

WEAPONIZED #18

# THE SILENT TRIANGLE OF TWENTYNINE PALMS

1  
00:00:06,230 --> 00:00:03,710  
uh we have been working on a case it is

2  
00:00:08,390 --> 00:00:06,240  
two years so two years ago this thing

3  
00:00:10,790 --> 00:00:08,400  
happened and nothing has come out

4  
00:00:14,390 --> 00:00:10,800  
there's been no media coverage in the

5  
00:00:17,510 --> 00:00:14,400  
two years since so I got a tip uh from

6  
00:00:20,150 --> 00:00:17,520  
two bases at the time but the tip was

7  
00:00:21,950 --> 00:00:20,160  
basically like something happened and

8  
00:00:23,990 --> 00:00:21,960  
you should look into it click and I'm

9  
00:00:26,630 --> 00:00:24,000  
like oh no like but it was you know from

10  
00:00:28,490 --> 00:00:26,640  
a high up let's show the first video and

11  
00:00:33,470 --> 00:00:28,500  
let's talk it through so people cannot

12  
00:00:38,990 --> 00:00:36,229  
Secrets cover-ups and strange phenomena

13  
00:00:42,049 --> 00:00:39,000

UFOs and ideas that challenge reality

14

00:00:43,670 --> 00:00:42,059

itself all these Mysteries all this time

15

00:00:46,190 --> 00:00:43,680

are we ever going to get to the bottom

16

00:00:48,770 --> 00:00:46,200

of these my name is George Knapp I dig

17

00:00:51,049 --> 00:00:48,780

into news stories that others can't or

18

00:00:52,729 --> 00:00:51,059

won't I'm Jeremy Corbell and for some

19

00:00:54,709 --> 00:00:52,739

reason people tell me things they

20

00:00:59,510 --> 00:00:54,719

probably shouldn't

21

00:01:03,110 --> 00:01:00,709

foreign

22

00:01:04,609 --> 00:01:03,120

this is weaponize welcome back everyone

23

00:01:05,870 --> 00:01:04,619

hey Jeremy how's it going what's up

24

00:01:08,390 --> 00:01:05,880

George good to see you again on

25

00:01:10,250 --> 00:01:08,400

weaponize hey we're in episode 18. we're

26

00:01:12,469 --> 00:01:10,260

having a great time we get a lot of

27

00:01:14,690 --> 00:01:12,479

feedback from our listeners and those

28

00:01:16,370 --> 00:01:14,700

who watch on YouTube and it's been fun I

29

00:01:17,810 --> 00:01:16,380

mean it's very supportive the weaponized

30

00:01:19,850 --> 00:01:17,820

audience out there they like what we're

31

00:01:21,950 --> 00:01:19,860

doing most of them

32

00:01:23,929 --> 00:01:21,960

um periodically we like to give them a

33

00:01:26,570 --> 00:01:23,939

little reminder of what the program is

34

00:01:28,609 --> 00:01:26,580

supposed to be at the start I obviously

35

00:01:30,230 --> 00:01:28,619

we've admitted our interest is in UFOs

36

00:01:33,890 --> 00:01:30,240

UAP is whatever you want to call them

37

00:01:35,149 --> 00:01:33,900

and it is a UFO UAP Centric program but

38

00:01:36,649 --> 00:01:35,159

we have other interests there are other

39

00:01:38,749 --> 00:01:36,659

things going on in the world than we've

40

00:01:41,569 --> 00:01:38,759

said from the beginning we kind of like

41

00:01:44,990 --> 00:01:41,579

to explore other ideas you know creative

42

00:01:47,090 --> 00:01:45,000

people filmmakers artists musicians uh

43

00:01:49,370 --> 00:01:47,100

folks like that interesting people with

44

00:01:51,530 --> 00:01:49,380

interesting lives and sometimes it

45

00:01:54,590 --> 00:01:51,540

intersects with UFOs but not everything

46

00:01:56,870 --> 00:01:54,600

is about UFOs right well first of all

47

00:01:59,870 --> 00:01:56,880

you have other interests than UFOs yeah

48

00:02:02,569 --> 00:01:59,880

I do you know okay that's good books I

49

00:02:06,170 --> 00:02:02,579

watch movies you don't say yeah okay

50

00:02:07,850 --> 00:02:06,180

yeah so that that is true however this

51  
00:02:10,249 --> 00:02:07,860  
episode's about UFO this one is about

52  
00:02:11,570 --> 00:02:10,259  
this one's about UFOs make everybody

53  
00:02:13,369 --> 00:02:11,580  
happy

54  
00:02:16,430 --> 00:02:13,379  
um yeah it's gonna be a good episode but

55  
00:02:17,869 --> 00:02:16,440  
before we talk about that I want to know

56  
00:02:20,449 --> 00:02:17,879  
I just want to catch up with you we

57  
00:02:23,510 --> 00:02:20,459  
haven't hung out in a little bit uh you

58  
00:02:25,309 --> 00:02:23,520  
have an explosion of mantises in your

59  
00:02:26,630 --> 00:02:25,319  
yard right yeah tell me about that I

60  
00:02:29,089 --> 00:02:26,640  
can't remember if I talked about it on

61  
00:02:31,670 --> 00:02:29,099  
this program before but uh praying

62  
00:02:34,369 --> 00:02:31,680  
mantises so I had an a mantis that

63  
00:02:36,170 --> 00:02:34,379

showed up in my yard in Las Vegas I

64

00:02:37,850 --> 00:02:36,180

think it's eight years ago now and it

65

00:02:39,710 --> 00:02:37,860

actually was in the pool I thought it

66

00:02:41,449 --> 00:02:39,720

was a piece of wood floating in in the

67

00:02:43,850 --> 00:02:41,459

pool and I scooped it out and I realized

68

00:02:46,490 --> 00:02:43,860

oh man it's a mantis it's a dead mantis

69

00:02:48,410 --> 00:02:46,500

which I I just love those little beings

70

00:02:49,970 --> 00:02:48,420

so I put it out in the shade thinking

71

00:02:52,790 --> 00:02:49,980

well maybe it'll bounce back looked like

72

00:02:55,070 --> 00:02:52,800

it had drowned and uh I go in the house

73

00:02:57,350 --> 00:02:55,080

I come back like a half hour later that

74

00:02:59,270 --> 00:02:57,360

mantis is standing at the door at the

75

00:03:01,130 --> 00:02:59,280

door wanting to come in whoa whoa little

76  
00:03:02,750 --> 00:03:01,140  
guy hold on a second I pay picked them

77  
00:03:05,449 --> 00:03:02,760  
up and I put them in a there's a little

78  
00:03:08,030 --> 00:03:05,459  
flower bed in our Courtyard where we

79  
00:03:10,369 --> 00:03:08,040  
grow mint and other herbs and things

80  
00:03:13,430 --> 00:03:10,379  
like that and put them in there and it

81  
00:03:16,790 --> 00:03:13,440  
blossomed into a manta Sanctuary the

82  
00:03:19,670 --> 00:03:16,800  
following year we had 20 30 50 mantises

83  
00:03:23,570 --> 00:03:19,680  
in there and then it was hundreds and

84  
00:03:26,270 --> 00:03:23,580  
each year almost to the date on May 1st

85  
00:03:27,710 --> 00:03:26,280  
April 30th May 1st more mantis has come

86  
00:03:29,270 --> 00:03:27,720  
so I'm in the middle of manta season

87  
00:03:32,030 --> 00:03:29,280  
right now this week has been an

88  
00:03:33,949 --> 00:03:32,040

explosion of little baby mantises and

89

00:03:35,630 --> 00:03:33,959

people wonder well what's the point well

90

00:03:37,729 --> 00:03:35,640

they're just amazing little creatures

91

00:03:40,190 --> 00:03:37,739

plus you know we've heard some stories

92

00:03:42,649 --> 00:03:40,200

from mutual friends of ours Stuart that

93

00:03:46,250 --> 00:03:42,659

says yes Stuart Davis he runs a podcast

94

00:03:48,830 --> 00:03:46,260

called uh aliens and artists or artists

95

00:03:51,350 --> 00:03:48,840

and Aliens artists and Aliens yeah and

96

00:03:53,809 --> 00:03:51,360

he had an experience on the New Year's

97

00:03:55,490 --> 00:03:53,819

Eve with an eight foot tall mantis and a

98

00:03:58,190 --> 00:03:55,500

lot of people have said they have these

99

00:04:00,170 --> 00:03:58,200

mantis alien encounters

100

00:04:01,729 --> 00:04:00,180

I don't know if they're real or not I

101  
00:04:04,250 --> 00:04:01,739  
don't know if they really do look like

102  
00:04:06,410 --> 00:04:04,260  
eight foot tall mantises but why not

103  
00:04:08,149 --> 00:04:06,420  
cover your bet so I'm thinking it

104  
00:04:10,309 --> 00:04:08,159  
doesn't hurt to be nice to these praying

105  
00:04:12,410 --> 00:04:10,319  
mantises just in case the alien

106  
00:04:14,809 --> 00:04:12,420  
overlords decide to to land one of these

107  
00:04:16,610 --> 00:04:14,819  
days but I I dig them anyway this is a

108  
00:04:18,409 --> 00:04:16,620  
really big week

109  
00:04:20,150 --> 00:04:18,419  
um we'll put some images up maybe of

110  
00:04:23,090 --> 00:04:20,160  
these mantises as they come out it's

111  
00:04:25,490 --> 00:04:23,100  
like they they put these little egg

112  
00:04:28,129 --> 00:04:25,500  
they look like condo Towers Memphis

113  
00:04:30,530 --> 00:04:28,139

condo towers and then 50 100 of them

114

00:04:32,450 --> 00:04:30,540

come up out at the same time and uh

115

00:04:34,490 --> 00:04:32,460

they're amazing I mean it's I don't know

116

00:04:36,770 --> 00:04:34,500

much about it all I know is that if I

117

00:04:40,070 --> 00:04:36,780

get 50 texts from George Knapp it's

118

00:04:41,990 --> 00:04:40,080

going to be cats mantises or UFOs like

119

00:04:43,610 --> 00:04:42,000

that or air conditioning problems it's

120

00:04:46,189 --> 00:04:43,620

gonna be something like that those are

121

00:04:48,890 --> 00:04:46,199

my interests okay well it mantises uh by

122

00:04:50,390 --> 00:04:48,900

the way they're [h\_\_\h] brutal man I

123

00:04:52,490 --> 00:04:50,400

mean are they the ones that like mate

124

00:04:54,350 --> 00:04:52,500

and then eat their mates yeah and I

125

00:04:55,850 --> 00:04:54,360

think I think these little baby mantises

126

00:04:57,409 --> 00:04:55,860

if there's nothing else around they

127

00:04:58,610 --> 00:04:57,419

probably eat each other that's where a

128

00:05:00,290 --> 00:04:58,620

lot of them end up going I've been

129

00:05:03,409 --> 00:05:00,300

seeing all these videos online of

130

00:05:05,090 --> 00:05:03,419

mantises devouring like entire spiders

131

00:05:07,730 --> 00:05:05,100

or entire animals

132

00:05:09,590 --> 00:05:07,740

um anywhere yeah Birds yeah that that's

133

00:05:11,330 --> 00:05:09,600

that's freaky if the planet was run by

134

00:05:13,070 --> 00:05:11,340

mantises we'd be screwed man well it

135

00:05:15,950 --> 00:05:13,080

might be run by mantis as we just don't

136

00:05:17,629 --> 00:05:15,960

know uh on the UFO front yeah a lot of a

137

00:05:19,850 --> 00:05:17,639

lot of news this week a lot of things

138

00:05:21,890 --> 00:05:19,860

happen our mutual friend Dr Gary Nolan

139

00:05:24,409 --> 00:05:21,900

of Stanford University gave an interview

140

00:05:27,050 --> 00:05:24,419

he is made these kind of statements

141

00:05:30,409 --> 00:05:27,060

before but it was on a new platform and

142

00:05:32,689 --> 00:05:30,419

it gained a great exposure where he made

143

00:05:34,790 --> 00:05:32,699

definitive statements that some kind of

144

00:05:38,029 --> 00:05:34,800

alien intelligence I think he implies

145

00:05:41,390 --> 00:05:38,039

it's ET is here it's always been here

146

00:05:43,370 --> 00:05:41,400

and it is here now and um and he made

147

00:05:45,950 --> 00:05:43,380

reference to whistleblowers some events

148

00:05:47,990 --> 00:05:45,960

in Washington DC of the past week that

149

00:05:50,210 --> 00:05:48,000

some bombs were dropped you and I

150

00:05:51,890 --> 00:05:50,220

interact with whistleblowers some of the

151

00:05:54,050 --> 00:05:51,900

the biggest ones that are still to be

152

00:05:57,350 --> 00:05:54,060

made public I want to get your sense of

153

00:05:59,450 --> 00:05:57,360

what you made of Dr Nolan's remark yeah

154

00:06:02,930 --> 00:05:59,460

so first of all for people who don't

155

00:06:05,930 --> 00:06:02,940

know who Dr Gary Nolan is he's a hell of

156

00:06:08,270 --> 00:06:05,940

a guy I remember we were in uh Alabama

157

00:06:10,790 --> 00:06:08,280

and we were there for a conference you

158

00:06:12,409 --> 00:06:10,800

and me and I was pressuring him come get

159

00:06:14,390 --> 00:06:12,419

a whiskey with me come get a whiskey I

160

00:06:16,610 --> 00:06:14,400

didn't think he'd show up man he showed

161

00:06:19,430 --> 00:06:16,620

up so he's a hell of a guy but what

162

00:06:22,249 --> 00:06:19,440

people need to know about Gary is that

163

00:06:24,170 --> 00:06:22,259

he's a scientist that he has been

164

00:06:25,749 --> 00:06:24,180

interested in this topic and and Ford

165

00:06:29,029 --> 00:06:25,759

speaking about it for a long time

166

00:06:31,129 --> 00:06:29,039

additionally this is a guy that has

167

00:06:34,129 --> 00:06:31,139

clearances and contracts with our

168

00:06:37,070 --> 00:06:34,139

government and he did do in-depth

169

00:06:40,010 --> 00:06:37,080

studies on the human brain on Military

170

00:06:42,590 --> 00:06:40,020

individuals that had close proximity to

171

00:06:44,150 --> 00:06:42,600

UFOs this is under OSAP which you've

172

00:06:47,150 --> 00:06:44,160

told the world about for many years now

173

00:06:50,930 --> 00:06:47,160

but with Gary he's really had a front

174

00:06:53,090 --> 00:06:50,940

row seat to what was Secret at one time

175

00:06:55,610 --> 00:06:53,100

about what is going on with the human

176

00:06:58,430 --> 00:06:55,620

brain when people have close proximity

177

00:07:01,969 --> 00:06:58,440

encounters with UFO so when someone like

178

00:07:04,610 --> 00:07:01,979

that speaks it's not frivolously

179

00:07:06,409 --> 00:07:04,620

we know he has good sources as a

180

00:07:08,270 --> 00:07:06,419

scientist we know that he's had good

181

00:07:10,790 --> 00:07:08,280

connection to this subject so I was

182

00:07:12,950 --> 00:07:10,800

really taken aback he said this kind of

183

00:07:15,170 --> 00:07:12,960

thing before but it was like wow he

184

00:07:17,870 --> 00:07:15,180

really threw down so mad respect for

185

00:07:20,809 --> 00:07:17,880

Gary Nolan what he what I did here in

186

00:07:23,210 --> 00:07:20,819

that is that his confidence that the UFO

187

00:07:25,129 --> 00:07:23,220

reality is real that these are machines

188

00:07:27,890 --> 00:07:25,139

from somewhere else that we don't know

189

00:07:30,589 --> 00:07:27,900

who's operating them but but also about

190

00:07:34,249 --> 00:07:30,599

whistleblowers he made a statement

191

00:07:35,990 --> 00:07:34,259

if I recall that he says not not only

192

00:07:38,270 --> 00:07:36,000

are people coming forward but they've

193

00:07:41,210 --> 00:07:38,280

told locations of where this Hardware

194

00:07:43,909 --> 00:07:41,220

this alien Hardware straight up like Bob

195

00:07:47,330 --> 00:07:43,919

Lazar talk this alien Hardware where it

196

00:07:49,249 --> 00:07:47,340

is and I can confirm to you and you can

197

00:07:51,050 --> 00:07:49,259

confirm to me that this is we know this

198

00:07:53,570 --> 00:07:51,060

to be true that this has been presented

199

00:07:56,210 --> 00:07:53,580

to Dr Kirkpatrick at least presented to

200

00:07:58,969 --> 00:07:56,220

him can he follow up can he make sure

201  
00:08:01,249 --> 00:07:58,979  
these are valid claims I don't know I

202  
00:08:03,469 --> 00:08:01,259  
still am very skeptical if he can do

203  
00:08:05,570 --> 00:08:03,479  
that but we know that some of the

204  
00:08:08,330 --> 00:08:05,580  
witnesses we've spoken with that they

205  
00:08:11,990 --> 00:08:08,340  
have conveyed within the the classified

206  
00:08:15,589 --> 00:08:12,000  
setting where the freaking Hardware is

207  
00:08:20,029 --> 00:08:15,599  
for these this UFO Technologies and that

208  
00:08:23,150 --> 00:08:20,039  
was was huge he also said during or the

209  
00:08:25,730 --> 00:08:23,160  
little bit that I saw from that is well

210  
00:08:29,150 --> 00:08:25,740  
let's let's just stop there alien

211  
00:08:31,249 --> 00:08:29,160  
Hardware locations so the question is uh

212  
00:08:33,589 --> 00:08:31,259  
how much of that information has already

213  
00:08:36,050 --> 00:08:33,599

been conveyed to Congress right and what

214

00:08:37,969 --> 00:08:36,060

will we they do with it expectations of

215

00:08:39,949 --> 00:08:37,979

course are are high right now people

216

00:08:42,050 --> 00:08:39,959

think this is the year you know we've

217

00:08:43,730 --> 00:08:42,060

only heard that for 50 years or so this

218

00:08:46,430 --> 00:08:43,740

is the year the disclosure it's all

219

00:08:49,070 --> 00:08:46,440

combusting out and I appreciate the

220

00:08:50,509 --> 00:08:49,080

optimism of UFO world but again and

221

00:08:52,550 --> 00:08:50,519

again it's been Lucy in the football

222

00:08:53,570 --> 00:08:52,560

just when we think things are going to

223

00:08:55,430 --> 00:08:53,580

break

224

00:08:58,850 --> 00:08:55,440

um you know it the rug gets pulled out

225

00:09:00,650 --> 00:08:58,860

the ball gets snatched away uh I think

226

00:09:03,110 --> 00:09:00,660

that there is definite progress in the

227

00:09:05,509 --> 00:09:03,120

past five years of six years now since

228

00:09:07,670 --> 00:09:05,519

the New York Times story came out a lot

229

00:09:09,769 --> 00:09:07,680

has been learned the public has learned

230

00:09:12,829 --> 00:09:09,779

a lot Congress has learned a lot but it

231

00:09:15,110 --> 00:09:12,839

doesn't necessarily mean what our public

232

00:09:17,329 --> 00:09:15,120

might have in mind for disclosure is

233

00:09:20,389 --> 00:09:17,339

imminent there are still some big big

234

00:09:22,009 --> 00:09:20,399

hurdles to be overcome let's say you

235

00:09:24,050 --> 00:09:22,019

have whistleblowers who will tell

236

00:09:26,750 --> 00:09:24,060

Congress this is the building where it

237

00:09:29,750 --> 00:09:26,760

is a Kenya do you have the authority to

238

00:09:31,970 --> 00:09:29,760

go in and get it B is it still there see

239

00:09:34,130 --> 00:09:31,980

even if it is there and you get it and

240

00:09:36,110 --> 00:09:34,140

you uh confirm that it's real the

241

00:09:37,850 --> 00:09:36,120

testimony is real what do you do with it

242

00:09:40,009 --> 00:09:37,860

does that mean you can release that info

243

00:09:42,530 --> 00:09:40,019

maybe not because a national security

244

00:09:44,630 --> 00:09:42,540

considerations and even if you can do

245

00:09:46,670 --> 00:09:44,640

that does it move the needle and I don't

246

00:09:50,570 --> 00:09:46,680

know the answer to any of that yeah

247

00:09:52,550 --> 00:09:50,580

neither do I I I've been staying away

248

00:09:54,470 --> 00:09:52,560

from the the Twitter Wars and that kind

249

00:09:57,829 --> 00:09:54,480

of thing but we we have some friends so

250

00:10:01,730 --> 00:09:57,839

Danny Silva texted us the other day on

251

00:10:03,829 --> 00:10:01,740

this thread with Joe murga and also I

252

00:10:05,990 --> 00:10:03,839

like to call them UFO Jesus but our

253

00:10:07,670 --> 00:10:06,000

friend Ryan and Danny said you know why

254

00:10:08,930 --> 00:10:07,680

aren't you guys what do you get you guys

255

00:10:11,509 --> 00:10:08,940

are the only ones not saying there's

256

00:10:13,610 --> 00:10:11,519

some big UFO bomb about to drop and I

257

00:10:15,290 --> 00:10:13,620

was kind of like what UFO bomb I I don't

258

00:10:16,730 --> 00:10:15,300

know what's what's gonna happen I don't

259

00:10:18,230 --> 00:10:16,740

have a crystal ball but I guess a lot of

260

00:10:20,570 --> 00:10:18,240

people I've been coming forward and

261

00:10:22,610 --> 00:10:20,580

saying UFO disclosure it's imminent it's

262

00:10:24,889 --> 00:10:22,620

going to happen in the next year man I

263

00:10:26,509 --> 00:10:24,899

never make those predictions just even

264

00:10:28,550 --> 00:10:26,519

trying to deal with hearings right now

265

00:10:31,070 --> 00:10:28,560

trying to get the right Witnesses you

266

00:10:33,410 --> 00:10:31,080

know to be there it can be so

267

00:10:36,230 --> 00:10:33,420

politicized that you know things slow

268

00:10:38,150 --> 00:10:36,240

down so to answer Danny publicly on a

269

00:10:40,310 --> 00:10:38,160

taxi sentence I don't know man I don't

270

00:10:42,829 --> 00:10:40,320

know there's some big disclosure event

271

00:10:44,810 --> 00:10:42,839

about to happen in fact I I err on the

272

00:10:46,670 --> 00:10:44,820

side of caution like you I have no

273

00:10:48,829 --> 00:10:46,680

direct personal knowledge that there's

274

00:10:50,210 --> 00:10:48,839

going to be some bombshell coming out

275

00:10:52,610 --> 00:10:50,220

from our government about this I mean

276  
00:10:55,190 --> 00:10:52,620  
somebody else out there their idea about

277  
00:10:56,990 --> 00:10:55,200  
what disclosure will be might be very

278  
00:10:58,850 --> 00:10:57,000  
different from what government officials

279  
00:11:01,850 --> 00:10:58,860  
military officials members of Congress

280  
00:11:04,009 --> 00:11:01,860  
might consider to be disclosure if they

281  
00:11:06,170 --> 00:11:04,019  
would go as far as saying there is an

282  
00:11:08,509 --> 00:11:06,180  
alien presence a non-human presence

283  
00:11:10,190 --> 00:11:08,519  
these are machines flying around that

284  
00:11:12,590 --> 00:11:10,200  
are not built by humans that would be

285  
00:11:14,630 --> 00:11:12,600  
huge I'll believe it when I see it I

286  
00:11:16,790 --> 00:11:14,640  
mean that is that would represent a

287  
00:11:18,710 --> 00:11:16,800  
profound change and a profound state

288  
00:11:20,930 --> 00:11:18,720

treatment with far-reaching

289

00:11:23,389 --> 00:11:20,940

ramifications from our government if it

290

00:11:26,090 --> 00:11:23,399

was ever made but man we we already are

291

00:11:28,490 --> 00:11:26,100

at a point though where congress senate

292

00:11:30,050 --> 00:11:28,500

everybody's excited to protect

293

00:11:32,509 --> 00:11:30,060

whistleblowers to get this information

294

00:11:34,790 --> 00:11:32,519

for so at least there's the intent right

295

00:11:36,829 --> 00:11:34,800

now and that has been a big change is

296

00:11:38,810 --> 00:11:36,839

that this forward-facing questioning

297

00:11:41,630 --> 00:11:38,820

people are talking about having like a

298

00:11:44,030 --> 00:11:41,640

church style committee uh to really get

299

00:11:46,430 --> 00:11:44,040

into you know where the hardware is

300

00:11:49,310 --> 00:11:46,440

being held or the bodies right I think

301  
00:11:52,009 --> 00:11:49,320  
that is like huge progress that we are

302  
00:11:55,310 --> 00:11:52,019  
at this point now can arrow move the

303  
00:11:57,110 --> 00:11:55,320  
ball along I don't know but I I do feel

304  
00:11:59,090 --> 00:11:57,120  
optimistic still George I feel

305  
00:12:01,190 --> 00:11:59,100  
optimistic that we are in a different

306  
00:12:03,290 --> 00:12:01,200  
world now where this stuff is being

307  
00:12:05,870 --> 00:12:03,300  
talked about well I'm optimistic that

308  
00:12:08,750 --> 00:12:05,880  
progress has been made and progress will

309  
00:12:11,269 --> 00:12:08,760  
be made but to get to the point of where

310  
00:12:13,069 --> 00:12:11,279  
somebody might call a disclosure I am I

311  
00:12:16,250 --> 00:12:13,079  
am not optimistic about that there are

312  
00:12:18,470 --> 00:12:16,260  
so many built-in hindrances to that the

313  
00:12:20,990 --> 00:12:18,480

national secure 30 apparatus the

314

00:12:23,509 --> 00:12:21,000

National Security considerations are

315

00:12:25,130 --> 00:12:23,519

part and parcel of this technology if it

316

00:12:27,710 --> 00:12:25,140

is from somewhere else and it is

317

00:12:29,690 --> 00:12:27,720

Advanced and it has incredible military

318

00:12:31,730 --> 00:12:29,700

capacities then there are going to be

319

00:12:34,190 --> 00:12:31,740

limitations on what can be said publicly

320

00:12:36,710 --> 00:12:34,200

there's just don't get around it it will

321

00:12:38,990 --> 00:12:36,720

agreed so but we have people that have

322

00:12:41,030 --> 00:12:39,000

been Champions so when we see these

323

00:12:42,829 --> 00:12:41,040

public hearings there have been some

324

00:12:45,650 --> 00:12:42,839

people that have you know stood out like

325

00:12:47,210 --> 00:12:45,660

representative Gallagher he asked some

326

00:12:49,670 --> 00:12:47,220

incredible questions that that open

327

00:12:51,110 --> 00:12:49,680

hearing the previous one so two hearings

328

00:12:52,970 --> 00:12:51,120

ago the fact we're even having hearings

329

00:12:54,350 --> 00:12:52,980

is cool but we've also had conversations

330

00:12:55,490 --> 00:12:54,360

with people let's give some props to

331

00:12:56,750 --> 00:12:55,500

some people who've been fighting a

332

00:12:59,389 --> 00:12:56,760

little bit Tim

333

00:13:02,569 --> 00:12:59,399

Tim Burchette yeah yeah uh Congressman

334

00:13:04,310 --> 00:13:02,579

Burchette has um really stepped up and

335

00:13:05,750 --> 00:13:04,320

said you know we we want to get this

336

00:13:07,370 --> 00:13:05,760

information out we want to make sure

337

00:13:09,889 --> 00:13:07,380

what's going on we've had personal

338

00:13:12,470 --> 00:13:09,899

Communications that two weeks ago we

339

00:13:13,970 --> 00:13:12,480

walked out of this room outside on the

340

00:13:16,370 --> 00:13:13,980

curb and had a conversation with him

341

00:13:18,410 --> 00:13:16,380

he's in it for the long haul this is not

342

00:13:20,389 --> 00:13:18,420

just a fad for him he told us that he's

343

00:13:23,690 --> 00:13:20,399

been following this like since the Art

344

00:13:25,850 --> 00:13:23,700

Bell days on Coast to Coast AM and is

345

00:13:27,650 --> 00:13:25,860

deeply committed to getting to the

346

00:13:29,750 --> 00:13:27,660

bottom of it I mean he's a flamethrower

347

00:13:31,670 --> 00:13:29,760

that guy that guy does not pull punches

348

00:13:33,769 --> 00:13:31,680

but his interest is deep I mean his

349

00:13:36,170 --> 00:13:33,779

knowledge of the topic is deep yeah I

350

00:13:39,350 --> 00:13:36,180

don't know a lot about politics but what

351

00:13:41,810 --> 00:13:39,360

I do see is that across the board on

352

00:13:45,050 --> 00:13:41,820

both sides of the aisle that people are

353

00:13:48,290 --> 00:13:45,060

at this point getting more informed and

354

00:13:50,030 --> 00:13:48,300

eager to get Witnesses right there in

355

00:13:52,550 --> 00:13:50,040

open Congressional hearing so all I'm

356

00:13:54,769 --> 00:13:52,560

gonna say about that is that I have high

357

00:13:56,389 --> 00:13:54,779

confidence that we are getting to a

358

00:13:58,850 --> 00:13:56,399

point where the public is going to see

359

00:14:01,190 --> 00:13:58,860

that and as a part of the public I'm

360

00:14:02,930 --> 00:14:01,200

really excited about that yeah I I there

361

00:14:04,670 --> 00:14:02,940

are whistleblowers we know some of them

362

00:14:06,829 --> 00:14:04,680

we know some of them and what they've

363

00:14:08,210 --> 00:14:06,839

told Congress and what they've told

364

00:14:10,850 --> 00:14:08,220

Arrow

365

00:14:13,910 --> 00:14:10,860

um they've talked about Legacy programs

366

00:14:16,430 --> 00:14:13,920

where things might be how many witnesses

367

00:14:18,889 --> 00:14:16,440

who've had hands-on experience that have

368

00:14:20,750 --> 00:14:18,899

touched the craft worked with the meta

369

00:14:22,550 --> 00:14:20,760

materials how many of those folks have

370

00:14:24,530 --> 00:14:22,560

already spoken to Congress I don't know

371

00:14:26,690 --> 00:14:24,540

the answer to that yeah that that's the

372

00:14:29,629 --> 00:14:26,700

real question right is is if you get

373

00:14:31,370 --> 00:14:29,639

people who had Direct contact with this

374

00:14:33,710 --> 00:14:31,380

technology like whether or not people

375

00:14:36,350 --> 00:14:33,720

believe Bob Lazar that's that's his

376

00:14:39,350 --> 00:14:36,360

claim that's what he's his account so

377

00:14:41,750 --> 00:14:39,360

the question is how many people have had

378

00:14:44,389 --> 00:14:41,760

enough access to really bring that

379

00:14:47,269 --> 00:14:44,399

forward in those settings and put people

380

00:14:49,430 --> 00:14:47,279

on task to be able to go figure out you

381

00:14:51,170 --> 00:14:49,440

know is this true and where is it we

382

00:14:53,150 --> 00:14:51,180

know it is true it's just a matter of

383

00:14:55,069 --> 00:14:53,160

where is it and and how much power do

384

00:14:57,769 --> 00:14:55,079

they have to investigate it like I'd

385

00:14:59,329 --> 00:14:57,779

like to believe that Dr Kirkpatrick of

386

00:15:01,730 --> 00:14:59,339

Arrow is going to be able to make

387

00:15:04,370 --> 00:15:01,740

progress my suspicion and what we have

388

00:15:06,530 --> 00:15:04,380

been told is that maybe he's he's uh

389

00:15:08,629 --> 00:15:06,540

he's about fed up with the process that

390

00:15:10,550 --> 00:15:08,639

he might not be around beyond the first

391

00:15:11,930 --> 00:15:10,560

of the year then he might move on that

392

00:15:14,389 --> 00:15:11,940

he's frustrated by some of the

393

00:15:16,310 --> 00:15:14,399

limitations put on him by other folks

394

00:15:17,870 --> 00:15:16,320

within the Department of Defense I'd

395

00:15:19,970 --> 00:15:17,880

like to root for him I'm wishing him

396

00:15:21,710 --> 00:15:19,980

well but I'm not sure how much progress

397

00:15:23,870 --> 00:15:21,720

he might be able to make obviously

398

00:15:26,030 --> 00:15:23,880

there's a lot of information that is in

399

00:15:29,389 --> 00:15:26,040

the pipeline that gets stopped before it

400

00:15:31,310 --> 00:15:29,399

gets to him we've revealed examples of

401  
00:15:33,170 --> 00:15:31,320  
that the mosul orb and the Baghdad

402  
00:15:35,509 --> 00:15:33,180  
fandom that we reveal to the world on

403  
00:15:37,189 --> 00:15:35,519  
this program did not make their way to

404  
00:15:39,470 --> 00:15:37,199  
Arrow they're probably there now but

405  
00:15:42,350 --> 00:15:39,480  
there's another example well hold on and

406  
00:15:45,769 --> 00:15:42,360  
neither did neither did any of the 2019

407  
00:15:48,230 --> 00:15:45,779  
from the USS Omaha the USS Russell the

408  
00:15:50,810 --> 00:15:48,240  
thermal the the infrared like everything

409  
00:15:52,850 --> 00:15:50,820  
that we put out none of that had had

410  
00:15:55,790 --> 00:15:52,860  
gone up the proper chain of command I'm

411  
00:15:57,949 --> 00:15:55,800  
really hoping that that was healed in

412  
00:15:59,870 --> 00:15:57,959  
some way and and we have something more

413  
00:16:01,069 --> 00:15:59,880

that I think we're going to do but I

414

00:16:04,730 --> 00:16:01,079

want to go back a little bit to just

415

00:16:06,350 --> 00:16:04,740

catching up with with you uh so I know

416

00:16:08,750 --> 00:16:06,360

that you brought the Skinwalker Ranch

417

00:16:12,530 --> 00:16:08,760

story to the world you brought the

418

00:16:13,970 --> 00:16:12,540

awesome story to the world when uh we'll

419

00:16:15,530 --> 00:16:13,980

talk more about that later but a lot of

420

00:16:19,009 --> 00:16:15,540

people didn't understand that there was

421

00:16:20,990 --> 00:16:19,019

a UFO I call it a mother program that

422

00:16:24,290 --> 00:16:21,000

handled everything for 22 million bucks

423

00:16:26,090 --> 00:16:24,300

and and you broke all those stories uh

424

00:16:28,790 --> 00:16:26,100

one of the things that I I think is

425

00:16:31,189 --> 00:16:28,800

exciting is there's a new project that

426

00:16:33,710 --> 00:16:31,199

that is happening around the orbit of

427

00:16:35,569 --> 00:16:33,720

what you did can you give us all a hint

428

00:16:37,670 --> 00:16:35,579

yeah so

429

00:16:40,009 --> 00:16:37,680

um as I've explained on this program and

430

00:16:42,829 --> 00:16:40,019

in other interviews uh my interest in

431

00:16:45,829 --> 00:16:42,839

Skinwalker Ranch started in the mid 90s

432

00:16:47,990 --> 00:16:45,839

not long after Robert Bigelow and his

433

00:16:49,610 --> 00:16:48,000

nid's team took up residence on the

434

00:16:51,710 --> 00:16:49,620

ranch they started studying the ranch

435

00:16:54,889 --> 00:16:51,720

had all these incredible experiences

436

00:16:57,290 --> 00:16:54,899

UFOs Cryptid creatures Poltergeist type

437

00:17:00,170 --> 00:16:57,300

activity cattle mutilations you name it

438

00:17:01,730 --> 00:17:00,180

and they would let me in on some of it I

439

00:17:04,309 --> 00:17:01,740

was like a fly on the wall for a lot of

440

00:17:07,069 --> 00:17:04,319

it but could not report it around 2 2000

441

00:17:09,530 --> 00:17:07,079

I finally convinced Mr Bigelow to let me

442

00:17:12,650 --> 00:17:09,540

go on the ranch took a photographer and

443

00:17:14,449 --> 00:17:12,660

intended to make a film after visiting

444

00:17:16,669 --> 00:17:14,459

there eight or nine times I think and

445

00:17:18,169 --> 00:17:16,679

shooting video Mr Bigelow changed his

446

00:17:20,809 --> 00:17:18,179

mind thought the film would be a bad

447

00:17:22,970 --> 00:17:20,819

idea turn it into the area 51 the

448

00:17:25,850 --> 00:17:22,980

Paranormal site to be overrun by crazy

449

00:17:28,490 --> 00:17:25,860

UFO people and he was right he was

450

00:17:31,430 --> 00:17:28,500

absolutely right so uh so the film

451  
00:17:32,990 --> 00:17:31,440  
project was dead and then I pestered him

452  
00:17:34,730 --> 00:17:33,000  
a little bit more and said can I write

453  
00:17:37,370 --> 00:17:34,740  
about it I won't say where the ranch is

454  
00:17:39,650 --> 00:17:37,380  
as if you know people figure it out and

455  
00:17:42,289 --> 00:17:39,660  
he gave the okay and in 2002 I wrote

456  
00:17:44,570 --> 00:17:42,299  
These articles for Las Vegas Mercury and

457  
00:17:47,150 --> 00:17:44,580  
then three years later collaborating

458  
00:17:48,950 --> 00:17:47,160  
with my friend our friend Dr Colin

459  
00:17:51,230 --> 00:17:48,960  
Kelleher we put out a book called hunt

460  
00:17:53,270 --> 00:17:51,240  
for the skinwalker and it told this

461  
00:17:55,490 --> 00:17:53,280  
incredible story and it it did really

462  
00:17:57,830 --> 00:17:55,500  
well it you know it puts Skinwalker

463  
00:17:59,990 --> 00:17:57,840

Ranch on the map the book was not

464

00:18:01,730 --> 00:18:00,000

perfect it was soft cover we didn't have

465

00:18:04,310 --> 00:18:01,740

any photos in it there were some things

466

00:18:06,230 --> 00:18:04,320

that we could not include but now there

467

00:18:07,789 --> 00:18:06,240

is a new platform and a new project and

468

00:18:10,130 --> 00:18:07,799

we're pretty excited about it I don't

469

00:18:12,230 --> 00:18:10,140

want to give do too much plug Ola here

470

00:18:14,270 --> 00:18:12,240

but it is kind of cool it's a company

471

00:18:16,789 --> 00:18:14,280

called boom they're a graphic novel

472

00:18:18,710 --> 00:18:16,799

comic book company they've uh we've been

473

00:18:20,870 --> 00:18:18,720

negotiating back and forth for a number

474

00:18:22,789 --> 00:18:20,880

of years with them and finally they've

475

00:18:24,950 --> 00:18:22,799

done the green light for to make a

476

00:18:26,750 --> 00:18:24,960

graphic novel series uh based on our

477

00:18:28,669 --> 00:18:26,760

book hunt for the skinwalker it's

478

00:18:31,010 --> 00:18:28,679

already in the works they've hired the

479

00:18:34,010 --> 00:18:31,020

writer and the artists and it's really

480

00:18:36,350 --> 00:18:34,020

exciting uh the I think the issue number

481

00:18:39,230 --> 00:18:36,360

one will be coming out in September

482

00:18:42,049 --> 00:18:39,240

eventually they'll put One issues one

483

00:18:45,230 --> 00:18:42,059

through five into a book form a graphic

484

00:18:47,090 --> 00:18:45,240

novel form but along the way they have

485

00:18:48,590 --> 00:18:47,100

this Kickstarter campaign going where

486

00:18:52,430 --> 00:18:48,600

people could get in on the ground floor

487

00:18:54,049 --> 00:18:52,440

and among the little extra goodies that

488

00:18:55,549 --> 00:18:54,059

are offered is something that I really

489

00:18:57,590 --> 00:18:55,559

would like to have and that is a

490

00:18:59,090 --> 00:18:57,600

hardcover version of that book they're

491

00:19:01,430 --> 00:18:59,100

going to do a hardcover version of hunt

492

00:19:03,470 --> 00:19:01,440

for the skinwalker expanded and updated

493

00:19:05,210 --> 00:19:03,480

column and I are writing new material

494

00:19:06,950 --> 00:19:05,220

for it we're going to include photos

495

00:19:09,289 --> 00:19:06,960

we're going to include some documents in

496

00:19:12,110 --> 00:19:09,299

there some timelines of things that have

497

00:19:14,330 --> 00:19:12,120

never been made public before to go

498

00:19:16,610 --> 00:19:14,340

along with the graphic novel approach

499

00:19:18,590 --> 00:19:16,620

and it's really exciting so you get this

500

00:19:20,450 --> 00:19:18,600

time to kind of tell your story and kind

501  
00:19:23,150 --> 00:19:20,460  
of what you researched all those years

502  
00:19:24,830 --> 00:19:23,160  
but include documents and footage and

503  
00:19:26,510 --> 00:19:24,840  
extra bits and yeah I just want to ask

504  
00:19:28,250 --> 00:19:26,520  
you about that on the show because I was

505  
00:19:29,690 --> 00:19:28,260  
excited when I saw that stuff come up

506  
00:19:31,490 --> 00:19:29,700  
and I congratulations I think that's

507  
00:19:33,230 --> 00:19:31,500  
super cool yeah it's gonna it's thrill

508  
00:19:35,090 --> 00:19:33,240  
I'm thrilling it's thrilling to work

509  
00:19:37,850 --> 00:19:35,100  
with these really talented folks and

510  
00:19:39,950 --> 00:19:37,860  
it's fun I mean I learned my vocabulary

511  
00:19:41,870 --> 00:19:39,960  
from comic books growing up I bought all

512  
00:19:43,549 --> 00:19:41,880  
that stuff as a kid I'd be a wealthy

513  
00:19:45,650 --> 00:19:43,559

wealthy man if I had saved all those

514

00:19:48,110 --> 00:19:45,660

comics from from when I was a Youngster

515

00:19:50,270 --> 00:19:48,120

Fantastic Four and Thor and Hulk and

516

00:19:52,850 --> 00:19:50,280

Spider-Man and first editions of DC

517

00:19:54,230 --> 00:19:52,860

stuff but I didn't they they lost I mean

518

00:19:56,510 --> 00:19:54,240

there's a million people out there

519

00:19:57,650 --> 00:19:56,520

listening to this now who think the same

520

00:19:59,150 --> 00:19:57,660

thing happened to their comic book

521

00:20:00,590 --> 00:19:59,160

collection mom tossed it out or

522

00:20:03,230 --> 00:20:00,600

something but

523

00:20:05,090 --> 00:20:03,240

um so I love the comic book genre this

524

00:20:06,529 --> 00:20:05,100

is a chance to tell the story of hunt

525

00:20:09,770 --> 00:20:06,539

for the skinwalker to a brand new

526

00:20:11,690 --> 00:20:09,780

audience in a on a new platform uh it'll

527

00:20:13,310 --> 00:20:11,700

be fun it's easier than reading the

528

00:20:14,630 --> 00:20:13,320

actual book but if you wanted to

529

00:20:16,130 --> 00:20:14,640

supplement it with a book we're going to

530

00:20:17,630 --> 00:20:16,140

have a new edition and a lot of other

531

00:20:19,070 --> 00:20:17,640

things that go along with it we'll put

532

00:20:20,870 --> 00:20:19,080

some information on the screen for

533

00:20:22,430 --> 00:20:20,880

people who are interested in it yeah

534

00:20:23,870 --> 00:20:22,440

it's not a hard book to read it's an

535

00:20:26,390 --> 00:20:23,880

exciting book to read

536

00:20:29,930 --> 00:20:26,400

um anyway so listen today what I was

537

00:20:32,510 --> 00:20:29,940

thinking man is we know that there has

538

00:20:34,970 --> 00:20:32,520

been this kind of Disconnect of events

539

00:20:36,710 --> 00:20:34,980

that occur and then getting them kind of

540

00:20:38,930 --> 00:20:36,720

not only out to the public but kind of

541

00:20:40,730 --> 00:20:38,940

up to the chain of command like getting

542

00:20:43,970 --> 00:20:40,740

stuff to arrow and getting it there in

543

00:20:47,029 --> 00:20:43,980

the right place so I think we should uh

544

00:20:48,950 --> 00:20:47,039

we have been working on a case it is two

545

00:20:51,110 --> 00:20:48,960

years so two years ago this thing

546

00:20:53,450 --> 00:20:51,120

happened and nothing has come out

547

00:20:55,850 --> 00:20:53,460

there's been no media coverage in the

548

00:20:59,390 --> 00:20:55,860

two years since when this first kind of

549

00:21:01,430 --> 00:20:59,400

came into my awareness it had not it has

550

00:21:03,950 --> 00:21:01,440

not been exposed to the world but why it

551  
00:21:06,289 --> 00:21:03,960  
was important is because it was at a

552  
00:21:08,029 --> 00:21:06,299  
military base and that was really

553  
00:21:09,770 --> 00:21:08,039  
interesting that's an incursion right if

554  
00:21:12,230 --> 00:21:09,780  
you have something over a military base

555  
00:21:15,190 --> 00:21:12,240  
there were a flood of reports that I got

556  
00:21:18,710 --> 00:21:15,200  
of triangle shaped craft

557  
00:21:22,370 --> 00:21:18,720  
incursions over military bases now I got

558  
00:21:24,890 --> 00:21:22,380  
a tip a heads up you know who are you

559  
00:21:26,450 --> 00:21:24,900  
gonna call I don't know well just as a

560  
00:21:29,049 --> 00:21:26,460  
way of background the place where this

561  
00:21:32,570 --> 00:21:29,059  
happened it's 29 Palms it's the largest

562  
00:21:34,430 --> 00:21:32,580  
U.S Marine base anywhere it's right in

563  
00:21:35,990 --> 00:21:34,440

your backyard you lived in that area for

564

00:21:38,029 --> 00:21:36,000

a long time you had a lot of friendships

565

00:21:39,649 --> 00:21:38,039

there so if anybody's going to get this

566

00:21:42,830 --> 00:21:39,659

information about something that happens

567

00:21:45,110 --> 00:21:42,840

at 29 Palms it'd be you yeah it's in my

568

00:21:47,930 --> 00:21:45,120

backyard I'm gonna hear the bombs going

569

00:21:50,149 --> 00:21:47,940

off but yeah it's a huge military base

570

00:21:53,390 --> 00:21:50,159

actually a lot of uh a lot of Navy

571

00:21:54,529 --> 00:21:53,400

people will come to uh Pappy and

572

00:21:58,310 --> 00:21:54,539

Harriet's which is one of my favorite

573

00:22:00,409 --> 00:21:58,320

saloons in the area but it's it it's a

574

00:22:02,570 --> 00:22:00,419

Marine base and what's really

575

00:22:04,070 --> 00:22:02,580

interesting about this is that I got a

576

00:22:07,610 --> 00:22:04,080

tip so let me just tell I guess just

577

00:22:11,510 --> 00:22:07,620

tell the base works yeah so I got a tip

578

00:22:13,130 --> 00:22:11,520

uh from two bases at the time but the

579

00:22:15,590 --> 00:22:13,140

tip was basically like something

580

00:22:17,870 --> 00:22:15,600

happened and you should look into it

581

00:22:19,850 --> 00:22:17,880

click and I'm like oh no like but it was

582

00:22:22,310 --> 00:22:19,860

you know from a high up you know so I'm

583

00:22:26,330 --> 00:22:22,320

something probably did happen so then

584

00:22:28,310 --> 00:22:26,340

being able to find people who were there

585

00:22:29,690 --> 00:22:28,320

training at that time I thought this is

586

00:22:31,010 --> 00:22:29,700

going to take me forever how am I going

587

00:22:32,830 --> 00:22:31,020

to do this

588

00:22:36,230 --> 00:22:32,840

it wasn't

589

00:22:39,830 --> 00:22:36,240

36 hours after the event I got people on

590

00:22:42,110 --> 00:22:39,840

the phone I got images I got videos I

591

00:22:45,110 --> 00:22:42,120

was like holy [h\_\_h] this is this happened

592

00:22:49,250 --> 00:22:45,120

something happened so

593

00:22:52,070 --> 00:22:49,260

what happened is there was a craft that

594

00:22:55,250 --> 00:22:52,080

came over this military it's called

595

00:22:58,010 --> 00:22:55,260

installation this military place and it

596

00:23:00,710 --> 00:22:58,020

was reported to me that it was looked

597

00:23:03,470 --> 00:23:00,720

like a V formation it was like a

598

00:23:06,710 --> 00:23:03,480

triangle by angle of observation

599

00:23:08,990 --> 00:23:06,720

and as this imagery and video is coming

600

00:23:11,390 --> 00:23:09,000

in I I started asking people I started

601  
00:23:13,070 --> 00:23:11,400  
reaching out to everybody I knew that

602  
00:23:14,630 --> 00:23:13,080  
could know somebody that was on the

603  
00:23:15,950 --> 00:23:14,640  
ground at that time

604  
00:23:20,810 --> 00:23:15,960  
and

605  
00:23:24,169 --> 00:23:20,820  
corroborative different angles same

606  
00:23:26,750 --> 00:23:24,179  
event this is what I would call a mass

607  
00:23:29,750 --> 00:23:26,760  
sighting it was more than 50 people that

608  
00:23:32,330 --> 00:23:29,760  
I personally know were staring up and

609  
00:23:34,970 --> 00:23:32,340  
looking at this object at one time it

610  
00:23:37,909 --> 00:23:34,980  
resembled to me like the Phoenix Lights

611  
00:23:39,590 --> 00:23:37,919  
how you see that perfect v-shaped row of

612  
00:23:43,010 --> 00:23:39,600  
Lights

613  
00:23:45,770 --> 00:23:43,020

so this will progress as we talk about

614

00:23:47,390 --> 00:23:45,780

it because my skeptic mind is saying oh

615

00:23:49,010 --> 00:23:47,400

it's over a military base probably some

616

00:23:51,169 --> 00:23:49,020

military weaponry

617

00:23:52,789 --> 00:23:51,179

let's show the first video and let's

618

00:24:05,710 --> 00:23:52,799

talk it through so people cannot

619

00:24:05,720 --> 00:24:13,510

what it is

620

00:24:19,010 --> 00:24:16,490

so that was the first clip that I saw

621

00:24:22,310 --> 00:24:19,020

and in the timeline of the event because

622

00:24:25,010 --> 00:24:22,320

I have so many videos and images now

623

00:24:27,169 --> 00:24:25,020

there's a sense of astonishment

624

00:24:30,230 --> 00:24:27,179

what is that that's what you hear in the

625

00:24:32,210 --> 00:24:30,240

video and the thing is somebody was just

626

00:24:35,810 --> 00:24:32,220

standing outside and this thing just

627

00:24:38,270 --> 00:24:35,820

appeared and in in actuality they could

628

00:24:39,590 --> 00:24:38,280

see the body of it in in the footage you

629

00:24:41,390 --> 00:24:39,600

can't see the body because it's like you

630

00:24:43,850 --> 00:24:41,400

know an iPhone sticking up towards the

631

00:24:45,470 --> 00:24:43,860

sky but that was the first video it was

632

00:24:47,510 --> 00:24:45,480

kind of like not a lot of people were

633

00:24:49,730 --> 00:24:47,520

outside of the barracks at that time and

634

00:24:52,430 --> 00:24:49,740

it was just like what is that and then

635

00:24:54,830 --> 00:24:52,440

suddenly there's a little hubbub and and

636

00:24:57,649 --> 00:24:54,840

you hear a murmuring and remarks and and

637

00:24:59,870 --> 00:24:57,659

they crowd outside looking at this thing

638

00:25:01,669 --> 00:24:59,880

gets bigger yeah so the word starts

639

00:25:03,590 --> 00:25:01,679

spreading hey come outside check this

640

00:25:07,370 --> 00:25:03,600

out but that had already been up in the

641

00:25:10,490 --> 00:25:07,380

vicinity for maybe four minutes by the

642

00:25:11,930 --> 00:25:10,500

time the first video is being taken so

643

00:25:14,149 --> 00:25:11,940

you know they grab their cell phones

644

00:25:16,010 --> 00:25:14,159

they start videoing the sky and again

645

00:25:17,390 --> 00:25:16,020

it's it's black on black so I'm like not

646

00:25:19,730 --> 00:25:17,400

that impressed because it's like you

647

00:25:21,049 --> 00:25:19,740

can't see that much but as the crowd

648

00:25:22,669 --> 00:25:21,059

starts forming and everybody's looking

649

00:25:24,110 --> 00:25:22,679

up that's when you start you know

650

00:25:25,909 --> 00:25:24,120

hearing people kind of get more excited

651  
00:25:30,409 --> 00:25:25,919  
so let's check out this second video

652  
00:25:34,010 --> 00:25:32,029  
those are not alone rounds because the

653  
00:25:36,649 --> 00:25:34,020  
room rounds fall yeah

654  
00:25:36,659 --> 00:25:45,289  
and nobody shoots in a five gun section

655  
00:25:45,299 --> 00:25:48,310  
it's moving

656  
00:25:53,870 --> 00:25:51,470  
Your Leader oh hell no

657  
00:25:55,490 --> 00:25:53,880  
yo we got aliens out here don't

658  
00:25:57,289 --> 00:25:55,500  
this my phone camera says no this is

659  
00:26:00,909 --> 00:25:57,299  
[h\_\_\h] weird

660  
00:26:04,549 --> 00:26:00,919  
we got UFOs outside yo

661  
00:26:07,850 --> 00:26:06,649  
these are U.S Marines they're among

662  
00:26:10,070 --> 00:26:07,860  
their buddies they're they're the

663  
00:26:11,870 --> 00:26:10,080

toughest guys in the world and it's kind

664

00:26:14,510 --> 00:26:11,880

of sorry you can sense a little bravado

665

00:26:16,789 --> 00:26:14,520

there you know it's aliens and I'm not

666

00:26:17,990 --> 00:26:16,799

afraid of It kind of implied thing uh

667

00:26:20,269 --> 00:26:18,000

but

668

00:26:22,430 --> 00:26:20,279

um you know obviously they are they are

669

00:26:24,710 --> 00:26:22,440

conceived that something unusual is

670

00:26:26,210 --> 00:26:24,720

underway yeah yeah it was so from all

671

00:26:27,529 --> 00:26:26,220

descriptions from everybody that I've

672

00:26:29,390 --> 00:26:27,539

talked with that was actually there on

673

00:26:32,390 --> 00:26:29,400

the ground it was really kind of like

674

00:26:34,370 --> 00:26:32,400

chill at first and then as people were

675

00:26:37,430 --> 00:26:34,380

coming out you kind of hear well it's

676  
00:26:39,890 --> 00:26:37,440  
moving so apparently this craft it was

677  
00:26:42,769 --> 00:26:39,900  
just slightly moving but it was mainly

678  
00:26:45,169 --> 00:26:42,779  
paused in one place but there was Zero

679  
00:26:46,610 --> 00:26:45,179  
sound and so this thing is there and

680  
00:26:49,669 --> 00:26:46,620  
people are kind of being like Oh it's

681  
00:26:51,169 --> 00:26:49,679  
aliens UFOs they realize that it is

682  
00:26:53,029 --> 00:26:51,179  
different than anything that they had

683  
00:26:55,669 --> 00:26:53,039  
seen before they also you hear them say

684  
00:26:58,549 --> 00:26:55,679  
you know those aren't flares

685  
00:27:00,169 --> 00:26:58,559  
um and nobody shoots in a in a five

686  
00:27:02,510 --> 00:27:00,179  
section whatever they said I don't

687  
00:27:05,930 --> 00:27:02,520  
remember the video but

688  
00:27:07,490 --> 00:27:05,940

they're basically trying to figure out

689

00:27:08,930 --> 00:27:07,500

what it is that they're seeing because

690

00:27:10,909 --> 00:27:08,940

it's a little bit different than

691

00:27:12,590 --> 00:27:10,919

something that they've seen before but

692

00:27:14,029 --> 00:27:12,600

it kind of increases you know more

693

00:27:16,370 --> 00:27:14,039

people come out there's a lot of

694

00:27:18,110 --> 00:27:16,380

excitement so there's a couple more

695

00:27:19,669 --> 00:27:18,120

videos I want to show you and see what

696

00:27:28,149 --> 00:27:19,679

you think about this so next one let's

697

00:27:28,159 --> 00:27:41,830

what is the [h\_\_\h]

698

00:27:47,630 --> 00:27:45,110

now it's not showing up in my camera so

699

00:27:49,610 --> 00:27:47,640

I like the fact that the guy pans over

700

00:27:50,990 --> 00:27:49,620

and shows the barracks yeah as a

701  
00:27:52,669 --> 00:27:51,000  
reference point because otherwise you

702  
00:27:55,190 --> 00:27:52,679  
have no reference at all you have lights

703  
00:27:56,810 --> 00:27:55,200  
in a sea of Inky Darkness yeah so that

704  
00:27:58,549 --> 00:27:56,820  
was the first thing like when I saw the

705  
00:28:00,350 --> 00:27:58,559  
barracks and I got tipped off to it I

706  
00:28:02,930 --> 00:28:00,360  
went and did a search and it was

707  
00:28:05,570 --> 00:28:02,940  
actually Camp Wilson since it's 29 Palms

708  
00:28:07,669 --> 00:28:05,580  
military base but Camp Wilson was the

709  
00:28:09,169 --> 00:28:07,679  
kind of specific little area that they

710  
00:28:11,690 --> 00:28:09,179  
were and I could recognize those

711  
00:28:13,850 --> 00:28:11,700  
barracks in two seconds so that was nice

712  
00:28:15,830 --> 00:28:13,860  
they gave that perspective and then kind

713  
00:28:17,149 --> 00:28:15,840

of went back up to the sky I mean the

714

00:28:18,409 --> 00:28:17,159

kids are finding they're like I'm about

715

00:28:19,669 --> 00:28:18,419

to be one of those crazy old

716

00:28:21,950 --> 00:28:19,679

[h\_\_h] you know they're like

717

00:28:26,870 --> 00:28:21,960

they're like what is this you know um

718

00:28:29,570 --> 00:28:26,880

that base is 596 000 Acres uh 900 some

719

00:28:31,190 --> 00:28:29,580

square miles it's gigantic they do all

720

00:28:33,590 --> 00:28:31,200

kinds of training out there year round

721

00:28:35,090 --> 00:28:33,600

those Marines are used to seeing things

722

00:28:37,730 --> 00:28:35,100

in the sky it's part of their training

723

00:28:39,529 --> 00:28:37,740

planes and and flares and maybe balloons

724

00:28:41,149 --> 00:28:39,539

and things of that sort obviously you

725

00:28:42,649 --> 00:28:41,159

can tell from the tone of their voice

726

00:28:45,350 --> 00:28:42,659

this looks different from what they're

727

00:28:48,049 --> 00:28:45,360

used to seeing yeah absolutely and it is

728

00:28:51,649 --> 00:28:48,059

a live training range just a couple

729

00:28:52,850 --> 00:28:51,659

weeks ago I heard bombs going up you can

730

00:28:56,390 --> 00:28:52,860

feel them when you live out there you

731

00:28:59,450 --> 00:28:56,400

feel those bombs going off so it is it

732

00:29:03,049 --> 00:28:59,460

is an area that is of high activity and

733

00:29:05,029 --> 00:29:03,059

a lot of these marines have been in the

734

00:29:08,330 --> 00:29:05,039

military for quite some time so they

735

00:29:10,610 --> 00:29:08,340

know what normal uh aircraft and

736

00:29:12,769 --> 00:29:10,620

weaponry looks like so you kind of felt

737

00:29:14,630 --> 00:29:12,779

this like growing sensation of like

738

00:29:16,610 --> 00:29:14,640

what's going on here and then all hell

739

00:29:18,230 --> 00:29:16,620

breaks loose I mean it's it's hilarious

740

00:29:20,330 --> 00:29:18,240

they're they're laughing they're

741

00:29:22,250 --> 00:29:20,340

screaming stuff but I want to play it

742

00:29:24,710 --> 00:29:22,260

just as it came to me so you see these

743

00:29:26,930 --> 00:29:24,720

different moments and this is the actual

744

00:29:28,909 --> 00:29:26,940

timing of it like these clips are in

745

00:29:30,110 --> 00:29:28,919

order as I'm showing them to you so this

746

00:29:31,909 --> 00:29:30,120

last one's kind of funny it's pretty

747

00:29:38,330 --> 00:29:31,919

neat

748

00:29:38,340 --> 00:29:46,490

fun there's more lights around it

749

00:29:50,389 --> 00:29:48,590

I love the color commentary that goes

750

00:29:52,549 --> 00:29:50,399

along with us a couple of questions come

751  
00:29:55,149 --> 00:29:52,559  
to mind it looks like the lights are

752  
00:29:57,710 --> 00:29:55,159  
blinking on and off oh yeah is that an

753  
00:29:59,149 --> 00:29:57,720  
affectation from the camera or is it

754  
00:30:01,669 --> 00:29:59,159  
clouds or what do you make of that yeah

755  
00:30:04,070 --> 00:30:01,679  
the lights were not blinking on and off

756  
00:30:05,630 --> 00:30:04,080  
there's the in Focus out of focus thing

757  
00:30:09,529 --> 00:30:05,640  
that you can see in some of these clips

758  
00:30:12,529 --> 00:30:09,539  
but the lights were steady but there

759  
00:30:14,090 --> 00:30:12,539  
were some auxiliary lights and I don't

760  
00:30:16,490 --> 00:30:14,100  
have a bunch of that in the footage but

761  
00:30:17,990 --> 00:30:16,500  
all the witnesses were saying that you

762  
00:30:20,990 --> 00:30:18,000  
know kind of like a sparkle there were

763  
00:30:22,370 --> 00:30:21,000

tiny little things around it at times I

764

00:30:24,950 --> 00:30:22,380

don't have good footage of that that's

765

00:30:28,250 --> 00:30:24,960

just witness report but

766

00:30:31,250 --> 00:30:28,260

it was mainly these these five lights in

767

00:30:33,470 --> 00:30:31,260

this v formation it very much looks like

768

00:30:35,570 --> 00:30:33,480

the Phoenix Lights uh video that that

769

00:30:37,310 --> 00:30:35,580

the world has seen and it makes you

770

00:30:39,470 --> 00:30:37,320

wonder what the heck is this so

771

00:30:41,870 --> 00:30:39,480

obviously it's a military base they do a

772

00:30:43,370 --> 00:30:41,880

lot of training out there why not flares

773

00:30:45,350 --> 00:30:43,380

couldn't it be flares because that's the

774

00:30:47,990 --> 00:30:45,360

explanation people will come up with for

775

00:30:49,850 --> 00:30:48,000

this kind of a thing right so the object

776

00:30:51,590 --> 00:30:49,860

was was sitting there so I'm not going

777

00:30:54,889 --> 00:30:51,600

to say object anymore it was a craft the

778

00:30:56,870 --> 00:30:54,899

craft was sitting there and it was the

779

00:30:58,789 --> 00:30:56,880

the eyewitnesses could see the

780

00:31:00,169 --> 00:30:58,799

silhouette at night you know that you've

781

00:31:02,690 --> 00:31:00,179

heard it in one of the clips they could

782

00:31:04,610 --> 00:31:02,700

see a silhouette of the the triangle by

783

00:31:06,110 --> 00:31:04,620

angle of observation some people would

784

00:31:08,690 --> 00:31:06,120

say pyramid if it's three-dimensional

785

00:31:10,310 --> 00:31:08,700

but anyway I don't even go there don't

786

00:31:13,669 --> 00:31:10,320

even go there is a triangle my angle of

787

00:31:15,649 --> 00:31:13,679

observation so the thing is is that it

788

00:31:17,090 --> 00:31:15,659

was sitting there and it was the thing

789

00:31:19,250 --> 00:31:17,100

that was most ominous from people I've

790

00:31:23,570 --> 00:31:19,260

talked to is that it was absolutely

791

00:31:26,570 --> 00:31:23,580

silent and it was big and the size of it

792

00:31:28,850 --> 00:31:26,580

now you're asking about if it was flares

793

00:31:31,010 --> 00:31:28,860

that's that's a very common that first

794

00:31:33,830 --> 00:31:31,020

thing I want the first debunking tactic

795

00:31:35,389 --> 00:31:33,840

that we used right yeah so you heard in

796

00:31:37,430 --> 00:31:35,399

an earlier piece nobody shoots in a five

797

00:31:39,230 --> 00:31:37,440

gun row or some whatever his exact words

798

00:31:41,210 --> 00:31:39,240

were he was saying that when you're

799

00:31:43,730 --> 00:31:41,220

dropping flares or something like that

800

00:31:45,769 --> 00:31:43,740

you have a pattern that you created it's

801  
00:31:48,769 --> 00:31:45,779  
never like that but here's the the issue

802  
00:31:51,169 --> 00:31:48,779  
the issue is these lights were a totally

803  
00:31:53,510 --> 00:31:51,179  
different color than flares these were

804  
00:31:55,490 --> 00:31:53,520  
more reddish when you have like Lumen

805  
00:31:57,529 --> 00:31:55,500  
flares which are illuminating rounds

806  
00:32:00,049 --> 00:31:57,539  
that you shoot up to highlight and

807  
00:32:01,850 --> 00:32:00,059  
illuminate the area totally totally

808  
00:32:03,769 --> 00:32:01,860  
different color it'd be great if you had

809  
00:32:05,389 --> 00:32:03,779  
a comparison a side-by-side comparison

810  
00:32:07,070 --> 00:32:05,399  
that would be great players for you know

811  
00:32:09,590 --> 00:32:07,080  
that would be great but also I I just

812  
00:32:11,630 --> 00:32:09,600  
want to say also flares descend yeah

813  
00:32:14,090 --> 00:32:11,640

right so there's there's a rate at which

814

00:32:16,549 --> 00:32:14,100

they descend they're on parachutes so

815

00:32:20,029 --> 00:32:16,559

this was not flares this thing sat up

816

00:32:22,850 --> 00:32:20,039

there absolutely still maybe a tiny

817

00:32:25,010 --> 00:32:22,860

little forward movement at one point it

818

00:32:27,409 --> 00:32:25,020

sat there absolutely still but more

819

00:32:29,570 --> 00:32:27,419

importantly rather than it's not

820

00:32:32,090 --> 00:32:29,580

descending over 10 minutes the

821

00:32:34,070 --> 00:32:32,100

eyewitnesses could see a shape now we

822

00:32:36,049 --> 00:32:34,080

don't see it in the video but the

823

00:32:38,090 --> 00:32:36,059

eyewitnesses could see the triangle

824

00:32:41,090 --> 00:32:38,100

shape however

825

00:32:43,610 --> 00:32:41,100

we lucked out

826

00:32:46,250 --> 00:32:43,620

the Marines a different a totally

827

00:32:49,850 --> 00:32:46,260

different Detachment they shot up some

828

00:32:51,649 --> 00:32:49,860

Lumen rounds some flares to illuminate

829

00:32:53,570 --> 00:32:51,659

this craft to see if they can get a

830

00:32:54,950 --> 00:32:53,580

better look at it and so what you're

831

00:32:56,990 --> 00:32:54,960

going to see right now

832

00:32:58,610 --> 00:32:57,000

is a video it's kind of out of focus at

833

00:33:01,130 --> 00:32:58,620

first so you see these kind of more

834

00:33:03,470 --> 00:33:01,140

bright yellow white lights and you'll

835

00:33:06,529 --> 00:33:03,480

see as the camera focuses they're

836

00:33:08,570 --> 00:33:06,539

starting to descend right on top of this

837

00:33:11,269 --> 00:33:08,580

craft that was there so we can we can

838

00:33:13,669 --> 00:33:11,279

clearly see now what flares look like

839

00:33:16,430 --> 00:33:13,679

and what this string of lights on a

840

00:33:18,649 --> 00:33:16,440

craft look like the odd part is and and

841

00:33:21,370 --> 00:33:18,659

the video clips out right at right after

842

00:33:25,070 --> 00:33:21,380

but as these Lumen flares drop down

843

00:33:28,310 --> 00:33:25,080

those lights from my eyes appear to just

844

00:33:29,870 --> 00:33:28,320

kind of blink out in succession however

845

00:33:33,169 --> 00:33:29,880

the people that were there

846

00:33:36,529 --> 00:33:33,179

they say that the entire craft

847

00:33:37,970 --> 00:33:36,539

disappeared the craft itself was no

848

00:33:40,250 --> 00:33:37,980

longer there because they could see a

849

00:33:41,810 --> 00:33:40,260

little bit better than this kind of poor

850

00:33:43,549 --> 00:33:41,820

footage that we have yeah you have to

851  
00:33:45,830 --> 00:33:43,559  
wonder how would it react you shoot

852  
00:33:48,230 --> 00:33:45,840  
flares above it so it's too light

853  
00:33:50,029 --> 00:33:48,240  
eliminated how might it react if it's

854  
00:33:51,529 --> 00:33:50,039  
intelligently controlled then let's see

855  
00:33:55,310 --> 00:33:51,539  
it yeah so that was what was interesting

856  
00:33:55,320 --> 00:34:15,290  
oh

857  
00:34:20,089 --> 00:34:17,810  
all right those the dominant image in

858  
00:34:22,430 --> 00:34:20,099  
that is these flares it's a big glowing

859  
00:34:26,089 --> 00:34:22,440  
thing and then it looks like the lights

860  
00:34:27,889 --> 00:34:26,099  
on this craft uh either disappear or

861  
00:34:30,349 --> 00:34:27,899  
they're out of focus yeah so so that's

862  
00:34:32,450 --> 00:34:30,359  
what so they shot up these Lumen rounds

863  
00:34:35,030 --> 00:34:32,460

which are a different color and while

864

00:34:37,190 --> 00:34:35,040

the craft is stationary these Lumen

865

00:34:39,589 --> 00:34:37,200

rounds start descending then what

866

00:34:42,589 --> 00:34:39,599

happens is as it's getting close to that

867

00:34:44,329 --> 00:34:42,599

craft what what I see is that the the

868

00:34:46,190 --> 00:34:44,339

camera is going just a little out of

869

00:34:49,070 --> 00:34:46,200

focus and that's right where the clip

870

00:34:51,889 --> 00:34:49,080

ends but everybody there said it was

871

00:34:55,010 --> 00:34:51,899

gone like it it's as if it just blinked

872

00:34:56,990 --> 00:34:55,020

out it was no longer there so we don't

873

00:34:58,370 --> 00:34:57,000

have that footage of that exact mode I

874

00:35:01,490 --> 00:34:58,380

don't have it yet although there were a

875

00:35:03,170 --> 00:35:01,500

lot of people there so hey everybody if

876

00:35:04,970 --> 00:35:03,180

you have more footage send it our way

877

00:35:06,589 --> 00:35:04,980

well that's an interesting point is that

878

00:35:08,450 --> 00:35:06,599

you and I were in communication you're

879

00:35:10,250 --> 00:35:08,460

sharing with me as this process is

880

00:35:12,770 --> 00:35:10,260

underway you're trying to get as much

881

00:35:14,870 --> 00:35:12,780

info as many images as you can in your

882

00:35:18,530 --> 00:35:14,880

encouraging these guys to send it and

883

00:35:20,210 --> 00:35:18,540

you got a heck of a lot any photos that

884

00:35:22,010 --> 00:35:20,220

would go along with this that'd be

885

00:35:24,470 --> 00:35:22,020

pretty cool to see some still images oh

886

00:35:26,750 --> 00:35:24,480

yes I I tasked people with not only

887

00:35:29,329 --> 00:35:26,760

going around an air dropping and getting

888

00:35:31,790 --> 00:35:29,339

me a bunch of images but also to go the

889

00:35:33,710 --> 00:35:31,800

next day and show me what does it look

890

00:35:37,069 --> 00:35:33,720

like from your angle of observation

891

00:35:39,950 --> 00:35:37,079

during daytime right so back to this

892

00:35:42,890 --> 00:35:39,960

clip I think it's important to note that

893

00:35:45,589 --> 00:35:42,900

this this was an object it was a

894

00:35:47,390 --> 00:35:45,599

freaking big object the the estimates

895

00:35:49,910 --> 00:35:47,400

are between and they said it could be

896

00:35:52,550 --> 00:35:49,920

bigger but between a half of the size of

897

00:35:54,410 --> 00:35:52,560

a football field to like I said what's

898

00:35:56,990 --> 00:35:54,420

something you know okay

899

00:36:00,109 --> 00:35:57,000

three bedroom house two stories but but

900

00:36:02,569 --> 00:36:00,119

I think it's bigger right so the object

901  
00:36:04,430 --> 00:36:02,579  
was big the Eerie thing was that it was

902  
00:36:06,230 --> 00:36:04,440  
silent and then you've got these

903  
00:36:07,550 --> 00:36:06,240  
illumination flares that are coming down

904  
00:36:09,109 --> 00:36:07,560  
so you know what a flare looks like

905  
00:36:11,329 --> 00:36:09,119  
right

906  
00:36:12,890 --> 00:36:11,339  
but you you catch it I think the

907  
00:36:15,410 --> 00:36:12,900  
camera's going out of focus right then

908  
00:36:17,870 --> 00:36:15,420  
but everybody said as soon as those

909  
00:36:19,730 --> 00:36:17,880  
Lumen flares got to the point where that

910  
00:36:21,650 --> 00:36:19,740  
craft would have been illuminated you

911  
00:36:24,109 --> 00:36:21,660  
could see it better yeah it just

912  
00:36:25,430 --> 00:36:24,119  
vanished was their words it vanished it

913  
00:36:27,470 --> 00:36:25,440

was no longer there I said what the

914

00:36:30,290 --> 00:36:27,480

lights went out they're like no the body

915

00:36:32,030 --> 00:36:30,300

of it everything gone how many people do

916

00:36:33,829 --> 00:36:32,040

you think were out watching it at least

917

00:36:36,050 --> 00:36:33,839

from the particular vantage point that

918

00:36:39,230 --> 00:36:36,060

we're talking about at any given time so

919

00:36:41,329 --> 00:36:39,240

I know for sure that there were a 50

920

00:36:43,970 --> 00:36:41,339

plus people standing in that same

921

00:36:47,450 --> 00:36:43,980

proximity at Camp Wilson but I'll tell

922

00:36:49,370 --> 00:36:47,460

you this man uh there was a big response

923

00:36:51,710 --> 00:36:49,380

we'll talk about that in a second but

924

00:36:54,950 --> 00:36:51,720

there was a big response to this so

925

00:36:57,410 --> 00:36:54,960

obviously a military base like ours 29

926  
00:36:59,329 --> 00:36:57,420  
Palms they're gonna have radar they're

927  
00:37:00,050 --> 00:36:59,339  
going to have thermal they're going to

928  
00:37:03,170 --> 00:37:00,060  
have

929  
00:37:06,470 --> 00:37:03,180  
all sorts of assets that are put to

930  
00:37:08,870 --> 00:37:06,480  
track on whatever this incursion was so

931  
00:37:10,790 --> 00:37:08,880  
I am hoping that by pushing this forward

932  
00:37:12,770 --> 00:37:10,800  
a little bit that we're going to get

933  
00:37:14,810 --> 00:37:12,780  
some more witnesses coming forward maybe

934  
00:37:18,050 --> 00:37:14,820  
maybe they can explain it maybe they can

935  
00:37:19,790 --> 00:37:18,060  
explain it to us but if nothing else we

936  
00:37:21,050 --> 00:37:19,800  
can get the data so I'm hoping more

937  
00:37:23,930 --> 00:37:21,060  
people come forward but you asked about

938  
00:37:26,030 --> 00:37:23,940

photos yeah so a bunch of photos came in

939

00:37:30,829 --> 00:37:26,040

I got photos of like the line of Lights

940

00:37:34,010 --> 00:37:30,839

of 60 plus 5 ton carriers and and

941

00:37:35,930 --> 00:37:34,020

Humvees there were helicopters that were

942

00:37:38,210 --> 00:37:35,940

put up into the air and were circling

943

00:37:40,670 --> 00:37:38,220

until 11 30 p.m this happened about 8 30

944

00:37:42,770 --> 00:37:40,680

p.m so the base did respond oh did

945

00:37:46,130 --> 00:37:42,780

somebody at base command responded this

946

00:37:50,930 --> 00:37:46,140

was a big response helicopters planes

947

00:37:53,750 --> 00:37:50,940

and Personnel in fact that you know in

948

00:37:55,370 --> 00:37:53,760

in fact people were impressed by the

949

00:37:56,930 --> 00:37:55,380

response but let's talk about the photos

950

00:37:59,630 --> 00:37:56,940

real quick

951

00:38:00,829 --> 00:37:59,640

let me show a photo of just at night

952

00:38:02,990 --> 00:38:00,839

like what it looks like with like a

953

00:38:05,390 --> 00:38:03,000

camera again you don't see much you just

954

00:38:07,190 --> 00:38:05,400

see black Inky night and then you see

955

00:38:17,390 --> 00:38:07,200

some lights in a row let's show that

956

00:38:22,490 --> 00:38:20,030

I mean that photo is pretty cool there's

957

00:38:24,530 --> 00:38:22,500

a there's a building from Camp Wilson

958

00:38:26,390 --> 00:38:24,540

right there and that thing is clearly in

959

00:38:28,069 --> 00:38:26,400

the background of Camp Wilson you still

960

00:38:30,710 --> 00:38:28,079

can't really make out the shape from the

961

00:38:33,109 --> 00:38:30,720

photo but it's they're in proximity you

962

00:38:35,089 --> 00:38:33,119

get a general idea of it yeah so for me

963

00:38:37,609 --> 00:38:35,099

it's like the the cumulative stuff that

964

00:38:40,069 --> 00:38:37,619

was coming in so I get people at higher

965

00:38:42,589 --> 00:38:40,079

command telling me there's an event you

966

00:38:44,450 --> 00:38:42,599

should go for it I'm like okay cool I

967

00:38:47,089 --> 00:38:44,460

don't know anybody right now you know

968

00:38:50,030 --> 00:38:47,099

but I was able to to figure out and

969

00:38:52,550 --> 00:38:50,040

through friends and whatnot bam got a

970

00:38:54,109 --> 00:38:52,560

bunch of people I knew I knew it had

971

00:38:55,970 --> 00:38:54,119

happened I knew it was there but getting

972

00:38:58,010 --> 00:38:55,980

that one image was was pretty cool

973

00:38:59,930 --> 00:38:58,020

because it really sets the position it

974

00:39:02,569 --> 00:38:59,940

sets the location

975

00:39:05,030 --> 00:39:02,579

but I was like man I wish there was a

976  
00:39:08,810 --> 00:39:05,040  
better image you know and I know like

977  
00:39:09,609 --> 00:39:08,820  
with your iPhones with the iPhone 11 or

978  
00:39:13,069 --> 00:39:09,619  
whatever

979  
00:39:15,589 --> 00:39:13,079  
you can get low light photos yeah and

980  
00:39:17,930 --> 00:39:15,599  
man all of a sudden I was impressed

981  
00:39:21,050 --> 00:39:17,940  
because one of the photos that came into

982  
00:39:23,810 --> 00:39:21,060  
me was from a a buddy of mine and it had

983  
00:39:26,450 --> 00:39:23,820  
a low light function and you could see

984  
00:39:28,430 --> 00:39:26,460  
the shape of the craft yeah this is the

985  
00:39:30,710 --> 00:39:28,440  
coup de gras here yeah I think this this

986  
00:39:33,589 --> 00:39:30,720  
gives weight to the whole thing you have

987  
00:39:35,990 --> 00:39:33,599  
video you've got this this whole kind of

988  
00:39:37,250 --> 00:39:36,000

network of people this is a mass siding

989

00:39:38,810 --> 00:39:37,260

I don't want to back up from that look

990

00:39:41,089 --> 00:39:38,820

this is a great sighting let's figure

991

00:39:43,609 --> 00:39:41,099

out what this is together because this

992

00:39:45,950 --> 00:39:43,619

has so many people with cameras and eyes

993

00:40:02,210 --> 00:39:45,960

on but this last image really showed me

994

00:40:06,950 --> 00:40:05,089

I mean that is a spectacular UFO photo

995

00:40:08,990 --> 00:40:06,960

right there yeah man if I had caught

996

00:40:10,730 --> 00:40:09,000

that photo I'd be pretty stoked you know

997

00:40:12,829 --> 00:40:10,740

and then to have all the corroborative

998

00:40:14,329 --> 00:40:12,839

video and and and gosh wouldn't it be

999

00:40:17,150 --> 00:40:14,339

neat if we could speak with people and

1000

00:40:19,790 --> 00:40:17,160

get them on record talking about this so

1001  
00:40:21,650 --> 00:40:19,800  
check it out Ma'am why that photo to me

1002  
00:40:24,589 --> 00:40:21,660  
was kind of like okay I should really

1003  
00:40:26,510 --> 00:40:24,599  
pay attention now is because

1004  
00:40:28,069 --> 00:40:26,520  
that was just one of the people standing

1005  
00:40:29,870 --> 00:40:28,079  
there that had the low light function on

1006  
00:40:33,290 --> 00:40:29,880  
their phone and what they described to

1007  
00:40:36,650 --> 00:40:33,300  
me is that we could all see or we could

1008  
00:40:39,550 --> 00:40:36,660  
most of us could see the shape of what

1009  
00:40:42,829 --> 00:40:39,560  
the craft looked like but that one photo

1010  
00:40:45,589 --> 00:40:42,839  
showed it it showed the triangle by

1011  
00:40:47,810 --> 00:40:45,599  
angle of observation

1012  
00:40:49,790 --> 00:40:47,820  
let's hear from some of the witnesses I

1013  
00:40:52,609 --> 00:40:49,800

mean you you told me at one point there

1014

00:40:54,890 --> 00:40:52,619

might be 80 Witnesses who had seen it

1015

00:40:56,810 --> 00:40:54,900

and were willing to share information at

1016

00:40:58,550 --> 00:40:56,820

least bits and pieces right yeah so I'm

1017

00:41:00,410 --> 00:40:58,560

going to say 50 plus because that is

1018

00:41:02,990 --> 00:41:00,420

confirmed but if you think about the

1019

00:41:06,410 --> 00:41:03,000

response teams that went out oh easily

1020

00:41:08,270 --> 00:41:06,420

80 people are aware of this event so I I

1021

00:41:10,310 --> 00:41:08,280

think we should hear directly and to

1022

00:41:12,349 --> 00:41:10,320

give you an idea there's a lot we could

1023

00:41:14,510 --> 00:41:12,359

say about this but what I want people to

1024

00:41:16,310 --> 00:41:14,520

feel is like what it feels like to me

1025

00:41:21,470 --> 00:41:16,320

when I'm trying to uncover this stuff

1026

00:41:23,810 --> 00:41:21,480

this is just I think 36 hours after this

1027

00:41:26,150 --> 00:41:23,820

event something like that it was just

1028

00:41:28,609 --> 00:41:26,160

amazing to hear two people were willing

1029

00:41:31,010 --> 00:41:28,619

to talk with me and I I recorded the

1030

00:41:32,750 --> 00:41:31,020

conversation and you get a real sense of

1031

00:41:35,210 --> 00:41:32,760

what it felt like to be them at that

1032

00:41:37,790 --> 00:41:35,220

moment these are two at the time active

1033

00:41:39,410 --> 00:41:37,800

duty U.S Marines who were there saw it

1034

00:41:42,490 --> 00:41:39,420

for themselves and here's how they

1035

00:41:42,500 --> 00:41:46,190

thank you

1036

00:41:51,710 --> 00:41:48,950

so I'm a mortar man uh and he's

1037

00:41:54,170 --> 00:41:51,720

artillery what are the facts man like

1038

00:41:56,150 --> 00:41:54,180

what base which which Marine base and

1039

00:41:58,670 --> 00:41:56,160

what time was this

1040

00:42:01,190 --> 00:41:58,680

two nights ago it was roughly like 8 25

1041

00:42:04,069 --> 00:42:01,200

ish at night uh

1042

00:42:05,030 --> 00:42:04,079

it was near 29 Palms California so I

1043

00:42:06,470 --> 00:42:05,040

don't know if you're familiar with the

1044

00:42:10,310 --> 00:42:06,480

base at all but

1045

00:42:12,349 --> 00:42:10,320

Camp Wilson is attached to 29 Palms

1046

00:42:14,030 --> 00:42:12,359

it's like it's like a one-way Road in

1047

00:42:16,010 --> 00:42:14,040

and out of the camp

1048

00:42:17,630 --> 00:42:16,020

one of my buddies moved outside

1049

00:42:20,390 --> 00:42:17,640

he's looking at the sky and then it just

1050

00:42:21,829 --> 00:42:20,400

kind of appeared out of nowhere and

1051  
00:42:23,690 --> 00:42:21,839  
we all came out and looked and then

1052  
00:42:25,490 --> 00:42:23,700  
slowly like 50 plus people started

1053  
00:42:27,109 --> 00:42:25,500  
coming out and looking those lights

1054  
00:42:29,690 --> 00:42:27,119  
appeared out of nowhere

1055  
00:42:31,550 --> 00:42:29,700  
obviously a lot of people saw this what

1056  
00:42:33,550 --> 00:42:31,560  
did people think

1057  
00:42:36,010 --> 00:42:33,560  
they're just kind of

1058  
00:42:38,150 --> 00:42:36,020  
they were just kind of like

1059  
00:42:39,650 --> 00:42:38,160  
nobody could recognize it I mean we're

1060  
00:42:42,349 --> 00:42:39,660  
all in the military so you'd think we'd

1061  
00:42:43,670 --> 00:42:42,359  
this happened in a number of places I've

1062  
00:42:45,710 --> 00:42:43,680  
got reports from other people they're

1063  
00:42:47,089 --> 00:42:45,720

coming in with the video you sent me was

1064

00:42:49,190 --> 00:42:47,099

that yours

1065

00:42:50,690 --> 00:42:49,200

yes that was fine that was from ISO and

1066

00:42:58,250 --> 00:42:50,700

the photo was that a still photo or

1067

00:43:03,650 --> 00:43:00,829

it's not flares uh because they stayed

1068

00:43:06,890 --> 00:43:03,660

there for a solid 10 minutes just

1069

00:43:09,410 --> 00:43:06,900

in the same spot and flares don't sit in

1070

00:43:12,109 --> 00:43:09,420

one spot for 10 minutes

1071

00:43:13,550 --> 00:43:12,119

no they definitely they fall so you

1072

00:43:16,430 --> 00:43:13,560

personally know that these were not

1073

00:43:17,990 --> 00:43:16,440

flares do you believe this was a craft

1074

00:43:19,970 --> 00:43:18,000

yeah I would have to believe so with the

1075

00:43:21,950 --> 00:43:19,980

picture I took with the black triangular

1076

00:43:24,650 --> 00:43:21,960

shape underneath the lights

1077

00:43:26,990 --> 00:43:24,660

it's definitely not any type of like

1078

00:43:28,910 --> 00:43:27,000

flare illumination rounds or anything I

1079

00:43:31,190 --> 00:43:28,920

didn't mean to fudge in but I worked

1080

00:43:33,530 --> 00:43:31,200

with artillery and we shoot illumination

1081

00:43:36,650 --> 00:43:33,540

rounds out of our Arty guns into the air

1082

00:43:39,589 --> 00:43:36,660

to loom uh infantry guys

1083

00:43:41,870 --> 00:43:39,599

and this was nothing compared to what

1084

00:43:43,550 --> 00:43:41,880

that is like this was something none of

1085

00:43:45,890 --> 00:43:43,560

us had ever seen before it was a

1086

00:43:48,589 --> 00:43:45,900

completely different color the size of

1087

00:43:50,510 --> 00:43:48,599

the illumination was different and when

1088

00:43:53,450 --> 00:43:50,520

we shoot illumination rounds it's one

1089

00:43:55,490 --> 00:43:53,460

you shoot in the air and Let It Drop and

1090

00:43:56,930 --> 00:43:55,500

then you shoot another one this was like

1091

00:43:58,990 --> 00:43:56,940

obviously you've seen the picture this

1092

00:44:01,790 --> 00:43:59,000

was like five right next to each other

1093

00:44:05,089 --> 00:44:01,800

and they're kind of reddish and our Loom

1094

00:44:06,770 --> 00:44:05,099

rounds are like a yellow white color so

1095

00:44:09,170 --> 00:44:06,780

this was a crop was it hovering

1096

00:44:12,109 --> 00:44:09,180

stationary was there any sound

1097

00:44:14,569 --> 00:44:12,119

absolutely no sound no sound but it was

1098

00:44:16,550 --> 00:44:14,579

definitely stationary how big was it

1099

00:44:18,950 --> 00:44:16,560

estimate to me how big

1100

00:44:20,210 --> 00:44:18,960

turn to uh one of those stealth bombers

1101

00:44:22,190 --> 00:44:20,220

eyes

1102

00:44:23,450 --> 00:44:22,200

well hold on hold on stealth bombers

1103

00:44:25,609 --> 00:44:23,460

can't hover

1104

00:44:31,069 --> 00:44:25,619

exactly that's why I can compare to that

1105

00:44:35,089 --> 00:44:32,990

I know

1106

00:44:36,890 --> 00:44:35,099

maybe bigger

1107

00:44:38,870 --> 00:44:36,900

you said that there were like objects

1108

00:44:40,730 --> 00:44:38,880

that came out and like circled it right

1109

00:44:41,990 --> 00:44:40,740

after and then it went dark what do you

1110

00:44:43,430 --> 00:44:42,000

mean

1111

00:44:46,250 --> 00:44:43,440

the right before they went out the

1112

00:44:48,950 --> 00:44:46,260

Olympics popped off over top of it those

1113

00:44:51,470 --> 00:44:48,960

two orange lights the actual Loom rounds

1114

00:44:53,809 --> 00:44:51,480

that went up over top of it and then

1115

00:44:56,030 --> 00:44:53,819

after that it disappeared like just

1116

00:44:58,069 --> 00:44:56,040

straight went black and then

1117

00:44:59,870 --> 00:44:58,079

helicopter started like pulling ass

1118

00:45:01,010 --> 00:44:59,880

towards it and they went like in the

1119

00:45:03,650 --> 00:45:01,020

direction of it and then they'd start

1120

00:45:06,589 --> 00:45:03,660

circling the area these helicopters were

1121

00:45:08,390 --> 00:45:06,599

circling for a good bit afterwards and

1122

00:45:10,190 --> 00:45:08,400

there was a there was a convoy as well

1123

00:45:14,329 --> 00:45:10,200

that went out it was like a 60 plus

1124

00:45:15,770 --> 00:45:14,339

truck Convoy that we saw go out as well

1125

00:45:18,410 --> 00:45:15,780

we were taking pictures afterwards

1126

00:45:22,790 --> 00:45:18,420

because it was just straight black just

1127

00:45:25,250 --> 00:45:22,800

disappeared what do you think you saw

1128

00:45:28,430 --> 00:45:25,260

I couldn't tell you I just know it's not

1129

00:45:31,370 --> 00:45:28,440

anything that I recognized or any of my

1130

00:45:33,890 --> 00:45:31,380

poster friends could recognize either so

1131

00:45:35,870 --> 00:45:33,900

I don't think it was anything U.S

1132

00:45:38,630 --> 00:45:35,880

military

1133

00:45:40,430 --> 00:45:38,640

definitely some type of UFO and governor

1134

00:45:41,930 --> 00:45:40,440

was trying to look for it after it

1135

00:45:43,609 --> 00:45:41,940

disappeared

1136

00:45:44,750 --> 00:45:43,619

I'm just trying to figure out what the

1137

00:45:47,569 --> 00:45:44,760

hell that was

1138

00:45:50,870 --> 00:45:47,579

this is a highly documented event we

1139

00:45:53,870 --> 00:45:52,430

like through exercises so we've worked

1140

00:45:55,790 --> 00:45:53,880

with a lot of people who use different

1141

00:45:57,890 --> 00:45:55,800

type of weapons

1142

00:45:59,750 --> 00:45:57,900

so I've never seen anything like it a

1143

00:46:02,510 --> 00:45:59,760

lot of questions so at least 50

1144

00:46:06,349 --> 00:46:02,520

Witnesses probably closer to 80. a lot

1145

00:46:08,569 --> 00:46:06,359

of those guys took photos and videos did

1146

00:46:09,950 --> 00:46:08,579

anyone come asking for them did our

1147

00:46:11,569 --> 00:46:09,960

commander say hey did you guys get

1148

00:46:15,050 --> 00:46:11,579

videos of this can I have your photos

1149

00:46:17,210 --> 00:46:15,060

did any Witnesses get interviewed they

1150

00:46:19,430 --> 00:46:17,220

mentioned a base response that Vehicles

1151  
00:46:21,470 --> 00:46:19,440  
helicopters things of that sort describe

1152  
00:46:23,390 --> 00:46:21,480  
that part of it how the base responded

1153  
00:46:26,569 --> 00:46:23,400  
and then the follow-up whether there was

1154  
00:46:28,910 --> 00:46:26,579  
any right so so these guys were not part

1155  
00:46:31,130 --> 00:46:28,920  
of the response but they saw a massive

1156  
00:46:32,630 --> 00:46:31,140  
response no they weren't shaken down I

1157  
00:46:34,790 --> 00:46:32,640  
hear this all the time when I'm in

1158  
00:46:36,710 --> 00:46:34,800  
looking at a case investing in case I've

1159  
00:46:38,690 --> 00:46:36,720  
talked to you more than I have my

1160  
00:46:41,089 --> 00:46:38,700  
commanders or any intelligence agency

1161  
00:46:43,910 --> 00:46:41,099  
you know I think I just got lucky man

1162  
00:46:46,250 --> 00:46:43,920  
that I got the tip off and you know the

1163  
00:46:47,930 --> 00:46:46,260

idea that I could you know get hold of

1164

00:46:50,450 --> 00:46:47,940

people on the base it was kind of an

1165

00:46:53,390 --> 00:46:50,460

impossible task and then collect all the

1166

00:46:56,450 --> 00:46:53,400

visual collect all the data but this was

1167

00:46:59,510 --> 00:46:56,460

a big event in that there's Silence

1168

00:47:03,170 --> 00:46:59,520

about it now and people are left with

1169

00:47:05,510 --> 00:47:03,180

these huge questions so there was no

1170

00:47:07,010 --> 00:47:05,520

official response that I am aware of at

1171

00:47:09,650 --> 00:47:07,020

this time in fact I know there's some

1172

00:47:12,109 --> 00:47:09,660

denial and so that's with the footage

1173

00:47:14,750 --> 00:47:12,119

it's going to be really hard to deny

1174

00:47:16,690 --> 00:47:14,760

that this event happened they scrambled

1175

00:47:19,069 --> 00:47:16,700

Vehicles they scrambled aircraft

1176

00:47:21,109 --> 00:47:19,079

obviously someone in the command

1177

00:47:22,910 --> 00:47:21,119

structure that base knew that this had

1178

00:47:24,349 --> 00:47:22,920

happened and they reacted yeah but they

1179

00:47:26,569 --> 00:47:24,359

didn't follow up as part of an

1180

00:47:28,670 --> 00:47:26,579

investigation so you have to figure

1181

00:47:30,290 --> 00:47:28,680

they've got sensors radar things of that

1182

00:47:32,030 --> 00:47:30,300

sort they detected something was up

1183

00:47:33,530 --> 00:47:32,040

there in the sky I mean as we've talked

1184

00:47:35,390 --> 00:47:33,540

about I think this is why it's an

1185

00:47:37,250 --> 00:47:35,400

important time to put this out I've been

1186

00:47:39,290 --> 00:47:37,260

doing as much digging as I can for the

1187

00:47:41,450 --> 00:47:39,300

last two years but now this event

1188

00:47:43,849 --> 00:47:41,460

happened this is something arrows should

1189

00:47:46,609 --> 00:47:43,859

know about this is something that was a

1190

00:47:51,170 --> 00:47:46,619

mass sighting of a UFO an incursion over

1191

00:47:53,210 --> 00:47:51,180

a military base this was a craft and you

1192

00:47:54,950 --> 00:47:53,220

know that information is not being

1193

00:47:56,450 --> 00:47:54,960

properly passed up that's why

1194

00:47:59,150 --> 00:47:56,460

journalists like we get information

1195

00:48:01,490 --> 00:47:59,160

sometimes you know better briefings than

1196

00:48:04,069 --> 00:48:01,500

Congress and Senate it's a shame I mean

1197

00:48:06,470 --> 00:48:04,079

I like it but I mean we've provided some

1198

00:48:07,970 --> 00:48:06,480

cases that have gone up the chain of

1199

00:48:09,650 --> 00:48:07,980

command and now they know about them

1200

00:48:11,089 --> 00:48:09,660

that they didn't know otherwise they're

1201

00:48:12,650 --> 00:48:11,099

about to get another one hopefully

1202

00:48:14,210 --> 00:48:12,660

somebody's going to pick up the threads

1203

00:48:15,650 --> 00:48:14,220

yeah and try to get to the bottom of

1204

00:48:18,050 --> 00:48:15,660

this but there's got to be a paper trail

1205

00:48:19,490 --> 00:48:18,060

somewhere in that command structure that

1206

00:48:21,410 --> 00:48:19,500

base somebody had to write a report

1207

00:48:23,270 --> 00:48:21,420

about it wouldn't you think yeah better

1208

00:48:25,130 --> 00:48:23,280

than a paper trail they're gonna have

1209

00:48:27,410 --> 00:48:25,140

look this is a military installation

1210

00:48:29,809 --> 00:48:27,420

it's a protected airspace they're gonna

1211

00:48:31,490 --> 00:48:29,819

have radar they're gonna have infrared

1212

00:48:33,109 --> 00:48:31,500

footage and by setting up all those

1213

00:48:35,990 --> 00:48:33,119

helos and sending out all those ground

1214

00:48:39,849 --> 00:48:36,000

troops look they thought

1215

00:48:42,530 --> 00:48:39,859

remember that UFO or that UAP that

1216

00:48:44,690 --> 00:48:42,540

object.craft we don't have the full

1217

00:48:47,569 --> 00:48:44,700

footage of it but everybody consensuses

1218

00:48:49,849 --> 00:48:47,579

it blinked out it disappeared not just

1219

00:48:52,910 --> 00:48:49,859

the lights the body of it the whole

1220

00:48:54,589 --> 00:48:52,920

thing was just gone and so they think

1221

00:48:56,390 --> 00:48:54,599

that they were looking for it that it

1222

00:48:58,910 --> 00:48:56,400

they're trying to figure out where did

1223

00:49:00,650 --> 00:48:58,920

it go so that's how it ended what What's

1224

00:49:02,990 --> 00:49:00,660

the total amount of time and then at the

1225

00:49:04,970 --> 00:49:03,000

end it just goes poof it's gone yeah it

1226  
00:49:06,650 --> 00:49:04,980  
was it was 10 minutes in total because

1227  
00:49:08,390 --> 00:49:06,660  
there was an individual watching

1228  
00:49:11,390 --> 00:49:08,400  
that just standing outside the thing

1229  
00:49:13,370 --> 00:49:11,400  
just in quotes appeared watching it for

1230  
00:49:15,109 --> 00:49:13,380  
a little bit first piece of footage

1231  
00:49:16,370 --> 00:49:15,119  
someone starts filming it and we have

1232  
00:49:19,670 --> 00:49:16,380  
footage all the way through six minutes

1233  
00:49:22,069 --> 00:49:19,680  
I actually have some infrared footage

1234  
00:49:23,930 --> 00:49:22,079  
but I'm trying still to get the original

1235  
00:49:26,270 --> 00:49:23,940  
footage of that because that's another

1236  
00:49:28,069 --> 00:49:26,280  
layer of information that we can visual

1237  
00:49:31,250 --> 00:49:28,079  
information we can see

1238  
00:49:32,510 --> 00:49:31,260

but look man this is uh from a bunch of

1239

00:49:33,890 --> 00:49:32,520

trained Marines they've never seen

1240

00:49:35,990 --> 00:49:33,900

anything like it the thing that was

1241

00:49:38,569 --> 00:49:36,000

really eerie to everybody was the

1242

00:49:41,569 --> 00:49:38,579

silence to have something that big

1243

00:49:43,430 --> 00:49:41,579

appearing and sitting there and then to

1244

00:49:45,710 --> 00:49:43,440

have this response of let's illuminate

1245

00:49:47,450 --> 00:49:45,720

it let's look at it and then it blinking

1246

00:49:48,710 --> 00:49:47,460

out or just leaving well you could say

1247

00:49:50,089 --> 00:49:48,720

you know they got some really big

1248

00:49:52,069 --> 00:49:50,099

balloons

1249

00:49:55,370 --> 00:49:52,079

but a balloon can't disappear like that

1250

00:49:57,770 --> 00:49:55,380

yeah I look there's let's let the

1251  
00:49:59,990 --> 00:49:57,780  
debunkers give us all the ideas of what

1252  
00:50:01,790 --> 00:50:00,000  
it could be right and I'm not I'm also

1253  
00:50:02,809 --> 00:50:01,800  
not saying I know what it is what I'm

1254  
00:50:05,150 --> 00:50:02,819  
saying is you got trained military

1255  
00:50:07,430 --> 00:50:05,160  
individuals this should be a highly

1256  
00:50:09,829 --> 00:50:07,440  
documented case other than just cell

1257  
00:50:11,870 --> 00:50:09,839  
phone imagery and to me it was pretty

1258  
00:50:14,030 --> 00:50:11,880  
astounding it really looked like the

1259  
00:50:15,710 --> 00:50:14,040  
mass sighting of the Phoenix Lights I

1260  
00:50:17,750 --> 00:50:15,720  
don't know the exact size of it or

1261  
00:50:19,970 --> 00:50:17,760  
anything like that but to have that many

1262  
00:50:22,250 --> 00:50:19,980  
witnesses and this is the power this is

1263  
00:50:23,690 --> 00:50:22,260

the power of iPhones now and you know

1264

00:50:26,030 --> 00:50:23,700

people being able to call journalists

1265

00:50:28,730 --> 00:50:26,040

that this information could come forward

1266

00:50:31,370 --> 00:50:28,740

um did anybody fire on it did anybody

1267

00:50:33,950 --> 00:50:31,380

shoot a gun or you know anything like

1268

00:50:36,230 --> 00:50:33,960

that no so there are there are rules

1269

00:50:39,170 --> 00:50:36,240

right so like the the rules of like

1270

00:50:41,809 --> 00:50:39,180

kinetic action so opportunity intent and

1271

00:50:43,370 --> 00:50:41,819

capability so I think mostly it's it's

1272

00:50:45,710 --> 00:50:43,380

about Discovery I think that's what the

1273

00:50:47,750 --> 00:50:45,720

Lumen flares were were about was just

1274

00:50:50,150 --> 00:50:47,760

getting eyes on and seeing what this is

1275

00:50:52,609 --> 00:50:50,160

but yeah that response after kind of

1276  
00:50:53,930 --> 00:50:52,619  
haunts everybody it's like what you know

1277  
00:50:56,809 --> 00:50:53,940  
who knows what they were looking for

1278  
00:50:59,150 --> 00:50:56,819  
there's got to be people that know what

1279  
00:51:01,670 --> 00:50:59,160  
exactly happened that night now our

1280  
00:51:04,430 --> 00:51:01,680  
military our base there they can deny it

1281  
00:51:06,470 --> 00:51:04,440  
all day long up until today today they

1282  
00:51:08,150 --> 00:51:06,480  
can't deny it anymore because there's

1283  
00:51:10,370 --> 00:51:08,160  
footage of it and we have witness

1284  
00:51:11,870 --> 00:51:10,380  
testimony and two people there's a lot

1285  
00:51:12,470 --> 00:51:11,880  
more people yeah

1286  
00:51:15,170 --> 00:51:12,480  
um

1287  
00:51:16,970 --> 00:51:15,180  
no media coverage so far no this is the

1288  
00:51:18,650 --> 00:51:16,980

first mention of it anywhere how would

1289

00:51:19,730 --> 00:51:18,660

they how how would the media ever know

1290

00:51:22,490 --> 00:51:19,740

about it

1291

00:51:24,109 --> 00:51:22,500

um so basically the U.S Marine Corps

1292

00:51:25,970 --> 00:51:24,119

should produce a report on this maybe

1293

00:51:27,589 --> 00:51:25,980

there's one that exists at that base

1294

00:51:29,569 --> 00:51:27,599

that's still sitting there in somebody's

1295

00:51:31,730 --> 00:51:29,579

drawer and it never went anywhere it has

1296

00:51:33,589 --> 00:51:31,740

not gone to Arrow we've shown it to some

1297

00:51:35,750 --> 00:51:33,599

other people that we know that had not

1298

00:51:38,569 --> 00:51:35,760

seen it before who are familiar with

1299

00:51:41,030 --> 00:51:38,579

this terrain uh I think basically we're

1300

00:51:43,250 --> 00:51:41,040

hoping that a other Witnesses who have

1301  
00:51:44,630 --> 00:51:43,260  
you have not communicated with us will

1302  
00:51:46,970 --> 00:51:44,640  
communicate with us if there are other

1303  
00:51:48,589 --> 00:51:46,980  
images they want to share here's where

1304  
00:51:50,750 --> 00:51:48,599  
you share it and then

1305  
00:51:53,390 --> 00:51:50,760  
file the foyers let the foyers begin

1306  
00:51:55,490 --> 00:51:53,400  
yeah I think this is kind of like the

1307  
00:51:57,589 --> 00:51:55,500  
idea of how we put something out and say

1308  
00:51:59,210 --> 00:51:57,599  
everybody we want you to go for this

1309  
00:52:01,250 --> 00:51:59,220  
happen it's kind of just exposing the

1310  
00:52:02,809 --> 00:52:01,260  
fact that it did happen you know been a

1311  
00:52:05,510 --> 00:52:02,819  
couple years trying to really suss it

1312  
00:52:08,210 --> 00:52:05,520  
out I've got to the point of as far as I

1313  
00:52:11,450 --> 00:52:08,220

can go but I I think that this case

1314

00:52:13,790 --> 00:52:11,460

being over a military installation the

1315

00:52:16,270 --> 00:52:13,800

the document Trail the mass sighting

1316

00:52:18,650 --> 00:52:16,280

this is something that should have been

1317

00:52:20,569 --> 00:52:18,660

instantaneously pushed up to the UFO

1318

00:52:22,430 --> 00:52:20,579

groups within our government and said if

1319

00:52:25,549 --> 00:52:22,440

there is an incursion of an unknown

1320

00:52:27,829 --> 00:52:25,559

craft of Unknown Origin that can hover

1321

00:52:30,470 --> 00:52:27,839

like that with zero sound and you've got

1322

00:52:32,569 --> 00:52:30,480

that many military witnesses that should

1323

00:52:35,089 --> 00:52:32,579

have been investigated so here you go

1324

00:52:38,150 --> 00:52:35,099

time to investigate yeah let's see what

1325

00:52:40,370 --> 00:52:38,160

comes out of it yeah I agree man so

1326

00:52:42,349 --> 00:52:40,380

anyway man there's there's a lot like

1327

00:52:43,609 --> 00:52:42,359

this but I hope that we can keep pushing

1328

00:52:46,250 --> 00:52:43,619

the ball forward with getting

1329

00:52:49,490 --> 00:52:46,260

information like this out I I'm not

1330

00:52:51,290 --> 00:52:49,500

trying to obfuscate kind of who who some

1331

00:52:53,390 --> 00:52:51,300

of these Witnesses are a lot of people

1332

00:52:55,069 --> 00:52:53,400

are still military a lot of them don't

1333

00:52:57,170 --> 00:52:55,079

want to be involved but there are some

1334

00:52:58,609 --> 00:52:57,180

people that out that are out now and

1335

00:53:00,829 --> 00:52:58,619

we'll talk and I think in the future

1336

00:53:03,170 --> 00:53:00,839

having one of the eyewitnesses explain

1337

00:53:04,910 --> 00:53:03,180

to you exactly what they saw I think

1338

00:53:06,829 --> 00:53:04,920

that's really important I got one one

1339

00:53:09,049 --> 00:53:06,839

guy in particular that I'd love to have

1340

00:53:11,329 --> 00:53:09,059

on and explain what happened that night

1341

00:53:13,849 --> 00:53:11,339

but right now I think it's about the

1342

00:53:15,829 --> 00:53:13,859

data and I want this information out and

1343

00:53:17,809 --> 00:53:15,839

see what people can figure out and find

1344

00:53:20,630 --> 00:53:17,819

out yeah folks out there let us know

1345

00:53:22,910 --> 00:53:20,640

what you find out and if you file it for

1346

00:53:24,829 --> 00:53:22,920

you and get a response let us know if

1347

00:53:26,690 --> 00:53:24,839

you were on the base at that time two

1348

00:53:29,270 --> 00:53:26,700

years ago today and have additional

1349

00:53:35,950 --> 00:53:29,280

information we're all ears all right

1350

00:53:42,190 --> 00:53:38,809

[Music]

1351

00:53:50,870 --> 00:53:46,790
