00:00:06,230 --> 00:00:04,370

foreign

3  
00:00:07,789 --> 00:00:06,240

for tonight's future of everything we're

4  
00:00:09,410 --> 00:00:07,799

going to talk about UFOs because it is

5  
00:00:11,089 --> 00:00:09,420

my hope that in the near future we

6  
00:00:13,730 --> 00:00:11,099

figure out whatever the heck has been

7  
00:00:16,189 --> 00:00:13,740

going on in our skies and if you follow

8  
00:00:17,689 --> 00:00:16,199

a lot of the UFO incidents involving the

9  
00:00:19,250 --> 00:00:17,699

U.S military you might have seen a lot

10  
00:00:21,769 --> 00:00:19,260

of people talking about several videos

11  
00:00:24,769 --> 00:00:21,779

of what looks like a triangle seeming to

12  
00:00:26,990 --> 00:00:24,779

hover over a base out of 29 Palms here

13  
00:00:28,550 --> 00:00:27,000

in California this was all released in

14

00:00:33,530 --> 00:00:28,560

the last day by documentary filmmaker

15

00:00:37,130 --> 00:00:35,389

those are not alone rounds because Loom

16

00:00:39,549 --> 00:00:37,140

round's full yeah

17

00:00:43,670 --> 00:00:39,559

and

18

00:00:49,910 --> 00:00:43,680

nobody shoots in a five gun section

19

00:00:53,270 --> 00:00:52,190

we got UFOs outside now Jeremy Corbell

20

00:00:55,850 --> 00:00:53,280

and the co-host of the podcast

21

00:00:57,590 --> 00:00:55,860

weaponized a George Knapp say they have

22

00:00:59,569 --> 00:00:57,600

been looking into this since 2021

23

00:01:01,430 --> 00:00:59,579

there's another uh image right there he

24

00:01:03,529 --> 00:01:01,440

says according to reports from Witnesses

25

00:01:06,410 --> 00:01:03,539

the whole thing only lasted about 10

26  
00:01:08,149 --> 00:01:06,420  
minutes from 8 20 when it appeared to 8

27  
00:01:09,710 --> 00:01:08,159  
30 when it blinked out according to

28  
00:01:11,510 --> 00:01:09,720  
Corbell it was seen by more than 50

29  
00:01:14,510 --> 00:01:11,520  
people many of them Marines at Camp

30  
00:01:16,750 --> 00:01:14,520  
Wilson who came couldn't explain what

31  
00:01:19,010 --> 00:01:16,760  
they saw

32  
00:01:21,649 --> 00:01:19,020  
you look in the picture if you can see

33  
00:01:24,230 --> 00:01:21,659  
like a black triangular shape why are

34  
00:01:26,929 --> 00:01:24,240  
these not flares uh because they stayed

35  
00:01:30,050 --> 00:01:26,939  
there for a solid 10 minutes just

36  
00:01:31,630 --> 00:01:30,060  
in the same spot and flares don't sit in

37  
00:01:32,929 --> 00:01:31,640  
one spot for 10 minutes

38  
00:01:34,270 --> 00:01:32,939

[Music]

39

00:01:36,109 --> 00:01:34,280

no they definitely

40

00:01:37,789 --> 00:01:36,119

[Music]

41

00:01:39,890 --> 00:01:37,799

definitely and Jeremy Corbell himself

42

00:01:41,929 --> 00:01:39,900

joins us right now in the studio so

43

00:01:44,630 --> 00:01:41,939

Jeremy real quick set the scene for us

44

00:01:47,210 --> 00:01:44,640

here yeah so this happened back in 2021

45

00:01:49,310 --> 00:01:47,220

and I of course I thought it was flares

46

00:01:50,810 --> 00:01:49,320

at first a bunch of Marines started

47

00:01:54,649 --> 00:01:50,820

coming to me I was able to find them

48

00:01:56,690 --> 00:01:54,659

within 36 hours they saw a craft so this

49

00:01:58,490 --> 00:01:56,700

is not something lights in the sky they

50

00:02:00,649 --> 00:01:58,500

actually saw the body the shape of the

51  
00:02:03,230 --> 00:02:00,659  
craft and you see that in the low light

52  
00:02:05,149 --> 00:02:03,240  
photo so they basically said you know

53  
00:02:06,889 --> 00:02:05,159  
what's going on what is this and I was

54  
00:02:08,089 --> 00:02:06,899  
worried about the reporting process we

55  
00:02:10,669 --> 00:02:08,099  
dug into it for a number of years

56  
00:02:13,070 --> 00:02:10,679  
luckily they shot up Lumen flares so you

57  
00:02:14,750 --> 00:02:13,080  
can see the difference of what a lumen

58  
00:02:17,150 --> 00:02:14,760  
flare is and most flares they last

59  
00:02:19,490 --> 00:02:17,160  
within one minute to three minutes max

60  
00:02:21,530 --> 00:02:19,500  
this object or I'll say craft because

61  
00:02:25,030 --> 00:02:21,540  
you can see the body of it sat there

62  
00:02:27,290 --> 00:02:25,040  
from 10 some reports up to 25 minutes

63  
00:02:28,970 --> 00:02:27,300

unmoving so this is why I thought it was

64

00:02:30,830 --> 00:02:28,980

important bringing it out to the public

65

00:02:34,130 --> 00:02:30,840

trying to crowdsource and figure out

66

00:02:36,050 --> 00:02:34,140

this UAP it's just an unidentified the

67

00:02:37,729 --> 00:02:36,060

point is we're trying to identify

68

00:02:39,410 --> 00:02:37,739

and and we're trying to identify

69

00:02:41,509 --> 00:02:39,420

something that happened over a military

70

00:02:43,550 --> 00:02:41,519

base with a lot of military service

71

00:02:45,290 --> 00:02:43,560

members all around we reached out to the

72

00:02:46,970 --> 00:02:45,300

Pentagon I know the Marine that you

73

00:02:48,530 --> 00:02:46,980

spoke to said that they ruled out flares

74

00:02:51,110 --> 00:02:48,540

but the Pentagon tells us that there was

75

00:02:53,150 --> 00:02:51,120

an airspace uh tactics and instructor

76  
00:02:55,130 --> 00:02:53,160  
course happening around the same time

77  
00:02:56,750 --> 00:02:55,140  
and there's video of that training I

78  
00:02:58,850 --> 00:02:56,760  
think we have some of that video that

79  
00:03:00,650 --> 00:02:58,860  
has been Declassified you can see

80  
00:03:03,229 --> 00:03:00,660  
Choppers through night vision you can

81  
00:03:04,790 --> 00:03:03,239  
see Tracer fire you can see flares and

82  
00:03:07,910 --> 00:03:04,800  
then right at the end there are a couple

83  
00:03:10,009 --> 00:03:07,920  
of seconds uh showing something that's

84  
00:03:12,649 --> 00:03:10,019  
in it's kind of in a similar shape to

85  
00:03:14,630 --> 00:03:12,659  
that triangle do you think that that

86  
00:03:16,490 --> 00:03:14,640  
could be the same thing some of this

87  
00:03:19,309 --> 00:03:16,500  
exercise that you're seeing right here

88  
00:03:21,050 --> 00:03:19,319

those appear to be flares kind of in a

89

00:03:23,809 --> 00:03:21,060

triangle shape do you think that that

90

00:03:26,270 --> 00:03:23,819

could be what these marines saw yeah so

91

00:03:28,610 --> 00:03:26,280

that's the question is were these flares

92

00:03:30,830 --> 00:03:28,620

the problem is is the duration and all

93

00:03:34,130 --> 00:03:30,840

of the witnesses that saw the body of a

94

00:03:35,990 --> 00:03:34,140

triangular a triangular shaped craft so

95

00:03:37,610 --> 00:03:36,000

initially that was my thought but over

96

00:03:40,789 --> 00:03:37,620

for these years from working with people

97

00:03:42,050 --> 00:03:40,799

it they saw the craft itself the body of

98

00:03:44,270 --> 00:03:42,060

it and that's what you see in that low

99

00:03:47,390 --> 00:03:44,280

light video now I don't know it's a huge

100

00:03:49,430 --> 00:03:47,400

base it's almost a thousand miles wide

101  
00:03:51,350 --> 00:03:49,440  
so showing me a video we need to know if

102  
00:03:53,270 --> 00:03:51,360  
it identically matches up to the time

103  
00:03:55,970 --> 00:03:53,280  
look I'm trying to solve the case too

104  
00:03:59,030 --> 00:03:55,980  
but I can't discount the Marines that

105  
00:04:00,530 --> 00:03:59,040  
are telling me they saw the craft one of

106  
00:04:03,050 --> 00:04:00,540  
the interesting things about this case

107  
00:04:04,610 --> 00:04:03,060  
is so that is Declassified video that

108  
00:04:07,430 --> 00:04:04,620  
we're seeing right now of the training

109  
00:04:11,089 --> 00:04:07,440  
exercise the Pentagon says that they had

110  
00:04:15,770 --> 00:04:11,099  
no report of UAP activity and there is a

111  
00:04:17,569 --> 00:04:15,780  
a procedure now for uaps to be reported

112  
00:04:19,210 --> 00:04:17,579  
all the way up to the Pentagon they're

113  
00:04:21,229 --> 00:04:19,220

saying that there were no reports given

114

00:04:23,030 --> 00:04:21,239

is that what you're hearing from the

115

00:04:24,710 --> 00:04:23,040

Marines did they ever try to file a

116

00:04:26,030 --> 00:04:24,720

report with the government yeah so that

117

00:04:28,490 --> 00:04:26,040

was the problem we weren't getting

118

00:04:30,950 --> 00:04:28,500

information now we've seen that over and

119

00:04:32,990 --> 00:04:30,960

over and over remember the 2004 Tic Tac

120

00:04:36,530 --> 00:04:33,000

event that UFO event was during a

121

00:04:38,270 --> 00:04:36,540

training exercise the 2019 uap's during

122

00:04:41,390 --> 00:04:38,280

a training exercise there's always

123

00:04:42,469 --> 00:04:41,400

training going on there at that base so

124

00:04:44,030 --> 00:04:42,479

that's what we're trying to get is

125

00:04:46,490 --> 00:04:44,040

better transparency to move that

126

00:04:48,230 --> 00:04:46,500

information up and better reporting

127

00:04:49,730 --> 00:04:48,240

process people should not have to be

128

00:04:51,469 --> 00:04:49,740

calling journalists they should be

129

00:04:53,930 --> 00:04:51,479

reporting it through the normal chain of

130

00:04:56,270 --> 00:04:53,940

command but that is not happening now

131

00:04:58,129 --> 00:04:56,280

one other question I mean as soon as you

132

00:04:59,770 --> 00:04:58,139

posted that everyone was talking about

133

00:05:02,390 --> 00:04:59,780

the Phoenix Lights like one of the most

134

00:05:04,270 --> 00:05:02,400

well-documented UFO Mass sightings

135

00:05:06,890 --> 00:05:04,280

there's been

136

00:05:08,510 --> 00:05:06,900

what did you think when you saw this did

137

00:05:11,030 --> 00:05:08,520

you think Phoenix Lights as well well

138

00:05:13,909 --> 00:05:11,040

when you see that five section of lights

139

00:05:15,350 --> 00:05:13,919

that shows that there it appears to be a

140

00:05:17,570 --> 00:05:15,360

very similar visually to the Phoenix

141

00:05:19,070 --> 00:05:17,580

Lights but the size is about half the

142

00:05:20,810 --> 00:05:19,080

size of a football field when they could

143

00:05:22,730 --> 00:05:20,820

see the body of The Craft and that's

144

00:05:24,350 --> 00:05:22,740

what just keeps coming back at me I want

145

00:05:27,050 --> 00:05:24,360

to know the truth too I want to see

146

00:05:28,850 --> 00:05:27,060

proper reporting but that connection

147

00:05:30,830 --> 00:05:28,860

between an object in the sky with the

148

00:05:33,110 --> 00:05:30,840

Phoenix Lights is because of the body of

149

00:05:35,270 --> 00:05:33,120

the craft you can see it in the low

150

00:05:37,370 --> 00:05:35,280

light photo you can see it and that's

151  
00:05:39,350 --> 00:05:37,380  
what the witness tell me so I don't know

152  
00:05:41,390 --> 00:05:39,360  
man this is an unidentified that's UAP

153  
00:05:42,710 --> 00:05:41,400  
when you're reporting this stuff you

154  
00:05:44,450 --> 00:05:42,720  
just got to try to figure out what it is

155  
00:05:47,090 --> 00:05:44,460  
and I think the next number of days is

156  
00:05:48,770 --> 00:05:47,100  
really going to highlight how these

157  
00:05:50,090 --> 00:05:48,780  
types of Investigations work so you

158  
00:05:52,249 --> 00:05:50,100  
can't say what it is but you can't say

159  
00:05:54,050 --> 00:05:52,259  
what it is it is unidentified that is a

160  
00:05:56,150 --> 00:05:54,060  
UAP but let's find out together that's

161  
00:05:57,590 --> 00:05:56,160  
why we put it out asking the public and

162  
00:05:59,749 --> 00:05:57,600  
anybody else that was there to help fill
