

1  
00:00:00,900 --> 00:00:05,630  
and this is weapons

2  
00:00:10,850 --> 00:00:08,930  
what do you know about the phenomenon

3  
00:00:13,009 --> 00:00:10,860  
about UFOs what can you say for sure

4  
00:00:15,650 --> 00:00:13,019  
maybe it's nothing you know but what do

5  
00:00:19,189 --> 00:00:15,660  
we know about UFOs and where does this

6  
00:00:22,130 --> 00:00:19,199  
go as I said what we know is what we

7  
00:00:25,790 --> 00:00:22,140  
glean from all of the data that has been

8  
00:00:29,330 --> 00:00:25,800  
discussed and you know that the UFOs are

9  
00:00:33,709 --> 00:00:29,340  
real we well I mean tell me yes you UFOs

10  
00:00:36,290 --> 00:00:33,719  
are technologically sophisticated they

11  
00:00:38,990 --> 00:00:36,300  
have uh performance characteristics that

12  
00:00:42,410 --> 00:00:39,000  
are you know the the five observables

13  
00:00:46,369 --> 00:00:42,420

are are sort of well documented but they

14

00:00:48,889 --> 00:00:46,379

also have a very profound uh effects on

15

00:00:51,350 --> 00:00:48,899

some people or they have superficial

16

00:00:55,189 --> 00:00:51,360

effects on other people but they do have

17

00:00:59,150 --> 00:00:55,199

have effects on people so going forward

18

00:01:02,750 --> 00:00:59,160

um is is to combine both of those is to

19

00:01:06,050 --> 00:01:02,760

study UFO performance and and you know

20

00:01:09,170 --> 00:01:06,060

the hope is that out of you for

21

00:01:11,530 --> 00:01:09,180

performance can come theoretical physics

22

00:01:14,210 --> 00:01:11,540

which will eventually translate into

23

00:01:16,670 --> 00:01:14,220

engineering does our government have

24

00:01:18,350 --> 00:01:16,680

downed UFOs from Unknown Origin that

25

00:01:19,969 --> 00:01:18,360

they've been trying and are trying to

26

00:01:21,890 --> 00:01:19,979

reverse engineer and exploit those

27

00:01:24,770 --> 00:01:21,900

Technologies understand the physics

28

00:01:26,450 --> 00:01:24,780

understand that technology do we have

29

00:01:28,789 --> 00:01:26,460

that to work with

30

00:01:29,950 --> 00:01:28,799

I can't talk about that but the answer

31

00:01:32,450 --> 00:01:29,960

is yes

32

00:01:34,370 --> 00:01:32,460

let me let me put let me ask it this way

33

00:01:36,350 --> 00:01:34,380

so there are a number of whistleblowers

34

00:01:38,569 --> 00:01:36,360

who are who have new protections they're

35

00:01:40,550 --> 00:01:38,579

lining up we've heard we know some of

36

00:01:42,469 --> 00:01:40,560

them and that we know generally what

37

00:01:44,890 --> 00:01:42,479

they're prepared to say let's say they

38

00:01:47,810 --> 00:01:44,900

tell this to Congress and Congress

39

00:01:50,389 --> 00:01:47,820

authorizes Arrow hey the stuff is over

40

00:01:53,149 --> 00:01:50,399

here go get it how does that change the

41

00:01:55,310 --> 00:01:53,159

world if we suddenly acknowledge or at

42

00:01:59,569 --> 00:01:55,320

least the government finds and locates

43

00:02:01,910 --> 00:01:59,579

and tests uh somewhat in the open these

44

00:02:04,730 --> 00:02:01,920

meta materials created by someone else

45

00:02:06,469 --> 00:02:04,740

they're not ours or entire craft that

46

00:02:08,690 --> 00:02:06,479

were built by someone else and we can't

47

00:02:10,790 --> 00:02:08,700

figure out how it how they fly how does

48

00:02:13,010 --> 00:02:10,800

that change the dynamic of this and does

49

00:02:15,530 --> 00:02:13,020

that does that answer actually answer

50

00:02:17,510 --> 00:02:15,540

the big questions who they who built

51  
00:02:20,809 --> 00:02:17,520  
them where they're from why they're here

52  
00:02:23,030 --> 00:02:20,819  
well it certainly answers

53  
00:02:25,850 --> 00:02:23,040  
um the sort of sneaking suspicion that

54  
00:02:27,770 --> 00:02:25,860  
people have had over many many many

55  
00:02:30,110 --> 00:02:27,780  
decades that the United States

56  
00:02:32,750 --> 00:02:30,120  
government is not coming out with the

57  
00:02:36,229 --> 00:02:32,760  
full truth of what has happened behind

58  
00:02:37,670 --> 00:02:36,239  
closed doors in terms of the the

59  
00:02:39,110 --> 00:02:37,680  
questions that you're asking about

60  
00:02:39,770 --> 00:02:39,120  
though

61  
00:02:42,770 --> 00:02:39,780  
um

62  
00:02:45,589 --> 00:02:42,780  
technical performance and performance

63  
00:02:48,290 --> 00:02:45,599

characteristics are fundamental if if

64

00:02:51,530 --> 00:02:48,300

the analysis the level of analysis that

65

00:02:53,930 --> 00:02:51,540

has happened on these objects is

66

00:02:56,690 --> 00:02:53,940

sufficient to generate you know as I

67

00:02:59,089 --> 00:02:56,700

said physics and Engineering

68

00:03:01,490 --> 00:02:59,099

um that is a major breakthrough and that

69

00:03:05,809 --> 00:03:01,500

would be a fundamental departure point

70

00:03:07,910 --> 00:03:05,819

for Humanity because Humanity would be

71

00:03:10,309 --> 00:03:07,920

able to answer that question are we

72

00:03:12,350 --> 00:03:10,319

alone or not alone in the universe we

73

00:03:15,470 --> 00:03:12,360

wouldn't be able to answer from that

74

00:03:17,809 --> 00:03:15,480

just from the raw materials or The Meta

75

00:03:19,430 --> 00:03:17,819

materials where they're from or what

76

00:03:21,290 --> 00:03:19,440

their interest is the bigger question is

77

00:03:24,050 --> 00:03:21,300

why are they here where are they from

78

00:03:26,809 --> 00:03:24,060

what's their interest in us right but at

79

00:03:28,550 --> 00:03:26,819

least that if you had that confirmed yes

80

00:03:30,649 --> 00:03:28,560

there is somebody else here here it is

81

00:03:32,449 --> 00:03:30,659

here's the stuff then you could go on

82

00:03:35,210 --> 00:03:32,459

and answer at least address the other

83

00:03:36,890 --> 00:03:35,220

questions well I and not only that but

84

00:03:39,290 --> 00:03:36,900

you could get

85

00:03:42,050 --> 00:03:39,300

um you know the Galileo project has got

86

00:03:44,509 --> 00:03:42,060

a lot of of different scientific talent

87

00:03:47,470 --> 00:03:44,519

and expertise associated with so you

88

00:03:50,210 --> 00:03:47,480

could start really sort of co-opting

89

00:03:52,850 --> 00:03:50,220

scientific organizations that's already

90

00:03:55,009 --> 00:03:52,860

happening actually but I think you could

91

00:03:59,350 --> 00:03:55,019

really accelerate that once the

92

00:04:02,809 --> 00:03:59,360

certainty uh was there that there was

93

00:04:05,809 --> 00:04:02,819

technology of Unknown Origin in

94

00:04:07,630 --> 00:04:05,819

existence that it had been

95

00:04:10,490 --> 00:04:07,640

um you know it had been

96

00:04:13,190 --> 00:04:10,500

really discovered and that it was

97

00:04:14,809 --> 00:04:13,200

unequivocal if that was that message was

98

00:04:16,189 --> 00:04:14,819

put out to humanity it would be a game

99

00:04:18,530 --> 00:04:16,199

changer is that true and the message

100

00:04:23,270 --> 00:04:18,540

hasn't been put out

101  
00:04:25,129 --> 00:04:23,280  
but is that true what you said that

102  
00:04:27,290 --> 00:04:25,139  
there that there's a technology of

103  
00:04:31,550 --> 00:04:27,300  
unknown well I I like I said I can't

104  
00:04:32,689 --> 00:04:31,560  
talk about it but the answer is is yes

105  
00:04:36,530 --> 00:04:32,699  
so

106  
00:04:38,689 --> 00:04:36,540  
why why would a buddy of mine a really

107  
00:04:40,730 --> 00:04:38,699  
funny buddy of mine you know I was

108  
00:04:43,129 --> 00:04:40,740  
arguing with them like I don't get it I

109  
00:04:46,370 --> 00:04:43,139  
said I don't get it why so much contact

110  
00:04:48,350 --> 00:04:46,380  
so many UFOs for so long is there a

111  
00:04:50,689 --> 00:04:48,360  
program what are they doing you know the

112  
00:04:53,210 --> 00:04:50,699  
Tic Tac UFO wasn't performing for favor

113  
00:04:56,770 --> 00:04:53,220

until it noticed him it was doing a job

114

00:04:59,629 --> 00:04:56,780

so the question I have is why

115

00:05:01,370 --> 00:04:59,639

so much activity what are what is what

116

00:05:03,170 --> 00:05:01,380

is the UFO presence what are they doing

117

00:05:05,210 --> 00:05:03,180

here brings us back to where we started

118

00:05:06,890 --> 00:05:05,220

that word Consciousness I think it

119

00:05:09,170 --> 00:05:06,900

column has some theories about that

120

00:05:10,850 --> 00:05:09,180

right it brings it full circle to where

121

00:05:12,770 --> 00:05:10,860

we started our conversation

122

00:05:13,730 --> 00:05:12,780

yeah I mean

123

00:05:16,010 --> 00:05:13,740

um

124

00:05:18,110 --> 00:05:16,020

I guess it's it's it's like the old

125

00:05:20,629 --> 00:05:18,120

metaphor if the tree in the Forest Falls

126

00:05:23,330 --> 00:05:20,639

and nobody is there to

127

00:05:26,930 --> 00:05:23,340

hear it um is the tree really falling in

128

00:05:29,510 --> 00:05:26,940

the forest so the idea that UFOs are

129

00:05:32,510 --> 00:05:29,520

interacting with planet Earth

130

00:05:34,550 --> 00:05:32,520

um the sort of most likely scenario is

131

00:05:36,950 --> 00:05:34,560

that the reason for that is that humans

132

00:05:39,830 --> 00:05:36,960

are on the planet I mean there it's

133

00:05:41,990 --> 00:05:39,840

unlikely that they're focusing only on

134

00:05:45,770 --> 00:05:42,000

you know

135

00:05:47,390 --> 00:05:45,780

um marsupials or trees or trees so you

136

00:05:48,950 --> 00:05:47,400

don't think they they'd be here if it

137

00:05:51,110 --> 00:05:48,960

wasn't for the human presence here that

138

00:05:53,629 --> 00:05:51,120

somehow that Humanity itself is the

139

00:05:55,430 --> 00:05:53,639

focus of the interaction between these

140

00:05:57,710 --> 00:05:55,440

unknowns that we call UFOs as other

141

00:06:00,590 --> 00:05:57,720

intelligence that are operating these

142

00:06:01,370 --> 00:06:00,600

that that's a working hypothesis you

143

00:06:04,129 --> 00:06:01,380

know

144

00:06:06,110 --> 00:06:04,139

um it could be that they're

145

00:06:08,770 --> 00:06:06,120

um you know that they're not just

146

00:06:12,529 --> 00:06:08,780

focusing on on Humanity but the

147

00:06:14,770 --> 00:06:12,539

astounding number of uh sightings that

148

00:06:18,290 --> 00:06:14,780

hundreds of thousands if not more

149

00:06:20,870 --> 00:06:18,300

globally that are that are personalized

150

00:06:24,670 --> 00:06:20,880

interactions between individuals or

151  
00:06:27,730 --> 00:06:24,680  
groups small groups and UFOs that have

152  
00:06:31,610 --> 00:06:27,740  
life-changing uh effects in some cases

153  
00:06:35,629 --> 00:06:31,620  
and you know mentality changing in many

154  
00:06:39,409 --> 00:06:35,639  
cases leads me to think that that one of

155  
00:06:41,890 --> 00:06:39,419  
the agendas of the UFO phenomenon is to

156  
00:06:45,170 --> 00:06:41,900  
interact with with humans but not

157  
00:06:48,590 --> 00:06:45,180  
interact with the white house but

158  
00:06:50,950 --> 00:06:48,600  
interact with individuals and

159  
00:06:54,770 --> 00:06:50,960  
um there's a there's a maybe a process

160  
00:06:56,570 --> 00:06:54,780  
where individuals are you know affected

161  
00:06:58,370 --> 00:06:56,580  
in a positive way ultimately that

162  
00:07:01,850 --> 00:06:58,380  
they're changing us one person at a time

163  
00:07:04,249 --> 00:07:01,860

it I mean that's a possibility

164

00:07:07,070 --> 00:07:04,259

I I can't think that the alternative

165

00:07:08,629 --> 00:07:07,080

that the uh these hundreds of thousands

166

00:07:11,029 --> 00:07:08,639

or millions of sightings that have

167

00:07:15,170 --> 00:07:11,039

happened in the last just for the sake

168

00:07:18,650 --> 00:07:15,180

of arguments 77 years since 1945

169

00:07:21,110 --> 00:07:18,660

um would be sort of completely random

170

00:07:23,210 --> 00:07:21,120

um events that are sort of passing

171

00:07:25,010 --> 00:07:23,220

through and just you know being in the

172

00:07:27,050 --> 00:07:25,020

right place at the right time I think

173

00:07:29,749 --> 00:07:27,060

there's more to it than that because

174

00:07:32,629 --> 00:07:29,759

other I mean the vast number of

175

00:07:33,249 --> 00:07:32,639

sightings to me

176

00:07:40,510 --> 00:07:33,259

um

177

00:07:43,790 --> 00:07:40,520

somehow important and somehow

178

00:07:45,890 --> 00:07:43,800

produces something that is you know that

179

00:07:47,510 --> 00:07:45,900

is viable something that they need

180

00:07:50,689 --> 00:07:47,520

something that interests them certainly

181

00:07:55,490 --> 00:07:50,699

but something they need from us or is it

182

00:07:57,409 --> 00:07:55,500

symbiotic I I I feel that you know

183

00:07:59,330 --> 00:07:57,419

um maybe

184

00:08:01,010 --> 00:07:59,340

um one of the agendas is human

185

00:08:03,890 --> 00:08:01,020

consciousness

186

00:08:06,770 --> 00:08:03,900

um that that an interaction with UFOs

187

00:08:09,170 --> 00:08:06,780

May provoke changes in human

188

00:08:11,210 --> 00:08:09,180

consciousness and and sort of we are

189

00:08:13,249 --> 00:08:11,220

back to the sort of original discussion

190

00:08:15,529 --> 00:08:13,259

point but you know one of the incidents

191

00:08:18,710 --> 00:08:15,539

that happened on the Skinwalker Ranch is

192

00:08:21,290 --> 00:08:18,720

kind of is emblematic of of this whole

193

00:08:23,510 --> 00:08:21,300

thing and that is that we had six people

194

00:08:26,869 --> 00:08:23,520

on the ranch

195

00:08:29,689 --> 00:08:26,879

um suddenly all six of them had

196

00:08:30,770 --> 00:08:29,699

um night vision binoculars and this

197

00:08:34,250 --> 00:08:30,780

light

198

00:08:36,709 --> 00:08:34,260

object popped up just from behind skin

199

00:08:38,630 --> 00:08:36,719

marker Ridge popped up it was sort of

200

00:08:41,570 --> 00:08:38,640

all just over the ridge

201  
00:08:44,029 --> 00:08:41,580  
and so it just happened that all six

202  
00:08:46,370 --> 00:08:44,039  
people had night vision binoculars they

203  
00:08:49,009 --> 00:08:46,380  
exactly the same make and model

204  
00:08:50,570 --> 00:08:49,019  
all six of them looked at this object

205  
00:08:53,230 --> 00:08:50,580  
and you know through night vision

206  
00:08:55,610 --> 00:08:53,240  
binoculars they it was like greatly

207  
00:08:58,970 --> 00:08:55,620  
magnified the light was magnified

208  
00:09:01,970 --> 00:08:58,980  
tremendously through this you know low

209  
00:09:04,250 --> 00:09:01,980  
vision amplification and so there was a

210  
00:09:07,370 --> 00:09:04,260  
sort of a debriefing that occurred later

211  
00:09:10,730 --> 00:09:07,380  
that evening after that that evening had

212  
00:09:13,250 --> 00:09:10,740  
passed and it turned out that all six

213  
00:09:15,110 --> 00:09:13,260

individuals saw completely different

214

00:09:18,410 --> 00:09:15,120

things through the night vision

215

00:09:21,310 --> 00:09:18,420

binocular binoculars so I mean I'm using

216

00:09:24,470 --> 00:09:21,320

that as a metaphor for saying that

217

00:09:28,430 --> 00:09:24,480

perception human perception

218

00:09:31,970 --> 00:09:28,440

is altered in many cases as a result or

219

00:09:34,310 --> 00:09:31,980

during UFO interactions so maybe human

220

00:09:36,949 --> 00:09:34,320

perception as it pertains to human

221

00:09:40,370 --> 00:09:36,959

consciousness is

222

00:09:43,250 --> 00:09:40,380

um is one of the objectives uh where the

223

00:09:45,889 --> 00:09:43,260

UFO phenomenon is somehow interacting

224

00:09:48,240 --> 00:09:45,899

with human consciousness for a purpose I

225

00:09:50,410 --> 00:09:48,250

don't know what that purpose is
