

1  
00:00:00,900 --> 00:00:05,690  
and this is weapons

2  
00:00:09,169 --> 00:00:07,670  
so I got a I got a little game I want to

3  
00:00:10,910 --> 00:00:09,179  
play and then I got one last question

4  
00:00:12,890 --> 00:00:10,920  
okay

5  
00:00:13,789 --> 00:00:12,900  
there's no favorite movie on planet

6  
00:00:15,589 --> 00:00:13,799  
Earth

7  
00:00:17,510 --> 00:00:15,599  
but

8  
00:00:18,590 --> 00:00:17,520  
you got to tell somebody to watch them

9  
00:00:20,750 --> 00:00:18,600  
off the top of your head we're playing

10  
00:00:23,150 --> 00:00:20,760  
something called Cinema roulette Beyond

11  
00:00:24,410 --> 00:00:23,160

12  
00:00:27,230 --> 00:00:24,420
