

WEAPONIZED #16

RUSSIAN SCIENTISTS RISKED EVERYTHING TO INVESTIGATE UFOs

1
00:00:06,950 --> 00:00:04,190
Secrets cover-ups and strange phenomena

2
00:00:09,950 --> 00:00:06,960
UFOs and ideas that challenge reality

3
00:00:11,570 --> 00:00:09,960
itself all these Mysteries all this time

4
00:00:14,150 --> 00:00:11,580
are we ever going to get to the bottom

5
00:00:16,670 --> 00:00:14,160
of these my name is George Knapp I dig

6
00:00:18,950 --> 00:00:16,680
into news stories that others can't or

7
00:00:20,630 --> 00:00:18,960
won't I'm Jeremy Corbell and for some

8
00:00:22,670 --> 00:00:20,640
reason people tell me things they

9
00:00:23,870 --> 00:00:22,680
probably shouldn't

10
00:00:24,960 --> 00:00:23,880
and this

11
00:00:29,330 --> 00:00:24,970
is weapons

12
00:00:32,450 --> 00:00:29,340
[Music]

13
00:00:34,850 --> 00:00:32,460

perhaps we need some outside Universal

14

00:00:36,590 --> 00:00:34,860

threats

15

00:00:38,870 --> 00:00:36,600

here we are weaponized welcome back

16

00:00:43,430 --> 00:00:38,880

weaponized again I feel like we're gonna

17

00:00:45,290 --> 00:00:43,440

talk again about your exploits to Russia

18

00:00:47,569 --> 00:00:45,300

and you

19

00:00:49,549 --> 00:00:47,579

stealing taking classified documents

20

00:00:51,410 --> 00:00:49,559

from Russia to America about UFOs

21

00:00:54,170 --> 00:00:51,420

because the last time we talked about it

22

00:00:57,069 --> 00:00:54,180

you told us all about your meetings with

23

00:01:00,290 --> 00:00:57,079

government officials like how you

24

00:01:03,290 --> 00:01:00,300

infiltrated the the fall of Russia and

25

00:01:06,530 --> 00:01:03,300

got these head UFO government people to

26

00:01:08,630 --> 00:01:06,540

talk with you but you also talked with a

27

00:01:11,090 --> 00:01:08,640

whole bunch of scientists about their

28

00:01:16,010 --> 00:01:11,100

study of UFOs a whole separate part of

29

00:01:18,289 --> 00:01:16,020

this so so in 1992 the USSR collapsed uh

30

00:01:21,109 --> 00:01:18,299

in essence it was gone the Soviet former

31

00:01:24,050 --> 00:01:21,119

Soviet republics became independent uh

32

00:01:26,749 --> 00:01:24,060

Mikhail Gorbachev resigned Boris Yeltsin

33

00:01:28,969 --> 00:01:26,759

became Top Dog in Russia they were

34

00:01:30,770 --> 00:01:28,979

experimenting with democracy and

35

00:01:34,070 --> 00:01:30,780

capitalism it's a period known as

36

00:01:35,630 --> 00:01:34,080

glasnost perestroika a new openness and

37

00:01:37,490 --> 00:01:35,640

I thought at that time there was a

38

00:01:39,950 --> 00:01:37,500

unique opportunity to maybe find out

39

00:01:42,230 --> 00:01:39,960

what the Russians knew about UFOs the

40

00:01:44,149 --> 00:01:42,240

premise being maybe we could learn more

41

00:01:46,069 --> 00:01:44,159

from the Russians about what the

42

00:01:47,929 --> 00:01:46,079

American government knows about UFOs

43

00:01:49,969 --> 00:01:47,939

then the American government would ever

44

00:01:51,050 --> 00:01:49,979

tell us and that is exactly what we did

45

00:01:53,090 --> 00:01:51,060

we found out that there were

46

00:01:55,609 --> 00:01:53,100

similarities in both countries that both

47

00:01:57,889 --> 00:01:55,619

of those superpowers had said one thing

48

00:02:00,050 --> 00:01:57,899

to the public the Russians and the

49

00:02:02,330 --> 00:02:00,060

American governments and both said move

50

00:02:04,850 --> 00:02:02,340

along nothing to see here no big deal

51
00:02:06,950 --> 00:02:04,860
nothing to worry about with UFOs we got

52
00:02:08,449 --> 00:02:06,960
it under control said that to the public

53
00:02:10,669 --> 00:02:08,459
and then behind the scenes they

54
00:02:12,650 --> 00:02:10,679
conducted secret studies the Americans

55
00:02:15,050 --> 00:02:12,660
are still doing it the Russians were

56
00:02:17,930 --> 00:02:15,060
doing it back then we learned from a

57
00:02:19,970 --> 00:02:17,940
Russian Colonel named borosakolov

58
00:02:22,729 --> 00:02:19,980
that they had conducted what amounts to

59
00:02:25,190 --> 00:02:22,739
the largest UFO study investigation in

60
00:02:27,710 --> 00:02:25,200
history the entire USSR the entire

61
00:02:29,630 --> 00:02:27,720
military had a standing order to fully

62
00:02:32,330 --> 00:02:29,640
investigate every ball of light every

63
00:02:34,369 --> 00:02:32,340

UFO every anomalous craft all that

64

00:02:36,170 --> 00:02:34,379

information had to be collected and sent

65

00:02:38,510 --> 00:02:36,180

to the ministry of defense and I was

66

00:02:40,430 --> 00:02:38,520

able to obtain copies some of them

67

00:02:43,610 --> 00:02:40,440

original copies some of it classified

68

00:02:46,430 --> 00:02:43,620

information at the time of their their

69

00:02:48,470 --> 00:02:46,440

in their investigative reports the UFO

70

00:02:51,229 --> 00:02:48,480

incidents thousands of cases some of

71

00:02:53,570 --> 00:02:51,239

them incredibly dramatic we had also

72

00:02:55,369 --> 00:02:53,580

learned during that first trip to Russia

73

00:02:57,530 --> 00:02:55,379

in 1993

74

00:03:00,050 --> 00:02:57,540

that a number of scientists had been

75

00:03:02,930 --> 00:03:00,060

studying this in secrecy for a long time

76

00:03:05,089 --> 00:03:02,940

like this country Russian scientists did

77

00:03:07,130 --> 00:03:05,099

So at their own Peril not only because

78

00:03:08,449 --> 00:03:07,140

they had to worry about ostracism from

79

00:03:10,309 --> 00:03:08,459

their colleagues who might think it's

80

00:03:12,110 --> 00:03:10,319

all a waste of time but because the

81

00:03:13,910 --> 00:03:12,120

official position of the Stalin

82

00:03:17,390 --> 00:03:13,920

government and government Khrushchev and

83

00:03:19,369 --> 00:03:17,400

and governments uh afterward had said

84

00:03:21,710 --> 00:03:19,379

this is a capitalist plot there's

85

00:03:24,229 --> 00:03:21,720

nothing to it pay no attention to it but

86

00:03:26,509 --> 00:03:24,239

we know that from Stalin on they wanted

87

00:03:28,610 --> 00:03:26,519

to duplicate the technology to figure

88

00:03:30,229 --> 00:03:28,620

out how UFOs worked they knew they

89

00:03:32,030 --> 00:03:30,239

weren't ours they knew they weren't

90

00:03:34,309 --> 00:03:32,040

Russian they were from somewhere else

91

00:03:35,750 --> 00:03:34,319

this is advanced technology and if they

92

00:03:37,550 --> 00:03:35,760

could figure it out and duplicate it

93

00:03:39,890 --> 00:03:37,560

they could beat us in terms of stealth

94

00:03:42,410 --> 00:03:39,900

that's what soccer lives study uh

95

00:03:44,690 --> 00:03:42,420

pursued that's what subsequent studies

96

00:03:46,729 --> 00:03:44,700

pursued and so we were trying to figure

97

00:03:48,949 --> 00:03:46,739

out who else knows about this and and

98

00:03:51,470 --> 00:03:48,959

during that first visit in 93 and then

99

00:03:53,210 --> 00:03:51,480

again in 96 when I went back

100

00:03:55,030 --> 00:03:53,220

I got to interact with a number of

101
00:03:58,250 --> 00:03:55,040
scientists who'd spent their whole lives

102
00:04:00,229 --> 00:03:58,260
studying this in secrecy sometimes it

103
00:04:01,670 --> 00:04:00,239
was done in secrecy in defiance of the

104
00:04:03,350 --> 00:04:01,680
government they were doing it behind

105
00:04:04,850 --> 00:04:03,360
closed doors and hoped that the

106
00:04:06,770 --> 00:04:04,860
government wouldn't find out what they

107
00:04:09,289 --> 00:04:06,780
were doing there's a guy named Dr Philip

108
00:04:11,690 --> 00:04:09,299
Felix Siegel he's like the Russian

109
00:04:14,929 --> 00:04:11,700
equivalent of J Alan heineck and he had

110
00:04:17,509 --> 00:04:14,939
a a group of colleagues who would go out

111
00:04:20,330 --> 00:04:17,519
to Landing site cases places where

112
00:04:21,949 --> 00:04:20,340
Witnesses said a UFO landed here and

113
00:04:22,990 --> 00:04:21,959

they would go out and look for physical

114

00:04:25,730 --> 00:04:23,000

evidence

115

00:04:28,790 --> 00:04:25,740

indentations in the soil burn marks

116

00:04:30,710 --> 00:04:28,800

radiation uh effects on trees and

117

00:04:32,450 --> 00:04:30,720

vegetation things of that sort there was

118

00:04:34,730 --> 00:04:32,460

a group of them maybe 20 or so of those

119

00:04:37,790 --> 00:04:34,740

folks and many of them continued for a

120

00:04:40,070 --> 00:04:37,800

long time before you tell me about the

121

00:04:42,650 --> 00:04:40,080

uh the different scientists you met with

122

00:04:44,810 --> 00:04:42,660

and that whole thing what was the I mean

123

00:04:46,790 --> 00:04:44,820

look Russia and America were not sharing

124

00:04:49,730 --> 00:04:46,800

a lot of information at all at that time

125

00:04:52,010 --> 00:04:49,740

did you get a sense that because of the

126

00:04:53,810 --> 00:04:52,020

changes that people wanted to to talk

127

00:04:55,550 --> 00:04:53,820

with you they would they were eager to

128

00:04:57,350 --> 00:04:55,560

give you this information and if so why

129

00:04:59,270 --> 00:04:57,360

exactly well the whole country was

130

00:05:02,030 --> 00:04:59,280

changing the world was changing the fall

131

00:05:04,430 --> 00:05:02,040

of the Berlin Wall uh the emergence of

132

00:05:05,990 --> 00:05:04,440

democracy and capitalism in Russia there

133

00:05:07,610 --> 00:05:06,000

were so many examples of it you know

134

00:05:10,010 --> 00:05:07,620

that I've shared with you privately

135

00:05:12,530 --> 00:05:10,020

before there was a McDonald's though

136

00:05:15,170 --> 00:05:12,540

opened up that was wildly popular you'd

137

00:05:16,730 --> 00:05:15,180

go in there to order a burger or

138

00:05:18,890 --> 00:05:16,740

something the the Russian employees

139

00:05:21,710 --> 00:05:18,900

would stand ten deep behind the counter

140

00:05:23,930 --> 00:05:21,720

uh to to Serbia to serve customers there

141

00:05:25,850 --> 00:05:23,940

was a Pizza Hut that we saw that had a

142

00:05:29,150 --> 00:05:25,860

salad bar on the inside they would serve

143

00:05:31,490 --> 00:05:29,160

pizza out a window to the Russians and

144

00:05:33,890 --> 00:05:31,500

they'd serve a salad bar to Americans

145

00:05:35,930 --> 00:05:33,900

and tourists inside and that salad bar

146

00:05:37,909 --> 00:05:35,940

consisted of I think six different kinds

147

00:05:40,490 --> 00:05:37,919

of beets you know they didn't quite have

148

00:05:42,650 --> 00:05:40,500

the capitalism down uh but they wanted

149

00:05:45,529 --> 00:05:42,660

to embrace it so much they were so open

150

00:05:47,510 --> 00:05:45,539

and warm and friendly and curious about

151
00:05:49,550 --> 00:05:47,520
Americans that they opened their homes

152
00:05:51,590 --> 00:05:49,560
and in many cases they opened their

153
00:05:53,450 --> 00:05:51,600
secrets to us it was really exciting

154
00:05:55,550 --> 00:05:53,460
time to be there but it was also

155
00:05:57,110 --> 00:05:55,560
tumultuous politically as I told you

156
00:05:59,990 --> 00:05:57,120
before a couple of weeks ago on

157
00:06:02,390 --> 00:06:00,000
weaponized we every single time day that

158
00:06:04,310 --> 00:06:02,400
we were there 10-day period in 1993

159
00:06:07,330 --> 00:06:04,320
there were these massive demonstrations

160
00:06:09,469 --> 00:06:07,340
in Red Square pro-communist on one side

161
00:06:11,450 --> 00:06:09,479
pro-democracy demonstrators on the other

162
00:06:13,249 --> 00:06:11,460
and the military and police in between

163
00:06:15,469 --> 00:06:13,259

keeping them separate so there wasn't a

164

00:06:17,930 --> 00:06:15,479

riot

165

00:06:20,150 --> 00:06:17,940

cooperation from friendly countries is

166

00:06:22,370 --> 00:06:20,160

one thing but what about our enemies or

167

00:06:24,830 --> 00:06:22,380

former enemies how do they handle the

168

00:06:27,890 --> 00:06:24,840

UFO matter and is there any cooperation

169

00:06:29,990 --> 00:06:27,900

between them and us

170

00:06:32,270 --> 00:06:30,000

shortly thereafter Soviet president

171

00:06:34,070 --> 00:06:32,280

Mikhail Gorbachev in response to

172

00:06:36,710 --> 00:06:34,080

repeated statements by then President

173

00:06:39,050 --> 00:06:36,720

Ronald Reagan told Western reporters

174

00:06:40,969 --> 00:06:39,060

that he agreed with Reagan if the world

175

00:06:43,790 --> 00:06:40,979

were ever threatened by outside Powers

176
00:06:46,550 --> 00:06:43,800
our two nations would stand side by side

177
00:06:48,529 --> 00:06:46,560
in the defense of Earth Reagan alluded

178
00:06:50,930 --> 00:06:48,539
to this Potential Threat in five

179
00:06:53,330 --> 00:06:50,940
separate public speeches including an

180
00:06:55,790 --> 00:06:53,340
address to the United Nations suddenly

181
00:06:58,370 --> 00:06:55,800
Russians were flocking to newsstands to

182
00:07:00,469 --> 00:06:58,380
buy the same sort of UFO tabloids that

183
00:07:03,230 --> 00:07:00,479
Americans buy filled with lurid

184
00:07:05,990 --> 00:07:03,240
Sensational stories about nasty aliens

185
00:07:08,570 --> 00:07:06,000
and their dubious intentions at the same

186
00:07:10,370 --> 00:07:08,580
time UFO organizations including

187
00:07:12,950 --> 00:07:10,380
respected scientists and military

188
00:07:16,129 --> 00:07:12,960

officials were free to openly discuss

189

00:07:18,110 --> 00:07:16,139

UFO cases and issues but still little

190

00:07:19,200 --> 00:07:18,120

was made public about what the Soviet

191

00:07:22,610 --> 00:07:19,210

government might know

192

00:07:25,490 --> 00:07:22,620

[Music]

193

00:07:27,469 --> 00:07:25,500

in March 1993 our investigative team

194

00:07:29,390 --> 00:07:27,479

traveled to Moscow to meet with current

195

00:07:36,850 --> 00:07:29,400

and former government and military

196

00:07:41,150 --> 00:07:39,290

the journey was undertaken during a

197

00:07:43,670 --> 00:07:41,160

period of dramatic political and social

198

00:07:46,070 --> 00:07:43,680

upheaval in Russia but few events could

199

00:07:48,350 --> 00:07:46,080

be as dramatic or as important as what

200

00:07:50,570 --> 00:07:48,360

was uncovered about UFOs and human

201

00:07:52,850 --> 00:07:50,580

knowledge of the alien presence a

202

00:07:56,089 --> 00:07:52,860

government biologist who analyzes soil

203

00:07:58,249 --> 00:07:56,099

samples from UFO landing sites a Moscow

204

00:08:00,409 --> 00:07:58,259

Professor who was secretly directed a

205

00:08:02,270 --> 00:08:00,419

discrete organization of high-level

206

00:08:05,390 --> 00:08:02,280

scientists and military personnel

207

00:08:08,089 --> 00:08:05,400

interested in UFOs and author and

208

00:08:10,790 --> 00:08:08,099

physicist who began studying UFOs in the

209

00:08:12,529 --> 00:08:10,800

50s and who became a non-person when he

210

00:08:15,110 --> 00:08:12,539

refused to quit talking and writing

211

00:08:17,510 --> 00:08:15,120

about the subject an engineer in the

212

00:08:20,210 --> 00:08:17,520

Russian SDI program who asserts the

213

00:08:22,909 --> 00:08:20,220

Soviet military long ago determined that

214

00:08:25,129 --> 00:08:22,919

UFOs were interplanetary and who says

215

00:08:28,249 --> 00:08:25,139

UFO data has been incorporated into

216

00:08:30,170 --> 00:08:28,259

Russian beam weapon research and a

217

00:08:32,389 --> 00:08:30,180

shadowy man who currently heads the

218

00:08:36,050 --> 00:08:32,399

ongoing Ministry of Defense study of

219

00:08:38,449 --> 00:08:36,060

UFOs and aliens the importance of these

220

00:08:40,550 --> 00:08:38,459

Revelations is difficult to overstate in

221

00:08:42,889 --> 00:08:40,560

Russia of all places a country still

222

00:08:45,290 --> 00:08:42,899

experimenting with democracy it is now

223

00:08:47,329 --> 00:08:45,300

permissible for former military men and

224

00:08:49,670 --> 00:08:47,339

government scientists to admit a

225

00:08:52,670 --> 00:08:49,680

long-standing involvement in clandestine

226

00:08:54,769 --> 00:08:52,680

UFO research in America the Cradle of

227

00:08:57,790 --> 00:08:54,779

Freedom it's another story

228

00:09:02,269 --> 00:09:00,710

exciting time to be there but it was

229

00:09:04,730 --> 00:09:02,279

clear that the Russians wanted change

230

00:09:06,530 --> 00:09:04,740

they wanted they were looking their

231

00:09:07,910 --> 00:09:06,540

their country was a mess the ruble was

232

00:09:10,190 --> 00:09:07,920

worthless but they were hopeful about

233

00:09:11,630 --> 00:09:10,200

what the future might hold and and so

234

00:09:13,250 --> 00:09:11,640

they knew from everything that you've

235

00:09:14,630 --> 00:09:13,260

told me kind of privately and the

236

00:09:16,970 --> 00:09:14,640

documents and everything you've shown me

237

00:09:20,269 --> 00:09:16,980

and what you brought back you know that

238

00:09:22,910 --> 00:09:20,279

it's very clear Russia was aware that

239

00:09:24,949 --> 00:09:22,920

UFOs were not U.S technology they were

240

00:09:27,170 --> 00:09:24,959

not any technology from any known

241

00:09:28,970 --> 00:09:27,180

foreign nation in fact they went a step

242

00:09:30,710 --> 00:09:28,980

further in a lot of these documents and

243

00:09:32,810 --> 00:09:30,720

the people you talked with said we know

244

00:09:34,190 --> 00:09:32,820

they're not from here they're spaceships

245

00:09:36,290 --> 00:09:34,200

they're from somewhere else this was

246

00:09:37,970 --> 00:09:36,300

technology that was beyond anything they

247

00:09:39,650 --> 00:09:37,980

had it was beyond anything that they

248

00:09:41,870 --> 00:09:39,660

thought the Americans had they were

249

00:09:43,970 --> 00:09:41,880

aware of sensor systems that we had that

250

00:09:46,009 --> 00:09:43,980

were detecting these things coming in

251
00:09:48,050 --> 00:09:46,019
from space to Earth they were from

252
00:09:50,030 --> 00:09:48,060
somewhere else okay so that's crazy to

253
00:09:52,550 --> 00:09:50,040
me so what you're saying is all the way

254
00:09:55,370 --> 00:09:52,560
back in this era they were aware that

255
00:09:58,790 --> 00:09:55,380
the U.S had sensor systems to pick up

256
00:10:00,470 --> 00:09:58,800
UFO's dedicated I assume space-based

257
00:10:03,970 --> 00:10:00,480
satellite sensor systems and they're

258
00:10:07,670 --> 00:10:03,980
telling you this we are now in you know

259
00:10:10,310 --> 00:10:07,680
2023 we know that with the tick tock UFO

260
00:10:12,410 --> 00:10:10,320
event series that we we have tracked

261
00:10:14,630 --> 00:10:12,420
these things coming above you know what

262
00:10:16,790 --> 00:10:14,640
would be California area and dropping

263
00:10:19,850 --> 00:10:16,800

down a sea level from over 80 000 feet

264

00:10:22,550 --> 00:10:19,860

over meaning from space and coming down

265

00:10:24,949 --> 00:10:22,560

so we have those systems now they're

266

00:10:27,050 --> 00:10:24,959

probably more advanced so some people

267

00:10:28,910 --> 00:10:27,060

within our national reconnaissance

268

00:10:30,949 --> 00:10:28,920

office or whoever deals with our

269

00:10:34,730 --> 00:10:30,959

satellites they are fully aware of the

270

00:10:37,130 --> 00:10:34,740

UFO presence in reality exactly so you

271

00:10:39,530 --> 00:10:37,140

know we give a lot more Credence to

272

00:10:42,230 --> 00:10:39,540

government records military records

273

00:10:44,389 --> 00:10:42,240

about UFO incidents uh than we do to say

274

00:10:46,009 --> 00:10:44,399

private citizens private scientists who

275

00:10:48,170 --> 00:10:46,019

are doing their own research but the

276

00:10:49,490 --> 00:10:48,180

fact is in this country and in that

277

00:10:51,590 --> 00:10:49,500

country and in other countries around

278

00:10:53,630 --> 00:10:51,600

the world there are esteemed scientists

279

00:10:55,670 --> 00:10:53,640

who quietly investigate this stuff on

280

00:10:57,949 --> 00:10:55,680

their own and I met a number of them in

281

00:11:02,210 --> 00:10:57,959

Russia one of them was a guy named Dr

282

00:11:04,310 --> 00:11:02,220

Julie fomine he was a colleague of Felix

283

00:11:06,829 --> 00:11:04,320

Siegel he'd been out on these Landing

284

00:11:09,170 --> 00:11:06,839

site Trace cases he for a while

285

00:11:11,870 --> 00:11:09,180

investigated UFOs

286

00:11:13,550 --> 00:11:11,880

on behalf of the Russian government and

287

00:11:15,889 --> 00:11:13,560

did it very quietly and he told us he'd

288

00:11:18,170 --> 00:11:15,899

give these briefings about his findings

289

00:11:21,410 --> 00:11:18,180

behind closed doors to Russian party

290

00:11:23,329 --> 00:11:21,420

officials and then after a while he came

291

00:11:24,829 --> 00:11:23,339

into disfavor and they stuck him in

292

00:11:27,290 --> 00:11:24,839

prison for a while because of his

293

00:11:29,090 --> 00:11:27,300

research it was capitalistic it was it

294

00:11:32,090 --> 00:11:29,100

was playing into the hands of American

295

00:11:33,889 --> 00:11:32,100

propagandists he did some time the an

296

00:11:35,870 --> 00:11:33,899

interview that we did with him in 1993

297

00:11:37,310 --> 00:11:35,880

was the first one he'd ever done with

298

00:11:39,350 --> 00:11:37,320

Western journalists or Eastern

299

00:11:41,150 --> 00:11:39,360

journalists as well so this scientist

300

00:11:43,069 --> 00:11:41,160

literally went to it was sent to jail

301

00:11:44,930 --> 00:11:43,079

because of the way he was openly

302

00:11:47,230 --> 00:11:44,940

speaking about his scientific studies of

303

00:11:49,490 --> 00:11:47,240

UFOs which was for the government

304

00:11:51,470 --> 00:11:49,500

initially it was for the government and

305

00:11:52,910 --> 00:11:51,480

then somehow he fell into disfavor and

306

00:11:54,889 --> 00:11:52,920

they put him in prison for it his

307

00:11:57,530 --> 00:11:54,899

research one of his colleagues was the

308

00:11:59,569 --> 00:11:57,540

guy named Dr REM verlamov who was

309

00:12:01,850 --> 00:11:59,579

teaching at a prestigious Moscow

310

00:12:04,069 --> 00:12:01,860

Institute of Technology he would also go

311

00:12:06,949 --> 00:12:04,079

along with ziegel after these Landing

312

00:12:08,569 --> 00:12:06,959

site Trace cases and collect samples he

313

00:12:10,850 --> 00:12:08,579

did some really interesting analysis

314

00:12:13,130 --> 00:12:10,860

that he shared with this he said

315

00:12:15,470 --> 00:12:13,140

we conducted an experiment to see if the

316

00:12:17,990 --> 00:12:15,480

energy generated by the UFO could affect

317

00:12:19,370 --> 00:12:18,000

time we synchronized two quartz

318

00:12:21,829 --> 00:12:19,380

timepieces

319

00:12:24,410 --> 00:12:21,839

attach the opposite ends of a metal rod

320

00:12:26,690 --> 00:12:24,420

placed one of the time pieces inside the

321

00:12:29,269 --> 00:12:26,700

UFO landing Circle and one was left

322

00:12:31,730 --> 00:12:29,279

outside and inside the circle time

323

00:12:34,250 --> 00:12:31,740

speeded up we repeated the results with

324

00:12:36,650 --> 00:12:34,260

mechanical timepieces so the willingness

325

00:12:38,509 --> 00:12:36,660

to study these alleged Landing sites is

326

00:12:40,550 --> 00:12:38,519

a pretty obvious example of the courage

327

00:12:42,170 --> 00:12:40,560

that some of these scientists had and he

328

00:12:44,030 --> 00:12:42,180

said there was a time Distortion effect

329

00:12:46,910 --> 00:12:44,040

at these Landing sites there was another

330

00:12:48,350 --> 00:12:46,920

guy who hold on hold on holy I mean

331

00:12:50,509 --> 00:12:48,360

so so what okay I just want to make sure

332

00:12:52,370 --> 00:12:50,519

I understand so they had these Landing

333

00:12:53,810 --> 00:12:52,380

Trace cases which we know people have

334

00:12:56,090 --> 00:12:53,820

studied but they actually found a

335

00:12:57,590 --> 00:12:56,100

temporal Distortion between inside of

336

00:13:00,110 --> 00:12:57,600

that Landing this is done by the

337

00:13:01,730 --> 00:13:00,120

scientist for the government inside time

338

00:13:03,710 --> 00:13:01,740

sped up so something about the

339

00:13:05,810 --> 00:13:03,720

propulsion system if it's gravitational

340

00:13:08,030 --> 00:13:05,820

had a residual effect yeah there was a

341

00:13:09,769 --> 00:13:08,040

residual energy that distorted time that

342

00:13:11,269 --> 00:13:09,779

was left there at that site

343

00:13:13,069 --> 00:13:11,279

um even more interesting was something

344

00:13:16,310 --> 00:13:13,079

that his colleague a colleague of his

345

00:13:18,069 --> 00:13:16,320

named Dr Yuri simikov he was a biologist

346

00:13:21,110 --> 00:13:18,079

he worked for a government

347

00:13:23,750 --> 00:13:21,120

biological lab we went to his lab saw

348

00:13:25,490 --> 00:13:23,760

his facilities he's a real scientist he

349

00:13:27,710 --> 00:13:25,500

had gone out to these Landing site Trace

350

00:13:30,290 --> 00:13:27,720

cases as well as part of the team and

351

00:13:32,509 --> 00:13:30,300

his specialty was looking for a

352

00:13:35,269 --> 00:13:32,519

microorganisms in the soil so he would

353

00:13:37,610 --> 00:13:35,279

go through the soil meticulously mapping

354

00:13:40,569 --> 00:13:37,620

where these single cell organisms were

355

00:13:43,250 --> 00:13:40,579

in the soil what he was able to do is

356

00:13:46,030 --> 00:13:43,260

were these things set down these crafts

357

00:13:48,410 --> 00:13:46,040

sat down there would be all these

358

00:13:50,930 --> 00:13:48,420

microorganisms right outside where where

359

00:13:52,910 --> 00:13:50,940

it touched the ground inside they were

360

00:13:54,769 --> 00:13:52,920

gone it was completely bereft of Life

361

00:13:57,710 --> 00:13:54,779

what he said was

362

00:13:59,690 --> 00:13:57,720

he told us that um

363

00:14:01,910 --> 00:13:59,700

the single cell organism simply

364

00:14:04,370 --> 00:14:01,920

disappeared they didn't die they didn't

365

00:14:06,769 --> 00:14:04,380

leave the sites they did leave the sites

366

00:14:09,530 --> 00:14:06,779

as if they were forced to leave we also

367

00:14:11,810 --> 00:14:09,540

performed experiments with wingless oh

368

00:14:14,449 --> 00:14:11,820

sorry

369

00:14:18,370 --> 00:14:14,459

an amazing quote Oh there's a page

370

00:14:23,509 --> 00:14:21,290

an experiment with wingless flies we put

371

00:14:25,610 --> 00:14:23,519

them in a covered dish held the dishes

372

00:14:27,290 --> 00:14:25,620

over the landing sites the Flies went

373

00:14:29,449 --> 00:14:27,300

wild I think these insects have

374

00:14:31,430 --> 00:14:29,459

different receptors than we do and can

375

00:14:34,610 --> 00:14:31,440

detect fields that are not known to us

376

00:14:36,829 --> 00:14:34,620

so he got so good at at mapping where

377

00:14:39,050 --> 00:14:36,839

the Single Cell organisms were in soil

378

00:14:41,030 --> 00:14:39,060

that he could tell you what the craft

379

00:14:43,370 --> 00:14:41,040

looked like that sat down at least what

380

00:14:45,889 --> 00:14:43,380

the bottom uh The Landing site part of

381

00:14:47,269 --> 00:14:45,899

it uh looked like and the designs were

382

00:14:48,710 --> 00:14:47,279

pretty exotic I showed you some photos

383

00:14:50,329 --> 00:14:48,720

of that this morning yeah yeah you

384

00:14:52,430 --> 00:14:50,339

showed me the photos in the hotel room

385

00:14:54,889 --> 00:14:52,440

uh but so that's so interesting so when

386

00:14:57,170 --> 00:14:54,899

these craft would land down single cell

387

00:14:58,610 --> 00:14:57,180

organisms wouldn't be in certain areas

388

00:14:59,810 --> 00:14:58,620

and they actually looked like crop

389

00:15:01,160 --> 00:14:59,820

circles and they're really beautiful

390

00:15:02,509 --> 00:15:01,170

yeah

391

00:15:05,930 --> 00:15:02,519

[Music]

392

00:15:08,870 --> 00:15:05,940

this is uh Dr Yuri simikov he worked at

393

00:15:11,810 --> 00:15:08,880

a plant lab a biological lab for the

394

00:15:13,730 --> 00:15:11,820

Russian government and he studied UFO

395

00:15:14,689 --> 00:15:13,740

landing site Trace cases and he was

396

00:15:16,310 --> 00:15:14,699

showing us

397

00:15:17,870 --> 00:15:16,320

he did some really interesting work so

398

00:15:20,689 --> 00:15:17,880

he'd go out with these other Russian

399

00:15:22,970 --> 00:15:20,699

scientists where Witnesses would say UFO

400

00:15:24,889 --> 00:15:22,980

was here and landed on the ground and he

401
00:15:27,290 --> 00:15:24,899
would go out and study it and he would

402
00:15:30,290 --> 00:15:27,300
dig into the soil his specialty was

403
00:15:33,110 --> 00:15:30,300
digging into the soil to look for one

404
00:15:35,509 --> 00:15:33,120
cell organisms and what he found was

405
00:15:38,389 --> 00:15:35,519
over the years at dozens of different

406
00:15:40,910 --> 00:15:38,399
UFO landing sites was where UFOs sat

407
00:15:43,850 --> 00:15:40,920
down the one cell organisms would

408
00:15:46,009 --> 00:15:43,860
disappear so you look in the soil right

409
00:15:48,829 --> 00:15:46,019
over here is a bunch of one cell

410
00:15:50,810 --> 00:15:48,839
organisms here there are none where the

411
00:15:52,189 --> 00:15:50,820
craft sat down so he is able to

412
00:15:54,949 --> 00:15:52,199
eventually

413
00:15:56,750 --> 00:15:54,959

develop a system where he mapped out

414

00:15:58,550 --> 00:15:56,760

what these crafts look like when they

415

00:16:00,170 --> 00:15:58,560

landed he could figure out what they

416

00:16:03,470 --> 00:16:00,180

with the Impressions that they made in

417

00:16:06,110 --> 00:16:03,480

the soil based on the lack of one cell

418

00:16:08,269 --> 00:16:06,120

organism so some of these landing craft

419

00:16:10,310 --> 00:16:08,279

The Impressions they made of the soil

420

00:16:13,189 --> 00:16:10,320

were pretty dramatic and it doesn't look

421

00:16:15,410 --> 00:16:13,199

like anything that we fly and he he

422

00:16:17,509 --> 00:16:15,420

shared that with us he gave us all that

423

00:16:19,189 --> 00:16:17,519

information and then he he had found

424

00:16:22,430 --> 00:16:19,199

these little orbs

425

00:16:24,889 --> 00:16:22,440

these little tiny perfect spheres they

426
00:16:26,750 --> 00:16:24,899
were opaque they were sort of reddish

427
00:16:29,509 --> 00:16:26,760
orangish color

428
00:16:30,710 --> 00:16:29,519
and he called them Cosmic sperm he

429
00:16:34,009 --> 00:16:30,720
thought they were some kind of a

430
00:16:36,769 --> 00:16:34,019
biological mechanism some kind of seeds

431
00:16:38,810 --> 00:16:36,779
and he gave me half of the world's known

432
00:16:41,389 --> 00:16:38,820
supply of cosmic sperm and I brought

433
00:16:43,430 --> 00:16:41,399
back that could be an effect of the

434
00:16:45,050 --> 00:16:43,440
field of due to the propulsion itself

435
00:16:47,210 --> 00:16:45,060
that created that design have you ever

436
00:16:49,610 --> 00:16:47,220
seen those videos where they take a

437
00:16:51,710 --> 00:16:49,620
plate and put a whole bunch of particles

438
00:16:53,629 --> 00:16:51,720

on the plate and do different tones of

439

00:16:55,550 --> 00:16:53,639

sound through the plate and different

440

00:16:57,170 --> 00:16:55,560

different uh octaves or different sounds

441

00:16:59,449 --> 00:16:57,180

have different designs that they create

442

00:17:01,370 --> 00:16:59,459

on the debris that's on the plate so the

443

00:17:03,050 --> 00:17:01,380

vibration of those frequencies so it

444

00:17:04,610 --> 00:17:03,060

could be when these things landed down

445

00:17:06,530 --> 00:17:04,620

and it looks like crop circles or

446

00:17:09,110 --> 00:17:06,540

whatever that it's from it's generated

447

00:17:10,850 --> 00:17:09,120

because of the propulsion system right I

448

00:17:12,650 --> 00:17:10,860

mean that's that's my guess that was his

449

00:17:14,569 --> 00:17:12,660

guess too not yeah yeah the other

450

00:17:16,789 --> 00:17:14,579

interesting thing that he found is at

451
00:17:19,549 --> 00:17:16,799
two different sites so one was a case

452
00:17:21,829 --> 00:17:19,559
right outside of Moscow a UFO had landed

453
00:17:24,049 --> 00:17:21,839
he goes to do his thing looking for a

454
00:17:26,169 --> 00:17:24,059
single cell organism is in the soil and

455
00:17:29,450 --> 00:17:26,179
he found something else these perfectly

456
00:17:32,330 --> 00:17:29,460
uh opaque little spheres in the in the

457
00:17:34,909 --> 00:17:32,340
soil he found them there at that site he

458
00:17:37,850 --> 00:17:34,919
found them again at a UFO ending Psych

459
00:17:39,950 --> 00:17:37,860
in Kazakhstan which is you know hundreds

460
00:17:41,750 --> 00:17:39,960
thousands of miles away uh different

461
00:17:44,150 --> 00:17:41,760
different part of the what used to be

462
00:17:46,850 --> 00:17:44,160
the USSR and the same kind of little

463
00:17:49,070 --> 00:17:46,860

spheres and he called them Cosmic sperm

464

00:17:50,930 --> 00:17:49,080

and he had them in a in a little petri

465

00:17:52,549 --> 00:17:50,940

dish there and he gave me some of them

466

00:17:54,950 --> 00:17:52,559

he gave me like half the world's known

467

00:17:57,529 --> 00:17:54,960

supply of cosmic sperm and said take

468

00:17:59,029 --> 00:17:57,539

them back he had the theory that they

469

00:18:01,430 --> 00:17:59,039

would Sprout that they were some kind of

470

00:18:04,130 --> 00:18:01,440

biological agent that they might Sprout

471

00:18:06,230 --> 00:18:04,140

into either a being or animal or plant

472

00:18:08,029 --> 00:18:06,240

or something like that gave them to me

473

00:18:09,289 --> 00:18:08,039

said take them back to the U.S do some

474

00:18:11,690 --> 00:18:09,299

tests on them let me know what you find

475

00:18:13,789 --> 00:18:11,700

out so I did I I took half the world's

476

00:18:15,350 --> 00:18:13,799

Cosmic sperm back to the U.S and did you

477

00:18:16,669 --> 00:18:15,360

plant some in your home Garden next to

478

00:18:18,890 --> 00:18:16,679

your Tomatoes I dropped them on my

479

00:18:21,950 --> 00:18:18,900

kitchen and I had to get down there and

480

00:18:23,690 --> 00:18:21,960

pick them all up and then I gave some to

481

00:18:25,310 --> 00:18:23,700

um a physicist who looked at him under

482

00:18:29,090 --> 00:18:25,320

an electron microscope pretty

483

00:18:31,430 --> 00:18:29,100

interesting perfectly uh symmetrical but

484

00:18:32,690 --> 00:18:31,440

he said look these things were not

485

00:18:35,150 --> 00:18:32,700

biological

486

00:18:37,310 --> 00:18:35,160

they were manufactured there had some

487

00:18:39,830 --> 00:18:37,320

high heat instrument had been used to

488

00:18:41,390 --> 00:18:39,840

make them and he didn't know what the

489

00:18:44,090 --> 00:18:41,400

purpose was or why you would find them

490

00:18:46,730 --> 00:18:44,100

at UFO landing sites in two remotely

491

00:18:49,549 --> 00:18:46,740

distant places but there you were I sent

492

00:18:51,470 --> 00:18:49,559

them to a Plant Pathology Lab at a at a

493

00:18:54,529 --> 00:18:51,480

Midwestern University they concluded

494

00:18:56,630 --> 00:18:54,539

that it also was a not biological it was

495

00:18:59,450 --> 00:18:56,640

manufactured didn't know who would make

496

00:19:01,130 --> 00:18:59,460

it what it was used for but it remained

497

00:19:02,330 --> 00:19:01,140

a mystery there's another part to that

498

00:19:05,690 --> 00:19:02,340

story

499

00:19:07,549 --> 00:19:05,700

uh where those uh objects I gave them to

500

00:19:09,289 --> 00:19:07,559

the Atomic Testing Museum I remember

501
00:19:11,270 --> 00:19:09,299
that in Las Vegas and they put it on

502
00:19:13,010 --> 00:19:11,280
display to be like you know these are

503
00:19:14,930 --> 00:19:13,020
artifacts from a spacecraft they call

504
00:19:16,430 --> 00:19:14,940
them alien artifacts which you know I

505
00:19:18,110 --> 00:19:16,440
don't know that they're alien artifacts

506
00:19:19,909 --> 00:19:18,120
I never said they were alien artifacts

507
00:19:21,350 --> 00:19:19,919
it just that's it they were mysterious

508
00:19:23,510 --> 00:19:21,360
and the Russians didn't know what they

509
00:19:25,250 --> 00:19:23,520
were they put them on display there and

510
00:19:27,409 --> 00:19:25,260
they were on display in this area 51

511
00:19:29,510 --> 00:19:27,419
exhibit for a couple of years I had

512
00:19:32,029 --> 00:19:29,520
given them all kinds of stuff loaned all

513
00:19:36,289 --> 00:19:32,039

this all kinds of books and uh Trinkets

514

00:19:38,029 --> 00:19:36,299

and memorabilia as well as some material

515

00:19:39,470 --> 00:19:38,039

that I got from a UFO crash site and

516

00:19:40,310 --> 00:19:39,480

down the course that we'll talk about in

517

00:19:42,950 --> 00:19:40,320

a minute

518

00:19:45,590 --> 00:19:42,960

and I got all that back except for the

519

00:19:47,750 --> 00:19:45,600

little Spears uh I said Hey where's the

520

00:19:49,310 --> 00:19:47,760

spears yeah we don't know so it's it's

521

00:19:51,230 --> 00:19:49,320

been four or five years now they still

522

00:19:52,909 --> 00:19:51,240

haven't returned them to me at all my

523

00:19:54,590 --> 00:19:52,919

inquiries to get them back have been

524

00:19:56,570 --> 00:19:54,600

unsuccessful nobody knows what happened

525

00:19:58,970 --> 00:19:56,580

to it the Atomic Testing Museum straight

526

00:20:01,250 --> 00:19:58,980

up Stole the World's supply of cosmic

527

00:20:03,409 --> 00:20:01,260

sperm from you yeah somebody there took

528

00:20:05,750 --> 00:20:03,419

it I got all the other stuff back except

529

00:20:07,070 --> 00:20:05,760

for that so did you ever I mean because

530

00:20:08,990 --> 00:20:07,080

my first question would be if they're

531

00:20:11,390 --> 00:20:09,000

not biological and there's some alloy

532

00:20:13,010 --> 00:20:11,400

you know forged in a high heat you'd

533

00:20:15,289 --> 00:20:13,020

imagine maybe that has something to do

534

00:20:17,690 --> 00:20:15,299

with the the again the propulsion

535

00:20:19,610 --> 00:20:17,700

systems of the UFOs who knows but did

536

00:20:22,370 --> 00:20:19,620

you ever have them elementally and

537

00:20:23,390 --> 00:20:22,380

isotopically analyzed I did you did I

538

00:20:26,870 --> 00:20:23,400

did

539

00:20:29,570 --> 00:20:26,880

um I gave it all over to nids and needs

540

00:20:32,150 --> 00:20:29,580

passed those samples onto bass which is

541

00:20:34,909 --> 00:20:32,160

part of the Dia's investigation of UFOs

542

00:20:36,470 --> 00:20:34,919

part of the OSAP program they did a

543

00:20:39,710 --> 00:20:36,480

complete analysis they did a chemical

544

00:20:41,330 --> 00:20:39,720

analysis I have not had the uh authority

545

00:20:42,950 --> 00:20:41,340

to go ahead and release that yet but I

546

00:20:44,870 --> 00:20:42,960

hope to do it there's no unknown

547

00:20:47,029 --> 00:20:44,880

elements in it uh I'll tell you that

548

00:20:49,789 --> 00:20:47,039

much there's no unobtainium in there

549

00:20:51,470 --> 00:20:49,799

there's no element 115 or something but

550

00:20:53,029 --> 00:20:51,480

the chemical composition was really

551
00:20:55,490 --> 00:20:53,039
interesting they really could not figure

552
00:20:57,470 --> 00:20:55,500
out who made them why they were made

553
00:21:00,230 --> 00:20:57,480
what their purpose was or how they would

554
00:21:02,690 --> 00:21:00,240
end up in the dirt at two alleged UFO

555
00:21:04,549 --> 00:21:02,700
landing sites so far apart wow that's

556
00:21:06,890 --> 00:21:04,559
amazing though I mean when you're able

557
00:21:08,930 --> 00:21:06,900
to actually get people like so nid's

558
00:21:11,570 --> 00:21:08,940
National Institute for Discovery Science

559
00:21:13,490 --> 00:21:11,580
that was run by Robert Bigelow so

560
00:21:15,230 --> 00:21:13,500
there's you know funds in place you have

561
00:21:17,690 --> 00:21:15,240
them elementally and isotopically

562
00:21:19,490 --> 00:21:17,700
analyzed yeah I hope people can research

563
00:21:21,770 --> 00:21:19,500

that the whole point is is that we share

564

00:21:23,630 --> 00:21:21,780

this information but you know look man

565

00:21:25,010 --> 00:21:23,640

I've been down that road as well you

566

00:21:27,289 --> 00:21:25,020

know sometimes when scientists are

567

00:21:29,330 --> 00:21:27,299

baffled by something you still can't

568

00:21:31,909 --> 00:21:29,340

identify what it is you just know it was

569

00:21:34,010 --> 00:21:31,919

fabricated that it's Unique but it

570

00:21:36,830 --> 00:21:34,020

doesn't go past that here's the other

571

00:21:38,750 --> 00:21:36,840

interesting part so in 1993 I go and

572

00:21:41,810 --> 00:21:38,760

talk to all these place people uh

573

00:21:44,750 --> 00:21:41,820

military folks scientists investigators

574

00:21:46,370 --> 00:21:44,760

they're all very very willing to share

575

00:21:48,470 --> 00:21:46,380

their stories uh their their

576
00:21:50,330 --> 00:21:48,480
investigations their research materials

577
00:21:55,549 --> 00:21:50,340
it was an exciting time

578
00:21:59,149 --> 00:21:57,590
Awakening to a young Bruce Willis

579
00:22:01,370 --> 00:21:59,159
spouting Russian is the first sign

580
00:22:03,350 --> 00:22:01,380
you're not in Kansas anymore but then

581
00:22:06,110 --> 00:22:03,360
the ad for Ginsu Knives lets you know

582
00:22:07,730 --> 00:22:06,120
it's not Oz either Western influence is

583
00:22:10,010 --> 00:22:07,740
far more pronounced here today than

584
00:22:11,990 --> 00:22:10,020
under the Communists but capitalism and

585
00:22:14,390 --> 00:22:12,000
democracy are still hanging on by their

586
00:22:17,330 --> 00:22:14,400
fingernails just getting to Moscow is

587
00:22:19,970 --> 00:22:17,340
daunting in itself up to 22 hours by air

588
00:22:21,950 --> 00:22:19,980

from Las Vegas even in early April

589

00:22:24,590 --> 00:22:21,960

temperatures hovered close to zero most

590

00:22:26,270 --> 00:22:24,600

of our visit some 400 people froze to

591

00:22:28,730 --> 00:22:26,280

death on Moscow streets this winter

592

00:22:31,250 --> 00:22:28,740

while the domes of the Historic Landmark

593

00:22:33,909 --> 00:22:31,260

still gleam with gold the vast majority

594

00:22:36,470 --> 00:22:33,919

of the population is dirt poor

595

00:22:39,470 --> 00:22:36,480

driving in this city is motorized

596

00:22:42,409 --> 00:22:39,480

Darwinism complete chaos punctuated by

597

00:22:44,570 --> 00:22:42,419

traffic as solid as cold magma anyone

598

00:22:46,730 --> 00:22:44,580

with money is considered Mafia the

599

00:22:48,649 --> 00:22:46,740

generic term for criminals many of the

600

00:22:51,470 --> 00:22:48,659

newly wealthy made theirs in one of

601
00:22:53,390 --> 00:22:51,480
moscow's 10 or so casinos which cater to

602
00:22:55,909 --> 00:22:53,400
Western tourists but whose Spartan

603
00:22:58,130 --> 00:22:55,919
interiors and Barren ads could use a

604
00:23:00,710 --> 00:22:58,140
little Las Vegas pizzazz

605
00:23:03,230 --> 00:23:00,720
we were in Moscow to establish ties with

606
00:23:05,570 --> 00:23:03,240
military officials concerning secret UFO

607
00:23:07,850 --> 00:23:05,580
studies the ministry of Defense admitted

608
00:23:09,770 --> 00:23:07,860
to us three years ago that such studies

609
00:23:11,630 --> 00:23:09,780
were a top priority hundreds of

610
00:23:14,149 --> 00:23:11,640
documents and photos were made available

611
00:23:16,310 --> 00:23:14,159
to us

612
00:23:18,590 --> 00:23:16,320
this time we interviewed the former

613
00:23:20,930 --> 00:23:18,600

Soviet air Minister the highest-ranking

614

00:23:23,390 --> 00:23:20,940

Russian to ever talk about UFOs with a

615

00:23:25,430 --> 00:23:23,400

western journalist and I go along with a

616

00:23:27,950 --> 00:23:25,440

crew from the BBC there was a producer

617

00:23:29,510 --> 00:23:27,960

named Jeremy Evans I was kind of Jaded

618

00:23:32,330 --> 00:23:29,520

by that point because I'd been burned by

619

00:23:34,789 --> 00:23:32,340

CBS and ABC that they wanted to retrace

620

00:23:36,470 --> 00:23:34,799

my steps in Russia these guys actually

621

00:23:38,870 --> 00:23:36,480

did what they said they would do they

622

00:23:40,370 --> 00:23:38,880

brought me back we went to go see all

623

00:23:42,529 --> 00:23:40,380

these people that I had interviewed in

624

00:23:44,570 --> 00:23:42,539

1993. so hold on this is your second

625

00:23:46,010 --> 00:23:44,580

trip second trip okay so and that's why

626

00:23:47,990 --> 00:23:46,020

I was always wondering why you went back

627

00:23:49,430 --> 00:23:48,000

after taking documents out but you went

628

00:23:51,289 --> 00:23:49,440

back because they're you're trying to

629

00:23:52,789 --> 00:23:51,299

reconnect with all these people yeah to

630

00:23:54,770 --> 00:23:52,799

see what had changed well the the

631

00:23:57,710 --> 00:23:54,780

country had changed dramatically Boris

632

00:23:59,750 --> 00:23:57,720

Yeltsin was no longer in power uh there

633

00:24:01,490 --> 00:23:59,760

had been you'll recall I said there were

634

00:24:04,010 --> 00:24:01,500

daily demonstrations when we were there

635

00:24:06,649 --> 00:24:04,020

in 1993 the pro-communists the

636

00:24:08,630 --> 00:24:06,659

pro-authoritarian folks the Russians who

637

00:24:10,850 --> 00:24:08,640

liked having a big brother type

638

00:24:14,090 --> 00:24:10,860

government they wanted to return to that

639

00:24:16,909 --> 00:24:14,100

and by 1996 that was on the verge of

640

00:24:19,970 --> 00:24:16,919

happening again the authoritarian folks

641

00:24:23,330 --> 00:24:19,980

who were going to regain power after I'd

642

00:24:25,850 --> 00:24:23,340

come back from 1993 and and publicized

643

00:24:26,810 --> 00:24:25,860

some of these um findings I wrote an

644

00:24:30,730 --> 00:24:26,820

article

645

00:24:34,430 --> 00:24:30,740

mufon I did some public presentations

646

00:24:36,310 --> 00:24:34,440

that material that we made public gets

647

00:24:38,750 --> 00:24:36,320

back to Russia and these Russian

648

00:24:41,149 --> 00:24:38,760

pro-communist newspapers get a hold of

649

00:24:44,029 --> 00:24:41,159

it and they wrote some really harsh

650

00:24:45,770 --> 00:24:44,039

articles naming names of the people who

651
00:24:48,710 --> 00:24:45,780
had cooperated with me Colonel

652
00:24:50,570 --> 00:24:48,720
borasokalov Dr Nikolai caprenna of the

653
00:24:52,370 --> 00:24:50,580
Russian physicist who'd arranged this

654
00:24:54,590 --> 00:24:52,380
trip for us and introduced us to all

655
00:24:56,630 --> 00:24:54,600
these people they named all of them all

656
00:24:58,549 --> 00:24:56,640
the people who had cooperated with us

657
00:25:01,190 --> 00:24:58,559
and talked to us were called out as

658
00:25:04,430 --> 00:25:01,200
Traders Traders did the home to the

659
00:25:06,350 --> 00:25:04,440
Mother Russia uh and as Nikolai capranov

660
00:25:08,029 --> 00:25:06,360
who was my friend Russian physicist who

661
00:25:10,010 --> 00:25:08,039
had helped us set this up

662
00:25:11,810 --> 00:25:10,020
he would not talk to us on that second

663
00:25:13,430 --> 00:25:11,820

trip three years later you're doing our

664

00:25:15,110 --> 00:25:13,440

friend for a long time he wouldn't talk

665

00:25:16,730 --> 00:25:15,120

to us wouldn't meet with us neither

666

00:25:20,990 --> 00:25:16,740

would colonel sokolov

667

00:25:23,090 --> 00:25:21,000

uh neither would uh Dr budikov the the

668

00:25:24,769 --> 00:25:23,100

space scientist uh people that we had

669

00:25:26,630 --> 00:25:24,779

interviewed back then none of them would

670

00:25:28,190 --> 00:25:26,640

beat with us again they were scared and

671

00:25:29,810 --> 00:25:28,200

I don't blame them these guys got

672

00:25:31,909 --> 00:25:29,820

squeezed right that's the whole thing

673

00:25:33,769 --> 00:25:31,919

they got threatened and to this day I

674

00:25:35,570 --> 00:25:33,779

mean you don't have communication they

675

00:25:37,250 --> 00:25:35,580

they were squeezed by their country not

676
00:25:39,350 --> 00:25:37,260
to talk to you about UFOs Nikolai

677
00:25:41,269 --> 00:25:39,360
caprano put it this way he said look he

678
00:25:42,830 --> 00:25:41,279
had communicated he sent us this article

679
00:25:45,049 --> 00:25:42,840
saying boy this is really serious he

680
00:25:46,909 --> 00:25:45,059
said if this has happened five years ago

681
00:25:48,710 --> 00:25:46,919
I would have been put in prison if it

682
00:25:51,409 --> 00:25:48,720
had happened 10 years earlier I would

683
00:25:53,390 --> 00:25:51,419
have been shot so he was done and a lot

684
00:25:55,789 --> 00:25:53,400
of them were done and then the

685
00:25:58,549 --> 00:25:55,799
revisionist historians stepped in there

686
00:26:01,669 --> 00:25:58,559
was a guy we met in 1993 a scientist

687
00:26:03,710 --> 00:26:01,679
named Dr Yuli platov and he described

688
00:26:05,930 --> 00:26:03,720

himself as a friendly skeptic he was

689

00:26:08,149 --> 00:26:05,940

with the Russian Academy of Sciences he

690

00:26:10,490 --> 00:26:08,159

had done some UFO studies he'd collected

691

00:26:13,010 --> 00:26:10,500

UFO cases for their Academy of Sciences

692

00:26:14,870 --> 00:26:13,020

and I got those files and he said he's a

693

00:26:16,669 --> 00:26:14,880

friendly skeptic in the sense that I'm

694

00:26:19,010 --> 00:26:16,679

open to the idea the East could be from

695

00:26:21,470 --> 00:26:19,020

extraterrestrial or somewhere else that

696

00:26:23,510 --> 00:26:21,480

it's not necessarily Earthly but in fact

697

00:26:25,789 --> 00:26:23,520

he was not all that friendly a skeptic

698

00:26:27,590 --> 00:26:25,799

he was like the Phil class of Russia he

699

00:26:30,350 --> 00:26:27,600

debunked everything I think there was

700

00:26:32,269 --> 00:26:30,360

one case that we presented to him

701
00:26:34,370 --> 00:26:32,279
that he was not able to debunk and it

702
00:26:36,289 --> 00:26:34,380
was these Russian Ice circles that had

703
00:26:38,210 --> 00:26:36,299
appeared on a lake uh all the other ones

704
00:26:41,090 --> 00:26:38,220
he had debunked now by the time I get

705
00:26:43,909 --> 00:26:41,100
back there in 1996 the friendly skeptic

706
00:26:45,649 --> 00:26:43,919
who had told me in 93 I don't know about

707
00:26:47,269 --> 00:26:45,659
any Ministry of Defense study I don't

708
00:26:49,130 --> 00:26:47,279
believe there's ever been one I've never

709
00:26:51,769 --> 00:26:49,140
heard of Colonel sokolov there is no

710
00:26:53,870 --> 00:26:51,779
such study I don't think it's true by 96

711
00:26:55,909 --> 00:26:53,880
he had a different story he said oh yeah

712
00:26:58,730 --> 00:26:55,919
there was a study I was in charge of it

713
00:27:00,890 --> 00:26:58,740

not Turtle soccer lab is the ufologist

714

00:27:03,529 --> 00:27:00,900

they described he didn't find find

715

00:27:05,210 --> 00:27:03,539

anything interesting I Dr Plata was in

716

00:27:07,210 --> 00:27:05,220

charge of this and none of these cases

717

00:27:09,169 --> 00:27:07,220

are unexplained which is flat out

718

00:27:11,390 --> 00:27:09,179

Preposterous it is completely

719

00:27:12,710 --> 00:27:11,400

contradicted by the documents that were

720

00:27:14,269 --> 00:27:12,720

produced by the ministry of Defense

721

00:27:16,549 --> 00:27:14,279

Plateau had nothing to do with the

722

00:27:18,230 --> 00:27:16,559

ministry to pets He was unaware that

723

00:27:20,210 --> 00:27:18,240

there had been such a study he didn't

724

00:27:22,610 --> 00:27:20,220

know sokolov at all and suddenly he

725

00:27:24,110 --> 00:27:22,620

rewrote history and I'm not surprised I

726

00:27:26,149 --> 00:27:24,120

mean they were all scared so the people

727

00:27:29,510 --> 00:27:26,159

Not only would they not talk to us in

728

00:27:31,490 --> 00:27:29,520

1996 but the the history of their UFO

729

00:27:34,070 --> 00:27:31,500

program had been completely Rewritten by

730

00:27:35,870 --> 00:27:34,080

that time yeah this is propaganda man we

731

00:27:38,269 --> 00:27:35,880

see this all the time you and I see this

732

00:27:39,890 --> 00:27:38,279

all the time somebody comes forward they

733

00:27:42,110 --> 00:27:39,900

lift their head up and they say and they

734

00:27:43,789 --> 00:27:42,120

tell you what's going on and then the

735

00:27:46,370 --> 00:27:43,799

revisionist the historical revisionist

736

00:27:48,289 --> 00:27:46,380

or just people that want to discredit uh

737

00:27:50,510 --> 00:27:48,299

other you know people using you know

738

00:27:52,549 --> 00:27:50,520

character as a way to attack them his

739

00:27:54,769 --> 00:27:52,559

boss the former deputy defense minister

740

00:27:57,409 --> 00:27:54,779

declined to speak altogether under

741

00:27:59,690 --> 00:27:57,419

orders and even sokolov is now reluctant

742

00:28:01,909 --> 00:27:59,700

to talk in part because he was attacked

743

00:28:04,789 --> 00:28:01,919

in communist newspapers following our

744

00:28:06,830 --> 00:28:04,799

1993 interview there's more than one

745

00:28:09,529 --> 00:28:06,840

kind of chill in the Moscow Air these

746

00:28:11,330 --> 00:28:09,539

days with the double political whammy of

747

00:28:12,890 --> 00:28:11,340

the revived Communists and the scary

748

00:28:15,950 --> 00:28:12,900

nationalists the Russian government

749

00:28:17,930 --> 00:28:15,960

needs a UFO expose like it needs a red

750

00:28:19,970 --> 00:28:17,940

white and blue paint job on the Kremlin

751

00:28:22,190 --> 00:28:19,980

science has received the message

752

00:28:24,409 --> 00:28:22,200

individuals and the Russian Academy are

753

00:28:27,529 --> 00:28:24,419

now downplaying their long-term studies

754

00:28:29,750 --> 00:28:27,539

of UFOs oddly the KGB has opened up

755

00:28:33,590 --> 00:28:29,760

including a release of this long secret

756

00:28:35,750 --> 00:28:33,600

film of a UFO KGB adds it has no ongoing

757

00:28:38,210 --> 00:28:35,760

interest in flying saucers although it

758

00:28:40,010 --> 00:28:38,220

does have several hundred files you know

759

00:28:42,890 --> 00:28:40,020

we see this even with the pilots you

760

00:28:44,750 --> 00:28:42,900

know Commander fraver Lieutenant Ryan

761

00:28:46,190 --> 00:28:44,760

Graves it's like they come they tell

762

00:28:48,769 --> 00:28:46,200

their story oh they don't know what they

763

00:28:51,409 --> 00:28:48,779

saw must have been system uh you know

764

00:28:54,049 --> 00:28:51,419

they couldn't read their systems uh they

765

00:28:56,330 --> 00:28:54,059

people create all of these Fantastical

766

00:28:58,430 --> 00:28:56,340

ideas of why they can discredit somebody

767

00:29:00,169 --> 00:28:58,440

who's a trained pilot or something like

768

00:29:01,850 --> 00:29:00,179

that so we just see it all the time we

769

00:29:03,950 --> 00:29:01,860

see it obviously with Lazar they attack

770

00:29:05,930 --> 00:29:03,960

him saying all these lies about him as a

771

00:29:07,370 --> 00:29:05,940

way to dismiss his story so from a

772

00:29:09,529 --> 00:29:07,380

government standpoint if they want to

773

00:29:12,470 --> 00:29:09,539

try to discredit what was told to you

774

00:29:15,110 --> 00:29:12,480

what is what these documents contradict

775

00:29:17,149 --> 00:29:15,120

then they they use this guy yeah to do

776

00:29:19,250 --> 00:29:17,159

that yeah symptoms rewriting history as

777

00:29:22,070 --> 00:29:19,260

just as as happened in this country many

778

00:29:24,169 --> 00:29:22,080

times so we're in 1996 I go back with

779

00:29:25,970 --> 00:29:24,179

this crew from the BBC they're pretty

780

00:29:27,529 --> 00:29:25,980

disappointed the people that I had told

781

00:29:29,090 --> 00:29:27,539

them we would talk to who would agree

782

00:29:31,070 --> 00:29:29,100

they initially said they would talk to

783

00:29:33,169 --> 00:29:31,080

us and then by when we got there they

784

00:29:35,930 --> 00:29:33,179

said no no nickel like a prenoff or a

785

00:29:37,970 --> 00:29:35,940

sokolov uh Dr budakov none of them would

786

00:29:40,070 --> 00:29:37,980

talk to us at all they had said yes and

787

00:29:41,990 --> 00:29:40,080

then they said no change their minds but

788

00:29:45,230 --> 00:29:42,000

they were not to be deterred I tell you

789

00:29:48,049 --> 00:29:45,240

this guy BBC's uh Jeremy Evans he was a

790

00:29:49,970 --> 00:29:48,059

hard-nosed reporter investigative guy

791

00:29:53,570 --> 00:29:49,980

who found some other people to talk to

792

00:29:55,789 --> 00:29:53,580

one of those was General Igor moltsev

793

00:29:58,549 --> 00:29:55,799

General maltsev had been commander of

794

00:30:00,649 --> 00:29:58,559

Russian air defenses for seven years I

795

00:30:03,889 --> 00:30:00,659

mean right at the height of the military

796

00:30:05,930 --> 00:30:03,899

there he claimed he was unaware of the

797

00:30:08,210 --> 00:30:05,940

study that sokolov had done but he was

798

00:30:09,889 --> 00:30:08,220

aware of incidents that had happened I

799

00:30:12,230 --> 00:30:09,899

asked him about the order did you give

800

00:30:14,630 --> 00:30:12,240

an order that says stand down don't

801
00:30:16,130 --> 00:30:14,640
chase UFOs he says yeah I did WOW

802
00:30:18,049 --> 00:30:16,140
because and he's the one that gave me

803
00:30:20,149 --> 00:30:18,059
the quote I did that because they have

804
00:30:22,490 --> 00:30:20,159
quote incredible capacities for

805
00:30:23,810 --> 00:30:22,500
retaliation don't shoot them because

806
00:30:25,549 --> 00:30:23,820
they'll shoot back

807
00:30:27,830 --> 00:30:25,559
and we know that there were incidents of

808
00:30:29,510 --> 00:30:27,840
that in Russia yeah that's amazing so he

809
00:30:31,909 --> 00:30:29,520
did confirm to you that the Russian

810
00:30:33,529 --> 00:30:31,919
government at first was shoot down UFOs

811
00:30:35,510 --> 00:30:33,539
and then when that didn't work and they

812
00:30:38,450 --> 00:30:35,520
lost a few Pilots Stop leave them alone

813
00:30:40,430 --> 00:30:38,460

he told me a story about and I did an

814

00:30:43,010 --> 00:30:40,440

interview with him on camera for the BBC

815

00:30:45,950 --> 00:30:43,020

and he told me a story about an incident

816

00:30:48,590 --> 00:30:45,960

in 1990 over Moscow where there were a

817

00:30:51,649 --> 00:30:48,600

hundred more than a hundred confirmed

818

00:30:54,110 --> 00:30:51,659

contacts radar and so on and and uh

819

00:30:56,330 --> 00:30:54,120

sensor contact with the UFOs flying

820

00:30:58,190 --> 00:30:56,340

around over over Moscow performing

821

00:31:01,070 --> 00:30:58,200

incredible Maneuvers they'd appear you

822

00:31:02,930 --> 00:31:01,080

could see them physically then or not on

823

00:31:04,730 --> 00:31:02,940

radar then you can see them on radar but

824

00:31:06,110 --> 00:31:04,740

not physically doing all kinds of weird

825

00:31:08,210 --> 00:31:06,120

things the kind of things that our

826
00:31:10,010 --> 00:31:08,220
military has documented as well and he

827
00:31:11,210 --> 00:31:10,020
said that was really the final nail in

828
00:31:12,289 --> 00:31:11,220
the coffin that's when they decided

829
00:31:14,810 --> 00:31:12,299
we're not going to shoot these things

830
00:31:16,490 --> 00:31:14,820
down anymore they're not ours they're

831
00:31:18,470 --> 00:31:16,500
not American they're from somewhere else

832
00:31:20,570 --> 00:31:18,480
that's what he told me yeah the fact

833
00:31:22,430 --> 00:31:20,580
that there's some sort of uh cloaking

834
00:31:23,750 --> 00:31:22,440
capability which is one of the the main

835
00:31:26,029 --> 00:31:23,760
things that the military says about your

836
00:31:27,950 --> 00:31:26,039
foes is that you know you can see them

837
00:31:29,810 --> 00:31:27,960
sometimes on thermal but not with the

838
00:31:32,149 --> 00:31:29,820

Optics of the human eye and and

839

00:31:34,130 --> 00:31:32,159

sometimes vice versa and we we get those

840

00:31:35,450 --> 00:31:34,140

reports from Pilots all the time and I

841

00:31:38,149 --> 00:31:35,460

happen to know and you happen to know

842

00:31:41,330 --> 00:31:38,159

that there are Congress people that also

843

00:31:43,310 --> 00:31:41,340

hear directly from Pilots that say this

844

00:31:45,350 --> 00:31:43,320

is happening to us they draw pictures

845

00:31:47,210 --> 00:31:45,360

for them of what these craft might look

846

00:31:49,610 --> 00:31:47,220

like and they're nothing that we have in

847

00:31:51,409 --> 00:31:49,620

our Arsenal or any other arsenal we also

848

00:31:53,210 --> 00:31:51,419

come to learn that a lot of those Pilots

849

00:31:55,130 --> 00:31:53,220

end up scrubbing that data themselves

850

00:31:57,289 --> 00:31:55,140

they're either told to or they decide to

851
00:31:59,269 --> 00:31:57,299
so that those UFO reports don't go up

852
00:32:01,370 --> 00:31:59,279
the chain of command maybe because of

853
00:32:03,049 --> 00:32:01,380
stigma maybe because they just don't

854
00:32:05,029 --> 00:32:03,059
want to get off Mission but we have a

855
00:32:06,409 --> 00:32:05,039
real problem with that where the

856
00:32:08,570 --> 00:32:06,419
information is not getting to where it

857
00:32:10,190 --> 00:32:08,580
needs to get to like to Arrow hopefully

858
00:32:12,169 --> 00:32:10,200
if they're good or just up the chain of

859
00:32:14,450 --> 00:32:12,179
command there are so many bottlenecks of

860
00:32:17,029 --> 00:32:14,460
reporting UFOs within our military it's

861
00:32:19,850 --> 00:32:17,039
Criminal

862
00:32:21,950 --> 00:32:19,860
um back to Russia so you know a lot of

863
00:32:23,330 --> 00:32:21,960

the doors were closed slammed in our

864

00:32:25,130 --> 00:32:23,340

face the people that we thought were

865

00:32:28,130 --> 00:32:25,140

going to be able to interview at 96

866

00:32:30,769 --> 00:32:28,140

didn't happen so uh we decided to take a

867

00:32:34,909 --> 00:32:30,779

little side trip so we'd fly from Moscow

868

00:32:36,409 --> 00:32:34,919

to Vladivostok and um to go check out

869

00:32:38,870 --> 00:32:36,419

what some have called the Russian

870

00:32:41,630 --> 00:32:38,880

Roswell case and this is this flight

871

00:32:44,269 --> 00:32:41,640

takes place during a blinding snowstorm

872

00:32:47,210 --> 00:32:44,279

we're in this Moscow airport looking out

873

00:32:48,950 --> 00:32:47,220

at snow that is going sideways I'm

874

00:32:50,930 --> 00:32:48,960

thinking there is no possible way we're

875

00:32:54,230 --> 00:32:50,940

going to fly in this storm and in fact

876

00:32:56,810 --> 00:32:54,240

that same storm system uh further south

877

00:32:58,610 --> 00:32:56,820

the U.S Secretary of Commerce named Ron

878

00:33:00,590 --> 00:32:58,620

Brown was flying in that storm system

879

00:33:03,830 --> 00:33:00,600

his plane crashed and he died that same

880

00:33:05,870 --> 00:33:03,840

night we were there and so we we're the

881

00:33:08,330 --> 00:33:05,880

last plane out of Moscow flying to

882

00:33:10,310 --> 00:33:08,340

Vladivostok which is way over on the

883

00:33:12,529 --> 00:33:10,320

Eastern edge of Russia

884

00:33:14,269 --> 00:33:12,539

I think it's like 10 or 12 time zones

885

00:33:16,009 --> 00:33:14,279

that we flew through we get on this

886

00:33:18,350 --> 00:33:16,019

plane

887

00:33:21,049 --> 00:33:18,360

people are smoking and drinking and

888

00:33:23,450 --> 00:33:21,059

farting and belching and partying it was

889

00:33:25,370 --> 00:33:23,460

a wild raqqa scene nothing like any

890

00:33:27,769 --> 00:33:25,380

plane flight I have ever been on before

891

00:33:30,470 --> 00:33:27,779

and I remember them coming the Russian

892

00:33:33,950 --> 00:33:30,480

stewardesses flight attendants bringing

893

00:33:35,389 --> 00:33:33,960

down they served a a meal of chicken and

894

00:33:39,049 --> 00:33:35,399

rice and

895

00:33:40,610 --> 00:33:39,059

red wine for dinner and then it was like

896

00:33:43,190 --> 00:33:40,620

eight nine hours later they come around

897

00:33:45,230 --> 00:33:43,200

again to serve uh breakfast and it's

898

00:33:46,610 --> 00:33:45,240

chicken and rice and white wine for for

899

00:33:48,950 --> 00:33:46,620

breakfast so that's you know if you're

900

00:33:50,509 --> 00:33:48,960

ever wondering what the white wine is

901
00:33:52,970 --> 00:33:50,519
for uh you know for breakfast that's

902
00:33:54,409 --> 00:33:52,980
fine in the wrong country obviously man

903
00:33:57,409 --> 00:33:54,419
that sounds like we fight him out of

904
00:33:59,330 --> 00:33:57,419
Boston it's like a Frontier Town it's so

905
00:34:02,509 --> 00:33:59,340
far removed from Moscow it might as well

906
00:34:05,930 --> 00:34:02,519
be another another country it's a rough

907
00:34:08,510 --> 00:34:05,940
and tumble Seaport it's like the law

908
00:34:11,149 --> 00:34:08,520
unto itself we stay in a hotel that was

909
00:34:13,849 --> 00:34:11,159
like a bunker and uh it was highly

910
00:34:15,649 --> 00:34:13,859
fortified and they said if you want to

911
00:34:17,869 --> 00:34:15,659
go into town we're gonna have to send a

912
00:34:19,730 --> 00:34:17,879
security guy with you no I don't want to

913
00:34:21,829 --> 00:34:19,740

go into town I'm not going by myself we

914

00:34:23,810 --> 00:34:21,839

did go the next day got some video of

915

00:34:25,970 --> 00:34:23,820

the bay and then we got on this

916

00:34:27,530 --> 00:34:25,980

helicopter this ancient helicopter that

917

00:34:29,750 --> 00:34:27,540

they swore had been used by Mikhail

918

00:34:32,089 --> 00:34:29,760

Gorbachev and we fly to a place called

919

00:34:33,470 --> 00:34:32,099

delnagors which is a beautiful little

920

00:34:37,129 --> 00:34:33,480

garden spot

921

00:34:39,530 --> 00:34:37,139

next to Red China and and uh North Korea

922

00:34:43,369 --> 00:34:39,540

uh it's way out in the middle of nowhere

923

00:34:45,829 --> 00:34:43,379

it's a mining town uh no sidewalks

924

00:34:49,490 --> 00:34:45,839

um very harsh conditions and we go there

925

00:34:51,710 --> 00:34:49,500

to meet a guy named Dr uh de jillny and

926
00:34:55,369 --> 00:34:51,720
um he had been a member of the Russian

927
00:34:57,650 --> 00:34:55,379
Academy of Sciences and in 1986 there

928
00:35:00,230 --> 00:34:57,660
had been a crash an object had flown

929
00:35:02,810 --> 00:35:00,240
over the city and then it got real

930
00:35:05,150 --> 00:35:02,820
bright and blew up and crashed on this

931
00:35:07,310 --> 00:35:05,160
Hill height 6-1-1 they called it and the

932
00:35:08,390 --> 00:35:07,320
gilney and his team members climbed up

933
00:35:11,690 --> 00:35:08,400
this mountain

934
00:35:13,270 --> 00:35:11,700
and uh gathered samples of the wreckage

935
00:35:15,530 --> 00:35:13,280
that was up there it was this weird

936
00:35:17,930 --> 00:35:15,540
webbing-like material that covered the

937
00:35:20,150 --> 00:35:17,940
rocks and trees and soil he gathered all

938
00:35:22,609 --> 00:35:20,160

this stuff up tried to do some analysis

939

00:35:24,290 --> 00:35:22,619

crude analysis in his lab and then sent

940

00:35:26,510 --> 00:35:24,300

different samples along with his

941

00:35:28,730 --> 00:35:26,520

findings to different Russian institutes

942

00:35:30,770 --> 00:35:28,740

and it was very strange material

943

00:35:33,650 --> 00:35:30,780

I think I had part of the report that he

944

00:35:35,750 --> 00:35:33,660

had written about this incident and he

945

00:35:40,010 --> 00:35:35,760

said there were 17 different elements in

946

00:35:42,050 --> 00:35:40,020

it lead silicon aluminum tin molybdenum

947

00:35:43,609 --> 00:35:42,060

it was very strange combination of

948

00:35:45,170 --> 00:35:43,619

elements but he said the really strange

949

00:35:46,970 --> 00:35:45,180

thing was

950

00:35:49,130 --> 00:35:46,980

the fact that there was no traces of

951
00:35:51,410 --> 00:35:49,140
sulfur or phosphorus in the fusion it's

952
00:35:53,150 --> 00:35:51,420
practically impossible to make an alloy

953
00:35:53,930 --> 00:35:53,160
like that in Earth conditions in his

954
00:35:56,690 --> 00:35:53,940
words

955
00:35:57,950 --> 00:35:56,700
without phosphorus or sulfur how do you

956
00:36:01,370 --> 00:35:57,960
how do you heat it up how do you make

957
00:36:03,470 --> 00:36:01,380
those Alloys you know I'd gone to a lot

958
00:36:06,950 --> 00:36:03,480
of stock with this crew from the BBC

959
00:36:10,010 --> 00:36:06,960
there were total Pros great guys

960
00:36:13,609 --> 00:36:10,020
and they put together a series they took

961
00:36:17,569 --> 00:36:13,619
my material and retraced the steps from

962
00:36:20,990 --> 00:36:17,579
the 1993 trip that's uh Bryant Blackburn

963
00:36:23,690 --> 00:36:21,000

and I out in front of a KGB headquarters

964

00:36:26,510 --> 00:36:23,700

we posed for that photo of the KGB photo

965

00:36:28,730 --> 00:36:26,520

nap grass Blackburn which we thought was

966

00:36:31,670 --> 00:36:28,740

funny which are Russian hosts did not

967

00:36:35,150 --> 00:36:31,680

think was funny at all

968

00:36:37,970 --> 00:36:35,160

that is height 611 Hill 611 near down

969

00:36:39,650 --> 00:36:37,980

the course where an object exploded and

970

00:36:41,450 --> 00:36:39,660

crashed

971

00:36:44,089 --> 00:36:41,460

it's a story that I'll tell you about at

972

00:36:47,569 --> 00:36:44,099

some time and a lot of the material from

973

00:36:50,870 --> 00:36:47,579

that that crash was sent to various

974

00:36:53,329 --> 00:36:50,880

Russian institutes for analysis some of

975

00:36:57,950 --> 00:36:53,339

it was really strange and the chief

976
00:36:59,329 --> 00:36:57,960
scientist for that Dr deJulny

977
00:37:01,069 --> 00:36:59,339
um

978
00:37:02,329 --> 00:37:01,079
shared some of that material with me I

979
00:37:04,609 --> 00:37:02,339
was able to bring it back and we

980
00:37:06,890 --> 00:37:04,619
actually put it on display at the Atomic

981
00:37:11,870 --> 00:37:06,900
Testing Museum in Las Vegas but Moscow

982
00:37:16,670 --> 00:37:14,450
after being busted trying to videotape a

983
00:37:18,829 --> 00:37:16,680
near whiteout at the airport it was a

984
00:37:21,650 --> 00:37:18,839
nine hour stormy jaunt to the end of the

985
00:37:23,750 --> 00:37:21,660
Earth Vladivostok a crime-infested

986
00:37:27,950 --> 00:37:23,760
Seaport where our hotel's room service

987
00:37:32,569 --> 00:37:30,109
the sarcastic reference is to our ride

988
00:37:35,390 --> 00:37:32,579

on this ancient Chariot through

989

00:37:37,670 --> 00:37:35,400

snowstorms and vast emptiness sometimes

990

00:37:40,190 --> 00:37:37,680

at Treetop level to the gritty

991

00:37:42,950 --> 00:37:40,200

industrial town of downlogorsk where in

992

00:37:45,770 --> 00:37:42,960

1986 something like the Russian Roswell

993

00:37:47,810 --> 00:37:45,780

occurred Witnesses saw an object crash

994

00:37:50,210 --> 00:37:47,820

into this mountain scientists have

995

00:37:52,490 --> 00:37:50,220

analyzed the strange debris but nope

996

00:37:54,170 --> 00:37:52,500

though what they have they also had some

997

00:37:56,870 --> 00:37:54,180

interesting experiments where this

998

00:37:59,569 --> 00:37:56,880

webbing material which has obviously had

999

00:38:00,890 --> 00:37:59,579

been some kind of high technology uh it

1000

00:38:03,349 --> 00:38:00,900

disappeared while he's looking at it

1001
00:38:06,109 --> 00:38:03,359
samples would just disappear so we sent

1002
00:38:08,030 --> 00:38:06,119
it to these Russian academies to be

1003
00:38:09,650 --> 00:38:08,040
analyzed and none of it ever came back

1004
00:38:12,829 --> 00:38:09,660
and they never got any replies from them

1005
00:38:15,770 --> 00:38:12,839
but what did come is other craft other

1006
00:38:18,290 --> 00:38:15,780
UFOs in the days that followed came

1007
00:38:21,050 --> 00:38:18,300
flying over the mountain

1008
00:38:23,569 --> 00:38:21,060
uh shooting down beams of light as if

1009
00:38:25,730 --> 00:38:23,579
they were looking for the wreckage wow

1010
00:38:27,470 --> 00:38:25,740
wow yeah that that whole idea that

1011
00:38:29,390 --> 00:38:27,480
there's some sort of retrieval program

1012
00:38:31,490 --> 00:38:29,400
from the UFOs themselves and that's

1013
00:38:33,890 --> 00:38:31,500

pretty crazy man yeah we did talk to

1014

00:38:36,470 --> 00:38:33,900

some um a Russian military folks who

1015

00:38:37,970 --> 00:38:36,480

said that they had tracked UFOs uh in

1016

00:38:39,230 --> 00:38:37,980

that same time period that had flown

1017

00:38:41,810 --> 00:38:39,240

over down the course that had

1018

00:38:43,790 --> 00:38:41,820

disappeared from the radar sites uh so

1019

00:38:45,290 --> 00:38:43,800

chances are there are others that have

1020

00:38:47,089 --> 00:38:45,300

suggested this is some kind of Russian

1021

00:38:48,530 --> 00:38:47,099

satellite but the fact is the Russian

1022

00:38:50,569 --> 00:38:48,540

government never came looking for it

1023

00:38:51,829 --> 00:38:50,579

satellite it was a Russian satellite you

1024

00:38:54,470 --> 00:38:51,839

would presume that they would come and

1025

00:38:56,150 --> 00:38:54,480

pick it up they didn't de Gionee had

1026

00:38:58,370 --> 00:38:56,160

done the analysis

1027

00:39:01,910 --> 00:38:58,380

sent samples to these uh other places

1028

00:39:04,430 --> 00:39:01,920

gave me some of the samples of the rocks

1029

00:39:06,829 --> 00:39:04,440

and trees that had been charred in the

1030

00:39:08,329 --> 00:39:06,839

fire that followed the the wreck and I

1031

00:39:10,310 --> 00:39:08,339

brought that back and that also went to

1032

00:39:11,750 --> 00:39:10,320

the Atomic Testing Museum as part of

1033

00:39:16,190 --> 00:39:11,760

their exhibit they gave me that stuff

1034

00:39:18,589 --> 00:39:16,200

back just not the simikov Spears yeah so

1035

00:39:20,690 --> 00:39:18,599

they do have all of these you know

1036

00:39:21,950 --> 00:39:20,700

programs to study these samples and do

1037

00:39:23,810 --> 00:39:21,960

all this stuff you just wonder like

1038

00:39:25,970 --> 00:39:23,820

they've had crashes themselves do you

1039

00:39:27,890 --> 00:39:25,980

think that Russia also has reverse

1040

00:39:29,750 --> 00:39:27,900

engineering programs on whole craft well

1041

00:39:31,190 --> 00:39:29,760

that's what I was told and we were

1042

00:39:34,250 --> 00:39:31,200

promised a number of different times

1043

00:39:36,109 --> 00:39:34,260

both in 93 and in 96 I'd ask do you have

1044

00:39:39,530 --> 00:39:36,119

something like an Area 51 have you had

1045

00:39:41,150 --> 00:39:39,540

crashes have you had a advanced

1046

00:39:43,250 --> 00:39:41,160

technology that's being studied or

1047

00:39:45,170 --> 00:39:43,260

analyzed in secret somewhere and we were

1048

00:39:47,569 --> 00:39:45,180

told yes and we were promised a chance

1049

00:39:49,910 --> 00:39:47,579

to go see that and it never happened and

1050

00:39:51,829 --> 00:39:49,920

I don't know that it ever will happen so

1051
00:39:53,870 --> 00:39:51,839
so what's the takeaway after all these

1052
00:39:55,069 --> 00:39:53,880
years when you went to Russia now twice

1053
00:39:56,270 --> 00:39:55,079
and you talked with all of these

1054
00:39:58,130 --> 00:39:56,280
scientists and you talked with all these

1055
00:39:59,810 --> 00:39:58,140
government people you brought back the

1056
00:40:01,310 --> 00:39:59,820
documents you shared it with with

1057
00:40:03,109 --> 00:40:01,320
certain groups that needed you know what

1058
00:40:05,150 --> 00:40:03,119
what is the takeaway of all this sounds

1059
00:40:07,190 --> 00:40:05,160
like a form of disclosure man what's the

1060
00:40:09,349 --> 00:40:07,200
takeaway well I mean I do I think that

1061
00:40:10,910 --> 00:40:09,359
you know we sat there went there with

1062
00:40:12,710 --> 00:40:10,920
the idea of learning more from the

1063
00:40:14,569 --> 00:40:12,720

Russians about what America knows than

1064

00:40:16,609 --> 00:40:14,579

we might get from the phone American

1065

00:40:19,310 --> 00:40:16,619

government I think we did I mean they

1066

00:40:21,109 --> 00:40:19,320

they confirmed that they as a superpower

1067

00:40:23,089 --> 00:40:21,119

at that time were doing the same thing

1068

00:40:24,770 --> 00:40:23,099

that we were they were studying it in

1069

00:40:26,510 --> 00:40:24,780

secret they were trying to develop the

1070

00:40:28,310 --> 00:40:26,520

technology they wanted to get an

1071

00:40:30,470 --> 00:40:28,320

advantage over their uh their

1072

00:40:31,849 --> 00:40:30,480

geopolitical Rivals same thing that the

1073

00:40:33,470 --> 00:40:31,859

American government has been doing at

1074

00:40:35,450 --> 00:40:33,480

the same time they are telling their

1075

00:40:37,670 --> 00:40:35,460

public pay no attention to this there's

1076
00:40:39,650 --> 00:40:37,680
nothing to it it's American propaganda

1077
00:40:42,170 --> 00:40:39,660
there's nothing don't don't worry about

1078
00:40:43,910 --> 00:40:42,180
it's a bunch of nonsense the public

1079
00:40:46,910 --> 00:40:43,920
the Russian public like the American

1080
00:40:49,370 --> 00:40:46,920
public saw through it they maintained an

1081
00:40:52,010 --> 00:40:49,380
ongoing if underground interest in UFOs

1082
00:40:54,290 --> 00:40:52,020
and then for that brief period there in

1083
00:40:57,290 --> 00:40:54,300
the in the early 90s they were out

1084
00:40:59,150 --> 00:40:57,300
allowed to talk about it in in person uh

1085
00:41:01,130 --> 00:40:59,160
in public events on the day that I

1086
00:41:02,870 --> 00:41:01,140
arrived there was a UFO conference that

1087
00:41:05,030 --> 00:41:02,880
I went to the first time in that first

1088
00:41:06,770 --> 00:41:05,040

trip in 1993 and we interviewed a bunch

1089

00:41:08,630 --> 00:41:06,780

of people who were there I I don't

1090

00:41:11,089 --> 00:41:08,640

imagine that they're still having UFO

1091

00:41:12,710 --> 00:41:11,099

conferences the only real good reports

1092

00:41:15,470 --> 00:41:12,720

we get out of Russia anymore come from

1093

00:41:17,750 --> 00:41:15,480

our friend Paul Stonehill who samples

1094

00:41:20,329 --> 00:41:17,760

Russian media and and reports when they

1095

00:41:22,069 --> 00:41:20,339

have UFO incidents but I think that

1096

00:41:24,170 --> 00:41:22,079

window of opportunity

1097

00:41:26,569 --> 00:41:24,180

that was open for a very brief time

1098

00:41:29,089 --> 00:41:26,579

there in the early 1990s has now closed

1099

00:41:30,890 --> 00:41:29,099

for probably forever yeah man I guess

1100

00:41:32,810 --> 00:41:30,900

one day it would just be amazing if we

1101
00:41:34,670 --> 00:41:32,820
could you know have coordination between

1102
00:41:36,890 --> 00:41:34,680
governments to try to work on some of

1103
00:41:37,970 --> 00:41:36,900
this technology I don't it's never going

1104
00:41:39,710 --> 00:41:37,980
to happen everybody wants a

1105
00:41:41,150 --> 00:41:39,720
technological advantage on this reverse

1106
00:41:44,750 --> 00:41:41,160
engineering programs

1107
00:41:47,210 --> 00:41:44,760
so I'm amazed at the ferocity and

1108
00:41:49,190 --> 00:41:47,220
ugliness of anti-American sentiments now

1109
00:41:52,069 --> 00:41:49,200
current in Russia the Grimm assessment

1110
00:41:54,230 --> 00:41:52,079
by former KGB General Oleg collusion is

1111
00:41:56,870 --> 00:41:54,240
at odds with the friendly face placed on

1112
00:41:59,150 --> 00:41:56,880
U.S Russian relations by politicians it

1113
00:42:01,670 --> 00:41:59,160

was collusion's job to direct an army of

1114

00:42:04,130 --> 00:42:01,680

KGB spies stationed all over the world

1115

00:42:06,589 --> 00:42:04,140

Nevada was always a prime target of

1116

00:42:08,569 --> 00:42:06,599

Espionage he says and the KGB had

1117

00:42:11,510 --> 00:42:08,579

intense subversion plans for this area

1118

00:42:13,670 --> 00:42:11,520

including the sabotage of Hoover Dam and

1119

00:42:15,530 --> 00:42:13,680

the poisoning of our water supply while

1120

00:42:17,510 --> 00:42:15,540

subversion is no longer on the front

1121

00:42:20,030 --> 00:42:17,520

burner for the Russians the general says

1122

00:42:23,870 --> 00:42:20,040

the new Russian president seems to long

1123

00:42:27,829 --> 00:42:23,880

for the good old days Mr Putin's heart

1124

00:42:30,829 --> 00:42:27,839

and soul belonged to this Soviet system

1125

00:42:32,930 --> 00:42:30,839

he admires comrade Joseph Stalin

1126
00:42:35,210 --> 00:42:32,940
collusion should know Russian President

1127
00:42:38,089 --> 00:42:35,220
Vladimir Putin worked directly under

1128
00:42:40,670 --> 00:42:38,099
collusion at the KGB Putin openly

1129
00:42:43,010 --> 00:42:40,680
admires even publicly toasts mass

1130
00:42:45,349 --> 00:42:43,020
murderer Joseph Stalin can you imagine

1131
00:42:48,910 --> 00:42:45,359
in Germany today

1132
00:42:52,970 --> 00:42:48,920
anyone of the political leaders drinking

1133
00:42:55,430 --> 00:42:52,980
blessed memory of Adolf Hitler Putin he

1134
00:42:58,370 --> 00:42:55,440
says still has a spy's attitude about

1135
00:43:01,670 --> 00:42:58,380
how to best deal with adversaries vodka

1136
00:43:03,349 --> 00:43:01,680
blackmail and a threat to kill Isn't it

1137
00:43:06,650 --> 00:43:03,359
nice for the president or a big country

1138
00:43:08,690 --> 00:43:06,660

even though KGB no longer exists its

1139

00:43:10,849 --> 00:43:08,700

successor still spreads fear not only

1140

00:43:13,370 --> 00:43:10,859

internationally but at home in Russia

1141

00:43:16,190 --> 00:43:13,380

when this reporter visited Russia twice

1142

00:43:18,410 --> 00:43:16,200

in the 1990s most average citizens there

1143

00:43:20,630 --> 00:43:18,420

told us they simply assume they are

1144

00:43:23,630 --> 00:43:20,640

always being watched with Putin in

1145

00:43:25,790 --> 00:43:23,640

charge that paranoia is reinforced in

1146

00:43:28,430 --> 00:43:25,800

the U.S and elsewhere Russia's already

1147

00:43:31,730 --> 00:43:28,440

huge spy Network now operates with

1148

00:43:35,510 --> 00:43:31,740

powerful new allies Mobsters Russian

1149

00:43:37,250 --> 00:43:35,520

criminal elements are now omnipotent I

1150

00:43:40,069 --> 00:43:37,260

mean they are everywhere

1151
00:43:43,550 --> 00:43:40,079
and the Russian Security Services may

1152
00:43:45,309 --> 00:43:43,560
use criminals to settle scores with

1153
00:43:48,230 --> 00:43:45,319
those who they find

1154
00:43:50,329 --> 00:43:48,240
inconvenience local lawmen confirmed

1155
00:43:52,550 --> 00:43:50,339
there was already a strong Russian mob

1156
00:43:54,170 --> 00:43:52,560
presence here and collusion warns as

1157
00:43:56,569 --> 00:43:54,180
long as Southern Nevada is home to

1158
00:43:58,609 --> 00:43:56,579
important defense installations spies

1159
00:44:01,190 --> 00:43:58,619
will always be here I wouldn't be

1160
00:44:03,970 --> 00:44:01,200
surprised if there are some people who

1161
00:44:06,890 --> 00:44:03,980
would be very much interested in

1162
00:44:09,470 --> 00:44:06,900
ferreting out information related to the

1163
00:44:11,870 --> 00:44:09,480

defense installations to Department of

1164

00:44:14,329 --> 00:44:11,880

energy operations after all divada is

1165

00:44:17,270 --> 00:44:14,339

one of the crucial States George Knapp

1166

00:44:19,430 --> 00:44:17,280

Eyewitness News you know why don't

1167

00:44:21,230 --> 00:44:19,440

governments come clean on this our

1168

00:44:22,849 --> 00:44:21,240

mutual friend the late Stan Friedman

1169

00:44:26,150 --> 00:44:22,859

used to talk about that he would say

1170

00:44:28,069 --> 00:44:26,160

look I mean no government on Earth wants

1171

00:44:29,930 --> 00:44:28,079

to admit that there's things flying

1172

00:44:31,550 --> 00:44:29,940

around in their skies and they can't do

1173

00:44:34,069 --> 00:44:31,560

anything about it flying around with

1174

00:44:36,109 --> 00:44:34,079

impudity over sensitive sensitive sites

1175

00:44:38,690 --> 00:44:36,119

over nuclear bases nuclear missiles

1176

00:44:40,790 --> 00:44:38,700

military facilities does the president

1177

00:44:42,589 --> 00:44:40,800

come out and say sorry nothing we can do

1178

00:44:45,230 --> 00:44:42,599

about that he said that you know

1179

00:44:47,569 --> 00:44:45,240

eventually when this comes out that we

1180

00:44:49,250 --> 00:44:47,579

earthlings no matter what country you

1181

00:44:51,109 --> 00:44:49,260

live in might start thinking of

1182

00:44:53,390 --> 00:44:51,119

ourselves as earthlings as opposed to

1183

00:44:55,309 --> 00:44:53,400

Americans or Russians and no government

1184

00:44:57,710 --> 00:44:55,319

wants that to happen yeah I think that's

1185

00:44:59,150 --> 00:44:57,720

true yeah so I mean we we know that to

1186

00:45:00,589 --> 00:44:59,160

be true within the United States

1187

00:45:02,809 --> 00:45:00,599

programs that we are aware of that

1188

00:45:04,730 --> 00:45:02,819

whistleblowers are testifying right now

1189

00:45:06,230 --> 00:45:04,740

behind closed doors that there are these

1190

00:45:08,030 --> 00:45:06,240

programs and we've been working on it

1191

00:45:10,010 --> 00:45:08,040

but it sounds like unsuccessfully I mean

1192

00:45:11,690 --> 00:45:10,020

I maintain what I keep hearing through

1193

00:45:13,730 --> 00:45:11,700

all this time from people that are

1194

00:45:16,370 --> 00:45:13,740

involved is that our Material Science

1195

00:45:18,770 --> 00:45:16,380

needs to catch up to be able to

1196

00:45:21,170 --> 00:45:18,780

fabricate what it is that these craft

1197

00:45:22,790 --> 00:45:21,180

are built from they can do they said

1198

00:45:24,770 --> 00:45:22,800

derivatives right we get a lot of

1199

00:45:26,870 --> 00:45:24,780

derivatives so you learn a lot through

1200

00:45:29,630 --> 00:45:26,880

the process of interrogation of these

1201
00:45:33,470 --> 00:45:29,640
either materials or whole craft as we've

1202
00:45:35,569 --> 00:45:33,480
heard but can we fabricate so that we

1203
00:45:37,730 --> 00:45:35,579
can duplicate these vehicles themselves

1204
00:45:39,650 --> 00:45:37,740
and the answer has always been no and

1205
00:45:41,930 --> 00:45:39,660
it's you know we've been told that over

1206
00:45:43,370 --> 00:45:41,940
and over and over that it's not that we

1207
00:45:45,230 --> 00:45:43,380
don't have the brightest Minds on it

1208
00:45:47,930 --> 00:45:45,240
necessarily it's that we physically

1209
00:45:51,710 --> 00:45:47,940
can't atomically layer and perfectly

1210
00:45:53,690 --> 00:45:51,720
atomically layer to build these machines

1211
00:45:55,250 --> 00:45:53,700
I guess um the derivative Technologies

1212
00:45:57,829 --> 00:45:55,260
is a big deal though and that's a reason

1213
00:45:59,990 --> 00:45:57,839

to keep the secret yeah I think so I

1214

00:46:02,329 --> 00:46:00,000

think in a legitimate National Security

1215

00:46:04,010 --> 00:46:02,339

issues involved it comes hand in hand

1216

00:46:05,990 --> 00:46:04,020

with it there's no getting around it you

1217

00:46:07,730 --> 00:46:06,000

know as as we have been told you know

1218

00:46:09,770 --> 00:46:07,740

you can't tell your friends without

1219

00:46:11,990 --> 00:46:09,780

telling your enemies right and this

1220

00:46:14,270 --> 00:46:12,000

technology whoever gets it they win you

1221

00:46:15,710 --> 00:46:14,280

know if if in fact we can ever duplicate

1222

00:46:17,089 --> 00:46:15,720

it I'm not sure that we're going to be

1223

00:46:19,069 --> 00:46:17,099

able to yeah yeah people like to

1224

00:46:20,750 --> 00:46:19,079

theorize that we are flying what we see

1225

00:46:23,210 --> 00:46:20,760

as the tick tocks this is some sort of

1226
00:46:25,670 --> 00:46:23,220
technology that we have created some

1227
00:46:27,710 --> 00:46:25,680
leap on and it's U.S technology what

1228
00:46:29,809 --> 00:46:27,720
this stuff has been around

1229
00:46:31,970 --> 00:46:29,819
since the beginning of history but even

1230
00:46:33,950 --> 00:46:31,980
just when we were seeing Foo Fighters

1231
00:46:36,170 --> 00:46:33,960
both sides of the war thought it was

1232
00:46:38,569 --> 00:46:36,180
each other's we're seeing that now so I

1233
00:46:40,069 --> 00:46:38,579
I wish it was a sad day when I learned

1234
00:46:41,150 --> 00:46:40,079
that this was not our attack and I was

1235
00:46:43,849 --> 00:46:41,160
sure that that was correct information

1236
00:46:46,730 --> 00:46:43,859
it was a sad day I was sure we had made

1237
00:46:48,349 --> 00:46:46,740
breakthroughs apparently we haven't so

1238
00:46:50,690 --> 00:46:48,359

so that's that's where we're at man

1239

00:46:52,910 --> 00:46:50,700

governments lie about this they've

1240

00:46:55,069 --> 00:46:52,920

always lied about it they tell us to

1241

00:46:57,530 --> 00:46:55,079

move along nothing to see here they're

1242

00:46:59,030 --> 00:46:57,540

Liars they might have good reasons for

1243

00:47:00,950 --> 00:46:59,040

lying about it

1244

00:47:02,569 --> 00:47:00,960

um I suspect that there is a very small

1245

00:47:04,790 --> 00:47:02,579

group of people who really know what's

1246

00:47:06,530 --> 00:47:04,800

going on uh that the the rest of

1247

00:47:08,690 --> 00:47:06,540

government and the military really have

1248

00:47:09,890 --> 00:47:08,700

no idea that they believed that what

1249

00:47:12,109 --> 00:47:09,900

they've been told that there's nothing

1250

00:47:14,750 --> 00:47:12,119

to it then it's all misidentifications

1251

00:47:17,690 --> 00:47:14,760

of prosaic objects but there is an

1252

00:47:19,609 --> 00:47:17,700

effort to figure out the technology we

1253

00:47:20,990 --> 00:47:19,619

know now from some friends of ours in

1254

00:47:23,089 --> 00:47:21,000

Congress that they're trying to get to

1255

00:47:25,250 --> 00:47:23,099

the bottom of it I wish them a lot of

1256

00:47:27,109 --> 00:47:25,260

luck but the people who have been

1257

00:47:29,270 --> 00:47:27,119

keeping these secrets all these decades

1258

00:47:31,370 --> 00:47:29,280

are a lot better at their job I think

1259

00:47:34,430 --> 00:47:31,380

Than People Like Us are at ours and

1260

00:47:36,650 --> 00:47:34,440

that's it's a an uphill fight it in in

1261

00:47:38,690 --> 00:47:36,660

America in Russia and other countries

1262

00:47:40,490 --> 00:47:38,700

around the world uh all we can do is

1263

00:47:41,870 --> 00:47:40,500

certos is keep trying to kick down doors

1264

00:47:43,490 --> 00:47:41,880

and Report the news so thanks for

1265

00:47:44,930 --> 00:47:43,500

sharing the the Russia story with

1266

00:47:46,970 --> 00:47:44,940

everybody I think it's important part of

1267

00:47:48,349 --> 00:47:46,980

UFO history that the wider audience

1268

00:47:49,609 --> 00:47:48,359

hasn't heard you've shared a lot with me

1269

00:47:51,530 --> 00:47:49,619

over beers or something like that but

1270

00:47:53,990 --> 00:47:51,540

now people get to hear it I'd love to go

1271

00:47:55,490 --> 00:47:54,000

back I I love visiting Russia there's

1272

00:47:57,170 --> 00:47:55,500

not a chance in hell that I'm going to

1273

00:47:58,910 --> 00:47:57,180

go back I mean you know they just

1274

00:48:00,890 --> 00:47:58,920

arrested an American journalist there

1275

00:48:02,990 --> 00:48:00,900

charged him with Espionage a couple of

1276

00:48:05,329 --> 00:48:03,000

weeks ago for what was obviously not

1277

00:48:07,609 --> 00:48:05,339

Espionage a lot of Russian journalists

1278

00:48:09,470 --> 00:48:07,619

have been bumped off like about one a

1279

00:48:11,690 --> 00:48:09,480

month they've been dying in strange ways

1280

00:48:13,430 --> 00:48:11,700

falling out of buildings uh it's not

1281

00:48:15,290 --> 00:48:13,440

something I I think I would ever go back

1282

00:48:17,270 --> 00:48:15,300

there unless there was a radical change

1283

00:48:18,950 --> 00:48:17,280

in their government but I'd love to at

1284

00:48:20,930 --> 00:48:18,960

some point but anyway don't worry like

1285

00:48:22,490 --> 00:48:20,940

normal you'll send me in as bait someday

1286

00:48:29,170 --> 00:48:22,500

and I'll go to Russia for us yeah you

1287

00:48:35,750 --> 00:48:32,030

[Music]

1288

00:48:43,690 --> 00:48:40,010

never have so few had so much to tell

1289

00:48:45,530 --> 00:48:43,700

but could say so little

1290

00:48:47,329 --> 00:48:45,540

following this little weaponized

1291

00:48:48,950 --> 00:48:47,339

presentation of Jeremy Corbell George

1292

00:48:51,170 --> 00:48:48,960

Knapp Dark Horse entertainment and

1293

00:48:53,329 --> 00:48:51,180

Cadence 13 Studios available now for
