

WEAPONIZED #21

# CONFESSIONS OF A UFO INSIDER THE DAVE GRUSCH REVELATIONS

1  
00:00:06,170 --> 00:00:03,350  
I gotta explain why I'm so excited right

2  
00:00:08,870 --> 00:00:06,180  
now right like I I'm excited because man

3  
00:00:11,810 --> 00:00:08,880  
it's been hard to keep people's trust

4  
00:00:13,910 --> 00:00:11,820  
and keep our mouth shut if people

5  
00:00:15,890 --> 00:00:13,920  
believe Dave or not is not going to be

6  
00:00:17,450 --> 00:00:15,900  
an issue it's either true or it's not

7  
00:00:19,910 --> 00:00:17,460  
true one of the things that was shared

8  
00:00:21,710 --> 00:00:19,920  
with us in the early going and it was

9  
00:00:24,529 --> 00:00:21,720  
shared with the understanding we would

10  
00:00:27,470 --> 00:00:24,539  
not make it public until or unless he

11  
00:00:29,929 --> 00:00:27,480  
gave the okay for it it was to it was

12  
00:00:32,810 --> 00:00:29,939  
documentation that showed what he was

13  
00:00:34,310 --> 00:00:32,820

going through back then and I I guess we

14

00:00:36,770 --> 00:00:34,320

should maybe make it public there have

15

00:00:37,970 --> 00:00:36,780

been references to these documents in

16

00:00:39,950 --> 00:00:37,980

some of the news coverage that's

17

00:00:42,770 --> 00:00:39,960

happened so far but nobody has released

18

00:00:45,530 --> 00:00:42,780

the document so I think we should

19

00:00:48,290 --> 00:00:45,540

Secrets cover-ups and strange phenomena

20

00:00:51,350 --> 00:00:48,300

UFOs and ideas that challenge reality

21

00:00:52,970 --> 00:00:51,360

itself all these Mysteries all this time

22

00:00:55,490 --> 00:00:52,980

are we ever going to get to the bottom

23

00:00:58,069 --> 00:00:55,500

of these my name is George Knapp I dig

24

00:01:00,350 --> 00:00:58,079

into news stories that others can't or

25

00:01:02,029 --> 00:01:00,360

won't I'm Jeremy Corbell and for some

26

00:01:04,070 --> 00:01:02,039

reason people tell me things they

27

00:01:05,329 --> 00:01:04,080

probably shouldn't

28

00:01:06,480 --> 00:01:05,339

and this

29

00:01:11,030 --> 00:01:06,490

is weapons

30

00:01:17,810 --> 00:01:13,850

this is weaponized this past week an

31

00:01:20,210 --> 00:01:17,820

atomic bomb was dropped on UFO World by

32

00:01:21,530 --> 00:01:20,220

a veteran intelligence officer a guy who

33

00:01:24,530 --> 00:01:21,540

had the highest levels of security

34

00:01:27,109 --> 00:01:24,540

clearances in our government a loyal

35

00:01:29,330 --> 00:01:27,119

trusted public servant a military

36

00:01:32,749 --> 00:01:29,340

veteran a guy with an impeccable record

37

00:01:34,010 --> 00:01:32,759

his name is David grush Jeremy we've

38

00:01:37,609 --> 00:01:34,020

been wanting to talk about Dave for a

39

00:01:40,310 --> 00:01:37,619

while I am so excited the world has

40

00:01:41,929 --> 00:01:40,320

finally heard what we have heard and

41

00:01:43,969 --> 00:01:41,939

known for some time and that we can

42

00:01:45,590 --> 00:01:43,979

openly talk about this why were we

43

00:01:48,069 --> 00:01:45,600

holding on to this let's tell people

44

00:01:52,910 --> 00:01:48,079

about sure let's tell people about first

45

00:01:54,469 --> 00:01:52,920

who is David grush well he's uh he's

46

00:01:56,330 --> 00:01:54,479

worked at the highest levels of the

47

00:01:58,249 --> 00:01:56,340

intelligence Community has the highest

48

00:02:00,530 --> 00:01:58,259

security clearances he works for an

49

00:02:02,690 --> 00:02:00,540

organization that's a three-letter

50

00:02:07,069 --> 00:02:02,700

agency but it's not all that well known

51  
00:02:10,190 --> 00:02:07,079  
NGA right so check it out on there's nro

52  
00:02:12,890 --> 00:02:10,200  
National reconnaissance office and you

53  
00:02:15,350 --> 00:02:12,900  
have the NGA National geospatial

54  
00:02:17,089 --> 00:02:15,360  
Intelligence Agency this is an

55  
00:02:19,850 --> 00:02:17,099  
interesting relationship between these

56  
00:02:21,530 --> 00:02:19,860  
two agencies so it would be nro you have

57  
00:02:24,530 --> 00:02:21,540  
a lot of equipment right you have a lot

58  
00:02:26,930 --> 00:02:24,540  
of Hardware you also have within the NGA

59  
00:02:29,470 --> 00:02:26,940  
you've got a lot of analysts and people

60  
00:02:31,550 --> 00:02:29,480  
with high access

61  
00:02:33,530 --> 00:02:31,560  
cross-platform of compartmentalization

62  
00:02:35,809 --> 00:02:33,540  
that can look at that information not

63  
00:02:36,710 --> 00:02:35,819

everybody but people have that what we

64

00:02:41,089 --> 00:02:36,720

know

65

00:02:44,869 --> 00:02:41,099

is that David grush is who he says he is

66

00:02:47,330 --> 00:02:44,879

what we know is that David grush was in

67

00:02:50,869 --> 00:02:47,340

the position that he says he was in what

68

00:02:54,890 --> 00:02:50,879

we know is it David grush had the access

69

00:02:58,009 --> 00:02:54,900

that he claims to have what we know

70

00:03:02,270 --> 00:02:58,019

is that David Rush was officially tasked

71

00:03:04,030 --> 00:03:02,280

by the uaptf which is the UAP Task Force

72

00:03:06,110 --> 00:03:04,040

at that time

73

00:03:08,270 --> 00:03:06,120

specifically to look into

74

00:03:11,869 --> 00:03:08,280

compartmentalized

75

00:03:14,750 --> 00:03:11,879

stove pipe black budget secret sap

76

00:03:16,910 --> 00:03:14,760

special access programs and it was

77

00:03:19,369 --> 00:03:16,920

uniquely qualified to do that because in

78

00:03:22,910 --> 00:03:19,379

his role before there was any UAP

79

00:03:26,149 --> 00:03:22,920

allegations or investigations he oversaw

80

00:03:29,149 --> 00:03:26,159

something like 2 000 sap special access

81

00:03:33,410 --> 00:03:29,159

programs of all kinds yet Dave grosh had

82

00:03:37,670 --> 00:03:33,420

access and the ability to because of his

83

00:03:40,910 --> 00:03:37,680

kind of extreme capability to to have

84

00:03:43,729 --> 00:03:40,920

access to these intelligence people and

85

00:03:46,009 --> 00:03:43,739

and programs he he was tasked to find

86

00:03:49,130 --> 00:03:46,019

out is something being hidden is

87

00:03:50,930 --> 00:03:49,140

something about UAP being hidden so

88

00:03:53,570 --> 00:03:50,940

because of his I mean it's just like an

89

00:03:55,850 --> 00:03:53,580

ultra access to this he was able to

90

00:03:58,550 --> 00:03:55,860

start doing official classified

91

00:04:00,350 --> 00:03:58,560

interviews with direct individuals

92

00:04:02,570 --> 00:04:00,360

involved in these programs and part of

93

00:04:05,330 --> 00:04:02,580

his responsibility is because of his he

94

00:04:07,789 --> 00:04:05,340

was a liaison to the UAP task force that

95

00:04:11,030 --> 00:04:07,799

was his job that's right that's right so

96

00:04:14,449 --> 00:04:11,040

so the in official capacity Dave grosh

97

00:04:18,849 --> 00:04:14,459

was doing his job and in doing his job

98

00:04:22,310 --> 00:04:18,859

he started to discover some incredible

99

00:04:24,469 --> 00:04:22,320

illegal activity no but look nobody

100

00:04:26,629 --> 00:04:24,479

wants to be a whistleblower and

101  
00:04:27,770 --> 00:04:26,639  
especially doesn't want to be forced to

102  
00:04:30,350 --> 00:04:27,780  
come forward

103  
00:04:32,270 --> 00:04:30,360  
David grush has tried to do this legally

104  
00:04:34,850 --> 00:04:32,280  
he's tried to do it the best way he

105  
00:04:37,370 --> 00:04:34,860  
could and he has succeeded he has never

106  
00:04:40,189 --> 00:04:37,380  
disclosed to my knowledge anything that

107  
00:04:42,830 --> 00:04:40,199  
is classified he has been very clear on

108  
00:04:45,350 --> 00:04:42,840  
getting this information before Arrow

109  
00:04:47,990 --> 00:04:45,360  
existed getting this information out to

110  
00:04:49,670 --> 00:04:48,000  
the public sorry getting this

111  
00:04:51,909 --> 00:04:49,680  
information into the proper

112  
00:04:54,710 --> 00:04:51,919  
investigatory channels

113  
00:04:57,350 --> 00:04:54,720

specifically the intelligence

114

00:05:01,129 --> 00:04:57,360

communities Inspector General

115

00:05:03,590 --> 00:05:01,139

as well as people like Avril Haynes who

116

00:05:05,330 --> 00:05:03,600

have authority right have authority to

117

00:05:08,689 --> 00:05:05,340

read the classified version so he is

118

00:05:12,469 --> 00:05:08,699

never in my knowledge breached any of

119

00:05:14,090 --> 00:05:12,479

his duties as a patriot as somebody that

120

00:05:16,310 --> 00:05:14,100

that knows that there have been illegal

121

00:05:18,770 --> 00:05:16,320

programs now when he discovered this

122

00:05:21,230 --> 00:05:18,780

when he discovered that there was

123

00:05:24,469 --> 00:05:21,240

illegal activity extraterrestrial or not

124

00:05:26,450 --> 00:05:24,479

he did the right thing and he reported

125

00:05:28,490 --> 00:05:26,460

it the right way

126  
00:05:30,710 --> 00:05:28,500  
we should say this is that you know the

127  
00:05:32,629 --> 00:05:30,720  
story came out in the debrief it was

128  
00:05:34,850 --> 00:05:32,639  
written by Ralph Blumenthal and Leslie

129  
00:05:37,909 --> 00:05:34,860  
Kane those two had worked on the big

130  
00:05:40,790 --> 00:05:37,919  
2017 story in the New York Times so they

131  
00:05:42,710 --> 00:05:40,800  
had a track record I think they tried to

132  
00:05:45,830 --> 00:05:42,720  
get it in different places

133  
00:05:47,629 --> 00:05:45,840  
all right with Dave's permission uh it

134  
00:05:49,670 --> 00:05:47,639  
didn't get published where they maybe

135  
00:05:52,370 --> 00:05:49,680  
had hoped it would get published but

136  
00:05:54,950 --> 00:05:52,380  
that it came out in the the debrief and

137  
00:05:57,170 --> 00:05:54,960  
then Ross Colt art a friend of ours he

138  
00:05:59,090 --> 00:05:57,180

gets the on camera interview and it

139

00:06:01,189 --> 00:05:59,100

explodes and of course the story is it's

140

00:06:03,170 --> 00:06:01,199

spread to Media all over the world since

141

00:06:05,689 --> 00:06:03,180

then and people have asked well if you

142

00:06:07,790 --> 00:06:05,699

guys knew Dave why didn't you do the

143

00:06:09,770 --> 00:06:07,800

story so why don't you explain how we

144

00:06:12,230 --> 00:06:09,780

met him and why we didn't do the story

145

00:06:14,629 --> 00:06:12,240

yeah that that's so first of all a big

146

00:06:18,350 --> 00:06:14,639

high five to us called heart big high

147

00:06:21,309 --> 00:06:18,360

five to Leslie and Ralph and and I don't

148

00:06:25,370 --> 00:06:21,319

I know that it wasn't the

149

00:06:27,890 --> 00:06:25,380

projected trajectory of bringing Dave's

150

00:06:29,870 --> 00:06:27,900

account forward to the public

151  
00:06:32,930 --> 00:06:29,880  
that there were sacrifices having to be

152  
00:06:37,129 --> 00:06:32,940  
made I know that there were loose lips

153  
00:06:39,409 --> 00:06:37,139  
that that required you know an action of

154  
00:06:42,350 --> 00:06:39,419  
getting this information public and

155  
00:06:44,749 --> 00:06:42,360  
forward the reason why I a lot of people

156  
00:06:46,490 --> 00:06:44,759  
ask it the reason why we didn't report

157  
00:06:48,890 --> 00:06:46,500  
on this prior

158  
00:06:51,890 --> 00:06:48,900  
just let me do let me go through a

159  
00:06:54,710 --> 00:06:51,900  
couple of things here you you had

160  
00:06:57,950 --> 00:06:54,720  
pre-knowledge of the United States now

161  
00:07:00,890 --> 00:06:57,960  
acknowledged government UFO program

162  
00:07:03,350 --> 00:07:00,900  
for let's just say a long time

163  
00:07:05,090 --> 00:07:03,360

you stepped out of the way to allow that

164

00:07:07,010 --> 00:07:05,100

to be reported through the New York

165

00:07:08,110 --> 00:07:07,020

Times that burned that hurt in any way

166

00:07:11,210 --> 00:07:08,120

oh

167

00:07:13,070 --> 00:07:11,220

to this day yeah of course it hurts why

168

00:07:15,170 --> 00:07:13,080

well I wanted to be able to break that

169

00:07:17,629 --> 00:07:15,180

story it was something I knew about for

170

00:07:19,550 --> 00:07:17,639

a long time I'd given my word that I

171

00:07:21,589 --> 00:07:19,560

wouldn't break it until somebody gave me

172

00:07:23,450 --> 00:07:21,599

the green light and when the green light

173

00:07:24,890 --> 00:07:23,460

was given it was not to me it was to

174

00:07:26,089 --> 00:07:24,900

somebody else and I could have broken

175

00:07:27,890 --> 00:07:26,099

the story

176

00:07:29,930 --> 00:07:27,900

what was really worked out pretty well

177

00:07:32,089 --> 00:07:29,940

it was better for the New York Times to

178

00:07:34,309 --> 00:07:32,099

break it because so it wasn't a UFO

179

00:07:36,950 --> 00:07:34,319

reporter in Las Vegas doing another UFO

180

00:07:39,529 --> 00:07:36,960

story it carried a lot more weight given

181

00:07:42,230 --> 00:07:39,539

that it was the paper of record so to be

182

00:07:45,230 --> 00:07:42,240

clear for public interest you put your

183

00:07:47,629 --> 00:07:45,240

ego aside and allowed that story to be

184

00:07:49,969 --> 00:07:47,639

broke by somebody else and other people

185

00:07:51,409 --> 00:07:49,979

in a publication because you're not the

186

00:07:53,029 --> 00:07:51,419

New York Times that is correct yeah I

187

00:07:54,770 --> 00:07:53,039

know I'm not the New York Times I

188

00:07:57,110 --> 00:07:54,780

reluctantly had to admit that to myself

189

00:07:59,570 --> 00:07:57,120

but I also knew it's not entirely

190

00:08:03,409 --> 00:07:59,580

selfless I also knew I knew enough about

191

00:08:05,150 --> 00:08:03,419

that program which was misnamed atep in

192

00:08:06,950 --> 00:08:05,160

the Articles it was actually called ASAP

193

00:08:09,529 --> 00:08:06,960

I knew enough about that program that

194

00:08:11,450 --> 00:08:09,539

I'd be able to do additional stories and

195

00:08:13,610 --> 00:08:11,460

fill in the blanks that other people did

196

00:08:16,309 --> 00:08:13,620

not know so it wasn't exactly an

197

00:08:18,589 --> 00:08:16,319

altruistic thing that I sacrificed okay

198

00:08:20,570 --> 00:08:18,599

so you knew you could clarify you found

199

00:08:23,029 --> 00:08:20,580

out that it wasn't quite accurate and

200

00:08:25,129 --> 00:08:23,039

being able to to correct the record is a

201  
00:08:27,170 --> 00:08:25,139  
value because it shows the Integrity of

202  
00:08:29,029 --> 00:08:27,180  
your reporting I get that not and I get

203  
00:08:31,010 --> 00:08:29,039  
to keep my word to the people who shared

204  
00:08:32,750 --> 00:08:31,020  
this information with me yeah right so

205  
00:08:35,449 --> 00:08:32,760  
let's talk about that let's talk about

206  
00:08:37,370 --> 00:08:35,459  
keeping your word so

207  
00:08:39,050 --> 00:08:37,380  
you'll recall you know even though we

208  
00:08:41,810 --> 00:08:39,060  
did break that story before the New York

209  
00:08:44,510 --> 00:08:41,820  
Times we didn't use any names my promise

210  
00:08:46,370 --> 00:08:44,520  
to Commander fraver maybe for four years

211  
00:08:50,329 --> 00:08:46,380  
we're talking before this goes out and

212  
00:08:52,970 --> 00:08:50,339  
we promised that his name and that story

213  
00:08:55,070 --> 00:08:52,980

wouldn't be identified specifically so

214

00:08:57,290 --> 00:08:55,080

we sat you people could say we sat on

215

00:08:59,509 --> 00:08:57,300

that but we did our best within the

216

00:09:03,110 --> 00:08:59,519

parameters we had but what we did was we

217

00:09:05,329 --> 00:09:03,120

kept the trust of a source and look

218

00:09:08,329 --> 00:09:05,339

people they want to break stories but

219

00:09:11,090 --> 00:09:08,339

sometimes all the time

220

00:09:12,949 --> 00:09:11,100

keeping your word and your trust what's

221

00:09:15,590 --> 00:09:12,959

the thing you always say about trust

222

00:09:18,290 --> 00:09:15,600

the way to become trusted is to actually

223

00:09:21,350 --> 00:09:18,300

be trustworthy right it sounds very

224

00:09:24,230 --> 00:09:21,360

fundamental so so here's the deal with

225

00:09:26,389 --> 00:09:24,240

Commander fravor how he found out that

226

00:09:28,610 --> 00:09:26,399

his name was out in the public and I

227

00:09:30,530 --> 00:09:28,620

warned him I told him he will attest to

228

00:09:32,389 --> 00:09:30,540

this that it was going to come out

229

00:09:34,850 --> 00:09:32,399

there's no putting this back but it

230

00:09:36,350 --> 00:09:34,860

wouldn't be for me how he found out his

231

00:09:40,009 --> 00:09:36,360

name was public

232

00:09:43,670 --> 00:09:40,019

I called him he was at work I said do

233

00:09:46,430 --> 00:09:43,680

you know he says know what oh my God so

234

00:09:49,009 --> 00:09:46,440

but that moment right where

235

00:09:53,449 --> 00:09:49,019

for all that time

236

00:09:56,509 --> 00:09:53,459

we kept that trust that allowed other

237

00:09:59,750 --> 00:09:56,519

people to come forward

238

00:10:02,990 --> 00:09:59,760

Dave grush approached us

239

00:10:04,430 --> 00:10:03,000

first and Dave grush I mean the first

240

00:10:06,230 --> 00:10:04,440

person outside the intelligence

241

00:10:07,550 --> 00:10:06,240

Community or the Inspector General of

242

00:10:11,030 --> 00:10:07,560

intelligence

243

00:10:15,110 --> 00:10:11,040

came to us now now why did he come to us

244

00:10:17,030 --> 00:10:15,120

and and why did we not spill beans right

245

00:10:19,190 --> 00:10:17,040

there George well let's let's confess

246

00:10:21,350 --> 00:10:19,200

this right off the bat we wish that we

247

00:10:23,690 --> 00:10:21,360

had broken this story I mean we'd like

248

00:10:25,670 --> 00:10:23,700

to be the first to come out with of the

249

00:10:28,310 --> 00:10:25,680

gate with the story because it's a big

250

00:10:30,949 --> 00:10:28,320

story but we didn't really think we

251  
00:10:33,350 --> 00:10:30,959  
would eventually get that opportunity uh

252  
00:10:36,829 --> 00:10:33,360  
Dave came to us because he needed help

253  
00:10:40,850 --> 00:10:36,839  
and he shared certain things with us at

254  
00:10:42,949 --> 00:10:40,860  
the seu conference back in June of 2022.

255  
00:10:45,470 --> 00:10:42,959  
now it started our conversation with

256  
00:10:46,850 --> 00:10:45,480  
them but we had an agreement with him we

257  
00:10:49,190 --> 00:10:46,860  
were never going to go public with this

258  
00:10:51,530 --> 00:10:49,200  
unless he gave us the green light and we

259  
00:10:53,329 --> 00:10:51,540  
understood from the beginning that if he

260  
00:10:55,250 --> 00:10:53,339  
had to go public there were other

261  
00:10:58,430 --> 00:10:55,260  
platforms that he preferred to go with

262  
00:11:01,069 --> 00:10:58,440  
other than us right we are the UFO guys

263  
00:11:04,069 --> 00:11:01,079

we can't get past that we broke some big

264

00:11:06,230 --> 00:11:04,079

stories and uh there is a part of me of

265

00:11:08,269 --> 00:11:06,240

course saying yeah we'd love to tell

266

00:11:10,730 --> 00:11:08,279

this full story right now like for the

267

00:11:13,069 --> 00:11:10,740

the last it's actually 14 months is is

268

00:11:15,410 --> 00:11:13,079

when the first understanding of who Dave

269

00:11:19,430 --> 00:11:15,420

was to the point when he first came

270

00:11:22,009 --> 00:11:19,440

physically with documents in hand to you

271

00:11:24,050 --> 00:11:22,019

in a in a bar which we'll explain in a

272

00:11:27,829 --> 00:11:24,060

second while has the bar but

273

00:11:29,750 --> 00:11:27,839

I also knew this whole time through I

274

00:11:31,610 --> 00:11:29,760

talked to Dave all the time like he he's

275

00:11:35,569 --> 00:11:31,620

become a friend through the vetting

276

00:11:39,650 --> 00:11:35,579

process to be honest right uh

277

00:11:42,949 --> 00:11:39,660

but I knew from from day one that if he

278

00:11:45,170 --> 00:11:42,959

had to go public that there are ways in

279

00:11:47,810 --> 00:11:45,180

which that could be most beneficial to

280

00:11:49,670 --> 00:11:47,820

to the public interest to public good

281

00:11:52,130 --> 00:11:49,680

we've talked through the whole way along

282

00:11:54,110 --> 00:11:52,140

it started optimal

283

00:11:55,550 --> 00:11:54,120

you know everybody wants something in

284

00:11:57,530 --> 00:11:55,560

the New York Times hey New York Times

285

00:11:59,870 --> 00:11:57,540

how about just covering the news how

286

00:12:03,170 --> 00:11:59,880

about that it's amazing to me to see

287

00:12:05,389 --> 00:12:03,180

these agencies asking me now how do we

288

00:12:06,829 --> 00:12:05,399

cover this UF UFO thing we've never done

289

00:12:08,389 --> 00:12:06,839

it right okay well now you've

290

00:12:10,190 --> 00:12:08,399

acknowledged it it's like Commander

291

00:12:11,750 --> 00:12:10,200

fraver he said he's the funniest thing

292

00:12:14,269 --> 00:12:11,760

he texted me the other day Commander

293

00:12:17,449 --> 00:12:14,279

fraver set the United States government

294

00:12:19,130 --> 00:12:17,459

is like an alcoholic with UFOs I go what

295

00:12:20,990 --> 00:12:19,140

are you talking about and he's like you

296

00:12:24,350 --> 00:12:21,000

gotta admit there's a problem before you

297

00:12:27,230 --> 00:12:24,360

can start dealing with it so this idea

298

00:12:29,269 --> 00:12:27,240

that of how a story of this magnitude

299

00:12:31,430 --> 00:12:29,279

which people can they need to judge it

300

00:12:33,470 --> 00:12:31,440

they need to ask for proof but how does

301

00:12:35,389 --> 00:12:33,480

that story get out to the public that

302

00:12:37,250 --> 00:12:35,399

was the whole thing that was the whole

303

00:12:39,110 --> 00:12:37,260

thing it started with maybe it would you

304

00:12:41,630 --> 00:12:39,120

know we maybe it would get to the New

305

00:12:43,250 --> 00:12:41,640

York Times maybe we'd get here maybe get

306

00:12:46,310 --> 00:12:43,260

there and then ultimately

307

00:12:49,370 --> 00:12:46,320

he was outed man his name got into the

308

00:12:51,769 --> 00:12:49,380

public space he was forced to come

309

00:12:53,750 --> 00:12:51,779

forward in this way rather than just

310

00:12:55,970 --> 00:12:53,760

being in through the channels but now

311

00:13:00,410 --> 00:12:55,980

here's the deal he did it because he has

312

00:13:03,290 --> 00:13:00,420

legitimate legitimate uh reprisal issues

313

00:13:04,910 --> 00:13:03,300

threats we were at the SCU conference in

314

00:13:06,829 --> 00:13:04,920

Huntsville Alabama we went down there

315

00:13:09,050 --> 00:13:06,839

it's a great event a lot of really

316

00:13:12,170 --> 00:13:09,060

interesting people uh live in that

317

00:13:15,470 --> 00:13:12,180

Community uh working in defense programs

318

00:13:17,150 --> 00:13:15,480

intelligence operations and it was a

319

00:13:18,889 --> 00:13:17,160

great excuse for a lot of those folks to

320

00:13:21,829 --> 00:13:18,899

get together and we were invited and we

321

00:13:23,690 --> 00:13:21,839

went along we took a camera and we're in

322

00:13:26,150 --> 00:13:23,700

it it's held in this little place it's

323

00:13:28,370 --> 00:13:26,160

like a club and a bar and we're in there

324

00:13:30,650 --> 00:13:28,380

and you're shooting video your your

325

00:13:33,650 --> 00:13:30,660

buddy Niles is shooting video at the

326

00:13:35,990 --> 00:13:33,660

exact moment when Dave Crush introduced

327

00:13:38,150 --> 00:13:36,000

himself that that was that that's so

328

00:13:40,009 --> 00:13:38,160

amazing now looking at this in hindsight

329

00:13:42,050 --> 00:13:40,019

because you didn't really tell me

330

00:13:43,610 --> 00:13:42,060

exactly what we're doing you had some

331

00:13:46,250 --> 00:13:43,620

people that you wanted us to meet meet

332

00:13:48,470 --> 00:13:46,260

with and to to record with and one of

333

00:13:50,569 --> 00:13:48,480

those people was Jay Stratton the world

334

00:13:52,550 --> 00:13:50,579

hadn't known anything at that point The

335

00:13:54,829 --> 00:13:52,560

World At Large had not known anything

336

00:13:59,569 --> 00:13:54,839

but we were also told well in advance

337

00:14:01,910 --> 00:13:59,579

that there were other people that are in

338

00:14:04,430 --> 00:14:01,920

position to know that we may be

339

00:14:07,610 --> 00:14:04,440

approached by or we may meet

340

00:14:10,310 --> 00:14:07,620

and man I yeah let's just be honest it

341

00:14:12,050 --> 00:14:10,320

sounds so crazy but it's true uh I

342

00:14:13,910 --> 00:14:12,060

brought my buddy Niles Harrison we've

343

00:14:16,129 --> 00:14:13,920

covered that in another episode and he

344

00:14:17,990 --> 00:14:16,139

was filming and little did I know as

345

00:14:19,370 --> 00:14:18,000

he's filming at this public event

346

00:14:21,889 --> 00:14:19,380

there's not supposed to be cameras there

347

00:14:25,850 --> 00:14:21,899

but they allowed us so thank you SCU

348

00:14:28,009 --> 00:14:25,860

I got that moment Niles got that moment

349

00:14:29,449 --> 00:14:28,019

when Dave gresh leans over to you for

350

00:14:32,449 --> 00:14:29,459

the first time unknown to the world

351

00:14:35,509 --> 00:14:32,459

right this is a year ago over a year ago

352

00:14:37,730 --> 00:14:35,519

and and starts talking with you and

353

00:14:39,170 --> 00:14:37,740

that's when that Pandora's Box by the

354

00:14:41,509 --> 00:14:39,180

way we ended up meeting out at a bar

355

00:14:42,590 --> 00:14:41,519

with Gary Nolan who's awesome and we

356

00:14:44,750 --> 00:14:42,600

ended up like just having a couple

357

00:14:48,110 --> 00:14:44,760

drinks and talking that's when it really

358

00:14:50,930 --> 00:14:48,120

sunk in if this is true

359

00:14:53,030 --> 00:14:50,940

if this is true

360

00:14:54,530 --> 00:14:53,040

where are we going I don't know it's top

361

00:14:56,569 --> 00:14:54,540

secret mission George Knapp doesn't tell

362

00:14:58,250 --> 00:14:56,579

me anything he abducts me and makes sure

363

00:15:00,410 --> 00:14:58,260

I travel or I get there okay with my

364

00:15:08,870 --> 00:15:00,420

toothpaste and then

365

00:15:14,269 --> 00:15:11,930

so a lot has happened in Huntsville

366

00:15:16,370 --> 00:15:14,279

Alabama and it's about to get real

367

00:15:19,129 --> 00:15:16,380

[h\_\_\h] interesting

368

00:15:21,170 --> 00:15:19,139

I mean the you know he's Dave is not

369

00:15:23,210 --> 00:15:21,180

coming forward to us or I think to

370

00:15:25,129 --> 00:15:23,220

anyone else because he wants to be a

371

00:15:27,350 --> 00:15:25,139

whistleblower because he wants a lot of

372

00:15:30,110 --> 00:15:27,360

attention I can imagine what his life is

373

00:15:32,930 --> 00:15:30,120

like right now uh this story that that

374

00:15:35,930 --> 00:15:32,940

went worldwide over the last week or so

375

00:15:38,509 --> 00:15:35,940

is not a pleasant experience for him it

376

00:15:40,370 --> 00:15:38,519

is not something that he wanted I'll bet

377

00:15:42,350 --> 00:15:40,380

it feels like a meat grinder right now

378

00:15:45,230 --> 00:15:42,360

for him all this attention for a guy

379

00:15:47,329 --> 00:15:45,240

who's lived and worked and operated in

380

00:15:50,090 --> 00:15:47,339

the shadows for all of his adult life

381

00:15:51,829 --> 00:15:50,100

and his entire intelligence career that

382

00:15:54,710 --> 00:15:51,839

it's very uncomfortable for him and

383

00:15:57,110 --> 00:15:54,720

including all the scurrilous attacks

384

00:15:59,810 --> 00:15:57,120

that are inevitable in UFO world but

385

00:16:01,670 --> 00:15:59,820

when he approached us to talk he was

386

00:16:04,670 --> 00:16:01,680

already frightened about where this was

387

00:16:06,650 --> 00:16:04,680

going he was concerned about the

388

00:16:08,269 --> 00:16:06,660

direction of the investigation and

389

00:16:12,050 --> 00:16:08,279

information that was being withheld

390

00:16:15,230 --> 00:16:12,060

right I respect Dave so much because he

391

00:16:17,810 --> 00:16:15,240

held to that line he held to that point

392

00:16:19,370 --> 00:16:17,820

of what is in a appropriate to say and

393

00:16:21,889 --> 00:16:19,380

inappropriate to convey and what is

394

00:16:24,530 --> 00:16:21,899

appropriate so he he came for because he

395

00:16:26,449 --> 00:16:24,540

was he was worried about his well-being

396

00:16:29,090 --> 00:16:26,459

straight up and hopefully he'll tell

397

00:16:33,889 --> 00:16:29,100

that story at some point but our job was

398

00:16:36,590 --> 00:16:33,899

to that is this some sham is this a guy

399

00:16:39,889 --> 00:16:36,600

is this some big conspiracy by some slow

400

00:16:41,389 --> 00:16:39,899

disclosure or a fake alien thing and I

401  
00:16:44,210 --> 00:16:41,399  
get it that people think that but our

402  
00:16:47,870 --> 00:16:44,220  
job for 14 months

403  
00:16:50,090 --> 00:16:47,880  
12 months in particular was to not tell

404  
00:16:53,329 --> 00:16:50,100  
this information that's the promise we

405  
00:16:56,449 --> 00:16:53,339  
made that's the promise we kept but we

406  
00:16:58,370 --> 00:16:56,459  
have hard physical documentation of some

407  
00:16:59,870 --> 00:16:58,380  
of this important stuff

408  
00:17:02,629 --> 00:16:59,880  
one of the things that was shared with

409  
00:17:04,429 --> 00:17:02,639  
us in the early going and it was shared

410  
00:17:07,250 --> 00:17:04,439  
with the understanding we would not make

411  
00:17:09,770 --> 00:17:07,260  
it public until or unless he gave the

412  
00:17:12,230 --> 00:17:09,780  
okay for it it was to it was

413  
00:17:15,169 --> 00:17:12,240

documentation that showed what he was

414

00:17:16,610 --> 00:17:15,179

going through back then and I I guess we

415

00:17:19,069 --> 00:17:16,620

should maybe make it public there have

416

00:17:20,270 --> 00:17:19,079

been references to these documents in

417

00:17:22,309 --> 00:17:20,280

some of the news coverage that's

418

00:17:24,890 --> 00:17:22,319

happened so far but nobody has released

419

00:17:27,409 --> 00:17:24,900

the document so I think we should like a

420

00:17:30,350 --> 00:17:27,419

readable version this is the

421

00:17:32,590 --> 00:17:30,360

unclassified Inspector General of

422

00:17:35,630 --> 00:17:32,600

intelligence Community official

423

00:17:39,950 --> 00:17:35,640

whistleblower complaint that we now know

424

00:17:43,909 --> 00:17:39,960

it was deemed both credible and Urgent

425

00:17:45,590 --> 00:17:43,919

so this is dated May 25th 2022 so it had

426  
00:17:48,169 --> 00:17:45,600  
been submitted to the inspector

427  
00:17:50,450 --> 00:17:48,179  
General's Office of the dni of the

428  
00:17:52,610 --> 00:17:50,460  
office of National Intelligence uh just

429  
00:17:55,010 --> 00:17:52,620  
about a week or so before we met Dave

430  
00:17:57,470 --> 00:17:55,020  
there but it had been going on in his

431  
00:18:00,049 --> 00:17:57,480  
life for a lot longer than that and I

432  
00:18:01,970 --> 00:18:00,059  
know for a fact that this was handed to

433  
00:18:05,150 --> 00:18:01,980  
the office of Avril Haynes who's the

434  
00:18:08,150 --> 00:18:05,160  
head of dni this information in full

435  
00:18:09,529 --> 00:18:08,160  
classified form is in The Possession has

436  
00:18:11,510 --> 00:18:09,539  
been in the possession of the people

437  
00:18:13,310 --> 00:18:11,520  
that need to know about it the complaint

438  
00:18:15,590 --> 00:18:13,320

reads in part

439

00:18:18,289 --> 00:18:15,600

section three

440

00:18:20,270 --> 00:18:18,299

Mr grush had Direct knowledge of

441

00:18:22,330 --> 00:18:20,280

intelligence Community elements that

442

00:18:25,850 --> 00:18:22,340

have purposely and intentionally

443

00:18:28,730 --> 00:18:25,860

withheld and or concealed UAP related

444

00:18:31,130 --> 00:18:28,740

classified information from the U.S

445

00:18:33,350 --> 00:18:31,140

Congress he has direct knowledge that

446

00:18:36,590 --> 00:18:33,360

this classified information has been

447

00:18:38,870 --> 00:18:36,600

withheld or concealed by the involved IC

448

00:18:41,029 --> 00:18:38,880

elements to purposely and intentionally

449

00:18:44,029 --> 00:18:41,039

thwart legitimate congressional

450

00:18:46,730 --> 00:18:44,039

oversight of the UAP program and he

451  
00:18:50,630 --> 00:18:46,740  
States further in part four in July of

452  
00:18:53,570 --> 00:18:50,640  
2021 full year 11 months before we ever

453  
00:18:56,930 --> 00:18:53,580  
met him Mr grush confidentially provided

454  
00:18:58,730 --> 00:18:56,940  
UAP related classified information to

455  
00:18:59,630 --> 00:18:58,740  
the Department of Defense Inspector

456  
00:19:02,570 --> 00:18:59,640  
General

457  
00:19:04,250 --> 00:19:02,580  
at that time he communicated classified

458  
00:19:05,930 --> 00:19:04,260  
information about the improper

459  
00:19:08,270 --> 00:19:05,940  
withholding and concealment of

460  
00:19:10,310 --> 00:19:08,280  
classified material from Congress he

461  
00:19:12,590 --> 00:19:10,320  
believes that his identity and the fact

462  
00:19:15,470 --> 00:19:12,600  
of his UAP related Communications with

463  
00:19:17,450 --> 00:19:15,480

the dod Inspector General have been

464

00:19:20,750 --> 00:19:17,460

disclosed to individuals and entities

465

00:19:24,110 --> 00:19:20,760

outside the dodig and he has suffered

466

00:19:26,810 --> 00:19:24,120

retaliation because of it he says since

467

00:19:29,029 --> 00:19:26,820

his protected disclosures to the

468

00:19:31,130 --> 00:19:29,039

Inspector General Mr grush has been

469

00:19:33,830 --> 00:19:31,140

subjected to numerous adverse security

470

00:19:37,010 --> 00:19:33,840

clearance actions those actions have

471

00:19:39,230 --> 00:19:37,020

unfairly impugned his Integrity his

472

00:19:40,669 --> 00:19:39,240

character judgment professionalism and

473

00:19:42,850 --> 00:19:40,679

mental health

474

00:19:45,110 --> 00:19:42,860

they got right down to it with him

475

00:19:47,930 --> 00:19:45,120

punching him in the gut as much as they

476  
00:19:50,750 --> 00:19:47,940  
could while he remains security cleared

477  
00:19:54,409 --> 00:19:50,760  
by the NGA his compartmentalized access

478  
00:19:56,450 --> 00:19:54,419  
to numerous other IC elements has been

479  
00:19:59,630 --> 00:19:56,460  
mysteriously and apparently without

480  
00:20:02,930 --> 00:19:59,640  
plausible explanation canceled delayed

481  
00:20:04,610 --> 00:20:02,940  
denied or improperly obstructed he has

482  
00:20:07,370 --> 00:20:04,620  
reason to believe that many recent

483  
00:20:10,430 --> 00:20:07,380  
issues with his access are directly

484  
00:20:14,630 --> 00:20:10,440  
related to his previous UAP protected

485  
00:20:14,640 --> 00:20:23,529  
foreign

486  
00:20:29,750 --> 00:20:26,630  
basically he's doing his job

487  
00:20:32,330 --> 00:20:29,760  
he passes information about UAP programs

488  
00:20:34,669 --> 00:20:32,340

up the chain command and as a result of

489

00:20:37,270 --> 00:20:34,679

doing his job they come after

490

00:20:41,289 --> 00:20:37,280

that's right and we're talking about

491

00:20:44,810 --> 00:20:41,299

specifically a legacy or multiple Legacy

492

00:20:48,970 --> 00:20:44,820

UFO exploitation programs reverse

493

00:20:52,549 --> 00:20:48,980

engineering and here are the claims

494

00:20:56,150 --> 00:20:52,559

non-terrestrial not made here on Earth

495

00:20:59,210 --> 00:20:56,160

what some people would say alien that's

496

00:21:02,210 --> 00:20:59,220

the claim from Hardware all the way I

497

00:21:05,450 --> 00:21:02,220

think we're going to learn to bodies now

498

00:21:08,090 --> 00:21:05,460

couple things what have we been doing

499

00:21:11,510 --> 00:21:08,100

for the last 14 months if not reporting

500

00:21:15,130 --> 00:21:11,520

on this I want to explain that right

501  
00:21:18,470 --> 00:21:15,140  
so we get it you keep a promise great

502  
00:21:20,270 --> 00:21:18,480  
however you don't just jump into a story

503  
00:21:22,610 --> 00:21:20,280  
because you learned about it two months

504  
00:21:24,590 --> 00:21:22,620  
ago I'm gonna be honest I'm the I'm the

505  
00:21:26,690 --> 00:21:24,600  
human Intel guy in our in our friendship

506  
00:21:29,870 --> 00:21:26,700  
right I'm gonna go after people try to

507  
00:21:32,810 --> 00:21:29,880  
understand through unknown sources to

508  
00:21:35,570 --> 00:21:32,820  
the public is this guy who he claims to

509  
00:21:37,430 --> 00:21:35,580  
be now that takes time on a story this

510  
00:21:38,270 --> 00:21:37,440  
big so you and I have been working on

511  
00:21:40,970 --> 00:21:38,280  
this

512  
00:21:43,130 --> 00:21:40,980  
to the point where we can independently

513  
00:21:44,990 --> 00:21:43,140

verify that this complaint by the way

514

00:21:46,549 --> 00:21:45,000

that his lawyer was uh used to be

515

00:21:48,470 --> 00:21:46,559

Inspector General of the intelligence

516

00:21:50,510 --> 00:21:48,480

community so that's pretty big dog now

517

00:21:51,830 --> 00:21:50,520

you know if they separate ways now we'll

518

00:21:54,350 --> 00:21:51,840

talk we'll let we'll let other people

519

00:21:56,450 --> 00:21:54,360

talk about that what that could mean

520

00:21:58,250 --> 00:21:56,460

but here's the deal man

521

00:22:00,830 --> 00:21:58,260

when you're looking at a case like this

522

00:22:02,630 --> 00:22:00,840

and you are vetting somebody you gotta

523

00:22:05,149 --> 00:22:02,640

do it right for my from a personal

524

00:22:07,669 --> 00:22:05,159

standpoint all the way up through any

525

00:22:09,529 --> 00:22:07,679

sources you have in a community so over

526

00:22:11,570 --> 00:22:09,539

that time what we've been trying to do

527

00:22:13,610 --> 00:22:11,580

is make sure that Dave not only is who

528

00:22:15,289 --> 00:22:13,620

he says he has had the axes he said and

529

00:22:17,810 --> 00:22:15,299

had the role and title and job which we

530

00:22:19,370 --> 00:22:17,820

confirmed all of that who is he as a

531

00:22:23,090 --> 00:22:19,380

person because all of this is going to

532

00:22:25,130 --> 00:22:23,100

hinge is he telling the truth that's

533

00:22:28,430 --> 00:22:25,140

what the public is going to need to know

534

00:22:31,490 --> 00:22:28,440

in order to absorb the veracity of these

535

00:22:34,370 --> 00:22:31,500

claims so look man I'm just going to

536

00:22:36,710 --> 00:22:34,380

speak openly and personally

537

00:22:39,470 --> 00:22:36,720

Davis who he says he is he's a man of

538

00:22:42,169 --> 00:22:39,480

character he's a man of integrity he's

539

00:22:44,210 --> 00:22:42,179

never crossed the line he parses his

540

00:22:47,810 --> 00:22:44,220

words he makes sure that he does it

541

00:22:49,490 --> 00:22:47,820

right and God damn I'm proud of him as a

542

00:22:52,070 --> 00:22:49,500

friend now he's a friend now I'm proud

543

00:22:53,930 --> 00:22:52,080

of him you know we got to meet him then

544

00:22:57,169 --> 00:22:53,940

and it started a conversation that's

545

00:22:59,510 --> 00:22:57,179

gone on ever since uh you know he was

546

00:23:00,890 --> 00:22:59,520

talking to us there but since then he's

547

00:23:03,409 --> 00:23:00,900

talked to you

548

00:23:06,950 --> 00:23:03,419

on a almost daily basis weekly basis

549

00:23:09,350 --> 00:23:06,960

yeah every week for sure sometimes a

550

00:23:11,570 --> 00:23:09,360

barrage per day I can attest to the fact

551

00:23:13,789 --> 00:23:11,580

uh first of all Dave's a good guy right

552

00:23:16,850 --> 00:23:13,799

he and he's a good one he's a good guy

553

00:23:19,430 --> 00:23:16,860

but but he's also good at at his job

554

00:23:21,830 --> 00:23:19,440

he's he's good as an intelligence agent

555

00:23:24,169 --> 00:23:21,840

we had some really weird insights into

556

00:23:25,909 --> 00:23:24,179

some of the shenanigans and reprisals

557

00:23:27,649 --> 00:23:25,919

and all that I mean look it got to the

558

00:23:29,270 --> 00:23:27,659

point where when I'm investigating

559

00:23:31,909 --> 00:23:29,280

somebody right when I'm trying to figure

560

00:23:33,649 --> 00:23:31,919

it out he came and stayed with me

561

00:23:35,270 --> 00:23:33,659

so he can't you know that's part of it

562

00:23:38,270 --> 00:23:35,280

is trying to learn

563

00:23:41,570 --> 00:23:38,280

who this person is now this is not

564

00:23:44,750 --> 00:23:41,580

highly advertised but they've had some

565

00:23:47,930 --> 00:23:44,760

very serious and I would never want them

566

00:23:50,330 --> 00:23:47,940

but but he had some obligations in his

567

00:23:54,110 --> 00:23:50,340

duties he has worked hard for our

568

00:23:57,770 --> 00:23:54,120

country so he is doing what he's doing

569

00:24:00,710 --> 00:23:57,780

because it is just it is right it's

570

00:24:04,190 --> 00:24:00,720

speaking truth to power that's his exact

571

00:24:09,110 --> 00:24:04,200

words to me so yeah our correspondence

572

00:24:11,810 --> 00:24:09,120

are digging or talking is durational uh

573

00:24:13,970 --> 00:24:11,820

it went deep and and on a personal level

574

00:24:16,490 --> 00:24:13,980

I wanted to know what is this person

575

00:24:18,110 --> 00:24:16,500

made out of kind of like I you know

576

00:24:18,950 --> 00:24:18,120

people don't make these connections

577

00:24:21,169 --> 00:24:18,960

but

578

00:24:22,970 --> 00:24:21,179

kind of like Lazar that's how that's how

579

00:24:25,970 --> 00:24:22,980

I started is I just wanted to know is is

580

00:24:27,770 --> 00:24:25,980

the guy worthy of my trust and then that

581

00:24:29,029 --> 00:24:27,780

was the whole investigation so that's

582

00:24:32,630 --> 00:24:29,039

the question people can ask is Dave

583

00:24:34,130 --> 00:24:32,640

worthy of your trust now what he said is

584

00:24:35,450 --> 00:24:34,140

different than what Lazar said because

585

00:24:38,090 --> 00:24:35,460

it sounds

586

00:24:42,289 --> 00:24:38,100

other than Lazar specifically worked on

587

00:24:44,750 --> 00:24:42,299

Hardware himself is the account

588

00:24:47,149 --> 00:24:44,760

we can prove or disprove it can be

589

00:24:49,549 --> 00:24:47,159

proved or disprove what Dave came across

590

00:24:51,590 --> 00:24:49,559

what he has what he stumbled upon what

591

00:24:53,390 --> 00:24:51,600

was hard of him to to be convinced of

592

00:24:55,250 --> 00:24:53,400

even though we'd all like this to be

593

00:24:56,990 --> 00:24:55,260

true he wants to know too yeah well

594

00:24:58,310 --> 00:24:57,000

let's get into some of the the things

595

00:25:00,649 --> 00:24:58,320

that he has said and some of the

596

00:25:01,970 --> 00:25:00,659

criticisms that have surfaced one of the

597

00:25:05,570 --> 00:25:01,980

first ones is he's talking about

598

00:25:08,330 --> 00:25:05,580

Hardware uh exotic Hardware made by

599

00:25:10,669 --> 00:25:08,340

non-humans that he learned about in the

600

00:25:13,250 --> 00:25:10,679

course of his own investigations and yet

601  
00:25:15,289 --> 00:25:13,260  
he admits he never personally saw this

602  
00:25:17,690 --> 00:25:15,299  
stuff he wasn't in a in a hangar where

603  
00:25:19,909 --> 00:25:17,700  
flying saucers are stored uh so how does

604  
00:25:22,130 --> 00:25:19,919  
he know okay so that's a problem that

605  
00:25:24,710 --> 00:25:22,140  
people bring up is he didn't see it let

606  
00:25:26,029 --> 00:25:24,720  
me explain a little bit of what over the

607  
00:25:28,850 --> 00:25:26,039  
last 14 months that we've been able to

608  
00:25:31,450 --> 00:25:28,860  
validate we've been able to validate

609  
00:25:36,350 --> 00:25:31,460  
first of all Dave is a domino you know

610  
00:25:38,750 --> 00:25:36,360  
he if the mechanisms of protection are

611  
00:25:41,450 --> 00:25:38,760  
in place as they should be for someone

612  
00:25:43,789 --> 00:25:41,460  
like Dave this is going to be a Cascade

613  
00:25:47,990 --> 00:25:43,799

of information because I know for a fact

614

00:25:50,289 --> 00:25:48,000

the in classified settings under oath

615

00:25:53,870 --> 00:25:50,299

where they could acknowledge the names

616

00:25:55,490 --> 00:25:53,880

the specific names of Legacy reverse

617

00:25:59,210 --> 00:25:55,500

engineering of non-terrestrial craft

618

00:26:00,529 --> 00:25:59,220

programs were disclosed with individuals

619

00:26:03,169 --> 00:26:00,539

and I'm going to say the word

620

00:26:05,269 --> 00:26:03,179

durationally meaning not a month not a

621

00:26:07,010 --> 00:26:05,279

week not something like we've heard from

622

00:26:09,590 --> 00:26:07,020

like Bob Bazaar back in the day but

623

00:26:11,930 --> 00:26:09,600

we're talking years physically working

624

00:26:14,029 --> 00:26:11,940

with materials have come forward

625

00:26:15,350 --> 00:26:14,039

and we've known this it's so hard to

626

00:26:17,090 --> 00:26:15,360

keep this back you know because we know

627

00:26:19,549 --> 00:26:17,100

it to be true they've come forward and

628

00:26:24,110 --> 00:26:19,559

testified under oath in classified

629

00:26:28,730 --> 00:26:24,120

settings program names Program locations

630

00:26:31,549 --> 00:26:28,740

other things than just Hardware

631

00:26:34,549 --> 00:26:31,559

people directly involved

632

00:26:37,070 --> 00:26:34,559

so he might not have seen it but under

633

00:26:39,230 --> 00:26:37,080

oath doing his investigation with these

634

00:26:41,630 --> 00:26:39,240

classified programs now my question is

635

00:26:44,090 --> 00:26:41,640

who has this information

636

00:26:46,190 --> 00:26:44,100

have they acted on it and if they've

637

00:26:48,590 --> 00:26:46,200

acted on it how do they get away with

638

00:26:50,750 --> 00:26:48,600

parsing these strange words publicly

639

00:26:52,370 --> 00:26:50,760

when they make like Arrow when they are

640

00:26:53,750 --> 00:26:52,380

choosing golf when they make some

641

00:26:55,850 --> 00:26:53,760

statement have you noticed that

642

00:26:58,010 --> 00:26:55,860

Shenanigans are these weasel words it's

643

00:27:00,049 --> 00:26:58,020

as if lawyers write this stuff the

644

00:27:02,930 --> 00:27:00,059

statements that they make in response to

645

00:27:06,409 --> 00:27:02,940

whatever the UFO story does your might

646

00:27:08,390 --> 00:27:06,419

be in response to Dave's uh statements

647

00:27:11,090 --> 00:27:08,400

and that have been reported in the media

648

00:27:13,130 --> 00:27:11,100

around the world Goff has a typical

649

00:27:17,149 --> 00:27:13,140

statement of hers the Department of

650

00:27:19,549 --> 00:27:17,159

Defense has no specific no Arrow has no

651  
00:27:21,590 --> 00:27:19,559  
specific evidence that there were

652  
00:27:23,330 --> 00:27:21,600  
reverse engineering alien spacecraft

653  
00:27:25,370 --> 00:27:23,340  
something along those lines yeah well

654  
00:27:28,250 --> 00:27:25,380  
Arrow might not have it

655  
00:27:29,870 --> 00:27:28,260  
or Arrow may not believe it but that

656  
00:27:31,430 --> 00:27:29,880  
doesn't say the Department of Defense or

657  
00:27:33,409 --> 00:27:31,440  
the intelligence Community doesn't have

658  
00:27:37,269 --> 00:27:33,419  
that information at all

659  
00:27:40,430 --> 00:27:37,279  
words are so important discovered

660  
00:27:42,710 --> 00:27:40,440  
verifiable something like that right so

661  
00:27:44,269 --> 00:27:42,720  
here's the alien too right right because

662  
00:27:46,370 --> 00:27:44,279  
that's extraterrestrial right right

663  
00:27:48,110 --> 00:27:46,380

right so so here's a here you know

664

00:27:49,970 --> 00:27:48,120

here's a wild Theory people will be

665

00:27:51,830 --> 00:27:49,980

throwing out once they get smartened up

666

00:27:54,950 --> 00:27:51,840

right which is that like what if there

667

00:27:56,690 --> 00:27:54,960

are secret programs that are filled with

668

00:27:58,490 --> 00:27:56,700

this information to make the people

669

00:28:00,470 --> 00:27:58,500

working on them think that these

670

00:28:03,230 --> 00:28:00,480

extraordinary Technologies are other

671

00:28:04,970 --> 00:28:03,240

Earthly as some sort of way to

672

00:28:08,269 --> 00:28:04,980

manipulate the narrative

673

00:28:11,570 --> 00:28:08,279

God that's a hilarious interesting but

674

00:28:14,630 --> 00:28:11,580

hilarious kind of theory here

675

00:28:17,690 --> 00:28:14,640

we are at a moment in this whole thing

676

00:28:20,930 --> 00:28:17,700

where finally we have the right process

677

00:28:25,850 --> 00:28:20,940

in place and people need to trust it

678

00:28:28,549 --> 00:28:25,860

Dave is the bullet test of the

679

00:28:31,730 --> 00:28:28,559

Whistleblower protection rights this is

680

00:28:34,070 --> 00:28:31,740

a presidential policy this is how he

681

00:28:37,669 --> 00:28:34,080

went forward when he came forward Arrow

682

00:28:40,909 --> 00:28:37,679

did not exist I I can tell you I know

683

00:28:43,490 --> 00:28:40,919

directly that Sean Kirkpatrick Dr Sean

684

00:28:46,669 --> 00:28:43,500

Kirkpatrick is fully aware

685

00:28:49,130 --> 00:28:46,679

of the the base understanding of what

686

00:28:50,750 --> 00:28:49,140

Dave grosh brought forward and that

687

00:28:53,510 --> 00:28:50,760

there are other people in those programs

688

00:28:55,850 --> 00:28:53,520

willing to talk now my question is and

689

00:28:58,850 --> 00:28:55,860

I've gotten different answers

690

00:29:00,470 --> 00:28:58,860

would Dr Kirkpatrick in his office have

691

00:29:07,430 --> 00:29:00,480

the authority

692

00:29:10,549 --> 00:29:07,440

to follow up on that Concrete Hard

693

00:29:14,149 --> 00:29:10,559

Evidence of physical locations of

694

00:29:16,490 --> 00:29:14,159

hardware and Beyond storage facilities

695

00:29:19,850 --> 00:29:16,500

of these programs does he would he do

696

00:29:21,649 --> 00:29:19,860

they have the clearances uh to have

697

00:29:23,870 --> 00:29:21,659

access to the kind of information Dave

698

00:29:25,789 --> 00:29:23,880

has shared behind closed doors I think

699

00:29:28,130 --> 00:29:25,799

the answer probably is no well hold on

700

00:29:29,810 --> 00:29:28,140

clearance is one thing that's there's

701

00:29:32,149 --> 00:29:29,820

two sides to the to the coin of

702

00:29:34,490 --> 00:29:32,159

intelligence there's clearance and

703

00:29:36,590 --> 00:29:34,500

there's need to know so the authority

704

00:29:38,750 --> 00:29:36,600

comes from need to know now I would say

705

00:29:42,529 --> 00:29:38,760

they do have a need to know but not

706

00:29:44,090 --> 00:29:42,539

everybody is convinced that arrow is

707

00:29:45,649 --> 00:29:44,100

going to do the right thing because of

708

00:29:47,570 --> 00:29:45,659

these public statements a lot of these

709

00:29:49,909 --> 00:29:47,580

dominoes a lot of these people that have

710

00:29:52,850 --> 00:29:49,919

direct first-hand knowledge why do they

711

00:29:55,730 --> 00:29:52,860

come to us a lot the majority of which

712

00:29:58,130 --> 00:29:55,740

people don't know publicly why do they

713

00:30:02,510 --> 00:29:58,140

do that it's because they do not trust

714

00:30:05,389 --> 00:30:02,520

this process yet but how so Dave grush's

715

00:30:07,669 --> 00:30:05,399

account is going to be treated is going

716

00:30:09,350 --> 00:30:07,679

to pave the way for if things need to

717

00:30:11,210 --> 00:30:09,360

come to journalists or if they need to

718

00:30:14,450 --> 00:30:11,220

go through the official process it would

719

00:30:18,110 --> 00:30:14,460

behoove the dod to treat this properly

720

00:30:20,870 --> 00:30:18,120

and to stop whoever is trying to create

721

00:30:22,549 --> 00:30:20,880

these reprisal aspects on on Mr Groves I

722

00:30:25,909 --> 00:30:22,559

mean we believe and we have good reason

723

00:30:28,130 --> 00:30:25,919

to believe that Dave has gone high up

724

00:30:31,250 --> 00:30:28,140

and has testified behind closed doors

725

00:30:33,769 --> 00:30:31,260

under oath to congressional committees

726

00:30:35,750 --> 00:30:33,779

and perhaps to other folks to tell the

727

00:30:38,149 --> 00:30:35,760

basic story We believe he has also

728

00:30:41,029 --> 00:30:38,159

helped Shepherd other people who have

729

00:30:43,789 --> 00:30:41,039

direct hands-on experience to tell that

730

00:30:46,190 --> 00:30:43,799

story as well does Sean Kirkpatrick and

731

00:30:48,889 --> 00:30:46,200

arrow know about this sure he does yes

732

00:30:50,750 --> 00:30:48,899

for sure he does he knows about it he

733

00:30:53,389 --> 00:30:50,760

has made the same kind of Weasley

734

00:30:55,909 --> 00:30:53,399

statements that Susan Goff has made oh

735

00:30:58,130 --> 00:30:55,919

well we have seen no really verifiable

736

00:31:01,190 --> 00:30:58,140

information about ET reverse engineering

737

00:31:03,169 --> 00:31:01,200

stuff weasily words okay you're throwing

738

00:31:07,250 --> 00:31:03,179

punches right now you're you you think

739

00:31:08,750 --> 00:31:07,260

that this is is not being handled by Dr

740

00:31:10,250 --> 00:31:08,760

Kirkpatrick and arrow the way it should

741

00:31:12,230 --> 00:31:10,260

be you're throwing punches yeah I think

742

00:31:14,029 --> 00:31:12,240

Congress has made it pretty clear they

743

00:31:15,769 --> 00:31:14,039

want this information they want to have

744

00:31:18,470 --> 00:31:15,779

access to it they want whistleblowers

745

00:31:21,169 --> 00:31:18,480

who have information direct hands-on

746

00:31:23,570 --> 00:31:21,179

experience with these Legacy programs to

747

00:31:25,970 --> 00:31:23,580

step forward those people are really

748

00:31:28,250 --> 00:31:25,980

reluctant as we know we talk to them we

749

00:31:30,409 --> 00:31:28,260

have we have passed people through the

750

00:31:32,210 --> 00:31:30,419

process that are verifiably who they say

751  
00:31:34,549 --> 00:31:32,220  
other people whose names are not yet

752  
00:31:37,669 --> 00:31:34,559  
known to the public or to the UFO world

753  
00:31:39,230 --> 00:31:37,679  
who want to tell the story who were

754  
00:31:41,570 --> 00:31:39,240  
hoping that the Whistleblower

755  
00:31:44,450 --> 00:31:41,580  
protections would work for them that

756  
00:31:46,430 --> 00:31:44,460  
they would be able to go to Arrow as the

757  
00:31:48,830 --> 00:31:46,440  
proper agency looking into this

758  
00:31:50,570 --> 00:31:48,840  
designated by Congress tell their story

759  
00:31:53,210 --> 00:31:50,580  
and that it would get out it would go to

760  
00:31:55,250 --> 00:31:53,220  
the places where it needs to go and now

761  
00:31:56,690 --> 00:31:55,260  
they're worried about it and Dave is a

762  
00:31:57,950 --> 00:31:56,700  
good example of why they should be

763  
00:32:00,110 --> 00:31:57,960

worried about it because of how he's

764

00:32:02,090 --> 00:32:00,120

been treated or he'll be a good example

765

00:32:03,649 --> 00:32:02,100

of why they can trust it the ball's in

766

00:32:05,649 --> 00:32:03,659

their court but we have a specific I

767

00:32:09,830 --> 00:32:05,659

want to read you something

768

00:32:13,430 --> 00:32:09,840

Dave gave me to to say so uh let me let

769

00:32:19,010 --> 00:32:15,409

okay I'm gonna have to look in the text

770

00:32:21,409 --> 00:32:19,020

here oh he just [h\_\_\h] called me [h\_\_\h]

771

00:32:24,590 --> 00:32:21,419

I'll call him right now full disclosure

772

00:32:26,910 --> 00:32:24,600

I'm sitting here with George cool oh

773

00:32:31,370 --> 00:32:26,920

okay sure yeah so check it out man

774

00:32:36,169 --> 00:32:33,590

things are happening in real time it's

775

00:32:38,330 --> 00:32:36,179

like crazy so what so what there's been

776

00:32:39,950 --> 00:32:38,340

this huge thing online that the

777

00:32:41,389 --> 00:32:39,960

inspector general of intelligence the

778

00:32:43,970 --> 00:32:41,399

former Inspector General of intelligence

779

00:32:45,529 --> 00:32:43,980

who is Dave's lawyer by the way great

780

00:32:48,350 --> 00:32:45,539

lawyer to have when you're doing this

781

00:32:50,870 --> 00:32:48,360

kind of thing did that firm dropped him

782

00:32:53,269 --> 00:32:50,880

and it to try to discredit him even in

783

00:32:55,730 --> 00:32:53,279

the publication that told his story it's

784

00:32:58,250 --> 00:32:55,740

like they've got a weird sub-agenda so

785

00:33:01,130 --> 00:32:58,260

they tried to make that seem mysterious

786

00:33:04,010 --> 00:33:01,140

is it what just happened that call what

787

00:33:05,029 --> 00:33:04,020

just happened according to to Dave

788

00:33:07,549 --> 00:33:05,039

um

789

00:33:11,389 --> 00:33:07,559

that law firm represents whistleblowers

790

00:33:13,430 --> 00:33:11,399

and active duty government employees

791

00:33:16,789 --> 00:33:13,440

Dave is no longer a government employee

792

00:33:19,009 --> 00:33:16,799

he left and so the firm that would

793

00:33:21,889 --> 00:33:19,019

normally represent him has been peeled

794

00:33:23,750 --> 00:33:21,899

off however to suggest that it's somehow

795

00:33:26,269 --> 00:33:23,760

this big split that they don't believe

796

00:33:28,789 --> 00:33:26,279

him is completely wrong because the

797

00:33:31,730 --> 00:33:28,799

lawyer who represented him all the way

798

00:33:34,190 --> 00:33:31,740

through this the guy who used to be with

799

00:33:36,830 --> 00:33:34,200

the ig's office is still representing

800

00:33:38,330 --> 00:33:36,840

him is he's peeled off from the firm and

801  
00:33:40,970 --> 00:33:38,340  
is still sticking with Dave we're

802  
00:33:43,789 --> 00:33:40,980  
talking about the former Inspector

803  
00:33:45,289 --> 00:33:43,799  
General of intelligence so what you're

804  
00:33:48,169 --> 00:33:45,299  
telling me and what I'm telling you and

805  
00:33:50,389 --> 00:33:48,179  
what we know to be fact is that this

806  
00:33:54,289 --> 00:33:50,399  
individual is leaving their Law Firm to

807  
00:33:57,230 --> 00:33:54,299  
privately because of uh faith and belief

808  
00:33:58,970 --> 00:33:57,240  
and trust and righteousness to to be

809  
00:34:01,490 --> 00:33:58,980  
right there next today I can imagine

810  
00:34:04,009 --> 00:34:01,500  
what it's been like the last week for

811  
00:34:06,470 --> 00:34:04,019  
that law firm to be pounded and hounded

812  
00:34:10,129 --> 00:34:06,480  
by media from all over the world not

813  
00:34:12,770 --> 00:34:10,139

only reporters and producers and demands

814

00:34:14,270 --> 00:34:12,780

for interviews but also all the UFO

815

00:34:16,730 --> 00:34:14,280

crazies who have been pounding them with

816

00:34:18,349 --> 00:34:16,740

the criticisms and questions and things

817

00:34:20,210 --> 00:34:18,359

of that sort so I'm sure that

818

00:34:22,430 --> 00:34:20,220

representing somebody who is now as high

819

00:34:24,710 --> 00:34:22,440

profile as Dave is is a headache for him

820

00:34:26,089 --> 00:34:24,720

so they might use the excuse well he

821

00:34:29,389 --> 00:34:26,099

doesn't work for the government anymore

822

00:34:31,669 --> 00:34:29,399

we're leaving him but the lawyer who's

823

00:34:33,950 --> 00:34:31,679

known him the best who's worked with him

824

00:34:36,230 --> 00:34:33,960

through this whole process is sticking

825

00:34:38,930 --> 00:34:36,240

with him because he knows Dave is a

826

00:34:41,510 --> 00:34:38,940

legitimate guy and he's going to have

827

00:34:43,669 --> 00:34:41,520

his back as we will I gotta explain why

828

00:34:46,849 --> 00:34:43,679

I'm so excited right now right like I I

829

00:34:49,190 --> 00:34:46,859

am excited because man it's been hard to

830

00:34:50,149 --> 00:34:49,200

keep people's trust and keep our mouth

831

00:34:52,730 --> 00:34:50,159

shut

832

00:34:54,770 --> 00:34:52,740

if people believe Dave or not is not

833

00:34:57,890 --> 00:34:54,780

going to be an issue it's either true or

834

00:34:59,810 --> 00:34:57,900

it's not true right and we now are in a

835

00:35:02,390 --> 00:34:59,820

moment where this can be proven so I'm

836

00:35:04,910 --> 00:35:02,400

excited because man I you get this too

837

00:35:06,650 --> 00:35:04,920

you sat on a story for so long by the

838

00:35:08,270 --> 00:35:06,660

time it comes out whether through you or

839

00:35:10,010 --> 00:35:08,280

through other people what is that like

840

00:35:12,410 --> 00:35:10,020

what is that feeling like when something

841

00:35:14,150 --> 00:35:12,420

you've been keeping secret finally comes

842

00:35:15,710 --> 00:35:14,160

out well it's good it's a good feeling

843

00:35:17,930 --> 00:35:15,720

you know especially when you got

844

00:35:20,510 --> 00:35:17,940

somebody as credible as Dave it it's

845

00:35:22,849 --> 00:35:20,520

frustrating if if the story comes out

846

00:35:25,130 --> 00:35:22,859

from someone else obviously there's a

847

00:35:26,690 --> 00:35:25,140

it's a mixed bag of emotions there but

848

00:35:28,910 --> 00:35:26,700

you're glad the information finally

849

00:35:31,609 --> 00:35:28,920

comes out and gets taken seriously in

850

00:35:33,650 --> 00:35:31,619

Dave's case he has testified under oath

851

00:35:36,890 --> 00:35:33,660

about not only the things that the

852

00:35:39,170 --> 00:35:36,900

public has now heard but a lot more he's

853

00:35:41,150 --> 00:35:39,180

not only as he testified under oath but

854

00:35:43,910 --> 00:35:41,160

he's knows that he's helped Shepherd

855

00:35:46,250 --> 00:35:43,920

other people who have much more direct

856

00:35:48,170 --> 00:35:46,260

Hands-On knowledge who have also

857

00:35:50,210 --> 00:35:48,180

testified under oath there is so much

858

00:35:52,970 --> 00:35:50,220

more that the public does not know

859

00:35:55,130 --> 00:35:52,980

people are grasping at straws looking

860

00:35:57,710 --> 00:35:55,140

for a way to discredit Dave for example

861

00:35:59,510 --> 00:35:57,720

they're complaining that we once met

862

00:36:02,270 --> 00:35:59,520

with him at a Star Trek convention in

863

00:36:04,490 --> 00:36:02,280

Las Vegas oh my God oh my God he must be

864

00:36:06,770 --> 00:36:04,500

some crazy Trekkie guy you can't believe

865

00:36:09,050 --> 00:36:06,780

anything he says he loves The Wrath of

866

00:36:10,970 --> 00:36:09,060

Khan therefore we gotta dismiss this

867

00:36:14,510 --> 00:36:10,980

whole thing so let's tell this story how

868

00:36:16,069 --> 00:36:14,520

that happened yeah guilty we we actually

869

00:36:17,390 --> 00:36:16,079

we actually did need to start a

870

00:36:19,069 --> 00:36:17,400

convention

871

00:36:20,990 --> 00:36:19,079

um okay so here's

872

00:36:22,730 --> 00:36:21,000

I guess it seems so mysterious from the

873

00:36:25,430 --> 00:36:22,740

outside so

874

00:36:29,450 --> 00:36:25,440

my childhood friend one of my best

875

00:36:31,310 --> 00:36:29,460

friends is a a guy named Rod Roddenberry

876

00:36:33,050 --> 00:36:31,320

his his real name is uh Eugene

877

00:36:35,569 --> 00:36:33,060

Roddenberry he's the son of Gene

878

00:36:37,250 --> 00:36:35,579

Roddenberry creator of Star Trek we grew

879

00:36:40,550 --> 00:36:37,260

up together we trained Jujitsu together

880

00:36:43,130 --> 00:36:40,560

we bled in sport fighting together he is

881

00:36:44,810 --> 00:36:43,140

a dear friend of mine and has always

882

00:36:47,690 --> 00:36:44,820

asked that you and I might do a kind of

883

00:36:49,490 --> 00:36:47,700

UFO talk at some Star Trek thing and I I

884

00:36:51,170 --> 00:36:49,500

love Star Trek it's totally cool I'm not

885

00:36:54,410 --> 00:36:51,180

super knowledgeable about it but I love

886

00:36:57,290 --> 00:36:54,420

it so I thought man they're doing it in

887

00:37:00,290 --> 00:36:57,300

Vegas Rod is asking us to do a a

888

00:37:02,030 --> 00:37:00,300

conference uh I know I can get you there

889

00:37:04,190 --> 00:37:02,040

despite your travel curse because it's

890

00:37:06,530 --> 00:37:04,200

in your backyard and how fun would that

891

00:37:08,569 --> 00:37:06,540

be you know how fun would that be so

892

00:37:11,690 --> 00:37:08,579

talking with Dave at that time during

893

00:37:13,250 --> 00:37:11,700

all the vetting and this process uh I

894

00:37:16,490 --> 00:37:13,260

asked him I said would you be interested

895

00:37:19,190 --> 00:37:16,500

in meeting us there uh just to just to

896

00:37:21,589 --> 00:37:19,200

continue talking about what's going on

897

00:37:23,270 --> 00:37:21,599

in your life and where it's going and he

898

00:37:25,730 --> 00:37:23,280

was like oh yeah I'm stoked I love Star

899

00:37:28,190 --> 00:37:25,740

Trek I'll be there he loves it too is

900

00:37:30,109 --> 00:37:28,200

that a crime by the way I know he wasn't

901  
00:37:32,089 --> 00:37:30,119  
dressed as a Klingon by the way for the

902  
00:37:34,190 --> 00:37:32,099  
record he didn't come in a costume yeah

903  
00:37:36,109 --> 00:37:34,200  
uh he came to the event he heard our

904  
00:37:38,510 --> 00:37:36,119  
presentation we spent some time together

905  
00:37:41,210 --> 00:37:38,520  
to talk about topics of mutual interest

906  
00:37:43,069 --> 00:37:41,220  
and and in fact I kind of thought it was

907  
00:37:45,650 --> 00:37:43,079  
a greater level of protection here's a

908  
00:37:47,990 --> 00:37:45,660  
guy that is receiving true threats to

909  
00:37:49,849 --> 00:37:48,000  
his and his family's well-being and I

910  
00:37:52,190 --> 00:37:49,859  
thought well if we're in a public place

911  
00:37:53,450 --> 00:37:52,200  
and that connection can be made later so

912  
00:37:55,370 --> 00:37:53,460  
we actually

913  
00:37:57,530 --> 00:37:55,380

um brought a friend in as kind of a

914

00:37:59,329 --> 00:37:57,540

witness didn't tell him much but just

915

00:38:01,069 --> 00:37:59,339

made sure he knew that there was another

916

00:38:03,770 --> 00:38:01,079

pair of eyes and that was our friend Joe

917

00:38:05,390 --> 00:38:03,780

murga right Joe was there spent some

918

00:38:07,430 --> 00:38:05,400

time heard some of what our

919

00:38:09,170 --> 00:38:07,440

conversations were yeah just the basic

920

00:38:11,810 --> 00:38:09,180

conversations as journalists when we're

921

00:38:13,910 --> 00:38:11,820

interacting with individuals

922

00:38:16,010 --> 00:38:13,920

where we we can't tell something yet

923

00:38:18,890 --> 00:38:16,020

here's the part that has not been made

924

00:38:21,650 --> 00:38:18,900

public is so Dave was there in Las Vegas

925

00:38:24,230 --> 00:38:21,660

with us at the Star Trek big event very

926

00:38:26,390 --> 00:38:24,240

cool event and we had many conversations

927

00:38:30,050 --> 00:38:26,400

during the course of those two days the

928

00:38:33,109 --> 00:38:30,060

next day he flies back east and reports

929

00:38:34,670 --> 00:38:33,119

to work and it hit the fan and we were

930

00:38:37,310 --> 00:38:34,680

concerned that it might have been

931

00:38:39,589 --> 00:38:37,320

somehow related to him being seen with

932

00:38:42,349 --> 00:38:39,599

us in public describe what happened to

933

00:38:44,390 --> 00:38:42,359

him when he got to work that day uh I I

934

00:38:47,450 --> 00:38:44,400

maybe that's a that's too far to go I

935

00:38:48,589 --> 00:38:47,460

don't know maybe that's okay so here's

936

00:38:49,849 --> 00:38:48,599

the deal

937

00:38:55,190 --> 00:38:49,859

um

938

00:38:58,190 --> 00:38:55,200

I am being absolutely clear with this I

939

00:39:00,470 --> 00:38:58,200

respect how Dave has handled the

940

00:39:02,810 --> 00:39:00,480

pressure that he's been under he has net

941

00:39:03,910 --> 00:39:02,820

I to you tell me if to you he has never

942

00:39:06,770 --> 00:39:03,920

disclosed something to me

943

00:39:10,010 --> 00:39:06,780

inappropriately he has always maintained

944

00:39:13,849 --> 00:39:10,020

the straight line of what he can say

945

00:39:16,970 --> 00:39:13,859

so meeting there it was more like

946

00:39:19,790 --> 00:39:16,980

getting to know him but also allowing

947

00:39:22,069 --> 00:39:19,800

just some public knowledge that would

948

00:39:23,810 --> 00:39:22,079

come out later that like okay look he

949

00:39:25,609 --> 00:39:23,820

started this process this isn't like a

950

00:39:26,450 --> 00:39:25,619

whim this isn't like a big conspiracy

951  
00:39:28,849 --> 00:39:26,460  
thing

952  
00:39:30,890 --> 00:39:28,859  
but I guess we'll so we will say so Dave

953  
00:39:33,829 --> 00:39:30,900  
had a lot of reprisal one of the things

954  
00:39:37,190 --> 00:39:33,839  
at some point is that he was uh and it's

955  
00:39:39,829 --> 00:39:37,200  
in the IG he was he was stripped of

956  
00:39:42,109 --> 00:39:39,839  
access you know to his clearances and

957  
00:39:43,970 --> 00:39:42,119  
whatnot and that and that did happen the

958  
00:39:47,450 --> 00:39:43,980  
the day he got home from from being with

959  
00:39:49,910 --> 00:39:47,460  
us but his problems started prior when

960  
00:39:53,930 --> 00:39:49,920  
they found out that in his IG report

961  
00:39:56,329 --> 00:39:53,940  
before we met that they were doing that

962  
00:39:59,270 --> 00:39:56,339  
they were angling on him because of what

963  
00:40:01,609 --> 00:39:59,280

he uncovered the illegal programs that

964

00:40:04,190 --> 00:40:01,619

is coincidence and he doesn't blame us

965

00:40:07,190 --> 00:40:04,200

and we don't try to put anything on that

966

00:40:09,589 --> 00:40:07,200

but as journalists it's good for us to

967

00:40:11,690 --> 00:40:09,599

know that that is the level of pressure

968

00:40:13,790 --> 00:40:11,700

he was under now by the way he was

969

00:40:17,329 --> 00:40:13,800

cleared of all of that completely

970

00:40:20,930 --> 00:40:17,339

cleared that was a [h\_\_\h] [h\_\_\h] up

971

00:40:24,050 --> 00:40:20,940

attempt to try to uh intimidate him 100

972

00:40:26,030 --> 00:40:24,060

and keep him quiet 100 yeah why why

973

00:40:28,069 --> 00:40:26,040

would well I mean it's coincidental that

974

00:40:29,690 --> 00:40:28,079

he beats with us in Las Vegas he goes to

975

00:40:31,849 --> 00:40:29,700

the Star Trek event and then the next

976

00:40:33,710 --> 00:40:31,859

day when he gets back they walk him out

977

00:40:36,410 --> 00:40:33,720

they strip him as clearance they suspend

978

00:40:38,810 --> 00:40:36,420

him they suspend the experiences and and

979

00:40:41,290 --> 00:40:38,820

then he has to fight to get his job back

980

00:40:43,970 --> 00:40:41,300

which he did and he fought

981

00:40:45,890 --> 00:40:43,980

and he won and he provided everything it

982

00:40:47,089 --> 00:40:45,900

was [h\_\_h] and that's the kind of

983

00:40:48,710 --> 00:40:47,099

thing that stopped people so everybody

984

00:40:50,089 --> 00:40:48,720

asked like why don't you just put

985

00:40:52,370 --> 00:40:50,099

something out why don't you do this why

986

00:40:54,770 --> 00:40:52,380

don't you do that do you realize

987

00:40:58,069 --> 00:40:54,780

people that put their heads above the

988

00:40:59,450 --> 00:40:58,079

parapit are often shot at so that's what

989

00:41:01,130 --> 00:40:59,460

we're seeing that they're not whether

990

00:41:02,450 --> 00:41:01,140

you believe Dave or not that's up to you

991

00:41:04,250 --> 00:41:02,460

but we we're going to get to the bottom

992

00:41:05,930 --> 00:41:04,260

of that but that's just that's a human

993

00:41:07,130 --> 00:41:05,940

thing let's be honest that's a human I

994

00:41:08,870 --> 00:41:07,140

mean you know something that we've

995

00:41:10,370 --> 00:41:08,880

talked about many times and through the

996

00:41:12,230 --> 00:41:10,380

course of my career as a journalist

997

00:41:16,730 --> 00:41:12,240

sometimes you have to protect your

998

00:41:19,490 --> 00:41:16,740

sources even from themselves so Dave has

999

00:41:21,109 --> 00:41:19,500

maintained strict rules about what we

1000

00:41:22,849 --> 00:41:21,119

could know and what we couldn't and he

1001

00:41:25,490 --> 00:41:22,859

never crossed a line he never told us

1002

00:41:27,710 --> 00:41:25,500

things that we should not know that is

1003

00:41:29,690 --> 00:41:27,720

classified uh very specific information

1004

00:41:32,630 --> 00:41:29,700

the kinds of questions that the public

1005

00:41:35,270 --> 00:41:32,640

now has he didn't cross that line in Las

1006

00:41:37,250 --> 00:41:35,280

Vegas and he didn't deserve to be

1007

00:41:39,109 --> 00:41:37,260

treated as he was when he got back to

1008

00:41:41,569 --> 00:41:39,119

work but that wasn't the first time he

1009

00:41:44,450 --> 00:41:41,579

was already under pressure as of July of

1010

00:41:47,990 --> 00:41:44,460

2021 they were coming after him because

1011

00:41:49,069 --> 00:41:48,000

they knew what he knew and in my

1012

00:41:50,390 --> 00:41:49,079

personal

1013

00:41:54,770 --> 00:41:50,400

human

1014

00:41:57,230 --> 00:41:54,780

to see what is this guy made of who does

1015

00:42:00,890 --> 00:41:57,240

he know what's going on

1016

00:42:04,190 --> 00:42:00,900

other people have looser lips

1017

00:42:06,290 --> 00:42:04,200

so we have learned a number of things

1018

00:42:07,970 --> 00:42:06,300

which we hope we know have been shared

1019

00:42:10,130 --> 00:42:07,980

in classified settings

1020

00:42:12,290 --> 00:42:10,140

and we do hope the public gets to know

1021

00:42:15,349 --> 00:42:12,300

that through the proper channels that is

1022

00:42:18,109 --> 00:42:15,359

information if true and correct it is of

1023

00:42:19,250 --> 00:42:18,119

public interest on a scale that I think

1024

00:42:21,770 --> 00:42:19,260

is is

1025

00:42:23,810 --> 00:42:21,780

it's changing it's it's transformative

1026

00:42:26,150 --> 00:42:23,820

one of the other things that comes up is

1027

00:42:28,430 --> 00:42:26,160

is Dave just repeating stuff that he's

1028

00:42:30,589 --> 00:42:28,440

heard from the UFO Echo chamber other

1029

00:42:32,329 --> 00:42:30,599

people who are in these circles who've

1030

00:42:35,030 --> 00:42:32,339

been through part of what he's gone

1031

00:42:36,710 --> 00:42:35,040

through who have gone public and said

1032

00:42:38,510 --> 00:42:36,720

these things is he just repeating things

1033

00:42:40,609 --> 00:42:38,520

you've heard heard from say Lou

1034

00:42:43,130 --> 00:42:40,619

Alexander and and the answer they do

1035

00:42:45,710 --> 00:42:43,140

know each other the answer is no let's

1036

00:42:47,930 --> 00:42:45,720

let Dave speak for himself

1037

00:42:49,670 --> 00:42:47,940

he told me that you know he gave me a

1038

00:42:51,410 --> 00:42:49,680

direct statement on that and I want to

1039

00:42:53,030 --> 00:42:51,420

share that let's let's let Dave speak

1040

00:42:55,849 --> 00:42:53,040

for himself I'm going to just read it

1041

00:42:59,089 --> 00:42:55,859

sure during my investigations very

1042

00:43:02,510 --> 00:42:59,099

little was from the usual crowd that has

1043

00:43:06,589 --> 00:43:02,520

some knowledge most people that confirm

1044

00:43:09,230 --> 00:43:06,599

details to icig our current government

1045

00:43:11,990 --> 00:43:09,240

employees with top secret clearances

1046

00:43:14,510 --> 00:43:12,000

people that literally handled the

1047

00:43:16,970 --> 00:43:14,520

materials in the classified program

1048

00:43:20,089 --> 00:43:16,980

those individuals provided exact

1049

00:43:22,849 --> 00:43:20,099

locations where the stuff was and I'm

1050

00:43:25,670 --> 00:43:22,859

going to say or is so what Dave is

1051  
00:43:27,589 --> 00:43:25,680  
saying there is that it's not from the

1052  
00:43:31,069 --> 00:43:27,599  
known names and people that have like

1053  
00:43:33,410 --> 00:43:31,079  
some information that during his

1054  
00:43:35,450 --> 00:43:33,420  
investigation this is what people the

1055  
00:43:38,890 --> 00:43:35,460  
public are unaware of they're in these

1056  
00:43:42,650 --> 00:43:38,900  
stove piped sap special access program

1057  
00:43:45,050 --> 00:43:42,660  
compartmentalized saps so these are the

1058  
00:43:47,870 --> 00:43:45,060  
quality of people not that he's just

1059  
00:43:51,170 --> 00:43:47,880  
saying but that have actually testified

1060  
00:43:53,030 --> 00:43:51,180  
to back up and given the goods they were

1061  
00:43:56,150 --> 00:43:53,040  
required to they were under an

1062  
00:43:57,349 --> 00:43:56,160  
investigation they gave the goods so if

1063  
00:44:00,109 --> 00:43:57,359

this is true

1064

00:44:02,329 --> 00:44:00,119

which I believe it is true now

1065

00:44:04,370 --> 00:44:02,339

the question is are we going to learn

1066

00:44:06,650 --> 00:44:04,380

about it publicly

1067

00:44:09,170 --> 00:44:06,660

you know Dave has access to multiple

1068

00:44:11,510 --> 00:44:09,180

levels of information there are he does

1069

00:44:13,849 --> 00:44:11,520

have communications with some of the

1070

00:44:15,410 --> 00:44:13,859

names that are known in UFO world people

1071

00:44:17,870 --> 00:44:15,420

who've already come out and have gone

1072

00:44:20,510 --> 00:44:17,880

public but more importantly has access

1073

00:44:22,670 --> 00:44:20,520

direct access to many of the names

1074

00:44:25,309 --> 00:44:22,680

who've had hands-on experience with

1075

00:44:28,370 --> 00:44:25,319

these programs who have testified under

1076

00:44:30,829 --> 00:44:28,380

oath in Congress and elsewhere he has

1077

00:44:32,329 --> 00:44:30,839

access to them as well he has access to

1078

00:44:34,490 --> 00:44:32,339

a lot of information that he would not

1079

00:44:36,109 --> 00:44:34,500

even share with us that he would not

1080

00:44:38,270 --> 00:44:36,119

cross a line and tell the public about

1081

00:44:40,609 --> 00:44:38,280

in fact I think we need to make the

1082

00:44:42,950 --> 00:44:40,619

point that this story broke in a way

1083

00:44:44,930 --> 00:44:42,960

that he did not want it to go out he did

1084

00:44:46,309 --> 00:44:44,940

not want it to be this way I think the

1085

00:44:47,930 --> 00:44:46,319

journalists who are working with him

1086

00:44:49,970 --> 00:44:47,940

Leslie and Ralph didn't want it to be

1087

00:44:51,650 --> 00:44:49,980

this way either but somebody leaked his

1088

00:44:53,930 --> 00:44:51,660

name now we have known his name for a

1089

00:44:55,849 --> 00:44:53,940

long time we didn't leak it we wouldn't

1090

00:44:58,609 --> 00:44:55,859

we wouldn't make that information public

1091

00:45:00,710 --> 00:44:58,619

unless he told us that that he wanted to

1092

00:45:02,630 --> 00:45:00,720

go that route we were there as sort of a

1093

00:45:04,910 --> 00:45:02,640

backstop to protect them if he needed

1094

00:45:07,190 --> 00:45:04,920

our help that's right and the the

1095

00:45:10,790 --> 00:45:07,200

interviews and all this stuff it was

1096

00:45:12,829 --> 00:45:10,800

just kind of like a a backup plan and so

1097

00:45:16,309 --> 00:45:12,839

so that's what's kind of concerning to

1098

00:45:19,910 --> 00:45:16,319

me I don't know how that was I've heard

1099

00:45:21,650 --> 00:45:19,920

how that those names get out but it

1100

00:45:25,010 --> 00:45:21,660

wasn't through us and that's very clear

1101

00:45:27,170 --> 00:45:25,020

in the in the public Realm but I think

1102

00:45:30,050 --> 00:45:27,180

your point and I think it really needs

1103

00:45:32,930 --> 00:45:30,060

to be heard is that because it's true is

1104

00:45:35,390 --> 00:45:32,940

that this was not what somebody was

1105

00:45:36,950 --> 00:45:35,400

looking to do was be in the public I

1106

00:45:39,170 --> 00:45:36,960

mean

1107

00:45:41,990 --> 00:45:39,180

Dave is a

1108

00:45:43,490 --> 00:45:42,000

kind of socially private person in in

1109

00:45:47,030 --> 00:45:43,500

some ways that I've gotten to know him

1110

00:45:50,150 --> 00:45:47,040

uh he has never been seeking a kind of

1111

00:45:53,329 --> 00:45:50,160

Limelight what he has been seeking is

1112

00:45:56,690 --> 00:45:53,339

for the public to be aware

1113

00:45:59,270 --> 00:45:56,700

speaking truth to power is his words not

1114

00:46:01,490 --> 00:45:59,280

mine these are the motivations of the

1115

00:46:02,750 --> 00:46:01,500

person and once you really under once

1116

00:46:05,089 --> 00:46:02,760

you believe that

1117

00:46:07,190 --> 00:46:05,099

once you really believe that because it

1118

00:46:10,190 --> 00:46:07,200

is true but you need to understand that

1119

00:46:12,290 --> 00:46:10,200

then you start to understand that he was

1120

00:46:14,870 --> 00:46:12,300

pressured at this point the name was out

1121

00:46:17,450 --> 00:46:14,880

the story was was going and there are

1122

00:46:20,390 --> 00:46:17,460

people that were trying to enact harmful

1123

00:46:23,089 --> 00:46:20,400

things upon him so they didn't get

1124

00:46:25,370 --> 00:46:23,099

Choice one they didn't get Choice two

1125

00:46:28,010 --> 00:46:25,380

they had to get it out by any means

1126

00:46:31,010 --> 00:46:28,020

necessary in the right way it wasn't

1127

00:46:33,050 --> 00:46:31,020

because people were afraid of vetting or

1128

00:46:36,650 --> 00:46:33,060

of this story being vetted it was

1129

00:46:38,329 --> 00:46:36,660

because there are reprisals and this is

1130

00:46:41,630 --> 00:46:38,339

an important case to protect because if

1131

00:46:43,970 --> 00:46:41,640

it's true it changes a lot I mean what

1132

00:46:46,010 --> 00:46:43,980

we can document for sure is that Dave

1133

00:46:49,250 --> 00:46:46,020

was following the rules starting in July

1134

00:46:51,109 --> 00:46:49,260

of 2021 he was going forward through the

1135

00:46:52,849 --> 00:46:51,119

established processes through through

1136

00:46:55,250 --> 00:46:52,859

the will of Congress that have been

1137

00:46:57,290 --> 00:46:55,260

expressed uh publicly and in legislation

1138

00:46:59,450 --> 00:46:57,300

they wanted information to go up the

1139

00:47:01,190 --> 00:46:59,460

pipeline to be presented through the

1140

00:47:03,530 --> 00:47:01,200

proper channels and he was trying to do

1141

00:47:05,270 --> 00:47:03,540

that and what he faced was retribution

1142

00:47:07,790 --> 00:47:05,280

by people in the intelligence Community

1143

00:47:10,069 --> 00:47:07,800

a year later is when he first started

1144

00:47:12,170 --> 00:47:10,079

talking to us as a backup plan as

1145

00:47:16,250 --> 00:47:12,180

protection in case things went really

1146

00:47:18,890 --> 00:47:16,260

bad and now this year the last week the

1147

00:47:21,290 --> 00:47:18,900

story blasted out into the public not

1148

00:47:23,270 --> 00:47:21,300

because he wanted it out not because the

1149

00:47:25,250 --> 00:47:23,280

two journalists the three journalists

1150

00:47:26,690 --> 00:47:25,260

working directly with him wanted it out

1151

00:47:28,430 --> 00:47:26,700

right now it had to come out because

1152

00:47:30,230 --> 00:47:28,440

somebody leaked it now whatever their

1153

00:47:32,390 --> 00:47:30,240

motives were for who leaked his name

1154

00:47:35,089 --> 00:47:32,400

trying to pressure pressure him were not

1155

00:47:38,030 --> 00:47:35,099

exactly sure but it's out now and now

1156

00:47:40,849 --> 00:47:38,040

the public Congress investigative

1157

00:47:42,710 --> 00:47:40,859

agencies Arrow can all take their shot

1158

00:47:45,349 --> 00:47:42,720

at it and and dig into it and see what

1159

00:47:46,250 --> 00:47:45,359

they find to verify or reflect on his

1160

00:47:48,950 --> 00:47:46,260

story

1161

00:47:51,230 --> 00:47:48,960

I am tuned in to what you know public

1162

00:47:53,030 --> 00:47:51,240

will kind of whisper about stuff because

1163

00:47:54,290 --> 00:47:53,040

I have some friends that read Twitter a

1164

00:47:57,230 --> 00:47:54,300

lot and all that stuff and they'll tell

1165

00:47:58,609 --> 00:47:57,240

me kind of what's being said and one

1166

00:48:00,470 --> 00:47:58,619

thing that people are saying and I want

1167

00:48:03,230 --> 00:48:00,480

to knit this in the bud because you

1168

00:48:05,390 --> 00:48:03,240

start believing nonsense like this it it

1169

00:48:06,890 --> 00:48:05,400

corrodes the truth some people are

1170

00:48:08,990 --> 00:48:06,900

saying even friends of mine like eat

1171

00:48:12,170 --> 00:48:09,000

family you know they're like this is it

1172

00:48:16,010 --> 00:48:12,180

this is the government orchestrating

1173

00:48:17,390 --> 00:48:16,020

either a slow disclosure and here we go

1174

00:48:19,609 --> 00:48:17,400

this is the way that they are

1175

00:48:21,370 --> 00:48:19,619

orchestrating this through people in the

1176  
00:48:24,829 --> 00:48:21,380  
intelligence Community like Dave grush

1177  
00:48:27,470 --> 00:48:24,839  
or they're planning some massive fake

1178  
00:48:30,470 --> 00:48:27,480  
Alien Invasion and Paving the ground and

1179  
00:48:32,870 --> 00:48:30,480  
man I can personally tell our audience

1180  
00:48:34,550 --> 00:48:32,880  
for whatever that's worth to them and I

1181  
00:48:37,309 --> 00:48:34,560  
think you can too

1182  
00:48:41,930 --> 00:48:37,319  
holy [h\_\_\h] this is not an organized

1183  
00:48:44,270 --> 00:48:41,940  
process this is UFO Vietnam there are

1184  
00:48:47,150 --> 00:48:44,280  
bombs going off right and left our lives

1185  
00:48:49,130 --> 00:48:47,160  
are chaos this is not a planned thing

1186  
00:48:51,349 --> 00:48:49,140  
now you don't got to take my word for it

1187  
00:48:54,470 --> 00:48:51,359  
but but here's the deal the people

1188  
00:48:57,470 --> 00:48:54,480

involved they're not some puppets for

1189

00:49:00,230 --> 00:48:57,480

this thing they're not some setup

1190

00:49:03,290 --> 00:49:00,240

there's Talent like they know it and

1191

00:49:04,730 --> 00:49:03,300

reluctantly sometimes and so that that's

1192

00:49:07,190 --> 00:49:04,740

so important because I can see that

1193

00:49:08,630 --> 00:49:07,200

conspiracy coming from a mile away that

1194

00:49:10,730 --> 00:49:08,640

this is some orchestrated government

1195

00:49:12,890 --> 00:49:10,740

attempt and look if we find out it is in

1196

00:49:14,630 --> 00:49:12,900

any way oh I can't wait to report on

1197

00:49:17,990 --> 00:49:14,640

that we'll have proof If it is but it's

1198

00:49:20,270 --> 00:49:18,000

not you know these are people Dave and

1199

00:49:23,750 --> 00:49:20,280

others coming forward at Great personal

1200

00:49:26,150 --> 00:49:23,760

risk risk to their credibility uh to

1201

00:49:28,730 --> 00:49:26,160

their reputations to their careers and

1202

00:49:31,309 --> 00:49:28,740

maybe to their lives they're coming

1203

00:49:33,230 --> 00:49:31,319

forward to tell a story to Congress and

1204

00:49:35,450 --> 00:49:33,240

hopefully to the American public to the

1205

00:49:38,150 --> 00:49:35,460

world uh that the public wants to know

1206

00:49:40,250 --> 00:49:38,160

that Congress wants to know and that

1207

00:49:42,230 --> 00:49:40,260

supposedly our laws have created a

1208

00:49:44,150 --> 00:49:42,240

system that allows them to do that with

1209

00:49:46,370 --> 00:49:44,160

certain kind of protections that's not

1210

00:49:48,770 --> 00:49:46,380

exactly how it's worked out so far but

1211

00:49:50,690 --> 00:49:48,780

they put themselves at risk to tell the

1212

00:49:52,190 --> 00:49:50,700

story because they think that that is

1213

00:49:54,470 --> 00:49:52,200

their job that it's their Duty As

1214

00:49:57,109 --> 00:49:54,480

Americans there is going to be pushback

1215

00:49:59,030 --> 00:49:57,119

this is not the beginning of the end it

1216

00:50:01,010 --> 00:49:59,040

may be the beginning the end of the

1217

00:50:03,170 --> 00:50:01,020

beginning but there's a long way to go

1218

00:50:04,970 --> 00:50:03,180

and the keepers of the secrets are not

1219

00:50:07,430 --> 00:50:04,980

going to give this stuff up easily

1220

00:50:10,309 --> 00:50:07,440

Congress might have now have a better

1221

00:50:11,270 --> 00:50:10,319

idea about where stuff is hidden who's

1222

00:50:12,890 --> 00:50:11,280

got it

1223

00:50:15,230 --> 00:50:12,900

doesn't mean they're going to get to it

1224

00:50:16,970 --> 00:50:15,240

doesn't mean that even if they get to it

1225

00:50:18,290 --> 00:50:16,980

that we'll be allowed to know about it

1226

00:50:20,809 --> 00:50:18,300

because there are National Security

1227

00:50:24,290 --> 00:50:20,819

implications regardless of what we might

1228

00:50:26,690 --> 00:50:24,300

think for people like Dave grush

1229

00:50:28,849 --> 00:50:26,700

um you know it's a rough road ahead

1230

00:50:30,589 --> 00:50:28,859

the New York Times had a chance to

1231

00:50:33,290 --> 00:50:30,599

publish that story and they took a pass

1232

00:50:34,970 --> 00:50:33,300

on it from what we've heard they didn't

1233

00:50:37,309 --> 00:50:34,980

really give a whole lot of thought to

1234

00:50:39,530 --> 00:50:37,319

the process they just said no

1235

00:50:41,870 --> 00:50:39,540

our information now is they're now

1236

00:50:43,370 --> 00:50:41,880

investigating Dave their calls being

1237

00:50:45,050 --> 00:50:43,380

made to the Pentagon

1238

00:50:47,630 --> 00:50:45,060

to find out information about his

1239

00:50:50,210 --> 00:50:47,640

background presumably to look for dirt

1240

00:50:52,790 --> 00:50:50,220

so that maybe in the future maybe even

1241

00:50:55,490 --> 00:50:52,800

real soon they can publish a story that

1242

00:50:57,349 --> 00:50:55,500

explains that tries to justify why they

1243

00:50:59,329 --> 00:50:57,359

never investigated them the first time

1244

00:51:02,089 --> 00:50:59,339

when the story was dropped into their

1245

00:51:04,430 --> 00:51:02,099

lapse they said no to Ralph Blumenthal

1246

00:51:07,010 --> 00:51:04,440

who worked at the paper for 30 years or

1247

00:51:08,870 --> 00:51:07,020

more they said no without really looking

1248

00:51:10,430 --> 00:51:08,880

into it at all

1249

00:51:12,650 --> 00:51:10,440

um that suggests to me that there's

1250

00:51:14,750 --> 00:51:12,660

going to be pushback that we still have

1251  
00:51:16,430 --> 00:51:14,760  
a long way to go but people like Dave

1252  
00:51:18,470 --> 00:51:16,440  
coming forward and some of the others

1253  
00:51:20,329 --> 00:51:18,480  
that colleagues that he knows that he

1254  
00:51:22,430 --> 00:51:20,339  
helped Shepard into the into the

1255  
00:51:24,290 --> 00:51:22,440  
government before Congress there's

1256  
00:51:26,569 --> 00:51:24,300  
progress that's been made

1257  
00:51:28,309 --> 00:51:26,579  
look man I'm just gonna say it because I

1258  
00:51:31,430 --> 00:51:28,319  
don't want it to be I don't want it to

1259  
00:51:33,530 --> 00:51:31,440  
to sound like this weird dark hand

1260  
00:51:36,650 --> 00:51:33,540  
that's going over stuff like this

1261  
00:51:39,230 --> 00:51:36,660  
pushback on this topic this topic is

1262  
00:51:41,030 --> 00:51:39,240  
considered a national security issue at

1263  
00:51:44,450 --> 00:51:41,040

the level of weapons of mass destruction

1264

00:51:46,069 --> 00:51:44,460

if not higher than that so when you're

1265

00:51:48,349 --> 00:51:46,079

talking about all this it might sound

1266

00:51:50,210 --> 00:51:48,359

mysterious to people but I think it's

1267

00:51:52,370 --> 00:51:50,220

really important to kind of like clear

1268

00:51:56,089 --> 00:51:52,380

that up there are people

1269

00:51:58,190 --> 00:51:56,099

there are groups there are factions that

1270

00:52:02,210 --> 00:51:58,200

not only don't want the public to know

1271

00:52:04,250 --> 00:52:02,220

whatever the truth is about UFOs UAP but

1272

00:52:06,710 --> 00:52:04,260

there are also groups and I'm going to

1273

00:52:08,210 --> 00:52:06,720

say a quote and I really want people to

1274

00:52:11,690 --> 00:52:08,220

hear it

1275

00:52:13,010 --> 00:52:11,700

there are groups agencies that want to

1276

00:52:17,750 --> 00:52:13,020

quote

1277

00:52:19,849 --> 00:52:17,760

shape the emerging UAP narrative

1278

00:52:21,470 --> 00:52:19,859

end quote

1279

00:52:24,049 --> 00:52:21,480

you and I

1280

00:52:27,230 --> 00:52:24,059

have tried to be as impervious as

1281

00:52:28,130 --> 00:52:27,240

possible to that influence whatever that

1282

00:52:37,010 --> 00:52:28,140

is

1283

00:52:38,930 --> 00:52:37,020

put in place that legal process wouldn't

1284

00:52:41,089 --> 00:52:38,940

exist they wouldn't create something

1285

00:52:43,370 --> 00:52:41,099

saying you are protected from reprisal

1286

00:52:46,670 --> 00:52:43,380

if they didn't know that there were

1287

00:52:50,990 --> 00:52:46,680

reprisal attempts that is legislation

1288

00:52:53,329 --> 00:52:51,000

folks that is law so there are people in

1289

00:52:55,190 --> 00:52:53,339

Senate in Congress in in other

1290

00:52:57,829 --> 00:52:55,200

committees and agencies that public that

1291

00:53:00,230 --> 00:52:57,839

people don't know about that are trying

1292

00:53:02,990 --> 00:53:00,240

to get the truth for themselves for

1293

00:53:05,210 --> 00:53:03,000

oversight and some of them want it out

1294

00:53:07,910 --> 00:53:05,220

to the American public and you and I

1295

00:53:12,049 --> 00:53:07,920

have directly been involved with helping

1296

00:53:16,069 --> 00:53:12,059

to navigate how to bring certain people

1297

00:53:19,130 --> 00:53:16,079

forward full in the public Congressional

1298

00:53:21,470 --> 00:53:19,140

hearings with rights committees with

1299

00:53:24,410 --> 00:53:21,480

oversight and I am hopeful and

1300

00:53:27,950 --> 00:53:24,420

optimistic everybody I've met

1301  
00:53:30,589 --> 00:53:27,960  
has been looking to do this right now

1302  
00:53:33,410 --> 00:53:30,599  
last thing which is that

1303  
00:53:35,329 --> 00:53:33,420  
intelligence individuals who work in

1304  
00:53:36,230 --> 00:53:35,339  
those mechanisms that we have talked

1305  
00:53:38,930 --> 00:53:36,240  
with

1306  
00:53:42,410 --> 00:53:38,940  
have continued to say

1307  
00:53:44,930 --> 00:53:42,420  
I hope Dave is staying safe

1308  
00:53:48,290 --> 00:53:44,940  
and that has concerned me greatly

1309  
00:53:51,349 --> 00:53:48,300  
because that is a concern for people so

1310  
00:53:54,650 --> 00:53:51,359  
the best way for for Dave grush to stay

1311  
00:53:56,750 --> 00:53:54,660  
safe is to stand right where he is

1312  
00:53:59,329 --> 00:53:56,760  
when it when it is appropriate to talk

1313  
00:54:02,089 --> 00:53:59,339

but to be right out in the light we

1314

00:54:04,490 --> 00:54:02,099

applaud Dave's courage and integrity for

1315

00:54:06,230 --> 00:54:04,500

coming forward we know that it's going

1316

00:54:07,370 --> 00:54:06,240

to be a rough road ahead for him he's

1317

00:54:09,170 --> 00:54:07,380

going there's going to be a lot of

1318

00:54:11,750 --> 00:54:09,180

slings and arrows a lot of attacks on

1319

00:54:13,670 --> 00:54:11,760

his credibility and on The credibility

1320

00:54:16,190 --> 00:54:13,680

and integrity of the people who will

1321

00:54:18,890 --> 00:54:16,200

follow him but we appreciate that he's

1322

00:54:21,170 --> 00:54:18,900

come forward we really appreciate that

1323

00:54:23,930 --> 00:54:21,180

he's shared our our trust shared his

1324

00:54:26,990 --> 00:54:23,940

information some of it with us and and

1325

00:54:29,089 --> 00:54:27,000

uh asked us to have his back and he will

1326  
00:54:30,650 --> 00:54:29,099  
have that going forward even though we

1327  
00:54:33,230 --> 00:54:30,660  
regret we didn't get to break the big

1328  
00:54:35,150 --> 00:54:33,240  
story we have other stories to break and

1329  
00:54:36,710 --> 00:54:35,160  
a lot of them have to do with Dave yeah

1330  
00:54:39,710 --> 00:54:36,720  
let's maybe we'll we'll just leave

1331  
00:54:42,049 --> 00:54:39,720  
people with this which is that um

1332  
00:54:45,410 --> 00:54:42,059  
there is a bigger story

1333  
00:54:46,430 --> 00:54:45,420  
and over this time I am so inspired I

1334  
00:54:48,049 --> 00:54:46,440  
mean I think you can tell with this

1335  
00:54:50,210 --> 00:54:48,059  
episode I'm super excited

1336  
00:54:52,730 --> 00:54:50,220  
you know it's like I'm inspired that

1337  
00:54:54,829 --> 00:54:52,740  
we're going to be able to finally talk

1338  
00:54:57,710 --> 00:54:54,839

about some things that that we've wanted

1339

00:55:00,950 --> 00:54:57,720

to and in the right way and with new

1340

00:55:03,170 --> 00:55:00,960

releases so I just uh we are this close

1341

00:55:04,970 --> 00:55:03,180

to coming to the fundamental consensus

1342

00:55:09,109 --> 00:55:04,980

reality

1343

00:55:11,569 --> 00:55:09,119

that this UFO issue has substance and

1344

00:55:13,130 --> 00:55:11,579

importance and consensus reality and

1345

00:55:14,870 --> 00:55:13,140

we're talking everywhere and if we get

1346

00:55:16,010 --> 00:55:14,880

there then we're going to figure out a

1347

00:55:18,349 --> 00:55:16,020

little bit more and learn a little bit

1348

00:55:19,790 --> 00:55:18,359

more so I'm just real excited and I am

1349

00:55:21,950 --> 00:55:19,800

grateful and thank you for saying that

1350

00:55:23,270 --> 00:55:21,960

about Dave I am grateful and you know

1351

00:55:25,370 --> 00:55:23,280

that he came forward now people believe

1352

00:55:27,230 --> 00:55:25,380

him don't believe him that's on you you

1353

00:55:28,670 --> 00:55:27,240

got to do some footwork baby you got to

1354

00:55:31,670 --> 00:55:28,680

start dancing you got to figure it out

1355

00:55:33,770 --> 00:55:31,680

but you and me I'm ready to say that um

1356

00:55:35,690 --> 00:55:33,780

everything that Davis put out publicly

1357

00:55:37,970 --> 00:55:35,700

that he believes to be accurate and

1358

00:55:40,609 --> 00:55:37,980

correct and it is corroborated in ways

1359

00:55:42,530 --> 00:55:40,619

that are not yet public it's uh he's got

1360

00:55:44,390 --> 00:55:42,540

a ways to go the American public and

1361

00:55:46,430 --> 00:55:44,400

Congress have ways to go before they get

1362

00:55:48,530 --> 00:55:46,440

to the bottom of this but what a heck of

1363

00:56:02,390 --> 00:55:48,540

a journey an exciting time I can't wait

1364

00:56:10,390 --> 00:56:06,710

never have so few have so much to tell

1365

00:56:12,170 --> 00:56:10,400

but could say so living

1366

00:56:14,030 --> 00:56:12,180

following this is a weaponized

1367

00:56:16,069 --> 00:56:14,040

presentation of Jeremy Corbell George

1368

00:56:18,710 --> 00:56:16,079

Knapp Dark Horse entertainment Cadence

1369

00:56:20,270 --> 00:56:18,720

13 Studios available now for free on the
