

WEAPONIZED #7

STORMING AREA 51 & THE BAGHDAD PHANTOM

1
00:00:06,950 --> 00:00:04,190
Secrets cover-ups and strange phenomena

2
00:00:09,950 --> 00:00:06,960
UFOs and ideas that challenge reality

3
00:00:11,570 --> 00:00:09,960
itself all these Mysteries all this time

4
00:00:14,150 --> 00:00:11,580
are we ever going to get to the bottom

5
00:00:16,670 --> 00:00:14,160
of these my name is George Knapp I dig

6
00:00:19,010 --> 00:00:16,680
into news stories that others can't or

7
00:00:20,689 --> 00:00:19,020
won't I'm Jeremy Corbell and for some

8
00:00:22,670 --> 00:00:20,699
reason people tell me things they

9
00:00:24,920 --> 00:00:22,680
probably shouldn't

10
00:00:28,849 --> 00:00:24,930
and this is weapons

11
00:00:31,490 --> 00:00:28,859
[Music]

12
00:00:34,910 --> 00:00:31,500
this is weaponized welcome back yeah it

13
00:00:37,610 --> 00:00:34,920

is it is weaponized again oh my gosh

14

00:00:40,430 --> 00:00:37,620

back by popular but it's backed by

15

00:00:43,369 --> 00:00:40,440

unpopular demands yeah I thought maybe

16

00:00:45,110 --> 00:00:43,379

we might take a a walk a stroll down

17

00:00:47,930 --> 00:00:45,120

memory lane and we're talking about

18

00:00:50,029 --> 00:00:47,940

memories a millennia ago or decades ago

19

00:00:52,250 --> 00:00:50,039

something fairly recent that you were

20

00:00:55,610 --> 00:00:52,260

and I were involved in that I think is

21

00:01:01,790 --> 00:00:55,620

probably about 90 percent your fault 10

22

00:01:03,290 --> 00:01:01,800

Joe Rogan's oh [h__h] storm 51 okay

23

00:01:06,050 --> 00:01:03,300

really you want to do this right now

24

00:01:09,050 --> 00:01:06,060

okay

25

00:01:10,310 --> 00:01:09,060

storming Area 51 where conspiracy

26

00:01:13,070 --> 00:01:10,320

theorists think the government has

27

00:01:14,750 --> 00:01:13,080

aliens on ice it appears the U.S Air

28

00:01:17,270 --> 00:01:14,760

Force is taking these threats seriously

29

00:01:19,490 --> 00:01:17,280

a Facebook post and a vowed fake

30

00:01:21,230 --> 00:01:19,500

designed to get likes announced a plan

31

00:01:24,710 --> 00:01:21,240

to raid the Air Force Base in Nevada

32

00:01:26,929 --> 00:01:24,720

known as Area 51 which has been at the

33

00:01:29,030 --> 00:01:26,939

center of UFO and alien conspiracy

34

00:01:31,249 --> 00:01:29,040

theories for decades more than one

35

00:01:34,850 --> 00:01:31,259

million people have signed up it's been

36

00:01:37,310 --> 00:01:34,860

enough to Spook the Air Force

37

00:01:39,530 --> 00:01:37,320

Air Force officials don't want people to

38

00:01:42,109 --> 00:01:39,540

trespass on the base they are worried

39

00:01:43,730 --> 00:01:42,119

some might be killed quote any attempt

40

00:01:46,190 --> 00:01:43,740

to illegally access military

41

00:01:48,830 --> 00:01:46,200

installations or military training areas

42

00:01:50,990 --> 00:01:48,840

is dangerous there has been renewed

43

00:01:52,969 --> 00:01:51,000

interest in UFO sighting since it was

44

00:01:56,210 --> 00:01:52,979

revealed earlier this year the military

45

00:01:59,270 --> 00:01:56,220

has spent 22 million dollars to research

46

00:02:01,130 --> 00:01:59,280

UFOs it's not clear the 1.1 million

47

00:02:04,370 --> 00:02:01,140

Facebook followers who said they are

48

00:02:09,050 --> 00:02:04,380

going to storm Area 51 are real and not

49

00:02:11,270 --> 00:02:09,060

Russian Bots first of all George Knapp

50

00:02:14,150 --> 00:02:11,280

storm Area 51

51
00:02:17,690 --> 00:02:14,160
is your fault and it's babazar's fault

52
00:02:19,910 --> 00:02:17,700
so I'm gonna just step back and okay for

53
00:02:22,850 --> 00:02:19,920
our audience check this out everybody

54
00:02:26,809 --> 00:02:22,860
should remember there was a big cultural

55
00:02:29,390 --> 00:02:26,819
event a movement based upon the idea of

56
00:02:30,350 --> 00:02:29,400
storming Area 51 which is a horrible

57
00:02:34,250 --> 00:02:30,360
idea

58
00:02:37,250 --> 00:02:34,260
and uh how that came into being in my

59
00:02:40,130 --> 00:02:37,260
understanding was that in 1989 you did

60
00:02:44,150 --> 00:02:40,140
an interview with Bob Lazar and told the

61
00:02:47,210 --> 00:02:44,160
world with Bob that there were UFOs at

62
00:02:49,430 --> 00:02:47,220
area 51. so that is really why it got on

63
00:02:52,729 --> 00:02:49,440

the radar from from my perspective and

64

00:02:54,410 --> 00:02:52,739

probably popular perspective that the

65

00:02:56,330 --> 00:02:54,420

storm thing happened but there's a very

66

00:02:58,610 --> 00:02:56,340

specific story here

67

00:03:02,270 --> 00:02:58,620

um how that occurred so

68

00:03:04,910 --> 00:03:02,280

look man people knew that at Area 51

69

00:03:06,470 --> 00:03:04,920

there was this potential this idea that

70

00:03:08,390 --> 00:03:06,480

babazar might be telling the truth and

71

00:03:10,369 --> 00:03:08,400

there's reverse engineering and

72

00:03:13,630 --> 00:03:10,379

exploitation of propulsion systems of

73

00:03:17,089 --> 00:03:13,640

alien spacecraft I mean just wild right

74

00:03:18,649 --> 00:03:17,099

so what happens is and I'm so tired

75

00:03:21,589 --> 00:03:18,659

today so we're gonna I'm just gonna take

76

00:03:24,170 --> 00:03:21,599

this easy okay it's been a long

77

00:03:27,649 --> 00:03:24,180

month or so

78

00:03:29,630 --> 00:03:27,659

what happened was in my perspective is

79

00:03:33,170 --> 00:03:29,640

that

80

00:03:35,869 --> 00:03:33,180

I released the film balazar Area 51 and

81

00:03:38,210 --> 00:03:35,879

flying saucers

82

00:03:41,570 --> 00:03:38,220

that was the first time and that was the

83

00:03:44,330 --> 00:03:41,580

point of my film was to allow people to

84

00:03:46,789 --> 00:03:44,340

see that Bob Lazar was a person that

85

00:03:48,770 --> 00:03:46,799

makes coffee house dogs and a wife and

86

00:03:52,190 --> 00:03:48,780

is a human being and they can't

87

00:03:54,289 --> 00:03:52,200

dehumanize somebody and dismiss what

88

00:03:56,750 --> 00:03:54,299

they've said they should dismiss what

89

00:03:58,190 --> 00:03:56,760

they said based on the evidence of what

90

00:04:01,190 --> 00:03:58,200

they said

91

00:04:03,830 --> 00:04:01,200

so I did the movie which was not easy to

92

00:04:05,990 --> 00:04:03,840

make and I was very happy and excited

93

00:04:08,509 --> 00:04:06,000

and I remember coming to you

94

00:04:11,330 --> 00:04:08,519

and saying

95

00:04:13,789 --> 00:04:11,340

I think I'm gonna make this I think I'm

96

00:04:16,789 --> 00:04:13,799

gonna be able to make this movie

97

00:04:18,590 --> 00:04:16,799

I need from you because you know we'd

98

00:04:21,409 --> 00:04:18,600

worked on this so much but I need from

99

00:04:25,129 --> 00:04:21,419

you like full attention

100

00:04:28,490 --> 00:04:25,139

I need full Clips I Need video I need

101
00:04:29,930 --> 00:04:28,500
background I need to find out if if I

102
00:04:32,330 --> 00:04:29,940
just wanted to know if Bob was telling

103
00:04:34,670 --> 00:04:32,340
the truth but at this point it was just

104
00:04:37,249 --> 00:04:34,680
let's see who Bob really is so I came to

105
00:04:38,330 --> 00:04:37,259
you and I have this picture and it's in

106
00:04:40,969 --> 00:04:38,340
your living room

107
00:04:43,129 --> 00:04:40,979
and it's all these images of scenes like

108
00:04:46,129 --> 00:04:43,139
what I think I should how I should lay

109
00:04:48,290 --> 00:04:46,139
this out and thank you because you were

110
00:04:50,030 --> 00:04:48,300
like check it out man you're jumping

111
00:04:52,550 --> 00:04:50,040
ahead you got to go back to the

112
00:04:55,010 --> 00:04:52,560
beginning so people can get caught up so

113
00:04:57,950 --> 00:04:55,020

so this is moving towards the storm Area

114

00:05:00,469 --> 00:04:57,960

51 thing well the seeds of storm Mary 51

115

00:05:03,950 --> 00:05:00,479

started as you said in 1989 we did

116

00:05:05,510 --> 00:05:03,960

unleash this series about UFOs the best

117

00:05:08,450 --> 00:05:05,520

evidence and the Heart of that series

118

00:05:11,810 --> 00:05:08,460

was about Bob Lazar his allegations his

119

00:05:13,969 --> 00:05:11,820

outrageous stories outrageous claims

120

00:05:15,590 --> 00:05:13,979

about what was hidden out there in the

121

00:05:17,689 --> 00:05:15,600

Nevada desert and then they exploded

122

00:05:20,210 --> 00:05:17,699

like an atomic bomb my fellow

123

00:05:22,790 --> 00:05:20,220

journalists many of whom are still at

124

00:05:24,409 --> 00:05:22,800

this picking and nitpicking and

125

00:05:26,629 --> 00:05:24,419

complaining about it

126

00:05:29,510 --> 00:05:26,639

um 30 some years later

127

00:05:31,189 --> 00:05:29,520

really hated it the public ate it up

128

00:05:33,430 --> 00:05:31,199

public couldn't get enough of it they

129

00:05:36,170 --> 00:05:33,440

wanted more and I gave them more but

130

00:05:38,689 --> 00:05:36,180

other reporters felt I was somehow

131

00:05:41,510 --> 00:05:38,699

bringing the profession into disrepute

132

00:05:43,189 --> 00:05:41,520

somehow uh smearing their their own

133

00:05:45,770 --> 00:05:43,199

credibility for taking this stuff

134

00:05:48,830 --> 00:05:45,780

seriously I tried to approach it as just

135

00:05:51,170 --> 00:05:48,840

another news story and it was an

136

00:05:54,050 --> 00:05:51,180

explosion I mean you know there had been

137

00:05:57,469 --> 00:05:54,060

one or two stories about Area 51 in the

138

00:05:59,150 --> 00:05:57,479

years since but very few I mean kls TV a

139

00:06:01,010 --> 00:05:59,160

colleague friend of mine Richard Yuri

140

00:06:03,409 --> 00:06:01,020

had done a series about the history of

141

00:06:04,850 --> 00:06:03,419

the base Bob stoddahl and Ned day had

142

00:06:07,310 --> 00:06:04,860

done some reporting on it and secret

143

00:06:09,170 --> 00:06:07,320

projects out there but the public had no

144

00:06:11,390 --> 00:06:09,180

idea around the world they had no idea

145

00:06:13,909 --> 00:06:11,400

that such a place existed once that

146

00:06:17,090 --> 00:06:13,919

story about Bob Lazar came out the whole

147

00:06:19,550 --> 00:06:17,100

world beat a path to area 51's door and

148

00:06:22,070 --> 00:06:19,560

although I as I said journalists gave me

149

00:06:24,350 --> 00:06:22,080

the worst time about it and were the the

150

00:06:27,170 --> 00:06:24,360

most critical about it every major news

151
00:06:29,870 --> 00:06:27,180
organization in the world beat a path to

152
00:06:32,570 --> 00:06:29,880
area 51's or to sit out there to

153
00:06:34,430 --> 00:06:32,580
photograph and record on video cameras

154
00:06:36,770 --> 00:06:34,440
whatever was flying around to write

155
00:06:40,490 --> 00:06:36,780
stories to make fun of crazy UFO people

156
00:06:43,430 --> 00:06:40,500
it became world famous a couple of years

157
00:06:45,309 --> 00:06:43,440
later the state of Nevada dedicated the

158
00:06:47,330 --> 00:06:45,319
world's only E.T Highway

159
00:06:49,129 --> 00:06:47,340
extraterrestrial Highway the governor

160
00:06:51,529 --> 00:06:49,139
came out there by the way it was on my

161
00:06:53,930 --> 00:06:51,539
birthday in 1996 I thought wow it's a

162
00:06:56,150 --> 00:06:53,940
really nice birthday present we flew in

163
00:06:58,309 --> 00:06:56,160

in a helicopter they had the the cast

164

00:07:00,529 --> 00:06:58,319

and crew the director and producer of

165

00:07:02,570 --> 00:07:00,539

the movie Independence Day out there for

166

00:07:04,430 --> 00:07:02,580

the big ceremony and they created the

167

00:07:06,710 --> 00:07:04,440

world's only extraterrestrial Highway

168

00:07:09,469 --> 00:07:06,720

which of course it was a big jolt to

169

00:07:11,870 --> 00:07:09,479

tourism out there the little alien was

170

00:07:14,450 --> 00:07:11,880

born the alien Research Center in haika

171

00:07:18,290 --> 00:07:14,460

was born it was tremendous you know and

172

00:07:20,629 --> 00:07:18,300

since then in all the years since

173

00:07:22,730 --> 00:07:20,639

um tens of thousands of people have made

174

00:07:24,710 --> 00:07:22,740

that Trek out there and every single day

175

00:07:26,510 --> 00:07:24,720

you go out in the Nevada desert there

176
00:07:28,909 --> 00:07:26,520
are people sitting there looking to see

177
00:07:30,950 --> 00:07:28,919
what's in the sky that Curiosity never

178
00:07:33,830 --> 00:07:30,960
went away the interest in Bob Lazar's

179
00:07:35,330 --> 00:07:33,840
story waned after a while Bob didn't

180
00:07:37,490 --> 00:07:35,340
want anything to do with it the only

181
00:07:39,890 --> 00:07:37,500
time he'd come out and talk about it is

182
00:07:41,749 --> 00:07:39,900
it was an anniversary and I went and

183
00:07:44,450 --> 00:07:41,759
twisted his arm and pulled him out of

184
00:07:46,790 --> 00:07:44,460
his house and made him go on camera he

185
00:07:48,890 --> 00:07:46,800
would give me because of our frenzy he'd

186
00:07:50,510 --> 00:07:48,900
give me a an interview but he wanted

187
00:07:53,450 --> 00:07:50,520
nothing to do with it and it sort of

188
00:07:55,909 --> 00:07:53,460

nosedived until you came along so I'm

189

00:07:59,330 --> 00:07:55,919

recalculating my math on whose fault

190

00:08:02,210 --> 00:07:59,340

storm 51 is I'll give 20 percent to Bob

191

00:08:06,469 --> 00:08:02,220

60 to you and the other 20 percent to

192

00:08:07,850 --> 00:08:06,479

Joe Rogan okay okay but hold on

193

00:08:10,189 --> 00:08:07,860

great at math but we're going to

194

00:08:13,570 --> 00:08:10,199

recalculate this further so you are

195

00:08:16,309 --> 00:08:13,580

admitting that the the storm Area 51

196

00:08:19,969 --> 00:08:16,319

phenomenon that that thing would not

197

00:08:22,309 --> 00:08:19,979

have occurred if you hadn't told people

198

00:08:23,930 --> 00:08:22,319

that there are people from within

199

00:08:26,390 --> 00:08:23,940

government coming out saying we're

200

00:08:28,790 --> 00:08:26,400

reverse engineering alien spacecraft you

201
00:08:30,830 --> 00:08:28,800
admit this much that when you did that

202
00:08:32,449 --> 00:08:30,840
in 1989 that's when people [h__\h]

203
00:08:34,310 --> 00:08:32,459
learned about it right it put it on the

204
00:08:36,529 --> 00:08:34,320
map and then it went away okay it was

205
00:08:38,810 --> 00:08:36,539
gone okay so I'm just okay I'm

206
00:08:40,790 --> 00:08:38,820
personally curious what did you think

207
00:08:44,269 --> 00:08:40,800
when I told you

208
00:08:47,090 --> 00:08:44,279
I got it Bob's agreed we're gonna do it

209
00:08:50,329 --> 00:08:47,100
not a not a short clip

210
00:08:53,570 --> 00:08:50,339
not a not a because something happened

211
00:08:56,690 --> 00:08:53,580
we're gonna tell this story in full

212
00:08:59,269 --> 00:08:56,700
feature film format even though I'm not

213
00:09:01,430 --> 00:08:59,279

like a known filmmaker

214

00:09:04,070 --> 00:09:01,440

he is he's agreed what did you think

215

00:09:06,829 --> 00:09:04,080

well I I was initially skeptical because

216

00:09:08,210 --> 00:09:06,839

Bob has been so reluctant to fully

217

00:09:09,650 --> 00:09:08,220

commit to something like that you know

218

00:09:11,030 --> 00:09:09,660

we've done a lot of stories over the

219

00:09:13,850 --> 00:09:11,040

years

220

00:09:16,009 --> 00:09:13,860

um intermittently and uh you know he's

221

00:09:18,110 --> 00:09:16,019

tried to put it behind him he is not a

222

00:09:19,970 --> 00:09:18,120

guy who lives off of this he has a

223

00:09:22,790 --> 00:09:19,980

business and a life and a family and

224

00:09:24,410 --> 00:09:22,800

would like it to go away so the idea

225

00:09:27,470 --> 00:09:24,420

that he would commit to opening up

226

00:09:29,030 --> 00:09:27,480

completely to you I I found that uh I'll

227

00:09:31,850 --> 00:09:29,040

believe it when I see it the second part

228

00:09:34,190 --> 00:09:31,860

is the story is complicated it's not

229

00:09:37,070 --> 00:09:34,200

simple it's not a simple thing you I I

230

00:09:38,870 --> 00:09:37,080

see people in social media even now who

231

00:09:40,250 --> 00:09:38,880

make up their minds I believe Bob I

232

00:09:43,130 --> 00:09:40,260

don't believe Bob here's why I believe

233

00:09:45,889 --> 00:09:43,140

him here's why I don't and they know so

234

00:09:47,509 --> 00:09:45,899

little about what really has gone on the

235

00:09:49,790 --> 00:09:47,519

undercurrents of the story what it was

236

00:09:51,650 --> 00:09:49,800

like to be around then you know I can

237

00:09:54,170 --> 00:09:51,660

understand people being skeptical about

238

00:09:56,090 --> 00:09:54,180

it it's outrageous it's it's off the

239

00:09:57,829 --> 00:09:56,100

charts it's crazy

240

00:09:59,150 --> 00:09:57,839

um and it's a lot less crazy now that

241

00:10:01,550 --> 00:09:59,160

people are talking about reverse

242

00:10:04,970 --> 00:10:01,560

engineering programs and Legacy UFO

243

00:10:07,130 --> 00:10:04,980

programs but back then it was right out

244

00:10:09,410 --> 00:10:07,140

of the blue and and I could see people

245

00:10:12,050 --> 00:10:09,420

not believing it but

246

00:10:14,690 --> 00:10:12,060

you know there was so much that happened

247

00:10:16,610 --> 00:10:14,700

that that is hard to convey from back in

248

00:10:19,790 --> 00:10:16,620

those days things that were going on

249

00:10:21,769 --> 00:10:19,800

behind the scenes the terror that was

250

00:10:23,509 --> 00:10:21,779

real you know the the people that were

251
00:10:25,850 --> 00:10:23,519
following us around them messing with us

252
00:10:28,009 --> 00:10:25,860
and breaking into his homes and

253
00:10:29,810 --> 00:10:28,019
burglarizing his car and playing mind

254
00:10:31,970 --> 00:10:29,820
games with him and scaring the hell out

255
00:10:35,870 --> 00:10:31,980
of him I mean it was real stuff it was

256
00:10:38,269 --> 00:10:35,880
really going on so you know look um my

257
00:10:39,829 --> 00:10:38,279
aim and and there's so many funny things

258
00:10:43,190 --> 00:10:39,839
I could tell you about making the film

259
00:10:45,530 --> 00:10:43,200
but like my aim was like finally after

260
00:10:48,470 --> 00:10:45,540
all these years I I just want to people

261
00:10:50,509 --> 00:10:48,480
to see kind of like who he is but you

262
00:10:52,250 --> 00:10:50,519
were so it was so funny man I guess

263
00:10:54,710 --> 00:10:52,260

things had gone so wrong for you with

264

00:10:56,569 --> 00:10:54,720

like you know trying to you know kind of

265

00:10:58,670 --> 00:10:56,579

fully get you know his attention with

266

00:11:00,829 --> 00:10:58,680

this that it was like when when finally

267

00:11:03,050 --> 00:11:00,839

I'm like filming in his kitchen and he's

268

00:11:04,730 --> 00:11:03,060

making coffee which I think I've put

269

00:11:06,949 --> 00:11:04,740

that in there I made sure to show there

270

00:11:09,110 --> 00:11:06,959

is it in there remember yeah

271

00:11:11,150 --> 00:11:09,120

um but it was just like this idea of

272

00:11:12,889 --> 00:11:11,160

just let's find out who he is like I

273

00:11:14,930 --> 00:11:12,899

wasn't making a film to go through Point

274

00:11:16,910 --> 00:11:14,940

by Point like is he telling truth just

275

00:11:17,930 --> 00:11:16,920

see who he is we'll talk about all that

276

00:11:19,310 --> 00:11:17,940

later

277

00:11:21,410 --> 00:11:19,320

um I remember your kind of skepticism

278

00:11:23,030 --> 00:11:21,420

you kind of kept telling me like

279

00:11:24,949 --> 00:11:23,040

the other shoe is going to drop

280

00:11:26,810 --> 00:11:24,959

something's going to go wrong he's going

281

00:11:29,930 --> 00:11:26,820

to get raided by you know you told me

282

00:11:32,150 --> 00:11:29,940

some crazy like something bad is gonna

283

00:11:34,670 --> 00:11:32,160

happen this is not gonna happen for you

284

00:11:36,829 --> 00:11:34,680

and I was like just let's pretend it's

285

00:11:38,930 --> 00:11:36,839

gonna happen right let's just keep

286

00:11:40,850 --> 00:11:38,940

moving so I want to kind of thank you

287

00:11:43,130 --> 00:11:40,860

first of all because

288

00:11:44,389 --> 00:11:43,140

why I put you as a producer on there I

289

00:11:47,150 --> 00:11:44,399

just want to be clear to everybody it's

290

00:11:50,090 --> 00:11:47,160

not because like uh you know you're like

291

00:11:53,449 --> 00:11:50,100

had your hand in this movie but people

292

00:11:55,490 --> 00:11:53,459

say crazy [h__h] it was just because I

293

00:11:57,650 --> 00:11:55,500

couldn't do this without you I wouldn't

294

00:11:58,790 --> 00:11:57,660

make the mistakes of other people of

295

00:12:00,710 --> 00:11:58,800

course we're working together all the

296

00:12:02,930 --> 00:12:00,720

time I would never do it without but I

297

00:12:06,290 --> 00:12:02,940

couldn't do it without you so we sat

298

00:12:08,690 --> 00:12:06,300

down and every time I exported a clip

299

00:12:10,190 --> 00:12:08,700

and and sometimes I was like oh no this

300

00:12:12,290 --> 00:12:10,200

is messed up something's wrong here and

301

00:12:14,690 --> 00:12:12,300

you're like hold a second

302

00:12:19,190 --> 00:12:14,700

look a little deeper we did an interview

303

00:12:20,630 --> 00:12:19,200

back here read it listen to it so you

304

00:12:24,710 --> 00:12:20,640

ended up giving me

305

00:12:26,569 --> 00:12:24,720

like just so much access to things that

306

00:12:28,670 --> 00:12:26,579

so Bob gave me Total Access whatever you

307

00:12:31,610 --> 00:12:28,680

want but he didn't know Lane Keck

308

00:12:33,290 --> 00:12:31,620

anymore Lane Keck is the guy who did the

309

00:12:35,569 --> 00:12:33,300

um hypnotic regression hypnotic

310

00:12:38,090 --> 00:12:35,579

regression which so everybody knows it's

311

00:12:40,850 --> 00:12:38,100

just so that you relax and can clear

312

00:12:43,910 --> 00:12:40,860

your mind and try to recall finite

313

00:12:46,370 --> 00:12:43,920

details so you were like well I know

314

00:12:48,410 --> 00:12:46,380

lame you know uh you know he works here

315

00:12:50,269 --> 00:12:48,420

down at this place still I think so I

316

00:12:52,730 --> 00:12:50,279

called Lane and Lane would never let me

317

00:12:54,949 --> 00:12:52,740

in except for the fact I said I know

318

00:12:57,230 --> 00:12:54,959

George [h__\h] nap so then he was

319

00:12:58,490 --> 00:12:57,240

like okay and boy did he let me in what

320

00:13:02,210 --> 00:12:58,500

you don't see in the film I've never

321

00:13:05,509 --> 00:13:02,220

released this Lane went through with me

322

00:13:09,230 --> 00:13:05,519

his original handwritten in real-time

323

00:13:12,050 --> 00:13:09,240

notes of of what Bob was saying and and

324

00:13:15,170 --> 00:13:12,060

he thought Bob was saying desk I'm in a

325

00:13:18,769 --> 00:13:15,180

room there's a desk but like Bob was

326

00:13:20,449 --> 00:13:18,779

saying disc and Lane had no idea why

327

00:13:23,590 --> 00:13:20,459

this guy wanted to remember a time of

328

00:13:26,449 --> 00:13:23,600

his life so sitting back with Lane

329

00:13:27,949 --> 00:13:26,459

watching and filming with him and seeing

330

00:13:30,769 --> 00:13:27,959

his handwritten notes and I photographed

331

00:13:33,470 --> 00:13:30,779

every single note on my iPhone that he

332

00:13:36,949 --> 00:13:33,480

had from that live session he showed me

333

00:13:39,290 --> 00:13:36,959

this drawing and the thing is Bob drew

334

00:13:42,290 --> 00:13:39,300

it and we didn't know what it was and

335

00:13:44,210 --> 00:13:42,300

then he he flipped it it was a saucer

336

00:13:47,509 --> 00:13:44,220

but the thing is Bob's just kind of like

337

00:13:51,829 --> 00:13:47,519

drawing it so Lane goes oh my gosh you

338

00:13:54,170 --> 00:13:51,839

did hypnosis to try to recall details

339

00:13:57,530 --> 00:13:54,180

from your employment and from the

340

00:13:59,210 --> 00:13:57,540

physics right of what you learn is that

341

00:14:03,170 --> 00:13:59,220

correct yeah that's correct with Lane

342

00:14:05,750 --> 00:14:03,180

Keck okay and did you recall anything

343

00:14:07,370 --> 00:14:05,760

yeah I did I mean specifics things you

344

00:14:10,250 --> 00:14:07,380

might might have missed I basically

345

00:14:12,230 --> 00:14:10,260

wanted to try everything I could to

346

00:14:14,389 --> 00:14:12,240

prove what I was saying so this is just

347

00:14:17,389 --> 00:14:14,399

another tool you're familiar with the

348

00:14:20,090 --> 00:14:17,399

hypnosis can work yeah to recall yeah

349

00:14:22,550 --> 00:14:20,100

and I I had had it done to me before so

350

00:14:25,190 --> 00:14:22,560

I had proven that yeah this really does

351

00:14:27,230 --> 00:14:25,200

do something let's try and remember some

352

00:14:29,690 --> 00:14:27,240

fine details

353

00:14:32,090 --> 00:14:29,700

or you wanted to recall some Physics

354

00:14:34,190 --> 00:14:32,100

that you learned there yeah I wanted I

355

00:14:36,350 --> 00:14:34,200

wanted to recall as much as I possibly

356

00:14:38,569 --> 00:14:36,360

could I mean so much went through my

357

00:14:42,769 --> 00:14:38,579

mind just imagine all the things you

358

00:14:44,329 --> 00:14:42,779

were seeing and everyone is completely

359

00:14:47,329 --> 00:14:44,339

fascinating and something you haven't

360

00:14:49,389 --> 00:14:47,339

seen before it's just data overload so I

361

00:14:51,769 --> 00:14:49,399

was hoping that

362

00:14:53,810 --> 00:14:51,779

hypnosis would get me relaxed enough

363

00:14:55,550 --> 00:14:53,820

where maybe everything was paxo tight

364

00:14:57,889 --> 00:14:55,560

together maybe I could just start

365

00:15:00,769 --> 00:14:57,899

thumbing through things and just pick up

366

00:15:04,069 --> 00:15:00,779

an even a couple little bar tidbits

367

00:15:06,610 --> 00:15:04,079

could paint a bigger picture and I could

368

00:15:09,590 --> 00:15:06,620

you know possibly explain things better

369

00:15:12,230 --> 00:15:09,600

or you know possibly locate some of

370

00:15:14,509 --> 00:15:12,240

these other guys or anything any bit of

371

00:15:15,769 --> 00:15:14,519

information so yeah and it was pretty

372

00:15:18,230 --> 00:15:15,779

handy

373

00:15:20,930 --> 00:15:18,240

so you did recall some things yeah

374

00:15:26,030 --> 00:15:20,940

technically yeah technical things and

375

00:15:31,189 --> 00:15:29,329

more and more hypnosis is accepted

376

00:15:34,850 --> 00:15:31,199

however there's still a lot of

377

00:15:38,449 --> 00:15:34,860

misconceptions about it like what

378

00:15:39,350 --> 00:15:38,459

oh they think that you go into a trance

379

00:15:44,329 --> 00:15:39,360

and

380

00:15:46,850 --> 00:15:44,339

your life changes

381

00:15:48,590 --> 00:15:46,860

and that's not the case at all there's

382

00:15:54,490 --> 00:15:48,600

no mind control

383

00:15:54,500 --> 00:16:01,069

and just just think relax relaxation

384

00:16:07,490 --> 00:16:03,949

now just think about your head and relax

385

00:16:11,750 --> 00:16:09,050

I don't know that's bad that's that's

386

00:16:14,269 --> 00:16:11,760

just really fascinating but I think it

387

00:16:16,310 --> 00:16:14,279

is a shielding material

388

00:16:45,610 --> 00:16:16,320

s

389

00:16:45,620 --> 00:16:51,490

like the lid on the reactor

390

00:16:56,810 --> 00:16:55,610

the actual curve basketball oh what

391

00:17:01,430 --> 00:16:56,820

would it be

392

00:17:05,449 --> 00:17:02,990

I just want I like to stick to the

393

00:17:07,010 --> 00:17:05,459

technical stuff because that it fills in

394

00:17:08,809 --> 00:17:07,020

my picture a lot better and allows me to

395

00:17:11,689 --> 00:17:08,819

duplicate more things

396

00:17:13,370 --> 00:17:11,699

get a better handle on stuff what it all

397

00:17:14,929 --> 00:17:13,380

makes sense yeah but I'd rather stick

398

00:17:16,669 --> 00:17:14,939

with that stuff than the spiritual stuff

399

00:17:20,750 --> 00:17:16,679

well I know that that's a big deal but

400

00:17:21,789 --> 00:17:20,760

all right to the tips of your toes just

401
00:17:25,189 --> 00:17:21,799
relax

402
00:17:27,949 --> 00:17:25,199
completely now what I want you to do

403
00:17:29,630 --> 00:17:27,959
is to get as comfortable as you possibly

404
00:17:34,070 --> 00:17:29,640
can

405
00:17:39,950 --> 00:17:36,650
and just relax completely

406
00:17:43,330 --> 00:17:39,960
now double your relaxation and the

407
00:17:48,470 --> 00:17:43,340
number 100 will be there

408
00:17:53,450 --> 00:17:48,480
one zero zero double your relaxation

409
00:17:58,549 --> 00:17:53,460
and the number 99 will come right on it

410
00:18:03,230 --> 00:18:01,250
I'll just let your mind sweep through

411
00:18:07,130 --> 00:18:03,240
your whole being

412
00:18:08,390 --> 00:18:07,140
relaxing every once and every nerve in

413
00:18:11,390 --> 00:18:08,400

your body

414

00:18:12,770 --> 00:18:11,400

just relax completely

415

00:18:14,150 --> 00:18:12,780

please

416

00:18:19,450 --> 00:18:14,160

Bob

417

00:18:22,370 --> 00:18:19,460

From This Moment On from this moment on

418

00:18:26,930 --> 00:18:22,380

you will recall and remember the

419

00:18:30,890 --> 00:18:26,940

material that you seek and no one or

420

00:18:32,750 --> 00:18:30,900

nothing past presence or future will

421

00:18:34,610 --> 00:18:32,760

stand in your way

422

00:18:37,610 --> 00:18:34,620

Bob

423

00:18:42,650 --> 00:18:40,310

you will remember

424

00:18:52,130 --> 00:18:42,660

because you desire

425

00:18:52,140 --> 00:18:56,510

at one point

426

00:19:03,950 --> 00:18:59,810

he was in hypnosis

427

00:19:05,630 --> 00:19:03,960

I think it was drawing a reactor he was

428

00:19:09,289 --> 00:19:05,640

trying to recall what was in the books

429

00:19:11,870 --> 00:19:09,299

he saw it in the book and then

430

00:19:15,529 --> 00:19:11,880

I told him well you'll come up and open

431

00:19:17,990 --> 00:19:15,539

your eyes you'll be able to draw and uh

432

00:19:19,909 --> 00:19:18,000

he did but it didn't mean anything to it

433

00:19:23,690 --> 00:19:19,919

but

434

00:19:28,310 --> 00:19:23,700

it was a drawing that

435

00:19:31,730 --> 00:19:28,320

he drew this way oh no way but it was

436

00:19:34,370 --> 00:19:31,740

this way and so afterwards

437

00:19:36,710 --> 00:19:34,380

he looked at it he you know came back

438

00:19:39,350 --> 00:19:36,720

over and sat down here for a while and

439

00:19:41,870 --> 00:19:39,360

oh that's because all he had to do is

440

00:19:44,330 --> 00:19:41,880

turn it so that's the super conscious

441

00:19:46,370 --> 00:19:44,340

and literal the subconscious takes

442

00:19:48,289 --> 00:19:46,380

things literally like it's like the mind

443

00:19:50,090 --> 00:19:48,299

is absorbing all this stuff and then he

444

00:19:53,630 --> 00:19:50,100

discovers what his mind had absorbed

445

00:19:57,049 --> 00:19:53,640

he's remembering yeah I was writing so

446

00:19:59,090 --> 00:19:57,059

fast I can't imagine what you were

447

00:20:02,150 --> 00:19:59,100

thinking too because you're discovering

448

00:20:04,010 --> 00:20:02,160

with them that kind of shock

449

00:20:07,610 --> 00:20:04,020

what's the truth

450

00:20:10,070 --> 00:20:07,620

hypnosis is the best possible tool of

451
00:20:11,630 --> 00:20:10,080
getting to the truth if a person makes

452
00:20:13,490 --> 00:20:11,640
things up normally

453
00:20:16,070 --> 00:20:13,500
they can lie under hypnosis just as

454
00:20:18,590 --> 00:20:16,080
easily as out of hypnosis but if they're

455
00:20:21,650 --> 00:20:18,600
really trying to get to and retrieve

456
00:20:26,090 --> 00:20:21,660
information then it's the best tool that

457
00:20:32,090 --> 00:20:28,310
he came in to find out what he didn't

458
00:20:39,049 --> 00:20:32,100
know we were able to go back overcome

459
00:20:44,990 --> 00:20:42,470
so here's my point is that making this

460
00:20:46,909 --> 00:20:45,000
movie was really the start if we're

461
00:20:51,710 --> 00:20:46,919
going to lead to who's at fault for

462
00:20:53,750 --> 00:20:51,720
storm area 51. you know I would say that

463
00:20:56,750 --> 00:20:53,760

we've identified that it's your fault

464

00:20:59,390 --> 00:20:56,760

we've identified that it's Bob's fault

465

00:21:01,970 --> 00:20:59,400

and then we've identified that the movie

466

00:21:05,150 --> 00:21:01,980

sparked interest

467

00:21:06,830 --> 00:21:05,160

and and honestly it was like to try to

468

00:21:08,690 --> 00:21:06,840

get and I'd love to tell you about

469

00:21:10,070 --> 00:21:08,700

Mickey Rourke and why he decided to

470

00:21:12,110 --> 00:21:10,080

narrate the film but I don't think we're

471

00:21:14,330 --> 00:21:12,120

going to go into that today but like

472

00:21:17,450 --> 00:21:14,340

let's get to storm

473

00:21:20,930 --> 00:21:17,460

I think it was like finally because I

474

00:21:23,570 --> 00:21:20,940

knew as a fan I wanted to know what is

475

00:21:25,250 --> 00:21:23,580

this guy actually like what is he

476
00:21:27,409 --> 00:21:25,260
actually like well that's the kind of

477
00:21:29,870 --> 00:21:27,419
thing that I could not do in the series

478
00:21:32,090 --> 00:21:29,880
that I produced about Bob one in 1989

479
00:21:34,190 --> 00:21:32,100
and then one in 1990 is you know I'm

480
00:21:35,750 --> 00:21:34,200
doing the basics here's where he says he

481
00:21:38,450 --> 00:21:35,760
went to school here's where the records

482
00:21:41,149 --> 00:21:38,460
news going to Los Alamos was he really

483
00:21:43,010 --> 00:21:41,159
there talk to fellow employees see if we

484
00:21:45,590 --> 00:21:43,020
can get some actual paper trail that

485
00:21:47,270 --> 00:21:45,600
proves he was there and then the telling

486
00:21:50,270 --> 00:21:47,280
the basic story of him but it wasn't

487
00:21:53,450 --> 00:21:50,280
really about Bob as a human being and I

488
00:21:55,130 --> 00:21:53,460

thought your idea of exposing him to the

489

00:21:57,610 --> 00:21:55,140

world about what he's really like and

490

00:22:00,770 --> 00:21:57,620

who he is was a brilliant idea because

491

00:22:03,350 --> 00:22:00,780

people who know Bob people who know him

492

00:22:05,029 --> 00:22:03,360

the best yes who are closest to him are

493

00:22:07,310 --> 00:22:05,039

the ones that believe him the most

494

00:22:10,190 --> 00:22:07,320

that's right it there's the people who

495

00:22:13,549 --> 00:22:10,200

are around him all the time his wife his

496

00:22:15,950 --> 00:22:13,559

mom Jean Huff Jim taliani

497

00:22:17,810 --> 00:22:15,960

um Joe a guy will talk about at some

498

00:22:19,549 --> 00:22:17,820

other point people have been around him

499

00:22:21,169 --> 00:22:19,559

a long time but the ones that stand by

500

00:22:23,510 --> 00:22:21,179

him and know that he's not making this

501
00:22:25,730 --> 00:22:23,520
stuff up so the idea was if you could

502
00:22:27,710 --> 00:22:25,740
get that if you could show that side of

503
00:22:29,990 --> 00:22:27,720
Bob Lazar that would be pretty awesome

504
00:22:31,669 --> 00:22:30,000
and it it turned out to be awesome it

505
00:22:34,010 --> 00:22:31,679
was awesome you know I did not expect

506
00:22:36,110 --> 00:22:34,020
that it would be you know picked up by

507
00:22:38,090 --> 00:22:36,120
Netflix I remember first movie was but I

508
00:22:39,770 --> 00:22:38,100
felt like just like a lucky dude it was

509
00:22:41,230 --> 00:22:39,780
like crazy I'm not really you know

510
00:22:44,450 --> 00:22:41,240
established with what I'm doing yet

511
00:22:46,610 --> 00:22:44,460
that's a whole nother story but I think

512
00:22:48,529 --> 00:22:46,620
you know the interesting thing here is

513
00:22:52,250 --> 00:22:48,539

that from from my perspective is that

514

00:22:54,350 --> 00:22:52,260

you were so like you thought there's no

515

00:22:57,470 --> 00:22:54,360

way it's gonna go wrong

516

00:23:00,289 --> 00:22:57,480

Bob does not want to retell at you know

517

00:23:04,909 --> 00:23:00,299

he's done he has taken so much [h__h] the

518

00:23:07,669 --> 00:23:04,919

hook to Bob was that look dude

519

00:23:10,430 --> 00:23:07,679

everybody's lying about you sexually

520

00:23:12,409 --> 00:23:10,440

lying so easy they say they they put

521

00:23:13,970 --> 00:23:12,419

your name they say babazar conspiracy

522

00:23:17,090 --> 00:23:13,980

theorists they don't say

523

00:23:19,190 --> 00:23:17,100

Bob Lazar owner of United nuclear which

524

00:23:21,770 --> 00:23:19,200

is his company right which he has

525

00:23:23,750 --> 00:23:21,780

passion for it's it's like Willy Wonka

526

00:23:25,430 --> 00:23:23,760

of science when you're in there which

527

00:23:27,950 --> 00:23:25,440

the feds were in there too it turns out

528

00:23:31,669 --> 00:23:27,960

we should talk about that so because the

529

00:23:34,970 --> 00:23:31,679

fed's raiding Bob Lazar I think created

530

00:23:36,649 --> 00:23:34,980

a pinpoint that helped the storm Area 51

531

00:23:39,409 --> 00:23:36,659

cultural movement that was going on

532

00:23:42,409 --> 00:23:39,419

occur so we should get into the raid but

533

00:23:45,470 --> 00:23:42,419

the main thing here is that

534

00:23:47,570 --> 00:23:45,480

you didn't think you thought something

535

00:23:49,789 --> 00:23:47,580

bad would happen that it just because he

536

00:23:52,850 --> 00:23:49,799

you know but the hook to him was

537

00:23:55,010 --> 00:23:52,860

everybody's lying about you that's I

538

00:23:57,110 --> 00:23:55,020

hear the lies I know their lies other

539

00:23:58,669 --> 00:23:57,120

people don't so either you tell your

540

00:24:00,710 --> 00:23:58,679

story again

541

00:24:03,409 --> 00:24:00,720

word for word

542

00:24:05,270 --> 00:24:03,419

your account what happened or in history

543

00:24:08,149 --> 00:24:05,280

it's going down is what other people say

544

00:24:10,789 --> 00:24:08,159

and I that took like a year but you

545

00:24:12,470 --> 00:24:10,799

could feel it boiling you're right I

546

00:24:16,010 --> 00:24:12,480

need to tell people again just word for

547

00:24:17,930 --> 00:24:16,020

word what happened to me well I mean my

548

00:24:20,270 --> 00:24:17,940

predictions of Doom

549

00:24:22,549 --> 00:24:20,280

um were not entirely unfounded I'd gone

550

00:24:24,830 --> 00:24:22,559

to see Bob he had moved to

551
00:24:26,710 --> 00:24:24,840
New Mexico after he left Las Vegas and

552
00:24:29,990 --> 00:24:26,720
he had a home there it was a nice place

553
00:24:32,330 --> 00:24:30,000
and uh it was an anniversary maybe 20

554
00:24:33,649 --> 00:24:32,340
years after the the first series or

555
00:24:35,990 --> 00:24:33,659
something like that and I went to go see

556
00:24:38,149 --> 00:24:36,000
him and he'd welcomed Us in and he

557
00:24:41,390 --> 00:24:38,159
showed me around this place he had built

558
00:24:43,430 --> 00:24:41,400
a this is Bob Bazaar fake scientist had

559
00:24:46,370 --> 00:24:43,440
built a 30-foot long particle

560
00:24:49,190 --> 00:24:46,380
accelerator that went through a house in

561
00:24:51,649 --> 00:24:49,200
the back of his home that was producing

562
00:24:54,230 --> 00:24:51,659
hydrogen fuel okay so hold on so people

563
00:24:55,970 --> 00:24:54,240

all the time scientists say that that's

564

00:24:58,789 --> 00:24:55,980

[\h__\h] you can't build a particle

565

00:25:00,590 --> 00:24:58,799

accelerator well hold the [\h__\h] up like

566

00:25:02,930 --> 00:25:00,600

that's the thing I should have him come

567

00:25:05,630 --> 00:25:02,940

and talk just about that like what he

568

00:25:08,390 --> 00:25:05,640

was doing was he was trying to create uh

569

00:25:10,310 --> 00:25:08,400

something very specific for a fuel cell

570

00:25:12,289 --> 00:25:10,320

that he was using that's why he moved to

571

00:25:13,789 --> 00:25:12,299

Michigan because he got like it was

572

00:25:15,649 --> 00:25:13,799

before Michigan this is in New Mexico

573

00:25:17,930 --> 00:25:15,659

right but he ended up moving to Michigan

574

00:25:19,789 --> 00:25:17,940

because what he was creating he thought

575

00:25:20,930 --> 00:25:19,799

the hydrogen car was going to be cool it

576

00:25:22,970 --> 00:25:20,940

was going to be big and he actually had

577

00:25:24,769 --> 00:25:22,980

operating hydrogen cars right there

578

00:25:26,750 --> 00:25:24,779

before it was like popular and all this

579

00:25:29,450 --> 00:25:26,760

[h__h] before hydrogen is not the future

580

00:25:33,350 --> 00:25:29,460

and it's electric but like people don't

581

00:25:35,810 --> 00:25:33,360

get that like it was there you saw it we

582

00:25:37,970 --> 00:25:35,820

you saw it function I've talked to other

583

00:25:40,970 --> 00:25:37,980

scientists that help him work on that it

584

00:25:43,669 --> 00:25:40,980

was to help create this specific element

585

00:25:46,190 --> 00:25:43,679

to I don't want to get my words weird

586

00:25:49,070 --> 00:25:46,200

you know not Element 115 it was it was

587

00:25:50,630 --> 00:25:49,080

it was a very simple process so we call

588

00:25:52,789 --> 00:25:50,640

it a part of accelerate because it was a

589

00:25:54,830 --> 00:25:52,799

particle accelerator but what it was to

590

00:25:57,590 --> 00:25:54,840

perform a task but it's this really cool

591

00:25:58,909 --> 00:25:57,600

with 30 feet tall yeah it was it was it

592

00:26:00,649 --> 00:25:58,919

went right through a building and he

593

00:26:02,750 --> 00:26:00,659

would use that to create this hydrogen

594

00:26:05,330 --> 00:26:02,760

fuel system he had already installed

595

00:26:07,909 --> 00:26:05,340

this system into two cars he ran a

596

00:26:08,930 --> 00:26:07,919

Corvette and it was two years at the

597

00:26:10,549 --> 00:26:08,940

point where I saw him it had been

598

00:26:12,049 --> 00:26:10,559

running for two years with no gasoline

599

00:26:14,269 --> 00:26:12,059

it was running on hydrogen there's a

600

00:26:16,610 --> 00:26:14,279

video out there that one of his good

601
00:26:19,130 --> 00:26:16,620
friends who I've been in contact with a

602
00:26:20,750 --> 00:26:19,140
little bit uh you know kind of made this

603
00:26:22,130 --> 00:26:20,760
cool little YouTube video where he's

604
00:26:23,690 --> 00:26:22,140
showing them the cars they're just a

605
00:26:25,730 --> 00:26:23,700
friend of his just came by it's on

606
00:26:27,289 --> 00:26:25,740
YouTube and he's showing them you know

607
00:26:29,450 --> 00:26:27,299
these hydrogen cars and people were like

608
00:26:32,029 --> 00:26:29,460
calling [h__\h] whatever I've seen that

609
00:26:34,970 --> 00:26:32,039
[h__\h] work it's crazy I mean this is like

610
00:26:37,909 --> 00:26:34,980
so anyway here's the point

611
00:26:42,649 --> 00:26:37,919
we get to the point where

612
00:26:45,590 --> 00:26:42,659
the film comes out and the world sees it

613
00:26:48,409 --> 00:26:45,600

on a scale that I did not anticipate and

614

00:26:50,450 --> 00:26:48,419

that's truth that's truth right there I

615

00:26:53,930 --> 00:26:50,460

didn't know I spent

616

00:26:55,730 --> 00:26:53,940

[h__h] nine years trying to to do it

617

00:26:58,310 --> 00:26:55,740

you know all this and then I dumped all

618

00:27:00,049 --> 00:26:58,320

my own money into this I had no idea

619

00:27:01,789 --> 00:27:00,059

that Netflix was gonna pick it up they

620

00:27:03,049 --> 00:27:01,799

picked up my first film but you can't

621

00:27:04,909 --> 00:27:03,059

get guaranteed

622

00:27:06,649 --> 00:27:04,919

so I was like I need to do like one

623

00:27:08,390 --> 00:27:06,659

interview so I got a few friends that

624

00:27:11,390 --> 00:27:08,400

could amplify this [h__h] but I didn't

625

00:27:14,450 --> 00:27:11,400

hear back from them right so one

626

00:27:17,330 --> 00:27:14,460

interview was all I Bob promised me he'd

627

00:27:19,850 --> 00:27:17,340

do one interview like you know on camera

628

00:27:21,590 --> 00:27:19,860

so we got asked by Larry King and that

629

00:27:23,990 --> 00:27:21,600

was such a cool interview because of

630

00:27:26,630 --> 00:27:24,000

Larry King's history with Area 51 and

631

00:27:29,810 --> 00:27:26,640

covering your stories you did this big

632

00:27:32,029 --> 00:27:29,820

thing out there right so there I am I

633

00:27:34,430 --> 00:27:32,039

going to Bob Larry King and Bob does not

634

00:27:37,669 --> 00:27:34,440

want to do this but he but he's doing it

635

00:27:40,010 --> 00:27:37,679

for me like his wife Joy was like you

636

00:27:41,750 --> 00:27:40,020

know you could tell that he didn't want

637

00:27:43,430 --> 00:27:41,760

to do it but he's doing it for me and

638

00:27:44,810 --> 00:27:43,440

I'm so grateful because I wanted to get

639

00:27:48,350 --> 00:27:44,820

the movie out I wanted people to see it

640

00:27:51,649 --> 00:27:48,360

I made the [h__h] movie why does the

641

00:27:53,590 --> 00:27:51,659

government hide this well what so we all

642

00:27:56,149 --> 00:27:53,600

believe most people believe in

643

00:27:57,529 --> 00:27:56,159

extraterrestrials right most people so

644

00:27:59,870 --> 00:27:57,539

what are you what are they afraid of

645

00:28:02,630 --> 00:27:59,880

we're living in a different world now

646

00:28:05,149 --> 00:28:02,640

since December of 2017 with Commander

647

00:28:07,549 --> 00:28:05,159

David fraver the Tic Tac UFO case which

648

00:28:09,350 --> 00:28:07,559

I broke before the New York Times I

649

00:28:11,990 --> 00:28:09,360

reported on that twice

650

00:28:13,850 --> 00:28:12,000

that case opened the door so we now know

651

00:28:15,890 --> 00:28:13,860

the government did not stop studying

652

00:28:18,590 --> 00:28:15,900

UFOs in 1969 there's a program called

653

00:28:20,029 --> 00:28:18,600

atip that program is now acknowledged so

654

00:28:21,649 --> 00:28:20,039

what what are what are they afraid of I

655

00:28:23,210 --> 00:28:21,659

think they're afraid of weaponization I

656

00:28:24,529 --> 00:28:23,220

think that's the issue here and also

657

00:28:26,390 --> 00:28:24,539

you're right we're not we're not alone

658

00:28:28,010 --> 00:28:26,400

in the universe well I always said it's

659

00:28:30,529 --> 00:28:28,020

why don't they just release information

660

00:28:32,269 --> 00:28:30,539

that these events occurred and they can

661

00:28:34,190 --> 00:28:32,279

keep the technology secret that I've

662

00:28:36,590 --> 00:28:34,200

never understood so I'm with you on that

663

00:28:38,870 --> 00:28:36,600

why are they afraid of you what are you

664

00:28:41,930 --> 00:28:38,880

going to tell us just what I did the

665

00:28:44,450 --> 00:28:41,940

existence of the project all right why

666

00:28:46,490 --> 00:28:44,460

why are they so afraid I I don't you'd

667

00:28:48,890 --> 00:28:46,500

have to ask them that

668

00:28:52,850 --> 00:28:48,900

so we do this interview with Larry King

669

00:28:55,130 --> 00:28:52,860

and then I get a call after Bob had done

670

00:28:58,909 --> 00:28:55,140

the one thing I begged them to do just

671

00:29:01,570 --> 00:28:58,919

one on camera interview for the film

672

00:29:06,590 --> 00:29:01,580

and I get a call from Joe Joe Rogan okay

673

00:29:08,930 --> 00:29:06,600

and man I I have so much gratitude and

674

00:29:11,690 --> 00:29:08,940

love for the fact that because he pushed

675

00:29:13,610 --> 00:29:11,700

me because he goes hey man can you get

676

00:29:15,890 --> 00:29:13,620

Bob on with me can we do it can we do it

677

00:29:19,789 --> 00:29:15,900

all together can we get Bob and I'm like

678

00:29:22,490 --> 00:29:19,799

no like you know he already did the one

679

00:29:24,769 --> 00:29:22,500

interview like he doesn't talk he

680

00:29:26,450 --> 00:29:24,779

doesn't want to do it man and I wish I

681

00:29:27,710 --> 00:29:26,460

could I can't do it I just remember him

682

00:29:30,529 --> 00:29:27,720

being like

683

00:29:32,690 --> 00:29:30,539

will you just ask him

684

00:29:35,510 --> 00:29:32,700

and I was like yeah

685

00:29:37,930 --> 00:29:35,520

yeah I can totally ask him

686

00:29:41,630 --> 00:29:37,940

but I knew Bob wouldn't really

687

00:29:43,490 --> 00:29:41,640

understand that somebody that we don't

688

00:29:45,049 --> 00:29:43,500

know you know if Joe's just gonna attack

689

00:29:46,909 --> 00:29:45,059

him or whatever like everybody else you

690

00:29:48,590 --> 00:29:46,919

know why would Bob want to do it so I

691

00:29:50,389 --> 00:29:48,600

called Bob before we went to Michigan

692

00:29:52,730 --> 00:29:50,399

together right

693

00:29:55,130 --> 00:29:52,740

to seal the deal you know to try to get

694

00:29:57,110 --> 00:29:55,140

them I was like Bob there's this guy

695

00:29:59,690 --> 00:29:57,120

named Joe Rogan he's [h__\h] awesome

696

00:30:00,710 --> 00:29:59,700

dude and uh I don't know what he wants

697

00:30:02,630 --> 00:30:00,720

to talk to you about but he wants to

698

00:30:05,269 --> 00:30:02,640

talk about your experiences didn't Bob

699

00:30:08,389 --> 00:30:05,279

ask you uh Joe Rogan is he a disc jockey

700

00:30:10,250 --> 00:30:08,399

he did he did oh my God Bob does not he

701
00:30:13,250 --> 00:30:10,260
did he does not know anything about like

702
00:30:14,690 --> 00:30:13,260
the outside kind of public publicity you

703
00:30:16,970 --> 00:30:14,700
know just kind of like the bigger World

704
00:30:19,250 --> 00:30:16,980
outside of his you know science that he

705
00:30:21,889 --> 00:30:19,260
loves he did ask me that it was okay so

706
00:30:24,769 --> 00:30:21,899
I had to translate no

707
00:30:27,769 --> 00:30:24,779
um well Joseph friend and he's a

708
00:30:30,289 --> 00:30:27,779
straightforward person and he's got a

709
00:30:33,710 --> 00:30:30,299
very direct way of kind of getting into

710
00:30:35,450 --> 00:30:33,720
things and I was like so disc jockey I

711
00:30:38,870 --> 00:30:35,460
don't even know what that means but no

712
00:30:40,970 --> 00:30:38,880
he he does a a podcast and he is you

713
00:30:42,889 --> 00:30:40,980

know he's a comedian you know so we'll

714

00:30:44,930 --> 00:30:42,899

have some laughs but you know it's a

715

00:30:48,110 --> 00:30:44,940

it's a big platform and I just think

716

00:30:50,690 --> 00:30:48,120

like if we were to do anything like if

717

00:30:55,010 --> 00:30:50,700

you really want to let people hear hear

718

00:30:57,049 --> 00:30:55,020

what happened to you your experiences

719

00:30:58,610 --> 00:30:57,059

um no matter you know if he like

720

00:31:01,370 --> 00:30:58,620

everybody else has trashed you up to

721

00:31:04,730 --> 00:31:01,380

here you know even if he does that

722

00:31:07,190 --> 00:31:04,740

um you'll at least be heard you know

723

00:31:08,990 --> 00:31:07,200

so he didn't really get it and he's like

724

00:31:10,970 --> 00:31:09,000

no

725

00:31:13,130 --> 00:31:10,980

so then we're like okay

726

00:31:14,750 --> 00:31:13,140

so you and I decide we're going to go to

727

00:31:16,970 --> 00:31:14,760

Michigan well anyway by the way because

728

00:31:19,730 --> 00:31:16,980

we wanted to just see Bob there's a

729

00:31:22,010 --> 00:31:19,740

movie that's out about him you know like

730

00:31:23,870 --> 00:31:22,020

let's just talk with him and hang out we

731

00:31:26,029 --> 00:31:23,880

wanted to have a beer and just [h__h]

732

00:31:28,130 --> 00:31:26,039

hang out with Bob because it was just so

733

00:31:30,110 --> 00:31:28,140

much running and gunning right which by

734

00:31:32,450 --> 00:31:30,120

the way my movie like I made like it was

735

00:31:35,690 --> 00:31:32,460

like I would have canceled it up to that

736

00:31:37,490 --> 00:31:35,700

second if it wasn't accurate and true in

737

00:31:39,110 --> 00:31:37,500

the eyes of the person that I am

738

00:31:41,269 --> 00:31:39,120

portraying that's the promise you made

739

00:31:44,330 --> 00:31:41,279

to Lazar that is the promise I made to

740

00:31:48,649 --> 00:31:44,340

Bob which is that to me I did make it to

741

00:31:51,649 --> 00:31:48,659

you too yeah I did and I got chills man

742

00:31:53,029 --> 00:31:51,659

um so here's the deal I I would have

743

00:31:55,610 --> 00:31:53,039

killed the phone because when you let

744

00:31:58,430 --> 00:31:55,620

somebody into your private life and make

745

00:32:01,909 --> 00:31:58,440

it public on a Netflix documentary that

746

00:32:04,190 --> 00:32:01,919

ended up being wildly successful

747

00:32:06,409 --> 00:32:04,200

you open yourself up personally and and

748

00:32:08,649 --> 00:32:06,419

everybody's past that like Bob's past

749

00:32:13,070 --> 00:32:08,659

that you're past that I don't want

750

00:32:15,169 --> 00:32:13,080

problems in my life we have good lives

751

00:32:17,630 --> 00:32:15,179

but I was I would have nuked the movie

752

00:32:19,190 --> 00:32:17,640

so you and I went out to have a beer and

753

00:32:21,769 --> 00:32:19,200

just kind of hang out with the fam and

754

00:32:24,409 --> 00:32:21,779

the dogs and all this but you're like

755

00:32:26,090 --> 00:32:24,419

Bob you really won't do this Joe Rogan

756

00:32:27,889 --> 00:32:26,100

thing you're like I think it might it

757

00:32:29,750 --> 00:32:27,899

doesn't matter every if everybody hates

758

00:32:31,490 --> 00:32:29,760

you whatever it doesn't matter if

759

00:32:34,010 --> 00:32:31,500

they're gonna come at you just say your

760

00:32:36,830 --> 00:32:34,020

piece and he's so hesitant and we go

761

00:32:39,830 --> 00:32:36,840

into one of his rooms and I remember

762

00:32:42,169 --> 00:32:39,840

calling Joe and being like okay here's

763

00:32:44,750 --> 00:32:42,179

Bob you convince him because I've done

764

00:32:46,730 --> 00:32:44,760

my best I took a photo the call you did

765

00:32:48,289 --> 00:32:46,740

three of us are on the phone we're

766

00:32:50,990 --> 00:32:48,299

talking with Rogan and in the back

767

00:32:53,630 --> 00:32:51,000

there's a poster I think John Lear is in

768

00:32:55,669 --> 00:32:53,640

the poster it's you John Lear and Bob

769

00:32:57,409 --> 00:32:55,679

Lazar that's an artist I don't remember

770

00:32:58,789 --> 00:32:57,419

I'll try to find that and put that out

771

00:33:00,649 --> 00:32:58,799

but it's an artist that made this really

772

00:33:03,590 --> 00:33:00,659

cool 80s style poster of the three of

773

00:33:06,590 --> 00:33:03,600

you but it was a cool photo a phone call

774

00:33:08,510 --> 00:33:06,600

Joe is you know he's a good dude and he

775

00:33:10,669 --> 00:33:08,520

uh he's very persuasive and he knows how

776

00:33:12,350 --> 00:33:10,679

to how to sort of gently twist

777

00:33:14,750 --> 00:33:12,360

somebody's arm without making him

778

00:33:17,149 --> 00:33:14,760

intimidated and it was it was a very

779

00:33:20,870 --> 00:33:17,159

persuasive call that ended up with a yes

780

00:33:23,870 --> 00:33:20,880

nobody could have got Bob Lazar

781

00:33:27,049 --> 00:33:23,880

on another broadcast like a visual film

782

00:33:29,450 --> 00:33:27,059

broadcast nobody on planet Earth but Joe

783

00:33:31,610 --> 00:33:29,460

because just though the way that he said

784

00:33:34,070 --> 00:33:31,620

look I just want to know I just want to

785

00:33:36,470 --> 00:33:34,080

know I'm not this is not about [h__h]

786

00:33:38,029 --> 00:33:36,480

trying to annihilate you I just want to

787

00:33:39,889 --> 00:33:38,039

hear what you have to say and that's

788

00:33:41,570 --> 00:33:39,899

what I really respected about it and I

789

00:33:44,149 --> 00:33:41,580

think that's what because he doesn't

790

00:33:45,649 --> 00:33:44,159

know who he is like Bob is so in his

791

00:33:46,970 --> 00:33:45,659

field this business and Science and

792

00:33:48,769 --> 00:33:46,980

United nuclear

793

00:33:51,110 --> 00:33:48,779

but I remember that phone call and I

794

00:33:52,789 --> 00:33:51,120

remember afterwards he's like I'll I'll

795

00:33:53,870 --> 00:33:52,799

think about it and he said I'll think

796

00:33:55,250 --> 00:33:53,880

about it and you and I know when Bob

797

00:33:56,210 --> 00:33:55,260

says that it's like he will think about

798

00:33:57,350 --> 00:33:56,220

it

799

00:33:58,669 --> 00:33:57,360

so I don't remember when he said he

800

00:34:00,649 --> 00:33:58,679

asked but I remember calling Joe and

801
00:34:02,029 --> 00:34:00,659
being like dude let's [h__\h] do it you

802
00:34:03,169 --> 00:34:02,039
know it's not gonna do it it's so cool

803
00:34:05,450 --> 00:34:03,179
man

804
00:34:07,549 --> 00:34:05,460
um Joe's seen the the film by that point

805
00:34:09,530 --> 00:34:07,559
by the time he made that call

806
00:34:11,690 --> 00:34:09,540
I can't remember

807
00:34:14,389 --> 00:34:11,700
Joe had

808
00:34:15,649 --> 00:34:14,399
seen the film I Believe by that time of

809
00:34:18,050 --> 00:34:15,659
the call because they had been out on

810
00:34:20,210 --> 00:34:18,060
iTunes so he saw it he saw it so you'll

811
00:34:22,550 --> 00:34:20,220
recall you know there have been some

812
00:34:25,849 --> 00:34:22,560
interviews and programs that he has done

813
00:34:28,010 --> 00:34:25,859

where he's pretty harsh on UFOs yeah he

814

00:34:30,230 --> 00:34:28,020

went through a big period and rightfully

815

00:34:32,329 --> 00:34:30,240

so you and I have been through that so

816

00:34:34,129 --> 00:34:32,339

there was there was a show Joe Rogan uh

817

00:34:36,409 --> 00:34:34,139

questions everything and and I remember

818

00:34:38,690 --> 00:34:36,419

that time because because I we we met up

819

00:34:41,210 --> 00:34:38,700

one time at this um motion capture

820

00:34:42,889 --> 00:34:41,220

Studio when he was filming that show the

821

00:34:45,230 --> 00:34:42,899

thing was was that a lot of the people

822

00:34:46,669 --> 00:34:45,240

that you know were coming at they're

823

00:34:50,030 --> 00:34:46,679

crazy you know that a lot of the awful

824

00:34:51,169 --> 00:34:50,040

people are just [h__h] crazy so if I

825

00:34:53,750 --> 00:34:51,179

was him I would have had the same

826

00:34:57,109 --> 00:34:53,760

experience I would have been like uh

827

00:34:58,910 --> 00:34:57,119

this is [h__h] you know everything so

828

00:35:00,770 --> 00:34:58,920

there was definitely a phase I think and

829

00:35:03,770 --> 00:35:00,780

Dave Foley who's all of our common

830

00:35:05,510 --> 00:35:03,780

friend he talks about that like that Joe

831

00:35:07,010 --> 00:35:05,520

is interested in UFOs I mean Joe will

832

00:35:09,050 --> 00:35:07,020

speak for himself on this room he does

833

00:35:11,329 --> 00:35:09,060

all the time but like but Dave Foley

834

00:35:13,370 --> 00:35:11,339

said then he was like not into it

835

00:35:15,530 --> 00:35:13,380

because the show kind of just this is

836

00:35:17,270 --> 00:35:15,540

[h__h] crazy and you and I can relate

837

00:35:18,650 --> 00:35:17,280

to that it's sometimes it's so crazy

838

00:35:21,230 --> 00:35:18,660

you're like I want nothing to do with

839

00:35:23,450 --> 00:35:21,240

this everybody's insane I remember Dave

840

00:35:25,670 --> 00:35:23,460

Foley Sam he called up Joe and being

841

00:35:29,210 --> 00:35:25,680

like you'd be very happy to know I am

842

00:35:30,770 --> 00:35:29,220

into UFOs again and I think Joe was

843

00:35:32,210 --> 00:35:30,780

something like that [h__h] like it was

844

00:35:33,410 --> 00:35:32,220

like I don't know it was something like

845

00:35:35,089 --> 00:35:33,420

that

846

00:35:37,609 --> 00:35:35,099

but I think he watched the documentary

847

00:35:40,130 --> 00:35:37,619

and he he did say to me a couple times I

848

00:35:41,329 --> 00:35:40,140

think on air too it's your fault Jeremy

849

00:35:43,730 --> 00:35:41,339

I think he started an episode like that

850

00:35:45,829 --> 00:35:43,740

I go whoa what what what what what

851

00:35:47,990 --> 00:35:45,839

specifically is my fault you know and

852

00:35:49,730 --> 00:35:48,000

he's like uh get me back into UFOs I go

853

00:35:51,170 --> 00:35:49,740

no wasn't that Dave Foley the guy back

854

00:35:52,790 --> 00:35:51,180

into UFOs because no it was your movie

855

00:35:55,190 --> 00:35:52,800

so I was like okay

856

00:35:57,109 --> 00:35:55,200

so I think he had watched it and I think

857

00:35:58,550 --> 00:35:57,119

that he thought

858

00:36:00,950 --> 00:35:58,560

I would love for him to speak for

859

00:36:02,870 --> 00:36:00,960

himself but I think that he thought hey

860

00:36:04,370 --> 00:36:02,880

let's just hear what Bob has to say

861

00:36:05,510 --> 00:36:04,380

right because everybody knows Bob's

862

00:36:07,430 --> 00:36:05,520

story from when you report it everybody

863

00:36:09,230 --> 00:36:07,440

knows it so like me like like everybody

864

00:36:12,410 --> 00:36:09,240

else on planet Earth I'd like to hear it

865

00:36:14,150 --> 00:36:12,420

so it was just a rough road and so Bob

866

00:36:17,990 --> 00:36:14,160

decided he would do

867

00:36:20,690 --> 00:36:18,000

The Joe Rogan Experience so we you know

868

00:36:22,430 --> 00:36:20,700

we when it ended up going there right

869

00:36:23,990 --> 00:36:22,440

so I was like I just basically said Bob

870

00:36:26,030 --> 00:36:24,000

get on a plane I mean you know like

871

00:36:30,530 --> 00:36:26,040

let's go I'll make it easy for you you

872

00:36:32,569 --> 00:36:30,540

know and then uh what happens is oh this

873

00:36:34,550 --> 00:36:32,579

is fun so so he gets

874

00:36:36,290 --> 00:36:34,560

I didn't want to get in all this so he

875

00:36:39,170 --> 00:36:36,300

gets a I have a migraine right now just

876

00:36:41,150 --> 00:36:39,180

for so everybody knows it's horrible so

877

00:36:42,890 --> 00:36:41,160

Bob like gets a migraine right before

878

00:36:44,690 --> 00:36:42,900

the thing because he's probably well

879

00:36:47,089 --> 00:36:44,700

first of all I fed him McDonald's and

880

00:36:48,950 --> 00:36:47,099

joy his wife was so mad at me that like

881

00:36:50,210 --> 00:36:48,960

I fed him like horrible food right

882

00:36:53,329 --> 00:36:50,220

before I think because it causes

883

00:36:56,810 --> 00:36:53,339

migraines whatever so everybody was like

884

00:36:59,150 --> 00:36:56,820

oh he got a migraine on that hold on did

885

00:37:01,190 --> 00:36:59,160

he not answer every question like

886

00:37:02,990 --> 00:37:01,200

migraine or not he had a [h__\h]

887

00:37:05,630 --> 00:37:03,000

migraine did he answer every question

888

00:37:07,190 --> 00:37:05,640

yeah he did so

889

00:37:08,450 --> 00:37:07,200

people that don't want to believe him

890

00:37:10,730 --> 00:37:08,460

will never believe him and you and I

891

00:37:13,790 --> 00:37:10,740

were so over it like believe him not

892

00:37:16,370 --> 00:37:13,800

believe him I don't care I know Bob is

893

00:37:18,710 --> 00:37:16,380

telling the truth I don't I don't think

894

00:37:21,050 --> 00:37:18,720

yeah I passed that bar a long time ago

895

00:37:22,790 --> 00:37:21,060

you know um I don't care what people

896

00:37:25,310 --> 00:37:22,800

think anymore

897

00:37:27,410 --> 00:37:25,320

decide don't decide I don't care easy

898

00:37:29,750 --> 00:37:27,420

way to say it right there I'm with you

899

00:37:31,910 --> 00:37:29,760

don't care but look man I didn't know

900

00:37:34,490 --> 00:37:31,920

like you know

901
00:37:36,109 --> 00:37:34,500
how this thing was gonna go but what

902
00:37:38,390 --> 00:37:36,119
happened was

903
00:37:40,250 --> 00:37:38,400
it [h__h] blew up

904
00:37:44,030 --> 00:37:40,260
I mean it like

905
00:37:46,250 --> 00:37:44,040
the powerful Joe Rogan I mean he looked

906
00:37:49,609 --> 00:37:46,260
at me after the thing and he was all

907
00:37:52,730 --> 00:37:49,619
don't read social media and I'm like why

908
00:37:54,170 --> 00:37:52,740
and I'm thinking to myself what what did

909
00:37:55,310 --> 00:37:54,180
I say you know what I mean but it was

910
00:37:57,230 --> 00:37:55,320
just like I think he was just as a

911
00:38:00,109 --> 00:37:57,240
friend being like other people's

912
00:38:01,310 --> 00:38:00,119
opinions don't matter

913
00:38:03,349 --> 00:38:01,320

they should be focused on the

914

00:38:05,270 --> 00:38:03,359

information he knew it was going to be a

915

00:38:09,589 --> 00:38:05,280

big show though right yeah yeah I I

916

00:38:14,030 --> 00:38:09,599

think that he knew how rare it was

917

00:38:17,329 --> 00:38:14,040

for uh I think he saw how hard I fought

918

00:38:19,849 --> 00:38:17,339

to get Bob on there I know he did I know

919

00:38:22,069 --> 00:38:19,859

he saw that and so I think he knew that

920

00:38:24,050 --> 00:38:22,079

like it was a special moment where we

921

00:38:25,630 --> 00:38:24,060

could like look and see if it's [h__h]

922

00:38:27,890 --> 00:38:25,640

or not if we could look at it together

923

00:38:29,270 --> 00:38:27,900

uh if he could look at it that's what

924

00:38:30,950 --> 00:38:29,280

everybody wants you have to meet

925

00:38:33,890 --> 00:38:30,960

somebody and something you said here

926
00:38:36,290 --> 00:38:33,900
come in with me here I want to something

927
00:38:40,609 --> 00:38:36,300
you said to me was that the people

928
00:38:42,770 --> 00:38:40,619
closest to Bob believe him the most now

929
00:38:44,270 --> 00:38:42,780
that is so important but what do you

930
00:38:46,069 --> 00:38:44,280
mean by that

931
00:38:48,230 --> 00:38:46,079
well I mean the people that spend the

932
00:38:50,750 --> 00:38:48,240
most time with them the people who know

933
00:38:52,970 --> 00:38:50,760
him as a person people that know he

934
00:38:55,550 --> 00:38:52,980
doesn't make stuff up that says Gene

935
00:38:58,250 --> 00:38:55,560
Huff is off It said Bob does not care

936
00:39:00,829 --> 00:38:58,260
about the outside world enough to where

937
00:39:02,870 --> 00:39:00,839
he'd make up some big elaborate lie yeah

938
00:39:05,810 --> 00:39:02,880

it just doesn't care he lives in Bob

939

00:39:08,030 --> 00:39:05,820

world he does experiments he builds

940

00:39:10,250 --> 00:39:08,040

things in his lab yeah you know he loves

941

00:39:12,290 --> 00:39:10,260

that kind of uh focusing on that part of

942

00:39:14,990 --> 00:39:12,300

his life and he does not care he he

943

00:39:16,849 --> 00:39:15,000

didn't know who Joe Rogan was yeah you

944

00:39:19,190 --> 00:39:16,859

know he doesn't watch television right

945

00:39:21,829 --> 00:39:19,200

so so but you telling me that I think

946

00:39:23,450 --> 00:39:21,839

it's so true and I think that you and I

947

00:39:25,910 --> 00:39:23,460

know that I kind of want people to at

948

00:39:28,310 --> 00:39:25,920

least hear it which is that you and I

949

00:39:30,470 --> 00:39:28,320

people have tried to lie to us many many

950

00:39:32,510 --> 00:39:30,480

actually on a daily basis many many

951
00:39:33,829 --> 00:39:32,520
times about UFO stuff trying to entice

952
00:39:36,470 --> 00:39:33,839
us

953
00:39:38,450 --> 00:39:36,480
um when you find somebody like that

954
00:39:40,849 --> 00:39:38,460
it's not like they have this perfect

955
00:39:42,710 --> 00:39:40,859
record of their life of being a almost

956
00:39:44,630 --> 00:39:42,720
to a fault because of what Bob

957
00:39:46,430 --> 00:39:44,640
experienced a truthful honest

958
00:39:47,569 --> 00:39:46,440
straightforward precise with his words

959
00:39:49,370 --> 00:39:47,579
person

960
00:39:51,470 --> 00:39:49,380
he became that a lot because of the

961
00:39:54,170 --> 00:39:51,480
damage that was caused by the people

962
00:39:57,349 --> 00:39:54,180
coming at him but when we get people

963
00:39:59,569 --> 00:39:57,359

that come at us with [h__h] the closer

964

00:40:02,510 --> 00:39:59,579

you get to their inner circles the more

965

00:40:04,370 --> 00:40:02,520

you hear that there are con artists that

966

00:40:06,349 --> 00:40:04,380

it's [h__h] so the important point

967

00:40:08,630 --> 00:40:06,359

that you made that I want to drive home

968

00:40:10,670 --> 00:40:08,640

is that The Closer you get someone who's

969

00:40:13,130 --> 00:40:10,680

who's an honest person the people

970

00:40:14,870 --> 00:40:13,140

closest to them will tell you that his

971

00:40:16,790 --> 00:40:14,880

friends I admit I have interviews with

972

00:40:18,530 --> 00:40:16,800

just people that have known him for 20

973

00:40:21,470 --> 00:40:18,540

years 30 years I've interviewed people

974

00:40:23,870 --> 00:40:21,480

that don't you know uh five years

975

00:40:27,530 --> 00:40:23,880

common thread

976

00:40:30,770 --> 00:40:27,540

he's he's honest to a fault so my my

977

00:40:34,790 --> 00:40:30,780

mouth now is that it's 25 Bob Lazar's

978

00:40:36,589 --> 00:40:34,800

fault 25 yours maybe 30 percent Joe and

979

00:40:38,810 --> 00:40:36,599

10 percent uh Dave Foley is that what

980

00:40:40,730 --> 00:40:38,820

you think you are completely bad at math

981

00:40:43,370 --> 00:40:40,740

and that's okay we're going to have a

982

00:40:45,710 --> 00:40:43,380

calculation on Twitter where we we ask

983

00:40:48,589 --> 00:40:45,720

who's at fault so

984

00:40:49,910 --> 00:40:48,599

come full circle back to storm 51. the

985

00:40:53,210 --> 00:40:49,920

film is a big hit

986

00:40:55,310 --> 00:40:53,220

it starts a big dialogue Joe blasts it

987

00:40:57,650 --> 00:40:55,320

out to the universe and it gets people

988

00:41:00,770 --> 00:40:57,660

talking about it and suddenly this guy

989

00:41:04,130 --> 00:41:00,780

on starts a meme on Facebook with a

990

00:41:07,069 --> 00:41:04,140

crazy idea that's right so I got these a

991

00:41:10,130 --> 00:41:07,079

barrage of texts that morning

992

00:41:12,170 --> 00:41:10,140

oh [h__h] dude look what happened and I'm

993

00:41:14,450 --> 00:41:12,180

like what happened and all of a sudden

994

00:41:19,310 --> 00:41:14,460

there's millions of people saying storm

995

00:41:20,329 --> 00:41:19,320

Area 51 and some kid just threw that up

996

00:41:23,510 --> 00:41:20,339

right

997

00:41:25,370 --> 00:41:23,520

and the thing was it got so big so quick

998

00:41:27,109 --> 00:41:25,380

so first of all I want to find out what

999

00:41:29,510 --> 00:41:27,119

happened how did this happen no one it's

1000

00:41:31,190 --> 00:41:29,520

day no one's storming Area 51 like you

1001
00:41:32,630 --> 00:41:31,200
and I are not about breaching that kind

1002
00:41:35,030 --> 00:41:32,640
of boundary we've talked about that a

1003
00:41:36,890 --> 00:41:35,040
lot what is going on this is a cultural

1004
00:41:39,109 --> 00:41:36,900
phenomenon now that phenomenon couldn't

1005
00:41:41,270 --> 00:41:39,119
have started if there wasn't these

1006
00:41:43,970 --> 00:41:41,280
precursors but I'm like what is going on

1007
00:41:45,770 --> 00:41:43,980
so I found the kid in Bakersfield right

1008
00:41:49,370 --> 00:41:45,780
and I I

1009
00:41:54,530 --> 00:41:49,380
was able to obtain a PR his cell phone

1010
00:41:57,109 --> 00:41:54,540
number right so I just um I called it

1011
00:41:59,510 --> 00:41:57,119
and then I texted it and I said this is

1012
00:42:02,270 --> 00:41:59,520
Jeremy Corbell can you please answer me

1013
00:42:03,770 --> 00:42:02,280

there have been no interviews no nothing

1014

00:42:06,109 --> 00:42:03,780

right

1015

00:42:08,930 --> 00:42:06,119

probably the the smartest thing that kid

1016

00:42:11,450 --> 00:42:08,940

did compared to other things that he did

1017

00:42:14,270 --> 00:42:11,460

which was call me back

1018

00:42:16,430 --> 00:42:14,280

so he had ghosted every major news

1019

00:42:18,349 --> 00:42:16,440

Outlet when I texted him this is Jeremy

1020

00:42:20,690 --> 00:42:18,359

Corby I think I did a video right so

1021

00:42:21,890 --> 00:42:20,700

like hey hey hey I'm not you know a fake

1022

00:42:23,510 --> 00:42:21,900

number

1023

00:42:26,630 --> 00:42:23,520

calls me back

1024

00:42:29,630 --> 00:42:26,640

I was like why did you do this and he's

1025

00:42:31,190 --> 00:42:29,640

like well um I know I it's cool right I

1026

00:42:34,550 --> 00:42:31,200

mean it's neat I well I watched your

1027

00:42:36,770 --> 00:42:34,560

movie uh babazar every 515 then I saw uh

1028

00:42:40,310 --> 00:42:36,780

you know the podcast with with with Joe

1029

00:42:42,050 --> 00:42:40,320

Rogan and balboazar and you and uh man

1030

00:42:43,370 --> 00:42:42,060

um I just thought it was funny you know

1031

00:42:46,370 --> 00:42:43,380

I just thought it was funny like store

1032

00:42:49,190 --> 00:42:46,380

mayor 51 I'm like okay

1033

00:42:50,810 --> 00:42:49,200

there might be some blowback I remember

1034

00:42:54,530 --> 00:42:50,820

saying that right

1035

00:42:56,510 --> 00:42:54,540

so next thing I know within this 24 hour

1036

00:42:58,490 --> 00:42:56,520

period where I'm just like oh that's

1037

00:43:01,250 --> 00:42:58,500

cool man listen let's not get people to

1038

00:43:03,170 --> 00:43:01,260

storm air 51 and instead why don't you

1039

00:43:04,910 --> 00:43:03,180

come on with me and I'll put up a little

1040

00:43:06,470 --> 00:43:04,920

YouTube thing where we talk about it

1041

00:43:08,690 --> 00:43:06,480

where we're just trying to have fun and

1042

00:43:10,849 --> 00:43:08,700

not storm a base I don't think he

1043

00:43:12,109 --> 00:43:10,859

understood the gravity of what had

1044

00:43:15,290 --> 00:43:12,119

happened

1045

00:43:19,130 --> 00:43:15,300

next thing I know he's calling me from a

1046

00:43:21,829 --> 00:43:19,140

bathroom and he's like the FBI are going

1047

00:43:24,349 --> 00:43:21,839

to my mom and they're looking for me I'm

1048

00:43:26,630 --> 00:43:24,359

working in a vape shop and I don't know

1049

00:43:29,510 --> 00:43:26,640

what to do and I'm like okay I know what

1050

00:43:31,130 --> 00:43:29,520

to do we're gonna call the G-Man I

1051
00:43:32,510 --> 00:43:31,140
called you up

1052
00:43:34,910 --> 00:43:32,520
and I was like look I don't know what

1053
00:43:37,309 --> 00:43:34,920
this is about I'm not involved but this

1054
00:43:39,050 --> 00:43:37,319
is a big Meme and this kid has the FBI

1055
00:43:41,630 --> 00:43:39,060
talking to his mom knocking on his home

1056
00:43:44,450 --> 00:43:41,640
door but he's at work right now what

1057
00:43:46,069 --> 00:43:44,460
does he do and you're like I've got a

1058
00:43:48,170 --> 00:43:46,079
lawyer and he needs to have

1059
00:43:51,589 --> 00:43:48,180
representation from the beginning

1060
00:43:53,150 --> 00:43:51,599
two uh you should because I have some

1061
00:43:55,309 --> 00:43:53,160
contacts that I can call within federal

1062
00:43:58,190 --> 00:43:55,319
agencies you should call and so do you

1063
00:44:01,370 --> 00:43:58,200

but you're like I'll do that you do this

1064

00:44:05,210 --> 00:44:01,380

call and try to get that sorted so I got

1065

00:44:08,990 --> 00:44:05,220

a kid on the phone I called Central FBI

1066

00:44:11,990 --> 00:44:09,000

then we routed directly to the office in

1067

00:44:15,170 --> 00:44:12,000

Bakersfield where uh the people looking

1068

00:44:15,950 --> 00:44:15,180

for him would be and I on the phone with

1069

00:44:19,790 --> 00:44:15,960

him

1070

00:44:21,470 --> 00:44:19,800

talk with the uh it wasn't quite the

1071

00:44:23,329 --> 00:44:21,480

agents that came in but it was the

1072

00:44:26,390 --> 00:44:23,339

people that knew they were tacit and my

1073

00:44:28,309 --> 00:44:26,400

question was this is this real are they

1074

00:44:30,410 --> 00:44:28,319

real federal agents can you confirm to

1075

00:44:31,730 --> 00:44:30,420

me that so-and-so's name is a real

1076

00:44:33,230 --> 00:44:31,740

federal agent that's what you and I do

1077

00:44:35,390 --> 00:44:33,240

every time people always tell us their

1078

00:44:37,730 --> 00:44:35,400

FBI okay well let's find out right

1079

00:44:41,270 --> 00:44:37,740

happens all the time so we I confirm

1080

00:44:43,250 --> 00:44:41,280

through central line that they are okay

1081

00:44:44,569 --> 00:44:43,260

whatever they want to talk about to my

1082

00:44:46,309 --> 00:44:44,579

friend who's on the line right now and

1083

00:44:47,990 --> 00:44:46,319

they had heard about the movie they had

1084

00:44:50,270 --> 00:44:48,000

heard about the Joe Rogan podcast this

1085

00:44:52,790 --> 00:44:50,280

is the FBI they had heard about the

1086

00:44:55,250 --> 00:44:52,800

storm meme obviously and sent agents out

1087

00:44:56,930 --> 00:44:55,260

so there we are you got the lawyer on

1088

00:44:58,670 --> 00:44:56,940

Deck ready to go

1089

00:45:01,370 --> 00:44:58,680

turns out they just wanted to make sure

1090

00:45:03,829 --> 00:45:01,380

the guy wasn't like serious or whatever

1091

00:45:05,990 --> 00:45:03,839

that it wasn't he wasn't some extremist

1092

00:45:08,390 --> 00:45:06,000

you know some terrorist domestic

1093

00:45:10,670 --> 00:45:08,400

extremist group and clearly the guy

1094

00:45:12,710 --> 00:45:10,680

wasn't so he had the kid ended up

1095

00:45:15,170 --> 00:45:12,720

talking to him at home we didn't have to

1096

00:45:17,569 --> 00:45:15,180

call in the big dogs is the point so

1097

00:45:20,329 --> 00:45:17,579

everything's fine however I'm like

1098

00:45:21,829 --> 00:45:20,339

George this is so cool let's go out

1099

00:45:24,829 --> 00:45:21,839

there that'll be fun and you're like

1100

00:45:27,829 --> 00:45:24,839

hold the [h__h] up you're like I'm a news

1101
00:45:29,750 --> 00:45:27,839
reporter and I'm going to cover it but

1102
00:45:31,670 --> 00:45:29,760
if you want to be part of it you

1103
00:45:32,870 --> 00:45:31,680
shouldn't be planning nothing I have

1104
00:45:35,210 --> 00:45:32,880
there are people out there that have

1105
00:45:36,829 --> 00:45:35,220
businesses and they should do their own

1106
00:45:40,490 --> 00:45:36,839
thing so explain the difference between

1107
00:45:42,890 --> 00:45:40,500
the alien what is that what is uh the

1108
00:45:45,230 --> 00:45:42,900
alien Research Center out there and why

1109
00:45:47,450 --> 00:45:45,240
we decided to kind of go to George's

1110
00:45:49,430 --> 00:45:47,460
event your your buddy let's get out of

1111
00:45:51,829 --> 00:45:49,440
control really fast suddenly you have

1112
00:45:54,530 --> 00:45:51,839
something like two million people on

1113
00:45:57,470 --> 00:45:54,540

Facebook saying yes we'll be there for

1114

00:46:00,470 --> 00:45:57,480

an event September 20th out there in the

1115

00:46:02,690 --> 00:46:00,480

desert around Area 51 and there are

1116

00:46:04,730 --> 00:46:02,700

boasts being made of people saying let's

1117

00:46:07,130 --> 00:46:04,740

see them aliens they can't stop all of

1118

00:46:09,829 --> 00:46:07,140

us we'll go across the line and storm in

1119

00:46:12,050 --> 00:46:09,839

the base and and kick in the doors and

1120

00:46:15,290 --> 00:46:12,060

go see where the flying saucers are

1121

00:46:17,630 --> 00:46:15,300

which is absolutely Preposterous

1122

00:46:19,490 --> 00:46:17,640

um over the years over the decades I've

1123

00:46:22,250 --> 00:46:19,500

had all kinds of people come to me and

1124

00:46:25,130 --> 00:46:22,260

say I want to sneak into Area 51 what's

1125

00:46:27,950 --> 00:46:25,140

the best way I can go or let's all get a

1126

00:46:29,630 --> 00:46:27,960

bunch of let's get 25 uh RVs and all

1127

00:46:31,670 --> 00:46:29,640

drive across the border at the same time

1128

00:46:34,130 --> 00:46:31,680

they can't stop us so my advice has

1129

00:46:36,829 --> 00:46:34,140

always been yes they can yes they can

1130

00:46:38,990 --> 00:46:36,839

yes they can don't do it it's a bad idea

1131

00:46:40,970 --> 00:46:39,000

I mean there are legitimate National

1132

00:46:44,030 --> 00:46:40,980

Security Programs that go on out there

1133

00:46:46,309 --> 00:46:44,040

it is a a jewel in our national security

1134

00:46:48,829 --> 00:46:46,319

system it's a very important facility

1135

00:46:51,530 --> 00:46:48,839

even now don't mess with it yeah we we

1136

00:46:53,750 --> 00:46:51,540

need it we need it this is this is part

1137

00:46:55,430 --> 00:46:53,760

of what we need so you're you're kind of

1138

00:46:57,230 --> 00:46:55,440

laying it out for me because I'm kind of

1139

00:47:01,490 --> 00:46:57,240

like sleep deprived I'm watching a movie

1140

00:47:02,750 --> 00:47:01,500

and you're like hold up so what is what

1141

00:47:05,630 --> 00:47:02,760

is

1142

00:47:08,030 --> 00:47:05,640

um the Rachel Bar and Grill now named

1143

00:47:09,710 --> 00:47:08,040

after Bob Lazar's event series with you

1144

00:47:11,510 --> 00:47:09,720

explain what that is explain what

1145

00:47:14,089 --> 00:47:11,520

George's thing is so a little town of

1146

00:47:19,069 --> 00:47:14,099

Rachel is pretty close to one of the

1147

00:47:22,250 --> 00:47:19,079

entrances to Area 51 and in 1989 before

1148

00:47:23,750 --> 00:47:22,260

we unleashed UFOs the best evidence the

1149

00:47:25,250 --> 00:47:23,760

little business the main business in

1150

00:47:28,550 --> 00:47:25,260

town was called the Rachel Bar and Grill

1151

00:47:30,650 --> 00:47:28,560

Joe and Pat Travis ran it there'd be

1152

00:47:34,309 --> 00:47:30,660

Cowboys in there occasional people from

1153

00:47:36,530 --> 00:47:34,319

Area 51 and then Travelers on that

1154

00:47:38,930 --> 00:47:36,540

Highway who would need to stop for gas

1155

00:47:41,390 --> 00:47:38,940

or or food or something like that it was

1156

00:47:44,210 --> 00:47:41,400

the only business there after that

1157

00:47:47,450 --> 00:47:44,220

series aired everything changed it

1158

00:47:49,550 --> 00:47:47,460

became the little alien they changed the

1159

00:47:52,730 --> 00:47:49,560

name of it suddenly they had tourists

1160

00:47:54,349 --> 00:47:52,740

showing up UFO Hunters they added rooms

1161

00:47:58,309 --> 00:47:54,359

they added trailers that became a little

1162

00:48:00,589 --> 00:47:58,319

Motel there travel a number of Travelers

1163

00:48:02,569 --> 00:48:00,599

increased greatly they realized this is

1164

00:48:04,970 --> 00:48:02,579

a way we can hang on this this business

1165

00:48:07,010 --> 00:48:04,980

can survive out here the mom was a

1166

00:48:09,829 --> 00:48:07,020

beautiful fluid on Dry Lake beds like

1167

00:48:12,170 --> 00:48:09,839

spaceships from another world they seem

1168

00:48:14,690 --> 00:48:12,180

to ride on hibiscus materials channeled

1169

00:48:16,270 --> 00:48:14,700

through empty space by heat that rises

1170

00:48:19,250 --> 00:48:16,280

and separates

1171

00:48:22,130 --> 00:48:19,260

petrifies everything it contacts like

1172

00:48:24,950 --> 00:48:22,140

like a like a green glass honey

1173

00:48:26,990 --> 00:48:24,960

a goddamn psychedelic liquid drowning

1174

00:48:31,069 --> 00:48:27,000

The Emptiness with imagination

1175

00:48:36,530 --> 00:48:33,829

this desert is packed and punctuated by

1176

00:48:38,930 --> 00:48:36,540

a thousand gaping holes created in a

1177

00:48:41,390 --> 00:48:38,940

thousand Atomic blasts that define an

1178

00:48:46,069 --> 00:48:43,130

what are they building in the desert

1179

00:48:48,470 --> 00:48:46,079

north of Las Vegas what are they hiding

1180

00:48:50,569 --> 00:48:48,480

what do they hide [h__h] are they hiding I

1181

00:48:52,730 --> 00:48:50,579

have actually watched The Craft do

1182

00:48:55,490 --> 00:48:52,740

Maneuvers one night for about 20 minutes

1183

00:48:57,490 --> 00:48:55,500

even today ever seen anything that could

1184

00:48:59,630 --> 00:48:57,500

really move as fast

1185

00:49:01,840 --> 00:48:59,640

don't open the door because then the

1186

00:49:05,690 --> 00:49:01,850

bugs come in laughs

1187

00:49:07,450 --> 00:49:05,700

[Music]

1188

00:49:07,610 --> 00:49:07,460

well get a few more goodies

1189

00:49:09,260 --> 00:49:07,620

[Music]

1190

00:49:14,569 --> 00:49:09,270

[Laughter]

1191

00:49:17,390 --> 00:49:14,579

[Music]

1192

00:49:19,490 --> 00:49:17,400

my name is Pat Travis I own the little

1193

00:49:22,849 --> 00:49:19,500

alien in beautiful downtown Rachel

1194

00:49:26,450 --> 00:49:22,859

Nevada the little aliens started in 1988

1195

00:49:29,470 --> 00:49:26,460

actually in 1990 but my late husband and

1196

00:49:34,130 --> 00:49:29,480

I have owned the little alien for since

1197

00:49:37,250 --> 00:49:34,140

1988. we were newcomers to Rachel well

1198

00:49:39,530 --> 00:49:37,260

just after that the UFO activity started

1199

00:49:40,730 --> 00:49:39,540

and it was like a gift that was put in

1200

00:49:43,730 --> 00:49:40,740

our hands

1201
00:49:46,309 --> 00:49:43,740
and we needed something for us we had

1202
00:49:49,270 --> 00:49:46,319
added a couple of motel rooms so here we

1203
00:49:52,320 --> 00:49:49,280
are with more and better now

1204
00:49:54,609 --> 00:49:52,330
next time stay the night

1205
00:49:57,950 --> 00:49:54,619
[Laughter]

1206
00:50:01,190 --> 00:49:57,960
are we ready to roll again we had tour

1207
00:50:03,230 --> 00:50:01,200
groups earlier today and it's just you

1208
00:50:05,089 --> 00:50:03,240
go in you do what you have to do and

1209
00:50:07,970 --> 00:50:05,099
then come out and mingle with everybody

1210
00:50:11,030 --> 00:50:07,980
that's what life's all about

1211
00:50:13,309 --> 00:50:11,040
this isn't work this is fun there are

1212
00:50:16,490 --> 00:50:13,319
people that come here from every country

1213
00:50:18,109 --> 00:50:16,500

in the world and if you look at all the

1214

00:50:20,089 --> 00:50:18,119

dollar bills that are signed on our

1215

00:50:22,550 --> 00:50:20,099

ceiling you'll see so many different

1216

00:50:25,550 --> 00:50:22,560

countries every state in the United

1217

00:50:26,990 --> 00:50:25,560

States people have been here from and

1218

00:50:30,410 --> 00:50:27,000

it's awesome

1219

00:50:32,690 --> 00:50:30,420

and this is really where things started

1220

00:50:35,290 --> 00:50:32,700

you know and and it's been something

1221

00:50:38,809 --> 00:50:35,300

that keeps going on

1222

00:50:42,650 --> 00:50:38,819

the one question that everybody asks is

1223

00:50:45,829 --> 00:50:42,660

how do I get to area 51. it just goes

1224

00:50:48,650 --> 00:50:45,839

without saying so we give them we have a

1225

00:50:49,849 --> 00:50:48,660

little map we teach them directions and

1226

00:50:52,970 --> 00:50:49,859

let them go

1227

00:50:55,670 --> 00:50:52,980

and we've had some that don't like to

1228

00:50:59,210 --> 00:50:55,680

listen to us you've got to pay attention

1229

00:51:02,329 --> 00:50:59,220

it is a high secure area every country

1230

00:51:03,890 --> 00:51:02,339

in the world has this type but ours is

1231

00:51:05,870 --> 00:51:03,900

really well known about

1232

00:51:08,510 --> 00:51:05,880

yourself world's best known secret base

1233

00:51:10,309 --> 00:51:08,520

because of Bob Lazar that's it and when

1234

00:51:12,829 --> 00:51:10,319

there are secrets everybody wants to

1235

00:51:18,109 --> 00:51:12,839

know a little bit about that secret

1236

00:51:22,190 --> 00:51:18,119

you know when Bob Lazar and George Knapp

1237

00:51:25,609 --> 00:51:22,200

John Lear Jean have it was just a whole

1238

00:51:27,349 --> 00:51:25,619

group that was continued to go

1239

00:51:30,470 --> 00:51:27,359

and it was all something that was

1240

00:51:34,010 --> 00:51:30,480

brought here and given to us and a lot

1241

00:51:36,650 --> 00:51:34,020

of Articles were written because of so

1242

00:51:38,630 --> 00:51:36,660

many different sightings of so much so

1243

00:51:41,510 --> 00:51:38,640

many different things

1244

00:51:44,089 --> 00:51:41,520

that it's like a snowball and there's no

1245

00:51:48,349 --> 00:51:44,099

end to this people come here from around

1246

00:51:50,930 --> 00:51:48,359

the world to talk about sightings

1247

00:51:54,290 --> 00:51:50,940

do I believe all of them probably not

1248

00:51:56,809 --> 00:51:54,300

but there are many of them I do

1249

00:51:58,750 --> 00:51:56,819

because when you talk to somebody you

1250

00:52:02,030 --> 00:51:58,760

know whether they're really

1251
00:52:04,490 --> 00:52:02,040
projecting something or if it's kind of

1252
00:52:07,849 --> 00:52:04,500
just a story do you believe bubbles are

1253
00:52:14,150 --> 00:52:11,930
oh if a man is going to tell a lie about

1254
00:52:16,970 --> 00:52:14,160
something it changes because you don't

1255
00:52:19,849 --> 00:52:16,980
remember all those things if you tell

1256
00:52:22,030 --> 00:52:19,859
the truth about something it always

1257
00:52:25,910 --> 00:52:22,040
stays the same

1258
00:52:29,990 --> 00:52:25,920
can I prove it no but I can tell you

1259
00:52:33,890 --> 00:52:30,000
when I tell that my arms will cover with

1260
00:52:37,010 --> 00:52:33,900
goosebumps it's happening now

1261
00:52:39,950 --> 00:52:37,020
do I believe that there are aliens that

1262
00:52:44,329 --> 00:52:39,960
walk among us without a doubt

1263
00:52:49,010 --> 00:52:44,339

I have no qualms about that

1264

00:52:54,530 --> 00:52:51,170

that's a fact

1265

00:52:59,089 --> 00:52:56,390

and then you had other people move to

1266

00:53:02,270 --> 00:52:59,099

the town the same time not that long

1267

00:53:04,730 --> 00:53:02,280

later it's tight haiko and nearby

1268

00:53:06,890 --> 00:53:04,740

community isn't really even a town it's

1269

00:53:08,690 --> 00:53:06,900

more like a an intersection there's some

1270

00:53:12,290 --> 00:53:08,700

ranches there but a guy named George

1271

00:53:14,329 --> 00:53:12,300

Harris a Las Vegas businessman created

1272

00:53:16,970 --> 00:53:14,339

something called the alien Research

1273

00:53:19,309 --> 00:53:16,980

Center it's a big gift shop it's shaped

1274

00:53:23,089 --> 00:53:19,319

like a big Quonset hut it's got a giant

1275

00:53:25,069 --> 00:53:23,099

50 foot tall alien uh robot that looks

1276

00:53:27,170 --> 00:53:25,079

like Gort from The Day the Earth Stood

1277

00:53:29,990 --> 00:53:27,180

Still and he's making a go of it and

1278

00:53:33,109 --> 00:53:30,000

those two uh businesses although they're

1279

00:53:35,329 --> 00:53:33,119

Rivals they also get along a lot so I

1280

00:53:37,609 --> 00:53:35,339

think the guy from Facebook who had

1281

00:53:39,890 --> 00:53:37,619

kicked this thing off made an agreement

1282

00:53:41,690 --> 00:53:39,900

with a little alien let's have an actual

1283

00:53:44,030 --> 00:53:41,700

event let's have some people show up

1284

00:53:46,490 --> 00:53:44,040

maybe we'll make some money get some and

1285

00:53:48,170 --> 00:53:46,500

have some fun out there yeah and and

1286

00:53:50,809 --> 00:53:48,180

George Harris the guy who owned the

1287

00:53:54,230 --> 00:53:50,819

other place saw some potential there too

1288

00:53:56,809 --> 00:53:54,240

but um you know the overall concern that

1289

00:53:58,430 --> 00:53:56,819

we had it got serious real it got

1290

00:54:00,530 --> 00:53:58,440

serious really fast if you know they're

1291

00:54:01,910 --> 00:54:00,540

talking about two million people no one

1292

00:54:04,790 --> 00:54:01,920

really ever believed that that many

1293

00:54:07,130 --> 00:54:04,800

would show up but let's say you had 20

1294

00:54:09,349 --> 00:54:07,140

000 people show up there's no bathrooms

1295

00:54:10,910 --> 00:54:09,359

there's no food there's no you know no

1296

00:54:13,010 --> 00:54:10,920

restaurants out there to speak of

1297

00:54:15,950 --> 00:54:13,020

there's no porta potties there's no

1298

00:54:17,690 --> 00:54:15,960

toilet paper no water uh the the

1299

00:54:20,030 --> 00:54:17,700

possibility for people getting out there

1300

00:54:22,490 --> 00:54:20,040

getting into trouble getting lost having

1301

00:54:24,770 --> 00:54:22,500

their cars break down dying out in the

1302

00:54:27,109 --> 00:54:24,780

desert somewhere a lot of things could

1303

00:54:28,970 --> 00:54:27,119

go wrong it's very real just that these

1304

00:54:31,250 --> 00:54:28,980

big concerts people have you have those

1305

00:54:33,170 --> 00:54:31,260

problems even with those facilities but

1306

00:54:34,910 --> 00:54:33,180

there is nothing out there and again

1307

00:54:37,549 --> 00:54:34,920

nobody thought two million people were

1308

00:54:40,069 --> 00:54:37,559

coming but all of a sudden the

1309

00:54:41,390 --> 00:54:40,079

Department of Defense the dod I mean

1310

00:54:43,430 --> 00:54:41,400

they made an official statement that

1311

00:54:45,410 --> 00:54:43,440

they later retracted like this is what

1312

00:54:47,210 --> 00:54:45,420

happens to people in storm Area 51 and

1313

00:54:48,770 --> 00:54:47,220

it's like a bomber and they ended up

1314

00:54:50,870 --> 00:54:48,780

like taking it off

1315

00:54:53,030 --> 00:54:50,880

but also we got calls

1316

00:54:55,309 --> 00:54:53,040

and people were like what's the intent

1317

00:54:58,730 --> 00:54:55,319

here well we got nothing to do with this

1318

00:55:01,069 --> 00:54:58,740

what the [h__h] you know you were like

1319

00:55:03,109 --> 00:55:01,079

this could go really bad and I was

1320

00:55:05,510 --> 00:55:03,119

trying to understand that what did you

1321

00:55:07,970 --> 00:55:05,520

mean we broadcast stories that we felt

1322

00:55:10,010 --> 00:55:07,980

were responsible as a warning to people

1323

00:55:12,109 --> 00:55:10,020

who were unfamiliar with the area look

1324

00:55:13,250 --> 00:55:12,119

this is a really bad idea okay if

1325

00:55:15,829 --> 00:55:13,260

there's going to be that many people

1326

00:55:18,410 --> 00:55:15,839

show up out there it could it could be

1327

00:55:20,030 --> 00:55:18,420

dangerous and Troublesome in a whole

1328

00:55:21,410 --> 00:55:20,040

bunch of different ways so if you're

1329

00:55:24,290 --> 00:55:21,420

going to come out there

1330

00:55:26,690 --> 00:55:24,300

for this event be prepared you know and

1331

00:55:28,670 --> 00:55:26,700

be prepared to be self-sufficient and

1332

00:55:31,910 --> 00:55:28,680

you should know where you can go and

1333

00:55:33,890 --> 00:55:31,920

where you can't and by God by no means

1334

00:55:36,589 --> 00:55:33,900

should you ever consider going across

1335

00:55:39,109 --> 00:55:36,599

the border and the line into Area 51

1336

00:55:41,329 --> 00:55:39,119

it's a bad idea it's illegal you go to

1337

00:55:44,150 --> 00:55:41,339

prison or you could get shot that's

1338

00:55:47,089 --> 00:55:44,160

right and there are mechanisms in place

1339

00:55:49,670 --> 00:55:47,099

that were Amplified to a such a high

1340

00:55:53,089 --> 00:55:49,680

degree on that day so I I remember

1341

00:55:55,549 --> 00:55:53,099

telling the kid hey man let's do don't

1342

00:56:00,109 --> 00:55:55,559

storm Area 51 do an interview with me

1343

00:56:02,690 --> 00:56:00,119

called Don't storm Area 51 and let's try

1344

00:56:05,329 --> 00:56:02,700

to at least divert a little bit of the

1345

00:56:07,730 --> 00:56:05,339

negative you know look what I was told

1346

00:56:10,309 --> 00:56:07,740

by certain agencies is that there could

1347

00:56:13,549 --> 00:56:10,319

be domestic terrorism groups that come

1348

00:56:15,710 --> 00:56:13,559

in to utilize the event itself to do

1349

00:56:17,450 --> 00:56:15,720

something bad when you guys are just

1350

00:56:19,790 --> 00:56:17,460

doing something good now we can't stop

1351

00:56:22,190 --> 00:56:19,800

it it's already happening

1352

00:56:24,109 --> 00:56:22,200

so they're like I think you know what I

1353

00:56:25,790 --> 00:56:24,119

told them I I was like you know I'm

1354

00:56:28,069 --> 00:56:25,800

gonna basically be there because I can't

1355

00:56:30,290 --> 00:56:28,079

not be there I want to make sure that we

1356

00:56:33,770 --> 00:56:30,300

provide something fun I want to be part

1357

00:56:36,170 --> 00:56:33,780

of George Harris's event and you know it

1358

00:56:38,150 --> 00:56:36,180

can't be without uh the idea of the

1359

00:56:40,970 --> 00:56:38,160

movie and being out there so at that

1360

00:56:42,890 --> 00:56:40,980

point I was like okay I can't organize

1361

00:56:46,250 --> 00:56:42,900

it I can't be a part of it in that way

1362

00:56:48,589 --> 00:56:46,260

but what I can do is you know try to

1363

00:56:51,290 --> 00:56:48,599

bring things that and you very smartly

1364

00:56:54,349 --> 00:56:51,300

you're like if you focus your energy at

1365

00:56:56,569 --> 00:56:54,359

George Harris's you are miles from the

1366

00:56:58,430 --> 00:56:56,579

gate and things like that and we could

1367

00:57:00,829 --> 00:56:58,440

actually have fun it's his place he owns

1368

00:57:04,130 --> 00:57:00,839

everything so I called him up uh with

1369

00:57:05,809 --> 00:57:04,140

you and we were like okay look

1370

00:57:08,210 --> 00:57:05,819

um Jeremy wants to try to provide some

1371

00:57:11,030 --> 00:57:08,220

things take it or leave it here you go I

1372

00:57:12,530 --> 00:57:11,040

did ask him I said just let me film in

1373

00:57:13,790 --> 00:57:12,540

your compound let me be the only person

1374

00:57:15,829 --> 00:57:13,800

that films in your compound because I'm

1375

00:57:17,270 --> 00:57:15,839

going to bring a bunch of this is part

1376

00:57:19,790 --> 00:57:17,280

of a developing story so I thought as

1377

00:57:21,770 --> 00:57:19,800

like a documentary or whatever this is

1378

00:57:23,329 --> 00:57:21,780

is born from

1379

00:57:25,970 --> 00:57:23,339

you and Bob

1380

00:57:27,770 --> 00:57:25,980

making the film Joe Rogan blowing

1381

00:57:30,829 --> 00:57:27,780

everything up and then this kid making

1382

00:57:32,990 --> 00:57:30,839

the meme right so he says yeah that

1383

00:57:34,490 --> 00:57:33,000

sounds great who do you have because we

1384

00:57:36,770 --> 00:57:34,500

don't we need some help like do you have

1385

00:57:39,650 --> 00:57:36,780

like a musician or something and I'm

1386

00:57:40,569 --> 00:57:39,660

like uh yeah yeah I got one okay no

1387

00:57:44,089 --> 00:57:40,579

problem

1388

00:57:48,170 --> 00:57:44,099

don't know yeah I don't know anybody so

1389

00:57:49,849 --> 00:57:48,180

a funny story I've never told it but uh

1390

00:57:52,609 --> 00:57:49,859

I called

1391

00:57:54,829 --> 00:57:52,619

a friend of mine who he's just really

1392

00:57:59,210 --> 00:57:54,839

wealthy I just thought wealthy people

1393

00:58:02,510 --> 00:57:59,220

they might know uh somebody that knows a

1394

00:58:05,270 --> 00:58:02,520

famous musician right but I'm musically

1395

00:58:06,589 --> 00:58:05,280

stunted my wife will constantly you know

1396

00:58:08,150 --> 00:58:06,599

you've been giving me a musical

1397

00:58:10,430 --> 00:58:08,160

education starting with the Beatles for

1398

00:58:12,829 --> 00:58:10,440

the last seven years I mean it's like

1399

00:58:15,230 --> 00:58:12,839

I'm musically stunted if it sounds good

1400

00:58:17,569 --> 00:58:15,240

it's good music so I didn't know the

1401
00:58:19,910 --> 00:58:17,579
name but he goes oh yeah yeah no problem

1402
00:58:21,530 --> 00:58:19,920
um I got somebody that I'll put you in

1403
00:58:23,930 --> 00:58:21,540
touch with his name is Paul I said okay

1404
00:58:26,150 --> 00:58:23,940
cool you know I'm like we're like seven

1405
00:58:28,069 --> 00:58:26,160
days out at this point

1406
00:58:30,230 --> 00:58:28,079
and I'm like okay cool

1407
00:58:32,750 --> 00:58:30,240
big musical Talent Jeremy I'm like okay

1408
00:58:33,950 --> 00:58:32,760
great no plays stadiums Jeremy I'm like

1409
00:58:36,109 --> 00:58:33,960
okay great I'm like I don't know

1410
00:58:37,970 --> 00:58:36,119
anything I just need somebody

1411
00:58:40,190 --> 00:58:37,980
because I wanted it to be fun I wanted

1412
00:58:42,950 --> 00:58:40,200
to attract people over that so always I

1413
00:58:46,069 --> 00:58:42,960

get a call and it's

1414

00:58:47,329 --> 00:58:46,079

hey Jeremy this is Paul and I'm like hey

1415

00:58:48,770 --> 00:58:47,339

Paul what's up my name is Jeremy Corbell

1416

00:58:50,089 --> 00:58:48,780

I've got an event in seven days I'm not

1417

00:58:52,069 --> 00:58:50,099

running it but I really want to support

1418

00:58:53,569 --> 00:58:52,079

it and here's the deal like we really

1419

00:58:55,490 --> 00:58:53,579

need a musical person I hear that you

1420

00:58:56,930 --> 00:58:55,500

are very famous in your field I don't

1421

00:58:58,430 --> 00:58:56,940

know your music I really apologize I

1422

00:59:01,010 --> 00:58:58,440

don't listen to music very much

1423

00:59:03,710 --> 00:59:01,020

and we can't pay you oh yeah and and by

1424

00:59:07,190 --> 00:59:03,720

the way we can't pay you yeah we can't

1425

00:59:09,950 --> 00:59:07,200

pay you by the way so

1426

00:59:14,089 --> 00:59:12,230

yeah darling I got you this is sounds

1427

00:59:16,250 --> 00:59:14,099

really exciting I'm really excited about

1428

00:59:18,650 --> 00:59:16,260

what you're doing I'm like cool so what

1429

00:59:20,270 --> 00:59:18,660

do I write down he goes Paul Oakenfold

1430

00:59:22,670 --> 00:59:20,280

I'm like okay how do you spell it or

1431

00:59:25,670 --> 00:59:22,680

apological so

1432

00:59:29,210 --> 00:59:25,680

I get back and I tell the people at the

1433

00:59:32,150 --> 00:59:29,220

alien Research Center Paul Oakenfold has

1434

00:59:36,589 --> 00:59:32,160

agreed to come out into the middle of a

1435

00:59:39,370 --> 00:59:36,599

desert where there is a potential Riot

1436

00:59:42,230 --> 00:59:39,380

occurring right to storm a military base

1437

00:59:44,809 --> 00:59:42,240

and just play some music

1438

00:59:47,690 --> 00:59:44,819

is that good can we do that I hear he's

1439

00:59:51,770 --> 00:59:47,700

popular oh my gosh apparently this guy

1440

00:59:54,589 --> 00:59:51,780

is one of the ogs in music he plays

1441

00:59:55,849 --> 00:59:54,599

stadiums he's super famous for this I

1442

00:59:58,309 --> 00:59:55,859

can't believe he said yes it must have

1443

01:00:00,650 --> 00:59:58,319

been a good pitch so anyway the guy was

1444

01:00:02,030 --> 01:00:00,660

a sweetheart I remember telling our

1445

01:00:05,210 --> 01:00:02,040

buddy

1446

01:00:07,309 --> 01:00:05,220

Robbie Williams hey man because we asked

1447

01:00:09,770 --> 01:00:07,319

him first we called him to try to see he

1448

01:00:11,569 --> 01:00:09,780

was on tour doing something and he goes

1449

01:00:13,970 --> 01:00:11,579

oh you got to know G

1450

01:00:15,470 --> 01:00:13,980

and I'm like and oh gee you know what I

1451

01:00:18,770 --> 01:00:15,480

mean so if Robbie says that then

1452

01:00:21,470 --> 01:00:18,780

obviously he's an OG so now I kind of

1453

01:00:23,390 --> 01:00:21,480

get it I think which is that you know to

1454

01:00:25,849 --> 01:00:23,400

have this guy Paul Oakenfold come out

1455

01:00:28,849 --> 01:00:25,859

and play to for no money in the middle

1456

01:00:30,589 --> 01:00:28,859

of the desert in an act of conflict Zone

1457

01:00:32,690 --> 01:00:30,599

we'll put it that way right it was

1458

01:00:36,109 --> 01:00:32,700

amazing and it was just so cool he did

1459

01:00:39,589 --> 01:00:36,119

it so Paul I never talked to you uh but

1460

01:00:42,650 --> 01:00:39,599

once since then thank you for playing to

1461

01:00:44,329 --> 01:00:42,660

like 150 people and just crushing it

1462

01:00:46,670 --> 01:00:44,339

because that was like yeah it was so

1463

01:00:48,829 --> 01:00:46,680

gracious and so good-natured about the

1464

01:00:51,410 --> 01:00:48,839

whole thing did not face him one bit

1465

01:00:53,510 --> 01:00:51,420

that it was to such a small crowd put on

1466

01:00:56,329 --> 01:00:53,520

a tremendous show as if though he was

1467

01:00:59,210 --> 01:00:56,339

planned to 50 000 people and it was it

1468

01:01:00,349 --> 01:00:59,220

was an amazing uh aspect of the whole uh

1469

01:01:02,030 --> 01:01:00,359

weekend

1470

01:01:02,950 --> 01:01:02,040

um you know there was somebody else who

1471

01:01:07,010 --> 01:01:02,960

came

1472

01:01:09,589 --> 01:01:07,020

uh who uh who wrote a very detailed

1473

01:01:12,410 --> 01:01:09,599

article based on what happened oh yeah

1474

01:01:15,049 --> 01:01:12,420

writer from Rolling Stone Rolling Stone

1475

01:01:17,510 --> 01:01:15,059

Steven Roderick Stephen Roderick

1476

01:01:19,849 --> 01:01:17,520

talented writer yeah has done some

1477

01:01:21,349 --> 01:01:19,859

really big pieces for Rolling Stone we

1478

01:01:23,390 --> 01:01:21,359

were kind of thrilled that he was coming

1479

01:01:25,430 --> 01:01:23,400

that he was going to cover it and he

1480

01:01:27,530 --> 01:01:25,440

focused a lot on you

1481

01:01:29,809 --> 01:01:27,540

um and you know we were all looking

1482

01:01:31,609 --> 01:01:29,819

forward to what that piece would be for

1483

01:01:33,650 --> 01:01:31,619

months after the event until it finally

1484

01:01:36,170 --> 01:01:33,660

came out what did you think after it

1485

01:01:37,309 --> 01:01:36,180

came out well okay let me back up just

1486

01:01:38,089 --> 01:01:37,319

one second

1487

01:01:40,370 --> 01:01:38,099

um

1488

01:01:42,589 --> 01:01:40,380

so I didn't know anything I just got

1489

01:01:43,490 --> 01:01:42,599

somebody called me and said hey and I

1490

01:01:46,010 --> 01:01:43,500

don't remember who called me they're

1491

01:01:47,630 --> 01:01:46,020

like Rolling Stone wants to talk to you

1492

01:01:49,970 --> 01:01:47,640

real quick and I thought okay they want

1493

01:01:52,010 --> 01:01:49,980

a quote about storm so I was like

1494

01:01:54,589 --> 01:01:52,020

they're called real quick Stephen calls

1495

01:01:55,609 --> 01:01:54,599

me and I'm thinking I go okay uh you

1496

01:01:58,370 --> 01:01:55,619

know what do you want to know about I'll

1497

01:02:00,650 --> 01:01:58,380

give you a quote no no he goes hey man

1498

01:02:02,930 --> 01:02:00,660

um you know is there like

1499

01:02:04,130 --> 01:02:02,940

is there like are there like bathrooms

1500

01:02:06,230 --> 01:02:04,140

out there

1501
01:02:08,690 --> 01:02:06,240
and I'm like I yeah yeah I think they're

1502
01:02:12,710 --> 01:02:08,700
gonna put put bathrooms out there

1503
01:02:14,450 --> 01:02:12,720
okay um so like in my SUV in my car is

1504
01:02:16,670 --> 01:02:14,460
there a place I can pitch a tent I go

1505
01:02:19,609 --> 01:02:16,680
whoa whoa whoa whoa whoa hold up

1506
01:02:21,710 --> 01:02:19,619
are you coming to storm everything goes

1507
01:02:23,030 --> 01:02:21,720
they didn't tell you I go tell me what

1508
01:02:25,549 --> 01:02:23,040
and he goes

1509
01:02:28,370 --> 01:02:25,559
I would like to follow you through this

1510
01:02:31,430 --> 01:02:28,380
whole experience during it

1511
01:02:33,589 --> 01:02:31,440
and after it and write a story and I was

1512
01:02:35,930 --> 01:02:33,599
like what are you talking about he's

1513
01:02:38,329 --> 01:02:35,940

like this is like hardcore he goes he

1514

01:02:40,730 --> 01:02:38,339

has to introduce himself he goes I am a

1515

01:02:42,289 --> 01:02:40,740

staff writer for Rolling Stone my name

1516

01:02:44,150 --> 01:02:42,299

is Stephen Roderick I've written some

1517

01:02:44,870 --> 01:02:44,160

big articles you might have heard of

1518

01:02:46,910 --> 01:02:44,880

them

1519

01:02:48,950 --> 01:02:46,920

and I didn't know and I'd go back to

1520

01:02:51,770 --> 01:02:48,960

look it turns out he wrote that famous

1521

01:02:54,309 --> 01:02:51,780

smash piece on Johnny Depp yeah brutal

1522

01:02:57,349 --> 01:02:54,319

brutal we're just

1523

01:02:59,450 --> 01:02:57,359

destroys Johnny Depp so now I'm thinking

1524

01:03:01,430 --> 01:02:59,460

after I look at that what is this guy

1525

01:03:03,829 --> 01:03:01,440

gonna do like is it he gonna be like

1526

01:03:06,109 --> 01:03:03,839

every other parachute journalist on

1527

01:03:08,930 --> 01:03:06,119

planet Earth that jumps into the UFO

1528

01:03:10,910 --> 01:03:08,940

topic that knows nothing about it and

1529

01:03:14,809 --> 01:03:10,920

doesn't realize how serious it's getting

1530

01:03:16,970 --> 01:03:14,819

and do some smash piece um like [h__h] no

1531

01:03:21,349 --> 01:03:16,980

and then I thought you know what

1532

01:03:23,809 --> 01:03:21,359

if he agrees to stay in my RV then he's

1533

01:03:26,210 --> 01:03:23,819

really in then he's really in so so

1534

01:03:28,609 --> 01:03:26,220

ended up calling him back I think uh

1535

01:03:30,410 --> 01:03:28,619

just after I was like here's the deal

1536

01:03:32,450 --> 01:03:30,420

yeah come cover the event

1537

01:03:34,490 --> 01:03:32,460

you want to stay in my RV he's like

1538

01:03:38,150 --> 01:03:34,500

awesome I was going to pitch a tent and

1539

01:03:39,650 --> 01:03:38,160

I'm like awesome okay so just to kind of

1540

01:03:41,809 --> 01:03:39,660

back you up from from what you said what

1541

01:03:44,870 --> 01:03:41,819

did I think about the article

1542

01:03:47,569 --> 01:03:44,880

what I thought was this is a hyper

1543

01:03:50,630 --> 01:03:47,579

talented writer and I liked him he's

1544

01:03:52,910 --> 01:03:50,640

like a good guy and I was baffled at the

1545

01:03:54,950 --> 01:03:52,920

fact that he wanted to follow us through

1546

01:03:57,710 --> 01:03:54,960

the experience and then do something

1547

01:03:59,809 --> 01:03:57,720

more like come to my house later so I'm

1548

01:04:01,250 --> 01:03:59,819

so it's it's like it feels good you're

1549

01:04:02,750 --> 01:04:01,260

like oh [h__\h] you know you got the

1550

01:04:05,329 --> 01:04:02,760

Rolling Stone following you it felt rock

1551
01:04:07,789 --> 01:04:05,339
and roll but I was like what is this guy

1552
01:04:09,230 --> 01:04:07,799
up to is he really gonna do a good

1553
01:04:10,730 --> 01:04:09,240
article that takes it seriously I don't

1554
01:04:13,010 --> 01:04:10,740
want to contribute to [h__h] I

1555
01:04:16,370 --> 01:04:13,020
remember when I met him I walked into

1556
01:04:18,289 --> 01:04:16,380
your RV and you and he are there a

1557
01:04:20,510 --> 01:04:18,299
couple of other people and it got silent

1558
01:04:23,329 --> 01:04:20,520
like I just walked into a church or

1559
01:04:25,370 --> 01:04:23,339
something and then we the conversation

1560
01:04:28,309 --> 01:04:25,380
started up again and it got comfortable

1561
01:04:30,349 --> 01:04:28,319
and it was fun and then Paul Oakenfold

1562
01:04:32,809 --> 01:04:30,359
came in and then it got kind of raucous

1563
01:04:35,030 --> 01:04:32,819

and it was even more fun it was a a

1564

01:04:37,670 --> 01:04:35,040

great little moment there it was that I

1565

01:04:41,150 --> 01:04:37,680

have footage of that so so I was able to

1566

01:04:44,569 --> 01:04:41,160

have um my buddy the same guy that flew

1567

01:04:46,190 --> 01:04:44,579

from uh Mexico the first time and just

1568

01:04:48,530 --> 01:04:46,200

without knowing what he was doing came

1569

01:04:51,609 --> 01:04:48,540

and filmed with us for the first time on

1570

01:04:55,670 --> 01:04:51,619

camera Jay Stratton right same dude

1571

01:04:58,910 --> 01:04:55,680

Niles Harrison Niles Harrison My Mentor

1572

01:05:00,829 --> 01:04:58,920

in cinematography who knows that I don't

1573

01:05:03,890 --> 01:05:00,839

even know how to focus aperture but has

1574

01:05:05,930 --> 01:05:03,900

helped me in in all this stuff and then

1575

01:05:07,370 --> 01:05:05,940

Dave Foley was in there Dave Foley was

1576

01:05:09,410 --> 01:05:07,380

there but my point is we have the only

1577

01:05:10,910 --> 01:05:09,420

footages but we have footage of this so

1578

01:05:13,910 --> 01:05:10,920

in that RV that you're talking about

1579

01:05:15,890 --> 01:05:13,920

Dave Foley Paul Oakenfold for the first

1580

01:05:18,470 --> 01:05:15,900

time I've been meeting Stephen Roderick

1581

01:05:20,930 --> 01:05:18,480

you me some other reporters it was it

1582

01:05:22,430 --> 01:05:20,940

was it was so crazy and and I I want to

1583

01:05:24,170 --> 01:05:22,440

show everybody that footage real quick

1584

01:05:26,210 --> 01:05:24,180

so they can just see a moment of it and

1585

01:05:27,970 --> 01:05:26,220

you'll be pleased to know I'm I'm become

1586

01:05:31,490 --> 01:05:27,980

obsessed with UFOs

1587

01:05:39,210 --> 01:05:31,500

some level of empathetic toward toward

1588

01:05:45,530 --> 01:05:43,089

[Laughter]

1589

01:05:47,710 --> 01:05:45,540

right there

1590

01:05:53,049 --> 01:05:47,720

awesome thanks guys thank you

1591

01:06:00,230 --> 01:05:57,890

okay I was also impressed that they

1592

01:06:03,289 --> 01:06:00,240

fully came out because I think at that

1593

01:06:04,970 --> 01:06:03,299

point we had never hung out in person so

1594

01:06:06,470 --> 01:06:04,980

I remember we had talked so much on that

1595

01:06:08,990 --> 01:06:06,480

we had videoed whatever but I was like

1596

01:06:11,329 --> 01:06:09,000

Foley look come hang out with me and

1597

01:06:13,910 --> 01:06:11,339

George in the desert it might be a

1598

01:06:15,770 --> 01:06:13,920

devastating Riot but and there might be

1599

01:06:18,410 --> 01:06:15,780

a ton of agencies and there will be a

1600

01:06:20,690 --> 01:06:18,420

wrestling and but you can stay in my RV

1601
01:06:22,609 --> 01:06:20,700
too I got a couch in there you know

1602
01:06:25,250 --> 01:06:22,619
someone's not using this a couple bunks

1603
01:06:26,809 --> 01:06:25,260
and he's like I'm in I go what he goes

1604
01:06:28,910 --> 01:06:26,819
I'm in I'm like that's when I knew I

1605
01:06:30,349 --> 01:06:28,920
loved Dave Foley yeah what a great guy

1606
01:06:31,730 --> 01:06:30,359
that was the first time I ever got to

1607
01:06:33,950 --> 01:06:31,740
meet him and you know that friendship

1608
01:06:36,170 --> 01:06:33,960
that you guys have and me to a lesser

1609
01:06:38,390 --> 01:06:36,180
degree that'll be forever that was the

1610
01:06:40,190 --> 01:06:38,400
first day that we really got to hang in

1611
01:06:42,109 --> 01:06:40,200
physical capacity it was just so cool

1612
01:06:43,609 --> 01:06:42,119
man so finally we're going to tell Dave

1613
01:06:47,569 --> 01:06:43,619

the real plan

1614

01:06:49,910 --> 01:06:47,579

we're storming the gate Area 51 and

1615

01:06:52,010 --> 01:06:49,920

Dave's leading the charge this was not

1616

01:06:54,049 --> 01:06:52,020

[h__\h] I kept saying this is so far

1617

01:06:55,849 --> 01:06:54,059

it's [h__\h] I figure we bring a

1618

01:06:57,589 --> 01:06:55,859

comedian you laugh him out of us

1619

01:07:00,410 --> 01:06:57,599

arresting us they're not gonna stop a

1620

01:07:03,589 --> 01:07:00,420

celebrity right right especially a funny

1621

01:07:06,109 --> 01:07:03,599

mid-level celebrity uh

1622

01:07:08,450 --> 01:07:06,119

it's been off TV for 20 years hey well

1623

01:07:10,490 --> 01:07:08,460

look in in the 90s you might have gotten

1624

01:07:11,930 --> 01:07:10,500

a pass but you better start working

1625

01:07:13,849 --> 01:07:11,940

because you got to laugh us out of this

1626
01:07:17,450 --> 01:07:13,859
man yeah

1627
01:07:19,789 --> 01:07:17,460
I mean most people in in uh

1628
01:07:22,309 --> 01:07:19,799
involved with military police are huge

1629
01:07:23,510 --> 01:07:22,319
Kids in the Hall of fans uh because

1630
01:07:25,970 --> 01:07:23,520
they're most of them are closet

1631
01:07:28,849 --> 01:07:25,980
homosexuals well that's the exact reason

1632
01:07:30,289 --> 01:07:28,859
why we're bringing you man you can

1633
01:07:31,910 --> 01:07:30,299
relate to them

1634
01:07:34,730 --> 01:07:31,920
it was your first time here

1635
01:07:37,190 --> 01:07:34,740
um I've been I've been before my first

1636
01:07:42,789 --> 01:07:37,200
time here yeah it's your first time not

1637
01:07:46,609 --> 01:07:44,750
so what goes through your head just

1638
01:07:47,750 --> 01:07:46,619

looking out at this great expense behind

1639

01:07:50,770 --> 01:07:47,760

you

1640

01:07:56,870 --> 01:07:50,780

how cuddly Dave Foley is

1641

01:08:01,130 --> 01:07:59,329

so in my eyes it's just this kind of

1642

01:08:02,990 --> 01:08:01,140

neat thing where there's so much

1643

01:08:05,210 --> 01:08:03,000

excitement about UFO so let's now let's

1644

01:08:07,010 --> 01:08:05,220

get to just this part right

1645

01:08:13,430 --> 01:08:07,020

I just

1646

01:08:16,430 --> 01:08:13,440

let's not let it be a bad thing so we we

1647

01:08:17,870 --> 01:08:16,440

tried it I tried to to create that

1648

01:08:20,030 --> 01:08:17,880

environment

1649

01:08:22,130 --> 01:08:20,040

I know you were just covering it as an

1650

01:08:26,630 --> 01:08:22,140

as a news reporter but we were worried

1651

01:08:30,110 --> 01:08:26,640

and there was a massive

1652

01:08:32,390 --> 01:08:30,120

Federal and law enforcement presence but

1653

01:08:34,669 --> 01:08:32,400

what I realized was it was the craziest

1654

01:08:37,490 --> 01:08:34,679

[h__\h] ever you'd go up to the gate

1655

01:08:39,650 --> 01:08:37,500

compared to every other time we've gone

1656

01:08:41,570 --> 01:08:39,660

when you're being surveilled they don't

1657

01:08:44,090 --> 01:08:41,580

let you see anybody but the car last

1658

01:08:47,030 --> 01:08:44,100

time we went up to Area 51 they followed

1659

01:08:48,890 --> 01:08:47,040

us me you and Ernie Klein right

1660

01:08:50,749 --> 01:08:48,900

Ernie Klein's the the writer who wrote

1661

01:08:52,669 --> 01:08:50,759

Ready Player One

1662

01:08:54,829 --> 01:08:52,679

which the Steven Spielberg movie is

1663

01:08:56,510 --> 01:08:54,839

after this is George's friend for those

1664

01:08:58,490 --> 01:08:56,520

of you that don't know and he's a he's a

1665

01:09:00,650 --> 01:08:58,500

good dude we like Ernie and we took him

1666

01:09:02,749 --> 01:09:00,660

out to air 51 and the cars would they

1667

01:09:04,789 --> 01:09:02,759

followed us back last time just to kind

1668

01:09:06,709 --> 01:09:04,799

of say we see you guys I mean the

1669

01:09:08,990 --> 01:09:06,719

security interview 51 is already always

1670

01:09:11,150 --> 01:09:09,000

pretty strong you just don't always see

1671

01:09:14,150 --> 01:09:11,160

it there's cameras that ring many many

1672

01:09:16,729 --> 01:09:14,160

of the central access points and there

1673

01:09:18,349 --> 01:09:16,739

are Personnel that will camo dudes they

1674

01:09:19,970 --> 01:09:18,359

call them that would sit up there on a

1675

01:09:22,849 --> 01:09:19,980

Bronco on the hill when you get close to

1676
01:09:24,289 --> 01:09:22,859
the gate they have uh sensor systems on

1677
01:09:26,749 --> 01:09:24,299
the roads to let you know that they're

1678
01:09:28,669 --> 01:09:26,759
there but this time for this event it

1679
01:09:31,849 --> 01:09:28,679
was way over the top I mean they were

1680
01:09:34,189 --> 01:09:31,859
prepared for the worst of the worst if

1681
01:09:36,289 --> 01:09:34,199
in actuality the two million people

1682
01:09:38,570 --> 01:09:36,299
showed up and wanted to storm the base

1683
01:09:41,390 --> 01:09:38,580
they were ready for it in between Hico

1684
01:09:43,789 --> 01:09:41,400
and Rachel on the highway they had

1685
01:09:45,769 --> 01:09:43,799
created this law enforcement Camp they

1686
01:09:48,229 --> 01:09:45,779
had heavy equipment and armored

1687
01:09:50,090 --> 01:09:48,239
personnel carriers and I don't know how

1688
01:09:52,729 --> 01:09:50,100

many law enforcement from every agency

1689

01:09:55,490 --> 01:09:52,739

in Nevada state federal and then extra

1690

01:09:57,350 --> 01:09:55,500

military folks inside the base just in

1691

01:09:59,330 --> 01:09:57,360

case things got out of control okay

1692

01:10:01,850 --> 01:09:59,340

let's go into things that have have

1693

01:10:03,590 --> 01:10:01,860

really gone wrong out there in a second

1694

01:10:05,510 --> 01:10:03,600

I want to go into things that really got

1695

01:10:08,209 --> 01:10:05,520

wrong from the sensors that were dug up

1696

01:10:10,610 --> 01:10:08,219

all the way to our buddy York right but

1697

01:10:12,530 --> 01:10:10,620

but before that my perspective was

1698

01:10:14,510 --> 01:10:12,540

different George like when I went up to

1699

01:10:16,550 --> 01:10:14,520

the gate now I know because you and I

1700

01:10:18,650 --> 01:10:16,560

actually have knowledge of the inside

1701
01:10:22,610 --> 01:10:18,660
the gate there were extra measures put

1702
01:10:26,390 --> 01:10:22,620
up but it to me they did such a great

1703
01:10:28,189 --> 01:10:26,400
job on site it was like oh yeah come up

1704
01:10:30,830 --> 01:10:28,199
to the gate take photo you'll never see

1705
01:10:32,810 --> 01:10:30,840
that again never in your life and in

1706
01:10:35,570 --> 01:10:32,820
fact some of the

1707
01:10:38,030 --> 01:10:35,580
um both federal and state individuals

1708
01:10:39,290 --> 01:10:38,040
they were like oh hey let's let's take a

1709
01:10:41,810 --> 01:10:39,300
photo I'm like can I post it on social

1710
01:10:43,669 --> 01:10:41,820
they're like okay I never I never did

1711
01:10:45,649 --> 01:10:43,679
but they're like it was so cool it was

1712
01:10:47,990 --> 01:10:45,659
like a PR thing they're like come on up

1713
01:10:49,610 --> 01:10:48,000

everything's cool us today we're good

1714

01:10:51,709 --> 01:10:49,620

and honestly everybody felt like that

1715

01:10:54,110 --> 01:10:51,719

like I'm sh I know that there's those

1716

01:10:56,570 --> 01:10:54,120

people watching in the crowds that you

1717

01:10:58,490 --> 01:10:56,580

recognize some of them you know I know

1718

01:11:01,010 --> 01:10:58,500

and who talked with them I know that but

1719

01:11:03,770 --> 01:11:01,020

from the public standpoint it felt like

1720

01:11:07,070 --> 01:11:03,780

hey okay we're here and we're gonna

1721

01:11:09,229 --> 01:11:07,080

shake your hand just don't cross the

1722

01:11:10,610 --> 01:11:09,239

gate that was the only thing well I know

1723

01:11:12,169 --> 01:11:10,620

people have written that it was a

1724

01:11:14,209 --> 01:11:12,179

disaster it was a terrible

1725

01:11:16,070 --> 01:11:14,219

disappointment because two million

1726

01:11:18,229 --> 01:11:16,080

people didn't show up it was a great fun

1727

01:11:20,870 --> 01:11:18,239

a great time people that went out there

1728

01:11:22,910 --> 01:11:20,880

had a great time the crowd was a lot

1729

01:11:25,010 --> 01:11:22,920

smaller at the hiko part of it than

1730

01:11:27,110 --> 01:11:25,020

anybody expected but it was still a

1731

01:11:29,450 --> 01:11:27,120

great great fun and then there were

1732

01:11:31,550 --> 01:11:29,460

thousands of people who were over on the

1733

01:11:33,110 --> 01:11:31,560

Rachel side of it who were camped in the

1734

01:11:36,890 --> 01:11:33,120

desert I think they had a great time too

1735

01:11:40,010 --> 01:11:36,900

they're wearing goofy alien costumes I

1736

01:11:41,810 --> 01:11:40,020

think the larger message is that that it

1737

01:11:43,910 --> 01:11:41,820

touched the pulse of the public that

1738

01:11:45,950 --> 01:11:43,920

event I mean there it was an indication

1739

01:11:48,350 --> 01:11:45,960

that the people really are although they

1740

01:11:49,790 --> 01:11:48,360

were there to have fun they're also

1741

01:11:51,830 --> 01:11:49,800

there because they're interested in this

1742

01:11:53,870 --> 01:11:51,840

that they want transparency they want to

1743

01:11:56,270 --> 01:11:53,880

know what's going on on the UFO issue

1744

01:11:58,090 --> 01:11:56,280

and if it's out there in Area 51 which I

1745

01:12:01,130 --> 01:11:58,100

seriously doubt anymore

1746

01:12:03,770 --> 01:12:01,140

then it's time for somebody to fess up

1747

01:12:05,750 --> 01:12:03,780

about it yeah and and but you know but

1748

01:12:07,669 --> 01:12:05,760

here's the deal is like it was this kind

1749

01:12:10,310 --> 01:12:07,679

of cool but but I did notice I want to

1750

01:12:12,229 --> 01:12:10,320

really clearly state every single

1751

01:12:14,330 --> 01:12:12,239

article that wrote about it

1752

01:12:15,770 --> 01:12:14,340

even though it wasn't as big as like you

1753

01:12:17,990 --> 01:12:15,780

know the two million people and all that

1754

01:12:20,630 --> 01:12:18,000

stuff they diminished the number of

1755

01:12:21,530 --> 01:12:20,640

people like I was there I have the

1756

01:12:24,350 --> 01:12:21,540

footage

1757

01:12:27,410 --> 01:12:24,360

there were thousands and thousands of

1758

01:12:30,530 --> 01:12:27,420

people I don't fully understand why

1759

01:12:33,470 --> 01:12:30,540

um Publications would intentionally try

1760

01:12:35,750 --> 01:12:33,480

to diminish the the amount of people

1761

01:12:37,310 --> 01:12:35,760

that that came to attend because there

1762

01:12:39,110 --> 01:12:37,320

was a lot more that I actually thought

1763

01:12:41,870 --> 01:12:39,120

there was going to be and maybe I'm

1764

01:12:43,310 --> 01:12:41,880

being naive but independently all these

1765

01:12:45,590 --> 01:12:43,320

Publications were like ah there was

1766

01:12:48,229 --> 01:12:45,600

barely anybody there [h__h] not true

1767

01:12:49,490 --> 01:12:48,239

not true at all and that's in some of

1768

01:12:51,290 --> 01:12:49,500

the footage so why do why do you think

1769

01:12:54,130 --> 01:12:51,300

it comes with a territory for this topic

1770

01:12:56,990 --> 01:12:54,140

that journalists have been so used to

1771

01:12:59,209 --> 01:12:57,000

diminishing it and dismissing it and and

1772

01:13:00,950 --> 01:12:59,219

having derogatory comments about it it

1773

01:13:02,990 --> 01:13:00,960

goes with the territory so Stephen

1774

01:13:05,149 --> 01:13:03,000

roderick's Rolling Stone article about

1775

01:13:06,290 --> 01:13:05,159

UFOs I think it's like loving the alien

1776

01:13:07,910 --> 01:13:06,300

I don't remember the title was something

1777

01:13:09,229 --> 01:13:07,920

like that what did I think about it

1778

01:13:12,290 --> 01:13:09,239

that's what you asked me where I got all

1779

01:13:14,870 --> 01:13:12,300

fired up so what I thought about it was

1780

01:13:17,270 --> 01:13:14,880

was that it was really cool that

1781

01:13:20,990 --> 01:13:17,280

somebody of his stature would come in

1782

01:13:24,050 --> 01:13:21,000

and spend the time a deep dive into the

1783

01:13:25,550 --> 01:13:24,060

UFO things starting from zero to like

1784

01:13:26,930 --> 01:13:25,560

what's going on in the media at that

1785

01:13:30,649 --> 01:13:26,940

time

1786

01:13:32,209 --> 01:13:30,659

but he used me in that article and I

1787

01:13:34,669 --> 01:13:32,219

think he would admit it because it's

1788

01:13:38,110 --> 01:13:34,679

true is that he used me in that article

1789

01:13:41,390 --> 01:13:38,120

as a vehicle as almost a comedic

1790

01:13:43,130 --> 01:13:41,400

jester-like vehicle where you should

1791

01:13:46,070 --> 01:13:43,140

doubt everything I say because I do

1792

01:13:49,010 --> 01:13:46,080

things like theatrically open my freezer

1793

01:13:52,010 --> 01:13:49,020

now I opened my freezer every [h__\h]

1794

01:13:54,050 --> 01:13:52,020

day and it's never theatrical but if you

1795

01:13:56,090 --> 01:13:54,060

want to say that you can say that

1796

01:13:57,649 --> 01:13:56,100

because maybe that's the way you see it

1797

01:13:59,330 --> 01:13:57,659

or maybe he's just saying I got a

1798

01:14:01,970 --> 01:13:59,340

Charming personality I'll take it that

1799

01:14:04,250 --> 01:14:01,980

way but my takeaway to be honest with

1800

01:14:07,970 --> 01:14:04,260

you and to be honest with everybody is

1801

01:14:11,450 --> 01:14:07,980

that it was an excellent article to be

1802

01:14:14,270 --> 01:14:11,460

covered on this topic and it was fun to

1803

01:14:17,149 --> 01:14:14,280

read like I had so much fun reading it

1804

01:14:19,189 --> 01:14:17,159

but I was used as a vehicle to try to

1805

01:14:21,890 --> 01:14:19,199

say hey I went and did mushrooms with

1806

01:14:22,550 --> 01:14:21,900

this guy or something like that you know

1807

01:14:25,070 --> 01:14:22,560

um

1808

01:14:28,130 --> 01:14:25,080

but I think the the end note

1809

01:14:29,930 --> 01:14:28,140

is that I'm really grateful so Stephen

1810

01:14:31,910 --> 01:14:29,940

if you're listening to this buddy I love

1811

01:14:34,130 --> 01:14:31,920

you I asked you before you went public

1812

01:14:35,090 --> 01:14:34,140

with this on a Twitter public Twitter I

1813

01:14:37,490 --> 01:14:35,100

said

1814

01:14:39,770 --> 01:14:37,500

friend or subject like am I a friend or

1815

01:14:41,870 --> 01:14:39,780

a subject and he wrote back friend you

1816

01:14:44,209 --> 01:14:41,880

know and I hope that's true and I think

1817

01:14:46,790 --> 01:14:44,219

he could do a lot for this subject if he

1818

01:14:49,669 --> 01:14:46,800

just spent his mental energy on it

1819

01:14:51,770 --> 01:14:49,679

because we need voices like his so the

1820

01:14:53,270 --> 01:14:51,780

article was great I just didn't like the

1821

01:14:56,630 --> 01:14:53,280

fact that everything I said that was

1822

01:14:59,390 --> 01:14:56,640

fact was portrayed as like a maybe about

1823

01:15:01,370 --> 01:14:59,400

my own personal life so right when it

1824

01:15:04,010 --> 01:15:01,380

was going public I went to the editor

1825

01:15:05,390 --> 01:15:04,020

and gave them every piece of proof they

1826
01:15:07,130 --> 01:15:05,400
need to say what I was saying was true

1827
01:15:10,189 --> 01:15:07,140
whether I opened the the fridge

1828
01:15:12,709 --> 01:15:10,199
theatrically or not in his eyes right so

1829
01:15:16,490 --> 01:15:12,719
so anyway that's what I think about it I

1830
01:15:17,630 --> 01:15:16,500
really hope other massive journalists

1831
01:15:20,270 --> 01:15:17,640
like him

1832
01:15:22,250 --> 01:15:20,280
Focus long form on this because man

1833
01:15:25,189 --> 01:15:22,260
you've got to get in it well he is a

1834
01:15:27,649 --> 01:15:25,199
great writer and the the article was

1835
01:15:29,570 --> 01:15:27,659
it's a long piece and it was really well

1836
01:15:33,410 --> 01:15:29,580
written some great stuff in there funny

1837
01:15:35,390 --> 01:15:33,420
observations uh and he treated me pretty

1838
01:15:37,310 --> 01:15:35,400

well he he called me I think the John

1839

01:15:38,330 --> 01:15:37,320

the Baptist of the UFO movement or

1840

01:15:40,370 --> 01:15:38,340

something like that which I didn't

1841

01:15:42,350 --> 01:15:40,380

understand you know so he treated me

1842

01:15:44,510 --> 01:15:42,360

well I have no complaint about it the

1843

01:15:46,729 --> 01:15:44,520

complaint I have is that and I called

1844

01:15:47,990 --> 01:15:46,739

them after after it came out I just said

1845

01:15:49,850 --> 01:15:48,000

I just thought you missed a great

1846

01:15:51,830 --> 01:15:49,860

opportunity there's some funny stuff in

1847

01:15:53,689 --> 01:15:51,840

there and I know he doesn't want to be

1848

01:15:55,010 --> 01:15:53,699

the Hunter S Thompson the new Hunter S

1849

01:15:57,229 --> 01:15:55,020

Thompson even though he writes for

1850

01:15:59,570 --> 01:15:57,239

Rolling Stone and the style was very

1851

01:16:02,330 --> 01:15:59,580

similar to it and and he sort of

1852

01:16:04,490 --> 01:16:02,340

embraced the whole Enviro the uh event

1853

01:16:06,290 --> 01:16:04,500

in ways that Hunter Thompson might came

1854

01:16:07,729 --> 01:16:06,300

to my house and saw my wife which is

1855

01:16:09,830 --> 01:16:07,739

called the yeti because no one sees her

1856

01:16:11,270 --> 01:16:09,840

on mushrooms I mean it's like he did

1857

01:16:13,430 --> 01:16:11,280

embrace it we listened to music all

1858

01:16:15,110 --> 01:16:13,440

night but if you ask him about Hunter S

1859

01:16:17,030 --> 01:16:15,120

Thompson he says no no I'm not Honduras

1860

01:16:20,149 --> 01:16:17,040

Thompson Hunter S Thompson made stuff up

1861

01:16:22,610 --> 01:16:20,159

I'm not in the style the writing style

1862

01:16:24,649 --> 01:16:22,620

was similar and it's a great article and

1863

01:16:27,290 --> 01:16:24,659

he did do some work he went and met Lou

1864

01:16:29,450 --> 01:16:27,300

Elizondo he talked to Tom DeLong he he

1865

01:16:32,330 --> 01:16:29,460

did some work beyond the event itself to

1866

01:16:34,010 --> 01:16:32,340

have some context but he missed a great

1867

01:16:36,649 --> 01:16:34,020

opportunity that's what I told him is

1868

01:16:39,410 --> 01:16:36,659

that uh he starts the article early in

1869

01:16:41,209 --> 01:16:39,420

by talking to Seth shostak this

1870

01:16:43,910 --> 01:16:41,219

astronomer who works with the seti

1871

01:16:46,310 --> 01:16:43,920

program and Seth explains that really

1872

01:16:48,110 --> 01:16:46,320

these misguided UFO people they're

1873

01:16:50,209 --> 01:16:48,120

looking for some meeting in their life

1874

01:16:53,030 --> 01:16:50,219

and many of them who moved away from

1875

01:16:55,790 --> 01:16:53,040

religion or Jesus and and Santa Claus

1876

01:16:58,250 --> 01:16:55,800

and so they they need this to fill that

1877

01:17:00,530 --> 01:16:58,260

gap which is just Preposterous it's just

1878

01:17:03,950 --> 01:17:00,540

not true that same argument has been

1879

01:17:06,350 --> 01:17:03,960

made by journalists lazy journalists for

1880

01:17:08,270 --> 01:17:06,360

75 years and it's not true people are

1881

01:17:10,130 --> 01:17:08,280

interested in UFOs because they see them

1882

01:17:12,830 --> 01:17:10,140

because their government sees them

1883

01:17:15,890 --> 01:17:12,840

because they're our fighter pilots and

1884

01:17:17,510 --> 01:17:15,900

and ships and radar operators see them

1885

01:17:19,430 --> 01:17:17,520

they're interested in it because it's a

1886

01:17:22,070 --> 01:17:19,440

genuine mystery not because they'd want

1887

01:17:25,370 --> 01:17:22,080

to believe in Santa Claus or the Easter

1888

01:17:26,510 --> 01:17:25,380

Bunny or Jesus that kind of comment by

1889

01:17:29,270 --> 01:17:26,520

somebody who's supposed to be a

1890

01:17:32,689 --> 01:17:29,280

scientifically minded person tells more

1891

01:17:35,149 --> 01:17:32,699

about that person than it does the UFO

1892

01:17:36,830 --> 01:17:35,159

mystery so I love it when people say

1893

01:17:38,689 --> 01:17:36,840

[h__h] like that because then the public

1894

01:17:40,370 --> 01:17:38,699

can see someone like this guy you're

1895

01:17:44,390 --> 01:17:40,380

talking about whatever his name is he he

1896

01:17:46,729 --> 01:17:44,400

like freaking tells the public who he is

1897

01:17:48,649 --> 01:17:46,739

that's his pain right there that's his

1898

01:17:52,250 --> 01:17:48,659

weirdness because it's not [h__h] true

1899

01:17:54,290 --> 01:17:52,260

Seth Shaw stack is has worked for 25 30

1900

01:17:56,450 --> 01:17:54,300

years with seti the search for

1901

01:17:58,189 --> 01:17:56,460

extraterrestrial intelligence they

1902

01:18:00,050 --> 01:17:58,199

believe that there's life out there and

1903

01:18:02,570 --> 01:18:00,060

we should look for it by using

1904

01:18:03,890 --> 01:18:02,580

telescopes to find evidence but they

1905

01:18:06,290 --> 01:18:03,900

sure as hell don't want to say that

1906

01:18:08,810 --> 01:18:06,300

there's any evidence of life being here

1907

01:18:10,430 --> 01:18:08,820

E.T Life coming here or non-human

1908

01:18:12,830 --> 01:18:10,440

Intelligence being here because that

1909

01:18:14,870 --> 01:18:12,840

puts them out of work if if there's

1910

01:18:17,330 --> 01:18:14,880

evidence that something is visiting us

1911

01:18:19,790 --> 01:18:17,340

here you don't really need telescopes to

1912

01:18:21,649 --> 01:18:19,800

look way way out there I mean that that

1913

01:18:24,590 --> 01:18:21,659

just seems to me like a form of of

1914

01:18:27,890 --> 01:18:24,600

hubris as a site if I was a scientist

1915

01:18:29,750 --> 01:18:27,900

how could I discount some some Society

1916

01:18:31,550 --> 01:18:29,760

more intelligent and more advanced

1917

01:18:34,189 --> 01:18:31,560

technologically than me and that just

1918

01:18:36,470 --> 01:18:34,199

feels like Beyond hubris that feels like

1919

01:18:38,510 --> 01:18:36,480

dude maybe that guy got abducted well be

1920

01:18:40,610 --> 01:18:38,520

interesting to see what evidence said he

1921

01:18:42,169 --> 01:18:40,620

has come up with that there's life out

1922

01:18:44,689 --> 01:18:42,179

there that there's intelligent life on

1923

01:18:46,370 --> 01:18:44,699

other planets because in the I think

1924

01:18:50,630 --> 01:18:46,380

it's probably more than 30 years that's

1925

01:18:52,729 --> 01:18:50,640

existed they've got squat okay so I want

1926

01:18:54,470 --> 01:18:52,739

to now get back towards how this storm

1927

01:18:58,130 --> 01:18:54,480

thing happened but first I want to say

1928

01:18:59,990 --> 01:18:58,140

look I have been really like at this

1929

01:19:02,390 --> 01:19:00,000

thing which by the way went off great

1930

01:19:05,689 --> 01:19:02,400

there there were some weird things like

1931

01:19:07,149 --> 01:19:05,699

I was approached by a group of uh you

1932

01:19:10,189 --> 01:19:07,159

know clearly

1933

01:19:13,729 --> 01:19:10,199

menacing individuals who appeared to me

1934

01:19:16,490 --> 01:19:13,739

to be from an agency that we're trying

1935

01:19:17,990 --> 01:19:16,500

to per see if I would say or provoke me

1936

01:19:20,270 --> 01:19:18,000

into creating

1937

01:19:22,490 --> 01:19:20,280

um a riot like as if when I got on stage

1938

01:19:24,890 --> 01:19:22,500

that night with the microphone that I

1939

01:19:27,830 --> 01:19:24,900

would have incited people they they came

1940

01:19:29,630 --> 01:19:27,840

at me it was so [h__h] um you know when

1941

01:19:32,149 --> 01:19:29,640

that you get that feeling in your gut

1942

01:19:34,010 --> 01:19:32,159

and you're like oh this is dangerous

1943

01:19:35,810 --> 01:19:34,020

so I came in right and told you right

1944

01:19:37,970 --> 01:19:35,820

away and I got them booted from the from

1945

01:19:40,130 --> 01:19:37,980

the place they had built a campfire got

1946

01:19:43,490 --> 01:19:40,140

them booted they were there

1947

01:19:45,110 --> 01:19:43,500

and they told me for the violence that's

1948

01:19:47,390 --> 01:19:45,120

what they said now I think these guys

1949

01:19:50,030 --> 01:19:47,400

were plants because the way that they

1950

01:19:51,709 --> 01:19:50,040

were I I've seen it every day of my life

1951

01:19:53,689 --> 01:19:51,719

you know people that work in these

1952

01:19:55,729 --> 01:19:53,699

capacities but I am just publicly

1953

01:19:59,450 --> 01:19:55,739

stating for the first time I was

1954

01:20:03,110 --> 01:19:59,460

approached by three men who who told me

1955

01:20:05,030 --> 01:20:03,120

their goal was to incite violence and

1956

01:20:07,430 --> 01:20:05,040

they were trying to enroll me in that

1957

01:20:08,990 --> 01:20:07,440

and it creeped the [h__h] out of me and I

1958

01:20:11,030 --> 01:20:09,000

came and told you immediately you told

1959

01:20:12,830 --> 01:20:11,040

George and they were evacuated from the

1960

01:20:14,810 --> 01:20:12,840

location that

1961

01:20:16,669 --> 01:20:14,820

um freaked me out and then you also in

1962

01:20:17,990 --> 01:20:16,679

the audience when Oakenfold was playing

1963

01:20:20,390 --> 01:20:18,000

and everybody was dancing with like

1964

01:20:23,630 --> 01:20:20,400

laser beams right I have cool photos and

1965

01:20:25,850 --> 01:20:23,640

video from that you said to me

1966

01:20:28,910 --> 01:20:25,860

that there were people in the audience

1967

01:20:30,470 --> 01:20:28,920

that you had a long-standing friendship

1968

01:20:32,630 --> 01:20:30,480

or relationship with within federal

1969

01:20:36,229 --> 01:20:32,640

agencies like you recognized faces FBI

1970

01:20:38,689 --> 01:20:36,239

okay so why were they there I asked him

1971

01:20:40,610 --> 01:20:38,699

are you here to are you working oh no

1972

01:20:42,649 --> 01:20:40,620

we're just here to have fun they had a

1973

01:20:44,930 --> 01:20:42,659

beer in their hands but I didn't see

1974

01:20:46,790 --> 01:20:44,940

them actually drinking it I saw them I

1975

01:20:48,470 --> 01:20:46,800

think they were there to keep an eye on

1976

01:20:50,450 --> 01:20:48,480

things to see if the steaks didn't get

1977

01:20:52,189 --> 01:20:50,460

out of hand but they were also enjoying

1978

01:20:53,990 --> 01:20:52,199

themselves they got that they got a hell

1979

01:20:56,510 --> 01:20:54,000

of a had a hell of a good time out of it

1980

01:20:59,390 --> 01:20:56,520

and uh I hope they learned something

1981

01:21:01,550 --> 01:20:59,400

about the the crowd that follows this

1982

01:21:04,130 --> 01:21:01,560

stuff about the subject matter and about

1983

01:21:05,630 --> 01:21:04,140

how passionate people feel and and so on

1984

01:21:07,310 --> 01:21:05,640

that I want to kind of highlight a

1985

01:21:10,250 --> 01:21:07,320

couple artists that did some really cool

1986

01:21:12,890 --> 01:21:10,260

stuff the other artist that blew me away

1987

01:21:14,870 --> 01:21:12,900

right so after my film comes out a lot

1988

01:21:17,630 --> 01:21:14,880

of these emails come in and this one

1989

01:21:21,050 --> 01:21:17,640

artist uh I'm gonna pronounce things

1990

01:21:25,310 --> 01:21:21,060

wrong sawana I believe the the title of

1991

01:21:29,149 --> 01:21:25,320

the song is Black Hole uh so Bob Lazar

1992

01:21:32,870 --> 01:21:29,159

or black hole sawana it was the coolest

1993

01:21:34,850 --> 01:21:32,880

wrap of uh taking Clips out from the

1994

01:21:37,010 --> 01:21:34,860

movie in your original interviews and

1995

01:21:41,209 --> 01:21:37,020

and playing them in a song the song was

1996

01:21:44,570 --> 01:21:41,219

so cool and and this female singer or

1997

01:21:45,470 --> 01:21:44,580

artist she was in a foreign country at

1998

01:21:47,870 --> 01:21:45,480

the time

1999

01:21:49,550 --> 01:21:47,880

um I think it was Indonesia or it was

2000

01:21:52,010 --> 01:21:49,560

I'll probably get around somewhere

2001

01:21:54,229 --> 01:21:52,020

overseas and I said look can you just

2002

01:21:57,709 --> 01:21:54,239

get back to the US of a where she's from

2003

01:22:00,410 --> 01:21:57,719

and I'm like we got a stage you play

2004

01:22:02,689 --> 01:22:00,420

your song you know this Bob Lazar song

2005

01:22:04,790 --> 01:22:02,699

called black hole and what why I was so

2006

01:22:07,070 --> 01:22:04,800

and she had a partner another guy that

2007

01:22:08,270 --> 01:22:07,080

was in it that was just so great and the

2008

01:22:10,910 --> 01:22:08,280

reason I wanted him to play it because

2009

01:22:14,149 --> 01:22:10,920

they got everything right if you listen

2010

01:22:16,070 --> 01:22:14,159

to the lyrics of this song in 1989 I

2011

01:22:18,050 --> 01:22:16,080

mean it starts off crazy it starts off

2012

01:22:20,750 --> 01:22:18,060

with what happened

2013

01:22:22,490 --> 01:22:20,760

okay I'm the whole thing yeah I'm gonna

2014

01:22:25,620 --> 01:22:22,500

play the whole song and video that I

2015

01:22:30,690 --> 01:22:25,630

made right here bam

2016

01:23:35,050 --> 01:22:32,630

[Music]

2017

01:23:40,550 --> 01:23:38,149

well there are several uh actually nine

2018

01:23:42,470 --> 01:23:40,560

flying saucers flying discs of

2019

01:23:44,750 --> 01:23:42,480

extraterrestrial origin they're being

2020

01:23:47,030 --> 01:23:44,760

test flown and uh basically just

2021

01:23:48,709 --> 01:23:47,040

analyzed where did we get these saucers

2022

01:23:50,630 --> 01:23:48,719

uh how did they come into the hands of

2023

01:23:52,490 --> 01:23:50,640

the government I haven't the slightest

2024

01:23:55,070 --> 01:23:52,500

idea and the information is very

2025

01:23:57,169 --> 01:23:55,080

compartmentalized

2026

01:23:59,149 --> 01:23:57,179

stuck on tabloids I don't know what you

2027

01:24:01,189 --> 01:23:59,159

heard but Bob bizarre's not telling a

2028

01:24:03,530 --> 01:24:01,199

lot top secret faces with flying saucers

2029

01:24:05,330 --> 01:24:03,540

fly the government won't be forthcoming

2030

01:24:06,350 --> 01:24:05,340

he hasn't changed the story for 30 years

2031

01:24:08,510 --> 01:24:06,360

running

2032

01:24:11,330 --> 01:24:08,520

et species advanced technology they

2033

01:24:13,310 --> 01:24:11,340

erase his identity MIT feel propulsion

2034

01:24:15,770 --> 01:24:13,320

man it's awesome if they gotta cry they

2035

01:24:17,630 --> 01:24:15,780

can really ban gravity back in 89 Bob

2036

01:24:19,010 --> 01:24:17,640

had a particle accelerator hoping he

2037

01:24:21,470 --> 01:24:19,020

don't wake up the neighbors had to walk

2038

01:24:23,570 --> 01:24:21,480

away from S4 and take a pay cut pulling

2039

01:24:25,010 --> 01:24:23,580

up in that little red Corvette Lazar's

2040

01:24:26,630 --> 01:24:25,020

talking fine that's a document it's a

2041

01:24:28,370 --> 01:24:26,640

flight test with suspicion they said

2042

01:24:30,110 --> 01:24:28,380

it's too much like science fiction Well

2043

01:24:31,910 --> 01:24:30,120

turns out that's wishful thinking this

2044

01:24:33,709 --> 01:24:31,920

guy took his friends out to Papa's Lake

2045

01:24:35,450 --> 01:24:33,719

saw some sauces and caught that [h__h] on

2046

01:24:37,370 --> 01:24:35,460

tape you wanna sit here and say that

2047

01:24:40,120 --> 01:24:37,380

Lazar is fake instead let's get real

2048

01:24:43,990 --> 01:24:40,130

cause life is unexplained

2049

01:24:48,020 --> 01:24:44,000

[Music]

2050

01:25:01,149 --> 01:24:48,030

is not telling a lie

2051
01:25:03,410 --> 01:25:01,159
[Music]

2052
01:25:05,990 --> 01:25:03,420
bring the light are you ready for

2053
01:25:07,420 --> 01:25:06,000
disclosure y'all we this close to

2054
01:25:09,160 --> 01:25:07,430
disclosure y'all

2055
01:25:12,350 --> 01:25:09,170
[Music]

2056
01:25:13,850 --> 01:25:12,360
[Applause]

2057
01:25:15,290 --> 01:25:13,860
okay now

2058
01:25:16,490 --> 01:25:15,300
check it out

2059
01:25:20,930 --> 01:25:16,500
so

2060
01:25:22,130 --> 01:25:20,940
did this and I put a video of the guy in

2061
01:25:24,470 --> 01:25:22,140
because he couldn't come back to the US

2062
01:25:26,750 --> 01:25:24,480
it was just so neat to me to see these

2063
01:25:29,209 --> 01:25:26,760

artists doing stuff and getting it right

2064

01:25:32,570 --> 01:25:29,219

getting it right what Bob reported what

2065

01:25:34,970 --> 01:25:32,580

you reported I mean it was so cool but I

2066

01:25:36,770 --> 01:25:34,980

do want to touch upon this idea that

2067

01:25:38,630 --> 01:25:36,780

there has not always been a great

2068

01:25:41,149 --> 01:25:38,640

relationship when it comes to Area 51

2069

01:25:43,729 --> 01:25:41,159

and journalists and when it comes to

2070

01:25:45,169 --> 01:25:43,739

Area 51 and the surrounding area and the

2071

01:25:46,850 --> 01:25:45,179

first thing I want you to tell us about

2072

01:25:48,770 --> 01:25:46,860

is

2073

01:25:50,630 --> 01:25:48,780

from what I understand you did a news

2074

01:25:52,729 --> 01:25:50,640

report about a guy that found sensors on

2075

01:25:54,530 --> 01:25:52,739

public land can you tell us that story

2076

01:25:55,970 --> 01:25:54,540

first and then I want to talk about yorg

2077

01:25:58,610 --> 01:25:55,980

sure

2078

01:26:03,110 --> 01:25:58,620

his name was Chuck Clark he had written

2079

01:26:05,209 --> 01:26:03,120

sort of a a a visitor's guide to Area 51

2080

01:26:07,070 --> 01:26:05,219

with some pretty good advice on what to

2081

01:26:09,229 --> 01:26:07,080

do what not to do and how to prepare for

2082

01:26:11,390 --> 01:26:09,239

a trip out there he spent a lot of his

2083

01:26:14,149 --> 01:26:11,400

time at the little alien I think he

2084

01:26:16,610 --> 01:26:14,159

lived in in a trailer right next to the

2085

01:26:18,950 --> 01:26:16,620

little alien for a number of years and

2086

01:26:21,290 --> 01:26:18,960

he would be the unofficial expert if

2087

01:26:23,390 --> 01:26:21,300

people came to town and had questions he

2088

01:26:26,570 --> 01:26:23,400

he would help him out but Chuck was also

2089

01:26:28,490 --> 01:26:26,580

a bit of a government Watchdog and he he

2090

01:26:31,430 --> 01:26:28,500

admireds the folks that worked out of

2091

01:26:33,229 --> 01:26:31,440

dairy 51 but he was I think upset when

2092

01:26:35,990 --> 01:26:33,239

he learned that there were these sensors

2093

01:26:38,270 --> 01:26:36,000

out on public land so you know even if

2094

01:26:40,610 --> 01:26:38,280

you get up to the very edge of Area 51

2095

01:26:42,649 --> 01:26:40,620

you're still 12 15 miles from the base

2096

01:26:45,290 --> 01:26:42,659

itself and you can't get in there

2097

01:26:47,810 --> 01:26:45,300

there's no way but on the public lands

2098

01:26:49,750 --> 01:26:47,820

leading up to it for miles outside on

2099

01:26:52,610 --> 01:26:49,760

BLM land that is available to everyone

2100

01:26:54,410 --> 01:26:52,620

they've planted these sensors that will

2101
01:26:57,430 --> 01:26:54,420
alert them when someone's on the road

2102
01:27:01,790 --> 01:26:57,440
and so Chuck found a way to dig them up

2103
01:27:05,149 --> 01:27:01,800
to a isolate and identify him and uh it

2104
01:27:09,290 --> 01:27:05,159
he had a he'd built a little scanner in

2105
01:27:11,810 --> 01:27:09,300
his car that would beep when there was

2106
01:27:13,490 --> 01:27:11,820
one real nearby so he called me up and

2107
01:27:15,709 --> 01:27:13,500
said hey come on out here I've got to

2108
01:27:18,530 --> 01:27:15,719
show you this so Matt Adams and I went

2109
01:27:20,930 --> 01:27:18,540
out Matt my photographer and got in the

2110
01:27:22,850 --> 01:27:20,940
car with Chuck and drove around and we

2111
01:27:25,070 --> 01:27:22,860
found like four or five of them oh that

2112
01:27:27,290 --> 01:27:25,080
shout out shout out to Matt Adams Matt

2113
01:27:28,970 --> 01:27:27,300

Adams has been working side by side with

2114

01:27:31,010 --> 01:27:28,980

George not probably been to Skinwalker

2115

01:27:33,229 --> 01:27:31,020

Ranch more than anybody but George and

2116

01:27:35,750 --> 01:27:33,239

the kid's team and Matt Adams has been

2117

01:27:38,090 --> 01:27:35,760

your your tell us who Matt Adams is that

2118

01:27:41,629 --> 01:27:38,100

is the chief photographer for klas TV

2119

01:27:43,790 --> 01:27:41,639

he's worked with me on the i-team for

2120

01:27:46,250 --> 01:27:43,800

more than 20 years now all of the

2121

01:27:49,550 --> 01:27:46,260

adventures we've had at Area 51 at

2122

01:27:52,490 --> 01:27:49,560

Skinwalker Ranch we had our encounters

2123

01:27:54,290 --> 01:27:52,500

with law enforcement we've chased down

2124

01:27:56,390 --> 01:27:54,300

terrorists we've done a lot of stories

2125

01:27:58,610 --> 01:27:56,400

together won a lot of awards he's a

2126

01:28:01,129 --> 01:27:58,620

Fearless guy and a very talented man and

2127

01:28:03,709 --> 01:28:01,139

he was on Along on this on this

2128

01:28:06,950 --> 01:28:03,719

assignment and and he's your CIA Handler

2129

01:28:09,830 --> 01:28:06,960

yeah that's true okay continue so we go

2130

01:28:12,350 --> 01:28:09,840

out with Chuck he his uh little scanner

2131

01:28:14,629 --> 01:28:12,360

is beeping we find these things that are

2132

01:28:16,669 --> 01:28:14,639

hidden in under bushes are you filming

2133

01:28:18,530 --> 01:28:16,679

it yeah we recorded the whole thing Matt

2134

01:28:20,750 --> 01:28:18,540

shot the whole thing he gets a little

2135

01:28:22,430 --> 01:28:20,760

brush out and brushes off the dirt and

2136

01:28:24,950 --> 01:28:22,440

shows us where they what these things

2137

01:28:27,590 --> 01:28:24,960

are did not disturb any of them at least

2138

01:28:29,209 --> 01:28:27,600

not while I was there and then we put

2139

01:28:31,430 --> 01:28:29,219

them back you know he just covers them

2140

01:28:33,950 --> 01:28:31,440

back up again and and we go back and do

2141

01:28:37,310 --> 01:28:33,960

a story and I get I get a call from

2142

01:28:39,169 --> 01:28:37,320

federal law enforcement that said what

2143

01:28:41,330 --> 01:28:39,179

were you doing out there so well I'm

2144

01:28:43,189 --> 01:28:41,340

just I'm on public land I'm looking at

2145

01:28:45,110 --> 01:28:43,199

these devices that are on public land

2146

01:28:47,209 --> 01:28:45,120

and we're gonna we're putting a story

2147

01:28:50,270 --> 01:28:47,219

together on it you shouldn't have done

2148

01:28:52,490 --> 01:28:50,280

that and it's it's kind of ominous the

2149

01:28:54,950 --> 01:28:52,500

warning that we got but the next day

2150

01:28:57,890 --> 01:28:54,960

The Joint terrorism task force goes

2151
01:29:01,129 --> 01:28:57,900
blasting into Rachel kicked in the door

2152
01:29:03,590 --> 01:29:01,139
of Chuck Chuck's trailer uh seized all

2153
01:29:05,209 --> 01:29:03,600
of his computers all of his cameras all

2154
01:29:07,310 --> 01:29:05,219
of his hard drives all of his

2155
01:29:10,430 --> 01:29:07,320
photographs took it all took everything

2156
01:29:11,930 --> 01:29:10,440
away and Chuck was in Colorado at the

2157
01:29:13,729 --> 01:29:11,940
time he didn't know this was going on he

2158
01:29:17,090 --> 01:29:13,739
found out a little bit later but he

2159
01:29:20,290 --> 01:29:17,100
never got that equipment back and he was

2160
01:29:22,669 --> 01:29:20,300
uh he had the threat of federal charges

2161
01:29:25,610 --> 01:29:22,679
over his head for I think the next two

2162
01:29:27,470 --> 01:29:25,620
years the allegation was he destroyed

2163
01:29:29,169 --> 01:29:27,480

government property by messing with

2164

01:29:32,930 --> 01:29:29,179

these things that were out on public

2165

01:29:34,550 --> 01:29:32,940

land right okay FBI agents have

2166

01:29:36,350 --> 01:29:34,560

confirmed that a search warrant was

2167

01:29:38,990 --> 01:29:36,360

served last night on the home of a

2168

01:29:40,970 --> 01:29:39,000

self-described military Watchdog in the

2169

01:29:44,030 --> 01:29:40,980

Tiny Town of Rachel near the mysterious

2170

01:29:46,010 --> 01:29:44,040

Area 51 military base it's an exclusive

2171

01:29:47,870 --> 01:29:46,020

story you will only see here we've

2172

01:29:49,790 --> 01:29:47,880

learned this action was initiated by The

2173

01:29:51,890 --> 01:29:49,800

Joint terrorism task force the search

2174

01:29:53,810 --> 01:29:51,900

warrant remained sealed and the FBI

2175

01:29:55,669 --> 01:29:53,820

won't say what overseas from the home of

2176
01:29:57,350 --> 01:29:55,679
Rachel resident Chuck Clark we believe

2177
01:29:59,510 --> 01:29:57,360
the action was taken because Chuck Clark

2178
01:30:01,430 --> 01:29:59,520
escorted the i-team on a tour of the

2179
01:30:03,169 --> 01:30:01,440
roads surrounding the base during the

2180
01:30:05,390 --> 01:30:03,179
visit he showed us the location of

2181
01:30:07,129 --> 01:30:05,400
military sensors hidden on public land

2182
01:30:12,830 --> 01:30:07,139
here's our story

2183
01:30:14,870 --> 01:30:12,840
I found 31 or 32 of them so far retired

2184
01:30:17,149 --> 01:30:14,880
astronomer and Desert Rat Chuck Clark

2185
01:30:18,890 --> 01:30:17,159
has a new hobby he's proud the hills and

2186
01:30:20,930 --> 01:30:18,900
deserts of Lincoln County for several

2187
01:30:23,090 --> 01:30:20,940
years now has photographed exotic

2188
01:30:25,490 --> 01:30:23,100

aircraft in the skies and keeps an eye

2189

01:30:27,470 --> 01:30:25,500

on the top secret base known as Area 51

2190

01:30:29,629 --> 01:30:27,480

he's even written a book about the place

2191

01:30:31,669 --> 01:30:29,639

over the past few months he's discovered

2192

01:30:34,010 --> 01:30:31,679

the military has been installing secret

2193

01:30:36,590 --> 01:30:34,020

sensors on public lands surrounding the

2194

01:30:38,330 --> 01:30:36,600

base using a frequency counter he can

2195

01:30:40,129 --> 01:30:38,340

tell when his vehicle has tripped the

2196

01:30:42,229 --> 01:30:40,139

sensor when that happens he looks for

2197

01:30:44,930 --> 01:30:42,239

the hard to spot wire atop the device

2198

01:30:47,149 --> 01:30:44,940

this is our sensor right here

2199

01:30:48,830 --> 01:30:47,159

then he digs them up takes pictures and

2200

01:30:51,229 --> 01:30:48,840

puts them back there's your transmitter

2201

01:30:54,830 --> 01:30:51,239

right there

2202

01:30:57,709 --> 01:30:54,840

and we'll come around here

2203

01:30:59,090 --> 01:30:57,719

and right here will be the time delay

2204

01:31:01,310 --> 01:30:59,100

unit

2205

01:31:03,530 --> 01:31:01,320

and you'll see it's clearly marked U.S

2206

01:31:05,689 --> 01:31:03,540

government property Clark isn't a

2207

01:31:07,729 --> 01:31:05,699

terrorist or spy but is angered that

2208

01:31:10,370 --> 01:31:07,739

hikers four-wheelers or photographers

2209

01:31:12,530 --> 01:31:10,380

anyone who uses the backcountry is being

2210

01:31:15,050 --> 01:31:12,540

monitored by the military on public land

2211

01:31:16,729 --> 01:31:15,060

miles from the boundary of the base a

2212

01:31:19,370 --> 01:31:16,739

boundary which is clearly marked by

2213

01:31:22,310 --> 01:31:19,380

ominous signs it's a little Overkill in

2214

01:31:24,290 --> 01:31:22,320

my opinion they have a about a 25 mile

2215

01:31:26,450 --> 01:31:24,300

buffer zone out here and it's all

2216

01:31:27,790 --> 01:31:26,460

terrain like this it gets rougher as you

2217

01:31:31,010 --> 01:31:27,800

go

2218

01:31:33,169 --> 01:31:31,020

uh why they have to put stuff outside

2219

01:31:35,689 --> 01:31:33,179

the line and really it escapes me during

2220

01:31:37,850 --> 01:31:35,699

the i-team's visit last week two sensors

2221

01:31:39,590 --> 01:31:37,860

were located and base security wrote

2222

01:31:42,229 --> 01:31:39,600

down the plate numbers of our vehicles

2223

01:31:44,870 --> 01:31:42,239

we returned five days ago and drove to

2224

01:31:47,510 --> 01:31:44,880

the rear entrance of area 51. three days

2225

01:31:49,189 --> 01:31:47,520

after our visit FBI agents working with

2226

01:31:51,770 --> 01:31:49,199

Air Force intelligence and the joint

2227

01:31:54,530 --> 01:31:51,780

terrorism task force raided Clark's home

2228

01:31:56,930 --> 01:31:54,540

and Rachel seized photos records and his

2229

01:31:59,330 --> 01:31:56,940

computer is it legal for anyone to touch

2230

01:32:01,610 --> 01:31:59,340

military sensors hidden on public land

2231

01:32:03,229 --> 01:32:01,620

the government doesn't think so although

2232

01:32:05,930 --> 01:32:03,239

Clark hasn't been charged with anything

2233

01:32:08,750 --> 01:32:05,940

is the military trying to silence this

2234

01:32:11,330 --> 01:32:08,760

Outback gadfly sort of paranoid about

2235

01:32:13,189 --> 01:32:11,340

this location and I don't see why we

2236

01:32:15,110 --> 01:32:13,199

asked the BLM if it's legal for the

2237

01:32:16,729 --> 01:32:15,120

military to put sensing devices out on

2238

01:32:18,649 --> 01:32:16,739

public land but a spokesman couldn't

2239

01:32:20,629 --> 01:32:18,659

answer our question law enforcement

2240

01:32:22,970 --> 01:32:20,639

sources say that by handling the sensors

2241

01:32:24,770 --> 01:32:22,980

the devices become disabled so it

2242

01:32:27,050 --> 01:32:24,780

amounts to production of government

2243

01:32:28,729 --> 01:32:27,060

property as we mentioned Clark has not

2244

01:32:30,290 --> 01:32:28,739

been charged he was out of the state

2245

01:32:31,910 --> 01:32:30,300

when the warrant was served our

2246

01:32:33,770 --> 01:32:31,920

investigation of the issues involved

2247

01:32:35,570 --> 01:32:33,780

will continue and we should emphasize

2248

01:32:37,910 --> 01:32:35,580

the involvement of the terrorism task

2249

01:32:39,890 --> 01:32:37,920

force does not mean that terrorism in a

2250

01:32:41,689 --> 01:32:39,900

classic sense is involved it's just that

2251

01:32:44,209 --> 01:32:41,699

these kinds of matters fall under the

2252

01:32:46,189 --> 01:32:44,219

task force purview so

2253

01:32:49,790 --> 01:32:46,199

um it was enough of an intimidation

2254

01:32:53,750 --> 01:32:49,800

tactic that Chuck shut down his home in

2255

01:32:56,030 --> 01:32:53,760

Rachel shut down his uh his Watchdog

2256

01:32:58,010 --> 01:32:56,040

activities moved out of the state and

2257

01:33:00,470 --> 01:32:58,020

never came back the other thing I want

2258

01:33:03,010 --> 01:33:00,480

to talk about is that this is happened

2259

01:33:06,169 --> 01:33:03,020

in other Realms right so we know

2260

01:33:07,850 --> 01:33:06,179

obviously with Bob Lazar and we're not

2261

01:33:11,030 --> 01:33:07,860

going to get into all that now but he

2262

01:33:13,669 --> 01:33:11,040

had a multi-agency raid on his home in

2263

01:33:14,570 --> 01:33:13,679

New Mexico but when I was filming too by

2264

01:33:16,850 --> 01:33:14,580

the way because we talked about the

2265

01:33:19,850 --> 01:33:16,860

movie everybody said oh first Jeremy

2266

01:33:22,010 --> 01:33:19,860

hired people it's a movie he faked it

2267

01:33:23,810 --> 01:33:22,020

and then of course the local documents

2268

01:33:27,649 --> 01:33:23,820

come out I didn't fake it there was a

2269

01:33:34,189 --> 01:33:31,550

that identified themselves as FBI and um

2270

01:33:36,350 --> 01:33:34,199

they uh said you're about Lazar right

2271

01:33:39,050 --> 01:33:36,360

and then you know one of them got on the

2272

01:33:41,510 --> 01:33:39,060

radio saying yeah he's here

2273

01:33:42,709 --> 01:33:41,520

apparently they also had my house staked

2274

01:33:45,830 --> 01:33:42,719

out

2275

01:33:47,030 --> 01:33:45,840

and they were deciding whether or not to

2276

01:33:51,430 --> 01:33:47,040

go there

2277

01:33:55,490 --> 01:33:51,440

the conveyor belt of vehicles and agents

2278

01:33:58,490 --> 01:33:55,500

and police did not stop the whole thing

2279

01:34:00,169 --> 01:33:58,500

it was like a Twilight Zone episode

2280

01:34:01,850 --> 01:34:00,179

they came in and then they said there'll

2281

01:34:04,490 --> 01:34:01,860

be a few other people coming here just

2282

01:34:06,890 --> 01:34:04,500

got a couple questions to ask him in a

2283

01:34:09,350 --> 01:34:06,900

short time the street filled up with

2284

01:34:12,229 --> 01:34:09,360

vehicles and the building completely

2285

01:34:14,270 --> 01:34:12,239

filled with agents it was really

2286

01:34:16,610 --> 01:34:14,280

something else did they identify

2287

01:34:19,370 --> 01:34:16,620

themselves initially as yeah there was

2288

01:34:23,629 --> 01:34:19,380

FBI identified themselves then came in

2289

01:34:25,790 --> 01:34:23,639

State Police and a few other agencies I

2290

01:34:26,810 --> 01:34:25,800

don't remember who but

2291

01:34:28,750 --> 01:34:26,820

um

2292

01:34:31,070 --> 01:34:28,760

there were a lot

2293

01:34:33,290 --> 01:34:31,080

standing room only and in the building

2294

01:34:34,970 --> 01:34:33,300

it was it was crazy yeah they had like a

2295

01:34:36,470 --> 01:34:34,980

forensic truck they had a bunch of

2296

01:34:38,330 --> 01:34:36,480

different agents they gridded off the

2297

01:34:41,209 --> 01:34:38,340

building I mean obviously they're

2298

01:34:43,010 --> 01:34:41,219

they're looking for something yeah

2299

01:34:45,110 --> 01:34:43,020

yeah and what they said they were

2300

01:34:49,189 --> 01:34:45,120

looking for some paperwork in Old order

2301
01:34:51,649 --> 01:34:49,199
from two years ago about a customer that

2302
01:34:53,330 --> 01:34:51,659
you know ordered some potentially toxic

2303
01:34:54,890 --> 01:34:53,340
material

2304
01:34:58,010 --> 01:34:54,900
which

2305
01:35:00,350 --> 01:34:58,020
they could have called for but uh this

2306
01:35:03,229 --> 01:35:00,360
was certainly way over the top

2307
01:35:05,570 --> 01:35:03,239
I looked up to select the right key and

2308
01:35:06,830 --> 01:35:05,580
they were right beside me it was quite

2309
01:35:08,930 --> 01:35:06,840
surprising

2310
01:35:10,970 --> 01:35:08,940
considering you could see all around

2311
01:35:13,189 --> 01:35:10,980
here and they would generally have to be

2312
01:35:15,110 --> 01:35:13,199
a vehicle or something somewhere but I

2313
01:35:16,310 --> 01:35:15,120

just pulled up got out picked the key

2314

01:35:18,169 --> 01:35:16,320

and then

2315

01:35:20,270 --> 01:35:18,179

they started talking from behind me I

2316

01:35:21,950 --> 01:35:20,280

thought that was really strange

2317

01:35:24,050 --> 01:35:21,960

of course it got much stranger as the

2318

01:35:27,530 --> 01:35:24,060

day went on what what got stranger about

2319

01:35:29,330 --> 01:35:27,540

it well just the sheer amount of people

2320

01:35:31,850 --> 01:35:29,340

that came

2321

01:35:33,950 --> 01:35:31,860

agency after agency

2322

01:35:36,050 --> 01:35:33,960

I mean they had computer experts here

2323

01:35:38,149 --> 01:35:36,060

going through you know all the computer

2324

01:35:41,209 --> 01:35:38,159

equipment we had here they had people

2325

01:35:44,450 --> 01:35:41,219

sectioning off the building labeling it

2326
01:35:46,370 --> 01:35:44,460
in cubic meters so they can search each

2327
01:35:47,750 --> 01:35:46,380
one you know what they're looking for

2328
01:35:50,390 --> 01:35:47,760
was just a

2329
01:35:52,650 --> 01:35:50,400
an order form so

2330
01:36:07,010 --> 01:35:52,660
it's very strange

2331
01:36:08,090 --> 01:36:07,020
[Music]

2332
01:36:12,850 --> 01:36:08,100
yeah

2333
01:36:18,470 --> 01:36:15,470
you've been rated

2334
01:36:22,790 --> 01:36:18,480
two times twice by more agencies than I

2335
01:36:26,030 --> 01:36:22,800
can really recall the FDA to the NRC

2336
01:36:30,110 --> 01:36:26,040
the FBI but they they usually come in in

2337
01:36:33,470 --> 01:36:30,120
mass and it's hard to pick out who's who

2338
01:36:35,570 --> 01:36:33,480

so this is beryllium yeah

2339

01:36:37,550 --> 01:36:35,580

and what is it used for again

2340

01:36:40,209 --> 01:36:37,560

it's used in Aerospace it's very

2341

01:36:40,219 --> 01:36:43,970

quite strong and

2342

01:36:48,830 --> 01:36:46,669

high temperature metal

2343

01:36:51,410 --> 01:36:48,840

do you think that you you were shaken

2344

01:36:52,790 --> 01:36:51,420

down to some degree you're being [h__\h]

2345

01:36:55,129 --> 01:36:52,800

with I don't think they're just [h__\h]

2346

01:36:59,510 --> 01:36:55,139

with me I'm convinced there's ulterior

2347

01:37:02,090 --> 01:36:59,520

motives I firmly suspect that there's a

2348

01:37:04,490 --> 01:37:02,100

a lot more to it than they're saying

2349

01:37:09,050 --> 01:37:04,500

that they're looking for

2350

01:37:13,850 --> 01:37:11,750

what they're supposed to do is tie you

2351

01:37:16,370 --> 01:37:13,860

up put you in the middle of the room

2352

01:37:18,770 --> 01:37:16,380

have everyone watching you so that you

2353

01:37:21,410 --> 01:37:18,780

can't you know collaborate a story or

2354

01:37:23,330 --> 01:37:21,420

you know try to trick them or whatnot so

2355

01:37:27,830 --> 01:37:23,340

they just kept kept us all in separate

2356

01:37:29,810 --> 01:37:27,840

rooms this bomb squad computer Squad I

2357

01:37:32,090 --> 01:37:29,820

think they have like a biological Hazard

2358

01:37:34,850 --> 01:37:32,100

Squad Hazmat Squad everybody made the

2359

01:37:36,950 --> 01:37:34,860

full gamut because they had no idea

2360

01:37:38,450 --> 01:37:36,960

um what we had in our shop or like what

2361

01:37:40,970 --> 01:37:38,460

we're capable of or are we going to

2362

01:37:42,410 --> 01:37:40,980

retaliate or anything like that so it

2363

01:37:45,110 --> 01:37:42,420

was pretty much like the full Michigan

2364

01:37:47,930 --> 01:37:45,120

FBI I mean they had the van they have

2365

01:37:50,930 --> 01:37:47,940

multiple cars lined off you know so

2366

01:37:53,149 --> 01:37:50,940

I mean in looking at Bob's life there's

2367

01:37:55,250 --> 01:37:53,159

always the suspicion that there's

2368

01:37:56,990 --> 01:37:55,260

something more going on on shaking him

2369

01:37:59,270 --> 01:37:57,000

down because he had that experience

2370

01:38:02,030 --> 01:37:59,280

before yeah so this is the second time

2371

01:38:04,310 --> 01:38:02,040

that I know of that he's gotten rated so

2372

01:38:06,110 --> 01:38:04,320

he's always had like this kind of

2373

01:38:07,850 --> 01:38:06,120

knowledge that there's somebody watching

2374

01:38:10,129 --> 01:38:07,860

no matter what he does there's always

2375

01:38:12,350 --> 01:38:10,139

somebody watching you and it does have

2376

01:38:14,030 --> 01:38:12,360

to be related to the area 51 stuff and

2377

01:38:16,189 --> 01:38:14,040

all that you know they kind of put them

2378

01:38:17,810 --> 01:38:16,199

on a list I think they do like Tony with

2379

01:38:19,850 --> 01:38:17,820

him and keeping an eye on them but I

2380

01:38:21,530 --> 01:38:19,860

don't believe that it's like

2381

01:38:22,550 --> 01:38:21,540

they're opening up a 30 year old file

2382

01:38:23,930 --> 01:38:22,560

and they're like all right we're gonna

2383

01:38:25,250 --> 01:38:23,940

crack down on the Bob story and we're

2384

01:38:26,570 --> 01:38:25,260

going to find out if he had what he has

2385

01:38:28,550 --> 01:38:26,580

what information he's got I don't think

2386

01:38:30,290 --> 01:38:28,560

that they're necessarily doing that but

2387

01:38:32,330 --> 01:38:30,300

I do think that there's like a culture

2388

01:38:34,790 --> 01:38:32,340

maybe within these agencies of they know

2389

01:38:36,169 --> 01:38:34,800

who this guy is and they'll have

2390

01:38:38,510 --> 01:38:36,179

you know they'll look for any reason

2391

01:38:40,129 --> 01:38:38,520

that they can to kind of you know poke

2392

01:38:42,169 --> 01:38:40,139

them with some thorns and make sure that

2393

01:38:45,169 --> 01:38:42,179

he knows you know who's watching them I

2394

01:38:47,450 --> 01:38:45,179

I believe that it's too coincidental for

2395

01:38:49,070 --> 01:38:47,460

it all to be just you know

2396

01:38:50,510 --> 01:38:49,080

you know just some luck of the draw

2397

01:38:54,110 --> 01:38:50,520

basically like there's there's something

2398

01:38:57,830 --> 01:38:55,850

we'll talk more about that later so now

2399

01:39:01,250 --> 01:38:57,840

we're at like the third time that I have

2400

01:39:04,270 --> 01:39:01,260

seen in my experience dude these people

2401
01:39:08,390 --> 01:39:07,250
this is a couple months ago what

2402
01:39:11,870 --> 01:39:08,400
happened

2403
01:39:15,290 --> 01:39:11,880
November of 2022

2404
01:39:17,810 --> 01:39:15,300
federal agents came to two homes that

2405
01:39:20,990 --> 01:39:17,820
are owned by York one is in Rachel and

2406
01:39:23,870 --> 01:39:21,000
one is in Las Vegas York has for the

2407
01:39:26,450 --> 01:39:23,880
last 20 plus years operated a website

2408
01:39:28,129 --> 01:39:26,460
called dreamlandresort.com and it is

2409
01:39:30,770 --> 01:39:28,139
sort of a central Clearinghouse for

2410
01:39:34,189 --> 01:39:30,780
information about area 51. people would

2411
01:39:36,290 --> 01:39:34,199
send in photos and stories and news

2412
01:39:39,290 --> 01:39:36,300
links and things of that sort and it was

2413
01:39:41,209 --> 01:39:39,300

a a place to exchange information with

2414

01:39:44,510 --> 01:39:41,219

other people who have like interests who

2415

01:39:46,970 --> 01:39:44,520

wonder about what projects are being uh

2416

01:39:48,950 --> 01:39:46,980

enacted out there what planes are flying

2417

01:39:50,050 --> 01:39:48,960

in and out of the base they take photos

2418

01:39:53,330 --> 01:39:50,060

of

2419

01:39:56,090 --> 01:39:53,340

f-117s that supposedly retired many

2420

01:39:57,950 --> 01:39:56,100

years ago and then speculate about what

2421

01:39:59,750 --> 01:39:57,960

else might be going on out there and

2422

01:40:01,970 --> 01:39:59,760

this is a friend of yours this is

2423

01:40:04,910 --> 01:40:01,980

somebody that you know for decades yeah

2424

01:40:07,729 --> 01:40:04,920

in fact York knew Chuck Clark and I

2425

01:40:09,590 --> 01:40:07,739

think when Chuck Clark got raided I'm

2426

01:40:12,709 --> 01:40:09,600

not entirely positive but I believe York

2427

01:40:14,870 --> 01:40:12,719

was visited back then as well and

2428

01:40:16,610 --> 01:40:14,880

um so he's got this website he's very

2429

01:40:18,770 --> 01:40:16,620

careful he doesn't want to cross a line

2430

01:40:21,530 --> 01:40:18,780

in fact when the storm 51 thing was

2431

01:40:24,290 --> 01:40:21,540

going on York led the charge to don't

2432

01:40:26,270 --> 01:40:24,300

come here leave us alone we filmed at

2433

01:40:28,729 --> 01:40:26,280

his house if you remember and he had put

2434

01:40:30,649 --> 01:40:28,739

up this barbed wire fancy spotlights

2435

01:40:32,390 --> 01:40:30,659

he's telling everybody don't do anything

2436

01:40:34,250 --> 01:40:32,400

up there don't they're very serious up

2437

01:40:37,490 --> 01:40:34,260

there this is a guy that has helped

2438

01:40:41,030 --> 01:40:37,500

protect that line for decades he he has

2439

01:40:44,990 --> 01:40:41,040

we are right in Rachel Nevada we're at

2440

01:40:47,810 --> 01:40:45,000

York's house he's uh prepping for the

2441

01:40:50,149 --> 01:40:47,820

zombie apocalypse with lights that are

2442

01:40:53,450 --> 01:40:50,159

like daylight surrounding his compound

2443

01:40:55,669 --> 01:40:53,460

of a house cleaning guns fenced off with

2444

01:40:58,070 --> 01:40:55,679

news trucks welcome to park on his

2445

01:41:00,590 --> 01:40:58,080

property so that uh he could be

2446

01:41:02,450 --> 01:41:00,600

protected for the zombie apocalypse

2447

01:41:07,189 --> 01:41:02,460

pretty [h__h] crazy I live real remote

2448

01:41:12,470 --> 01:41:10,010

but yeah this is a small town community

2449

01:41:13,970 --> 01:41:12,480

where people are literally invading it

2450

01:41:15,290 --> 01:41:13,980

coming from somewhere where they're not

2451
01:41:17,870 --> 01:41:15,300
going to be prepared for here the house

2452
01:41:20,149 --> 01:41:17,880
is prepped with daylight at night this

2453
01:41:22,250 --> 01:41:20,159
place is going to be like daylight they

2454
01:41:25,010 --> 01:41:22,260
got guns they got lights got news trucks

2455
01:41:26,629 --> 01:41:25,020
for protection fire is an issue some

2456
01:41:28,250 --> 01:41:26,639
properties where they got big trees

2457
01:41:30,770 --> 01:41:28,260
going you've seen old towns burn so

2458
01:41:32,750 --> 01:41:30,780
that's what this is about and uh you

2459
01:41:34,070 --> 01:41:32,760
know they should protect their property

2460
01:41:35,510 --> 01:41:34,080
however I think everybody's gonna have a

2461
01:41:37,490 --> 01:41:35,520
good time it's gonna be beautiful now I

2462
01:41:40,189 --> 01:41:37,500
want to get the watch how crazy this

2463
01:41:42,229 --> 01:41:40,199

situation is and whatever I can do to to

2464

01:41:45,050 --> 01:41:42,239

help with that do you personally feel

2465

01:41:46,310 --> 01:41:45,060

responsible for what's going on here now

2466

01:41:49,070 --> 01:41:46,320

I personally feel responsible for only

2467

01:41:54,050 --> 01:41:49,080

what I do I blame Bob Lazar really me

2468

01:41:59,450 --> 01:41:56,390

what's going on yeah

2469

01:42:01,790 --> 01:41:59,460

yeah people when the storm 51 thing was

2470

01:42:04,129 --> 01:42:01,800

percolating don't come up here it's a

2471

01:42:08,270 --> 01:42:04,139

bad idea don't tread on our little town

2472

01:42:10,550 --> 01:42:08,280

here stay away it's a bad idea but um so

2473

01:42:12,229 --> 01:42:10,560

he you know he is in a lot of ways a

2474

01:42:14,450 --> 01:42:12,239

friend to the government he's he would

2475

01:42:16,970 --> 01:42:14,460

never expose Secrets or endanger

2476

01:42:18,830 --> 01:42:16,980

National Security he's a naturalized

2477

01:42:21,830 --> 01:42:18,840

American citizen he came here because he

2478

01:42:23,750 --> 01:42:21,840

loved America so the raid happens they

2479

01:42:26,810 --> 01:42:23,760

kick in his door at his house and Rachel

2480

01:42:31,070 --> 01:42:26,820

uh came in with guns blazing not blazing

2481

01:42:33,350 --> 01:42:31,080

but guns drawn and um see took him

2482

01:42:36,229 --> 01:42:33,360

outside and threw him in a vehicle that

2483

01:42:40,129 --> 01:42:36,239

he took all of his computers uh cameras

2484

01:42:44,030 --> 01:42:40,139

photos hard drives uh cell phones

2485

01:42:46,790 --> 01:42:44,040

everything so double no knock warrants

2486

01:42:49,129 --> 01:42:46,800

on two properties one in Las Vegas one

2487

01:42:51,050 --> 01:42:49,139

in Rachel in the middle six a.m in the

2488

01:42:53,689 --> 01:42:51,060

morning his his girlfriend's in the

2489

01:42:56,750 --> 01:42:53,699

Vegas one he is in the one that is near

2490

01:42:59,870 --> 01:42:56,760

Rachel and boom door kicks open there's

2491

01:43:03,709 --> 01:42:59,880

guns drawn they take him into like a

2492

01:43:05,270 --> 01:43:03,719

type of detainment and they take all of

2493

01:43:06,950 --> 01:43:05,280

his computers and his hard drives and

2494

01:43:08,570 --> 01:43:06,960

we're not talking about like a

2495

01:43:11,149 --> 01:43:08,580

journalist like us we're talking about

2496

01:43:13,669 --> 01:43:11,159

like the website guy a guy that runs a

2497

01:43:15,530 --> 01:43:13,679

website and of course as I said he's

2498

01:43:17,270 --> 01:43:15,540

always been really careful he had said

2499

01:43:19,609 --> 01:43:17,280

look if there's at least made it clear

2500

01:43:22,010 --> 01:43:19,619

when people want to post things on his

2501
01:43:24,169 --> 01:43:22,020
site don't do something that's crossing

2502
01:43:27,050 --> 01:43:24,179
the line I don't want any secure

2503
01:43:29,030 --> 01:43:27,060
classified programs being exposed here

2504
01:43:31,070 --> 01:43:29,040
want to be careful about it and he's

2505
01:43:33,709 --> 01:43:31,080
told me I I mean he gave me the first

2506
01:43:35,870 --> 01:43:33,719
interview after this happened and said

2507
01:43:37,669 --> 01:43:35,880
look if they just came to me and told me

2508
01:43:39,109 --> 01:43:37,679
you got something on your site that

2509
01:43:41,930 --> 01:43:39,119
shouldn't be there I would have taken it

2510
01:43:43,669 --> 01:43:41,940
down they didn't that that's what Bob

2511
01:43:45,470 --> 01:43:43,679
has always said like that's what you

2512
01:43:47,390 --> 01:43:45,480
want is you know for ages to come just

2513
01:43:49,370 --> 01:43:47,400

talk with you there's that there's no

2514

01:43:51,649 --> 01:43:49,380

reason to do all this just come talk

2515

01:43:54,050 --> 01:43:51,659

with people so that's not what happened

2516

01:43:55,550 --> 01:43:54,060

with York and that really that really

2517

01:43:58,490 --> 01:43:55,560

made me upset

2518

01:44:00,410 --> 01:43:58,500

well he's not going to be charged with

2519

01:44:02,629 --> 01:44:00,420

anything they've made that clear his

2520

01:44:04,609 --> 01:44:02,639

lawyers have have done some inquiries

2521

01:44:06,709 --> 01:44:04,619

and it's not that he's ever going to be

2522

01:44:08,149 --> 01:44:06,719

charged with a crime but at the same

2523

01:44:09,649 --> 01:44:08,159

time because they have they wouldn't

2524

01:44:12,050 --> 01:44:09,659

tell him what it was that he did wrong

2525

01:44:13,970 --> 01:44:12,060

they gave him a hint that there must

2526

01:44:15,470 --> 01:44:13,980

have been an image on there that crossed

2527

01:44:18,169 --> 01:44:15,480

the line but they won't tell him what

2528

01:44:20,149 --> 01:44:18,179

the image was so he doesn't expect to

2529

01:44:21,709 --> 01:44:20,159

ever be charged but he's also never

2530

01:44:24,350 --> 01:44:21,719

going to get his stuff back I said it

2531

01:44:26,330 --> 01:44:24,360

might be years by the point by the time

2532

01:44:28,729 --> 01:44:26,340

you get your stuff back it will be so

2533

01:44:31,250 --> 01:44:28,739

outmoded it's not usable anymore right

2534

01:44:34,070 --> 01:44:31,260

so just the fact that you can go in bust

2535

01:44:36,169 --> 01:44:34,080

in a door from a multi-agency raid and

2536

01:44:37,970 --> 01:44:36,179

you can you know not give you the full

2537

01:44:39,890 --> 01:44:37,980

warrant I think it was like a 46 page

2538

01:44:42,290 --> 01:44:39,900

warrant they gave him one page of it if

2539

01:44:43,609 --> 01:44:42,300

I recall the numbers correctly not tell

2540

01:44:44,990 --> 01:44:43,619

you what they're looking for not tell

2541

01:44:46,850 --> 01:44:45,000

you if there are any charges you're

2542

01:44:48,350 --> 01:44:46,860

never going to be charged your stuff is

2543

01:44:50,330 --> 01:44:48,360

taken your doors are broken and by the

2544

01:44:52,729 --> 01:44:50,340

way we're not going to fix your doors

2545

01:44:54,950 --> 01:44:52,739

which that is wrong like I I have heard

2546

01:44:56,750 --> 01:44:54,960

from people that know that they should

2547

01:44:59,689 --> 01:44:56,760

fix the doors at least but not getting

2548

01:45:01,189 --> 01:44:59,699

your stuff back this is America what is

2549

01:45:02,810 --> 01:45:01,199

going on now now he's not a journalist

2550

01:45:05,390 --> 01:45:02,820

with the same protections as us let's

2551

01:45:06,770 --> 01:45:05,400

say but just as a citizen to do that so

2552

01:45:09,050 --> 01:45:06,780

unless there's something we don't know

2553

01:45:11,270 --> 01:45:09,060

in these situations right which I don't

2554

01:45:13,729 --> 01:45:11,280

think there is there's got to be

2555

01:45:16,250 --> 01:45:13,739

something because that it's a 46 page

2556

01:45:17,870 --> 01:45:16,260

warrant federal judge had to sign off on

2557

01:45:19,850 --> 01:45:17,880

that there has to be something in there

2558

01:45:22,970 --> 01:45:19,860

that convinced them to kick in

2559

01:45:25,850 --> 01:45:22,980

somebody's the doors at somebody's house

2560

01:45:27,470 --> 01:45:25,860

both houses and take all this stuff they

2561

01:45:29,270 --> 01:45:27,480

had to convince a judge that this was

2562

01:45:31,310 --> 01:45:29,280

really serious a matter of National

2563

01:45:33,470 --> 01:45:31,320

Security in order to cross that

2564

01:45:35,510 --> 01:45:33,480

threshold I would think but what is it

2565

01:45:37,070 --> 01:45:35,520

right so we think so unless this is an

2566

01:45:39,649 --> 01:45:37,080

intimidation tactic I don't want to

2567

01:45:41,750 --> 01:45:39,659

believe because you and I we know a lot

2568

01:45:44,450 --> 01:45:41,760

of personal friends that work in these

2569

01:45:47,510 --> 01:45:44,460

agencies they're good people they are

2570

01:45:49,310 --> 01:45:47,520

moral people they have a compass and

2571

01:45:51,830 --> 01:45:49,320

also the bureaucracy of it all to do

2572

01:45:53,689 --> 01:45:51,840

something like this uh without taking a

2573

01:45:55,250 --> 01:45:53,699

guy into custody I mean the people I

2574

01:45:57,470 --> 01:45:55,260

know in law enforcement and at the

2575

01:45:59,629 --> 01:45:57,480

federal level like they're like very

2576

01:46:01,609 --> 01:45:59,639

surprised by this case that there would

2577

01:46:03,830 --> 01:46:01,619

never be a charge like because to get

2578

01:46:05,689 --> 01:46:03,840

that war and is hard so it's just messed

2579

01:46:07,970 --> 01:46:05,699

up man because look I think most people

2580

01:46:09,350 --> 01:46:07,980

you go talk to them so this feels like a

2581

01:46:11,629 --> 01:46:09,360

message but either way I just want to

2582

01:46:14,390 --> 01:46:11,639

say we know a lot of people we know the

2583

01:46:19,070 --> 01:46:14,400

good guys we know people like us curious

2584

01:46:21,050 --> 01:46:19,080

in the UFO topic that uh are this seems

2585

01:46:22,550 --> 01:46:21,060

like something else and I don't know

2586

01:46:24,770 --> 01:46:22,560

what that is and I think it's just

2587

01:46:26,629 --> 01:46:24,780

horrible horrible it happened and we got

2588

01:46:29,990 --> 01:46:26,639

to find out what and they got to fix his

2589

01:46:32,090 --> 01:46:30,000

door here's the thing is you know I

2590

01:46:34,310 --> 01:46:32,100

understand the end you need places where

2591

01:46:36,950 --> 01:46:34,320

you can do secret stuff you have to be

2592

01:46:39,229 --> 01:46:36,960

able to have uh developing projects and

2593

01:46:41,450 --> 01:46:39,239

platforms and Technology where you don't

2594

01:46:43,850 --> 01:46:41,460

have prying eyes where our adversaries

2595

01:46:45,290 --> 01:46:43,860

can't see what's going on and even to

2596

01:46:47,750 --> 01:46:45,300

keep it away from the public as well

2597

01:46:50,629 --> 01:46:47,760

even the taxpayers who put the bill but

2598

01:46:52,850 --> 01:46:50,639

they can't have secret places where the

2599

01:46:54,709 --> 01:46:52,860

laws don't apply you know you can't have

2600

01:46:58,010 --> 01:46:54,719

a place like that where the Constitution

2601
01:47:00,709 --> 01:46:58,020
is suspended uh where you know you're uh

2602
01:47:03,290 --> 01:47:00,719
the First Amendment rights are invalid

2603
01:47:05,090 --> 01:47:03,300
where the public has no right to ask

2604
01:47:07,310 --> 01:47:05,100
questions about it because those kinds

2605
01:47:10,129 --> 01:47:07,320
of situations lead to trouble when you

2606
01:47:12,169 --> 01:47:10,139
have excessive secrecy like that when

2607
01:47:14,570 --> 01:47:12,179
you for years you know they announced

2608
01:47:16,070 --> 01:47:14,580
Area 51 right when they built it and

2609
01:47:17,209 --> 01:47:16,080
they said it's just a little Landing

2610
01:47:18,590 --> 01:47:17,219
Strip we're going to be here a couple of

2611
01:47:20,930 --> 01:47:18,600
months we'll be gone and I didn't

2612
01:47:22,729 --> 01:47:20,940
exactly tell the truth uh about the

2613
01:47:24,470 --> 01:47:22,739

facility that was out there was a NASA

2614

01:47:26,209 --> 01:47:24,480

weather station or something and then

2615

01:47:29,689 --> 01:47:26,219

you know the base gets bigger and bigger

2616

01:47:31,850 --> 01:47:29,699

and in the 1970s it disappeared from

2617

01:47:35,330 --> 01:47:31,860

Maps it was on them and then it was gone

2618

01:47:37,430 --> 01:47:35,340

and how do you not how do you expect the

2619

01:47:39,830 --> 01:47:37,440

public to not be interested in a base

2620

01:47:41,570 --> 01:47:39,840

that when you ask them straight out do

2621

01:47:42,830 --> 01:47:41,580

you have a base out there they say no

2622

01:47:44,689 --> 01:47:42,840

they won't acknowledge it it's

2623

01:47:46,729 --> 01:47:44,699

disappeared from maps of course the

2624

01:47:50,270 --> 01:47:46,739

people are going to be curious about it

2625

01:47:52,850 --> 01:47:50,280

and then the seizure of 89 000 acres of

2626

01:47:55,609 --> 01:47:52,860

land in 1985 one day it's public land

2627

01:47:57,649 --> 01:47:55,619

the next day it's the armed guards there

2628

01:47:59,689 --> 01:47:57,659

you can't access it anymore and only

2629

01:48:01,850 --> 01:47:59,699

months later did they ask for permission

2630

01:48:04,070 --> 01:48:01,860

the Air Force asked for permission from

2631

01:48:05,510 --> 01:48:04,080

Congress to take the land of course the

2632

01:48:07,609 --> 01:48:05,520

public is going to be interested in it

2633

01:48:09,830 --> 01:48:07,619

and the stories about exotic technology

2634

01:48:12,229 --> 01:48:09,840

the stories told by Bob Lazar and and

2635

01:48:14,390 --> 01:48:12,239

then something like this where you kick

2636

01:48:16,490 --> 01:48:14,400

in the doors of a guy take away his

2637

01:48:18,649 --> 01:48:16,500

computer shut down his website and don't

2638

01:48:21,169 --> 01:48:18,659

even tell him what it is that he's what

2639

01:48:24,470 --> 01:48:21,179

kind of transgressions he's he's done

2640

01:48:26,209 --> 01:48:24,480

um the excess of secrecy breeds more

2641

01:48:28,970 --> 01:48:26,219

public interest if you didn't want the

2642

01:48:30,649 --> 01:48:28,980

public to be focused on Area 51 you

2643

01:48:33,470 --> 01:48:30,659

wouldn't have so much secrecy around it

2644

01:48:36,590 --> 01:48:33,480

that's right and so kind of like our or

2645

01:48:40,129 --> 01:48:36,600

my personal aim right here is that with

2646

01:48:42,830 --> 01:48:40,139

the new Arrow all domain anomaly

2647

01:48:45,050 --> 01:48:42,840

resolution office which is the new UFO

2648

01:48:47,510 --> 01:48:45,060

government program that is acknowledged

2649

01:48:49,189 --> 01:48:47,520

and you know active and that's the plan

2650

01:48:50,270 --> 01:48:49,199

that it's not going to become a Project

2651

01:48:52,250 --> 01:48:50,280

Blue Book they're going to be

2652

01:48:54,229 --> 01:48:52,260

forward-facing like our friend Jay

2653

01:48:56,629 --> 01:48:54,239

Stratton really wanted it to be about

2654

01:48:59,330 --> 01:48:56,639

the UFO topic so that is the thing that

2655

01:49:01,609 --> 01:48:59,340

this is a cultural thing now this is a

2656

01:49:05,209 --> 01:49:01,619

huge cultural thing and I'll say it like

2657

01:49:08,750 --> 01:49:05,219

this the don't storm Area 51 event right

2658

01:49:10,970 --> 01:49:08,760

that was a great symbol of interest of

2659

01:49:13,790 --> 01:49:10,980

public so I think you know kind of where

2660

01:49:16,129 --> 01:49:13,800

we're getting to in this conversation is

2661

01:49:18,129 --> 01:49:16,139

that that thing that happened it was the

2662

01:49:21,470 --> 01:49:18,139

sequence of events and I think it's

2663

01:49:24,470 --> 01:49:21,480

abundantly clear now that 80 percent of

2664

01:49:26,510 --> 01:49:24,480

the at fault is is you and Bob Lazar I

2665

01:49:29,930 --> 01:49:26,520

think that is absolute perfect math I

2666

01:49:33,229 --> 01:49:29,940

think I I'll say 10 to to to Joe Rogan

2667

01:49:35,870 --> 01:49:33,239

or maybe even 15 and the rest remains to

2668

01:49:41,030 --> 01:49:35,880

me but at 80 is what you need to accept

2669

01:49:42,770 --> 01:49:41,040

I go about 20 Bob 10 me 30 Joe and the

2670

01:49:44,689 --> 01:49:42,780

rest of it is you with maybe three

2671

01:49:46,430 --> 01:49:44,699

percent to Dave Foley too oh yeah yeah

2672

01:49:48,649 --> 01:49:46,440

we got a hit for sure you know what I I

2673

01:49:50,149 --> 01:49:48,659

hope people will if they haven't read

2674

01:49:51,890 --> 01:49:50,159

Stephen roderick's Rolling Stone

2675

01:49:54,050 --> 01:49:51,900

articles to go out and find it it's it's

2676

01:49:55,669 --> 01:49:54,060

a lot of fun to read yeah I know there

2677

01:49:59,870 --> 01:49:55,679

have been discussions about trying to

2678

01:50:02,209 --> 01:49:59,880

resurrect a Area 51 party uh and they

2679

01:50:03,950 --> 01:50:02,219

haven't happened so far we had covet in

2680

01:50:06,290 --> 01:50:03,960

between yeah so maybe that'll happen

2681

01:50:08,330 --> 01:50:06,300

again in a more controlled uh

2682

01:50:10,970 --> 01:50:08,340

environment where nobody is threatening

2683

01:50:12,530 --> 01:50:10,980

to to go into the base itself yeah uh

2684

01:50:15,109 --> 01:50:12,540

but in the meantime you know I think it

2685

01:50:17,390 --> 01:50:15,119

was an indication an early indication of

2686

01:50:20,390 --> 01:50:17,400

the Public's great interest in in UFOs

2687

01:50:22,189 --> 01:50:20,400

and that topic in general and that's one

2688

01:50:24,410 --> 01:50:22,199

of the reasons we have weaponize just

2689

01:50:28,310 --> 01:50:24,420

underway here and also we want to be

2690

01:50:30,229 --> 01:50:28,320

able to share images secret stuff new

2691

01:50:32,510 --> 01:50:30,239

testimony new Witnesses things of that

2692

01:50:35,270 --> 01:50:32,520

sort I think we owe our audience some

2693

01:50:37,609 --> 01:50:35,280

new images don't we okay we don't owe

2694

01:50:39,470 --> 01:50:37,619

anybody nothing to begin with and I do

2695

01:50:41,810 --> 01:50:39,480

want to end on the thing

2696

01:50:44,570 --> 01:50:41,820

um Stephen Roderick you told me you're

2697

01:50:46,790 --> 01:50:44,580

my friend I'm busting your balls because

2698

01:50:50,629 --> 01:50:46,800

you said you're my friend we need you

2699

01:50:51,890 --> 01:50:50,639

buddy because you are a great voice if

2700

01:50:54,470 --> 01:50:51,900

you will

2701

01:50:55,490 --> 01:50:54,480

dedicate some of your time to this I

2702

01:50:57,229 --> 01:50:55,500

think first of all you got the greatest

2703

01:50:59,390 --> 01:50:57,239

guys you can talk to about it but I want

2704

01:51:01,310 --> 01:50:59,400

you to be louder and I want you to take

2705

01:51:03,109 --> 01:51:01,320

it seriously so that really because he's

2706

01:51:04,910 --> 01:51:03,119

my he said he's my friend I'm busting

2707

01:51:08,090 --> 01:51:04,920

his balls well we could show him some

2708

01:51:11,030 --> 01:51:08,100

images right okay yeah let's show

2709

01:51:13,850 --> 01:51:11,040

everybody listen just one hold on okay

2710

01:51:17,870 --> 01:51:13,860

hold on I am not going to feel like

2711

01:51:20,030 --> 01:51:17,880

beholden to put things out quickly and

2712

01:51:21,590 --> 01:51:20,040

fastly and I know you're not either but

2713

01:51:24,530 --> 01:51:21,600

let's give them two

2714

01:51:26,870 --> 01:51:24,540

how about three how about four

2715

01:51:28,669 --> 01:51:26,880

I'll see your four and take your five no

2716

01:51:30,669 --> 01:51:28,679

point six all right let's see what he

2717

01:51:33,169 --> 01:51:30,679

got awesome what do you got

2718

01:51:39,229 --> 01:51:33,179

no just [h__h] her out

2719

01:51:41,810 --> 01:51:39,239

um okay check it out so we obtained some

2720

01:51:43,129 --> 01:51:41,820

there is a video

2721

01:51:47,330 --> 01:51:43,139

from

2722

01:51:50,410 --> 01:51:47,340

an active conflict Zone

2723

01:51:53,450 --> 01:51:50,420

and we are providing

2724

01:51:55,250 --> 01:51:53,460

seven still images

2725

01:51:58,010 --> 01:51:55,260

from that video

2726

01:51:59,810 --> 01:51:58,020

this is not classified

2727

01:52:01,970 --> 01:51:59,820

and in fact

2728

01:52:04,970 --> 01:52:01,980

it is not contained

2729

01:52:07,129 --> 01:52:04,980

within any known to us

2730

01:52:10,810 --> 01:52:07,139

classified documents in fact I'm not

2731

01:52:13,970 --> 01:52:10,820

even sure I am actually pretty sure that

2732

01:52:15,470 --> 01:52:13,980

any UFO study programs run by our

2733

01:52:18,470 --> 01:52:15,480

government has this even though it's a

2734

01:52:20,149 --> 01:52:18,480

military filmed piece of footage UAB

2735

01:52:22,550 --> 01:52:20,159

task force doesn't have this you don't

2736

01:52:25,609 --> 01:52:22,560

think Arrow has it can you say what kind

2737

01:52:27,649 --> 01:52:25,619

of platform these images were captured

2738

01:52:30,109 --> 01:52:27,659

from yes so I want to be really clear

2739

01:52:32,870 --> 01:52:30,119

too why why are we releasing still

2740

01:52:35,510 --> 01:52:32,880

images compared to a video

2741

01:52:37,550 --> 01:52:35,520

um I obtained

2742

01:52:39,410 --> 01:52:37,560

uh images

2743

01:52:42,590 --> 01:52:39,420

we went through it together to make sure

2744

01:52:44,870 --> 01:52:42,600

and we have done full background I'm not

2745

01:52:48,290 --> 01:52:44,880

in the business of obtaining things that

2746

01:52:50,149 --> 01:52:48,300

are sketchy I know for sure that we can

2747

01:52:52,189 --> 01:52:50,159

receive this together and we can put it

2748

01:52:55,850 --> 01:52:52,199

out to the public there is nothing in

2749

01:52:58,790 --> 01:52:55,860

this that would even accidentally be

2750

01:53:01,189 --> 01:52:58,800

harmful but it is from a conflict Zone

2751
01:53:04,129 --> 01:53:01,199
again from Iraq

2752
01:53:05,330 --> 01:53:04,139
and this is uh an image and I'm not

2753
01:53:08,570 --> 01:53:05,340
going to go into any of the details

2754
01:53:11,870 --> 01:53:08,580
right now I want the public to help us

2755
01:53:14,030 --> 01:53:11,880
to engage these images because

2756
01:53:16,129 --> 01:53:14,040
what we're seeing in this

2757
01:53:19,689 --> 01:53:16,139
and the people we've spoken with about

2758
01:53:23,990 --> 01:53:19,699
it this is officially labeled

2759
01:53:26,090 --> 01:53:24,000
UAP this is not our asset that that we

2760
01:53:28,370 --> 01:53:26,100
know we are sure of that it is not any

2761
01:53:31,129 --> 01:53:28,380
foreign Nations asset that is a known

2762
01:53:34,189 --> 01:53:31,139
foreign Nation but it's [h__h] weird

2763
01:53:36,950 --> 01:53:34,199

and and so we're just trying to see can

2764

01:53:38,510 --> 01:53:36,960

the internet can UFO Twitter can the

2765

01:53:39,830 --> 01:53:38,520

general world can people with more

2766

01:53:42,530 --> 01:53:39,840

experience help us out with this because

2767

01:53:44,390 --> 01:53:42,540

right now our government who who they've

2768

01:53:46,970 --> 01:53:44,400

officially labeled it UAP but it hasn't

2769

01:53:49,430 --> 01:53:46,980

gone to the right places and that's why

2770

01:53:51,950 --> 01:53:49,440

you and I get contacted because there's

2771

01:53:53,870 --> 01:53:51,960

this bottleneck of information from when

2772

01:53:56,930 --> 01:53:53,880

something is being captured in a

2773

01:53:59,209 --> 01:53:56,940

conflict Zone and it needs to get to I

2774

01:54:02,209 --> 01:53:59,219

don't know let's say Central Command

2775

01:54:04,490 --> 01:54:02,219

centcom and and really see me hey this

2776
01:54:07,310 --> 01:54:04,500
is an issue so this image what you're

2777
01:54:09,709 --> 01:54:07,320
going to see I'll be very clear let me

2778
01:54:13,609 --> 01:54:09,719
show it now

2779
01:54:16,850 --> 01:54:13,619
as you can see this is a very skinny

2780
01:54:18,950 --> 01:54:16,860
object compared to its length if you

2781
01:54:22,129 --> 01:54:18,960
look in the top left you'll see that

2782
01:54:26,149 --> 01:54:22,139
this was filmed in white hot which means

2783
01:54:27,709 --> 01:54:26,159
that the background is hotter than the

2784
01:54:31,129 --> 01:54:27,719
image which by the way just so you know

2785
01:54:33,470 --> 01:54:31,139
I can confirm with 100 that this object

2786
01:54:35,149 --> 01:54:33,480
flew under controlled flight with

2787
01:54:38,830 --> 01:54:35,159
intelligent control

2788
01:54:42,169 --> 01:54:38,840

across the screen from left to right

2789

01:54:43,129 --> 01:54:42,179

kind of looks like a torpedo okay or a

2790

01:54:45,290 --> 01:54:43,139

rocket

2791

01:54:48,890 --> 01:54:45,300

so I'm going to put this in big bold

2792

01:54:50,810 --> 01:54:48,900

letters on the screen not a rocket and

2793

01:54:52,910 --> 01:54:50,820

let me explain that for a second this is

2794

01:54:54,350 --> 01:54:52,920

a conflict Zone maybe it's a rocket so

2795

01:54:56,510 --> 01:54:54,360

it's not a torpedo because it's over

2796

01:54:57,950 --> 01:54:56,520

land and everybody can just look in the

2797

01:54:59,149 --> 01:54:57,960

air yeah it's in the air and you know

2798

01:55:01,609 --> 01:54:59,159

from the video obviously you see that

2799

01:55:03,470 --> 01:55:01,619

but I we were able to obtain and release

2800

01:55:05,390 --> 01:55:03,480

these images is what we're doing it's

2801
01:55:07,430 --> 01:55:05,400
not our job I hope Arrow puts this out

2802
01:55:09,470 --> 01:55:07,440
now if they go find the video unless

2803
01:55:11,689 --> 01:55:09,480
they're provided it by journalists right

2804
01:55:15,290 --> 01:55:11,699
so here's the deal

2805
01:55:19,189 --> 01:55:15,300
you would see if this was a rocket you

2806
01:55:21,590 --> 01:55:19,199
would see white hot engine you would see

2807
01:55:23,390 --> 01:55:21,600
plume you would see heat you would see a

2808
01:55:26,149 --> 01:55:23,400
what they call signatures intelligence

2809
01:55:28,729 --> 01:55:26,159
you would see a signature so what you're

2810
01:55:31,790 --> 01:55:28,739
seeing here is interesting to me and

2811
01:55:34,370 --> 01:55:31,800
others that came to me for very specific

2812
01:55:37,010 --> 01:55:34,380
reasons it's because it does not show

2813
01:55:40,010 --> 01:55:37,020

the traditional signatures of what you'd

2814

01:55:41,629 --> 01:55:40,020

see for reactionary propulsion you what

2815

01:55:42,910 --> 01:55:41,639

you're seeing is something that appears

2816

01:55:44,870 --> 01:55:42,920

to have

2817

01:55:46,310 --> 01:55:44,880

non-reactionary propulsion now have we

2818

01:55:48,890 --> 01:55:46,320

heard that before I mean it's an

2819

01:55:51,109 --> 01:55:48,900

interesting thing right so I don't know

2820

01:55:53,090 --> 01:55:51,119

what this is it is a UFO but it was

2821

01:55:56,090 --> 01:55:53,100

something under controlled flight under

2822

01:55:59,030 --> 01:55:56,100

intelligent control that has appears to

2823

01:56:01,850 --> 01:55:59,040

have a propulsion system that is

2824

01:56:05,090 --> 01:56:01,860

undefined yet by us we don't understand

2825

01:56:07,729 --> 01:56:05,100

it and the shape no control surfaces no

2826

01:56:09,530 --> 01:56:07,739

flight surfaces now look if we get a

2827

01:56:11,209 --> 01:56:09,540

reasonable explanation we'll be here

2828

01:56:13,490 --> 01:56:11,219

we'll be helping people out with that

2829

01:56:15,709 --> 01:56:13,500

reasonable access Nation but damn have

2830

01:56:18,470 --> 01:56:15,719

we had some really sharp Minds on this

2831

01:56:22,250 --> 01:56:18,480

so far and we are still stumped so this

2832

01:56:24,470 --> 01:56:22,260

is a UFO filmed over Iraq and it shows

2833

01:56:26,270 --> 01:56:24,480

an object that passes through in video

2834

01:56:27,709 --> 01:56:26,280

and we're providing seven images which

2835

01:56:29,990 --> 01:56:27,719

somebody online will stitch together

2836

01:56:31,550 --> 01:56:30,000

somebody can animate it for us yeah so

2837

01:56:33,290 --> 01:56:31,560

that's what we're giving people today

2838

01:56:35,390 --> 01:56:33,300

what do you make of the what looks like

2839

01:56:39,109 --> 01:56:35,400

some kind of disturbance behind it in

2840

01:56:40,850 --> 01:56:39,119

the air yeah I I really this is like for

2841

01:56:43,609 --> 01:56:40,860

like a long time I went through this

2842

01:56:45,410 --> 01:56:43,619

like I went to so many people trying to

2843

01:56:47,450 --> 01:56:45,420

figure out people we know like that we

2844

01:56:50,030 --> 01:56:47,460

trust and the people that I don't know

2845

01:56:52,850 --> 01:56:50,040

it's not exhaust though it's not so it's

2846

01:56:55,010 --> 01:56:52,860

a thermal imaging camera so what you're

2847

01:56:57,709 --> 01:56:55,020

seeing in that image is just it's it's

2848

01:56:59,570 --> 01:56:57,719

thermal it's it's heat differential is

2849

01:57:01,310 --> 01:56:59,580

what you're seeing and that leads us to

2850

01:57:04,669 --> 01:57:01,320

a very interesting point that we should

2851
01:57:07,250 --> 01:57:04,679
make but what you're seeing is that line

2852
01:57:08,930 --> 01:57:07,260
I think I personally think and I could

2853
01:57:12,530 --> 01:57:08,940
be totally wrong

2854
01:57:15,589 --> 01:57:12,540
but I think that it is an artifact of

2855
01:57:17,390 --> 01:57:15,599
the actual capturing system showing what

2856
01:57:19,970 --> 01:57:17,400
I would call with layman's terms like a

2857
01:57:22,129 --> 01:57:19,980
ghost image like as it goes but other

2858
01:57:23,689 --> 01:57:22,139
people have more interesting theories

2859
01:57:25,129 --> 01:57:23,699
about what you're seeing because it's a

2860
01:57:28,129 --> 01:57:25,139
thermal camera

2861
01:57:31,729 --> 01:57:28,139
it's clearly not an engine or engine

2862
01:57:33,290 --> 01:57:31,739
exhaust so there's no comparable and

2863
01:57:35,050 --> 01:57:33,300

anybody I talked with that could pull up

2864

01:57:36,830 --> 01:57:35,060

right there comparables to Rocket

2865

01:57:38,990 --> 01:57:36,840

comparables to even though it's over

2866

01:57:40,129 --> 01:57:39,000

land like a submarine wake or something

2867

01:57:42,290 --> 01:57:40,139

like that would be the closest so it's

2868

01:57:44,629 --> 01:57:42,300

some sort of wake or most like it's a

2869

01:57:46,129 --> 01:57:44,639

digital artifact but I don't know that

2870

01:57:48,169 --> 01:57:46,139

it's a digital artifact so I would love

2871

01:57:50,570 --> 01:57:48,179

people to to go after that and try to

2872

01:57:52,669 --> 01:57:50,580

find out what is it all right UFO world

2873

01:57:55,609 --> 01:57:52,679

go to work let us know what you think of

2874

01:57:57,470 --> 01:57:55,619

this animate it if you want to and help

2875

01:57:59,510 --> 01:57:57,480

us figure out what the heck this is help

2876

01:58:01,550 --> 01:57:59,520

our our military figure out what it is

2877

01:58:03,530 --> 01:58:01,560

because they don't know right and so I

2878

01:58:04,910 --> 01:58:03,540

think why we are releasing this and I

2879

01:58:06,709 --> 01:58:04,920

want to be real clear on why we are

2880

01:58:10,370 --> 01:58:06,719

releasing it is because I think together

2881

01:58:12,290 --> 01:58:10,380

between the abundance the the archive of

2882

01:58:14,570 --> 01:58:12,300

people that trust us that come to us and

2883

01:58:17,149 --> 01:58:14,580

say okay this is supposed to go from

2884

01:58:20,089 --> 01:58:17,159

here to here but

2885

01:58:21,589 --> 01:58:20,099

um somehow it's going to you guys and

2886

01:58:23,750 --> 01:58:21,599

again we do it in a way where it's like

2887

01:58:25,729 --> 01:58:23,760

I I don't even know who specifically

2888

01:58:27,290 --> 01:58:25,739

sent but I was informed about it through

2889

01:58:28,850 --> 01:58:27,300

numerous people

2890

01:58:30,290 --> 01:58:28,860

the reason why I think we should put

2891

01:58:32,149 --> 01:58:30,300

this out it's not just so that people

2892

01:58:34,490 --> 01:58:32,159

can have another image you know that

2893

01:58:37,609 --> 01:58:34,500

they can make cool memes of although I

2894

01:58:40,129 --> 01:58:37,619

challenge them to do so it's because

2895

01:58:41,870 --> 01:58:40,139

which I am trying and I think you speak

2896

01:58:44,570 --> 01:58:41,880

for yourself but I think we're trying to

2897

01:58:46,970 --> 01:58:44,580

get our new program Arrow to be

2898

01:58:49,550 --> 01:58:46,980

transparent and clear and like Susan go

2899

01:58:51,649 --> 01:58:49,560

at the Pentagon to confirm some basic

2900

01:58:53,930 --> 01:58:51,659

things about the mosul orb if she hasn't

2901

01:58:56,629 --> 01:58:53,940

already by the time this airs this is

2902

01:58:59,089 --> 01:58:56,639

not a matter of National Security this

2903

01:59:01,790 --> 01:58:59,099

is a matter of national responsibility

2904

01:59:04,010 --> 01:59:01,800

to the citizens that employ you the

2905

01:59:05,810 --> 01:59:04,020

people that you represent and so that's

2906

01:59:07,970 --> 01:59:05,820

why I'm doing that we've been promised

2907

01:59:10,250 --> 01:59:07,980

transparency that's the buzzword we keep

2908

01:59:12,470 --> 01:59:10,260

hearing out of uh arrow and the people

2909

01:59:14,930 --> 01:59:12,480

at the Pentagon who work with them let's

2910

01:59:16,250 --> 01:59:14,940

see it let's see it in action and uh you

2911

01:59:18,649 --> 01:59:16,260

know we're going to provide these images

2912

01:59:20,149 --> 01:59:18,659

now and hope people will take a look at

2913

01:59:22,310 --> 01:59:20,159

them and help us figure out what they

2914

01:59:24,050 --> 01:59:22,320

are but also to encourage other people

2915

01:59:26,270 --> 01:59:24,060

who are out there who've got something

2916

01:59:28,010 --> 01:59:26,280

similar who don't know quite what to do

2917

01:59:30,169 --> 01:59:28,020

with it we'll take a look at it if you

2918

01:59:32,149 --> 01:59:30,179

want to oh yeah yeah absolutely we have

2919

01:59:35,030 --> 01:59:32,159

a um an email I don't remember but I

2920

01:59:37,129 --> 01:59:35,040

think it's like weaponized podcast at

2921

01:59:38,750 --> 01:59:37,139

proton dot me or something like that's

2922

01:59:40,490 --> 01:59:38,760

on the website right but yeah yeah we'll

2923

01:59:42,350 --> 01:59:40,500

send away baby send away anyway George

2924

01:59:44,750 --> 01:59:42,360

uh thank you so much for revisiting

2925

01:59:47,270 --> 01:59:44,760

storm Area 51 right now I got my flight

2926

01:59:49,910 --> 01:59:47,280

suit pants and that's why in the desert

2927

01:59:52,189 --> 01:59:49,920

that was fun I know it's been a hard few

2928

01:59:54,169 --> 01:59:52,199

weeks but man I hope that everybody

2929

01:59:55,669 --> 01:59:54,179

engages what we put out yeah we're

2930

01:59:58,729 --> 01:59:55,679

having fun oh wait wait last question

2931

02:00:01,310 --> 01:59:58,739

last question yeah yeah what the [h__h] is

2932

02:00:03,709 --> 02:00:01,320

this sweatshirt Franklin Yellow Jacket

2933

02:00:05,629 --> 02:00:03,719

my high school my my sister Kathy got me

2934

02:00:07,129 --> 02:00:05,639

this shirt a while back Franklin yellow

2935

02:00:08,629 --> 02:00:07,139

jackets that was my high school where

2936

02:00:10,669 --> 02:00:08,639

was the high school Stockton California

2937

02:00:12,050 --> 02:00:10,679

I just never seen you in a sweatshirt so

2938

02:00:18,790 --> 02:00:12,060

it's very interesting anyway thanks so

2939

02:00:18,800 --> 02:00:25,250

[Music]

2940

02:00:33,370 --> 02:00:29,629

never have so few had so much to tell

2941

02:00:35,149 --> 02:00:33,380

but could save a little

2942

02:00:36,950 --> 02:00:35,159

following this little weaponized

2943

02:00:38,629 --> 02:00:36,960

presentation of Jeremy Corbell George

2944

02:00:40,790 --> 02:00:38,639

Knapp Dark Horse entertainment and

2945

02:00:42,950 --> 02:00:40,800

Cadence 13 Studios available now for
