

WEAPONIZED #19

MYSTERY IN THE MOJAVE CASE CLOSED?

1
00:00:04,970 --> 00:00:02,570
right now I think it's about the data

2
00:00:06,829 --> 00:00:04,980
and I want this information out and see

3
00:00:08,990 --> 00:00:06,839
what people can figure out and find out

4
00:00:11,570 --> 00:00:09,000
yeah folks out there let us know what

5
00:00:13,850 --> 00:00:11,580
you find out and if you file it for you

6
00:00:15,770 --> 00:00:13,860
and get a response let us know if you

7
00:00:17,510 --> 00:00:15,780
are on the base at that time two years

8
00:00:19,130 --> 00:00:17,520
ago today and have additional

9
00:00:20,630 --> 00:00:19,140
information we're all here

10
00:00:22,250 --> 00:00:20,640
[Music]

11
00:00:24,050 --> 00:00:22,260
those are not alone rounds because learn

12
00:00:25,370 --> 00:00:24,060
rounds fall no you can see like an

13
00:00:27,230 --> 00:00:25,380

outline or something

14

00:00:29,210 --> 00:00:27,240

of course I thought it was flares at

15

00:00:31,370 --> 00:00:29,220

first a bunch of Marines started coming

16

00:00:35,090 --> 00:00:31,380

to me I was able to find them within 36

17

00:00:38,330 --> 00:00:35,100

hours all the witnesses say they saw a

18

00:00:40,910 --> 00:00:38,340

huge triangular shape craft the Marines

19

00:00:43,610 --> 00:00:40,920

they insist they saw a crowd the

20

00:00:46,490 --> 00:00:43,620

internet has dismissed the Marines and

21

00:00:49,130 --> 00:00:46,500

saying this must be flares so the truth

22

00:00:51,290 --> 00:00:49,140

is in there somewhere is this case a UFO

23

00:00:53,389 --> 00:00:51,300

or is it flares and light this is an

24

00:00:54,830 --> 00:00:53,399

open case these are Specialists and

25

00:00:56,750 --> 00:00:54,840

that's why I'm taking this seriously is

26

00:00:58,430 --> 00:00:56,760

I'm not going to dismiss what the

27

00:01:00,350 --> 00:00:58,440

reports that come from the actual people

28

00:01:01,670 --> 00:01:00,360

on the ground are you getting interest

29

00:01:03,470 --> 00:01:01,680

are you getting people who are

30

00:01:04,789 --> 00:01:03,480

contacting you oh yeah I'm being blown

31

00:01:06,410 --> 00:01:04,799

up right now for more and more people

32

00:01:09,770 --> 00:01:06,420

that saw this and say they saw the body

33

00:01:15,410 --> 00:01:12,710

Secrets cover-ups and strange phenomena

34

00:01:18,469 --> 00:01:15,420

UFOs and ideas that challenge reality

35

00:01:20,090 --> 00:01:18,479

itself all these Mysteries all this time

36

00:01:22,670 --> 00:01:20,100

are we ever going to get to the bottom

37

00:01:25,190 --> 00:01:22,680

of these my name is George Knapp I dig

38

00:01:27,469 --> 00:01:25,200

into news stories that others can't or

39

00:01:29,149 --> 00:01:27,479

won't I'm Jeremy Corbell and for some

40

00:01:31,190 --> 00:01:29,159

reason people tell me things they

41

00:01:32,390 --> 00:01:31,200

probably shouldn't

42

00:01:33,430 --> 00:01:32,400

and this

43

00:01:38,109 --> 00:01:33,440

is weapons

44

00:01:40,730 --> 00:01:38,119

[Music]

45

00:01:43,010 --> 00:01:40,740

this is weaponized we're using a

46

00:01:45,490 --> 00:01:43,020

different format this week Jeremy I look

47

00:01:48,649 --> 00:01:45,500

better when there's no video

48

00:01:51,170 --> 00:01:48,659

that's great man you know you've been on

49

00:01:52,910 --> 00:01:51,180

camera more since we began the the

50

00:01:55,490 --> 00:01:52,920

weaponized podcast that I think in

51
00:01:57,410 --> 00:01:55,500
probably your entire career as far as

52
00:01:59,810 --> 00:01:57,420
hours wide it was is that fair to say

53
00:02:01,490 --> 00:01:59,820
yeah I am the only TV reporter in the

54
00:02:03,649 --> 00:02:01,500
country that doesn't like being on TV

55
00:02:05,690 --> 00:02:03,659
and the older I get the less I like it

56
00:02:07,670 --> 00:02:05,700
but here we are

57
00:02:09,229 --> 00:02:07,680
um so what's going on any news this week

58
00:02:12,050 --> 00:02:09,239
anything happening kind of quiet out

59
00:02:15,350 --> 00:02:12,060
there right or not oh yeah UFO Twitter

60
00:02:16,670 --> 00:02:15,360
is super quiet from what I hear

61
00:02:18,770 --> 00:02:16,680
um finally you know people are kind of

62
00:02:22,790 --> 00:02:18,780
like sending me stuff and you know I'm

63
00:02:25,010 --> 00:02:22,800

looking at it man people are pissed it's

64

00:02:27,890 --> 00:02:25,020

like on it just gotta speak you know

65

00:02:31,250 --> 00:02:27,900

freely right now you and I

66

00:02:33,470 --> 00:02:31,260

put out a case we couldn't resolve we

67

00:02:35,270 --> 00:02:33,480

were putting it out to get more video to

68

00:02:37,190 --> 00:02:35,280

get more photos without those videos and

69

00:02:39,530 --> 00:02:37,200

photos we wouldn't have anything we

70

00:02:42,650 --> 00:02:39,540

wouldn't have any way to look farther

71

00:02:45,589 --> 00:02:42,660

into this case but it was like a UFO

72

00:02:48,110 --> 00:02:45,599

crime to not have had a case completely

73

00:02:49,910 --> 00:02:48,120

solved but from my perspective well

74

00:02:50,930 --> 00:02:49,920

first of all it's not solved yet and I

75

00:02:53,270 --> 00:02:50,940

want to you know provide more

76

00:02:54,830 --> 00:02:53,280

information that we have here uh there

77

00:02:57,410 --> 00:02:54,840

are some great hypothesis that people

78

00:02:59,770 --> 00:02:57,420

have brought forward but we were putting

79

00:03:03,110 --> 00:02:59,780

this case out to get more information

80

00:03:05,390 --> 00:03:03,120

and that worked not only from the public

81

00:03:07,970 --> 00:03:05,400

but mainly for me for military

82

00:03:10,550 --> 00:03:07,980

individuals who are actually there

83

00:03:12,350 --> 00:03:10,560

uh so we'll recap a little bit for

84

00:03:14,570 --> 00:03:12,360

people who may not have heard last

85

00:03:16,490 --> 00:03:14,580

week's episode uh you know last week on

86

00:03:20,030 --> 00:03:16,500

weaponized we shared some information

87

00:03:23,149 --> 00:03:20,040

and provided to us by U.S Marines who

88

00:03:25,130 --> 00:03:23,159

were at the massive 29 Palms base for

89

00:03:28,250 --> 00:03:25,140

training exercises back in the spring of

90

00:03:30,110 --> 00:03:28,260

2021. the videos several videos were

91

00:03:32,570 --> 00:03:30,120

sent to us and some photos and the video

92

00:03:34,910 --> 00:03:32,580

show strange lights in the sky that

93

00:03:37,910 --> 00:03:34,920

hovered for approximately 10 minutes

94

00:03:39,770 --> 00:03:37,920

possibly much longer dozens of Marines

95

00:03:42,589 --> 00:03:39,780

saw it many of them recorded videos or

96

00:03:45,229 --> 00:03:42,599

took photos most of those who have

97

00:03:47,570 --> 00:03:45,239

spoken to us directly think it was

98

00:03:49,789 --> 00:03:47,580

strange it was out of the ordinary many

99

00:03:52,729 --> 00:03:49,799

say they thought they could make out the

100

00:03:55,309 --> 00:03:52,739

shape of a craft a solid object attached

101
00:03:58,250 --> 00:03:55,319
to lights triangular and shape and we

102
00:04:00,649 --> 00:03:58,260
you know what sold it for me that it was

103
00:04:02,690 --> 00:04:00,659
interesting is the photos taken with low

104
00:04:05,570 --> 00:04:02,700
light features that really do look like

105
00:04:07,550 --> 00:04:05,580
they substantiated triangular form you

106
00:04:09,530 --> 00:04:07,560
remember last week in that show where we

107
00:04:11,869 --> 00:04:09,540
declared our belief that this is an

108
00:04:13,550 --> 00:04:11,879
alien spaceship or an emissary from the

109
00:04:16,310 --> 00:04:13,560
planet conduct right was it you who said

110
00:04:19,189 --> 00:04:16,320
that oh yeah definitely if you rewind

111
00:04:21,050 --> 00:04:19,199
I'm definitely saying that we have a

112
00:04:23,570 --> 00:04:21,060
spaceship and everybody should get on

113
00:04:26,450 --> 00:04:23,580

board and go to Joe Rogan's Mothership

114

00:04:28,730 --> 00:04:26,460

and watch a comedy show now I I [h__h]

115

00:04:30,590 --> 00:04:28,740

didn't say that and I'm not I'm also not

116

00:04:32,210 --> 00:04:30,600

saying I know what it is what I'm saying

117

00:04:34,730 --> 00:04:32,220

is you got trained military individuals

118

00:04:37,370 --> 00:04:34,740

this should be a highly documented case

119

00:04:39,230 --> 00:04:37,380

other than just cell phone imagery so

120

00:04:42,110 --> 00:04:39,240

here you go time to investigate yeah

121

00:04:44,810 --> 00:04:42,120

let's see what comes out of it I I was

122

00:04:46,909 --> 00:04:44,820

very clear uh we and I agree with you

123

00:04:49,370 --> 00:04:46,919

this was something that we felt was

124

00:04:51,110 --> 00:04:49,380

worthy of investigation and we figured

125

00:04:53,450 --> 00:04:51,120

doing it this way we're going to get

126
00:04:54,770 --> 00:04:53,460
more information I don't think I could

127
00:04:57,890 --> 00:04:54,780
do it this way again because it's it's

128
00:05:01,129 --> 00:04:57,900
so exhausting because we got so many

129
00:05:03,050 --> 00:05:01,139
more people coming forward videos photos

130
00:05:05,749 --> 00:05:03,060
interviews that kind of thing so whether

131
00:05:08,450 --> 00:05:05,759
this is a prosaic case or not this is

132
00:05:10,790 --> 00:05:08,460
the kind of thing that we were expecting

133
00:05:14,030 --> 00:05:10,800
maybe Arrow or somebody would do is look

134
00:05:16,310 --> 00:05:14,040
into the experiences of military service

135
00:05:18,650 --> 00:05:16,320
people and try to do data analyst

136
00:05:21,409 --> 00:05:18,660
analyzation you know we don't have the

137
00:05:23,090 --> 00:05:21,419
full Hardware of our military so we have

138
00:05:26,270 --> 00:05:23,100

the media and we're trying to figure

139

00:05:30,290 --> 00:05:26,280

this out look I'm grateful for the

140

00:05:32,510 --> 00:05:30,300

public participation you know just in

141

00:05:34,909 --> 00:05:32,520

general obviously some people have

142

00:05:36,290 --> 00:05:34,919

agendas and I clearly saw that I mean

143

00:05:37,790 --> 00:05:36,300

there there are some there's some

144

00:05:39,650 --> 00:05:37,800

[h__h] things people are saying

145

00:05:41,870 --> 00:05:39,660

because they love to kind of attack

146

00:05:44,270 --> 00:05:41,880

really honestly they like to attack us

147

00:05:46,090 --> 00:05:44,280

and and that's cool that's fine with me

148

00:05:49,430 --> 00:05:46,100

there's a lot of great public

149

00:05:51,230 --> 00:05:49,440

participation but mainly again the

150

00:05:52,790 --> 00:05:51,240

Marines and the way that that started

151
00:05:54,290 --> 00:05:52,800
spreading the word hey you really can

152
00:05:55,670 --> 00:05:54,300
talk to this guy

153
00:05:57,770 --> 00:05:55,680
um George and Jeremy want to really find

154
00:05:59,570 --> 00:05:57,780
out the truth for us that was really

155
00:06:01,909 --> 00:05:59,580
positive so far now we haven't gotten to

156
00:06:04,550 --> 00:06:01,919
that point where I am satisfied and I

157
00:06:07,430 --> 00:06:04,560
don't think you are either on what the

158
00:06:09,170 --> 00:06:07,440
absolute truth is about this but you

159
00:06:11,870 --> 00:06:09,180
know we can go through that today but

160
00:06:14,930 --> 00:06:11,880
here's the basics uh the basics are that

161
00:06:17,810 --> 00:06:14,940
the the Marines have been saying that

162
00:06:19,670 --> 00:06:17,820
they believe they saw a craft that it

163
00:06:21,469 --> 00:06:19,680

was not indicative of what anything

164

00:06:23,990 --> 00:06:21,479

they've seen before and they had some

165

00:06:27,770 --> 00:06:24,000

pretty compelling uh ways to describe

166

00:06:30,170 --> 00:06:27,780

that you know the internet says oh case

167

00:06:31,550 --> 00:06:30,180

closed it was flares because there is

168

00:06:32,390 --> 00:06:31,560

dissent but there's a few things we'll

169

00:06:35,390 --> 00:06:32,400

go over

170

00:06:38,029 --> 00:06:35,400

and that is not how I feel I feel like

171

00:06:39,650 --> 00:06:38,039

let's let's find out let's go deeper and

172

00:06:42,170 --> 00:06:39,660

let's show you I just want to show you

173

00:06:44,749 --> 00:06:42,180

everything that was said to you and me

174

00:06:46,249 --> 00:06:44,759

before we dive into specifics I I want

175

00:06:47,809 --> 00:06:46,259

to touch on something you mentioned in

176

00:06:50,390 --> 00:06:47,819

passing there a minute or so ago you

177

00:06:52,249 --> 00:06:50,400

know we've we've released images a bunch

178

00:06:55,189 --> 00:06:52,259

of times now both on weaponized and

179

00:06:57,770 --> 00:06:55,199

other kinds of platforms klas TV and we

180

00:06:59,330 --> 00:06:57,780

kind of become Adept at gaming it out we

181

00:07:01,610 --> 00:06:59,340

we know how it's going to play out in

182

00:07:03,230 --> 00:07:01,620

UFO world and this time we decided to

183

00:07:05,689 --> 00:07:03,240

sort of use that to for our own benefit

184

00:07:07,730 --> 00:07:05,699

we always know that uh you know the one

185

00:07:09,409 --> 00:07:07,740

guy is going to automatically quickly

186

00:07:11,210 --> 00:07:09,419

come up with an alternate explanation

187

00:07:12,830 --> 00:07:11,220

anything that sticks and we know that

188

00:07:15,110 --> 00:07:12,840

there's another guy who will go running

189

00:07:17,150 --> 00:07:15,120

to Mom at the Pentagon and get her to

190

00:07:18,590 --> 00:07:17,160

issue a statement that debunks the whole

191

00:07:20,450 --> 00:07:18,600

thing sort of

192

00:07:23,210 --> 00:07:20,460

um you know we know that a lot of people

193

00:07:25,070 --> 00:07:23,220

will pound their chest and and uh get

194

00:07:26,809 --> 00:07:25,080

all over our cases but this time we

195

00:07:29,629 --> 00:07:26,819

figured we could make use of that

196

00:07:31,610 --> 00:07:29,639

inevitable sequence of events and to

197

00:07:34,249 --> 00:07:31,620

rely on debunkers in essence to help

198

00:07:37,430 --> 00:07:34,259

spread the word far and wide debunk to

199

00:07:39,110 --> 00:07:37,440

your heart's content in doing so we have

200

00:07:41,150 --> 00:07:39,120

finally been able to hear from people

201

00:07:43,070 --> 00:07:41,160

that we were not able to hear from

202

00:07:45,050 --> 00:07:43,080

before we had we we had worked on this

203

00:07:47,809 --> 00:07:45,060

for two years and that's not working

204

00:07:49,969 --> 00:07:47,819

every single day on one case it's over a

205

00:07:51,950 --> 00:07:49,979

period of time talking to Witnesses see

206

00:07:53,689 --> 00:07:51,960

if we can find more people to send us

207

00:07:55,850 --> 00:07:53,699

information to give us interviews

208

00:07:57,830 --> 00:07:55,860

statements on and off the Record and

209

00:08:00,290 --> 00:07:57,840

also to send more videos and photos so

210

00:08:02,029 --> 00:08:00,300

we can get a definitive uh answer about

211

00:08:03,650 --> 00:08:02,039

what this thing might have been so in

212

00:08:05,689 --> 00:08:03,660

this time it worked as you said we got a

213

00:08:07,309 --> 00:08:05,699

lot of information

214

00:08:09,469 --> 00:08:07,319

um we we got a lot of folks to come

215

00:08:11,749 --> 00:08:09,479

forward some of them we've already heard

216

00:08:13,490 --> 00:08:11,759

from last week some we're going to hear

217

00:08:16,790 --> 00:08:13,500

from today for the first time

218

00:08:19,430 --> 00:08:16,800

yeah so like the the Mojave triangle UAP

219

00:08:22,430 --> 00:08:19,440

you know so it's like just unidentified

220

00:08:25,309 --> 00:08:22,440

you know at first if you remember George

221

00:08:27,409 --> 00:08:25,319

it's like you know we get one image well

222

00:08:30,170 --> 00:08:27,419

that that's not enough to go off of so

223

00:08:31,850 --> 00:08:30,180

it it took those years to start calling

224

00:08:34,730 --> 00:08:31,860

around and getting people that could

225

00:08:37,310 --> 00:08:34,740

retrieve that footage and give it to us

226

00:08:39,290 --> 00:08:37,320

and go on record and so then having

227

00:08:41,630 --> 00:08:39,300

those multiple angles look the debunkers

228

00:08:43,790 --> 00:08:41,640

would have nothing to do if I didn't get

229

00:08:46,250 --> 00:08:43,800

all of these multiple multiple videos

230

00:08:48,949 --> 00:08:46,260

and images so it's kind of interesting

231

00:08:51,350 --> 00:08:48,959

to me but I want to stay positive about

232

00:08:54,829 --> 00:08:51,360

it like I'm I am grateful

233

00:08:58,610 --> 00:08:54,839

or the genuine analysis and interest and

234

00:08:59,930 --> 00:08:58,620

there is power in crowdsourcing but for

235

00:09:02,870 --> 00:08:59,940

me it was kind of like you know

236

00:09:05,449 --> 00:09:02,880

selfishly I I also wanted to kind of

237

00:09:07,910 --> 00:09:05,459

make inroads to get a deeper Story the

238

00:09:10,730 --> 00:09:07,920

deeper story here what is it that we're

239

00:09:14,570 --> 00:09:10,740

seeing with with the Mojave UAP you know

240

00:09:16,610 --> 00:09:14,580

is this just flares or did the Marines

241

00:09:17,449 --> 00:09:16,620

really see something you know that they

242

00:09:21,829 --> 00:09:17,459

believe

243

00:09:23,750 --> 00:09:21,839

hear from them everybody that went on

244

00:09:26,870 --> 00:09:23,760

record with me believes that they they

245

00:09:29,150 --> 00:09:26,880

saw a craft or that's what they they're

246

00:09:30,230 --> 00:09:29,160

that's where they are now and I'm going

247

00:09:31,550 --> 00:09:30,240

over some of the evidence with them

248

00:09:33,829 --> 00:09:31,560

trying to trying to figure that out but

249

00:09:36,170 --> 00:09:33,839

so check it out let's talk about real

250

00:09:38,750 --> 00:09:36,180

quick some of the accusations against

251

00:09:41,329 --> 00:09:38,760

this because it's so sad if you put

252

00:09:43,850 --> 00:09:41,339

something out and and people create fake

253

00:09:46,430 --> 00:09:43,860

accusations then it kind of makes it

254

00:09:48,530 --> 00:09:46,440

difficult to to bring out UFO cases that

255

00:09:49,850 --> 00:09:48,540

we want better studied in the future so

256

00:09:52,430 --> 00:09:49,860

let's let's go through them so George

257

00:09:54,110 --> 00:09:52,440

first of all one of there's like four

258

00:09:56,570 --> 00:09:54,120

major accusations that we hid

259

00:09:59,810 --> 00:09:56,580

information that there was a training

260

00:10:01,790 --> 00:09:59,820

exercise out at the base during the time

261

00:10:04,190 --> 00:10:01,800

that these marines were there training

262

00:10:06,050 --> 00:10:04,200

what do you think about that well that's

263

00:10:08,690 --> 00:10:06,060

probably the biggest surprise for me is

264

00:10:10,310 --> 00:10:08,700

that reaction to the Mojave triangle the

265

00:10:12,170 --> 00:10:10,320

allegation that we somehow tried to pull

266

00:10:14,389 --> 00:10:12,180

a fast one I mean we hid the fact that

267

00:10:16,490 --> 00:10:14,399

they train at this base and they blow up

268

00:10:18,590 --> 00:10:16,500

players and why did you do that Jeremy I

269

00:10:20,870 --> 00:10:18,600

mean there's this mess a base it's a

270

00:10:23,030 --> 00:10:20,880

thousand square miles uh it's gigantic

271

00:10:25,550 --> 00:10:23,040

they train all over the place that is

272

00:10:27,530 --> 00:10:25,560

the base was created to do training blow

273

00:10:29,630 --> 00:10:27,540

stuff up shoot off flares and mortars

274

00:10:32,630 --> 00:10:29,640

and artillery pieces they train there

275

00:10:35,030 --> 00:10:32,640

every single day the Marines we spoke to

276

00:10:36,889 --> 00:10:35,040

were there for training they told us you

277

00:10:38,930 --> 00:10:36,899

know do they think we're going to hide

278

00:10:41,150 --> 00:10:38,940

this by the way there's there's gambling

279

00:10:42,170 --> 00:10:41,160

in Las Vegas and McDonald's serves

280

00:10:45,170 --> 00:10:42,180

burgers

281

00:10:47,389 --> 00:10:45,180

that's right and look you know I'll tell

282

00:10:49,850 --> 00:10:47,399

you I mean living out in Pioneer town

283

00:10:53,269 --> 00:10:49,860

you know which is right by 29 Palms you

284

00:10:56,389 --> 00:10:53,279

hear those bombs you feel bombs going up

285

00:10:58,190 --> 00:10:56,399

there are trainings all the time there's

286

00:11:00,590 --> 00:10:58,200

trainings every day whenever there are

287

00:11:02,210 --> 00:11:00,600

Marines there there's trainings and so

288

00:11:03,650 --> 00:11:02,220

yeah that was really strange to me I

289

00:11:05,569 --> 00:11:03,660

think that was more of like a personal

290

00:11:07,069 --> 00:11:05,579

attack to try to you know go at people's

291

00:11:08,449 --> 00:11:07,079

credibility reporting the news than

292

00:11:10,490 --> 00:11:08,459

anything else

293

00:11:12,170 --> 00:11:10,500

um it's ridiculous if you talk to any of

294

00:11:13,910 --> 00:11:12,180

the Marines there which I did and you'll

295

00:11:17,090 --> 00:11:13,920

hear from some of them there are

296

00:11:19,490 --> 00:11:17,100

trainings all the time they see flares

297

00:11:21,949 --> 00:11:19,500

all the time they do live ordinance

298

00:11:24,949 --> 00:11:21,959

training all the time so I think

299

00:11:26,269 --> 00:11:24,959

honestly that's just a try to a personal

300

00:11:27,710 --> 00:11:26,279

dig to try to get at people's

301
00:11:29,930 --> 00:11:27,720
credibility

302
00:11:31,430 --> 00:11:29,940
um our job is is to report the news and

303
00:11:33,470 --> 00:11:31,440
to get information out there and if we

304
00:11:35,449 --> 00:11:33,480
learn new stuff we'll report on that I

305
00:11:37,430 --> 00:11:35,459
know that when we first saw those videos

306
00:11:38,990 --> 00:11:37,440
the First videos we thought that could

307
00:11:41,449 --> 00:11:39,000
be flares I mean we both thought that

308
00:11:43,190 --> 00:11:41,459
and you know and now we know that there

309
00:11:45,889 --> 00:11:43,200
was video post listed by the Department

310
00:11:47,870 --> 00:11:45,899
of Defense on the same date that shows

311
00:11:51,110 --> 00:11:47,880
an array of supposed flares that looks

312
00:11:52,910 --> 00:11:51,120
very similar to this configuration I

313
00:11:54,710 --> 00:11:52,920

think that that is a valid point to be

314

00:11:56,750 --> 00:11:54,720

raised but look I don't think it's

315

00:11:58,730 --> 00:11:56,760

definitive regardless of what the

316

00:12:00,949 --> 00:11:58,740

critics have said because we don't know

317

00:12:03,110 --> 00:12:00,959

a whole lot about that that video clip

318

00:12:04,970 --> 00:12:03,120

do we right yeah that's interesting

319

00:12:07,610 --> 00:12:04,980

let's dig into that for a second so I

320

00:12:09,230 --> 00:12:07,620

and a lot of this is in real time you

321

00:12:10,790 --> 00:12:09,240

know kind of new to me I don't read

322

00:12:12,889 --> 00:12:10,800

social media but now I've kind of been

323

00:12:15,650 --> 00:12:12,899

informed about it I see it that's cool

324

00:12:18,230 --> 00:12:15,660

so there is a training video that is up

325

00:12:20,509 --> 00:12:18,240

on a military website and it shows a

326

00:12:25,310 --> 00:12:20,519

compilation of footage and it was filmed

327

00:12:27,290 --> 00:12:25,320

at uh I think it was range 210 and on

328

00:12:28,670 --> 00:12:27,300

the 20th there was a training exercise

329

00:12:31,850 --> 00:12:28,680

like there is a bunch of training

330

00:12:33,410 --> 00:12:31,860

exercises and it did show five lights

331

00:12:35,210 --> 00:12:33,420

that are you know kind of in

332

00:12:37,069 --> 00:12:35,220

configuration from flares but it's it's

333

00:12:40,569 --> 00:12:37,079

an infrared and you can see a lot of the

334

00:12:44,449 --> 00:12:40,579

smoke coming off however there's

335

00:12:46,250 --> 00:12:44,459

mishmashes of footage on other dates so

336

00:12:48,230 --> 00:12:46,260

where the only way we could prove that

337

00:12:49,190 --> 00:12:48,240

that is what the Marines saw and look

338

00:12:50,569 --> 00:12:49,200

they would they would love to know

339

00:12:53,329 --> 00:12:50,579

Marines are Straight Shooters no

340

00:12:55,069 --> 00:12:53,339

[h__\h] they'd love to know if if what

341

00:12:58,970 --> 00:12:55,079

they saw was some sort of mass

342

00:13:01,790 --> 00:12:58,980

hallucination so what what we need to do

343

00:13:04,250 --> 00:13:01,800

is get that exact

344

00:13:06,350 --> 00:13:04,260

location and make sure that's correct

345

00:13:08,509 --> 00:13:06,360

and then get the metadata and if it go

346

00:13:10,250 --> 00:13:08,519

if those things were up in the air at

347

00:13:13,670 --> 00:13:10,260

the right orientation at the exact time

348

00:13:15,470 --> 00:13:13,680

Case Closed super cool but we but we

349

00:13:17,030 --> 00:13:15,480

don't have that information so we have

350

00:13:18,530 --> 00:13:17,040

to get that and there's a few ways that

351
00:13:19,790 --> 00:13:18,540
we are you and I are going to be able to

352
00:13:20,990 --> 00:13:19,800
get that

353
00:13:22,670 --> 00:13:21,000
um are we going to mention something

354
00:13:24,710 --> 00:13:22,680
about when that video was actually

355
00:13:27,050 --> 00:13:24,720
recorded because it's because it was

356
00:13:28,730 --> 00:13:27,060
posted on the same date people assumed

357
00:13:30,889 --> 00:13:28,740
that it was shot on the same date and

358
00:13:33,050 --> 00:13:30,899
it's the same object do we know much

359
00:13:35,629 --> 00:13:33,060
more about that well it was actually I

360
00:13:37,730 --> 00:13:35,639
think it was posted on the 23rd and it

361
00:13:40,610 --> 00:13:37,740
was talking about an exercise they did

362
00:13:42,230 --> 00:13:40,620
at range 210 on the 20th which would

363
00:13:44,329 --> 00:13:42,240

have been the same night as the

364

00:13:46,310 --> 00:13:44,339

sightings the thing is is we don't know

365

00:13:49,069 --> 00:13:46,320

for sure and and if that's the answer

366

00:13:51,710 --> 00:13:49,079

you know if that is the answer that's

367

00:13:54,829 --> 00:13:51,720

great the only issue I have is that I

368

00:13:56,629 --> 00:13:54,839

did a quick look at range 210 a buddy of

369

00:13:58,250 --> 00:13:56,639

mine named Michael who's super cool kind

370

00:13:59,930 --> 00:13:58,260

of tipped me off on how I could look at

371

00:14:05,090 --> 00:13:59,940

this better

372

00:14:08,389 --> 00:14:05,100

anyway it's 18 miles away so if the

373

00:14:10,790 --> 00:14:08,399

range that had these exercises it's a

374

00:14:14,030 --> 00:14:10,800

little fake town they have there it was

375

00:14:17,150 --> 00:14:14,040

18 miles away so my question is these

376

00:14:19,190 --> 00:14:17,160

marines the the closest that or the

377

00:14:22,550 --> 00:14:19,200

farthest sorry that they said it could

378

00:14:25,009 --> 00:14:22,560

have been was like four to six months I

379

00:14:26,569 --> 00:14:25,019

said like give me the absolute farthest

380

00:14:28,250 --> 00:14:26,579

when you see this thing that looks like

381

00:14:31,550 --> 00:14:28,260

it's got a body of a crap how far could

382

00:14:33,050 --> 00:14:31,560

it be and it was much much uh closer

383

00:14:35,449 --> 00:14:33,060

than what they're saying but again maybe

384

00:14:37,910 --> 00:14:35,459

it's an optical thing George I just

385

00:14:40,490 --> 00:14:37,920

don't know and the whole point is is you

386

00:14:43,310 --> 00:14:40,500

and I we as we get information we report

387

00:14:46,009 --> 00:14:43,320

it but we don't parrot stuff when it's

388

00:14:47,629 --> 00:14:46,019

just weakly analyzed right you have to

389

00:14:49,790 --> 00:14:47,639

know for sure and that's what we're

390

00:14:51,110 --> 00:14:49,800

trying to do so that was a good one that

391

00:14:52,850 --> 00:14:51,120

was a good one

392

00:14:55,430 --> 00:14:52,860

um there was questions about the number

393

00:14:57,050 --> 00:14:55,440

of witnesses that we've talked to uh how

394

00:14:59,329 --> 00:14:57,060

do we come up with the figure of perhaps

395

00:15:02,629 --> 00:14:59,339

80 Marines witness this thing

396

00:15:04,730 --> 00:15:02,639

uh well yeah we know that for sure so so

397

00:15:07,970 --> 00:15:04,740

over okay you're asking me rhetorically

398

00:15:10,250 --> 00:15:07,980

or something okay so check it out

399

00:15:12,590 --> 00:15:10,260

um so at Camp Wilson there were 50 plus

400

00:15:15,170 --> 00:15:12,600

I have talked to so many of the people

401
00:15:18,290 --> 00:15:15,180
that are there and some of them have

402
00:15:20,030 --> 00:15:18,300
gone on record uh very you know it's

403
00:15:22,009 --> 00:15:20,040
hard a lot of people don't if they're

404
00:15:23,810 --> 00:15:22,019
still active or they've got super

405
00:15:25,009 --> 00:15:23,820
serious jobs they don't they don't want

406
00:15:27,230 --> 00:15:25,019
to be they just want to know the truth

407
00:15:30,170 --> 00:15:27,240
they don't want to be in the media so

408
00:15:32,030 --> 00:15:30,180
from all accounts and because of who is

409
00:15:34,069 --> 00:15:32,040
deployed there or deployed who is

410
00:15:36,710 --> 00:15:34,079
training there at Camp Wilson alone is

411
00:15:39,410 --> 00:15:36,720
50 plus that we're watching this and

412
00:15:41,810 --> 00:15:39,420
then you have the whole response that

413
00:15:45,769 --> 00:15:41,820

happened after this so you know they say

414

00:15:47,990 --> 00:15:45,779

about 50 to 60 five ton carriers which

415

00:15:50,509 --> 00:15:48,000

carry multiple Marines and then also

416

00:15:53,269 --> 00:15:50,519

Humvees and then you have helicopters

417

00:15:57,050 --> 00:15:53,279

and you have planes just tearing trying

418

00:15:59,090 --> 00:15:57,060

what they say is like trying to see what

419

00:16:01,490 --> 00:15:59,100

was going on what that was what was

420

00:16:03,769 --> 00:16:01,500

there there were two more kind of

421

00:16:06,170 --> 00:16:03,779

criticisms George that that I my mom

422

00:16:08,689 --> 00:16:06,180

reads UFO Twitter and sends me really

423

00:16:10,370 --> 00:16:08,699

mean stuff that people say right so

424

00:16:12,290 --> 00:16:10,380

check this out

425

00:16:15,350 --> 00:16:12,300

people said

426

00:16:18,350 --> 00:16:15,360

um like well they never debunk cases can

427

00:16:21,170 --> 00:16:18,360

you tell me George what your daily life

428

00:16:24,170 --> 00:16:21,180

has been like for the last 35 years as

429

00:16:26,810 --> 00:16:24,180

the go-to guy for news reporting do you

430

00:16:28,310 --> 00:16:26,820

ever debunk UFO cases George

431

00:16:30,650 --> 00:16:28,320

um every single day

432

00:16:32,930 --> 00:16:30,660

uh we don't put out cases that we don't

433

00:16:34,970 --> 00:16:32,940

think are legitimate or have at least a

434

00:16:38,990 --> 00:16:34,980

question mark around them I get videos

435

00:16:40,970 --> 00:16:39,000

sent to me every single day uh lights in

436

00:16:43,069 --> 00:16:40,980

a sea of Inky Blackness kind of a thing

437

00:16:45,230 --> 00:16:43,079

something they saw in the backyard uh

438

00:16:47,689 --> 00:16:45,240

videos of strange objects things that

439

00:16:50,449 --> 00:16:47,699

move really fast and every single day I

440

00:16:52,310 --> 00:16:50,459

try to respond to those and often it is

441

00:16:55,009 --> 00:16:52,320

to explain to people why I don't think

442

00:16:56,449 --> 00:16:55,019

it's a legitimate unknown and they don't

443

00:16:58,730 --> 00:16:56,459

like it very much when you tell them

444

00:17:00,590 --> 00:16:58,740

that I try to find a way to gently tell

445

00:17:04,490 --> 00:17:00,600

them that their million dollar UFO video

446

00:17:07,069 --> 00:17:04,500

is has a prosaic explanation we've had

447

00:17:09,350 --> 00:17:07,079

videos said to you and I both of us that

448

00:17:11,809 --> 00:17:09,360

uh show and by some pretty credible

449

00:17:14,210 --> 00:17:11,819

people that show bugs flying towards a

450

00:17:16,549 --> 00:17:14,220

camera or they show planes or they show

451

00:17:18,770 --> 00:17:16,559

clouds or things of that sort prosaic

452

00:17:22,669 --> 00:17:18,780

objects I mean the starting point in

453

00:17:24,770 --> 00:17:22,679

ufology is 90 to 95 of all cases are

454

00:17:27,409 --> 00:17:24,780

explainable if you dig into them enough

455

00:17:29,030 --> 00:17:27,419

and this one might be too but we do bug

456

00:17:30,830 --> 00:17:29,040

stuff every day we just just don't put

457

00:17:33,049 --> 00:17:30,840

it out for people to take a look at it

458

00:17:34,850 --> 00:17:33,059

it's why we thought this is a legitimate

459

00:17:36,529 --> 00:17:34,860

mystery because of the credibility of

460

00:17:38,270 --> 00:17:36,539

the witnesses and because of the videos

461

00:17:41,029 --> 00:17:38,280

and the and the photos that went along

462

00:17:44,330 --> 00:17:41,039

yeah so I I will use a different word I

463

00:17:46,669 --> 00:17:44,340

don't debunk cases every day I try to

464

00:17:48,770 --> 00:17:46,679

provide information so people use that

465

00:17:51,529 --> 00:17:48,780

word it's so crazy right

466

00:17:54,650 --> 00:17:51,539

um I mean I have copy paste emails for

467

00:17:56,870 --> 00:17:54,660

starlink so when I when I get it every

468

00:17:59,570 --> 00:17:56,880

time Starling goes up bam I get a bunch

469

00:18:02,090 --> 00:17:59,580

of emails with videos and you know I try

470

00:18:03,890 --> 00:18:02,100

to write it personally but I just I've

471

00:18:05,630 --> 00:18:03,900

got this paragraph always put in be like

472

00:18:08,049 --> 00:18:05,640

you know keep your eyes to the skies if

473

00:18:10,490 --> 00:18:08,059

if you're shamed about reporting in

474

00:18:12,289 --> 00:18:10,500

anomalous things then we're never going

475

00:18:15,230 --> 00:18:12,299

to get any real cases which we know

476

00:18:17,750 --> 00:18:15,240

there are so I'm with you I think that

477

00:18:20,270 --> 00:18:17,760

people who've made comments like that

478

00:18:23,810 --> 00:18:20,280

they don't really understand what it's

479

00:18:26,270 --> 00:18:23,820

like to to see the casino style Vegas

480

00:18:29,690 --> 00:18:26,280

slot machine that we call our emails

481

00:18:32,810 --> 00:18:29,700

where it's just chaos constant cases

482

00:18:35,270 --> 00:18:32,820

coming in and every damn day I try to

483

00:18:37,730 --> 00:18:35,280

provide at least a few emails that try

484

00:18:39,110 --> 00:18:37,740

to provide some information of why I

485

00:18:41,510 --> 00:18:39,120

think something is anomalous or not

486

00:18:43,789 --> 00:18:41,520

anomalous and again if I can't figure it

487

00:18:45,710 --> 00:18:43,799

out myself that's when we start trying

488

00:18:48,730 --> 00:18:45,720

to reach out to other people now good

489

00:18:52,549 --> 00:18:48,740

cases have multiple angles of video and

490

00:18:56,270 --> 00:18:52,559

testimony and data we didn't have that

491

00:18:58,549 --> 00:18:56,280

for so long with the Mojave UAP case so

492

00:19:00,830 --> 00:18:58,559

we had enough at that point that we

493

00:19:03,409 --> 00:19:00,840

could at least start getting it out and

494

00:19:07,010 --> 00:19:03,419

pushing it but yeah man I think that the

495

00:19:09,890 --> 00:19:07,020

day in the life of the UFO reporter or

496

00:19:12,950 --> 00:19:09,900

journalist or investigator might be less

497

00:19:15,470 --> 00:19:12,960

glamorous or fun than people think you

498

00:19:19,190 --> 00:19:15,480

take a lot of heat

499

00:19:22,010 --> 00:19:19,200

um in this case so we have dozens of U.S

500

00:19:24,350 --> 00:19:22,020

Marines who have familiarity with flares

501
00:19:26,510 --> 00:19:24,360
uh a lot of them some of them who talk

502
00:19:28,190 --> 00:19:26,520
to us that's their primary job they

503
00:19:30,830 --> 00:19:28,200
shoot stuff up in the sky including

504
00:19:32,510 --> 00:19:30,840
flares they're not just a you know a

505
00:19:34,669 --> 00:19:32,520
casual Observer driving by on the

506
00:19:37,190 --> 00:19:34,679
freeway it's their job you know in this

507
00:19:38,750 --> 00:19:37,200
case I I've seen people argue well

508
00:19:40,250 --> 00:19:38,760
they're not really trained observers

509
00:19:42,409 --> 00:19:40,260
well they are trained and in this case

510
00:19:44,750 --> 00:19:42,419
they were observers and they do have

511
00:19:46,909 --> 00:19:44,760
familiarity with the technology that was

512
00:19:48,169 --> 00:19:46,919
being displayed if those are flares you

513
00:19:50,090 --> 00:19:48,179

would think these guys would know their

514

00:19:52,130 --> 00:19:50,100

flares they see flares pretty much every

515

00:19:54,650 --> 00:19:52,140

day especially when they're on training

516

00:19:57,590 --> 00:19:54,660

exercises at the biggest Marine training

517

00:20:00,049 --> 00:19:57,600

base in the world oh totally and I think

518

00:20:02,570 --> 00:20:00,059

that the range of knowledge as an

519

00:20:03,830 --> 00:20:02,580

observer you know it even varies within

520

00:20:05,990 --> 00:20:03,840

the Marines I mean you have some people

521

00:20:09,049 --> 00:20:06,000

that are more trained and less trained

522

00:20:11,090 --> 00:20:09,059

but absolutely you know number of the

523

00:20:13,430 --> 00:20:11,100

people that I've spoken with were

524

00:20:16,190 --> 00:20:13,440

adamant that this was not something

525

00:20:19,250 --> 00:20:16,200

typical that I under they understand the

526

00:20:21,890 --> 00:20:19,260

arguments but what they saw and

527

00:20:24,350 --> 00:20:21,900

experienced was not what you know the

528

00:20:26,270 --> 00:20:24,360

some of the population is kind of

529

00:20:28,669 --> 00:20:26,280

writing it off as so I want to hear them

530

00:20:31,250 --> 00:20:28,679

out but first just let's really talk

531

00:20:34,190 --> 00:20:31,260

about the three points that you know do

532

00:20:36,529 --> 00:20:34,200

support a flare hypothesis

533

00:20:39,590 --> 00:20:36,539

um discontinuous arrangement of Lights

534

00:20:41,450 --> 00:20:39,600

the idea that they're not stuck to like

535

00:20:44,150 --> 00:20:41,460

the body of something that you can see

536

00:20:47,210 --> 00:20:44,160

movement over time and you know with

537

00:20:50,029 --> 00:20:47,220

with a bunch of the videos I do see some

538

00:20:51,590 --> 00:20:50,039

change in the orientation I don't know

539

00:20:53,270 --> 00:20:51,600

everything to make of that but I want to

540

00:20:54,650 --> 00:20:53,280

acknowledge that as something that that

541

00:20:56,870 --> 00:20:54,660

we're looking into and other people

542

00:21:01,130 --> 00:20:56,880

should continue looking into

543

00:21:03,289 --> 00:21:01,140

um The Descent so all all of the Marines

544

00:21:04,730 --> 00:21:03,299

that I've spoken with and Marines are

545

00:21:06,110 --> 00:21:04,740

Straight Shooters like they just want to

546

00:21:07,730 --> 00:21:06,120

know the truth too no matter what they

547

00:21:10,549 --> 00:21:07,740

think they saw they want to know the

548

00:21:12,470 --> 00:21:10,559

truth you know the majority of them said

549

00:21:16,190 --> 00:21:12,480

it just hovered

550

00:21:18,590 --> 00:21:16,200

just hovered there now some would say no

551
00:21:20,630 --> 00:21:18,600
I could see a slow maybe a slow movement

552
00:21:22,850 --> 00:21:20,640
but the majority is that they were

553
00:21:25,370 --> 00:21:22,860
stationary but I did see compelling

554
00:21:27,049 --> 00:21:25,380
evidence that there was some dissent so

555
00:21:30,230 --> 00:21:27,059
that does lead me to look towards the

556
00:21:31,870 --> 00:21:30,240
flare hypothesis as being proper and um

557
00:21:34,010 --> 00:21:31,880
then you mentioned that the green lights

558
00:21:37,070 --> 00:21:34,020
video which is really the least

559
00:21:38,870 --> 00:21:37,080
compelling to me because we have no time

560
00:21:40,909 --> 00:21:38,880
stamp and no date stamping but that

561
00:21:42,710 --> 00:21:40,919
would solve it but no no one solved it

562
00:21:45,610 --> 00:21:42,720
yet so I just want to acknowledge those

563
00:21:47,930 --> 00:21:45,620

George and um now I want to get into

564

00:21:50,029 --> 00:21:47,940

what people actually said who are there

565

00:21:52,010 --> 00:21:50,039

though and I think we should play a clip

566

00:21:54,169 --> 00:21:52,020

and talk about some some of the things

567

00:21:56,090 --> 00:21:54,179

that they are knowledgeable about and

568

00:21:58,010 --> 00:21:56,100

what they experienced but just before we

569

00:21:59,810 --> 00:21:58,020

hear from these additional Witnesses I

570

00:22:02,090 --> 00:21:59,820

should point out a little bit further

571

00:22:03,950 --> 00:22:02,100

about what our game plan was for this we

572

00:22:06,529 --> 00:22:03,960

wanted to release these videos these

573

00:22:08,750 --> 00:22:06,539

images in hopes that other sources would

574

00:22:13,070 --> 00:22:08,760

come forward other Marines knowing how

575

00:22:14,870 --> 00:22:13,080

UFO World works we expected some bunking

576

00:22:16,789 --> 00:22:14,880

we expected some attacks on The

577

00:22:18,350 --> 00:22:16,799

credibility of the witnesses maybe on

578

00:22:21,470 --> 00:22:18,360

the Integrity of the Marines themselves

579

00:22:23,750 --> 00:22:21,480

in order to get them motivated to get

580

00:22:25,490 --> 00:22:23,760

the attention of other Marines who were

581

00:22:26,990 --> 00:22:25,500

not talking to us who had not come

582

00:22:29,090 --> 00:22:27,000

forward who might have additional

583

00:22:30,830 --> 00:22:29,100

information for example the guys who

584

00:22:32,690 --> 00:22:30,840

shot the extra flares that came

585

00:22:36,169 --> 00:22:32,700

afterward we wanted to talk to those

586

00:22:38,029 --> 00:22:36,179

guys yeah fact um I mean you you said

587

00:22:40,070 --> 00:22:38,039

that I said that in the first episode in

588

00:22:42,770 --> 00:22:40,080

the release so look again I'm really

589

00:22:44,270 --> 00:22:42,780

grateful for the constructive things

590

00:22:46,310 --> 00:22:44,280

that have occurred through the

591

00:22:48,590 --> 00:22:46,320

investigation or this kind of strange

592

00:22:50,390 --> 00:22:48,600

investigation experiment

593

00:22:52,130 --> 00:22:50,400

um but I think we should just now hear

594

00:22:54,529 --> 00:22:52,140

from the people that were there you

595

00:22:55,909 --> 00:22:54,539

could hear what they think you know

596

00:22:58,070 --> 00:22:55,919

people that have different levels of

597

00:23:00,590 --> 00:22:58,080

expertise and just were there so let's

598

00:23:02,690 --> 00:23:00,600

play uh One Clip now and then we'll go

599

00:23:05,450 --> 00:23:02,700

through some of what we heard

600

00:23:09,710 --> 00:23:05,460

my role was infantry and you were there

601
00:23:14,330 --> 00:23:09,720
on April 20th 2021 you were there that

602
00:23:15,830 --> 00:23:14,340
night yes and you saw it yes I saw it

603
00:23:17,630 --> 00:23:15,840
appear and disappear

604
00:23:19,630 --> 00:23:17,640
well first of all how many people do you

605
00:23:24,470 --> 00:23:19,640
think saw this

606
00:23:25,730 --> 00:23:24,480
uh so there there's like 15 people in my

607
00:23:28,070 --> 00:23:25,740
Hooch

608
00:23:30,830 --> 00:23:28,080
and the one the hooches there's a bunch

609
00:23:32,570 --> 00:23:30,840
of people there's like 10 Gucci's in a

610
00:23:34,789 --> 00:23:32,580
line with people in it so a lot of

611
00:23:37,010 --> 00:23:34,799
people saw it yeah I heard about 50

612
00:23:40,130 --> 00:23:37,020
Witnesses at Camp Wilson alone

613
00:23:41,750 --> 00:23:40,140

yeah how were you first alerted to the

614

00:23:47,149 --> 00:23:41,760

fact it was outside like how did you

615

00:23:51,529 --> 00:23:49,370

story time

616

00:23:53,990 --> 00:23:51,539

disappeared

617

00:23:56,870 --> 00:23:54,000

I remember we saw it and then I would

618

00:24:02,149 --> 00:23:58,789

they really they were freaking out a

619

00:24:06,830 --> 00:24:04,310

yeah Noah knew what it was

620

00:24:09,289 --> 00:24:06,840

and how long would you suspect that it

621

00:24:10,909 --> 00:24:09,299

was there what's the longest length that

622

00:24:14,690 --> 00:24:10,919

it was there

623

00:24:17,570 --> 00:24:14,700

30 to 35 minutes really

624

00:24:20,330 --> 00:24:17,580

yeah it was there for a hot minute a lot

625

00:24:21,710 --> 00:24:20,340

of people are saying that these are

626
00:24:23,810 --> 00:24:21,720
flares

627
00:24:27,110 --> 00:24:23,820
no they weren't

628
00:24:29,630 --> 00:24:27,120
definitely 100 not flares

629
00:24:32,390 --> 00:24:29,640
I think it was crap

630
00:24:36,289 --> 00:24:32,400
it was weird so this was unlike anything

631
00:24:38,810 --> 00:24:36,299
you've seen before or since oh yeah yeah

632
00:24:42,169 --> 00:24:38,820
first time seeing something like that

633
00:24:44,570 --> 00:24:42,179
yeah it definitely looked like a craft

634
00:24:46,610 --> 00:24:44,580
was there any sound

635
00:24:49,130 --> 00:24:46,620
no sound at all

636
00:24:51,710 --> 00:24:49,140
it was kind of eerie

637
00:24:54,470 --> 00:24:51,720
and if you had to just guesstimate can

638
00:24:56,330 --> 00:24:54,480

you give me an estimate size the

639

00:24:58,490 --> 00:24:56,340

mountain was pretty big it was pretty

640

00:25:02,149 --> 00:24:58,500

much like the same length as the top of

641

00:25:04,789 --> 00:25:02,159

the bow and so I'm saying like

642

00:25:06,350 --> 00:25:04,799

at least

643

00:25:10,070 --> 00:25:06,360

75

644

00:25:13,010 --> 00:25:10,080

yards like almost a little more than

645

00:25:14,590 --> 00:25:13,020

half full field I would say yeah I keep

646

00:25:17,750 --> 00:25:14,600

hearing that

647

00:25:20,149 --> 00:25:17,760

and you still don't know what it was

648

00:25:22,010 --> 00:25:20,159

no I just speculate that it was

649

00:25:26,390 --> 00:25:22,020

definitely uh UFO

650

00:25:32,210 --> 00:25:28,190

so I identified

651
00:25:34,430 --> 00:25:32,220
it wasn't some military object or craft

652
00:25:35,990 --> 00:25:34,440
no no

653
00:25:37,430 --> 00:25:36,000
I was the whites would have been

654
00:25:40,190 --> 00:25:37,440
blinking and I would have been moving

655
00:25:43,310 --> 00:25:40,200
and I was not doing any of that

656
00:25:46,190 --> 00:25:43,320
the night was pretty crazy why there was

657
00:25:47,990 --> 00:25:46,200
all boys of eagles helicopters

658
00:25:50,690 --> 00:25:48,000
it's not and you'd really see happen

659
00:25:53,090 --> 00:25:50,700
there so that was unusual the response

660
00:25:55,669 --> 00:25:53,100
was unusual

661
00:25:57,529 --> 00:25:55,679
there was like a convoy that night of

662
00:26:01,190 --> 00:25:57,539
vehicles heading that way

663
00:26:03,950 --> 00:26:01,200

had to be at least like 50 to 70 trucks

664

00:26:06,350 --> 00:26:03,960

those huge Convoy and then all night

665

00:26:07,850 --> 00:26:06,360

long there's helicopters is flying

666

00:26:09,769 --> 00:26:07,860

around everywhere

667

00:26:11,690 --> 00:26:09,779

it was very unusual

668

00:26:13,310 --> 00:26:11,700

even though that was part of your you're

669

00:26:15,230 --> 00:26:13,320

there for training missions and there's

670

00:26:17,690 --> 00:26:15,240

a known training Mission going on there

671

00:26:19,789 --> 00:26:17,700

at that time this is still unusual

672

00:26:22,909 --> 00:26:19,799

oh yeah it was definitely very unusual

673

00:26:25,730 --> 00:26:22,919

the response was unusual yeah what's

674

00:26:29,090 --> 00:26:25,740

your interpretation of that response

675

00:26:33,350 --> 00:26:31,430

see if they could find it

676

00:26:35,510 --> 00:26:33,360

I don't know

677

00:26:37,970 --> 00:26:35,520

it was pretty wild

678

00:26:40,310 --> 00:26:37,980

it's definitely wasn't players

679

00:26:43,549 --> 00:26:40,320

I a couple things jump out at me there

680

00:26:46,250 --> 00:26:43,559

this guy is saying the lights could be

681

00:26:47,870 --> 00:26:46,260

seen for 30 to 35 minutes that's that's

682

00:26:50,269 --> 00:26:47,880

contrary to what a lot of the witnesses

683

00:26:52,490 --> 00:26:50,279

said who estimated it was 10 minutes if

684

00:26:54,590 --> 00:26:52,500

it really was up there for 30 35 minutes

685

00:26:56,750 --> 00:26:54,600

that's not any kind of flare that we've

686

00:26:58,850 --> 00:26:56,760

ever known about before maybe we've got

687

00:27:00,590 --> 00:26:58,860

some new kind of flares but if it really

688

00:27:02,210 --> 00:27:00,600

was that long

689

00:27:04,490 --> 00:27:02,220

um that's a problem it's hard to explain

690

00:27:06,950 --> 00:27:04,500

that of course the guy could be wrong I

691

00:27:09,529 --> 00:27:06,960

guess uh and the estimation of how long

692

00:27:11,090 --> 00:27:09,539

it was he he witnessed it because we've

693

00:27:13,549 --> 00:27:11,100

we've seen there are conflicting

694

00:27:15,350 --> 00:27:13,559

versions of that story right yeah so

695

00:27:17,990 --> 00:27:15,360

I've only got

696

00:27:20,450 --> 00:27:18,000

um at this point provable about 10

697

00:27:22,970 --> 00:27:20,460

minutes of of timeline of footage I

698

00:27:25,190 --> 00:27:22,980

believe 10 minutes from the metadata but

699

00:27:26,450 --> 00:27:25,200

remember it was it was up there and a

700

00:27:29,269 --> 00:27:26,460

few people were just watching that

701
00:27:32,090 --> 00:27:29,279
they're assuming it's flares for a good

702
00:27:35,269 --> 00:27:32,100
period of time he's not the only one

703
00:27:39,470 --> 00:27:35,279
that referenced that 30 minute time

704
00:27:41,409 --> 00:27:39,480
frame so look they're like us they're

705
00:27:43,669 --> 00:27:41,419
seeing it at night first just in the sky

706
00:27:45,710 --> 00:27:43,679
they see things all the time they assume

707
00:27:47,210 --> 00:27:45,720
it's flares but then they realize it's

708
00:27:49,370 --> 00:27:47,220
different and they're trying to figure

709
00:27:51,350 --> 00:27:49,380
out how it's different so that that's a

710
00:27:53,870 --> 00:27:51,360
good point and I just don't know and

711
00:27:56,690 --> 00:27:53,880
sometimes time look this is two years

712
00:27:59,269 --> 00:27:56,700
ago for this guy almost you know so at

713
00:28:01,190 --> 00:27:59,279

this point we're not sure on that time

714

00:28:03,529 --> 00:28:01,200

frame but it's an interesting point and

715

00:28:06,409 --> 00:28:03,539

he wasn't the only person that told me

716

00:28:08,149 --> 00:28:06,419

about 30 minutes for those that saw the

717

00:28:10,130 --> 00:28:08,159

whole thing a lot of them were in their

718

00:28:12,590 --> 00:28:10,140

their Barracks or their hooches right

719

00:28:14,450 --> 00:28:12,600

until they they came out

720

00:28:16,669 --> 00:28:14,460

that the fact that he says there was no

721

00:28:19,669 --> 00:28:16,679

sound absolutely no sound that would

722

00:28:22,730 --> 00:28:19,679

make sense if these were flares that

723

00:28:25,070 --> 00:28:22,740

were 18 miles away at the 210 or

724

00:28:26,870 --> 00:28:25,080

whatever that uh January is you know it

725

00:28:29,330 --> 00:28:26,880

also would explain why they didn't see

726

00:28:32,690 --> 00:28:29,340

any smoke from flares assuming they were

727

00:28:34,730 --> 00:28:32,700

flares too far away to see smoke too far

728

00:28:36,769 --> 00:28:34,740

away to hear sound that would make sense

729

00:28:38,269 --> 00:28:36,779

these guys swear it was a lot closer

730

00:28:39,830 --> 00:28:38,279

though I mean all the witnesses say it

731

00:28:42,590 --> 00:28:39,840

was a lot closer we should point out

732

00:28:44,570 --> 00:28:42,600

there are three mountains in ranges in

733

00:28:46,970 --> 00:28:44,580

between where Camp Wilson is and that

734

00:28:49,430 --> 00:28:46,980

training area where the exercise took

735

00:28:52,250 --> 00:28:49,440

place with the green video right yeah

736

00:28:54,230 --> 00:28:52,260

but we don't know for sure that it was

737

00:28:55,850 --> 00:28:54,240

there that's what's written on the on

738

00:28:59,149 --> 00:28:55,860

the site but we don't have the the

739

00:29:01,669 --> 00:28:59,159

metadata and it's a mishmash of footage

740

00:29:03,110 --> 00:29:01,679

but some of it we know is right from

741

00:29:06,769 --> 00:29:03,120

that little you know when they're in the

742

00:29:09,710 --> 00:29:06,779

little town uh at range 210 but yeah

743

00:29:11,570 --> 00:29:09,720

that's why this is like you know this

744

00:29:14,149 --> 00:29:11,580

it's an open case that's why we're

745

00:29:15,409 --> 00:29:14,159

trying to get more information uh I it's

746

00:29:17,990 --> 00:29:15,419

interesting what he said now other

747

00:29:20,630 --> 00:29:18,000

Witnesses had more to say they had more

748

00:29:22,430 --> 00:29:20,640

to say about about smoke and about the

749

00:29:23,570 --> 00:29:22,440

color of flares and the nature of the

750

00:29:25,549 --> 00:29:23,580

light

751

00:29:28,310 --> 00:29:25,559

um and and about the response so let's

752

00:29:30,769 --> 00:29:28,320

now hear just real briefly from another

753

00:29:33,110 --> 00:29:30,779

witness that that came forward and and

754

00:29:34,909 --> 00:29:33,120

just talked with us let me play that and

755

00:29:36,169 --> 00:29:34,919

let's hear what that that Marine had to

756

00:29:38,870 --> 00:29:36,179

say

757

00:29:40,190 --> 00:29:38,880

was in for five years I'm out now I'm

758

00:29:43,010 --> 00:29:40,200

right now I'm just going to school and

759

00:29:44,210 --> 00:29:43,020

working I work a engineering company in

760

00:29:46,310 --> 00:29:44,220

all of your time in the military the

761

00:29:48,769 --> 00:29:46,320

five years did you have a specialty or

762

00:29:51,110 --> 00:29:48,779

anything that you did by trade I was a

763

00:29:52,909 --> 00:29:51,120

Data Systems technician I worked on uh

764

00:29:55,070 --> 00:29:52,919

all the communications equipment and

765

00:29:58,490 --> 00:29:55,080

stuff that the ground guys used I did

766

00:30:00,110 --> 00:29:58,500

that and I operated it too for example

767

00:30:01,549 --> 00:30:00,120

you know the guys running around in the

768

00:30:03,590 --> 00:30:01,559

movies with the antennas they're always

769

00:30:05,090 --> 00:30:03,600

like calling it up

770

00:30:06,830 --> 00:30:05,100

they're the ones communicating with the

771

00:30:09,610 --> 00:30:06,840

higher ups and you know doing that kind

772

00:30:14,710 --> 00:30:09,620

of stuff like that you know April 20th

773

00:30:17,630 --> 00:30:14,720

2021 about 8 20 p.m as far as this event

774

00:30:20,510 --> 00:30:17,640

walked me through it we were out in 29

775

00:30:22,010 --> 00:30:20,520

Palms if I recall correctly I was one of

776

00:30:23,269 --> 00:30:22,020

the first people I walked outside and I

777

00:30:25,430 --> 00:30:23,279

was like what the [\h__\h] is that that was

778

00:30:26,930 --> 00:30:25,440

weird and I was like dude that's when I

779

00:30:29,330 --> 00:30:26,940

pulled my head inside

780

00:30:31,130 --> 00:30:29,340

and I was like Hey guys uh there's like

781

00:30:32,269 --> 00:30:31,140

some weird stuff from the sky you guys

782

00:30:34,250 --> 00:30:32,279

should come check this out and that's

783

00:30:35,570 --> 00:30:34,260

when everyone came outside and then like

784

00:30:38,450 --> 00:30:35,580

in one of the pictures I sent you you

785

00:30:40,190 --> 00:30:38,460

can see just rows of like those cans

786

00:30:41,330 --> 00:30:40,200

that we were sleeping in just rows of

787

00:30:43,850 --> 00:30:41,340

people coming out and like looking up

788

00:30:46,970 --> 00:30:43,860

into the sky I've heard different

789

00:30:49,669 --> 00:30:46,980

timelines of like how long it was there

790

00:30:52,310 --> 00:30:49,679

in the sky can you tell me for how long

791

00:30:55,370 --> 00:30:52,320

you saw it in the sky

792

00:30:57,889 --> 00:30:55,380

I was outside for at least 10-15 minutes

793

00:31:00,590 --> 00:30:57,899

I know that I wasn't outside like the

794

00:31:02,750 --> 00:31:00,600

whole time did you see when they shot

795

00:31:05,269 --> 00:31:02,760

flares up and they had those Lumen

796

00:31:06,649 --> 00:31:05,279

flares yeah for sure yeah there's one of

797

00:31:09,230 --> 00:31:06,659

the pictures I sent you there's flares

798

00:31:11,750 --> 00:31:09,240

in the sky with the lights behind it one

799

00:31:14,810 --> 00:31:11,760

of the kids he goes you can see a shape

800

00:31:17,870 --> 00:31:14,820

he said about it not just being lights

801
00:31:20,269 --> 00:31:17,880
but seeing like the shape of a body of a

802
00:31:22,850 --> 00:31:20,279
craft did you see that

803
00:31:24,769 --> 00:31:22,860
yeah yeah it just it though they were

804
00:31:26,690 --> 00:31:24,779
stagnant they weren't moving they were

805
00:31:28,610 --> 00:31:26,700
very in place

806
00:31:30,529 --> 00:31:28,620
that's what was so weird to us is that

807
00:31:33,289 --> 00:31:30,539
it was just kind of just like

808
00:31:35,450 --> 00:31:33,299
there did they drop like flares did they

809
00:31:37,669 --> 00:31:35,460
descend like flares or did it stay and

810
00:31:40,190 --> 00:31:37,679
hover in place no not not at all that's

811
00:31:42,289 --> 00:31:40,200
not what these lights were doing

812
00:31:45,470 --> 00:31:42,299
the lights were pretty stagnant in the

813
00:31:49,130 --> 00:31:45,480

sky and not moving anywhere

814

00:31:51,649 --> 00:31:49,140

size if you had to guess it was a big

815

00:31:53,810 --> 00:31:51,659

object whatever it was it was it was it

816

00:31:55,549 --> 00:31:53,820

had some Mass to it it wasn't just you

817

00:31:58,310 --> 00:31:55,559

know some freaking small

818

00:32:00,289 --> 00:31:58,320

unmanned thing flying in the sky

819

00:32:01,970 --> 00:32:00,299

I mean with the distance and stuff it

820

00:32:05,029 --> 00:32:01,980

could have been as big as a freaking

821

00:32:07,789 --> 00:32:05,039

football field honestly was this like

822

00:32:10,549 --> 00:32:07,799

something you've ever seen before

823

00:32:16,070 --> 00:32:13,669

were those uh do we know for sure if the

824

00:32:18,049 --> 00:32:16,080

extra flares that were shot up were shot

825

00:32:20,149 --> 00:32:18,059

up in order to illuminate something that

826

00:32:23,149 --> 00:32:20,159

was right there in that same Valley

827

00:32:26,450 --> 00:32:23,159

that's the big question that's what we

828

00:32:28,610 --> 00:32:26,460

we don't know that's the Assumption of

829

00:32:31,789 --> 00:32:28,620

the Marines at this point because of

830

00:32:34,669 --> 00:32:31,799

that reaction again we don't know how

831

00:32:38,630 --> 00:32:34,679

far away the the things that the Marines

832

00:32:41,210 --> 00:32:38,640

saw that that is anomalous to them we do

833

00:32:43,310 --> 00:32:41,220

not know the distance they're maximum

834

00:32:45,649 --> 00:32:43,320

across the board every single one I've

835

00:32:47,210 --> 00:32:45,659

talked with their maximum distance it

836

00:32:49,370 --> 00:32:47,220

appeared to be right over that first

837

00:32:51,350 --> 00:32:49,380

Mountain Ridge and so we're making

838

00:32:52,850 --> 00:32:51,360

assumptions that something was fired 18

839

00:32:55,549 --> 00:32:52,860

miles away that might have looked

840

00:32:57,350 --> 00:32:55,559

similar but we can find that out for

841

00:32:59,870 --> 00:32:57,360

sure because every ordinance is labeled

842

00:33:01,330 --> 00:32:59,880

and and time stamped when it's done

843

00:33:04,490 --> 00:33:01,340

there's a way we're going to find out

844

00:33:06,610 --> 00:33:04,500

but those Lumen flares those

845

00:33:11,029 --> 00:33:06,620

illumination flares they lasted about

846

00:33:13,310 --> 00:33:11,039

they can last between six 45 seconds to

847

00:33:15,470 --> 00:33:13,320

maybe up towards three minutes these

848

00:33:18,049 --> 00:33:15,480

lasted about a minute is what I

849

00:33:20,149 --> 00:33:18,059

understand so they believe that this

850

00:33:22,610 --> 00:33:20,159

response was well you're going to hear

851
00:33:26,210 --> 00:33:22,620
the next witness what what some people

852
00:33:28,669 --> 00:33:26,220
believe but it was to illuminate

853
00:33:31,389 --> 00:33:28,679
the object is what is what they would

854
00:33:34,850 --> 00:33:31,399
call it I don't know George I don't know

855
00:33:36,830 --> 00:33:34,860
military Witnesses in general in UFO

856
00:33:38,769 --> 00:33:36,840
World they don't do so well we don't

857
00:33:41,690 --> 00:33:38,779
trust them at all you know everybody

858
00:33:44,269 --> 00:33:41,700
assumes that military eyewitnesses who

859
00:33:47,029 --> 00:33:44,279
are there who know tactics operations

860
00:33:48,950 --> 00:33:47,039
equipment guys who work with flares

861
00:33:52,009 --> 00:33:48,960
almost every day they have to be

862
00:33:54,409 --> 00:33:52,019
discounted and non-military uh experts

863
00:33:57,110 --> 00:33:54,419

who appoint themselves to determine the

864

00:33:58,850 --> 00:33:57,120

truth or accuracy of these claims always

865

00:34:01,190 --> 00:33:58,860

seem to know more than the military guys

866

00:34:03,230 --> 00:34:01,200

who actually are there on the ground and

867

00:34:05,029 --> 00:34:03,240

who work with this stuff every day I can

868

00:34:07,130 --> 00:34:05,039

see why some of the Marines that you're

869

00:34:08,930 --> 00:34:07,140

now talking to were pretty ticked off

870

00:34:10,070 --> 00:34:08,940

about being told that they're stupid

871

00:34:12,950 --> 00:34:10,080

they don't know what they're seeing

872

00:34:16,250 --> 00:34:12,960

right yeah yeah definitely but we see

873

00:34:19,790 --> 00:34:16,260

that all the time man is a dismissal of

874

00:34:21,889 --> 00:34:19,800

certain you know reports and the stigma

875

00:34:24,710 --> 00:34:21,899

associated with it when you're looking

876

00:34:26,690 --> 00:34:24,720

to find a type of answer it's much

877

00:34:31,070 --> 00:34:26,700

easier to find that type of answer sir

878

00:34:34,250 --> 00:34:31,080

again the work is really trying to

879

00:34:36,470 --> 00:34:34,260

definitively resolve something and so

880

00:34:38,149 --> 00:34:36,480

you have to take all of the information

881

00:34:40,190 --> 00:34:38,159

or you're going to miss something and

882

00:34:43,669 --> 00:34:40,200

and more importantly you're going to

883

00:34:46,430 --> 00:34:43,679

miss future reports if you create an

884

00:34:47,990 --> 00:34:46,440

atmosphere where we're military people

885

00:34:50,270 --> 00:34:48,000

they don't want to report it up the

886

00:34:52,909 --> 00:34:50,280

chain of command uh to their superiors

887

00:34:55,609 --> 00:34:52,919

uh if you create an atmosphere where

888

00:34:57,770 --> 00:34:55,619

they don't want to uh be mocked because

889

00:34:59,390 --> 00:34:57,780

they're not sure what they saw you're

890

00:35:01,250 --> 00:34:59,400

going to have a big problem I'll tell

891

00:35:03,230 --> 00:35:01,260

you something here George and I know

892

00:35:07,930 --> 00:35:03,240

you're aware of it you and I have

893

00:35:12,290 --> 00:35:07,940

recently heard that Pilots are being

894

00:35:15,230 --> 00:35:12,300

encouraged to scrub their data when it

895

00:35:17,210 --> 00:35:15,240

comes to anomalies that are encountered

896

00:35:19,790 --> 00:35:17,220

during missions and there's a few

897

00:35:22,730 --> 00:35:19,800

reasons why I can assume some and I've

898

00:35:25,550 --> 00:35:22,740

heard some but we heard that like from

899

00:35:28,010 --> 00:35:25,560

high up so so the question is

900

00:35:30,890 --> 00:35:28,020

are they being told to eliminate

901
00:35:33,290 --> 00:35:30,900
information and data because of stigma

902
00:35:35,990 --> 00:35:33,300
or is it because their superiors want to

903
00:35:37,730 --> 00:35:36,000
stay on mission for deployment and that

904
00:35:39,710 --> 00:35:37,740
this would be reports and it'd have to

905
00:35:41,810 --> 00:35:39,720
slow it down it really puts you in this

906
00:35:45,230 --> 00:35:41,820
position a lot of our contacts and

907
00:35:48,290 --> 00:35:45,240
sources within intelligence agencies

908
00:35:50,930 --> 00:35:48,300
they'll tell us that even the balloon of

909
00:35:52,550 --> 00:35:50,940
palooza that we know for sure that there

910
00:35:55,069 --> 00:35:52,560
was a Chinese balloon you and I called

911
00:35:58,310 --> 00:35:55,079
that it was a thing but the ones over

912
00:36:01,849 --> 00:35:58,320
Alaska or other ones that they're that

913
00:36:04,970 --> 00:36:01,859

they're much more uh ambiguous in the

914

00:36:06,829 --> 00:36:04,980

sense that Senate and and Congress and

915

00:36:08,810 --> 00:36:06,839

and just basically the people that

916

00:36:11,329 --> 00:36:08,820

should be investigating this they're not

917

00:36:13,609 --> 00:36:11,339

being given any data or footage I've

918

00:36:16,849 --> 00:36:13,619

heard this over and over and over again

919

00:36:19,849 --> 00:36:16,859

so for me the biggest problem is look

920

00:36:22,670 --> 00:36:19,859

everybody's credible until you can show

921

00:36:25,310 --> 00:36:22,680

them maybe what they saw wasn't that the

922

00:36:28,490 --> 00:36:25,320

bigger problem is the withholding of

923

00:36:31,910 --> 00:36:28,500

data people not seeing cases through to

924

00:36:34,310 --> 00:36:31,920

the end and not doing proper analysis

925

00:36:37,609 --> 00:36:34,320

because they're based upon their own

926
00:36:39,650 --> 00:36:37,619
personal agendas that's the real crime

927
00:36:41,450 --> 00:36:39,660
in my opinion yeah and it's part of the

928
00:36:43,970 --> 00:36:41,460
reason we've come forward with this case

929
00:36:46,609 --> 00:36:43,980
is because it never went anywhere uh you

930
00:36:48,770 --> 00:36:46,619
know a lot of Marines between 50 and 80

931
00:36:50,390 --> 00:36:48,780
we know for sure saw this thing they

932
00:36:52,430 --> 00:36:50,400
thought it was anomalous they took video

933
00:36:54,589 --> 00:36:52,440
took photos of it but there was no

934
00:36:56,510 --> 00:36:54,599
nobody came asking them about it nobody

935
00:36:58,670 --> 00:36:56,520
investigated it did not go up the chain

936
00:37:00,050 --> 00:36:58,680
of command we were not surprised at all

937
00:37:03,050 --> 00:37:00,060
that the Department of Defense

938
00:37:05,810 --> 00:37:03,060

spokesperson on UAP would go ahead and

939

00:37:08,690 --> 00:37:05,820

issue a dismissive sort of a weasel word

940

00:37:10,670 --> 00:37:08,700

kind of a statement that says well we

941

00:37:12,349 --> 00:37:10,680

had assets in the air at this base on

942

00:37:14,270 --> 00:37:12,359

that night well what night do you not

943

00:37:16,190 --> 00:37:14,280

have assets in the air it didn't really

944

00:37:18,050 --> 00:37:16,200

address whether the videos that we've

945

00:37:20,630 --> 00:37:18,060

shown were the same ones that were shown

946

00:37:23,030 --> 00:37:20,640

in that DOD uh thing that was on the

947

00:37:25,490 --> 00:37:23,040

website it doesn't answer that we knew

948

00:37:28,130 --> 00:37:25,500

that this the spokesperson would take

949

00:37:30,589 --> 00:37:28,140

this position and it does not encourage

950

00:37:33,050 --> 00:37:30,599

Marines Sailors Airmen to come forward

951
00:37:35,150 --> 00:37:33,060
people like Dave fraver who flew one of

952
00:37:36,230 --> 00:37:35,160
the best pilots in the world is told

953
00:37:38,870 --> 00:37:36,240
that he doesn't know what he's talking

954
00:37:41,390 --> 00:37:38,880
about what he saw in the air radar guys

955
00:37:43,970 --> 00:37:41,400
like Kevin Day who spent a career

956
00:37:46,069 --> 00:37:43,980
learning their jobs and becoming experts

957
00:37:47,690 --> 00:37:46,079
in this on one of the most advanced

958
00:37:50,150 --> 00:37:47,700
warships in the world he doesn't know

959
00:37:51,829 --> 00:37:50,160
what he's doing the West Coast orbs

960
00:37:54,170 --> 00:37:51,839
those things that we saw that were

961
00:37:55,790 --> 00:37:54,180
swarming uh 10 different warships oh no

962
00:37:56,810 --> 00:37:55,800
no those Sailors were completely wrong

963
00:37:59,630 --> 00:37:56,820

they don't know what they're talking

964

00:38:01,250 --> 00:37:59,640

about and in this case as well we would

965

00:38:03,410 --> 00:38:01,260

like these things to be investigated

966

00:38:05,329 --> 00:38:03,420

that's why Arrow was created that's why

967

00:38:08,450 --> 00:38:05,339

it's predecessor aimsog was created

968

00:38:10,430 --> 00:38:08,460

while the UAP task force was created DOD

969

00:38:11,930 --> 00:38:10,440

keeps saying we want transparency on

970

00:38:14,270 --> 00:38:11,940

this and then they act completely

971

00:38:17,210 --> 00:38:14,280

opposite and dismiss that the cases that

972

00:38:19,550 --> 00:38:17,220

do do come to them through US yeah and

973

00:38:22,310 --> 00:38:19,560

one of the craziest examples that that

974

00:38:25,310 --> 00:38:22,320

we've seen of that is you and I reported

975

00:38:28,069 --> 00:38:25,320

and we broke the story with all sorts of

976

00:38:31,430 --> 00:38:28,079

sensor data from thermal to infrared to

977

00:38:33,890 --> 00:38:31,440

deck footage to eyewitness testimony of

978

00:38:37,190 --> 00:38:33,900

the 2019 swarms of 10 of our Navy

979

00:38:39,230 --> 00:38:37,200

warships but what people were trying to

980

00:38:40,490 --> 00:38:39,240

do and it was really kind of sneaky well

981

00:38:43,130 --> 00:38:40,500

first of all you got the Department of

982

00:38:45,829 --> 00:38:43,140

Defense which is we have like apparently

983

00:38:48,770 --> 00:38:45,839

we are the the quick response bonders

984

00:38:51,770 --> 00:38:48,780

people respond to us quick Susan Goff

985

00:38:54,829 --> 00:38:51,780

like that anything to try to you know

986

00:38:56,390 --> 00:38:54,839

kind of diminish our reporting on this

987

00:38:58,849 --> 00:38:56,400

is nothing to see her move on it's

988

00:39:01,329 --> 00:38:58,859

really strange to me people on the

989

00:39:03,829 --> 00:39:01,339

inside really encourage us to continue

990

00:39:06,290 --> 00:39:03,839

you know with our reporting on this kind

991

00:39:09,890 --> 00:39:06,300

of stuff but that 2019 event it really

992

00:39:12,410 --> 00:39:09,900

struck me when they tried to isolate one

993

00:39:14,690 --> 00:39:12,420

little thing and say none of the rest

994

00:39:19,310 --> 00:39:14,700

happened I mean that that's what they

995

00:39:22,069 --> 00:39:19,320

were trying to do is make every person

996

00:39:25,130 --> 00:39:22,079

involved every piece of evidence less

997

00:39:27,530 --> 00:39:25,140

valuable by trying to attack one tiny

998

00:39:29,990 --> 00:39:27,540

thing we saw that with the report I

999

00:39:32,750 --> 00:39:30,000

think it was uh that New York Post that

1000

00:39:34,670 --> 00:39:32,760

they came out saying case solved these

1001
00:39:36,770 --> 00:39:34,680
were Chinese drones launched off of the

1002
00:39:39,530 --> 00:39:36,780
bass straight in in episode number two

1003
00:39:43,609 --> 00:39:39,540
of weaponized with uh guts John

1004
00:39:45,829 --> 00:39:43,619
Gutierrez man we broke it down we broke

1005
00:39:48,410 --> 00:39:45,839
down the evidence but you saw how the uh

1006
00:39:50,390 --> 00:39:48,420
certain elements within the media try to

1007
00:39:51,950 --> 00:39:50,400
like shame you for putting this out and

1008
00:39:56,329 --> 00:39:51,960
then they they latch onto something that

1009
00:39:58,730 --> 00:39:56,339
is false it is patently false that these

1010
00:40:01,790 --> 00:39:58,740
are are launched from the bass straight

1011
00:40:05,690 --> 00:40:01,800
in 2019 did that solved the case we got

1012
00:40:08,270 --> 00:40:05,700
the guy on record for our show whose job

1013
00:40:10,550 --> 00:40:08,280

it was to monitor the bass Straits to

1014

00:40:12,890 --> 00:40:10,560

make sure that nothing was launching or

1015

00:40:14,870 --> 00:40:12,900

Landing off of that cargo ship and

1016

00:40:16,250 --> 00:40:14,880

definitively it didn't they they wanted

1017

00:40:18,530 --> 00:40:16,260

it to be that because then they would

1018

00:40:20,510 --> 00:40:18,540

have solved the case that is a UFO case

1019

00:40:23,390 --> 00:40:20,520

that is a UAP there were trans medium

1020

00:40:25,490 --> 00:40:23,400

Vehicles there were hundreds of them I'm

1021

00:40:27,829 --> 00:40:25,500

gonna say a hundred plus because I'm

1022

00:40:31,790 --> 00:40:27,839

being conservative but 10 Navy warships

1023

00:40:34,430 --> 00:40:31,800

with like maybe 13 to 20 per ship at

1024

00:40:36,890 --> 00:40:34,440

times over the course of a few days so I

1025

00:40:39,290 --> 00:40:36,900

really see this as a problem if you're

1026

00:40:42,230 --> 00:40:39,300

myopic in the way that you look at a

1027

00:40:43,970 --> 00:40:42,240

case you're gonna miss the entirety of

1028

00:40:46,609 --> 00:40:43,980

the thing we know those were not U.S

1029

00:40:48,530 --> 00:40:46,619

assets we know that if they were Chinese

1030

00:40:50,089 --> 00:40:48,540

it would have been as popular as the

1031

00:40:51,609 --> 00:40:50,099

balloon story that came out when that

1032

00:40:54,589 --> 00:40:51,619

was just a Chinese balloon

1033

00:40:56,990 --> 00:40:54,599

reconnaissance balloon so yeah man I'm

1034

00:40:59,630 --> 00:40:57,000

with you it's a real problem people need

1035

00:41:01,670 --> 00:40:59,640

to be really sharp when they just read

1036

00:41:04,190 --> 00:41:01,680

something and parrot it without having

1037

00:41:06,109 --> 00:41:04,200

heard all the information

1038

00:41:08,510 --> 00:41:06,119

um I'd have to say this is the fastest

1039

00:41:10,970 --> 00:41:08,520

UFO investigation in the history of

1040

00:41:12,950 --> 00:41:10,980

military investigations of UFOs we

1041

00:41:15,770 --> 00:41:12,960

released these videos and the story

1042

00:41:18,170 --> 00:41:15,780

about the Mojave triangle uh Monday at

1043

00:41:20,990 --> 00:41:18,180

midnight and most people saw it hours

1044

00:41:23,690 --> 00:41:21,000

later within a few hours of that by the

1045

00:41:25,430 --> 00:41:23,700

afternoon of Monday Susan Goff had

1046

00:41:28,310 --> 00:41:25,440

responded she had apparently done an

1047

00:41:30,770 --> 00:41:28,320

investigation from her office in D.C uh

1048

00:41:33,290 --> 00:41:30,780

and had tried to explain this away oh

1049

00:41:34,430 --> 00:41:33,300

yeah we had assets in the air you know

1050

00:41:37,190 --> 00:41:34,440

that would have been the fastest

1051
00:41:38,930 --> 00:41:37,200
investigation ever and I seriously doubt

1052
00:41:40,730 --> 00:41:38,940
there was any actual legwork that was

1053
00:41:44,569 --> 00:41:40,740
done before that statement was released

1054
00:41:46,490 --> 00:41:44,579
yeah yeah look man if if people want to

1055
00:41:48,650 --> 00:41:46,500
come to a conclusion they're going to do

1056
00:41:50,150 --> 00:41:48,660
that if they want to undermine people

1057
00:41:51,950 --> 00:41:50,160
doing an investigation because they

1058
00:41:54,349 --> 00:41:51,960
don't like them then they're going to do

1059
00:41:57,109 --> 00:41:54,359
that but honestly I don't give a [h__h]

1060
00:41:59,569 --> 00:41:57,119
we're gonna keep just doing our work and

1061
00:42:01,849 --> 00:41:59,579
trying to get resolved look at this

1062
00:42:05,089 --> 00:42:01,859
point I can clearly say we are

1063
00:42:08,390 --> 00:42:05,099

representing the Marines who want to

1064

00:42:11,030 --> 00:42:08,400

know what it is that they saw and and

1065

00:42:12,589 --> 00:42:11,040

I'm not gonna let that go I have a duty

1066

00:42:14,810 --> 00:42:12,599

I mean isn't this like Memorial Day

1067

00:42:16,430 --> 00:42:14,820

Weekend hey man why don't we give these

1068

00:42:19,370 --> 00:42:16,440

guys a little bit of credit and then

1069

00:42:22,310 --> 00:42:19,380

also do the work for them so I got no

1070

00:42:23,270 --> 00:42:22,320

bones and saying at this point um you

1071

00:42:24,770 --> 00:42:23,280

know we're gonna see it to the end

1072

00:42:26,990 --> 00:42:24,780

because we're representing people that

1073

00:42:29,390 --> 00:42:27,000

want answers in the meantime let's hear

1074

00:42:31,490 --> 00:42:29,400

from what just one more of the witnesses

1075

00:42:32,810 --> 00:42:31,500

that said you know they want to go on

1076
00:42:34,970 --> 00:42:32,820
record because they want to know what

1077
00:42:37,069 --> 00:42:34,980
this was it's a really interesting

1078
00:42:39,109 --> 00:42:37,079
account of what happened that night

1079
00:42:40,550 --> 00:42:39,119
talks a lot about flares should we play

1080
00:42:44,630 --> 00:42:40,560
that one yeah

1081
00:42:47,270 --> 00:42:44,640
okay I was a lance corporal I had 29

1082
00:42:49,849 --> 00:42:47,280
Palms at Camp Olson

1083
00:42:52,730 --> 00:42:49,859
without knowing any of the hubbub in the

1084
00:42:55,550 --> 00:42:52,740
media right now that's going on you know

1085
00:43:01,430 --> 00:42:55,560
what night I'm referring to right

1086
00:43:02,750 --> 00:43:01,440
yes sir I did and 2021 20th of April you

1087
00:43:04,250 --> 00:43:02,760
were there

1088
00:43:06,290 --> 00:43:04,260

yes I was

1089

00:43:09,109 --> 00:43:06,300

you know exactly what I'm asking about

1090

00:43:11,030 --> 00:43:09,119

don't you oh I know the exact date

1091

00:43:12,770 --> 00:43:11,040

because I remember when the helicopter

1092

00:43:15,230 --> 00:43:12,780

started taking off and they were flying

1093

00:43:18,349 --> 00:43:15,240

jets all over the base all sporadically

1094

00:43:20,510 --> 00:43:18,359

shortly after all that happened okay and

1095

00:43:23,270 --> 00:43:20,520

is that your voice in the video that

1096

00:43:24,829 --> 00:43:23,280

says you can see a shape yes sir I

1097

00:43:27,650 --> 00:43:24,839

already know which video you are talking

1098

00:43:29,750 --> 00:43:27,660

about uh we all ran outside seeing what

1099

00:43:31,910 --> 00:43:29,760

it was at first of course we all thought

1100

00:43:33,829 --> 00:43:31,920

it was players but players don't stay up

1101
00:43:36,230 --> 00:43:33,839
in the air that long they're in like a

1102
00:43:38,930 --> 00:43:36,240
triangular shape they were just hoping

1103
00:43:40,790 --> 00:43:38,940
that a pattern for a long time you can

1104
00:43:43,069 --> 00:43:40,800
kind of see an outline of something but

1105
00:43:45,170 --> 00:43:43,079
we weren't sure what it was it just

1106
00:43:47,329 --> 00:43:45,180
looked like something I've never seen it

1107
00:43:49,250 --> 00:43:47,339
was very odd

1108
00:43:52,370 --> 00:43:49,260
why

1109
00:43:53,870 --> 00:43:52,380
well when a flare gets shot up I mean it

1110
00:43:56,089 --> 00:43:53,880
leaves a trail

1111
00:43:58,910 --> 00:43:56,099
and it's also being parachuted so it

1112
00:44:00,950 --> 00:43:58,920
doesn't sit in the same spot for a very

1113
00:44:03,170 --> 00:44:00,960

long period to come and the light dims

1114

00:44:04,550 --> 00:44:03,180

down that light was there for a very

1115

00:44:06,530 --> 00:44:04,560

long time

1116

00:44:10,250 --> 00:44:06,540

how long

1117

00:44:13,250 --> 00:44:10,260

it was

1118

00:44:14,390 --> 00:44:13,260

like approximate was it five minutes was

1119

00:44:15,950 --> 00:44:14,400

it an hour

1120

00:44:17,930 --> 00:44:15,960

I remember we were all out there out

1121

00:44:19,609 --> 00:44:17,940

there probably for about a good 30

1122

00:44:21,890 --> 00:44:19,619

minutes looking at it

1123

00:44:23,210 --> 00:44:21,900

it's like I said which makes no sense to

1124

00:44:25,550 --> 00:44:23,220

me if it would be a flare because the

1125

00:44:27,470 --> 00:44:25,560

flare is continuously falling

1126

00:44:30,349 --> 00:44:27,480

you'll see that smoke there's a

1127

00:44:32,930 --> 00:44:30,359

parachute attached to them so they slow

1128

00:44:34,609 --> 00:44:32,940

down while they fall

1129

00:44:36,530 --> 00:44:34,619

and you didn't you couldn't see a

1130

00:44:38,990 --> 00:44:36,540

parachute on them even if they were

1131

00:44:41,569 --> 00:44:39,000

zoomed in they weren't moving

1132

00:44:42,770 --> 00:44:41,579

it wasn't even burning like a burning

1133

00:44:45,710 --> 00:44:42,780

kind of light

1134

00:44:48,170 --> 00:44:45,720

because you know players combustion I

1135

00:44:50,870 --> 00:44:48,180

have a video where afterwards these Loom

1136

00:44:52,670 --> 00:44:50,880

flares go up and they look very

1137

00:44:55,010 --> 00:44:52,680

different like they're falling and

1138

00:44:58,130 --> 00:44:55,020

they're it's drastically different from

1139

00:44:59,990 --> 00:44:58,140

what we saw you're adamant that these

1140

00:45:02,390 --> 00:45:00,000

were not flares

1141

00:45:04,609 --> 00:45:02,400

yes sir

1142

00:45:07,370 --> 00:45:04,619

and is it because of the proximity to

1143

00:45:09,589 --> 00:45:07,380

you the color of them not seeing descent

1144

00:45:10,849 --> 00:45:09,599

not seeing smoke why are these not

1145

00:45:13,730 --> 00:45:10,859

flares

1146

00:45:16,069 --> 00:45:13,740

the smoke the sand like I said the

1147

00:45:19,670 --> 00:45:16,079

flares of combustion light so it's kind

1148

00:45:25,010 --> 00:45:21,530

and then those lights weren't flicker

1149

00:45:26,870 --> 00:45:25,020

unless it's like just bright just there

1150

00:45:28,069 --> 00:45:26,880

they were like perfect little orbs in a

1151

00:45:30,170 --> 00:45:28,079

triangle

1152

00:45:32,030 --> 00:45:30,180

you're saying that with normal flares

1153

00:45:34,190 --> 00:45:32,040

that I assume you've seen a lot of in

1154

00:45:37,130 --> 00:45:34,200

your military career right

1155

00:45:40,250 --> 00:45:37,140

yes sir okay so this doesn't look like

1156

00:45:41,870 --> 00:45:40,260

any flare that you've ever seen I have

1157

00:45:43,609 --> 00:45:41,880

not seen a flare like that in my

1158

00:45:45,829 --> 00:45:43,619

military career

1159

00:45:48,530 --> 00:45:45,839

it looks like it was eliminated fight

1160

00:45:50,809 --> 00:45:48,540

from a bulb or some other source

1161

00:45:52,670 --> 00:45:50,819

what was the color that you kind of saw

1162

00:45:54,950 --> 00:45:52,680

compared to like Loom flares or

1163

00:45:57,589 --> 00:45:54,960

something was it different in color

1164

00:46:00,050 --> 00:45:57,599

I mean we have some players we have red

1165

00:46:02,930 --> 00:46:00,060

flares but that was like a reddish

1166

00:46:04,609 --> 00:46:02,940

orange color those lights were with like

1167

00:46:07,190 --> 00:46:04,619

a hint of yellow around it we don't have

1168

00:46:08,990 --> 00:46:07,200

players that are like that color like

1169

00:46:10,550 --> 00:46:09,000

the red flares are like a blood red

1170

00:46:12,650 --> 00:46:10,560

color

1171

00:46:15,290 --> 00:46:12,660

a very bright

1172

00:46:17,210 --> 00:46:15,300

and if you had to approximate the size

1173

00:46:19,609 --> 00:46:17,220

what would the size of what you're

1174

00:46:22,069 --> 00:46:19,619

seeing how big was that would be that

1175

00:46:24,530 --> 00:46:22,079

pronounced from that distance

1176

00:46:27,170 --> 00:46:24,540

I mean it had to be pretty large

1177

00:46:28,370 --> 00:46:27,180

so a lot of people are saying what you

1178

00:46:30,650 --> 00:46:28,380

know well that that's just a normal

1179

00:46:33,530 --> 00:46:30,660

training exercise aren't there always

1180

00:46:35,630 --> 00:46:33,540

training exercises on that base yes sir

1181

00:46:37,670 --> 00:46:35,640

before any big deployment of marine

1182

00:46:40,730 --> 00:46:37,680

infantry unit will train on that base

1183

00:46:43,609 --> 00:46:40,740

let me ask you this I was told that

1184

00:46:45,950 --> 00:46:43,619

right after there was a pretty massive

1185

00:46:49,010 --> 00:46:45,960

response you know 65 ton Vehicles

1186

00:46:51,890 --> 00:46:49,020

Humvees helicopters it went to like 11

1187

00:46:53,030 --> 00:46:51,900

30 at night were you witness to that as

1188

00:46:55,730 --> 00:46:53,040

well

1189

00:46:58,609 --> 00:46:55,740

yes sir I was do you think that was in

1190

00:47:01,010 --> 00:46:58,619

direct response to what you saw

1191

00:47:03,170 --> 00:47:01,020

I believe so

1192

00:47:05,210 --> 00:47:03,180

what do you think they were doing

1193

00:47:06,829 --> 00:47:05,220

I think they were just surveying and

1194

00:47:09,410 --> 00:47:06,839

maybe trying to keep anything away from

1195

00:47:11,870 --> 00:47:09,420

us seeing what's out there

1196

00:47:14,030 --> 00:47:11,880

and the same thing they had uh Jets

1197

00:47:17,210 --> 00:47:14,040

fired up and they were feeling full

1198

00:47:21,530 --> 00:47:17,220

blast in that direction

1199

00:47:21,540 --> 00:47:25,430

honestly sir I did

1200

00:47:28,970 --> 00:47:27,410

it looked like it was observing you just

1201

00:47:30,950 --> 00:47:28,980

sat there and just watched us that's

1202

00:47:33,950 --> 00:47:30,960

what it felt like can you just explain

1203

00:47:35,210 --> 00:47:33,960

that to me so I understand

1204

00:47:38,390 --> 00:47:35,220

relax

1205

00:47:40,970 --> 00:47:38,400

well like in our line of work if we were

1206

00:47:42,710 --> 00:47:40,980

going to do Recon on our enemy or

1207

00:47:44,450 --> 00:47:42,720

something we would take a high vantage

1208

00:47:46,670 --> 00:47:44,460

point where we could see a base and we

1209

00:47:49,730 --> 00:47:46,680

would plan it out

1210

00:47:52,490 --> 00:47:49,740

after like a while it just now it's just

1211

00:47:54,530 --> 00:47:52,500

even more just we know it wasn't players

1212

00:47:57,050 --> 00:47:54,540

because we talked about it a lot that

1213

00:47:58,550 --> 00:47:57,060

night it just felt like if it was

1214

00:48:00,770 --> 00:47:58,560

something

1215

00:48:04,069 --> 00:48:00,780

not from here that's what they were

1216

00:48:04,079 --> 00:48:07,609

how does that make you feel

1217

00:48:10,010 --> 00:48:08,569

um

1218

00:48:11,690 --> 00:48:10,020

kind of

1219

00:48:14,030 --> 00:48:11,700

I don't know how to explain it I feel

1220

00:48:15,530 --> 00:48:14,040

like I've known about it and it's just

1221

00:48:19,430 --> 00:48:15,540

like I felt like we've just been getting

1222

00:48:23,150 --> 00:48:21,890

and now that I saw that it kind of just

1223

00:48:25,130 --> 00:48:23,160

you know

1224

00:48:28,089 --> 00:48:25,140

confirmed it for me

1225

00:48:31,430 --> 00:48:28,099

at least to myself it did

1226
00:48:33,050 --> 00:48:31,440
so many [\h__\h] helicopters right now

1227
00:48:35,750 --> 00:48:33,060
we're chasing something

1228
00:48:38,210 --> 00:48:35,760
they're flying

1229
00:48:39,710 --> 00:48:38,220
they're going fast as hell too

1230
00:48:42,829 --> 00:48:39,720
if I get beamed up wearing like a

1231
00:48:43,730 --> 00:48:42,839
formation a couple of comments come to

1232
00:48:45,829 --> 00:48:43,740
mind

1233
00:48:47,930 --> 00:48:45,839
um the Marine witnesses that we've

1234
00:48:51,050 --> 00:48:47,940
talked to kind of make an assumption

1235
00:48:52,550 --> 00:48:51,060
that the massive response they saw was a

1236
00:48:53,750 --> 00:48:52,560
response to this thing that was in the

1237
00:48:55,250 --> 00:48:53,760
air

1238
00:48:56,630 --> 00:48:55,260

um and that is an assumption it's a

1239

00:48:58,790 --> 00:48:56,640

guess on their part we haven't gotten

1240

00:49:00,770 --> 00:48:58,800

anybody yet who says I was ordered to go

1241

00:49:02,630 --> 00:49:00,780

look for this object is that right

1242

00:49:04,970 --> 00:49:02,640

that's right that that's going to be

1243

00:49:07,010 --> 00:49:04,980

it's going to take longer time and if if

1244

00:49:10,069 --> 00:49:07,020

it turns out that we can definitively

1245

00:49:11,930 --> 00:49:10,079

prove that there was an exercise with a

1246

00:49:13,970 --> 00:49:11,940

flare in this configuration we have the

1247

00:49:16,190 --> 00:49:13,980

time stamps and all that then I'm going

1248

00:49:18,170 --> 00:49:16,200

to tell the Marines that they want to

1249

00:49:21,230 --> 00:49:18,180

know this was a big event if you noticed

1250

00:49:23,210 --> 00:49:21,240

in that interview he knew exactly he

1251
00:49:25,370 --> 00:49:23,220
hasn't watched the news and all that but

1252
00:49:27,530 --> 00:49:25,380
he knew exactly when I said Camp Wilson

1253
00:49:28,849 --> 00:49:27,540
I want to talk to you he knew exactly

1254
00:49:32,630 --> 00:49:28,859
what I was talking about this was an

1255
00:49:35,150 --> 00:49:32,640
indelible moment and over time he just

1256
00:49:36,470 --> 00:49:35,160
hasn't found explanation for it and

1257
00:49:39,410 --> 00:49:36,480
they've kind of talked amongst

1258
00:49:42,530 --> 00:49:39,420
themselves about it so we will hopefully

1259
00:49:45,290 --> 00:49:42,540
get direct witness testimony if that

1260
00:49:47,870 --> 00:49:45,300
were to be the case if it is prosaic and

1261
00:49:50,930 --> 00:49:47,880
were able to explain that then I'm gonna

1262
00:49:53,030 --> 00:49:50,940
present that information to the Marines

1263
00:49:55,309 --> 00:49:53,040

and that's what's going on

1264

00:49:57,950 --> 00:49:55,319

um another point about the video that

1265

00:50:00,170 --> 00:49:57,960

was posted uh on the website of the of

1266

00:50:03,230 --> 00:50:00,180

the base so we saw all this green stuff

1267

00:50:05,329 --> 00:50:03,240

things fly around flashing as part of a

1268

00:50:07,970 --> 00:50:05,339

training exercise that we think was in

1269

00:50:09,710 --> 00:50:07,980

range 210 our marine Witnesses in this

1270

00:50:11,510 --> 00:50:09,720

Valley in between them and the first

1271

00:50:13,430 --> 00:50:11,520

mountain range didn't see any of that

1272

00:50:16,190 --> 00:50:13,440

stuff we know that it took place over

1273

00:50:18,650 --> 00:50:16,200

four days four day operation not just on

1274

00:50:20,690 --> 00:50:18,660

the 20th that was at some other range

1275

00:50:23,030 --> 00:50:20,700

that stuff didn't happen in this Valley

1276
00:50:25,250 --> 00:50:23,040
but what did happen in this Valley was

1277
00:50:26,890 --> 00:50:25,260
the big response by all kinds of

1278
00:50:29,870 --> 00:50:26,900
helicopters all kinds of vehicles

1279
00:50:32,809 --> 00:50:29,880
seemingly looking for something right

1280
00:50:34,730 --> 00:50:32,819
yeah that that's what they concur all of

1281
00:50:36,849 --> 00:50:34,740
them that it was it was right there now

1282
00:50:39,530 --> 00:50:36,859
I mean I think that this particular

1283
00:50:41,990 --> 00:50:39,540
training exercise I mean they were there

1284
00:50:44,210 --> 00:50:42,000
for almost two months and and they said

1285
00:50:46,010 --> 00:50:44,220
that they're notified when there's going

1286
00:50:49,069 --> 00:50:46,020
to be something within close proximity

1287
00:50:50,990 --> 00:50:49,079
to them that's out of safety so it

1288
00:50:53,630 --> 00:50:51,000

really is

1289

00:50:56,630 --> 00:50:53,640

um problematic I I can't mesh those

1290

00:50:58,130 --> 00:50:56,640

things together yet I they look we're

1291

00:51:00,230 --> 00:50:58,140

trying to get answers for the people

1292

00:51:03,230 --> 00:51:00,240

that were there that's what we're trying

1293

00:51:05,510 --> 00:51:03,240

to do I really hope that that we can do

1294

00:51:08,210 --> 00:51:05,520

that we have a lot of assumptions right

1295

00:51:10,190 --> 00:51:08,220

now a lot of compelling information but

1296

00:51:12,470 --> 00:51:10,200

I'm just not I'm sorry man I'm just not

1297

00:51:15,410 --> 00:51:12,480

satisfied yet let's get there let's get

1298

00:51:18,049 --> 00:51:15,420

the answers for everybody yeah only a

1299

00:51:19,730 --> 00:51:18,059

question of flares will we report it if

1300

00:51:21,589 --> 00:51:19,740

we end up finding information that

1301

00:51:23,809 --> 00:51:21,599

confirms it was flares regular old

1302

00:51:26,690 --> 00:51:23,819

flares and the answer is yes I mean we

1303

00:51:28,370 --> 00:51:26,700

don't have a dog in the fight uh part of

1304

00:51:30,770 --> 00:51:28,380

the reason we're putting it out is to

1305

00:51:33,349 --> 00:51:30,780

get some answers as you said and I think

1306

00:51:35,510 --> 00:51:33,359

we now have a mechanism where we can do

1307

00:51:37,190 --> 00:51:35,520

that we know the information that we

1308

00:51:38,990 --> 00:51:37,200

need to get and we're trying to get it

1309

00:51:41,750 --> 00:51:39,000

right now but it it happened because we

1310

00:51:43,549 --> 00:51:41,760

put this stuff out and after two years

1311

00:51:45,049 --> 00:51:43,559

of gathering information we had hit a

1312

00:51:47,390 --> 00:51:45,059

roadblock

1313

00:51:51,190 --> 00:51:47,400

that's right and look you know if this

1314

00:51:53,450 --> 00:51:51,200

is some sort of mass Mirage or

1315

00:51:55,970 --> 00:51:53,460

misunderstanding from from these marines

1316

00:51:57,829 --> 00:51:55,980

they're open to that but we have to find

1317

00:52:00,109 --> 00:51:57,839

out I thought I found it so interesting

1318

00:52:03,109 --> 00:52:00,119

though the way that this one Marine you

1319

00:52:05,510 --> 00:52:03,119

just heard from how he why how he

1320

00:52:06,770 --> 00:52:05,520

eliminated flares that he sees all the

1321

00:52:08,990 --> 00:52:06,780

time they see all the time in their

1322

00:52:11,870 --> 00:52:09,000

training and it was it was the duration

1323

00:52:13,370 --> 00:52:11,880

it was the nature of the light that's

1324

00:52:15,170 --> 00:52:13,380

what they're describing they looked more

1325

00:52:17,870 --> 00:52:15,180

like they said it didn't look at all

1326

00:52:19,790 --> 00:52:17,880

like flares like Flair's kind of flicker

1327

00:52:22,069 --> 00:52:19,800

they would say even at distance

1328

00:52:24,109 --> 00:52:22,079

especially at distance because of the

1329

00:52:28,730 --> 00:52:24,119

Mirage effect that these looked like

1330

00:52:31,190 --> 00:52:28,740

Globes like solid Globes and the nature

1331

00:52:33,589 --> 00:52:31,200

of the light was different and the color

1332

00:52:36,349 --> 00:52:33,599

was different so there could be a lot of

1333

00:52:39,230 --> 00:52:36,359

explanations for that but also just

1334

00:52:41,510 --> 00:52:39,240

having that appearance of of being a

1335

00:52:44,690 --> 00:52:41,520

crowd I mean I I try not to focus on

1336

00:52:48,650 --> 00:52:44,700

that I want them to tell me but that's

1337

00:52:51,710 --> 00:52:48,660

what they report so it's just it's

1338

00:52:53,510 --> 00:52:51,720

man it's it's a case it's a case and I

1339

00:52:55,730 --> 00:52:53,520

I'm glad that it's out there and

1340

00:52:57,470 --> 00:52:55,740

hopefully we can come to a definitive

1341

00:52:59,809 --> 00:52:57,480

result and I think we will be able to

1342

00:53:01,609 --> 00:52:59,819

but not until that moment uh are we

1343

00:53:04,910 --> 00:53:01,619

going to close this for them they want

1344

00:53:09,710 --> 00:53:04,920

us to they want to know for sure and and

1345

00:53:11,750 --> 00:53:09,720

again UAP reporting it it's broken the

1346

00:53:12,890 --> 00:53:11,760

way that it goes up the chain of command

1347

00:53:14,750 --> 00:53:12,900

people

1348

00:53:18,950 --> 00:53:14,760

um even on that night

1349

00:53:20,750 --> 00:53:18,960

it's like they're afraid to put it up

1350

00:53:23,210 --> 00:53:20,760

through the chain of command to say hey

1351
00:53:24,890 --> 00:53:23,220
you know what did we see that's not none

1352
00:53:27,109 --> 00:53:24,900
of your business I mean so what what do

1353
00:53:28,849 --> 00:53:27,119
they get what do they get from that so

1354
00:53:30,950 --> 00:53:28,859
this is one of the ways in which we're

1355
00:53:32,990 --> 00:53:30,960
going to get better UAP reporting and

1356
00:53:35,809 --> 00:53:33,000
reduce the stigma because it needs to

1357
00:53:38,690 --> 00:53:35,819
reduce and George you always say over

1358
00:53:41,569 --> 00:53:38,700
and over you always say it's our job to

1359
00:53:44,390 --> 00:53:41,579
investigate the Unexplained not to

1360
00:53:47,530 --> 00:53:44,400
explain the uninvestigated and and we

1361
00:53:51,170 --> 00:53:47,540
see how important that is with the 2019

1362
00:53:53,990 --> 00:53:51,180
UAP events the Swarms and we see how

1363
00:53:56,030 --> 00:53:54,000

that import how important that is even

1364

00:53:59,030 --> 00:53:56,040

even right now

1365

00:54:03,230 --> 00:53:59,040

yeah I mean we want information about

1366

00:54:06,170 --> 00:54:03,240

UAP or unknowns to flow upward when a

1367

00:54:09,290 --> 00:54:06,180

bunch of Marines at a U.S Marine Base

1368

00:54:10,670 --> 00:54:09,300

think they saw a craft over that base we

1369

00:54:12,290 --> 00:54:10,680

think it should be reported that

1370

00:54:14,450 --> 00:54:12,300

somebody should look into it not just a

1371

00:54:16,490 --> 00:54:14,460

phone call from Susan Goff from her DC

1372

00:54:18,710 --> 00:54:16,500

office uh Gathering a little bit of

1373

00:54:21,410 --> 00:54:18,720

information not investigating it I mean

1374

00:54:23,270 --> 00:54:21,420

DOD says all the time uh they're

1375

00:54:25,910 --> 00:54:23,280

pretending they want transparency that's

1376

00:54:28,069 --> 00:54:25,920

the buzzword well let's have some you

1377

00:54:30,230 --> 00:54:28,079

know let's take a look at this uh you

1378

00:54:32,089 --> 00:54:30,240

know the Marines could be wrong but we

1379

00:54:35,930 --> 00:54:32,099

don't have definitive answers on that

1380

00:54:37,670 --> 00:54:35,940

yet uh you know in this case uh the

1381

00:54:40,309 --> 00:54:37,680

people who jump on this and try to

1382

00:54:41,870 --> 00:54:40,319

debunk it helped us because a lot of

1383

00:54:44,450 --> 00:54:41,880

additional information that we didn't

1384

00:54:47,210 --> 00:54:44,460

have come forward and we'll be reporting

1385

00:54:50,089 --> 00:54:47,220

more on that as well to those who kind

1386

00:54:52,670 --> 00:54:50,099

of went nuts on this uh produced videos

1387

00:54:54,549 --> 00:54:52,680

and tweeted dozens of times all that I

1388

00:54:58,190 --> 00:54:54,559

just have two words for them thank you

1389

00:55:02,750 --> 00:55:00,650

I I get afraid every time you say You're

1390

00:55:05,450 --> 00:55:02,760

Gonna you're gonna say two words God

1391

00:55:08,630 --> 00:55:05,460

forbid God forbid you say five words in

1392

00:55:11,630 --> 00:55:08,640

an email okay so like here's the deal

1393

00:55:13,130 --> 00:55:11,640

um yeah it is so important that this

1394

00:55:16,069 --> 00:55:13,140

reporting this type of reporting happens

1395

00:55:19,849 --> 00:55:16,079

because we know that there are

1396

00:55:23,270 --> 00:55:19,859

incursions on military bases of craft of

1397

00:55:26,510 --> 00:55:23,280

Unknown Origin that can do things that

1398

00:55:29,089 --> 00:55:26,520

our military assets can't do we have

1399

00:55:32,390 --> 00:55:29,099

chased them we have fired upon them

1400

00:55:35,270 --> 00:55:32,400

which is a unambiguous case that you and

1401

00:55:40,010 --> 00:55:35,280

I are going to report on about firing on

1402

00:55:42,470 --> 00:55:40,020

UAP in war zones in in in Conflict zones

1403

00:55:44,690 --> 00:55:42,480

a better way to say it so we know there

1404

00:55:47,510 --> 00:55:44,700

are incursions of machines of Unknown

1405

00:55:49,309 --> 00:55:47,520

Origin that that we don't know how their

1406

00:55:52,430 --> 00:55:49,319

technology works because our own

1407

00:55:55,609 --> 00:55:52,440

government has admitted that to us oddly

1408

00:55:57,950 --> 00:55:55,619

enough so bringing these cases to light

1409

00:56:00,950 --> 00:55:57,960

helps us either you know show hey this

1410

00:56:03,470 --> 00:56:00,960

is the nature of it or this is you know

1411

00:56:05,450 --> 00:56:03,480

a resolved case but we know the

1412

00:56:08,030 --> 00:56:05,460

incursions happen and so a case like

1413

00:56:10,790 --> 00:56:08,040

this is super important to get to the

1414

00:56:13,250 --> 00:56:10,800

bottom of in my in my opinion

1415

00:56:15,829 --> 00:56:13,260

yeah there's there are some holes in

1416

00:56:18,170 --> 00:56:15,839

this obviously some information that we

1417

00:56:19,910 --> 00:56:18,180

need to resolve it but if we get it and

1418

00:56:22,849 --> 00:56:19,920

we will get it now we have a better idea

1419

00:56:23,930 --> 00:56:22,859

what we need to aim for and where it

1420

00:56:26,150 --> 00:56:23,940

might be

1421

00:56:27,950 --> 00:56:26,160

um we will report it if it turns out

1422

00:56:31,490 --> 00:56:27,960

that these are flares and we can confirm

1423

00:56:32,809 --> 00:56:31,500

it we'll report it until then though you

1424

00:56:34,790 --> 00:56:32,819

know if people want to make up their

1425

00:56:36,829 --> 00:56:34,800

mind and make a conclusion and move on

1426
00:56:38,750 --> 00:56:36,839
fine uh but we're going to keep working

1427
00:56:40,430 --> 00:56:38,760
on it yeah yeah at least we're going to

1428
00:56:42,049 --> 00:56:40,440
keep working on it to make sure that uh

1429
00:56:43,609 --> 00:56:42,059
the Marines get answers and I do want to

1430
00:56:46,069 --> 00:56:43,619
do a shout out being Memorial Day

1431
00:56:48,109 --> 00:56:46,079
weekend to those that have served lost

1432
00:56:50,390 --> 00:56:48,119
their lives that have served but also

1433
00:56:52,309 --> 00:56:50,400
those marines that are here with us now

1434
00:56:54,770 --> 00:56:52,319
and and do feel comfortable coming

1435
00:56:56,089 --> 00:56:54,780
forward to us I just want to thank all

1436
00:56:57,829 --> 00:56:56,099
of them even though we're not using

1437
00:56:59,390 --> 00:56:57,839
their names because of the stigma and

1438
00:57:01,849 --> 00:56:59,400

because they have jobs or they're still

1439

00:57:04,010 --> 00:57:01,859

you know um involved in in their

1440

00:57:06,589 --> 00:57:04,020

military positions I just want to say

1441

00:57:08,390 --> 00:57:06,599

thank you for for having the you know

1442

00:57:10,130 --> 00:57:08,400

courage to to talk with us about

1443

00:57:11,930 --> 00:57:10,140

uncomfortable things and we're going to

1444

00:57:13,670 --> 00:57:11,940

do our best for you uh and just a big

1445

00:57:15,950 --> 00:57:13,680

shout out to all of our service people

1446

00:57:17,329 --> 00:57:15,960

on this weekend and George really good

1447

00:57:20,150 --> 00:57:17,339

to see you and thanks for spending time

1448

00:57:22,790 --> 00:57:20,160

in this weird version of weaponized

1449

00:57:25,490 --> 00:57:22,800

podcast where we are in our home bunkers

1450

00:57:27,230 --> 00:57:25,500

look at yours that is that 35 years of

1451
00:57:29,390 --> 00:57:27,240
being an investigative reporter breaking

1452
00:57:31,549 --> 00:57:29,400
stores on things other than UFOs too oh

1453
00:57:34,309 --> 00:57:31,559
people can't see this but I'm I'm living

1454
00:57:36,650 --> 00:57:34,319
in a palatial estate it's awesome here

1455
00:57:40,010 --> 00:57:36,660
it's so clean and orderly here in my

1456
00:57:41,809 --> 00:57:40,020
home office don't you agree oh my gosh

1457
00:57:45,290 --> 00:57:41,819
man I swear to God when I come stay with

1458
00:57:47,270 --> 00:57:45,300
you I'm sleeping on reams of papers

1459
00:57:49,010 --> 00:57:47,280
thank you thank you so much man and

1460
00:57:51,049 --> 00:57:49,020
we'll we'll see everybody next week I

1461
00:57:52,430 --> 00:57:51,059
got a sense I do want to ask you one

1462
00:57:56,329 --> 00:57:52,440
thing George

1463
00:57:59,450 --> 00:57:56,339

did you um oh slave in a way with family

1464

00:58:02,510 --> 00:57:59,460

problems and slaving away at like you

1465

00:58:05,210 --> 00:58:02,520

know being stuck to my computer were you

1466

00:58:06,890 --> 00:58:05,220

out having fun at some epic concert

1467

00:58:09,950 --> 00:58:06,900

without me

1468

00:58:13,370 --> 00:58:09,960

I can neither confirm nor deny that I

1469

00:58:15,170 --> 00:58:13,380

saw Lord Huron playing in Reno uh but I

1470

00:58:17,510 --> 00:58:15,180

have heard that it is an exceptional

1471

00:58:20,030 --> 00:58:17,520

show we might have more on that later on

1472

00:58:22,549 --> 00:58:20,040

yeah yeah this is a buddy of yours who's

1473

00:58:24,349 --> 00:58:22,559

an amazing musician and artist and

1474

00:58:26,270 --> 00:58:24,359

talented and I I hope we do George

1475

00:58:28,730 --> 00:58:26,280

because that guy's just um something

1476

00:58:30,890 --> 00:58:28,740

he's out of this world hope everyone

1477

00:58:32,930 --> 00:58:30,900

enjoys their Memorial Day weekend

1478

00:58:35,510 --> 00:58:32,940

well I think they'll be receiving this

1479

00:58:42,070 --> 00:58:35,520

right after so we hope you enjoyed your

1480

00:58:42,080 --> 00:58:48,650

[Music]

1481

00:58:57,370 --> 00:58:52,910

never have so few had so much to tell

1482

00:59:01,130 --> 00:58:59,450

weaponized presentation of Jeremy
