

WEAPONIZED #13

RUSSIA'S SECRET UFO FILES

1
00:00:06,950 --> 00:00:04,190
Secrets cover-ups and strange phenomena

2
00:00:09,950 --> 00:00:06,960
UFOs and ideas that challenge reality

3
00:00:11,570 --> 00:00:09,960
itself all these Mysteries all this time

4
00:00:14,150 --> 00:00:11,580
are we ever going to get to the bottom

5
00:00:16,670 --> 00:00:14,160
of these my name is George Knapp I dig

6
00:00:18,950 --> 00:00:16,680
into news stories that others can't or

7
00:00:20,630 --> 00:00:18,960
won't I'm Jeremy Corbell and for some

8
00:00:22,670 --> 00:00:20,640
reason people tell me things they

9
00:00:23,870 --> 00:00:22,680
probably shouldn't

10
00:00:24,950 --> 00:00:23,880
and this

11
00:00:28,849 --> 00:00:24,960
is weapons

12
00:00:30,890 --> 00:00:28,859
[Music]

13
00:00:32,569 --> 00:00:30,900

welcome back this is weaponized how you

14

00:00:33,350 --> 00:00:32,579

doing everybody Jeremy hey good to see

15

00:00:35,870 --> 00:00:33,360

you George

16

00:00:38,510 --> 00:00:35,880

hey man so I'm excited about today

17

00:00:41,630 --> 00:00:38,520

because I heard

18

00:00:44,090 --> 00:00:41,640

that you smuggle classified documents

19

00:00:46,610 --> 00:00:44,100

out of Russia is that true

20

00:00:48,950 --> 00:00:46,620

that is true okay is that the end of the

21

00:00:50,510 --> 00:00:48,960

story yeah that's it okay we're done so

22

00:00:52,430 --> 00:00:50,520

today let's talk about that listen I've

23

00:00:55,430 --> 00:00:52,440

heard you know you've informed me a

24

00:00:57,290 --> 00:00:55,440

bunch about this but it also known not

25

00:00:59,930 --> 00:00:57,300

only to intelligence agencies but also

26
00:01:02,810 --> 00:00:59,940
to the public that somehow you went to

27
00:01:04,729 --> 00:01:02,820
Russia at this opportune time and got a

28
00:01:06,410 --> 00:01:04,739
bunch of information about their UFO

29
00:01:08,810 --> 00:01:06,420
programs so I want to hear about that

30
00:01:12,410 --> 00:01:08,820
well the actual smuggling part of it um

31
00:01:14,929 --> 00:01:12,420
was uh exhilarating exciting downright

32
00:01:17,030 --> 00:01:14,939
scary probably crazy and retrospect

33
00:01:18,710 --> 00:01:17,040
looking back at it now if they had

34
00:01:21,170 --> 00:01:18,720
caught me what I was doing

35
00:01:22,969 --> 00:01:21,180
I'd still be in a gulag somewhere we

36
00:01:25,850 --> 00:01:22,979
know what happens to Russian journalists

37
00:01:27,649 --> 00:01:25,860
who cross Putin we know what happens to

38
00:01:28,969 --> 00:01:27,659

business people who cross Putin an

39

00:01:31,249 --> 00:01:28,979

American journalist was recently

40

00:01:34,429 --> 00:01:31,259

arrested in Russia for Espionage

41

00:01:36,170 --> 00:01:34,439

purposes uh I I can pretty much assure

42

00:01:38,630 --> 00:01:36,180

you that he didn't do what we did back

43

00:01:42,050 --> 00:01:38,640

then but uh I'll tell you the story so

44

00:01:44,569 --> 00:01:42,060

in 1989 for Klaus I produced this series

45

00:01:46,429 --> 00:01:44,579

UFOs the best evidence we did a a

46

00:01:49,969 --> 00:01:46,439

follow-up series the following year in

47

00:01:52,010 --> 00:01:49,979

1990 at the end of 1991 I had UFO

48

00:01:55,670 --> 00:01:52,020

disease pretty bad I had a bad case of

49

00:01:57,530 --> 00:01:55,680

it I was totally totally focused on UFO

50

00:02:00,590 --> 00:01:57,540

issues wondering where I could take the

51
00:02:02,090 --> 00:02:00,600
topic and I ended up leaving klas at the

52
00:02:04,730 --> 00:02:02,100
end of 91 to go to work for a company

53
00:02:06,170 --> 00:02:04,740
called Altamira Communications I took

54
00:02:08,449 --> 00:02:06,180
along a friend of mine who also worked

55
00:02:10,609 --> 00:02:08,459
for kls his name was Brian gresh great

56
00:02:13,550 --> 00:02:10,619
reporter and anchor we went to work for

57
00:02:16,490 --> 00:02:13,560
Altamira in part because they owned a TV

58
00:02:18,770 --> 00:02:16,500
studio I wanted to produce UFO related

59
00:02:21,610 --> 00:02:18,780
documentaries they had a studio and they

60
00:02:23,809 --> 00:02:21,620
had promised us it's yours to use

61
00:02:25,369 --> 00:02:23,819
at the same time

62
00:02:27,470 --> 00:02:25,379
I've been trying to figure out where the

63
00:02:29,750 --> 00:02:27,480

research could go how to make uh

64

00:02:31,309 --> 00:02:29,760

progress figuring out what our

65

00:02:32,869 --> 00:02:31,319

government knows and there was an

66

00:02:35,530 --> 00:02:32,879

article that appeared in the New York

67

00:02:37,790 --> 00:02:35,540

Times it was about Lee Harvey Oswald

68

00:02:39,890 --> 00:02:37,800

credited with killing John F Kennedy

69

00:02:42,350 --> 00:02:39,900

assassinating President Kennedy and the

70

00:02:45,530 --> 00:02:42,360

article was basically KGB files on Lee

71

00:02:47,030 --> 00:02:45,540

Harvey Oswald proving he's not ours we

72

00:02:49,729 --> 00:02:47,040

didn't do it he didn't work for us

73

00:02:51,710 --> 00:02:49,739

here's the files it occurred to me I

74

00:02:54,050 --> 00:02:51,720

wonder what else is in the KGB files

75

00:02:57,770 --> 00:02:54,060

could we maybe access what they know

76
00:03:00,830 --> 00:02:57,780
about UFOs USSR was a giant superpower

77
00:03:02,210 --> 00:03:00,840
as the U.S was we know that governments

78
00:03:04,670 --> 00:03:02,220
around the world have studied this

79
00:03:06,229 --> 00:03:04,680
mystery over the decades that there are

80
00:03:08,690 --> 00:03:06,239
secret files that have not been made

81
00:03:10,070 --> 00:03:08,700
public maybe they know something so I

82
00:03:12,949 --> 00:03:10,080
was looking for an opportunity to figure

83
00:03:15,710 --> 00:03:12,959
out how to crack the USSR mystery and

84
00:03:17,930 --> 00:03:15,720
that market in in essence and Along came

85
00:03:19,670 --> 00:03:17,940
a congressman named Jim bilbray you

86
00:03:22,369 --> 00:03:19,680
might recall from the Bob Lazar story

87
00:03:24,710 --> 00:03:22,379
Jim Bill Bray was very helpful to klas

88
00:03:27,050 --> 00:03:24,720

and try to track down records on Bob

89

00:03:29,210 --> 00:03:27,060

Lazar and he his office had sent a

90

00:03:32,809 --> 00:03:29,220

statement when Lazar was in some legal

91

00:03:34,670 --> 00:03:32,819

trouble in support of of how strange it

92

00:03:37,070 --> 00:03:34,680

had been that these government agencies

93

00:03:40,309 --> 00:03:37,080

who who had records would not release

94

00:03:42,770 --> 00:03:40,319

them so Bill Bray comes to me and his

95

00:03:45,410 --> 00:03:42,780

friend Don Williams who owned Altamira

96

00:03:47,149 --> 00:03:45,420

and he said I've got this guy named Dr

97

00:03:49,309 --> 00:03:47,159

Nikolai capranov

98

00:03:51,430 --> 00:03:49,319

he was a Russian physicist who was in

99

00:03:55,550 --> 00:03:51,440

the United States he'd been touring

100

00:03:58,670 --> 00:03:55,560

American nuclear weapons Labs Los Alamos

101
00:04:01,670 --> 00:03:58,680
Lawrence Livermore giving lectures about

102
00:04:03,710 --> 00:04:01,680
nuclear disarmament a heavy heavy hitter

103
00:04:06,410 --> 00:04:03,720
he said Nikolai is coming to Las Vegas

104
00:04:08,630 --> 00:04:06,420
he's about to go back to Russia does not

105
00:04:10,369 --> 00:04:08,640
know what he's going to do I know you're

106
00:04:12,289 --> 00:04:10,379
interested in UFOs maybe you want to

107
00:04:14,509 --> 00:04:12,299
talk to him so I did I arranged the

108
00:04:17,509 --> 00:04:14,519
meeting with Nikolai we met at a little

109
00:04:19,550 --> 00:04:17,519
bar near a house where I lived at the

110
00:04:21,289 --> 00:04:19,560
time we had a couple of beers and I

111
00:04:24,590 --> 00:04:21,299
started asking about UFOs do you know

112
00:04:26,090 --> 00:04:24,600
anything about UFOs no nothing I've

113
00:04:28,790 --> 00:04:26,100

never heard of it was that was that

114

00:04:32,150 --> 00:04:28,800

little bar the smuggle in uh no no it

115

00:04:34,610 --> 00:04:32,160

was near there same street all right uh

116

00:04:37,790 --> 00:04:34,620

but it wasn't a a bar where my future

117

00:04:39,469 --> 00:04:37,800

wife did work at the time okay and uh so

118

00:04:41,450 --> 00:04:39,479

have a couple of beers with Nikolai I'm

119

00:04:43,490 --> 00:04:41,460

asking him about Russia what he had done

120

00:04:45,409 --> 00:04:43,500

he fills me in on his background and

121

00:04:48,650 --> 00:04:45,419

it's an amazing background he had been a

122

00:04:50,570 --> 00:04:48,660

he's a physicist I had a PhD he had been

123

00:04:53,210 --> 00:04:50,580

the National Security advisor to the

124

00:04:56,150 --> 00:04:53,220

Russian Parliament he had taught Russian

125

00:04:57,950 --> 00:04:56,160

cosmonauts how to spot American nuclear

126
00:04:59,510 --> 00:04:57,960
submarines from space when they're up

127
00:05:02,570 --> 00:04:59,520
there here's what to do to spot our

128
00:05:04,430 --> 00:05:02,580
submarines and he was at that time the

129
00:05:07,310 --> 00:05:04,440
National Security adviser to Boris

130
00:05:09,170 --> 00:05:07,320
Yeltsin who'd taken over as the the top

131
00:05:11,629 --> 00:05:09,180
uh figure in the Russian government

132
00:05:14,629 --> 00:05:11,639
after Mikhail Gorbachev it was a

133
00:05:16,490 --> 00:05:14,639
tumultuous time uh turbulent time there

134
00:05:19,010 --> 00:05:16,500
were a lot of give and take in the

135
00:05:20,330 --> 00:05:19,020
Russian military and they and um they

136
00:05:22,550 --> 00:05:20,340
didn't know what was actually going to

137
00:05:24,650 --> 00:05:22,560
happen it was a period of we remember it

138
00:05:27,529 --> 00:05:24,660

now as sort of a golden age of glasnost

139

00:05:30,590 --> 00:05:27,539

and perestroika Russia had denounced

140

00:05:32,330 --> 00:05:30,600

this the the Soviet system the USSR had

141

00:05:34,430 --> 00:05:32,340

crumbled a lot of the the former

142

00:05:36,230 --> 00:05:34,440

republics that were part of the USSR had

143

00:05:38,029 --> 00:05:36,240

become independent and they were

144

00:05:39,590 --> 00:05:38,039

experimenting with capitalism trying to

145

00:05:42,350 --> 00:05:39,600

learn their way forward and try to

146

00:05:44,570 --> 00:05:42,360

embrace ideals of democracy and the

147

00:05:46,790 --> 00:05:44,580

capital of the system so a lot of uh

148

00:05:48,890 --> 00:05:46,800

political turmoil in that country and I

149

00:05:50,629 --> 00:05:48,900

thought well this might be a window of

150

00:05:52,670 --> 00:05:50,639

opportunity to get to know what was

151
00:05:53,930 --> 00:05:52,680
going on uh what they might know about

152
00:05:56,270 --> 00:05:53,940
UFOs

153
00:05:58,790 --> 00:05:56,280
it it occurred to me that if we could

154
00:06:01,370 --> 00:05:58,800
get the USSR which I presumed had done

155
00:06:03,409 --> 00:06:01,380
some studies of UFOs over the years if

156
00:06:06,890 --> 00:06:03,419
we could get their files

157
00:06:09,469 --> 00:06:06,900
their experts uh to talk about UFOs we

158
00:06:11,510 --> 00:06:09,479
might learn more from them about what

159
00:06:13,249 --> 00:06:11,520
the American government knows on UFOs

160
00:06:15,790 --> 00:06:13,259
then we will ever learn from our own

161
00:06:19,790 --> 00:06:15,800
government and that is how it worked out

162
00:06:21,230 --> 00:06:19,800
so I met with um Nikolai capranov we

163
00:06:23,330 --> 00:06:21,240

went through the paces had a couple of

164

00:06:25,129 --> 00:06:23,340

beers first he said no I don't know

165

00:06:26,629 --> 00:06:25,139

anything about UFOs and he goes you know

166

00:06:28,610 --> 00:06:26,639

what wait a second I got a friend of

167

00:06:30,770 --> 00:06:28,620

mine at the KGB

168

00:06:33,170 --> 00:06:30,780

who told me that there had been a report

169

00:06:34,550 --> 00:06:33,180

about UFOs that he had read I said well

170

00:06:36,170 --> 00:06:34,560

do you think you could look him up and

171

00:06:37,909 --> 00:06:36,180

try to figure out if we could get a copy

172

00:06:39,230 --> 00:06:37,919

of it he said yeah I'll try and he said

173

00:06:41,090 --> 00:06:39,240

you know what there's a National Academy

174

00:06:43,430 --> 00:06:41,100

of Sciences that was looking into this

175

00:06:45,529 --> 00:06:43,440

stuff I think I could talk to them too

176

00:06:48,409 --> 00:06:45,539

so I great would you be willing to work

177

00:06:50,210 --> 00:06:48,419

for us yeah he had no job he was going

178

00:06:52,490 --> 00:06:50,220

back to Russia he had no job okay let me

179

00:06:54,170 --> 00:06:52,500

back you up a second so this is in your

180

00:06:56,029 --> 00:06:54,180

career this is a time when from news

181

00:06:57,950 --> 00:06:56,039

reporting and all this you got you said

182

00:06:59,090 --> 00:06:57,960

you had UFO disease so you were so for

183

00:07:01,070 --> 00:06:59,100

people that don't know what that means

184

00:07:02,870 --> 00:07:01,080

that means this subject is so

185

00:07:04,850 --> 00:07:02,880

interesting and if you see opportunities

186

00:07:06,170 --> 00:07:04,860

to learn more it just excites you this

187

00:07:08,390 --> 00:07:06,180

becomes one of the most important things

188

00:07:11,210 --> 00:07:08,400

in your life because the implications of

189

00:07:12,350 --> 00:07:11,220

if it is true so you you have this UFO

190

00:07:13,610 --> 00:07:12,360

disease at the time and you're like I'm

191

00:07:15,350 --> 00:07:13,620

going to try to do something completely

192

00:07:17,930 --> 00:07:15,360

different with my life and you went to

193

00:07:20,150 --> 00:07:17,940

Altamira to start creating right this

194

00:07:22,189 --> 00:07:20,160

content but this is also a time when the

195

00:07:25,370 --> 00:07:22,199

world is changing so it's a time when

196

00:07:27,710 --> 00:07:25,380

there's this momentary openness within

197

00:07:29,570 --> 00:07:27,720

Russia from a country that was so closed

198

00:07:31,790 --> 00:07:29,580

in that war with the United States and

199

00:07:33,350 --> 00:07:31,800

you thought oh what a great idea I'm

200

00:07:35,689 --> 00:07:33,360

going to go there and start exploring

201
00:07:37,730 --> 00:07:35,699
the UFO topic well yeah pretty much that

202
00:07:40,010 --> 00:07:37,740
I mean there had been that story on

203
00:07:42,350 --> 00:07:40,020
Oswald that sort of I stuck in the back

204
00:07:44,270 --> 00:07:42,360
of my head Jacque Valley Dr Jacques

205
00:07:46,670 --> 00:07:44,280
valet had been to Russia I think it was

206
00:07:48,830 --> 00:07:46,680
in 1990 he wrote a book called The

207
00:07:51,529 --> 00:07:48,840
Cosmic Samus dot which basically

208
00:07:53,330 --> 00:07:51,539
psalmistat is an uh under underground

209
00:07:56,330 --> 00:07:53,340
way of communicating so people who

210
00:07:58,129 --> 00:07:56,340
studied UFOs during the Soviet era had

211
00:07:59,689 --> 00:07:58,139
to be very discreet in communicating

212
00:08:03,650 --> 00:07:59,699
about their investigations because

213
00:08:06,890 --> 00:08:03,660

officially the the USSR had said had

214

00:08:08,809 --> 00:08:06,900

decreed UFOs are bogus it was made up by

215

00:08:10,909 --> 00:08:08,819

American imperialists they're trying to

216

00:08:13,249 --> 00:08:10,919

distract us pay no attention to it that

217

00:08:15,469 --> 00:08:13,259

was their official position as we were

218

00:08:17,629 --> 00:08:15,479

to learn their actual position was much

219

00:08:19,730 --> 00:08:17,639

different valet had been there

220

00:08:22,309 --> 00:08:19,740

investigating an incident called the

221

00:08:24,950 --> 00:08:22,319

veronash where aliens landed in this big

222

00:08:27,290 --> 00:08:24,960

city walked around these gigantic alien

223

00:08:29,689 --> 00:08:27,300

robots it made news all over the world

224

00:08:31,850 --> 00:08:29,699

mostly Western journalists made fun of

225

00:08:33,529 --> 00:08:31,860

it but I thought you know that that run

226

00:08:36,529 --> 00:08:33,539

rang a bell with me that there might be

227

00:08:38,930 --> 00:08:36,539

something to it in November 1989 Soviet

228

00:08:41,389 --> 00:08:38,940

attitudes on UFOs became abundantly

229

00:08:43,610 --> 00:08:41,399

clear the official news agency task

230

00:08:46,190 --> 00:08:43,620

reported on the alleged Landing of an

231

00:08:48,230 --> 00:08:46,200

alien ship in the city of veronis a

232

00:08:51,650 --> 00:08:48,240

10-hour train ride north of Moscow

233

00:08:53,990 --> 00:08:51,660

according to Tas tall aliens and a robot

234

00:08:55,970 --> 00:08:54,000

exited the spaceship walked around the

235

00:08:57,889 --> 00:08:55,980

park and then left the story was

236

00:09:00,769 --> 00:08:57,899

reported in the New York Times Wall

237

00:09:02,630 --> 00:09:00,779

Street Journal and on network news none

238

00:09:05,150 --> 00:09:02,640

of these major media Outlets had their

239

00:09:07,370 --> 00:09:05,160

own reporters on the scene so most chose

240

00:09:09,829 --> 00:09:07,380

the approach they normally take with UFO

241

00:09:12,110 --> 00:09:09,839

story earlier tonight the CBS Evening

242

00:09:14,630 --> 00:09:12,120

News with Dan Rather included a report

243

00:09:17,750 --> 00:09:14,640

about the alleged alien landing at

244

00:09:20,509 --> 00:09:17,760

varonish rather Riley commented on the

245

00:09:23,329 --> 00:09:20,519

Soviet claims about 10 foot tall aliens

246

00:09:25,490 --> 00:09:23,339

walking around a Russian Park the CBS

247

00:09:28,850 --> 00:09:25,500

newsman added don't believe everything

248

00:09:30,949 --> 00:09:28,860

you read in tasks within days the

249

00:09:33,530 --> 00:09:30,959

veronese story assumed almost surreal

250

00:09:36,290 --> 00:09:33,540

proportions American headlines chortled

251
00:09:38,210 --> 00:09:36,300
about Pinhead aliens follow-up stories

252
00:09:40,250 --> 00:09:38,220
claimed that the only witnesses to the

253
00:09:42,710 --> 00:09:40,260
landing were young children and because

254
00:09:45,290 --> 00:09:42,720
the tall aliens described were different

255
00:09:47,570 --> 00:09:45,300
from the usual short bug-eyed variety

256
00:09:49,370 --> 00:09:47,580
Americans hear about it was smugly

257
00:09:52,070 --> 00:09:49,380
assumed the Russians must be wrong

258
00:09:54,350 --> 00:09:52,080
prominent astrophysicist Jacques valet

259
00:09:56,509 --> 00:09:54,360
was one of few westerners to personally

260
00:09:59,690 --> 00:09:56,519
investigate the case by meeting with

261
00:10:02,570 --> 00:09:59,700
Russian sources firsthand in veronis

262
00:10:04,310 --> 00:10:02,580
there were many cases not just the case

263
00:10:07,009 --> 00:10:04,320

that made the newspapers not just the

264

00:10:09,889 --> 00:10:07,019

case it was reported by tasks with the

265

00:10:11,750 --> 00:10:09,899

the the the school students the

266

00:10:15,470 --> 00:10:11,760

Witnesses were not just kids they were

267

00:10:17,090 --> 00:10:15,480

18 19 year old kids very articulate and

268

00:10:19,070 --> 00:10:17,100

obviously they had seen something there

269

00:10:21,050 --> 00:10:19,080

were physical traces there but there

270

00:10:23,449 --> 00:10:21,060

were many other cases over a thousand

271

00:10:25,610 --> 00:10:23,459

Witnesses in all in the city of rawanish

272

00:10:27,650 --> 00:10:25,620

varnish is a large city it's over a

273

00:10:29,329 --> 00:10:27,660

million people what they showed me was

274

00:10:32,329 --> 00:10:29,339

you know the film and the physical

275

00:10:34,610 --> 00:10:32,339

evidence they told me about the cases in

276

00:10:37,250 --> 00:10:34,620

which for example an object hovered near

277

00:10:38,690 --> 00:10:37,260

a nuclear power plant in varnish and a

278

00:10:40,190 --> 00:10:38,700

beam from their object melted the

279

00:10:42,290 --> 00:10:40,200

asphalt there and that's what they are

280

00:10:43,910 --> 00:10:42,300

studying now the story Americans read

281

00:10:46,370 --> 00:10:43,920

was much different from what the

282

00:10:48,230 --> 00:10:46,380

witnesses say happened at varonish it

283

00:10:50,930 --> 00:10:48,240

was an odd case because instead of just

284

00:10:52,850 --> 00:10:50,940

a landing of a spacecraft you got actual

285

00:10:54,829 --> 00:10:52,860

like beings that come out which is one

286

00:10:56,509 --> 00:10:54,839

of these Rarities when you have tons of

287

00:10:58,550 --> 00:10:56,519

people talking about being they look

288

00:11:01,130 --> 00:10:58,560

like robots in Russia yeah 10 foot tall

289

00:11:02,810 --> 00:11:01,140

robots and um and actually there were a

290

00:11:04,850 --> 00:11:02,820

lot of witnesses most of them were young

291

00:11:07,069 --> 00:11:04,860

people but they were not just little

292

00:11:08,810 --> 00:11:07,079

tiny kids they were teenagers it was a

293

00:11:11,329 --> 00:11:08,820

really interesting case yeah so along

294

00:11:13,310 --> 00:11:11,339

the lines those lines I started reaching

295

00:11:16,610 --> 00:11:13,320

out to see what existed in terms of

296

00:11:18,650 --> 00:11:16,620

Russian files in Western sources there's

297

00:11:21,710 --> 00:11:18,660

something called fbis it's a report

298

00:11:24,350 --> 00:11:21,720

that's put out by the CIA and they they

299

00:11:25,970 --> 00:11:24,360

summarize Foreign Press accounts and

300

00:11:28,730 --> 00:11:25,980

actually they had quite a few stories

301
00:11:30,889 --> 00:11:28,740
from Russian media that they it they had

302
00:11:32,930 --> 00:11:30,899
translated into English and they send

303
00:11:34,790 --> 00:11:32,940
out to intelligence agencies and a lot

304
00:11:37,009 --> 00:11:34,800
of the information was pretty intriguing

305
00:11:38,630 --> 00:11:37,019
so I knew somebody in Russia had been

306
00:11:41,690 --> 00:11:38,640
studying UFOs and collecting information

307
00:11:43,130 --> 00:11:41,700
I meet with capranov and he says yeah I

308
00:11:45,170 --> 00:11:43,140
know some people who were looking at

309
00:11:47,090 --> 00:11:45,180
this stuff we asked them would you be

310
00:11:48,769 --> 00:11:47,100
willing to go to work for us and he said

311
00:11:50,630 --> 00:11:48,779
yeah so I gave him a couple of

312
00:11:52,430 --> 00:11:50,640
instructions I said look I want you to

313
00:11:55,009 --> 00:11:52,440

find people who were in a position to

314

00:11:56,930 --> 00:11:55,019

know about UFOs military or scientific

315

00:11:59,329 --> 00:11:56,940

positions who are in a position to

316

00:12:01,190 --> 00:11:59,339

actually investigate see the files know

317

00:12:03,710 --> 00:12:01,200

what's going on but I don't want to hear

318

00:12:06,710 --> 00:12:03,720

from anyone who has ever talked to to

319

00:12:08,329 --> 00:12:06,720

reporters Western Media or Russian media

320

00:12:10,310 --> 00:12:08,339

about this at all I don't want it

321

00:12:12,110 --> 00:12:10,320

contaminated so that was his marching

322

00:12:13,850 --> 00:12:12,120

orders and this guy's a this guy's a

323

00:12:15,290 --> 00:12:13,860

serious guy this is a guy that you got

324

00:12:17,870 --> 00:12:15,300

connected to because of his government

325

00:12:20,150 --> 00:12:17,880

why was he in the U.S giving these

326

00:12:21,590 --> 00:12:20,160

lectures about uh you know

327

00:12:23,389 --> 00:12:21,600

taking away nukes and everything and

328

00:12:25,190 --> 00:12:23,399

talking about what he did in Russia why

329

00:12:26,569 --> 00:12:25,200

was that a thing at that time well there

330

00:12:28,610 --> 00:12:26,579

were attempts by the Russian government

331

00:12:31,250 --> 00:12:28,620

and the U.S government that had started

332

00:12:33,350 --> 00:12:31,260

with Reagan and Gorbachev let's take it

333

00:12:35,930 --> 00:12:33,360

down a notch that's maybe not not

334

00:12:38,509 --> 00:12:35,940

destroy ourselves and destroy the planet

335

00:12:40,190 --> 00:12:38,519

you ever called these amazing statements

336

00:12:42,470 --> 00:12:40,200

that Ronald Reagan had made that the

337

00:12:44,090 --> 00:12:42,480

United Nations and other occasions where

338

00:12:46,670 --> 00:12:44,100

he said wouldn't it be something if we

339

00:12:48,110 --> 00:12:46,680

were threatened by an alien force

340

00:12:50,389 --> 00:12:48,120

wouldn't we all start thinking of

341

00:12:52,790 --> 00:12:50,399

ourselves as earthlings and all our

342

00:12:55,009 --> 00:12:52,800

differences would disappear I've often

343

00:12:57,470 --> 00:12:55,019

wondered what if

344

00:12:59,389 --> 00:12:57,480

all of us in the world discovered that

345

00:13:02,210 --> 00:12:59,399

we were threatened

346

00:13:05,870 --> 00:13:02,220

by an outer of power

347

00:13:08,150 --> 00:13:05,880

from outer space from another planet

348

00:13:10,129 --> 00:13:08,160

wouldn't we all of a sudden find that we

349

00:13:13,009 --> 00:13:10,139

didn't have any differences between us

350

00:13:14,810 --> 00:13:13,019

at all Mikhail Gorbachev responded to

351

00:13:16,670 --> 00:13:14,820

that and said yeah that would be

352

00:13:18,650 --> 00:13:16,680

something that Reagan said it I think

353

00:13:20,930 --> 00:13:18,660

five different times mentioning aliens

354

00:13:22,550 --> 00:13:20,940

uh we can go into this no that's an

355

00:13:24,590 --> 00:13:22,560

incredible story people should know

356

00:13:26,569 --> 00:13:24,600

about that I mean that's shown all over

357

00:13:28,730 --> 00:13:26,579

when people talk about UFOs they show

358

00:13:30,590 --> 00:13:28,740

this thing of Ronald Reagan at the U.N

359

00:13:33,350 --> 00:13:30,600

and it's like this green background he

360

00:13:35,750 --> 00:13:33,360

goes imagine if we were all dealing with

361

00:13:38,150 --> 00:13:35,760

an alien threat how that would Bond

362

00:13:41,269 --> 00:13:38,160

Humanity perhaps we need some outside

363

00:13:43,670 --> 00:13:41,279

Universal threat to make us recognize

364

00:13:45,530 --> 00:13:43,680

this common bound I hope and wish that

365

00:13:47,810 --> 00:13:45,540

would be true if that's what happens

366

00:13:49,490 --> 00:13:47,820

right yeah but anyway it's a very famous

367

00:13:51,710 --> 00:13:49,500

speech so his whole thing was he'd said

368

00:13:53,449 --> 00:13:51,720

it a number of times but he you think he

369

00:13:55,490 --> 00:13:53,459

chose that intentionally like the word

370

00:13:57,590 --> 00:13:55,500

oh yeah I think he and Gorbachev talked

371

00:13:59,930 --> 00:13:57,600

about this stuff and Gorbachev responded

372

00:14:01,430 --> 00:13:59,940

in public saying yeah I agree with you

373

00:14:03,590 --> 00:14:01,440

we should be on the same page on this

374

00:14:06,769 --> 00:14:03,600

there had been some incidents

375

00:14:08,750 --> 00:14:06,779

where UFOs appeared and were detected on

376

00:14:11,690 --> 00:14:08,760

sensor systems of our country and their

377

00:14:14,269 --> 00:14:11,700

country that could have led to a launch

378

00:14:16,129 --> 00:14:14,279

of nuclear weapons a mistake that they

379

00:14:18,769 --> 00:14:16,139

would assume the Russians might assume

380

00:14:20,750 --> 00:14:18,779

these are our craft or missiles that we

381

00:14:22,550 --> 00:14:20,760

would assume it's Russian stuff and who

382

00:14:24,410 --> 00:14:22,560

knows World War III could happen if you

383

00:14:26,629 --> 00:14:24,420

make that kind of a mistake so brass

384

00:14:30,650 --> 00:14:26,639

tacks that for people that don't know so

385

00:14:32,990 --> 00:14:30,660

UFOs have been detected and and filmed

386

00:14:35,509 --> 00:14:33,000

over nuclear facilities they have shot

387

00:14:37,910 --> 00:14:35,519

beams of light into them shut down

388

00:14:40,910 --> 00:14:37,920

nuclear weapons turned them on at times

389

00:14:42,530 --> 00:14:40,920

we know that happened in the 70s at 60s

390

00:14:45,530 --> 00:14:42,540

and 70s but it's a very famous case

391

00:14:47,509 --> 00:14:45,540

Maelstrom Air Force Base that's one was

392

00:14:49,850 --> 00:14:47,519

so funny by the way the guy um Robert

393

00:14:51,410 --> 00:14:49,860

Salas who came out he said oh yeah I got

394

00:14:52,610 --> 00:14:51,420

a call and I heard it was going to be

395

00:14:54,110 --> 00:14:52,620

something I could talk about I started

396

00:14:55,310 --> 00:14:54,120

talking about it turns out he was

397

00:14:56,930 --> 00:14:55,320

talking about his case but it wasn't

398

00:14:58,670 --> 00:14:56,940

Declassified it was another case that

399

00:15:00,530 --> 00:14:58,680

was and they had mistaken so there were

400

00:15:02,210 --> 00:15:00,540

a bunch of these events so you know

401
00:15:04,189 --> 00:15:02,220
about these in the U.S did they happen

402
00:15:06,530 --> 00:15:04,199
in Russia too well yeah that's what I

403
00:15:08,870 --> 00:15:06,540
wanted to find out so we send Nikolai

404
00:15:11,269 --> 00:15:08,880
back to Moscow we give him a stipend a

405
00:15:13,910 --> 00:15:11,279
monthly stipend we give him an office a

406
00:15:16,550 --> 00:15:13,920
fax machine and said go to it took about

407
00:15:18,889 --> 00:15:16,560
eight months and I have a thick stack of

408
00:15:20,990 --> 00:15:18,899
messages that came in from him faxes and

409
00:15:23,449 --> 00:15:21,000
phone calls and stuff that I've saved to

410
00:15:25,850 --> 00:15:23,459
this day how he was trying to find this

411
00:15:28,490 --> 00:15:25,860
person and that there were a lot of hits

412
00:15:30,050 --> 00:15:28,500
and misses you know but eventually he

413
00:15:31,910 --> 00:15:30,060

found the right people because he's an

414

00:15:33,530 --> 00:15:31,920

honest guy he's a serious guy absolutely

415

00:15:34,910 --> 00:15:33,540

serious guy I mean you know he was at

416

00:15:37,430 --> 00:15:34,920

the highest levels of the Russian

417

00:15:40,250 --> 00:15:37,440

government as their National Security

418

00:15:43,189 --> 00:15:40,260

advisor so about eight months in

419

00:15:46,129 --> 00:15:43,199

30 years ago this month 30 years ago

420

00:15:48,110 --> 00:15:46,139

this month we went to Moscow and I spent

421

00:15:49,730 --> 00:15:48,120

10 days there and Nikolai had set up

422

00:15:51,050 --> 00:15:49,740

interviews with all these people we

423

00:15:53,269 --> 00:15:51,060

didn't really know how it was going to

424

00:15:55,129 --> 00:15:53,279

go okay what was that like though so

425

00:15:57,110 --> 00:15:55,139

this is right after the Cold War right I

426

00:15:58,910 --> 00:15:57,120

mean this is right as so what was it

427

00:16:00,710 --> 00:15:58,920

like going to like I've only seen movies

428

00:16:03,230 --> 00:16:00,720

but what was it like at that time in

429

00:16:05,210 --> 00:16:03,240

Russia what year was it this is 1993 and

430

00:16:07,069 --> 00:16:05,220

so you go what tell me one story of what

431

00:16:09,350 --> 00:16:07,079

that was like well it was an incredibly

432

00:16:12,230 --> 00:16:09,360

tumultuous period uh there were the 10

433

00:16:14,930 --> 00:16:12,240

days we were there there were a massive

434

00:16:18,230 --> 00:16:14,940

demonstrations every single day in Red

435

00:16:20,389 --> 00:16:18,240

Square there were Russian tanks cruising

436

00:16:22,610 --> 00:16:20,399

through Moscow the whole country was on

437

00:16:24,769 --> 00:16:22,620

alert on the day we arrived Boris

438

00:16:27,350 --> 00:16:24,779

Yeltsin had ordered the seizure of

439

00:16:29,750 --> 00:16:27,360

Russian Airwaves the state took control

440

00:16:31,129 --> 00:16:29,760

of their media which essentially they've

441

00:16:33,230 --> 00:16:31,139

always controlled it to one degree or

442

00:16:34,490 --> 00:16:33,240

another on the last day where they we

443

00:16:36,350 --> 00:16:34,500

were there there were these massive

444

00:16:38,449 --> 00:16:36,360

demonstrations outside the Russian

445

00:16:40,970 --> 00:16:38,459

Parliament it was a it was a really

446

00:16:42,769 --> 00:16:40,980

spooky time I mean no one was really

447

00:16:44,870 --> 00:16:42,779

quite sure where it was going to go the

448

00:16:46,970 --> 00:16:44,880

Russians I got to know so many of them

449

00:16:49,430 --> 00:16:46,980

during that visit and a later visit

450

00:16:54,009 --> 00:16:49,440

there's just so much like us they wanted

451
00:16:56,509 --> 00:16:54,019
to embrace democracy and capitalism

452
00:16:58,970 --> 00:16:56,519
Mother Russia is singing a new tune

453
00:17:01,310 --> 00:16:58,980
these days the Berlin Wall has crumbled

454
00:17:03,410 --> 00:17:01,320
and the Iron Curtain has parted allowing

455
00:17:05,510 --> 00:17:03,420
the Russian people to experiment with a

456
00:17:07,669 --> 00:17:05,520
free market economy and allowing the

457
00:17:10,250 --> 00:17:07,679
rest of us a glimpse into a world that

458
00:17:13,309 --> 00:17:10,260
was by and large sealed off from the

459
00:17:14,990 --> 00:17:13,319
outside for decades even the KGB has

460
00:17:17,510 --> 00:17:15,000
opened some of its files to Western

461
00:17:20,390 --> 00:17:17,520
researchers and journalists but what do

462
00:17:22,669 --> 00:17:20,400
Russians know about UFOs it was assumed

463
00:17:25,130 --> 00:17:22,679

by Western ufologists that the Soviets

464

00:17:27,409 --> 00:17:25,140

were experiencing the same type of UFO

465

00:17:29,690 --> 00:17:27,419

encounters as the rest of the world but

466

00:17:32,150 --> 00:17:29,700

isolated incidents were all Outsiders

467

00:17:34,250 --> 00:17:32,160

heard about as tensions cooled and

468

00:17:36,950 --> 00:17:34,260

dialogue began between the East and the

469

00:17:40,310 --> 00:17:36,960

West the UFO issue was publicly breached

470

00:17:43,130 --> 00:17:40,320

in a 1989 issue of the magazine Soviet

471

00:17:45,409 --> 00:17:43,140

military review Russian military leaders

472

00:17:48,470 --> 00:17:45,419

argued in favor of an ongoing exchange

473

00:17:50,330 --> 00:17:48,480

of UFO information with the West in the

474

00:17:52,510 --> 00:17:50,340

view of the authors without such an

475

00:17:55,010 --> 00:17:52,520

exchange a UFO might one day

476
00:17:57,169 --> 00:17:55,020
accidentally trigger a nuclear exchange

477
00:17:59,210 --> 00:17:57,179
between the superpowers on the

478
00:18:01,010 --> 00:17:59,220
assumption that the UFO was an enemy

479
00:18:03,890 --> 00:18:01,020
missile there's an image I have in my

480
00:18:05,690 --> 00:18:03,900
head driving along with in a car with

481
00:18:08,210 --> 00:18:05,700
our interpreter and there's a guy

482
00:18:10,789 --> 00:18:08,220
sitting he's got a peach basket and he's

483
00:18:12,950 --> 00:18:10,799
got these cans of something behind him

484
00:18:15,230 --> 00:18:12,960
and he's got a little sign in acrylic in

485
00:18:17,570 --> 00:18:15,240
Russian and he's sitting in the middle

486
00:18:18,950 --> 00:18:17,580
of a mud bog and I'm wondering what the

487
00:18:21,470 --> 00:18:18,960
hell is that guy doing what does that

488
00:18:24,350 --> 00:18:21,480

sign say what is he selling he's selling

489

00:18:26,570 --> 00:18:24,360

used motor oil so he the guy was trying

490

00:18:28,310 --> 00:18:26,580

to get his head around capitalism and

491

00:18:30,049 --> 00:18:28,320

how it worked he didn't understand the

492

00:18:32,930 --> 00:18:30,059

importance of location because he was in

493

00:18:35,150 --> 00:18:32,940

a mud bog there but he wanted he wanted

494

00:18:36,950 --> 00:18:35,160

to embrace capitalism and democracy and

495

00:18:38,450 --> 00:18:36,960

freedom and that was really the spirit

496

00:18:40,310 --> 00:18:38,460

of the Russian people at the time so

497

00:18:42,470 --> 00:18:40,320

many of them wanted to be part of the

498

00:18:43,970 --> 00:18:42,480

world they didn't want to be at war with

499

00:18:46,010 --> 00:18:43,980

the rest of the world they wanted to be

500

00:18:48,289 --> 00:18:46,020

you know integrated into the rest of

501
00:18:50,510 --> 00:18:48,299
society and and to embrace all the

502
00:18:53,630 --> 00:18:50,520
democracy and capitalism might entail

503
00:18:56,150 --> 00:18:53,640
and um but there were still there was a

504
00:19:00,409 --> 00:18:56,160
big contingent of of uh of the Russians

505
00:19:02,570 --> 00:19:00,419
who were happy to have a strong figure

506
00:19:04,490 --> 00:19:02,580
like a Stalin or a cruise ship in charge

507
00:19:06,890 --> 00:19:04,500
of the government they didn't like the

508
00:19:08,810 --> 00:19:06,900
idea that all these uh other republics

509
00:19:10,370 --> 00:19:08,820
had been peeled off that they weren't

510
00:19:13,250 --> 00:19:10,380
considered the biggest power in the

511
00:19:14,930 --> 00:19:13,260
world anymore and so every single day

512
00:19:17,690 --> 00:19:14,940
there were these massive demonstrations

513
00:19:18,549 --> 00:19:17,700

in Red Square pro-democracy forces on

514

00:19:20,750 --> 00:19:18,559

one side

515

00:19:23,270 --> 00:19:20,760

pro-communism forces on the other side

516

00:19:24,650 --> 00:19:23,280

and and cops and tanks and things of

517

00:19:26,450 --> 00:19:24,660

that sort in the middle it was an

518

00:19:28,010 --> 00:19:26,460

exciting time to be there regardless of

519

00:19:30,710 --> 00:19:28,020

the UFO part of it well I'm just curious

520

00:19:32,570 --> 00:19:30,720

so you roll up I'm assuming with some

521

00:19:35,029 --> 00:19:32,580

friends that they're all look like FBI

522

00:19:37,789 --> 00:19:35,039

agents and then a bunch of cameras do

523

00:19:40,070 --> 00:19:37,799

you just get a tourist visa at the time

524

00:19:42,470 --> 00:19:40,080

we had to get an invitation so we had to

525

00:19:43,970 --> 00:19:42,480

have an invitation from someone in a

526

00:19:45,549 --> 00:19:43,980

position of authority and the people

527

00:19:48,110 --> 00:19:45,559

that invited us the official

528

00:19:50,750 --> 00:19:48,120

Proclamation was from their National

529

00:19:53,450 --> 00:19:50,760

Academy of Natural Sciences which was

530

00:19:55,850 --> 00:19:53,460

headed by a retired Admiral Admiral

531

00:19:57,770 --> 00:19:55,860

perumoff they were interested in UFOs

532

00:19:59,990 --> 00:19:57,780

and they gave us the invitation and we

533

00:20:02,870 --> 00:20:00,000

got visas and went on over uh it was

534

00:20:04,789 --> 00:20:02,880

myself uh Brian gresh the reporter who

535

00:20:07,250 --> 00:20:04,799

had left Channel 8 with me and then

536

00:20:09,110 --> 00:20:07,260

Brian Bryant Blackburn who has been my

537

00:20:12,350 --> 00:20:09,120

photographer and all the Bob Lazar Area

538

00:20:14,870 --> 00:20:12,360

51 stuff for years and we went over and

539

00:20:17,330 --> 00:20:14,880

we were there 10 days it was an amazing

540

00:20:19,250 --> 00:20:17,340

experience even if we had not found all

541

00:20:21,650 --> 00:20:19,260

the co stuff it was absolutely

542

00:20:24,890 --> 00:20:21,660

fascinating to be there at the time but

543

00:20:26,630 --> 00:20:24,900

you did find UFO stuff I I did so so

544

00:20:30,110 --> 00:20:26,640

among the first people we interviewed

545

00:20:31,850 --> 00:20:30,120

was Dr capranov he had been highly

546

00:20:34,070 --> 00:20:31,860

skeptical he didn't know where this was

547

00:20:35,870 --> 00:20:34,080

going to lead but after eight months of

548

00:20:38,090 --> 00:20:35,880

digging into this stuff and talking to

549

00:20:39,770 --> 00:20:38,100

high-level government people about UFOs

550

00:20:42,650 --> 00:20:39,780

he realized holy crap this is real

551

00:20:44,630 --> 00:20:42,660

Russian physicist Nikolai capranov a

552

00:20:46,610 --> 00:20:44,640

national security advisor to the Soviet

553

00:20:48,830 --> 00:20:46,620

Parliament spent months making the

554

00:20:51,049 --> 00:20:48,840

crucial contacts with sources who would

555

00:20:52,789 --> 00:20:51,059

not otherwise be available to westerners

556

00:20:54,409 --> 00:20:52,799

and who almost certainly would never

557

00:20:57,230 --> 00:20:54,419

have been accessible to Western

558

00:20:59,810 --> 00:20:57,240

journalists capranov had heard Rumblings

559

00:21:01,970 --> 00:20:59,820

about UFO studies over the years but he

560

00:21:04,190 --> 00:21:01,980

was far from being a believer that is

561

00:21:06,230 --> 00:21:04,200

until he started asking questions of

562

00:21:08,270 --> 00:21:06,240

people in high places

563

00:21:09,710 --> 00:21:08,280

more and more I started to think that

564

00:21:11,330 --> 00:21:09,720

this is something for real

565

00:21:16,250 --> 00:21:11,340

and

566

00:21:18,590 --> 00:21:16,260

Cheetos one can't you know just just

567

00:21:21,350 --> 00:21:18,600

drop but what I learned about the UFO is

568

00:21:24,710 --> 00:21:21,360

that they're certainly for real and that

569

00:21:27,770 --> 00:21:24,720

the UFO is the one fragment of ovarian

570

00:21:29,810 --> 00:21:27,780

diversive and strong

571

00:21:32,090 --> 00:21:29,820

phenomena the military people are

572

00:21:34,250 --> 00:21:32,100

looking at that very seriously with

573

00:21:36,169 --> 00:21:34,260

capranov's assistance our team succeeded

574

00:21:38,390 --> 00:21:36,179

in making contact with a previously

575

00:21:40,789 --> 00:21:38,400

hidden Echelon of UFO researchers

576

00:21:43,130 --> 00:21:40,799

dedicated scientists who had pursued

577

00:21:45,649 --> 00:21:43,140

their interest in Alien visitors during

578

00:21:47,390 --> 00:21:45,659

the darkest days of Communism and whose

579

00:21:49,970 --> 00:21:47,400

findings have never before seen the

580

00:21:51,289 --> 00:21:49,980

light of day so he told us look I didn't

581

00:21:53,750 --> 00:21:51,299

really think this was going to lead

582

00:21:55,250 --> 00:21:53,760

anywhere but now I'm amazed to find out

583

00:21:58,250 --> 00:21:55,260

that there really have been these

584

00:22:01,010 --> 00:21:58,260

studies and investigations for a long

585

00:22:03,049 --> 00:22:01,020

time the second person we met was maybe

586

00:22:05,510 --> 00:22:03,059

the most important person of all his

587

00:22:07,370 --> 00:22:05,520

name was Colonel Boris sokolov and he

588

00:22:09,529 --> 00:22:07,380

was from a distinguished military family

589

00:22:11,510 --> 00:22:09,539

his father and grandfather had been

590

00:22:14,210 --> 00:22:11,520

high-ranking officers in the Russian

591

00:22:18,230 --> 00:22:14,220

military and he was given an amazing

592

00:22:19,850 --> 00:22:18,240

assignment in 1978. in 1978 there was an

593

00:22:22,370 --> 00:22:19,860

incident called the Petros about

594

00:22:24,409 --> 00:22:22,380

incident Petro savatsky is a place where

595

00:22:26,870 --> 00:22:24,419

they would launch missiles for satellite

596

00:22:29,149 --> 00:22:26,880

systems based program things of that

597

00:22:32,270 --> 00:22:29,159

sort something happened over Petros

598

00:22:33,950 --> 00:22:32,280

about 1978 this Jack there's photos that

599

00:22:36,230 --> 00:22:33,960

I have but we got from the Russian

600

00:22:38,930 --> 00:22:36,240

military of this gigantic sort of

601
00:22:41,270 --> 00:22:38,940
jellyfish looking object over the

602
00:22:44,510 --> 00:22:41,280
Russian military base the official

603
00:22:46,730 --> 00:22:44,520
explanation was oh yeah a a Russian

604
00:22:47,990 --> 00:22:46,740
missile exploded this was a mistake

605
00:22:49,909 --> 00:22:48,000
sorry

606
00:22:52,070 --> 00:22:49,919
that's not what happened it was

607
00:22:53,750 --> 00:22:52,080
something unknown and the reason we know

608
00:22:55,970 --> 00:22:53,760
that is because the Russians went ahead

609
00:22:57,890 --> 00:22:55,980
and as a result of that incident and

610
00:23:01,310 --> 00:22:57,900
other incidences that have been looked

611
00:23:03,470 --> 00:23:01,320
at they launched a study of UFOs and the

612
00:23:05,029 --> 00:23:03,480
order went out from Colonel sokolov who

613
00:23:07,789 --> 00:23:05,039

was put in charge of this amazing

614

00:23:10,669 --> 00:23:07,799

program he said every unit in the vast

615

00:23:12,049 --> 00:23:10,679

Russian military Empire Army Navy Air

616

00:23:14,390 --> 00:23:12,059

Force all of them

617

00:23:17,870 --> 00:23:14,400

anybody who sees an unknown ball of

618

00:23:19,970 --> 00:23:17,880

light uh mystery object a craft a UFO

619

00:23:22,130 --> 00:23:19,980

whatever the heck it is you have to

620

00:23:24,289 --> 00:23:22,140

collect that information interrogate the

621

00:23:26,029 --> 00:23:24,299

witnesses put it all into a report and

622

00:23:29,110 --> 00:23:26,039

it all has to go one place and the place

623

00:23:32,690 --> 00:23:29,120

it went is Colonel borisokalov's desk

624

00:23:38,110 --> 00:23:32,700

first an order was given to those Pilots

625

00:23:44,690 --> 00:23:42,590

40 episodes like this like that hundreds

626
00:23:47,210 --> 00:23:44,700
of sokolov's most intriguing cases were

627
00:23:48,710 --> 00:23:47,220
compiled into this thick value although

628
00:23:50,870 --> 00:23:48,720
much of the data is still being

629
00:23:52,850 --> 00:23:50,880
evaluated it appears the Russians

630
00:23:55,430 --> 00:23:52,860
accumulated a mammoth amount of

631
00:23:57,110 --> 00:23:55,440
information about UFOs the assumption

632
00:23:59,570 --> 00:23:57,120
that these craft were from somewhere

633
00:24:01,970 --> 00:23:59,580
else perhaps outer space became a

634
00:24:03,890 --> 00:24:01,980
foregone conclusion wow you were able to

635
00:24:05,029 --> 00:24:03,900
find this guy but what is that what is

636
00:24:06,770 --> 00:24:05,039
the jellyfish thing you're talking about

637
00:24:08,810 --> 00:24:06,780
explain that this is Petrus of odds

638
00:24:12,230 --> 00:24:08,820

because there's a fairly famous photo

639

00:24:14,750 --> 00:24:12,240

now of an object these shards of light

640

00:24:17,390 --> 00:24:14,760

that look like a jellyfish like that was

641

00:24:18,890 --> 00:24:17,400

classified like as a UAP or UFO yeah the

642

00:24:21,649 --> 00:24:18,900

Russian government officially said oh

643

00:24:24,169 --> 00:24:21,659

yeah this is a rocket that blew up but

644

00:24:25,909 --> 00:24:24,179

the fact is they launched a secret study

645

00:24:27,710 --> 00:24:25,919

of UFOs because they knew that's not

646

00:24:29,210 --> 00:24:27,720

what it was it was something else and

647

00:24:31,010 --> 00:24:29,220

they needed to get to the bottom of it

648

00:24:33,230 --> 00:24:31,020

so the person they put in charge with

649

00:24:35,330 --> 00:24:33,240

Colonel sokolov had a distinguished

650

00:24:37,490 --> 00:24:35,340

record he was retired at the time we

651

00:24:39,169 --> 00:24:37,500

found him and he was he was a little

652

00:24:40,850 --> 00:24:39,179

nervous about talking to us but he

653

00:24:42,409 --> 00:24:40,860

warmed up to us and then like all the

654

00:24:46,430 --> 00:24:42,419

Russians that we met

655

00:24:48,590 --> 00:24:46,440

you know his his Abode was pretty humble

656

00:24:50,510 --> 00:24:48,600

uh it was clear he doesn't make a lot of

657

00:24:52,909 --> 00:24:50,520

money his retirement benefits from the

658

00:24:54,890 --> 00:24:52,919

Russian military he's he's not well off

659

00:24:56,690 --> 00:24:54,900

but he's spread out a bunch of food it

660

00:24:58,549 --> 00:24:56,700

must have been like a month's salary for

661

00:25:00,890 --> 00:24:58,559

the guy he and his wife welcomed this

662

00:25:02,870 --> 00:25:00,900

into his home we struck up a

663

00:25:04,190 --> 00:25:02,880

conversation eventually he loosened up a

664

00:25:06,830 --> 00:25:04,200

little bit and started talking to us

665

00:25:08,990 --> 00:25:06,840

about the program that he uh headed up

666

00:25:11,510 --> 00:25:09,000

he put it this way one of the interviews

667

00:25:14,690 --> 00:25:11,520

we did he said in essence

668

00:25:16,730 --> 00:25:14,700

the entire USSR was one big UFO

669

00:25:19,970 --> 00:25:16,740

listening post it was a tremendous

670

00:25:22,310 --> 00:25:19,980

experiment it was in all likelihood the

671

00:25:23,510 --> 00:25:22,320

largest UFO investigation ever done in

672

00:25:26,029 --> 00:25:23,520

the history of the world bigger than

673

00:25:29,690 --> 00:25:26,039

anything we've done so Russia was

674

00:25:32,090 --> 00:25:29,700

studying sincerely UFOs for all those

675

00:25:34,430 --> 00:25:32,100

decades and the world didn't know about

676

00:25:36,110 --> 00:25:34,440

it officially in any way no we had no

677

00:25:38,149 --> 00:25:36,120

idea maybe there was somebody in the CIA

678

00:25:40,430 --> 00:25:38,159

and knew about this but it was kept very

679

00:25:43,010 --> 00:25:40,440

quiet until we came back with the goods

680

00:25:45,230 --> 00:25:43,020

he said this let the study that study

681

00:25:47,570 --> 00:25:45,240

lasted 10 full years thousands and

682

00:25:49,730 --> 00:25:47,580

thousands of reports came in and some of

683

00:25:51,789 --> 00:25:49,740

them were really spectacular and I was

684

00:25:53,930 --> 00:25:51,799

allowed to not only see the the

685

00:25:56,810 --> 00:25:53,940

documents but to bring a lot of them

686

00:25:58,310 --> 00:25:56,820

back and uh I'll give you something you

687

00:26:00,409 --> 00:25:58,320

weren't allowed to bring a lot of them

688

00:26:02,630 --> 00:26:00,419

back but somehow you obtained them in

689

00:26:04,549 --> 00:26:02,640

Russia right so what is that like so

690

00:26:06,590 --> 00:26:04,559

basically you're talking with a guy who

691

00:26:08,810 --> 00:26:06,600

headed a UFO program in Russia one of

692

00:26:10,010 --> 00:26:08,820

the probably the top dogs for the UFO

693

00:26:13,190 --> 00:26:10,020

study do you think it was one of the top

694

00:26:15,470 --> 00:26:13,200

dogs he was the top he was the of UFO

695

00:26:17,090 --> 00:26:15,480

studies in Russia during the Cold War

696

00:26:18,409 --> 00:26:17,100

for a whole 10-year period and you're

697

00:26:19,909 --> 00:26:18,419

sitting down having dinner with his

698

00:26:21,110 --> 00:26:19,919

family because you just had a hunch

699

00:26:22,909 --> 00:26:21,120

maybe you'd be able to get something

700

00:26:25,669 --> 00:26:22,919

good yeah and he showed us some things

701
00:26:27,890 --> 00:26:25,679
and then later we made some arrangements

702
00:26:29,810 --> 00:26:27,900
to try to get some physical copies the

703
00:26:31,789 --> 00:26:29,820
original the original documents not just

704
00:26:34,549 --> 00:26:31,799
copies and um

705
00:26:35,930 --> 00:26:34,559
starting with the orders the orders that

706
00:26:38,090 --> 00:26:35,940
went out from the ministry of defense

707
00:26:40,970 --> 00:26:38,100
that described us that went to every

708
00:26:42,950 --> 00:26:40,980
military unit in the USSR or what used

709
00:26:45,529 --> 00:26:42,960
to be the USSR and they all had to

710
00:26:48,230 --> 00:26:45,539
comply now um there are some limitations

711
00:26:51,049 --> 00:26:48,240
on it as sokolov and others were to tell

712
00:26:53,390 --> 00:26:51,059
us later some of the best cases during

713
00:26:56,230 --> 00:26:53,400

that 10-year period very likely were

714

00:26:58,970 --> 00:26:56,240

siphoned off by the KGB there was a KGB

715

00:27:02,450 --> 00:26:58,980

officer assigned to pretty much all

716

00:27:04,370 --> 00:27:02,460

Ministry of Defense units at one point

717

00:27:07,310 --> 00:27:04,380

or another so anything that was really

718

00:27:10,070 --> 00:27:07,320

tasty or uh interesting went to them

719

00:27:12,529 --> 00:27:10,080

first a lot of that stuff went to KGB

720

00:27:14,149 --> 00:27:12,539

that I did not get to see but the stuff

721

00:27:15,890 --> 00:27:14,159

that was left over was absolutely

722

00:27:17,750 --> 00:27:15,900

spectacular

723

00:27:19,190 --> 00:27:17,760

um he he said there was thousands and

724

00:27:20,810 --> 00:27:19,200

thousands of cases you didn't have to

725

00:27:23,090 --> 00:27:20,820

have the whole number but he gave us

726

00:27:25,430 --> 00:27:23,100

some highlights for one thing he said

727

00:27:28,010 --> 00:27:25,440

there were 40 different incidents in

728

00:27:31,070 --> 00:27:28,020

those uh in those 10 years where Russian

729

00:27:33,169 --> 00:27:31,080

war planes were chased after UFOs the

730

00:27:35,810 --> 00:27:33,179

UFOs would appear here in the sky or on

731

00:27:38,269 --> 00:27:35,820

radar they sent the the warplanes after

732

00:27:40,250 --> 00:27:38,279

them to shoot them down and I I think I

733

00:27:42,529 --> 00:27:40,260

can quote them exactly he said

734

00:27:45,470 --> 00:27:42,539

a standing order was given to our Pilots

735

00:27:48,049 --> 00:27:45,480

to chase UFOs and to shoot if necessary

736

00:27:51,110 --> 00:27:48,059

there were 40 cases in which our Pilots

737

00:27:53,390 --> 00:27:51,120

chased UFOs tried to shoot in most cases

738

00:27:55,850 --> 00:27:53,400

the UFO would speed up and get away but

739

00:27:56,990 --> 00:27:55,860

in three cases the pilots crashed two of

740

00:27:59,149 --> 00:27:57,000

them died

741

00:28:01,310 --> 00:27:59,159

after that the order was given the

742

00:28:04,149 --> 00:28:01,320

pilots who see UFOs should change course

743

00:28:06,590 --> 00:28:04,159

and get out all Pilots agreed we later

744

00:28:08,630 --> 00:28:06,600

in a later visit when I went back to

745

00:28:10,070 --> 00:28:08,640

Russia we interviewed General boltsev

746

00:28:13,310 --> 00:28:10,080

who was the commander of the Russian air

747

00:28:16,730 --> 00:28:13,320

defenses and he said look we pushed put

748

00:28:19,430 --> 00:28:16,740

out that order because in effect we

749

00:28:21,769 --> 00:28:19,440

concluded that the UFOs had quote

750

00:28:24,110 --> 00:28:21,779

incredible capacities for retaliation

751
00:28:26,510 --> 00:28:24,120
don't shoot them they will blow your ass

752
00:28:28,610 --> 00:28:26,520
out of the sky which is what they did uh

753
00:28:30,890 --> 00:28:28,620
they gave us photos of a couple of the

754
00:28:33,710 --> 00:28:30,900
the planes that had gone down and and

755
00:28:36,169 --> 00:28:33,720
other planes or Russian war planes that

756
00:28:39,169 --> 00:28:36,179
had crashed and that had collided with

757
00:28:41,149 --> 00:28:39,179
UFOs in midair and their wings are are

758
00:28:43,430 --> 00:28:41,159
broken so man this is gold this is great

759
00:28:44,990 --> 00:28:43,440
they have those photos I do yeah with

760
00:28:46,549 --> 00:28:45,000
you no I don't have them with me but

761
00:28:48,370 --> 00:28:46,559
we'll show yeah let's show I can bring

762
00:28:50,470 --> 00:28:48,380
them to you

763
00:28:53,930 --> 00:28:50,480

foreign

764

00:28:55,789 --> 00:28:53,940

1991 radar the Leningrad airport detects

765

00:28:58,250 --> 00:28:55,799

first one then two then three

766

00:29:00,830 --> 00:28:58,260

unidentified objects hovering over a

767

00:29:03,830 --> 00:29:00,840

nuclear plant from a dead stop the UFO

768

00:29:07,070 --> 00:29:03,840

zipped away at 2 000 miles per hour the

769

00:29:09,289 --> 00:29:07,080

Euros 1976 a photographer clicks this

770

00:29:13,010 --> 00:29:09,299

shot and later provides a more detailed

771

00:29:14,930 --> 00:29:13,020

drawing May 1992 a military team in the

772

00:29:17,690 --> 00:29:14,940

cola Peninsula tapes this spinning

773

00:29:20,510 --> 00:29:17,700

object into blitzzy a crew shooting a

774

00:29:22,310 --> 00:29:20,520

music video spots this overhead today

775

00:29:25,250 --> 00:29:22,320

average Russians are free to discuss

776

00:29:28,310 --> 00:29:25,260

UFOs but it wasn't always so through the

777

00:29:31,310 --> 00:29:28,320

50s and 60s the Kremlin declared UFOs a

778

00:29:33,169 --> 00:29:31,320

capitalist creation thus a non-topic but

779

00:29:37,570 --> 00:29:33,179

behind the scenes Stalin and other

780

00:29:40,310 --> 00:29:37,580

leaders authorized secret UFO studies

781

00:29:42,590 --> 00:29:40,320

retired Colonel Bora sokolov commanded

782

00:29:44,389 --> 00:29:42,600

such a study for 10 years the study

783

00:29:47,750 --> 00:29:44,399

included 40 incidents of Russian

784

00:29:49,490 --> 00:29:47,760

warplanes encountering UFOs one Mig had

785

00:29:51,830 --> 00:29:49,500

its wing damaged and a collision with

786

00:29:54,169 --> 00:29:51,840

the UFO foreign

787

00:29:56,210 --> 00:29:54,179

the other uh maybe the other highlight

788

00:29:58,669 --> 00:29:56,220

for sokolov was something he told us

789

00:30:02,750 --> 00:29:58,679

about a very dramatic incident similar

790

00:30:05,990 --> 00:30:02,760

to Malmstrom he said in in October 4th

791

00:30:10,130 --> 00:30:06,000

of 1982 in what is now the Ukraine near

792

00:30:12,230 --> 00:30:10,140

usovo uh there's a Russian ICBM base a

793

00:30:15,049 --> 00:30:12,240

nuclear missile base these missiles are

794

00:30:18,350 --> 00:30:15,059

ready primed aimed at the U.S and and

795

00:30:20,810 --> 00:30:18,360

the UK and they're ready to go if if it

796

00:30:23,230 --> 00:30:20,820

hits the fan they're ready to go so over

797

00:30:27,169 --> 00:30:23,240

a period of several hours in this base

798

00:30:29,330 --> 00:30:27,179

UFOs appear a gigantic UFO and then much

799

00:30:31,730 --> 00:30:29,340

smaller UFOs some of them were in like

800

00:30:35,330 --> 00:30:31,740

constellations some of them triangular

801
00:30:37,190 --> 00:30:35,340
big UFOs would split apart then milled

802
00:30:39,049 --> 00:30:37,200
back together zip around perform

803
00:30:41,690 --> 00:30:39,059
incredible Maneuvers this went on for

804
00:30:44,389 --> 00:30:41,700
four hours all of the witness reports

805
00:30:47,570 --> 00:30:44,399
they're all Russian Military Officers

806
00:30:49,010 --> 00:30:47,580
captain and above captains and the

807
00:30:51,830 --> 00:30:49,020
lieutenant Colonels and things of that

808
00:30:53,690 --> 00:30:51,840
sort they all had to file reports and

809
00:30:56,090 --> 00:30:53,700
that would be interesting by itself

810
00:30:58,250 --> 00:30:56,100
because we've seen a lot of American

811
00:31:00,889 --> 00:30:58,260
cases where UFOs appear over nuclear

812
00:31:01,850 --> 00:31:00,899
missile bases facilities Labs things of

813
00:31:04,250 --> 00:31:01,860

that sort

814

00:31:06,889 --> 00:31:04,260

this thing culminated with a very

815

00:31:08,750 --> 00:31:06,899

dramatic incident where the UFOs are

816

00:31:11,810 --> 00:31:08,760

over the base suddenly the launch

817

00:31:14,630 --> 00:31:11,820

control officer who's in charge of in

818

00:31:16,730 --> 00:31:14,640

essence pressing the button says

819

00:31:19,190 --> 00:31:16,740

something entered launch control codes

820

00:31:21,889 --> 00:31:19,200

all these all these lights on the launch

821

00:31:24,110 --> 00:31:21,899

control system light up the codes the

822

00:31:26,029 --> 00:31:24,120

proper codes are entered to enable these

823

00:31:27,950 --> 00:31:26,039

missiles the missiles are ready to go

824

00:31:30,350 --> 00:31:27,960

and they can't do anything to stop them

825

00:31:32,810 --> 00:31:30,360

we are minutes away from World War III

826

00:31:35,510 --> 00:31:32,820

breaking out and they can't stop it in

827

00:31:37,570 --> 00:31:35,520

1982 a UFO hovered over a nuclear

828

00:31:40,250 --> 00:31:37,580

missile base in the Ukraine for hours

829

00:31:42,470 --> 00:31:40,260

unexplainably codes were entered and the

830

00:31:46,130 --> 00:31:42,480

missiles were ready for launch until the

831

00:31:49,430 --> 00:31:46,140

UFO vanished and then suddenly UFO

832

00:31:51,110 --> 00:31:49,440

vanishes over the base goes away the the

833

00:31:55,070 --> 00:31:51,120

launch control system goes back to

834

00:31:58,850 --> 00:31:55,080

normal and they were flabbergasted

835

00:32:02,090 --> 00:31:58,860

these are the original reports of the

836

00:32:06,649 --> 00:32:02,100

Ukraine incident so the ICBM incident

837

00:32:09,230 --> 00:32:06,659

um so this is the the Russian Witnesses

838

00:32:11,990 --> 00:32:09,240

official stamps on them all of these

839

00:32:14,230 --> 00:32:12,000

Witnesses who describe what they saw

840

00:32:17,330 --> 00:32:14,240

were officers

841

00:32:19,610 --> 00:32:17,340

captains and above they're not just you

842

00:32:21,529 --> 00:32:19,620

know a raw recruit these are officers

843

00:32:23,029 --> 00:32:21,539

who had some credibility with their

844

00:32:24,710 --> 00:32:23,039

government and they've submitted this

845

00:32:27,649 --> 00:32:24,720

official report about these strange

846

00:32:29,690 --> 00:32:27,659

craft they had seen and a lot of the

847

00:32:31,970 --> 00:32:29,700

descriptions are pretty spectacular

848

00:32:34,010 --> 00:32:31,980

right I mean this isn't you know a

849

00:32:36,169 --> 00:32:34,020

tabloid getting reports about UFOs this

850

00:32:38,210 --> 00:32:36,179

is a government yeah this goes to their

851
00:32:40,010 --> 00:32:38,220
higher ups this is not a tabloid report

852
00:32:42,110 --> 00:32:40,020
this went to their higher ups and of

853
00:32:44,269 --> 00:32:42,120
course they're going to try to be as

854
00:32:47,450 --> 00:32:44,279
accurate and as truthful as they can but

855
00:32:50,330 --> 00:32:47,460
some of that stuff is their descriptions

856
00:32:53,350 --> 00:32:50,340
are spectacular and then here are the uh

857
00:32:56,149 --> 00:32:53,360
these are the the initial

858
00:33:01,480 --> 00:32:56,159
interpretations that we got translations

859
00:33:05,630 --> 00:33:03,110
[Music]

860
00:33:08,269 --> 00:33:05,640
it's a you know this is most of this has

861
00:33:10,490 --> 00:33:08,279
never been made public I some one of

862
00:33:12,409 --> 00:33:10,500
these days well Colonel soccer lab gets

863
00:33:15,409 --> 00:33:12,419

the word that this happened sends his

864

00:33:17,509 --> 00:33:15,419

team to yusobo and this base uh to

865

00:33:19,610 --> 00:33:17,519

figure it out they took the whole launch

866

00:33:21,769 --> 00:33:19,620

control system apart could not figure

867

00:33:23,389 --> 00:33:21,779

out what had gone on I asked them what

868

00:33:25,490 --> 00:33:23,399

does it mean he said well we took it as

869

00:33:26,570 --> 00:33:25,500

a message from the UFO people whoever

870

00:33:29,149 --> 00:33:26,580

they are

871

00:33:31,070 --> 00:33:29,159

that this might be your most powerful

872

00:33:32,810 --> 00:33:31,080

weapon system but really it doesn't

873

00:33:35,509 --> 00:33:32,820

oppress us that much we can control it

874

00:33:37,250 --> 00:33:35,519

they were flabbergasted yeah it's like

875

00:33:39,169 --> 00:33:37,260

it's like nothing to us is kind of the

876

00:33:41,570 --> 00:33:39,179

message so they did they think at any

877

00:33:43,669 --> 00:33:41,580

time that it was the U.S with new toys

878

00:33:44,990 --> 00:33:43,679

that were that were doing this or well I

879

00:33:46,549 --> 00:33:45,000

think they probably somewhere in the

880

00:33:48,409 --> 00:33:46,559

back of their head would have had that

881

00:33:50,450 --> 00:33:48,419

in mind they they thought it was UFOs

882

00:33:52,009 --> 00:33:50,460

not Americans and and I learned that

883

00:33:54,909 --> 00:33:52,019

from not only soccer law but other

884

00:33:57,649 --> 00:33:54,919

people that we came to interview

885

00:34:00,230 --> 00:33:57,659

what's the point of studying this is

886

00:34:02,630 --> 00:34:00,240

just scientific curiosity he said no in

887

00:34:04,430 --> 00:34:02,640

one word it's Stealth at that time we

888

00:34:06,830 --> 00:34:04,440

had these stealth capabilities that they

889

00:34:08,810 --> 00:34:06,840

were just learning about we could outdo

890

00:34:10,490 --> 00:34:08,820

anything that they had they did not have

891

00:34:12,109 --> 00:34:10,500

the technology to compete with us on

892

00:34:13,909 --> 00:34:12,119

that level and he said we wanted to

893

00:34:16,070 --> 00:34:13,919

figure out the technology we knew that

894

00:34:18,230 --> 00:34:16,080

these UFOs were real that they could do

895

00:34:20,450 --> 00:34:18,240

things that not only even you could do

896

00:34:22,730 --> 00:34:20,460

you Americans could do and we figure if

897

00:34:25,310 --> 00:34:22,740

we could duplicate that technology

898

00:34:28,070 --> 00:34:25,320

we could have an advantage over you in

899

00:34:30,649 --> 00:34:28,080

terms of stealth set it flat out that

900

00:34:32,389 --> 00:34:30,659

was um that was Amplified by the next

901
00:34:35,389 --> 00:34:32,399
witness that we got his name was Dr

902
00:34:37,970 --> 00:34:35,399
romili avramenko and he was a a

903
00:34:40,250 --> 00:34:37,980
scientist physicist who had worked on

904
00:34:43,010 --> 00:34:40,260
the Russian version of their Star Wars

905
00:34:44,510 --> 00:34:43,020
program and even when I came into the

906
00:34:47,510 --> 00:34:44,520
room there was this little funny looking

907
00:34:49,010 --> 00:34:47,520
uh blue plastic device sitting on the

908
00:34:51,710 --> 00:34:49,020
table I wonder what the heck is that it

909
00:34:53,690 --> 00:34:51,720
he comes in and he showed it to me he

910
00:34:55,609 --> 00:34:53,700
put a razor blade on top of it and he

911
00:34:57,170 --> 00:34:55,619
pressed a button and goes bam oh I

912
00:34:59,329 --> 00:34:57,180
remember that footage you've shown that

913
00:35:01,130 --> 00:34:59,339

to me yeah that's actually it's a laser

914

00:35:02,390 --> 00:35:01,140

it just blew it blew a hole in this

915

00:35:04,190 --> 00:35:02,400

thing I said well what's that got to do

916

00:35:05,930 --> 00:35:04,200

with this he says we call that the

917

00:35:08,010 --> 00:35:05,940

weapon of the aliens we've been working

918

00:35:09,770 --> 00:35:08,020

on this as well

919

00:35:13,670 --> 00:35:09,780

[Music]

920

00:35:15,230 --> 00:35:13,680

there that's us with Nikolai me Bryant

921

00:35:16,069 --> 00:35:15,240

talking to regular Russians on the

922

00:35:18,530 --> 00:35:16,079

street

923

00:35:21,170 --> 00:35:18,540

Brian Blackburn he was just such a great

924

00:35:22,430 --> 00:35:21,180

photographer just a great guy he was a

925

00:35:25,730 --> 00:35:22,440

roommate of mine for a couple of years

926

00:35:28,790 --> 00:35:25,740

too and then uh he passed on

927

00:35:31,370 --> 00:35:28,800

that is Dr

928

00:35:33,650 --> 00:35:31,380

amilli avramenko that's the little

929

00:35:35,630 --> 00:35:33,660

device that he showed us and he put a

930

00:35:37,910 --> 00:35:35,640

razor blade on the little device and

931

00:35:40,010 --> 00:35:37,920

pressed a button and a blue hole in this

932

00:35:42,230 --> 00:35:40,020

thing it was a laser device which he

933

00:35:44,630 --> 00:35:42,240

called the weapon of the aliens he had

934

00:35:46,670 --> 00:35:44,640

never spoken to reporters not Russian

935

00:35:51,170 --> 00:35:46,680

reporters not American reporters but he

936

00:35:53,390 --> 00:35:51,180

spoke to us and told us he told us about

937

00:35:55,190 --> 00:35:53,400

the satellites since the earliest days

938

00:35:56,690 --> 00:35:55,200

of the Russian space program that they

939

00:35:58,970 --> 00:35:56,700

had satellites up there that could

940

00:36:00,770 --> 00:35:58,980

detect things coming in and out and he

941

00:36:02,810 --> 00:36:00,780

said the Russians saw them coming in and

942

00:36:04,670 --> 00:36:02,820

out he knew that the Americans saw them

943

00:36:07,370 --> 00:36:04,680

coming in and out there was no question

944

00:36:09,290 --> 00:36:07,380

that our government knew these were from

945

00:36:13,250 --> 00:36:09,300

somewhere else

946

00:36:15,890 --> 00:36:13,260

he was leading their program of SDI Star

947

00:36:18,650 --> 00:36:15,900

Wars program to try to duplicate the

948

00:36:20,870 --> 00:36:18,660

weapon of the aliens and so I get his

949

00:36:23,150 --> 00:36:20,880

backstory he had lived in one of these

950

00:36:25,370 --> 00:36:23,160

secret cities that don't appear on a map

951
00:36:27,170 --> 00:36:25,380
he had never published an article he had

952
00:36:28,970 --> 00:36:27,180
never spoken to a journalist he'd

953
00:36:31,490 --> 00:36:28,980
working in these underground facilities

954
00:36:34,130 --> 00:36:31,500
on top secret stuff

955
00:36:36,230 --> 00:36:34,140
and he talked to me and we went into the

956
00:36:38,089 --> 00:36:36,240
UFO stuff he had been in the Russian

957
00:36:40,130 --> 00:36:38,099
working for the Russian military for

958
00:36:43,910 --> 00:36:40,140
decades and he said among other things

959
00:36:47,210 --> 00:36:43,920
he says he said we know that you know

960
00:36:48,890 --> 00:36:47,220
about UFOs because we know about it we

961
00:36:51,290 --> 00:36:48,900
know you've got the same systems up

962
00:36:53,390 --> 00:36:51,300
there and down here detecting these

963
00:36:55,670 --> 00:36:53,400

things that we've been doing so you said

964

00:36:57,650 --> 00:36:55,680

so basically he was this is confirming

965

00:37:00,230 --> 00:36:57,660

what I had always wondered about

966

00:37:02,750 --> 00:37:00,240

how much they know about what we know on

967

00:37:04,190 --> 00:37:02,760

UFOs and he said it all right then let

968

00:37:07,190 --> 00:37:04,200

me see if I can find this yeah so so

969

00:37:08,930 --> 00:37:07,200

basically at this time he's saying we

970

00:37:10,370 --> 00:37:08,940

know that you have satellite systems We

971

00:37:11,750 --> 00:37:10,380

Know that You observe UFOs I mean how

972

00:37:13,609 --> 00:37:11,760

can you not if you have these systems

973

00:37:15,050 --> 00:37:13,619

and he's straight up telling you he's

974

00:37:17,270 --> 00:37:15,060

straight up telling you that we have

975

00:37:20,210 --> 00:37:17,280

developed or reverse engineered a weapon

976

00:37:21,829 --> 00:37:20,220

system a laser weapon system and he had

977

00:37:23,690 --> 00:37:21,839

a little prototype little model on his

978

00:37:25,970 --> 00:37:23,700

desk we are trying to duplicate what we

979

00:37:28,970 --> 00:37:25,980

say as alien technology he says this is

980

00:37:30,950 --> 00:37:28,980

the quote program in 1959 the first good

981

00:37:32,210 --> 00:37:30,960

Radars were made and we could see what

982

00:37:34,430 --> 00:37:32,220

was happening all around the earth

983

00:37:36,050 --> 00:37:34,440

recall the Russians were way ahead of us

984

00:37:39,470 --> 00:37:36,060

in the space program back in those days

985

00:37:41,210 --> 00:37:39,480

before our Apollo program in 1959 the

986

00:37:42,650 --> 00:37:41,220

first good Radars were made we could see

987

00:37:44,990 --> 00:37:42,660

what was happening all around the earth

988

00:37:47,690 --> 00:37:45,000

we could count all the satellites easily

989

00:37:49,790 --> 00:37:47,700

but we also saw Vehicles whose technical

990

00:37:53,150 --> 00:37:49,800

capabilities cannot be matched even

991

00:37:55,010 --> 00:37:53,160

today we saw tens of these in 1959 and

992

00:37:57,170 --> 00:37:55,020

we know they must also have caused

993

00:37:59,569 --> 00:37:57,180

problems for the U.S defense system he

994

00:38:02,270 --> 00:37:59,579

said that the he the Russians had

995

00:38:04,849 --> 00:38:02,280

learned that U.S had 40 different

996

00:38:07,130 --> 00:38:04,859

satellite systems that were designed to

997

00:38:09,349 --> 00:38:07,140

detect UFOs that was their primary job

998

00:38:11,569 --> 00:38:09,359

hidden in The Archives of the ministry

999

00:38:14,329 --> 00:38:11,579

of defense is solid evidence of Russian

1000

00:38:17,089 --> 00:38:14,339

UFO encounters on Earth and in space

1001
00:38:19,490 --> 00:38:17,099
what's more the Russian government knows

1002
00:38:21,650 --> 00:38:19,500
that the American government knows

1003
00:38:23,990 --> 00:38:21,660
because the Soviets got to jump on the

1004
00:38:26,990 --> 00:38:24,000
U.S in the Space Race they also had the

1005
00:38:28,609 --> 00:38:27,000
first outer space UFO sightings Yuri

1006
00:38:31,250 --> 00:38:28,619
Gagarin the first man in space

1007
00:38:33,290 --> 00:38:31,260
reportedly saw UFOs during his flight

1008
00:38:34,370 --> 00:38:33,300
but said he was not permitted to talk

1009
00:38:36,650 --> 00:38:34,380
about it

1010
00:38:39,829 --> 00:38:36,660
the second Russian in space not only saw

1011
00:38:42,530 --> 00:38:39,839
UFOs but filmed them one frame of that

1012
00:38:44,810 --> 00:38:42,540
film showing several UFOs dancing around

1013
00:38:46,550 --> 00:38:44,820

the capsule was published in a Soviet

1014

00:38:49,250 --> 00:38:46,560

magazine years later

1015

00:38:51,230 --> 00:38:49,260

scientist romili avramenko one of the

1016

00:38:53,690 --> 00:38:51,240

chief designers of Russia's Star Wars

1017

00:38:56,030 --> 00:38:53,700

program says the Soviet government knew

1018

00:39:01,069 --> 00:38:56,040

UFOs were from somewhere else since day

1019

00:39:05,750 --> 00:39:03,530

at that time satellites in space were

1020

00:39:07,970 --> 00:39:05,760

easily accountable but we also saw

1021

00:39:11,390 --> 00:39:07,980

Vehicles whose technical characteristics

1022

00:39:14,870 --> 00:39:11,400

we cannot match even now we saw tens of

1023

00:39:16,849 --> 00:39:14,880

these in 1959. surely the existence of

1024

00:39:19,130 --> 00:39:16,859

these vehicles caused problems for the

1025

00:39:22,870 --> 00:39:19,140

U.S defense systems because you are

1026

00:39:25,190 --> 00:39:22,880

faced with this information as well

1027

00:39:27,290 --> 00:39:25,200

these still classified Ministry of

1028

00:39:29,870 --> 00:39:27,300

Defense documents never before seen in

1029

00:39:31,730 --> 00:39:29,880

public reveal that Russian spies learned

1030

00:39:34,310 --> 00:39:31,740

a great deal about UFO encounters

1031

00:39:35,750 --> 00:39:34,320

involving American astronauts the

1032

00:39:37,609 --> 00:39:35,760

Russians are convinced there were

1033

00:39:39,770 --> 00:39:37,619

several direct encounters with UFOs

1034

00:39:41,690 --> 00:39:39,780

while American astronauts were on the

1035

00:39:43,550 --> 00:39:41,700

moon and that the Americans haven't

1036

00:39:46,849 --> 00:39:43,560

returned to the Moon because we were

1037

00:39:48,650 --> 00:39:46,859

told to stay away several high-ranking

1038

00:39:50,510 --> 00:39:48,660

military and scientific sources

1039

00:39:52,730 --> 00:39:50,520

confirmed that the Russians knew much

1040

00:39:55,270 --> 00:39:52,740

about the ongoing UFO cover-up in

1041

00:40:00,050 --> 00:39:57,950

retired army colonel Boris sokolov was

1042

00:40:02,450 --> 00:40:00,060

in charge of the Soviets secret UFO

1043

00:40:04,970 --> 00:40:02,460

projects for 10 years and says he knew

1044

00:40:08,030 --> 00:40:04,980

that the U.S military had constructed 40

1045

00:40:10,550 --> 00:40:08,040

UFO listening posts as part of its UFO

1046

00:40:13,130 --> 00:40:10,560

research it's almost as if we've learned

1047

00:40:14,630 --> 00:40:13,140

more from Russia about the U.S that was

1048

00:40:16,790 --> 00:40:14,640

the point that's what you told me once

1049

00:40:18,890 --> 00:40:16,800

and now I understand it he was he was

1050

00:40:20,450 --> 00:40:18,900

incredible and I hope nothing bad has

1051
00:40:22,849 --> 00:40:20,460
happened to him for talking to us but I

1052
00:40:26,270 --> 00:40:22,859
have not had any contact since third guy

1053
00:40:29,270 --> 00:40:26,280
we talked to is Dr Dr Valeri budikov he

1054
00:40:31,069 --> 00:40:29,280
was a well-regarded scientist he at the

1055
00:40:33,410 --> 00:40:31,079
Moscow Institute of Technology had

1056
00:40:36,770 --> 00:40:33,420
degrees from there taught there his

1057
00:40:38,990 --> 00:40:36,780
mentor was a guy named Sergey korlov

1058
00:40:41,750 --> 00:40:39,000
Sergio corloff was the father of the

1059
00:40:43,790 --> 00:40:41,760
Russian Space Program the Russian rocket

1060
00:40:46,190 --> 00:40:43,800
program he had built him he designed him

1061
00:40:48,470 --> 00:40:46,200
he was their top guy he had been in that

1062
00:40:50,990 --> 00:40:48,480
position since Joseph Stalin's day so in

1063
00:40:53,150 --> 00:40:51,000

1947 something really interesting

1064

00:40:54,890 --> 00:40:53,160

happened in New Mexico there had been a

1065

00:40:57,710 --> 00:40:54,900

crash of something that had been

1066

00:40:59,109 --> 00:40:57,720

reported in the news media a UFO a

1067

00:41:01,970 --> 00:40:59,119

flying saucer or something like that

1068

00:41:04,310 --> 00:41:01,980

Stalin calls corloff into his office

1069

00:41:06,710 --> 00:41:04,320

said what's the deal what crashed out

1070

00:41:08,630 --> 00:41:06,720

there see what you can find out and

1071

00:41:10,130 --> 00:41:08,640

corloff set about to try to figure it

1072

00:41:12,170 --> 00:41:10,140

out and the Russians at that time had

1073

00:41:14,210 --> 00:41:12,180

all kinds of spies in New Mexico of

1074

00:41:16,430 --> 00:41:14,220

course they would we had the only atomic

1075

00:41:19,250 --> 00:41:16,440

bomb Wing in the world was there at

1076

00:41:21,349 --> 00:41:19,260

Roswell the White Sands Missile base was

1077

00:41:23,690 --> 00:41:21,359

experiment experimenting with with

1078

00:41:26,030 --> 00:41:23,700

missiles we had Los Alamos lab there

1079

00:41:28,190 --> 00:41:26,040

were the whole of New Mexico was

1080

00:41:29,870 --> 00:41:28,200

honeycombed with Russian spies so

1081

00:41:31,910 --> 00:41:29,880

karloff comes back in a couple of weeks

1082

00:41:34,310 --> 00:41:31,920

says well I've I've reached out to all

1083

00:41:35,390 --> 00:41:34,320

of our special assets in New Mexico and

1084

00:41:38,030 --> 00:41:35,400

they told me

1085

00:41:40,190 --> 00:41:38,040

this is not ours and it's not theirs

1086

00:41:42,290 --> 00:41:40,200

it's from somewhere else and he points

1087

00:41:44,030 --> 00:41:42,300

up to the sky and Stalin tells Karloff

1088

00:41:46,370 --> 00:41:44,040

yeah that's why I've heard from other

1089

00:41:49,730 --> 00:41:46,380

people too and then he dismisses them

1090

00:41:52,670 --> 00:41:49,740

corloff tells this story to Dr budikov

1091

00:41:53,810 --> 00:41:52,680

his his mentor that they were very close

1092

00:41:56,510 --> 00:41:53,820

throughout the rest of their lives

1093

00:41:58,069 --> 00:41:56,520

budokov tells us the story and he says

1094

00:42:00,589 --> 00:41:58,079

it's pretty well known in certain

1095

00:42:02,270 --> 00:42:00,599

scientific circles and they let us know

1096

00:42:04,250 --> 00:42:02,280

too we got him on camera talking about

1097

00:42:06,710 --> 00:42:04,260

it it was amazing so the Russians knew

1098

00:42:09,109 --> 00:42:06,720

that what crash in 1947 in Roswell in

1099

00:42:11,390 --> 00:42:09,119

New Mexico wasn't a weather balloon it

1100

00:42:13,190 --> 00:42:11,400

wasn't something of ours it wasn't like

1101
00:42:16,849 --> 00:42:13,200
the crazy story we covered on another

1102
00:42:20,089 --> 00:42:16,859
episode it's not some mangala style

1103
00:42:23,210 --> 00:42:20,099
um yeah coming over I mean so so they

1104
00:42:25,250 --> 00:42:23,220
knew that this was extraordinary they

1105
00:42:28,069 --> 00:42:25,260
did for sure yeah that's what they said

1106
00:42:30,710 --> 00:42:28,079
for sure wow so there they have this

1107
00:42:32,810 --> 00:42:30,720
gigantic UFO study that goes on for 10

1108
00:42:34,670 --> 00:42:32,820
years and then another one replaces it

1109
00:42:37,130 --> 00:42:34,680
and they're trying to figure out how do

1110
00:42:38,750 --> 00:42:37,140
we duplicate that technology which

1111
00:42:40,910 --> 00:42:38,760
sounds a little familiar for stories

1112
00:42:42,770 --> 00:42:40,920
that we have covered

1113
00:42:44,810 --> 00:42:42,780

um the next guy we talked to is a

1114

00:42:47,450 --> 00:42:44,820

general he's a lieutenant general named

1115

00:42:49,970 --> 00:42:47,460

Alexi Savin and I didn't really want to

1116

00:42:52,430 --> 00:42:49,980

delve into uh remote viewing while we

1117

00:42:54,589 --> 00:42:52,440

were there but Lieutenant Savin really

1118

00:42:57,109 --> 00:42:54,599

made a point to make himself available

1119

00:42:59,809 --> 00:42:57,119

to us he had developed in essence a

1120

00:43:01,910 --> 00:42:59,819

remote viewing program and he had uh he

1121

00:43:03,770 --> 00:43:01,920

showed us some training films where they

1122

00:43:05,990 --> 00:43:03,780

would they would take a Russian sailor

1123

00:43:08,150 --> 00:43:06,000

who had been trained in this remote

1124

00:43:09,650 --> 00:43:08,160

viewing protocols put him down on the

1125

00:43:12,650 --> 00:43:09,660

bottom of a ship

1126
00:43:14,990 --> 00:43:12,660
and then ask him to identify where other

1127
00:43:16,430 --> 00:43:15,000
Naval assets were around him without

1128
00:43:19,190 --> 00:43:16,440
being able to look out the window and

1129
00:43:20,809 --> 00:43:19,200
see them submarines ships and they were

1130
00:43:22,849 --> 00:43:20,819
really accurate incredibly accurate at

1131
00:43:24,650 --> 00:43:22,859
least in this film and then he decided

1132
00:43:26,870 --> 00:43:24,660
that he was going to show that the the

1133
00:43:29,690 --> 00:43:26,880
technology the the techniques could be

1134
00:43:32,210 --> 00:43:29,700
taught to anyone so we walked in to our

1135
00:43:34,430 --> 00:43:32,220
second meeting with him and had a whole

1136
00:43:35,870 --> 00:43:34,440
room full of of women the pretty

1137
00:43:38,510 --> 00:43:35,880
good-looking women they were all

1138
00:43:41,630 --> 00:43:38,520

Housewives regular women not scientists

1139

00:43:44,569 --> 00:43:41,640

that he had picked hand-picked regular

1140

00:43:46,069 --> 00:43:44,579

people to show that this is something

1141

00:43:47,390 --> 00:43:46,079

that could be taught to everyone that

1142

00:43:50,690 --> 00:43:47,400

everyone has some of these kinds of

1143

00:43:53,270 --> 00:43:50,700

abilities and he was showing this Us in

1144

00:43:55,609 --> 00:43:53,280

part because a the remote viewers when

1145

00:43:57,950 --> 00:43:55,619

they got good would run into what he

1146

00:44:00,589 --> 00:43:57,960

called Cosmic intelligences they would

1147

00:44:03,230 --> 00:44:00,599

communicate with other intelligence that

1148

00:44:06,109 --> 00:44:03,240

wasn't from Earth that's that's Brian

1149

00:44:08,450 --> 00:44:06,119

and I with uh General Savin

1150

00:44:09,890 --> 00:44:08,460

and those are some of the women that he

1151
00:44:12,290 --> 00:44:09,900
had recruited they would just find them

1152
00:44:14,390 --> 00:44:12,300
in grocery stores Housewives and he

1153
00:44:17,089 --> 00:44:14,400
wanted to demonstrate that anyone could

1154
00:44:19,370 --> 00:44:17,099
learn to do this remote viewing and his

1155
00:44:20,329 --> 00:44:19,380
conclusion was the his remote viewers

1156
00:44:22,970 --> 00:44:20,339
would

1157
00:44:25,250 --> 00:44:22,980
inevitably end up in contact with what

1158
00:44:26,569 --> 00:44:25,260
he called a cosmic intelligence and he

1159
00:44:28,069 --> 00:44:26,579
shared it with us because he thought

1160
00:44:29,870 --> 00:44:28,079
that this shouldn't be something that

1161
00:44:32,270 --> 00:44:29,880
the world would know since he actually

1162
00:44:34,309 --> 00:44:32,280
took you in to a room to meet people

1163
00:44:36,109 --> 00:44:34,319

that were they were being trained as

1164

00:44:38,390 --> 00:44:36,119

remote viewers for their government

1165

00:44:40,250 --> 00:44:38,400

still even during all the disruption and

1166

00:44:42,890 --> 00:44:40,260

everything and he took you to meet

1167

00:44:45,829 --> 00:44:42,900

everybody yeah he he really wanted

1168

00:44:47,569 --> 00:44:45,839

he felt that this is uh abilities that

1169

00:44:49,730 --> 00:44:47,579

should be shared with the world wow he

1170

00:44:51,230 --> 00:44:49,740

was worried that depending on what was

1171

00:44:53,930 --> 00:44:51,240

going to happen which way the political

1172

00:44:56,270 --> 00:44:53,940

winds blow wind blow after what was

1173

00:44:58,609 --> 00:44:56,280

going on there tumultuous times that it

1174

00:45:00,589 --> 00:44:58,619

might be taken back and stuck in a shelf

1175

00:45:02,030 --> 00:45:00,599

and and the public would never get a

1176

00:45:04,430 --> 00:45:02,040

chance to see it he wanted to share it

1177

00:45:06,170 --> 00:45:04,440

with the world because he he had pointed

1178

00:45:07,609 --> 00:45:06,180

out with these women that anybody could

1179

00:45:09,650 --> 00:45:07,619

learn to do this to one degree or

1180

00:45:12,530 --> 00:45:09,660

another and and we went we put them

1181

00:45:14,450 --> 00:45:12,540

through their Paces uh they had some

1182

00:45:16,849 --> 00:45:14,460

pretty cool abilities uh some tests

1183

00:45:19,550 --> 00:45:16,859

there was one lady who was uh who

1184

00:45:21,849 --> 00:45:19,560

specialized in developing determining

1185

00:45:24,290 --> 00:45:21,859

medical issues she can size you up

1186

00:45:27,290 --> 00:45:24,300

mentally and figure out what's going on

1187

00:45:29,630 --> 00:45:27,300

with you physically and uh she she was

1188

00:45:31,010 --> 00:45:29,640

pretty right on with me when I'm not

1189

00:45:32,329 --> 00:45:31,020

going to go into details on that but

1190

00:45:34,910 --> 00:45:32,339

there's some things you can look at me

1191

00:45:36,710 --> 00:45:34,920

and figure out without being a psychic

1192

00:45:38,630 --> 00:45:36,720

but she got some stuff that she

1193

00:45:40,970 --> 00:45:38,640

shouldn't have known and it was it was

1194

00:45:42,109 --> 00:45:40,980

so it was impressive to you but so one

1195

00:45:43,790 --> 00:45:42,119

of the things though when you're meeting

1196

00:45:45,589 --> 00:45:43,800

all these people that want this openness

1197

00:45:46,550 --> 00:45:45,599

in Russia and kind of don't know what

1198

00:45:47,870 --> 00:45:46,560

the future is going to hold and they're

1199

00:45:49,550 --> 00:45:47,880

telling you about the UFO programs

1200

00:45:50,750 --> 00:45:49,560

giving you documents you're meeting all

1201

00:45:52,490 --> 00:45:50,760

these people

1202

00:45:53,990 --> 00:45:52,500

um what was the whole thing though

1203

00:45:56,270 --> 00:45:54,000

you're meeting these remote viewers that

1204

00:45:58,910 --> 00:45:56,280

talk about Cosmic intelligence that's

1205

00:46:00,470 --> 00:45:58,920

way out for me what does that means okay

1206

00:46:01,730 --> 00:46:00,480

but aliens so what are they they're

1207

00:46:03,710 --> 00:46:01,740

doing remote viewing and all of a sudden

1208

00:46:05,630 --> 00:46:03,720

they run into other intelligences so

1209

00:46:07,970 --> 00:46:05,640

they're projecting their Consciousness

1210

00:46:10,069 --> 00:46:07,980

out into the cosmos and then they run

1211

00:46:11,450 --> 00:46:10,079

into somebody else who has a

1212

00:46:13,490 --> 00:46:11,460

conversation with them or shares

1213

00:46:15,470 --> 00:46:13,500

information with them or shares images

1214

00:46:17,630 --> 00:46:15,480

some of them would write this stuff down

1215

00:46:19,970 --> 00:46:17,640

almost like channeling or draw pictures

1216

00:46:21,829 --> 00:46:19,980

of what they were encountering it's

1217

00:46:23,990 --> 00:46:21,839

really very similar to things that I've

1218

00:46:26,030 --> 00:46:24,000

read about Stanford research institute's

1219

00:46:29,390 --> 00:46:26,040

program under how put off and remote

1220

00:46:32,089 --> 00:46:29,400

viewing this guy this General wanted me

1221

00:46:33,470 --> 00:46:32,099

made a point of making sure that I would

1222

00:46:35,450 --> 00:46:33,480

communicate with people in our

1223

00:46:37,910 --> 00:46:35,460

government so that they could establish

1224

00:46:39,410 --> 00:46:37,920

a dialogue before it was too late he

1225

00:46:41,930 --> 00:46:39,420

wanted to have a line of communication

1226
00:46:43,849 --> 00:46:41,940
that was open to our government before

1227
00:46:45,829 --> 00:46:43,859
something would happen and he gets shut

1228
00:46:47,930 --> 00:46:45,839
down or it all goes back into the closet

1229
00:46:49,730 --> 00:46:47,940
kind of a thing which I did you were

1230
00:46:51,170 --> 00:46:49,740
able to transmit that information to

1231
00:46:52,670 --> 00:46:51,180
people within our government or

1232
00:46:55,790 --> 00:46:52,680
intelligence agencies that made it in

1233
00:46:58,130 --> 00:46:55,800
yeah I did that information and other

1234
00:47:00,650 --> 00:46:58,140
information as well there's a name that

1235
00:47:03,050 --> 00:47:00,660
we mentioned some weeks ago on an

1236
00:47:04,849 --> 00:47:03,060
episode of weaponized dick D'Amato dick

1237
00:47:06,950 --> 00:47:04,859
dimano was uh with the Senate

1238
00:47:09,230 --> 00:47:06,960

intelligence committee he oversaw black

1239

00:47:11,870 --> 00:47:09,240

budget programs he was very interested

1240

00:47:14,510 --> 00:47:11,880

in remote viewing and psychic Warfare

1241

00:47:16,609 --> 00:47:14,520

programs he defended them long after the

1242

00:47:18,410 --> 00:47:16,619

Senate wanted to go away he kept it

1243

00:47:20,030 --> 00:47:18,420

alive for a long time and I knew he'd be

1244

00:47:22,130 --> 00:47:20,040

interested because I've been talking to

1245

00:47:24,050 --> 00:47:22,140

him in that same time period And I

1246

00:47:26,630 --> 00:47:24,060

shared that information with him and

1247

00:47:27,950 --> 00:47:26,640

then I shared the files and things we'll

1248

00:47:29,569 --> 00:47:27,960

go into that story a little bit later

1249

00:47:33,170 --> 00:47:29,579

sure

1250

00:47:36,230 --> 00:47:33,180

so the 10-year study had ended in 1988.

1251

00:47:37,849 --> 00:47:36,240

soccer lab had retired and he wasn't

1252

00:47:40,130 --> 00:47:37,859

quite sure what had happened with all

1253

00:47:41,690 --> 00:47:40,140

the information well I found out there

1254

00:47:44,569 --> 00:47:41,700

was another program that came afterward

1255

00:47:46,250 --> 00:47:44,579

it was called thread three and I I got

1256

00:47:48,230 --> 00:47:46,260

the documents for it and it was

1257

00:47:50,630 --> 00:47:48,240

classified at the time

1258

00:47:52,670 --> 00:47:50,640

and it was really interesting I I met

1259

00:47:54,530 --> 00:47:52,680

the guy the guy who'd been in charge of

1260

00:47:57,410 --> 00:47:54,540

it I met him it was a scene ran out of a

1261

00:47:58,550 --> 00:47:57,420

Robert Ludlum novel or something in a

1262

00:48:00,470 --> 00:47:58,560

back alley

1263

00:48:02,450 --> 00:48:00,480

he's wearing a trench coat with a hat

1264

00:48:06,349 --> 00:48:02,460

pulled down and shades looking around

1265

00:48:08,450 --> 00:48:06,359

carrying a briefcase we met this guy and

1266

00:48:09,710 --> 00:48:08,460

uh we exchanged information I shared

1267

00:48:11,390 --> 00:48:09,720

some things with him he shared some

1268

00:48:12,829 --> 00:48:11,400

things with me and eventually I was able

1269

00:48:14,329 --> 00:48:12,839

to get some of the thread three

1270

00:48:16,329 --> 00:48:14,339

documents and it was very clear from

1271

00:48:18,650 --> 00:48:16,339

these documents

1272

00:48:20,329 --> 00:48:18,660

I've heard of thread three this is

1273

00:48:21,950 --> 00:48:20,339

because people kind of leaked out the

1274

00:48:23,750 --> 00:48:21,960

stuff that you brought back you've kind

1275

00:48:25,550 --> 00:48:23,760

of entrusted people because you were

1276

00:48:27,589 --> 00:48:25,560

like I'm giving this to to people that

1277

00:48:29,089 --> 00:48:27,599

need it but don't spill the beans but

1278

00:48:31,010 --> 00:48:29,099

I've heard of this so thread three is

1279

00:48:33,050 --> 00:48:31,020

somewhere that was a UFO program it was

1280

00:48:35,329 --> 00:48:33,060

a UFO program so it took all those

1281

00:48:37,550 --> 00:48:35,339

thousands and thousands of cases and

1282

00:48:39,290 --> 00:48:37,560

additional information and analyzed it

1283

00:48:41,710 --> 00:48:39,300

and tried to make sense of it it was the

1284

00:48:44,150 --> 00:48:41,720

taking it was the proper implication

1285

00:48:46,370 --> 00:48:44,160

implementation of all the stuff that had

1286

00:48:48,050 --> 00:48:46,380

been gathered during that study and the

1287

00:48:49,790 --> 00:48:48,060

analysis was really interesting it was

1288

00:48:52,130 --> 00:48:49,800

clear from the document that I brought

1289

00:48:54,170 --> 00:48:52,140

back that they um they paid a lot of

1290

00:48:57,349 --> 00:48:54,180

attention to American ufology what

1291

00:48:59,809 --> 00:48:57,359

appeared in American UFO reports uh in

1292

00:49:02,089 --> 00:48:59,819

UFO magazines in popular press in

1293

00:49:04,790 --> 00:49:02,099

regular newspapers they Incorporated all

1294

00:49:06,530 --> 00:49:04,800

of that into uh their own reports and

1295

00:49:09,410 --> 00:49:06,540

then they analyzed this stuff and they

1296

00:49:11,329 --> 00:49:09,420

it was some pretty amazing conclusions I

1297

00:49:13,370 --> 00:49:11,339

I took that stuff and shared it with a

1298

00:49:16,069 --> 00:49:13,380

couple of people when I got back because

1299

00:49:17,990 --> 00:49:16,079

I was worried what happens to the if

1300

00:49:19,490 --> 00:49:18,000

somebody comes in and steals it or

1301

00:49:20,990 --> 00:49:19,500

there's a fire or something like that so

1302

00:49:22,790 --> 00:49:21,000

I shared some with Jacques because you

1303

00:49:24,950 --> 00:49:22,800

have all these classified Russian

1304

00:49:27,530 --> 00:49:24,960

documents at home in paper original

1305

00:49:28,910 --> 00:49:27,540

copies what if they get lost or stolen

1306

00:49:31,190 --> 00:49:28,920

right so you're thinking and they had to

1307

00:49:33,710 --> 00:49:31,200

be translated yes had to be translated

1308

00:49:35,390 --> 00:49:33,720

we hired some Russians through Nikolai

1309

00:49:37,490 --> 00:49:35,400

to do a lot of the translations which

1310

00:49:39,050 --> 00:49:37,500

were very fairly crude looking back on

1311

00:49:41,030 --> 00:49:39,060

them and then I shared some of the

1312

00:49:43,490 --> 00:49:41,040

information with dick D'Amato I sent

1313

00:49:46,550 --> 00:49:43,500

some files to Jacques valet there was

1314

00:49:48,710 --> 00:49:46,560

another a journalist named Antonio's and

1315

00:49:51,109 --> 00:49:48,720

then there's a Dr Richard Haynes they

1316

00:49:53,809 --> 00:49:51,119

all got pieces of it but I had the the

1317

00:49:55,849 --> 00:49:53,819

big pile and um you know it was kind of

1318

00:49:57,349 --> 00:49:55,859

tricky deciding how to get it out of

1319

00:49:59,750 --> 00:49:57,359

Russia

1320

00:50:02,510 --> 00:49:59,760

um because I noticed something odd about

1321

00:50:05,270 --> 00:50:02,520

the we're there ten days we were stopped

1322

00:50:08,750 --> 00:50:05,280

by cops or agents seven times in ten

1323

00:50:10,550 --> 00:50:08,760

days and I I had figured that somebody

1324

00:50:11,930 --> 00:50:10,560

was coming into my room on the days when

1325

00:50:14,870 --> 00:50:11,940

we were out shooting interviews and

1326

00:50:16,970 --> 00:50:14,880

stuff so I did a little uh setup where I

1327

00:50:18,290 --> 00:50:16,980

put like a hair on my suitcase to see if

1328

00:50:19,490 --> 00:50:18,300

somebody's coming in then and sure

1329

00:50:21,290 --> 00:50:19,500

enough somebody's coming in there and

1330

00:50:22,730 --> 00:50:21,300

going through my stuff yeah why wouldn't

1331

00:50:24,170 --> 00:50:22,740

they journalists that come with a bunch

1332

00:50:25,730 --> 00:50:24,180

of cameras to Russia at this time

1333

00:50:27,050 --> 00:50:25,740

Americans come on of course they're

1334

00:50:29,150 --> 00:50:27,060

gonna so we

1335

00:50:30,589 --> 00:50:29,160

um you know had to figure out what I'm

1336

00:50:32,089 --> 00:50:30,599

going to do with this stuff to get it

1337

00:50:33,710 --> 00:50:32,099

back because I was kind of nervous

1338

00:50:34,670 --> 00:50:33,720

because it was all marked classified

1339

00:50:38,030 --> 00:50:34,680

yeah

1340

00:50:40,130 --> 00:50:38,040

going to jail well it was interesting

1341

00:50:43,190 --> 00:50:40,140

that their their system at that time

1342

00:50:44,870 --> 00:50:43,200

they only stamped classified on the top

1343

00:50:47,710 --> 00:50:44,880

page of the documents

1344

00:50:50,990 --> 00:50:47,720

the other Pages didn't say anything

1345

00:50:53,569 --> 00:50:51,000

so I uh I separated the top pages from

1346

00:50:55,370 --> 00:50:53,579

the from the classified stuff and I I

1347

00:50:58,670 --> 00:50:55,380

figured out a way to come carry it out

1348

00:51:00,950 --> 00:50:58,680

were you nervous oh yeah

1349

00:51:02,630 --> 00:51:00,960

oh yeah very much so yeah because I mean

1350

00:51:04,490 --> 00:51:02,640

if you've ever been to moscow's airport

1351

00:51:06,290 --> 00:51:04,500

you've got to go through a bunch of

1352

00:51:08,210 --> 00:51:06,300

checkpoints it's not just one TSA

1353

00:51:09,890 --> 00:51:08,220

checkpoint kind of a thing you got to go

1354

00:51:13,069 --> 00:51:09,900

through six or seven of them to get out

1355

00:51:14,750 --> 00:51:13,079

and this is a real risk was the United

1356

00:51:16,609 --> 00:51:14,760

States happy when you got back that you

1357

00:51:18,349 --> 00:51:16,619

got all this stuff well yeah I mean it

1358

00:51:20,089 --> 00:51:18,359

wasn't widely distributed but the people

1359

00:51:22,430 --> 00:51:20,099

who got to see it were still were happy

1360

00:51:24,349 --> 00:51:22,440

and there are people still who more

1361

00:51:27,410 --> 00:51:24,359

recently seen this stuff who've been

1362

00:51:30,950 --> 00:51:27,420

happy and then this is three and three

1363

00:51:33,950 --> 00:51:30,960

thread three was the program that came

1364

00:51:36,049 --> 00:51:33,960

after the 10-year long study so uh

1365

00:51:37,490 --> 00:51:36,059

Colonel sokolov headed a 10-year study

1366

00:51:39,950 --> 00:51:37,500

maybe the biggest study in the history

1367

00:51:42,170 --> 00:51:39,960

of of the world in terms of UFOs and

1368

00:51:44,089 --> 00:51:42,180

then thread three is a much smaller

1369

00:51:46,849 --> 00:51:44,099

program that came afterwards that

1370

00:51:50,210 --> 00:51:46,859

analyzed the results trying to figure

1371

00:51:52,730 --> 00:51:50,220

out what they had and some of those

1372

00:51:55,730 --> 00:51:52,740

interpretations are are also pretty

1373

00:51:57,710 --> 00:51:55,740

spectacular and kind of scary

1374

00:52:00,290 --> 00:51:57,720

these are some of the documents that we

1375

00:52:02,030 --> 00:52:00,300

translated

1376
00:52:05,390 --> 00:52:02,040
people are going to pause this video and

1377
00:52:10,549 --> 00:52:07,069
that's so cool man

1378
00:52:11,870 --> 00:52:10,559
so I came back and there's a lot more to

1379
00:52:13,549 --> 00:52:11,880
the story so these are the military

1380
00:52:15,349 --> 00:52:13,559
people that we saw

1381
00:52:17,510 --> 00:52:15,359
there's a whole other group of people

1382
00:52:19,790 --> 00:52:17,520
that I haven't talked about really uh in

1383
00:52:21,470 --> 00:52:19,800
public the scientists who had put their

1384
00:52:24,530 --> 00:52:21,480
lives on the line during the darkest

1385
00:52:26,390 --> 00:52:24,540
days of the Cold War who studied UFOs

1386
00:52:27,890 --> 00:52:26,400
some of them did it with permission of

1387
00:52:29,390 --> 00:52:27,900
the Russian government you know

1388
00:52:31,430 --> 00:52:29,400

officially the Russian government said

1389

00:52:33,230 --> 00:52:31,440

it's all a bunch of baloney the uh the

1390

00:52:35,510 --> 00:52:33,240

American capitalists and imperialists

1391

00:52:36,950 --> 00:52:35,520

have made this up nothing is true but

1392

00:52:38,750 --> 00:52:36,960

behind the scenes they were very

1393

00:52:41,270 --> 00:52:38,760

interested in it as as our government

1394

00:52:43,430 --> 00:52:41,280

was and they would authorize these

1395

00:52:45,950 --> 00:52:43,440

scientists to study and the other

1396

00:52:48,290 --> 00:52:45,960

scientists had to study it uh on the on

1397

00:52:50,210 --> 00:52:48,300

the down low their interest was kept

1398

00:52:52,549 --> 00:52:50,220

very quiet and they would communicate to

1399

00:52:55,309 --> 00:52:52,559

a small group of people of like-minded

1400

00:52:58,069 --> 00:52:55,319

folks and and share their research that

1401
00:53:00,829 --> 00:52:58,079
changed during those three years three

1402
00:53:03,230 --> 00:53:00,839
four years of glasnos uh when we were

1403
00:53:06,950 --> 00:53:03,240
there they were more able to talk about

1404
00:53:08,990 --> 00:53:06,960
it openly and um and I think they hope

1405
00:53:10,309 --> 00:53:09,000
that it going forward in the future that

1406
00:53:12,770 --> 00:53:10,319
they'd still be able to talk about it

1407
00:53:13,970 --> 00:53:12,780
and of course all that changed all of it

1408
00:53:15,829 --> 00:53:13,980
has changed that we can talk about it

1409
00:53:18,230 --> 00:53:15,839
some other time so I get the stuff back

1410
00:53:19,370 --> 00:53:18,240
I get it translated I share it with a

1411
00:53:21,349 --> 00:53:19,380
couple of people to get their

1412
00:53:23,990 --> 00:53:21,359
Impressions is this real do you think

1413
00:53:25,910 --> 00:53:24,000

it's legit and the answer is yes they

1414

00:53:28,250 --> 00:53:25,920

thought it was legit that this really

1415

00:53:30,170 --> 00:53:28,260

was classified information everybody who

1416

00:53:32,809 --> 00:53:30,180

looked at it there were some scientific

1417

00:53:34,730 --> 00:53:32,819

papers that I had spread out to other

1418

00:53:37,250 --> 00:53:34,740

scientists here to take a look at and

1419

00:53:38,870 --> 00:53:37,260

get their Impressions but generally we

1420

00:53:40,790 --> 00:53:38,880

came back with the Treasure Trove and in

1421

00:53:42,650 --> 00:53:40,800

fact we did learn more from the Russian

1422

00:53:45,589 --> 00:53:42,660

government about what the U.S government

1423

00:53:48,410 --> 00:53:45,599

knows on UFOs than we have learned from

1424

00:53:50,630 --> 00:53:48,420

our government ourselves that's the

1425

00:53:52,190 --> 00:53:50,640

Russian White House it's the head of

1426

00:53:54,290 --> 00:53:52,200

their legislature it's the equivalent of

1427

00:53:55,790 --> 00:53:54,300

their Congress Brian and I are standing

1428

00:53:58,190 --> 00:53:55,800

out in front of it

1429

00:54:00,470 --> 00:53:58,200

that's their Ministry of Defense pretty

1430

00:54:02,390 --> 00:54:00,480

impressive building

1431

00:54:03,950 --> 00:54:02,400

Bryant and I standing in front I think I

1432

00:54:06,349 --> 00:54:03,960

did a stand-up out there but that's

1433

00:54:09,049 --> 00:54:06,359

where sokolov worked when he was headed

1434

00:54:10,250 --> 00:54:09,059

up this UFO study that lasted for 10

1435

00:54:13,490 --> 00:54:10,260

years

1436

00:54:16,190 --> 00:54:13,500

again back into Red Square the

1437

00:54:18,410 --> 00:54:16,200

architecture is unmistakable as Bryant

1438

00:54:20,390 --> 00:54:18,420

and I we got a kick out of talking to

1439

00:54:22,309 --> 00:54:20,400

regular Russians the ones who could

1440

00:54:25,609 --> 00:54:22,319

speak English were so friendly and

1441

00:54:28,970 --> 00:54:25,619

welcoming and curious about Americans

1442

00:54:31,250 --> 00:54:28,980

that's Dr Valeri budikov

1443

00:54:34,309 --> 00:54:31,260

who's the scientist who worked with

1444

00:54:37,430 --> 00:54:34,319

coraloff who his mentor his friend and

1445

00:54:39,829 --> 00:54:37,440

mentor of 40 years corloff was the

1446

00:54:42,470 --> 00:54:39,839

father of the Russian rocket program the

1447

00:54:44,150 --> 00:54:42,480

Space Program who had spoken to Stalin

1448

00:54:45,770 --> 00:54:44,160

about the Roswell incident that's our

1449

00:54:47,530 --> 00:54:45,780

interpreter in the middle let's meet

1450

00:54:50,450 --> 00:54:47,540

with dark here

1451
00:54:52,910 --> 00:54:50,460
again that's Nikolai capranov the

1452
00:54:54,890 --> 00:54:52,920
Russian physicist Dr capranov Who had

1453
00:54:58,970 --> 00:54:54,900
really was instrumental in setting all

1454
00:55:02,049 --> 00:54:58,980
this stuff up Dr budikov interpreter

1455
00:55:05,510 --> 00:55:02,059
young George this is from

1456
00:55:08,270 --> 00:55:05,520
the ministry of Defense reports a lot of

1457
00:55:10,549 --> 00:55:08,280
of the accounts from the witnesses

1458
00:55:12,170 --> 00:55:10,559
had drawings attached of the kinds of

1459
00:55:15,049 --> 00:55:12,180
things that they saw that is obviously

1460
00:55:17,150 --> 00:55:15,059
not like any craft that we know of

1461
00:55:21,109 --> 00:55:17,160
oh this is kind of interesting in that

1462
00:55:24,230 --> 00:55:21,119
same issue there's a 1998 UFO magazine

1463
00:55:26,690 --> 00:55:24,240

they have an article about a Russian UFO

1464

00:55:29,870 --> 00:55:26,700

incident what does that look like for

1465

00:55:32,569 --> 00:55:29,880

you yeah rings of Eldon yeah these

1466

00:55:34,670 --> 00:55:32,579

sphere are these um cylinders man it's

1467

00:55:36,589 --> 00:55:34,680

like the Tic Tac it looks like a Tic Tac

1468

00:55:38,270 --> 00:55:36,599

so so what are the big like after all

1469

00:55:40,130 --> 00:55:38,280

this time so you've had you had multiple

1470

00:55:42,170 --> 00:55:40,140

trips out there on one trip you meet

1471

00:55:43,490 --> 00:55:42,180

with all these military individuals on

1472

00:55:44,990 --> 00:55:43,500

another trip and let's talk about that

1473

00:55:47,150 --> 00:55:45,000

later but you meet with a whole bunch of

1474

00:55:49,490 --> 00:55:47,160

scientific people but what was in this

1475

00:55:51,049 --> 00:55:49,500

first trip what were the big bullet

1476

00:55:53,450 --> 00:55:51,059

points what did you take away from it

1477

00:55:55,790 --> 00:55:53,460

that you didn't know before that their

1478

00:55:57,770 --> 00:55:55,800

government like our government says one

1479

00:56:00,170 --> 00:55:57,780

thing to the public and think something

1480

00:56:02,329 --> 00:56:00,180

else in in private that they have

1481

00:56:04,549 --> 00:56:02,339

studied this for decades that they take

1482

00:56:06,349 --> 00:56:04,559

it very seriously that they're convinced

1483

00:56:08,990 --> 00:56:06,359

this is an intelligence from somewhere

1484

00:56:11,210 --> 00:56:09,000

else that this technology is beyond what

1485

00:56:13,849 --> 00:56:11,220

the Russians or the Americans had that

1486

00:56:16,190 --> 00:56:13,859

it's Way Beyond and and if either of us

1487

00:56:18,890 --> 00:56:16,200

could could figure out how to duplicate

1488

00:56:20,510 --> 00:56:18,900

the technology we'd win you know the

1489

00:56:22,069 --> 00:56:20,520

same thing that's going on now and so

1490

00:56:23,930 --> 00:56:22,079

from what I understand from what you

1491

00:56:26,870 --> 00:56:23,940

said earlier is that there was a order

1492

00:56:29,809 --> 00:56:26,880

to shoot down UFOs by Russian Jets and

1493

00:56:33,049 --> 00:56:29,819

you said 30 was it 30 40 planes Chase

1494

00:56:35,390 --> 00:56:33,059

UFOs three planes went down two of the

1495

00:56:37,730 --> 00:56:35,400

pilots died and and was this said to you

1496

00:56:40,490 --> 00:56:37,740

uh convey to you just verbally or do you

1497

00:56:43,750 --> 00:56:40,500

have photos you said I have photos and I

1498

00:56:46,609 --> 00:56:43,760

have reports and it was set on camera

1499

00:56:48,470 --> 00:56:46,619

General Igor moltsev for seven years

1500

00:56:51,109 --> 00:56:48,480

commander of the entire Soviet air

1501
00:56:54,170 --> 00:56:51,119
defense system recalls a UFO flap over

1502
00:56:56,710 --> 00:56:54,180
Moscow in 1990 hundreds of visual and

1503
00:56:59,510 --> 00:56:56,720
radar observations by military personnel

1504
00:57:02,569 --> 00:56:59,520
moldsef confirms his standing order was

1505
00:57:05,089 --> 00:57:02,579
don't fire on the UFOs but he declines

1506
00:57:07,190 --> 00:57:05,099
to say much else his boss the former

1507
00:57:09,589 --> 00:57:07,200
deputy defense minister declined to

1508
00:57:12,230 --> 00:57:09,599
speak altogether under orders so

1509
00:57:13,910 --> 00:57:12,240
basically at one time they're like [h__h]

1510
00:57:16,790 --> 00:57:13,920
this we're not going to shoot down

1511
00:57:18,230 --> 00:57:16,800
anymore there is now a new order to not

1512
00:57:20,569 --> 00:57:18,240
shoot them down and basically hightail

1513
00:57:23,089 --> 00:57:20,579

it out yeah they said it because the

1514

00:57:25,130 --> 00:57:23,099

UFOs have incredible capacities for

1515

00:57:27,470 --> 00:57:25,140

retaliation that was their words wow

1516

00:57:29,270 --> 00:57:27,480

General malts have now he's the guy I

1517

00:57:31,609 --> 00:57:29,280

interviewed one of back three years

1518

00:57:33,650 --> 00:57:31,619

later and by then everything had changed

1519

00:57:36,049 --> 00:57:33,660

that window of opportunity had closed

1520

00:57:39,349 --> 00:57:36,059

the the hardliners were back in charge

1521

00:57:40,790 --> 00:57:39,359

Yeltsin had been moved out and um and it

1522

00:57:44,750 --> 00:57:40,800

was a whole different atmosphere there

1523

00:57:47,089 --> 00:57:44,760

the the hope uh the Embrace of democracy

1524

00:57:50,089 --> 00:57:47,099

and capitalism had sort of died down

1525

00:57:52,069 --> 00:57:50,099

Russian Thugs and organized crime had

1526

00:57:54,230 --> 00:57:52,079

been on the rise it was a totally

1527

00:57:55,609 --> 00:57:54,240

different environment all those people

1528

00:57:58,430 --> 00:57:55,619

that we had interviewed on that first

1529

00:58:00,349 --> 00:57:58,440

trip in 93 had changed there are some

1530

00:58:02,450 --> 00:58:00,359

funny things that happened I mean we uh

1531

00:58:04,609 --> 00:58:02,460

we had an interpreter and a driver who

1532

00:58:06,710 --> 00:58:04,619

took us around willing to go to the KGB

1533

00:58:09,170 --> 00:58:06,720

wanted to go to the KGB headquarters

1534

00:58:10,910 --> 00:58:09,180

it's a pretty famous building and it's

1535

00:58:14,049 --> 00:58:10,920

uh and the three of us get out I'm gonna

1536

00:58:16,370 --> 00:58:14,059

do a stand-up up there

1537

00:58:19,150 --> 00:58:16,380

and then I said hey let's take a photo

1538

00:58:22,790 --> 00:58:19,160

look we're nap gresh and Blackburn

1539

00:58:24,290 --> 00:58:22,800

photographer Brian grash and me KGB nap

1540

00:58:26,630 --> 00:58:24,300

Crush Blackboard isn't that funny let's

1541

00:58:28,190 --> 00:58:26,640

take a photo and we're and our Russians

1542

00:58:29,510 --> 00:58:28,200

who are with us they're huddled in the

1543

00:58:31,069 --> 00:58:29,520

car they don't want to get out of the

1544

00:58:32,690 --> 00:58:31,079

car we're standing in front of KGB

1545

00:58:34,490 --> 00:58:32,700

headquarters and when I go back to the

1546

00:58:37,010 --> 00:58:34,500

car I said hey this is very funny KGB

1547

00:58:39,490 --> 00:58:37,020

hahaha we got a shot of KGB and they go

1548

00:58:41,930 --> 00:58:39,500

yes and KGB got shots of you

1549

00:58:44,750 --> 00:58:41,940

that sounds not right that sounds

1550

00:58:46,730 --> 00:58:44,760

dangerous but wow man and so so

1551

00:58:48,770 --> 00:58:46,740

basically you you kept all this context

1552

00:58:50,930 --> 00:58:48,780

but the country changed after that yeah

1553

00:58:52,970 --> 00:58:50,940

so the next time I went back I did meet

1554

00:58:55,069 --> 00:58:52,980

with some interesting people we could

1555

00:58:56,809 --> 00:58:55,079

talk about that another episode but uh

1556

00:58:58,849 --> 00:58:56,819

the the three years later there was a

1557

00:59:01,190 --> 00:58:58,859

crew from the BBC they wanted to

1558

00:59:03,890 --> 00:59:01,200

reproduce those steps they were not the

1559

00:59:05,990 --> 00:59:03,900

first to ask this by the way when I came

1560

00:59:07,490 --> 00:59:06,000

back Brian and I had written a couple of

1561

00:59:09,770 --> 00:59:07,500

articles I made some public

1562

00:59:13,250 --> 00:59:09,780

presentations and made a little bit of a

1563

00:59:14,750 --> 00:59:13,260

UFO Splash in UFO world for while but

1564

00:59:16,250 --> 00:59:14,760

then it went away as you know something

1565

00:59:19,730 --> 00:59:16,260

else comes along

1566

00:59:21,589 --> 00:59:19,740

um but uh you know our government had

1567

00:59:23,390 --> 00:59:21,599

been interested uh some of that

1568

00:59:26,230 --> 00:59:23,400

information I shared with Bigelow with

1569

00:59:29,630 --> 00:59:26,240

nids that information eventually went to

1570

00:59:31,849 --> 00:59:29,640

OSAP the OSAP and bass program they

1571

00:59:33,829 --> 00:59:31,859

hired a bunch of translators to

1572

00:59:37,190 --> 00:59:33,839

re-translate the documents that I'd had

1573

00:59:39,410 --> 00:59:37,200

done to analyze it and they this has not

1574

00:59:40,789 --> 00:59:39,420

been made public the document has not

1575

00:59:42,950 --> 00:59:40,799

been made public but it's an amazing

1576
00:59:44,510 --> 00:59:42,960
report they've been able to figure out

1577
00:59:46,430 --> 00:59:44,520
and correlate a bunch of information

1578
00:59:48,710 --> 00:59:46,440
that they obtained on their own about

1579
00:59:51,349 --> 00:59:48,720
the structure of that UFO program and it

1580
00:59:53,510 --> 00:59:51,359
was big it was a big program a huge

1581
00:59:55,370 --> 00:59:53,520
investigation and then thread three and

1582
00:59:57,470 --> 00:59:55,380
there's another name for the group that

1583
01:00:00,349 --> 00:59:57,480
analyzed this UFO material and it went

1584
01:00:03,289 --> 01:00:00,359
on for a long time and that OSAP report

1585
01:00:05,329 --> 01:00:03,299
I hope will one day be made public right

1586
01:00:08,030 --> 01:00:05,339
now it's in the DIA files and and we're

1587
01:00:10,250 --> 01:00:08,040
not able to release it there was some

1588
01:00:12,349 --> 01:00:10,260

media interest for a while so I first

1589

01:00:15,049 --> 01:00:12,359

call I got was from CBS I think it was

1590

01:00:17,210 --> 01:00:15,059

48 hours they said hey we read this

1591

01:00:20,089 --> 01:00:17,220

article about your trip to Russia can we

1592

01:00:22,250 --> 01:00:20,099

duplicate that can we go I said look

1593

01:00:24,890 --> 01:00:22,260

I'll help you I'm working for a CBS

1594

01:00:26,750 --> 01:00:24,900

affiliate in Las Vegas that'd be awesome

1595

01:00:28,730 --> 01:00:26,760

um because by the time that time I was

1596

01:00:31,190 --> 01:00:28,740

back working for kls

1597

01:00:32,390 --> 01:00:31,200

and so I gave them some additional

1598

01:00:34,390 --> 01:00:32,400

information

1599

01:00:37,250 --> 01:00:34,400

they go to the ministry of Defense

1600

01:00:38,630 --> 01:00:37,260

Ministry of Defense told them uh we

1601

01:00:42,650 --> 01:00:38,640

didn't have any such study it didn't

1602

01:00:44,930 --> 01:00:42,660

exist and they went to usovo in the

1603

01:00:46,910 --> 01:00:44,940

Ukraine and they said there's no ICBM

1604

01:00:49,309 --> 01:00:46,920

base there well they were wrong on both

1605

01:00:51,470 --> 01:00:49,319

of them and they gave up then the next

1606

01:00:53,630 --> 01:00:51,480

call comes from ABC news they said oh

1607

01:00:55,910 --> 01:00:53,640

gosh this looks great we want to take

1608

01:00:57,770 --> 01:00:55,920

you back to Russia and retrace your

1609

01:01:00,289 --> 01:00:57,780

steps and do this whole thing over can

1610

01:01:02,750 --> 01:01:00,299

you give us some contact info all right

1611

01:01:04,010 --> 01:01:02,760

yeah that'd be cool it's it's ABC prime

1612

01:01:06,650 --> 01:01:04,020

time

1613

01:01:10,069 --> 01:01:06,660

I gave him some contact info

1614

01:01:12,230 --> 01:01:10,079

um Colonel sokolov Nikolai

1615

01:01:14,210 --> 01:01:12,240

they send the producers over there to

1616

01:01:16,490 --> 01:01:14,220

try to retrace these steps and

1617

01:01:19,190 --> 01:01:16,500

completely cut me out and did this big

1618

01:01:21,170 --> 01:01:19,200

expose ABC News has learned blah blah

1619

01:01:22,789 --> 01:01:21,180

blah blah they went to the missile base

1620

01:01:24,650 --> 01:01:22,799

found the found the base where it

1621

01:01:26,750 --> 01:01:24,660

happened we're blowing this open we've

1622

01:01:28,549 --> 01:01:26,760

got this exclusive story wasn't their

1623

01:01:30,530 --> 01:01:28,559

exclusive story it was my exclusive

1624

01:01:32,390 --> 01:01:30,540

story and they pretended like I didn't

1625

01:01:35,089 --> 01:01:32,400

exist and I wanted to take my phone call

1626
01:01:36,950 --> 01:01:35,099
so you know I was a little wary of other

1627
01:01:38,870 --> 01:01:36,960
media and how they might handle this

1628
01:01:41,690 --> 01:01:38,880
stuff and um and that's still the case

1629
01:01:44,030 --> 01:01:41,700
wow that's amazing man so I mean just

1630
01:01:45,470 --> 01:01:44,040
just the guts to to go to Russia just on

1631
01:01:47,809 --> 01:01:45,480
this hunch you know that you might be

1632
01:01:49,130 --> 01:01:47,819
able to extract some UFO information and

1633
01:01:51,230 --> 01:01:49,140
then come back with those classified

1634
01:01:53,510 --> 01:01:51,240
documents so you've learned a lot about

1635
01:01:55,130 --> 01:01:53,520
what Russia knew about UFOs then do you

1636
01:01:57,109 --> 01:01:55,140
think that they have you know current

1637
01:01:58,730 --> 01:01:57,119
programs right now oh sure they do of

1638
01:02:00,470 --> 01:01:58,740

course they do of course they do you

1639

01:02:02,210 --> 01:02:00,480

know I've heard some pretty dramatic

1640

01:02:04,609 --> 01:02:02,220

things from people that we both know

1641

01:02:06,710 --> 01:02:04,619

yeah you know you've seen some dramatic

1642

01:02:08,390 --> 01:02:06,720

incursions by Russians where they just

1643

01:02:10,430 --> 01:02:08,400

dare us to go ahead and shoot them down

1644

01:02:13,549 --> 01:02:10,440

where their planes fly really really

1645

01:02:17,030 --> 01:02:13,559

close to our warships where their planes

1646

01:02:18,170 --> 01:02:17,040

Dallas our drones in in jet fuel and or

1647

01:02:19,250 --> 01:02:18,180

they're just trying to provoke a

1648

01:02:21,109 --> 01:02:19,260

response

1649

01:02:22,609 --> 01:02:21,119

I think part of the reason might be that

1650

01:02:25,150 --> 01:02:22,619

they have developed something they've

1651
01:02:29,089 --> 01:02:25,160
had their own crashes we were promised

1652
01:02:31,309 --> 01:02:29,099
access to crash material and institutes

1653
01:02:33,289 --> 01:02:31,319
that had studied crash material and the

1654
01:02:35,510 --> 01:02:33,299
equivalent of the Russian Area 51

1655
01:02:36,950 --> 01:02:35,520
promised that multiple times both

1656
01:02:38,690 --> 01:02:36,960
leading up to in the eight months

1657
01:02:40,549 --> 01:02:38,700
leading up to the trip and in the months

1658
01:02:42,710 --> 01:02:40,559
that followed after we were there it

1659
01:02:45,770 --> 01:02:42,720
never happened I did go to a crash site

1660
01:02:47,930 --> 01:02:45,780
that was in the trip in 1996 this is the

1661
01:02:50,390 --> 01:02:47,940
third media organization that called to

1662
01:02:53,329 --> 01:02:50,400
me was the BBC they were working on

1663
01:02:55,549 --> 01:02:53,339

Discovery for BBC this is a very a

1664

01:02:57,530 --> 01:02:55,559

really great producer Who convinced me

1665

01:02:59,930 --> 01:02:57,540

they're on the up and up they wanted to

1666

01:03:02,390 --> 01:02:59,940

actually bring me back retrace the steps

1667

01:03:03,950 --> 01:03:02,400

talk to other people and so I went back

1668

01:03:06,589 --> 01:03:03,960

with them and spent another 10 days

1669

01:03:09,289 --> 01:03:06,599

there and uh most of the people that we

1670

01:03:10,670 --> 01:03:09,299

had interviewed before including Nikolai

1671

01:03:13,670 --> 01:03:10,680

who was a good friend of mine by that

1672

01:03:15,950 --> 01:03:13,680

point and Colonel sokolov would not talk

1673

01:03:17,510 --> 01:03:15,960

to us budakov would not talk to us

1674

01:03:19,549 --> 01:03:17,520

anymore they wanted nothing to do with

1675

01:03:21,230 --> 01:03:19,559

it because the political climate that

1676

01:03:23,630 --> 01:03:21,240

country had changed the window had

1677

01:03:26,630 --> 01:03:23,640

closed I did find other people to talk

1678

01:03:29,150 --> 01:03:26,640

to and we took one trip from Moscow to

1679

01:03:31,370 --> 01:03:29,160

Vlada Bostock and a little garden spot

1680

01:03:34,670 --> 01:03:31,380

called dalnagors which is on the Far

1681

01:03:36,650 --> 01:03:34,680

Eastern Frontier of Russia it's like a

1682

01:03:39,589 --> 01:03:36,660

12-hour flight from Moscow we threw

1683

01:03:41,690 --> 01:03:39,599

through this brutal storm

1684

01:03:43,309 --> 01:03:41,700

um and then jumped on this helicopter to

1685

01:03:45,530 --> 01:03:43,319

go to down the course where there'd been

1686

01:03:47,329 --> 01:03:45,540

an incident some called the Russian

1687

01:03:49,730 --> 01:03:47,339

Roswell there would have been a an

1688

01:03:52,490 --> 01:03:49,740

object that was seen over this

1689

01:03:55,190 --> 01:03:52,500

deldegorus in the middle of nowhere uh

1690

01:03:57,829 --> 01:03:55,200

near the near Red China and North Korea

1691

01:04:01,549 --> 01:03:57,839

and uh and it crashed in a place called

1692

01:04:03,589 --> 01:04:01,559

height 611 means Hill 611 and the

1693

01:04:06,829 --> 01:04:03,599

scientists who got up the hill to

1694

01:04:11,150 --> 01:04:06,839

collect materials uh of the crash site

1695

01:04:12,170 --> 01:04:11,160

Dr de jildi Vladimir digione I think it

1696

01:04:16,010 --> 01:04:12,180

is

1697

01:04:19,130 --> 01:04:16,020

interesting material strange qualities

1698

01:04:20,809 --> 01:04:19,140

crash material uh had sent it to a

1699

01:04:23,690 --> 01:04:20,819

variety of different Russian institutes

1700

01:04:25,789 --> 01:04:23,700

for analysis and never got it back

1701

01:04:27,349 --> 01:04:25,799

um that's a story for another time okay

1702

01:04:29,150 --> 01:04:27,359

okay we'll do that so I brought some of

1703

01:04:30,470 --> 01:04:29,160

that stuff back I know that's okay well

1704

01:04:32,150 --> 01:04:30,480

you know there's going to be a part two

1705

01:04:33,289 --> 01:04:32,160

to this and when you talk with all the

1706

01:04:35,569 --> 01:04:33,299

scientists and everything we'll talk

1707

01:04:37,430 --> 01:04:35,579

about that have you seen that show on

1708

01:04:39,650 --> 01:04:37,440

Apple TV Tetris have you seen that new

1709

01:04:41,450 --> 01:04:39,660

show oh my gosh it's about a guy that

1710

01:04:43,430 --> 01:04:41,460

goes to Russia and gets the rights for

1711

01:04:45,410 --> 01:04:43,440

Tetris and what he had to do to go

1712

01:04:47,750 --> 01:04:45,420

through all of those negotiations right

1713

01:04:49,490 --> 01:04:47,760

when everything was was changing so it's

1714

01:04:50,990 --> 01:04:49,500

it's really funny to to hear this story

1715

01:04:53,210 --> 01:04:51,000

from you because it's just like a movie

1716

01:04:55,069 --> 01:04:53,220

that's out right now I love Russia I

1717

01:04:57,530 --> 01:04:55,079

love being there I love seeing them I

1718

01:04:59,870 --> 01:04:57,540

love the Russians they were so warm and

1719

01:05:01,789 --> 01:04:59,880

welcoming they were cautious yeah once

1720

01:05:03,589 --> 01:05:01,799

you get past a certain barrier you know

1721

01:05:05,510 --> 01:05:03,599

they were they wanted to know so much

1722

01:05:09,230 --> 01:05:05,520

about America they're so much like us

1723

01:05:10,730 --> 01:05:09,240

and it it pains me to think of what

1724

01:05:13,130 --> 01:05:10,740

their lives are like now that that

1725

01:05:16,190 --> 01:05:13,140

window has closed and you know they live

1726

01:05:18,170 --> 01:05:16,200

under a threat of who knows what yeah uh

1727

01:05:20,809 --> 01:05:18,180

it's a it's an incredible thing that the

1728

01:05:22,309 --> 01:05:20,819

UFO topic that it's so this is something

1729

01:05:23,630 --> 01:05:22,319

that Bob Lazar has always said it's a

1730

01:05:26,210 --> 01:05:23,640

crime against the scientific Community

1731

01:05:29,210 --> 01:05:26,220

when you can't share this stuff the

1732

01:05:30,770 --> 01:05:29,220

reverse engineering uh programs it's not

1733

01:05:32,990 --> 01:05:30,780

part of the scientific process to keep

1734

01:05:34,130 --> 01:05:33,000

everything so compartmentalized I you

1735

01:05:35,809 --> 01:05:34,140

know we're not going to name them but

1736

01:05:37,730 --> 01:05:35,819

you and I both know a scientist who's

1737

01:05:40,190 --> 01:05:37,740

been involved in a reverse engineering

1738

01:05:42,710 --> 01:05:40,200

uh program that was from a Russian class

1739

01:05:44,270 --> 01:05:42,720

that has to do with with lasers and I

1740

01:05:46,069 --> 01:05:44,280

think that's okay to say but you're

1741

01:05:48,549 --> 01:05:46,079

aware of what I'm saying I am and that's

1742

01:05:51,230 --> 01:05:48,559

what was started to say is the Russian

1743

01:05:53,569 --> 01:05:51,240

provocations where their war planes fly

1744

01:05:55,250 --> 01:05:53,579

very close to us I think it's related to

1745

01:05:57,530 --> 01:05:55,260

something that they have developed from

1746

01:06:00,289 --> 01:05:57,540

crashes that is what I've been told is

1747

01:06:02,270 --> 01:06:00,299

that they've developed a weapon system

1748

01:06:04,370 --> 01:06:02,280

that they can't wait to use against us

1749

01:06:06,289 --> 01:06:04,380

and that they came from somewhere else

1750

01:06:09,049 --> 01:06:06,299

wow that's crazy man well I guess that

1751

01:06:12,289 --> 01:06:09,059

is the the whole you know point of the

1752

01:06:15,049 --> 01:06:12,299

secrecy if the UFO reality is is what it

1753

01:06:17,809 --> 01:06:15,059

appears to be and if our governments are

1754

01:06:20,030 --> 01:06:17,819

trying to study the UFO technology and

1755

01:06:21,289 --> 01:06:20,040

if they are keeping it hidden from the

1756

01:06:24,770 --> 01:06:21,299

American and kind of global public

1757

01:06:27,289 --> 01:06:24,780

because of the reason that they want to

1758

01:06:28,849 --> 01:06:27,299

get a technological advantage it really

1759

01:06:30,770 --> 01:06:28,859

makes sense to me and this is what we're

1760

01:06:34,069 --> 01:06:30,780

both told over all this time of looking

1761

01:06:35,690 --> 01:06:34,079

at this that we are all in a race that

1762

01:06:38,210 --> 01:06:35,700

people don't know about but it's a

1763

01:06:40,309 --> 01:06:38,220

technological race because anybody that

1764

01:06:42,829 --> 01:06:40,319

develops this weaponization Technology

1765

01:06:45,230 --> 01:06:42,839

based on the material science of the

1766

01:06:47,270 --> 01:06:45,240

reverse engineering of these UFOs they

1767

01:06:48,529 --> 01:06:47,280

win hands down they win we can create a

1768

01:06:51,049 --> 01:06:48,539

laser beam or something like that but

1769

01:06:52,789 --> 01:06:51,059

these weapons of mass destruction that

1770

01:06:55,609 --> 01:06:52,799

can be created by reverse engineering

1771

01:06:57,589 --> 01:06:55,619

the technology if all of that is true I

1772

01:06:59,089 --> 01:06:57,599

get why some of the secrecy is there you

1773

01:07:00,770 --> 01:06:59,099

don't want this to get out you have to

1774

01:07:02,930 --> 01:07:00,780

hide it well you know it's not just

1775

01:07:04,549 --> 01:07:02,940

speculation we can guess about it right

1776

01:07:06,589 --> 01:07:04,559

now what our government is trying to do

1777

01:07:08,569 --> 01:07:06,599

in reverse engineering the Russians that

1778

01:07:10,130 --> 01:07:08,579

we we talked to back then were very

1779

01:07:12,170 --> 01:07:10,140

clear about it they were trying to

1780

01:07:14,510 --> 01:07:12,180

reverse engineer that technology from

1781

01:07:16,089 --> 01:07:14,520

UFOs that was their goal that was the

1782

01:07:19,250 --> 01:07:16,099

goal of a nationwide

1783

01:07:21,589 --> 01:07:19,260

massively intensive UFO investigation

1784

01:07:23,390 --> 01:07:21,599

for a decade and programs that followed

1785

01:07:25,069 --> 01:07:23,400

and I'll bet it's still going on people

1786

01:07:26,390 --> 01:07:25,079

talk about disclosure all the time

1787

01:07:28,309 --> 01:07:26,400

whatever that means like you know the

1788

01:07:29,750 --> 01:07:28,319

public is told by UFOs if anything

1789

01:07:31,609 --> 01:07:29,760

brought us close to that would you say

1790

01:07:33,230 --> 01:07:31,619

this Russia experience of you coming

1791

01:07:35,870 --> 01:07:33,240

back getting all this information for

1792

01:07:39,049 --> 01:07:35,880

you was that a personal version of holy

1793

01:07:41,270 --> 01:07:39,059

[h__h] this is true absolutely yeah I I do

1794

01:07:43,010 --> 01:07:41,280

I think that you know I've I've said

1795

01:07:45,170 --> 01:07:43,020

this I've talked about it in public

1796

01:07:47,150 --> 01:07:45,180

before and we put out little bits and

1797

01:07:49,370 --> 01:07:47,160

pieces from the videos that we shot from

1798

01:07:52,430 --> 01:07:49,380

both of those trips the second trip I

1799

01:07:54,470 --> 01:07:52,440

went um with that crew I met them on my

1800

01:07:56,930 --> 01:07:54,480

own and took my own camera shot my own

1801

01:08:00,230 --> 01:07:56,940

stand-ups and tried to be Mr newsman in

1802

01:08:02,569 --> 01:08:00,240

Russia uh it's very amateurish in its in

1803

01:08:04,190 --> 01:08:02,579

the video quality of everything but

1804

01:08:05,870 --> 01:08:04,200

eventually I want to put that all

1805

01:08:07,430 --> 01:08:05,880

together maybe a film we can do at some

1806

01:08:09,410 --> 01:08:07,440

point sure well and anyway thanks for

1807

01:08:10,910 --> 01:08:09,420

sharing that whole first journey of your

1808

01:08:12,589 --> 01:08:10,920

trip to Russia I think you know there's

1809

01:08:14,990 --> 01:08:12,599

a lot hopefully you can show me tonight

1810

01:08:16,669 --> 01:08:15,000

or something some photos and we can put

1811

01:08:18,289 --> 01:08:16,679

that in so people can see it but man

1812

01:08:20,209 --> 01:08:18,299

it's so cool to hear that you actually

1813

01:08:21,229 --> 01:08:20,219

did that work and got out there I think

1814

01:08:22,610 --> 01:08:21,239

more people need to know about it so

1815

01:08:27,829 --> 01:08:22,620

hopefully this is a way to show people

1816

01:08:36,410 --> 01:08:29,950

oh my God

1817

01:08:44,470 --> 01:08:40,789

never have so few had so much to tell

1818

01:08:46,249 --> 01:08:44,480

but could say so little

1819

01:08:48,050 --> 01:08:46,259

following us through the weaponized

1820

01:08:49,729 --> 01:08:48,060

presentation of Jeremy Corbell George

1821

01:08:51,950 --> 01:08:49,739

Knapp Dark Horse entertainment and

1822
