

1
00:00:00,900 --> 00:00:05,630
and this is weapons

2
00:00:11,750 --> 00:00:09,589
okay so this guy is kind of opening up

3
00:00:13,850 --> 00:00:11,760
to you and as a journalist at this point

4
00:00:16,310 --> 00:00:13,860
in your career and and going into

5
00:00:18,769 --> 00:00:16,320
digging into Bob's our story and hearing

6
00:00:20,870 --> 00:00:18,779
this this is the first time we start

7
00:00:22,910 --> 00:00:20,880
talking about a living like an operator

8
00:00:26,929 --> 00:00:22,920
of these vehicles

9
00:00:28,910 --> 00:00:26,939
so how did that how did you feel when he

10
00:00:30,529 --> 00:00:28,920
is a guy telling you a story how did

11
00:00:32,510 --> 00:00:30,539
that make you feel this is no longer

12
00:00:35,330 --> 00:00:32,520
just about craft and propulsion which is

13
00:00:37,010 --> 00:00:35,340

all that Bob was involved with but he

14

00:00:38,389 --> 00:00:37,020

saw documents that they showed me that

15

00:00:39,830 --> 00:00:38,399

Bob doesn't know if they're real or not

16

00:00:41,690 --> 00:00:39,840

really says I didn't see that I saw the

17

00:00:44,810 --> 00:00:41,700

propulsion system but he read a bunch of

18

00:00:47,150 --> 00:00:44,820

[h__\h] when when O'Donnell says to you Al

19

00:00:49,910 --> 00:00:47,160

O'Donnell when he says to you we had a

20

00:00:52,549 --> 00:00:49,920

live alien a being

21

00:00:54,170 --> 00:00:52,559

obviously From Another World what was

22

00:00:56,630 --> 00:00:54,180

your feeling

23

00:00:58,729 --> 00:00:56,640

while I was overwhelmed because it was

24

00:01:00,410 --> 00:00:58,739

in effect confirmation of things that I

25

00:01:03,170 --> 00:01:00,420

had come to believe because of the

26
00:01:05,329 --> 00:01:03,180
reporting we'd already done uh and then

27
00:01:07,010 --> 00:01:05,339
the evidence of cover-ups and lies that

28
00:01:09,050 --> 00:01:07,020
have been told to the public here's this

29
00:01:10,969 --> 00:01:09,060
guy in a high position with the high

30
00:01:12,410 --> 00:01:10,979
security clearance telling me that it

31
00:01:14,330 --> 00:01:12,420
was true that they really did have a

32
00:01:16,910 --> 00:01:14,340
craft and they had a being my second

33
00:01:19,910 --> 00:01:16,920
feeling was one of overwhelming sadness

34
00:01:22,070 --> 00:01:19,920
for the uh the being whatever it was you

35
00:01:23,630 --> 00:01:22,080
know that was kept out there I asked him

36
00:01:25,070 --> 00:01:23,640
you know what had happened to what

37
00:01:26,210 --> 00:01:25,080
became of it he says I don't know I

38
00:01:28,789 --> 00:01:26,220

don't know what ever happened to it but

39

00:01:30,109 --> 00:01:28,799

he was out there for a while alive and

40

00:01:31,609 --> 00:01:30,119

eventually they figured out a way to

41

00:01:33,410 --> 00:01:31,619

communicate with it and so I asked him

42

00:01:35,330 --> 00:01:33,420

well what did it look like and he made

43

00:01:36,710 --> 00:01:35,340

me guess as he did with all these

44

00:01:38,630 --> 00:01:36,720

questions they made me guess he said

45

00:01:41,330 --> 00:01:38,640

well kind of looks like a a certain

46

00:01:43,310 --> 00:01:41,340

political candidate I said well who what

47

00:01:45,050 --> 00:01:43,320

a politically the other two and at the

48

00:01:46,670 --> 00:01:45,060

time Ross Perot was running for

49

00:01:49,190 --> 00:01:46,680

president he said it looks like Ross

50

00:01:51,710 --> 00:01:49,200

Perot a little skinny guy with uh big

51
00:01:54,710 --> 00:01:51,720
ears and a tiny head not a classic gray

52
00:01:56,270 --> 00:01:54,720
looking alien but a very odd looking uh

53
00:01:58,789 --> 00:01:56,280
creature with really big ears that

54
00:02:00,230 --> 00:01:58,799
looked like Ross Perot and I laughed and

55
00:02:01,370 --> 00:02:00,240
so we had these conversations for a

56
00:02:03,230 --> 00:02:01,380
while

57
00:02:05,569 --> 00:02:03,240
and I was blown away by the information

58
00:02:07,249 --> 00:02:05,579
they shared I took all these notes I did

59
00:02:09,410 --> 00:02:07,259
I was hoping that someday I might be

60
00:02:10,969 --> 00:02:09,420
able to get the information out and I

61
00:02:13,369 --> 00:02:10,979
asked him look you're getting up there

62
00:02:15,470 --> 00:02:13,379
in age can you if I can't record

63
00:02:17,930 --> 00:02:15,480

something with you could you record a

64

00:02:20,690 --> 00:02:17,940

statement the effect of tell me this

65

00:02:22,550 --> 00:02:20,700

story on camera and then when when you

66

00:02:24,650 --> 00:02:22,560

pass on I could have the tape and he

67

00:02:27,589 --> 00:02:24,660

said yeah he would do it you know look

68

00:02:30,770 --> 00:02:27,599

I've I've heard a lot of wild stories

69

00:02:33,170 --> 00:02:30,780

that I can't verify a guy's telling you

70

00:02:34,970 --> 00:02:33,180

something and you get a sense as a

71

00:02:36,830 --> 00:02:34,980

journalist when you go down a road with

72

00:02:37,850 --> 00:02:36,840

somebody and you take your time and you

73

00:02:40,670 --> 00:02:37,860

vet it

74

00:02:42,710 --> 00:02:40,680

did you feel I mean is there any world

75

00:02:44,930 --> 00:02:42,720

where he's trying to [h__h] with you or is

76

00:02:48,530 --> 00:02:44,940

there a world where he's

77

00:02:50,690 --> 00:02:48,540

um trying to you know just get you know

78

00:02:53,030 --> 00:02:50,700

kind of put crazy information into your

79

00:02:55,070 --> 00:02:53,040

brain like what did you how did you feel

80

00:02:57,650 --> 00:02:55,080

when he was telling you this was it was

81

00:02:58,970 --> 00:02:57,660

he like straight with you like explain

82

00:03:01,190 --> 00:02:58,980

that to me yeah he was very

83

00:03:03,830 --> 00:03:01,200

straightforward and again this was not

84

00:03:06,290 --> 00:03:03,840

information he was giving up willingly I

85

00:03:08,630 --> 00:03:06,300

mean I had to really dig and coax and

86

00:03:11,449 --> 00:03:08,640

arm twist to get him to cough things up

87

00:03:12,890 --> 00:03:11,459

and it was very slow going over about a

88

00:03:15,229 --> 00:03:12,900

two-year period maybe a little bit

89

00:03:16,970 --> 00:03:15,239

longer and I know that this you always

90

00:03:18,710 --> 00:03:16,980

have to be wary of people with different

91

00:03:20,449 --> 00:03:18,720

agendas and people that just make stuff

92

00:03:23,390 --> 00:03:20,459

up I didn't get that sense from him

93

00:03:25,670 --> 00:03:23,400

because of his standing in the community

94

00:03:28,070 --> 00:03:25,680

he had shared this story with members of

95

00:03:29,869 --> 00:03:28,080

his own family and that's how that's why

96

00:03:31,550 --> 00:03:29,879

they came to use because they kind of

97

00:03:34,309 --> 00:03:31,560

give you a tip and these members of his

98

00:03:36,710 --> 00:03:34,319

family they they're um I mean they're

99

00:03:38,930 --> 00:03:36,720

serious people too yeah so the the other

100

00:03:41,509 --> 00:03:38,940

Sons is an FBI agent or was he's passed

101
00:03:43,430 --> 00:03:41,519
on now one of his sons was in FBI I was

102
00:03:46,490 --> 00:03:43,440
an elected official elected official

103
00:03:48,350 --> 00:03:46,500
where in Nevada okay yeah I was the one

104
00:03:51,050 --> 00:03:48,360
that gave me the tip but uh so I just

105
00:03:52,910 --> 00:03:51,060
want to nail this in so I understand you

106
00:03:55,309 --> 00:03:52,920
were approached because he had shared

107
00:03:57,289 --> 00:03:55,319
this with his family privately and then

108
00:03:59,210 --> 00:03:57,299
you had to kind of coax to get through

109
00:04:00,410 --> 00:03:59,220
to him about the story right I think

110
00:04:01,550 --> 00:04:00,420
that's important because look these

111
00:04:03,589 --> 00:04:01,560
things don't happen like people just

112
00:04:05,330 --> 00:04:03,599
come to us and say you know crazy stuff

113
00:04:08,390 --> 00:04:05,340

and we're like oh yeah cool sounds good

114

00:04:10,309 --> 00:04:08,400

like the dynamic of that socially as a

115

00:04:13,250 --> 00:04:10,319

journalist like getting in there taking

116

00:04:14,990 --> 00:04:13,260

time you know we have to verify if what

117

00:04:17,509 --> 00:04:15,000

he said is true and there's there's some

118

00:04:20,090 --> 00:04:17,519

major bombs coming about that but it's

119

00:04:22,069 --> 00:04:20,100

like that process is so important so

120

00:04:23,749 --> 00:04:22,079

here you are you're sitting with him he

121

00:04:26,030 --> 00:04:23,759

tells you now they had a liability and

122

00:04:28,969 --> 00:04:26,040

you felt sad because you're an animal

123

00:04:31,189 --> 00:04:28,979

rights activist you love animals I know

124

00:04:33,350 --> 00:04:31,199

with your cats at home and you do you've

125

00:04:35,090 --> 00:04:33,360

done horse stories and all you know all

126

00:04:36,230 --> 00:04:35,100

the stories about like the inhumane

127

00:04:38,150 --> 00:04:36,240

stuffed animals so it made you

128

00:04:40,730 --> 00:04:38,160

personally sad makes me sad too now

129

00:04:42,770 --> 00:04:40,740

thinking about it but yeah well we had

130

00:04:45,230 --> 00:04:42,780

these series of meetings and then the

131

00:04:47,749 --> 00:04:45,240

last time we met after he'd agreed to go

132

00:04:50,270 --> 00:04:47,759

ahead and record a tape and give it to

133

00:04:52,249 --> 00:04:50,280

me after you make an arrangement so I

134

00:04:54,830 --> 00:04:52,259

got it after he passed on

135

00:04:57,110 --> 00:04:54,840

he said that he'd been told to not talk

136

00:04:59,150 --> 00:04:57,120

to me anymore he said he'd been given a

137

00:05:01,129 --> 00:04:59,160

warning that was not a good idea for him

138

00:05:02,810 --> 00:05:01,139

to talk to me anymore about anything not

139

00:05:04,730 --> 00:05:02,820

just that topic but anything well who

140

00:05:07,189 --> 00:05:04,740

knows that you're talking who would warn

141

00:05:08,629 --> 00:05:07,199

him I don't know I don't know but you'll

142

00:05:10,550 --> 00:05:08,639

recall back in those days there was

143

00:05:13,129 --> 00:05:10,560

surveillance we had our phones tapped at

144

00:05:15,530 --> 00:05:13,139

klasdb there were guys following us

145

00:05:17,390 --> 00:05:15,540

around me Bob Lazar Gene Huff maybe

146

00:05:19,969 --> 00:05:17,400

Robert Bigelow people were also coming

147

00:05:20,749 --> 00:05:19,979

to your news station OSI

148

00:05:22,550 --> 00:05:20,759

um

149

00:05:24,230 --> 00:05:22,560

and they would they would come in and

150

00:05:25,909 --> 00:05:24,240

try to like get to you and then they'd

151

00:05:27,710 --> 00:05:25,919

show you their card and as if they put

152

00:05:29,029 --> 00:05:27,720

it down then take it back and you know

153

00:05:30,890 --> 00:05:29,039

your phones are tapped so it's like

154

00:05:32,749 --> 00:05:30,900

because of this story all of a sudden

155

00:05:34,670 --> 00:05:32,759

you're on high alert so anybody could

156

00:05:36,110 --> 00:05:34,680

have called him and watching you have

157

00:05:37,670 --> 00:05:36,120

meetings with the guy but once so what

158

00:05:39,710 --> 00:05:37,680

you're saying is one day it just Dr he

159

00:05:41,090 --> 00:05:39,720

just said I can't I'm not allowed to

160

00:05:42,590 --> 00:05:41,100

talk to you yeah I've been told not to

161

00:05:44,210 --> 00:05:42,600

talk to you anymore I've been told not

162

00:05:46,310 --> 00:05:44,220

to that happened a lot to you during

163

00:05:48,650 --> 00:05:46,320

that time how many witnesses came

164

00:05:50,689 --> 00:05:48,660

forward to verify babazar's story and

165

00:05:52,310 --> 00:05:50,699

then got shut down and tell me one yeah

166

00:05:54,770 --> 00:05:52,320

a bunch of them I mean there were six

167

00:05:56,990 --> 00:05:54,780

right in a row that I spoke to on the

168

00:05:59,150 --> 00:05:57,000

phone who had agreed to meet with me and

169

00:06:01,850 --> 00:05:59,160

share the story some of them on camera

170

00:06:04,070 --> 00:06:01,860

who were visited the very next day one

171

00:06:06,590 --> 00:06:04,080

after another because I had put out a I

172

00:06:07,909 --> 00:06:06,600

I was overt about it asking people in

173

00:06:10,249 --> 00:06:07,919

the community I know there are people

174

00:06:12,529 --> 00:06:10,259

out there listening to this TV broadcast

175

00:06:14,629 --> 00:06:12,539

who have information about this

176

00:06:17,570 --> 00:06:14,639

come on and tell us about it yeah call

177

00:06:19,610 --> 00:06:17,580

me up and several of them did and one

178

00:06:21,110 --> 00:06:19,620

right after another six in a row that

179

00:06:24,110 --> 00:06:21,120

called me and agreed to do an interview

180

00:06:25,850 --> 00:06:24,120

were visited the next day and told to to

181

00:06:27,409 --> 00:06:25,860

shut the hell up okay so how did that

182

00:06:28,730 --> 00:06:27,419

feel as a journal so I've had a similar

183

00:06:30,050 --> 00:06:28,740

experience where you're talking with

184

00:06:32,270 --> 00:06:30,060

somebody and all of a sudden they're

185

00:06:34,730 --> 00:06:32,280

told not to talk with you by who is a

186

00:06:35,930 --> 00:06:34,740

mystery and then do they threaten them

187

00:06:37,790 --> 00:06:35,940

yeah they threatened them so there was

188

00:06:40,189 --> 00:06:37,800

one there was a cop that was a friend of

189

00:06:43,010 --> 00:06:40,199

mine he's just passed on as of last year

190

00:06:45,110 --> 00:06:43,020

who was a investigator police officer

191

00:06:46,730 --> 00:06:45,120

and then later became a chief

192

00:06:47,990 --> 00:06:46,740

investigator for the District Attorney's

193

00:06:50,330 --> 00:06:48,000

Office who worked at the County

194

00:06:53,029 --> 00:06:50,340

Courthouse after most stories came out

195

00:06:55,670 --> 00:06:53,039

in 1989 it's the it's the Talk of the

196

00:06:57,830 --> 00:06:55,680

Town it's everyone's buzzing about it

197

00:06:59,570 --> 00:06:57,840

and he got into a conversation with the

198

00:07:02,930 --> 00:06:59,580

lady who worked as a clerk in the county

199

00:07:04,730 --> 00:07:02,940

court system and she said she shared a

200

00:07:07,430 --> 00:07:04,740

story with him that she had previously

201
00:07:10,249 --> 00:07:07,440
worked for a defense contractor named

202
00:07:12,290 --> 00:07:10,259
Holmes and narber out at the test site

203
00:07:14,270 --> 00:07:12,300
and or on the Nellis Air Force Base

204
00:07:16,129 --> 00:07:14,280
right change that she said and on

205
00:07:18,110 --> 00:07:16,139
meetings between high-ranking Air Force

206
00:07:20,749 --> 00:07:18,120
officials and these defense contractors

207
00:07:23,390 --> 00:07:20,759
at which they discussed crashed saucers

208
00:07:25,730 --> 00:07:23,400
recovered materials and what sounded

209
00:07:28,129 --> 00:07:25,740
like a Roswell type incident and the

210
00:07:29,629 --> 00:07:28,139
security was so uh strict that after

211
00:07:31,430 --> 00:07:29,639
she's taken notes in these meetings

212
00:07:32,870 --> 00:07:31,440
they'd not only take the notes away from

213
00:07:34,930 --> 00:07:32,880

her but they'd take the typewriter

214

00:07:37,490 --> 00:07:34,940

ribbon of the typewriter and destroy it

215

00:07:39,170 --> 00:07:37,500

so the ribbon on the typewriter didn't

216

00:07:41,689 --> 00:07:39,180

have the words printed on it I've heard

217

00:07:43,909 --> 00:07:41,699

it she told the story to this cop that I

218

00:07:45,529 --> 00:07:43,919

knew he told me the story I said hey do

219

00:07:47,390 --> 00:07:45,539

you think she talked to me well yeah

220

00:07:48,770 --> 00:07:47,400

she'd probably talk to you if you uh

221

00:07:50,930 --> 00:07:48,780

kept her name out of it kept her

222

00:07:52,550 --> 00:07:50,940

identity shielded and I said great so I

223

00:07:54,529 --> 00:07:52,560

talked to her on the phone a couple of

224

00:07:56,450 --> 00:07:54,539

days later she agreed to meet with me

225

00:07:58,490 --> 00:07:56,460

and give me the whole rundown on this

226

00:08:00,830 --> 00:07:58,500

story the very next day she gets a knock

227

00:08:03,710 --> 00:08:00,840

on the door by these two agents who said

228

00:08:05,270 --> 00:08:03,720

that they represented the company that

229

00:08:06,950 --> 00:08:05,280

she had worked for this defense

230

00:08:08,870 --> 00:08:06,960

contractor and that she was still

231

00:08:12,050 --> 00:08:08,880

subject they reminded her she's still

232

00:08:14,150 --> 00:08:12,060

subject to uh her security clearances

233

00:08:16,189 --> 00:08:14,160

and missions that that she had agreed to

234

00:08:18,050 --> 00:08:16,199

and they said this we know that you

235

00:08:19,969 --> 00:08:18,060

travel to La a lot to see your daughter

236

00:08:21,650 --> 00:08:19,979

and that she comes here it's a big

237

00:08:23,689 --> 00:08:21,660

desert out there we'd hate for anything

238

00:08:26,749 --> 00:08:23,699

to happen to either one of you would she

239

00:08:27,589 --> 00:08:26,759

interpreted as a threat to her life and

240

00:08:29,990 --> 00:08:27,599

I think that's a pretty fair

241

00:08:32,690 --> 00:08:30,000

interpretation she was scared

242

00:08:34,250 --> 00:08:32,700

she was scared to death and it was a

243

00:08:35,870 --> 00:08:34,260

decade later that I reached out to her

244

00:08:37,430 --> 00:08:35,880

again she was still scared and wouldn't

245

00:08:38,810 --> 00:08:37,440

talk to him a decade later she's still

246

00:08:42,170 --> 00:08:38,820

scared I won't talk to you so two

247

00:08:44,449 --> 00:08:42,180

questions one is is this female is she

248

00:08:48,110 --> 00:08:44,459

still alive no she died two years ago oh

249

00:08:51,290 --> 00:08:48,120

man oh okay now the second thing is is

250

00:08:52,910 --> 00:08:51,300

who was the contractor Holmes and narber

251
00:08:56,030 --> 00:08:52,920
was the name of the Holmes at an arbor

252
00:08:57,769 --> 00:08:56,040
so they sent people who said so people

253
00:08:59,389 --> 00:08:57,779
came to her house physically who said

254
00:09:00,710 --> 00:08:59,399
they were from homes don't know if yeah

255
00:09:02,750 --> 00:09:00,720
don't know who they really were and they

256
00:09:05,810 --> 00:09:02,760
did threaten what she felt was a threat

257
00:09:08,389 --> 00:09:05,820
to her life to talk to you about crashed

258
00:09:10,490 --> 00:09:08,399
UFOs and and they see and that happened

259
00:09:12,290 --> 00:09:10,500
to you a lot during that time well six

260
00:09:14,090 --> 00:09:12,300
times right in a row within a three or

261
00:09:16,430 --> 00:09:14,100
four month period

262
00:09:19,430 --> 00:09:16,440
um there was a guy who was he did taxes

263
00:09:21,290 --> 00:09:19,440

for Air Force officials and he got to

264

00:09:23,030 --> 00:09:21,300

know some of these guys really well and

265

00:09:24,710 --> 00:09:23,040

they had told him a story about the

266

00:09:26,750 --> 00:09:24,720

Roswell crash they were watching a TV

267

00:09:29,090 --> 00:09:26,760

show on some out of town trip and said

268

00:09:31,310 --> 00:09:29,100

hey that that's real and he wanted to

269

00:09:33,050 --> 00:09:31,320

tell me that story and I said great I'll

270

00:09:36,290 --> 00:09:33,060

come over to see tomorrow or the next

271

00:09:37,670 --> 00:09:36,300

day in between my visit he was visited

272

00:09:39,470 --> 00:09:37,680

by two guys who said they're from the

273

00:09:40,670 --> 00:09:39,480

Secret Service and they said we

274

00:09:42,050 --> 00:09:40,680

understand you've been making threats

275

00:09:43,190 --> 00:09:42,060

against the life of the president he

276

00:09:44,690 --> 00:09:43,200

said what are you talking about I never

277

00:09:46,190 --> 00:09:44,700

made such threats well look you can go

278

00:09:48,050 --> 00:09:46,200

to prison for this kind of thing you

279

00:09:50,449 --> 00:09:48,060

want to keep your mouth your mouth shut

280

00:09:53,630 --> 00:09:50,459

you don't want to be flapping it which

281

00:09:56,210 --> 00:09:53,640

he and interpreted as being a threat to

282

00:09:57,829 --> 00:09:56,220

him to keep quiet it's it's clearly a

283

00:10:00,470 --> 00:09:57,839

threat so the thing is we don't know

284

00:10:02,329 --> 00:10:00,480

where these people are really coming

285

00:10:04,490 --> 00:10:02,339

from anybody the people show me their

286

00:10:06,829 --> 00:10:04,500

badges all the time anybody can make a

287

00:10:09,170 --> 00:10:06,839

badge so we don't know if that if

288

00:10:11,210 --> 00:10:09,180

they're actually from there and then to

289

00:10:12,949 --> 00:10:11,220

say something out of left field over

290

00:10:14,810 --> 00:10:12,959

Secret Service you're making threats

291

00:10:16,850 --> 00:10:14,820

against the president like obviously

292

00:10:19,850 --> 00:10:16,860

this person wasn't doing nothing of the

293

00:10:21,710 --> 00:10:19,860

sort this is UFO related someone is

294

00:10:23,630 --> 00:10:21,720

somehow knowing who you're talking with

295

00:10:25,910 --> 00:10:23,640

we know your phones are tapped at klas

296

00:10:27,530 --> 00:10:25,920

the news station and they're silencing

297

00:10:29,530 --> 00:10:27,540

Witnesses at this critical time of

298

00:10:32,690 --> 00:10:29,540

coming forward it really pissed me off

299

00:10:34,250 --> 00:10:32,700

because you know now we assume that

300

00:10:35,870 --> 00:10:34,260

people are listening to our phone films

301
00:10:37,970 --> 00:10:35,880
and our conversations and monitoring

302
00:10:39,949 --> 00:10:37,980
email all of us have that sort of back

303
00:10:41,870 --> 00:10:39,959
out of our head that it all goes into

304
00:10:43,850 --> 00:10:41,880
some giant super computer somewhere that

305
00:10:45,829 --> 00:10:43,860
that nothing is truly private anymore

306
00:10:49,190 --> 00:10:45,839
but back then the idea that there are

307
00:10:51,110 --> 00:10:49,200
government entities operatives listening

308
00:10:53,329 --> 00:10:51,120
to the phone calls that come into a TV

309
00:10:54,530 --> 00:10:53,339
station a news reporter a journalist an

310
00:10:57,110 --> 00:10:54,540
investigative journalist that is

311
00:10:59,090 --> 00:10:57,120
outrageous that is that is spying on an

312
00:11:01,310 --> 00:10:59,100
American journalist and contacting

313
00:11:03,889 --> 00:11:01,320

sources and dissuading them through

314

00:11:04,730 --> 00:11:03,899

threats physical harm to not talk with
