

1  
00:00:00,900 --> 00:00:05,510  
and this is weapons

2  
00:00:10,730 --> 00:00:07,849  
so it's been 75 years since Kenneth

3  
00:00:13,370 --> 00:00:10,740  
Arnold's sighting started the modern UFO

4  
00:00:14,990 --> 00:00:13,380  
era and people they remember the Flying

5  
00:00:17,090 --> 00:00:15,000  
Saucer part of it even though that's not

6  
00:00:19,430 --> 00:00:17,100  
what he described but the the nuts and

7  
00:00:22,070 --> 00:00:19,440  
bolts craft that he supposedly saw and

8  
00:00:23,929 --> 00:00:22,080  
nothing else but High strangeness goes

9  
00:00:25,970 --> 00:00:23,939  
back to the beginning of the modern UFO

10  
00:00:28,609 --> 00:00:25,980  
era it's you can't just have a UFO

11  
00:00:30,290 --> 00:00:28,619  
incident by itself there's often a lot

12  
00:00:32,089 --> 00:00:30,300  
of other stuff including his case right

13  
00:00:35,830 --> 00:00:32,099

yeah because

14

00:00:39,650 --> 00:00:35,840

um I remember several several years ago

15

00:00:41,510 --> 00:00:39,660

Kenneth Arnold's daughter Kim Arnold uh

16

00:00:42,709 --> 00:00:41,520

began writing a book and she started

17

00:00:45,889 --> 00:00:42,719

putting out

18

00:00:47,990 --> 00:00:45,899

um feelers she went on radio shows so

19

00:00:51,049 --> 00:00:48,000

Kenneth Arnold it's one of the most

20

00:00:53,389 --> 00:00:51,059

famous UFO cases of all time because it

21

00:00:56,389 --> 00:00:53,399

was said to have coined the Flying

22

00:00:58,430 --> 00:00:56,399

Saucer term June of 1947. however that's

23

00:01:00,529 --> 00:00:58,440

not how he described the craft it was

24

00:01:03,470 --> 00:01:00,539

just a reporter like two saucers on top

25

00:01:05,270 --> 00:01:03,480

what he was saying is it skipped like

26

00:01:06,710 --> 00:01:05,280

that so like as if you threw a saucer

27

00:01:08,270 --> 00:01:06,720

that's just so everybody knows the

28

00:01:10,429 --> 00:01:08,280

Kenneth Arnold story that's how the term

29

00:01:12,410 --> 00:01:10,439

Flying Saucer right saucers have been

30

00:01:14,630 --> 00:01:12,420

seen for a long time prior to that and

31

00:01:17,990 --> 00:01:14,640

that's not what he saw but go on correct

32

00:01:20,690 --> 00:01:18,000

so Kim so Kim Arnold described something

33

00:01:23,630 --> 00:01:20,700

very very different that what what her

34

00:01:28,310 --> 00:01:23,640

father you know had had experienced

35

00:01:30,530 --> 00:01:28,320

number one you know his Kenneth Arnold's

36

00:01:33,410 --> 00:01:30,540

original description was that these

37

00:01:36,530 --> 00:01:33,420

brightly these objects were were

38

00:01:38,390 --> 00:01:36,540

reflecting the sunlight as they moved

39  
00:01:40,490 --> 00:01:38,400  
down the Cascade Mountains as they were

40  
00:01:43,249 --> 00:01:40,500  
going from north to south

41  
00:01:45,770 --> 00:01:43,259  
um what Kim Arnold

42  
00:01:48,410 --> 00:01:45,780  
um put out was that after a lot of

43  
00:01:50,569 --> 00:01:48,420  
thought Kenneth Arnold decided that

44  
00:01:53,630 --> 00:01:50,579  
these objects were actually

45  
00:01:56,450 --> 00:01:53,640  
a emanating light self-luminous they

46  
00:01:59,510 --> 00:01:56,460  
were they were pulsating these

47  
00:02:01,730 --> 00:01:59,520  
um he called them bluish white light

48  
00:02:04,069 --> 00:02:01,740  
um these were not reflecting sunlight so

49  
00:02:07,670 --> 00:02:04,079  
these things were were actually pulsing

50  
00:02:10,070 --> 00:02:07,680  
light secondly uh Kim Arnold reported

51

00:02:12,650 --> 00:02:10,080

that they started having these

52

00:02:16,130 --> 00:02:12,660

inexplicable paranormal effects in their

53

00:02:19,070 --> 00:02:16,140

home Kenneth Arnold after his sighting I

54

00:02:21,110 --> 00:02:19,080

mean she described one an orb that sort

55

00:02:24,170 --> 00:02:21,120

of suddenly appeared in their home and

56

00:02:26,150 --> 00:02:24,180

went past the two daughters Kim and her

57

00:02:28,970 --> 00:02:26,160

sister and then went down into the

58

00:02:30,350 --> 00:02:28,980

kitchen past Kenneth in in the in the in

59

00:02:33,770 --> 00:02:30,360

their home

60

00:02:37,250 --> 00:02:33,780

um also weird noises and sort of

61

00:02:39,110 --> 00:02:37,260

um some Poltergeist activity she also

62

00:02:41,869 --> 00:02:39,120

described that Kenneth Arnold had

63

00:02:44,030 --> 00:02:41,879

changed his mind about what these

64

00:02:47,449 --> 00:02:44,040

objects that he had Originals originally

65

00:02:49,070 --> 00:02:47,459

seen and she described things like he

66

00:02:50,509 --> 00:02:49,080

thought that they might have some sort

67

00:02:53,930 --> 00:02:50,519

of biological

68

00:02:57,110 --> 00:02:53,940

uh content and they might be alive he

69

00:02:59,570 --> 00:02:57,120

also associated with these objects with

70

00:03:01,910 --> 00:02:59,580

somehow being associated with with

71

00:03:06,470 --> 00:03:01,920

humans after they die in you know the

72

00:03:10,550 --> 00:03:06,480

afterlife so there was a a a lot of very

73

00:03:13,490 --> 00:03:10,560

weird like you know activity associated

74

00:03:15,710 --> 00:03:13,500

with the original nuts and bolts Kenneth

75

00:03:18,290 --> 00:03:15,720

Arnold story that nobody heard about for

76

00:03:18,890 --> 00:03:18,300

decades and the sort of the whole sort

77

00:03:23,030 --> 00:03:18,900

of

78

00:03:24,949 --> 00:03:23,040

Flying Saucer meme took a hold in the in

79

00:03:27,710 --> 00:03:24,959

the Press both in the United States and

80

00:03:31,130 --> 00:03:27,720

globally and suddenly we had all these

81

00:03:33,949 --> 00:03:31,140

nuts and bolts phenomena being described

82

00:03:36,890 --> 00:03:33,959

as flying saucers even though Kenneth

83

00:03:39,830 --> 00:03:36,900

Arnold never had any intent on reporting

84

00:03:42,589 --> 00:03:39,840

flying saucers but all of the Paranormal

85

00:03:44,630 --> 00:03:42,599

stuff was completely ignored and you

86

00:03:47,030 --> 00:03:44,640

know I've speculated to myself and to

87

00:03:49,070 --> 00:03:47,040

others that what would have happened if

88

00:03:52,910 --> 00:03:49,080

Kenneth Arnold had come right out and

89  
00:03:55,509 --> 00:03:52,920  
said you know these objects were Pro may

90  
00:03:58,729 --> 00:03:55,519  
have been biological they were probably

91  
00:04:01,789 --> 00:03:58,739  
self-luminous they were emanating these

92  
00:04:03,890 --> 00:04:01,799  
sort of flashes of light uh may have

93  
00:04:06,890 --> 00:04:03,900  
been biological may have been associated

94  
00:04:09,770 --> 00:04:06,900  
with the afterlife quote unquote

95  
00:04:12,369 --> 00:04:09,780  
can you imagine what the legend of UFOs

96  
00:04:15,289 --> 00:04:12,379  
would look like now if that had been

97  
00:04:18,050 --> 00:04:15,299  
promulgated with a lot of force in the

98  
00:04:19,610 --> 00:04:18,060  
media in the in the late 1940s nobody

99  
00:04:21,650 --> 00:04:19,620  
nobody it would it would be totally

100  
00:04:24,409 --> 00:04:21,660  
different in the sense that that is so

101  
00:04:27,409 --> 00:04:24,419  
far beyond yeah what a human being is

102  
00:04:28,490 --> 00:04:27,419  
ready to hear that it's like there it

103  
00:04:29,810 --> 00:04:28,500  
would be completely different because we

104  
00:04:31,909 --> 00:04:29,820  
wouldn't have heard about it in the same

105  
00:04:33,650 --> 00:04:31,919  
way you've got this hardcore pilot he

106  
00:04:35,090 --> 00:04:33,660  
sees craft I could see him thinking oh

107  
00:04:36,770 --> 00:04:35,100  
it's glinting because that's the natural

108  
00:04:38,930 --> 00:04:36,780  
thing you think that's the right Source

109  
00:04:40,730 --> 00:04:38,940  
the Sun but after some thought it didn't

110  
00:04:43,730 --> 00:04:40,740  
quite look like that high so I can see

111  
00:04:45,290 --> 00:04:43,740  
that transformation going the public nah

112  
00:04:46,850 --> 00:04:45,300  
man that's not gonna fly that's too far

113  
00:04:49,129 --> 00:04:46,860

for me it's what we learned at the ranch

114

00:04:52,189 --> 00:04:49,139

you know the Paradigm when I entered the

115

00:04:53,930 --> 00:04:52,199

the topic was the standard E.T craft

116

00:04:56,210 --> 00:04:53,940

from other planets visiting Earth

117

00:04:58,010 --> 00:04:56,220

checking us out that was the dominant

118

00:05:00,710 --> 00:04:58,020

Paradigm then it's probably the dominant

119

00:05:03,230 --> 00:05:00,720

Paradigm now it's the dominant uh sort

120

00:05:05,270 --> 00:05:03,240

of focus of the new UFO program that

121

00:05:06,710 --> 00:05:05,280

I'll call it UFOs anymore they're going

122

00:05:09,610 --> 00:05:06,720

to study flying saucers they're going to

123

00:05:11,749 --> 00:05:09,620

study the sensor data lights in the sky

124

00:05:13,070 --> 00:05:11,759

radar returns and that's going to get

125

00:05:14,210 --> 00:05:13,080

them to the bottom of the mystery when

126  
00:05:15,830 --> 00:05:14,220  
in fact

127  
00:05:18,770 --> 00:05:15,840  
they're only studying the Mountaintop

128  
00:05:20,930 --> 00:05:18,780  
there's so much more right that that is

129  
00:05:23,629 --> 00:05:20,940  
intrinsically linked to this the the

130  
00:05:26,029 --> 00:05:23,639  
overall message that that how my

131  
00:05:28,010 --> 00:05:26,039  
attitude changed was from the ranch this

132  
00:05:30,529 --> 00:05:28,020  
is way more complicated way more

133  
00:05:32,510 --> 00:05:30,539  
wondrous and more interesting and

134  
00:05:34,610 --> 00:05:32,520  
mysterious than just lights in the sky

135  
00:05:37,249 --> 00:05:34,620  
flying around
