

8 NEWS NOW

1  
00:00:00,900 --> 00:00:05,510  
and this is weapons

2  
00:00:09,589 --> 00:00:06,889  
so that's the question people could ask

3  
00:00:11,629 --> 00:00:09,599  
is Dave worthy of your trust

4  
00:00:12,709 --> 00:00:11,639  
I gotta explain why I'm so excited right

5  
00:00:15,049 --> 00:00:12,719  
now

6  
00:00:17,150 --> 00:00:15,059  
we can prove or disprove it can be

7  
00:00:19,370 --> 00:00:17,160  
proved or disproved what Dave came

8  
00:00:21,769 --> 00:00:19,380  
across what he has what he stumbled upon

9  
00:00:23,750 --> 00:00:21,779  
what was hard of him to to be convinced

10  
00:00:25,609 --> 00:00:23,760  
of even though we'd all like this to be

11  
00:00:27,349 --> 00:00:25,619  
true he wants to know too yeah well

12  
00:00:28,670 --> 00:00:27,359  
let's get into some of the the things

13  
00:00:31,009 --> 00:00:28,680

that he has said and some of the

14

00:00:32,330 --> 00:00:31,019

criticisms that have surfaced one of the

15

00:00:35,930 --> 00:00:32,340

first ones is he's talking about

16

00:00:38,690 --> 00:00:35,940

Hardware uh exotic Hardware made by

17

00:00:41,030 --> 00:00:38,700

non-humans that he learned about in the

18

00:00:43,610 --> 00:00:41,040

course of his own investigations and yet

19

00:00:45,650 --> 00:00:43,620

he admits he never personally saw this

20

00:00:48,170 --> 00:00:45,660

stuff he wasn't in a in a hangar where

21

00:00:50,270 --> 00:00:48,180

flying saucers are stored so how does he

22

00:00:52,490 --> 00:00:50,280

know okay so that's a problem that

23

00:00:55,010 --> 00:00:52,500

people bring up is he didn't see it let

24

00:00:56,389 --> 00:00:55,020

me explain a little bit of what over the

25

00:00:58,610 --> 00:00:56,399

last 14 months that we've been able to

26

00:01:01,630 --> 00:00:58,620

validate we've been able to validate

27

00:01:06,649 --> 00:01:01,640

first of all Dave is a domino you know

28

00:01:09,050 --> 00:01:06,659

he if the mechanisms of protection are

29

00:01:11,750 --> 00:01:09,060

in place as they should be for someone

30

00:01:14,270 --> 00:01:11,760

like Dave this is going to be a Cascade

31

00:01:18,289 --> 00:01:14,280

of information because I know for a fact

32

00:01:20,590 --> 00:01:18,299

that in classified settings under oath

33

00:01:24,170 --> 00:01:20,600

where they could acknowledge the names

34

00:01:25,789 --> 00:01:24,180

the specific names of Legacy reverse

35

00:01:29,510 --> 00:01:25,799

engineering of non-terrestrial craft

36

00:01:30,770 --> 00:01:29,520

programs were disclosed with individuals

37

00:01:33,410 --> 00:01:30,780

and I'm going to say the word

38

00:01:35,569 --> 00:01:33,420

durationally meaning not a month not a

39

00:01:37,249 --> 00:01:35,579

week not something like we've heard from

40

00:01:39,890 --> 00:01:37,259

like Bob Bazaar back in the day but

41

00:01:42,170 --> 00:01:39,900

we're talking years physically working

42

00:01:44,330 --> 00:01:42,180

with materials have come forward

43

00:01:45,649 --> 00:01:44,340

and we've known this it's so hard to

44

00:01:47,390 --> 00:01:45,659

keep this back you know because we know

45

00:01:49,789 --> 00:01:47,400

it to be true they've come forward and

46

00:01:54,410 --> 00:01:49,799

testified under oath in classified

47

00:01:59,030 --> 00:01:54,420

settings program names Program locations

48

00:02:01,850 --> 00:01:59,040

other things than just Hardware

49

00:02:04,910 --> 00:02:01,860

people directly involved

50

00:02:07,429 --> 00:02:04,920

so he might not have seen it but under

51  
00:02:09,529 --> 00:02:07,439  
oath doing his investigation with these

52  
00:02:11,930 --> 00:02:09,539  
classified programs now my question is

53  
00:02:14,390 --> 00:02:11,940  
who has this information

54  
00:02:16,490 --> 00:02:14,400  
have they acted on it and if they've

55  
00:02:18,890 --> 00:02:16,500  
acted on it how do they get away with

56  
00:02:21,050 --> 00:02:18,900  
parsing these strange words publicly

57  
00:02:22,670 --> 00:02:21,060  
when they make like Arrow when they are

58  
00:02:24,050 --> 00:02:22,680  
choosing golf when they make some

59  
00:02:26,150 --> 00:02:24,060  
statement have you noticed that

60  
00:02:28,309 --> 00:02:26,160  
Shenanigans are these weasel words it's

61  
00:02:30,350 --> 00:02:28,319  
as if lawyers write this stuff the

62  
00:02:33,229 --> 00:02:30,360  
statements that they make in response to

63  
00:02:36,650 --> 00:02:33,239

whatever the UFO story does your might

64

00:02:38,630 --> 00:02:36,660

be in response to Dave's uh statements

65

00:02:41,390 --> 00:02:38,640

and that have been reported in the media

66

00:02:43,369 --> 00:02:41,400

around the world Goff has a typical

67

00:02:47,449 --> 00:02:43,379

statement of hers the Department of

68

00:02:49,790 --> 00:02:47,459

Defense has no specific no Arrow has no

69

00:02:51,890 --> 00:02:49,800

specific evidence that there were

70

00:02:53,630 --> 00:02:51,900

reverse engineering alien spacecraft

71

00:02:56,869 --> 00:02:53,640

something along those lines yeah well

72

00:02:59,150 --> 00:02:56,879

Arrow might not have it or Arrow may not

73

00:03:00,350 --> 00:02:59,160

believe it but that doesn't say the

74

00:03:01,850 --> 00:03:00,360

Department of Defense or the

75

00:03:03,710 --> 00:03:01,860

intelligence Community doesn't have that

76

00:03:07,509 --> 00:03:03,720

information at all

77

00:03:10,670 --> 00:03:07,519

words are so important discovered

78

00:03:12,949 --> 00:03:10,680

verifiable something like that right so

79

00:03:14,509 --> 00:03:12,959

here's the alien too right right because

80

00:03:16,610 --> 00:03:14,519

that's extraterrestrial right right

81

00:03:18,350 --> 00:03:16,620

right so so here's a here you know

82

00:03:20,210 --> 00:03:18,360

here's a wild Theory people will be

83

00:03:22,070 --> 00:03:20,220

throwing out once they get smartened up

84

00:03:25,190 --> 00:03:22,080

right which is that like what if there

85

00:03:27,290 --> 00:03:25,200

are secret programs that are filled with

86

00:03:29,570 --> 00:03:27,300

this information to make people working

87

00:03:32,210 --> 00:03:29,580

on them think that these extraordinary

88

00:03:35,149 --> 00:03:32,220

Technologies are other Earthly as some

89

00:03:38,449 --> 00:03:35,159

sort of way to manipulate the narrative

90

00:03:41,750 --> 00:03:38,459

God that's a hilarious interesting but

91

00:03:44,809 --> 00:03:41,760

hilarious kind of Fury here

92

00:03:47,930 --> 00:03:44,819

we are at a moment in this whole thing

93

00:03:51,229 --> 00:03:47,940

where finally we have the right process

94

00:03:56,149 --> 00:03:51,239

in place and people need to trust it

95

00:03:58,789 --> 00:03:56,159

Dave is the bullet test of the

96

00:04:01,970 --> 00:03:58,799

Whistleblower protection rights this is

97

00:04:04,250 --> 00:04:01,980

a presidential policy this is how he

98

00:04:07,910 --> 00:04:04,260

went forward when he came forward Arrow

99

00:04:11,149 --> 00:04:07,920

did not exist I I can tell you I know

100

00:04:13,610 --> 00:04:11,159

directly that Sean Kirkpatrick Dr Sean

101

00:04:16,789 --> 00:04:13,620

Kirkpatrick is fully aware

102

00:04:19,310 --> 00:04:16,799

of the the base understanding of what

103

00:04:20,870 --> 00:04:19,320

Dave grosh brought forward and that

104

00:04:23,629 --> 00:04:20,880

there are other people in those programs

105

00:04:25,969 --> 00:04:23,639

willing to talk now my question is and

106

00:04:29,030 --> 00:04:25,979

I've gotten different answers

107

00:04:30,650 --> 00:04:29,040

would Dr Kirkpatrick in his office have

108

00:04:37,610 --> 00:04:30,660

the authority

109

00:04:40,730 --> 00:04:37,620

to follow up on that Concrete Hard

110

00:04:44,330 --> 00:04:40,740

Evidence of physical locations of

111

00:04:46,670 --> 00:04:44,340

hardware and Beyond storage facilities

112

00:04:49,969 --> 00:04:46,680

of these programs does he would he do

113

00:04:51,830 --> 00:04:49,979

they have the clearances uh to have

114

00:04:54,050 --> 00:04:51,840

access to the kind of information Dave

115

00:04:55,909 --> 00:04:54,060

has shared behind closed doors I think

116

00:04:58,249 --> 00:04:55,919

the answer probably is no well hold on

117

00:04:59,930 --> 00:04:58,259

clearance is one thing that's there's

118

00:05:02,330 --> 00:04:59,940

two sides to the to the coin of

119

00:05:04,610 --> 00:05:02,340

intelligence there's clearance and

120

00:05:06,770 --> 00:05:04,620

there's need to know so the authority

121

00:05:08,930 --> 00:05:06,780

comes from need to know now I would say

122

00:05:12,710 --> 00:05:08,940

they do have a need to know but not

123

00:05:14,210 --> 00:05:12,720

everybody is convinced that arrow is

124

00:05:15,770 --> 00:05:14,220

going to do the right thing because of

125

00:05:17,689 --> 00:05:15,780

these public statements a lot of these

126

00:05:20,030 --> 00:05:17,699

dominoes a lot of these people that have

127

00:05:22,969 --> 00:05:20,040

direct first-hand knowledge why do they

128

00:05:25,850 --> 00:05:22,979

come to us a lot the majority of which

129

00:05:28,249 --> 00:05:25,860

people don't know publicly why do they

130

00:05:31,010 --> 00:05:28,259

do that it's because they do not trust

131

00:05:34,550 --> 00:05:31,020

this process yet but how

132

00:05:37,129 --> 00:05:34,560

Dave grush's account is going to be

133

00:05:39,050 --> 00:05:37,139

treated is going to pave the way for if

134

00:05:40,249 --> 00:05:39,060

things need to come to journalists or if

135

00:05:43,550 --> 00:05:40,259

they need to go through the official

136

00:05:46,670 --> 00:05:43,560

process it would behoove the dod to

137

00:05:49,070 --> 00:05:46,680

treat this properly and to stop whoever

138

00:05:51,350 --> 00:05:49,080

is trying to create these reprisal

139

00:05:52,850 --> 00:05:51,360

aspects on on Mr Grudge I mean we

140

00:05:56,390 --> 00:05:52,860

believe and we have good reason to

141

00:05:58,610 --> 00:05:56,400

believe that Dave has gone high up and

142

00:06:01,850 --> 00:05:58,620

has testified behind closed doors under

143

00:06:04,189 --> 00:06:01,860

oath to congressional committees and

144

00:06:06,230 --> 00:06:04,199

perhaps to other folks to tell the basic

145

00:06:08,510 --> 00:06:06,240

story We believe he has also helped

146

00:06:11,330 --> 00:06:08,520

Shepherd other people who have direct

147

00:06:14,210 --> 00:06:11,340

hands-on experience to tell that story

148

00:06:16,969 --> 00:06:14,220

as well does Sean Kirkpatrick and arrow

149

00:06:19,070 --> 00:06:16,979

know about this sure he does yes for

150

00:06:21,409 --> 00:06:19,080

sure he does he knows about it he has

151  
00:06:24,110 --> 00:06:21,419  
made the same kind of Weasley statements

152  
00:06:26,210 --> 00:06:24,120  
that Susan Goff has made oh well we have

153  
00:06:28,689 --> 00:06:26,220  
seen no really verifiable information

154  
00:06:30,950 --> 00:06:28,699  
about ET reverse engineering stuff

155  
00:06:33,230 --> 00:06:30,960  
weasily words okay you're throwing

156  
00:06:37,309 --> 00:06:33,240  
punches right now you're you you think

157  
00:06:38,749 --> 00:06:37,319  
that this is is not being handled by Dr

158  
00:06:40,249 --> 00:06:38,759  
Kirkpatrick and arrow the way it should

159  
00:06:42,230 --> 00:06:40,259  
be you're throwing punches yeah I think

160  
00:06:44,090 --> 00:06:42,240  
Congress has made it very clear they

161  
00:06:45,770 --> 00:06:44,100  
want this information they want to have

162  
00:06:48,469 --> 00:06:45,780  
access to it they want whistleblowers

163  
00:06:51,170 --> 00:06:48,479

who have information direct hands-on

164

00:06:53,629 --> 00:06:51,180

experience with these Legacy programs to

165

00:06:56,029 --> 00:06:53,639

step forward those people are really

166

00:06:58,249 --> 00:06:56,039

reluctant as we know we talk to them we

167

00:07:00,409 --> 00:06:58,259

have we have passed people through the

168

00:07:02,210 --> 00:07:00,419

process that are verifiably who they say

169

00:07:04,610 --> 00:07:02,220

other people whose names are not yet

170

00:07:07,730 --> 00:07:04,620

known to the public or to the UFO world

171

00:07:09,230 --> 00:07:07,740

who want to tell the story who were

172

00:07:11,570 --> 00:07:09,240

hoping that the Whistleblower

173

00:07:14,450 --> 00:07:11,580

protections would work for them that

174

00:07:16,430 --> 00:07:14,460

they would be able to go to Arrow as the

175

00:07:18,830 --> 00:07:16,440

proper agency looking into this

176

00:07:20,570 --> 00:07:18,840

designated by Congress tell their story

177

00:07:22,730 --> 00:07:20,580

and then it would get out it would go to

178

00:07:25,129 --> 00:07:22,740

the places where it needs to go and now

179

00:07:26,570 --> 00:07:25,139

they're worried about it and Dave is a

180

00:07:27,890 --> 00:07:26,580

good example of why they should be

181

00:07:29,990 --> 00:07:27,900

worried about it because of how he's

182

00:07:32,089 --> 00:07:30,000

been treated or he'll be a good example

183

00:07:33,589 --> 00:07:32,099

of why they can trust the ball's in

184
