

WEAPONIZED #22

ALLIED UFO REVERSE-ENGINEERING PROGRAMS CONFIRMED

1
00:00:05,570 --> 00:00:03,230
you know this letter to their Ministry

2
00:00:07,490 --> 00:00:05,580
of Defense uh is is pretty serious

3
00:00:09,290 --> 00:00:07,500
remember a parliament is saying we need

4
00:00:11,650 --> 00:00:09,300
to get ahead of this something big is

5
00:00:15,530 --> 00:00:11,660
coming that's that's pretty newsworthy

6
00:00:18,349 --> 00:00:15,540
everybody's asking for proof I want to

7
00:00:20,990 --> 00:00:18,359
talk today about a document we have

8
00:00:22,790 --> 00:00:21,000
official acknowledgment especially

9
00:00:24,230 --> 00:00:22,800
depending on how they answer us when we

10
00:00:26,689 --> 00:00:24,240
start asking questions the world starts

11
00:00:32,450 --> 00:00:26,699
asking questions this is a reverse

12
00:00:37,970 --> 00:00:35,209
Secrets cover-ups and strange phenomena

13
00:00:41,030 --> 00:00:37,980

UFOs and ideas that challenge reality

14

00:00:42,650 --> 00:00:41,040

itself all these Mysteries all this time

15

00:00:45,170 --> 00:00:42,660

are we ever going to get to the bottom

16

00:00:47,750 --> 00:00:45,180

of these my name is George Knapp I dig

17

00:00:50,029 --> 00:00:47,760

into news stories that others can't or

18

00:00:51,709 --> 00:00:50,039

won't I'm Jeremy Corbell and for some

19

00:00:53,750 --> 00:00:51,719

reason people tell me things they

20

00:00:55,970 --> 00:00:53,760

probably shouldn't

21

00:01:00,889 --> 00:00:55,980

and this is weapons

22

00:01:05,329 --> 00:01:03,650

this is weaponized sort of special

23

00:01:08,270 --> 00:01:05,339

edition Maybe

24

00:01:11,990 --> 00:01:08,280

Jeremy why are you bugging me at home I

25

00:01:14,870 --> 00:01:12,000

know and on the weekend too man so look

26

00:01:17,270 --> 00:01:14,880

this is uh you you know yesterday you

27

00:01:20,810 --> 00:01:17,280

said hold on slow your horses and I I

28

00:01:21,890 --> 00:01:20,820

appreciate that I want to talk today

29

00:01:24,410 --> 00:01:21,900

about

30

00:01:26,330 --> 00:01:24,420

a document and you and I have have

31

00:01:28,130 --> 00:01:26,340

gotten a lot of documents sent to us

32

00:01:29,630 --> 00:01:28,140

over the years and we're we're still

33

00:01:31,670 --> 00:01:29,640

fleshing them out sometimes it takes

34

00:01:33,890 --> 00:01:31,680

years to flash them out

35

00:01:35,929 --> 00:01:33,900

this one is current

36

00:01:37,789 --> 00:01:35,939

and what's interesting about it is the

37

00:01:39,950 --> 00:01:37,799

implications now I know you and I have a

38

00:01:41,569 --> 00:01:39,960

lot of work to do you've talked to me

39

00:01:43,609 --> 00:01:41,579

about that we have a lot of work to do

40

00:01:45,710 --> 00:01:43,619

to vet it and verify it but I want to

41

00:01:48,050 --> 00:01:45,720

talk about this document because what it

42

00:01:51,469 --> 00:01:48,060

implies this is the closest thing I've

43

00:01:55,010 --> 00:01:51,479

ever seen to direct acknowledgment

44

00:01:57,109 --> 00:01:55,020

of UAP exploitation programs

45

00:01:59,149 --> 00:01:57,119

and we're talking about in a five eyes

46

00:02:01,730 --> 00:01:59,159

Alliance which is the five countries

47

00:02:03,889 --> 00:02:01,740

that we are allied with within the

48

00:02:06,709 --> 00:02:03,899

Canadian government to their equivalent

49

00:02:08,449 --> 00:02:06,719

of the secretary of defense this is

50

00:02:11,690 --> 00:02:08,459

going to the Secretary of Defense

51
00:02:13,970 --> 00:02:11,700
basically defense minister of Canada

52
00:02:15,650 --> 00:02:13,980
you've read the document so before we

53
00:02:18,350 --> 00:02:15,660
talk about what's in it which we should

54
00:02:21,050 --> 00:02:18,360
read some of it what are your initial

55
00:02:24,410 --> 00:02:21,060
Impressions when when we were sent this

56
00:02:27,050 --> 00:02:24,420
document George Well it's from a real

57
00:02:29,990 --> 00:02:27,060
guy is he's a member of parliament his

58
00:02:32,030 --> 00:02:30,000
name is Larry McGuire he was I did some

59
00:02:35,030 --> 00:02:32,040
background uh research on him he was

60
00:02:36,890 --> 00:02:35,040
first elected to Parliament in 2013. he

61
00:02:40,010 --> 00:02:36,900
was born in Manitoba as a father

62
00:02:41,710 --> 00:02:40,020
grandfather very conservative guy you

63
00:02:45,710 --> 00:02:41,720

could say you could compare him to maybe

64

00:02:48,890 --> 00:02:45,720

a U.S representative Tim Burkett in in

65

00:02:51,110 --> 00:02:48,900

terms of his uh political philosophy uh

66

00:02:53,630 --> 00:02:51,120

he's been interested in the UAP UFO

67

00:02:56,270 --> 00:02:53,640

topic for a long time he wrote his own

68

00:02:58,309 --> 00:02:56,280

op-ed piece a year or so ago he's been

69

00:03:01,190 --> 00:02:58,319

mentioned in other coverage

70

00:03:03,890 --> 00:03:01,200

as having meetings with the American

71

00:03:06,170 --> 00:03:03,900

officials Former Defense officials

72

00:03:08,330 --> 00:03:06,180

people like Lou Elizondo and and others

73

00:03:10,610 --> 00:03:08,340

he has an interest in this topic so him

74

00:03:12,530 --> 00:03:10,620

writing a letter to their Secretary of

75

00:03:15,589 --> 00:03:12,540

Defense it's real it's it's significant

76

00:03:17,630 --> 00:03:15,599

but the content is wow it's off the

77

00:03:19,970 --> 00:03:17,640

chart so maybe you want to pick out some

78

00:03:22,070 --> 00:03:19,980

of that and and explain what jumped off

79

00:03:24,170 --> 00:03:22,080

the page and what he was saying that

80

00:03:26,030 --> 00:03:24,180

really grabbed your attention yeah and

81

00:03:27,890 --> 00:03:26,040

and some of this we're talking about for

82

00:03:30,110 --> 00:03:27,900

the first time I mean we've gone through

83

00:03:32,630 --> 00:03:30,120

it back and forth a little bit but I

84

00:03:34,309 --> 00:03:32,640

want to be really clear that there have

85

00:03:36,470 --> 00:03:34,319

been documents sent to us in the past

86

00:03:38,869 --> 00:03:36,480

that we are still vetting uh one in

87

00:03:40,070 --> 00:03:38,879

particular is explosive if real but it's

88

00:03:42,410 --> 00:03:40,080

been about five or six years we're

89

00:03:46,550 --> 00:03:42,420

trying to figure out because it came

90

00:03:48,170 --> 00:03:46,560

from a less clear Avenue and and also

91

00:03:50,210 --> 00:03:48,180

the classification of it we're not

92

00:03:54,610 --> 00:03:50,220

exactly sure although it's not marked in

93

00:03:57,289 --> 00:03:54,620

a way this one is absolutely clearly 100

94

00:04:00,530 --> 00:03:57,299

unclassified this is just a memo so

95

00:04:02,750 --> 00:04:00,540

what's inside of this was so explosive

96

00:04:06,710 --> 00:04:02,760

to me because of the previous college

97

00:04:08,869 --> 00:04:06,720

that you and I have now we obtained this

98

00:04:12,050 --> 00:04:08,879

and we're going to release this but we

99

00:04:14,449 --> 00:04:12,060

obtained it through multiple individuals

100

00:04:15,770 --> 00:04:14,459

and that's what's so interesting first

101
00:04:18,890 --> 00:04:15,780
time it comes to us we're like okay

102
00:04:21,770 --> 00:04:18,900
second time we're like huh and then the

103
00:04:24,950 --> 00:04:21,780
third time we're thinking okay let's pay

104
00:04:26,810 --> 00:04:24,960
attention so what it says

105
00:04:28,969 --> 00:04:26,820
I think we should just like put it on

106
00:04:31,430 --> 00:04:28,979
the screen and like read it and then

107
00:04:33,830 --> 00:04:31,440
talk about you know what it is in the in

108
00:04:35,090 --> 00:04:33,840
the just each bar it's not that long and

109
00:04:37,490 --> 00:04:35,100
let's talk about it but the essence of

110
00:04:40,490 --> 00:04:37,500
it is this this is my read on it

111
00:04:44,770 --> 00:04:40,500
it is absolutely true

112
00:04:47,810 --> 00:04:44,780
that they have exploitation of UFOs UAP

113
00:04:51,050 --> 00:04:47,820

by multiple governments and that there's

114

00:04:54,790 --> 00:04:51,060

a five eyes Alliance of governments five

115

00:04:58,310 --> 00:04:54,800

nations that we align with UK US

116

00:04:59,450 --> 00:04:58,320

Australia New Zealand and

117

00:05:04,010 --> 00:04:59,460

Canada

118

00:05:05,930 --> 00:05:04,020

from I Love the Canadians they're so

119

00:05:08,210 --> 00:05:05,940

honest but in this document it

120

00:05:11,090 --> 00:05:08,220

essentially reads to me that we have

121

00:05:12,770 --> 00:05:11,100

known exploitation programs and that the

122

00:05:14,810 --> 00:05:12,780

Secretary of Defense needs to ask about

123

00:05:16,610 --> 00:05:14,820

them because this person it's very

124

00:05:18,950 --> 00:05:16,620

strange in Canada not everybody in

125

00:05:21,170 --> 00:05:18,960

politics has security clearances there's

126

00:05:24,770 --> 00:05:21,180

only a very small group that has them so

127

00:05:27,050 --> 00:05:24,780

this is like that point in that movie in

128

00:05:29,450 --> 00:05:27,060

uh in Independence Day where the

129

00:05:31,310 --> 00:05:29,460

president's on the plane and says we

130

00:05:33,650 --> 00:05:31,320

have Area 51 but there's no UFOs or

131

00:05:36,950 --> 00:05:33,660

aliens there and a guy leans in and says

132

00:05:40,070 --> 00:05:36,960

well actually Mr President that isn't

133

00:05:42,590 --> 00:05:40,080

entirely accurate and that's kind of how

134

00:05:44,510 --> 00:05:42,600

this document reads is you need to get

135

00:05:47,090 --> 00:05:44,520

informed right that you need to get

136

00:05:50,990 --> 00:05:47,100

informed ask for briefings on this and

137

00:05:52,909 --> 00:05:51,000

specifically it's it's to Anita Anand if

138

00:05:55,070 --> 00:05:52,919

I'm presenting it right minister of

139

00:05:56,390 --> 00:05:55,080

National Defense of Canada equivalent of

140

00:05:58,850 --> 00:05:56,400

the Secretary of Defense here in the

141

00:06:02,629 --> 00:05:58,860

United States and as you said this is a

142

00:06:04,430 --> 00:06:02,639

political MP and and and he's writing

143

00:06:06,110 --> 00:06:04,440

this letter but there's a lot behind

144

00:06:09,790 --> 00:06:06,120

this letter so let's just start reading

145

00:06:12,830 --> 00:06:09,800

it I think first of all March 22nd

146

00:06:14,330 --> 00:06:12,840

2023 that's current does that mean

147

00:06:15,230 --> 00:06:14,340

anything to you George that that's so

148

00:06:17,210 --> 00:06:15,240

current

149

00:06:19,129 --> 00:06:17,220

well yeah there's a lot going on right

150

00:06:20,689 --> 00:06:19,139

now both in our country and apparently

151

00:06:23,150 --> 00:06:20,699

in other countries high-level

152

00:06:24,890 --> 00:06:23,160

discussions behind the scenes about hey

153

00:06:27,529 --> 00:06:24,900

how are we going to deal with this UFO

154

00:06:29,990 --> 00:06:27,539

UAP issue because it's a lot of

155

00:06:31,490 --> 00:06:30,000

information is coming out uh so I think

156

00:06:33,890 --> 00:06:31,500

a lot of these elected officials are

157

00:06:35,510 --> 00:06:33,900

wondering what's going to happen if it

158

00:06:37,790 --> 00:06:35,520

comes spilling out in a way that we

159

00:06:39,950 --> 00:06:37,800

can't control and they're trying to to

160

00:06:42,170 --> 00:06:39,960

game it to figure out how to get ahead

161

00:06:44,689 --> 00:06:42,180

of the game uh and that's pretty clear

162

00:06:46,969 --> 00:06:44,699

in what uh Larry McGuire Expresses in

163

00:06:50,330 --> 00:06:46,979

this letter to their Ministry of Defense

164

00:06:52,610 --> 00:06:50,340

right and also that this is I mean

165

00:06:55,010 --> 00:06:52,620

that's less than three months ago so

166

00:06:57,110 --> 00:06:55,020

they're aware of all the hearings

167

00:06:59,450 --> 00:06:57,120

they're aware stuff is spilling out so

168

00:07:01,309 --> 00:06:59,460

the way this reads to me is there are

169

00:07:05,029 --> 00:07:01,319

programs that we have been involved in

170

00:07:07,610 --> 00:07:05,039

reverse engineering UAP and we gotta get

171

00:07:09,650 --> 00:07:07,620

the Canadian information out there

172

00:07:11,870 --> 00:07:09,660

otherwise we're going to be kind of

173

00:07:13,550 --> 00:07:11,880

stuck losing public trust we need a

174

00:07:15,890 --> 00:07:13,560

Communications plan moving forward you

175

00:07:17,870 --> 00:07:15,900

need to get read in by whatever means

176

00:07:20,210 --> 00:07:17,880

necessary and we'll talk about that but

177

00:07:23,469 --> 00:07:20,220

the title let's go to the title now

178

00:07:29,270 --> 00:07:23,479

defense research and development Canada

179

00:07:31,550 --> 00:07:29,280

in possession of recovered UAP material

180

00:07:34,249 --> 00:07:31,560

so what do you think George that's a

181

00:07:36,290 --> 00:07:34,259

weird that's a cool title so you know I

182

00:07:38,450 --> 00:07:36,300

could see members of our Congress

183

00:07:39,890 --> 00:07:38,460

writing to the Pentagon to the tech

184

00:07:42,050 --> 00:07:39,900

Secretary of Defense saying something

185

00:07:44,390 --> 00:07:42,060

similar based on all the information out

186

00:07:46,490 --> 00:07:44,400

there and the UFO universe that's

187

00:07:48,469 --> 00:07:46,500

flowing around right now what struck me

188

00:07:51,050 --> 00:07:48,479

about this is this guy has some really

189

00:07:52,189 --> 00:07:51,060

specific things that he says in this

190

00:07:54,409 --> 00:07:52,199

lesson it's interesting let's like

191

00:07:57,050 --> 00:07:54,419

paragraph one let me just read it and

192

00:07:58,430 --> 00:07:57,060

then let's talk about it it has come to

193

00:08:00,469 --> 00:07:58,440

my attention

194

00:08:02,749 --> 00:08:00,479

and by the way just so so everybody

195

00:08:05,809 --> 00:08:02,759

knows who's writing this this is uh

196

00:08:08,570 --> 00:08:05,819

Larry McGuire he's the MP

197

00:08:10,070 --> 00:08:08,580

um you know nmp in Canada so who goes it

198

00:08:12,770 --> 00:08:10,080

has come to my attention through

199

00:08:14,570 --> 00:08:12,780

meetings with American officials that

200

00:08:16,969 --> 00:08:14,580

the United States Senate select

201
00:08:19,430 --> 00:08:16,979
committee on intelligence and Senate

202
00:08:22,550 --> 00:08:19,440
committee on armed services have been

203
00:08:24,529 --> 00:08:22,560
undertaking in-camera hearings with

204
00:08:27,650 --> 00:08:24,539
government and Military subject matter

205
00:08:29,990 --> 00:08:27,660
experts on the recovery and exploitation

206
00:08:33,409 --> 00:08:30,000
of physical material from unidentified

207
00:08:36,230 --> 00:08:33,419
aerial phenomena UAP so that's no you

208
00:08:39,529 --> 00:08:36,240
know that's no mystery where he he is

209
00:08:41,389 --> 00:08:39,539
saying that he knows that our uh Senate

210
00:08:43,550 --> 00:08:41,399
committee on armed services and Senate

211
00:08:45,110 --> 00:08:43,560
select committee on intelligence are

212
00:08:46,389 --> 00:08:45,120
having and that and that's interesting

213
00:08:49,250 --> 00:08:46,399

and important

214

00:08:50,750 --> 00:08:49,260

in-camera hearings so he's you know that

215

00:08:53,150 --> 00:08:50,760

was my first question when I read this

216

00:08:55,009 --> 00:08:53,160

how does he know who told him and this

217

00:08:56,509 --> 00:08:55,019

kind of gives us some hints

218

00:08:58,190 --> 00:08:56,519

it's come to my attention through

219

00:09:00,110 --> 00:08:58,200

meeting with American officials at the

220

00:09:01,730 --> 00:09:00,120

Senate intelligence and armed services

221

00:09:04,130 --> 00:09:01,740

committees are looking into this stuff

222

00:09:06,710 --> 00:09:04,140

that they're all hot on the trail now

223

00:09:09,170 --> 00:09:06,720

does that mean that he Larry McGuire has

224

00:09:11,030 --> 00:09:09,180

met with his counterparts in the U.S

225

00:09:13,070 --> 00:09:11,040

Congress the Senate those Senate

226

00:09:16,130 --> 00:09:13,080

meetings do you know the answer to that

227

00:09:19,790 --> 00:09:16,140

I I do know and and we publicly know

228

00:09:23,090 --> 00:09:19,800

that uh it was Dr uh Sean Kirkpatrick

229

00:09:25,670 --> 00:09:23,100

that said that they had uh five eyes uh

230

00:09:27,650 --> 00:09:25,680

meeting or Alliance right and that

231

00:09:29,990 --> 00:09:27,660

they're talking about UAP what was so

232

00:09:32,750 --> 00:09:30,000

shocking to me about Dr Sean Kirkpatrick

233

00:09:35,150 --> 00:09:32,760

saying that as if it was new is that you

234

00:09:37,730 --> 00:09:35,160

and I George bolt know there's a paper

235

00:09:40,630 --> 00:09:37,740

trail to the five eyes Alliance these

236

00:09:43,670 --> 00:09:40,640

countries Alliance on the UAP issue

237

00:09:46,250 --> 00:09:43,680

explicitly documents that have passed

238

00:09:48,050 --> 00:09:46,260

through by our eyes as well as

239

00:09:49,730 --> 00:09:48,060

conversations we had it kind of felt

240

00:09:52,790 --> 00:09:49,740

disingenuous to say they were they were

241

00:09:57,230 --> 00:09:52,800

just having those good for us there has

242

00:09:59,870 --> 00:09:57,240

been UAP information shared across that

243

00:10:01,550 --> 00:09:59,880

Alliance for so long now that it's like

244

00:10:03,530 --> 00:10:01,560

ridiculous to kind of throw that out

245

00:10:05,810 --> 00:10:03,540

that they're just starting to so there

246

00:10:07,490 --> 00:10:05,820

is more about you know Larry and his

247

00:10:09,230 --> 00:10:07,500

counterparts but let's just go to part

248

00:10:14,829 --> 00:10:09,240

two I think this will start showing you

249

00:10:21,230 --> 00:10:17,269

announcements will be coordinated

250

00:10:24,829 --> 00:10:21,240

between a u k u s which could damage

251

00:10:28,130 --> 00:10:24,839

Canada's credibility with our allies and

252

00:10:30,710 --> 00:10:28,140

the Canadian public on the global stage

253

00:10:33,769 --> 00:10:30,720

There's an opportunity to have a

254

00:10:37,730 --> 00:10:33,779

prepared communication plan in place by

255

00:10:38,930 --> 00:10:37,740

May of 2023 to reduce this risk well

256

00:10:41,630 --> 00:10:38,940

they're certainly dragging their feet

257

00:10:43,730 --> 00:10:41,640

now that we're we're in June but here's

258

00:10:45,230 --> 00:10:43,740

the deal

259

00:10:46,670 --> 00:10:45,240

he was talking about doing this two

260

00:10:49,730 --> 00:10:46,680

months after having this communication

261

00:10:52,610 --> 00:10:49,740

plan there has barely been one something

262

00:10:56,090 --> 00:10:52,620

that he says here is ruining their

263

00:10:57,949 --> 00:10:56,100

credibility right and with their allies

264

00:11:00,170 --> 00:10:57,959

and the Canadian public

265

00:11:01,310 --> 00:11:00,180

there's a reason he's saying this the

266

00:11:03,710 --> 00:11:01,320

reason he's saying this is because he

267

00:11:06,350 --> 00:11:03,720

doesn't want to lose public trust by by

268

00:11:09,470 --> 00:11:06,360

the people of Canada but also our allies

269

00:11:11,269 --> 00:11:09,480

because they got a dirty little secret

270

00:11:13,730 --> 00:11:11,279

and that little secret I think will be

271

00:11:15,110 --> 00:11:13,740

revealed now in the further

272

00:11:16,550 --> 00:11:15,120

um reading of this and you go ahead if

273

00:11:18,530 --> 00:11:16,560

you want to read it's a good sentence

274

00:11:20,870 --> 00:11:18,540

the next one as minister of National

275

00:11:21,949 --> 00:11:20,880

Defense as as minister of National

276

00:11:27,410 --> 00:11:21,959

Defense

277

00:11:29,990 --> 00:11:27,420

and development Canada drdc has

278

00:11:32,870 --> 00:11:30,000

participated in efforts to analyze UAP

279

00:11:35,990 --> 00:11:32,880

which is publicly traceable to circa

280

00:11:38,030 --> 00:11:36,000

1950 suggesting whatever wreckage they

281

00:11:41,990 --> 00:11:38,040

have they got it they've had it since

282

00:11:43,730 --> 00:11:42,000

1950. this recovered foreign material is

283

00:11:47,150 --> 00:11:43,740

studied through the five eyes foreign

284

00:11:48,769 --> 00:11:47,160

material program FMP which in Canada is

285

00:11:51,050 --> 00:11:48,779

sponsored by the Canadian Forces

286

00:11:52,490 --> 00:11:51,060

intelligence command aligned with

287

00:11:54,829 --> 00:11:52,500

several intelligence sharing

288

00:11:56,269 --> 00:11:54,839

arrangements and treaties I'm writing to

289

00:11:58,790 --> 00:11:56,279

recommend you request a classified

290

00:12:01,009 --> 00:11:58,800

briefing containing full sensitive and

291

00:12:02,870 --> 00:12:01,019

protected program information from your

292

00:12:04,910 --> 00:12:02,880

officials on the government of Canada's

293

00:12:07,850 --> 00:12:04,920

historical and ongoing efforts on

294

00:12:09,410 --> 00:12:07,860

analyzing recovered UAP material he's

295

00:12:12,530 --> 00:12:09,420

sort of hinting that he thinks maybe the

296

00:12:14,630 --> 00:12:12,540

prime the ministry of Defense maybe the

297

00:12:19,190 --> 00:12:14,640

Prime Minister are not in the loop but

298

00:12:22,310 --> 00:12:19,200

that specific info on crdc Dr DC

299

00:12:24,530 --> 00:12:22,320

and this five eyes program five eyes

300

00:12:26,329 --> 00:12:24,540

foreign material program we've never

301
00:12:28,850 --> 00:12:26,339
heard of that before we've never heard

302
00:12:30,410 --> 00:12:28,860
of it at least publicly acknowledged in

303
00:12:33,350 --> 00:12:30,420
a document like this

304
00:12:36,350 --> 00:12:33,360
so what's so cool is the defense

305
00:12:39,829 --> 00:12:36,360
research and development Canada the drdc

306
00:12:41,569 --> 00:12:39,839
that is their version of DARPA so if you

307
00:12:44,569 --> 00:12:41,579
guys you're familiar with that right so

308
00:12:46,670 --> 00:12:44,579
it's it's pretty amazing

309
00:12:48,350 --> 00:12:46,680
um that he's saying you might not be

310
00:12:50,810 --> 00:12:48,360
aware but that they have been

311
00:12:53,509 --> 00:12:50,820
participating in efforts to analyze UFOs

312
00:12:56,690 --> 00:12:53,519
you know UAP and when he says it's

313
00:12:59,990 --> 00:12:56,700

traceable back it's publicly traceable

314

00:13:01,730 --> 00:13:00,000

to circa 1950 I was I was trying to

315

00:13:03,949 --> 00:13:01,740

really think what's the greatest

316

00:13:06,350 --> 00:13:03,959

possibility of what he's saying and then

317

00:13:09,009 --> 00:13:06,360

I started to remember that there is a

318

00:13:12,590 --> 00:13:09,019

document from 1950 I think it was

319

00:13:14,030 --> 00:13:12,600

September of 1950 that you're going to

320

00:13:15,230 --> 00:13:14,040

be really interested about because you

321

00:13:17,930 --> 00:13:15,240

know about it and you know some of the

322

00:13:20,389 --> 00:13:17,940

people involved George but that was a

323

00:13:22,910 --> 00:13:20,399

Canadian government engineer named

324

00:13:26,210 --> 00:13:22,920

Wilbert Smith concerning the 1950

325

00:13:27,590 --> 00:13:26,220

meeting and with sarbacher our audience

326

00:13:29,449 --> 00:13:27,600

probably doesn't know who Starbuck is

327

00:13:32,449 --> 00:13:29,459

but that's likely what he's talking

328

00:13:35,389 --> 00:13:32,459

about says publicly traceable what did

329

00:13:37,790 --> 00:13:35,399

Wilbert Smith say in that official memo

330

00:13:38,930 --> 00:13:37,800

and what's that relation to sarbacher do

331

00:13:41,449 --> 00:13:38,940

you remember

332

00:13:43,670 --> 00:13:41,459

so Wilbert Smith worked for the Canadian

333

00:13:48,470 --> 00:13:43,680

government uh he took an interest in

334

00:13:50,829 --> 00:13:48,480

UFOs now called UAP and he met with his

335

00:13:53,090 --> 00:13:50,839

American counterparts and got briefed

336

00:13:56,210 --> 00:13:53,100

sarbacher was one of the folks he was in

337

00:13:58,370 --> 00:13:56,220

contact with in UFO world sarbacher is

338

00:14:00,110 --> 00:13:58,380

pretty famous he was a presidential

339

00:14:02,930 --> 00:14:00,120

level science advisor I think he

340

00:14:05,329 --> 00:14:02,940

stretches back to FDR he had the highest

341

00:14:08,509 --> 00:14:05,339

security clearances a brilliant guy

342

00:14:10,730 --> 00:14:08,519

who uh publicly acknowledged I think in

343

00:14:13,310 --> 00:14:10,740

the 1970s through a series of letters

344

00:14:16,910 --> 00:14:13,320

that yeah he was invited to participate

345

00:14:19,009 --> 00:14:16,920

in the analysis of UFO material that it

346

00:14:20,750 --> 00:14:19,019

had been recovered from these crashes he

347

00:14:23,569 --> 00:14:20,760

didn't understand why it was so secret

348

00:14:25,910 --> 00:14:23,579

but it's his quote that was repeated by

349

00:14:28,790 --> 00:14:25,920

Wilbert Smith that this is classified

350

00:14:30,470 --> 00:14:28,800

higher than the h-bomb so sarbacher was

351
00:14:32,629 --> 00:14:30,480
somebody who was in the know who was

352
00:14:34,790 --> 00:14:32,639
invited to be part of this program to

353
00:14:36,710 --> 00:14:34,800
analyze the material says he never

354
00:14:38,629 --> 00:14:36,720
actually did but he confirmed some

355
00:14:40,189 --> 00:14:38,639
things to Wilbert Smith who wrote

356
00:14:42,889 --> 00:14:40,199
letters and then those letters came

357
00:14:45,650 --> 00:14:42,899
spilling out years later but basically

358
00:14:48,290 --> 00:14:45,660
way back then the U.S and Canadian

359
00:14:49,850 --> 00:14:48,300
governments scientists were exchanging

360
00:14:51,310 --> 00:14:49,860
information about this incredible

361
00:14:54,170 --> 00:14:51,320
mystery

362
00:14:56,030 --> 00:14:54,180
so you have an interesting history with

363
00:14:59,150 --> 00:14:56,040

sarbach we'll talk about that later but

364

00:15:01,850 --> 00:14:59,160

so I think what he's saying here in this

365

00:15:03,350 --> 00:15:01,860

part is essentially referencing 1950

366

00:15:05,509 --> 00:15:03,360

is probably you know a Canadian

367

00:15:07,370 --> 00:15:05,519

government going back to will Wilbert

368

00:15:10,069 --> 00:15:07,380

Smith and sarbacher memo do you think

369

00:15:11,990 --> 00:15:10,079

that's correct Georgia if we guess it

370

00:15:13,670 --> 00:15:12,000

could be it could be he's referencing

371

00:15:16,550 --> 00:15:13,680

something else maybe he has more

372

00:15:18,590 --> 00:15:16,560

specific info about the material but we

373

00:15:19,850 --> 00:15:18,600

won't know until we talk to him well I

374

00:15:23,030 --> 00:15:19,860

will tell you this and we're going to

375

00:15:24,410 --> 00:15:23,040

talk with him uh he has met with

376

00:15:28,069 --> 00:15:24,420

firsthand

377

00:15:31,129 --> 00:15:28,079

direct program exploitation people I

378

00:15:34,370 --> 00:15:31,139

know that for a fact that he has met

379

00:15:37,189 --> 00:15:34,380

with them so it was this big oh my gosh

380

00:15:39,590 --> 00:15:37,199

moment we found our program

381

00:15:41,689 --> 00:15:39,600

we found our UFO exploitation program so

382

00:15:43,550 --> 00:15:41,699

this is almost like a defense system

383

00:15:45,290 --> 00:15:43,560

this ladder it's like whoa we better get

384

00:15:48,050 --> 00:15:45,300

ahead of it so thanks for reading that

385

00:15:50,150 --> 00:15:48,060

one and then let's go into oh yeah and

386

00:15:52,970 --> 00:15:50,160

the FMP which is the Five Guys foreign

387

00:15:54,829 --> 00:15:52,980

material program turns out it's real I

388

00:15:56,810 --> 00:15:54,839

had not known about this you know maybe

389

00:15:58,009 --> 00:15:56,820

I was out of the know maybe everybody's

390

00:16:00,410 --> 00:15:58,019

gonna be like oh you should have known

391

00:16:02,329 --> 00:16:00,420

that I had no idea so looking that up

392

00:16:03,949 --> 00:16:02,339

and getting some more information it is

393

00:16:06,170 --> 00:16:03,959

a real program

394

00:16:07,970 --> 00:16:06,180

yeah that's fascinating I don't recall

395

00:16:10,009 --> 00:16:07,980

ever hearing that before it's possible I

396

00:16:12,110 --> 00:16:10,019

did and forgot about it but yeah there

397

00:16:14,569 --> 00:16:12,120

it is so then just to go a little bit

398

00:16:17,269 --> 00:16:14,579

deeper so Canada's Chief science advisor

399

00:16:18,829 --> 00:16:17,279

has also launched the sky Canada project

400

00:16:21,110 --> 00:16:18,839

which is investigating how the

401
00:16:23,090 --> 00:16:21,120
government of Canada manages UAP reports

402
00:16:25,009 --> 00:16:23,100
so this is like their version of Arrow

403
00:16:26,810 --> 00:16:25,019
they are in the process of identifying

404
00:16:28,730 --> 00:16:26,820
key Canadian stakeholder institutions

405
00:16:32,930 --> 00:16:28,740
just like our government did with the

406
00:16:35,870 --> 00:16:32,940
doj and Private Industry Lockheed it is

407
00:16:38,569 --> 00:16:35,880
essential the chief science advisor be

408
00:16:41,629 --> 00:16:38,579
given full access to defense programs

409
00:16:45,590 --> 00:16:41,639
and be briefed on the collaborative

410
00:16:48,530 --> 00:16:45,600
scientific research efforts with our

411
00:16:50,389 --> 00:16:48,540
allies so he's saying hey you gotta I

412
00:16:53,569 --> 00:16:50,399
gotta get the science the chief science

413
00:16:55,850 --> 00:16:53,579

advisor fully brief on all this and

414

00:16:57,650 --> 00:16:55,860

again in Canada I've learned that it's

415

00:17:00,949 --> 00:16:57,660

kind of different than in the U.S in the

416

00:17:03,350 --> 00:17:00,959

US where like uh representative burchett

417

00:17:05,750 --> 00:17:03,360

can he he has a clearance classification

418

00:17:08,630 --> 00:17:05,760

he can be read into certain things turns

419

00:17:12,230 --> 00:17:08,640

out in Canada it ain't like that there's

420

00:17:14,630 --> 00:17:12,240

only a few people that have the ability

421

00:17:17,329 --> 00:17:14,640

to have clearance to be read into things

422

00:17:20,390 --> 00:17:17,339

it's an equivalent to the gang of eight

423

00:17:21,650 --> 00:17:20,400

that we have here in the U.S they don't

424

00:17:25,069 --> 00:17:21,660

have a lot of people that can be that

425

00:17:27,169 --> 00:17:25,079

can be read in so furthering down in

426
00:17:29,390 --> 00:17:27,179
this document so I get that he's

427
00:17:30,230 --> 00:17:29,400
identifying this

428
00:17:34,789 --> 00:17:30,240
um

429
00:17:36,710 --> 00:17:34,799
he then goes on to say it is imperative

430
00:17:38,570 --> 00:17:36,720
the government of Canada have a

431
00:17:40,909 --> 00:17:38,580
Communications plan to respond to these

432
00:17:43,270 --> 00:17:40,919
upcoming public Revelations that will

433
00:17:47,090 --> 00:17:43,280
stem from these American

434
00:17:49,250 --> 00:17:47,100
fmps which is for material programs not

435
00:17:52,610 --> 00:17:49,260
only are there National Security and

436
00:17:53,810 --> 00:17:52,620
Aviation safety concerns that need to be

437
00:17:57,830 --> 00:17:53,820
addressed

438
00:18:01,190 --> 00:17:57,840

but there will be a larger debate about

439

00:18:04,070 --> 00:18:01,200

why there is a lack of transparency and

440

00:18:07,610 --> 00:18:04,080

accountability regarding UAP programs

441

00:18:09,950 --> 00:18:07,620

and policy whoa so he's saying yeah at

442

00:18:12,110 --> 00:18:09,960

safety of flight National Security but

443

00:18:14,029 --> 00:18:12,120

public trust we've been lied to

444

00:18:16,210 --> 00:18:14,039

everybody's been lied to the Public's

445

00:18:20,029 --> 00:18:16,220

been lied to and that's there's gonna be

446

00:18:22,010 --> 00:18:20,039

a major debate about that that's pretty

447

00:18:23,630 --> 00:18:22,020

cool he said that well the debate has

448

00:18:26,029 --> 00:18:23,640

been underway in this country for a long

449

00:18:28,190 --> 00:18:26,039

time anybody wants to wade into UFO

450

00:18:31,130 --> 00:18:28,200

Twitter would see it the debate and the

451

00:18:33,409 --> 00:18:31,140

discussion and the harsh criticism it's

452

00:18:35,270 --> 00:18:33,419

been that way for as long as I've been

453

00:18:39,169 --> 00:18:35,280

involved with the UFO topic for more

454

00:18:41,750 --> 00:18:39,179

than 35 years and um so he is suggesting

455

00:18:44,090 --> 00:18:41,760

that something is coming upcoming public

456

00:18:47,390 --> 00:18:44,100

Revelations regarding these American

457

00:18:50,570 --> 00:18:47,400

fmps that's the big question is what

458

00:18:52,070 --> 00:18:50,580

inside info does he have if any about an

459

00:18:55,130 --> 00:18:52,080

upcoming announcement is he talking

460

00:18:57,230 --> 00:18:55,140

about uh I hope that he's been

461

00:18:58,810 --> 00:18:57,240

communicating on this with Senate

462

00:19:01,250 --> 00:18:58,820

intelligence and Senate armed services

463

00:19:03,470 --> 00:19:01,260

and that they are conveying to him that

464

00:19:05,570 --> 00:19:03,480

something is coming hopefully we've all

465

00:19:07,370 --> 00:19:05,580

been waiting for that day to come but I

466

00:19:08,870 --> 00:19:07,380

wonder what it is and when it when it

467

00:19:10,610 --> 00:19:08,880

might happen so this is one of the

468

00:19:12,350 --> 00:19:10,620

questions we got to ask him is how much

469

00:19:13,909 --> 00:19:12,360

does he know and I can I can say for

470

00:19:15,049 --> 00:19:13,919

sure and again we don't have to take my

471

00:19:18,130 --> 00:19:15,059

word for it we're going to hopefully

472

00:19:21,289 --> 00:19:18,140

talk with him but you know he has been

473

00:19:24,049 --> 00:19:21,299

directly interviewing program Witnesses

474

00:19:26,870 --> 00:19:24,059

it's like they uncovered a exploitation

475

00:19:28,909 --> 00:19:26,880

program and they're like oh

476

00:19:30,890 --> 00:19:28,919

so that's how I understood it and I know

477

00:19:35,390 --> 00:19:30,900

some of the people that he's spoken with

478

00:19:37,850 --> 00:19:35,400

uh both in person and also uh through

479

00:19:40,610 --> 00:19:37,860

you know Zoom or something like that but

480

00:19:42,529 --> 00:19:40,620

in his country in those programs that

481

00:19:44,150 --> 00:19:42,539

our Allied exploitation programs that's

482

00:19:45,710 --> 00:19:44,160

what's interesting so let's just finish

483

00:19:46,909 --> 00:19:45,720

it for the people that are just hearing

484

00:19:49,669 --> 00:19:46,919

on audio

485

00:19:52,490 --> 00:19:49,679

he says I also believe there must be

486

00:19:55,490 --> 00:19:52,500

parliamentary oversight of efforts by

487

00:19:57,890 --> 00:19:55,500

government institutions and responsible

488

00:20:00,289 --> 00:19:57,900

ministers should be fully briefed on

489

00:20:02,830 --> 00:20:00,299

this program it's talking about a

490

00:20:06,049 --> 00:20:02,840

program specifically including

491

00:20:09,650 --> 00:20:06,059

releasable to the public content that

492

00:20:12,590 --> 00:20:09,660

aligns with Allied public disclosures so

493

00:20:15,350 --> 00:20:12,600

he's saying if we have evidence based on

494

00:20:17,330 --> 00:20:15,360

the disclosures from Allied Nations we

495

00:20:20,510 --> 00:20:17,340

need to give it up and he's saying that

496

00:20:25,070 --> 00:20:20,520

they do it is incumbent your department

497

00:20:27,710 --> 00:20:25,080

inform you of what collaborative efforts

498

00:20:30,010 --> 00:20:27,720

have occurred with our allies and the

499

00:20:33,230 --> 00:20:30,020

details of existing agreements and

500

00:20:37,850 --> 00:20:33,240

memorandums of understanding

501
00:20:41,029 --> 00:20:37,860
that govern the program the UAP program

502
00:20:43,490 --> 00:20:41,039
and may have been coordinated through

503
00:20:46,010 --> 00:20:43,500
Global Affairs so he's sure to say may

504
00:20:47,289 --> 00:20:46,020
have been but he's talking about very

505
00:20:50,630 --> 00:20:47,299
specifically

506
00:20:53,029 --> 00:20:50,640
details of existing arrangements and

507
00:20:55,250 --> 00:20:53,039
memorandums of understanding what does

508
00:20:57,890 --> 00:20:55,260
that mean to you I think he is uh

509
00:21:00,890 --> 00:20:57,900
dropping a big clue there that he knows

510
00:21:02,870 --> 00:21:00,900
this stuff is real that he is aware of

511
00:21:05,350 --> 00:21:02,880
these memorandums these agreements that

512
00:21:07,970 --> 00:21:05,360
have been made that there is in writing

513
00:21:09,650 --> 00:21:07,980

uh something that spells out what the

514

00:21:12,049 --> 00:21:09,660

arrangement is between these countries

515

00:21:14,330 --> 00:21:12,059

on how this is to be investigated and

516

00:21:16,010 --> 00:21:14,340

handled he's hinting that he's got him

517

00:21:17,510 --> 00:21:16,020

and that the ministry of Defense had

518

00:21:20,150 --> 00:21:17,520

better acknowledge Him and get ahead of

519

00:21:22,310 --> 00:21:20,160

this all the way through this letter is

520

00:21:24,830 --> 00:21:22,320

is really saying we need to get ahead of

521

00:21:26,870 --> 00:21:24,840

it because something is coming and we

522

00:21:28,730 --> 00:21:26,880

don't want to be caught flat-footed we

523

00:21:30,470 --> 00:21:28,740

don't want to be caught supporting a lie

524

00:21:32,510 --> 00:21:30,480

we need to get ahead of it with the

525

00:21:35,510 --> 00:21:32,520

Canadian people so we can tell them

526

00:21:38,029 --> 00:21:35,520

truth within limits of of what can be uh

527

00:21:40,549 --> 00:21:38,039

made made released to the public

528

00:21:43,549 --> 00:21:40,559

and he kind of puts a point in that in

529

00:21:45,409 --> 00:21:43,559

his last main paragraph he says Canada's

530

00:21:48,190 --> 00:21:45,419

credibility with our allies in the

531

00:21:50,810 --> 00:21:48,200

Canadian public must transcend politics

532

00:21:53,270 --> 00:21:50,820

and I firmly believe we can work

533

00:21:56,450 --> 00:21:53,280

together in a bipartisan manner

534

00:22:00,289 --> 00:21:56,460

regardless of the classified details of

535

00:22:04,010 --> 00:22:00,299

specific fmps for material programs

536

00:22:07,070 --> 00:22:04,020

the public Revelations by these subject

537

00:22:10,010 --> 00:22:07,080

matter experts who have testified before

538

00:22:11,690 --> 00:22:10,020

Congress present present an opportunity

539

00:22:14,450 --> 00:22:11,700

for the government of Canada to take

540

00:22:18,289 --> 00:22:14,460

invisible leadership role in confirming

541

00:22:19,909 --> 00:22:18,299

the existence of recovered material and

542

00:22:21,590 --> 00:22:19,919

balancing our national security

543

00:22:23,750 --> 00:22:21,600

obligations

544

00:22:25,190 --> 00:22:23,760

I look forward to your response and if

545

00:22:28,250 --> 00:22:25,200

you seek any further information please

546

00:22:29,330 --> 00:22:28,260

do not hesitate to contact me

547

00:22:37,730 --> 00:22:29,340

foreign

548

00:22:39,770 --> 00:22:37,740

[Music]

549

00:22:42,289 --> 00:22:39,780

he is informing the minister of National

550

00:22:43,970 --> 00:22:42,299

Defense like the Secretary of Defense in

551
00:22:47,149 --> 00:22:43,980
the U.S equivalent

552
00:22:49,130 --> 00:22:47,159
that she's not aware that that they have

553
00:22:51,409 --> 00:22:49,140
been participating through the basically

554
00:22:53,630 --> 00:22:51,419
their form of DARPA would do this five

555
00:22:55,850 --> 00:22:53,640
eyes four materials program in the

556
00:22:57,529 --> 00:22:55,860
reverse engineering of UFOs that's what

557
00:23:00,470 --> 00:22:57,539
this document admits

558
00:23:02,930 --> 00:23:00,480
I think he could also be saying look I

559
00:23:05,029 --> 00:23:02,940
know about it and I know that you know

560
00:23:06,970 --> 00:23:05,039
about it so it's time for you to come

561
00:23:09,649 --> 00:23:06,980
clean I mean I think he's

562
00:23:11,750 --> 00:23:09,659
characterizing this in as polite away as

563
00:23:13,310 --> 00:23:11,760

possible to say boy you need to get

564

00:23:16,130 --> 00:23:13,320

briefed you need to be brought up to

565

00:23:19,130 --> 00:23:16,140

speed on this but I suspect behind the

566

00:23:21,230 --> 00:23:19,140

scenes he knows that she knows and he's

567

00:23:23,210 --> 00:23:21,240

telling her look the beans are going to

568

00:23:26,210 --> 00:23:23,220

be spilled you got to get ready to come

569

00:23:27,890 --> 00:23:26,220

clean on this that's right yeah the way

570

00:23:30,110 --> 00:23:27,900

I understand and I could be wrong is

571

00:23:33,289 --> 00:23:30,120

that she doesn't know oh that she's

572

00:23:34,730 --> 00:23:33,299

pretty new to the job and and that they

573

00:23:36,049 --> 00:23:34,740

don't have the clearances and this is

574

00:23:38,149 --> 00:23:36,059

not something that's you know usually

575

00:23:40,070 --> 00:23:38,159

put up as like a first thing that's

576

00:23:42,710 --> 00:23:40,080

given to to you know people secretary

577

00:23:44,870 --> 00:23:42,720

she might know how how I have no proof

578

00:23:47,149 --> 00:23:44,880

either way it's just my understanding

579

00:23:50,149 --> 00:23:47,159

that she doesn't but see seed on this

580

00:23:52,549 --> 00:23:50,159

are a number of people at Science and

581

00:23:54,890 --> 00:23:52,559

Technology all that

582

00:23:58,549 --> 00:23:54,900

I noticed one major general Michael

583

00:24:01,190 --> 00:23:58,559

Wright commander of Canadian Forces

584

00:24:04,130 --> 00:24:01,200

so strange his name has been brought up

585

00:24:06,830 --> 00:24:04,140

to me for years now as somebody who was

586

00:24:09,110 --> 00:24:06,840

what they call a gatekeeper to this

587

00:24:11,450 --> 00:24:09,120

information and it never registered with

588

00:24:14,090 --> 00:24:11,460

me like really like what why would I

589

00:24:16,310 --> 00:24:14,100

know this seeing his name there

590

00:24:18,110 --> 00:24:16,320

that feels like a warning shot

591

00:24:19,970 --> 00:24:18,120

that individual knows about these

592

00:24:22,010 --> 00:24:19,980

programs it from what I know over a few

593

00:24:23,570 --> 00:24:22,020

years now that individual knows about

594

00:24:25,130 --> 00:24:23,580

these exploitation programs that are

595

00:24:27,890 --> 00:24:25,140

coordinated through five eyes and with

596

00:24:31,909 --> 00:24:27,900

Canada so putting that person on this as

597

00:24:34,610 --> 00:24:31,919

a cc feels to me like a shot fired

598

00:24:36,350 --> 00:24:34,620

yeah I I feel the same way

599

00:24:37,850 --> 00:24:36,360

um here's here's the questions that jump

600

00:24:38,450 --> 00:24:37,860

out at me again

601
00:24:40,909 --> 00:24:38,460
um

602
00:24:42,890 --> 00:24:40,919
how much information does Larry McGuire

603
00:24:45,169 --> 00:24:42,900
actually have did he get a briefing from

604
00:24:46,549 --> 00:24:45,179
our from members of our congressional

605
00:24:48,110 --> 00:24:46,559
committees

606
00:24:49,850 --> 00:24:48,120
um I we know that he met with Lou

607
00:24:52,190 --> 00:24:49,860
Elizondo and had a briefing there we

608
00:24:54,529 --> 00:24:52,200
know he met with SCU and had a briefing

609
00:24:56,810 --> 00:24:54,539
there does it go beyond that on in an

610
00:24:58,450 --> 00:24:56,820
official capacity where they leveled

611
00:25:00,890 --> 00:24:58,460
with him hey here's what's going on

612
00:25:04,370 --> 00:25:00,900
secondly does he have the paper trail

613
00:25:07,370 --> 00:25:04,380

he's referencing specific programs he's

614

00:25:09,649 --> 00:25:07,380

mentioning documents agreements

615

00:25:11,990 --> 00:25:09,659

memorandum does he have that stuff

616

00:25:13,970 --> 00:25:12,000

already or is he fishing around to try

617

00:25:15,950 --> 00:25:13,980

to get it because if he's already got it

618

00:25:17,690 --> 00:25:15,960

and he's sending this letter to all

619

00:25:20,029 --> 00:25:17,700

these monkey mucks in the Canadian

620

00:25:22,549 --> 00:25:20,039

military and government it's almost like

621

00:25:24,409 --> 00:25:22,559

a threat look I know about it and you

622

00:25:26,390 --> 00:25:24,419

know about it and we better come up with

623

00:25:27,350 --> 00:25:26,400

a plan to let the Canadian public know

624

00:25:29,930 --> 00:25:27,360

about it

625

00:25:31,909 --> 00:25:29,940

well there was an article and there were

626

00:25:34,909 --> 00:25:31,919

some public statements that you know he

627

00:25:38,330 --> 00:25:34,919

was making so Larry McGuire is not a

628

00:25:40,970 --> 00:25:38,340

newcomer to the UAP topic a year ago May

629

00:25:42,890 --> 00:25:40,980

2022 he wrote this article in a Canadian

630

00:25:44,750 --> 00:25:42,900

publication called the line it's an

631

00:25:47,810 --> 00:25:44,760

op-ed piece where he says the headline

632

00:25:50,330 --> 00:25:47,820

is uaps are real and Canada should take

633

00:25:52,430 --> 00:25:50,340

them seriously and he gets into some

634

00:25:54,890 --> 00:25:52,440

fairly specific stuff he says the

635

00:25:57,049 --> 00:25:54,900

greatest barrier to better understanding

636

00:25:59,210 --> 00:25:57,059

the phenomena is the stigma surrounding

637

00:26:01,909 --> 00:25:59,220

it's encouraging to see this begin to

638

00:26:03,830 --> 00:26:01,919

subside uh and allow the topic to be

639

00:26:05,990 --> 00:26:03,840

both publicly acknowledged and studied

640

00:26:08,090 --> 00:26:06,000

he says American senators and members of

641

00:26:10,850 --> 00:26:08,100

Congress have shown greater willingness

642

00:26:12,470 --> 00:26:10,860

to seek information ask questions and

643

00:26:14,870 --> 00:26:12,480

engage the public in recent years

644

00:26:17,330 --> 00:26:14,880

however unlike its counterparts in the

645

00:26:19,789 --> 00:26:17,340

U.S the government of Canada has yet to

646

00:26:22,310 --> 00:26:19,799

show even the slightest curiosity or

647

00:26:24,950 --> 00:26:22,320

concern he goes on the evidence of UAP

648

00:26:28,010 --> 00:26:24,960

is overwhelming and has been affirmed by

649

00:26:30,230 --> 00:26:28,020

presidents former heads of the CIA the

650

00:26:32,690 --> 00:26:30,240

current NASA administrator intelligence

651
00:26:34,850 --> 00:26:32,700
visuals and trained military observers

652
00:26:36,529 --> 00:26:34,860
now there's an ability to have a serious

653
00:26:38,450 --> 00:26:36,539
discussion on this matter more

654
00:26:40,789 --> 00:26:38,460
individuals with impeccable backgrounds

655
00:26:42,890 --> 00:26:40,799
feel comfortable speaking publicly about

656
00:26:45,110 --> 00:26:42,900
what they know he references the New

657
00:26:47,269 --> 00:26:45,120
York Times story gives the Canadian

658
00:26:49,850 --> 00:26:47,279
readers a little history on current

659
00:26:51,409 --> 00:26:49,860
events in the UAP world and is demanding

660
00:26:53,450 --> 00:26:51,419
more accountability and more

661
00:26:57,769 --> 00:26:53,460
transparency which a lot of members of

662
00:27:00,169 --> 00:26:57,779
our U.S Congress have been doing as well

663
00:27:02,330 --> 00:27:00,179

absolutely and the other article that

664

00:27:06,230 --> 00:27:02,340

really caught my attention it was by um

665

00:27:08,149 --> 00:27:06,240

Brandi Vincent June 15 2023 so you know

666

00:27:08,890 --> 00:27:08,159

a few days ago

667

00:27:12,169 --> 00:27:08,900

um

668

00:27:14,570 --> 00:27:12,179

it's titled five eyes Alliance remains

669

00:27:19,310 --> 00:27:14,580

tight-lipped on how it's collaborating

670

00:27:21,950 --> 00:27:19,320

on uncovering uaps uh so I think it was

671

00:27:23,930 --> 00:27:21,960

defense scoop asked government media

672

00:27:26,269 --> 00:27:23,940

officials from all the nations to

673

00:27:28,730 --> 00:27:26,279

provide more details in the wake of a

674

00:27:30,529 --> 00:27:28,740

recent meeting held at the Pentagon and

675

00:27:33,289 --> 00:27:30,539

what's being referenced so again five

676
00:27:36,529 --> 00:27:33,299
eyes is the U.S the UK Canada Australia

677
00:27:37,850 --> 00:27:36,539
and New Zealand that's the alliance so

678
00:27:39,590 --> 00:27:37,860
what they're referencing is what Dr

679
00:27:41,630 --> 00:27:39,600
shark or Patrick said

680
00:27:43,250 --> 00:27:41,640
when he was talking about that oh we are

681
00:27:45,830 --> 00:27:43,260
coordinating with him but by the way I

682
00:27:48,529 --> 00:27:45,840
just got to say it Dr Kirkpatrick is

683
00:27:50,990 --> 00:27:48,539
lying through a mission kinda I mean he

684
00:27:54,169 --> 00:27:51,000
is you know he says they entered into

685
00:27:57,110 --> 00:27:54,179
this alliance with our allies on this

686
00:27:59,990 --> 00:27:57,120
topic we entered into it what we've been

687
00:28:02,570 --> 00:28:00,000
in it we've seen documents representing

688
00:28:04,789 --> 00:28:02,580

UAP Transmissions like information being

689

00:28:06,950 --> 00:28:04,799

spread so it's not like they just

690

00:28:10,130 --> 00:28:06,960

entered into it so the interesting thing

691

00:28:12,169 --> 00:28:10,140

was online a friend of mine uh who's

692

00:28:15,230 --> 00:28:12,179

active on Twitter he wrote something

693

00:28:18,230 --> 00:28:15,240

saying a psyop coordinated by the five

694

00:28:21,070 --> 00:28:18,240

eyes Nations on their own citizens would

695

00:28:24,470 --> 00:28:21,080

be a blockbuster story all on its own

696

00:28:28,090 --> 00:28:24,480

and that's just the least interesting

697

00:28:31,190 --> 00:28:28,100

outcome of any serious UFO investigation

698

00:28:32,630 --> 00:28:31,200

are journalists scared of what they'll

699

00:28:34,310 --> 00:28:32,640

find I don't know why I said that that's

700

00:28:37,250 --> 00:28:34,320

funny it's like a poke to get people to

701
00:28:39,409 --> 00:28:37,260
investigate but he's right he didn't

702
00:28:42,230 --> 00:28:39,419
know about this document that I'm aware

703
00:28:44,210 --> 00:28:42,240
of of I know he didn't but he's

704
00:28:46,430 --> 00:28:44,220
referencing this defense scoop article

705
00:28:48,830 --> 00:28:46,440
and I read you the title and when I look

706
00:28:50,570 --> 00:28:48,840
into it it's a fascinating article

707
00:28:53,390 --> 00:28:50,580
people should read it it's it's very

708
00:28:54,649 --> 00:28:53,400
short uh and I don't think we should

709
00:28:57,049 --> 00:28:54,659
read it here but I think anybody

710
00:28:59,510 --> 00:28:57,059
listening to this they should read that

711
00:29:01,490 --> 00:28:59,520
we'll put links to it uh but it's it's

712
00:29:04,310 --> 00:29:01,500
an interesting article that relates to

713
00:29:07,190 --> 00:29:04,320

this five eyes kind of you know

714

00:29:09,769 --> 00:29:07,200

Blockbuster story well the idea that

715

00:29:11,390 --> 00:29:09,779

there's been a psyops program forever

716

00:29:13,610 --> 00:29:11,400

that's that's been around for a long

717

00:29:16,010 --> 00:29:13,620

time the people who do not want to

718

00:29:18,409 --> 00:29:16,020

accept UAP reality have used that

719

00:29:20,630 --> 00:29:18,419

argument it's all a trick you know the

720

00:29:22,730 --> 00:29:20,640

CIA has tricked us about it spy planes

721

00:29:25,490 --> 00:29:22,740

they lie to us all the time to hide

722

00:29:27,529 --> 00:29:25,500

things and that this big psyops is

723

00:29:30,169 --> 00:29:27,539

created in order to increase defense

724

00:29:31,610 --> 00:29:30,179

spending which I find to be absolutely

725

00:29:34,490 --> 00:29:31,620

laughable

726

00:29:35,630 --> 00:29:34,500

when does our Pentagon get told no when

727

00:29:37,010 --> 00:29:35,640

they want to spend some money on

728

00:29:39,169 --> 00:29:37,020

something they don't need an alien

729

00:29:41,870 --> 00:29:39,179

threat we got plenty of of real life

730

00:29:43,730 --> 00:29:41,880

Earthbound threats that they get all the

731

00:29:46,430 --> 00:29:43,740

money that they need in fact they get

732

00:29:49,010 --> 00:29:46,440

more money than they request Congress

733

00:29:50,510 --> 00:29:49,020

forces spending programs on them because

734

00:29:52,310 --> 00:29:50,520

everybody likes to have a big fat

735

00:29:55,789 --> 00:29:52,320

defense contract in their congressional

736

00:29:58,610 --> 00:29:55,799

district so the idea that the whole UFO

737

00:30:00,289 --> 00:29:58,620

mystery has to be created as a psyops to

738

00:30:03,710 --> 00:30:00,299

get more defense spending I find

739

00:30:07,190 --> 00:30:03,720

absolutely laughable yeah man and did

740

00:30:10,070 --> 00:30:07,200

you see that I know you did uh it was um

741

00:30:11,810 --> 00:30:10,080

the Robert Kennedy's son that was on the

742

00:30:13,490 --> 00:30:11,820

Rogan podcast and Joe started throwing

743

00:30:16,490 --> 00:30:13,500

punches on Twitter I was like whoa

744

00:30:18,830 --> 00:30:16,500

throwing punches uh one of the things he

745

00:30:22,669 --> 00:30:18,840

talked about a clip that I did see was

746

00:30:26,169 --> 00:30:22,679

that his uh his uncle uh who is

747

00:30:28,250 --> 00:30:26,179

President Kennedy he at one time

748

00:30:31,909 --> 00:30:28,260

realized that these intelligence

749

00:30:34,250 --> 00:30:31,919

agencies had an expansive agenda of

750

00:30:35,630 --> 00:30:34,260

warfare and that he was at some point

751
00:30:37,610 --> 00:30:35,640
right after Bay of Pigs and after

752
00:30:38,930 --> 00:30:37,620
pulling people out of Vietnam because

753
00:30:41,570 --> 00:30:38,940
the casualties

754
00:30:44,090 --> 00:30:41,580
was just like oh no we're gonna shatter

755
00:30:45,289 --> 00:30:44,100
the CIA we're gonna dismantle them and

756
00:30:48,470 --> 00:30:45,299
it was he said it was two months later

757
00:30:51,049 --> 00:30:48,480
that he was murdered so the implication

758
00:30:53,090 --> 00:30:51,059
is that there are intelligence agencies

759
00:30:55,430 --> 00:30:53,100
that have oversight over the UFO

760
00:30:57,710 --> 00:30:55,440
phenomenon and materials that they do

761
00:30:59,870 --> 00:30:57,720
work with governments but that those

762
00:31:01,850 --> 00:30:59,880
materials were sequestered into Private

763
00:31:04,250 --> 00:31:01,860

Industry as a way to hide them and that

764

00:31:06,529 --> 00:31:04,260

the overseers or the oversight is not

765

00:31:09,409 --> 00:31:06,539

proper oversight these are illegal

766

00:31:11,930 --> 00:31:09,419

programs that people in position who

767

00:31:14,330 --> 00:31:11,940

should be told and should have oversight

768

00:31:17,690 --> 00:31:14,340

don't that goes all the way to the

769

00:31:19,970 --> 00:31:17,700

Wilson memo to to what we were hearing

770

00:31:23,450 --> 00:31:19,980

back in the day about you know who it is

771

00:31:26,630 --> 00:31:23,460

might control these programs uh who even

772

00:31:29,450 --> 00:31:26,640

Bob Lazar got you know pay stubs from an

773

00:31:31,970 --> 00:31:29,460

office that does exist that we know now

774

00:31:33,590 --> 00:31:31,980

but at the time they thought was named

775

00:31:37,789 --> 00:31:33,600

wrong

776

00:31:40,190 --> 00:31:37,799

so the CIA and certain departments uh

777

00:31:44,750 --> 00:31:40,200

within our National Intelligence as well

778

00:31:47,450 --> 00:31:44,760

as Private Industry have had hands in

779

00:31:49,730 --> 00:31:47,460

these programs so the question is who's

780

00:31:51,350 --> 00:31:49,740

not being told that should who's not

781

00:31:54,230 --> 00:31:51,360

having oversight and I think that's why

782

00:31:56,269 --> 00:31:54,240

Senate and the house is fired up because

783

00:31:57,649 --> 00:31:56,279

they're not being told and they're

784

00:31:59,690 --> 00:31:57,659

starting to realize they're being lied

785

00:32:01,490 --> 00:31:59,700

to and obfuscated from and that's going

786

00:32:03,889 --> 00:32:01,500

to fire anybody up

787

00:32:05,810 --> 00:32:03,899

well there are lies that are told even

788

00:32:10,070 --> 00:32:05,820

now that have been told for a long time

789

00:32:11,570 --> 00:32:10,080

there are deceptive programs created to

790

00:32:13,850 --> 00:32:11,580

divert attention away from something

791

00:32:15,830 --> 00:32:13,860

real CIA does that kind of stuff other

792

00:32:17,510 --> 00:32:15,840

uh elements within our defense

793

00:32:19,310 --> 00:32:17,520

establishment they do that stuff there's

794

00:32:21,830 --> 00:32:19,320

no question that's happened over the

795

00:32:24,110 --> 00:32:21,840

years but they've also lied about the

796

00:32:27,049 --> 00:32:24,120

essence of this mystery there is a real

797

00:32:28,730 --> 00:32:27,059

core mystery here with definitive proof

798

00:32:31,970 --> 00:32:28,740

and they've known about it for a long

799

00:32:33,590 --> 00:32:31,980

time and have successfully muddied the

800

00:32:35,389 --> 00:32:33,600

waters so that the public really does

801
00:32:37,190 --> 00:32:35,399
not have an understanding of it you had

802
00:32:39,289 --> 00:32:37,200
mentioned before about are journalists

803
00:32:40,730 --> 00:32:39,299
afraid of it well yeah I think a lot of

804
00:32:42,230 --> 00:32:40,740
them are afraid of it because they've

805
00:32:44,389 --> 00:32:42,240
been so adamant in saying there's

806
00:32:47,090 --> 00:32:44,399
nothing to it and making fun of people

807
00:32:49,430 --> 00:32:47,100
who dig into it that when it comes out

808
00:32:51,049 --> 00:32:49,440
that they are completely wrong a hundred

809
00:32:52,669 --> 00:32:51,059
percent wrong they're going to look like

810
00:32:54,529 --> 00:32:52,679
idiots so yeah I think that's what

811
00:32:57,529 --> 00:32:54,539
they're afraid of so let me just be the

812
00:32:59,750 --> 00:32:57,539
optimists I'm standing back and I'm like

813
00:33:01,909 --> 00:32:59,760

okay we obtained this document now it's

814

00:33:04,310 --> 00:33:01,919

weird like the title like the top of it

815

00:33:06,049 --> 00:33:04,320

looks so weird it's like this picture by

816

00:33:07,610 --> 00:33:06,059

grain fields in full color that's

817

00:33:09,590 --> 00:33:07,620

because these days when you're sending

818

00:33:11,990 --> 00:33:09,600

around memos it's not type written like

819

00:33:13,909 --> 00:33:12,000

all these 50s memos on UFOs that's what

820

00:33:15,470 --> 00:33:13,919

you do but you know it's it's it was

821

00:33:18,769 --> 00:33:15,480

kind of weird

822

00:33:21,710 --> 00:33:18,779

but I know that the document is 100 real

823

00:33:23,750 --> 00:33:21,720

I know it was written by him I know that

824

00:33:26,029 --> 00:33:23,760

it was passed around to certain small

825

00:33:30,470 --> 00:33:26,039

communities I know that it found our way

826

00:33:33,830 --> 00:33:30,480

its way to us three times and that I was

827

00:33:35,330 --> 00:33:33,840

able to affirm it with somebody that was

828

00:33:37,789 --> 00:33:35,340

um an individual that was up in Canada

829

00:33:41,090 --> 00:33:37,799

as well so

830

00:33:43,310 --> 00:33:41,100

to me I'm I'm satisfied it is an actual

831

00:33:45,769 --> 00:33:43,320

document let's see if they deny it but

832

00:33:48,350 --> 00:33:45,779

if it is actual what's the headline

833

00:33:53,269 --> 00:33:50,269

I mean

834

00:33:57,169 --> 00:33:53,279

you know the biggest headline to me is

835

00:33:59,450 --> 00:33:57,179

there is a five eyes program to analyze

836

00:34:00,649 --> 00:33:59,460

UFO material and it's back and kept

837

00:34:02,210 --> 00:34:00,659

secret

838

00:34:03,950 --> 00:34:02,220

um I I had no idea that I mean well

839

00:34:05,870 --> 00:34:03,960

we've had we've seen hints that there is

840

00:34:07,190 --> 00:34:05,880

communication on this issue through

841

00:34:08,990 --> 00:34:07,200

those five nations through the

842

00:34:11,450 --> 00:34:09,000

militaries but I didn't know there was

843

00:34:12,710 --> 00:34:11,460

an actual specific program that deals

844

00:34:15,829 --> 00:34:12,720

with recovered

845

00:34:17,510 --> 00:34:15,839

foreign technology specifically a

846

00:34:19,849 --> 00:34:17,520

Unknown Origin

847

00:34:21,770 --> 00:34:19,859

um that's that's a pretty big deal Larry

848

00:34:24,109 --> 00:34:21,780

McGuire is obviously somebody is very

849

00:34:26,030 --> 00:34:24,119

passionate about this you mentioned he'd

850

00:34:28,190 --> 00:34:26,040

written about it previously there's an

851
00:34:29,329 --> 00:34:28,200
article in something called the line the

852
00:34:31,909 --> 00:34:29,339
headline is

853
00:34:33,829 --> 00:34:31,919
Larry McGuire says uaps are real and

854
00:34:36,889 --> 00:34:33,839
Canada should take them seriously that

855
00:34:38,869 --> 00:34:36,899
was May of 2022. since then he's upped

856
00:34:41,329 --> 00:34:38,879
his game you know this letter to their

857
00:34:43,310 --> 00:34:41,339
Ministry of Defense uh is is pretty

858
00:34:44,869 --> 00:34:43,320
serious remember a parliament is saying

859
00:34:47,089 --> 00:34:44,879
we need to get ahead of this something

860
00:34:51,470 --> 00:34:47,099
big is coming that's that's pretty

861
00:34:54,649 --> 00:34:51,480
newsworthy for me the headline is

862
00:34:56,450 --> 00:34:54,659
everybody's asking for proof proof that

863
00:34:59,690 --> 00:34:56,460

what's something that David grush let's

864

00:35:00,950 --> 00:34:59,700

say what what he said is accurate you

865

00:35:03,109 --> 00:35:00,960

know what do we have we have an IG

866

00:35:04,609 --> 00:35:03,119

complaint they could end up dismissing

867

00:35:06,230 --> 00:35:04,619

that IG complaint doesn't make it real

868

00:35:08,750 --> 00:35:06,240

just because it's an IG complaint

869

00:35:11,450 --> 00:35:08,760

although they did find it uh credible

870

00:35:14,089 --> 00:35:11,460

and they did find it urgent I find this

871

00:35:16,790 --> 00:35:14,099

document to both be credible and urgent

872

00:35:20,450 --> 00:35:16,800

because what it is saying is that we

873

00:35:21,770 --> 00:35:20,460

have been reverse engineering UFOs and

874

00:35:24,050 --> 00:35:21,780

that we've been doing it a long time

875

00:35:26,349 --> 00:35:24,060

it's referencing all the way back to the

876

00:35:28,550 --> 00:35:26,359

50s that it is a secret

877

00:35:30,170 --> 00:35:28,560

compartmentalized program with Allied

878

00:35:32,150 --> 00:35:30,180

Nations and that this information

879

00:35:34,190 --> 00:35:32,160

spilling out and we got to get ahead of

880

00:35:36,349 --> 00:35:34,200

it this is the closest thing to proof

881

00:35:39,230 --> 00:35:36,359

that I have seen what people would call

882

00:35:41,569 --> 00:35:39,240

disclosure this is not somebody saying

883

00:35:44,150 --> 00:35:41,579

it they're kind of putting in a memo but

884

00:35:46,730 --> 00:35:44,160

it's unclassified I wonder if they knew

885

00:35:48,170 --> 00:35:46,740

that at some point somebody is going to

886

00:35:49,609 --> 00:35:48,180

be able to talk about this and put it

887

00:35:53,750 --> 00:35:49,619

forward like we're doing

888

00:35:56,329 --> 00:35:53,760

so to me this is a moment where we have

889

00:35:58,130 --> 00:35:56,339

official acknowledgment especially

890

00:35:59,510 --> 00:35:58,140

depending on how they answer us when we

891

00:36:01,970 --> 00:35:59,520

start asking questions the world starts

892

00:36:03,829 --> 00:36:01,980

asking questions this is a reverse

893

00:36:07,550 --> 00:36:03,839

engineering program a UFOs confirmed

894

00:36:09,770 --> 00:36:07,560

that's my headline yeah yeah right and

895

00:36:12,109 --> 00:36:09,780

it's been going on for a long time and

896

00:36:14,750 --> 00:36:12,119

it's been kept secret

897

00:36:16,250 --> 00:36:14,760

um I'd be curious whether Senate armed

898

00:36:18,890 --> 00:36:16,260

services and Senate intelligence

899

00:36:20,630 --> 00:36:18,900

committee members or staff have seen

900

00:36:24,890 --> 00:36:20,640

this letter if it's floating around in

901
00:36:26,569 --> 00:36:24,900
those circles do you know uh I do and I

902
00:36:29,630 --> 00:36:26,579
I think that you and I will make some

903
00:36:33,410 --> 00:36:29,640
calls so that we can just confirm it on

904
00:36:35,210 --> 00:36:33,420
record together so that a lot of eyes in

905
00:36:37,310 --> 00:36:35,220
the US have seen this letter it's been

906
00:36:39,109 --> 00:36:37,320
floating around in intelligent circles

907
00:36:40,430 --> 00:36:39,119
for a little while for two months I

908
00:36:42,950 --> 00:36:40,440
guess

909
00:36:46,130 --> 00:36:42,960
I I wouldn't say a lot of eyes I

910
00:36:50,030 --> 00:36:46,140
wouldn't know but I definitely know some

911
00:36:52,609 --> 00:36:50,040
uh well we'll see what Larry McGuire

912
00:36:55,430 --> 00:36:52,619
says when we call them up uh we'll see

913
00:36:57,589 --> 00:36:55,440

what Sean Kirkpatrick and others in

914

00:36:59,990 --> 00:36:57,599

those kinds of positions how they react

915

00:37:01,370 --> 00:37:00,000

I'm I'm curious I mean it's it's

916

00:37:03,770 --> 00:37:01,380

dramatic stuff

917

00:37:05,329 --> 00:37:03,780

I mean go Canada you know like how how

918

00:37:07,370 --> 00:37:05,339

is this information gonna get out but

919

00:37:09,290 --> 00:37:07,380

sometimes it's just going to be some you

920

00:37:11,450 --> 00:37:09,300

know Representatives being like yo we

921

00:37:13,609 --> 00:37:11,460

gotta up our game you know Department of

922

00:37:15,349 --> 00:37:13,619

Defense what's going on here their

923

00:37:17,870 --> 00:37:15,359

curiosity is like ours and I think he

924

00:37:20,089 --> 00:37:17,880

makes just in Larry's defense I think

925

00:37:21,589 --> 00:37:20,099

that he makes a really good point I

926

00:37:23,089 --> 00:37:21,599

think he says look I became aware of

927

00:37:26,270 --> 00:37:23,099

this the Canadian government has these

928

00:37:28,670 --> 00:37:26,280

programs and we're working on UFOs

929

00:37:31,550 --> 00:37:28,680

we do need to communicate to our

930

00:37:33,890 --> 00:37:31,560

citizens we need to up our game of

931

00:37:35,569 --> 00:37:33,900

communications this is not like a tactic

932

00:37:38,690 --> 00:37:35,579

of like trying to cover something up

933

00:37:41,210 --> 00:37:38,700

this is a tactic of UAP transparency he

934

00:37:43,130 --> 00:37:41,220

is putting the APB out and shooting a

935

00:37:45,530 --> 00:37:43,140

warning shot to the secretary basically

936

00:37:47,569 --> 00:37:45,540

Secretary of Defense over there

937

00:37:49,970 --> 00:37:47,579

we need to tell people we need to be

938

00:37:51,290 --> 00:37:49,980

honest and I applaud him for that so I

939

00:37:53,569 --> 00:37:51,300

don't even know his politics or anything

940

00:37:56,750 --> 00:37:53,579

I don't really care he asks for

941

00:37:59,089 --> 00:37:56,760

bipartisan in this letter bipartisan so

942

00:38:00,829 --> 00:37:59,099

whoever this guy is who he is as a

943

00:38:01,790 --> 00:38:00,839

person he's doing the right thing right

944

00:38:04,670 --> 00:38:01,800

now

945

00:38:06,890 --> 00:38:04,680

UFOs might be the only bipartisan issue

946

00:38:09,109 --> 00:38:06,900

in this country as well I mean it's the

947

00:38:10,609 --> 00:38:09,119

only thing that uh members of Congress

948

00:38:12,410 --> 00:38:10,619

of different parties seem to be able to

949

00:38:13,910 --> 00:38:12,420

agree on so

950

00:38:14,810 --> 00:38:13,920

um look forward to digging into this

951
00:38:17,750 --> 00:38:14,820
some more

952
00:38:19,250 --> 00:38:17,760
uh maybe this this uh recording here

953
00:38:21,230 --> 00:38:19,260
will never see the light of day we'll

954
00:38:22,609 --> 00:38:21,240
we'll have to see where it goes but it's

955
00:38:25,130 --> 00:38:22,619
pretty exciting it's an exciting

956
00:38:26,270 --> 00:38:25,140
development it is and so George just so

957
00:38:28,030 --> 00:38:26,280
we're clear with our audience we don't

958
00:38:30,770 --> 00:38:28,040
have to make a second video later

959
00:38:32,390 --> 00:38:30,780
clarifying what are we not saying and

960
00:38:33,950 --> 00:38:32,400
what are we saying from your terms

961
00:38:35,750 --> 00:38:33,960
before we dig into this as journalists a

962
00:38:37,730 --> 00:38:35,760
little bit more it's an open case cool

963
00:38:39,589 --> 00:38:37,740

document what are we not saying and what

964

00:38:42,109 --> 00:38:39,599

are we saying well we have not talked to

965

00:38:45,050 --> 00:38:42,119

Larry McGuire we want to we'd like to if

966

00:38:47,329 --> 00:38:45,060

he will talk to us tell us a what kind

967

00:38:50,630 --> 00:38:47,339

of briefings he got B what kind of paper

968

00:38:53,089 --> 00:38:50,640

trail he's uncovered C has there been a

969

00:38:53,870 --> 00:38:53,099

response he cc'd a lot of people in this

970

00:38:55,970 --> 00:38:53,880

letter

971

00:38:57,470 --> 00:38:55,980

It Was Written two months ago did he get

972

00:38:59,210 --> 00:38:57,480

a response yet he's a member of

973

00:39:01,190 --> 00:38:59,220

parliament he's been there for 10 years

974

00:39:03,170 --> 00:39:01,200

you would think that they would at least

975

00:39:06,349 --> 00:39:03,180

respective enough to give him some kind

976
00:39:08,150 --> 00:39:06,359
of response even if it's a brush off so

977
00:39:10,430 --> 00:39:08,160
um finding out what the answers to those

978
00:39:12,829 --> 00:39:10,440
three questions I think would be key

979
00:39:15,470 --> 00:39:12,839
excellent hey man I love being on the

980
00:39:17,329 --> 00:39:15,480
hunt I love doing this with you let's do

981
00:39:18,589 --> 00:39:17,339
it right I hopefully we just get this

982
00:39:20,990 --> 00:39:18,599
out right away and then we just have

983
00:39:22,730 --> 00:39:21,000
done a little work by then but man

984
00:39:30,770 --> 00:39:22,740
there'll be an update on this so see ya

985
00:39:30,780 --> 00:39:46,150
