

WEAPONIZED #6

# CRASHED SAUCER OVERSEER

1  
00:00:06,889 --> 00:00:04,130  
Secrets cover-ups and strange phenomena

2  
00:00:09,890 --> 00:00:06,899  
UFOs and ideas that challenge reality

3  
00:00:11,509 --> 00:00:09,900  
itself all these Mysteries all this time

4  
00:00:14,089 --> 00:00:11,519  
are we ever going to get to the bottom

5  
00:00:16,670 --> 00:00:14,099  
of these my name is George Knapp I dig

6  
00:00:18,950 --> 00:00:16,680  
into news stories that others can't or

7  
00:00:20,630 --> 00:00:18,960  
won't I'm Jeremy Corbell and for some

8  
00:00:22,670 --> 00:00:20,640  
reason people tell me things they

9  
00:00:24,910 --> 00:00:22,680  
probably shouldn't

10  
00:00:28,070 --> 00:00:24,920  
and this is weapons

11  
00:00:30,349 --> 00:00:28,080  
[Music]

12  
00:00:32,690 --> 00:00:30,359  
welcome back this is weaponized

13  
00:00:37,090 --> 00:00:32,700

yeah it is man it is definitely

14  
00:00:40,250 --> 00:00:37,100  
weaponized hey man this has been so cool

15  
00:00:42,530 --> 00:00:40,260  
getting these sessions where we get to

16  
00:00:44,930 --> 00:00:42,540  
talk and people just get kind of just

17  
00:00:48,529 --> 00:00:44,940  
get to hear our private conversations

18  
00:00:49,369 --> 00:00:48,539  
um releasing drop-in UFO bombs has been

19  
00:00:52,369 --> 00:00:49,379  
fun

20  
00:00:54,529 --> 00:00:52,379  
and we've just started but today I want

21  
00:00:57,529 --> 00:00:54,539  
to do something a little different which

22  
00:00:58,970 --> 00:00:57,539  
is that you you and I right so we're

23  
00:01:00,650 --> 00:00:58,980  
working together we work through the

24  
00:01:02,029 --> 00:01:00,660  
night we're going through documents and

25  
00:01:04,549 --> 00:01:02,039  
then you'll tell me a story

26

00:01:06,230 --> 00:01:04,559

and I'm like holy [h\_\_\h] let me record

27

00:01:08,149 --> 00:01:06,240

that and I just take my iPhone I'm like

28

00:01:11,510 --> 00:01:08,159

one day people gonna hear this full

29

00:01:13,609 --> 00:01:11,520

story the thing is that never happens so

30

00:01:15,910 --> 00:01:13,619

today I want to focus on a really

31

00:01:19,490 --> 00:01:15,920

important story that you once told me

32

00:01:21,590 --> 00:01:19,500

that I that has never been told all the

33

00:01:24,350 --> 00:01:21,600

way beginning to all the way to the end

34

00:01:26,270 --> 00:01:24,360

and I just think it's just so cool we

35

00:01:29,149 --> 00:01:26,280

get to do this today so

36

00:01:32,270 --> 00:01:29,159

the question I want to ask you is after

37

00:01:33,350 --> 00:01:32,280

you got hooked on the UFO thing with Bob

38

00:01:35,810 --> 00:01:33,360

Lazar

39

00:01:38,929 --> 00:01:35,820

and you as a journalist said I'm going

40

00:01:40,969 --> 00:01:38,939

to start getting sources like 12 people

41

00:01:43,190 --> 00:01:40,979

coming at you people shut down by the

42

00:01:46,010 --> 00:01:43,200

government you can tell that but you

43

00:01:48,770 --> 00:01:46,020

finally finally got to a credible

44

00:01:51,649 --> 00:01:48,780

individual who had Direct first-hand

45

00:01:53,330 --> 00:01:51,659

knowledge about UFOs exploitation

46

00:01:58,249 --> 00:01:53,340

reverse engineering

47

00:01:59,990 --> 00:01:58,259

and beings and and oh my God I want the

48

00:02:02,330 --> 00:02:00,000

world to hear this story

49

00:02:04,550 --> 00:02:02,340

tell us the story I've shared some of it

50

00:02:06,649 --> 00:02:04,560

in very broad Strokes over the years

51  
00:02:09,290 --> 00:02:06,659  
little bits and pieces of it without

52  
00:02:12,050 --> 00:02:09,300  
ever actually referencing in my

53  
00:02:13,250 --> 00:02:12,060  
statements the guy the source

54  
00:02:15,530 --> 00:02:13,260  
um but this will be the first time I've

55  
00:02:17,750 --> 00:02:15,540  
told it in totality and uh

56  
00:02:20,750 --> 00:02:17,760  
takes me back to when I first started in

57  
00:02:22,850 --> 00:02:20,760  
this it's 1989 klsdb we've put together

58  
00:02:25,250 --> 00:02:22,860  
we spend eight months working on this

59  
00:02:27,949 --> 00:02:25,260  
project called UFOs the best evidence

60  
00:02:29,570 --> 00:02:27,959  
nine part series it airs on television

61  
00:02:32,150 --> 00:02:29,580  
it's the biggest thing that's ever been

62  
00:02:33,290 --> 00:02:32,160  
produced for local TV to this date and

63  
00:02:36,650 --> 00:02:33,300

and still

64

00:02:38,449 --> 00:02:36,660

um and along the way as I'm trying to

65

00:02:39,949 --> 00:02:38,459

find telling the story about Bob Lazar

66

00:02:43,490 --> 00:02:39,959

and his allegations about what was out

67

00:02:45,830 --> 00:02:43,500

there at S4 near Area 51 recovered discs

68

00:02:47,809 --> 00:02:45,840

uh alien technology being reverse

69

00:02:50,449 --> 00:02:47,819

engineered I'm looking for people who

70

00:02:53,150 --> 00:02:50,459

would support that and I found about two

71

00:02:54,050 --> 00:02:53,160

dozen uh people Witnesses who had worked

72

00:02:56,630 --> 00:02:54,060

out there

73

00:02:59,330 --> 00:02:56,640

who had seen bits and pieces who could

74

00:03:01,430 --> 00:02:59,340

corroborate parts of what Bob had said

75

00:03:03,229 --> 00:03:01,440

about these kind of crap being out there

76

00:03:06,710 --> 00:03:03,239

in the Nevada desert but there wasn't

77

00:03:09,290 --> 00:03:06,720

anybody big picture who knew as much as

78

00:03:12,350 --> 00:03:09,300

Lazar claimed to to have known so I was

79

00:03:14,330 --> 00:03:12,360

still looking for them in 1990

80

00:03:16,850 --> 00:03:14,340

I started working on a follow-up series

81

00:03:18,710 --> 00:03:16,860

to with best evidence looking for new

82

00:03:20,210 --> 00:03:18,720

Witnesses and I got a hint from an

83

00:03:23,149 --> 00:03:20,220

elected official that I had known I'd

84

00:03:25,369 --> 00:03:23,159

covered them in Nevada politics he says

85

00:03:27,229 --> 00:03:25,379

you know you should talk to my dad one

86

00:03:29,690 --> 00:03:27,239

of these days your dad yeah and they

87

00:03:32,210 --> 00:03:29,700

told me what the dad's name was and what

88

00:03:35,149 --> 00:03:32,220

he had done uh what job he had had and I

89

00:03:37,250 --> 00:03:35,159

said ah so I started stalking the guy I

90

00:03:39,770 --> 00:03:37,260

just started showing up at events where

91

00:03:43,910 --> 00:03:39,780

I knew he would be one of those events

92

00:03:46,490 --> 00:03:43,920

was a reunion for EG employees of EG so

93

00:03:49,789 --> 00:03:46,500

hold that back up for a second so to be

94

00:03:53,210 --> 00:03:49,799

clear you had kind of got hooked on the

95

00:03:55,130 --> 00:03:53,220

story of Bob Lazar you know there's UFOs

96

00:03:57,530 --> 00:03:55,140

being reverse engineered the power and

97

00:03:59,990 --> 00:03:57,540

propulsion there's nine flying saucers

98

00:04:04,250 --> 00:04:00,000

out of Papoose Lake a sub base of Area

99

00:04:06,949 --> 00:04:04,260

51 you broke this story globally through

100

00:04:09,890 --> 00:04:06,959

an interview he did which is the first

101  
00:04:13,309 --> 00:04:09,900  
time you ever saw but he was him but he

102  
00:04:16,670 --> 00:04:13,319  
was in silhouette and this goes bananas

103  
00:04:19,729 --> 00:04:16,680  
globally and you're like okay I his

104  
00:04:21,770 --> 00:04:19,739  
story it adds up if it but is it true so

105  
00:04:25,310 --> 00:04:21,780  
you're like I'm gonna try to find

106  
00:04:28,610 --> 00:04:25,320  
somebody that could verify or disprove

107  
00:04:30,710 --> 00:04:28,620  
Bob Lazar and you get a tip from a son

108  
00:04:33,650 --> 00:04:30,720  
it sounds like from a young from a

109  
00:04:36,170 --> 00:04:33,660  
family member's son and whoever the this

110  
00:04:37,610 --> 00:04:36,180  
person is whoever the name is they're

111  
00:04:39,469 --> 00:04:37,620  
credible enough like they're in a

112  
00:04:41,390 --> 00:04:39,479  
position to know and you mentioned EG

113  
00:04:44,210 --> 00:04:41,400

and G so I'm assuming that this Source

114

00:04:48,110 --> 00:04:44,220  
was working within EG in some capacity

115

00:04:52,790 --> 00:04:48,120  
which is by the way who said Bob said

116

00:04:55,610 --> 00:04:52,800  
hired him to go out to site for S4 at

117

00:04:58,070 --> 00:04:55,620  
Area 51 so you're like okay I can now

118

00:04:59,689 --> 00:04:58,080  
find out if this is [h\_\_h] or if

119

00:05:01,610 --> 00:04:59,699  
there's an element of truth to it is

120

00:05:04,310 --> 00:05:01,620  
that do I have that pretty much correct

121

00:05:07,010 --> 00:05:04,320  
yeah so I'm looking for someone whose

122

00:05:08,990 --> 00:05:07,020  
credentials are impeccable unlike Bob

123

00:05:11,090 --> 00:05:09,000  
whose credentials were questioned and

124

00:05:13,129 --> 00:05:11,100  
people still attack him on where he went

125

00:05:16,010 --> 00:05:13,139  
to school and where he worked and was he

126  
00:05:17,990 --> 00:05:16,020  
at Los Alamos this guy is documentable

127  
00:05:20,270 --> 00:05:18,000  
there's a paper trail of where he worked

128  
00:05:22,129 --> 00:05:20,280  
what he did there's no question that

129  
00:05:24,170 --> 00:05:22,139  
that he was in a position to know what

130  
00:05:27,110 --> 00:05:24,180  
was his what was his position he was the

131  
00:05:30,830 --> 00:05:27,120  
first general manager of EG in Nevada

132  
00:05:33,230 --> 00:05:30,840  
his name was Al O'Donnell and uh he has

133  
00:05:36,350 --> 00:05:33,240  
uh he's it's a prominent family

134  
00:05:38,629 --> 00:05:36,360  
um when I heard that EG and G was having

135  
00:05:40,670 --> 00:05:38,639  
a reunion I went there we took a camera

136  
00:05:42,770 --> 00:05:40,680  
this is a great chance to get him on

137  
00:05:44,810 --> 00:05:42,780  
camera before I started asking him the

138  
00:05:47,210 --> 00:05:44,820

questions I really want to ask so you

139

00:05:50,390 --> 00:05:47,220

never you never knew this guy's name

140

00:05:52,430 --> 00:05:50,400

before you you find out you should talk

141

00:05:53,510 --> 00:05:52,440

to him from a family member obviously

142

00:05:55,909 --> 00:05:53,520

they're relating that to the idea of

143

00:05:58,730 --> 00:05:55,919

UFOs and you never approached the guy

144

00:06:01,969 --> 00:05:58,740

but just so happens there is this first

145

00:06:05,689 --> 00:06:01,979

kind of you know uh Gathering of the EG

146

00:06:07,550 --> 00:06:05,699

and G people and and and when you say he

147

00:06:09,529 --> 00:06:07,560

is a general manager like does that give

148

00:06:11,090 --> 00:06:09,539

him certain roles and responsibilities

149

00:06:12,830 --> 00:06:11,100

that would give him insight like he's

150

00:06:14,870 --> 00:06:12,840

not a secretary so what does that mean

151

00:06:16,310 --> 00:06:14,880

he's the boss he was the boss of the

152

00:06:19,070 --> 00:06:16,320

Nevada office I'll tell you a little bit

153

00:06:20,810 --> 00:06:19,080

about EG and G so it was a company that

154

00:06:23,150 --> 00:06:20,820

was created in Boston right around the

155

00:06:25,490 --> 00:06:23,160

end of World War II Al O'Donnell had

156

00:06:27,650 --> 00:06:25,500

been in the Navy uh serving during the

157

00:06:29,450 --> 00:06:27,660

war he got out of the Navy while the war

158

00:06:31,430 --> 00:06:29,460

was still underway and went to work for

159

00:06:33,830 --> 00:06:31,440

a company called Raytheon which became

160

00:06:35,629 --> 00:06:33,840

this massive gigantic defense contractor

161

00:06:37,490 --> 00:06:35,639

that's still around today still in

162

00:06:39,890 --> 00:06:37,500

Nevada in fact yeah they've got a big

163

00:06:41,270 --> 00:06:39,900

connection to the UFO topic right but

164

00:06:43,610 --> 00:06:41,280

when you said Boston like where in

165

00:06:45,950 --> 00:06:43,620

Boston was it created well it's at MIT

166

00:06:48,230 --> 00:06:45,960

is where the program the company was

167

00:06:50,150 --> 00:06:48,240

born Edgerton germishausen and Greer

168

00:06:52,850 --> 00:06:50,160

were the three guys the EG and G and

169

00:06:54,830 --> 00:06:52,860

that they were at MIT scientists

170

00:06:57,350 --> 00:06:54,840

engineers they created this company

171

00:06:59,689 --> 00:06:57,360

there and Al O'Donnell who'd been

172

00:07:01,370 --> 00:06:59,699

working for Raytheon working on the

173

00:07:02,809 --> 00:07:01,380

Manhattan Project he didn't know he was

174

00:07:04,909 --> 00:07:02,819

working on the Manhattan Project but

175

00:07:07,129 --> 00:07:04,919

they were building these devices complex

176

00:07:09,110 --> 00:07:07,139

triggers that allow them to detonate

177

00:07:10,490 --> 00:07:09,120

nuclear weapons he learned later what he

178

00:07:13,189 --> 00:07:10,500

was doing was part of the Manhattan

179

00:07:15,950 --> 00:07:13,199

Project he goes to MIT starts working

180

00:07:18,110 --> 00:07:15,960

with the EG and G their their company in

181

00:07:20,270 --> 00:07:18,120

those days had I think 15 employees AI

182

00:07:22,309 --> 00:07:20,280

said so it was a very small startup but

183

00:07:24,890 --> 00:07:22,319

it suddenly exploded because the

184

00:07:27,770 --> 00:07:24,900

American Atomic program exploded in

185

00:07:29,330 --> 00:07:27,780

those years in 1950

186

00:07:31,370 --> 00:07:29,340

Harry Truman

187

00:07:33,170 --> 00:07:31,380

uh decides that we need a permanent

188

00:07:34,490 --> 00:07:33,180

nuclear testing site somewhere in the

189

00:07:36,350 --> 00:07:34,500

continental U.S so they looked at a

190

00:07:39,529 --> 00:07:36,360

bunch of places and they settled on

191

00:07:40,969 --> 00:07:39,539

Nevada uh prior to that Al O'Donnell had

192

00:07:43,969 --> 00:07:40,979

been sent out to the Pacific they had

193

00:07:46,309 --> 00:07:43,979

five these massive uh atomic bomb tests

194

00:07:48,770 --> 00:07:46,319

out in the Pacific and they decided to

195

00:07:51,050 --> 00:07:48,780

move it into a continental U.S a

196

00:07:52,490 --> 00:07:51,060

location and Nevada Nevada's test site

197

00:07:55,670 --> 00:07:52,500

that was called the Nevada Test Site

198

00:07:58,730 --> 00:07:55,680

those days was chosen Al O'Donnell leads

199

00:08:00,770 --> 00:07:58,740

the The Exodus from Boston out to Nevada

200

00:08:02,990 --> 00:08:00,780

they start hiring engineers and

201  
00:08:06,050 --> 00:08:03,000  
scientists physicists and other security

202  
00:08:07,790 --> 00:08:06,060  
spies what are they working on at this

203  
00:08:09,830 --> 00:08:07,800  
time when they make that move atomic

204  
00:08:13,490 --> 00:08:09,840  
bombs they're they're building testing

205  
00:08:16,430 --> 00:08:13,500  
atomic bombs EG and G was a a really

206  
00:08:19,909 --> 00:08:16,440  
precise uh organization that was created

207  
00:08:22,129 --> 00:08:19,919  
in order to detonate measure and

208  
00:08:24,710 --> 00:08:22,139  
photograph Atomic weapons if you look in

209  
00:08:26,330 --> 00:08:24,720  
the history of photography you'll see

210  
00:08:28,850 --> 00:08:26,340  
some of these amazing photos that they

211  
00:08:31,010 --> 00:08:28,860  
took of you know water drops dropping in

212  
00:08:32,690 --> 00:08:31,020  
water and they're pretty famous shots

213  
00:08:34,969 --> 00:08:32,700

because of these cameras that they

214

00:08:37,370 --> 00:08:34,979

developed and was perfect for use in

215

00:08:40,430 --> 00:08:37,380

testing Atomic weapons and documenting

216

00:08:42,589 --> 00:08:40,440

what the process was so egg comes out to

217

00:08:44,810 --> 00:08:42,599

Las Vegas they are the managers of the

218

00:08:47,690 --> 00:08:44,820

Nevada test site they subsequently years

219

00:08:50,870 --> 00:08:47,700

later become the managers of Ira 51 when

220

00:08:51,650 --> 00:08:50,880

it opens in 1955. so alodonal is the top

221

00:08:53,930 --> 00:08:51,660

guy

222

00:08:56,690 --> 00:08:53,940

he oversees the nuclear testing program

223

00:08:58,790 --> 00:08:56,700

out there manages it for EG works with

224

00:09:00,829 --> 00:08:58,800

the atomic energy commission he has a

225

00:09:02,930 --> 00:09:00,839

top secret security clearance and he can

226

00:09:04,850 --> 00:09:02,940

go anywhere and see anything there's no

227

00:09:07,610 --> 00:09:04,860

basically no restrictions nothing that

228

00:09:10,850 --> 00:09:07,620

is outside of his ability to to find out

229

00:09:14,329 --> 00:09:10,860

and see so this is

230

00:09:16,910 --> 00:09:14,339

an impeccable resume this is somebody

231

00:09:20,810 --> 00:09:16,920

who was in position to know

232

00:09:22,850 --> 00:09:20,820

and would know if someone like Bob Lazar

233

00:09:26,030 --> 00:09:22,860

was telling the truth or or not telling

234

00:09:29,570 --> 00:09:26,040

truth I find it personally humorous that

235

00:09:32,449 --> 00:09:29,580

aging was it's it's Genesis its seed

236

00:09:34,070 --> 00:09:32,459

came from MIT right that's so funny if

237

00:09:35,930 --> 00:09:34,080

you know the babazar story right and

238

00:09:38,509 --> 00:09:35,940

then they become EG and G which we know

239

00:09:40,850 --> 00:09:38,519

is super [h\_\_h] famous now and we'll

240

00:09:43,490 --> 00:09:40,860

get into those reasons I think why that

241

00:09:44,990 --> 00:09:43,500

where he works specifically and I know a

242

00:09:46,670 --> 00:09:45,000

little bit about that

243

00:09:50,509 --> 00:09:46,680

but go ahead and then I want to get back

244

00:09:53,449 --> 00:09:50,519

to where he worked so so late 1990 or

245

00:09:55,009 --> 00:09:53,459

early 1991 I'd have to look up the dates

246

00:09:57,350 --> 00:09:55,019

but somewhere in there is this event

247

00:09:58,790 --> 00:09:57,360

this EG reunion I go there we got a

248

00:10:00,530 --> 00:09:58,800

camera I interview Al O'Donnell

249

00:10:02,810 --> 00:10:00,540

introduce myself and say I'm really

250

00:10:04,670 --> 00:10:02,820

interested in this can we continue this

251  
00:10:06,350 --> 00:10:04,680  
conversation do you have that interview

252  
00:10:08,150 --> 00:10:06,360  
do you have to enter you have it yeah

253  
00:10:09,949 --> 00:10:08,160  
okay I hope we can get it and show it to

254  
00:10:11,930 --> 00:10:09,959  
people uh so he invites me to his home

255  
00:10:13,130 --> 00:10:11,940  
he says come on over we'll arrange to

256  
00:10:14,449 --> 00:10:13,140  
come over on a Saturday or something

257  
00:10:16,190 --> 00:10:14,459  
we'll sit down I'll go through my

258  
00:10:18,470 --> 00:10:16,200  
scrapbooks and show you some uh

259  
00:10:20,630 --> 00:10:18,480  
documents and memorabilia and photos

260  
00:10:22,070 --> 00:10:20,640  
from that era I said great so I go to

261  
00:10:24,710 --> 00:10:22,080  
his house

262  
00:10:26,449 --> 00:10:24,720  
um and meet his wife and we sit down he

263  
00:10:27,889 --> 00:10:26,459

opens up these big scrapbooks and he can

264

00:10:30,050 --> 00:10:27,899

start showing me all the stuff that he

265

00:10:31,910 --> 00:10:30,060

had done photos that had been taken out

266

00:10:33,769 --> 00:10:31,920

in the proximity of these gigantic

267

00:10:35,690 --> 00:10:33,779

nuclear tests they had great stories

268

00:10:37,910 --> 00:10:35,700

about the camaraderie that developed

269

00:10:39,170 --> 00:10:37,920

among the engineers and scientists and

270

00:10:40,670 --> 00:10:39,180

he's going through all this stuff and

271

00:10:42,350 --> 00:10:40,680

showing me all this and I love it I

272

00:10:43,790 --> 00:10:42,360

loved every bit of it I've never had a

273

00:10:45,590 --> 00:10:43,800

bad day at the Valentine's sake by the

274

00:10:47,210 --> 00:10:45,600

way every time I've gone out there to do

275

00:10:49,069 --> 00:10:47,220

a story it's just a terrific way to

276

00:10:50,569 --> 00:10:49,079

spend some time how did they how did

277

00:10:53,810 --> 00:10:50,579

they let you in to So when you say

278

00:10:55,970 --> 00:10:53,820

Nevada Test Site Area 51 is a box it's a

279

00:10:58,610 --> 00:10:55,980

square on the map within the Nevada Test

280

00:11:00,350 --> 00:10:58,620

Site how do they feel about George Knapp

281

00:11:02,930 --> 00:11:00,360

investigative reporter who broke the

282

00:11:05,569 --> 00:11:02,940

area 51 story with babazar in 1989

283

00:11:08,030 --> 00:11:05,579

coming on to the Nevada Test how did

284

00:11:09,949 --> 00:11:08,040

they say yes to you coming on while I

285

00:11:11,329 --> 00:11:09,959

develop some friendships with the people

286

00:11:12,949 --> 00:11:11,339

who worked out there in their public

287

00:11:14,990 --> 00:11:12,959

affairs office there was a guy named

288

00:11:16,610 --> 00:11:15,000

Darwin Morgan who'd been a newsman at

289

00:11:18,350 --> 00:11:16,620

channel three there was another guy

290

00:11:19,850 --> 00:11:18,360

who's still there Daniel Burns who would

291

00:11:21,350 --> 00:11:19,860

work for channel three we were

292

00:11:23,210 --> 00:11:21,360

competitors and colleagues but also

293

00:11:25,490 --> 00:11:23,220

friends and when they got those

294

00:11:27,230 --> 00:11:25,500

positions I started bugging them hey let

295

00:11:28,730 --> 00:11:27,240

me come out there because there's all

296

00:11:30,530 --> 00:11:28,740

kinds of stories you can do at the site

297

00:11:32,930 --> 00:11:30,540

where these nuclear weapons were blown

298

00:11:35,930 --> 00:11:32,940

up it's uh Doom town the old the town

299

00:11:37,790 --> 00:11:35,940

that was created just to see how a human

300

00:11:39,889 --> 00:11:37,800

civilization or a town would would

301  
00:11:41,569 --> 00:11:39,899  
withstand nuclear weapons uh there's

302  
00:11:43,069 --> 00:11:41,579  
great stories out there and they've

303  
00:11:44,509 --> 00:11:43,079  
helped me over the years so they they

304  
00:11:46,490 --> 00:11:44,519  
kind of got a kick out of it you know

305  
00:11:48,710 --> 00:11:46,500  
and there is in fact through the Nevada

306  
00:11:51,110 --> 00:11:48,720  
test site there is a road that leads

307  
00:11:52,970 --> 00:11:51,120  
into Area 51 it's the it is a back way

308  
00:11:55,130 --> 00:11:52,980  
to go in there and they always joke with

309  
00:11:57,170 --> 00:11:55,140  
me when we drive by that by that road

310  
00:11:58,790 --> 00:11:57,180  
don't look that way you know we're

311  
00:11:59,870 --> 00:11:58,800  
driving with them in a car in the test

312  
00:12:01,970 --> 00:11:59,880  
site

313  
00:12:04,130 --> 00:12:01,980

um so we did a lot of great stories of

314

00:12:06,050 --> 00:12:04,140

this site I love being out there and

315

00:12:08,509 --> 00:12:06,060

these guys were very helpful but so you

316

00:12:11,930 --> 00:12:08,519

have so people could see a bunch of news

317

00:12:14,990 --> 00:12:11,940

stories you've done over 35 years of

318

00:12:18,050 --> 00:12:15,000

just like normal Area 51 here's the

319

00:12:19,610 --> 00:12:18,060

stories right okay yeah so and there are

320

00:12:21,290 --> 00:12:19,620

a lot of there's a lot of really

321

00:12:23,930 --> 00:12:21,300

classified stuff that goes on out there

322

00:12:27,410 --> 00:12:23,940

unrelated to nuclear weapons unrelated

323

00:12:28,670 --> 00:12:27,420

to Area 51 and and the programs are

324

00:12:29,990 --> 00:12:28,680

going out there a lot of really cool

325

00:12:33,650 --> 00:12:30,000

stuff that we've covered over the years

326

00:12:36,769 --> 00:12:33,660

Secrets should be kept secrets are kept

327

00:12:38,389 --> 00:12:36,779

and you are proponent of keeping secrets

328

00:12:40,670 --> 00:12:38,399

when it's that kind of thing sure

329

00:12:42,590 --> 00:12:40,680

absolutely and and I've respected the

330

00:12:45,769 --> 00:12:42,600

boundaries that they set up for us and

331

00:12:47,389 --> 00:12:45,779

doing these kind of stories so uh I did

332

00:12:50,329 --> 00:12:47,399

go out to the Nevada Test Site a lot

333

00:12:52,310 --> 00:12:50,339

over the next 40 years or so and and and

334

00:12:54,350 --> 00:12:52,320

put together a lot of different stories

335

00:12:56,509 --> 00:12:54,360

and they knew of my interest in that

336

00:12:59,930 --> 00:12:56,519

area that's just outside what the Nevada

337

00:13:03,350 --> 00:12:59,940

Test Site place called area 51. in 1955

338

00:13:05,629 --> 00:13:03,360

Area 51 was basically created and um and

339

00:13:07,970 --> 00:13:05,639

EG and G got the contract to manage area

340

00:13:10,670 --> 00:13:07,980

51 and it kept it for the next 30 35

341

00:13:13,250 --> 00:13:10,680

years so whatever went on out there they

342

00:13:15,470 --> 00:13:13,260

had a they had an inside uh knowledge of

343

00:13:17,449 --> 00:13:15,480

what was going on so so you're going so

344

00:13:19,009 --> 00:13:17,459

you meet this guy aloe O'Donnell for the

345

00:13:20,810 --> 00:13:19,019

first time when you when he's at this

346

00:13:22,370 --> 00:13:20,820

public thing you say Hey you probably

347

00:13:24,050 --> 00:13:22,380

say something didn't like your son told

348

00:13:26,569 --> 00:13:24,060

me to talk to you or something whatever

349

00:13:28,610 --> 00:13:26,579

it ends up he invites you to his home

350

00:13:30,530 --> 00:13:28,620

and you're going through scrapbooks and

351  
00:13:32,210 --> 00:13:30,540  
he's showing you all this Atomic Testing

352  
00:13:33,650 --> 00:13:32,220  
stuff that he was involved with yeah and

353  
00:13:35,210 --> 00:13:33,660  
I'm selling him boy this is really

354  
00:13:36,710 --> 00:13:35,220  
interesting that's fascinating I'd love

355  
00:13:39,410 --> 00:13:36,720  
to do a story on it and after we're

356  
00:13:41,629 --> 00:13:39,420  
there for maybe two hours he closes this

357  
00:13:43,310 --> 00:13:41,639  
one big scrapbook and he goes you're not

358  
00:13:45,650 --> 00:13:43,320  
here to talk about this are you I said

359  
00:13:46,970 --> 00:13:45,660  
well not exactly he says I know what

360  
00:13:48,350 --> 00:13:46,980  
you're here to talk about I know what

361  
00:13:50,150 --> 00:13:48,360  
you want to ask about and right about

362  
00:13:52,310 --> 00:13:50,160  
that point his wife walks in and she

363  
00:13:54,230 --> 00:13:52,320

says don't start telling him that stuff

364

00:13:56,090 --> 00:13:54,240

don't even tell him but he he kind of

365

00:13:59,269 --> 00:13:56,100

joked about it well what were you there

366

00:14:01,610 --> 00:13:59,279

to talk about UFOs UFOs Area 51 Bob

367

00:14:03,290 --> 00:14:01,620

Lazar crash saucers reverse engineering

368

00:14:05,150 --> 00:14:03,300

to see if he had any knowledge of that

369

00:14:07,490 --> 00:14:05,160

because I'd been led to believe that he

370

00:14:09,470 --> 00:14:07,500

did so he closes that book he says we'll

371

00:14:11,690 --> 00:14:09,480

have we'll get together another time

372

00:14:14,090 --> 00:14:11,700

uh and we'll talk about it in private

373

00:14:16,790 --> 00:14:14,100

and and over the course of the next two

374

00:14:19,009 --> 00:14:16,800

years or so he and I would meet at

375

00:14:20,990 --> 00:14:19,019

coffee shops and talk about it and I

376

00:14:22,790 --> 00:14:21,000

would ask him questions and really it

377

00:14:24,769 --> 00:14:22,800

was like pulling teeth it was he wanted

378

00:14:26,750 --> 00:14:24,779

to tell me stuff but he made me work at

379

00:14:28,790 --> 00:14:26,760

it and uh the condition was I couldn't

380

00:14:30,410 --> 00:14:28,800

take any notes I couldn't record it I

381

00:14:32,329 --> 00:14:30,420

couldn't take any notes so each time I'd

382

00:14:34,550 --> 00:14:32,339

meet with him I'd rush back to my car

383

00:14:36,230 --> 00:14:34,560

and start scribbling notes on pieces of

384

00:14:38,150 --> 00:14:36,240

paper so I'd remember everything that he

385

00:14:40,250 --> 00:14:38,160

said and the story that he told me that

386

00:14:42,530 --> 00:14:40,260

evolved over those couple of years was

387

00:14:44,449 --> 00:14:42,540

pretty fantastic he said that they did

388

00:14:46,790 --> 00:14:44,459

have a flying saucer that had been

389

00:14:48,769 --> 00:14:46,800

recovered from New Mexico I think he

390

00:14:50,629 --> 00:14:48,779

indicated that it had been taken from

391

00:14:52,910 --> 00:14:50,639

New Mexico to Wright-Patterson Air Force

392

00:14:54,350 --> 00:14:52,920

Base which is he never said Roswell but

393

00:14:55,790 --> 00:14:54,360

I think it was the Roswell incident is

394

00:14:57,710 --> 00:14:55,800

what he's talking about and and it

395

00:15:00,110 --> 00:14:57,720

confirms some of the details about what

396

00:15:03,170 --> 00:15:00,120

we know likely happened with the Roswell

397

00:15:05,030 --> 00:15:03,180

craft so this guy starts off with you

398

00:15:07,069 --> 00:15:05,040

know closing the book his wife's like

399

00:15:08,810 --> 00:15:07,079

don't tell him that stuff okay after

400

00:15:10,670 --> 00:15:08,820

this long period of time you go to this

401  
00:15:13,670 --> 00:15:10,680  
coffee shops he starts to tell you about

402  
00:15:16,250 --> 00:15:13,680  
UFOs but I'm wondering can this guy tell

403  
00:15:17,629 --> 00:15:16,260  
you about that like what how did it feel

404  
00:15:19,790 --> 00:15:17,639  
when he was telling you this story

405  
00:15:22,550 --> 00:15:19,800  
because he's you're you're kind of new

406  
00:15:25,250 --> 00:15:22,560  
to this UFO when he's telling you we

407  
00:15:28,370 --> 00:15:25,260  
have recovered a craft is what he's told

408  
00:15:30,290 --> 00:15:28,380  
you so far did he say it like like this

409  
00:15:32,509 --> 00:15:30,300  
is secret don't tell anybody yeah it was

410  
00:15:34,730 --> 00:15:32,519  
just from my knowledge my background and

411  
00:15:37,790 --> 00:15:34,740  
information it wasn't a story I could do

412  
00:15:39,350 --> 00:15:37,800  
then we're negotiating about how or when

413  
00:15:41,810 --> 00:15:39,360

or if I could ever use that information

414

00:15:43,610 --> 00:15:41,820

or make it public he told me the details

415

00:15:46,370 --> 00:15:43,620

about this craft he said that they had

416

00:15:48,470 --> 00:15:46,380

it had been stored at Indian Springs

417

00:15:50,329 --> 00:15:48,480

Indian Springs is an Air Force Base it's

418

00:15:52,850 --> 00:15:50,339

been there for a long time it's now

419

00:15:55,310 --> 00:15:52,860

called Creech Indian Springs existed

420

00:15:57,710 --> 00:15:55,320

before Area 51 was made but he says it

421

00:15:59,449 --> 00:15:57,720

was there they kept it there it might

422

00:16:01,850 --> 00:15:59,459

have been in an underground facility I'm

423

00:16:05,870 --> 00:16:01,860

not quite sure but then when Area 51

424

00:16:08,629 --> 00:16:05,880

after it opened in 1955 they moved it to

425

00:16:10,910 --> 00:16:08,639

an adjacent facility he didn't say it

426  
00:16:12,050 --> 00:16:10,920  
was S4 he didn't say it was Papoose but

427  
00:16:14,150 --> 00:16:12,060  
I think that's what he's talking about

428  
00:16:14,990 --> 00:16:14,160  
Papoose lake is where Bob Lazar said he

429  
00:16:17,030 --> 00:16:15,000  
worked

430  
00:16:19,310 --> 00:16:17,040  
and where they had built and built uh

431  
00:16:21,110 --> 00:16:19,320  
nine hangers underground disguised it to

432  
00:16:23,329 --> 00:16:21,120  
look like the desert and where they had

433  
00:16:25,310 --> 00:16:23,339  
other recovered craft he says they

434  
00:16:26,810 --> 00:16:25,320  
worked on this recovered craft reverse

435  
00:16:28,610 --> 00:16:26,820  
engineering trying to figure out how it

436  
00:16:29,990 --> 00:16:28,620  
worked who built it

437  
00:16:31,730 --> 00:16:30,000  
um whether or not they could duplicate

438  
00:16:33,470 --> 00:16:31,740

the technology because apparently they

439

00:16:34,970 --> 00:16:33,480

thought this was pretty Advanced and

440

00:16:38,030 --> 00:16:34,980

they'd like to be able to build more of

441

00:16:39,889 --> 00:16:38,040

them so he's telling you also that

442

00:16:41,269 --> 00:16:39,899

that's what we were doing it was an

443

00:16:43,370 --> 00:16:41,279

adjacent place but we were doing that

444

00:16:46,069 --> 00:16:43,380

he's confirmed this guy this top of the

445

00:16:48,050 --> 00:16:46,079

level EG guy over coffee after all these

446

00:16:50,269 --> 00:16:48,060

sessions he's he's [h\_\_h] telling you

447

00:16:52,370 --> 00:16:50,279

yeah and he says a very very closed

448

00:16:54,889 --> 00:16:52,380

program very small it was only I think

449

00:16:56,749 --> 00:16:54,899

five of them that were aware of it at

450

00:16:58,670 --> 00:16:56,759

least in the early stages who were

451

00:17:00,170 --> 00:16:58,680

working on this project and was very

452

00:17:02,210 --> 00:17:00,180

hush-hush and they didn't share it with

453

00:17:04,610 --> 00:17:02,220

anybody else in the company or anybody

454

00:17:07,130 --> 00:17:04,620

else in uh in the in the area or the

455

00:17:09,049 --> 00:17:07,140

military they just kept it themselves so

456

00:17:10,429 --> 00:17:09,059

after we're having these meetings and I

457

00:17:12,409 --> 00:17:10,439

go back and write down all these notes

458

00:17:14,510 --> 00:17:12,419

and stuff uh details about what he had

459

00:17:17,569 --> 00:17:14,520

shared with me we have another meeting

460

00:17:18,890 --> 00:17:17,579

at coffee shop and I said well gosh you

461

00:17:20,990 --> 00:17:18,900

know aren't you worried that it would

462

00:17:23,210 --> 00:17:21,000

get out that the word would get out and

463

00:17:25,309 --> 00:17:23,220

he says to me we were worried it would

464

00:17:28,370 --> 00:17:25,319

get out that's right I mean what it what

465

00:17:29,930 --> 00:17:28,380

do you mean it it meaning alive being

466

00:17:32,750 --> 00:17:29,940

they had a live being out there I go

467

00:17:33,830 --> 00:17:32,760

what you had a live being an alien as

468

00:17:35,510 --> 00:17:33,840

well

469

00:17:37,789 --> 00:17:35,520

tell you the truth we didn't know what

470

00:17:39,830 --> 00:17:37,799

it was I said you know maybe it came

471

00:17:42,529 --> 00:17:39,840

from millions of miles away out in space

472

00:17:44,870 --> 00:17:42,539

and you're keeping it in a cage uh near

473

00:17:46,370 --> 00:17:44,880

area 51. he said to take the truth we

474

00:17:48,409 --> 00:17:46,380

couldn't communicate with it in the

475

00:17:50,510 --> 00:17:48,419

beginning we didn't know what it was we

476

00:17:52,549 --> 00:17:50,520

didn't know where it was from

477

00:17:56,510 --> 00:17:52,559

um and we didn't know what to do with it

478

00:17:58,669 --> 00:17:56,520

okay so this guy is kind of opening up

479

00:18:00,770 --> 00:17:58,679

to you and as a journalist at this point

480

00:18:03,289 --> 00:18:00,780

in your career and and going into

481

00:18:05,750 --> 00:18:03,299

digging into Bob's our story and hearing

482

00:18:08,390 --> 00:18:05,760

this this is the first time we start

483

00:18:12,590 --> 00:18:08,400

talking about a live like an operator of

484

00:18:15,169 --> 00:18:12,600

these vehicles so how did that how did

485

00:18:17,090 --> 00:18:15,179

you feel when he is a guy telling you a

486

00:18:19,130 --> 00:18:17,100

story how did that make you feel this is

487

00:18:21,470 --> 00:18:19,140

no longer just about craft or propulsion

488

00:18:23,750 --> 00:18:21,480

which is all that Bob was involved with

489

00:18:25,190 --> 00:18:23,760

but he saw documents that they showed me

490

00:18:26,630 --> 00:18:25,200

that Bob doesn't know if they're real or

491

00:18:28,370 --> 00:18:26,640

not really says I didn't see that I saw

492

00:18:31,310 --> 00:18:28,380

the propulsion system but he read a

493

00:18:33,110 --> 00:18:31,320

bunch of [h\_\_\h] when when O'Donnell says

494

00:18:36,890 --> 00:18:33,120

to you Al O'Donnell when he says to you

495

00:18:39,529 --> 00:18:36,900

we had a live alien a being

496

00:18:41,090 --> 00:18:39,539

obviously From Another World what was

497

00:18:43,549 --> 00:18:41,100

your feeling

498

00:18:45,650 --> 00:18:43,559

while I was overwhelmed because it was

499

00:18:47,330 --> 00:18:45,660

in effect confirmation of things that I

500

00:18:50,090 --> 00:18:47,340

had come to believe because of the

501  
00:18:52,250 --> 00:18:50,100  
reporting we'd already done uh and then

502  
00:18:53,930 --> 00:18:52,260  
the evidence of cover-ups and lies that

503  
00:18:55,909 --> 00:18:53,940  
have been told to the public here's this

504  
00:18:57,890 --> 00:18:55,919  
guy in a high position with the high

505  
00:18:59,330 --> 00:18:57,900  
security clearance telling me that it

506  
00:19:01,190 --> 00:18:59,340  
was true that they really did have a

507  
00:19:03,830 --> 00:19:01,200  
craft and they had a being my second

508  
00:19:06,830 --> 00:19:03,840  
feeling was one of overwhelming sadness

509  
00:19:08,930 --> 00:19:06,840  
for the uh the being whatever it was you

510  
00:19:10,610 --> 00:19:08,940  
know that was kept out there I asked him

511  
00:19:11,990 --> 00:19:10,620  
you know what had happened to what

512  
00:19:13,130 --> 00:19:12,000  
became of it he says I don't know I

513  
00:19:15,710 --> 00:19:13,140

don't know what ever happened to it but

514

00:19:17,029 --> 00:19:15,720

he was out there for a while alive and

515

00:19:18,529 --> 00:19:17,039

eventually they figured out a way to

516

00:19:20,330 --> 00:19:18,539

communicate with it and so I asked him

517

00:19:22,250 --> 00:19:20,340

well what did it look like and he made

518

00:19:23,630 --> 00:19:22,260

me guess as he did with all these

519

00:19:25,549 --> 00:19:23,640

questions they made me guess he said

520

00:19:28,310 --> 00:19:25,559

well kind of looks like a a certain

521

00:19:30,230 --> 00:19:28,320

political candidate I said well who what

522

00:19:32,029 --> 00:19:30,240

a politically the other two and at the

523

00:19:33,650 --> 00:19:32,039

time Ross Perot was running for

524

00:19:36,169 --> 00:19:33,660

president he said it looks like Ross

525

00:19:38,690 --> 00:19:36,179

Perot a little skinny guy with uh big

526

00:19:41,690 --> 00:19:38,700

ears and a tiny head not a classic gray

527

00:19:43,250 --> 00:19:41,700

looking alien but a very odd looking uh

528

00:19:45,710 --> 00:19:43,260

creature with really big ears that

529

00:19:47,210 --> 00:19:45,720

looked like Ross Perot and I laughed and

530

00:19:48,350 --> 00:19:47,220

so we had these conversations for a

531

00:19:50,150 --> 00:19:48,360

while

532

00:19:52,549 --> 00:19:50,160

and I was blown away by the information

533

00:19:54,230 --> 00:19:52,559

they shared I took all these notes I did

534

00:19:56,330 --> 00:19:54,240

I was hoping that someday I might be

535

00:19:57,890 --> 00:19:56,340

able to get the information out and I

536

00:20:00,289 --> 00:19:57,900

asked him look you're getting up there

537

00:20:02,450 --> 00:20:00,299

in age can you if I can't record

538

00:20:04,909 --> 00:20:02,460

something with you could you record a

539

00:20:07,669 --> 00:20:04,919

statement the effect of tell me this

540

00:20:09,470 --> 00:20:07,679

story on camera and then when when you

541

00:20:11,630 --> 00:20:09,480

pass on I could have the tape and he

542

00:20:14,510 --> 00:20:11,640

said yeah he would do it you know look

543

00:20:17,750 --> 00:20:14,520

I've I've heard a lot of wild stories

544

00:20:20,150 --> 00:20:17,760

that I can't verify a guy's telling you

545

00:20:21,950 --> 00:20:20,160

something and you get a sense as a

546

00:20:23,750 --> 00:20:21,960

journalist when you go down a road with

547

00:20:24,830 --> 00:20:23,760

somebody and you take your time and you

548

00:20:27,650 --> 00:20:24,840

vet it

549

00:20:29,690 --> 00:20:27,660

did you feel I mean is there any world

550

00:20:31,850 --> 00:20:29,700

where he's trying to [h\_\_h] with you or is

551  
00:20:35,510 --> 00:20:31,860  
there a world where he's

552  
00:20:37,610 --> 00:20:35,520  
um trying to you know just get you know

553  
00:20:40,010 --> 00:20:37,620  
kind of put crazy information into your

554  
00:20:41,990 --> 00:20:40,020  
brain like what did you how did you feel

555  
00:20:44,630 --> 00:20:42,000  
when he was telling you this was it was

556  
00:20:45,950 --> 00:20:44,640  
he like straight with you like explain

557  
00:20:48,169 --> 00:20:45,960  
that to me yeah he was very

558  
00:20:50,810 --> 00:20:48,179  
straightforward and again this was not

559  
00:20:53,270 --> 00:20:50,820  
information he was giving up willingly I

560  
00:20:55,610 --> 00:20:53,280  
mean I had to really dig and coax and

561  
00:20:58,430 --> 00:20:55,620  
arm twist to get him to cough things up

562  
00:20:59,810 --> 00:20:58,440  
and it was very slow going over about a

563  
00:21:02,210 --> 00:20:59,820

two-year period maybe a little bit

564

00:21:03,950 --> 00:21:02,220

longer and I know that this you always

565

00:21:05,630 --> 00:21:03,960

have to be wary of people with different

566

00:21:07,430 --> 00:21:05,640

agendas and people that just make stuff

567

00:21:09,850 --> 00:21:07,440

up I didn't get that sense from him

568

00:21:12,529 --> 00:21:09,860

because of his standing in the community

569

00:21:14,990 --> 00:21:12,539

he had shared this story with members of

570

00:21:16,850 --> 00:21:15,000

his own family and that's how that's why

571

00:21:18,529 --> 00:21:16,860

they came to you is because they kind of

572

00:21:20,150 --> 00:21:18,539

give you a tip and these members of his

573

00:21:22,130 --> 00:21:20,160

family they they're

574

00:21:24,710 --> 00:21:22,140

um I mean they're serious people too

575

00:21:26,870 --> 00:21:24,720

yeah so the the I have a Sons is an FBI

576

00:21:28,909 --> 00:21:26,880

agent or was he's passed on now one of

577

00:21:31,130 --> 00:21:28,919

his senses in FBI one was an elected

578

00:21:33,710 --> 00:21:31,140

official elected official where in

579

00:21:35,690 --> 00:21:33,720

Nevada okay yeah I was the one that gave

580

00:21:38,149 --> 00:21:35,700

me the tip but uh so I just want to nail

581

00:21:40,010 --> 00:21:38,159

this in so I understand you were

582

00:21:42,350 --> 00:21:40,020

approached because he had shared this

583

00:21:44,330 --> 00:21:42,360

with his family privately and then you

584

00:21:46,250 --> 00:21:44,340

had to kind of like hoax to get through

585

00:21:47,450 --> 00:21:46,260

to him about the story right I think

586

00:21:48,529 --> 00:21:47,460

that's important because look these

587

00:21:50,570 --> 00:21:48,539

things don't happen like people just

588

00:21:52,310 --> 00:21:50,580

come to us and say you know crazy stuff

589

00:21:55,310 --> 00:21:52,320

and we're like oh yeah cool sounds good

590

00:21:57,230 --> 00:21:55,320

like the dynamic of that socially as a

591

00:22:00,230 --> 00:21:57,240

journalist like getting in there taking

592

00:22:01,970 --> 00:22:00,240

time you know we have to verify if what

593

00:22:04,490 --> 00:22:01,980

he said is true and there's there's some

594

00:22:07,070 --> 00:22:04,500

major bombs coming about that but it's

595

00:22:09,049 --> 00:22:07,080

like that process is so important so

596

00:22:10,909 --> 00:22:09,059

here you are you're sitting with them he

597

00:22:13,490 --> 00:22:10,919

tells you now they had a libel and you

598

00:22:15,950 --> 00:22:13,500

felt sad because you're an animal rights

599

00:22:18,110 --> 00:22:15,960

activist you you love animals I know

600

00:22:20,330 --> 00:22:18,120

with your cats at home and you do you've

601  
00:22:22,070 --> 00:22:20,340  
done horse stories and all you know all

602  
00:22:23,210 --> 00:22:22,080  
the stories about like the inhumane

603  
00:22:25,250 --> 00:22:23,220  
stuffed animals so it made you

604  
00:22:27,710 --> 00:22:25,260  
personally sad it makes me sad too not

605  
00:22:29,750 --> 00:22:27,720  
thinking about it but yeah well we had

606  
00:22:32,210 --> 00:22:29,760  
these series of meetings and then the

607  
00:22:34,730 --> 00:22:32,220  
last time we met after he'd agreed to go

608  
00:22:37,430 --> 00:22:34,740  
ahead and record a tape and give it to

609  
00:22:39,169 --> 00:22:37,440  
me after he make an arrangement so I got

610  
00:22:41,810 --> 00:22:39,179  
it after he passed on

611  
00:22:44,090 --> 00:22:41,820  
he said that he'd been told to not talk

612  
00:22:46,070 --> 00:22:44,100  
to me anymore he said he's been given a

613  
00:22:48,049 --> 00:22:46,080

warning that was not a good idea for him

614

00:22:49,789 --> 00:22:48,059

to talk to me anymore about anything not

615

00:22:51,710 --> 00:22:49,799

just that topic but anything well who

616

00:22:54,169 --> 00:22:51,720

knows that you're talking who would warn

617

00:22:55,610 --> 00:22:54,179

him I don't know I don't know but you'll

618

00:22:57,529 --> 00:22:55,620

recall back in those days there was

619

00:23:00,110 --> 00:22:57,539

surveillance we had our phones tapped at

620

00:23:02,510 --> 00:23:00,120

klasdb there were guys following us

621

00:23:04,370 --> 00:23:02,520

around me Bob Lazar Gene Huff maybe

622

00:23:06,950 --> 00:23:04,380

Robert Bigelow people were also coming

623

00:23:07,669 --> 00:23:06,960

to your news station OSI

624

00:23:09,470 --> 00:23:07,679

um

625

00:23:11,149 --> 00:23:09,480

and they would they would come in and

626

00:23:12,830 --> 00:23:11,159

try to like get to you and then they'd

627

00:23:14,630 --> 00:23:12,840

show you their card and as if they put

628

00:23:15,950 --> 00:23:14,640

it down then take it back and you know

629

00:23:17,810 --> 00:23:15,960

your phones are tapped so it's like

630

00:23:19,669 --> 00:23:17,820

because of this story all of a sudden

631

00:23:21,590 --> 00:23:19,679

you're on high alert so anybody could

632

00:23:23,090 --> 00:23:21,600

have called him and watching you have

633

00:23:24,590 --> 00:23:23,100

meetings with the guy but what so what

634

00:23:26,630 --> 00:23:24,600

you're saying is one day it just Dr he

635

00:23:28,010 --> 00:23:26,640

just said I can't I'm not allowed to

636

00:23:29,510 --> 00:23:28,020

talk to him yeah I've been told not to

637

00:23:31,130 --> 00:23:29,520

talk to you anymore I've been told not

638

00:23:33,230 --> 00:23:31,140

to that happened a lot to you during

639

00:23:35,570 --> 00:23:33,240

that time how many witnesses came

640

00:23:37,610 --> 00:23:35,580

forward to verify babazar's story and

641

00:23:39,230 --> 00:23:37,620

then got shut down and tell me one yeah

642

00:23:41,690 --> 00:23:39,240

a bunch of them I mean there were six

643

00:23:43,909 --> 00:23:41,700

right in a row that I spoke to on the

644

00:23:46,130 --> 00:23:43,919

phone who had agreed to meet with me and

645

00:23:48,770 --> 00:23:46,140

share the story some of them on camera

646

00:23:50,990 --> 00:23:48,780

who were visited the very next day one

647

00:23:53,510 --> 00:23:51,000

after another because I had put out a I

648

00:23:54,830 --> 00:23:53,520

I was overt about it asking people in

649

00:23:57,169 --> 00:23:54,840

the community I know there are people

650

00:23:59,510 --> 00:23:57,179

out there listening to this TV broadcast

651  
00:24:01,549 --> 00:23:59,520  
who have information about this

652  
00:24:04,549 --> 00:24:01,559  
come on and tell us about it yeah call

653  
00:24:06,590 --> 00:24:04,559  
me up and several of them did and one

654  
00:24:08,090 --> 00:24:06,600  
right after another six in a row that

655  
00:24:11,090 --> 00:24:08,100  
called me and agreed to do an interview

656  
00:24:12,830 --> 00:24:11,100  
were visited the next day and told to to

657  
00:24:14,390 --> 00:24:12,840  
shut the hell up okay so how did that

658  
00:24:15,710 --> 00:24:14,400  
feel as a journal so I've had a similar

659  
00:24:17,029 --> 00:24:15,720  
experience where you're talking with

660  
00:24:19,250 --> 00:24:17,039  
somebody and all of a sudden they're

661  
00:24:21,710 --> 00:24:19,260  
told not to talk with you by who is a

662  
00:24:22,909 --> 00:24:21,720  
mystery and then do they threaten them

663  
00:24:24,770 --> 00:24:22,919

yeah they threatened them so there was

664

00:24:27,169 --> 00:24:24,780

one there was a cop that was a friend of

665

00:24:29,990 --> 00:24:27,179

mine he's just passed on as of last year

666

00:24:32,090 --> 00:24:30,000

who was a investigator police officer

667

00:24:33,710 --> 00:24:32,100

and then later became a chief

668

00:24:34,970 --> 00:24:33,720

investigator for the District Attorney's

669

00:24:37,310 --> 00:24:34,980

Office who worked at the County

670

00:24:40,010 --> 00:24:37,320

Courthouse after most stories came out

671

00:24:42,649 --> 00:24:40,020

in 1989 it's the it's the Talk of the

672

00:24:44,810 --> 00:24:42,659

Town it's everyone's buzzing about it

673

00:24:46,549 --> 00:24:44,820

and he got into a conversation with the

674

00:24:49,909 --> 00:24:46,559

lady who worked as a clerk in the county

675

00:24:51,710 --> 00:24:49,919

court system and she said she shared a

676

00:24:54,409 --> 00:24:51,720

story with him that she had previously

677

00:24:57,230 --> 00:24:54,419

worked for a defense contractor named

678

00:24:59,270 --> 00:24:57,240

Holmes and narber out at the test site

679

00:25:01,250 --> 00:24:59,280

and or on the Nellis Air Force Base

680

00:25:03,110 --> 00:25:01,260

right change that she said and on

681

00:25:05,090 --> 00:25:03,120

meetings between high-ranking Air Force

682

00:25:07,730 --> 00:25:05,100

officials and these defense contractors

683

00:25:10,370 --> 00:25:07,740

at which they discussed crashed saucers

684

00:25:12,770 --> 00:25:10,380

recovered materials and what sounded

685

00:25:15,110 --> 00:25:12,780

like a Roswell type incident and the

686

00:25:16,610 --> 00:25:15,120

security was so uh strict that after

687

00:25:18,409 --> 00:25:16,620

she's taken notes in these meetings

688

00:25:19,850 --> 00:25:18,419

they'd normally take the notes away from

689

00:25:21,970 --> 00:25:19,860

her but they'd take the typewriter

690

00:25:24,470 --> 00:25:21,980

ribbon of the typewriter and destroy it

691

00:25:26,990 --> 00:25:24,480

so the ribbon on the typewriter didn't

692

00:25:29,330 --> 00:25:27,000

have the words printed on it she told

693

00:25:31,010 --> 00:25:29,340

the story to this cop that I knew he

694

00:25:32,870 --> 00:25:31,020

told me the story I said hey do you

695

00:25:34,730 --> 00:25:32,880

think she talked to me well yeah she'd

696

00:25:36,110 --> 00:25:34,740

probably talk to you if you uh kept her

697

00:25:38,149 --> 00:25:36,120

name out of it kept her identity

698

00:25:39,890 --> 00:25:38,159

shielded and I said great so I talked to

699

00:25:42,110 --> 00:25:39,900

her on the phone a couple of days later

700

00:25:44,450 --> 00:25:42,120

she agreed to meet with me and give me

701  
00:25:46,190 --> 00:25:44,460  
the whole rundown on this story the very

702  
00:25:48,289 --> 00:25:46,200  
next day she gets a knock on the door by

703  
00:25:50,930 --> 00:25:48,299  
these two agents who said that they

704  
00:25:53,210 --> 00:25:50,940  
represented the the company that she had

705  
00:25:55,250 --> 00:25:53,220  
worked for this defense contractor and

706  
00:25:58,370 --> 00:25:55,260  
that she was still subject they reminded

707  
00:26:00,230 --> 00:25:58,380  
her she's still subject to uh her

708  
00:26:01,909 --> 00:26:00,240  
security clearances and missions that

709  
00:26:04,310 --> 00:26:01,919  
that she had agreed to and they said

710  
00:26:05,990 --> 00:26:04,320  
this we know that you travel to La a lot

711  
00:26:07,970 --> 00:26:06,000  
to see your daughter and that she comes

712  
00:26:09,350 --> 00:26:07,980  
here it's a big desert out there we'd

713  
00:26:12,110 --> 00:26:09,360

hate for anything to happen to either

714

00:26:14,269 --> 00:26:12,120

one of you would she interpreted as a

715

00:26:16,130 --> 00:26:14,279

threat to her life and I think that's a

716

00:26:19,370 --> 00:26:16,140

pretty fair interpretation she was

717

00:26:21,049 --> 00:26:19,380

scared she was scared to death and it

718

00:26:22,669 --> 00:26:21,059

was a decade later that reached out to

719

00:26:23,930 --> 00:26:22,679

her again she was still scared and

720

00:26:25,250 --> 00:26:23,940

wouldn't talk to him a decade later

721

00:26:28,610 --> 00:26:25,260

she's still scared I won't talk to you

722

00:26:30,590 --> 00:26:28,620

so two questions one is is this female

723

00:26:34,130 --> 00:26:30,600

is she's still alive no she died two

724

00:26:36,950 --> 00:26:34,140

years ago oh man oh okay now the second

725

00:26:38,930 --> 00:26:36,960

thing is is who was the contractor

726

00:26:42,110 --> 00:26:38,940

Holmes and narber was the name of the

727

00:26:43,909 --> 00:26:42,120

Holmes and Arbor so they sent people who

728

00:26:45,350 --> 00:26:43,919

said so people came to her house

729

00:26:46,970 --> 00:26:45,360

basically who said they were from homes

730

00:26:49,010 --> 00:26:46,980

don't know if yeah don't know who they

731

00:26:50,390 --> 00:26:49,020

really were and they did threaten what

732

00:26:54,169 --> 00:26:50,400

she felt was a threat to her life to

733

00:26:56,210 --> 00:26:54,179

talk to you about crashed UFOs and and

734

00:26:58,070 --> 00:26:56,220

they see and that happened to you a lot

735

00:26:59,570 --> 00:26:58,080

during that time well six times right in

736

00:27:01,070 --> 00:26:59,580

a row within a three or four month

737

00:27:03,409 --> 00:27:01,080

period

738

00:27:06,409 --> 00:27:03,419

um there was a guy who was he did taxes

739

00:27:08,269 --> 00:27:06,419

for Air Force officials and he got to

740

00:27:10,010 --> 00:27:08,279

know some of these guys really well and

741

00:27:11,690 --> 00:27:10,020

they had told him a story about the

742

00:27:13,669 --> 00:27:11,700

Roswell crash they were watching a TV

743

00:27:16,010 --> 00:27:13,679

show on some out of town trip and said

744

00:27:18,289 --> 00:27:16,020

hey that that's real and he wanted to

745

00:27:19,909 --> 00:27:18,299

tell me that story and I said great I'll

746

00:27:22,909 --> 00:27:19,919

come over to see you tomorrow or the

747

00:27:24,289 --> 00:27:22,919

next day in between my visit he was

748

00:27:26,450 --> 00:27:24,299

visited by two guys who said they're

749

00:27:27,649 --> 00:27:26,460

from the Secret Service and they said we

750

00:27:29,029 --> 00:27:27,659

understand you've been making threats

751  
00:27:30,169 --> 00:27:29,039  
against the life of the president he

752  
00:27:31,610 --> 00:27:30,179  
said what are you talking about I never

753  
00:27:33,169 --> 00:27:31,620  
made such threats well look you can go

754  
00:27:35,090 --> 00:27:33,179  
to prison for this kind of thing you're

755  
00:27:37,430 --> 00:27:35,100  
going to keep your mouth your mouth shut

756  
00:27:40,610 --> 00:27:37,440  
you don't want to be flapping it which

757  
00:27:43,190 --> 00:27:40,620  
he and interpreted as being a threat to

758  
00:27:44,810 --> 00:27:43,200  
him to keep quiet it's it's clearly a

759  
00:27:47,450 --> 00:27:44,820  
threat so the thing is we don't know

760  
00:27:49,310 --> 00:27:47,460  
where these people are really coming

761  
00:27:51,470 --> 00:27:49,320  
from anybody the people show me their

762  
00:27:53,810 --> 00:27:51,480  
badges all the time anybody can make a

763  
00:27:56,149 --> 00:27:53,820

badge so we don't know if that if

764

00:27:58,190 --> 00:27:56,159

they're actually from there and then to

765

00:27:59,930 --> 00:27:58,200

say something out of left field over

766

00:28:01,789 --> 00:27:59,940

Secret Service you're making threats

767

00:28:03,830 --> 00:28:01,799

against the president like obviously

768

00:28:06,830 --> 00:28:03,840

this person wasn't doing nothing of the

769

00:28:08,690 --> 00:28:06,840

sort this is UFO related someone is

770

00:28:10,610 --> 00:28:08,700

somehow knowing who you're talking with

771

00:28:12,890 --> 00:28:10,620

we know your phones are tapped at klas

772

00:28:14,510 --> 00:28:12,900

the news station and they're silencing

773

00:28:16,510 --> 00:28:14,520

Witnesses at this critical time of

774

00:28:19,730 --> 00:28:16,520

coming forward it really pissed me off

775

00:28:21,289 --> 00:28:19,740

because you know now we assume that

776

00:28:23,029 --> 00:28:21,299

people are listening to our phones and

777

00:28:25,190 --> 00:28:23,039

our conversations and monitoring email

778

00:28:27,169 --> 00:28:25,200

all of us have that sort of back out of

779

00:28:29,210 --> 00:28:27,179

our head that it all goes into some

780

00:28:31,250 --> 00:28:29,220

giant super computer somewhere that that

781

00:28:32,750 --> 00:28:31,260

nothing is truly private anymore but

782

00:28:36,169 --> 00:28:32,760

back then the idea that there are

783

00:28:38,090 --> 00:28:36,179

government entities operatives listening

784

00:28:40,310 --> 00:28:38,100

to the phone calls that come into a TV

785

00:28:41,510 --> 00:28:40,320

station a news reporter a journalist an

786

00:28:44,090 --> 00:28:41,520

investigative journalist that is

787

00:28:46,070 --> 00:28:44,100

outrageous that is that is spying on an

788

00:28:48,289 --> 00:28:46,080

American journalist and contacting

789

00:28:50,810 --> 00:28:48,299

sources and dissuading them through

790

00:28:52,789 --> 00:28:50,820

threats physical harm to not talk with

791

00:28:56,330 --> 00:28:52,799

you I can see what their position would

792

00:28:57,649 --> 00:28:56,340

be is that I had openly overtly asked

793

00:29:00,110 --> 00:28:57,659

people to go ahead and give me

794

00:29:02,090 --> 00:29:00,120

information and they were I can't

795

00:29:03,890 --> 00:29:02,100

imagine that they got a warrant to tap

796

00:29:06,110 --> 00:29:03,900

my phones they just did it and then they

797

00:29:07,730 --> 00:29:06,120

wanted to see if there's some kind of a

798

00:29:09,470 --> 00:29:07,740

security leak if there's a leak of

799

00:29:11,210 --> 00:29:09,480

information a class of information so

800

00:29:13,130 --> 00:29:11,220

they decided to listen well it happened

801  
00:29:14,029 --> 00:29:13,140  
again and again so I was trying to be

802  
00:29:16,490 --> 00:29:14,039  
careful

803  
00:29:19,909 --> 00:29:16,500  
um in dealing with Al this guy

804  
00:29:22,430 --> 00:29:19,919  
after he said no more I'll make that I

805  
00:29:24,769 --> 00:29:22,440  
recorded the conversation uh you know

806  
00:29:26,389 --> 00:29:24,779  
I'd recorded my presentation and you'll

807  
00:29:27,889 --> 00:29:26,399  
get it when I'm gone

808  
00:29:31,250 --> 00:29:27,899  
um I thought well I'll just wait you

809  
00:29:34,430 --> 00:29:31,260  
know exactly so to be clear this is a

810  
00:29:37,250 --> 00:29:34,440  
deathbed confession when he dies you're

811  
00:29:39,710 --> 00:29:37,260  
allowed to release his testimony about

812  
00:29:42,230 --> 00:29:39,720  
what he told you that's what he made for

813  
00:29:44,930 --> 00:29:42,240

you that's that was the deal and uh I

814

00:29:47,090 --> 00:29:44,940

was told years later that he did in fact

815

00:29:49,070 --> 00:29:47,100

make that recording but it's never been

816

00:29:50,269 --> 00:29:49,080

given to me um there's a lot of things

817

00:29:51,470 --> 00:29:50,279

that I'm going to go into now that

818

00:29:55,250 --> 00:29:51,480

happen in between

819

00:29:57,710 --> 00:29:55,260

in late 1993 I was working for a company

820

00:30:00,169 --> 00:29:57,720

called Altamira and uh the guy was

821

00:30:02,389 --> 00:30:00,179

financing Don Williams is his name he

822

00:30:05,389 --> 00:30:02,399

died last year too and uh he was

823

00:30:07,490 --> 00:30:05,399

financing an ambitious UFO project that

824

00:30:09,169 --> 00:30:07,500

I had in mind which is producing a

825

00:30:10,669 --> 00:30:09,179

series of documentaries we traveled all

826

00:30:13,190 --> 00:30:10,679

over the world went to Russia a couple

827

00:30:15,169 --> 00:30:13,200

times went to all over the U.S to cattle

828

00:30:17,210 --> 00:30:15,179

mutilation sites UFO hot spots

829

00:30:18,950 --> 00:30:17,220

interviewing people uh in the course

830

00:30:20,870 --> 00:30:18,960

I've watched it what's the name it's

831

00:30:23,750 --> 00:30:20,880

UFO's the best evidence too that that

832

00:30:26,389 --> 00:30:23,760

same title we used in the klas series

833

00:30:29,389 --> 00:30:26,399

um so I get a call out of the blue from

834

00:30:32,090 --> 00:30:29,399

a a federal official I had worked with

835

00:30:34,430 --> 00:30:32,100

the U.S Senate he was I'll just say his

836

00:30:36,889 --> 00:30:34,440

name his name is Dick D'Amato

837

00:30:38,930 --> 00:30:36,899

Senator Robert Byrd who was the head of

838

00:30:41,570 --> 00:30:38,940

the money committee and most powerful

839

00:30:44,630 --> 00:30:41,580

lawmaker in Washington in those days or

840

00:30:48,110 --> 00:30:44,640

at least one of the top five uh was his

841

00:30:50,269 --> 00:30:48,120

boss and Dick D'Amato his job was to

842

00:30:51,769 --> 00:30:50,279

oversee black budget projects to see who

843

00:30:53,930 --> 00:30:51,779

was spending money where it was going

844

00:30:55,130 --> 00:30:53,940

and whether it was being spent on the

845

00:30:57,169 --> 00:30:55,140

things that Congress said it should be

846

00:30:58,909 --> 00:30:57,179

spent on okay so so now you're bringing

847

00:31:01,930 --> 00:30:58,919

in a guy named dick D'Amato who you're

848

00:31:04,850 --> 00:31:01,940

naming right and this dude is working

849

00:31:08,450 --> 00:31:04,860

within our government with this specific

850

00:31:12,049 --> 00:31:08,460

task of oversight of our sap special

851  
00:31:15,649 --> 00:31:12,059  
access programs or projects and he has

852  
00:31:17,930 --> 00:31:15,659  
access and clearances to get in and look

853  
00:31:20,090 --> 00:31:17,940  
at how the money is being spent he holds

854  
00:31:22,250 --> 00:31:20,100  
the purse strings so his clearance is he

855  
00:31:25,250 --> 00:31:22,260  
can go anywhere is the is the theory is

856  
00:31:27,470 --> 00:31:25,260  
the idea for our exploitation or secret

857  
00:31:29,810 --> 00:31:27,480  
projects that's who dick D'Amato exactly

858  
00:31:32,990 --> 00:31:29,820  
so he had been given the task by Senator

859  
00:31:36,169 --> 00:31:33,000  
Byrd and by my friend Senator Harry Reid

860  
00:31:39,049 --> 00:31:36,179  
to look into the UFO matter is this real

861  
00:31:41,510 --> 00:31:39,059  
is there something to it are legitimate

862  
00:31:44,210 --> 00:31:41,520  
National Security funds being

863  
00:31:45,950 --> 00:31:44,220

transferred from some missile that we've

864

00:31:49,190 --> 00:31:45,960

we've uh that Congress has approved

865

00:31:50,870 --> 00:31:49,200

money for into programs to keep this UFO

866

00:31:52,909 --> 00:31:50,880

cover-up going on that was his premise

867

00:31:55,010 --> 00:31:52,919

that was the marching orders he was

868

00:31:57,230 --> 00:31:55,020

given by Senator Byrd and Senator Reid

869

00:31:58,970 --> 00:31:57,240

so he started educating himself about

870

00:32:01,190 --> 00:31:58,980

UFOs and he traveled around the country

871

00:32:02,930 --> 00:32:01,200

and met with four or five of us I know

872

00:32:05,630 --> 00:32:02,940

that Whitley strieber is one that he met

873

00:32:07,970 --> 00:32:05,640

with before me so so hold on he is being

874

00:32:10,549 --> 00:32:07,980

tasked by these you know upper UPS like

875

00:32:12,649 --> 00:32:10,559

Senator Harry Reid and whatnot to look

876

00:32:14,269 --> 00:32:12,659

specifically if money is being

877

00:32:18,049 --> 00:32:14,279

improperly used

878

00:32:20,510 --> 00:32:18,059

for UFO projects that was the day UFO

879

00:32:22,610 --> 00:32:20,520

projects and diverted from legitimate

880

00:32:24,289 --> 00:32:22,620

programs for which Congress has slotted

881

00:32:25,490 --> 00:32:24,299

the money and then diverted into

882

00:32:26,690 --> 00:32:25,500

something else to help keep this

883

00:32:28,850 --> 00:32:26,700

cover-up going

884

00:32:31,130 --> 00:32:28,860

is it real so he started educating

885

00:32:33,350 --> 00:32:31,140

himself about the broad picture of UFOs

886

00:32:34,909 --> 00:32:33,360

one of the people he talked to before me

887

00:32:37,190 --> 00:32:34,919

was Whitley strieber he went to the

888

00:32:38,389 --> 00:32:37,200

cabin uh Whitley's cabin and he told me

889

00:32:41,029 --> 00:32:38,399

he was pretty impressed by the whole

890

00:32:42,769 --> 00:32:41,039

story and then he came out to Nevada and

891

00:32:44,389 --> 00:32:42,779

uh we had a number of phone

892

00:32:46,130 --> 00:32:44,399

conversations before he made the visit

893

00:32:48,169 --> 00:32:46,140

and he came out he says I want to go out

894

00:32:49,970 --> 00:32:48,179

to Area 51 and look around I want to

895

00:32:52,310 --> 00:32:49,980

know if that Lazar story is true if

896

00:32:54,230 --> 00:32:52,320

there really is a place over at S4 near

897

00:32:55,970 --> 00:32:54,240

Papoose Lake I'm going to make him let

898

00:32:57,649 --> 00:32:55,980

me in I said well good luck on that yeah

899

00:32:59,269 --> 00:32:57,659

like says oh no they'll let me in he

900

00:33:00,950 --> 00:32:59,279

could get in he thought he could get in

901  
00:33:02,330 --> 00:33:00,960  
did he thought he could get in and he

902  
00:33:04,130 --> 00:33:02,340  
did get in and they didn't want him to

903  
00:33:06,049 --> 00:33:04,140  
come there he said he got all kinds of

904  
00:33:08,210 --> 00:33:06,059  
grief about it he says I'm coming in or

905  
00:33:10,070 --> 00:33:08,220  
else I'm shutting you down

906  
00:33:12,529 --> 00:33:10,080  
take note taking away their money yeah

907  
00:33:15,409 --> 00:33:12,539  
they took that threat seriously so he

908  
00:33:17,269 --> 00:33:15,419  
comes to uh Altamira I gave him sort of

909  
00:33:19,250 --> 00:33:17,279  
the my best idea about where the

910  
00:33:20,990 --> 00:33:19,260  
facility would be that that Bob Lazar

911  
00:33:22,909 --> 00:33:21,000  
had described to us and he says okay

912  
00:33:26,990 --> 00:33:22,919  
great I'm going and he went out there

913  
00:33:29,690 --> 00:33:27,000

and on the day that he visited area 51.

914

00:33:31,850 --> 00:33:29,700

bad luck I don't know but there was a

915

00:33:33,590 --> 00:33:31,860

freak snowstorm I mean a blinding

916

00:33:35,570 --> 00:33:33,600

snowstorm it just doesn't happen that

917

00:33:37,789 --> 00:33:35,580

much out there but I mean it was like

918

00:33:40,250 --> 00:33:37,799

sideways snow he could barely see you we

919

00:33:42,529 --> 00:33:40,260

weren't supposed to fly he made them get

920

00:33:44,210 --> 00:33:42,539

in a helicopter and fly him to Papu's

921

00:33:46,130 --> 00:33:44,220

Lake and he'd landed on top of this

922

00:33:47,990 --> 00:33:46,140

Bluff and he looked around in the

923

00:33:49,850 --> 00:33:48,000

blinding snow and he didn't he didn't

924

00:33:51,769 --> 00:33:49,860

see anything which this is this would

925

00:33:54,289 --> 00:33:51,779

have been five years after Lazar told

926

00:33:55,610 --> 00:33:54,299

his story after we'd told the world that

927

00:33:57,110 --> 00:33:55,620

there was something there built in the

928

00:33:58,490 --> 00:33:57,120

side of the mountain so by that point

929

00:34:01,669 --> 00:33:58,500

they certainly could have hidden it okay

930

00:34:03,470 --> 00:34:01,679

okay so he he forces his way you know

931

00:34:06,769 --> 00:34:03,480

because he holds the money he forces his

932

00:34:09,050 --> 00:34:06,779

way to Area 51 they let him in then he

933

00:34:11,690 --> 00:34:09,060

says I don't care there's a blinding

934

00:34:13,550 --> 00:34:11,700

snow storm you are flying me to these

935

00:34:15,649 --> 00:34:13,560

coordinates that George Knapp told me

936

00:34:17,329 --> 00:34:15,659

and I'm gonna look around from the

937

00:34:20,030 --> 00:34:17,339

helicopter and he gets in the damn

938

00:34:22,310 --> 00:34:20,040

helicopter like a hero right for us I'm

939

00:34:25,369 --> 00:34:22,320

so excited and he gets out there to

940

00:34:28,490 --> 00:34:25,379

Papoose Lake where site four we know

941

00:34:30,589 --> 00:34:28,500

existed and existed this there but five

942

00:34:32,810 --> 00:34:30,599

years later and he's like looking around

943

00:34:33,950 --> 00:34:32,820

to try to would he tell you if he saw it

944

00:34:36,649 --> 00:34:33,960

would he have told yeah he would have

945

00:34:39,649 --> 00:34:36,659

told me okay and he's there and all of a

946

00:34:41,329 --> 00:34:39,659

sudden he's he's you can't see [h\_\_h] that

947

00:34:42,589 --> 00:34:41,339

that's like because of the snow and all

948

00:34:43,849 --> 00:34:42,599

that stuff but also I mean it's a

949

00:34:46,310 --> 00:34:43,859

facility that's not supposed to be able

950

00:34:49,129 --> 00:34:46,320

to be seen you know from satellite what

951  
00:34:51,349 --> 00:34:49,139  
not but let's just say he gets there and

952  
00:34:53,510 --> 00:34:51,359  
like he literally like he he tells you

953  
00:34:56,030 --> 00:34:53,520  
like I can't see anything so I couldn't

954  
00:34:57,230 --> 00:34:56,040  
see anything and so we left and he was

955  
00:34:59,210 --> 00:34:57,240  
disappointed you know I talked to him

956  
00:35:01,130 --> 00:34:59,220  
afterward I assumed that he would told

957  
00:35:02,750 --> 00:35:01,140  
me if he'd seen something maybe not you

958  
00:35:05,030 --> 00:35:02,760  
know it's possible that he wouldn't but

959  
00:35:07,609 --> 00:35:05,040  
this was a very straightforward guy hard

960  
00:35:09,109 --> 00:35:07,619  
charging honest as a day is long I mean

961  
00:35:11,270 --> 00:35:09,119  
I was really impressed by the guy and I

962  
00:35:12,890 --> 00:35:11,280  
was impressed that he would put me into

963  
00:35:14,810 --> 00:35:12,900

the circle of trust and talk to me at

964

00:35:16,370 --> 00:35:14,820

all and I agreed I was not going to do a

965

00:35:18,349 --> 00:35:16,380

report I never did a news story about

966

00:35:21,290 --> 00:35:18,359

him I never mentioned his name

967

00:35:22,970 --> 00:35:21,300

um and uh and you know years later now I

968

00:35:25,190 --> 00:35:22,980

feel comfortable in doing that because

969

00:35:26,450 --> 00:35:25,200

he's out of government but he was he

970

00:35:27,770 --> 00:35:26,460

came back from that meeting and was

971

00:35:29,450 --> 00:35:27,780

pretty disappointed pointed he said

972

00:35:31,609 --> 00:35:29,460

sister hold on Dick Tamara's still alive

973

00:35:33,349 --> 00:35:31,619

yeah yes man I would love to hear from

974

00:35:34,670 --> 00:35:33,359

dick D'Amato what that experience was

975

00:35:36,829 --> 00:35:34,680

like people have tried to reach out to

976

00:35:38,510 --> 00:35:36,839

him uh other people because the name has

977

00:35:40,550 --> 00:35:38,520

filtered out over the years but yeah

978

00:35:42,950 --> 00:35:40,560

he's he wants nothing to do with it well

979

00:35:45,349 --> 00:35:42,960

now yeah and now it's gonna be crazy

980

00:35:46,670 --> 00:35:45,359

when he came back from that meeting and

981

00:35:48,170 --> 00:35:46,680

we had a conversation he was

982

00:35:50,390 --> 00:35:48,180

disappointed that he wasn't able to

983

00:35:52,370 --> 00:35:50,400

confirm the kinds of things that Lazar

984

00:35:54,050 --> 00:35:52,380

had told us and that we'd reported but

985

00:35:57,230 --> 00:35:54,060

he said look I think it is entirely

986

00:35:59,690 --> 00:35:57,240

feasible that this UFO cover-up exists

987

00:36:01,250 --> 00:35:59,700

within a private company a company he

988

00:36:04,010 --> 00:36:01,260

said it could be done in a company like

989

00:36:06,170 --> 00:36:04,020

EG and G or Lockheed or Northrop one of

990

00:36:08,510 --> 00:36:06,180

those big defense contractors and he

991

00:36:10,250 --> 00:36:08,520

said here's the deal when it comes out

992

00:36:11,870 --> 00:36:10,260

if I can prove that they've been

993

00:36:14,390 --> 00:36:11,880

diverting money from National Security

994

00:36:16,130 --> 00:36:14,400

efforts and programs to keep this UFO

995

00:36:17,089 --> 00:36:16,140

cover-up going people are going to go to

996

00:36:19,010 --> 00:36:17,099

prison

997

00:36:20,870 --> 00:36:19,020

which if you think about it that might

998

00:36:22,730 --> 00:36:20,880

be the best reason of all for the UFO

999

00:36:24,050 --> 00:36:22,740

cover-up is if people think that their

1000

00:36:26,270 --> 00:36:24,060

butts are on the line they'll go to

1001

00:36:27,950 --> 00:36:26,280

behind bars for who are lying about it

1002

00:36:30,290 --> 00:36:27,960

to Congress the American public and and

1003

00:36:32,990 --> 00:36:30,300

maybe diverting money do you think this

1004

00:36:37,130 --> 00:36:33,000

is a big type of conversation we're in a

1005

00:36:39,829 --> 00:36:37,140

new era hopefully where Arrow all domain

1006

00:36:41,750 --> 00:36:39,839

anomaly resolution office is not going

1007

00:36:43,670 --> 00:36:41,760

to be a Project Blue Book that they are

1008

00:36:45,589 --> 00:36:43,680

going to actively research which we have

1009

00:36:47,450 --> 00:36:45,599

indications they are and that they're

1010

00:36:50,750 --> 00:36:47,460

going to have a forward public-facing

1011

00:36:52,550 --> 00:36:50,760

element where they're not confusing the

1012

00:36:54,770 --> 00:36:52,560

the American public and Global public

1013

00:36:56,150 --> 00:36:54,780

they're going to be straight so my

1014

00:36:58,430 --> 00:36:56,160

question to you is and there's a big

1015

00:37:01,609 --> 00:36:58,440

topic conversation do you think people

1016

00:37:03,770 --> 00:37:01,619

should go to prison if they've been part

1017

00:37:06,589 --> 00:37:03,780

of the UFO cover-up

1018

00:37:10,250 --> 00:37:06,599

I don't know I you know I guess it would

1019

00:37:12,349 --> 00:37:10,260

be depend on how egregious The Acts were

1020

00:37:14,750 --> 00:37:12,359

that they did I mean I can understand in

1021

00:37:16,609 --> 00:37:14,760

1947 something strange crashes in the

1022

00:37:18,589 --> 00:37:16,619

desert outside New Mexico we've just

1023

00:37:21,829 --> 00:37:18,599

come out of World War II it's been a

1024

00:37:24,589 --> 00:37:21,839

terrible uh catastrophic War all over

1025

00:37:26,450 --> 00:37:24,599

the globe do we really what happens how

1026  
00:37:28,730 --> 00:37:26,460  
will the public react to this unknown

1027  
00:37:30,530 --> 00:37:28,740  
threat a really exotic

1028  
00:37:33,109 --> 00:37:30,540  
um possible threat I mean people might

1029  
00:37:34,849 --> 00:37:33,119  
freak out you know we I could see them

1030  
00:37:36,530 --> 00:37:34,859  
deciding they don't want to put the

1031  
00:37:38,630 --> 00:37:36,540  
American public through it especially

1032  
00:37:40,550 --> 00:37:38,640  
because no one knew for sure what that

1033  
00:37:42,470 --> 00:37:40,560  
what it was how the technology worked

1034  
00:37:45,650 --> 00:37:42,480  
could we duplicate it did the Russians

1035  
00:37:48,410 --> 00:37:45,660  
know about this or what in in defense of

1036  
00:37:51,530 --> 00:37:48,420  
the UFO cover-up

1037  
00:37:54,310 --> 00:37:51,540  
Secrets should be kept some but as Bob

1038  
00:37:57,230 --> 00:37:54,320

Lazar has always said

1039

00:37:59,690 --> 00:37:57,240

the general topic that's outside of the

1040

00:38:02,390 --> 00:37:59,700

scope of a national security issue for

1041

00:38:05,150 --> 00:38:02,400

our country the general public has has a

1042

00:38:09,349 --> 00:38:05,160

has a need to know and a right to know

1043

00:38:11,630 --> 00:38:09,359

and we feel a duty to try and find out I

1044

00:38:15,230 --> 00:38:11,640

don't think anybody involved with the

1045

00:38:17,569 --> 00:38:15,240

cover-up should face any prison time I

1046

00:38:19,790 --> 00:38:17,579

don't care what they've done I think

1047

00:38:21,770 --> 00:38:19,800

there should be immunity and I think

1048

00:38:23,690 --> 00:38:21,780

that the import this topic is so much

1049

00:38:26,569 --> 00:38:23,700

more important than putting somebody

1050

00:38:27,890 --> 00:38:26,579

maybe with a family Behind Bars because

1051  
00:38:29,990 --> 00:38:27,900  
they were doing what they thought was

1052  
00:38:32,390 --> 00:38:30,000  
right for the country even if they lied

1053  
00:38:34,910 --> 00:38:32,400  
to Congress and Senate and even if they

1054  
00:38:37,730 --> 00:38:34,920  
hid and misappropriated funds I would

1055  
00:38:40,849 --> 00:38:37,740  
like if we said give everybody immunity

1056  
00:38:42,050 --> 00:38:40,859  
let's bring Humanity up to date with

1057  
00:38:44,569 --> 00:38:42,060  
what we know

1058  
00:38:46,609 --> 00:38:44,579  
uh so I would like to to say that I

1059  
00:38:48,410 --> 00:38:46,619  
nobody should be should be in my

1060  
00:38:50,150 --> 00:38:48,420  
personal opinion should be in trouble

1061  
00:38:52,069 --> 00:38:50,160  
for that I think we should move on let's

1062  
00:38:54,170 --> 00:38:52,079  
move on I'm with you on that up to a

1063  
00:38:56,390 --> 00:38:54,180

point there are lines that should not be

1064

00:38:58,430 --> 00:38:56,400

crossed like what if you threaten to

1065

00:39:00,650 --> 00:38:58,440

kill somebody or if you actually do

1066

00:39:03,589 --> 00:39:00,660

silence them got you through violence

1067

00:39:06,230 --> 00:39:03,599

got you agreed agreed agreed if somebody

1068

00:39:09,410 --> 00:39:06,240

did that in the past yeah [h\_\_h] lock

1069

00:39:11,510 --> 00:39:09,420

them away yeah so dick dimano comes out

1070

00:39:14,810 --> 00:39:11,520

he says look I think this program could

1071

00:39:16,310 --> 00:39:14,820

be housed in a private uh company as a

1072

00:39:18,470 --> 00:39:16,320

way to keep Congress from finding out

1073

00:39:20,329 --> 00:39:18,480

about it and if that happens and we can

1074

00:39:21,829 --> 00:39:20,339

prove it somebody would go to prison I

1075

00:39:23,930 --> 00:39:21,839

had the feeling from that conversation

1076

00:39:26,450 --> 00:39:23,940

on that he was going to stick with it so

1077

00:39:28,970 --> 00:39:26,460

I told him about Al O'Donnell without

1078

00:39:30,950 --> 00:39:28,980

telling him who aladonna was I said I've

1079

00:39:33,170 --> 00:39:30,960

been meeting with this guy who told me X

1080

00:39:35,150 --> 00:39:33,180

and I gave him the story could I meet

1081

00:39:37,190 --> 00:39:35,160

him do you think he'd be willing to talk

1082

00:39:38,870 --> 00:39:37,200

to me off the record I said well let me

1083

00:39:40,730 --> 00:39:38,880

ask him so I reached out to Al I hadn't

1084

00:39:43,910 --> 00:39:40,740

talked to him in a while and I told him

1085

00:39:45,290 --> 00:39:43,920

about uh senator uh dick damato and the

1086

00:39:47,569 --> 00:39:45,300

senator Byrd and what they wanted to do

1087

00:39:51,349 --> 00:39:47,579

and Al said okay I'll be with I'll talk

1088

00:39:53,569 --> 00:39:51,359

to him and he did and um and so he

1089

00:39:55,730 --> 00:39:53,579

didn't Al did not fess up he didn't give

1090

00:39:57,770 --> 00:39:55,740

him the whole routine that he had told

1091

00:39:59,810 --> 00:39:57,780

me about but he told him some of it and

1092

00:40:02,390 --> 00:39:59,820

he said look I'll talk to you further if

1093

00:40:04,730 --> 00:40:02,400

my old boss herb Greer one of the EG

1094

00:40:06,109 --> 00:40:04,740

folks the only one who's still alive if

1095

00:40:08,569 --> 00:40:06,119

he says I can tell you about it I'll

1096

00:40:11,810 --> 00:40:08,579

tell you about it and so dick D'Amato

1097

00:40:14,030 --> 00:40:11,820

goes to see her Greer okay so this is um

1098

00:40:17,390 --> 00:40:14,040

this is somebody that is now

1099

00:40:19,910 --> 00:40:17,400

being contacted who's active within EG

1100

00:40:21,530 --> 00:40:19,920

one of the top three you know yeah one

1101

00:40:24,230 --> 00:40:21,540

of the three one of the G's yeah one of

1102

00:40:26,630 --> 00:40:24,240

the G's right and and he's like herb

1103

00:40:27,950 --> 00:40:26,640

Greer meets with the motto and says yeah

1104

00:40:30,109 --> 00:40:27,960

you know I don't remember any of that

1105

00:40:32,210 --> 00:40:30,119

Flying Saucer stuff but if Al says it

1106

00:40:34,130 --> 00:40:32,220

okay you can go ahead and meet with him

1107

00:40:36,530 --> 00:40:34,140

he has my permission well he went back

1108

00:40:38,690 --> 00:40:36,540

met with uh with Al O'Donnell Al

1109

00:40:40,250 --> 00:40:38,700

O'Donnell wouldn't tell him anything we

1110

00:40:41,870 --> 00:40:40,260

shut it down I don't know really why

1111

00:40:44,089 --> 00:40:41,880

because I never got the straight story

1112

00:40:45,770 --> 00:40:44,099

from either of the two parties but he

1113

00:40:48,589 --> 00:40:45,780

clammed up so he's not talking to

1114

00:40:51,109 --> 00:40:48,599

D'Amato he won't talk to me anymore uh

1115

00:40:52,970 --> 00:40:51,119

at least for a long time and maybe

1116

00:40:55,069 --> 00:40:52,980

that's the end of it for the story well

1117

00:40:56,329 --> 00:40:55,079

it's not the end of it a couple years

1118

00:40:59,750 --> 00:40:56,339

later

1119

00:41:01,790 --> 00:40:59,760

I start hearing uh hints that

1120

00:41:03,290 --> 00:41:01,800

um Al O'Donnell had changed his story

1121

00:41:05,690 --> 00:41:03,300

that he's telling a different version of

1122

00:41:08,329 --> 00:41:05,700

it the way it came about is there's a

1123

00:41:10,130 --> 00:41:08,339

journalist named Annie Jacobson and

1124

00:41:11,810 --> 00:41:10,140

she's a what his writer for the LA Times

1125

00:41:14,450 --> 00:41:11,820

had a good reputation she started

1126

00:41:17,390 --> 00:41:14,460

working on a book about year 851. in

1127

00:41:18,950 --> 00:41:17,400

2007 she says she heard from a relative

1128

00:41:20,569 --> 00:41:18,960

that there was a group called The

1129

00:41:21,470 --> 00:41:20,579

roadrunners well I'd been reporting on

1130

00:41:24,170 --> 00:41:21,480

him for a couple of years the

1131

00:41:25,910 --> 00:41:24,180

roadrunners are all these veterans who

1132

00:41:27,410 --> 00:41:25,920

had worked out at Area 51 they'd worked

1133

00:41:30,890 --> 00:41:27,420

for the CIA they'd work for different

1134

00:41:33,170 --> 00:41:30,900

contractors test pilots uh had high

1135

00:41:35,510 --> 00:41:33,180

level security clearances had toiled an

1136

00:41:37,490 --> 00:41:35,520

obscurity out at that base to protect

1137

00:41:40,370 --> 00:41:37,500

the Americans it's that's where the cold

1138

00:41:42,770 --> 00:41:40,380

war was won is out there on the U2 and

1139

00:41:44,750 --> 00:41:42,780

then the a12 and the Blackbird planes

1140

00:41:47,030 --> 00:41:44,760

and later stealth but so all these all

1141

00:41:49,130 --> 00:41:47,040

these normal projects that are like you

1142

00:41:51,829 --> 00:41:49,140

know really specialized reconnaissance

1143

00:41:53,870 --> 00:41:51,839

platforms plain super fast super high

1144

00:41:55,130 --> 00:41:53,880

that's what the road runners is is there

1145

00:41:57,770 --> 00:41:55,140

like yeah roadrunners have worked at

1146

00:41:59,329 --> 00:41:57,780

Area 51 to develop these spy planes that

1147

00:42:01,190 --> 00:41:59,339

helped us win the Cold War and they'd

1148

00:42:02,810 --> 00:42:01,200

worked on a lot of other CIA Monkey

1149

00:42:04,430 --> 00:42:02,820

Business and Technology out there at

1150

00:42:06,230 --> 00:42:04,440

Area 51 a lot of really interesting

1151  
00:42:07,790 --> 00:42:06,240  
things like monkey businessman and

1152  
00:42:10,250 --> 00:42:07,800  
Monkey Business I had the ultimate

1153  
00:42:11,450 --> 00:42:10,260  
respect for all those men and women even

1154  
00:42:13,970 --> 00:42:11,460  
though we've done these stories about

1155  
00:42:16,310 --> 00:42:13,980  
Lazar and 50 and the saucers and all

1156  
00:42:18,950 --> 00:42:16,320  
that which they didn't hold in very high

1157  
00:42:20,690 --> 00:42:18,960  
regard but they invited me in 2005 to

1158  
00:42:23,150 --> 00:42:20,700  
their annual event it was not open to

1159  
00:42:25,010 --> 00:42:23,160  
the public but the TD Barnes was the

1160  
00:42:26,930 --> 00:42:25,020  
head of the road runners at the time and

1161  
00:42:28,250 --> 00:42:26,940  
he invited me to go to this event where

1162  
00:42:30,770 --> 00:42:28,260  
they all got together and I was the

1163  
00:42:32,150 --> 00:42:30,780

first person to allow allowed in it I

1164

00:42:34,130 --> 00:42:32,160

was the first to bring a camera in there

1165

00:42:36,290 --> 00:42:34,140

and they did the first on-camera

1166

00:42:37,730 --> 00:42:36,300

interviews ever about the programs they

1167

00:42:40,250 --> 00:42:37,740

worked on they got permission for the

1168

00:42:43,250 --> 00:42:40,260

CIA to talk to me and was awesome I did

1169

00:42:46,609 --> 00:42:43,260

stories that that year in 05 again in 06

1170

00:42:49,190 --> 00:42:46,619

and 07 07 somebody tells Annie Jacobson

1171

00:42:51,290 --> 00:42:49,200

that the roadrunners exist and she

1172

00:42:52,990 --> 00:42:51,300

started pursuing a story thinking if

1173

00:42:56,510 --> 00:42:53,000

she's the first one on the on the trail

1174

00:42:58,910 --> 00:42:56,520

and she's and she puts together a really

1175

00:43:00,890 --> 00:42:58,920

good book called Area 51 and uncensored

1176  
00:43:02,150 --> 00:43:00,900  
history She interviewed dozens of these

1177  
00:43:03,950 --> 00:43:02,160  
guys a lot of the people that I had

1178  
00:43:06,470 --> 00:43:03,960  
interviewed before and others beyond

1179  
00:43:08,030 --> 00:43:06,480  
that she dug up a lot of documents and

1180  
00:43:09,770 --> 00:43:08,040  
the history of the base and programs

1181  
00:43:12,130 --> 00:43:09,780  
that going on out there and she puts

1182  
00:43:15,410 --> 00:43:12,140  
together this book and it's terrific

1183  
00:43:17,930 --> 00:43:15,420  
uh up until the last seven pages and the

1184  
00:43:19,730 --> 00:43:17,940  
last seven pages of her book she tells a

1185  
00:43:22,490 --> 00:43:19,740  
story about Al O'Donnell without naming

1186  
00:43:24,109 --> 00:43:22,500  
it except the story she tells that Al

1187  
00:43:26,089 --> 00:43:24,119  
O'Donnell shared with her is very

1188  
00:43:29,089 --> 00:43:26,099

different from the one he told me years

1189

00:43:32,390 --> 00:43:29,099

before okay okay but did you know that

1190

00:43:34,130 --> 00:43:32,400

um did you know that Annie had it sounds

1191

00:43:37,069 --> 00:43:34,140

like a great book I should read it did

1192

00:43:38,630 --> 00:43:37,079

you know that she had got a hold of this

1193

00:43:40,790 --> 00:43:38,640

guy that you had gotten a hold of how

1194

00:43:43,010 --> 00:43:40,800

many decades before no I didn't I didn't

1195

00:43:44,510 --> 00:43:43,020

know that she was in touch with him I

1196

00:43:46,250 --> 00:43:44,520

knew she was talking to the other guys

1197

00:43:47,870 --> 00:43:46,260

because she had wanted to talk to me for

1198

00:43:49,970 --> 00:43:47,880

the book too you know I'd done a lot of

1199

00:43:51,890 --> 00:43:49,980

reporting on array 51 so I knew she was

1200

00:43:53,809 --> 00:43:51,900

talking to TD and the other roadrunners

1201  
00:43:55,010 --> 00:43:53,819  
you have no idea that Al O'Donnell was

1202  
00:43:56,390 --> 00:43:55,020  
one of them because he wasn't part of

1203  
00:43:58,849 --> 00:43:56,400  
the road runners he wasn't one of the

1204  
00:44:00,230 --> 00:43:58,859  
group look man people could this is why

1205  
00:44:02,710 --> 00:44:00,240  
I'm glad we record sessions like this

1206  
00:44:05,030 --> 00:44:02,720  
because people could uh

1207  
00:44:07,430 --> 00:44:05,040  
they would conserve so much of their

1208  
00:44:09,770 --> 00:44:07,440  
energy and time if they just went back

1209  
00:44:11,329 --> 00:44:09,780  
and went to you about what you had done

1210  
00:44:14,030 --> 00:44:11,339  
before what and that's the thing that

1211  
00:44:16,790 --> 00:44:14,040  
really helps me is that you have done a

1212  
00:44:19,010 --> 00:44:16,800  
lot of this before so now we're at a

1213  
00:44:21,290 --> 00:44:19,020

point where we got a book the book is

1214

00:44:23,750 --> 00:44:21,300

really good it's it's you know kind of

1215

00:44:25,910 --> 00:44:23,760

explaining all of this what's the and

1216

00:44:27,950 --> 00:44:25,920

she got oh and she got Al O'Donnell but

1217

00:44:30,710 --> 00:44:27,960

doesn't name him so go hold on has the

1218

00:44:32,210 --> 00:44:30,720

world ever heard the name Al O'Donnell

1219

00:44:34,849 --> 00:44:32,220

yet about this yeah it's come out a

1220

00:44:37,670 --> 00:44:34,859

couple of times I confided in a couple

1221

00:44:39,109 --> 00:44:37,680

of people uh about Al O'Donnell and what

1222

00:44:41,990 --> 00:44:39,119

was coming and just keep it quiet

1223

00:44:43,609 --> 00:44:42,000

somebody spilled it anyway in fact it

1224

00:44:45,470 --> 00:44:43,619

came out at the citizens hearing that

1225

00:44:47,510 --> 00:44:45,480

you were part of are you serious it came

1226

00:44:49,130 --> 00:44:47,520

out in testimony there and they quoted

1227

00:44:51,530 --> 00:44:49,140

me as telling them the story they used

1228

00:44:53,210 --> 00:44:51,540

the name without my permission oh my God

1229

00:44:55,670 --> 00:44:53,220

not authorize that but they spilled it

1230

00:44:57,050 --> 00:44:55,680

anyway I'm so sleep deprived when I'm

1231

00:44:58,130 --> 00:44:57,060

running and gunning and doing this kind

1232

00:44:59,690 --> 00:44:58,140

of stuff so I don't even remember that

1233

00:45:02,390 --> 00:44:59,700

but just for our audience to know

1234

00:45:04,370 --> 00:45:02,400

because um I don't mention it a lot but

1235

00:45:07,190 --> 00:45:04,380

there was something called the citizens

1236

00:45:09,230 --> 00:45:07,200

hearing on disclosure and it was put

1237

00:45:11,390 --> 00:45:09,240

together by a guy named Reuben Langdon

1238

00:45:14,210 --> 00:45:11,400

and Reuben Langdon is like this unsung

1239

00:45:16,190 --> 00:45:14,220

hero of the citizen hearing because man

1240

00:45:18,950 --> 00:45:16,200

over all this time since we did that

1241

00:45:20,630 --> 00:45:18,960

together right it was like we have been

1242

00:45:22,069 --> 00:45:20,640

keeping that alive all of that is

1243

00:45:25,010 --> 00:45:22,079

available people can watch this

1244

00:45:26,569 --> 00:45:25,020

testimony all for free all on YouTube I

1245

00:45:29,089 --> 00:45:26,579

don't even know that web address citizen

1246

00:45:30,710 --> 00:45:29,099

hearing it's on YouTube but I just want

1247

00:45:33,829 --> 00:45:30,720

people to know that was a mock

1248

00:45:35,390 --> 00:45:33,839

Congressional hearing on the UFO topic

1249

00:45:37,069 --> 00:45:35,400

with great Witnesses it sucks somebody

1250

00:45:38,690 --> 00:45:37,079

leaked his name at that which I didn't

1251  
00:45:41,089 --> 00:45:38,700  
know I'm sorry I have no control of that

1252  
00:45:43,130 --> 00:45:41,099  
but but that was a mock Congressional

1253  
00:45:45,050 --> 00:45:43,140  
Hearing in hopes we would have a

1254  
00:45:48,170 --> 00:45:45,060  
congressional hearing and here we are

1255  
00:45:50,089 --> 00:45:48,180  
and we finally had a new Congressional

1256  
00:45:53,329 --> 00:45:50,099  
hearing on UFOs where all the Congress

1257  
00:45:55,370 --> 00:45:53,339  
was lied to by the Pentagon and we're

1258  
00:45:56,750 --> 00:45:55,380  
going to get specific about that but

1259  
00:45:58,130 --> 00:45:56,760  
anyway just I wanted to make sure people

1260  
00:46:00,470 --> 00:45:58,140  
understood what you meant by that that

1261  
00:46:02,030 --> 00:46:00,480  
sits in here O'Donnell's mentioned it

1262  
00:46:03,890 --> 00:46:02,040  
gets leaked a little bit but this is the

1263  
00:46:05,870 --> 00:46:03,900

first time you're actually saying this

1264

00:46:08,150 --> 00:46:05,880

is the guy this is the case that's the

1265

00:46:09,829 --> 00:46:08,160

first time I'm saying it publicly and uh

1266

00:46:11,210 --> 00:46:09,839

I know that there are others who have

1267

00:46:13,609 --> 00:46:11,220

figured it out over the years because

1268

00:46:15,710 --> 00:46:13,619

some of them have come to me just acting

1269

00:46:17,329 --> 00:46:15,720

like jerks look I know it's Al O'Donnell

1270

00:46:19,849 --> 00:46:17,339

why don't you confirm it you owe it to

1271

00:46:21,710 --> 00:46:19,859

history to tell me you know I owe it to

1272

00:46:23,990 --> 00:46:21,720

you well you're confirming it now yeah

1273

00:46:26,270 --> 00:46:24,000

you're confirming it now yeah so Annie's

1274

00:46:28,130 --> 00:46:26,280

book comes out and it's a sensation I

1275

00:46:29,990 --> 00:46:28,140

mean it's a great book but it's those

1276

00:46:31,670 --> 00:46:30,000

last seven pages that get all their

1277

00:46:34,670 --> 00:46:31,680

media attention and it becomes a

1278

00:46:37,370 --> 00:46:34,680

bestseller the last seven pages she is

1279

00:46:40,010 --> 00:46:37,380

not identifying her Source but I

1280

00:46:41,870 --> 00:46:40,020

recognize exactly who it is based on the

1281

00:46:43,970 --> 00:46:41,880

descriptions in there and the story that

1282

00:46:45,230 --> 00:46:43,980

Al O'Donnell shared with her is much

1283

00:46:46,490 --> 00:46:45,240

different from what he shared with me

1284

00:46:49,790 --> 00:46:46,500

okay

1285

00:46:52,010 --> 00:46:49,800

pause so

1286

00:46:54,829 --> 00:46:52,020

you're saying that there's a different

1287

00:46:57,650 --> 00:46:54,839

story that he told her but something

1288

00:46:59,270 --> 00:46:57,660

happened prior to that and I I don't

1289

00:47:01,910 --> 00:46:59,280

know if you if you want to say that now

1290

00:47:04,430 --> 00:47:01,920

if you can say that now but you did

1291

00:47:06,470 --> 00:47:04,440

another interview with him or you had

1292

00:47:08,569 --> 00:47:06,480

him come in can you tell us what before

1293

00:47:09,829 --> 00:47:08,579

you tell us what the new story is can

1294

00:47:11,510 --> 00:47:09,839

you show us that I'm trying to remember

1295

00:47:14,390 --> 00:47:11,520

what the interview was about it was

1296

00:47:16,190 --> 00:47:14,400

unrelated to UFOs Area 51 any of that it

1297

00:47:18,890 --> 00:47:16,200

was more about the I think it was about

1298

00:47:21,589 --> 00:47:18,900

the atomic test Museum was was about to

1299

00:47:23,270 --> 00:47:21,599

open and and he was interviewed for

1300

00:47:25,970 --> 00:47:23,280

several videos they have these video

1301

00:47:27,230 --> 00:47:25,980

kiosks throughout the museum and he was

1302

00:47:29,270 --> 00:47:27,240

interviewed telling about the early

1303

00:47:31,309 --> 00:47:29,280

history of the Atomic Testing program in

1304

00:47:33,050 --> 00:47:31,319

Nevada and you press a button and up he

1305

00:47:34,970 --> 00:47:33,060

comes on video so I wanted to ask him

1306

00:47:37,130 --> 00:47:34,980

about that and it was a good excuse to

1307

00:47:38,750 --> 00:47:37,140

get him back and at klas to see if I

1308

00:47:41,030 --> 00:47:38,760

could talk to him about Hey where's my

1309

00:47:43,309 --> 00:47:41,040

tape was it a filmed interview yeah well

1310

00:47:46,370 --> 00:47:43,319

it was uh but we what happened was we

1311

00:47:49,250 --> 00:47:46,380

had Al and one of his sons were in a

1312

00:47:52,309 --> 00:47:49,260

conference room and my photographer Eric

1313

00:47:54,230 --> 00:47:52,319

had had put the camera there and he

1314

00:47:56,329 --> 00:47:54,240

inadvertently left it on and when we

1315

00:47:58,430 --> 00:47:56,339

both walked out he left it rolling and

1316

00:48:00,890 --> 00:47:58,440

so there's Al talking to his son and

1317

00:48:02,690 --> 00:48:00,900

saying oh boy this room is probably

1318

00:48:04,069 --> 00:48:02,700

bugged we better watch what we say and

1319

00:48:06,109 --> 00:48:04,079

then he says something like that poor

1320

00:48:08,870 --> 00:48:06,119

George he'll never get to the bottom of

1321

00:48:10,490 --> 00:48:08,880

this like he was feeling sorry for me

1322

00:48:13,130 --> 00:48:10,500

because I was never going to get the

1323

00:48:14,930 --> 00:48:13,140

real story on UFOs uh that's what I knew

1324

00:48:16,730 --> 00:48:14,940

you know after I saw it later after the

1325

00:48:18,470 --> 00:48:16,740

tape was I saw that it was on the tape

1326

00:48:19,849 --> 00:48:18,480

that we had recorded that private

1327

00:48:21,470 --> 00:48:19,859

conversation

1328

00:48:22,970 --> 00:48:21,480

um I realized oh yeah I'm never going to

1329

00:48:25,550 --> 00:48:22,980

get anything out of him again

1330

00:48:28,190 --> 00:48:25,560

I think I think what they do is uh this

1331

00:48:29,809 --> 00:48:28,200

particular artillery group they're known

1332

00:48:32,210 --> 00:48:29,819

as red lights or some

1333

00:48:33,530 --> 00:48:32,220

it's hilarious okay mother yeah but it

1334

00:48:34,670 --> 00:48:33,540

came from what I'll do is I'll get it go

1335

00:48:36,650 --> 00:48:34,680

ahead and turn the camera on and we'll

1336

00:48:39,849 --> 00:48:36,660

just shoot it oh okay all right very

1337

00:48:44,329 --> 00:48:42,829

oh George

1338

00:48:51,589 --> 00:48:44,339

be careful

1339

00:48:55,970 --> 00:48:53,870

and I I mentioned to him off camera

1340

00:48:57,470 --> 00:48:55,980

whether or not that tape had ever been

1341

00:48:59,809 --> 00:48:57,480

made and I think that is when he told me

1342

00:49:01,670 --> 00:48:59,819

yeah I made his deathbed confession to

1343

00:49:03,770 --> 00:49:01,680

you and he told you he told you he did

1344

00:49:05,329 --> 00:49:03,780

make and the other son indicated that he

1345

00:49:07,130 --> 00:49:05,339

was there that day he was the one that

1346

00:49:09,170 --> 00:49:07,140

had the tape so

1347

00:49:10,910 --> 00:49:09,180

um so does the sun still have the

1348

00:49:13,250 --> 00:49:10,920

deathbed that's a good question don't

1349

00:49:15,589 --> 00:49:13,260

know but that was the last time I saw Al

1350

00:49:17,450 --> 00:49:15,599

uh alive he died some years later but

1351

00:49:19,130 --> 00:49:17,460

the thing is this was truly inadvertent

1352

00:49:20,569 --> 00:49:19,140

you're you're filming him for something

1353

00:49:23,210 --> 00:49:20,579

else you leave the room when you get

1354

00:49:25,309 --> 00:49:23,220

into the editing station you realize the

1355

00:49:27,190 --> 00:49:25,319

camera had been recording no big deal I

1356

00:49:30,170 --> 00:49:27,200

do that all the time but they're saying

1357

00:49:31,670 --> 00:49:30,180

oh [h\_\_h] poor George Never Gonna he's

1358

00:49:33,050 --> 00:49:31,680

never gonna learn the truth yeah about

1359

00:49:34,250 --> 00:49:33,060

UFO so they're saying that like what

1360

00:49:35,809 --> 00:49:34,260

does that mean what do you think they

1361

00:49:38,089 --> 00:49:35,819

meant no no I didn't know at the time

1362

00:49:39,890 --> 00:49:38,099

because that was of course before Annie

1363

00:49:43,190 --> 00:49:39,900

Jacobson's book comes out and then later

1364

00:49:45,230 --> 00:49:43,200

I I Feast pieced it together is that Al

1365

00:49:47,089 --> 00:49:45,240

changed the story and changed the

1366

00:49:49,010 --> 00:49:47,099

significance parts of the story some of

1367

00:49:51,050 --> 00:49:49,020

it was was the same that he was

1368

00:49:52,609 --> 00:49:51,060

confirming and some of it was not and it

1369

00:49:54,170 --> 00:49:52,619

became the most Sensational part of the

1370

00:49:56,089 --> 00:49:54,180

book it's the that part of the book that

1371

00:49:58,130 --> 00:49:56,099

got all the media attention the whole

1372

00:49:59,930 --> 00:49:58,140

Focus was on the last seven pages and

1373

00:50:03,109 --> 00:49:59,940

not the rest of it was really excellent

1374

00:50:05,630 --> 00:50:03,119

Albert aladonnell had told

1375

00:50:07,010 --> 00:50:05,640

um Annie that he was in fact part of

1376

00:50:09,290 --> 00:50:07,020

this program that there had been a

1377

00:50:10,309 --> 00:50:09,300

recovered blind saucer crashed into

1378

00:50:11,990 --> 00:50:10,319

Mexico

1379

00:50:14,390 --> 00:50:12,000

that had gone to Wright-Patterson Air

1380

00:50:16,430 --> 00:50:14,400

Force Base then came out to Nevada and

1381

00:50:19,490 --> 00:50:16,440

that he and a small group of people had

1382

00:50:22,190 --> 00:50:19,500

been working on it and a site adjacent

1383

00:50:24,950 --> 00:50:22,200

to Area 51 and I think the story he told

1384

00:50:28,609 --> 00:50:24,960

her was that they had two uh living

1385

00:50:31,670 --> 00:50:28,619

beings from survivors of the of the the

1386

00:50:33,710 --> 00:50:31,680

crash that were semi-comatos I guess and

1387

00:50:35,510 --> 00:50:33,720

that had been out there he told her that

1388

00:50:37,430 --> 00:50:35,520

they were not aliens that they were

1389

00:50:39,710 --> 00:50:37,440

humans that they'd been subjected to

1390

00:50:42,589 --> 00:50:39,720

horrible medical experimentation surgery

1391

00:50:45,230 --> 00:50:42,599

maybe genetic engineering by none other

1392

00:50:46,849 --> 00:50:45,240

than Dr Joseph Mengele

1393

00:50:49,069 --> 00:50:46,859

Joseph Mengele of the doctor the

1394

00:50:50,990 --> 00:50:49,079

Concentration Camp Doctor Who who did

1395

00:50:52,849 --> 00:50:51,000

all kinds of horrible things to Nazi

1396

00:50:55,250 --> 00:50:52,859

prisoners concentration get folks in

1397

00:50:57,410 --> 00:50:55,260

World War II that somehow Mengele had

1398

00:50:59,690 --> 00:50:57,420

ended up not in South America which is

1399

00:51:01,970 --> 00:50:59,700

what history says where he went but he

1400

00:51:04,609 --> 00:51:01,980

had gone to Stalin had taken him into

1401  
00:51:07,670 --> 00:51:04,619  
custody after World War II Stalin puts

1402  
00:51:10,130 --> 00:51:07,680  
him to work building these beings these

1403  
00:51:12,549 --> 00:51:10,140  
composite beings to look like aliens and

1404  
00:51:15,049 --> 00:51:12,559  
then Stalin had also captured technology

1405  
00:51:17,630 --> 00:51:15,059  
developed by the Germans that the Horton

1406  
00:51:19,670 --> 00:51:17,640  
Brothers this Advanced uh flying machine

1407  
00:51:22,130 --> 00:51:19,680  
that they had built the Flying Saucer

1408  
00:51:25,430 --> 00:51:22,140  
put these concentration camp teenage

1409  
00:51:27,829 --> 00:51:25,440  
kids survivors in the pilot seat flown

1410  
00:51:29,750 --> 00:51:27,839  
it across the Atlantic Ocean and crashed

1411  
00:51:32,089 --> 00:51:29,760  
it in New Mexico intentionally

1412  
00:51:33,950 --> 00:51:32,099  
intentionally so that they could start a

1413  
00:51:36,890 --> 00:51:33,960

panic they wanted to scare us thinking

1414

00:51:38,750 --> 00:51:36,900

aliens were invaded it's a Preposterous

1415

00:51:41,690 --> 00:51:38,760

idea it's a Preposterous on so many

1416

00:51:43,370 --> 00:51:41,700

levels I mean it's almost as crazy as

1417

00:51:45,349 --> 00:51:43,380

saying that UFOs aliens from other

1418

00:51:47,569 --> 00:51:45,359

planets yeah that's the thing I was

1419

00:51:51,650 --> 00:51:47,579

thinking man it's like it's like that is

1420

00:51:54,230 --> 00:51:51,660

a great movie script there's zero it's

1421

00:51:55,910 --> 00:51:54,240

so outrageously ridiculous it throws in

1422

00:51:59,270 --> 00:51:55,920

everything but and the kitchen sink it

1423

00:52:03,349 --> 00:51:59,280

is crazier than the UFOs so he tells

1424

00:52:06,109 --> 00:52:03,359

Annie this story that you know if she

1425

00:52:08,750 --> 00:52:06,119

had just known that the history of your

1426  
00:52:10,370 --> 00:52:08,760  
interactions if she had just known all

1427  
00:52:12,230 --> 00:52:10,380  
the stuff that came up she probably

1428  
00:52:15,049 --> 00:52:12,240  
would have seen that interview a little

1429  
00:52:16,370 --> 00:52:15,059  
bit differently but but here we are I

1430  
00:52:18,049 --> 00:52:16,380  
mean did she know before she published

1431  
00:52:20,750 --> 00:52:18,059  
it no but she and I have talked since

1432  
00:52:22,849 --> 00:52:20,760  
then like I understand uh you know that

1433  
00:52:24,109 --> 00:52:22,859  
story was so juicy how do you leave it

1434  
00:52:27,170 --> 00:52:24,119  
out and of course you know I don't

1435  
00:52:28,790 --> 00:52:27,180  
falter she reported it as AI related it

1436  
00:52:31,130 --> 00:52:28,800  
and she explained look this is a One

1437  
00:52:32,990 --> 00:52:31,140  
Source uh piece of information here I'd

1438  
00:52:34,790 --> 00:52:33,000

like to corroborate it I can't but she

1439

00:52:36,829 --> 00:52:34,800

was very careful so I I don't fault her

1440

00:52:38,750 --> 00:52:36,839

at all that journalism if you're going

1441

00:52:40,790 --> 00:52:38,760

to tell a story and somebody of you know

1442

00:52:43,250 --> 00:52:40,800

High credibility does tell you something

1443

00:52:44,750 --> 00:52:43,260

that seems incredible you know you do

1444

00:52:47,750 --> 00:52:44,760

report it you report it word for word

1445

00:52:49,130 --> 00:52:47,760

you try to that and create context and

1446

00:52:51,470 --> 00:52:49,140

if you say you know I can't get anything

1447

00:52:52,970 --> 00:52:51,480

more that's fine but I mean I would I'd

1448

00:52:54,530 --> 00:52:52,980

figure you could have given her like a

1449

00:52:57,290 --> 00:52:54,540

full briefing up up to there on what

1450

00:52:59,089 --> 00:52:57,300

happened but that's but look so what

1451

00:53:00,890 --> 00:52:59,099

what I'm hearing

1452

00:53:03,470 --> 00:53:00,900

from understanding their stories

1453

00:53:05,329 --> 00:53:03,480

that's that's [\h\_\_\h] that that's clear

1454

00:53:07,250 --> 00:53:05,339

and utter [\h\_\_\h] look let's say you're

1455

00:53:08,870 --> 00:53:07,260

Joseph Stalin and you've built this

1456

00:53:10,490 --> 00:53:08,880

amazing flying machine based on

1457

00:53:11,990 --> 00:53:10,500

technology you got from the Horton

1458

00:53:14,210 --> 00:53:12,000

Brothers after the fall of the Third

1459

00:53:16,730 --> 00:53:14,220

Reich you build this machine and then

1460

00:53:19,069 --> 00:53:16,740

you put to Pilot it across the Atlantic

1461

00:53:20,870 --> 00:53:19,079

Ocean and across the United States you

1462

00:53:23,450 --> 00:53:20,880

give it to a couple of teenage mutants

1463

00:53:26,030 --> 00:53:23,460

who've been butchered by Joseph Mengele

1464

00:53:27,650 --> 00:53:26,040

to fly it and then you count on them to

1465

00:53:29,930 --> 00:53:27,660

crash it into Mexico

1466

00:53:32,390 --> 00:53:29,940

and hope that the government doesn't

1467

00:53:34,190 --> 00:53:32,400

cover it up which of course they did and

1468

00:53:36,230 --> 00:53:34,200

that it it creates some kind of a panic

1469

00:53:38,809 --> 00:53:36,240

well I can tell you some very specific

1470

00:53:41,089 --> 00:53:38,819

reasons why that is not true okay tell

1471

00:53:43,190 --> 00:53:41,099

me but that is a [h\_\_\h] meme right

1472

00:53:45,650 --> 00:53:43,200

there that is hilarious okay so so tell

1473

00:53:47,089 --> 00:53:45,660

me why well one one reason is because of

1474

00:53:51,290 --> 00:53:47,099

what I learned in Russia you know I went

1475

00:53:54,349 --> 00:53:51,300

to Russia twice in the 90s 93 and 96 and

1476  
00:53:56,569 --> 00:53:54,359  
was able to access was a brief window

1477  
00:53:59,150 --> 00:53:56,579  
where American journalists could go over

1478  
00:54:01,549 --> 00:53:59,160  
there and get information about secrets

1479  
00:54:04,849 --> 00:54:01,559  
from the Soviet era and what I found was

1480  
00:54:06,589 --> 00:54:04,859  
we we hired a Russian physicist who'd

1481  
00:54:08,690 --> 00:54:06,599  
been the National Security advisor to

1482  
00:54:10,250 --> 00:54:08,700  
the Russia's Parliament had been a

1483  
00:54:12,650 --> 00:54:10,260  
national security adviser to Boris

1484  
00:54:14,630 --> 00:54:12,660  
Yeltsin who and asked him hey can you

1485  
00:54:17,750 --> 00:54:14,640  
find us people who know about UFO

1486  
00:54:19,490 --> 00:54:17,760  
studies or UFO programs and we set them

1487  
00:54:21,770 --> 00:54:19,500  
up with an office we gave a stipend

1488  
00:54:24,410 --> 00:54:21,780

spent about seven or eight months he he

1489

00:54:26,270 --> 00:54:24,420

did establishing contacts and sure

1490

00:54:29,390 --> 00:54:26,280

enough he found people who had never

1491

00:54:31,910 --> 00:54:29,400

spoken in public about this who are in

1492

00:54:34,069 --> 00:54:31,920

positions to know who confirmed that the

1493

00:54:36,170 --> 00:54:34,079

Russians had conducted the biggest UFO

1494

00:54:38,870 --> 00:54:36,180

investigation in history 10-year long

1495

00:54:41,270 --> 00:54:38,880

program that had thousands and thousands

1496

00:54:43,250 --> 00:54:41,280

of military Witnesses in cases very

1497

00:54:44,690 --> 00:54:43,260

dramatic incidents I found the guy who

1498

00:54:46,430 --> 00:54:44,700

was in charge of the program we

1499

00:54:48,589 --> 00:54:46,440

interviewed a number of scientists who'd

1500

00:54:51,829 --> 00:54:48,599

work on UFO Mysteries one of the guys I

1501  
00:54:53,870 --> 00:54:51,839  
interviewed was named Dr Valeri budikov

1502  
00:54:55,790 --> 00:54:53,880  
his mentor sorry about all these names

1503  
00:54:57,770 --> 00:54:55,800  
his mentor was a guy named Sergey

1504  
00:54:59,390 --> 00:54:57,780  
korloff who was the father of the

1505  
00:55:02,210 --> 00:54:59,400  
Russian Space Program he had built their

1506  
00:55:03,770 --> 00:55:02,220  
rockets and had had sent them you know

1507  
00:55:05,630 --> 00:55:03,780  
these gigantic rockets that took the

1508  
00:55:08,690 --> 00:55:05,640  
Russians into space they were way ahead

1509  
00:55:12,049 --> 00:55:08,700  
of us at the end of World War II

1510  
00:55:14,030 --> 00:55:12,059  
corolloff was close with Stalin 1947 the

1511  
00:55:15,589 --> 00:55:14,040  
Roswell incident happened the Russians

1512  
00:55:17,030 --> 00:55:15,599  
found out about it they knew and the

1513  
00:55:19,190 --> 00:55:17,040

reason they knew is they had all these

1514

00:55:21,589 --> 00:55:19,200

spies in New Mexico of course they would

1515

00:55:24,589 --> 00:55:21,599

Roswell Army Airfield was the only

1516

00:55:26,510 --> 00:55:24,599

atomic bomb Wing in the world Los Alamos

1517

00:55:29,089 --> 00:55:26,520

lab is where the bombs were designed

1518

00:55:31,370 --> 00:55:29,099

where Sandia White Sands where their

1519

00:55:33,349 --> 00:55:31,380

rocket program was based if you were a

1520

00:55:35,450 --> 00:55:33,359

Russian spy New Mexico was the place to

1521

00:55:37,069 --> 00:55:35,460

be so when something strange crashed in

1522

00:55:39,530 --> 00:55:37,079

the desert out there they found out

1523

00:55:42,589 --> 00:55:39,540

about it what Dr budikov told me is that

1524

00:55:44,930 --> 00:55:42,599

corloff was called before Stalin

1525

00:55:46,910 --> 00:55:44,940

Stalin says hey there's been a crash of

1526

00:55:48,829 --> 00:55:46,920

something strange in the desert out near

1527

00:55:51,530 --> 00:55:48,839

Roswell New Mexico can you find out what

1528

00:55:53,630 --> 00:55:51,540

it is can you study the the information

1529

00:55:55,370 --> 00:55:53,640

that we have obtained meaning from

1530

00:55:56,930 --> 00:55:55,380

Russian spies and tell us what you think

1531

00:55:59,030 --> 00:55:56,940

and corloff got all the available

1532

00:56:01,430 --> 00:55:59,040

information came back and said it's not

1533

00:56:02,210 --> 00:56:01,440

ours it's not theirs it's from somewhere

1534

00:56:04,609 --> 00:56:02,220

else

1535

00:56:06,650 --> 00:56:04,619

meaning up there and Stalin says yeah

1536

00:56:09,049 --> 00:56:06,660

that's what others have told me too the

1537

00:56:10,370 --> 00:56:09,059

Russians did not build that craft that

1538

00:56:11,990 --> 00:56:10,380

crashed out there they were trying to

1539

00:56:13,250 --> 00:56:12,000

figure out what the heck it was and I

1540

00:56:15,650 --> 00:56:13,260

have that directly from the highest

1541

00:56:17,390 --> 00:56:15,660

levels of the Russian government wow so

1542

00:56:20,390 --> 00:56:17,400

that that's why so we're going to get

1543

00:56:22,370 --> 00:56:20,400

deep into your excursions into Russia

1544

00:56:24,349 --> 00:56:22,380

during blastness and perestroika the

1545

00:56:26,569 --> 00:56:24,359

only journalists that jumped in for the

1546

00:56:29,150 --> 00:56:26,579

UFO information talked to all the heads

1547

00:56:31,790 --> 00:56:29,160

of the UFO programs and smuggled back

1548

00:56:33,829 --> 00:56:31,800

documents from a foreign Nation back to

1549

00:56:35,270 --> 00:56:33,839

America and did a solid that I heard

1550

00:56:37,190 --> 00:56:35,280

through the grapevine through the

1551  
00:56:39,349 --> 00:56:37,200  
intelligence Community you did a solid

1552  
00:56:41,690 --> 00:56:39,359  
for the US of a at that time but before

1553  
00:56:44,270 --> 00:56:41,700  
we get into that you're telling me why

1554  
00:56:46,790 --> 00:56:44,280  
the story doesn't add up in the way that

1555  
00:56:48,049 --> 00:56:46,800  
the later fictionalized version that

1556  
00:56:49,549 --> 00:56:48,059  
this you know book got a lot of

1557  
00:56:51,530 --> 00:56:49,559  
information on and you're using this as

1558  
00:56:53,210 --> 00:56:51,540  
one of the reasons why can you just make

1559  
00:56:55,849 --> 00:56:53,220  
that like tell me like a four-year-old

1560  
00:56:58,130 --> 00:56:55,859  
explain to me why that helps well I mean

1561  
00:57:00,829 --> 00:56:58,140  
uh you know Al O'Donnell did end up

1562  
00:57:02,569 --> 00:57:00,839  
confirming a lot of what Bob Lazar had

1563  
00:57:04,370 --> 00:57:02,579

told us that there was a crash sauce are

1564

00:57:06,710 --> 00:57:04,380

out there that it was stashed somewhere

1565

00:57:08,270 --> 00:57:06,720

near Area 51 adjacent to it that it was

1566

00:57:10,250 --> 00:57:08,280

studied that they did try to reverse

1567

00:57:13,190 --> 00:57:10,260

engineer it the idea that there were

1568

00:57:15,290 --> 00:57:13,200

bodies Bob had seen hints of that before

1569

00:57:17,390 --> 00:57:15,300

but he never was able to confirm it for

1570

00:57:18,829 --> 00:57:17,400

sure he saw reports and read things that

1571

00:57:21,890 --> 00:57:18,839

he didn't know if they're real or made

1572

00:57:23,809 --> 00:57:21,900

up the fact that their Annie Jacobson I

1573

00:57:25,370 --> 00:57:23,819

believe said it was S4 she thought she

1574

00:57:30,109 --> 00:57:25,380

called it S4 at least in some press

1575

00:57:32,870 --> 00:57:30,119

statements she named it so S4 exists at

1576

00:57:35,930 --> 00:57:32,880

Papu's Lake we now know Bob was there he

1577

00:57:38,030 --> 00:57:35,940

worked out there but yet Bob's the only

1578

00:57:40,370 --> 00:57:38,040

one that's not yeah really anyway let's

1579

00:57:41,930 --> 00:57:40,380

get a janitor who let's get past that

1580

00:57:43,549 --> 00:57:41,940

first so I mean you know the Essential

1581

00:57:45,349 --> 00:57:43,559

Elements of the story are true there was

1582

00:57:46,730 --> 00:57:45,359

a crash of some mysterious vehicle in

1583

00:57:48,170 --> 00:57:46,740

New Mexico and then it was taken to

1584

00:57:49,970 --> 00:57:48,180

Wright-Patterson and then it came out to

1585

00:57:51,349 --> 00:57:49,980

Nevada years later and they were trying

1586

00:57:54,170 --> 00:57:51,359

to take it apart to figure out how it

1587

00:57:57,370 --> 00:57:54,180

worked that's true the EG's involvement

1588

00:57:59,510 --> 00:57:57,380

I mean the fact is eg and G ran Area 51

1589

00:58:02,089 --> 00:57:59,520

from the beginning all the way through

1590

00:58:04,309 --> 00:58:02,099

the next 30 years they were not only so

1591

00:58:06,530 --> 00:58:04,319

such a key contractor at the Nevada test

1592

00:58:09,710 --> 00:58:06,540

site but also at 51 which is separate

1593

00:58:11,870 --> 00:58:09,720

the fact that EG and G's Place on Sunset

1594

00:58:13,849 --> 00:58:11,880

Road is where Bob Lazar said he was

1595

00:58:16,549 --> 00:58:13,859

interviewed for his job it's also by the

1596

00:58:19,130 --> 00:58:16,559

way another place uh important in UFO

1597

00:58:21,170 --> 00:58:19,140

what was he talking about EG and G the

1598

00:58:24,410 --> 00:58:21,180

physical building in Las Vegas that was

1599

00:58:26,690 --> 00:58:24,420

that was there in 1989 that Bob Lazar

1600

00:58:28,849 --> 00:58:26,700

said that's where he went in to take the

1601  
00:58:32,030 --> 00:58:28,859  
initial meeting to get his clearances to

1602  
00:58:34,670 --> 00:58:32,040  
go and and that building is where uh

1603  
00:58:36,890 --> 00:58:34,680  
where Alo Donald worked

1604  
00:58:38,809 --> 00:58:36,900  
in that building for a while in that

1605  
00:58:40,849 --> 00:58:38,819  
physical building physical building that

1606  
00:58:42,849 --> 00:58:40,859  
is also the building

1607  
00:58:46,730 --> 00:58:42,859  
that the famous

1608  
00:58:48,470 --> 00:58:46,740  
Wilson Davis memo or notes

1609  
00:58:49,910 --> 00:58:48,480  
it was in that parking lot the meeting

1610  
00:58:51,349 --> 00:58:49,920  
is that correct right yeah and that

1611  
00:58:53,450 --> 00:58:51,359  
building's no longer there it was

1612  
00:58:55,190 --> 00:58:53,460  
demolished when there was an expansion

1613  
00:58:57,589 --> 00:58:55,200

of McCarran Airport what's now a Harry

1614

00:58:59,750 --> 00:58:57,599

Reid airport but it was moved I think

1615

00:59:02,450 --> 00:58:59,760

they now have a egg has an office out at

1616

00:59:05,690 --> 00:59:02,460

Nellis Air Force Base okay so so what

1617

00:59:07,609 --> 00:59:05,700

else gives you understanding that what

1618

00:59:10,970 --> 00:59:07,619

happened with Al O'Donnell's telling you

1619

00:59:14,089 --> 00:59:10,980

how it was at the beginning to his crazy

1620

00:59:16,210 --> 00:59:14,099

Joseph mangala you know children with

1621

00:59:19,010 --> 00:59:16,220

the intentionally crashed you know

1622

00:59:20,630 --> 00:59:19,020

flying machine to to make sure they try

1623

00:59:23,750 --> 00:59:20,640

to cover it up that whole ridiculous

1624

00:59:25,789 --> 00:59:23,760

thing what else tells you that that was

1625

00:59:28,130 --> 00:59:25,799

deception towards the end of his life

1626

00:59:29,630 --> 00:59:28,140

well it sort of uh goes it's kind of

1627

00:59:31,849 --> 00:59:29,640

consistent with what's happened on the

1628

00:59:34,910 --> 00:59:31,859

UFO Topic in general especially about

1629

00:59:36,710 --> 00:59:34,920

area 51. people who have done a

1630

00:59:39,829 --> 00:59:36,720

revisionist history about the base have

1631

00:59:41,809 --> 00:59:39,839

tried to say the CIA created all these

1632

00:59:44,089 --> 00:59:41,819

stories about flying saucers that that

1633

00:59:45,650 --> 00:59:44,099

they they encouraged it they wanted

1634

00:59:48,170 --> 00:59:45,660

people to think it was alien craft

1635

00:59:50,329 --> 00:59:48,180

instead of their spy planes that is

1636

00:59:52,190 --> 00:59:50,339

preposterous that's a bunch of crap why

1637

00:59:54,530 --> 00:59:52,200

they're making it up in in they're

1638

00:59:57,170 --> 00:59:54,540

trying to put a spin on it in reverse

1639

01:00:00,730 --> 00:59:57,180

engineer that the tail uh Dr Bruce

1640

01:00:04,010 --> 01:00:00,740

Maccabee Navy Optus Optical physicist

1641

01:00:06,829 --> 01:00:04,020

also a prime UFO investigator for

1642

01:00:09,650 --> 01:00:06,839

decades did a study and he he's tried to

1643

01:00:11,990 --> 01:00:09,660

look at this CIA claim that their spy

1644

01:00:14,089 --> 01:00:12,000

planes caused a spike in the sightings

1645

01:00:15,589 --> 01:00:14,099

of UFOs that they're responsible for UFO

1646

01:00:19,609 --> 01:00:15,599

reports okay I've heard I've heard this

1647

01:00:21,230 --> 01:00:19,619

a lot so it is often argued by the CIA a

1648

01:00:22,670 --> 01:00:21,240

lot actually because that was should we

1649

01:00:24,770 --> 01:00:22,680

tell that first time coach where we put

1650

01:00:27,349 --> 01:00:24,780

me in somewhere okay so this is pretty

1651  
01:00:29,089 --> 01:00:27,359  
funny so the CIA basically has had this

1652  
01:00:31,250 --> 01:00:29,099  
thing saying oh well if you look at UFO

1653  
01:00:33,170 --> 01:00:31,260  
sightings it's all us now we know you

1654  
01:00:34,910 --> 01:00:33,180  
have both settings go back you know to

1655  
01:00:37,190 --> 01:00:34,920  
you know beginning of recording human

1656  
01:00:40,250 --> 01:00:37,200  
history but I hear this so many times

1657  
01:00:41,870 --> 01:00:40,260  
that there's oh there's spikes in UFO

1658  
01:00:45,410 --> 01:00:41,880  
sightings because of these special

1659  
01:00:47,750 --> 01:00:45,420  
normal planes that we're creating we

1660  
01:00:49,730 --> 01:00:47,760  
hear that all the time but there's a

1661  
01:00:51,589 --> 01:00:49,740  
problem with that story and then I'll

1662  
01:00:52,910 --> 01:00:51,599  
tell how you put me in after that but

1663  
01:00:54,650 --> 01:00:52,920

what is the problem with that story

1664

01:00:56,990 --> 01:00:54,660

specifically well there's several one is

1665

01:00:59,450 --> 01:00:57,000

a YouTube spy plane does not look like a

1666

01:01:01,069 --> 01:00:59,460

UFO it looks like a big gangly airplane

1667

01:01:03,109 --> 01:01:01,079

it's got big wings so if they're

1668

01:01:04,849 --> 01:01:03,119

suggesting that Pub the public on the

1669

01:01:07,069 --> 01:01:04,859

ground is around Area 51 and they're

1670

01:01:09,049 --> 01:01:07,079

seeing the U2 boy look at that Flying

1671

01:01:11,150 --> 01:01:09,059

Saucer it just it's Preposterous the

1672

01:01:13,910 --> 01:01:11,160

same thing is true for the a12 for all

1673

01:01:16,730 --> 01:01:13,920

the black Blackbird programs the SR-71

1674

01:01:19,130 --> 01:01:16,740

that came later there's a claim that the

1675

01:01:21,049 --> 01:01:19,140

that the number of UFO reports spiked

1676

01:01:23,390 --> 01:01:21,059

when these programs

1677

01:01:25,250 --> 01:01:23,400

um came into a being it's just a

1678

01:01:27,650 --> 01:01:25,260

absolute lie there is no such Spike

1679

01:01:29,630 --> 01:01:27,660

Bruce Maccabee looked at all the

1680

01:01:31,730 --> 01:01:29,640

available evidence all the citing

1681

01:01:33,589 --> 01:01:31,740

reports in connection with the same

1682

01:01:35,990 --> 01:01:33,599

dates when these programs became

1683

01:01:36,970 --> 01:01:36,000

operational there is no Spike at all and

1684

01:01:39,589 --> 01:01:36,980

of course

1685

01:01:41,450 --> 01:01:39,599

a YouTube spy plane does not hover over

1686

01:01:43,250 --> 01:01:41,460

people's homes it doesn't land in your

1687

01:01:45,109 --> 01:01:43,260

backyard it doesn't leave burn marks on

1688

01:01:47,750 --> 01:01:45,119

the ground which is where you know the

1689

01:01:49,789 --> 01:01:47,760

witnesses have said about actual UFO

1690

01:01:52,069 --> 01:01:49,799

reports no one's going to confuse the

1691

01:01:54,289 --> 01:01:52,079

YouTube's pipeline for UFO same thing

1692

01:01:56,809 --> 01:01:54,299

for the SR-71 these planes are designed

1693

01:01:58,789 --> 01:01:56,819

to not be seen they fly way way up there

1694

01:02:00,890 --> 01:01:58,799

the Public's not seeing them there might

1695

01:02:03,950 --> 01:02:00,900

be a pilot or two somewhere who would

1696

01:02:06,650 --> 01:02:03,960

see this but do pilots report UFOs no

1697

01:02:09,410 --> 01:02:06,660

they don't so there is no statistical

1698

01:02:11,750 --> 01:02:09,420

evidence that even a single U2 flight

1699

01:02:13,970 --> 01:02:11,760

was ever mistaken for a UFO that I've

1700

01:02:16,490 --> 01:02:13,980

ever heard and it's just so vast and

1701

01:02:18,289 --> 01:02:16,500

it's just so Global this is a ridiculous

1702

01:02:20,630 --> 01:02:18,299

claim and I want to drive that home it's

1703

01:02:23,870 --> 01:02:20,640

a ridiculous claim that our special

1704

01:02:27,410 --> 01:02:23,880

projects are correlated in any way with

1705

01:02:29,569 --> 01:02:27,420

the global Mass encounters and sightings

1706

01:02:31,789 --> 01:02:29,579

of the UFO phenomenon in its totality

1707

01:02:34,069 --> 01:02:31,799

now I do know some pilots who said I've

1708

01:02:36,109 --> 01:02:34,079

been a UFO before meaning you know

1709

01:02:37,549 --> 01:02:36,119

they've done some crazy [h\_\_h] and you

1710

01:02:39,410 --> 01:02:37,559

know people have been like what is that

1711

01:02:42,410 --> 01:02:39,420

but that does not explain everything so

1712

01:02:44,150 --> 01:02:42,420

let's talk a second about the CIA thing

1713

01:02:47,030 --> 01:02:44,160

because this is hilarious and I want to

1714

01:02:50,690 --> 01:02:47,040

tell the audience about my favorite UFO

1715

01:02:53,569 --> 01:02:50,700

documentary of all time the only UFO

1716

01:02:58,549 --> 01:02:53,579

documentary completely funded and

1717

01:03:01,069 --> 01:02:58,559

produced by the CIA it was narrated by

1718

01:03:02,630 --> 01:03:01,079

Rod Serling who is the the voice of The

1719

01:03:04,789 --> 01:03:02,640

Twilight Zone I mean just the greatest

1720

01:03:06,950 --> 01:03:04,799

ever and it was in response to a

1721

01:03:08,990 --> 01:03:06,960

previous uh documentary where they were

1722

01:03:11,150 --> 01:03:09,000

kind of uh pushing down the UFO topic

1723

01:03:14,750 --> 01:03:11,160

being negative trying to dismiss people

1724

01:03:17,329 --> 01:03:14,760

this documentary is called UFOs past

1725

01:03:19,190 --> 01:03:17,339

present and future and it is an

1726  
01:03:21,770 --> 01:03:19,200  
excellent documentary narrated by Rod

1727  
01:03:23,809 --> 01:03:21,780  
Sterling that I actually have a link for

1728  
01:03:26,930 --> 01:03:23,819  
what we'll post it for people it is so

1729  
01:03:28,789 --> 01:03:26,940  
cool it's like an apology video right a

1730  
01:03:30,710 --> 01:03:28,799  
couple other things though is that I've

1731  
01:03:32,750 --> 01:03:30,720  
talked to people who have flown these

1732  
01:03:36,710 --> 01:03:32,760  
planes out of Area 51 in these secret

1733  
01:03:38,750 --> 01:03:36,720  
programs and I know for sure that the

1734  
01:03:41,510 --> 01:03:38,760  
first testing of these planes that were

1735  
01:03:44,510 --> 01:03:41,520  
supposed to be the highest ever the

1736  
01:03:49,430 --> 01:03:44,520  
highest flying planes ever at the time

1737  
01:03:51,109 --> 01:03:49,440  
did they had objects UFOs unknowns above

1738  
01:03:53,450 --> 01:03:51,119

them when they did their first test

1739

01:03:55,549 --> 01:03:53,460

flights so somebody's got a tech that is

1740

01:03:57,470 --> 01:03:55,559

better than ours now the first time you

1741

01:03:59,930 --> 01:03:57,480

put me in coach I can't believe you

1742

01:04:01,849 --> 01:03:59,940

trusted me oh my God my beard was

1743

01:04:04,190 --> 01:04:01,859

probably way too long for the insanity

1744

01:04:08,450 --> 01:04:04,200

going on in my brain but you had me out

1745

01:04:11,930 --> 01:04:08,460

you had me out sorry I came out with my

1746

01:04:14,870 --> 01:04:11,940

camera first row at the Atomic Testing

1747

01:04:19,849 --> 01:04:14,880

Museum and you were interviewing on

1748

01:04:22,750 --> 01:04:19,859

stage the chief scientist for the CIA

1749

01:04:25,730 --> 01:04:22,760

out at Area 51 and the the head

1750

01:04:26,870 --> 01:04:25,740

historian for the CIA out of there if

1751

01:04:28,789 --> 01:04:26,880

you want and they were just going to

1752

01:04:30,530 --> 01:04:28,799

talk about area 51. so here comes the

1753

01:04:32,809 --> 01:04:30,540

bearded guy always holding the camera

1754

01:04:34,250 --> 01:04:32,819

and you didn't really know if I was a

1755

01:04:35,750 --> 01:04:34,260

loose Candy net now you know I'm a loose

1756

01:04:38,210 --> 01:04:35,760

camera yeah it's confirmed yeah

1757

01:04:39,829 --> 01:04:38,220

confirmed so uh so I was sitting there

1758

01:04:41,990 --> 01:04:39,839

thinking oh man please raise my hand

1759

01:04:43,670 --> 01:04:42,000

will George call on me I got a question

1760

01:04:45,770 --> 01:04:43,680

to ask and I think I asked him like

1761

01:04:48,230 --> 01:04:45,780

three questions and it was very specific

1762

01:04:49,970 --> 01:04:48,240

are you aware as the lead historian at

1763

01:04:52,970 --> 01:04:49,980

robarge is his last name are you aware

1764

01:04:55,250 --> 01:04:52,980

as a lead historian that the CIA funded

1765

01:04:57,170 --> 01:04:55,260

and produced a documentary called UFO's

1766

01:04:58,910 --> 01:04:57,180

past present and future and he was like

1767

01:05:01,010 --> 01:04:58,920

I don't have knowledge of that but then

1768

01:05:04,250 --> 01:05:01,020

I asked him about site four

1769

01:05:06,170 --> 01:05:04,260

and man it was I think it was genuinely

1770

01:05:08,329 --> 01:05:06,180

like they weren't maybe they didn't know

1771

01:05:10,309 --> 01:05:08,339

but it looked Shady they were like

1772

01:05:11,990 --> 01:05:10,319

Whispering back and forth and like so it

1773

01:05:13,309 --> 01:05:12,000

was just cool to be able to ask them

1774

01:05:15,109 --> 01:05:13,319

specifically and they they couldn't

1775

01:05:16,970 --> 01:05:15,119

confirm they had no specific knowledge

1776

01:05:18,410 --> 01:05:16,980

but that was so funny because I couldn't

1777

01:05:20,390 --> 01:05:18,420

believe you called I mean thank you for

1778

01:05:21,770 --> 01:05:20,400

that thank you and and being able to ask

1779

01:05:23,270 --> 01:05:21,780

them directly that was a big moment for

1780

01:05:29,930 --> 01:05:23,280

me to be able to film that just sitting

1781

01:05:36,950 --> 01:05:32,420

notified

1782

01:05:41,809 --> 01:05:39,109

my name is George Knapp I'm a journalist

1783

01:05:44,450 --> 01:05:41,819

at klas and unlike this these guys here

1784

01:05:46,549 --> 01:05:44,460

my connection to the topic of Area 51 is

1785

01:05:48,589 --> 01:05:46,559

a little more tenuous I have never been

1786

01:05:50,809 --> 01:05:48,599

inside the place I will never be allowed

1787

01:05:52,329 --> 01:05:50,819

to get inside the place uh but I'll tell

1788

01:05:55,670 --> 01:05:52,339

you I've been writing about it since

1789

01:05:58,370 --> 01:05:55,680

1985. I've spent I haven't been inside

1790

01:06:00,049 --> 01:05:58,380

but I've spent more days and nights

1791

01:06:01,849 --> 01:06:00,059

outside gearing in than you could ever

1792

01:06:03,950 --> 01:06:01,859

you can imagine trying to dodge security

1793

01:06:06,829 --> 01:06:03,960

and coyotes and whatever else is out

1794

01:06:09,410 --> 01:06:06,839

there and uh you know when I die I'm

1795

01:06:12,170 --> 01:06:09,420

sure that this will be somehow Area 51

1796

01:06:14,150 --> 01:06:12,180

will be part of my obituary along with

1797

01:06:17,089 --> 01:06:14,160

Tales of various debauchery and other

1798

01:06:18,890 --> 01:06:17,099

things like that this is a panel of

1799

01:06:20,990 --> 01:06:18,900

Extraordinary People United by their

1800

01:06:23,210 --> 01:06:21,000

interest in involvement with the most

1801  
01:06:25,010 --> 01:06:23,220  
extraordinary places we all know a place

1802  
01:06:27,170 --> 01:06:25,020  
that you know it's sort of a

1803  
01:06:30,289 --> 01:06:27,180  
contradiction in terms that is the

1804  
01:06:32,029 --> 01:06:30,299  
world's best known secret military base

1805  
01:06:34,250 --> 01:06:32,039  
um kind of the rock star of the Off the

1806  
01:06:36,470 --> 01:06:34,260  
Grid testing facilities It's A Place

1807  
01:06:38,809 --> 01:06:36,480  
With No Name and a place with a whole

1808  
01:06:43,490 --> 01:06:38,819  
lot of needs you know a Paradise Ranch

1809  
01:06:45,650 --> 01:06:43,500  
the Box a Watertown area 51 Dreamland or

1810  
01:06:47,990 --> 01:06:45,660  
the current official name very catchy in

1811  
01:06:50,690 --> 01:06:48,000  
my opinion an operating location near

1812  
01:06:53,510 --> 01:06:50,700  
Groom Lake but put that on a bumper

1813  
01:06:56,510 --> 01:06:53,520

sticker or a t-shirt Area 51 as we all

1814

01:06:58,789 --> 01:06:56,520

know has been shrouded in secrecy uh

1815

01:07:00,589 --> 01:06:58,799

some would argue too much secrecy and

1816

01:07:02,390 --> 01:07:00,599

the cone of silence that was sort of

1817

01:07:04,849 --> 01:07:02,400

dropped over the base at least for a

1818

01:07:06,589 --> 01:07:04,859

while has been a contributing factor to

1819

01:07:08,630 --> 01:07:06,599

all kinds of wild stories that have

1820

01:07:11,450 --> 01:07:08,640

cropped up most of which I have reported

1821

01:07:13,309 --> 01:07:11,460

at one time or another so tonight we'll

1822

01:07:15,950 --> 01:07:13,319

talk about secrecy a little bit how and

1823

01:07:17,510 --> 01:07:15,960

why secrets are kept about some of the

1824

01:07:20,029 --> 01:07:17,520

steps that are taken to ensure that

1825

01:07:22,309 --> 01:07:20,039

secrets were and still aren't being kept

1826  
01:07:24,170 --> 01:07:22,319  
and we'll talk about the steps that have

1827  
01:07:26,150 --> 01:07:24,180  
been taken to lift the veil to allow the

1828  
01:07:38,029 --> 01:07:26,160  
public to finally know what really went

1829  
01:07:43,490 --> 01:07:41,089  
we did not talk about a lot of things it

1830  
01:07:46,609 --> 01:07:43,500  
went on during that period but during

1831  
01:07:49,569 --> 01:07:46,619  
that period the technology advanced in

1832  
01:07:53,150 --> 01:07:49,579  
Spain and Aeronautics and electronics

1833  
01:08:00,120 --> 01:07:53,160  
stealth and so on was the most advanced

1834  
01:08:00,130 --> 01:08:06,109  
[Music]

1835  
01:08:06,119 --> 01:08:10,430  
thank you

1836  
01:08:24,890 --> 01:08:18,030  
[Music]

1837  
01:08:28,490 --> 01:08:26,990  
I really appreciate you guys coming

1838  
01:08:31,130 --> 01:08:28,500

forward and talking about all this it's

1839

01:08:33,829 --> 01:08:31,140

fascinating so as one of the highest

1840

01:08:36,229 --> 01:08:33,839

ranking CIA officials out at Area 51

1841

01:08:39,349 --> 01:08:36,239

during a very exciting time it sounds

1842

01:08:42,169 --> 01:08:39,359

like are you aware of a facility or

1843

01:08:52,430 --> 01:08:42,179

facilities on or near Nellis range

1844

01:09:06,790 --> 01:08:54,590

thank you

1845

01:09:06,800 --> 01:09:27,470

[Music]

1846

01:09:32,809 --> 01:09:30,289

you ever heard of an S4 at Tonopah there

1847

01:09:34,550 --> 01:09:32,819

is a size four a tonify test range which

1848

01:09:36,229 --> 01:09:34,560

by the way it's on a podcast branch is

1849

01:09:39,530 --> 01:09:36,239

listed in some of the Department of

1850

01:09:41,390 --> 01:09:39,540

energy phone books as Area 52 so that

1851

01:09:43,610 --> 01:09:41,400

that would explain the the public

1852

01:09:46,249 --> 01:09:43,620

acknowledgment from uh information

1853

01:09:48,229 --> 01:09:46,259

officer in 1989 when a well-known

1854

01:09:50,209 --> 01:09:48,239

journalist called and asked about a

1855

01:09:52,729 --> 01:09:50,219

facility called S4 they were probably

1856

01:09:54,770 --> 01:09:52,739

referring to the one in Tonopah most

1857

01:09:56,810 --> 01:09:54,780

likely yes and are there multiple or

1858

01:09:59,510 --> 01:09:56,820

single s scores that any of you are

1859

01:10:02,090 --> 01:09:59,520

aware of we had a size four that where

1860

01:10:03,890 --> 01:10:02,100

we parked our Soviet thank you very much

1861

01:10:05,390 --> 01:10:03,900

fascinating so the last question is for

1862

01:10:06,770 --> 01:10:05,400

Dr robarge

1863

01:10:08,630 --> 01:10:06,780

[Music]

1864

01:10:11,090 --> 01:10:08,640

um just that personal curiosity I get to

1865

01:10:13,790 --> 01:10:11,100

ask the you know weird questions

1866

01:10:16,370 --> 01:10:13,800

so as the chief historian to the CIA are

1867

01:10:19,070 --> 01:10:16,380

you aware of in 1971 the Department of

1868

01:10:22,550 --> 01:10:19,080

Defense asked for produced and publicly

1869

01:10:24,709 --> 01:10:22,560

funded a feature film titled UFO's past

1870

01:10:26,630 --> 01:10:24,719

present and future uh where it was

1871

01:10:29,270 --> 01:10:26,640

admitted on camera by high-ranking

1872

01:10:30,890 --> 01:10:29,280

officials in the military that UFOs as

1873

01:10:33,530 --> 01:10:30,900

far as they could tell were of

1874

01:10:34,970 --> 01:10:33,540

non-terrestrial origin are you aware of

1875

01:10:37,669 --> 01:10:34,980

that film and the funding of it by the

1876

01:10:40,550 --> 01:10:37,679

Department of Defense in 1971. no I'm

1877

01:10:43,070 --> 01:10:40,560

afraid not it's uh it would have no CIA

1878

01:10:46,189 --> 01:10:43,080

equity in it so the CIA is no longer

1879

01:10:47,870 --> 01:10:46,199

studying the UFO phenomenon or they are

1880

01:10:50,990 --> 01:10:47,880

they're not officially right now

1881

01:10:52,729 --> 01:10:51,000

studying the UFO economy

1882

01:10:54,350 --> 01:10:52,739

thank you

1883

01:10:56,090 --> 01:10:54,360

rails

1884

01:10:59,229 --> 01:10:56,100

anything else for our panel

1885

01:11:02,030 --> 01:10:59,239

I mean Secrets can be kept right

1886

01:11:03,410 --> 01:11:02,040

we hear this Washington leaks like a

1887

01:11:06,290 --> 01:11:03,420

sieve there's no such thing as a secret

1888

01:11:08,510 --> 01:11:06,300

Secrets can be kept

1889

01:11:11,570 --> 01:11:08,520

can't confirm or deny that we keep any

1890

01:11:11,580 --> 01:11:20,270

thank you very much

1891

01:11:20,280 --> 01:11:24,709

three

1892

01:11:29,330 --> 01:11:26,750

so now we're getting back to the idea

1893

01:11:32,390 --> 01:11:29,340

that okay so these UFO things we can't

1894

01:11:34,910 --> 01:11:32,400

say it's you know CIA planes and Area 51

1895

01:11:37,430 --> 01:11:34,920

planes what else tells you that

1896

01:11:39,830 --> 01:11:37,440

O'Donnell uh you know really why would

1897

01:11:42,350 --> 01:11:39,840

he do this why would he talk to Annie

1898

01:11:44,090 --> 01:11:42,360

and give this crazy movie that's crazier

1899

01:11:46,430 --> 01:11:44,100

than the worst B movie you've ever heard

1900

01:11:48,709 --> 01:11:46,440

you know you have to ask yourself did he

1901

01:11:50,930 --> 01:11:48,719

make up both versions of the story you

1902

01:11:53,390 --> 01:11:50,940

know did he did he lie to his family

1903

01:11:55,790 --> 01:11:53,400

about that story all those years uh the

1904

01:11:57,350 --> 01:11:55,800

the story that he told me and then uh

1905

01:11:59,209 --> 01:11:57,360

why did he what did he tell his family

1906

01:12:01,550 --> 01:11:59,219

about changing the version that he had

1907

01:12:04,310 --> 01:12:01,560

shared with me before I think that I had

1908

01:12:05,750 --> 01:12:04,320

heard that years later one of his sons

1909

01:12:08,149 --> 01:12:05,760

was going to write a book about their

1910

01:12:10,610 --> 01:12:08,159

dad after he passed um that hasn't

1911

01:12:12,950 --> 01:12:10,620

happened yet I never got to see the tape

1912

01:12:14,390 --> 01:12:12,960

assuming that it was it was made I was

1913

01:12:16,729 --> 01:12:14,400

told it was made and that one of the

1914

01:12:20,570 --> 01:12:16,739

sons had it but I'm unlikely to see it

1915

01:12:22,550 --> 01:12:20,580

the idea that the CIA created the UFO

1916

01:12:25,610 --> 01:12:22,560

mystery as a way to distract attention

1917

01:12:28,610 --> 01:12:25,620

away from spy planes is is ridiculous I

1918

01:12:30,470 --> 01:12:28,620

mean Area 51 did not become a UFO hot

1919

01:12:32,990 --> 01:12:30,480

spot because people outside the base

1920

01:12:34,970 --> 01:12:33,000

were seeing spy planes landing there it

1921

01:12:36,890 --> 01:12:34,980

became a UFO hotspot because the things

1922

01:12:38,990 --> 01:12:36,900

that people from inside the base were

1923

01:12:40,669 --> 01:12:39,000

saying what do you mean people who had

1924

01:12:42,290 --> 01:12:40,679

shared with me bits and pieces of

1925

01:12:43,010 --> 01:12:42,300

information who said they'd been out

1926

01:12:44,750 --> 01:12:43,020

there

1927

01:12:47,390 --> 01:12:44,760

and it's seen something that looked like

1928

01:12:49,729 --> 01:12:47,400

a flying saucer and a hangar or had seen

1929

01:12:52,430 --> 01:12:49,739

them land in the desert Security Guys

1930

01:12:54,350 --> 01:12:52,440

scientists electronic technicians and

1931

01:12:56,810 --> 01:12:54,360

other people who'd been at the base in

1932

01:12:57,890 --> 01:12:56,820

the 50s 60s 70s and 80s who shared

1933

01:13:00,590 --> 01:12:57,900

little bits of pieces of information

1934

01:13:03,410 --> 01:13:00,600

with me to bolster the account that had

1935

01:13:05,930 --> 01:13:03,420

been told by Bob Lazar I get it so so

1936

01:13:07,370 --> 01:13:05,940

people try to claim that uh you know a

1937

01:13:09,110 --> 01:13:07,380

lot of these sightings are from the

1938

01:13:10,310 --> 01:13:09,120

outside and they're misidentifying

1939

01:13:11,390 --> 01:13:10,320

things what you're saying and I know

1940

01:13:13,010 --> 01:13:11,400

this to be true now that I understand

1941

01:13:14,990 --> 01:13:13,020

what you're saying it's really people

1942

01:13:18,649 --> 01:13:15,000

from the inside that came to you and

1943

01:13:20,810 --> 01:13:18,659

come to us now so wow yeah that kind of

1944

01:13:23,209 --> 01:13:20,820

let that sink in a second I I really

1945

01:13:25,430 --> 01:13:23,219

appreciate that Al O'Donnell uh shared

1946

01:13:27,290 --> 01:13:25,440

this information with me I'm I'm glad

1947

01:13:28,970 --> 01:13:27,300

that he shared a version of the story

1948

01:13:31,550 --> 01:13:28,980

with Annie even though that they're very

1949

01:13:34,370 --> 01:13:31,560

much in Conflict the more light that is

1950

01:13:35,570 --> 01:13:34,380

shed on Area 51 uh you know long up to a

1951

01:13:38,450 --> 01:13:35,580

certain point that we don't endanger

1952

01:13:40,370 --> 01:13:38,460

National Security the better and I wish

1953

01:13:42,410 --> 01:13:40,380

that I could get a definitive answer one

1954

01:13:44,390 --> 01:13:42,420

of these days about which version if

1955

01:13:45,649 --> 01:13:44,400

either of them is true

1956

01:13:46,250 --> 01:13:45,659

well

1957

01:13:48,350 --> 01:13:46,260

um

1958

01:13:53,649 --> 01:13:48,360

[h\_\_\h]

1959

01:13:56,149 --> 01:13:53,659

well I don't know man I I guess the um

1960

01:13:58,070 --> 01:13:56,159

I guess the question that I have now

1961

01:14:01,189 --> 01:13:58,080

coming

1962

01:14:03,950 --> 01:14:01,199

are you ever going to get the deathbed

1963

01:14:07,610 --> 01:14:03,960

confession tape that this guy made for

1964

01:14:09,350 --> 01:14:07,620

you from his son doubtful why

1965

01:14:10,610 --> 01:14:09,360

I've had no contact with him for a long

1966

01:14:12,709 --> 01:14:10,620

time

1967

01:14:14,510 --> 01:14:12,719

um I think that they it depends on which

1968

01:14:16,370 --> 01:14:14,520

version it is they may not the one that

1969

01:14:18,110 --> 01:14:16,380

he recorded may not be the official

1970

01:14:19,430 --> 01:14:18,120

story that they want out anymore they

1971

01:14:21,350 --> 01:14:19,440

might prefer the one that they told

1972

01:14:23,450 --> 01:14:21,360

Annie Jacobson

1973

01:14:25,070 --> 01:14:23,460

um I don't have any contact with the

1974

01:14:27,470 --> 01:14:25,080

family anymore maybe I should try to

1975

01:14:28,910 --> 01:14:27,480

reach out to him but uh yeah before this

1976

01:14:31,610 --> 01:14:28,920

episode goes live I think you should

1977

01:14:33,709 --> 01:14:31,620

seems doubtful that um that it's gonna

1978

01:14:36,350 --> 01:14:33,719

it's gonna happen but you know I was

1979

01:14:38,270 --> 01:14:36,360

really happy to be able to

1980

01:14:41,090 --> 01:14:38,280

um interact with how all those all those

1981

01:14:42,770 --> 01:14:41,100

years ago and uh really wish that I was

1982

01:14:44,570 --> 01:14:42,780

in a position to give more definitive

1983

01:14:46,189 --> 01:14:44,580

proof about it but I was just wanted to

1984

01:14:47,450 --> 01:14:46,199

explain to people the process of how it

1985

01:14:49,729 --> 01:14:47,460

worked and how you tried to develop

1986

01:14:52,130 --> 01:14:49,739

sources in this wacky field yeah you

1987

01:14:54,590 --> 01:14:52,140

always say the trick to being seen as

1988

01:14:57,110 --> 01:14:54,600

trustworthy is to actually consistently

1989

01:14:58,669 --> 01:14:57,120

be trustworthy and you know you've kind

1990

01:15:01,310 --> 01:14:58,679

of told me a few things in journalism

1991

01:15:03,830 --> 01:15:01,320

that are like you know the solid points

1992

01:15:06,410 --> 01:15:03,840

and the first thing you ever told me is

1993

01:15:07,970 --> 01:15:06,420

protect your sources even if they don't

1994

01:15:09,950 --> 01:15:07,980

protect themselves

1995

01:15:12,169 --> 01:15:09,960

and then the second thing was the

1996

01:15:14,030 --> 01:15:12,179

trustworthiness you know and I think

1997

01:15:15,290 --> 01:15:14,040

that you have to consistently show that

1998

01:15:17,750 --> 01:15:15,300

because for you and me and our

1999

01:15:20,169 --> 01:15:17,760

experiences even today which we're you

2000

01:15:23,510 --> 01:15:20,179

know we can't talk about but even today

2001  
01:15:25,970 --> 01:15:23,520  
the idea that somebody would call us

2002  
01:15:28,070 --> 01:15:25,980  
right and and

2003  
01:15:30,290 --> 01:15:28,080  
we have to prove again that we're

2004  
01:15:31,550 --> 01:15:30,300  
trustworthy and and you've got to do

2005  
01:15:33,830 --> 01:15:31,560  
that you got to do that you know don't

2006  
01:15:36,470 --> 01:15:33,840  
tell anybody about this you promised me

2007  
01:15:37,970 --> 01:15:36,480  
and and I love that I'm like okay I did

2008  
01:15:39,290 --> 01:15:37,980  
promise you I'm confirming to you again

2009  
01:15:41,689 --> 01:15:39,300  
because people get kind of panicked yeah

2010  
01:15:43,669 --> 01:15:41,699  
so your process as a journalist when you

2011  
01:15:45,169 --> 01:15:43,679  
have had these sources that were

2012  
01:15:47,209 --> 01:15:45,179  
threatened and you had these sources

2013  
01:15:49,370 --> 01:15:47,219

that confide in you and have these

2014

01:15:51,350 --> 01:15:49,380

sources create death bad confessions but

2015

01:15:52,970 --> 01:15:51,360

you can't [h\_\_h] release it you know we

2016

01:15:54,590 --> 01:15:52,980

get a lot of flack for that I mean I

2017

01:15:56,390 --> 01:15:54,600

don't read online anymore I'm sorry guys

2018

01:15:57,709 --> 01:15:56,400

that Dawn is too crazy right but like

2019

01:15:59,990 --> 01:15:57,719

people sent me screenshots what people

2020

01:16:01,970 --> 01:16:00,000

are saying they get so mad

2021

01:16:04,970 --> 01:16:01,980

like we're sitting on stuff so for

2022

01:16:07,570 --> 01:16:04,980

example when we released when we

2023

01:16:10,850 --> 01:16:07,580

released that mosul orb image

2024

01:16:13,189 --> 01:16:10,860

uh we had been sitting on this for a

2025

01:16:15,050 --> 01:16:13,199

long time but we had to go because we

2026

01:16:16,850 --> 01:16:15,060

don't know who gave it to us directly

2027

01:16:18,530 --> 01:16:16,860

but then we started getting it from

2028

01:16:20,630 --> 01:16:18,540

multiple people we always make sure that

2029

01:16:23,689 --> 01:16:20,640

we don't know where an image comes from

2030

01:16:25,370 --> 01:16:23,699

directly and so you know sometimes we do

2031

01:16:27,290 --> 01:16:25,380

not directly but we're protected by

2032

01:16:30,590 --> 01:16:27,300

Shield law as journalists in America

2033

01:16:33,290 --> 01:16:30,600

right so which means that we can protect

2034

01:16:35,510 --> 01:16:33,300

our sources so anybody that gives us

2035

01:16:38,330 --> 01:16:35,520

stuff we can protect them because we are

2036

01:16:39,890 --> 01:16:38,340

protected but people get mad that we sit

2037

01:16:41,930 --> 01:16:39,900

back on on information if you've got

2038

01:16:44,270 --> 01:16:41,940

such great information put it out here's

2039

01:16:45,290 --> 01:16:44,280

the deal people have families people

2040

01:16:48,229 --> 01:16:45,300

will

2041

01:16:50,750 --> 01:16:48,239

they're taking a huge risk sometimes not

2042

01:16:52,550 --> 01:16:50,760

always but sometimes now we have to

2043

01:16:54,709 --> 01:16:52,560

consistently we have to consistently

2044

01:16:57,770 --> 01:16:54,719

show that we are worthy of that trust as

2045

01:16:59,390 --> 01:16:57,780

reporters and journalists so we have to

2046

01:17:00,890 --> 01:16:59,400

also have that stuff because we don't

2047

01:17:02,750 --> 01:17:00,900

like everybody else you can just like

2048

01:17:05,570 --> 01:17:02,760

throw something up on Twitter to get a

2049

01:17:07,490 --> 01:17:05,580

bunch of hits hold on these are people's

2050

01:17:08,810 --> 01:17:07,500

lives and when we want to know ourselves

2051

01:17:11,330 --> 01:17:08,820

we want to know if this is right

2052

01:17:13,630 --> 01:17:11,340

information and every single thing you

2053

01:17:16,010 --> 01:17:13,640

and I have put out has been verified

2054

01:17:17,930 --> 01:17:16,020

authenticated and if people think it's

2055

01:17:20,990 --> 01:17:17,940

not and there's there's talk otherwise

2056

01:17:22,850 --> 01:17:21,000

hold on to your seats yeah isn't that

2057

01:17:25,370 --> 01:17:22,860

mosul orb wasn't that a raindrop or

2058

01:17:27,410 --> 01:17:25,380

something on the on the lens I heard it

2059

01:17:29,630 --> 01:17:27,420

was a pothole yeah I mean everything

2060

01:17:33,169 --> 01:17:29,640

except for around seagulls everything

2061

01:17:34,189 --> 01:17:33,179

but the kitchen sink or a UFO yeah look

2062

01:17:36,110 --> 01:17:34,199

um

2063

01:17:39,169 --> 01:17:36,120

I wish

2064

01:17:42,290 --> 01:17:39,179

that with the information

2065

01:17:44,330 --> 01:17:42,300

that we have right that we could just

2066

01:17:48,229 --> 01:17:44,340

you know give everybody the smack like

2067

01:17:50,630 --> 01:17:48,239

that it's not our job I am hoping that

2068

01:17:53,090 --> 01:17:50,640

our government is honest with the

2069

01:17:55,370 --> 01:17:53,100

American people the arrow that the new

2070

01:17:58,729 --> 01:17:55,380

UFO office is honest with the American

2071

01:18:02,450 --> 01:17:58,739

people and has a a promotion of an idea

2072

01:18:06,229 --> 01:18:02,460

of transparency UFO transparency it is

2073

01:18:09,050 --> 01:18:06,239

not our job to do everything it is our

2074

01:18:11,330 --> 01:18:09,060

job to address the issues make them

2075

01:18:13,070 --> 01:18:11,340

public and see where the chips fall I

2076

01:18:15,290 --> 01:18:13,080

believe in other people there are great

2077

01:18:18,110 --> 01:18:15,300

people working on this right now I have

2078

01:18:19,850 --> 01:18:18,120

never been resisted always assisted

2079

01:18:22,250 --> 01:18:19,860

different than you I've never been

2080

01:18:24,350 --> 01:18:22,260

resisted so I I really hope I'm very

2081

01:18:26,810 --> 01:18:24,360

hopeful and optimistic as as a person I

2082

01:18:29,270 --> 01:18:26,820

am but the UFO topic UFO truth and I do

2083

01:18:31,910 --> 01:18:29,280

think this could be the biggest story of

2084

01:18:34,550 --> 01:18:31,920

all time if we find out some of the

2085

01:18:36,290 --> 01:18:34,560

truth well the jury is still out on

2086

01:18:37,850 --> 01:18:36,300

Arrow I'd like to believe that they're

2087

01:18:39,350 --> 01:18:37,860

going to live up to the promises that

2088

01:18:41,330 --> 01:18:39,360

they've made that there are going to

2089

01:18:42,709 --> 01:18:41,340

strive toward transparency I haven't

2090

01:18:45,110 --> 01:18:42,719

seen it yet I haven't seen a whole lot

2091

01:18:46,729 --> 01:18:45,120

of indication that's true I do give them

2092

01:18:49,669 --> 01:18:46,739

the benefit of the doubt in that they

2093

01:18:52,310 --> 01:18:49,679

they're tackling this it's taken me like

2094

01:18:54,350 --> 01:18:52,320

35 years to get my head around it and

2095

01:18:56,689 --> 01:18:54,360

it's a steep learning curve for them to

2096

01:18:57,950 --> 01:18:56,699

figure it all out so I'm willing to cut

2097

01:18:59,930 --> 01:18:57,960

them a little bit of slack for a while

2098

01:19:02,090 --> 01:18:59,940

what I've seen so far has not been

2099

01:19:03,770 --> 01:19:02,100

encouraging but I'm hope hoping that

2100

01:19:05,810 --> 01:19:03,780

they'll live up to the lofty promises

2101

01:19:07,610 --> 01:19:05,820

that they've made well I I do know that

2102

01:19:09,410 --> 01:19:07,620

people reach out to us all the time to

2103

01:19:11,390 --> 01:19:09,420

wrap their head around the bigger issues

2104

01:19:12,890 --> 01:19:11,400

right to see to so they don't spin their

2105

01:19:15,410 --> 01:19:12,900

wheels that you know I know that that

2106

01:19:17,450 --> 01:19:15,420

does happen I am actually encouraged but

2107

01:19:19,610 --> 01:19:17,460

by arrow and and the reason I am

2108

01:19:22,130 --> 01:19:19,620

encouraged by arrow that it's not going

2109

01:19:23,570 --> 01:19:22,140

to be a Project Blue Book whitewash kind

2110

01:19:25,850 --> 01:19:23,580

of thing is because of the The

2111

01:19:28,850 --> 01:19:25,860

Whistleblower legislation and if you

2112

01:19:30,830 --> 01:19:28,860

just look at the arrow PowerPoint I

2113

01:19:33,229 --> 01:19:30,840

think it's like seven pages that tell

2114

01:19:35,149 --> 01:19:33,239

their mandate the Departments that are

2115

01:19:38,510 --> 01:19:35,159

involved it nationally and

2116

01:19:41,090 --> 01:19:38,520

internationally it is set up to be

2117

01:19:45,169 --> 01:19:41,100

serious it always ends up being who's

2118

01:19:47,570 --> 01:19:45,179

the head if the head says okay let's be

2119

01:19:50,030 --> 01:19:47,580

transparent like our friend

2120

01:19:53,149 --> 01:19:50,040

um Jay Stratton you know he directly

2121

01:19:55,250 --> 01:19:53,159

told us that what he wanted to do was

2122

01:19:57,290 --> 01:19:55,260

not have another Project Blue Book what

2123

01:19:59,689 --> 01:19:57,300

he wanted to do as a person as an

2124

01:20:01,550 --> 01:19:59,699

individual was to have an open dialogue

2125

01:20:03,830 --> 01:20:01,560

with the American public about what's

2126

01:20:05,330 --> 01:20:03,840

going on with UFOs and I think he did a

2127

01:20:07,189 --> 01:20:05,340

spectacular job when he was in that

2128

01:20:10,370 --> 01:20:07,199

position of power to try to do that and

2129

01:20:12,410 --> 01:20:10,380

now talking publicly everywhere else and

2130

01:20:15,410 --> 01:20:12,420

kind of putting himself out there I

2131

01:20:17,689 --> 01:20:15,420

admire him I admire that he does that I

2132

01:20:19,610 --> 01:20:17,699

fingers crossed and I am I am encouraged

2133

01:20:21,229 --> 01:20:19,620

by that document right by that

2134

01:20:23,750 --> 01:20:21,239

PowerPoint that they're on the right

2135

01:20:24,950 --> 01:20:23,760

track and if arrow is listening at the

2136

01:20:26,750 --> 01:20:24,960

people that work in there are listening

2137

01:20:29,390 --> 01:20:26,760

hey ma'am

2138

01:20:31,669 --> 01:20:29,400

the American public wants that they want

2139

01:20:34,189 --> 01:20:31,679

honesty they want truth it is your duty

2140

01:20:36,229 --> 01:20:34,199

you work for the American people please

2141

01:20:44,560 --> 01:20:36,239

do it right because if not you're going

2142

01:20:44,570 --> 01:20:48,169

[Music]

2143

01:21:02,440 --> 01:20:52,550

never have so few had so much to tell

2144

01:21:06,880 --> 01:21:04,729

[Music]
