

WEAPONIZED #23

# WHO ARE THE VISITORS AND WHY ARE THEY HERE?

GUEST : WHITLEY STRIEBER

1  
00:00:08,570 --> 00:00:04,610  
I get rolling that around in my head and

2  
00:00:10,610 --> 00:00:08,580  
rolling it around in my he took me

3  
00:00:13,070 --> 00:00:10,620  
they took me

4  
00:00:15,289 --> 00:00:13,080  
but why would these beings be doing this

5  
00:00:18,529 --> 00:00:15,299  
to human beings if it's true let me let

6  
00:00:20,630 --> 00:00:18,539  
me give you some possibilities a lot of

7  
00:00:23,150 --> 00:00:20,640  
physicists now believe that there is no

8  
00:00:25,849 --> 00:00:23,160  
objective reality you can never see

9  
00:00:27,529 --> 00:00:25,859  
anything except directly you can only

10  
00:00:31,669 --> 00:00:27,539  
you can only interpret your own

11  
00:00:35,090 --> 00:00:31,679  
perceptions touch taste feel sight smell

12  
00:00:37,910 --> 00:00:35,100  
those are all inside us the suggestion

13  
00:00:40,670 --> 00:00:37,920

in is that they have been here for a

14

00:00:43,069 --> 00:00:40,680

long time and have affected our world

15

00:00:46,430 --> 00:00:43,079

you know the truth is

16

00:00:49,209 --> 00:00:46,440

we don't know a darn thing about what

17

00:00:52,190 --> 00:00:49,219

this actually is

18

00:00:54,950 --> 00:00:52,200

Secrets cover-ups and strange phenomena

19

00:00:58,010 --> 00:00:54,960

UFOs and ideas that challenge reality

20

00:00:59,630 --> 00:00:58,020

itself all these Mysteries all this time

21

00:01:02,209 --> 00:00:59,640

are we ever going to get to the bottom

22

00:01:04,789 --> 00:01:02,219

of these my name is George Knapp I dig

23

00:01:07,070 --> 00:01:04,799

into news stories that others can't or

24

00:01:08,750 --> 00:01:07,080

won't I'm Jeremy Corbell and for some

25

00:01:10,730 --> 00:01:08,760

reason people tell me things they

26

00:01:15,469 --> 00:01:10,740

probably shouldn't

27

00:01:20,749 --> 00:01:17,690

foreign

28

00:01:23,330 --> 00:01:20,759

this is weaponized it's been 36 years

29

00:01:25,789 --> 00:01:23,340

since the book communion exploded into

30

00:01:28,130 --> 00:01:25,799

the public Consciousness it spent six

31

00:01:31,190 --> 00:01:28,140

months atop the best seller list it sold

32

00:01:33,890 --> 00:01:31,200

millions of copies still sells many

33

00:01:36,230 --> 00:01:33,900

copies it's inspired so many other uh

34

00:01:40,310 --> 00:01:36,240

similar books by other artists and

35

00:01:41,810 --> 00:01:40,320

experiencers it became a a hit movie and

36

00:01:43,789 --> 00:01:41,820

the guy who wrote it Is Our Guest today

37

00:01:45,830 --> 00:01:43,799

Whitley Street Whitley great to see you

38

00:01:48,170 --> 00:01:45,840

it's a pleasure to be here George good

39

00:01:50,990 --> 00:01:48,180

to see you Italy yeah see you too we

40

00:01:53,389 --> 00:01:51,000

want to talk about your latest book them

41

00:01:55,490 --> 00:01:53,399

um but there's a journey because it's

42

00:01:58,789 --> 00:01:55,500

sort of the new book is kind of a full

43

00:02:00,649 --> 00:01:58,799

circle for you in returning to the

44

00:02:02,870 --> 00:02:00,659

communications you had from the public

45

00:02:05,090 --> 00:02:02,880

after communion came out I mean this

46

00:02:07,550 --> 00:02:05,100

thing landed like an atomic bomb right

47

00:02:10,850 --> 00:02:07,560

can you share with us what it was like

48

00:02:14,570 --> 00:02:10,860

to be riding that wave back in 1987.

49

00:02:17,330 --> 00:02:14,580

well first I had no idea there would be

50

00:02:19,670 --> 00:02:17,340

a wave we Bud Hopkins and I figured

51  
00:02:22,130 --> 00:02:19,680  
there were about maybe 50 or 100 people

52  
00:02:24,470 --> 00:02:22,140  
who had had these experiences

53  
00:02:27,830 --> 00:02:24,480  
we did not know the truth that there was

54  
00:02:28,850 --> 00:02:27,840  
it was an a massive undercurrent in the

55  
00:02:32,630 --> 00:02:28,860  
society

56  
00:02:36,110 --> 00:02:32,640  
and I came to it as a a novelist a

57  
00:02:38,869 --> 00:02:36,120  
fiction writer and suddenly here I am

58  
00:02:41,330 --> 00:02:38,879  
going out and saying something very like

59  
00:02:43,670 --> 00:02:41,340  
one of my horror novels

60  
00:02:47,089 --> 00:02:43,680  
actually happened to me

61  
00:02:49,550 --> 00:02:47,099  
and worse for me personally back in

62  
00:02:51,830 --> 00:02:49,560  
Texas where I came from I have a

63  
00:02:54,710 --> 00:02:51,840

reputation for being skilled at fooling

64

00:02:56,930 --> 00:02:54,720

people and playing pranks so you know

65

00:02:58,550 --> 00:02:56,940

below I mean it's just the last person

66

00:03:02,030 --> 00:02:58,560

you would think

67

00:03:04,250 --> 00:03:02,040

could could do this or should be called

68

00:03:06,229 --> 00:03:04,260

on to do this in a way but at the same

69

00:03:08,390 --> 00:03:06,239

time as we'll see over the course of the

70

00:03:10,790 --> 00:03:08,400

discussion there's been an enormous

71

00:03:12,649 --> 00:03:10,800

effort on the part of this presence and

72

00:03:15,470 --> 00:03:12,659

that's mostly what I'm going to call it

73

00:03:17,869 --> 00:03:15,480

sometimes the visitors not necessarily

74

00:03:19,670 --> 00:03:17,879

aliens because that I just don't I think

75

00:03:24,830 --> 00:03:19,680

I don't think we know enough about it to

76  
00:03:26,770 --> 00:03:24,840  
to make it so definite so in any case it

77  
00:03:32,030 --> 00:03:26,780  
makes an effort

78  
00:03:34,910 --> 00:03:32,040  
to enable people to to to make their own

79  
00:03:37,809 --> 00:03:34,920  
decisions if they had for example had

80  
00:03:41,270 --> 00:03:37,819  
Carl Sagan instead of me or another

81  
00:03:42,589 --> 00:03:41,280  
prominent scientist or a religious

82  
00:03:44,809 --> 00:03:42,599  
leader or something you could not

83  
00:03:47,030 --> 00:03:44,819  
someone you could not doubt

84  
00:03:49,910 --> 00:03:47,040  
then people would be forced to believe

85  
00:03:52,430 --> 00:03:49,920  
it but with me

86  
00:03:53,390 --> 00:03:52,440  
they could they could really take their

87  
00:03:56,210 --> 00:03:53,400  
choice

88  
00:03:58,250 --> 00:03:56,220

and I mean my friends in Texas were just

89

00:03:59,270 --> 00:03:58,260

there wasn't one of them they said you

90

00:04:02,509 --> 00:03:59,280

know Whitley

91

00:04:05,270 --> 00:04:02,519

this is just the worst this is your

92

00:04:08,089 --> 00:04:05,280

worst the most outrageous joke you've

93

00:04:08,990 --> 00:04:08,099

ever played and I'm saying it's not a

94

00:04:11,990 --> 00:04:09,000

joke

95

00:04:14,330 --> 00:04:12,000

and it happened

96

00:04:17,930 --> 00:04:14,340

and this is still the bottom line

97

00:04:20,390 --> 00:04:17,940

something happened to me and to it turns

98

00:04:21,490 --> 00:04:20,400

out millions of other people the image

99

00:04:23,990 --> 00:04:21,500

on the cover

100

00:04:25,730 --> 00:04:24,000

connected to people all over the planet

101  
00:04:28,790 --> 00:04:25,740  
in a ways that surprised you and

102  
00:04:31,790 --> 00:04:28,800  
everyone else they spoke to them because

103  
00:04:33,290 --> 00:04:31,800  
there was a a hint of recognition for a

104  
00:04:36,469 --> 00:04:33,300  
lot of people who had not confronted

105  
00:04:40,070 --> 00:04:36,479  
this before it was a trigger that that

106  
00:04:42,950 --> 00:04:40,080  
image is the is the the is the

107  
00:04:45,409 --> 00:04:42,960  
initiating moment of contact between us

108  
00:04:48,110 --> 00:04:45,419  
and whatever this other presence is that

109  
00:04:49,730 --> 00:04:48,120  
was what started it and I had not the

110  
00:04:52,129 --> 00:04:49,740  
faintest idea anything like that would

111  
00:04:54,710 --> 00:04:52,139  
happen gosh I wish I could say well you

112  
00:04:56,749 --> 00:04:54,720  
know uh the visitors and I were blah

113  
00:04:59,689 --> 00:04:56,759

blah and you know I knew just what would

114

00:05:02,510 --> 00:04:59,699

no not even close I was just sitting

115

00:05:05,150 --> 00:05:02,520

there with the artist Ted Jacobs trying

116

00:05:08,270 --> 00:05:05,160

to get an image that reflected the wave

117

00:05:11,510 --> 00:05:08,280

it felt to look into those eyes and it

118

00:05:13,370 --> 00:05:11,520

worked and then there was just thousands

119

00:05:16,850 --> 00:05:13,380

and thou if you go down to Rice

120

00:05:19,010 --> 00:05:16,860

University now and and you look through

121

00:05:21,909 --> 00:05:19,020

those letters there's thousands of them

122

00:05:24,770 --> 00:05:21,919

there in the archives of the impossible

123

00:05:28,129 --> 00:05:24,780

uh you see letter after letter saying

124

00:05:30,290 --> 00:05:28,139

that the face made me realize that what

125

00:05:33,590 --> 00:05:30,300

had happened to me was real

126  
00:05:36,770 --> 00:05:33,600  
and it was amazing amazing that trigger

127  
00:05:38,450 --> 00:05:36,780  
the face hangs on my wall in my office I

128  
00:05:39,469 --> 00:05:38,460  
look at every every day and I think to

129  
00:05:42,830 --> 00:05:39,479  
myself

130  
00:05:45,529 --> 00:05:42,840  
who are you the original yeah

131  
00:05:47,930 --> 00:05:45,539  
yeah that that it's so interesting so

132  
00:05:50,930 --> 00:05:47,940  
that the the cards were stacked against

133  
00:05:53,270 --> 00:05:50,940  
you in your profession and absolutely

134  
00:05:55,850 --> 00:05:53,280  
and so you're kind of like a a perfect

135  
00:05:58,370 --> 00:05:55,860  
message imperfect Messengers kind of the

136  
00:06:01,790 --> 00:05:58,380  
thing exactly and and I will attest to

137  
00:06:04,730 --> 00:06:01,800  
the idea that seeing that image is now

138  
00:06:07,490 --> 00:06:04,740

something that people it's so

139

00:06:09,950 --> 00:06:07,500

recognizable this idea of like the alien

140

00:06:11,870 --> 00:06:09,960

gray or whatever you'd call it that

141

00:06:14,270 --> 00:06:11,880

image of that being on your book I mean

142

00:06:15,290 --> 00:06:14,280

I remember seeing it as a as a younger

143

00:06:19,310 --> 00:06:15,300

person

144

00:06:21,890 --> 00:06:19,320

and now so many people without even

145

00:06:23,990 --> 00:06:21,900

having seen or read your book have had

146

00:06:26,150 --> 00:06:24,000

these encounters and back then when you

147

00:06:28,730 --> 00:06:26,160

say Rice University you're talking about

148

00:06:30,710 --> 00:06:28,740

how many letters did people write you

149

00:06:35,029 --> 00:06:30,720

back then that you have now donated to

150

00:06:38,930 --> 00:06:35,039

Rice University well this is all and my

151

00:06:41,090 --> 00:06:38,940

wife Anne's doing uh about

152

00:06:43,850 --> 00:06:41,100

two weeks after communion came out

153

00:06:46,909 --> 00:06:43,860

remember this is before there were there

154

00:06:50,809 --> 00:06:46,919

was no email at all it was all physical

155

00:06:53,270 --> 00:06:50,819

uh the postman rang the doorbell and we

156

00:06:56,270 --> 00:06:53,280

opened the door and the guy has this big

157

00:06:59,510 --> 00:06:56,280

bag canvas bag full of letters and he

158

00:07:02,150 --> 00:06:59,520

says we got a lot of mail for you today

159

00:07:03,650 --> 00:07:02,160

and uh we can't I can't leave the bag

160

00:07:05,570 --> 00:07:03,660

but I'm gonna leave I have to leave the

161

00:07:07,309 --> 00:07:05,580

letters so he pours them out on the

162

00:07:09,830 --> 00:07:07,319

living room floor

163

00:07:12,050 --> 00:07:09,840

and we think what the hell is this is

164

00:07:13,670 --> 00:07:12,060

all about that the book communion then

165

00:07:14,870 --> 00:07:13,680

the publisher had called and said it's

166

00:07:16,129 --> 00:07:14,880

going to be a bestseller it's really

167

00:07:17,990 --> 00:07:16,139

doing well

168

00:07:21,110 --> 00:07:18,000

well that was the start

169

00:07:23,330 --> 00:07:21,120

it became every day they would come

170

00:07:26,089 --> 00:07:23,340

sometimes two or three postmen the

171

00:07:27,290 --> 00:07:26,099

letters pile was you know three or four

172

00:07:29,270 --> 00:07:27,300

feet high

173

00:07:31,249 --> 00:07:29,280

and I said Ann what are we going to do

174

00:07:33,230 --> 00:07:31,259

we can't leave this as a fire hazard

175

00:07:34,730 --> 00:07:33,240

among other things I mean we can't have

176  
00:07:36,230 --> 00:07:34,740  
our entire living room filled with

177  
00:07:38,689 --> 00:07:36,240  
letters

178  
00:07:39,830 --> 00:07:38,699  
I don't know what to do we we got to

179  
00:07:41,330 --> 00:07:39,840  
figure out some way to throw them out

180  
00:07:43,070 --> 00:07:41,340  
but it's the same time we've got to

181  
00:07:45,770 --> 00:07:43,080  
preserve these people's confidentiality

182  
00:07:47,570 --> 00:07:45,780  
she says throw them out I'm not going to

183  
00:07:49,610 --> 00:07:47,580  
throw them out I'm going to read them I

184  
00:07:51,469 --> 00:07:49,620  
said read them look at that pile and it

185  
00:07:52,969 --> 00:07:51,479  
gets bigger every day she said well you

186  
00:07:55,189 --> 00:07:52,979  
might not be able to read them but I can

187  
00:07:56,689 --> 00:07:55,199  
and I'm gonna and she got a letter

188  
00:07:57,650 --> 00:07:56,699

opener and she started flipping them

189

00:07:59,809 --> 00:07:57,660

open

190

00:08:01,969 --> 00:07:59,819

two days later three days later she says

191

00:08:04,249 --> 00:08:01,979

you know I'm gonna need a secretary

192

00:08:05,990 --> 00:08:04,259

and I said okay well we'll call Manpower

193

00:08:07,790 --> 00:08:06,000

and she says no no I'll find the

194

00:08:10,370 --> 00:08:07,800

secretary in the letters

195

00:08:11,930 --> 00:08:10,380

and I thought what an unexpected and

196

00:08:14,089 --> 00:08:11,940

interesting approach

197

00:08:16,070 --> 00:08:14,099

and not 10 minutes later she comes in

198

00:08:17,689 --> 00:08:16,080

and she says look at this letter

199

00:08:19,490 --> 00:08:17,699

and I look at the letter and it's this

200

00:08:22,969 --> 00:08:19,500

letter from this lady who says she's a

201  
00:08:25,010 --> 00:08:22,979  
singer and a an actress and stuff

202  
00:08:27,110 --> 00:08:25,020  
and she's I said well it says here she's

203  
00:08:29,330 --> 00:08:27,120  
a singer and she's an actress she said

204  
00:08:31,969 --> 00:08:29,340  
answers but she lives down the street

205  
00:08:33,050 --> 00:08:31,979  
and that's not you ever heard of her I

206  
00:08:34,969 --> 00:08:33,060  
said no

207  
00:08:36,889 --> 00:08:34,979  
she said well if she might she's a

208  
00:08:38,750 --> 00:08:36,899  
wannabe singer an actress then isn't she

209  
00:08:40,790 --> 00:08:38,760  
so therefore that's not how she makes

210  
00:08:43,070 --> 00:08:40,800  
her living look at that handwriting

211  
00:08:44,570 --> 00:08:43,080  
that's a professional's hand I'm calling

212  
00:08:47,210 --> 00:08:44,580  
her because I think she's a secretary

213  
00:08:49,610 --> 00:08:47,220

she was a secretary

214

00:08:53,509 --> 00:08:49,620

she remained and secretary for the next

215

00:08:56,090 --> 00:08:53,519

15 years Laurie Burns and together they

216

00:08:58,190 --> 00:08:56,100

created this catalog and cataloged it

217

00:09:00,769 --> 00:08:58,200

she read every letter she put the

218

00:09:02,930 --> 00:09:00,779

letters with a a complex narrative in

219

00:09:04,670 --> 00:09:02,940

one stack the letters just that we're

220

00:09:06,769 --> 00:09:04,680

saying this was a wonderful thank you

221

00:09:10,970 --> 00:09:06,779

for writing or you're an idiot or all

222

00:09:13,730 --> 00:09:10,980

those in another stack uh and uh the

223

00:09:16,430 --> 00:09:13,740

stack that she saved is about 35 000

224

00:09:18,829 --> 00:09:16,440

letters and I think maybe all of them

225

00:09:22,009 --> 00:09:18,839

and certainly most of them are at Rice

226

00:09:24,110 --> 00:09:22,019

wow these events that happen to you that

227

00:09:25,790 --> 00:09:24,120

are detailed in communion they started

228

00:09:27,710 --> 00:09:25,800

this at the cabin that you had in

229

00:09:29,990 --> 00:09:27,720

Upstate New York

230

00:09:31,850 --> 00:09:30,000

you did not know at the time that those

231

00:09:33,949 --> 00:09:31,860

things were unfolding that you had

232

00:09:35,930 --> 00:09:33,959

probably had a lifetime of experiences I

233

00:09:38,449 --> 00:09:35,940

mean maybe it was communicating with Bud

234

00:09:40,490 --> 00:09:38,459

Hopkins about what it means and how to

235

00:09:42,290 --> 00:09:40,500

fit it into a category that you

236

00:09:44,630 --> 00:09:42,300

developed understanding of can you

237

00:09:46,250 --> 00:09:44,640

explain who's Bud Hopkins for people

238

00:09:47,150 --> 00:09:46,260

that don't know about this a lot of

239

00:09:48,949 --> 00:09:47,160

people are watching this kind of thing

240

00:09:51,949 --> 00:09:48,959

but who's Bud Hopkins that said Hopkins

241

00:09:54,250 --> 00:09:51,959

was a very talented artist uh that this

242

00:09:56,690 --> 00:09:54,260

topic was sort of thrust upon him yeah

243

00:09:57,949 --> 00:09:56,700

yeah he had an experience it was called

244

00:10:01,009 --> 00:09:57,959

missing time he wrote a book called

245

00:10:03,170 --> 00:10:01,019

missing time that established a lot of

246

00:10:05,530 --> 00:10:03,180

what we now understanding about the

247

00:10:08,690 --> 00:10:05,540

experience with visitors Whitley's

248

00:10:11,210 --> 00:10:08,700

experiences expanded it exponentially

249

00:10:14,150 --> 00:10:11,220

but yeah in fact he got pissed off at me

250

00:10:15,650 --> 00:10:14,160

because uh some he felt like my book had

251  
00:10:17,690 --> 00:10:15,660  
overshadowed his and it shouldn't have

252  
00:10:20,810 --> 00:10:17,700  
been published at the same time I had

253  
00:10:24,110 --> 00:10:20,820  
and he thought I had engineered that in

254  
00:10:26,150 --> 00:10:24,120  
fact I hadn't I didn't I I had no

255  
00:10:28,070 --> 00:10:26,160  
control over it whatsoever and

256  
00:10:30,829 --> 00:10:28,080  
unfortunately something was going on

257  
00:10:33,470 --> 00:10:30,839  
with the publisher they were they were

258  
00:10:36,230 --> 00:10:33,480  
getting pushback from somewhere and they

259  
00:10:39,050 --> 00:10:36,240  
decided to put the book out

260  
00:10:42,710 --> 00:10:39,060  
just to send books to the bookstores

261  
00:10:44,509 --> 00:10:42,720  
without any any build up or explanation

262  
00:10:47,030 --> 00:10:44,519  
and so all these books arrived all over

263  
00:10:50,449 --> 00:10:47,040

the country uh unexpectedly in the

264

00:10:54,170 --> 00:10:50,459

bookstores but but thought I had done it

265

00:10:57,170 --> 00:10:54,180

and I had done it to uh to preempt his

266

00:10:58,670 --> 00:10:57,180

book Intruders and he was Furious and it

267

00:11:00,829 --> 00:10:58,680

ruined our relationship and it was

268

00:11:04,670 --> 00:11:00,839

tragic because he was such a wonderful

269

00:11:06,949 --> 00:11:04,680

man and such a good man and so effective

270

00:11:09,710 --> 00:11:06,959

at doing something that nobody else ever

271

00:11:12,230 --> 00:11:09,720

did before ever thought was possible but

272

00:11:15,470 --> 00:11:12,240

his dignity and his decency and his

273

00:11:18,650 --> 00:11:15,480

kindness and his dedication

274

00:11:20,210 --> 00:11:18,660

um helped me and many other people I

275

00:11:22,130 --> 00:11:20,220

think I might have committed suicide if

276

00:11:24,050 --> 00:11:22,140

it hadn't been for about us I think he

277

00:11:26,269 --> 00:11:24,060

saved my life if you're having these

278

00:11:27,769 --> 00:11:26,279

experiences and then you interact with

279

00:11:30,410 --> 00:11:27,779

him and he sort of gives you some

280

00:11:33,170 --> 00:11:30,420

framework for understanding it

281

00:11:35,569 --> 00:11:33,180

yeah well when I first met him I thought

282

00:11:40,490 --> 00:11:35,579

he was a complete idiot because I mean

283

00:11:41,930 --> 00:11:40,500

how I I you know I was not in this space

284

00:11:43,970 --> 00:11:41,940

at all

285

00:11:46,670 --> 00:11:43,980

uh I was

286

00:11:48,590 --> 00:11:46,680

I I had been interested in flying

287

00:11:49,970 --> 00:11:48,600

saucers when I was a little boy because

288

00:11:52,370 --> 00:11:49,980

it was the 50s and they were all over

289

00:11:54,230 --> 00:11:52,380

the news all the time and any little boy

290

00:11:57,610 --> 00:11:54,240

is going to be interested plus one of

291

00:12:00,410 --> 00:11:57,620

our neighbors was witness to a big

292

00:12:03,290 --> 00:12:00,420

incident called the level in Texas UFO

293

00:12:05,810 --> 00:12:03,300

incident and he was one of the people

294

00:12:08,030 --> 00:12:05,820

whose car was stopped on the roadside by

295

00:12:09,889 --> 00:12:08,040

the thing and she saw it and everything

296

00:12:11,630 --> 00:12:09,899

so it was a big you know we were

297

00:12:14,569 --> 00:12:11,640

interested all right

298

00:12:16,389 --> 00:12:14,579

I did not I apparently had a lot of I

299

00:12:18,949 --> 00:12:16,399

wrote a whole book about possible

300

00:12:21,769 --> 00:12:18,959

interactions and encounters as a child

301  
00:12:23,329 --> 00:12:21,779  
called this secret school but by the

302  
00:12:25,970 --> 00:12:23,339  
time

303  
00:12:29,690 --> 00:12:25,980  
my 40s rolled around I had completely

304  
00:12:31,310 --> 00:12:29,700  
forgotten any trace of that I hadn't

305  
00:12:36,050 --> 00:12:31,320  
thought about flying sausage since I was

306  
00:12:38,389 --> 00:12:36,060  
about 15. and uh before that maybe and

307  
00:12:40,009 --> 00:12:38,399  
all of a sudden I'm thinking about

308  
00:12:43,550 --> 00:12:40,019  
flying saucers again because I was

309  
00:12:45,769 --> 00:12:43,560  
apparently ended up in one which but at

310  
00:12:49,430 --> 00:12:45,779  
first no I mean

311  
00:12:52,550 --> 00:12:49,440  
uh that idea didn't actually cross my

312  
00:12:53,329 --> 00:12:52,560  
mind until I described my memories to my

313  
00:12:56,210 --> 00:12:53,339

doctor

314

00:12:57,530 --> 00:12:56,220

and he said Whitley it sounds like

315

00:12:59,030 --> 00:12:57,540

you're take you're telling me you were

316

00:13:00,590 --> 00:12:59,040

taking the board of flying saucer by

317

00:13:05,150 --> 00:13:00,600

little men

318

00:13:06,710 --> 00:13:05,160

and I thought oh my God I'm going crazy

319

00:13:10,430 --> 00:13:06,720

and this

320

00:13:13,190 --> 00:13:10,440

big thing I mean I I felt like it was so

321

00:13:14,810 --> 00:13:13,200

real that if it happened again what if

322

00:13:17,210 --> 00:13:14,820

it happens again I'm not getting out of

323

00:13:20,449 --> 00:13:17,220

that that's that's an absolutely

324

00:13:24,050 --> 00:13:20,459

impenetrable psychosis is what I feared

325

00:13:25,970 --> 00:13:24,060

and I started I got what I didn't know

326

00:13:27,650 --> 00:13:25,980

was I was experiencing a lot of

327

00:13:31,069 --> 00:13:27,660

traumatic stress

328

00:13:34,009 --> 00:13:31,079

and I tried to get in to divorce me I we

329

00:13:35,569 --> 00:13:34,019

fought I tried to push her away I didn't

330

00:13:38,750 --> 00:13:35,579

want to tell her that I thought I had

331

00:13:40,790 --> 00:13:38,760

gone insane I I was it was just a

332

00:13:44,690 --> 00:13:40,800

disastrous time but my whole life

333

00:13:49,129 --> 00:13:44,700

imploded in in the months after December

334

00:13:50,930 --> 00:13:49,139

of 1985 in January and into February

335

00:13:53,030 --> 00:13:50,940

and then I happened to read a book

336

00:13:54,769 --> 00:13:53,040

called science and the UFOs had been

337

00:13:56,690 --> 00:13:54,779

given to me by my brother for Christmas

338

00:13:58,610 --> 00:13:56,700

by Jenny Randalls

339

00:14:00,290 --> 00:13:58,620

and uh

340

00:14:01,370 --> 00:14:00,300

you know my brother was into that sort

341

00:14:03,650 --> 00:14:01,380

of thing and I always thought it was

342

00:14:06,650 --> 00:14:03,660

absolutely ridiculous and you know we we

343

00:14:08,210 --> 00:14:06,660

always we don't try but we we do try to

344

00:14:09,769 --> 00:14:08,220

give each other a good presence we

345

00:14:11,030 --> 00:14:09,779

always get to give each other horrible

346

00:14:13,009 --> 00:14:11,040

presence

347

00:14:15,050 --> 00:14:13,019

um I once gave me he's fascinated by

348

00:14:17,090 --> 00:14:15,060

gorillas I once gave him a gorilla suit

349

00:14:18,889 --> 00:14:17,100

not knowing it was made of cat hair and

350

00:14:20,569 --> 00:14:18,899

all the cat hair got sucked up into his

351

00:14:21,889 --> 00:14:20,579

cardio conditioner well he tried to go

352

00:14:23,870 --> 00:14:21,899

over to a friend's house wearing it

353

00:14:26,690 --> 00:14:23,880

that's the sort of thing we do so I had

354

00:14:30,650 --> 00:14:26,700

this book science and the ufosm Richard

355

00:14:34,250 --> 00:14:30,660

I open it I see this I you know another

356

00:14:37,550 --> 00:14:34,260

bad gift but I read it because I did I

357

00:14:39,829 --> 00:14:37,560

mean the doctor had said UFOs and in the

358

00:14:43,189 --> 00:14:39,839

back of the book Bud is mentioned

359

00:14:46,430 --> 00:14:43,199

so I called him went to see him

360

00:14:48,650 --> 00:14:46,440

and uh finally ended up with

361

00:14:50,389 --> 00:14:48,660

a realization that there was no other

362

00:14:52,790 --> 00:14:50,399

explanation that fit

363

00:14:56,030 --> 00:14:52,800

all the medical explanations

364

00:14:58,790 --> 00:14:56,040

everything had not panned out the only

365

00:15:01,069 --> 00:14:58,800

explanation that had panned out was

366

00:15:03,470 --> 00:15:01,079

that was hardly sit down because I'd

367

00:15:05,689 --> 00:15:03,480

been raped and the doctor had diagnosed

368

00:15:06,970 --> 00:15:05,699

that and I had this hole in the side of

369

00:15:09,590 --> 00:15:06,980

my head that was

370

00:15:13,069 --> 00:15:09,600

beginning to heal by then but it had

371

00:15:15,410 --> 00:15:13,079

been a very nasty little wound

372

00:15:17,389 --> 00:15:15,420

and I thought to myself physical

373

00:15:21,769 --> 00:15:17,399

injuries

374

00:15:25,670 --> 00:15:21,779

memory is real I'm gonna go see this guy

375

00:15:27,530 --> 00:15:25,680

and I then I said to a dear friend of

376

00:15:29,389 --> 00:15:27,540

mine Timothy Greenfield Saunders who

377

00:15:31,129 --> 00:15:29,399

takes all the pictures the wonderful

378

00:15:33,650 --> 00:15:31,139

brilliant photographer and he takes all

379

00:15:36,290 --> 00:15:33,660

my pictures thank God anyway

380

00:15:38,030 --> 00:15:36,300

Timothy's I said told whole story to

381

00:15:39,650 --> 00:15:38,040

Timothy and he says I said I don't know

382

00:15:42,730 --> 00:15:39,660

how to tell in

383

00:15:45,710 --> 00:15:42,740

and I said he says well just tell her

384

00:15:47,150 --> 00:15:45,720

she'll roll with it Ansley knows you

385

00:15:50,210 --> 00:15:47,160

she's used to you

386

00:15:51,590 --> 00:15:50,220

she'll roll with it so I sit down with

387

00:15:53,389 --> 00:15:51,600

her and she's starting to tear up

388

00:15:54,590 --> 00:15:53,399

because she thinks as she said later I

389

00:15:56,090 --> 00:15:54,600

thought we were going to say we need to

390

00:15:58,430 --> 00:15:56,100

separate

391

00:16:00,410 --> 00:15:58,440

and instead I tell her this story about

392

00:16:01,370 --> 00:16:00,420

being taken a more Flying Saucer by

393

00:16:03,530 --> 00:16:01,380

little men

394

00:16:05,030 --> 00:16:03,540

and she looks at me

395

00:16:07,730 --> 00:16:05,040

and she says

396

00:16:09,250 --> 00:16:07,740

oh thank God I thought you were going

397

00:16:12,170 --> 00:16:09,260

crazy

398

00:16:14,210 --> 00:16:12,180

she also she remembered it differently

399

00:16:17,150 --> 00:16:14,220

she said she remembers this thing oh

400

00:16:18,769 --> 00:16:17,160

thank God I I now I don't have to get a

401  
00:16:21,110 --> 00:16:18,779  
divorce

402  
00:16:24,050 --> 00:16:21,120  
um but I was afraid that you know I had

403  
00:16:26,629 --> 00:16:24,060  
been one kind of pushing to take splits

404  
00:16:29,329 --> 00:16:26,639  
apart because the reason was

405  
00:16:31,730 --> 00:16:29,339  
if she had me as a husband and I was

406  
00:16:33,769 --> 00:16:31,740  
in in the mental institution she

407  
00:16:35,689 --> 00:16:33,779  
couldn't remarry she couldn't get

408  
00:16:38,090 --> 00:16:35,699  
insurance and she had no means of

409  
00:16:39,290 --> 00:16:38,100  
support and a little boy to raise that

410  
00:16:41,090 --> 00:16:39,300  
was why I was trying to get rid of her

411  
00:16:42,949 --> 00:16:41,100  
did I read that you were drinking in

412  
00:16:45,470 --> 00:16:42,959  
those days sort of as a as a coping

413  
00:16:48,350 --> 00:16:45,480

mechanism to be able to go to sleep or I

414

00:16:50,150 --> 00:16:48,360

drank I started not not to the point of

415

00:16:51,530 --> 00:16:50,160

getting drunk I had been there and done

416

00:16:54,769 --> 00:16:51,540

that in college

417

00:16:56,090 --> 00:16:54,779

uh I I will admit frankly that my

418

00:17:00,730 --> 00:16:56,100

college Years

419

00:17:03,889 --> 00:17:00,740

were wonderful fun and I cannot ever

420

00:17:06,890 --> 00:17:03,899

say to any kid who raises hell in

421

00:17:09,530 --> 00:17:06,900

college that oh my you shouldn't do that

422

00:17:11,630 --> 00:17:09,540

because I did it all where did you go to

423

00:17:13,850 --> 00:17:11,640

college uh well I started out at St

424

00:17:17,030 --> 00:17:13,860

John's College in Maryland which was a

425

00:17:19,610 --> 00:17:17,040

very serious great books College

426

00:17:20,929 --> 00:17:19,620

and it was a wonderful place

427

00:17:23,449 --> 00:17:20,939

however

428

00:17:25,730 --> 00:17:23,459

I wanted not just a good school but I

429

00:17:28,030 --> 00:17:25,740

wanted fun and I thought well there's a

430

00:17:31,130 --> 00:17:28,040

party school 70 miles from my hometown

431

00:17:33,049 --> 00:17:31,140

University of Texas all my friends are

432

00:17:35,029 --> 00:17:33,059

there they're having a great time and

433

00:17:37,549 --> 00:17:35,039

getting good educations as well I'm

434

00:17:39,770 --> 00:17:37,559

going there and I moved and so I went to

435

00:17:42,710 --> 00:17:39,780

UT and I had a great time I got a good

436

00:17:44,810 --> 00:17:42,720

education and had a lot of fun

437

00:17:46,310 --> 00:17:44,820

um anyway

438

00:17:49,970 --> 00:17:46,320

uh

439

00:17:53,630 --> 00:17:49,980

after the events I began to drink I

440

00:17:56,570 --> 00:17:53,640

began to like uh to medicate myself with

441

00:18:00,770 --> 00:17:56,580

alcohol because I was so to be honest

442

00:18:03,169 --> 00:18:00,780

with you I was so goddamn scared

443

00:18:05,870 --> 00:18:03,179

I was scared

444

00:18:11,330 --> 00:18:05,880

you can't

445

00:18:14,570 --> 00:18:11,340

until you've been with

446

00:18:15,890 --> 00:18:14,580

in situation like that what it is to be

447

00:18:17,930 --> 00:18:15,900

really scared

448

00:18:20,510 --> 00:18:17,940

because these

449

00:18:22,789 --> 00:18:20,520

entities were alive

450

00:18:25,970 --> 00:18:22,799

moving around

451  
00:18:28,450 --> 00:18:25,980  
fast some of them very fast

452  
00:18:30,770 --> 00:18:28,460  
and uh

453  
00:18:33,169 --> 00:18:30,780  
you moved

454  
00:18:34,970 --> 00:18:33,179  
like this

455  
00:18:36,409 --> 00:18:34,980  
instant

456  
00:18:46,669 --> 00:18:36,419  
they

457  
00:18:48,710 --> 00:18:46,679  
device that was used actually in uh

458  
00:18:51,590 --> 00:18:48,720  
animal husbandry still is used in animal

459  
00:18:53,510 --> 00:18:51,600  
husbandry but in uh those days before

460  
00:18:55,250 --> 00:18:53,520  
Viagra or anything it was used for men

461  
00:18:58,310 --> 00:18:55,260  
who were having trouble getting getting

462  
00:19:00,169 --> 00:18:58,320  
it up and it creates an electrical

463  
00:19:02,450 --> 00:19:00,179

current that stimulates the nerve that

464

00:19:05,210 --> 00:19:02,460

causes an erection and you can hear me

465

00:19:06,590 --> 00:19:05,220

on the hypnosis tape saying yeah I have

466

00:19:09,169 --> 00:19:06,600

an erection where did that come from

467

00:19:11,810 --> 00:19:09,179

because let's face it there wasn't

468

00:19:13,970 --> 00:19:11,820

anybody in that room who would have

469

00:19:17,870 --> 00:19:13,980

inspired the connection than me or

470

00:19:20,029 --> 00:19:17,880

anyone so I'm sorry that's a great one

471

00:19:22,250 --> 00:19:20,039

right there man it's the truth I mean it

472

00:19:25,430 --> 00:19:22,260

was not a it was not an erection

473

00:19:26,570 --> 00:19:25,440

oriented situation in any way at all and

474

00:19:29,150 --> 00:19:26,580

there it was

475

00:19:31,190 --> 00:19:29,160

and then they took semen out of me

476

00:19:33,529 --> 00:19:31,200

they took my semen

477

00:19:35,690 --> 00:19:33,539

and I kept rolling that around in my

478

00:19:37,970 --> 00:19:35,700

head and rolling it around in my head

479

00:19:39,710 --> 00:19:37,980

he took me

480

00:19:42,590 --> 00:19:39,720

they took me

481

00:19:44,330 --> 00:19:42,600

what'd they do with me yeah it's one

482

00:19:45,350 --> 00:19:44,340

thing to read that book and it's scary

483

00:19:47,750 --> 00:19:45,360

as hell

484

00:19:50,029 --> 00:19:47,760

it's another thing to think that it

485

00:19:52,310 --> 00:19:50,039

really was happening to you these things

486

00:19:53,870 --> 00:19:52,320

are around they're playing mind games

487

00:19:55,549 --> 00:19:53,880

with you they're coming in they're

488

00:19:57,830 --> 00:19:55,559

taking you out taking you somewhere else

489

00:19:59,990 --> 00:19:57,840

against your will and it all turns out

490

00:20:03,110 --> 00:20:00,000

to be real people like to say we're

491

00:20:05,210 --> 00:20:03,120

ready for the truth well yeah maybe and

492

00:20:07,310 --> 00:20:05,220

maybe not you know because that's not

493

00:20:08,930 --> 00:20:07,320

scary I think we're right on the edge of

494

00:20:10,070 --> 00:20:08,940

the truth coming out I think we're very

495

00:20:13,669 --> 00:20:10,080

close

496

00:20:17,330 --> 00:20:13,679

and it is going to be hard

497

00:20:19,250 --> 00:20:17,340

because if you just the little bit I've

498

00:20:21,529 --> 00:20:19,260

seen so far people are already going

499

00:20:24,650 --> 00:20:21,539

crazy they're bringing their religions

500

00:20:26,630 --> 00:20:24,660

in and their their beliefs and there are

501  
00:20:28,310 --> 00:20:26,640  
people uh with these absolute

502  
00:20:30,310 --> 00:20:28,320  
certainties you know it's the such and

503  
00:20:32,990 --> 00:20:30,320  
such group and this and that

504  
00:20:36,350 --> 00:20:33,000  
you know the truth is

505  
00:20:39,110 --> 00:20:36,360  
we don't know a darn thing about what

506  
00:20:43,850 --> 00:20:39,120  
this actually is yet

507  
00:20:45,830 --> 00:20:43,860  
and in our excuse me in our context it

508  
00:20:49,730 --> 00:20:45,840  
might be very hard

509  
00:20:51,890 --> 00:20:49,740  
for us to focus this in a way that makes

510  
00:20:54,230 --> 00:20:51,900  
sense to the human mind

511  
00:20:56,810 --> 00:20:54,240  
uh I think we can focus it to a degree

512  
00:20:59,810 --> 00:20:56,820  
because a lot of us have I mean I have

513  
00:21:01,789 --> 00:20:59,820

the experienter group has and you know

514

00:21:06,049 --> 00:21:01,799

people have different ways of dealing

515

00:21:08,590 --> 00:21:06,059

with it but what it is in a absolutely

516

00:21:10,669 --> 00:21:08,600

objective and sort of fundamentally

517

00:21:14,090 --> 00:21:10,679

factual way

518

00:21:17,990 --> 00:21:14,100

that might be real hard to get to

519

00:21:19,070 --> 00:21:18,000

I'm I'm curious like you know gonna be

520

00:21:22,130 --> 00:21:19,080

honest

521

00:21:23,810 --> 00:21:22,140

knowing you is different you know kind

522

00:21:27,710 --> 00:21:23,820

of hearing about this

523

00:21:29,330 --> 00:21:27,720

a lot of people explain odd bizarre

524

00:21:31,909 --> 00:21:29,340

things that occur to them

525

00:21:34,370 --> 00:21:31,919

you have to have the majority of people

526

00:21:36,230 --> 00:21:34,380

saying Whitley you're making this up

527

00:21:38,690 --> 00:21:36,240

this didn't happen you're another list

528

00:21:41,149 --> 00:21:38,700

you're a novelist you got other traumas

529

00:21:43,610 --> 00:21:41,159

you're feeling in the voids you're just

530

00:21:45,710 --> 00:21:43,620

trying to make more movies this is what

531

00:21:48,890 --> 00:21:45,720

people throughout probably your whole

532

00:21:51,590 --> 00:21:48,900

time talking about this so so my

533

00:21:53,630 --> 00:21:51,600

question is I I have no idea you you're

534

00:21:55,669 --> 00:21:53,640

telling us something how do you deal

535

00:21:58,070 --> 00:21:55,679

with that though if what you're saying

536

00:22:00,950 --> 00:21:58,080

happened to you how do you deal with the

537

00:22:02,149 --> 00:22:00,960

perception of the world you know some

538

00:22:03,950 --> 00:22:02,159

people embrace it because they've had

539

00:22:06,289 --> 00:22:03,960

similar experiences and they're like oh

540

00:22:08,270 --> 00:22:06,299

thank God he's telling what happened how

541

00:22:11,149 --> 00:22:08,280

do you deal with people that think this

542

00:22:13,070 --> 00:22:11,159

is total horseshit well there's

543

00:22:14,750 --> 00:22:13,080

basically there's three groups of people

544

00:22:18,470 --> 00:22:14,760

around one is the people who've had the

545

00:22:20,029 --> 00:22:18,480

experience two is the very vast vast

546

00:22:20,810 --> 00:22:20,039

majority of people who've never heard of

547

00:22:25,909 --> 00:22:20,820

it

548

00:22:28,310 --> 00:22:25,919

and then there's another small group of

549

00:22:30,049 --> 00:22:28,320

people who want to say it's

550

00:22:31,789 --> 00:22:30,059

and you're a liar

551  
00:22:33,890 --> 00:22:31,799  
and I've been dealing with them all my

552  
00:22:34,850 --> 00:22:33,900  
life and I don't I'm not going to say

553  
00:22:40,789 --> 00:22:34,860  
that

554  
00:22:44,810 --> 00:22:40,799  
wrong Etc because they may not be wrong

555  
00:22:49,310 --> 00:22:44,820  
hey I don't have a baseline in fact

556  
00:22:51,710 --> 00:22:49,320  
in this only two three things the the

557  
00:22:54,110 --> 00:22:51,720  
the physical things what happened to me

558  
00:22:56,690 --> 00:22:54,120  
here on the side of my head

559  
00:22:57,649 --> 00:22:56,700  
what happened to me below when I was

560  
00:23:00,950 --> 00:22:57,659  
raped

561  
00:23:03,710 --> 00:23:00,960  
and it left scars it could be diagnosed

562  
00:23:05,390 --> 00:23:03,720  
and the implant in my ear which came in

563  
00:23:08,570 --> 00:23:05,400

in 1989

564

00:23:10,310 --> 00:23:08,580

those three things are physical and the

565

00:23:13,549 --> 00:23:10,320

three of them together in my mind

566

00:23:15,710 --> 00:23:13,559

indicate something is not right that

567

00:23:18,470 --> 00:23:15,720

there is something there is somewhere a

568

00:23:21,110 --> 00:23:18,480

baseline there is a physical reality

569

00:23:23,930 --> 00:23:21,120

here but I don't know what it is now as

570

00:23:26,450 --> 00:23:23,940

far as dealing with these people I can't

571

00:23:29,990 --> 00:23:26,460

I would never say to someone

572

00:23:31,490 --> 00:23:30,000

who says this is you you are making a

573

00:23:33,649 --> 00:23:31,500

mistake I would never say they were

574

00:23:36,890 --> 00:23:33,659

wrong because I can't prove it yeah so

575

00:23:39,289 --> 00:23:36,900

you know you don't blame uh or feel kind

576

00:23:40,370 --> 00:23:39,299

of anything to the people that that in

577

00:23:43,250 --> 00:23:40,380

their position they're like this is

578

00:23:45,890 --> 00:23:43,260

horseshit you you let them

579

00:23:48,830 --> 00:23:45,900

uh you're saying I can't prove this

580

00:23:50,450 --> 00:23:48,840

stuff and so you don't blame them for

581

00:23:52,370 --> 00:23:50,460

having that kind of resistance or

582

00:23:55,250 --> 00:23:52,380

attitude yeah I don't see why I should

583

00:23:57,049 --> 00:23:55,260

right uh but I do get pissed off when

584

00:24:01,010 --> 00:23:57,059

they bully me and I've been bullied a

585

00:24:02,510 --> 00:24:01,020

lot and I don't like that uh I I I think

586

00:24:05,750 --> 00:24:02,520

it's wrong do you throw punches

587

00:24:07,750 --> 00:24:05,760

sometimes I can throw a punch at me but

588

00:24:10,370 --> 00:24:07,760

I have never done that

589

00:24:13,010 --> 00:24:10,380

I have to admit uh it gets annoying

590

00:24:14,810 --> 00:24:13,020

right when you yeah well if you've been

591

00:24:18,289 --> 00:24:14,820

raped and there's people making it into

592

00:24:21,710 --> 00:24:18,299

a joke that's about as nasty as a human

593

00:24:24,289 --> 00:24:21,720

being gets and and I've endured that for

594

00:24:26,090 --> 00:24:24,299

30 years South Park South Park exactly

595

00:24:31,010 --> 00:24:26,100

what's that tell me about that well

596

00:24:34,070 --> 00:24:31,020

South Park's South Parks uh

597

00:24:36,350 --> 00:24:34,080

Premiere episode is about me yeah it's

598

00:24:39,409 --> 00:24:36,360

and they you know it is literally about

599

00:24:42,230 --> 00:24:39,419

the rectal probe and it's a and you know

600

00:24:44,149 --> 00:24:42,240

the first mention of my rape and

601  
00:24:46,250 --> 00:24:44,159  
communion

602  
00:24:49,789 --> 00:24:46,260  
is the use of the word rape

603  
00:24:51,649 --> 00:24:49,799  
and then I under hypnosis I call it a

604  
00:24:54,350 --> 00:24:51,659  
rectal probe and They seized on that on

605  
00:24:56,750 --> 00:24:54,360  
purpose and they did it to make me into

606  
00:24:58,610 --> 00:24:56,760  
a laughing stock and they did that

607  
00:25:00,850 --> 00:24:58,620  
because they thought the whole thing was

608  
00:25:04,370 --> 00:25:00,860  
and I deserved to be laughed at

609  
00:25:06,350 --> 00:25:04,380  
that's why they did it not knowing that

610  
00:25:09,770 --> 00:25:06,360  
they were basically bullying the hell

611  
00:25:11,390 --> 00:25:09,780  
out of a rape victim and I think now

612  
00:25:13,490 --> 00:25:11,400  
more and more people are realizing that

613  
00:25:15,049 --> 00:25:13,500

yeah these things do happen to people

614

00:25:17,330 --> 00:25:15,059

because we're talking about me right now

615

00:25:19,549 --> 00:25:17,340

but what about the women who lost

616

00:25:22,070 --> 00:25:19,559

fetuses and eggs there's plenty of those

617

00:25:24,529 --> 00:25:22,080

out there and the other men who had

618

00:25:27,169 --> 00:25:24,539

semen taken from them that happened to

619

00:25:29,870 --> 00:25:27,179

them too why do you think okay so let's

620

00:25:31,909 --> 00:25:29,880

just make the Assumption here that this

621

00:25:33,110 --> 00:25:31,919

is happening physically tangibly let's

622

00:25:35,870 --> 00:25:33,120

just go I'm going to start from right

623

00:25:37,730 --> 00:25:35,880

there why do you think that's being done

624

00:25:39,350 --> 00:25:37,740

in your opinion what what would be the

625

00:25:42,110 --> 00:25:39,360

purpose of that I might get into that in

626

00:25:43,909 --> 00:25:42,120

some depth in them and also I believe in

627

00:25:45,529 --> 00:25:43,919

the previous book yeah but I got you

628

00:25:48,230 --> 00:25:45,539

right here right now I want to hear you

629

00:25:51,049 --> 00:25:48,240

don't worry I'm I'm trying to frame it

630

00:25:52,610 --> 00:25:51,059

here sure sure uh no I'm not going to

631

00:25:53,750 --> 00:25:52,620

just say it's in the book believe me

632

00:25:55,850 --> 00:25:53,760

that's something

633

00:25:57,769 --> 00:25:55,860

thank you anyway

634

00:26:01,250 --> 00:25:57,779

uh

635

00:26:04,010 --> 00:26:01,260

I think that that the

636

00:26:05,390 --> 00:26:04,020

that the

637

00:26:07,909 --> 00:26:05,400

um

638

00:26:11,690 --> 00:26:07,919

that they have to you know you have to

639

00:26:15,769 --> 00:26:14,269

go where they want to go they you know

640

00:26:17,390 --> 00:26:15,779

where they need to go but why would

641

00:26:21,310 --> 00:26:17,400

these beings be doing this to human

642

00:26:23,269 --> 00:26:21,320

beings it's true doing it to us

643

00:26:25,070 --> 00:26:23,279

uh

644

00:26:27,289 --> 00:26:25,080

let me let me give you some

645

00:26:29,570 --> 00:26:27,299

possibilities one

646

00:26:30,830 --> 00:26:29,580

they are making a set of seed bank of

647

00:26:34,070 --> 00:26:30,840

mankind

648

00:26:36,350 --> 00:26:34,080

uh that would follow from the fact that

649

00:26:38,090 --> 00:26:36,360

they've warned every abductee they've

650

00:26:40,370 --> 00:26:38,100

gotten a hold of practically that the

651

00:26:42,529 --> 00:26:40,380

planet is in Peril and if you know if

652

00:26:44,149 --> 00:26:42,539

you live in New York or Toronto right

653

00:26:47,210 --> 00:26:44,159

now you would definitely agree with that

654

00:26:49,310 --> 00:26:47,220

it was as we we speak the smoke from the

655

00:26:53,149 --> 00:26:49,320

hundreds of Canadian fires is just

656

00:26:55,490 --> 00:26:53,159

terrible uh the um

657

00:26:57,049 --> 00:26:55,500

so maybe they're expecting us to go

658

00:26:58,850 --> 00:26:57,059

extinct and they're making a seed bank

659

00:27:00,890 --> 00:26:58,860

not only of us but I would presume of

660

00:27:03,890 --> 00:27:00,900

other other creatures on this planet

661

00:27:05,630 --> 00:27:03,900

that's one possibility two the second

662

00:27:08,269 --> 00:27:05,640

possibility is that they're breeding

663

00:27:10,390 --> 00:27:08,279

human beings in their own context in

664

00:27:13,669 --> 00:27:10,400

hopes of finding some

665

00:27:16,269 --> 00:27:13,679

a bridge between the two

666

00:27:20,930 --> 00:27:16,279

worlds hybrid

667

00:27:22,789 --> 00:27:20,940

well hybrid is another story because uh

668

00:27:25,549 --> 00:27:22,799

I'm talking about just breeding human

669

00:27:28,269 --> 00:27:25,559

beings right but if they are also

670

00:27:30,769 --> 00:27:28,279

injecting genetic material of another

671

00:27:34,610 --> 00:27:30,779

species or something that's Way Beyond

672

00:27:36,409 --> 00:27:34,620

what we can do but not that far and I do

673

00:27:37,909 --> 00:27:36,419

have some evidence in my own life that

674

00:27:41,510 --> 00:27:37,919

that might have happened I might have

675

00:27:44,390 --> 00:27:41,520

actually been witness to that so uh that

676  
00:27:46,909 --> 00:27:44,400  
could be part of it too but you know if

677  
00:27:49,310 --> 00:27:46,919  
if we turn it around and we look at our

678  
00:27:52,549 --> 00:27:49,320  
world it's the kind of thing we do to

679  
00:27:54,890 --> 00:27:52,559  
animals all the time routinely and so

680  
00:27:56,390 --> 00:27:54,900  
maybe they looked at our world and that

681  
00:27:57,769 --> 00:27:56,400  
said to themselves why they do it to

682  
00:27:59,630 --> 00:27:57,779  
animals so

683  
00:28:02,390 --> 00:27:59,640  
they're an animal so we'll do it to them

684  
00:28:03,890 --> 00:28:02,400  
you know maybe they won't care what's

685  
00:28:06,070 --> 00:28:03,900  
the difference just because I I don't

686  
00:28:09,529 --> 00:28:06,080  
really know and I've heard there's

687  
00:28:11,390 --> 00:28:09,539  
contactees abductees and experiencers

688  
00:28:13,789 --> 00:28:11,400

what's the difference between those

689

00:28:14,990 --> 00:28:13,799

three so people know well I don't think

690

00:28:16,970 --> 00:28:15,000

there's too much difference between

691

00:28:20,029 --> 00:28:16,980

experiencers and

692

00:28:22,010 --> 00:28:20,039

uh abductees a lot of experiences are

693

00:28:23,590 --> 00:28:22,020

abductees I would consider myself to be

694

00:28:26,330 --> 00:28:23,600

both

695

00:28:28,210 --> 00:28:26,340

and an experiencer is someone who has

696

00:28:31,610 --> 00:28:28,220

ongoing experiences with the visitors

697

00:28:34,130 --> 00:28:31,620

which I do and an abductee is someone

698

00:28:36,830 --> 00:28:34,140

who basically started out generally

699

00:28:39,110 --> 00:28:36,840

within being abducted which I did in

700

00:28:40,669 --> 00:28:39,120

quite a few people in like in the

701  
00:28:44,210 --> 00:28:40,679  
experiences group I think had the same

702  
00:28:47,510 --> 00:28:44,220  
experience that as well a contact T is

703  
00:28:49,190 --> 00:28:47,520  
not necessarily someone who has had a

704  
00:28:52,610 --> 00:28:49,200  
physical encounter

705  
00:28:54,769 --> 00:28:52,620  
and a lot of them tend to be people in

706  
00:28:56,510 --> 00:28:54,779  
the spiritual community and you know

707  
00:28:59,210 --> 00:28:56,520  
they have a they have a much more

708  
00:29:01,850 --> 00:28:59,220  
positive attitude toward the whole thing

709  
00:29:06,289 --> 00:29:01,860  
than those of us who've been dragged by

710  
00:29:09,049 --> 00:29:06,299  
out into the night and raped uh

711  
00:29:12,169 --> 00:29:09,059  
you know they're that that movement

712  
00:29:14,630 --> 00:29:12,179  
started back in the early 50s with

713  
00:29:16,070 --> 00:29:14,640

Georgia damskey and uh all those other

714

00:29:18,649 --> 00:29:16,080

fellows

715

00:29:21,409 --> 00:29:18,659

going out and basically making money off

716

00:29:24,830 --> 00:29:21,419

of what I assume were pretty much tall

717

00:29:27,169 --> 00:29:24,840

stories I think that my wife used to say

718

00:29:30,110 --> 00:29:27,179

that these are people who had something

719

00:29:31,669 --> 00:29:30,120

happen maybe they saw a UFO maybe they

720

00:29:34,070 --> 00:29:31,679

had a brief close encounter or something

721

00:29:35,750 --> 00:29:34,080

or maybe a bigger close encounter

722

00:29:37,909 --> 00:29:35,760

and they can't

723

00:29:39,710 --> 00:29:37,919

connect the dots they can't figure it

724

00:29:41,630 --> 00:29:39,720

out and so they connect the dots

725

00:29:44,510 --> 00:29:41,640

themselves and they basically build a

726

00:29:46,190 --> 00:29:44,520

fantasy I think that's the source of a

727

00:29:47,810 --> 00:29:46,200

lot of folklore and in this field there

728

00:29:49,669 --> 00:29:47,820

is a lot of folklore

729

00:29:52,130 --> 00:29:49,679

by folklore I mean

730

00:29:54,110 --> 00:29:52,140

not necessarily things people are simply

731

00:29:56,210 --> 00:29:54,120

making up it not all folklore is

732

00:29:58,970 --> 00:29:56,220

completely fictional a lot of folklore

733

00:30:01,850 --> 00:29:58,980

comes when people have a a perception

734

00:30:04,850 --> 00:30:01,860

that they can't understand and they fit

735

00:30:07,789 --> 00:30:04,860

it into the context of whatever their

736

00:30:10,370 --> 00:30:07,799

culture has it at the time like Jacques

737

00:30:14,389 --> 00:30:10,380

valet's book passport to Magonia takes

738

00:30:17,690 --> 00:30:14,399

that back a thousand years or more and

739

00:30:19,909 --> 00:30:17,700

you can look at as as time passes each

740

00:30:23,029 --> 00:30:19,919

generation

741

00:30:25,909 --> 00:30:23,039

it is looking at

742

00:30:28,430 --> 00:30:25,919

uh this experience which is essentially

743

00:30:30,409 --> 00:30:28,440

the same experience in the context of

744

00:30:32,690 --> 00:30:30,419

its own belief systems and understanding

745

00:30:35,090 --> 00:30:32,700

of the work today space aliens were

746

00:30:37,970 --> 00:30:35,100

elves and pixies and fairies a thousand

747

00:30:40,610 --> 00:30:37,980

years ago yeah or not a thousands 200

748

00:30:42,769 --> 00:30:40,620

years ago um you know I don't know that

749

00:30:45,289 --> 00:30:42,779

there's anybody in the world who's has

750

00:30:46,970 --> 00:30:45,299

the um the level of understanding with

751  
00:30:48,350 --> 00:30:46,980  
these beings whoever they are as you

752  
00:30:50,450 --> 00:30:48,360  
because you know there are other people

753  
00:30:53,570 --> 00:30:50,460  
who've had a lifetime of experiences but

754  
00:30:56,090 --> 00:30:53,580  
not many who've thought about it dove

755  
00:30:59,450 --> 00:30:56,100  
into it and analyze it as much as you

756  
00:31:01,070 --> 00:30:59,460  
the the story is told in communion you

757  
00:31:03,230 --> 00:31:01,080  
know the context of that that the public

758  
00:31:04,909 --> 00:31:03,240  
got out of it is these are space aliens

759  
00:31:07,070 --> 00:31:04,919  
here abducting us they come from other

760  
00:31:08,630 --> 00:31:07,080  
planets and interact in that book you

761  
00:31:11,570 --> 00:31:08,640  
are careful to call them visitors you

762  
00:31:14,330 --> 00:31:11,580  
didn't call them aliens or ETS and in

763  
00:31:16,190 --> 00:31:14,340

them your latest book you sort of come

764

00:31:18,110 --> 00:31:16,200

full circle go back to the letters that

765

00:31:21,529 --> 00:31:18,120

were written about communion to try to

766

00:31:23,029 --> 00:31:21,539

understand who they are why they're here

767

00:31:24,470 --> 00:31:23,039

um give us your current understanding

768

00:31:27,049 --> 00:31:24,480

think of who they are and where they're

769

00:31:28,970 --> 00:31:27,059

from are they visitors or are we the

770

00:31:33,649 --> 00:31:28,980

newcomers

771

00:31:37,190 --> 00:31:33,659

well it could be part of both uh the the

772

00:31:40,070 --> 00:31:37,200

the suggestion in is that they have been

773

00:31:41,210 --> 00:31:40,080

here for a long time and have affected

774

00:31:44,570 --> 00:31:41,220

our world

775

00:31:47,750 --> 00:31:44,580

at times they've kind of touched it

776

00:31:49,909 --> 00:31:47,760

and like an example would be ezekiel's

777

00:31:51,950 --> 00:31:49,919

wheel uh where

778

00:31:55,669 --> 00:31:51,960

he has a

779

00:31:57,350 --> 00:31:55,679

an experience that he describes in the

780

00:31:59,389 --> 00:31:57,360

time in which he makes his descriptions

781

00:32:01,370 --> 00:31:59,399

you couldn't just you couldn't make a

782

00:32:04,669 --> 00:32:01,380

thing like that up because what he was

783

00:32:07,310 --> 00:32:04,679

seeing was completely unknown to his

784

00:32:09,230 --> 00:32:07,320

culture he could not have known anything

785

00:32:11,630 --> 00:32:09,240

like that ever because it was

786

00:32:13,850 --> 00:32:11,640

technological in nature yeah exactly

787

00:32:17,149 --> 00:32:13,860

he's talking about a technological

788

00:32:19,610 --> 00:32:17,159

device that we can Now understand so we

789

00:32:22,610 --> 00:32:19,620

assume we have to assume that he that he

790

00:32:25,370 --> 00:32:22,620

was something was inject being injected

791

00:32:28,549 --> 00:32:25,380

into the middle eastern cultures at the

792

00:32:30,289 --> 00:32:28,559

time by somebody and Ezekiel had an a

793

00:32:31,370 --> 00:32:30,299

direct encounter with it which he

794

00:32:34,730 --> 00:32:31,380

recorded

795

00:32:36,710 --> 00:32:34,740

uh in in in the in in his own cultural

796

00:32:42,110 --> 00:32:36,720

cultures way

797

00:32:44,870 --> 00:32:42,120

uh like UFOs are described as uh shields

798

00:32:46,610 --> 00:32:44,880

on Fire in the Sky by the Romans so

799

00:32:48,350 --> 00:32:46,620

that's a way to describe something that

800

00:32:49,549 --> 00:32:48,360

is not within your context is what

801  
00:32:52,669 --> 00:32:49,559  
you're saying well there's a wonderful

802  
00:32:53,870 --> 00:32:52,679  
description of the uh of an out of

803  
00:32:57,470 --> 00:32:53,880  
context

804  
00:33:01,130 --> 00:32:57,480  
situation in is in in Jock's book in

805  
00:33:04,370 --> 00:33:01,140  
passport to Magonia in I believe the in

806  
00:33:06,649 --> 00:33:04,380  
14th century Japan there were a lot of

807  
00:33:09,350 --> 00:33:06,659  
there were basically there was a UFO

808  
00:33:12,049 --> 00:33:09,360  
wave going on a UFO flap as they now

809  
00:33:14,389 --> 00:33:12,059  
call them and people are seeing these

810  
00:33:16,789 --> 00:33:14,399  
things and the emperor became very

811  
00:33:18,950 --> 00:33:16,799  
irritated and in those days you know

812  
00:33:21,110 --> 00:33:18,960  
Emperor irritated Emperor heads are

813  
00:33:23,389 --> 00:33:21,120

liable to roll at any moment and he

814

00:33:25,549 --> 00:33:23,399

demanded of his astronomers

815

00:33:26,570 --> 00:33:25,559

to tell him what the hell these things

816

00:33:28,250 --> 00:33:26,580

were

817

00:33:29,930 --> 00:33:28,260

and they came up with the most

818

00:33:32,210 --> 00:33:29,940

beautifully poetic

819

00:33:35,630 --> 00:33:32,220

answer it is the first piece of

820

00:33:38,090 --> 00:33:35,640

debunking known to man they see

821

00:33:43,210 --> 00:33:38,100

explained it as the wind making the

822

00:33:48,049 --> 00:33:43,220

Stars way wow and they kept their heads

823

00:33:50,110 --> 00:33:48,059

so uh but they're they're part of us and

824

00:33:56,409 --> 00:33:50,120

part of our world and this is something

825

00:33:59,830 --> 00:33:56,419

unfortunately I think that the the whole

826

00:34:02,090 --> 00:33:59,840

the whole way the culture has been this

827

00:34:06,350 --> 00:34:02,100

our our vision of this has been

828

00:34:10,250 --> 00:34:06,360

distorted by secrecy and by assumptions

829

00:34:13,010 --> 00:34:10,260

being made in in in in the media that

830

00:34:19,010 --> 00:34:13,020

it's aliens from another planet

831

00:34:21,530 --> 00:34:19,020

if this does flow out into the into a

832

00:34:24,649 --> 00:34:21,540

common knowledge in some way of the if

833

00:34:27,050 --> 00:34:24,659

they they is there's some kind of higher

834

00:34:30,649 --> 00:34:27,060

level official admission of the the

835

00:34:32,990 --> 00:34:30,659

presence of craft and and bodies and for

836

00:34:36,589 --> 00:34:33,000

example which I think could could be on

837

00:34:37,970 --> 00:34:36,599

the way uh then the public will conclude

838

00:34:41,089 --> 00:34:37,980

that these are aliens from another

839

00:34:43,310 --> 00:34:41,099

planet and we're going to get into Crazy

840

00:34:44,869 --> 00:34:43,320

Hour very quickly I think it's

841

00:34:48,050 --> 00:34:44,879

unfortunate but I think it's exactly

842

00:34:51,169 --> 00:34:48,060

what will happen and those of us who are

843

00:34:53,089 --> 00:34:51,179

you guys are communicators experts in

844

00:34:54,649 --> 00:34:53,099

this field people like me and the other

845

00:34:58,370 --> 00:34:54,659

experiences are going to have to make

846

00:35:00,950 --> 00:34:58,380

ourselves heard to say hey yeah you've

847

00:35:03,170 --> 00:35:00,960

got a bodies you've got craft but boy do

848

00:35:06,170 --> 00:35:03,180

you need to keep this in question I'll

849

00:35:08,030 --> 00:35:06,180

give you one oh go ahead why like so if

850

00:35:10,670 --> 00:35:08,040

what do you mean we'll go into crazy

851

00:35:12,410 --> 00:35:10,680

like so if we have craft and we have

852

00:35:14,329 --> 00:35:12,420

bodies and the craft appear to be able

853

00:35:16,310 --> 00:35:14,339

to travel amongst the stars and if that

854

00:35:19,250 --> 00:35:16,320

is what's ended up revealed just

855

00:35:22,069 --> 00:35:19,260

hypothetically what is your warning here

856

00:35:23,750 --> 00:35:22,079

what is a warning is this what if they

857

00:35:25,250 --> 00:35:23,760

don't travel Among the Stars what if

858

00:35:27,170 --> 00:35:25,260

there's something else about these

859

00:35:30,950 --> 00:35:27,180

things that we don't yet understand

860

00:35:34,010 --> 00:35:30,960

I'll give you an example of what I mean

861

00:35:37,130 --> 00:35:34,020

one of the things that has been out

862

00:35:39,589 --> 00:35:37,140

there is that some of the materials that

863

00:35:43,130 --> 00:35:39,599

were gathered that that have been

864

00:35:44,630 --> 00:35:43,140

gathered have been found I believe if

865

00:35:46,670 --> 00:35:44,640

I'm not correct it might be Jacques

866

00:35:49,430 --> 00:35:46,680

valet and Gary Nolan who did this yeah

867

00:35:50,930 --> 00:35:49,440

the isotopic ratio isotopic ratios yeah

868

00:35:53,930 --> 00:35:50,940

okay

869

00:35:56,030 --> 00:35:53,940

now the materials don't I mean I've had

870

00:35:57,410 --> 00:35:56,040

these things in my hands and they don't

871

00:36:00,349 --> 00:35:57,420

they're not the ones they had but some

872

00:36:02,890 --> 00:36:00,359

others uh they're not

873

00:36:05,990 --> 00:36:02,900

uh

874

00:36:08,569 --> 00:36:06,000

they're not in any way you wouldn't know

875

00:36:12,950 --> 00:36:08,579

there was any unusual isotopic ratios

876  
00:36:15,109 --> 00:36:12,960  
and in fact the metal can be it could be

877  
00:36:18,290 --> 00:36:15,119  
theoretically fabricated and used

878  
00:36:24,349 --> 00:36:18,300  
because the different isotopic ratios

879  
00:36:29,150 --> 00:36:26,930  
those isotopic ratios can't form

880  
00:36:31,550 --> 00:36:29,160  
naturally anywhere in this universe not

881  
00:36:33,410 --> 00:36:31,560  
just on Earth but anywhere

882  
00:36:36,170 --> 00:36:33,420  
so they were they were made they were

883  
00:36:38,930 --> 00:36:36,180  
fabricated in a universe which has a

884  
00:36:41,329 --> 00:36:38,940  
different set of Isotopes or you could

885  
00:36:43,970 --> 00:36:41,339  
construct very easily if you have the

886  
00:36:46,970 --> 00:36:43,980  
technology different isotopic ratios not

887  
00:36:48,770 --> 00:36:46,980  
easily no not not easily for us well it

888  
00:36:50,089 --> 00:36:48,780

takes a tremendous amount of energy to

889

00:36:52,970 --> 00:36:50,099

do it unless

890

00:36:55,069 --> 00:36:52,980

unless you can unless there's some other

891

00:36:57,470 --> 00:36:55,079

way that we don't know about we don't

892

00:36:59,410 --> 00:36:57,480

have the no one is doing this in the lab

893

00:37:03,770 --> 00:36:59,420

to fool people let me put it that way

894

00:37:05,870 --> 00:37:03,780

but why do it unless there is some

895

00:37:07,370 --> 00:37:05,880

process that requires that we don't yet

896

00:37:11,690 --> 00:37:07,380

understand

897

00:37:12,950 --> 00:37:11,700

but there has recently been an article a

898

00:37:16,550 --> 00:37:12,960

rather

899

00:37:19,490 --> 00:37:16,560

a paper and I can't cite it from memory

900

00:37:21,950 --> 00:37:19,500

about a mirror universe that might exist

901  
00:37:25,430 --> 00:37:21,960  
really essentially right here

902  
00:37:27,109 --> 00:37:25,440  
and I've had some experiences with

903  
00:37:29,390 --> 00:37:27,119  
something that might suggest that as

904  
00:37:33,050 --> 00:37:29,400  
well as I detailed in

905  
00:37:35,690 --> 00:37:33,060  
a new world where I was seeing into what

906  
00:37:38,329 --> 00:37:35,700  
appeared to be another universe that on

907  
00:37:40,910 --> 00:37:38,339  
the Lakota Sioux reservation in South

908  
00:37:42,470 --> 00:37:40,920  
Dakota in I believe in the summer of

909  
00:37:44,990 --> 00:37:42,480  
2018

910  
00:37:47,630 --> 00:37:45,000  
and it was a quite a credible experience

911  
00:37:51,109 --> 00:37:47,640  
and uh

912  
00:37:54,410 --> 00:37:51,119  
if there is a mirror universe and they

913  
00:37:57,230 --> 00:37:54,420

can cross over they might be bringing

914

00:37:59,150 --> 00:37:57,240

devices that are that are manufactured

915

00:38:02,210 --> 00:37:59,160

in their universe that has different

916

00:38:03,589 --> 00:38:02,220

isotopes you wrote in in you know in

917

00:38:05,930 --> 00:38:03,599

communion

918

00:38:07,609 --> 00:38:05,940

um when you wrote it the Multiverse

919

00:38:09,890 --> 00:38:07,619

scientists might have thought about it

920

00:38:11,690 --> 00:38:09,900

parallel realities people had thought

921

00:38:14,990 --> 00:38:11,700

about it but the public it wasn't widely

922

00:38:17,150 --> 00:38:15,000

known after your book came out those

923

00:38:19,250 --> 00:38:17,160

concepts are more widely known among

924

00:38:21,290 --> 00:38:19,260

even those of us who are not scientists

925

00:38:23,870 --> 00:38:21,300

the idea that there are parallel

926  
00:38:25,790 --> 00:38:23,880  
realities alternate universes is not

927  
00:38:27,530 --> 00:38:25,800  
that far-fetched anymore

928  
00:38:28,910 --> 00:38:27,540  
you know Jacques valet had said the

929  
00:38:30,290 --> 00:38:28,920  
first interview I ever did with him he

930  
00:38:31,849 --> 00:38:30,300  
said look I'm going to be really

931  
00:38:34,190 --> 00:38:31,859  
disappointed if it turns out the answer

932  
00:38:36,170 --> 00:38:34,200  
the mystery is these are people coming

933  
00:38:38,030 --> 00:38:36,180  
here from other planets because if they

934  
00:38:40,250 --> 00:38:38,040  
can control space-time they can be from

935  
00:38:41,569 --> 00:38:40,260  
other planets other dimensions other

936  
00:38:44,089 --> 00:38:41,579  
realities

937  
00:38:45,950 --> 00:38:44,099  
um you know time travelers all the above

938  
00:38:47,870 --> 00:38:45,960

well the time traveler thing is a very

939

00:38:51,170 --> 00:38:47,880

interesting possibility too

940

00:38:53,990 --> 00:38:51,180

because I we do know that time moves in

941

00:38:56,150 --> 00:38:54,000

both directions and there's no bar real

942

00:38:59,230 --> 00:38:56,160

bar to moving through time

943

00:39:02,829 --> 00:38:59,240

there might be however

944

00:39:06,950 --> 00:39:02,839

the the grandfather Paradox might mean

945

00:39:09,349 --> 00:39:06,960

that you have very little ability to

946

00:39:11,870 --> 00:39:09,359

alter your own past

947

00:39:13,310 --> 00:39:11,880

unless

948

00:39:22,790 --> 00:39:13,320

you

949

00:39:27,109 --> 00:39:22,800

in some form that never existed at all

950

00:39:30,950 --> 00:39:27,119

and if that's the case then these little

951  
00:39:33,770 --> 00:39:30,960  
beings with the big heads are a disguise

952  
00:39:37,010 --> 00:39:33,780  
of people from the future who are trying

953  
00:39:39,950 --> 00:39:37,020  
to change our past their own past trying

954  
00:39:44,150 --> 00:39:39,960  
to alter their past for some reason that

955  
00:39:47,630 --> 00:39:44,160  
we don't know and they are using this to

956  
00:39:52,130 --> 00:39:47,640  
give themselves more more latitude of

957  
00:39:54,410 --> 00:39:52,140  
more of an ability to act in our reality

958  
00:39:56,030 --> 00:39:54,420  
in the past in their own past do we know

959  
00:39:57,890 --> 00:39:56,040  
what they really look like I mean you've

960  
00:39:59,630 --> 00:39:57,900  
encountered them up close and personal

961  
00:40:01,609 --> 00:39:59,640  
some of them looking different from the

962  
00:40:04,190 --> 00:40:01,619  
other ones yeah we also know about it

963  
00:40:05,870 --> 00:40:04,200

they appear to us as owls in our head or

964

00:40:09,530 --> 00:40:05,880

other kinds of creatures we're very good

965

00:40:13,490 --> 00:40:09,540

at that one thing that I found that that

966

00:40:15,050 --> 00:40:13,500

the brain will if it if it gets if you

967

00:40:16,790 --> 00:40:15,060

one of the things that we do when we're

968

00:40:19,310 --> 00:40:16,800

born is we start to put the world

969

00:40:22,550 --> 00:40:19,320

together in our brains the brain always

970

00:40:25,370 --> 00:40:22,560

does it pretty much the same way and at

971

00:40:26,930 --> 00:40:25,380

first the baby is com completely he

972

00:40:28,870 --> 00:40:26,940

doesn't have any

973

00:40:32,329 --> 00:40:28,880

any uh

974

00:40:34,310 --> 00:40:32,339

any way to put anything together but

975

00:40:37,010 --> 00:40:34,320

that changes rather quickly because this

976

00:40:39,230 --> 00:40:37,020

brain is in an environment and it is

977

00:40:40,490 --> 00:40:39,240

trying begins to try to make sense of

978

00:40:43,870 --> 00:40:40,500

that environment

979

00:40:49,310 --> 00:40:43,880

and sooner or later

980

00:40:52,310 --> 00:40:49,320

uh a whole the the world's it generates

981

00:40:56,150 --> 00:40:52,320

meaning for the the baby and by the time

982

00:40:58,310 --> 00:40:56,160

he's four or five he or she can see a

983

00:41:00,290 --> 00:40:58,320

tree and identify all this whole world

984

00:41:05,390 --> 00:41:00,300

and that grows and grows over the

985

00:41:08,210 --> 00:41:05,400

lifespan uh but if something enters that

986

00:41:10,849 --> 00:41:08,220

after the baby is already established

987

00:41:14,089 --> 00:41:10,859

it's reality something penetrates into

988

00:41:17,089 --> 00:41:14,099

that reality that's that the mind can't

989

00:41:20,089 --> 00:41:17,099

find anywhere in its memory

990

00:41:23,329 --> 00:41:20,099

then that gets very dicey as to what

991

00:41:26,150 --> 00:41:23,339

it's going to see uh when when you

992

00:41:28,190 --> 00:41:26,160

something is coming into your eyes when

993

00:41:29,890 --> 00:41:28,200

you're looking at something or any

994

00:41:33,950 --> 00:41:29,900

perception

995

00:41:37,490 --> 00:41:33,960

most of your brain activity involves the

996

00:41:39,950 --> 00:41:37,500

catalog it is looking for memories to

997

00:41:42,290 --> 00:41:39,960

make sense of what it's seeing this is

998

00:41:44,750 --> 00:41:42,300

constant and instantaneous it's going on

999

00:41:48,170 --> 00:41:44,760

in all of our brains right now

1000

00:41:49,790 --> 00:41:48,180

and but if something came into this it

1001

00:41:52,190 --> 00:41:49,800

shouldn't be here

1002

00:41:54,950 --> 00:41:52,200

we might see it in very different ways

1003

00:41:57,829 --> 00:41:54,960

we might not see it at all

1004

00:41:59,810 --> 00:41:57,839

a lot of physicists now believe that

1005

00:42:03,170 --> 00:41:59,820

there is no objective reality you know

1006

00:42:05,089 --> 00:42:03,180

we what we see is reality is the result

1007

00:42:07,010 --> 00:42:05,099

of evolution that our senses have

1008

00:42:08,930 --> 00:42:07,020

developed over eons

1009

00:42:11,630 --> 00:42:08,940

so that we can navigate through this

1010

00:42:14,930 --> 00:42:11,640

this reality but that reality itself is

1011

00:42:17,329 --> 00:42:14,940

based on the Observer that um well you

1012

00:42:20,150 --> 00:42:17,339

can never you can never see anything

1013

00:42:21,829 --> 00:42:20,160

except directly you can only you can

1014

00:42:25,329 --> 00:42:21,839

only interpret your own perceptions

1015

00:42:31,609 --> 00:42:25,339

touch taste feel sight smell

1016

00:42:33,829 --> 00:42:31,619

those are all inside us so uh the uh the

1017

00:42:35,990 --> 00:42:33,839

people who argue that the universe is a

1018

00:42:38,750 --> 00:42:36,000

is essentially a mental

1019

00:42:41,329 --> 00:42:38,760

thing have to be partly right at least

1020

00:42:44,990 --> 00:42:41,339

partly right because we can never

1021

00:42:46,790 --> 00:42:45,000

experience anything directly it's all

1022

00:42:49,130 --> 00:42:46,800

indirect through the perception through

1023

00:42:51,890 --> 00:42:49,140

the body through the senses you you you

1024

00:42:55,250 --> 00:42:51,900

interpret what your senses tell you is

1025

00:42:57,609 --> 00:42:55,260

there you don't see it directly

1026

00:43:00,530 --> 00:42:57,619

and that would be why the

1027

00:43:03,170 --> 00:43:00,540

visitors are very skilled I think at at

1028

00:43:06,770 --> 00:43:03,180

handling it manipulating that and they

1029

00:43:08,510 --> 00:43:06,780

can uh one of the editors at William

1030

00:43:09,710 --> 00:43:08,520

Morrow and Company encountered two of

1031

00:43:13,490 --> 00:43:09,720

them in

1032

00:43:15,710 --> 00:43:13,500

in a bookstore in Manhattan and uh

1033

00:43:17,390 --> 00:43:15,720

they were you know they were dressed in

1034

00:43:20,030 --> 00:43:17,400

overcoats and hats but they had those

1035

00:43:21,290 --> 00:43:20,040

great big black eyes and scared the hell

1036

00:43:23,089 --> 00:43:21,300

out of them they were reading the book

1037

00:43:24,829 --> 00:43:23,099

flipping through the book and laughing

1038

00:43:27,589 --> 00:43:24,839

of course that's a story you tell in

1039

00:43:28,970 --> 00:43:27,599

them new book so you know you went back

1040

00:43:30,230 --> 00:43:28,980

to the beginning you looked at the

1041

00:43:32,329 --> 00:43:30,240

letters that had been written about

1042

00:43:34,670 --> 00:43:32,339

communion you went to Rice looked

1043

00:43:37,609 --> 00:43:34,680

through these and try to sort of look at

1044

00:43:39,050 --> 00:43:37,619

the whole story Through The Eyes of of

1045

00:43:41,510 --> 00:43:39,060

people who'd read your book and had

1046

00:43:43,370 --> 00:43:41,520

experiences and I think there's a quote

1047

00:43:45,530 --> 00:43:43,380

from you in the book where you say

1048

00:43:48,349 --> 00:43:45,540

there was widespread criticism of

1049

00:43:50,150 --> 00:43:48,359

communion at every level of society but

1050

00:43:51,250 --> 00:43:50,160

there was only one group of critics that

1051  
00:43:53,510 --> 00:43:51,260  
really

1052  
00:43:55,609 --> 00:43:53,520  
scared me the visitors themselves

1053  
00:43:57,349 --> 00:43:55,619  
meaning you write about the visitors

1054  
00:43:59,329 --> 00:43:57,359  
were in the book reading I mean in the

1055  
00:44:01,190 --> 00:43:59,339  
bookstore reading communion right well

1056  
00:44:03,370 --> 00:44:01,200  
my editor calls me up and he says

1057  
00:44:05,930 --> 00:44:03,380  
Whitley I have good news and bad news

1058  
00:44:08,510 --> 00:44:05,940  
I said uh

1059  
00:44:10,250 --> 00:44:08,520  
well uh

1060  
00:44:11,870 --> 00:44:10,260  
what's the bad news of course you always

1061  
00:44:13,609 --> 00:44:11,880  
ask the bad news first you want to get

1062  
00:44:15,650 --> 00:44:13,619  
it up and the bad news was rather

1063  
00:44:18,829 --> 00:44:15,660

surprising he said well the visitors

1064

00:44:20,990 --> 00:44:18,839

think your book is Joe a joke I said Jim

1065

00:44:22,670 --> 00:44:21,000

what are you talking about he said well

1066

00:44:23,450 --> 00:44:22,680

that's the good news we all believe you

1067

00:44:27,050 --> 00:44:23,460

now

1068

00:44:29,089 --> 00:44:27,060

says what are you talking about man he

1069

00:44:31,670 --> 00:44:29,099

says well Bruce Lee not thee Bruce Lee

1070

00:44:34,550 --> 00:44:31,680

but the other Bruce Lee he was uh uh

1071

00:44:36,589 --> 00:44:34,560

history an editor of the in a military

1072

00:44:39,170 --> 00:44:36,599

history at William Morrow

1073

00:44:40,609 --> 00:44:39,180

uh walked into a bookstore the other day

1074

00:44:42,890 --> 00:44:40,619

this is right when the book was just

1075

00:44:45,829 --> 00:44:42,900

coming out it was like the first week

1076

00:44:48,470 --> 00:44:45,839

and he uh

1077

00:44:51,130 --> 00:44:48,480

two of those people your people he said

1078

00:44:54,470 --> 00:44:51,140

they always call him my people

1079

00:44:56,930 --> 00:44:54,480

anyway your people were in there so what

1080

00:45:00,290 --> 00:44:56,940

peoples the little people with the great

1081

00:45:03,530 --> 00:45:00,300

big eyes were reading your book I saw I

1082

00:45:05,510 --> 00:45:03,540

thought holy guacamole now what I said

1083

00:45:08,390 --> 00:45:05,520

okay tell me more

1084

00:45:09,710 --> 00:45:08,400

and he says well they were reading your

1085

00:45:11,690 --> 00:45:09,720

book they were paging through it very

1086

00:45:13,130 --> 00:45:11,700

quickly and they were laughing and

1087

00:45:14,630 --> 00:45:13,140

saying that it didn't happen this didn't

1088

00:45:15,950 --> 00:45:14,640

happen and that didn't happen I said

1089

00:45:18,530 --> 00:45:15,960

what

1090

00:45:21,829 --> 00:45:18,540

you're kidding he says no I'm not

1091

00:45:23,089 --> 00:45:21,839

kidding Bruce is not a liar he's telling

1092

00:45:24,770 --> 00:45:23,099

it straight

1093

00:45:26,990 --> 00:45:24,780

and I thought to myself this is a

1094

00:45:28,609 --> 00:45:27,000

practical joke I've never I've never

1095

00:45:30,230 --> 00:45:28,619

played any practical jokes on the people

1096

00:45:32,870 --> 00:45:30,240

at William Morrow and Company though so

1097

00:45:34,730 --> 00:45:32,880

I I had the hope that it was just a

1098

00:45:36,770 --> 00:45:34,740

mistake so I talked to Bruce Lee and he

1099

00:45:39,230 --> 00:45:36,780

describes these people the little beings

1100

00:45:42,230 --> 00:45:39,240

perfectly they were about five feet tall

1101  
00:45:43,730 --> 00:45:42,240  
and they were in hats and coats and they

1102  
00:45:45,349 --> 00:45:43,740  
definitely had the big eyes and

1103  
00:45:46,609 --> 00:45:45,359  
basically when they stopped and looked

1104  
00:45:49,910 --> 00:45:46,619  
at him they scared the hell out of him

1105  
00:45:54,109 --> 00:45:49,920  
and he left the store uh

1106  
00:45:55,849 --> 00:45:54,119  
and so I thought oh hell now

1107  
00:45:59,390 --> 00:45:55,859  
I know

1108  
00:45:59,390 --> 00:46:01,970  
that the visitors think my book's

1109  
00:46:07,670 --> 00:46:04,069  
what am I going to do about that and so

1110  
00:46:11,630 --> 00:46:07,680  
I say to Bruce did they say anything at

1111  
00:46:13,430 --> 00:46:11,640  
all about like which parts were no he

1112  
00:46:15,650 --> 00:46:13,440  
said I just they just were laughing and

1113  
00:46:17,150 --> 00:46:15,660

saying this wasn't true and that wasn't

1114

00:46:18,829 --> 00:46:17,160

true they're paging through it too fast

1115

00:46:20,750 --> 00:46:18,839

for me to keep up with it

1116

00:46:23,690 --> 00:46:20,760

I said well what did you do he says I

1117

00:46:25,910 --> 00:46:23,700

left mine got my wife and we left

1118

00:46:27,349 --> 00:46:25,920

so I thought to myself this has to be a

1119

00:46:29,690 --> 00:46:27,359

practical joke

1120

00:46:31,970 --> 00:46:29,700

it has to be it can't be real it sounds

1121

00:46:34,250 --> 00:46:31,980

like a comedy man it does sound like

1122

00:46:36,410 --> 00:46:34,260

exactly comedy little did I know that it

1123

00:46:38,750 --> 00:46:36,420

was a practical joke but now that I know

1124

00:46:41,630 --> 00:46:38,760

the visitors a little better I am aware

1125

00:46:44,150 --> 00:46:41,640

of the fact that they play

1126

00:46:46,970 --> 00:46:44,160

jokes they're very jokey

1127

00:46:48,950 --> 00:46:46,980

and and often in a fairly ominous and

1128

00:46:50,450 --> 00:46:48,960

unfunny way but at times it can be

1129

00:46:52,370 --> 00:46:50,460

fairly funny and this was fairly funny

1130

00:46:54,950 --> 00:46:52,380

in any case

1131

00:46:58,609 --> 00:46:54,960

um so they got a sense of humor so they

1132

00:47:02,030 --> 00:46:58,619

have a sense of humor okay right yeah in

1133

00:47:07,190 --> 00:47:02,040

any case I gotta this uh

1134

00:47:08,630 --> 00:47:07,200

uh lie detector guy uh who did lie

1135

00:47:12,050 --> 00:47:08,640

detector work for the police department

1136

00:47:15,050 --> 00:47:12,060

and he he had he had been forced to pass

1137

00:47:18,589 --> 00:47:15,060

me on a lie detector test and he really

1138

00:47:20,089 --> 00:47:18,599

wanted to get I said so I called him and

1139

00:47:22,250 --> 00:47:20,099

I said to him

1140

00:47:25,490 --> 00:47:22,260

there's this guy Bruce Lee this from the

1141

00:47:27,050 --> 00:47:25,500

publisher he's got to be lying this has

1142

00:47:29,210 --> 00:47:27,060

got to be a joke

1143

00:47:31,370 --> 00:47:29,220

I want you to do a test on him and he

1144

00:47:35,270 --> 00:47:31,380

says sure I'll be glad to you

1145

00:47:37,910 --> 00:47:35,280

so Bruce goes down he he passes the test

1146

00:47:40,490 --> 00:47:37,920

he says you know Whitley that guy is a

1147

00:47:42,470 --> 00:47:40,500

sadist I mean he really beat me up first

1148

00:47:44,990 --> 00:47:42,480

it took it took over an hour and second

1149

00:47:47,329 --> 00:47:45,000

he's yelling at me and going on and I

1150

00:47:50,150 --> 00:47:47,339

thought he's Trump's trying to break him

1151  
00:47:53,990 --> 00:47:50,160  
he was trying to get him to force him to

1152  
00:47:56,089 --> 00:47:54,000  
to to to to to break him and

1153  
00:47:58,550 --> 00:47:56,099  
um Bruce was telling the truth

1154  
00:48:00,530 --> 00:47:58,560  
so you even though you've had all of

1155  
00:48:02,809 --> 00:48:00,540  
these extraordinary experiences that you

1156  
00:48:05,569 --> 00:48:02,819  
relay in your books you even thought

1157  
00:48:08,270 --> 00:48:05,579  
that this guy Bruce Lee not the Bruce

1158  
00:48:10,910 --> 00:48:08,280  
Lee was lying about this you sent a

1159  
00:48:13,150 --> 00:48:10,920  
polygraph guy to go test him I got it I

1160  
00:48:16,069 --> 00:48:13,160  
got him to go down and get a polygraphy

1161  
00:48:19,309 --> 00:48:16,079  
because I was just not gonna and he was

1162  
00:48:22,370 --> 00:48:19,319  
willing to do it too that's um and said

1163  
00:48:25,250 --> 00:48:22,380

Bruce is willing to to do that she said

1164

00:48:27,109 --> 00:48:25,260

then it happened and I said I guess it

1165

00:48:29,930 --> 00:48:27,119

did happen and uh

1166

00:48:31,730 --> 00:48:29,940

the polygraph guy agreed it you know

1167

00:48:34,010 --> 00:48:31,740

Bruce was not lying you know after

1168

00:48:36,650 --> 00:48:34,020

communion came out there was constant

1169

00:48:38,150 --> 00:48:36,660

Stories being I guess flowing out from

1170

00:48:40,190 --> 00:48:38,160

the intelligence Community you're good

1171

00:48:42,410 --> 00:48:40,200

at dropping stories where they want them

1172

00:48:43,790 --> 00:48:42,420

dropped that you know lie detectors

1173

00:48:46,370 --> 00:48:43,800

don't work and that's why they're not

1174

00:48:48,109 --> 00:48:46,380

used in court Etc and so forth

1175

00:48:50,569 --> 00:48:48,119

what they didn't say of course is that

1176

00:48:52,550 --> 00:48:50,579

most most people in sensitive positions

1177

00:48:55,730 --> 00:48:52,560

take lie detector tests every few months

1178

00:48:57,530 --> 00:48:55,740

and they do that because they do work in

1179

00:49:00,770 --> 00:48:57,540

in the hands of a good operator they do

1180

00:49:04,010 --> 00:49:00,780

work they work very well and uh that's

1181

00:49:05,809 --> 00:49:04,020

why the operator that took that did that

1182

00:49:11,530 --> 00:49:05,819

test on me and on Bruce was he was one

1183

00:49:14,150 --> 00:49:11,540

of the best so uh uh he so

1184

00:49:17,030 --> 00:49:14,160

Bruce told the truth

1185

00:49:19,490 --> 00:49:17,040

the damndest thing I mean but here's

1186

00:49:21,349 --> 00:49:19,500

the we sort of backed into this because

1187

00:49:23,990 --> 00:49:21,359

we were talking about

1188

00:49:26,870 --> 00:49:24,000

the brain and the way it rejects things

1189

00:49:28,250 --> 00:49:26,880

that I think that if they had wanted to

1190

00:49:30,710 --> 00:49:28,260

they could have gone into that bookstore

1191

00:49:33,050 --> 00:49:30,720

and no one including Bruce Lee would

1192

00:49:35,030 --> 00:49:33,060

have seen them I think they wanted him

1193

00:49:36,770 --> 00:49:35,040

to see them because then they left and

1194

00:49:39,589 --> 00:49:36,780

they he saw them walking off down the

1195

00:49:41,809 --> 00:49:39,599

street and nobody batting an eye

1196

00:49:45,230 --> 00:49:41,819

nobody better than I

1197

00:49:47,450 --> 00:49:45,240

you're right in in them your latest book

1198

00:49:49,370 --> 00:49:47,460

uh there's a line in there they mean us

1199

00:49:50,809 --> 00:49:49,380

no harm I don't know if that's you

1200

00:49:53,630 --> 00:49:50,819

writing that or that's one of the

1201  
00:49:55,670 --> 00:49:53,640  
witnesses it's a witness you think

1202  
00:49:57,230 --> 00:49:55,680  
you're talking to a guy that got roughed

1203  
00:49:59,569 --> 00:49:57,240  
up a good yeah I'm not so sure I would

1204  
00:50:01,550 --> 00:49:59,579  
say that myself

1205  
00:50:04,010 --> 00:50:01,560  
um you write that they are not Angels

1206  
00:50:06,589 --> 00:50:04,020  
they're not demons so I wonder what are

1207  
00:50:09,770 --> 00:50:06,599  
they are they beings are they biological

1208  
00:50:11,930 --> 00:50:09,780  
robots are they uh do we don't really

1209  
00:50:14,030 --> 00:50:11,940  
get to see the real them I ask in this

1210  
00:50:16,430 --> 00:50:14,040  
context a lot of the people who call

1211  
00:50:18,650 --> 00:50:16,440  
themselves experiencers now are they're

1212  
00:50:20,510 --> 00:50:18,660  
taking polls that say overall it's a

1213  
00:50:22,809 --> 00:50:20,520

pretty positive experience it really

1214

00:50:26,030 --> 00:50:22,819

changed my life for the better whereas

1215

00:50:28,130 --> 00:50:26,040

from the communion days the experiences

1216

00:50:31,790 --> 00:50:28,140

were not viewed in a positive uh light

1217

00:50:33,710 --> 00:50:31,800

no well you know my experience my

1218

00:50:37,790 --> 00:50:33,720

relationship with them evolved over the

1219

00:50:39,710 --> 00:50:37,800

years a lot I

1220

00:50:43,130 --> 00:50:39,720

after

1221

00:50:44,990 --> 00:50:43,140

Ben and I realized that this was real

1222

00:50:46,609 --> 00:50:45,000

that there's somebody was there and they

1223

00:50:48,890 --> 00:50:46,619

weren't human

1224

00:50:50,470 --> 00:50:48,900

I decided I thought to myself I'm going

1225

00:50:53,030 --> 00:50:50,480

to try to

1226

00:50:55,370 --> 00:50:53,040

expand my contact

1227

00:50:58,670 --> 00:50:55,380

this was after I pretty much while I was

1228

00:50:59,990 --> 00:50:58,680

writing communion right after anyway how

1229

00:51:02,750 --> 00:51:00,000

would I do that

1230

00:51:04,490 --> 00:51:02,760

well I decided what I would do is I

1231

00:51:06,290 --> 00:51:04,500

would wait until late at night and walk

1232

00:51:08,390 --> 00:51:06,300

back to the place where I thought it had

1233

00:51:11,089 --> 00:51:08,400

happened and I would just do that night

1234

00:51:13,010 --> 00:51:11,099

after night as an indication of my

1235

00:51:16,609 --> 00:51:13,020

willingness to

1236

00:51:17,870 --> 00:51:16,619

re-engage so I said to Anne

1237

00:51:20,690 --> 00:51:17,880

uh

1238

00:51:23,809 --> 00:51:20,700

why don't we do this we'll go we'll go

1239

00:51:25,370 --> 00:51:23,819

down to the place to or the circle where

1240

00:51:27,950 --> 00:51:25,380

it happened

1241

00:51:31,130 --> 00:51:27,960

late at night and just sit there and

1242

00:51:33,109 --> 00:51:31,140

just think about wanting to reconnect

1243

00:51:34,549 --> 00:51:33,119

and see if it works

1244

00:51:36,470 --> 00:51:34,559

she said but there's one little thing

1245

00:51:37,849 --> 00:51:36,480

that's wrong with what you said it's the

1246

00:51:39,250 --> 00:51:37,859

word we

1247

00:51:45,410 --> 00:51:39,260

you

1248

00:51:47,930 --> 00:51:45,420

down there at night

1249

00:51:51,290 --> 00:51:47,940

and the first night I tried to

1250

00:51:54,410 --> 00:51:51,300

I got to the edge of the yard and I

1251  
00:51:57,470 --> 00:51:54,420  
literally could not make my legs work I

1252  
00:51:59,990 --> 00:51:57,480  
could not walk farther I had to go back

1253  
00:52:04,490 --> 00:52:00,000  
it was hard but I did it

1254  
00:52:06,470 --> 00:52:04,500  
and I finally after about six six months

1255  
00:52:10,849 --> 00:52:06,480  
or so they they began to be responses

1256  
00:52:14,510 --> 00:52:10,859  
little weird things that it happened uh

1257  
00:52:17,049 --> 00:52:14,520  
uh like the UFO I I was communicating

1258  
00:52:21,170 --> 00:52:17,059  
with them in my head I I I I

1259  
00:52:22,670 --> 00:52:21,180  
thought I was anyway and I would you

1260  
00:52:24,349 --> 00:52:22,680  
know I was saying you know and it's not

1261  
00:52:26,390 --> 00:52:24,359  
she's in the middle of this and she's

1262  
00:52:28,430 --> 00:52:26,400  
not even seen a UFO

1263  
00:52:31,730 --> 00:52:28,440

and this will get back to the sense of

1264

00:52:33,770 --> 00:52:31,740

humor by the way and show her one of

1265

00:52:34,790 --> 00:52:33,780

your things because I know you can do

1266

00:52:37,010 --> 00:52:34,800

that

1267

00:52:38,809 --> 00:52:37,020

so a few nights later we're sitting out

1268

00:52:42,109 --> 00:52:38,819

in the hot tub it's winter

1269

00:52:44,210 --> 00:52:42,119

and you know we're we're in the hot tub

1270

00:52:47,569 --> 00:52:44,220

in the winter and everyone in a hot tub

1271

00:52:49,490 --> 00:52:47,579

in the winter outside is strategizing

1272

00:52:51,230 --> 00:52:49,500

about why I should stay in the hot tub

1273

00:52:53,230 --> 00:52:51,240

and not get out into the cold even

1274

00:52:56,569 --> 00:52:53,240

though I've been in here for four hours

1275

00:52:58,089 --> 00:52:56,579

uh so we're doing we're there and all of

1276

00:53:01,730 --> 00:52:58,099

a sudden we hear this

1277

00:53:02,930 --> 00:53:01,740

over the house and I Think Jesus it's

1278

00:53:05,630 --> 00:53:02,940

them

1279

00:53:08,150 --> 00:53:05,640

and we look up I said Annie I think it's

1280

00:53:09,950 --> 00:53:08,160

them look at listen to that noise

1281

00:53:13,609 --> 00:53:09,960

and then

1282

00:53:15,049 --> 00:53:13,619

their moves over the hot tub what looked

1283

00:53:20,809 --> 00:53:15,059

like

1284

00:53:24,670 --> 00:53:20,819

a gigantic flying pile of logs decorated

1285

00:53:27,290 --> 00:53:24,680

with Christmas lights going

1286

00:53:30,049 --> 00:53:27,300

and we're looking up at this thing and

1287

00:53:32,450 --> 00:53:30,059

she says you went up in that

1288

00:53:34,910 --> 00:53:32,460

I said I don't know what that is and she

1289

00:53:36,349 --> 00:53:34,920

says well I better not fall on us and

1290

00:53:39,410 --> 00:53:36,359

then it goes off

1291

00:53:41,569 --> 00:53:39,420

and down a little draw and you can hear

1292

00:53:42,530 --> 00:53:41,579

it going off up another draw into the

1293

00:53:45,170 --> 00:53:42,540

Woods

1294

00:53:47,870 --> 00:53:45,180

so that was Ann's UFO

1295

00:53:49,130 --> 00:53:47,880

a pile of logs with Christmas lights on

1296

00:53:50,690 --> 00:53:49,140

it

1297

00:53:52,910 --> 00:53:50,700

what do you think of that what do you

1298

00:53:55,190 --> 00:53:52,920

make of yeah the absurdity that seems to

1299

00:53:56,809 --> 00:53:55,200

be on purpose uh it was on purpose for

1300

00:53:57,890 --> 00:53:56,819

sure yeah there's so many cases like

1301  
00:54:00,109 --> 00:53:57,900  
that there's a Nobel science

1302  
00:54:03,109 --> 00:54:00,119  
prize-winning scientist who saw a green

1303  
00:54:05,150 --> 00:54:03,119  
raccoon that was uh yeah that was uh

1304  
00:54:06,130 --> 00:54:05,160  
what was his name Gary Mullins Terry

1305  
00:54:09,049 --> 00:54:06,140  
Terry

1306  
00:54:11,630 --> 00:54:09,059  
oh he was a good guy knew Carrie Mullis

1307  
00:54:13,250 --> 00:54:11,640  
and we talked about his experience

1308  
00:54:16,849 --> 00:54:13,260  
very much so

1309  
00:54:18,230 --> 00:54:16,859  
and he was he's I I said why do you

1310  
00:54:20,150 --> 00:54:18,240  
think

1311  
00:54:22,609 --> 00:54:20,160  
it was like that and he was a very

1312  
00:54:25,549 --> 00:54:22,619  
brilliant man and he didn't say it was

1313  
00:54:29,450 --> 00:54:25,559

their sense of humor he said it was what

1314

00:54:31,490 --> 00:54:29,460

I could see oh interesting a very very

1315

00:54:33,470 --> 00:54:31,500

good answer you hear that and you think

1316

00:54:35,329 --> 00:54:33,480

I'd understand now why I went on Nobel

1317

00:54:37,790 --> 00:54:35,339

Prize it was in chemistry but

1318

00:54:40,069 --> 00:54:37,800

nevertheless that was a very good mind

1319

00:54:41,870 --> 00:54:40,079

the absurdity that comes along with them

1320

00:54:44,390 --> 00:54:41,880

I'm thinking of Kelly Hopkinsville

1321

00:54:46,130 --> 00:54:44,400

that's famous case where it was like

1322

00:54:48,170 --> 00:54:46,140

aliens in a shooting gallery they'd

1323

00:54:50,210 --> 00:54:48,180

shoot them and they'd pop back up we

1324

00:54:52,370 --> 00:54:50,220

just did a story a couple of days ago

1325

00:54:54,170 --> 00:54:52,380

about an incident in Las Vegas I don't

1326

00:54:56,809 --> 00:54:54,180

know if it's real or not but they said

1327

00:54:59,150 --> 00:54:56,819

these 10 foot tall aliens got behind the

1328

00:55:01,190 --> 00:54:59,160

the controls of a a front loader machine

1329

00:55:04,010 --> 00:55:01,200

and was trying to operate it that makes

1330

00:55:05,990 --> 00:55:04,020

no sense I mean you know there it seems

1331

00:55:08,150 --> 00:55:06,000

like these kind of details are thrown

1332

00:55:10,130 --> 00:55:08,160

into the cases to make them absurd on

1333

00:55:11,630 --> 00:55:10,140

purpose and hard to believe I don't

1334

00:55:14,030 --> 00:55:11,640

think that it I think it has two

1335

00:55:16,549 --> 00:55:14,040

purposes I think it is one it keeps the

1336

00:55:18,770 --> 00:55:16,559

question opened and to the witnesses who

1337

00:55:20,569 --> 00:55:18,780

are there it tells them that this is

1338

00:55:22,370 --> 00:55:20,579

something real because it's not

1339

00:55:25,970 --> 00:55:22,380

something you would just dream up

1340

00:55:28,309 --> 00:55:25,980

in other words it's confirming and also

1341

00:55:30,589 --> 00:55:28,319

keeps the question open it does both

1342

00:55:32,210 --> 00:55:30,599

they're very very interested in keeping

1343

00:55:36,589 --> 00:55:32,220

the question open that's why things are

1344

00:55:39,650 --> 00:55:36,599

like they are that's why it was me a

1345

00:55:42,950 --> 00:55:39,660

horror novelist with a bad reputation as

1346

00:55:44,870 --> 00:55:42,960

a prankster uh who ended up doing this

1347

00:55:49,210 --> 00:55:44,880

instead of Carl Sagan

1348

00:55:56,390 --> 00:55:53,390

because I can tell the story a story

1349

00:55:59,510 --> 00:55:56,400

well and very accurately I'm very

1350

00:56:02,089 --> 00:55:59,520

accurate I'm a good Witness

1351

00:56:04,490 --> 00:56:02,099

but you don't have to believe

1352

00:56:07,609 --> 00:56:04,500

a person with my background

1353

00:56:11,150 --> 00:56:07,619

you don't right let me ask you this

1354

00:56:14,870 --> 00:56:11,160

um I so I can accept from where I'm

1355

00:56:17,690 --> 00:56:14,880

standing that there are machines that

1356

00:56:20,089 --> 00:56:17,700

they're in our skies I've seen evidence

1357

00:56:22,609 --> 00:56:20,099

of this that's so weighty I can't ignore

1358

00:56:24,230 --> 00:56:22,619

that or not the luxury of disbelief I

1359

00:56:26,150 --> 00:56:24,240

know our military is involved I know

1360

00:56:28,309 --> 00:56:26,160

that we have what we believe to be

1361

00:56:30,890 --> 00:56:28,319

recovered vehicles

1362

00:56:34,010 --> 00:56:30,900

so I can understand that I can grasp

1363

00:56:37,549 --> 00:56:34,020

that conceptually it's harder for me to

1364

00:56:39,710 --> 00:56:37,559

grasp things that are so uh foreign to

1365

00:56:41,930 --> 00:56:39,720

me so how do you

1366

00:56:44,990 --> 00:56:41,940

allow those two worlds to live together

1367

00:56:47,809 --> 00:56:45,000

this technological story uh maybe

1368

00:56:51,170 --> 00:56:47,819

physical things that have been told to

1369

00:56:52,910 --> 00:56:51,180

or you know through human dialogue with

1370

00:56:55,010 --> 00:56:52,920

the things that you're describing is

1371

00:56:57,109 --> 00:56:55,020

there a world where those things work

1372

00:56:59,150 --> 00:56:57,119

where they fit where they mesh like how

1373

00:57:01,910 --> 00:56:59,160

do you mesh those things well if you

1374

00:57:05,210 --> 00:57:01,920

don't walk the type rope of question I

1375

00:57:07,790 --> 00:57:05,220

mean you have physical uh Craft on one

1376

00:57:09,770 --> 00:57:07,800

side debris material I've got some of

1377

00:57:13,730 --> 00:57:09,780

the material myself in my office

1378

00:57:14,569 --> 00:57:13,740

and it's real uh you've got that on one

1379

00:57:17,210 --> 00:57:14,579

side

1380

00:57:19,549 --> 00:57:17,220

uh you you're gonna have stories about

1381

00:57:21,829 --> 00:57:19,559

bodies coming out I would guess very

1382

00:57:25,490 --> 00:57:21,839

soon you have all of that on one side

1383

00:57:28,630 --> 00:57:25,500

it's an entirely physical story yeah on

1384

00:57:32,870 --> 00:57:28,640

the other side you have this

1385

00:57:34,849 --> 00:57:32,880

enormous body of testimony that suggests

1386

00:57:37,910 --> 00:57:34,859

that this is part of the physical world

1387

00:57:40,970 --> 00:57:37,920

yes but not quite in the same way we are

1388

00:57:43,970 --> 00:57:40,980

because it is Freer to move in and out

1389

00:57:45,349 --> 00:57:43,980

of a more numerous level of reality if

1390

00:57:47,450 --> 00:57:45,359

you don't

1391

00:57:51,710 --> 00:57:47,460

stay on that tightrope between the two

1392

00:57:53,690 --> 00:57:51,720

things you fall into belief one belief

1393

00:57:56,510 --> 00:57:53,700

that's not big enough or another belief

1394

00:58:00,250 --> 00:57:56,520

that's not big enough because this whole

1395

00:58:04,910 --> 00:58:00,260

thing the whole question is this

1396

00:58:09,049 --> 00:58:04,920

whatever it is it has the it has an

1397

00:58:11,770 --> 00:58:09,059

expression that is also non-physical in

1398

00:58:15,410 --> 00:58:11,780

some way and that may be its origin even

1399

00:58:17,809 --> 00:58:15,420

we don't know that we don't know if

1400

00:58:20,630 --> 00:58:17,819

these strange materials are spun out of

1401

00:58:23,930 --> 00:58:20,640

the mind or

1402

00:58:26,270 --> 00:58:23,940

technology like we would create or not

1403

00:58:27,410 --> 00:58:26,280

I remember

1404

00:58:29,809 --> 00:58:27,420

uh

1405

00:58:32,210 --> 00:58:29,819

Dr Robert sarbacher who was a

1406

00:58:35,690 --> 00:58:32,220

metallurgist to Stanton Friedman

1407

00:58:38,089 --> 00:58:35,700

introduced me to in 1986 when I was

1408

00:58:40,309 --> 00:58:38,099

working on communion and really trying

1409

00:58:42,710 --> 00:58:40,319

to find some evidence of some kind of

1410

00:58:44,450 --> 00:58:42,720

physical aspect to this because you know

1411

00:58:47,270 --> 00:58:44,460

I was injured I was obviously was a

1412

00:58:50,390 --> 00:58:47,280

physical experience in some way

1413

00:58:52,490 --> 00:58:50,400

and uh Dr sarbacher talked to me about

1414

00:58:53,930 --> 00:58:52,500

the metal that they had that they'd

1415

00:58:56,450 --> 00:58:53,940

gotten from Roswell

1416

00:58:58,849 --> 00:58:56,460

and he

1417

00:59:02,089 --> 00:58:58,859

uh he said

1418

00:59:03,829 --> 00:59:02,099

that that he that they when the electron

1419

00:59:08,530 --> 00:59:03,839

microscope came on stream they could

1420

00:59:11,150 --> 00:59:08,540

look at it and see that it was a a

1421

00:59:12,950 --> 00:59:11,160

molecular mesh I think was the way he

1422

00:59:15,950 --> 00:59:12,960

described it I could be wrong about that

1423

00:59:19,490 --> 00:59:15,960

but anyway then and

1424

00:59:21,349 --> 00:59:19,500

uh so there was some real physical stuff

1425

00:59:23,569 --> 00:59:21,359

on the one hand

1426  
00:59:26,210 --> 00:59:23,579  
on the other hand I remembered flying up

1427  
00:59:28,130 --> 00:59:26,220  
into the air without an elevator I just

1428  
00:59:29,210 --> 00:59:28,140  
rose right up into the thing out of the

1429  
00:59:31,549 --> 00:59:29,220  
woods

1430  
00:59:33,289 --> 00:59:31,559  
so you figure oh you put all those

1431  
00:59:36,410 --> 00:59:33,299  
things together you can't really do it

1432  
00:59:37,970 --> 00:59:36,420  
sarbacher was a pretty major figure in

1433  
00:59:39,950 --> 00:59:37,980  
this field for our audience who don't

1434  
00:59:43,010 --> 00:59:39,960  
recognize my need is a presidential

1435  
00:59:45,109 --> 00:59:43,020  
science advisor he first uh popped into

1436  
00:59:47,569 --> 00:59:45,119  
the UFO world because of quotes that he

1437  
00:59:49,430 --> 00:59:47,579  
gave to a researcher that said yeah I

1438  
00:59:51,589 --> 00:59:49,440

was invited to take a look at these

1439

00:59:53,870 --> 00:59:51,599

crashed saucers or whatever recovered

1440

00:59:56,150 --> 00:59:53,880

materials and it's uh I can tell you

1441

00:59:58,609 --> 00:59:56,160

that it's classified higher than the

1442

01:00:00,530 --> 00:59:58,619

h-bomb pretty famous quote he was a

1443

01:00:03,049 --> 01:00:00,540

major guy and you got to meet him I well

1444

01:00:05,210 --> 01:00:03,059

I met him on the telephone and he uh

1445

01:00:06,650 --> 01:00:05,220

yeah he he didn't have a security

1446

01:00:09,109 --> 01:00:06,660

clearance and he didn't have any

1447

01:00:10,849 --> 01:00:09,119

confidentialities and nor did he respect

1448

01:00:13,069 --> 01:00:10,859

that he didn't understand he told me I

1449

01:00:14,450 --> 01:00:13,079

don't understand why it's so secret and

1450

01:00:16,970 --> 01:00:14,460

he told me a lot of things about it

1451  
01:00:18,289 --> 01:00:16,980  
including about the same thing art Exxon

1452  
01:00:21,770 --> 01:00:18,299  
would tell me two years later that we

1453  
01:00:23,450 --> 01:00:21,780  
had crash disks uh or no excuse me my

1454  
01:00:26,569 --> 01:00:23,460  
uncle Mickey told me that we had crash

1455  
01:00:29,450 --> 01:00:26,579  
disks uh and then our ex and agreed with

1456  
01:00:32,150 --> 01:00:29,460  
that and in any case uh they were both

1457  
01:00:33,589 --> 01:00:32,160  
at right field and the debris was

1458  
01:00:38,329 --> 01:00:33,599  
brought in they were both in air

1459  
01:00:40,490 --> 01:00:38,339  
material at the time and so uh Dr

1460  
01:00:42,950 --> 01:00:40,500  
sarbacher was very plain spoken and he

1461  
01:00:45,230 --> 01:00:42,960  
said to me the last thing he said was

1462  
01:00:47,630 --> 01:00:45,240  
I would like you to sit down and write

1463  
01:00:50,270 --> 01:00:47,640

out everything you remember that have

1464

01:00:52,670 --> 01:00:50,280

happened to you and so the next day I

1465

01:00:55,990 --> 01:00:52,680

wrote it all out as I remembered it

1466

01:00:58,730 --> 01:00:56,000

and he wanted me to send it to him by

1467

01:01:01,730 --> 01:00:58,740

overnight when we did overnight was just

1468

01:01:04,549 --> 01:01:01,740

new then there was FedEx and UPS

1469

01:01:06,950 --> 01:01:04,559

overnight had just started and they had

1470

01:01:09,589 --> 01:01:06,960

it in my area but not FedEx so I used

1471

01:01:10,609 --> 01:01:09,599

UPS overnight and they came and picked

1472

01:01:13,549 --> 01:01:10,619

it up

1473

01:01:17,690 --> 01:01:13,559

and uh

1474

01:01:19,490 --> 01:01:17,700

the next day someone called me from UPS

1475

01:01:22,130 --> 01:01:19,500

I guess I think it was the guy was

1476

01:01:24,829 --> 01:01:22,140

trying to deliver it and said I'm sorry

1477

01:01:29,030 --> 01:01:24,839

I can't make this delivery the uh

1478

01:01:31,849 --> 01:01:29,040

individual that is addressed to has died

1479

01:01:34,190 --> 01:01:31,859

and Dr saurabhaka had died

1480

01:01:35,270 --> 01:01:34,200

I said do you know how he died and the

1481

01:01:38,270 --> 01:01:35,280

man said

1482

01:01:41,150 --> 01:01:38,280

he fell off of his yacht

1483

01:01:42,710 --> 01:01:41,160

uh the death certificate says National

1484

01:01:46,069 --> 01:01:42,720

causes

1485

01:01:48,109 --> 01:01:46,079

but that scared me and in communion you

1486

01:01:49,730 --> 01:01:48,119

see me referring to him but not to any

1487

01:01:52,309 --> 01:01:49,740

details about his death or anything

1488

01:01:54,710 --> 01:01:52,319

because at the time

1489

01:01:56,930 --> 01:01:54,720

I was just beginning to realize that

1490

01:01:59,270 --> 01:01:56,940

there was a heavy duty level of secrecy

1491

01:02:02,650 --> 01:01:59,280

involved in this and that there were a

1492

01:02:05,870 --> 01:02:02,660

lot of very unusual people involved

1493

01:02:08,870 --> 01:02:05,880

and uh I was scared

1494

01:02:11,990 --> 01:02:08,880

I was you know I have a family and I I

1495

01:02:14,450 --> 01:02:12,000

had a little boy and a wife and

1496

01:02:16,670 --> 01:02:14,460

I didn't want us to get tangled up in

1497

01:02:20,809 --> 01:02:16,680

some awful

1498

01:02:23,270 --> 01:02:20,819

weird stuff with those kinds of people

1499

01:02:25,309 --> 01:02:23,280

the next question like we might learn

1500

01:02:27,109 --> 01:02:25,319

really soon about a technological

1501

01:02:29,569 --> 01:02:27,119

reality associated with the UFO

1502

01:02:30,530 --> 01:02:29,579

phenomenon that feels imminent and that

1503

01:02:33,410 --> 01:02:30,540

feels like something that can be

1504

01:02:34,670 --> 01:02:33,420

provable digested and accepted and is

1505

01:02:36,710 --> 01:02:34,680

likely true

1506

01:02:40,010 --> 01:02:36,720

but the next question people are going

1507

01:02:42,890 --> 01:02:40,020

to ask is if that is true and there is

1508

01:02:45,950 --> 01:02:42,900

some other there's some other that is

1509

01:02:48,589 --> 01:02:45,960

somehow engaging Humanity are all of

1510

01:02:51,650 --> 01:02:48,599

these other stories or are some of these

1511

01:02:53,690 --> 01:02:51,660

other stories true what's the intent are

1512

01:02:55,130 --> 01:02:53,700

some of these abduction stories true is

1513

01:02:57,289 --> 01:02:55,140

that why there's been some sort of

1514

01:02:59,510 --> 01:02:57,299

cover-up is because the reality is

1515

01:03:02,270 --> 01:02:59,520

scariest than people can know right away

1516

01:03:04,430 --> 01:03:02,280

so that is a logical question if we

1517

01:03:07,069 --> 01:03:04,440

learn that the core reality to the

1518

01:03:09,349 --> 01:03:07,079

physical aspect of UFOs is true

1519

01:03:11,630 --> 01:03:09,359

where does that lead us what other

1520

01:03:14,030 --> 01:03:11,640

questions what harder questions are

1521

01:03:16,069 --> 01:03:14,040

going to need to be asked I think that

1522

01:03:19,730 --> 01:03:16,079

the first question that needs to be

1523

01:03:22,069 --> 01:03:19,740

asked after that question is answered if

1524

01:03:23,990 --> 01:03:22,079

there if we have got the answer there is

1525

01:03:26,510 --> 01:03:24,000

a physical presence here

1526

01:03:28,789 --> 01:03:26,520

and we have bodies we have biology we

1527

01:03:30,890 --> 01:03:28,799

have technology

1528

01:03:33,410 --> 01:03:30,900

it's physical presence

1529

01:03:36,710 --> 01:03:33,420

then why is it

1530

01:03:38,289 --> 01:03:36,720

that so many people who engage with this

1531

01:03:41,530 --> 01:03:38,299

presence

1532

01:03:44,690 --> 01:03:41,540

experience it for example

1533

01:03:47,150 --> 01:03:44,700

uh along with their own dead friends and

1534

01:03:51,170 --> 01:03:47,160

relatives what what is it about the

1535

01:03:54,770 --> 01:03:51,180

experience or about this presence that

1536

01:03:57,230 --> 01:03:54,780

is partly physical that also seems to

1537

01:03:59,510 --> 01:03:57,240

bleed off into areas of reality that

1538

01:04:01,910 --> 01:03:59,520

most of us don't even believe exist like

1539

01:04:04,430 --> 01:04:01,920

like life after like life after death

1540

01:04:06,589 --> 01:04:04,440

Etc like Annie came out of her office

1541

01:04:07,789 --> 01:04:06,599

one day and she says to me Whitney this

1542

01:04:08,809 --> 01:04:07,799

has something to do with what we call

1543

01:04:10,730 --> 01:04:08,819

death

1544

01:04:13,250 --> 01:04:10,740

and uh

1545

01:04:15,710 --> 01:04:13,260

the reason she said that was a letter

1546

01:04:17,990 --> 01:04:15,720

after letter not every letter but a lot

1547

01:04:21,829 --> 01:04:18,000

of letters enough for her to notice it

1548

01:04:22,910 --> 01:04:21,839

as a trend uh refers to experiences

1549

01:04:26,510 --> 01:04:22,920

where

1550

01:04:29,750 --> 01:04:26,520

the dead friends and relatives would

1551

01:04:32,049 --> 01:04:29,760

appear right before during or with the

1552

01:04:35,210 --> 01:04:32,059

visitors and that happened at our cabin

1553

01:04:38,450 --> 01:04:35,220

not to me but to other people who came

1554

01:04:41,210 --> 01:04:38,460

to she was very good at she was really a

1555

01:04:42,890 --> 01:04:41,220

very strange just a nice girl from

1556

01:04:44,750 --> 01:04:42,900

Michigan I mean there was nothing but I

1557

01:04:46,250 --> 01:04:44,760

met Anne that would say that she was

1558

01:04:50,410 --> 01:04:46,260

anything else

1559

01:04:52,849 --> 01:04:50,420

but except I guess once we were together

1560

01:04:56,030 --> 01:04:52,859

strange things began to happen that were

1561

01:04:57,049 --> 01:04:56,040

we regarded as quite funny but in any

1562

01:04:58,370 --> 01:04:57,059

case

1563

01:05:05,710 --> 01:04:58,380

uh

1564

01:05:09,470 --> 01:05:05,720

would see the visitors when they came

1565

01:05:13,010 --> 01:05:09,480

and you know Lori Barnes their secretary

1566

01:05:15,589 --> 01:05:13,020

had experiences at the cabin uh a woman

1567

01:05:17,329 --> 01:05:15,599

that wrote us letters Raven Dana is

1568

01:05:19,789 --> 01:05:17,339

still very much with us had experiences

1569

01:05:21,349 --> 01:05:19,799

at the cabin other people did too who

1570

01:05:23,510 --> 01:05:21,359

haven't come forward yet a number of

1571

01:05:24,410 --> 01:05:23,520

other people but

1572

01:05:28,910 --> 01:05:24,420

um

1573

01:05:31,609 --> 01:05:28,920

uh Raven uh and Laurie no I guess not

1574

01:05:33,710 --> 01:05:31,619

Raven Laurie was one of the ones she

1575

01:05:36,589 --> 01:05:33,720

walked into the cabin one evening after

1576

01:05:38,089 --> 01:05:36,599

taking a walk and she said I just saw my

1577

01:05:40,609 --> 01:05:38,099

brother on the road

1578

01:05:42,349 --> 01:05:40,619

and we didn't know anything about her

1579

01:05:44,809 --> 01:05:42,359

brother and so I thought what's he doing

1580

01:05:47,390 --> 01:05:44,819

up here and then she said

1581

01:05:49,250 --> 01:05:47,400

he disappeared 20 years ago and the FBI

1582

01:05:51,470 --> 01:05:49,260

declared him dead and he was standing

1583

01:05:54,829 --> 01:05:51,480

there I tried to get him to come down

1584

01:05:56,329 --> 01:05:54,839

but he just said that to tell to to he

1585

01:05:58,490 --> 01:05:56,339

was there to let her know he was all

1586

01:06:00,470 --> 01:05:58,500

right and he drifted off into the woods

1587

01:06:02,329 --> 01:06:00,480

and disappeared before my eyes

1588

01:06:04,370 --> 01:06:02,339

and Ann said to me very quietly a little

1589

01:06:07,730 --> 01:06:04,380

later the visitors will be here tonight

1590

01:06:09,049 --> 01:06:07,740

and they were and most of the time when

1591

01:06:12,069 --> 01:06:09,059

they came

1592

01:06:16,849 --> 01:06:12,079

either in the context of their arrival

1593

01:06:19,849 --> 01:06:16,859

or sometime before there would be

1594

01:06:22,730 --> 01:06:19,859

someone having a a fairly extraordinary

1595

01:06:23,809 --> 01:06:22,740

experience with the Dead

1596

01:06:26,510 --> 01:06:23,819

yeah

1597

01:06:27,770 --> 01:06:26,520

getting back to this question which has

1598

01:06:30,950 --> 01:06:27,780

sort of become the theme of our

1599

01:06:32,750 --> 01:06:30,960

discussion in a way you have to walk the

1600

01:06:35,150 --> 01:06:32,760

line because we're going to have

1601

01:06:39,170 --> 01:06:35,160

physical we've got the the physical

1602

01:06:40,910 --> 01:06:39,180

debris is now real there be attempts to

1603

01:06:42,289 --> 01:06:40,920

debunk it I'm sure that I'm sure that

1604

01:06:46,609 --> 01:06:42,299

there are people in the dod working

1605

01:06:48,710 --> 01:06:46,619

overtime to uh to discredit David grush

1606

01:06:50,390 --> 01:06:48,720

and I think there's already a story in

1607

01:06:53,450 --> 01:06:50,400

the Atlantic Monthly about it and all

1608

01:06:56,990 --> 01:06:53,460

this we'll go on and on and on

1609

01:07:01,549 --> 01:06:57,000

but the bottom line is we do have debris

1610

01:07:04,670 --> 01:07:01,559

and probably intact saucers devices

1611

01:07:06,770 --> 01:07:04,680

now how do we go from there

1612

01:07:07,789 --> 01:07:06,780

to encounters between the living and the

1613

01:07:10,309 --> 01:07:07,799

dead

1614

01:07:12,529 --> 01:07:10,319

we're going to have to do that but you

1615

01:07:14,630 --> 01:07:12,539

know we're capable of this because what

1616

01:07:17,510 --> 01:07:14,640

you said before that we're gonna we're

1617

01:07:19,849 --> 01:07:17,520

going to crack the nut of the materials

1618

01:07:22,430 --> 01:07:19,859

very quickly the bodies the materials

1619

01:07:24,950 --> 01:07:22,440

we're going to understand this and once

1620

01:07:27,589 --> 01:07:24,960

the question of how they all work is

1621

01:07:31,370 --> 01:07:27,599

actually out into the public space and

1622

01:07:35,510 --> 01:07:31,380

and and and and and freed from the from

1623

01:07:37,490 --> 01:07:35,520

the very airless world of of the of of

1624

01:07:39,589 --> 01:07:37,500

of of of of the inside where there's

1625

01:07:41,390 --> 01:07:39,599

just not enough good Minds I mean

1626

01:07:43,609 --> 01:07:41,400

there's a lot of good Minds in there but

1627

01:07:45,829 --> 01:07:43,619

they're not they're nothing compared to

1628

01:07:47,510 --> 01:07:45,839

what's on the outside there's a lot of

1629

01:07:49,190 --> 01:07:47,520

Brilliance out there in the world and I

1630

01:07:51,589 --> 01:07:49,200

would say that we will figure out how

1631

01:07:55,430 --> 01:07:51,599

these things work uh but let me just

1632

01:07:57,650 --> 01:07:55,440

finish but all of that yes but then what

1633

01:07:59,569 --> 01:07:57,660

do we do with this other thing the dead

1634

01:08:01,490 --> 01:07:59,579

they're not even supposed to exist we

1635

01:08:03,890 --> 01:08:01,500

live in a secular world now we don't

1636

01:08:04,730 --> 01:08:03,900

believe there's anything other than the

1637

01:08:06,770 --> 01:08:04,740

body

1638

01:08:09,529 --> 01:08:06,780

I I don't agree with that I have

1639

01:08:11,569 --> 01:08:09,539

definitely aware of the soul but most

1640

01:08:13,010 --> 01:08:11,579

people aren't how do we go there how do

1641

01:08:14,270 --> 01:08:13,020

we go down that road how do we make

1642

01:08:16,189 --> 01:08:14,280

sense of that

1643

01:08:18,470 --> 01:08:16,199

it's a good question I think you wrote a

1644

01:08:20,630 --> 01:08:18,480

book called the key yep

1645

01:08:22,430 --> 01:08:20,640

and it's about a series of encounters or

1646

01:08:24,829 --> 01:08:22,440

at least one major encounter one

1647

01:08:27,590 --> 01:08:24,839

encounter only one you're awake You're

1648

01:08:29,570 --> 01:08:27,600

Sober this is not a dream that you have

1649

01:08:32,450 --> 01:08:29,580

a conversation or at least a download

1650

01:08:34,849 --> 01:08:32,460

from a being that's a conversation it

1651

01:08:37,729 --> 01:08:34,859

mentioned about the afterlife yeah right

1652

01:08:40,630 --> 01:08:37,739

what what did he tell you well uh he

1653

01:08:43,490 --> 01:08:40,640

talked a lot about a lot of things that

1654

01:08:46,729 --> 01:08:43,500

contextually I was at the Delta Chelsea

1655

01:08:49,970 --> 01:08:46,739

Hotel in uh Toronto I'll never forget it

1656

01:08:52,370 --> 01:08:49,980

I was in room 2545 when it happened and

1657

01:08:53,689 --> 01:08:52,380

I um there was it came a knock on the

1658

01:08:55,729 --> 01:08:53,699

door and I thought it was the room

1659

01:08:57,590 --> 01:08:55,739

service waiter because I had a tray on

1660

01:08:59,450 --> 01:08:57,600

the you know I'd eaten in my room

1661

01:09:01,189 --> 01:08:59,460

and um

1662

01:09:03,530 --> 01:09:01,199

I opened the door and the sky comes

1663

01:09:05,689 --> 01:09:03,540

rushing in and it's immediately obvious

1664

01:09:08,870 --> 01:09:05,699

it's not the room service waiter

1665

01:09:10,970 --> 01:09:08,880

and one rule of thumb if you're a writer

1666

01:09:12,829 --> 01:09:10,980

or any of you guys are the same rule of

1667

01:09:16,070 --> 01:09:12,839

thumb I'm sure

1668

01:09:19,669 --> 01:09:16,080

no one who comes to you after midnight

1669

01:09:24,890 --> 01:09:22,130

I thought it was earlier

1670

01:09:27,289 --> 01:09:24,900

but I realized then it was about two and

1671

01:09:29,930 --> 01:09:27,299

so I started trying to get him out

1672

01:09:32,150 --> 01:09:29,940

but he was so articulate

1673

01:09:34,849 --> 01:09:32,160

and said such extraordinary things that

1674

01:09:38,870 --> 01:09:34,859

turned into a conversation

1675

01:09:41,450 --> 01:09:38,880

and he he talked about the dead and

1676

01:09:44,090 --> 01:09:41,460

about the fact that they are real and

1677

01:09:45,890 --> 01:09:44,100

that this is that there is a there is a

1678

01:09:48,229 --> 01:09:45,900

flow between the living and the dead and

1679

01:09:49,729 --> 01:09:48,239

that what we call the dead and I've

1680

01:09:51,769 --> 01:09:49,739

always thought to myself I wonder if

1681

01:09:53,329 --> 01:09:51,779

they call us the Dead

1682

01:09:55,490 --> 01:09:53,339

you know in other words what we think of

1683

01:09:58,010 --> 01:09:55,500

is the dead or the living is as far as

1684

01:10:01,010 --> 01:09:58,020

they're concerned and we're dead

1685

01:10:01,910 --> 01:10:01,020

um I don't know but after my wife passed

1686

01:10:04,669 --> 01:10:01,920

away

1687

01:10:06,470 --> 01:10:04,679

years and years ago when we began to we

1688

01:10:09,290 --> 01:10:06,480

were both totally secular

1689

01:10:11,090 --> 01:10:09,300

I mean we were not religious and

1690

01:10:12,950 --> 01:10:11,100

yet we were getting all these stories

1691

01:10:14,510 --> 01:10:12,960

and we decided that if there is an

1692

01:10:17,270 --> 01:10:14,520

afterlife

1693

01:10:19,790 --> 01:10:17,280

the one of us that goes first

1694

01:10:23,090 --> 01:10:19,800

will start out by communicating with

1695

01:10:26,510 --> 01:10:23,100

friends if this is possible because if I

1696

01:10:30,830 --> 01:10:26,520

you know uh if we we were not the type

1697

01:10:32,270 --> 01:10:30,840

of people if I had like seen Anne's

1698

01:10:34,189 --> 01:10:32,280

ghost or something I would just assume

1699

01:10:37,310 --> 01:10:34,199

it was my imagination

1700

01:10:40,850 --> 01:10:37,320

so after any passed away

1701

01:10:43,490 --> 01:10:40,860

that same night not even two hours later

1702

01:10:46,850 --> 01:10:43,500

a friend who did not know she was dead

1703

01:10:50,750 --> 01:10:46,860

calls up and says Whitley is Ann okay

1704

01:10:52,490 --> 01:10:50,760

and I said and Bell no she's passed on

1705

01:10:54,050 --> 01:10:52,500

she just passed on a couple of hours ago

1706

01:10:55,189 --> 01:10:54,060

she knew she was sick of course all of

1707

01:10:57,229 --> 01:10:55,199

our friends did

1708

01:10:58,910 --> 01:10:57,239

and uh

1709

01:11:01,610 --> 01:10:58,920

she said

1710

01:11:05,810 --> 01:11:01,620

because I just heard her say very

1711

01:11:09,890 --> 01:11:05,820

clearly in my ear to call Whitley

1712

01:11:12,229 --> 01:11:09,900

and I had been sitting there literally

1713

01:11:14,570 --> 01:11:12,239

thinking Annie if you still exist in any

1714

01:11:16,610 --> 01:11:14,580

way for God's sakes let me know I'd

1715

01:11:19,250 --> 01:11:16,620

forgotten about The Pact

1716

01:11:21,470 --> 01:11:19,260

and this happened five or six times over

1717

01:11:23,750 --> 01:11:21,480

the next week with all kinds of

1718

01:11:26,689 --> 01:11:23,760

different people all totally unrelated

1719

01:11:27,410 --> 01:11:26,699

to each other totally unrelated to each

1720

01:11:32,270 --> 01:11:27,420

other

1721

01:11:36,050 --> 01:11:32,280

and I finally even me always clinging to

1722

01:11:38,630 --> 01:11:36,060

the this the skeptical and you know it's

1723

01:11:41,689 --> 01:11:38,640

a you know they they they got the this

1724

01:11:44,390 --> 01:11:41,699

guy who's just not a Believer dragged

1725

01:11:48,410 --> 01:11:44,400

into this thing and so I'm not

1726

01:11:50,750 --> 01:11:48,420

getting into a belief mode until finally

1727

01:11:52,490 --> 01:11:50,760

I realize

1728

01:11:55,310 --> 01:11:52,500

it has to be true

1729

01:11:56,330 --> 01:11:55,320

she is still here it couldn't be any

1730

01:11:58,189 --> 01:11:56,340

other way

1731

01:12:00,470 --> 01:11:58,199

and that

1732

01:12:02,330 --> 01:12:00,480

developed into an ongoing relationship

1733

01:12:06,110 --> 01:12:02,340

with my wife and that's why I wear two

1734

01:12:09,890 --> 01:12:06,120

rings we're still married but we're just

1735

01:12:11,930 --> 01:12:09,900

down to one body for the time being

1736

01:12:15,590 --> 01:12:11,940

the first time we ever talked it was via

1737

01:12:17,030 --> 01:12:15,600

satellite in August of 1989 and you hit

1738

01:12:19,130 --> 01:12:17,040

me with a quote that I've used many

1739

01:12:21,410 --> 01:12:19,140

times since then and and uh and that

1740

01:12:23,510 --> 01:12:21,420

will never forget he said that the the

1741

01:12:25,430 --> 01:12:23,520

true architects of the secrecy are the

1742

01:12:27,709 --> 01:12:25,440

visitors yes are you right about that

1743

01:12:30,110 --> 01:12:27,719

extensively in in them you you continue

1744

01:12:33,290 --> 01:12:30,120

that you you expanded further saying

1745

01:12:35,270 --> 01:12:33,300

that the secrecy has been imposed by

1746

01:12:38,090 --> 01:12:35,280

them on our government on our military

1747

01:12:40,850 --> 01:12:38,100

what do you mean well they haven't

1748

01:12:42,830 --> 01:12:40,860

imposed it by going to Mr President or

1749

01:12:45,229 --> 01:12:42,840

somebody and saying you keep this right

1750

01:12:47,870 --> 01:12:45,239

under the cover under covers it's been

1751  
01:12:50,330 --> 01:12:47,880  
much more indirect and clever than that

1752  
01:12:53,209 --> 01:12:50,340  
they have done things

1753  
01:12:55,310 --> 01:12:53,219  
that our military has no choice but to

1754  
01:12:58,430 --> 01:12:55,320  
keep secret I'll give you a perfect

1755  
01:13:00,709 --> 01:12:58,440  
example uh the Roswell incident was not

1756  
01:13:02,470 --> 01:13:00,719  
the first incident there were other

1757  
01:13:04,910 --> 01:13:02,480  
things that happened before then

1758  
01:13:08,209 --> 01:13:04,920  
specifically there was probably the

1759  
01:13:11,330 --> 01:13:08,219  
Trinity incident which uh jacquia and

1760  
01:13:13,970 --> 01:13:11,340  
Paul Harris wrote about in Trinity and

1761  
01:13:17,030 --> 01:13:13,980  
but then there were also a number of

1762  
01:13:20,510 --> 01:13:17,040  
shoot Downs of missiles that we were

1763  
01:13:22,250 --> 01:13:20,520

testing at White Sands German uh rockets

1764

01:13:23,630 --> 01:13:22,260

that we had that we were testing at

1765

01:13:27,410 --> 01:13:23,640

White Sands

1766

01:13:30,530 --> 01:13:27,420

and I go into in them I go into some

1767

01:13:32,990 --> 01:13:30,540

detail about those shoot downs and at

1768

01:13:35,270 --> 01:13:33,000

the time what would come out in the

1769

01:13:38,510 --> 01:13:35,280

Press was fairly straightforward only

1770

01:13:40,850 --> 01:13:38,520

later did it get covered up but but you

1771

01:13:43,030 --> 01:13:40,860

can tell from the reports that it

1772

01:13:45,169 --> 01:13:43,040

probably were shoot Downs taking place

1773

01:13:47,570 --> 01:13:45,179

and of course the military would have

1774

01:13:49,790 --> 01:13:47,580

been completely bananas about it

1775

01:13:53,350 --> 01:13:49,800

internally

1776

01:13:59,750 --> 01:13:53,360

um but then the Roswell incident occurs

1777

01:14:02,450 --> 01:13:59,760

and uh this incident this object is if

1778

01:14:06,110 --> 01:14:02,460

it crashes a few miles from

1779

01:14:10,430 --> 01:14:06,120

Roswell Army Airfield where the 509th

1780

01:14:12,649 --> 01:14:10,440

bomb Wing is uh is stationed those are

1781

01:14:14,149 --> 01:14:12,659

the only operational Atomic bombers in

1782

01:14:18,530 --> 01:14:14,159

the world

1783

01:14:21,350 --> 01:14:18,540

that is a place that Stalin most wants

1784

01:14:23,149 --> 01:14:21,360

to know about in the whole world because

1785

01:14:25,970 --> 01:14:23,159

he's got four and a half million

1786

01:14:28,370 --> 01:14:25,980

soldiers along a line across Central

1787

01:14:31,370 --> 01:14:28,380

Europe ready to sweep into Western

1788

01:14:33,229 --> 01:14:31,380

Europe and take the whole thing and he's

1789

01:14:35,950 --> 01:14:33,239

not doing that because he scared those

1790

01:14:38,090 --> 01:14:35,960

bombers will come over and blow him

1791

01:14:42,050 --> 01:14:38,100

Smithereens like all dictators is

1792

01:14:44,990 --> 01:14:42,060

terrified of his own death uh uh and

1793

01:14:47,330 --> 01:14:45,000

he's in Moscow and he is afraid they'll

1794

01:14:50,270 --> 01:14:47,340

they'll Obama bomb him and he's right

1795

01:14:53,630 --> 01:14:50,280

they would have and and the Russians did

1796

01:14:55,729 --> 01:14:53,640

not have sufficiently sophisticated uh

1797

01:14:57,290 --> 01:14:55,739

counter measures some of those bombers

1798

01:15:00,050 --> 01:14:57,300

or maybe even all of them would have

1799

01:15:02,030 --> 01:15:00,060

gotten through to the to the heart of

1800

01:15:04,850 --> 01:15:02,040

the Soviet Union and he could not

1801

01:15:06,050 --> 01:15:04,860

respond in any significant way so it's a

1802

01:15:08,090 --> 01:15:06,060

stalemate

1803

01:15:09,830 --> 01:15:08,100

he's sitting there

1804

01:15:13,490 --> 01:15:09,840

now

1805

01:15:16,550 --> 01:15:13,500

word comes from Roswell that debris of a

1806

01:15:20,209 --> 01:15:16,560

crashed aircraft has been found I think

1807

01:15:20,930 --> 01:15:20,219

it was 30 or 40 miles north of uh the

1808

01:15:24,110 --> 01:15:20,940

field

1809

01:15:25,970 --> 01:15:24,120

and at first the soldiers are excited

1810

01:15:28,790 --> 01:15:25,980

because they're more innocent they don't

1811

01:15:33,890 --> 01:15:28,800

have the mindset of the upper higher

1812

01:15:35,870 --> 01:15:33,900

levels and they want to tell the world

1813

01:15:37,970 --> 01:15:35,880

they founded flying disc and this is

1814

01:15:40,010 --> 01:15:37,980

Roswell Army Airfield it did it hey

1815

01:15:42,229 --> 01:15:40,020

we're you know we're really cool

1816

01:15:45,290 --> 01:15:42,239

and upper

1817

01:15:48,350 --> 01:15:45,300

at levels say this could be a Soviet spy

1818

01:15:49,850 --> 01:15:48,360

plane and they totally clamp down

1819

01:15:52,430 --> 01:15:49,860

now

1820

01:15:55,550 --> 01:15:52,440

in my opinion the visitors knew damn

1821

01:15:59,630 --> 01:15:55,560

well what would happen did a they would

1822

01:16:01,790 --> 01:15:59,640

reveal themselves and B we would the

1823

01:16:04,490 --> 01:16:01,800

military would keep it secret because

1824

01:16:06,830 --> 01:16:04,500

they intended from the beginning and

1825

01:16:08,810 --> 01:16:06,840

there's a long period of human history

1826

01:16:11,570 --> 01:16:08,820

in which they were

1827

01:16:14,330 --> 01:16:11,580

into injecting themselves into our

1828

01:16:16,790 --> 01:16:14,340

historical stream at times very

1829

01:16:19,310 --> 01:16:16,800

carefully then after the atomic bomb

1830

01:16:24,470 --> 01:16:19,320

they decide we've got to do something

1831

01:16:27,350 --> 01:16:24,480

more radical here and that means that a

1832

01:16:29,330 --> 01:16:27,360

a real relationship has to be developed

1833

01:16:31,669 --> 01:16:29,340

and this is going to take time and this

1834

01:16:35,270 --> 01:16:31,679

is going to be hard but we have to start

1835

01:16:36,350 --> 01:16:35,280

somewhere and we have to control it and

1836

01:16:39,410 --> 01:16:36,360

we're going to let

1837

01:16:41,390 --> 01:16:39,420

these people know we're here we're going

1838

01:16:44,390 --> 01:16:41,400

to let them learn all kinds of things

1839

01:16:48,410 --> 01:16:44,400

about us but what we are not going to do

1840

01:16:50,330 --> 01:16:48,420

is let them tell their public because if

1841

01:16:52,790 --> 01:16:50,340

they tell their public that will be

1842

01:16:57,649 --> 01:16:52,800

cultural colonization the whole public

1843

01:17:00,050 --> 01:16:57,659

mind will turn toward us and uh we will

1844

01:17:03,169 --> 01:17:00,060

no longer they will no longer be

1845

01:17:04,970 --> 01:17:03,179

developing them on their own it is an

1846

01:17:08,090 --> 01:17:04,980

incredibly compassionate and also

1847

01:17:10,729 --> 01:17:08,100

self-serving thing to do uh and so they

1848

01:17:14,630 --> 01:17:10,739

keep themselves hidden while under the

1849

01:17:16,370 --> 01:17:14,640

surface teaching us all kinds of things

1850

01:17:19,490 --> 01:17:16,380

about them now

1851  
01:17:22,010 --> 01:17:19,500  
when this finally begins to emerge from

1852  
01:17:26,689 --> 01:17:22,020  
The Hidden World from the inner inner

1853  
01:17:30,410 --> 01:17:26,699  
circles it Emer is going to emerge as a

1854  
01:17:33,890 --> 01:17:30,420  
an ongoing process of discovery that

1855  
01:17:36,890 --> 01:17:33,900  
where it's it's we're not in the dark

1856  
01:17:40,010 --> 01:17:36,900  
about a lot of things we're going to be

1857  
01:17:43,610 --> 01:17:40,020  
the public is going to be brought into

1858  
01:17:45,290 --> 01:17:43,620  
this at a time when we already have a

1859  
01:17:46,490 --> 01:17:45,300  
certain amount of control over the

1860  
01:17:49,970 --> 01:17:46,500  
relationship

1861  
01:17:51,770 --> 01:17:49,980  
that's what's happened and that's and I

1862  
01:17:54,530 --> 01:17:51,780  
think it's it's happening now because

1863  
01:17:55,850 --> 01:17:54,540

the planet is unstable due to the fact

1864

01:17:58,910 --> 01:17:55,860

that there's too many human beings on

1865

01:18:01,310 --> 01:17:58,920

it's my experiences with the visitors is

1866

01:18:05,570 --> 01:18:01,320

that they're not in the least concerned

1867

01:18:08,810 --> 01:18:05,580

they're not pointing fingers at anyone

1868

01:18:10,430 --> 01:18:08,820

uh saying oh they're not they're not

1869

01:18:12,530 --> 01:18:10,440

responding they're not helping the

1870

01:18:15,110 --> 01:18:12,540

planet Etc they just say it's it's

1871

01:18:17,209 --> 01:18:15,120

population it's overpopulated and

1872

01:18:18,950 --> 01:18:17,219

therefore it's going to fail and and

1873

01:18:20,209 --> 01:18:18,960

they're going to intervene in some way

1874

01:18:21,830 --> 01:18:20,219

because

1875

01:18:24,350 --> 01:18:21,840

you know they don't want that to happen

1876

01:18:27,830 --> 01:18:24,360

to us and I don't blame them I obviously

1877

01:18:30,189 --> 01:18:27,840

don't want it either but uh uh

1878

01:18:34,070 --> 01:18:30,199

and they're doing it very very carefully

1879

01:18:35,750 --> 01:18:34,080

they have they've got a contingency plan

1880

01:18:37,910 --> 01:18:35,760

that they have enacted that's what the

1881

01:18:42,050 --> 01:18:37,920

abductions were about what whatever

1882

01:18:43,510 --> 01:18:42,060

their outcome was they have in some way

1883

01:18:49,610 --> 01:18:43,520

preserved

1884

01:18:51,410 --> 01:18:49,620

uh some kind of a of a of a record of us

1885

01:18:53,149 --> 01:18:51,420

and probably other species on the planet

1886

01:18:55,790 --> 01:18:53,159

in case this fails

1887

01:18:58,130 --> 01:18:55,800

but they are going to now try

1888

01:19:00,830 --> 01:18:58,140

to integrate with us

1889

01:19:03,110 --> 01:19:00,840

in a way that we don't integrate with

1890

01:19:05,810 --> 01:19:03,120

anything and at first it's going to be

1891

01:19:07,729 --> 01:19:05,820

easy we're going to say oh cool aliens

1892

01:19:09,770 --> 01:19:07,739

finally the government's coming

1893

01:19:13,070 --> 01:19:09,780

but then later

1894

01:19:16,669 --> 01:19:13,080

the whole issue of the living and the

1895

01:19:19,130 --> 01:19:16,679

dead and the soul and the body will come

1896

01:19:23,090 --> 01:19:19,140

more and more into Focus

1897

01:19:26,090 --> 01:19:23,100

and why my wife who's as I've said

1898

01:19:28,189 --> 01:19:26,100

before was a very unusual being

1899

01:19:31,130 --> 01:19:28,199

decided this book should be called

1900

01:19:33,590 --> 01:19:31,140

communion that book will become more and

1901

01:19:36,110 --> 01:19:33,600

more evident in the lives of every

1902

01:19:39,649 --> 01:19:36,120

single human being who's exposed to this

1903

01:19:41,390 --> 01:19:39,659

because it is a much deeper than simply

1904

01:19:43,250 --> 01:19:41,400

sitting across a table from a funny

1905

01:19:44,870 --> 01:19:43,260

looking man and finding out his cell

1906

01:19:48,410 --> 01:19:44,880

phone is really cool

1907

01:19:50,990 --> 01:19:48,420

uh it's much deeper

1908

01:19:53,750 --> 01:19:51,000

this is about a new world if we can take

1909

01:19:55,669 --> 01:19:53,760

it as Phil Corso said

1910

01:19:58,010 --> 01:19:55,679

communion wasn't just about your

1911

01:19:59,630 --> 01:19:58,020

experiences people forget it was it went

1912

01:20:01,910 --> 01:19:59,640

into great detail about secret

1913

01:20:04,370 --> 01:20:01,920

government programs and cover-ups and

1914

01:20:06,770 --> 01:20:04,380

things of that sort them picks up on it

1915

01:20:09,290 --> 01:20:06,780

and it's up to date to the point where

1916

01:20:12,770 --> 01:20:09,300

the current events that aimsog program

1917

01:20:15,110 --> 01:20:12,780

that became Arrow current studies atep

1918

01:20:17,630 --> 01:20:15,120

all that it becomes very clear you

1919

01:20:19,010 --> 01:20:17,640

mentioned our friend Dave gresh the

1920

01:20:20,870 --> 01:20:19,020

pushback's already happening the

1921

01:20:23,510 --> 01:20:20,880

debunking is coming you know the Wall

1922

01:20:25,070 --> 01:20:23,520

Street Journal the New York Times They

1923

01:20:26,930 --> 01:20:25,080

do these not only debunking but

1924

01:20:28,970 --> 01:20:26,940

pre-bunking and you you know that he's

1925

01:20:32,390 --> 01:20:28,980

going to get dumped on the keepers of

1926

01:20:34,850 --> 01:20:32,400

the secrets do not want this out no for

1927

01:20:37,669 --> 01:20:34,860

a variety of reasons control Power and

1928

01:20:39,590 --> 01:20:37,679

because we're worried our rent we'll let

1929

01:20:41,689 --> 01:20:39,600

our adversaries know how far along we

1930

01:20:43,610 --> 01:20:41,699

are but you'd think that there's no

1931

01:20:45,229 --> 01:20:43,620

stopping it I don't think there's any

1932

01:20:47,330 --> 01:20:45,239

stopping it I think the visitors are in

1933

01:20:49,370 --> 01:20:47,340

control of it and they're going to do

1934

01:20:52,010 --> 01:20:49,380

what they're going to do if it stops

1935

01:20:53,930 --> 01:20:52,020

it's because they wanted to stop if it

1936

01:20:56,090 --> 01:20:53,940

doesn't and they're not a coh they're

1937

01:20:58,010 --> 01:20:56,100

not a cohesive group I don't think I

1938

01:21:00,110 --> 01:20:58,020

think there's a lot of give and take

1939

01:21:03,709 --> 01:21:00,120

among them and argument and fights

1940

01:21:06,229 --> 01:21:03,719

frankly uh I and so right now

1941

01:21:09,649 --> 01:21:06,239

whoever it is who wants this more known

1942

01:21:11,209 --> 01:21:09,659

is in the ascendancy and uh maybe that

1943

01:21:12,590 --> 01:21:11,219

won't last I don't know I think there

1944

01:21:15,050 --> 01:21:12,600

have been times in the past when they

1945

01:21:18,290 --> 01:21:15,060

have been and it hasn't lasted is there

1946

01:21:20,810 --> 01:21:18,300

more than one them oh yeah

1947

01:21:22,550 --> 01:21:20,820

I know of two that I've interacted with

1948

01:21:25,610 --> 01:21:22,560

fairly extensively

1949

01:21:27,110 --> 01:21:25,620

and to read the literature that the

1950

01:21:28,390 --> 01:21:27,120

descriptions from other people there are

1951

01:21:29,930 --> 01:21:28,400

many

1952

01:21:32,090 --> 01:21:29,940

and

1953

01:21:33,950 --> 01:21:32,100

um but why wouldn't there be I mean if

1954

01:21:35,990 --> 01:21:33,960

there's only one other intelligent

1955

01:21:38,209 --> 01:21:36,000

species in this universe that would be

1956

01:21:40,070 --> 01:21:38,219

almost as amazing

1957

01:21:44,090 --> 01:21:40,080

that would be amazing because I mean

1958

01:21:46,189 --> 01:21:44,100

it's so huge yeah I mean you think that

1959

01:21:49,070 --> 01:21:46,199

there are billions of human beings and

1960

01:21:53,330 --> 01:21:49,080

we feel very common to ourselves

1961

01:21:55,910 --> 01:21:53,340

but we are far compared to the number of

1962

01:21:58,910 --> 01:21:55,920

stars there are in this universe we are

1963

01:22:00,890 --> 01:21:58,920

almost so rare that we're a statistical

1964

01:22:03,770 --> 01:22:00,900

in probability

1965

01:22:06,110 --> 01:22:03,780

we're just that rare

1966

01:22:08,209 --> 01:22:06,120

I just think of the yeah there are

1967

01:22:09,830 --> 01:22:08,219

billions of humans but there are tens of

1968

01:22:12,830 --> 01:22:09,840

billions of other earthlings other

1969

01:22:16,310 --> 01:22:12,840

species other animals and things and but

1970

01:22:19,189 --> 01:22:16,320

in in the context of other planets

1971

01:22:21,709 --> 01:22:19,199

you're not talking just about a few

1972

01:22:23,270 --> 01:22:21,719

you're talking about many many many many

1973

01:22:26,149 --> 01:22:23,280

many many

1974

01:22:28,490 --> 01:22:26,159

I think that I've often thought that we

1975

01:22:30,890 --> 01:22:28,500

are somehow or another sequestered here

1976

01:22:33,709 --> 01:22:30,900

that the reason we haven't seen anybody

1977

01:22:35,090 --> 01:22:33,719

or I don't pick up any signals is not

1978

01:22:37,070 --> 01:22:35,100

because they aren't there because

1979

01:22:40,130 --> 01:22:37,080

they're not allowed to get through to us

1980

01:22:43,189 --> 01:22:40,140

they were we're in a state of

1981

01:22:46,729 --> 01:22:43,199

development of some kind and maybe the

1982

01:22:51,350 --> 01:22:46,739

next stage of this development is going

1983

01:22:53,270 --> 01:22:51,360

to be when we the what is for us a wall

1984

01:22:55,970 --> 01:22:53,280

between the worlds of the living and the

1985

01:22:57,830 --> 01:22:55,980

worlds of the Dead ceases to exist and

1986

01:23:00,350 --> 01:22:57,840

we become much more like the visitors

1987

01:23:02,510 --> 01:23:00,360

tell you a story and it's from one of

1988

01:23:06,410 --> 01:23:02,520

## Kathleen Martin's books

1989

01:23:08,450 --> 01:23:06,420

uh Kathleen is a has done abduction

1990

01:23:11,330 --> 01:23:08,460

research for many years and she's a

1991

01:23:14,090 --> 01:23:11,340

prominent member of mufon or was anyway

1992

01:23:17,149 --> 01:23:14,100

she may have retired from that by now in

1993

01:23:19,790 --> 01:23:17,159

any case he tells the story of a man who

1994

01:23:23,870 --> 01:23:19,800

had a little private Airport

1995

01:23:28,010 --> 01:23:23,880

and he would uh he saw a UFO land at the

1996

01:23:30,350 --> 01:23:28,020

at the uh uh only one of his runways so

1997

01:23:32,149 --> 01:23:30,360

he starts putting out lights and things

1998

01:23:33,649 --> 01:23:32,159

and trying to attract them and they do

1999

01:23:37,070 --> 01:23:33,659

come back

2000

01:23:39,890 --> 01:23:37,080

but one night he hears a noise down in

2001  
01:23:41,990 --> 01:23:39,900  
his hangers it's a small operation he

2002  
01:23:43,189 --> 01:23:42,000  
lives in an apartment that's connected

2003  
01:23:45,709 --> 01:23:43,199  
to the hangar

2004  
01:23:48,229 --> 01:23:45,719  
and he looks down in there and he sees

2005  
01:23:49,189 --> 01:23:48,239  
these little figures walking around in

2006  
01:23:51,350 --> 01:23:49,199  
there

2007  
01:23:53,090 --> 01:23:51,360  
and scares the hell out of him

2008  
01:23:55,430 --> 01:23:53,100  
I mean why would it scare him I mean

2009  
01:23:58,070 --> 01:23:55,440  
he's he's invited it right you would

2010  
01:23:59,570 --> 01:23:58,080  
think but he in case he gets himself a

2011  
01:24:01,550 --> 01:23:59,580  
shotgun

2012  
01:24:03,470 --> 01:24:01,560  
and uh

2013  
01:24:05,750 --> 01:24:03,480

he wakes up the next night and there's

2014

01:24:11,270 --> 01:24:05,760

one of them standing in his room and he

2015

01:24:13,430 --> 01:24:12,050

um

2016

01:24:17,209 --> 01:24:13,440

into

2017

01:24:19,550 --> 01:24:17,219

this yellow goo that promptly disappears

2018

01:24:20,930 --> 01:24:19,560

and I believe that's the story in any

2019

01:24:23,090 --> 01:24:20,940

case

2020

01:24:27,590 --> 01:24:23,100

he then is haunted

2021

01:24:30,050 --> 01:24:27,600

my this thing is now a ghost and it's

2022

01:24:31,669 --> 01:24:30,060

hostile and it's furious at him and It's

2023

01:24:35,110 --> 01:24:31,679

haunting him

2024

01:24:37,010 --> 01:24:35,120

and he goes mad and dies

2025

01:24:38,450 --> 01:24:37,020

uh

2026

01:24:41,169 --> 01:24:38,460

now

2027

01:24:44,209 --> 01:24:41,179

am I telling you a story about something

2028

01:24:46,430 --> 01:24:44,219

that lives comfortably in two levels of

2029

01:24:48,410 --> 01:24:46,440

reality at the same time

2030

01:24:50,090 --> 01:24:48,420

one of which we are familiar with and

2031

01:24:51,890 --> 01:24:50,100

one of which we are not

2032

01:24:54,070 --> 01:24:51,900

and he

2033

01:24:58,550 --> 01:24:54,080

he accidentally

2034

01:25:01,610 --> 01:24:58,560

basically blew out its body it leaving

2035

01:25:03,890 --> 01:25:01,620

only its non-physical portion and maybe

2036

01:25:05,630 --> 01:25:03,900

maybe in their world you have to pay pay

2037

01:25:07,790 --> 01:25:05,640

a lot of money to have a body like we do

2038

01:25:09,590 --> 01:25:07,800

a car or something and it was pissed off

2039

01:25:13,130 --> 01:25:09,600

at him

2040

01:25:15,410 --> 01:25:13,140

who knows but you know there's there's

2041

01:25:17,930 --> 01:25:15,420

every reason we would we would think

2042

01:25:19,790 --> 01:25:17,940

that story is nonsense

2043

01:25:21,950 --> 01:25:19,800

I can only say this

2044

01:25:23,570 --> 01:25:21,960

what if it's not

2045

01:25:26,209 --> 01:25:23,580

if it's not

2046

01:25:29,330 --> 01:25:26,219

then we've got a very very extraordinary

2047

01:25:31,370 --> 01:25:29,340

road to travel over the next few years

2048

01:25:33,709 --> 01:25:31,380

you co-wrote a book with art Bill the

2049

01:25:37,130 --> 01:25:33,719

late Art Bell our our friend yeah

2050

01:25:38,870 --> 01:25:37,140

um warning about cataclysms to come and

2051

01:25:41,149 --> 01:25:38,880

it seemed like that was ahead of its

2052

01:25:43,430 --> 01:25:41,159

time in that global climate change is

2053

01:25:45,590 --> 01:25:43,440

here I I wonder you know we've we've

2054

01:25:48,470 --> 01:25:45,600

heard the visitors wherever they're from

2055

01:25:51,229 --> 01:25:48,480

deliver these alien editorials to to

2056

01:25:53,750 --> 01:25:51,239

people dating back to the 50s maybe long

2057

01:25:55,490 --> 01:25:53,760

ago longer than that take care of your

2058

01:25:57,590 --> 01:25:55,500

planet quit messing around with nuclear

2059

01:25:59,209 --> 01:25:57,600

weapons warnings that we have obviously

2060

01:26:01,610 --> 01:25:59,219

not heated

2061

01:26:03,709 --> 01:26:01,620

um I wonder if they've in essence given

2062

01:26:05,629 --> 01:26:03,719

up on us uh in that regard that they

2063

01:26:08,330 --> 01:26:05,639

know that something is coming that is

2064

01:26:11,590 --> 01:26:08,340

about to hit the fan uh would they ever

2065

01:26:14,629 --> 01:26:11,600

intervene uh in a direct way to help us

2066

01:26:16,790 --> 01:26:14,639

or or have they intervened just by

2067

01:26:18,290 --> 01:26:16,800

trying to tell us to amend our ways is

2068

01:26:20,090 --> 01:26:18,300

that as far as they know

2069

01:26:22,610 --> 01:26:20,100

well I have

2070

01:26:25,010 --> 01:26:22,620

really been back and forth with them

2071

01:26:28,129 --> 01:26:25,020

about this and I I wish I could say that

2072

01:26:29,930 --> 01:26:28,139

I could I've asked them about this I

2073

01:26:31,189 --> 01:26:29,940

should say

2074

01:26:33,169 --> 01:26:31,199

um

2075

01:26:35,149 --> 01:26:33,179

I've asked them

2076

01:26:38,689 --> 01:26:35,159

why don't you just

2077

01:26:42,050 --> 01:26:41,149

for five minutes in an incontrovertible

2078

01:26:48,410 --> 01:26:42,060

way

2079

01:26:51,110 --> 01:26:48,420

International video you know on a on on

2080

01:26:53,450 --> 01:26:51,120

you know on a camera crew in front of a

2081

01:26:55,729 --> 01:26:53,460

camera a professional camera crew from a

2082

01:26:57,290 --> 01:26:55,739

big news organization like the BBC or

2083

01:27:00,669 --> 01:26:57,300

CBS or something or they could they

2084

01:27:04,669 --> 01:27:02,870

I mean they'll walk into the Super Bowl

2085

01:27:05,930 --> 01:27:04,679

there's a million things they could do

2086

01:27:07,970 --> 01:27:05,940

easily

2087

01:27:10,010 --> 01:27:07,980

and because the second they did that

2088

01:27:12,490 --> 01:27:10,020

then that message that has been left

2089

01:27:16,070 --> 01:27:12,500

among the close encounter Witnesses

2090

01:27:17,510 --> 01:27:16,080

would be Amplified instantly and those

2091

01:27:19,129 --> 01:27:17,520

people would all come forward saying

2092

01:27:22,370 --> 01:27:19,139

this is why they're here

2093

01:27:24,410 --> 01:27:22,380

and it would be it would Empower them

2094

01:27:28,250 --> 01:27:24,420

but they don't do it

2095

01:27:29,510 --> 01:27:28,260

and there are I think that it's

2096

01:27:32,990 --> 01:27:29,520

basically

2097

01:27:35,090 --> 01:27:33,000

gets back to that Phil Corso statement a

2098

01:27:37,850 --> 01:27:35,100

new they said they told him what was on

2099

01:27:40,669 --> 01:27:37,860

offer for us from us for us was a new

2100

01:27:43,970 --> 01:27:40,679

world if you can take it the emphasis is

2101  
01:27:46,370 --> 01:27:43,980  
very differently on the you us we have

2102  
01:27:47,990 --> 01:27:46,380  
to do this ourselves and if we're not

2103  
01:27:49,310 --> 01:27:48,000  
strong enough I think ultimately they'll

2104  
01:27:51,709 --> 01:27:49,320  
just go away

2105  
01:27:53,930 --> 01:27:51,719  
oh you really think they'd just leave or

2106  
01:27:55,490 --> 01:27:53,940  
something like this okay it seems like

2107  
01:27:57,530 --> 01:27:55,500  
if this any of this is true there's an

2108  
01:27:59,570 --> 01:27:57,540  
investment and first of all don't give a

2109  
01:28:02,030 --> 01:27:59,580  
mine number second of all there seems to

2110  
01:28:04,729 --> 01:28:02,040  
be an investment right if this is really

2111  
01:28:07,790 --> 01:28:04,739  
happening this is a long-term thing now

2112  
01:28:09,770 --> 01:28:07,800  
if they would if you know I I wish I

2113  
01:28:13,070 --> 01:28:09,780

could tell you that

2114

01:28:15,110 --> 01:28:13,080

if there's a nuclear exchange or

2115

01:28:18,950 --> 01:28:15,120

something like that they will act

2116

01:28:21,229 --> 01:28:18,960

or if there is uh if we begin to die in

2117

01:28:24,649 --> 01:28:21,239

Mass numbers because of the fact that

2118

01:28:27,229 --> 01:28:24,659

the planet has failed they will come

2119

01:28:29,990 --> 01:28:27,239

I don't know that that is going to

2120

01:28:32,750 --> 01:28:30,000

happen I think that they have a lot of

2121

01:28:37,490 --> 01:28:32,760

ways perhaps of

2122

01:28:41,330 --> 01:28:37,500

uh affecting the planets environment

2123

01:28:44,330 --> 01:28:41,340

and maybe even ways of of affecting our

2124

01:28:47,450 --> 01:28:44,340

our ability to use nuclear weapons

2125

01:28:48,530 --> 01:28:47,460

but the degree of which they will act I

2126

01:28:52,550 --> 01:28:48,540

just

2127

01:28:55,970 --> 01:28:52,560

can't be sure I you know if they

2128

01:28:58,189 --> 01:28:55,980

if if they have to

2129

01:29:01,729 --> 01:28:58,199

uh

2130

01:29:04,010 --> 01:29:01,739

if they have to con control us what are

2131

01:29:06,350 --> 01:29:04,020

we worth to them I don't know the answer

2132

01:29:08,750 --> 01:29:06,360

to that question maybe not not enough to

2133

01:29:10,610 --> 01:29:08,760

justify the effort it would be because

2134

01:29:12,110 --> 01:29:10,620

ultimately would be an effort in the

2135

01:29:15,709 --> 01:29:12,120

physical world they would have to do

2136

01:29:17,510 --> 01:29:15,719

something physical to force us to to

2137

01:29:19,970 --> 01:29:17,520

come to heal and you know if we were

2138

01:29:23,209 --> 01:29:19,980

going to get into a nuclear conflict or

2139

01:29:24,950 --> 01:29:23,219

uh they they or they might I think if

2140

01:29:26,750 --> 01:29:24,960

they were going to force us to do

2141

01:29:28,850 --> 01:29:26,760

something to save this planet they would

2142

01:29:30,229 --> 01:29:28,860

have done that already do they consider

2143

01:29:31,430 --> 01:29:30,239

this to be home

2144

01:29:32,930 --> 01:29:31,440

um you know they've interacted with

2145

01:29:35,149 --> 01:29:32,940

humans as long as we've been here

2146

01:29:37,010 --> 01:29:35,159

they've been around a long time yeah

2147

01:29:39,229 --> 01:29:37,020

maybe they live here in some other

2148

01:29:41,270 --> 01:29:39,239

dimension or something like but did they

2149

01:29:42,830 --> 01:29:41,280

have any sense that they've conveyed to

2150

01:29:46,370 --> 01:29:42,840

you that they consider this to be their

2151

01:29:54,470 --> 01:29:50,570

I I can't say yes or no I I don't recall

2152

01:29:56,629 --> 01:29:54,480

anything except this uh they came up out

2153

01:29:58,370 --> 01:29:56,639

of the ground in our cabin a lot and you

2154

01:30:00,470 --> 01:29:58,380

know we knew that is because they would

2155

01:30:03,050 --> 01:30:00,480

smell like the forest floor which is

2156

01:30:04,310 --> 01:30:03,060

very pungent and they would smell like

2157

01:30:05,209 --> 01:30:04,320

something and it just come out of the

2158

01:30:08,090 --> 01:30:05,219

ground

2159

01:30:09,950 --> 01:30:08,100

and uh not always but some of them

2160

01:30:10,669 --> 01:30:09,960

certainly did

2161

01:30:12,410 --> 01:30:10,679

um

2162

01:30:13,669 --> 01:30:12,420

you know there's this thing going on in

2163

01:30:15,950 --> 01:30:13,679

Peru

2164

01:30:19,010 --> 01:30:15,960

weird business

2165

01:30:22,550 --> 01:30:19,020

where they are finding these mummies

2166

01:30:25,610 --> 01:30:22,560

that are so far not adding up they're

2167

01:30:29,570 --> 01:30:25,620

not hoaxes and they're not people

2168

01:30:31,490 --> 01:30:29,580

and there is it's it's a story that is

2169

01:30:33,129 --> 01:30:31,500

either going to go away or break it's

2170

01:30:36,350 --> 01:30:33,139

hard to know which is going to happen

2171

01:30:39,470 --> 01:30:36,360

but they've got over a hundred of them

2172

01:30:41,990 --> 01:30:39,480

now and they're problems with it because

2173

01:30:44,390 --> 01:30:42,000

they they come from a man who is

2174

01:30:46,669 --> 01:30:44,400

secretive about where they come from and

2175

01:30:49,550 --> 01:30:46,679

he's trying to sell them and it makes it

2176  
01:30:52,129 --> 01:30:49,560  
look like a hoax and yet there's so many

2177  
01:30:55,250 --> 01:30:52,139  
of them that and and there's been some

2178  
01:30:58,430 --> 01:30:55,260  
fairly significant work done on them um

2179  
01:31:00,229 --> 01:30:58,440  
MRI scans and things that one of them

2180  
01:31:04,209 --> 01:31:00,239  
shows for example

2181  
01:31:06,709 --> 01:31:04,219  
uh in its eggs in its uterus

2182  
01:31:09,050 --> 01:31:06,719  
and you know I don't think that any

2183  
01:31:12,470 --> 01:31:09,060  
hoaxer is going to come up with that

2184  
01:31:14,990 --> 01:31:12,480  
and uh so what I'm saying here is this

2185  
01:31:18,530 --> 01:31:15,000  
could be something to do with Earth it

2186  
01:31:22,030 --> 01:31:18,540  
could be an Earthly species that we just

2187  
01:31:25,129 --> 01:31:22,040  
have not that has been very careful to

2188  
01:31:27,470 --> 01:31:25,139

avoid contact with us because they live

2189

01:31:29,930 --> 01:31:27,480

underground you know the Navajo the uh

2190

01:31:31,910 --> 01:31:29,940

the Hobie uh other Native American

2191

01:31:33,770 --> 01:31:31,920

tribes all believe that they came their

2192

01:31:36,830 --> 01:31:33,780

ancestors came out of the ground or

2193

01:31:39,229 --> 01:31:36,840

underground into this world Apaches do

2194

01:31:42,350 --> 01:31:39,239

too uh the same thing that they came out

2195

01:31:44,990 --> 01:31:42,360

of the Archuleta Mesa which is a place

2196

01:31:47,390 --> 01:31:45,000

where there's a lot of UFO legends about

2197

01:31:48,470 --> 01:31:47,400

that Mesa in fact

2198

01:31:50,930 --> 01:31:48,480

um

2199

01:31:53,689 --> 01:31:50,940

so it could be that they are from here

2200

01:31:55,790 --> 01:31:53,699

there even could be physically from here

2201

01:31:57,530 --> 01:31:55,800

I don't know if you you don't own the

2202

01:31:59,330 --> 01:31:57,540

cabin anymore or whether you keep up

2203

01:32:02,450 --> 01:31:59,340

with what goes on there but I wonder if

2204

01:32:05,149 --> 01:32:02,460

the activity continues or that it it

2205

01:32:07,910 --> 01:32:05,159

happened because you were there

2206

01:32:11,450 --> 01:32:07,920

uh I know the answer to that question

2207

01:32:13,370 --> 01:32:11,460

it happened because I was there and I do

2208

01:32:15,229 --> 01:32:13,380

know the couple who owns the cabin now

2209

01:32:17,390 --> 01:32:15,239

and they're extremely sweet people in

2210

01:32:18,189 --> 01:32:17,400

the cabin is in good hands I'm happy to

2211

01:32:21,890 --> 01:32:18,199

say

2212

01:32:24,649 --> 01:32:21,900

and I went there uh for a documentary

2213

01:32:30,050 --> 01:32:24,659

for um the Travel Channel

2214

01:32:31,790 --> 01:32:30,060

uh and that was shown about a year ago I

2215

01:32:33,550 --> 01:32:31,800

believe six months ago

2216

01:32:37,550 --> 01:32:33,560

and um

2217

01:32:38,810 --> 01:32:37,560

I uh I went back to the cabin fine I

2218

01:32:41,330 --> 01:32:38,820

thought I would never go back to the

2219

01:32:43,610 --> 01:32:41,340

cabin and I finally did it was a very

2220

01:32:46,790 --> 01:32:43,620

moving experience and I found that they

2221

01:32:49,370 --> 01:32:46,800

had kept the stone circle and they were

2222

01:32:51,050 --> 01:32:49,380

very into my work and they had a little

2223

01:32:53,090 --> 01:32:51,060

room in the basement the Whitley room

2224

01:32:55,729 --> 01:32:53,100

with all kinds of things in it it was

2225

01:32:58,189 --> 01:32:55,739

very cool and they're an extremely nice

2226

01:32:59,750 --> 01:32:58,199

couple and I'm going back there I'm

2227

01:33:02,050 --> 01:32:59,760

going to be back there in August for a

2228

01:33:04,570 --> 01:33:02,060

week all by myself

2229

01:33:06,830 --> 01:33:04,580

and want some company

2230

01:33:08,390 --> 01:33:06,840

well I don't know there's a lot of

2231

01:33:10,370 --> 01:33:08,400

people have had visitor experiences

2232

01:33:11,810 --> 01:33:10,380

because they were near me and uh yeah I

2233

01:33:13,550 --> 01:33:11,820

wanted to ask you about that is so if if

2234

01:33:15,530 --> 01:33:13,560

this is you know happening to certain

2235

01:33:17,030 --> 01:33:15,540

people and not to others it's not the

2236

01:33:19,970 --> 01:33:17,040

most common story you hear every day

2237

01:33:22,070 --> 01:33:19,980

right so if it is that it's somehow

2238

01:33:23,570 --> 01:33:22,080

connected to certain people wanted to

2239

01:33:25,729 --> 01:33:23,580

ask you that have other people had their

2240

01:33:27,470 --> 01:33:25,739

first sighting of a UFO or something

2241

01:33:30,110 --> 01:33:27,480

like that or these other stranger

2242

01:33:31,669 --> 01:33:30,120

experiences in my mind stranger because

2243

01:33:33,709 --> 01:33:31,679

they're with you hasn't happened a lot

2244

01:33:35,930 --> 01:33:33,719

it's happened a fair amount yeah yeah

2245

01:33:38,390 --> 01:33:35,940

and it happened up at The esselen

2246

01:33:40,310 --> 01:33:38,400

Institute a number of times that people

2247

01:33:42,830 --> 01:33:40,320

you know they they figured out put me in

2248

01:33:44,870 --> 01:33:42,840

this and they have these conferences

2249

01:33:47,090 --> 01:33:44,880

there these private conferences and I

2250

01:33:48,950 --> 01:33:47,100

would be occasionally invited to one I

2251

01:33:51,530 --> 01:33:48,960

was I just you were at that conference

2252

01:33:54,470 --> 01:33:51,540

yeah that was not one in which anyone

2253

01:33:56,390 --> 01:33:54,480

was in the room with me but uh at other

2254

01:33:59,750 --> 01:33:56,400

times when the I'm there's a particular

2255

01:34:02,930 --> 01:33:59,760

room that overlooks the Pacific and it's

2256

01:34:06,470 --> 01:34:02,940

a very easy coming and going and once

2257

01:34:09,229 --> 01:34:06,480

Jeff uh the author uh in the and

2258

01:34:13,010 --> 01:34:09,239

the uh one of the leading guys at

2259

01:34:16,310 --> 01:34:13,020

esselen was there in the room and he had

2260

01:34:17,870 --> 01:34:16,320

an experience uh with me in the room and

2261

01:34:20,390 --> 01:34:17,880

I think there might have been someone

2262

01:34:22,070 --> 01:34:20,400

else uh because when the visitors come

2263

01:34:23,270 --> 01:34:22,080

to me and they they were coming to me to

2264

01:34:24,890 --> 01:34:23,280

wake me up at three o'clock in the

2265

01:34:27,530 --> 01:34:24,900

morning every single night at that time

2266

01:34:30,110 --> 01:34:27,540

they're not doing that now that I get up

2267

01:34:32,090 --> 01:34:30,120

anyway but uh so rude why are they

2268

01:34:36,169 --> 01:34:32,100

waking you up I can explain that very

2269

01:34:37,610 --> 01:34:36,179

clearly but uh if you want me to the the

2270

01:34:40,310 --> 01:34:37,620

reason is that

2271

01:34:42,410 --> 01:34:40,320

I wondered that myself when it started

2272

01:34:45,229 --> 01:34:42,420

to happen after Annie passed away

2273

01:34:47,810 --> 01:34:45,239

and it happened briefly at the cabin and

2274

01:34:50,149 --> 01:34:47,820

back in the late 90s just before we lost

2275

01:34:52,610 --> 01:34:50,159

it but then after Annie passed away it

2276

01:34:55,790 --> 01:34:52,620

started to happen constantly and you

2277

01:34:59,030 --> 01:34:55,800

know and I thought you know I'm I really

2278

01:35:01,790 --> 01:34:59,040

would like to get a nice night's sleep

2279

01:35:04,129 --> 01:35:01,800

but then I discovered something that

2280

01:35:07,189 --> 01:35:04,139

there is a tradition in a yoga yoga

2281

01:35:10,310 --> 01:35:07,199

practice in India called Brahma muhartha

2282

01:35:12,590 --> 01:35:10,320

time and that is the time of hour and a

2283

01:35:16,310 --> 01:35:12,600

half approximately Before Sunrise

2284

01:35:17,930 --> 01:35:16,320

when uh the mind is most open to new

2285

01:35:20,209 --> 01:35:17,940

things

2286

01:35:23,030 --> 01:35:20,219

and they were waking me up to get me to

2287

01:35:25,970 --> 01:35:23,040

go into a meditative state to take my

2288

01:35:28,610 --> 01:35:25,980

mind off of my thoughts and put it onto

2289

01:35:29,689 --> 01:35:28,620

the sensation of the body and I found

2290

01:35:33,169 --> 01:35:29,699

that

2291

01:35:38,390 --> 01:35:33,179

an absolute wealth of stuff would come

2292

01:35:41,709 --> 01:35:38,400

that way I wrote afterlife Revolution a

2293

01:35:46,729 --> 01:35:41,719

new world Jesus a new vision and them

2294

01:35:48,229 --> 01:35:46,739

all using this time period as my source

2295

01:35:50,169 --> 01:35:48,239

of inspiration

2296

01:35:54,590 --> 01:35:50,179

and uh

2297

01:35:56,870 --> 01:35:54,600

so that's why the 3am call comes so that

2298

01:35:59,390 --> 01:35:56,880

their how in your mind it's like they're

2299

01:36:01,070 --> 01:35:59,400

helping you to get this information out

2300

01:36:03,890 --> 01:36:01,080

yeah I think so

2301  
01:36:06,770 --> 01:36:03,900  
it's not downloads exactly at all I mean

2302  
01:36:09,129 --> 01:36:06,780  
I'm not like a psychic or a Channeler in

2303  
01:36:12,470 --> 01:36:09,139  
any way

2304  
01:36:14,390 --> 01:36:12,480  
but I get good ideas and they come at

2305  
01:36:16,430 --> 01:36:14,400  
that time

2306  
01:36:18,410 --> 01:36:16,440  
I think my life would be complete if

2307  
01:36:21,229 --> 01:36:18,420  
Christopher Walken played me in a movie

2308  
01:36:23,390 --> 01:36:21,239  
as he did played Whitley in the movie

2309  
01:36:24,310 --> 01:36:23,400  
communion you had problems with that

2310  
01:36:27,530 --> 01:36:24,320  
movie

2311  
01:36:29,390 --> 01:36:27,540  
ran out of money and their special

2312  
01:36:32,330 --> 01:36:29,400  
effects are very primitive

2313  
01:36:34,850 --> 01:36:32,340

uh I think that Chris is

2314

01:36:38,050 --> 01:36:34,860

trailed me is

2315

01:36:39,420 --> 01:36:38,060

rather annoying but not entirely untrue

2316

01:36:43,010 --> 01:36:39,430

it was awesome

2317

01:36:45,830 --> 01:36:43,020

[Laughter]

2318

01:36:48,350 --> 01:36:45,840

uh no I'm a I'm a very jokey kind of guy

2319

01:36:51,410 --> 01:36:48,360

I mean you know I'm not a I'm not a

2320

01:36:53,990 --> 01:36:51,420

solemn I'm not solemn at all

2321

01:36:55,790 --> 01:36:54,000

I try to be solemn I you know I'm I've

2322

01:36:57,410 --> 01:36:55,800

got all this spiritual stuff going on in

2323

01:36:59,390 --> 01:36:57,420

my life and I'm you know I want to be

2324

01:37:01,129 --> 01:36:59,400

you know

2325

01:37:06,709 --> 01:37:01,139

solemn

2326

01:37:08,330 --> 01:37:06,719

around man I really I really appreciate

2327

01:37:10,129 --> 01:37:08,340

kind of getting to hear directly from

2328

01:37:12,770 --> 01:37:10,139

you you know I know about you George

2329

01:37:16,790 --> 01:37:12,780

knows you but just seeing the way that

2330

01:37:18,950 --> 01:37:16,800

your uh kind of presence has influenced

2331

01:37:21,290 --> 01:37:18,960

so many people and and so much of

2332

01:37:23,149 --> 01:37:21,300

popular culture and our understanding or

2333

01:37:25,310 --> 01:37:23,159

misunderstanding of this topic we don't

2334

01:37:27,229 --> 01:37:25,320

know you're telling us we don't know but

2335

01:37:29,209 --> 01:37:27,239

the fact you've had that influence

2336

01:37:30,830 --> 01:37:29,219

um man it's a it is a real pleasure to

2337

01:37:32,930 --> 01:37:30,840

be able to hang out with you I really

2338

01:37:34,729 --> 01:37:32,940

appreciate it yeah and I'm glad I I

2339

01:37:35,990 --> 01:37:34,739

wanted your pleasure to hang out with me

2340

01:37:37,610 --> 01:37:36,000

because I like to hang out I'm pretty

2341

01:37:39,350 --> 01:37:37,620

I'm pretty fun too we're going to have a

2342

01:37:42,649 --> 01:37:39,360

couple beers tonight it'll be good um

2343

01:37:45,350 --> 01:37:42,659

them so tell our audience one last time

2344

01:37:47,030 --> 01:37:45,360

about what's in here that they would not

2345

01:37:50,209 --> 01:37:47,040

have known say from you reading

2346

01:37:54,169 --> 01:37:50,219

communion or the other books okay uh

2347

01:37:56,930 --> 01:37:54,179

well first the first half of the book is

2348

01:37:59,689 --> 01:37:56,940

an analysis of 11 different experiences

2349

01:38:02,450 --> 01:37:59,699

that are from other people some of them

2350

01:38:04,189 --> 01:38:02,460

are uh from the communion letters and

2351

01:38:07,970 --> 01:38:04,199

some of them were new

2352

01:38:10,149 --> 01:38:07,980

and but the difference between the this

2353

01:38:14,750 --> 01:38:10,159

book and everything that's gone before

2354

01:38:17,689 --> 01:38:14,760

is I have a really at this point maybe

2355

01:38:20,750 --> 01:38:17,699

the deepest understanding there is of

2356

01:38:23,990 --> 01:38:20,760

this subject and it is reflected in the

2357

01:38:26,390 --> 01:38:24,000

analysis of those stories and there's

2358

01:38:29,810 --> 01:38:26,400

nothing like it in the world nothing has

2359

01:38:32,750 --> 01:38:29,820

ever been done like that uh and maybe

2360

01:38:33,649 --> 01:38:32,760

the 3 A.M part of it had a lot to do

2361

01:38:37,970 --> 01:38:33,659

with that

2362

01:38:42,530 --> 01:38:37,980

the second half of the book is delving

2363

01:38:44,570 --> 01:38:42,540

into the Secret side of it into why the

2364

01:38:46,129 --> 01:38:44,580

military ended up shooting at the

2365

01:38:49,209 --> 01:38:46,139

position we didn't talk about this but

2366

01:38:53,030 --> 01:38:49,219

the other thing they did besides

2367

01:38:57,110 --> 01:38:53,040

showing up at places where it requiring

2368

01:38:59,390 --> 01:38:57,120

absolute secrecy the other thing that

2369

01:39:02,030 --> 01:38:59,400

they did was that they provoked the

2370

01:39:05,390 --> 01:39:02,040

military by continually going into

2371

01:39:06,649 --> 01:39:05,400

restricted airspace and ignoring them to

2372

01:39:10,790 --> 01:39:06,659

the point that they would start to put

2373

01:39:13,669 --> 01:39:10,800

up combat air patrols and I go into all

2374

01:39:17,590 --> 01:39:13,679

of that then I go into

2375

01:39:21,290 --> 01:39:17,600

the brain and how the brain functions

2376

01:39:23,090 --> 01:39:21,300

and how it and how how different brains

2377

01:39:24,770 --> 01:39:23,100

function for example

2378

01:39:31,370 --> 01:39:24,780

uh

2379

01:39:33,470 --> 01:39:31,380

we we live on the same planet we know

2380

01:39:35,209 --> 01:39:33,480

everything there is to know about the

2381

01:39:38,629 --> 01:39:35,219

anatomy of the dolphin

2382

01:39:40,430 --> 01:39:38,639

we don't know a really a thing about

2383

01:39:43,430 --> 01:39:40,440

what they're saying to each other in

2384

01:39:45,890 --> 01:39:43,440

those marvelous Communications that all

2385

01:39:48,770 --> 01:39:45,900

the citations make we don't know

2386

01:39:52,189 --> 01:39:48,780

anything about that at all we can get

2387

01:39:55,310 --> 01:39:52,199

them to we can train them to do things

2388

01:39:58,970 --> 01:39:55,320

for us in our context

2389

01:40:03,050 --> 01:39:58,980

we cannot understand

2390

01:40:06,290 --> 01:40:03,060

anything about their mind

2391

01:40:08,870 --> 01:40:06,300

now you you add to that

2392

01:40:12,110 --> 01:40:08,880

Evolution on in a different planetary

2393

01:40:14,149 --> 01:40:12,120

environment perhaps with a brain that is

2394

01:40:17,629 --> 01:40:14,159

fundamentally differently structured

2395

01:40:20,110 --> 01:40:17,639

from every brain on this planet

2396

01:40:22,310 --> 01:40:20,120

and you're going to have a fantastic

2397

01:40:25,070 --> 01:40:22,320

Communications issue

2398

01:40:28,010 --> 01:40:25,080

and how to get around that and how to

2399

01:40:29,629 --> 01:40:28,020

work with that is a big part also of the

2400

01:40:32,030 --> 01:40:29,639

second part of the book

2401

01:40:34,310 --> 01:40:32,040

yeah it does sort of look it looks

2402

01:40:36,770 --> 01:40:34,320

Through The Eyes of aliens visitors at

2403

01:40:39,110 --> 01:40:36,780

us yeah exactly because I can do that

2404

01:40:41,629 --> 01:40:39,120

now I've done I've been doing this for a

2405

01:40:43,490 --> 01:40:41,639

long time and I have really have in I

2406

01:40:46,490 --> 01:40:43,500

actually am in contact with them it's

2407

01:40:49,129 --> 01:40:46,500

real it's real and it's efficient and

2408

01:40:51,110 --> 01:40:49,139

I'm not a fan assist I don't have a

2409

01:40:53,689 --> 01:40:51,120

beautiful alien mistress or anything

2410

01:40:57,169 --> 01:40:53,699

like that I'm doing this

2411

01:41:01,129 --> 01:40:57,179

as accurately and as much in the context

2412

01:41:03,770 --> 01:41:01,139

of Western thought as is possible

2413

01:41:06,530 --> 01:41:03,780

well we need to understand them

2414

01:41:08,870 --> 01:41:06,540

um whether they display themselves in

2415

01:41:10,550 --> 01:41:08,880

some Mass way or not we we need to

2416

01:41:11,810 --> 01:41:10,560

understand that we need to heed what

2417

01:41:14,390 --> 01:41:11,820

they've been telling us for a long time

2418

01:41:16,430 --> 01:41:14,400

too yeah and we do we need to understand

2419

01:41:18,169 --> 01:41:16,440

also that we can do this

2420

01:41:19,910 --> 01:41:18,179

they would not be here if we can't

2421

01:41:21,229 --> 01:41:19,920

couldn't do this I've I've known them

2422

01:41:23,330 --> 01:41:21,239

long enough to know that they're the

2423

01:41:25,550 --> 01:41:23,340

cheapest bastards in the world they're

2424

01:41:28,729 --> 01:41:25,560

not gonna they're not gonna spend a

2425

01:41:31,310 --> 01:41:28,739

second on anyone that they can't get the

2426

01:41:33,350 --> 01:41:31,320

result they they are looking for from no

2427

01:41:35,810 --> 01:41:33,360

way and they are here

2428

01:41:38,510 --> 01:41:35,820

so therefore they do expect to succeed

2429

01:41:40,490 --> 01:41:38,520

you would not consider them your friends

2430

01:41:42,590 --> 01:41:40,500

I wouldn't consider them my friends I'm

2431

01:41:45,590 --> 01:41:42,600

not sentimental about them at all

2432

01:41:47,510 --> 01:41:45,600

I would consider them a very useful

2433

01:41:51,229 --> 01:41:47,520

presence in my life and I'm glad they're

2434

01:41:52,970 --> 01:41:51,239

here but uh I definitely every anytime I

2435

01:41:54,470 --> 01:41:52,980

get a chance I'm going to cut the cards

2436

01:41:57,050 --> 01:41:54,480

myself

2437

01:41:58,910 --> 01:41:57,060

I hope people will check out them and

2438

01:42:00,530 --> 01:41:58,920

it's a great new book Whitley it's great

2439

01:42:02,169 --> 01:42:00,540

to see you thank you it's good to be

2440

01:42:09,890 --> 01:42:02,179

here thanks for sharing your time man

2441

01:42:09,900 --> 01:42:16,430

[Music]

2442

01:42:24,770 --> 01:42:20,750

never have so few had so much to tell

2443

01:42:28,070 --> 01:42:26,270

following this little weaponized

2444

01:42:29,810 --> 01:42:28,080

presentation of Jeremy Corbell George

2445

01:42:31,910 --> 01:42:29,820

Knapp Dark Horse entertainment and

2446

01:42:33,950 --> 01:42:31,920

Cadence 13 Studios available now for
