

1  
00:00:06,289 --> 00:00:04,610

and this is weapons

2  
00:00:08,030 --> 00:00:06,299

there were attempts by the Russian

3  
00:00:10,070 --> 00:00:08,040

government and the U.S government that

4  
00:00:12,530 --> 00:00:10,080

had started with Reagan and Gorbachev

5  
00:00:15,470 --> 00:00:12,540

let's take it down a notch that's maybe

6  
00:00:17,330 --> 00:00:15,480

not not uh destroy ourselves and destroy

7  
00:00:19,370 --> 00:00:17,340

the planet you remember called these

8  
00:00:21,290 --> 00:00:19,380

amazing statements that Ronald Reagan

9  
00:00:23,029 --> 00:00:21,300

had made that the United Nations and on

10  
00:00:25,009 --> 00:00:23,039

other occasions where he said wouldn't

11  
00:00:27,529 --> 00:00:25,019

it be something if we were threatened by

12  
00:00:29,990 --> 00:00:27,539

an alien force wouldn't we all start

13  
00:00:31,730 --> 00:00:30,000

thinking of ourselves as earthlings and

14

00:00:35,990 --> 00:00:31,740

all our our differences would disappear

15

00:00:37,850 --> 00:00:36,000

I've often wondered what if all of us in

16

00:00:39,290 --> 00:00:37,860

the world discovered that we were

17

00:00:42,110 --> 00:00:39,300

threatened

18

00:00:45,770 --> 00:00:42,120

by an outer of power

19

00:00:47,990 --> 00:00:45,780

from outer space from another planet

20

00:00:49,970 --> 00:00:48,000

wouldn't we all of a sudden find that we

21

00:00:52,910 --> 00:00:49,980

didn't have any differences between us

22

00:00:54,889 --> 00:00:52,920

at all Mikhail Gorbachev responded to

23

00:00:56,869 --> 00:00:54,899

that said yeah that would be something

24

00:00:59,569 --> 00:00:56,879

that Reagan said it I think five

25

00:01:01,310 --> 00:00:59,579

different times mentioning aliens uh we

26

00:01:02,990 --> 00:01:01,320

can go into this no that's an incredible

27

00:01:04,850 --> 00:01:03,000

story people should know about that I

28

00:01:07,010 --> 00:01:04,860

mean that's shown all over when people

29

00:01:09,230 --> 00:01:07,020

talk about UFOs they show this thing of

30

00:01:11,570 --> 00:01:09,240

Ronald Reagan at the U.N and it's like

31

00:01:14,510 --> 00:01:11,580

this green background he goes imagine if

32

00:01:16,850 --> 00:01:14,520

we were all dealing with an alien threat

33

00:01:19,850 --> 00:01:16,860

how that would Bond Humanity perhaps we

34

00:01:22,670 --> 00:01:19,860

need some outside Universal threat

35

00:01:24,649 --> 00:01:22,680

to make us recognize this common bound I

36

00:01:26,690 --> 00:01:24,659

hope and wish that would be true if

37

00:01:28,490 --> 00:01:26,700

that's what happens right yeah but

38

00:01:29,990 --> 00:01:28,500

anyway it's a very famous speech so his

39

00:01:32,030 --> 00:01:30,000

whole thing was he'd said it a number of

40

00:01:33,950 --> 00:01:32,040

times but he do you think he chose that

41

00:01:35,690 --> 00:01:33,960

intentionally like the word oh yeah I

42

00:01:38,090 --> 00:01:35,700

think he and Gorbachev talked about this

43

00:01:40,190 --> 00:01:38,100

stuff and Gorbachev responded in public

44

00:01:42,050 --> 00:01:40,200

saying yeah I agree with you we should

45

00:01:43,490 --> 00:01:42,060

be on the same page on this there had

46

00:01:46,550 --> 00:01:43,500

been some incidents

47

00:01:48,530 --> 00:01:46,560

where UFOs appeared and were detected on

48

00:01:51,469 --> 00:01:48,540

sensor systems of our country and their

49

00:01:53,749 --> 00:01:51,479

country that could have led to a launch

50

00:01:55,609 --> 00:01:53,759

of nuclear weapons a mistake uh that

51  
00:01:58,010 --> 00:01:55,619  
they would assume the Russians might

52  
00:01:59,929 --> 00:01:58,020  
assume these are our craft or missiles

53  
00:02:02,090 --> 00:01:59,939  
that we would assume it's Russian stuff

54  
00:02:03,649 --> 00:02:02,100  
and who knows World War III could happen

55  
00:02:05,870 --> 00:02:03,659  
if you make that kind of a mistake so

56  
00:02:09,889 --> 00:02:05,880  
brass tacks that for people that don't

57  
00:02:12,290 --> 00:02:09,899  
know so UFOs have been detected and and

58  
00:02:15,290 --> 00:02:12,300  
filmed over nuclear facilities they have

59  
00:02:17,750 --> 00:02:15,300  
shot beams of light into them shut down

60  
00:02:20,030 --> 00:02:17,760  
nuclear weapons turned them on at times

61  
00:02:21,770 --> 00:02:20,040  
we know that happened so you know about

62  
00:02:23,449 --> 00:02:21,780  
these in the U.S did they happen in

63  
00:02:25,150 --> 00:02:23,459

Russia too well yeah that's what I
