

1
00:00:00,900 --> 00:00:05,690
and this is weapons

2
00:00:10,610 --> 00:00:07,490
has there been a moment

3
00:00:12,770 --> 00:00:10,620
that just solidified for you will you no

4
00:00:14,810 --> 00:00:12,780
longer have the luxury of disbelief that

5
00:00:17,870 --> 00:00:14,820
there is a phenomenon going on that it

6
00:00:19,189 --> 00:00:17,880
includes UFOs was there's one thing that

7
00:00:22,670 --> 00:00:19,199
you can put your finger on that says

8
00:00:23,750 --> 00:00:22,680
that did something to my way of looking

9
00:00:27,230 --> 00:00:23,760
at it

10
00:00:30,050 --> 00:00:27,240
well there were probably two events that

11
00:00:32,510 --> 00:00:30,060
happened very very quickly

12
00:00:36,069 --> 00:00:32,520
um right after Robert Bigelow purchased

13
00:00:40,910 --> 00:00:36,079

skin marker wrench in um in

14

00:00:45,590 --> 00:00:40,920

1996 it was around August of 1996.

15

00:00:47,930 --> 00:00:45,600

um I and Eric Davis and to some extent

16

00:00:48,830 --> 00:00:47,940

other people were deployed up on the

17

00:00:51,650 --> 00:00:48,840

property

18

00:00:55,069 --> 00:00:51,660

for you know five day tours ten day

19

00:00:56,170 --> 00:00:55,079

tours you know whatever but you know in

20

00:01:02,869 --> 00:00:56,180

in

21

00:01:05,090 --> 00:01:02,879

homestead one

22

00:01:06,770 --> 00:01:05,100

um near this newly built command and

23

00:01:09,050 --> 00:01:06,780

control center that we had just

24

00:01:11,630 --> 00:01:09,060

installed on the property

25

00:01:15,830 --> 00:01:11,640

um I was standing there with

26

00:01:19,969 --> 00:01:15,840

um I believe it was Eric Davis when

27

00:01:22,870 --> 00:01:19,979

coming from over Skinwalker Ridge which

28

00:01:25,789 --> 00:01:22,880

is the uh which is the cliff that that

29

00:01:29,090 --> 00:01:25,799

borders the northern edge of skin marker

30

00:01:32,510 --> 00:01:29,100

ranch right over the the cliff comes

31

00:01:35,990 --> 00:01:32,520

this very brightly lit low-flying object

32

00:01:38,929 --> 00:01:36,000

that was completely silent and it came

33

00:01:42,530 --> 00:01:38,939

from you know came from the north flew

34

00:01:45,410 --> 00:01:42,540

right over myself and Eric Davis and did

35

00:01:49,190 --> 00:01:45,420

a perfect herpin turn

36

00:01:51,109 --> 00:01:49,200

right above us silent and it was it was

37

00:01:53,270 --> 00:01:51,119

low enough that we you know it's very

38

00:01:56,090 --> 00:01:53,280

difficult to estimate altitude at night

39

00:01:58,969 --> 00:01:56,100

but this was a fast moving it was moving

40

00:02:01,310 --> 00:01:58,979

probably as fast as you see a lot of

41

00:02:03,889 --> 00:02:01,320

f-18s flying around Nellis Air Force

42

00:02:06,649 --> 00:02:03,899

Base in Las Vegas it was flying at least

43

00:02:11,449 --> 00:02:06,659

as fast as that but what really caught

44

00:02:14,390 --> 00:02:11,459

my eye was this incredibly sharp 180

45

00:02:16,930 --> 00:02:14,400

degree turn and then just kind of went

46

00:02:20,830 --> 00:02:16,940

back and followed his Exact Track

47

00:02:24,110 --> 00:02:20,840

disappeared North over Skinwalker Ridge

48

00:02:26,270 --> 00:02:24,120

and it was low enough that we should

49

00:02:29,809 --> 00:02:26,280

have heard something I mean we could see

50

00:02:32,930 --> 00:02:29,819

it very very brightly lit and there was

51
00:02:36,229 --> 00:02:32,940
a spooky silence associated with it and

52
00:02:39,589 --> 00:02:36,239
I knew sort of deep in my sort of gut

53
00:02:43,369 --> 00:02:39,599
that this was something else I mean it

54
00:02:46,009 --> 00:02:43,379
was very very it was a perfectly

55
00:02:48,589 --> 00:02:46,019
executed herpin turn I I think the

56
00:02:53,030 --> 00:02:48,599
g-forces that would have been sort of

57
00:02:55,210 --> 00:02:53,040
imparted to a pilot on this thing and

58
00:02:58,850 --> 00:02:55,220
this was 1996

59
00:03:00,770 --> 00:02:58,860
would have been absolutely enormous you

60
00:03:04,130 --> 00:03:00,780
know I mean we're talking strawberry jam

61
00:03:06,290 --> 00:03:04,140
around the cockpit so you see this with

62
00:03:09,290 --> 00:03:06,300
your own eyes yeah I mean I was standing

63
00:03:11,690 --> 00:03:09,300

looking at this thing as it executed

64

00:03:13,790 --> 00:03:11,700

this perfect turn right above my head so

65

00:03:17,570 --> 00:03:13,800

that that chain that that gave you a

66

00:03:20,509 --> 00:03:17,580

personal huh yeah okay yeah what's going

67

00:03:23,330 --> 00:03:20,519

on here something different because I

68

00:03:25,550 --> 00:03:23,340

mean we had seen stuff that we couldn't

69

00:03:28,790 --> 00:03:25,560

really sort of you know get our teeth

70

00:03:30,649 --> 00:03:28,800

into this was really kind of in your

71

00:03:33,410 --> 00:03:30,659

face you know and that that happened

72

00:03:35,930 --> 00:03:33,420

within two months of of being deployed

73

00:03:37,729 --> 00:03:35,940

on the property the second major thing

74

00:03:41,149 --> 00:03:37,739

happened a few months later we were

75

00:03:43,490 --> 00:03:41,159

standing and again Eric Davis was there

76
00:03:46,430 --> 00:03:43,500
um we were standing out in this small

77
00:03:48,589 --> 00:03:46,440
posture near Homestead to what's called

78
00:03:52,550 --> 00:03:48,599
Homestead two on or used to be called

79
00:03:54,710 --> 00:03:52,560
Homestead two on skin marker Ranch and

80
00:03:56,030 --> 00:03:54,720
um we had two dogs with us

81
00:04:00,229 --> 00:03:56,040
and

82
00:04:03,470 --> 00:04:00,239
probably a hundred feet to my left

83
00:04:07,309 --> 00:04:03,480
maybe 50 yards to my left suddenly out

84
00:04:10,429 --> 00:04:07,319
of nowhere this basketball sized object

85
00:04:14,509 --> 00:04:10,439
appeared about 15 feet above the ground

86
00:04:17,569 --> 00:04:14,519
it was brightly lit silent and it just

87
00:04:19,750 --> 00:04:17,579
moved around both myself and Eric Davis

88
00:04:22,909 --> 00:04:19,760

were looking at it and then it

89

00:04:24,710 --> 00:04:22,919

maintained the dogs were very silent

90

00:04:27,230 --> 00:04:24,720

they were right beside us when this was

91

00:04:29,570 --> 00:04:27,240

happening but then it vanished I mean it

92

00:04:33,110 --> 00:04:29,580

just kind of disappeared so this is uh

93

00:04:36,110 --> 00:04:33,120

Dr Eric Davis who has worked in these

94

00:04:38,390 --> 00:04:36,120

government UFO programs right who's a

95

00:04:40,010 --> 00:04:38,400

brilliant scientist so you guys are

96

00:04:41,749 --> 00:04:40,020

standing there and this is the second

97

00:04:44,090 --> 00:04:41,759

thing that really kind of shows you in

98

00:04:46,189 --> 00:04:44,100

your face you're saying basketball sized

99

00:04:48,590 --> 00:04:46,199

at a relatively close distance yeah it

100

00:04:51,650 --> 00:04:48,600

was probably 15 feet off the ground and

101
00:04:55,070 --> 00:04:51,660
probably 50 yards towards South now this

102
00:04:57,050 --> 00:04:55,080
is a very small pasture bounded by trees

103
00:04:59,030 --> 00:04:57,060
on either side and Pitch Black Knight

104
00:05:01,249 --> 00:04:59,040
like I mean yeah we're talking close to

105
00:05:04,610 --> 00:05:01,259
midnight here we were on a night watch

106
00:05:07,010 --> 00:05:04,620
we were actually there to check out a

107
00:05:09,830 --> 00:05:07,020
report from another investigator who had

108
00:05:11,870 --> 00:05:09,840
seen weird lights around this Homestead

109
00:05:14,330 --> 00:05:11,880
too so we were there the following night

110
00:05:16,370 --> 00:05:14,340
to to see if we could see anything okay

111
00:05:18,650 --> 00:05:16,380
so where are your cameras where your

112
00:05:21,350 --> 00:05:18,660
video cameras that's you know what well

113
00:05:24,590 --> 00:05:21,360

we what Eric Davis had a pair of night

114

00:05:27,550 --> 00:05:24,600

vision binoculars I had a pair I had I

115

00:05:30,110 --> 00:05:27,560

mean this was 1996 so I had a camera

116

00:05:32,510 --> 00:05:30,120

with infrared

117

00:05:34,610 --> 00:05:32,520

um infrared film back in the old days

118

00:05:38,090 --> 00:05:34,620

when we used to use film

119

00:05:41,029 --> 00:05:38,100

um infrared film in the camera so

120

00:05:44,210 --> 00:05:41,039

this happened probably three to four or

121

00:05:47,210 --> 00:05:44,220

five seconds okay so this was not a

122

00:05:49,070 --> 00:05:47,220

thing where we uh we sort of set up the

123

00:05:51,650 --> 00:05:49,080

camera on a tripod and start filming

124

00:05:54,409 --> 00:05:51,660

kind of thing this was boom and then it

125

00:05:57,170 --> 00:05:54,419

was gone but we did have long these

126

00:05:59,510 --> 00:05:57,180

incredibly powerful flashlights that law

127

00:06:01,610 --> 00:05:59,520

enforcement used I mean there were this

128

00:06:03,890 --> 00:06:01,620

massive batteries I mean these 20 pound

129

00:06:06,350 --> 00:06:03,900

batteries that you would carry and we

130

00:06:08,390 --> 00:06:06,360

lit up the pasture within a second of

131

00:06:11,210 --> 00:06:08,400

this thing disappearing I mean we lit up

132

00:06:13,730 --> 00:06:11,220

everything and you know

133

00:06:15,770 --> 00:06:13,740

first hypothesis is that somebody was

134

00:06:17,570 --> 00:06:15,780

playing a trick with us or you know

135

00:06:19,850 --> 00:06:17,580

somebody was projecting something from

136

00:06:23,110 --> 00:06:19,860

somewhere but we could find no evidence

137

00:06:26,029 --> 00:06:23,120

whatsoever of

138

00:06:28,430 --> 00:06:26,039

anybody except us in this pasture and

139

00:06:30,469 --> 00:06:28,440

it's it's dangerous to go like going to

140

00:06:33,050 --> 00:06:30,479

Skinwalker ranchers also live in rural

141

00:06:35,330 --> 00:06:33,060

myself like it's dangerous to don't walk

142

00:06:36,529 --> 00:06:35,340

on people's property I mean it is like a

143

00:06:38,749 --> 00:06:36,539

major thing to be sneaking around there

144

00:06:41,809 --> 00:06:38,759

and you got an investigate investigative

145

00:06:43,249 --> 00:06:41,819

team government-led on that property I

146

00:06:45,350 --> 00:06:43,259

know there have been some very serious

147

00:06:46,670 --> 00:06:45,360

security that was going on at that time

148

00:06:48,770 --> 00:06:46,680

um during some of the time you were

149

00:06:51,170 --> 00:06:48,780

working too so right it's just it's wild

150

00:06:55,790 --> 00:06:51,180

to me that you so you get these two

151
00:06:58,790 --> 00:06:55,800
displays and that that does change how

152
00:07:03,350 --> 00:06:58,800
does it change the way that you look at

153
00:07:07,510 --> 00:07:03,360
what you're doing now well you you know

154
00:07:13,930 --> 00:07:07,520
that my personal experience

155
00:07:17,150 --> 00:07:13,940
encompasses now as of 1996 1997

156
00:07:20,570 --> 00:07:17,160
objects that are very difficult to

157
00:07:23,510 --> 00:07:20,580
explain that I personally experienced so

158
00:07:26,629 --> 00:07:23,520
I mean do I

159
00:07:29,210 --> 00:07:26,639
write a scientific paper about this no

160
00:07:31,189 --> 00:07:29,220
um there's it's not reproducible there's

161
00:07:35,210 --> 00:07:31,199
not enough evidence these are transient

162
00:07:37,370 --> 00:07:35,220
phenomena but the in your face nature of

163
00:07:41,629 --> 00:07:37,380

both of these events

164

00:07:43,610 --> 00:07:41,639

um and the the way they happened and uh

165

00:07:46,550 --> 00:07:43,620

how they happened

166

00:07:49,430 --> 00:07:46,560

um changed my perspective because now

167

00:07:51,710 --> 00:07:49,440

you know I've personally seen something

168

00:07:53,689 --> 00:07:51,720

that I can't explain any solved things

169

00:07:55,249 --> 00:07:53,699

that were way more spectacular after

170

00:07:57,830 --> 00:07:55,259

that those are just the first ones I

171

00:08:00,650 --> 00:07:57,840

mean some of the things that we reported

172

00:08:03,910 --> 00:08:00,660

in the book hunt for the skinwalker were
