

EXTRAORDINARY
BELIEFS

LH

1
00:00:00,900 --> 00:00:05,570

and this is weapons

2
00:00:09,589 --> 00:00:07,490

but this is also a time when the world

3
00:00:12,890 --> 00:00:09,599

is changing so it's a time when there's

4
00:00:14,990 --> 00:00:12,900

this momentary openness within Russia

5
00:00:16,670 --> 00:00:15,000

from a country that was so close to that

6
00:00:18,950 --> 00:00:16,680

war with the United States and you

7
00:00:20,990 --> 00:00:18,960

thought oh what a great idea I'm gonna

8
00:00:23,390 --> 00:00:21,000

go there and start exploring the UFO

9
00:00:25,970 --> 00:00:23,400

topic well yeah pretty much that I mean

10
00:00:27,529 --> 00:00:25,980

there had been that story on Oswald that

11
00:00:30,470 --> 00:00:27,539

sort of I stuck in the back of my head

12
00:00:32,990 --> 00:00:30,480

jock valet Dr Jacques valet had been to

13
00:00:35,389 --> 00:00:33,000

Russia I think it was in 1990 he wrote a

14

00:00:37,670 --> 00:00:35,399

book called The Cosmic samas dot which

15

00:00:39,889 --> 00:00:37,680

basically psalmistat is an uh under

16

00:00:42,229 --> 00:00:39,899

underground way of communicating so

17

00:00:44,750 --> 00:00:42,239

people who studied UFOs during the

18

00:00:46,310 --> 00:00:44,760

Soviet era had to be very discreet in

19

00:00:50,389 --> 00:00:46,320

communicating about their investigations

20

00:00:53,090 --> 00:00:50,399

because officially the the USSR had said

21

00:00:55,490 --> 00:00:53,100

had decreed UFOs are bogus it was made

22

00:00:57,410 --> 00:00:55,500

up by American imperialists they're

23

00:00:59,209 --> 00:00:57,420

trying to distract us pay no attention

24

00:01:01,610 --> 00:00:59,219

to it that was their official position

25

00:01:04,250 --> 00:01:01,620

as we were to learn their actual

26

00:01:06,289 --> 00:01:04,260

position was much different valet had

27

00:01:08,929 --> 00:01:06,299

been there investigating and an incident

28

00:01:11,149 --> 00:01:08,939

called the baronash where aliens landed

29

00:01:13,850 --> 00:01:11,159

in this big city walked around these

30

00:01:15,530 --> 00:01:13,860

gigantic alien robots it made news all

31

00:01:17,390 --> 00:01:15,540

over the world mostly a western

32

00:01:19,789 --> 00:01:17,400

journalist made fun of it but I thought

33

00:01:21,770 --> 00:01:19,799

you know that that rang a bell with me

34

00:01:24,830 --> 00:01:21,780

that there might be something to it in

35

00:01:27,230 --> 00:01:24,840

November 1989 Soviet attitudes on UFOs

36

00:01:29,929 --> 00:01:27,240

became abundantly clear the official

37

00:01:32,149 --> 00:01:29,939

news agency task reported on the alleged

38

00:01:34,789 --> 00:01:32,159

Landing of an alien ship in the city of

39

00:01:38,149 --> 00:01:34,799

veronese a 10-hour train ride north of

40

00:01:40,670 --> 00:01:38,159

Moscow according to Tas tall aliens and

41

00:01:42,649 --> 00:01:40,680

a robot exited the spaceship walked

42

00:01:44,929 --> 00:01:42,659

around the park and then left the story

43

00:01:47,810 --> 00:01:44,939

was reported in the New York Times Wall

44

00:01:49,670 --> 00:01:47,820

Street Journal and on network news none

45

00:01:52,130 --> 00:01:49,680

of these major media Outlets had their

46

00:01:54,410 --> 00:01:52,140

own reporters on the scene so most chose

47

00:01:56,810 --> 00:01:54,420

the approach they normally take with UFO

48

00:01:59,090 --> 00:01:56,820

story earlier tonight the CBS Evening

49

00:02:01,670 --> 00:01:59,100

News with Dan Rather included a report

50

00:02:04,730 --> 00:02:01,680

about the alleged alien landing at

51
00:02:06,950 --> 00:02:04,740
varonish rather Riley commented on the

52
00:02:09,889 --> 00:02:06,960
Soviet claim is about 10 foot tall

53
00:02:12,110 --> 00:02:09,899
aliens walking around a Russian Park the

54
00:02:15,470 --> 00:02:12,120
CBS newsman added don't believe

55
00:02:17,330 --> 00:02:15,480
everything you read in tasks within days

56
00:02:19,790 --> 00:02:17,340
the veronese story assumed almost

57
00:02:22,790 --> 00:02:19,800
surreal proportions American headlines

58
00:02:24,830 --> 00:02:22,800
chortled about Pinhead aliens follow-up

59
00:02:27,050 --> 00:02:24,840
stories claimed that the only witnesses

60
00:02:29,390 --> 00:02:27,060
to the landing were young children and

61
00:02:31,850 --> 00:02:29,400
because the tall aliens described were

62
00:02:34,130 --> 00:02:31,860
different from the usual short bug-eyed

63
00:02:36,110 --> 00:02:34,140

variety Americans hear about it was

64

00:02:38,690 --> 00:02:36,120

smugly assumed the Russians must be

65

00:02:40,910 --> 00:02:38,700

wrong prominent astrophysicist Jacques

66

00:02:42,949 --> 00:02:40,920

valet was one of few westerners to

67

00:02:45,729 --> 00:02:42,959

personally investigate the case by

68

00:02:48,949 --> 00:02:45,739

meeting with Russian sources

69

00:02:50,630 --> 00:02:48,959

firsthandis there were many cases not

70

00:02:52,850 --> 00:02:50,640

just the case that made the newspapers

71

00:02:55,490 --> 00:02:52,860

not just the case it was reported by

72

00:02:57,830 --> 00:02:55,500

tasks with the the the the school

73

00:03:01,190 --> 00:02:57,840

students the Witnesses were not just

74

00:03:03,350 --> 00:03:01,200

kids they were 18 19 year old kids very

75

00:03:04,970 --> 00:03:03,360

articulate and obviously they had seen

76

00:03:06,890 --> 00:03:04,980

something they were physical traces

77

00:03:09,650 --> 00:03:06,900

there but there were many other cases

78

00:03:11,750 --> 00:03:09,660

over a thousand Witnesses in all in the

79

00:03:13,970 --> 00:03:11,760

city of rawanish varnish is a large city

80

00:03:16,130 --> 00:03:13,980

it's over a million people what they

81

00:03:18,710 --> 00:03:16,140

showed me was you know the film and the

82

00:03:20,210 --> 00:03:18,720

physical evidence they told me about the

83

00:03:23,330 --> 00:03:20,220

cases in which for example an object

84

00:03:24,949 --> 00:03:23,340

hovered near a nuclear power plant in

85

00:03:26,750 --> 00:03:24,959

varnish and a beam from that object

86

00:03:28,430 --> 00:03:26,760

melted the asphalt there and that's what

87

00:03:30,470 --> 00:03:28,440

they are studying now the story

88

00:03:32,149 --> 00:03:30,480

Americans read was much different from

89

00:03:34,309 --> 00:03:32,159

what the witnesses say happened at

90

00:03:36,350 --> 00:03:34,319

varonish it was an odd case because

91

00:03:38,570 --> 00:03:36,360

instead of just a landing of a

92

00:03:40,009 --> 00:03:38,580

spacecraft you got actual like beings

93

00:03:41,869 --> 00:03:40,019

that come out which is one of these

94

00:03:43,490 --> 00:03:41,879

Rarities when you have tons of people

95

00:03:45,410 --> 00:03:43,500

talking about being they look like

96

00:03:47,990 --> 00:03:45,420

robots in Russia yeah 10 foot tall

97

00:03:49,670 --> 00:03:48,000

robots and um and actually there were a

98

00:03:51,710 --> 00:03:49,680

lot of witnesses most of them were young

99

00:03:53,930 --> 00:03:51,720

people but they were not just little

100

00:03:55,729 --> 00:03:53,940

tiny kids they were teenagers it was a

101
00:03:58,190 --> 00:03:55,739
really interesting case yeah so along

102
00:04:00,170 --> 00:03:58,200
the lines those lines I started reaching

103
00:04:03,470 --> 00:04:00,180
out to see what existed in terms of

104
00:04:05,509 --> 00:04:03,480
Russian files in Western sources there's

105
00:04:08,509 --> 00:04:05,519
something called fbis it's a report

106
00:04:11,210 --> 00:04:08,519
that's put out by the CIA and they they

107
00:04:12,830 --> 00:04:11,220
summarize Foreign Press accounts and

108
00:04:15,410 --> 00:04:12,840
actually they had quite a few stories

109
00:04:17,509 --> 00:04:15,420
from Russian media that they did they

110
00:04:19,670 --> 00:04:17,519
had translated into English and they

111
00:04:21,170 --> 00:04:19,680
send out to intelligence agencies and a

112
00:04:23,510 --> 00:04:21,180
lot of the information was pretty

113
00:04:25,310 --> 00:04:23,520

intriguing so I knew somebody in Russia

114

00:04:26,860 --> 00:04:25,320

had been studying UFOs and collecting
