD guy named George

23
00:01:06,830 --> 00:01:04,619
on that who was an expert at animal

24
00:01:09,770 --> 00:01:06,840
pathology on the purpose for doing that

25
00:01:11,710 --> 00:01:09,780
was because this organization was going

26
00:01:15,230 --> 00:01:11,720
to investigate scientific anomalies

27
00:01:18,830 --> 00:01:15,240
among which were cattle mutilations and

28
00:01:23,210 --> 00:01:18,840
so the whole idea of hiring a full-time

29
00:01:26,149 --> 00:01:23,220
staff member of animal pathologist was

30
00:01:29,030 --> 00:01:26,159
to actually do that kind of work and so

31
00:01:31,910 --> 00:01:29,040
it was a sort of an overt attempt to get

32
00:01:34,910 --> 00:01:31,920
a jump start on a field that was very

33
00:01:38,030 --> 00:01:34,920
very Arcane and very sort of mysterious

34
00:01:40,969 --> 00:01:38,040
I mean thousands of these cattle

35
00:01:44,929 --> 00:01:40,979
beginning in the 1960s on going into the

36
00:01:48,350 --> 00:01:44,939
1970s were being found dead on ranchers

37
00:01:52,010 --> 00:01:48,360
properties with parts removed either

38
00:01:55,490 --> 00:01:52,020

reproductive organs or lips or eyes or

39

00:01:59,210 --> 00:01:55,500

tongues and it was uh it was a mystery

40

00:02:00,770 --> 00:01:59,220

nobody had been caught or charged in

41

00:02:04,190 --> 00:02:00,780

decades which is a very unusual

42

00:02:06,649 --> 00:02:04,200

situation because normally if you've got

43

00:02:09,109 --> 00:02:06,659

a quote-unquote serial killer you know

44

00:02:11,750 --> 00:02:09,119

eventually they're caught in charge but

45

00:02:14,330 --> 00:02:11,760

this was decades later during the 90s

46

00:02:17,150 --> 00:02:14,340

and this had been going on for 30 to 40

47

00:02:20,510 --> 00:02:17,160

years without anybody getting charged or

48

00:02:24,050 --> 00:02:20,520

caught so nids nids

49

00:02:25,850 --> 00:02:24,060

you know got a DVM PhD

50

00:02:28,250 --> 00:02:25,860

um animal pathologist

51
00:02:29,630 --> 00:02:28,260
right from the get-go in order to sort

52
00:02:32,030 --> 00:02:29,640
of get a jump start on animal

53
00:02:33,949 --> 00:02:32,040
mutilations we thought we could solve it

54
00:02:37,250 --> 00:02:33,959
and probably you know

55
00:02:39,949 --> 00:02:37,260
um maybe six months to a year but you

56
00:02:42,589 --> 00:02:39,959
know uh we were sort of uh I think we

57
00:02:44,869 --> 00:02:42,599
were met with an awful lot more uh

58
00:02:46,729 --> 00:02:44,879
complexity George has along the way

59
00:02:48,470 --> 00:02:46,739
really kind of educated me on all this

60
00:02:51,110 --> 00:02:48,480
history and stuff I didn't know about

61
00:02:53,089 --> 00:02:51,120
animal mutilations I was interested in

62
00:02:54,710 --> 00:02:53,099
nuts and bolts and flying saucers right

63
00:02:56,690 --> 00:02:54,720

over the over time you know George has

64

00:02:58,850 --> 00:02:56,700

kind of showed me here's where the FBI

65

00:03:00,589 --> 00:02:58,860

was involved here's in the 70s what

66

00:03:02,449 --> 00:03:00,599

happened here are the documented cases

67

00:03:04,190 --> 00:03:02,459

the pathology labs and then working with

68

00:03:06,470 --> 00:03:04,200

you I kind of started getting a bigger

69

00:03:08,509 --> 00:03:06,480

picture but just for our audience or

70

00:03:10,190 --> 00:03:08,519

anybody who's unfamiliar with this when

71

00:03:13,490 --> 00:03:10,200

we talk about something as mysterious as

72

00:03:15,229 --> 00:03:13,500

the UFO phenomenon I'd begrudgingly had

73

00:03:17,570 --> 00:03:15,239

to come to an understanding that

74

00:03:19,850 --> 00:03:17,580

possibly something like this what I

75

00:03:21,710 --> 00:03:19,860

considered this other mystery because I

76

00:03:23,330 --> 00:03:21,720

wasn't listening to people who are who

77

00:03:26,149 --> 00:03:23,340

were experiencing these things

78

00:03:29,149 --> 00:03:26,159

that this other mystery in my mind might

79

00:03:30,830 --> 00:03:29,159

have or be correlated to the UFO

80

00:03:33,290 --> 00:03:30,840

phenomenon right but when you're

81

00:03:35,990 --> 00:03:33,300

studying it with nids at the beginning

82

00:03:37,850 --> 00:03:36,000

a scientific team and and you're you're

83

00:03:39,229 --> 00:03:37,860

you know on the ground you're going to

84

00:03:40,850 --> 00:03:39,239

these things you're doing pathologies

85

00:03:43,369 --> 00:03:40,860

you're doing stuff that like other the

86

00:03:44,990 --> 00:03:43,379

governments wouldn't do right in your

87

00:03:46,670 --> 00:03:45,000

mind did you make any association

88

00:03:48,289 --> 00:03:46,680

immediately that this has something to

89

00:03:50,149 --> 00:03:48,299

do with a bigger phenomenon are we just

90

00:03:52,850 --> 00:03:50,159

looking at mutilations and trying to

91

00:03:55,009 --> 00:03:52,860

find the killers I think a bit of both

92

00:03:56,509 --> 00:03:55,019

um I I know the veterinarian that joined

93

00:03:59,449 --> 00:03:56,519

National Institute for Discovery Science

94

00:04:02,990 --> 00:03:59,459

was very skeptical about any possible

95

00:04:05,990 --> 00:04:03,000

linkage between UFOs and calculations

96

00:04:09,309 --> 00:04:06,000

however uh the literature that we looked

97

00:04:12,530 --> 00:04:09,319

into suggested that there were a lot of

98

00:04:15,649 --> 00:04:12,540

unusual lights in the sky that usually

99

00:04:19,189 --> 00:04:15,659

were seen by ranchers or people close to

100

00:04:20,930 --> 00:04:19,199

ranchers immediately preceding finding

101
00:04:22,790 --> 00:04:20,940
their animal dead in the posture the

102
00:04:24,170 --> 00:04:22,800
following day so that's the last thing

103
00:04:26,570 --> 00:04:24,180
they would report that's been when

104
00:04:28,430 --> 00:04:26,580
George and I have studied specific cases

105
00:04:31,670 --> 00:04:28,440
with this mutilation thing under the

106
00:04:34,129 --> 00:04:31,680
radar although filmed uh what what's

107
00:04:35,570 --> 00:04:34,139
interesting is that that's the the last

108
00:04:37,730 --> 00:04:35,580
thing a Rancher wants to tell you

109
00:04:40,010 --> 00:04:37,740
they'll tell you somebody [h__h] up my

110
00:04:42,050 --> 00:04:40,020
cow and I'd like them arrested I'd like

111
00:04:44,270 --> 00:04:42,060
to find out what's going on yeah but

112
00:04:46,189 --> 00:04:44,280
they they're hesitant to tell you the

113
00:04:48,110 --> 00:04:46,199

lights thing or the what what else they

114

00:04:49,909 --> 00:04:48,120

see well I'd add this is you know I've

115

00:04:52,249 --> 00:04:49,919

reported it a number of times the number

116

00:04:55,070 --> 00:04:52,259

we use is there's been at least 10 000

117

00:04:56,870 --> 00:04:55,080

cases reported and uh you know it's

118

00:04:59,210 --> 00:04:56,880

supposedly satanic Cults out there

119

00:05:01,490 --> 00:04:59,220

carving up cows and other animals or

120

00:05:03,409 --> 00:05:01,500

it's coyotes doing it obviously it is

121

00:05:05,990 --> 00:05:03,419

not coyotes or Predators doing it we'll

122

00:05:08,450 --> 00:05:06,000

get into that but also the Cults I mean

123

00:05:10,490 --> 00:05:08,460

where are all these Beals above uh

124

00:05:12,350 --> 00:05:10,500

worshipers are running around out in

125

00:05:14,210 --> 00:05:12,360

ranches and how are they have never been

126

00:05:16,430 --> 00:05:14,220

caught the actual number is probably

127

00:05:17,930 --> 00:05:16,440

many times that because ranchers

128

00:05:19,730 --> 00:05:17,940

experience this they don't want to deal

129

00:05:21,350 --> 00:05:19,740

with it they dig a hole throw the cow in

130

00:05:23,629 --> 00:05:21,360

it and and just forget about it they

131

00:05:26,090 --> 00:05:23,639

don't report it to anyone so the actual

132

00:05:28,670 --> 00:05:26,100

problem could be a lot bigger than than

133

00:05:31,070 --> 00:05:28,680

what anybody knows well it is you and I

134

00:05:32,689 --> 00:05:31,080

all the time get cases associated with

135

00:05:34,310 --> 00:05:32,699

this where they're like we want you want

136

00:05:36,170 --> 00:05:34,320

to tell you we want to show you photos

137

00:05:38,870 --> 00:05:36,180

we don't want it public we don't want

138

00:05:41,270 --> 00:05:38,880

our name and you know one we were able

139

00:05:43,490 --> 00:05:41,280

to go investigate and but the the whole

140

00:05:45,409 --> 00:05:43,500

thing is is that you're right this is

141

00:06:00,310 --> 00:05:45,419

not something that is just on their

142

00:06:07,490 --> 00:06:03,610

got a call from the guy in Dumas Texas

143

00:06:10,010 --> 00:06:07,500

and he has what appears to be an

144

00:06:11,689 --> 00:06:10,020

exceptionally interesting Academy

145

00:06:13,249 --> 00:06:11,699

relation I'm going to show you the

146

00:06:15,890 --> 00:06:13,259

photos from it

147

00:06:17,450 --> 00:06:15,900

see if you think this is a valid case I

148

00:06:19,909 --> 00:06:17,460

like to meet with George Knapp because

149

00:06:22,790 --> 00:06:19,919

he has walked the walk for decades

150

00:06:25,850 --> 00:06:22,800

before me we're talking about a reporter

151

00:06:28,670 --> 00:06:25,860

who has broken global news from the mob

152

00:06:30,890 --> 00:06:28,680

to political investigations he's a

153

00:06:32,330 --> 00:06:30,900

touchstone for truth there aren't many

154

00:06:34,490 --> 00:06:32,340

things we can say for sure about this

155

00:06:37,010 --> 00:06:34,500

but there are a couple one is we know at

156

00:06:39,050 --> 00:06:37,020

least 10 000 cases in all 50 states

157

00:06:40,309 --> 00:06:39,060

they've been reported since the 1970s

158

00:06:42,590 --> 00:06:40,319

I'm going to share something with you

159

00:06:44,330 --> 00:06:42,600

that is pretty startling this is a paper

160

00:06:46,249 --> 00:06:44,340

that was written by needs National

161

00:06:47,749 --> 00:06:46,259

Institute for Discovery Science one of

162

00:06:50,330 --> 00:06:47,759

the investigations that They carried out

163

00:06:52,070 --> 00:06:50,340

was in Montana there was a sheriff his

164

00:06:54,230 --> 00:06:52,080

county is home to Malmstrom Air Force

165

00:06:55,969 --> 00:06:54,240

Base nuclear missiles yeah and there

166

00:06:58,010 --> 00:06:55,979

were a whole outbreak of these UFO

167

00:07:00,830 --> 00:06:58,020

sightings over the missile bases but by

168

00:07:03,290 --> 00:07:00,840

the way just interject in Dumas Texas is

169

00:07:06,189 --> 00:07:03,300

one of the largest nuclear missile

170

00:07:10,150 --> 00:07:06,199

disarmament and maintenance facilities

171

00:07:14,450 --> 00:07:12,950

extraordinary coincidence well it is

172

00:07:16,249 --> 00:07:14,460

exactly the pattern that happened in

173

00:07:19,010 --> 00:07:16,259

Montana over a series of years they had

174

00:07:20,930 --> 00:07:19,020

something like 200 mutilations in this

175

00:07:23,089 --> 00:07:20,940

guy's County and it was happening in the

176

00:07:25,550 --> 00:07:23,099

same time period that UFOs were

177

00:07:27,350 --> 00:07:25,560

appearing over these missile silos some

178

00:07:29,390 --> 00:07:27,360

of those silos were taken down they were

179

00:07:31,249 --> 00:07:29,400

inoperative for a period of time by what

180

00:07:33,589 --> 00:07:31,259

the story has put out its mystery

181

00:07:35,029 --> 00:07:33,599

helicopters holy [\h__\h] it was reported by

182

00:07:37,309 --> 00:07:35,039

The Washington Post and the world

183

00:07:40,909 --> 00:07:37,319

ignored it it's well documented this is

184

00:07:42,890 --> 00:07:40,919

a report by the FBI in the late 70s a

185

00:07:44,629 --> 00:07:42,900

big outbreak of capital mutilations and

186

00:07:45,830 --> 00:07:44,639

some U.S senators said hey let's get to

187

00:07:47,990 --> 00:07:45,840

the bottom of this the ranchers are

188

00:07:49,730 --> 00:07:48,000

raised in hell and they hired an ex-fbi

189

00:07:51,770 --> 00:07:49,740

agent and basically gave him an

190

00:07:54,589 --> 00:07:51,780

assignment explain this this is the

191

00:07:56,629 --> 00:07:54,599

actual FBI on the FBI right he took a

192

00:07:58,370 --> 00:07:56,639

lot of legitimate evidence and then gave

193

00:08:00,290 --> 00:07:58,380

a whitewash explanation that it's

194

00:08:03,469 --> 00:08:00,300

Predators it's [h__\h] it's not

195

00:08:04,790 --> 00:08:03,479

Predators contrary to the FBI and the

196

00:08:07,070 --> 00:08:04,800

government's attempts to wipe this away

197

00:08:09,170 --> 00:08:07,080

with that that report yeah the mystery

198

00:08:11,570 --> 00:08:09,180

continues if cattle mutilation

199

00:08:13,309 --> 00:08:11,580

does happen in waves we have a

200

00:08:15,290 --> 00:08:13,319

re-emergence there have been you know

201
00:08:17,870 --> 00:08:15,300
really concerted efforts to make the

202
00:08:19,670 --> 00:08:17,880
public ignore it and explain it away the

203
00:08:21,529 --> 00:08:19,680
Public's not stupid Witnesses are

204
00:08:24,110 --> 00:08:21,539
reaching out to me now it's [h__\h]

205
00:08:25,909 --> 00:08:24,120
amazing when I started doing this I

206
00:08:28,790 --> 00:08:25,919
never wanted to touch the mutilation

207
00:08:31,129 --> 00:08:28,800
topic so strange and Fringe people

208
00:08:33,949 --> 00:08:31,139
equate them with UFOs and government

209
00:08:36,290 --> 00:08:33,959
conspiracies but I can't ignore the

210
00:08:37,790 --> 00:08:36,300
facts there's physical evidence and when

211
00:08:39,769 --> 00:08:37,800
there's physical evidence there's

212
00:08:42,050 --> 00:08:39,779
something we can learn from that you see

213
00:08:44,209 --> 00:08:42,060

patterns happening here that are

214

00:08:46,550 --> 00:08:44,219

intertwined with these cases of true
