

WEAPONIZED #14

U.S. SENATE UFO HEARING THE GOOD, BAD & UGLY

1
00:00:09,950 --> 00:00:07,190
Secrets cover-ups and strange phenomena

2
00:00:12,950 --> 00:00:09,960
UFOs and ideas that challenge reality

3
00:00:14,570 --> 00:00:12,960
itself all these Mysteries all this time

4
00:00:17,090 --> 00:00:14,580
are we ever going to get to the bottom

5
00:00:19,730 --> 00:00:17,100
of these my name is George Knapp I dig

6
00:00:21,950 --> 00:00:19,740
into news stories that others can't or

7
00:00:23,630 --> 00:00:21,960
won't I'm Jeremy Corbell and for some

8
00:00:25,670 --> 00:00:23,640
reason people tell me things they

9
00:00:27,960 --> 00:00:25,680
probably shouldn't

10
00:00:32,330 --> 00:00:27,970
and this is weapons

11
00:00:35,090 --> 00:00:32,340
[Music]

12
00:00:36,889 --> 00:00:35,100
this is weaponized and this week we're

13
00:00:39,049 --> 00:00:36,899

going to talk about The Good the Bad and

14

00:00:40,729 --> 00:00:39,059

the Ugly I don't know Jeremy did you

15

00:00:43,130 --> 00:00:40,739

notice there was a little UFO Hearing in

16

00:00:45,170 --> 00:00:43,140

Washington this week I did notice there

17

00:00:46,790 --> 00:00:45,180

was a UFO Hearing in Washington this

18

00:00:49,010 --> 00:00:46,800

weekend you watched it I did I did I

19

00:00:50,869 --> 00:00:49,020

woke up you 7 30 waited 40 minutes and

20

00:00:52,610 --> 00:00:50,879

they played it it was great and your

21

00:00:55,910 --> 00:00:52,620

impressions to start with

22

00:00:58,490 --> 00:00:55,920

you know I had the immediate kind of

23

00:01:01,610 --> 00:00:58,500

split impression uh when I when I heard

24

00:01:02,810 --> 00:01:01,620

Dr Kirkpatrick talking because I know a

25

00:01:07,250 --> 00:01:02,820

lot of what's going on behind the scene

26

00:01:09,469 --> 00:01:07,260

as do you I was totally divided on one

27

00:01:11,750 --> 00:01:09,479

half I thought this is great this is

28

00:01:14,510 --> 00:01:11,760

progress this is the the way UFOs should

29

00:01:16,250 --> 00:01:14,520

be studied scientifically uh through

30

00:01:18,109 --> 00:01:16,260

systems analysts this is the way it

31

00:01:20,630 --> 00:01:18,119

should be studied but on the other hand

32

00:01:23,149 --> 00:01:20,640

I felt like so much was being excluded

33

00:01:25,370 --> 00:01:23,159

that I know that he has been informed

34

00:01:27,950 --> 00:01:25,380

about so I I was I was a mix of emotions

35

00:01:29,630 --> 00:01:27,960

you know you know it's it's UFO world so

36

00:01:31,550 --> 00:01:29,640

of course there are strong opinions all

37

00:01:33,710 --> 00:01:31,560

the way around you have the nihilists

38

00:01:36,050 --> 00:01:33,720

and Skeptics who say yeah this means

39

00:01:37,969 --> 00:01:36,060

nothing nothing will come of it it's a

40

00:01:40,789 --> 00:01:37,979

waste of time and then you have the

41

00:01:42,410 --> 00:01:40,799

hardcore UFO believers who think okay

42

00:01:44,270 --> 00:01:42,420

this is the start of disclosure

43

00:01:46,730 --> 00:01:44,280

something big is coming he's going to

44

00:01:48,530 --> 00:01:46,740

spill some beans and of course it's some

45

00:01:51,889 --> 00:01:48,540

Always Somewhere in Between right yeah

46

00:01:53,450 --> 00:01:51,899

it's not it's never what either side

47

00:01:56,030 --> 00:01:53,460

really thinks it's is going to be when

48

00:01:57,050 --> 00:01:56,040

when there's an extreme viewpoint but as

49

00:01:58,550 --> 00:01:57,060

long as we're moving in the right

50

00:02:00,350 --> 00:01:58,560

direction and that's what I'm trying to

51
00:02:02,389 --> 00:02:00,360
figure out if we are then I think it's

52
00:02:04,490 --> 00:02:02,399
good you know well I have to totally

53
00:02:06,410 --> 00:02:04,500
agree I mean the fact that the U.S

54
00:02:09,290 --> 00:02:06,420
Senate subcommittee has a hearing that

55
00:02:12,949 --> 00:02:09,300
deals with UAP issues is a step forward

56
00:02:14,930 --> 00:02:12,959
I mean Senator gillibrand is she's a

57
00:02:18,050 --> 00:02:14,940
warrior uh you know it used to be Marco

58
00:02:20,449 --> 00:02:18,060
Rubio and Senator Warner who were really

59
00:02:22,010 --> 00:02:20,459
carrying the ball on this she's picked

60
00:02:24,530 --> 00:02:22,020
up the ball and is running with it and

61
00:02:26,150 --> 00:02:24,540
this was her subcommittee she made some

62
00:02:28,729 --> 00:02:26,160
astonishing statements in that that

63
00:02:30,530 --> 00:02:28,739

opening remarks right that's right so

64

00:02:32,210 --> 00:02:30,540

they weren't there so you know a lot of

65

00:02:34,070 --> 00:02:32,220

people were saying it was low attended

66

00:02:35,809 --> 00:02:34,080

and that kind of thing it wasn't the

67

00:02:37,970 --> 00:02:35,819

kind of hearing that we saw last time

68

00:02:39,650 --> 00:02:37,980

this was a check-in how are you doing do

69

00:02:41,809 --> 00:02:39,660

you have enough money do you have enough

70

00:02:43,369 --> 00:02:41,819

Authority so this was a totally

71

00:02:45,830 --> 00:02:43,379

different thing but to see Senator

72

00:02:47,270 --> 00:02:45,840

gillibrand there doing it man I I was

73

00:02:49,790 --> 00:02:47,280

super impressed with her she did the

74

00:02:52,009 --> 00:02:49,800

opening remarks three things she said

75

00:02:54,830 --> 00:02:52,019

really stuck with me so first thing she

76
00:02:58,490 --> 00:02:54,840
said is we have been informed that there

77
00:02:59,750 --> 00:02:58,500
are Advanced craft of Unknown Origin and

78
00:03:01,910 --> 00:02:59,760
she didn't say the words flying with

79
00:03:03,890 --> 00:03:01,920
impunity in our restricted airspace but

80
00:03:05,030 --> 00:03:03,900
they are so it was it was really cool to

81
00:03:07,250 --> 00:03:05,040
hear her say

82
00:03:10,070 --> 00:03:07,260
we know this now we know this to be true

83
00:03:11,869 --> 00:03:10,080
this is why we formed and funded Arrow

84
00:03:15,290 --> 00:03:11,879
she also said

85
00:03:18,530 --> 00:03:15,300
we don't know who are operating these

86
00:03:21,170 --> 00:03:18,540
vehicles we don't know who made them and

87
00:03:23,809 --> 00:03:21,180
we don't know their capabilities and

88
00:03:25,550 --> 00:03:23,819

that is is is really interesting because

89

00:03:27,830 --> 00:03:25,560

it leads you towards intent we also

90

00:03:31,070 --> 00:03:27,840

don't know intent so she threw all of

91

00:03:33,710 --> 00:03:31,080

those down and kind of set the stage for

92

00:03:35,449 --> 00:03:33,720

the idea of why arrow is there why they

93

00:03:37,670 --> 00:03:35,459

funded it why they're championing it and

94

00:03:39,710 --> 00:03:37,680

as you said she was there and she really

95

00:03:41,390 --> 00:03:39,720

threw down so she she's the pit bull for

96

00:03:43,309 --> 00:03:41,400

the UFO Community I appreciate it we

97

00:03:44,930 --> 00:03:43,319

should hear some of what she said I

98

00:03:46,729 --> 00:03:44,940

think we should play that clip and and

99

00:03:48,289 --> 00:03:46,739

give people a sense of if they didn't

100

00:03:51,410 --> 00:03:48,299

see the hearing to hear what she said

101
00:03:53,809 --> 00:03:51,420
how she set the tone a witness Dr Sean

102
00:03:55,729 --> 00:03:53,819
Kirkpatrick for testifying here and in

103
00:03:58,009 --> 00:03:55,739
today's earlier closed session Congress

104
00:03:59,390 --> 00:03:58,019
established this office in law to get to

105
00:04:01,850 --> 00:03:59,400
the bottom of the very serious problem

106
00:04:05,390 --> 00:04:01,860
of unidentified anomalous phenomenon or

107
00:04:07,490 --> 00:04:05,400
UAP in late 2017 media reports surfaced

108
00:04:09,589 --> 00:04:07,500
about activity set in motion by the late

109
00:04:11,570 --> 00:04:09,599
long-serving Majority Leader Senator

110
00:04:13,190 --> 00:04:11,580
Harry Reid more than a decade ago we

111
00:04:14,869 --> 00:04:13,200
learned that there was strong evidence

112
00:04:16,009 --> 00:04:14,879
that advanced technology reflected in

113
00:04:18,050 --> 00:04:16,019

the features and performance

114

00:04:20,330 --> 00:04:18,060

characteristics of many objects observed

115

00:04:22,129 --> 00:04:20,340

by our highly trained service members

116

00:04:24,230 --> 00:04:22,139

operating top of the line military

117

00:04:26,030 --> 00:04:24,240

equipment we learned that for the at

118

00:04:28,070 --> 00:04:26,040

least the past eight years military

119

00:04:30,350 --> 00:04:28,080

Pilots frequently encountered unknown

120

00:04:32,030 --> 00:04:30,360

objects in controlled airspace off both

121

00:04:34,129 --> 00:04:32,040

the east and west coast across the

122

00:04:36,830 --> 00:04:34,139

continental United States in test and

123

00:04:38,930 --> 00:04:36,840

training areas and ranges we don't know

124

00:04:40,969 --> 00:04:38,940

where they are they come from who made

125

00:04:43,270 --> 00:04:40,979

them or how they operate but because of

126
00:04:46,249 --> 00:04:43,280
the UFO stigma the response has been

127
00:04:48,170 --> 00:04:46,259
irresponsibly anemic and slow UAP are

128
00:04:50,270 --> 00:04:48,180
frequently observed flying in extremely

129
00:04:51,950 --> 00:04:50,280
high or very low speeds and come in

130
00:04:54,310 --> 00:04:51,960
various sizes and shapes during the

131
00:04:57,170 --> 00:04:54,320
recent shootdowns over North America DOD

132
00:04:58,909 --> 00:04:57,180
disclosed that filters on radar systems

133
00:05:00,650 --> 00:04:58,919
were adjusted to allow for detection and

134
00:05:02,510 --> 00:05:00,660
tracking of diverse sets of objects for

135
00:05:04,249 --> 00:05:02,520
the first time while opening the

136
00:05:06,770 --> 00:05:04,259
aperture can overload the real-time

137
00:05:08,510 --> 00:05:06,780
analytic process we cannot keep turning

138
00:05:10,969 --> 00:05:08,520

a blind eye to surveillance data that is

139

00:05:12,890 --> 00:05:10,979

critical to detecting attracting UAP a

140

00:05:16,070 --> 00:05:12,900

couple of thoughts on this one one is

141

00:05:17,930 --> 00:05:16,080

she has obviously been briefed in ways

142

00:05:20,450 --> 00:05:17,940

that have not been made public

143

00:05:22,430 --> 00:05:20,460

um you know we're going to get into what

144

00:05:24,290 --> 00:05:22,440

she learned in this hearing but she's

145

00:05:26,570 --> 00:05:24,300

had some briefings we know people have

146

00:05:28,850 --> 00:05:26,580

talked to her she believes that this is

147

00:05:31,189 --> 00:05:28,860

real and it's legit second thought I

148

00:05:34,070 --> 00:05:31,199

have is you know this is politically

149

00:05:35,990 --> 00:05:34,080

risky there's no way that you know how

150

00:05:38,330 --> 00:05:36,000

this is going to play out but she's

151

00:05:39,950 --> 00:05:38,340

going full bore on this regardless we

152

00:05:42,770 --> 00:05:39,960

know what happened to Hillary Clinton I

153

00:05:46,189 --> 00:05:42,780

mean it was part of her campaign to be

154

00:05:49,550 --> 00:05:46,199

president as she wanted to uh push for

155

00:05:51,170 --> 00:05:49,560

UFO transparency she didn't win so you

156

00:05:53,029 --> 00:05:51,180

know whether or not this is a good

157

00:05:55,490 --> 00:05:53,039

political move I don't think Senator

158

00:05:57,890 --> 00:05:55,500

gillibrand is is putting that into the

159

00:06:00,290 --> 00:05:57,900

uh evaluation of whether she should go

160

00:06:03,050 --> 00:06:00,300

forward or not but but it's also it's

161

00:06:04,730 --> 00:06:03,060

safer now right because you're you know

162

00:06:06,590 --> 00:06:04,740

President Clinton everything they were

163

00:06:08,029 --> 00:06:06,600

trying to do with this UFO topic is kind

164

00:06:10,010 --> 00:06:08,039

of crack open the books right now

165

00:06:12,050 --> 00:06:10,020

they're saying we have a safety of

166

00:06:14,510 --> 00:06:12,060

flight issue right we have an issue

167

00:06:17,090 --> 00:06:14,520

where there are near misses we have an

168

00:06:19,969 --> 00:06:17,100

issue where Pilots are seeing these

169

00:06:22,430 --> 00:06:19,979

performing ways that are unique and we

170

00:06:24,950 --> 00:06:22,440

need this study so it's it's less

171

00:06:28,309 --> 00:06:24,960

polarized in a way it's transformed to

172

00:06:31,430 --> 00:06:28,319

UAP it's the idea that we need to have

173

00:06:33,290 --> 00:06:31,440

360 degree error dominance at all

174

00:06:35,510 --> 00:06:33,300

Aerospace and sea dominance that's the

175

00:06:37,790 --> 00:06:35,520

goal right so in in a political sense

176

00:06:40,070 --> 00:06:37,800

it's kind of interesting the way it's

177

00:06:41,870 --> 00:06:40,080

transformed where it is just simply a

178

00:06:43,670 --> 00:06:41,880

safety of flight issue and finding out

179

00:06:46,850 --> 00:06:43,680

if adversarial Nations have this

180

00:06:49,309 --> 00:06:46,860

technology I I was thrilled to see a

181

00:06:51,529 --> 00:06:49,319

Nevada senator Jackie Rosen jump into

182

00:06:53,629 --> 00:06:51,539

the mix I I did not expect it you know

183

00:06:55,189 --> 00:06:53,639

of course Nevada Senators historically

184

00:06:57,710 --> 00:06:55,199

have had an interest in this topic

185

00:06:59,809 --> 00:06:57,720

Senator Harry Reid is one of them before

186

00:07:01,969 --> 00:06:59,819

him Senator Howard Cannon who was a big

187

00:07:04,670 --> 00:07:01,979

proponent of Nellis Air Force Base he

188

00:07:06,409 --> 00:07:04,680

was a supporter of area 51 he was deeply

189

00:07:08,689 --> 00:07:06,419

interested in this topic something we'll

190

00:07:10,730 --> 00:07:08,699

discuss at some point but Senator Rosen

191

00:07:13,309 --> 00:07:10,740

was a surprise to me of course the

192

00:07:16,249 --> 00:07:13,319

primary witness was Dr Sean Kirkpatrick

193

00:07:17,809 --> 00:07:16,259

of Arrow but Senator Rosen asked a

194

00:07:19,550 --> 00:07:17,819

pretty good question or two I want to

195

00:07:21,830 --> 00:07:19,560

give her a shout out and use that clip

196

00:07:25,010 --> 00:07:21,840

if we can I want to talk about the

197

00:07:26,510 --> 00:07:25,020

impact of uaps on Aviation safety one of

198

00:07:29,270 --> 00:07:26,520

my first concerns is really about the

199

00:07:31,129 --> 00:07:29,280

safety of Nevada's military Aviator

200

00:07:33,710 --> 00:07:31,139

so we have Airmen stationed at Nellis

201
00:07:35,990 --> 00:07:33,720
Air Force Base Naval aviators flying at

202
00:07:38,589 --> 00:07:36,000
Naval Air Station Fallon and service

203
00:07:41,029 --> 00:07:38,599
members across from across the world

204
00:07:42,710 --> 00:07:41,039
training at the Nevada test and training

205
00:07:44,629 --> 00:07:42,720
range I know you know all this and

206
00:07:47,629 --> 00:07:44,639
unfortunately the existence of advanced

207
00:07:50,510 --> 00:07:47,639
uaps in the U.S airspace and over U.S

208
00:07:51,830 --> 00:07:50,520
military installations not a new

209
00:07:53,749 --> 00:07:51,840
phenomenon

210
00:07:58,010 --> 00:07:53,759
the Navy's officially acknowledged that

211
00:08:00,710 --> 00:07:58,020
between 2004 and 2021 11 near misses

212
00:08:03,350 --> 00:08:00,720
occurred involving uaps it required

213
00:08:05,570 --> 00:08:03,360

pilot action and follow-up reports so

214

00:08:07,430 --> 00:08:05,580

there's been a lot of things that have

215

00:08:09,469 --> 00:08:07,440

you know kind of gone out since Dr

216

00:08:12,110 --> 00:08:09,479

Kirkpatrick has kind of testified in

217

00:08:13,490 --> 00:08:12,120

front of people you know he did say a

218

00:08:15,890 --> 00:08:13,500

bunch of really interesting stuff the

219

00:08:17,689 --> 00:08:15,900

one that kind of looms is he says we

220

00:08:19,670 --> 00:08:17,699

have no evidence that this is

221

00:08:21,950 --> 00:08:19,680

extraterrestrial or from off-world

222

00:08:23,930 --> 00:08:21,960

vehicles I mean he really chose his

223

00:08:27,290 --> 00:08:23,940

words to try to really put everybody

224

00:08:28,249 --> 00:08:27,300

down you know kind of at ease saying we

225

00:08:29,990 --> 00:08:28,259

have no evidence this is

226

00:08:32,449 --> 00:08:30,000

extraterrestrial I've heard a lot of

227

00:08:34,010 --> 00:08:32,459

people say that's it case closed the UFO

228

00:08:37,250 --> 00:08:34,020

discussion is over right that's

229

00:08:39,529 --> 00:08:37,260

ridiculous so there's a couple things I

230

00:08:41,870 --> 00:08:39,539

take from that one is well

231

00:08:43,730 --> 00:08:41,880

do you have evidence that it's not and

232

00:08:44,690 --> 00:08:43,740

so so what is you know that that's kind

233

00:08:47,389 --> 00:08:44,700

of the thing a lot of people have been

234

00:08:49,970 --> 00:08:47,399

saying is to say something is unresolved

235

00:08:51,949 --> 00:08:49,980

and to keep the doors open to studying

236

00:08:53,329 --> 00:08:51,959

what it is it was interesting he chose

237

00:08:55,490 --> 00:08:53,339

those words what do you make of that

238

00:08:57,889 --> 00:08:55,500

when he says we have no evidence that

239

00:09:00,410 --> 00:08:57,899

it's extraterrestrial I was surprised

240

00:09:02,269 --> 00:09:00,420

that he went as far as he did because we

241

00:09:04,009 --> 00:09:02,279

happen to know some of what he has been

242

00:09:06,170 --> 00:09:04,019

told behind closed doors

243

00:09:08,509 --> 00:09:06,180

he acknowledges there have been 24

244

00:09:10,970 --> 00:09:08,519

different Witnesses whistleblowers

245

00:09:12,829 --> 00:09:10,980

that's that's the I'm using air quotes

246

00:09:15,050 --> 00:09:12,839

on that whistleblowers who've come

247

00:09:17,150 --> 00:09:15,060

forward and have met with him and his

248

00:09:19,070 --> 00:09:17,160

office and have given testimony we'll

249

00:09:20,690 --> 00:09:19,080

get into the specifics of what some of

250

00:09:22,430 --> 00:09:20,700

those people have told them but I was

251
00:09:25,670 --> 00:09:22,440
surprised that he considers none of that

252
00:09:27,769 --> 00:09:25,680
to be evidence either a he doesn't

253
00:09:30,650 --> 00:09:27,779
consider their testimony to be evidence

254
00:09:33,829 --> 00:09:30,660
B he doesn't consider it to be credible

255
00:09:36,410 --> 00:09:33,839
testimony or C his office has not

256
00:09:39,170 --> 00:09:36,420
evaluated it yet I mean are you the same

257
00:09:40,970 --> 00:09:39,180
spot well I don't think that he has the

258
00:09:43,009 --> 00:09:40,980
right authorities yet to properly

259
00:09:46,250 --> 00:09:43,019
investigate what has been shared with

260
00:09:48,170 --> 00:09:46,260
him and as you've mentioned so we are in

261
00:09:51,290 --> 00:09:48,180
contact with numerous individuals that

262
00:09:53,990 --> 00:09:51,300
have provided testimony to arrow and I I

263
00:09:57,230 --> 00:09:54,000

wonder if they have been told if Arrow

264

00:10:00,650 --> 00:09:57,240

Dr Kirkpatrick has been told there are

265

00:10:02,870 --> 00:10:00,660

Legacy UFO programs to study Hardware if

266

00:10:04,670 --> 00:10:02,880

this is true and and he's been told

267

00:10:07,009 --> 00:10:04,680

where he could find some of this

268

00:10:08,990 --> 00:10:07,019

Hardware what the classified program

269

00:10:12,530 --> 00:10:09,000

names have been if that has been

270

00:10:13,970 --> 00:10:12,540

corroborated and verified by other you

271

00:10:15,590 --> 00:10:13,980

know air quotes whistleblowers other

272

00:10:17,389 --> 00:10:15,600

people that have talked about it if

273

00:10:19,730 --> 00:10:17,399

that's true maybe he doesn't have the

274

00:10:22,190 --> 00:10:19,740

authority yet to completely knock on

275

00:10:23,990 --> 00:10:22,200

those doors and find out is it true what

276

00:10:26,269 --> 00:10:24,000

these people are telling him you and I

277

00:10:29,630 --> 00:10:26,279

both know he has heard what I would

278

00:10:32,870 --> 00:10:29,640

consider extremely not only compelling

279

00:10:36,290 --> 00:10:32,880

but testimony that can be tracked down

280

00:10:38,630 --> 00:10:36,300

and verified specific program names for

281

00:10:41,509 --> 00:10:38,640

legacy UFO programs and holding

282

00:10:44,810 --> 00:10:41,519

facilities for that Hardware if that is

283

00:10:46,430 --> 00:10:44,820

true which I am damn confident it is how

284

00:10:48,710 --> 00:10:46,440

did that not play in

285

00:10:50,569 --> 00:10:48,720

to what we're hearing at the hearing

286

00:10:52,910 --> 00:10:50,579

I'll tell you what why don't we hear

287

00:10:54,889 --> 00:10:52,920

from him okay a basic statement that he

288

00:10:57,410 --> 00:10:54,899

made some of the the claims that he made

289

00:10:58,970 --> 00:10:57,420

in this testimony for those who didn't

290

00:11:00,769 --> 00:10:58,980

get up early in the morning and listen

291

00:11:02,329 --> 00:11:00,779

to the whole thing and then we'll come

292

00:11:04,190 --> 00:11:02,339

back and talk about it distinguished

293

00:11:05,930 --> 00:11:04,200

members of the subcommittee

294

00:11:08,329 --> 00:11:05,940

it's a privilege to be here today to

295

00:11:09,949 --> 00:11:08,339

testify on the defense uh defense's

296

00:11:11,990 --> 00:11:09,959

efforts to address unidentified

297

00:11:14,449 --> 00:11:12,000

anomalous phenomena

298

00:11:16,910 --> 00:11:14,459

I want to underscore today that only a

299

00:11:18,710 --> 00:11:16,920

very small percentage of UAP reports

300

00:11:21,650 --> 00:11:18,720

displays signatures that could

301
00:11:23,449 --> 00:11:21,660
reasonably be described as anomalous the

302
00:11:26,389 --> 00:11:23,459
majority of unidentified objects

303
00:11:28,790 --> 00:11:26,399
reported to Arrow demonstrate mundane

304
00:11:31,130 --> 00:11:28,800
characteristics of balloons unmanned

305
00:11:33,949 --> 00:11:31,140
aerial systems clutter natural phenomena

306
00:11:36,230 --> 00:11:33,959
other readily explainable sources

307
00:11:38,690 --> 00:11:36,240
while a large number of cases in our

308
00:11:41,630 --> 00:11:38,700
Holdings remain technically unresolved

309
00:11:43,910 --> 00:11:41,640
this is primarily due to a lack of data

310
00:11:46,190 --> 00:11:43,920
associated with those cases without

311
00:11:48,050 --> 00:11:46,200
sufficient data we are unable to reach

312
00:11:50,630 --> 00:11:48,060
defendable conclusions

313
00:11:52,850 --> 00:11:50,640

that meet the high scientific standards

314

00:11:54,889 --> 00:11:52,860

we set for resolution and I will not

315

00:11:57,590 --> 00:11:54,899

close a case that I cannot defend the

316

00:11:59,170 --> 00:11:57,600

conclusions of it is fact that UAP often

317

00:12:02,269 --> 00:11:59,180

but not always

318

00:12:04,610 --> 00:12:02,279

resolve into readily explainable sources

319

00:12:06,650 --> 00:12:04,620

arrow is approaching these cases with

320

00:12:09,290 --> 00:12:06,660

the highest level of objectivity and

321

00:12:11,030 --> 00:12:09,300

analytic rigor this includes physically

322

00:12:13,790 --> 00:12:11,040

testing and employing modeling and

323

00:12:15,949 --> 00:12:13,800

simulation validate our analyzes and

324

00:12:17,710 --> 00:12:15,959

underlying theories then peer reviewing

325

00:12:19,910 --> 00:12:17,720

those results within the U.S government

326

00:12:21,949 --> 00:12:19,920

industry partners and appropriately

327

00:12:24,230 --> 00:12:21,959

cleared academic institutions before

328

00:12:26,150 --> 00:12:24,240

reaching any conclusions

329

00:12:28,310 --> 00:12:26,160

I should also State clearly for the

330

00:12:30,769 --> 00:12:28,320

record that in our research Arrow has

331

00:12:32,870 --> 00:12:30,779

found no credible evidence thus far of

332

00:12:35,569 --> 00:12:32,880

extraterrestrial activity off-world

333

00:12:37,250 --> 00:12:35,579

technology or objects that defy the

334

00:12:39,710 --> 00:12:37,260

known laws of physics

335

00:12:42,110 --> 00:12:39,720

in the event sufficient scientific data

336

00:12:44,150 --> 00:12:42,120

were ever obtained that a UAP

337

00:12:46,550 --> 00:12:44,160

encountered can only be explained by

338

00:12:48,470 --> 00:12:46,560

extraterrestrial origin we are committed

339

00:12:51,230 --> 00:12:48,480

to working with our interagency partners

340

00:12:53,569 --> 00:12:51,240

at Nasa to appropriately inform U.S

341

00:12:56,210 --> 00:12:53,579

government's leadership of its findings

342

00:12:57,949 --> 00:12:56,220

for those few cases that have leaked to

343

00:13:00,350 --> 00:12:57,959

the public previously and subsequently

344

00:13:02,030 --> 00:13:00,360

commented on by the U.S government I

345

00:13:03,769 --> 00:13:02,040

encourage those who hold alternative

346

00:13:05,870 --> 00:13:03,779

theories or views to submit your

347

00:13:08,150 --> 00:13:05,880

research to Credible peer-reviewed

348

00:13:09,949 --> 00:13:08,160

scientific journals arrow is working

349

00:13:12,949 --> 00:13:09,959

very hard to do the same

350

00:13:15,610 --> 00:13:12,959

that is how science works not by blog or

351

00:13:18,530 --> 00:13:15,620

social media I have set up two teams

352

00:13:20,449 --> 00:13:18,540

think of this as a red team blue team or

353

00:13:22,550 --> 00:13:20,459

a competitive analysis

354

00:13:25,670 --> 00:13:22,560

I have an intelligence Community team

355

00:13:28,490 --> 00:13:25,680

made up of intelligence analysts and I

356

00:13:29,810 --> 00:13:28,500

have an s t team made up of scientists

357

00:13:31,730 --> 00:13:29,820

and engineers and the people that

358

00:13:33,710 --> 00:13:31,740

actually build a lot of these sensors or

359

00:13:36,769 --> 00:13:33,720

physicists because you know if you're a

360

00:13:37,610 --> 00:13:36,779

physicist you can do anything right

361

00:13:40,790 --> 00:13:37,620

um

362

00:13:43,190 --> 00:13:40,800

and but they're not associated with the

363

00:13:45,410 --> 00:13:43,200

Intel Community they're not Intel

364

00:13:47,569 --> 00:13:45,420

officers so they they look at this

365

00:13:49,910 --> 00:13:47,579

through the lens of the sensor of the

366

00:13:51,889 --> 00:13:49,920

what the data says we give that package

367

00:13:53,569 --> 00:13:51,899

to both teams

368

00:13:54,829 --> 00:13:53,579

the intelligence Community is going to

369

00:13:57,110 --> 00:13:54,839

look at it through the lens of the

370

00:13:59,870 --> 00:13:57,120

intelligence record and what they assess

371

00:14:01,730 --> 00:13:59,880

and their Intel tradecraft which they

372

00:14:04,069 --> 00:14:01,740

have very specific rules and regulations

373

00:14:06,110 --> 00:14:04,079

on how they do that scientific Community

374

00:14:08,030 --> 00:14:06,120

Technical Community is going to look at

375

00:14:10,970 --> 00:14:08,040

it through the lens of what is the data

376

00:14:14,090 --> 00:14:10,980

telling me what is the sensor doing what

377

00:14:17,210 --> 00:14:14,100

would I expect a sense of response to be

378

00:14:21,470 --> 00:14:17,220

and back that out those two groups give

379

00:14:23,150 --> 00:14:21,480

us their answers we then adjudicate

380

00:14:25,550 --> 00:14:23,160

if they agree

381

00:14:27,829 --> 00:14:25,560

then I am more likely to close that case

382

00:14:30,230 --> 00:14:27,839

if they agree on what it is if they

383

00:14:32,210 --> 00:14:30,240

disagree we will have an adjudication

384

00:14:34,370 --> 00:14:32,220

we'll bring them together we'll take a

385

00:14:36,829 --> 00:14:34,380

look at the differences we'll adjudicate

386

00:14:37,910 --> 00:14:36,839

what why do you say one thing and you

387

00:14:40,009 --> 00:14:37,920

say another

388

00:14:43,009 --> 00:14:40,019

we will then come to a case

389

00:14:45,470 --> 00:14:43,019

recommendation

390

00:14:48,829 --> 00:14:45,480

that'll get written up by my team

391

00:14:50,629 --> 00:14:48,839

that then goes to a senior technical

392

00:14:52,569 --> 00:14:50,639

Advisory Group

393

00:14:56,030 --> 00:14:52,579

which is outside of all of those people

394

00:15:01,189 --> 00:14:56,040

made up of senior technical folks and

395

00:15:04,030 --> 00:15:01,199

and Intel analysts and operators from

396

00:15:06,949 --> 00:15:04,040

retired out of the community

397

00:15:13,790 --> 00:15:06,959

and they they essentially peer review

398

00:15:20,930 --> 00:15:17,990

there is a lot that was very I guess uh

399

00:15:22,610 --> 00:15:20,940

kind of good like I really liked what he

400

00:15:24,170 --> 00:15:22,620

was saying which is that the way he

401
00:15:26,990 --> 00:15:24,180
approaches scientifically the evidence

402
00:15:29,090 --> 00:15:27,000
it's a hard job it's boring so a lot of

403
00:15:31,189 --> 00:15:29,100
military people call me during you know

404
00:15:32,389 --> 00:15:31,199
this hearing screaming in the phone and

405
00:15:34,850 --> 00:15:32,399
then a couple people I talked to after

406
00:15:36,829 --> 00:15:34,860
and they're like look this is the way

407
00:15:39,350 --> 00:15:36,839
that UFOs should be investigated

408
00:15:42,050 --> 00:15:39,360
government is slow and it's it's a slow

409
00:15:45,050 --> 00:15:42,060
meticulous kind of boring process so Dr

410
00:15:47,449 --> 00:15:45,060
Kirkpatrick talked about having a a

411
00:15:49,250 --> 00:15:47,459
scientific board that he would go to and

412
00:15:50,870 --> 00:15:49,260
they would assess cases independently

413
00:15:52,790 --> 00:15:50,880

and then he talked about having an

414

00:15:54,829 --> 00:15:52,800

intelligence board they would go in and

415

00:15:56,750 --> 00:15:54,839

use the IC communities information and

416

00:15:59,449 --> 00:15:56,760

assess independently this information

417

00:16:01,610 --> 00:15:59,459

and then he'd bring them together and if

418

00:16:03,290 --> 00:16:01,620

they agreed on what they're seeing in

419

00:16:04,670 --> 00:16:03,300

these videos or whatever kind of

420

00:16:07,189 --> 00:16:04,680

evidence he's getting

421

00:16:08,750 --> 00:16:07,199

and if they don't if they don't then

422

00:16:10,129 --> 00:16:08,760

they would adjudicate it they would they

423

00:16:11,509 --> 00:16:10,139

would study it they would get on the

424

00:16:13,129 --> 00:16:11,519

same level try to understand what's

425

00:16:14,930 --> 00:16:13,139

going on and then move those up to

426

00:16:17,329 --> 00:16:14,940

another group of advisors it's a good

427

00:16:19,790 --> 00:16:17,339

scientific process look he's a scientist

428

00:16:22,910 --> 00:16:19,800

he's a physicist right from what I know

429

00:16:26,030 --> 00:16:22,920

so so if that's the case he's creating a

430

00:16:28,730 --> 00:16:26,040

good system for identifying and looking

431

00:16:30,530 --> 00:16:28,740

at UFO footage and videos

432

00:16:33,230 --> 00:16:30,540

I think that's good I think that's very

433

00:16:35,449 --> 00:16:33,240

positive I I agree it makes it sound

434

00:16:37,850 --> 00:16:35,459

like it is a meticulous organized

435

00:16:39,170 --> 00:16:37,860

process that they're being careful if

436

00:16:42,110 --> 00:16:39,180

he'd come out and said something

437

00:16:45,170 --> 00:16:42,120

outrageous yes ET is here we need to

438

00:16:47,629 --> 00:16:45,180

head for the bunkers it would be way

439

00:16:49,850 --> 00:16:47,639

over the top but of course he was much

440

00:16:51,949 --> 00:16:49,860

more reserved and careful about their

441

00:16:54,170 --> 00:16:51,959

language that he used and it sounds like

442

00:16:55,970 --> 00:16:54,180

it is a process that is underway the

443

00:16:57,949 --> 00:16:55,980

question is from the general public is

444

00:17:00,650 --> 00:16:57,959

how long is this going to take because

445

00:17:02,930 --> 00:17:00,660

you know UFO people are very impatient

446

00:17:04,549 --> 00:17:02,940

they want the answers now the fact that

447

00:17:06,490 --> 00:17:04,559

he didn't come out and have an alien

448

00:17:09,530 --> 00:17:06,500

next to him testifying

449

00:17:12,230 --> 00:17:09,540

it makes it to them seem like it's

450

00:17:13,490 --> 00:17:12,240

outrageous I mean the first alien that

451
00:17:15,350 --> 00:17:13,500
comes out is going to go on The Joe

452
00:17:17,090 --> 00:17:15,360
Rogan podcast I'm sorry it's just like

453
00:17:19,069 --> 00:17:17,100
the biggest podcast ever he's already

454
00:17:21,289 --> 00:17:19,079
invited an alien under the show so I

455
00:17:23,030 --> 00:17:21,299
think I think like I don't know what

456
00:17:25,130 --> 00:17:23,040
people's expectations were I think it

457
00:17:27,230 --> 00:17:25,140
was good on one level and a lot of

458
00:17:28,909 --> 00:17:27,240
people felt the same way and people

459
00:17:31,310 --> 00:17:28,919
um you know military individuals said

460
00:17:33,470 --> 00:17:31,320
this is the way that that we get there

461
00:17:35,750 --> 00:17:33,480
but there were other people that didn't

462
00:17:38,029 --> 00:17:35,760
yeah that's the big question is we have

463
00:17:41,150 --> 00:17:38,039

been in contact with a lot of folks you

464

00:17:44,210 --> 00:17:41,160

would call whistleblowers who have gone

465

00:17:46,250 --> 00:17:44,220

above and beyond who put their careers

466

00:17:49,010 --> 00:17:46,260

and reputations on the line to come

467

00:17:51,409 --> 00:17:49,020

forward with some outrageous uh

468

00:17:53,990 --> 00:17:51,419

testimony that happens to be true and

469

00:17:56,390 --> 00:17:54,000

they've talked to Kirkpatrick

470

00:17:58,250 --> 00:17:56,400

the fact that he says there's no

471

00:18:00,770 --> 00:17:58,260

credible evidence

472

00:18:03,049 --> 00:18:00,780

um you know it is kind of a slap in the

473

00:18:06,470 --> 00:18:03,059

face to some of them don't you think

474

00:18:08,930 --> 00:18:06,480

they certainly felt like it was but the

475

00:18:11,870 --> 00:18:08,940

thing is is evidence of what we we don't

476

00:18:14,690 --> 00:18:11,880

so the whole thing with the UFO issue is

477

00:18:17,150 --> 00:18:14,700

that we haven't if we have determined

478

00:18:18,289 --> 00:18:17,160

that this is extraterrestrial that

479

00:18:20,150 --> 00:18:18,299

hasn't been conveyed to the American

480

00:18:22,490 --> 00:18:20,160

public yet so all these people giving

481

00:18:24,529 --> 00:18:22,500

testimony of what they've experienced he

482

00:18:26,450 --> 00:18:24,539

I'd assume he needs to run that down

483

00:18:28,070 --> 00:18:26,460

validate that information you don't know

484

00:18:31,190 --> 00:18:28,080

when people tell you stuff if it's real

485

00:18:33,350 --> 00:18:31,200

or not uh but I think the quality of

486

00:18:36,430 --> 00:18:33,360

information that we know he's been given

487

00:18:41,270 --> 00:18:36,440

about Legacy UFO programs Hardware

488

00:18:42,830 --> 00:18:41,280

exploitation programs is is so good that

489

00:18:44,750 --> 00:18:42,840

it's something that he could validate

490

00:18:45,470 --> 00:18:44,760

well let's get into that

491

00:18:48,049 --> 00:18:45,480

um

492

00:18:50,270 --> 00:18:48,059

how specific has the information been

493

00:18:52,490 --> 00:18:50,280

that's been conveyed to him from people

494

00:18:54,169 --> 00:18:52,500

that we know I'd like to give our

495

00:18:56,450 --> 00:18:54,179

audience a little bit of an indication

496

00:18:59,029 --> 00:18:56,460

of where it's gone yeah to to the

497

00:19:01,730 --> 00:18:59,039

location of storage the place the

498

00:19:04,669 --> 00:19:01,740

building program names UFO exploitation

499

00:19:06,409 --> 00:19:04,679

program names like actual the actual

500

00:19:09,230 --> 00:19:06,419

names and classified settings have been

501
00:19:11,630 --> 00:19:09,240
given they've been corroborated

502
00:19:15,230 --> 00:19:11,640
and then they've been given locations

503
00:19:17,510 --> 00:19:15,240
where some of this Hardware is so it's

504
00:19:19,669 --> 00:19:17,520
been very specific if I'm a

505
00:19:21,710 --> 00:19:19,679
whistleblower and I'm sitting at home I

506
00:19:23,150 --> 00:19:21,720
worked on one of these Legacy programs I

507
00:19:25,490 --> 00:19:23,160
work for one of the big Aerospace

508
00:19:27,950 --> 00:19:25,500
contractors I've seen The Meta materials

509
00:19:29,990 --> 00:19:27,960
maybe I've seen the craft I've been told

510
00:19:32,049 --> 00:19:30,000
to shut up and I'm thinking about coming

511
00:19:34,430 --> 00:19:32,059
forward and saying something to

512
00:19:36,650 --> 00:19:34,440
Kirkpatrick or somebody else or to

513
00:19:37,549 --> 00:19:36,660

Congress and I see that testimony it

514

00:19:39,110 --> 00:19:37,559

says

515

00:19:40,730 --> 00:19:39,120

you know I know there have been

516

00:19:43,370 --> 00:19:40,740

whistleblowers but there's been nothing

517

00:19:45,409 --> 00:19:43,380

credible no evidence that I've seen do I

518

00:19:49,310 --> 00:19:45,419

want to come forward do I want to put my

519

00:19:53,090 --> 00:19:49,320

neck uh in in the guillotine and risk my

520

00:19:55,190 --> 00:19:53,100

career my life the lives of my family to

521

00:19:57,650 --> 00:19:55,200

come forward with this information or do

522

00:20:00,590 --> 00:19:57,660

I stay home

523

00:20:02,870 --> 00:20:00,600

give them time I mean I I honestly I I

524

00:20:05,810 --> 00:20:02,880

hate myself that I'm defending him give

525

00:20:08,470 --> 00:20:05,820

him time because I I think that he does

526

00:20:12,110 --> 00:20:08,480

not yet have the authority

527

00:20:14,690 --> 00:20:12,120

to fully authenticate the information

528

00:20:16,789 --> 00:20:14,700

we'll say claims right now that he has

529

00:20:18,650 --> 00:20:16,799

heard and I know that to be true that he

530

00:20:20,750 --> 00:20:18,660

doesn't have the authority yet but

531

00:20:22,549 --> 00:20:20,760

they're seeking it so I would say just

532

00:20:25,070 --> 00:20:22,559

give it a beat so if we were to say

533

00:20:28,070 --> 00:20:25,080

that's part of the bad we saw the good

534

00:20:30,110 --> 00:20:28,080

we've seen the bad now is that that came

535

00:20:32,810 --> 00:20:30,120

out I mean loud and clear he does not

536

00:20:35,029 --> 00:20:32,820

have title 10 and title 50 authority to

537

00:20:37,010 --> 00:20:35,039

go ahead and Pierce the Veil of secrecy

538

00:20:39,470 --> 00:20:37,020

with these Special access programs

539

00:20:42,110 --> 00:20:39,480

places that we know hold the goodies

540

00:20:43,549 --> 00:20:42,120

hold the secrets straight up yeah so

541

00:20:44,810 --> 00:20:43,559

that's that's isn't that the roadblock

542

00:20:48,230 --> 00:20:44,820

that everybody's kind of when it comes

543

00:20:49,850 --> 00:20:48,240

to UFOs if this is real if this is a the

544

00:20:51,770 --> 00:20:49,860

secret that we're holding technologies

545

00:20:53,990 --> 00:20:51,780

that are far we're not just seeing them

546

00:20:56,450 --> 00:20:54,000

in the skies that that is that is known

547

00:20:58,490 --> 00:20:56,460

Senator gillibrand talked about that we

548

00:21:01,010 --> 00:20:58,500

now know that there are Machines of

549

00:21:03,289 --> 00:21:01,020

Unknown Origin that perform in ways that

550

00:21:06,110 --> 00:21:03,299

we can't duplicate we can't replicate

551
00:21:07,970 --> 00:21:06,120
and there's no Advanced nation that we

552
00:21:10,070 --> 00:21:07,980
know of that is manufacturing these

553
00:21:11,990 --> 00:21:10,080
craft so we get to the point where like

554
00:21:14,090 --> 00:21:12,000
well whose are they and if anything

555
00:21:16,789 --> 00:21:14,100
we've learned with the UFO subject it's

556
00:21:17,930 --> 00:21:16,799
that if this is true and we're we've

557
00:21:20,450 --> 00:21:17,940
been trying to get derivative

558
00:21:21,830 --> 00:21:20,460
Technologies from these I don't know

559
00:21:24,529 --> 00:21:21,840
UFOs

560
00:21:27,010 --> 00:21:24,539
that [h__\h] is locked up it's just not

561
00:21:29,330 --> 00:21:27,020
something that these Private Industry

562
00:21:31,130 --> 00:21:29,340
stakeholders are going to just open up

563
00:21:33,230 --> 00:21:31,140

to the public about so he might have the

564

00:21:35,330 --> 00:21:33,240

same problems as everybody before him

565

00:21:37,850 --> 00:21:35,340

trying to get him it's annoying as [h__h]

566

00:21:40,370 --> 00:21:37,860

well we did get a chance to see one of

567

00:21:42,470 --> 00:21:40,380

the uh pieces of evidence that has come

568

00:21:44,090 --> 00:21:42,480

into arrow and in recent times and I

569

00:21:46,310 --> 00:21:44,100

don't know about you but when I saw this

570

00:21:48,049 --> 00:21:46,320

orb floating over the Middle East it

571

00:21:50,510 --> 00:21:48,059

kind of rang a bell with me it seems

572

00:21:51,649 --> 00:21:50,520

familiar doesn't it how so George I

573

00:21:53,510 --> 00:21:51,659

don't know what you're talking about I

574

00:21:55,789 --> 00:21:53,520

don't know episode one of weaponized

575

00:21:58,130 --> 00:21:55,799

comes to mind oh what was it episode one

576

00:22:02,330 --> 00:21:58,140

okay so right so what you're talking

577

00:22:06,110 --> 00:22:02,340

about is that uh Dr Kirkpatrick he

578

00:22:08,570 --> 00:22:06,120

demonstrated two cases within arrow that

579

00:22:11,149 --> 00:22:08,580

they said one is unresolved and one is

580

00:22:13,610 --> 00:22:11,159

resolved I I found his choices super

581

00:22:16,909 --> 00:22:13,620

interesting so the First Choice he he

582

00:22:19,610 --> 00:22:16,919

chose was uh an orb so it was a metallic

583

00:22:22,549 --> 00:22:19,620

sphere this is the most common UFO

584

00:22:25,669 --> 00:22:22,559

sighting is a metallic sphere anywhere

585

00:22:27,770 --> 00:22:25,679

between one meter to three meters that

586

00:22:29,510 --> 00:22:27,780

that just moves under intelligent

587

00:22:31,730 --> 00:22:29,520

control without

588

00:22:33,890 --> 00:22:31,740

um heat plumes or exhaust right it's not

589

00:22:36,529 --> 00:22:33,900

aerodynamic so they did show one of

590

00:22:39,230 --> 00:22:36,539

those they did show it was not the mosul

591

00:22:42,169 --> 00:22:39,240

orb the mosul orb is the image of the

592

00:22:44,690 --> 00:22:42,179

video that we released there is a video

593

00:22:47,270 --> 00:22:44,700

there is a video it's been used to brief

594

00:22:49,909 --> 00:22:47,280

uh the the armed services it's been used

595

00:22:51,830 --> 00:22:49,919

brief uh you know defense contractors

596

00:22:53,270 --> 00:22:51,840

it's been used to brief politicians it's

597

00:22:55,490 --> 00:22:53,280

been used to breathe I mean really the

598

00:22:57,649 --> 00:22:55,500

whole armed services if you have sipper

599

00:22:59,750 --> 00:22:57,659

net or any of these classified server

600

00:23:02,630 --> 00:22:59,760

access you can go see it yourself Json

601
00:23:05,330 --> 00:23:02,640
did a 23 minute video about UFOs how to

602
00:23:08,810 --> 00:23:05,340
identify them and what's up

603
00:23:11,330 --> 00:23:08,820
why did he show from the Middle East one

604
00:23:14,330 --> 00:23:11,340
of these orbs

605
00:23:17,390 --> 00:23:14,340
and they're not releasing the mosul orb

606
00:23:20,029 --> 00:23:17,400
video your guess is as good as mine well

607
00:23:21,950 --> 00:23:20,039
I mean he also said this is all the

608
00:23:24,289 --> 00:23:21,960
information we have the video is all we

609
00:23:26,690 --> 00:23:24,299
have what platform was that used to

610
00:23:29,770 --> 00:23:26,700
record that that image a Reaper drone a

611
00:23:33,169 --> 00:23:29,780
Reaper drone a sensor system a flying

612
00:23:36,049 --> 00:23:33,179
spy uh apparatus right so so if they

613
00:23:37,970 --> 00:23:36,059

know the point in time and space where

614

00:23:40,370 --> 00:23:37,980

that footage was taken which of course

615

00:23:42,110 --> 00:23:40,380

they do because it's in all of the data

616

00:23:43,789 --> 00:23:42,120

and the metadata of that image they can

617

00:23:46,010 --> 00:23:43,799

find out how fast it was going they can

618

00:23:48,470 --> 00:23:46,020

find out the exact size and there are

619

00:23:50,810 --> 00:23:48,480

other sensor systems that can then

620

00:23:53,990 --> 00:23:50,820

corroborate what that one Reaper drone

621

00:23:56,330 --> 00:23:54,000

picked up that shouldn't be a problem so

622

00:23:58,130 --> 00:23:56,340

I'm surprised when he said that's all

623

00:24:01,190 --> 00:23:58,140

the information we have maybe it is

624

00:24:02,990 --> 00:24:01,200

right now all you have to do is get a

625

00:24:04,669 --> 00:24:03,000

dig in a little bit and you'll have more

626

00:24:07,130 --> 00:24:04,679

information ask for it you know I've

627

00:24:09,470 --> 00:24:07,140

already seen people on UFO social media

628

00:24:11,270 --> 00:24:09,480

trying to explain that's probably just a

629

00:24:13,190 --> 00:24:11,280

balloon and it looks like it's moving

630

00:24:15,110 --> 00:24:13,200

moving kind of fast because the reaper

631

00:24:17,270 --> 00:24:15,120

is moving kind of fast what do you say

632

00:24:19,430 --> 00:24:17,280

to that yeah I mean there is validity to

633

00:24:21,110 --> 00:24:19,440

the idea that it's hard to determine the

634

00:24:22,789 --> 00:24:21,120

the speed of something without knowing

635

00:24:24,649 --> 00:24:22,799

all the variables like that's totally

636

00:24:27,230 --> 00:24:24,659

fair the thing is is that it's it's

637

00:24:30,169 --> 00:24:27,240

unresolved it's unknown it is indicative

638

00:24:31,850 --> 00:24:30,179

of over 50 of the UFO sightings it is

639

00:24:35,510 --> 00:24:31,860

something that we made the public aware

640

00:24:37,250 --> 00:24:35,520

of from a 2016 video the mosul or first

641

00:24:38,870 --> 00:24:37,260

time the world had ever seen you know

642

00:24:41,149 --> 00:24:38,880

military film footage from a conflict

643

00:24:44,450 --> 00:24:41,159

zone so now you got another and it's the

644

00:24:46,669 --> 00:24:44,460

same so the question is does does Dr

645

00:24:48,230 --> 00:24:46,679

kirpatrick Nero not have the the proper

646

00:24:50,210 --> 00:24:48,240

resources not have the right amount of

647

00:24:51,710 --> 00:24:50,220

time not the right amount of funding all

648

00:24:54,169 --> 00:24:51,720

of this is what they were addressing and

649

00:24:57,789 --> 00:24:54,179

that hearing was trying to empower his

650

00:25:00,649 --> 00:24:57,799

office to get more information look UFOs

651
00:25:02,570 --> 00:25:00,659
and what pilots are seeing

652
00:25:03,470 --> 00:25:02,580
and what we've experienced for a long

653
00:25:05,510 --> 00:25:03,480
time

654
00:25:07,490 --> 00:25:05,520
we are all searching for the same thing

655
00:25:10,610 --> 00:25:07,500
we are all searching for understanding

656
00:25:12,110 --> 00:25:10,620
no matter where they are from it's clear

657
00:25:15,110 --> 00:25:12,120
at this point we have ruled out U.S

658
00:25:17,570 --> 00:25:15,120
technology that is 100 clear

659
00:25:20,090 --> 00:25:17,580
seems to be that that object that was

660
00:25:22,190 --> 00:25:20,100
released in that video clip looks a heck

661
00:25:23,690 --> 00:25:22,200
of a lot like the mosul ore yeah do you

662
00:25:26,510 --> 00:25:23,700
think they're the same thing

663
00:25:28,010 --> 00:25:26,520

I I would have no way of knowing uh it's

664

00:25:29,450 --> 00:25:28,020

not what it looks like it's not oh

665

00:25:31,970 --> 00:25:29,460

yeah totally it's it's not the same

666

00:25:33,529 --> 00:25:31,980

video but the the mosul orb is if you

667

00:25:34,610 --> 00:25:33,539

ever get to see the video if the

668

00:25:37,490 --> 00:25:34,620

American public ever gets to see the

669

00:25:39,710 --> 00:25:37,500

video it's it's it is

670

00:25:41,570 --> 00:25:39,720

totally identical to what you've seen I

671

00:25:45,590 --> 00:25:41,580

mean it's not the same video mosul

672

00:25:49,490 --> 00:25:45,600

Orbitz 2016 the one he showed is 2022

673

00:25:51,710 --> 00:25:49,500

but that and it's a spherical metallic

674

00:25:53,450 --> 00:25:51,720

object which is not just like us it's

675

00:25:55,490 --> 00:25:53,460

not just a balloon or something they

676
00:25:57,409 --> 00:25:55,500
rule those out immediately those never

677
00:25:59,210 --> 00:25:57,419
make it into the archive that was a

678
00:26:01,669 --> 00:25:59,220
point this this is unknown it's a

679
00:26:03,230 --> 00:26:01,679
genuine yeah yeah it's not behaving like

680
00:26:04,970 --> 00:26:03,240
a balloon or it wouldn't be in that

681
00:26:06,950 --> 00:26:04,980
archive you'll recall when we had the

682
00:26:09,169 --> 00:26:06,960
most lore been released it the reaction

683
00:26:12,649 --> 00:26:09,179
was oh that's a drop of water on the

684
00:26:14,149 --> 00:26:12,659
camera it's a pothole uh clearly this

685
00:26:15,649 --> 00:26:14,159
thing is not a pothole flying through

686
00:26:17,810 --> 00:26:15,659
the sky well if people could see the

687
00:26:19,370 --> 00:26:17,820
most or video if our Department of

688
00:26:20,930 --> 00:26:19,380

Defense decided to release it then it

689

00:26:22,549 --> 00:26:20,940

would just be like like this video

690

00:26:24,350 --> 00:26:22,559

they'd realize that it's not all these

691

00:26:26,269 --> 00:26:24,360

ridiculous things that they said I

692

00:26:27,830 --> 00:26:26,279

understand going for the lowest hanging

693

00:26:29,570 --> 00:26:27,840

fruit and trying to make everything

694

00:26:31,909 --> 00:26:29,580

explainable so your world view doesn't

695

00:26:34,250 --> 00:26:31,919

collapse I get that we're all trying to

696

00:26:38,510 --> 00:26:34,260

survive on a daily basis but reality is

697

00:26:41,149 --> 00:26:38,520

that the the UAP or UFO Pres Essence is

698

00:26:42,529 --> 00:26:41,159

is real and and we now are openly

699

00:26:44,029 --> 00:26:42,539

talking about it now we have a

700

00:26:45,590 --> 00:26:44,039

government agency that is openly

701
00:26:47,630 --> 00:26:45,600
studying it that's the thing about Arrow

702
00:26:50,149 --> 00:26:47,640
that's that's different than when we've

703
00:26:52,850 --> 00:26:50,159
had secret programs never acknowledged

704
00:26:54,710 --> 00:26:52,860
Eros acknowledged I'd love that here's

705
00:26:57,529 --> 00:26:54,720
the other point that I think needs to be

706
00:26:59,630 --> 00:26:57,539
made okay so Dr Kirkpatrick shows this

707
00:27:01,610 --> 00:26:59,640
in a hearing before the U.S Senate a

708
00:27:04,549 --> 00:27:01,620
senate subcommittee he shows that video

709
00:27:07,070 --> 00:27:04,559
the heavens did not open World War III

710
00:27:09,169 --> 00:27:07,080
did not erupt our national security was

711
00:27:11,510 --> 00:27:09,179
not compromised the Russians didn't

712
00:27:14,330 --> 00:27:11,520
invade Santa Monica the Chinese didn't

713
00:27:16,970 --> 00:27:14,340

attack Us in Alaska or wherever I mean

714

00:27:18,649 --> 00:27:16,980

you can release this information and it

715

00:27:20,990 --> 00:27:18,659

does not compromise U.S national

716

00:27:23,149 --> 00:27:21,000

security why not release the video of

717

00:27:25,549 --> 00:27:23,159

the mosul orb why not release the video

718

00:27:27,409 --> 00:27:25,559

of the Baghdad Phantom which we have

719

00:27:29,470 --> 00:27:27,419

made public well let's talk about the

720

00:27:34,070 --> 00:27:29,480

Baghdad Phantom in a second but like I

721

00:27:36,710 --> 00:27:34,080

again am saying hey everybody you've

722

00:27:38,570 --> 00:27:36,720

seen an image we put out an image it was

723

00:27:41,810 --> 00:27:38,580

contained with an classified briefing

724

00:27:44,390 --> 00:27:41,820

but is inherently unclassified why not

725

00:27:46,610 --> 00:27:44,400

allow the public to engage this I do

726

00:27:48,529 --> 00:27:46,620

think like social media and

727

00:27:50,269 --> 00:27:48,539

crowdsourcing is a good idea Dr

728

00:27:52,190 --> 00:27:50,279

Kirkpatrick kind of was saying this

729

00:27:54,409 --> 00:27:52,200

issue is not going to be resolved on

730

00:27:56,690 --> 00:27:54,419

social media or blogs I get his point

731

00:27:58,669 --> 00:27:56,700

like it's not like a perfect system but

732

00:28:00,470 --> 00:27:58,679

crowdsourcing is important I think

733

00:28:02,930 --> 00:28:00,480

letting the public see what's going on

734

00:28:05,210 --> 00:28:02,940

the world's not going to collapse but

735

00:28:07,690 --> 00:28:05,220

these the mosul orb and the video that

736

00:28:12,169 --> 00:28:07,700

he released are

737

00:28:13,490 --> 00:28:12,179

so freaking common This Is An Occurrence

738

00:28:16,310 --> 00:28:13,500

that happens all the time with the UFOs

739

00:28:19,370 --> 00:28:16,320

is this type of machine I have heard Dr

740

00:28:21,470 --> 00:28:19,380

Kirkpatrick and others uh in the US

741

00:28:23,930 --> 00:28:21,480

government and the Pentagon talking

742

00:28:26,630 --> 00:28:23,940

about transparency oh gosh we really

743

00:28:29,210 --> 00:28:26,640

need transparency that is a goal of ours

744

00:28:31,610 --> 00:28:29,220

we want to be transparent I don't see a

745

00:28:33,470 --> 00:28:31,620

lot of transparency for example he gave

746

00:28:36,110 --> 00:28:33,480

us very little information to go along

747

00:28:38,210 --> 00:28:36,120

with that that or video we have no other

748

00:28:41,029 --> 00:28:38,220

data I don't believe that to be the case

749

00:28:42,470 --> 00:28:41,039

that cannot possibly be true we know for

750

00:28:44,690 --> 00:28:42,480

sure they have other information about

751
00:28:46,789 --> 00:28:44,700
the mosul orb that we released we know

752
00:28:48,529 --> 00:28:46,799
for sure they have other data about the

753
00:28:51,130 --> 00:28:48,539
Baghdad Phantom that they have not

754
00:28:54,049 --> 00:28:51,140
released and we know that when we've

755
00:28:56,450 --> 00:28:54,059
presented videos and other images that

756
00:28:59,450 --> 00:28:56,460
we have obtained to the Pentagon they

757
00:29:01,610 --> 00:28:59,460
shut us down right so maybe he doesn't

758
00:29:03,590 --> 00:29:01,620
have more information at this time but

759
00:29:06,110 --> 00:29:03,600
the thing is if I can go get more

760
00:29:08,510 --> 00:29:06,120
information on the Baghdad Phantom and I

761
00:29:10,909 --> 00:29:08,520
can get more information on the mosa orb

762
00:29:13,010 --> 00:29:10,919
why can't his office so that that does

763
00:29:15,110 --> 00:29:13,020

bother me maybe he should have said at

764

00:29:16,370 --> 00:29:15,120

this time the thing is look I'm just

765

00:29:18,230 --> 00:29:16,380

imagining we're all in this together

766

00:29:22,010 --> 00:29:18,240

we're just trying to figure out what's

767

00:29:24,470 --> 00:29:22,020

up with UFOs right uh he should have at

768

00:29:26,990 --> 00:29:24,480

his resource the ability to investigate

769

00:29:27,769 --> 00:29:27,000

any of these at higher quality than the

770

00:29:31,010 --> 00:29:27,779

public

771

00:29:32,149 --> 00:29:31,020

I do agree that that we should get more

772

00:29:33,710 --> 00:29:32,159

transparency if they're saying

773

00:29:35,450 --> 00:29:33,720

transparency then let's get more

774

00:29:37,250 --> 00:29:35,460

transparencies get this information out

775

00:29:39,649 --> 00:29:37,260

there the Baghdad Phantom let's talk

776

00:29:42,590 --> 00:29:39,659

about that the second example that Dr

777

00:29:44,630 --> 00:29:42,600

Kirkpatrick showed in this hearing it

778

00:29:46,549 --> 00:29:44,640

was already a resolved issue so he's

779

00:29:48,590 --> 00:29:46,559

showing thermal imagery I don't know if

780

00:29:50,330 --> 00:29:48,600

it's white hot or black hot like it's

781

00:29:52,549 --> 00:29:50,340

hard to really analyze it without all

782

00:29:53,990 --> 00:29:52,559

the information and I'm not a systems

783

00:29:56,510 --> 00:29:54,000

analyst but

784

00:29:58,730 --> 00:29:56,520

he was showing something that was

785

00:30:00,889 --> 00:29:58,740

already resolved so hey look sometimes

786

00:30:02,630 --> 00:30:00,899

we get footage that looks really cool or

787

00:30:05,870 --> 00:30:02,640

really strange and then we figure out

788

00:30:07,490 --> 00:30:05,880

it's a plane yeah we know that we deal

789

00:30:10,130 --> 00:30:07,500

with that every day that's what people

790

00:30:11,570 --> 00:30:10,140

deal with the the thing is is that it

791

00:30:14,450 --> 00:30:11,580

was so weird he chose that one because

792

00:30:16,190 --> 00:30:14,460

remember how you and I when we first put

793

00:30:17,510 --> 00:30:16,200

out the Baghdad Phantom to the public

794

00:30:19,490 --> 00:30:17,520

we're like we don't know what this Trail

795

00:30:21,710 --> 00:30:19,500

is in the back but we think it's a like

796

00:30:22,669 --> 00:30:21,720

a camera artifact you know coming from

797

00:30:24,470 --> 00:30:22,679

the camera

798

00:30:25,730 --> 00:30:24,480

well he confirmed that the one that he

799

00:30:28,250 --> 00:30:25,740

showed he made a big point of showing

800

00:30:30,289 --> 00:30:28,260

that it also had a camera artifact I I

801
00:30:31,970 --> 00:30:30,299
didn't know why he was showing that way

802
00:30:34,070 --> 00:30:31,980
it was kind of weird it was

803
00:30:37,430 --> 00:30:34,080
the Baghdad Phantom

804
00:30:40,549 --> 00:30:37,440
filmed in white hot has no exhaust

805
00:30:43,789 --> 00:30:40,559
plumes of heat coming out of it uh it is

806
00:30:45,710 --> 00:30:43,799
not an airplane and it is not a missile

807
00:30:47,029 --> 00:30:45,720
and so that it was kind of weird like

808
00:30:50,090 --> 00:30:47,039
there's bet like if we have better

809
00:30:52,610 --> 00:30:50,100
examples of UAP that we somehow get

810
00:30:53,870 --> 00:30:52,620
leaked from Air Force or whatever we get

811
00:30:55,850 --> 00:30:53,880
from

812
00:30:58,430 --> 00:30:55,860
there was a weird one to show why didn't

813
00:30:59,750 --> 00:30:58,440

he show something better yeah well um

814

00:31:02,510 --> 00:30:59,760

you know

815

00:31:04,909 --> 00:31:02,520

uh it makes me wonder if somebody at

816

00:31:07,310 --> 00:31:04,919

Congress some Senate staffer is watching

817

00:31:09,169 --> 00:31:07,320

weaponized because it it seems

818

00:31:12,350 --> 00:31:09,179

coincidental that that first hearing

819

00:31:15,110 --> 00:31:12,360

that house hearing uh they essentially

820

00:31:18,409 --> 00:31:15,120

tried to debunk the pyramid videos the

821

00:31:21,590 --> 00:31:18,419

bokeh over the the warships on the USS

822

00:31:24,649 --> 00:31:21,600

uh on the west coast the Navy warships

823

00:31:26,690 --> 00:31:24,659

and then in this one they got an orb and

824

00:31:29,269 --> 00:31:26,700

something similar to the Baghdad fandom

825

00:31:30,649 --> 00:31:29,279

yeah coincidence right yeah coincidence

826

00:31:32,690 --> 00:31:30,659

I mean look I'm obviously they're

827

00:31:35,450 --> 00:31:32,700

responding to public demand and public

828

00:31:38,029 --> 00:31:35,460

opinion obviously when if anybody

829

00:31:39,889 --> 00:31:38,039

obtains footage of you know designated

830

00:31:42,049 --> 00:31:39,899

UAP from the military and releases them

831

00:31:44,990 --> 00:31:42,059

to the public uh that's going to be a

832

00:31:46,730 --> 00:31:45,000

topic of conversation you know within uh

833

00:31:48,529 --> 00:31:46,740

the intelligence communities of course

834

00:31:51,230 --> 00:31:48,539

it is that that is a leak that is

835

00:31:54,049 --> 00:31:51,240

information leak and and I'm not saying

836

00:31:55,490 --> 00:31:54,059

it's a good thing but at this point uh

837

00:31:57,470 --> 00:31:55,500

you know there's frustration there's

838

00:31:59,570 --> 00:31:57,480

frustration because everybody knows that

839

00:32:02,690 --> 00:31:59,580

there's good evidence being hidden

840

00:32:04,490 --> 00:32:02,700

no evidence of extraterrestrials what

841

00:32:06,350 --> 00:32:04,500

would that kind of evidence look like I

842

00:32:08,690 --> 00:32:06,360

mean obviously that that's a headline

843

00:32:10,669 --> 00:32:08,700

that a lot of people exploited there's

844

00:32:12,169 --> 00:32:10,679

no evidence of aliens or ETS or

845

00:32:14,810 --> 00:32:12,179

something like that which is probably

846

00:32:17,810 --> 00:32:14,820

true but what would evidence that

847

00:32:20,090 --> 00:32:17,820

confirms its ET even be

848

00:32:21,950 --> 00:32:20,100

you're an obtainium some some element

849

00:32:24,529 --> 00:32:21,960

that doesn't exist here

850

00:32:26,450 --> 00:32:24,539

yeah I mean uh I I you know I don't know

851
00:32:28,430 --> 00:32:26,460
people as people's standards for what

852
00:32:31,490 --> 00:32:28,440
you know I look I don't know what the

853
00:32:34,610 --> 00:32:31,500
full picture is of of UFOs it appears to

854
00:32:37,190 --> 00:32:34,620
me by the way that people are interacted

855
00:32:39,289 --> 00:32:37,200
with and the design of The Craft that

856
00:32:41,269 --> 00:32:39,299
these are from an advanced civilization

857
00:32:43,070 --> 00:32:41,279
not they could easily travel to other

858
00:32:44,750 --> 00:32:43,080
star systems that's what the design of

859
00:32:47,450 --> 00:32:44,760
The Craft seemed to be able

860
00:32:49,789 --> 00:32:47,460
to if you believe that stuff I mean and

861
00:32:52,909 --> 00:32:49,799
I do it it seems like you're you know

862
00:32:55,669 --> 00:32:52,919
the design is able to travel amongst the

863
00:32:57,649 --> 00:32:55,679

Stars but I still don't know it could be

864

00:32:59,450 --> 00:32:57,659

so much weirder than that so we're

865

00:33:01,310 --> 00:32:59,460

talking about Good Bad Ugly here's what

866

00:33:03,289 --> 00:33:01,320

I would consider to be ugly we touched

867

00:33:05,990 --> 00:33:03,299

on this for a moment the fact that he

868

00:33:07,730 --> 00:33:06,000

does not have the legal authority to

869

00:33:10,310 --> 00:33:07,740

force his way into special access

870

00:33:12,470 --> 00:33:10,320

programs where we believe the goodies

871

00:33:14,810 --> 00:33:12,480

are stored and hidden that that's a

872

00:33:16,370 --> 00:33:14,820

problem the second problem is budget now

873

00:33:18,529 --> 00:33:16,380

we didn't get a lot of conversation

874

00:33:20,870 --> 00:33:18,539

about that I suspect uh there were more

875

00:33:22,730 --> 00:33:20,880

discussions behind closed doors in the

876

00:33:24,950 --> 00:33:22,740

closed session but you know we've seen

877

00:33:27,350 --> 00:33:24,960

public statements from senators in the

878

00:33:29,750 --> 00:33:27,360

last couple of weeks that says hey we

879

00:33:32,330 --> 00:33:29,760

authorized a pretty good budget to get

880

00:33:35,149 --> 00:33:32,340

this program underway and the Pentagon

881

00:33:36,950 --> 00:33:35,159

has not allocated that money the

882

00:33:38,389 --> 00:33:36,960

Secretary of Defense says he'll get to

883

00:33:40,310 --> 00:33:38,399

the bottom of it and figure it out but

884

00:33:42,710 --> 00:33:40,320

the the fact that they did not give the

885

00:33:44,509 --> 00:33:42,720

money that Congress wanted to fund for

886

00:33:46,549 --> 00:33:44,519

this that they still don't have the

887

00:33:49,909 --> 00:33:46,559

authority and Personnel that that

888

00:33:52,610 --> 00:33:49,919

Congress intended for it is troubling to

889

00:33:55,190 --> 00:33:52,620

me it it seems like we've seen evidence

890

00:33:57,350 --> 00:33:55,200

that the Department of Defense is

891

00:33:59,450 --> 00:33:57,360

dragging its feet that they have to be

892

00:34:01,190 --> 00:33:59,460

drag Kicking and Screaming into

893

00:34:03,289 --> 00:34:01,200

supporting this investigation and

894

00:34:04,850 --> 00:34:03,299

getting to the bottom of it and I'm not

895

00:34:07,250 --> 00:34:04,860

encouraged by it and I suspect Dr

896

00:34:09,770 --> 00:34:07,260

Kirkpatrick has realized there are

897

00:34:11,510 --> 00:34:09,780

forces within the Pentagon within our

898

00:34:12,889 --> 00:34:11,520

government that don't want this to

899

00:34:15,230 --> 00:34:12,899

happen

900

00:34:17,690 --> 00:34:15,240

yeah I I don't know man I mean again I'm

901
00:34:20,570 --> 00:34:17,700
I'm of two minds about it I mean from

902
00:34:23,450 --> 00:34:20,580
from the from the one side I'm like I'm

903
00:34:25,550 --> 00:34:23,460
so glad that there's an open

904
00:34:27,050 --> 00:34:25,560
government program to study UFOs that we

905
00:34:28,669 --> 00:34:27,060
all knew about from the beginning that

906
00:34:31,490 --> 00:34:28,679
is telling us how they're handling it on

907
00:34:34,490 --> 00:34:31,500
the other side we know that there is so

908
00:34:36,589 --> 00:34:34,500
much that is not being told yet and it's

909
00:34:38,570 --> 00:34:36,599
just it's frustrating I I don't know if

910
00:34:40,369 --> 00:34:38,580
I were a whistleblower with classified

911
00:34:43,250 --> 00:34:40,379
information about these super secret

912
00:34:44,510 --> 00:34:43,260
programs and it's explosive uh I would

913
00:34:46,669 --> 00:34:44,520

have second thoughts about coming

914

00:34:49,669 --> 00:34:46,679

forward right now based on what he said

915

00:34:52,190 --> 00:34:49,679

maybe he's putting out the bat signal to

916

00:34:53,690 --> 00:34:52,200

them on some other wavelength that tells

917

00:34:56,270 --> 00:34:53,700

them to come on in and share information

918

00:34:58,490 --> 00:34:56,280

but I'd be really concerned about it the

919

00:35:01,370 --> 00:34:58,500

second thing is you and I know

920

00:35:03,950 --> 00:35:01,380

that the Air Force has been dragging its

921

00:35:06,109 --> 00:35:03,960

feet we know that there is a log Jam

922

00:35:09,290 --> 00:35:06,119

that some of the images that we have

923

00:35:11,270 --> 00:35:09,300

seen go to a certain spot and they don't

924

00:35:12,890 --> 00:35:11,280

go any further that they have not gone

925

00:35:15,470 --> 00:35:12,900

to Arrow they have not been kicked

926

00:35:17,930 --> 00:35:15,480

upstairs that people like Susan go or

927

00:35:20,569 --> 00:35:17,940

goth uh can't comment on them because

928

00:35:22,910 --> 00:35:20,579

she hasn't seen them that is a problem

929

00:35:26,230 --> 00:35:22,920

yeah okay I'm getting increasingly

930

00:35:29,930 --> 00:35:26,240

frustrated as we do this podcast because

931

00:35:32,630 --> 00:35:29,940

I realized like [h__\h] we're Reinventing

932

00:35:35,329 --> 00:35:32,640

the wheel here I mean

933

00:35:37,190 --> 00:35:35,339

there there's so much going on you know

934

00:35:39,829 --> 00:35:37,200

behind the scenes when it comes to the

935

00:35:41,930 --> 00:35:39,839

UFO thing that it's it just feels like

936

00:35:43,609 --> 00:35:41,940

they're Reinventing the wheel with these

937

00:35:45,170 --> 00:35:43,619

studies there is knowledge of I mean

938

00:35:47,150 --> 00:35:45,180

look just look back to your Russia

939

00:35:50,630 --> 00:35:47,160

reports that we just released an episode

940

00:35:52,849 --> 00:35:50,640

of they were aware that we had certain

941

00:35:55,609 --> 00:35:52,859

Satellite Systems dedicated to the study

942

00:35:58,370 --> 00:35:55,619

of UFOs and this was in the 80s so what

943

00:36:00,470 --> 00:35:58,380

you know did he not get the memo did he

944

00:36:01,609 --> 00:36:00,480

not get all this information so on one

945

00:36:03,770 --> 00:36:01,619

level I'm starting to get really

946

00:36:05,030 --> 00:36:03,780

frustrated because it is kind of a

947

00:36:07,310 --> 00:36:05,040

reinvention of the wheel but I think

948

00:36:09,170 --> 00:36:07,320

it's a necessary one I think that you

949

00:36:11,450 --> 00:36:09,180

know we have to start fresh we have to

950

00:36:13,310 --> 00:36:11,460

look at it fresh we can go back to the

951
00:36:15,530 --> 00:36:13,320
to the to the history books on this

952
00:36:17,210 --> 00:36:15,540
stuff but I think it's it's positive but

953
00:36:19,130 --> 00:36:17,220
it's a little frustrating well we know

954
00:36:21,290 --> 00:36:19,140
that there's a place where a lot of

955
00:36:23,210 --> 00:36:21,300
these images have been submitted and

956
00:36:24,770 --> 00:36:23,220
they never went any further yes we know

957
00:36:27,069 --> 00:36:24,780
what some of those images are yeah and

958
00:36:30,290 --> 00:36:27,079
they're pretty video damn spectacular

959
00:36:32,750 --> 00:36:30,300
that Dr Kirkpatrick and his team should

960
00:36:35,210 --> 00:36:32,760
be able to see him yeah look it would be

961
00:36:37,670 --> 00:36:35,220
baffling to me if if he did not have

962
00:36:39,230 --> 00:36:37,680
access to that information there's you

963
00:36:41,270 --> 00:36:39,240

know this is this is the whole thing

964

00:36:43,490 --> 00:36:41,280

with the UFO topic is we need scientific

965

00:36:45,530 --> 00:36:43,500

study we need to I I want it to be

966

00:36:48,470 --> 00:36:45,540

transparent like Arrow hopefully is

967

00:36:49,970 --> 00:36:48,480

being a forward-facing UFO program the

968

00:36:51,770 --> 00:36:49,980

last time we had a public UFO program

969

00:36:53,569 --> 00:36:51,780

was Project Blue Book so I just got

970

00:36:56,089 --> 00:36:53,579

higher hopes now well there was a

971

00:36:57,890 --> 00:36:56,099

non-public UFO program called OS app

972

00:36:59,870 --> 00:36:57,900

that we we've talked about before that

973

00:37:02,210 --> 00:36:59,880

you and I have reported on before let's

974

00:37:04,310 --> 00:37:02,220

let's use that as an example Dr

975

00:37:06,770 --> 00:37:04,320

Kirkpatrick is now what nine months in

976

00:37:08,390 --> 00:37:06,780

yeah he doesn't have the authority he

977

00:37:10,250 --> 00:37:08,400

needs he doesn't have the budget he

978

00:37:14,150 --> 00:37:10,260

needs he doesn't have the Staffing he

979

00:37:16,609 --> 00:37:14,160

needs by nine months in OSAP uh already

980

00:37:19,010 --> 00:37:16,619

had 50 full-time employees and they were

981

00:37:21,230 --> 00:37:19,020

out in the field investigating UFO cases

982

00:37:23,810 --> 00:37:21,240

they created the world's largest UFO

983

00:37:25,550 --> 00:37:23,820

database Dr Kirkpatrick has not seen

984

00:37:27,650 --> 00:37:25,560

that database he has not seen the

985

00:37:29,690 --> 00:37:27,660

reports that were produced by it more

986

00:37:31,550 --> 00:37:29,700

than a hundred different reports the

987

00:37:33,950 --> 00:37:31,560

fact that he has not had access to any

988

00:37:36,050 --> 00:37:33,960

of that is troubling to me well maybe he

989

00:37:37,910 --> 00:37:36,060

has and he just wants to start anew with

990

00:37:39,770 --> 00:37:37,920

his organization I don't know you know

991

00:37:41,990 --> 00:37:39,780

maybe he has seen it

992

00:37:43,430 --> 00:37:42,000

did you see uh some of the people did

993

00:37:45,050 --> 00:37:43,440

you recognize anybody who's in the

994

00:37:47,810 --> 00:37:45,060

audience that was a small little hearing

995

00:37:50,210 --> 00:37:47,820

room did you Dan I recognized a guy

996

00:37:52,310 --> 00:37:50,220

named Dan Dan is awesome he's a good guy

997

00:37:54,230 --> 00:37:52,320

produces great videos right he does so

998

00:37:57,170 --> 00:37:54,240

yeah on I think like Tick Tock and

999

00:37:59,150 --> 00:37:57,180

Twitter uh Dan does cool updates about

1000

00:38:00,829 --> 00:37:59,160

UFOs and you know it's look I really it

1001
00:38:02,510 --> 00:38:00,839
was so cool he decided I'm gonna get in

1002
00:38:04,250 --> 00:38:02,520
the audience I'm gonna actually go there

1003
00:38:06,410 --> 00:38:04,260
I'm gonna see it firsthand that's really

1004
00:38:08,030 --> 00:38:06,420
what it takes to report on this stuff is

1005
00:38:10,069 --> 00:38:08,040
to really be kind of boots on the ground

1006
00:38:12,589 --> 00:38:10,079
and and see it for yourself I saw a

1007
00:38:14,630 --> 00:38:12,599
couple other photos of some people I did

1008
00:38:16,790 --> 00:38:14,640
not recognize them in the audience it

1009
00:38:18,829 --> 00:38:16,800
was a small audience but at least one of

1010
00:38:20,810 --> 00:38:18,839
them had brought a little saucer that he

1011
00:38:23,690 --> 00:38:20,820
had made a flying saucer and there's a

1012
00:38:25,730 --> 00:38:23,700
shot of him showing it to Dr Kirkpatrick

1013
00:38:28,609 --> 00:38:25,740

and there's a look of incredulity on the

1014

00:38:29,930 --> 00:38:28,619

part of the of Kirkpatrick like why are

1015

00:38:32,390 --> 00:38:29,940

you showing me this thing you made in

1016

00:38:33,710 --> 00:38:32,400

your garage yeah well look it comes with

1017

00:38:35,510 --> 00:38:33,720

the territory it does come with the

1018

00:38:38,089 --> 00:38:35,520

territory look we're so we're also

1019

00:38:40,370 --> 00:38:38,099

fixated on this right like not not most

1020

00:38:42,349 --> 00:38:40,380

people are not dealing with you know

1021

00:38:44,089 --> 00:38:42,359

individuals directly involved with these

1022

00:38:46,130 --> 00:38:44,099

programs so there's this sense of like

1023

00:38:47,510 --> 00:38:46,140

you see something really powerful it

1024

00:38:50,150 --> 00:38:47,520

affects you man you get what you know

1025

00:38:52,490 --> 00:38:50,160

UFO disease you wanna like oh my gosh

1026

00:38:54,050 --> 00:38:52,500

I've got the best evidence ever in my

1027

00:38:55,730 --> 00:38:54,060

backyard with a camera and sometimes

1028

00:38:57,230 --> 00:38:55,740

it's not the best evidence or usually

1029

00:38:59,569 --> 00:38:57,240

it's not the best evidence but I

1030

00:39:01,910 --> 00:38:59,579

understand I understand the enthusiasm

1031

00:39:04,310 --> 00:39:01,920

for this because it's like everybody's

1032

00:39:05,450 --> 00:39:04,320

dancing around it is it true or is it

1033

00:39:08,030 --> 00:39:05,460

not true

1034

00:39:10,550 --> 00:39:08,040

why did they not call other Witnesses

1035

00:39:12,349 --> 00:39:10,560

you know why is Lou Elizondo not appear

1036

00:39:15,109 --> 00:39:12,359

before one of those committees we know

1037

00:39:17,089 --> 00:39:15,119

that Lou and Chris Mellon have met with

1038

00:39:19,130 --> 00:39:17,099

those committees over the last five or

1039

00:39:20,870 --> 00:39:19,140

six years almost six years now have

1040

00:39:22,670 --> 00:39:20,880

given them testimony we know that

1041

00:39:25,730 --> 00:39:22,680

they've brought people like Dave fraber

1042

00:39:28,250 --> 00:39:25,740

over to meet with Senate staff and

1043

00:39:30,530 --> 00:39:28,260

members elected members of Congress why

1044

00:39:32,750 --> 00:39:30,540

are those guys not uh they're testifying

1045

00:39:35,089 --> 00:39:32,760

right I guess it wasn't that kind of

1046

00:39:37,970 --> 00:39:35,099

party right I mean this was just really

1047

00:39:40,730 --> 00:39:37,980

like a budgetary and Authority check-in

1048

00:39:43,130 --> 00:39:40,740

saying hey how are you doing are do you

1049

00:39:46,190 --> 00:39:43,140

have all the resources you need so for

1050

00:39:48,770 --> 00:39:46,200

Arrow to study UFOs but I really think

1051

00:39:51,290 --> 00:39:48,780

that the next thing that we need in

1052

00:39:53,390 --> 00:39:51,300

order to really move the needle here is

1053

00:39:55,609 --> 00:39:53,400

to hear directly from people

1054

00:39:57,470 --> 00:39:55,619

for example like Commander favorite in

1055

00:39:59,510 --> 00:39:57,480

an open Congressional hearing how

1056

00:40:02,089 --> 00:39:59,520

amazing would that be you mentioned Lou

1057

00:40:04,190 --> 00:40:02,099

Elizondo he worked in the UFO program I

1058

00:40:07,130 --> 00:40:04,200

can only imagine people like Dr Colin

1059

00:40:09,770 --> 00:40:07,140

Kelleher Dr laketsky Jay Stratton people

1060

00:40:11,290 --> 00:40:09,780

that actually ran UFO programs for much

1061

00:40:13,790 --> 00:40:11,300

longer than Arrow has been around

1062

00:40:16,849 --> 00:40:13,800

wouldn't that be valuable open

1063

00:40:19,730 --> 00:40:16,859

Congressional testimony right I I think

1064

00:40:22,310 --> 00:40:19,740

that as this moves forward hopefully it

1065

00:40:25,190 --> 00:40:22,320

does that Congress should consider other

1066

00:40:27,890 --> 00:40:25,200

models so Senator Harry Reid as we know

1067

00:40:30,310 --> 00:40:27,900

secured 22 million dollars that funded

1068

00:40:33,230 --> 00:40:30,320

the OSAP program it became the biggest

1069

00:40:35,390 --> 00:40:33,240

UFO study that we know of in the history

1070

00:40:38,329 --> 00:40:35,400

of the US government they produced a

1071

00:40:40,970 --> 00:40:38,339

massive data warehouse of UFO cases a

1072

00:40:42,470 --> 00:40:40,980

hundred or so technical reports none of

1073

00:40:44,390 --> 00:40:42,480

that information has been made public

1074

00:40:46,910 --> 00:40:44,400

but they did it all in a very short

1075

00:40:49,970 --> 00:40:46,920

period of time the whole existence of

1076

00:40:52,970 --> 00:40:49,980

OSAP was 27 months we have a government

1077

00:40:55,849 --> 00:40:52,980

model that's nine months in that's

1078

00:40:58,430 --> 00:40:55,859

produced almost nothing and not not much

1079

00:41:01,730 --> 00:40:58,440

of anything so maybe as Congress moves

1080

00:41:03,890 --> 00:41:01,740

forward they should consider private uh

1081

00:41:06,410 --> 00:41:03,900

organizations that could do some of this

1082

00:41:08,930 --> 00:41:06,420

work if they had proper clearances I

1083

00:41:11,109 --> 00:41:08,940

mean in defense of error again okay so

1084

00:41:13,910 --> 00:41:11,119

the nine months

1085

00:41:16,250 --> 00:41:13,920

I'm just saying I feel for the guy man I

1086

00:41:18,290 --> 00:41:16,260

feel for Dr shark Patrick because

1087

00:41:20,210 --> 00:41:18,300

you know they were like allocated nine

1088

00:41:22,490 --> 00:41:20,220

months ago but how much time as they

1089

00:41:24,950 --> 00:41:22,500

have they really had they don't even

1090

00:41:27,589 --> 00:41:24,960

have the right authorities yet I really

1091

00:41:28,550 --> 00:41:27,599

hope that that they'll continue on this

1092

00:41:30,470 --> 00:41:28,560

road

1093

00:41:31,910 --> 00:41:30,480

proper scientific analysis of the

1094

00:41:33,770 --> 00:41:31,920

footage look a lot of it's not going to

1095

00:41:35,630 --> 00:41:33,780

be UFOs get rid of the balloons get rid

1096

00:41:37,250 --> 00:41:35,640

of the birds get rid of all that we are

1097

00:41:39,290 --> 00:41:37,260

interested in the machines of Unknown

1098

00:41:41,150 --> 00:41:39,300

Origin with Advanced capabilities that

1099

00:41:42,770 --> 00:41:41,160

fly with impunity that's what we're

1100

00:41:44,930 --> 00:41:42,780

interested in that's true because give

1101
00:41:47,270 --> 00:41:44,940
them a chance yeah okay all right I'll

1102
00:41:50,510 --> 00:41:47,280
back off that's fine I'll just say this

1103
00:41:52,250 --> 00:41:50,520
you know I see Dr Kirkpatrick sitting

1104
00:41:53,870 --> 00:41:52,260
there it does not look like he's having

1105
00:41:55,849 --> 00:41:53,880
a lot of fun

1106
00:41:58,370 --> 00:41:55,859
um you know I I don't know it probably

1107
00:42:00,230 --> 00:41:58,380
sounded like a really cool uh job title

1108
00:42:02,569 --> 00:42:00,240
I'm going to be in charge of Arrow I'm

1109
00:42:04,250 --> 00:42:02,579
going to investigate UFOs UAP I'm going

1110
00:42:05,810 --> 00:42:04,260
to get to the bottom of this that that's

1111
00:42:08,030 --> 00:42:05,820
really something cool to put on your

1112
00:42:09,710 --> 00:42:08,040
resume but he does not seem to be having

1113
00:42:12,290 --> 00:42:09,720

fun but the nature of the questions

1114

00:42:14,270 --> 00:42:12,300

posed by members of Congress and then

1115

00:42:16,130 --> 00:42:14,280

there's another hearing coming in June

1116

00:42:18,890 --> 00:42:16,140

that probably is going to be a little

1117

00:42:21,170 --> 00:42:18,900

more a little more a little nastier well

1118

00:42:23,569 --> 00:42:21,180

hold on you just stick we do not know

1119

00:42:25,490 --> 00:42:23,579

for sure it's coming in June dates are

1120

00:42:27,890 --> 00:42:25,500

moving targets I don't know how you know

1121

00:42:29,270 --> 00:42:27,900

that anymore allegedly well it's I think

1122

00:42:31,569 --> 00:42:29,280

it's a moving Target I think it's gonna

1123

00:42:34,130 --> 00:42:31,579

be moving past that anyway so so so

1124

00:42:36,290 --> 00:42:34,140

let's hope let's hope we have more

1125

00:42:38,810 --> 00:42:36,300

Congressional hearings let's hope that

1126
00:42:40,790 --> 00:42:38,820
we hear directly from program people

1127
00:42:42,650 --> 00:42:40,800
that worked in the programs maybe a

1128
00:42:44,210 --> 00:42:42,660
couple Witnesses who saw stuff that are

1129
00:42:45,829 --> 00:42:44,220
kind of irrefutable that have good

1130
00:42:48,410 --> 00:42:45,839
sensor data surrounding like man of

1131
00:42:50,270 --> 00:42:48,420
favor let's let's hope but it's a moving

1132
00:42:51,890 --> 00:42:50,280
Target a date I think we should all

1133
00:42:54,650 --> 00:42:51,900
fight for more Congressional hearings

1134
00:42:57,770 --> 00:42:54,660
with direct testimony from people that

1135
00:43:01,490 --> 00:42:57,780
worked in UFO programs that would be the

1136
00:43:04,010 --> 00:43:01,500
gold standard absolutely but we do know

1137
00:43:06,890 --> 00:43:04,020
uh that there are people in the house

1138
00:43:08,930 --> 00:43:06,900

who are flamethrowers who are not

1139

00:43:11,150 --> 00:43:08,940

patient who want to get to the bottom of

1140

00:43:13,430 --> 00:43:11,160

this and who are prepared to ask many

1141

00:43:17,809 --> 00:43:13,440

more pointed questions than what we have

1142

00:43:19,970 --> 00:43:17,819

heard so far oh yeah like 100 for sure

1143

00:43:22,370 --> 00:43:19,980

there are more pointed questions that

1144

00:43:24,710 --> 00:43:22,380

could be asked with yes or no answers

1145

00:43:26,510 --> 00:43:24,720

and I think we we will be getting that

1146

00:43:29,089 --> 00:43:26,520

soon I just don't want to put a date on

1147

00:43:32,030 --> 00:43:29,099

it but I know it's happening

1148

00:43:35,630 --> 00:43:32,040

um back to Dr Kirkpatrick so I feel for

1149

00:43:38,329 --> 00:43:35,640

him to some extent I feel that he is uh

1150

00:43:40,609 --> 00:43:38,339

trying to do a good job that he needs

1151

00:43:42,589 --> 00:43:40,619

more Authority that he needs a solid

1152

00:43:44,990 --> 00:43:42,599

budget that he needs the kind of staff

1153

00:43:46,730 --> 00:43:45,000

that he was promised and he doesn't have

1154

00:43:49,069 --> 00:43:46,740

any of those things so he's he's

1155

00:43:51,109 --> 00:43:49,079

plugging away he's written some papers

1156

00:43:53,390 --> 00:43:51,119

that are interesting with Dr Avi Loeb

1157

00:43:55,970 --> 00:43:53,400

and is trying to make a dent in this

1158

00:43:58,870 --> 00:43:55,980

problem but I suspect this is not as

1159

00:44:01,670 --> 00:43:58,880

much fun or as rewarding professionally

1160

00:44:04,970 --> 00:44:01,680

as he anticipated and I suspect that it

1161

00:44:07,609 --> 00:44:04,980

also has uh great pitfalls uh great

1162

00:44:10,190 --> 00:44:07,619

risks for his professional reputation to

1163

00:44:12,349 --> 00:44:10,200

suddenly become the UFO guy what job

1164

00:44:14,750 --> 00:44:12,359

does he get after this I have a

1165

00:44:16,970 --> 00:44:14,760

prediction I think he's going to leave I

1166

00:44:20,630 --> 00:44:16,980

think a year from now we're recording

1167

00:44:22,430 --> 00:44:20,640

this in April uh of 2023 a year from now

1168

00:44:25,190 --> 00:44:22,440

he will not be in that job

1169

00:44:27,710 --> 00:44:25,200

that's the George Knapp UFO crystal ball

1170

00:44:30,470 --> 00:44:27,720

like look whatever happens I hope that

1171

00:44:32,030 --> 00:44:30,480

they continue on task and I hope that as

1172

00:44:33,589 --> 00:44:32,040

they get more information that they'll

1173

00:44:35,450 --> 00:44:33,599

be more transparent with the public

1174

00:44:37,550 --> 00:44:35,460

because I think there's a lot lacking

1175

00:44:39,530 --> 00:44:37,560

there but maybe it's just because it all

1176

00:44:41,930 --> 00:44:39,540

happened so quick let's see what happens

1177

00:44:44,030 --> 00:44:41,940

next with arrow yeah I mean also we're

1178

00:44:45,589 --> 00:44:44,040

available to help them out we can show

1179

00:44:47,630 --> 00:44:45,599

them where some of this stuff is stashed

1180

00:44:50,510 --> 00:44:47,640

I mean have they ever seen a jellyfish

1181

00:44:52,490 --> 00:44:50,520

UFO for example George I don't trust

1182

00:44:54,530 --> 00:44:52,500

Arrow to do its job yet you know what I

1183

00:44:55,670 --> 00:44:54,540

mean that's the honest truth and if I

1184

00:44:56,870 --> 00:44:55,680

don't trust them to do their job yet

1185

00:44:59,510 --> 00:44:56,880

they got to earn that trust from

1186

00:45:01,490 --> 00:44:59,520

everybody me not even included they can

1187

00:45:03,890 --> 00:45:01,500

earn a lot of trust they'll get reports

1188

00:45:05,870 --> 00:45:03,900

I'm sure but the people that really have

1189

00:45:07,010 --> 00:45:05,880

worked in these programs they got to

1190

00:45:09,829 --> 00:45:07,020

know they're going to be okay so

1191

00:45:11,270 --> 00:45:09,839

hopefully uh hopefully Arrow does a good

1192

00:45:13,010 --> 00:45:11,280

job continues and earns trust with

1193

00:45:14,930 --> 00:45:13,020

people and I don't know man maybe they

1194

00:45:17,390 --> 00:45:14,940

will be receiving more more footage this

1195

00:45:19,790 --> 00:45:17,400

year I wish them luck uh we'll help them

1196

00:45:26,550 --> 00:45:19,800

if we can but they got a tough road to

1197

00:45:26,560 --> 00:45:33,050

[Music]

1198

00:45:41,109 --> 00:45:37,490

never have so few had so much to tell

1199

00:45:42,890 --> 00:45:41,119

but could say so living

1200

00:45:44,750 --> 00:45:42,900

following us in a weaponized

1201

00:45:46,370 --> 00:45:44,760

presentation of Jeremy Corbell George

1202

00:45:48,530 --> 00:45:46,380

Knapp Dark Horse entertainment and

1203

00:45:50,630 --> 00:45:48,540

Cadence 13 Studios available now for
