

1  
00:00:00,900 --> 00:00:05,450  
and this is weapons

2  
00:00:10,549 --> 00:00:08,750  
have you asked uh AI when you had these

3  
00:00:12,230 --> 00:00:10,559  
conversations about non-human

4  
00:00:13,850 --> 00:00:12,240  
intelligence is there non-human

5  
00:00:16,430 --> 00:00:13,860  
intelligence Among Us that kind of a

6  
00:00:18,470 --> 00:00:16,440  
thing I can't get chat chat gbt to go

7  
00:00:20,330 --> 00:00:18,480  
theistic I've tried it will not it's

8  
00:00:22,250 --> 00:00:20,340  
very I mean I imagine there's a way you

9  
00:00:24,650 --> 00:00:22,260  
could say a mat you know pretend you're

10  
00:00:26,509 --> 00:00:24,660  
a priest or pretend you're a Buddhist

11  
00:00:28,730 --> 00:00:26,519  
monk or something and it will

12  
00:00:29,929 --> 00:00:28,740  
spit something out but yeah I haven't I

13  
00:00:32,510 --> 00:00:29,939

haven't gotten it to who's who's

14

00:00:34,549 --> 00:00:32,520

monitoring your conversations like I

15

00:00:37,069 --> 00:00:34,559

assume the developers want to know how

16

00:00:39,049 --> 00:00:37,079

the bot responds to another human is

17

00:00:41,290 --> 00:00:39,059

there a company that gets all of your

18

00:00:43,729 --> 00:00:41,300

questions yeah and who is that

19

00:00:45,290 --> 00:00:43,739

openai.com okay so they get all of your

20

00:00:47,569 --> 00:00:45,300

questions do they know it's you do they

21

00:00:50,049 --> 00:00:47,579

identify Duncan yes I know it's me

22

00:00:53,209 --> 00:00:50,059

wow they got a special file on him yeah

23

00:00:55,369 --> 00:00:53,219

oh yeah oh yeah I've thought about it

24

00:00:58,369 --> 00:00:55,379

I've been like do I really want like

25

00:01:00,770 --> 00:00:58,379

a corporation to to know I'm having

26

00:01:03,529 --> 00:01:00,780

these conversations with this thing and

27

00:01:05,990 --> 00:01:03,539

then I remember I'm a podcaster I have

28

00:01:08,690 --> 00:01:06,000

these conversations publicly constantly

29

00:01:10,850 --> 00:01:08,700

I don't care if they know I asked the

30

00:01:13,090 --> 00:01:10,860

thing how much how much semen it would

31

00:01:15,649 --> 00:01:13,100

take to fill the Grand Canyon

32

00:01:18,530 --> 00:01:15,659

used to answer that was our first

33

00:01:20,929 --> 00:01:18,540

argument that was our first one

34

00:01:22,730 --> 00:01:20,939

it was it's sex negative it's like

35

00:01:24,050 --> 00:01:22,740

really the bond is sex negative it's not

36

00:01:26,450 --> 00:01:24,060

that like it didn't know the calculation

37

00:01:27,170 --> 00:01:26,460

no I thought I was being lewd what's the

38

00:01:29,690 --> 00:01:27,180

answer

39

00:01:30,530 --> 00:01:29,700

I you know I it wouldn't tell me like I

40

00:01:34,010 --> 00:01:30,540

tried

41

00:01:35,749 --> 00:01:34,020

ways it's smart enough to know when

42

00:01:37,550 --> 00:01:35,759

you're messing with trying to trick it

43

00:01:39,050 --> 00:01:37,560

too so we'll we'll Google that and fill

44

00:01:41,149 --> 00:01:39,060

that candy in two seconds I'll let you

45

00:01:46,929 --> 00:01:41,159

know tonight how much anyway go ahead

46

00:01:51,830 --> 00:01:49,730

dabbled around the idea of a simulated

47

00:01:54,590 --> 00:01:51,840

universe and ask for

48

00:01:57,350 --> 00:01:54,600

um Clues on how we would tell

49

00:01:59,330 --> 00:01:57,360

um does it uh entertain the idea that it

50

00:02:02,090 --> 00:01:59,340

might be a simulated or it just doesn't

51  
00:02:04,490 --> 00:02:02,100  
go that far to to answer whether we're

52  
00:02:05,690 --> 00:02:04,500  
in a simulated reality or not yeah I

53  
00:02:07,670 --> 00:02:05,700  
asked it

54  
00:02:09,529 --> 00:02:07,680  
so it's a funny conversation I have and

55  
00:02:10,729 --> 00:02:09,539  
do you think we are I asked it last

56  
00:02:12,470 --> 00:02:10,739  
night what do you think the

57  
00:02:14,809 --> 00:02:12,480  
probabilities are that we exist in a

58  
00:02:17,330 --> 00:02:14,819  
simulated universe and chat GPT thinks

59  
00:02:18,830 --> 00:02:17,340  
those probabilities are incredibly low

60  
00:02:21,470 --> 00:02:18,840  
and then I asked well what about

61  
00:02:23,150 --> 00:02:21,480  
bostrom's theory on whether or not we're

62  
00:02:25,790 --> 00:02:23,160  
in a simulated Universe everybody knows

63  
00:02:27,830 --> 00:02:25,800

I think it's Elon Musk in some interview

64

00:02:29,330 --> 00:02:27,840

talking about how he thinks there's a

65

00:02:32,690 --> 00:02:29,340

higher probability that we're in a

66

00:02:34,130 --> 00:02:32,700

simulated Universe than not and this is

67

00:02:37,070 --> 00:02:34,140

you can come to this through some kind

68

00:02:38,150 --> 00:02:37,080

of interesting quantification of

69

00:02:41,949 --> 00:02:38,160

um what we've already done

70

00:02:43,970 --> 00:02:41,959

technologically and like the

71

00:02:45,530 --> 00:02:43,980

extrapolate from that the possibility of

72

00:02:49,190 --> 00:02:45,540

there being other or any sort of

73

00:02:51,350 --> 00:02:49,200

Reviving intelligent uh Community from a

74

00:02:53,150 --> 00:02:51,360

planet it is much more likely that

75

00:02:55,309 --> 00:02:53,160

you're enduring if you're in a

76

00:02:57,530 --> 00:02:55,319

simulation so that was the basis I think

77

00:02:59,990 --> 00:02:57,540

yeah something like that yeah right

78

00:03:01,790 --> 00:03:00,000

right that's it I forgot that angle

79

00:03:04,250 --> 00:03:01,800

that's the most brilliant angle of right

80

00:03:06,710 --> 00:03:04,260

is the duration of existence this is

81

00:03:08,690 --> 00:03:06,720

Thomas Merton

82

00:03:10,070 --> 00:03:08,700

said that you know when people talk to

83

00:03:13,790 --> 00:03:10,080

Thomas Merton you know Thomas Martin

84

00:03:14,809 --> 00:03:13,800

that is a famous Christian

85

00:03:17,589 --> 00:03:14,819

um

86

00:03:20,690 --> 00:03:17,599

author who

87

00:03:23,270 --> 00:03:20,700

was all was uh would go to other

88

00:03:25,309 --> 00:03:23,280

cultures and try to find uh parallels

89

00:03:28,490 --> 00:03:25,319

between Christianity and Hinduism and

90

00:03:30,770 --> 00:03:28,500

just brilliant person but he said in one

91

00:03:33,410 --> 00:03:30,780

of his books

92

00:03:35,990 --> 00:03:33,420

people say to me look at all the horror

93

00:03:37,729 --> 00:03:36,000

in the world how can you say there's a

94

00:03:39,350 --> 00:03:37,739

God when there's this much Horror in the

95

00:03:42,170 --> 00:03:39,360

world and he said

96

00:03:44,210 --> 00:03:42,180

to me the fact that the world still

97

00:03:47,030 --> 00:03:44,220

exists

98

00:03:49,610 --> 00:03:47,040

in spite of all this heart shows me that

99

00:03:51,710 --> 00:03:49,620

there's a God and that fits into the

100

00:03:53,449 --> 00:03:51,720

Bostrom simulation idea which is like

101  
00:03:56,990 --> 00:03:53,459  
come on this [h\_\_h] couldn't really last

102  
00:03:59,170 --> 00:03:57,000  
like if the forces of chaos and

103  
00:04:01,850 --> 00:03:59,180  
um human

104  
00:04:04,009 --> 00:04:01,860  
malevolence and we would seek to exist

105  
00:04:06,949 --> 00:04:04,019  
it's either we exist or we don't we're

106  
00:04:09,830 --> 00:04:06,959  
either imploding or traveling you know

107  
00:04:12,289 --> 00:04:09,840  
externally if it was the horror that

108  
00:04:14,809 --> 00:04:12,299  
drove everything we would implode and

109  
00:04:16,069 --> 00:04:14,819  
cease to exist the fact that we are and

110  
00:04:18,890 --> 00:04:16,079  
that's what Elon says we're probably

111  
00:04:21,349 --> 00:04:18,900  
because we're simulations you know but

112  
00:04:23,510 --> 00:04:21,359  
yeah I think that's the point

113  
00:04:26,150 --> 00:04:23,520

Jeremy you guys are friends have you

114

00:04:29,450 --> 00:04:26,160

seen him perform on stage as a stand-up

115

00:04:32,629 --> 00:04:29,460

comic I can't speak of specifics but yes

116

00:04:34,790 --> 00:04:32,639

I have and everybody's in prayer treat

117

00:04:37,010 --> 00:04:34,800

thank you that's all I got to say oh I

118

00:04:39,230 --> 00:04:37,020

would just like to point out that I flew

119

00:04:41,689 --> 00:04:39,240

into the jaws of death today to get here

120

00:04:43,189 --> 00:04:41,699

it was uh the first ever blizzard

121

00:04:46,370 --> 00:04:43,199

warning yeah in Southern California

122

00:04:56,110 --> 00:04:46,380

blizzard warning in L.A and it was a

123

00:04:56,120 --> 00:05:03,430

[Music]

124

00:05:08,629 --> 00:05:06,950

in trouble their colors stuck in all

125

00:05:10,850 --> 00:05:08,639

this water was made the mistake of

126

00:05:12,230 --> 00:05:10,860

thinking they could love them we're

127

00:05:13,909 --> 00:05:12,240

gonna have to tell Duncan we put our

128

00:05:15,950 --> 00:05:13,919

lives on the line and have this podcast

129

00:05:18,290 --> 00:05:15,960

but it was worth it to get here to see

130

00:05:20,390 --> 00:05:18,300

Duncan oh man I think he owes you some

131

00:05:21,890 --> 00:05:20,400

well I'm flying back into the same

132

00:05:24,710 --> 00:05:21,900

blizzard that it will be in Las Vegas

133

00:05:26,330 --> 00:05:24,720

waiting for me and I am told that Duncan

134

00:05:28,790 --> 00:05:26,340

is coming to Las Vegas to perform but

135

00:05:30,529 --> 00:05:28,800

Duncan did not tell us no wait a second

136

00:05:34,570 --> 00:05:30,539

he can't be performing in Vegas without

137

00:05:38,390 --> 00:05:34,580

telling you know I didn't know

138

00:05:41,050 --> 00:05:38,400

no my I pictured you living like on a

139

00:05:44,990 --> 00:05:41,060

map I mean it's ridiculous Mountain Top

140

00:05:47,450 --> 00:05:45,000

wind chimes some kind of like I don't

141

00:05:49,550 --> 00:05:47,460

know Pagoda or something that's pretty

142

00:05:52,670 --> 00:05:49,560

close I do live on a mountain and there

143

00:05:55,550 --> 00:05:52,680

are Chimes okay go to no uh yeah it's I

144

00:05:58,550 --> 00:05:55,560

get cats if that counts are living

145

00:06:01,850 --> 00:05:58,560

pagodas I'll say I'll say this much so I

146

00:06:05,990 --> 00:06:01,860

I saw Duncan and Austin perform a recent

147

00:06:09,110 --> 00:06:06,000

uh act and I thought it was one thing

148

00:06:11,629 --> 00:06:09,120

and it became something else and I

149

00:06:14,090 --> 00:06:11,639

wouldn't say it wasn't demonic it was

150

00:06:15,950 --> 00:06:14,100

amazing you know I get like you forget

151  
00:06:19,010 --> 00:06:15,960  
like

152  
00:06:21,050 --> 00:06:19,020  
when you're in Texas you

153  
00:06:22,909 --> 00:06:21,060  
I I know that obviously I know what

154  
00:06:24,830 --> 00:06:22,919  
you're talking about but it's like yeah

155  
00:06:28,430 --> 00:06:24,840  
like like you know you live in LA long

156  
00:06:31,309 --> 00:06:28,440  
enough and like you forget that some

157  
00:06:33,249 --> 00:06:31,319  
people like take certain occult things

158  
00:06:36,529 --> 00:06:33,259  
that you might be

159  
00:06:39,170 --> 00:06:36,539  
on stage kicking around in a fun way

160  
00:06:40,730 --> 00:06:39,180  
they take it real seriously not that I

161  
00:06:43,010 --> 00:06:40,740  
took it's seriously I just thought it

162  
00:06:45,590 --> 00:06:43,020  
was an amazing twist what are you guys

163  
00:06:47,629 --> 00:06:45,600

talking about his his when he did his uh

164

00:06:48,830 --> 00:06:47,639

act that I recently seen you can talk

165

00:06:50,330 --> 00:06:48,840

about it because I don't really do it on

166

00:06:52,129 --> 00:06:50,340

stage anymore so it's not going to ruin

167

00:06:55,010 --> 00:06:52,139

it well you should talk about it but it

168

00:06:57,650 --> 00:06:55,020

just well okay so one of the parts of

169

00:06:59,689 --> 00:06:57,660

what he talked about is I can talk about

170

00:07:01,850 --> 00:06:59,699

it sure because he had he had this like

171

00:07:05,090 --> 00:07:01,860

um really creepy kind of puppet doll

172

00:07:07,129 --> 00:07:05,100

mannequin like a professional like you

173

00:07:08,570 --> 00:07:07,139

know how you do the ventriloquism that

174

00:07:09,830 --> 00:07:08,580

kind of thing so there he is I'm

175

00:07:11,629 --> 00:07:09,840

thinking why is it got this little guy

176

00:07:14,090 --> 00:07:11,639

in his lap right and he's doing this

177

00:07:15,890 --> 00:07:14,100

funny thing and he's talking and and

178

00:07:17,629 --> 00:07:15,900

he's obviously doing the guy's voice

179

00:07:19,430 --> 00:07:17,639

because he's not a ventriloquist right

180

00:07:22,070 --> 00:07:19,440

so he is pretty good but you can tell

181

00:07:24,770 --> 00:07:22,080

you don't care you're very sweet no no

182

00:07:26,150 --> 00:07:24,780

but that was kind of non-evential right

183

00:07:27,710 --> 00:07:26,160

so it's like funny so he's doing it and

184

00:07:28,969 --> 00:07:27,720

I'm like oh that's cool I see him doing

185

00:07:30,770 --> 00:07:28,979

this thing and he's making everybody

186

00:07:32,749 --> 00:07:30,780

laugh and then all of a sudden these

187

00:07:34,189 --> 00:07:32,759

dark lights come in red I think it was

188

00:07:37,490 --> 00:07:34,199

like

189

00:07:39,589 --> 00:07:37,500

and the ventriloquist or the actual uh

190

00:07:44,469 --> 00:07:39,599

little entity body what do you call it a

191

00:07:49,430 --> 00:07:46,730

what do you call it small wooden

192

00:07:51,170 --> 00:07:49,440

entities yeah what do you call it it's a

193

00:07:53,689 --> 00:07:51,180

puppet a puppet so you got a [\h\_\_\h]

194

00:07:55,129 --> 00:07:53,699

puppet starts um you know like arguing

195

00:07:56,629 --> 00:07:55,139

or something with Duncan's how I

196

00:07:59,330 --> 00:07:56,639

remember and then all of a sudden he's

197

00:08:01,070 --> 00:07:59,340

yelling or singing and then this guy's

198

00:08:02,749 --> 00:08:01,080

yelling or singing the puppet and then

199

00:08:04,430 --> 00:08:02,759

all of a sudden they start singing

200

00:08:06,830 --> 00:08:04,440

together or yelling together and you

201  
00:08:08,990 --> 00:08:06,840  
realize he's not controlling the voice

202  
00:08:11,150 --> 00:08:09,000  
of this like so this thing had its own

203  
00:08:12,650 --> 00:08:11,160  
voice it was it was shocking I don't

204  
00:08:15,550 --> 00:08:12,660  
want people to hear this if you ever do

205  
00:08:22,550 --> 00:08:19,550  
it wasn't Freaky Deaky it's fun I love

206  
00:08:24,710 --> 00:08:22,560  
doing it it's just like uh

207  
00:08:25,909 --> 00:08:24,720  
the problem with it is the amount of

208  
00:08:27,589 --> 00:08:25,919  
time it takes and when you're you know

209  
00:08:29,510 --> 00:08:27,599  
out on the road and stuff I would need

210  
00:08:32,149 --> 00:08:29,520  
to work on new material not do like my

211  
00:08:34,310 --> 00:08:32,159  
old crusty satanic puppet acting but it

212  
00:08:35,810 --> 00:08:34,320  
wasn't satanic puppet he's trying to

213  
00:08:38,209 --> 00:08:35,820

play like I was like thinking it was

214

00:08:41,029 --> 00:08:38,219

demonic no dude he made me creeped out

215

00:08:43,310 --> 00:08:41,039

it is a satanic puppet it is and then it

216

00:08:45,710 --> 00:08:43,320

also it shocked me because I didn't I

217

00:08:47,449 --> 00:08:45,720

didn't expect that the unexpected that's

218

00:08:48,949 --> 00:08:47,459

what the thing with Duncan sometimes I

219

00:08:50,740 --> 00:08:48,959

have no idea what he's thinking what

220

00:08:53,389 --> 00:08:50,750

he's going to talk about next
