

WEAPONIZED #24

THE END OF UFO SECRECY?

1
00:00:04,970 --> 00:00:03,050
I never expected to see this kind of

2
00:00:06,889 --> 00:00:04,980
progress made on this subject

3
00:00:10,549 --> 00:00:06,899
ever in my life

4
00:00:11,930 --> 00:00:10,559
it is undoubted that our government and

5
00:00:15,049 --> 00:00:11,940
our intelligence agencies have

6
00:00:16,970 --> 00:00:15,059
sequestered UAP or UFO technologies that

7
00:00:20,029 --> 00:00:16,980
have been exploiting them for derivative

8
00:00:22,250 --> 00:00:20,039
Technologies for decades are back in the

9
00:00:24,769 --> 00:00:22,260
day what he said is becoming much more

10
00:00:27,529 --> 00:00:24,779
relevant these days

11
00:00:30,290 --> 00:00:27,539
Secrets cover-ups and strange phenomena

12
00:00:33,350 --> 00:00:30,300
UFOs and ideas that challenge reality

13
00:00:34,970 --> 00:00:33,360

itself all these Mysteries all this time

14

00:00:37,549 --> 00:00:34,980

are we ever going to get to the bottom

15

00:00:40,130 --> 00:00:37,559

of these my name is George Knapp I dig

16

00:00:42,410 --> 00:00:40,140

into news stories that others can't or

17

00:00:44,090 --> 00:00:42,420

won't I'm Jeremy Corbell and for some

18

00:00:46,069 --> 00:00:44,100

reason people tell me things they

19

00:00:50,810 --> 00:00:46,079

probably shouldn't

20

00:00:50,820 --> 00:00:53,150

foreign

21

00:00:57,950 --> 00:00:55,250

this is weaponized welcome back you know

22

00:01:00,650 --> 00:00:57,960

Jeremy we had a plan to talk about UFO

23

00:01:02,209 --> 00:01:00,660

UAP news unfortunately there's nothing

24

00:01:04,310 --> 00:01:02,219

happening so this could be the shortest

25

00:01:06,410 --> 00:01:04,320

podcast ever yeah man nothing's

26
00:01:08,750 --> 00:01:06,420
happening what a week what a couple

27
00:01:10,190 --> 00:01:08,760
weeks man I mean this has been really uh

28
00:01:12,350 --> 00:01:10,200
enlightening I think for the general

29
00:01:14,690 --> 00:01:12,360
public right what a week what a month

30
00:01:16,250 --> 00:01:14,700
what a year right what five years the

31
00:01:18,770 --> 00:01:16,260
last I mean we've said it many times

32
00:01:21,530 --> 00:01:18,780
that I never expected to see this kind

33
00:01:24,770 --> 00:01:21,540
of progress made on this subject uh ever

34
00:01:27,590 --> 00:01:24,780
in my life and the the story is just

35
00:01:30,170 --> 00:01:27,600
flipped over completely yeah we we saw

36
00:01:32,630 --> 00:01:30,180
members of congress come out and drop

37
00:01:34,190 --> 00:01:32,640
some bombs this past week

38
00:01:36,469 --> 00:01:34,200

um you know we've heard some Senator

39

00:01:38,690 --> 00:01:36,479

gillibrand we've heard from a

40

00:01:41,749 --> 00:01:38,700

representatives burchett and Gallagher

41

00:01:43,609 --> 00:01:41,759

and uh Marco Rubio stepped up to the

42

00:01:46,249 --> 00:01:43,619

plate this week in an interview on news

43

00:01:48,410 --> 00:01:46,259

nation and dropped some absolute bombs

44

00:01:50,929 --> 00:01:48,420

so we want to start with that yeah for

45

00:01:54,230 --> 00:01:50,939

sure he he absolutely did so you know

46

00:01:55,850 --> 00:01:54,240

some of what senator rubia said I think

47

00:01:59,149 --> 00:01:55,860

for the general public was like really

48

00:02:01,310 --> 00:01:59,159

shocking right this is right after new

49

00:02:03,410 --> 00:02:01,320

legislation was kind of proposed passed

50

00:02:04,929 --> 00:02:03,420

bipartisan you know it's got some more

51
00:02:07,910 --> 00:02:04,939
steps to go before it's signed into law

52
00:02:09,770 --> 00:02:07,920
but uh some of the things that he said

53
00:02:11,930 --> 00:02:09,780
that were so powerful to me was that

54
00:02:13,970 --> 00:02:11,940
first of all there are witnesses that

55
00:02:17,270 --> 00:02:13,980
came forward of high class he said very

56
00:02:18,890 --> 00:02:17,280
high classification that don't that are

57
00:02:20,690 --> 00:02:18,900
not public yet these are people you

58
00:02:22,670 --> 00:02:20,700
haven't heard from so these are not The

59
00:02:24,290 --> 00:02:22,680
Usual Suspects these are people that are

60
00:02:26,690 --> 00:02:24,300
worried about their jobs they're worried

61
00:02:29,270 --> 00:02:26,700
about their clearances they're worried

62
00:02:31,309 --> 00:02:29,280
about uh personal safety he even said

63
00:02:33,050 --> 00:02:31,319

which is which is something you and I

64

00:02:34,550 --> 00:02:33,060

know about but it's not something that

65

00:02:36,770 --> 00:02:34,560

is real public is that people are

66

00:02:38,630 --> 00:02:36,780

actually worried about their safety

67

00:02:40,250 --> 00:02:38,640

members of Congress have stepped up to

68

00:02:42,890 --> 00:02:40,260

the plate have done a great job of

69

00:02:44,690 --> 00:02:42,900

providing some sort of a safe haven for

70

00:02:46,790 --> 00:02:44,700

whistleblowers to come forward certain

71

00:02:49,070 --> 00:02:46,800

protections legal protections and have

72

00:02:50,869 --> 00:02:49,080

encouraged people to step up and tell

73

00:02:53,570 --> 00:02:50,879

what they know one of those of course

74

00:02:55,850 --> 00:02:53,580

was our friend Dave gresh who did

75

00:02:58,430 --> 00:02:55,860

testify multiple times behind closed

76

00:03:01,190 --> 00:02:58,440

doors under oath and it was pretty clear

77

00:03:02,990 --> 00:03:01,200

from Marco Rubio's comments that he was

78

00:03:05,089 --> 00:03:03,000

impressed by what Dave Crush had to say

79

00:03:06,890 --> 00:03:05,099

for sure and he talked about him but

80

00:03:09,830 --> 00:03:06,900

what also is important that he talked

81

00:03:13,009 --> 00:03:09,840

about was that it wasn't just Dave right

82

00:03:16,070 --> 00:03:13,019

that he has direct he calls it or they

83

00:03:17,750 --> 00:03:16,080

call it firsthand experiencers of this

84

00:03:19,070 --> 00:03:17,760

technology so people reverse engineering

85

00:03:22,070 --> 00:03:19,080

are working on these programs that

86

00:03:23,990 --> 00:03:22,080

actually saw physically held these craft

87

00:03:25,970 --> 00:03:24,000

materials that kind of thing people

88

00:03:28,009 --> 00:03:25,980

argue that Dave grosh is like a

89

00:03:29,449 --> 00:03:28,019

secondhand witness that he's not a

90

00:03:31,309 --> 00:03:29,459

first-hand witness what do you say to

91

00:03:33,470 --> 00:03:31,319

that okay so but we have to understand

92

00:03:36,890 --> 00:03:33,480

that's what ruby is talking about what

93

00:03:39,050 --> 00:03:36,900

Dave grosh did is he found people within

94

00:03:41,570 --> 00:03:39,060

these saps Within These exploitation

95

00:03:44,030 --> 00:03:41,580

programs and he had them testify to him

96

00:03:45,649 --> 00:03:44,040

about their first-hand direct knowledge

97

00:03:49,009 --> 00:03:45,659

of these programs

98

00:03:50,449 --> 00:03:49,019

he then passed that over to the icig

99

00:03:53,210 --> 00:03:50,459

which is intelligence Community

100

00:03:55,550 --> 00:03:53,220

Inspector General they did their own

101
00:03:58,550 --> 00:03:55,560
independent research and did their own

102
00:04:00,110 --> 00:03:58,560
independent interviews under oath in the

103
00:04:02,390 --> 00:04:00,120
classified setting where everything

104
00:04:04,850 --> 00:04:02,400
could be said and they were convinced

105
00:04:07,190 --> 00:04:04,860
that this is important that it's

106
00:04:09,890 --> 00:04:07,200
credible and that it's urgent so this

107
00:04:11,690 --> 00:04:09,900
idea that Senator Rubio also has people

108
00:04:14,630 --> 00:04:11,700
that he's heard from that physically

109
00:04:17,090 --> 00:04:14,640
work on these programs now right this is

110
00:04:19,009 --> 00:04:17,100
exactly what Dave grush reported and he

111
00:04:22,189 --> 00:04:19,019
reported the illegality of it if this

112
00:04:23,990 --> 00:04:22,199
wasn't UFOs it would just be an issue of

113
00:04:26,810 --> 00:04:24,000

misappropriation of funds and secret

114

00:04:28,189 --> 00:04:26,820

over secrecy but because it's UFOs it's

115

00:04:30,129 --> 00:04:28,199

something else but that's what Dave

116

00:04:33,590 --> 00:04:30,139

grosh did was he put it all together

117

00:04:36,650 --> 00:04:33,600

within his ability that he was tasked to

118

00:04:38,810 --> 00:04:36,660

do through the uaptf to look at these

119

00:04:40,909 --> 00:04:38,820

sap special access programs and

120

00:04:42,890 --> 00:04:40,919

compartmentalized programs and find out

121

00:04:44,749 --> 00:04:42,900

what's going on he then pushed that over

122

00:04:47,510 --> 00:04:44,759

to the icig they did their own

123

00:04:51,950 --> 00:04:47,520

independent investigation and guess what

124

00:04:54,830 --> 00:04:51,960

credible and urgent it is uh hilarious

125

00:04:56,510 --> 00:04:54,840

sad and appalling to see some of the

126

00:04:59,090 --> 00:04:56,520

attacks that are attempted on Dave

127

00:05:00,950 --> 00:04:59,100

brush's credibility coming out of left

128

00:05:04,070 --> 00:05:00,960

field the kinds of things that people

129

00:05:06,110 --> 00:05:04,080

try to make stick to him so far they've

130

00:05:08,090 --> 00:05:06,120

all failed they obviously failed in the

131

00:05:09,890 --> 00:05:08,100

estimation of Senator Marco Rubio

132

00:05:11,930 --> 00:05:09,900

because these this is what he said on

133

00:05:13,310 --> 00:05:11,940

news Nation people say there are people

134

00:05:15,469 --> 00:05:13,320

that have come forward to share

135

00:05:17,030 --> 00:05:15,479

information with our committee over the

136

00:05:18,710 --> 00:05:17,040

last couple of years I would imagine

137

00:05:20,450 --> 00:05:18,720

some of them are potentially some of the

138

00:05:22,490 --> 00:05:20,460

same people that perhaps he's referring

139

00:05:23,810 --> 00:05:22,500

to I want to be very protective of these

140

00:05:25,550 --> 00:05:23,820

people a lot of these people came to us

141

00:05:27,110 --> 00:05:25,560

even before these protections were in

142

00:05:27,890 --> 00:05:27,120

the law for whistleblowers to come

143

00:05:29,450 --> 00:05:27,900

forward

144

00:05:31,670 --> 00:05:29,460

there are people people who have had

145

00:05:33,110 --> 00:05:31,680

first-hand knowledge who claim to have

146

00:05:35,090 --> 00:05:33,120

firsthand knowledge of seeing this type

147

00:05:37,730 --> 00:05:35,100

of thing or have firsthand knowledge or

148

00:05:39,350 --> 00:05:37,740

firsthand claims of certain things uh

149

00:05:40,490 --> 00:05:39,360

some are public figures you know and and

150

00:05:41,810 --> 00:05:40,500

you've heard from them in the past

151
00:05:44,570 --> 00:05:41,820
others

152
00:05:45,770 --> 00:05:44,580
um you know have not shared publicly and

153
00:05:47,150 --> 00:05:45,780
so we're trying to gather as much of

154
00:05:48,170 --> 00:05:47,160
that information as we can but and the

155
00:05:49,730 --> 00:05:48,180
reason why I'm being cautious about

156
00:05:51,350 --> 00:05:49,740
trying to be evasive but I am trying to

157
00:05:52,430 --> 00:05:51,360
be protective of these people some of

158
00:05:54,170 --> 00:05:52,440
these people still work in the

159
00:05:56,689 --> 00:05:54,180
government and frankly a lot of them are

160
00:05:58,969 --> 00:05:56,699
very fearful of their jobs fearful their

161
00:06:01,430 --> 00:05:58,979
clearances fearful of their career and

162
00:06:03,230 --> 00:06:01,440
and and some frankly are fearful of harm

163
00:06:04,730 --> 00:06:03,240

coming to them so that category of

164

00:06:06,170 --> 00:06:04,740

people who have first-hand knowledge who

165

00:06:08,450 --> 00:06:06,180

say they have actually seen these kinds

166

00:06:11,210 --> 00:06:08,460

of things do you find many of them

167

00:06:13,430 --> 00:06:11,220

credible well I don't find them either

168

00:06:15,409 --> 00:06:13,440

not credible or credible because we have

169

00:06:16,790 --> 00:06:15,419

no basis about we understand some of

170

00:06:18,409 --> 00:06:16,800

these claims are things that are Beyond

171

00:06:20,390 --> 00:06:18,419

sort of the realm of what any of us has

172

00:06:23,210 --> 00:06:20,400

ever dealt with what I think we owe them

173

00:06:25,309 --> 00:06:23,220

is just a mature you know understand

174

00:06:26,749 --> 00:06:25,319

listening and trying to put these all

175

00:06:28,249 --> 00:06:26,759

these pieces together and just sort of

176
00:06:29,629 --> 00:06:28,259
intake the information without any

177
00:06:31,070 --> 00:06:29,639
prejudgment or jumping to any

178
00:06:33,950 --> 00:06:31,080
conclusions in One Direction or another

179
00:06:35,990 --> 00:06:33,960
I will say I find most of these people

180
00:06:38,390 --> 00:06:36,000
at some point or maybe even currently

181
00:06:40,610 --> 00:06:38,400
have held very high clearances in high

182
00:06:42,529 --> 00:06:40,620
positions within our government so you

183
00:06:45,409 --> 00:06:42,539
start out you do ask yourself like what

184
00:06:47,990 --> 00:06:45,419
incentive would so many people with that

185
00:06:50,150 --> 00:06:48,000
kind of um qualification these are

186
00:06:52,070 --> 00:06:50,160
serious people have to come forward and

187
00:06:53,990 --> 00:06:52,080
make something up

188
00:06:56,570 --> 00:06:54,000

I want to send out some props to news

189

00:06:58,790 --> 00:06:56,580

Nation they've jumped into the UFO deep

190

00:07:01,550 --> 00:06:58,800

end of the pool in a big way that's the

191

00:07:03,230 --> 00:07:01,560

parent Corporation for KLOS TV the guy

192

00:07:05,390 --> 00:07:03,240

who's sort of running the show there as

193

00:07:08,870 --> 00:07:05,400

a an executive named Chris Berg

194

00:07:11,510 --> 00:07:08,880

television news man uh many many years

195

00:07:14,029 --> 00:07:11,520

who helped me create mystery wire at

196

00:07:16,129 --> 00:07:14,039

kles TV and was a great champion of that

197

00:07:17,510 --> 00:07:16,139

and he's doing great work their whole

198

00:07:20,450 --> 00:07:17,520

team is doing great work to give a

199

00:07:22,129 --> 00:07:20,460

platform to Marco Rubio to you and

200

00:07:24,589 --> 00:07:22,139

others what's your experience been like

201
00:07:26,870 --> 00:07:24,599
with them yeah well look I mean people

202
00:07:29,150 --> 00:07:26,880
news people always want to talk about

203
00:07:30,830 --> 00:07:29,160
what's going on I try to you know kind

204
00:07:33,050 --> 00:07:30,840
of stay out of it to a degree but when

205
00:07:34,730 --> 00:07:33,060
it's something that's pressing I think

206
00:07:36,529 --> 00:07:34,740
they've been covering the news really

207
00:07:38,270 --> 00:07:36,539
well I think that they have taken it

208
00:07:41,390 --> 00:07:38,280
head on where other

209
00:07:43,070 --> 00:07:41,400
big news organizations haven't jumped in

210
00:07:44,510 --> 00:07:43,080
in the way you'd Hope just report the

211
00:07:46,370 --> 00:07:44,520
news that's all we're asking just report

212
00:07:47,749 --> 00:07:46,380
the news so I think they've done a great

213
00:07:49,189 --> 00:07:47,759

job they're they're navigating a new

214

00:07:50,809 --> 00:07:49,199

space a lot of these people that are

215

00:07:52,909 --> 00:07:50,819

doing it they they're not really

216

00:07:55,610 --> 00:07:52,919

indoctrinated into what's been going on

217

00:07:58,550 --> 00:07:55,620

with UFOs it is amazing

218

00:08:01,189 --> 00:07:58,560

the major media platforms that have not

219

00:08:03,830 --> 00:08:01,199

touched this either they come out and do

220

00:08:05,809 --> 00:08:03,840

some disparaging remark and op-ed column

221

00:08:08,330 --> 00:08:05,819

kind of a thing or ignore it altogether

222

00:08:09,890 --> 00:08:08,340

which is more common uh the fact that

223

00:08:12,290 --> 00:08:09,900

they have not touched the Dave brush

224

00:08:13,850 --> 00:08:12,300

Story how do you not report that story

225

00:08:15,770 --> 00:08:13,860

whether you believe him or not as

226

00:08:18,290 --> 00:08:15,780

irrelevant him testifying to Congress

227

00:08:20,570 --> 00:08:18,300

members of Congress accepting him as

228

00:08:23,689 --> 00:08:20,580

being a valid and believable it's

229

00:08:26,589 --> 00:08:23,699

amazing that you can not cover it it's

230

00:08:28,490 --> 00:08:26,599

it's a huge story and it is

231

00:08:30,230 --> 00:08:28,500

surprising in the way that other

232

00:08:33,709 --> 00:08:30,240

networks might not have covered it

233

00:08:35,990 --> 00:08:33,719

however I as the eternal optimist I know

234

00:08:38,149 --> 00:08:36,000

for sure that there are good reporters

235

00:08:40,310 --> 00:08:38,159

like at NBC you've got Gotti Schwartz

236

00:08:41,990 --> 00:08:40,320

and he does everything in his power to

237

00:08:43,610 --> 00:08:42,000

cover this now look everybody has a

238

00:08:45,110 --> 00:08:43,620

different bar of like what do you need

239

00:08:47,449 --> 00:08:45,120

to know just because there's an IG

240

00:08:50,630 --> 00:08:47,459

report doesn't mean that what's in that

241

00:08:52,730 --> 00:08:50,640

report is 100 factual so everybody has a

242

00:08:55,250 --> 00:08:52,740

different bar I will say behind the

243

00:08:57,590 --> 00:08:55,260

scenes some of these big networks are

244

00:09:00,590 --> 00:08:57,600

trying to figure out how best to cover

245

00:09:02,810 --> 00:09:00,600

it they really are trying I hope that

246

00:09:05,389 --> 00:09:02,820

the spillover of the news the actual

247

00:09:07,370 --> 00:09:05,399

information does start bleeding out into

248

00:09:09,650 --> 00:09:07,380

bigger media Outlets but I think people

249

00:09:11,150 --> 00:09:09,660

are confused this is like rubia said

250

00:09:12,949 --> 00:09:11,160

that in in that interview that we just

251
00:09:14,930 --> 00:09:12,959
heard he said you know this is something

252
00:09:16,670 --> 00:09:14,940
we've never dealt with before these

253
00:09:19,070 --> 00:09:16,680
claims are something we've never dealt

254
00:09:21,110 --> 00:09:19,080
with before that that's so true well

255
00:09:23,389 --> 00:09:21,120
it's true for media as well for

256
00:09:26,630 --> 00:09:23,399
reporters now that story has been there

257
00:09:29,810 --> 00:09:26,640
as low hanging fruit big juicy plump

258
00:09:32,389 --> 00:09:29,820
ready for plucking for decades and yet

259
00:09:34,250 --> 00:09:32,399
major media my news brethren have

260
00:09:36,590 --> 00:09:34,260
ignored it and in fact they not only

261
00:09:39,410 --> 00:09:36,600
ignored it they have dumped on it and

262
00:09:41,150 --> 00:09:39,420
ridiculed those who do dive into it and

263
00:09:42,949 --> 00:09:41,160

now they're suddenly finding out holy

264

00:09:45,110 --> 00:09:42,959

cow there's a real story here and

265

00:09:47,449 --> 00:09:45,120

they're a little bit lost not sure how

266

00:09:50,210 --> 00:09:47,459

to proceed I mean it's it's a huge story

267

00:09:53,210 --> 00:09:50,220

you know this concept that we have been

268

00:09:54,889 --> 00:09:53,220

reverse engineering UFOs and that this

269

00:09:56,930 --> 00:09:54,899

is something that's been hidden from the

270

00:09:59,449 --> 00:09:56,940

American and Global public like how do

271

00:10:01,370 --> 00:09:59,459

you begin to to go into that how do you

272

00:10:03,410 --> 00:10:01,380

begin that if you have not been

273

00:10:04,970 --> 00:10:03,420

accurately reporting it through the

274

00:10:06,650 --> 00:10:04,980

decades how do you do that yeah well

275

00:10:08,150 --> 00:10:06,660

it's a steep learning curve let me tell

276

00:10:10,070 --> 00:10:08,160

you you know you got to read you got to

277

00:10:11,810 --> 00:10:10,080

absorb a lot of information separate

278

00:10:14,150 --> 00:10:11,820

wheat from chaff there's a learning

279

00:10:16,310 --> 00:10:14,160

process there and it takes time I would

280

00:10:18,350 --> 00:10:16,320

say that members of Congress have done

281

00:10:20,930 --> 00:10:18,360

their homework I mean the the

282

00:10:23,750 --> 00:10:20,940

legislation that came out this this past

283

00:10:25,790 --> 00:10:23,760

week or so that was passed by the Senate

284

00:10:29,030 --> 00:10:25,800

intelligence committee is absolutely

285

00:10:31,310 --> 00:10:29,040

extraordinary the the language they have

286

00:10:33,470 --> 00:10:31,320

clearly had some coaching and some

287

00:10:35,449 --> 00:10:33,480

insight information maybe Chris Mellon

288

00:10:38,509 --> 00:10:35,459

maybe Dave grosh people like that who

289

00:10:40,610 --> 00:10:38,519

have told them where the stuff is how to

290

00:10:43,670 --> 00:10:40,620

find it and given them a lot of language

291

00:10:46,190 --> 00:10:43,680

that uh presumably would help them find

292

00:10:48,710 --> 00:10:46,200

this so that the keepers of the secrets

293

00:10:50,569 --> 00:10:48,720

cannot avoid accountability well I'll

294

00:10:52,910 --> 00:10:50,579

tell you something it might not be The

295

00:10:55,610 --> 00:10:52,920

Usual Suspects see that that's the thing

296

00:10:58,250 --> 00:10:55,620

is that the the knowledge base that is

297

00:11:01,430 --> 00:10:58,260

required to create legislation like that

298

00:11:03,050 --> 00:11:01,440

might be through independent research it

299

00:11:05,389 --> 00:11:03,060

might be through individuals that we

300

00:11:07,069 --> 00:11:05,399

don't know their names publicly yet so I

301

00:11:08,930 --> 00:11:07,079

I do think there are people behind the

302

00:11:13,430 --> 00:11:08,940

scene I know that there are people

303

00:11:15,350 --> 00:11:13,440

behind the scenes working to expose what

304

00:11:17,150 --> 00:11:15,360

is at least known to be true at this

305

00:11:19,490 --> 00:11:17,160

time which is that secret programs

306

00:11:21,590 --> 00:11:19,500

dealing with exotic technologies that

307

00:11:22,550 --> 00:11:21,600

are presumed to be not made here on

308

00:11:24,290 --> 00:11:22,560

Earth

309

00:11:25,970 --> 00:11:24,300

let's take a look at this legislation

310

00:11:28,430 --> 00:11:25,980

and some of the wording that's involved

311

00:11:30,530 --> 00:11:28,440

there's a section in this bill that

312

00:11:33,350 --> 00:11:30,540

passed the Senate intelligence committee

313

00:11:36,050 --> 00:11:33,360

unanimously by the way since of Congress

314

00:11:38,210 --> 00:11:36,060

it is the sense of Congress that due to

315

00:11:41,449 --> 00:11:38,220

the increasing potential for technology

316

00:11:44,269 --> 00:11:41,459

surprise from foreign adversaries and to

317

00:11:46,850 --> 00:11:44,279

ensure sufficient integration across the

318

00:11:50,030 --> 00:11:46,860

U.S industrial base and avoid technology

319

00:11:52,610 --> 00:11:50,040

and security stove pipes keyword there

320

00:11:55,310 --> 00:11:52,620

the federal government must expand

321

00:11:57,949 --> 00:11:55,320

awareness about any historical exotic

322

00:11:59,990 --> 00:11:57,959

technology antecedents previously

323

00:12:01,610 --> 00:12:00,000

provided by the federal government for

324

00:12:03,410 --> 00:12:01,620

research and development purposes

325

00:12:06,670 --> 00:12:03,420

they're talking about special access

326

00:12:09,829 --> 00:12:06,680

programs that presumably have technology

327

00:12:11,990 --> 00:12:09,839

column UFOs saucers meta materials

328

00:12:14,030 --> 00:12:12,000

whatever they further indicate that

329

00:12:16,509 --> 00:12:14,040

we're talking about activities involving

330

00:12:19,009 --> 00:12:16,519

unidentified anomalous phenomena

331

00:12:21,829 --> 00:12:19,019

protected under any form of special

332

00:12:24,530 --> 00:12:21,839

access or restricted access limitations

333

00:12:27,530 --> 00:12:24,540

that have not been formally officially

334

00:12:29,990 --> 00:12:27,540

explicitly or specifically described

335

00:12:31,550 --> 00:12:30,000

explained or Justified to the

336

00:12:34,310 --> 00:12:31,560

appropriate Committees of Congress

337

00:12:36,110 --> 00:12:34,320

they're trying to to nail it down so you

338

00:12:38,750 --> 00:12:36,120

cannot wiggle out of this the language

339

00:12:40,430 --> 00:12:38,760

that is in this uh this legislation

340

00:12:43,009 --> 00:12:40,440

they're talking about recruiting

341

00:12:45,350 --> 00:12:43,019

employing training equipping and

342

00:12:48,170 --> 00:12:45,360

operations of and providing security for

343

00:12:50,150 --> 00:12:48,180

government or contract personnel with a

344

00:12:52,930 --> 00:12:50,160

primary or secondary mission of

345

00:12:55,730 --> 00:12:52,940

capturing recovering and securing

346

00:12:58,730 --> 00:12:55,740

unidentified anomalous phenomena craft

347

00:13:01,449 --> 00:12:58,740

or pieces or components of such a craft

348

00:13:05,449 --> 00:13:01,459

that is incredible

349

00:13:07,970 --> 00:13:05,459

wording to appear in federal legislation

350

00:13:10,610 --> 00:13:07,980

agreed I mean it blows me away yeah

351
00:13:12,710 --> 00:13:10,620
we've come this far yeah I mean they are

352
00:13:14,870 --> 00:13:12,720
clearly trying to close what they think

353
00:13:17,389 --> 00:13:14,880
will be loopholes in the attempts by

354
00:13:20,090 --> 00:13:17,399
Whoever has this stuff to continue to

355
00:13:21,650 --> 00:13:20,100
hide it any person currently or formally

356
00:13:23,690 --> 00:13:21,660
under contract with the federal

357
00:13:27,829 --> 00:13:23,700
government that has in their possession

358
00:13:30,050 --> 00:13:27,839
material or information provided by or

359
00:13:32,569 --> 00:13:30,060
derived from the federal government

360
00:13:35,569 --> 00:13:32,579
relating to unidentified anomalous

361
00:13:38,629 --> 00:13:35,579
phenomena that formerly or currently is

362
00:13:42,350 --> 00:13:38,639
protected by any form of special access

363
00:13:43,069 --> 00:13:42,360

or restricted access shall check this

364

00:13:46,490 --> 00:13:43,079

out

365

00:13:49,190 --> 00:13:46,500

not later than 60 days after the date of

366

00:13:52,370 --> 00:13:49,200

enactment of this act notify the

367

00:13:55,550 --> 00:13:52,380

director of such possession and not

368

00:13:57,170 --> 00:13:55,560

later than 180 days after the date of

369

00:14:00,590 --> 00:13:57,180

the enactment of this act

370

00:14:04,970 --> 00:14:00,600

make available to the director for

371

00:14:08,269 --> 00:14:04,980

assessment analysis and inspection all

372

00:14:11,449 --> 00:14:08,279

such material and information and a

373

00:14:14,990 --> 00:14:11,459

comprehensive list of all non-earth

374

00:14:17,569 --> 00:14:15,000

origin or exotic unidentified anomalous

375

00:14:19,670 --> 00:14:17,579

phenomena material

376

00:14:22,910 --> 00:14:19,680

the the last thing

377

00:14:26,930 --> 00:14:22,920

is liability no criminal or civil action

378

00:14:29,509 --> 00:14:26,940

May lie or be maintained in any federal

379

00:14:31,509 --> 00:14:29,519

or state court against any person for

380

00:14:34,910 --> 00:14:31,519

receiving material or information

381

00:14:37,250 --> 00:14:34,920

described in subsection d

382

00:14:38,990 --> 00:14:37,260

if that person complies with

383

00:14:41,389 --> 00:14:39,000

notification and Reporting Provisions

384

00:14:43,910 --> 00:14:41,399

described in subsection if that person

385

00:14:46,129 --> 00:14:43,920

complies with the notification and

386

00:14:47,629 --> 00:14:46,139

Reporting Provisions described in such

387

00:14:51,530 --> 00:14:47,639

subsection

388

00:14:53,329 --> 00:14:51,540

I mean that legislation is saying we

389

00:14:55,910 --> 00:14:53,339

members of the Senate intelligence

390

00:14:59,030 --> 00:14:55,920

committee believe that there is

391

00:15:02,389 --> 00:14:59,040

extraterrestrial interdimensional exotic

392

00:15:05,150 --> 00:15:02,399

craft of Unknown Origin non-human made

393

00:15:07,009 --> 00:15:05,160

in the possession of either the

394

00:15:09,410 --> 00:15:07,019

government the military or defense

395

00:15:11,930 --> 00:15:09,420

contractors and we want it and and

396

00:15:13,009 --> 00:15:11,940

basically that is a declaration that the

397

00:15:16,670 --> 00:15:13,019

Hunt is on

398

00:15:18,650 --> 00:15:16,680

100 and the coolest thing about it you

399

00:15:23,569 --> 00:15:18,660

have to disclose possession of this

400

00:15:26,689 --> 00:15:23,579

within 60 days you have a 180 days to

401
00:15:29,629 --> 00:15:26,699
show it to actually show it so now look

402
00:15:32,449 --> 00:15:29,639
I I hope this becomes long and I hope

403
00:15:35,030 --> 00:15:32,459
it's enforceable law and I hope that

404
00:15:37,730 --> 00:15:35,040
this process works but no matter what

405
00:15:41,030 --> 00:15:37,740
what we're seeing is the screws being

406
00:15:44,689 --> 00:15:41,040
tightened down on

407
00:15:48,129 --> 00:15:44,699
aerospace companies on subcontractors on

408
00:15:51,889 --> 00:15:48,139
retrieval programs to say have you been

409
00:15:54,769 --> 00:15:51,899
given the right to look at exploitation

410
00:15:57,230 --> 00:15:54,779
of UFO technology and if so this is what

411
00:15:59,449 --> 00:15:57,240
you need to do so it's powerful if can

412
00:16:01,370 --> 00:15:59,459
be enacted well let's talk about that

413
00:16:03,110 --> 00:16:01,380

will it pass I mean it's been approved

414

00:16:05,150 --> 00:16:03,120

by the Senate intelligence committee

415

00:16:07,329 --> 00:16:05,160

obviously it would have to pass the full

416

00:16:09,949 --> 00:16:07,339

Senate then it has to pass the house

417

00:16:11,750 --> 00:16:09,959

then President Biden would have to sign

418

00:16:13,790 --> 00:16:11,760

it are any of those things going to

419

00:16:15,889 --> 00:16:13,800

happen you know it looks pretty good

420

00:16:19,129 --> 00:16:15,899

right now but I I would say it's not a

421

00:16:21,710 --> 00:16:19,139

slam dunk at all the Pentagon has

422

00:16:24,230 --> 00:16:21,720

enormous power on Capitol Hill every

423

00:16:26,930 --> 00:16:24,240

Congressman wants to be portrayed as Pro

424

00:16:28,910 --> 00:16:26,940

defense I'm rah-rah I'm right there with

425

00:16:32,090 --> 00:16:28,920

the Pentagon I'm pro strong National

426

00:16:34,430 --> 00:16:32,100

Defense almost all of them have defense

427

00:16:37,550 --> 00:16:34,440

installations or contractors in their

428

00:16:40,129 --> 00:16:37,560

districts so not only can the Pentagon

429

00:16:42,530 --> 00:16:40,139

Lobby members of Congress send it in

430

00:16:44,269 --> 00:16:42,540

house on this year issue but the defense

431

00:16:48,110 --> 00:16:44,279

contractors companies like Lockheed

432

00:16:49,610 --> 00:16:48,120

Martin and Northrop and and saic they

433

00:16:51,170 --> 00:16:49,620

give out a lot of money to members of

434

00:16:54,110 --> 00:16:51,180

Congress they help get them re-elected

435

00:16:56,509 --> 00:16:54,120

that effort to my knowledge has not even

436

00:16:59,150 --> 00:16:56,519

started yet the pushback has not really

437

00:17:02,090 --> 00:16:59,160

begun yet when it happens it's going to

438

00:17:05,750 --> 00:17:02,100

be significant uh go ahead yeah I mean

439

00:17:07,309 --> 00:17:05,760

so the way I read this is carrot and

440

00:17:10,250 --> 00:17:07,319

stick this is something that's been

441

00:17:13,309 --> 00:17:10,260

reiterated to me in numerous ways so you

442

00:17:16,490 --> 00:17:13,319

know the the stick is we are turning off

443

00:17:19,010 --> 00:17:16,500

funding for these illegal not properly

444

00:17:20,569 --> 00:17:19,020

reported programs and that's it

445

00:17:21,829 --> 00:17:20,579

you have to acknowledge it and we're

446

00:17:25,010 --> 00:17:21,839

turning it off if you're going to keep

447

00:17:26,870 --> 00:17:25,020

them illegal however the carrot is if we

448

00:17:29,630 --> 00:17:26,880

have if you acknowledge these programs

449

00:17:32,150 --> 00:17:29,640

there's no acquisition regulations

450

00:17:34,250 --> 00:17:32,160

meaning we don't care how or where you

451
00:17:36,110 --> 00:17:34,260
got it if you acknowledge it then we're

452
00:17:38,570 --> 00:17:36,120
going to continue you know to support

453
00:17:40,250 --> 00:17:38,580
this important work

454
00:17:42,409 --> 00:17:40,260
so so that is really cool it's like

455
00:17:44,930 --> 00:17:42,419
carrot and stick the idea that we're

456
00:17:46,669 --> 00:17:44,940
making the stance we're Drawing the Line

457
00:17:48,049 --> 00:17:46,679
in the Sand if if this passes we're

458
00:17:51,590 --> 00:17:48,059
Drawing the Line in the Sand hey

459
00:17:54,169 --> 00:17:51,600
Lockheed you have a recovered UFO from

460
00:17:55,909 --> 00:17:54,179
somewhere you've locked it up maybe we

461
00:17:56,990 --> 00:17:55,919
go back to the idea of the Wilson Davis

462
00:17:58,669 --> 00:17:57,000
memo

463
00:18:00,830 --> 00:17:58,679

people that should have authority don't

464

00:18:02,330 --> 00:18:00,840

have authority but if you if you tell us

465

00:18:04,730 --> 00:18:02,340

about it then we're going to continue

466

00:18:07,250 --> 00:18:04,740

helping you fund and maybe even Lockheed

467

00:18:09,169 --> 00:18:07,260

or other companies maybe they're looking

468

00:18:11,990 --> 00:18:09,179

for that front door entrance for the

469

00:18:13,850 --> 00:18:12,000

technology maybe they want to make it

470

00:18:16,010 --> 00:18:13,860

official and bring it in through the

471

00:18:18,169 --> 00:18:16,020

front door so they can expand the number

472

00:18:20,330 --> 00:18:18,179

of people researching on it they can

473

00:18:23,270 --> 00:18:20,340

write technical papers about it I have a

474

00:18:25,669 --> 00:18:23,280

hunch that there are contractors that

475

00:18:26,870 --> 00:18:25,679

would like to see this legalized so

476

00:18:28,970 --> 00:18:26,880

they're not going to get in trouble for

477

00:18:30,890 --> 00:18:28,980

it my wife and I watch a lot of these

478

00:18:32,990 --> 00:18:30,900

cop shows on television these crime

479

00:18:34,490 --> 00:18:33,000

shows and it's always the cops in the

480

00:18:36,650 --> 00:18:34,500

interview room going to the suspect

481

00:18:38,750 --> 00:18:36,660

saying look if you come clean with us

482

00:18:40,970 --> 00:18:38,760

now we'll give you a break although that

483

00:18:42,950 --> 00:18:40,980

doesn't always happen but if you lie to

484

00:18:45,470 --> 00:18:42,960

us the hammer comes down that's what's

485

00:18:47,090 --> 00:18:45,480

Happening Here look if you

486

00:18:48,710 --> 00:18:47,100

um aerospace companies and you've got

487

00:18:51,830 --> 00:18:48,720

flying saucers hidden in a hangar

488

00:18:53,570 --> 00:18:51,840

somewhere tell us now and we won't hold

489

00:18:55,909 --> 00:18:53,580

you accountable for it we won't punish

490

00:18:57,890 --> 00:18:55,919

you but if you don't uh that you're

491

00:19:01,610 --> 00:18:57,900

going to be in trouble uh here's the

492

00:19:03,590 --> 00:19:01,620

thing is is there a case to be made that

493

00:19:06,529 --> 00:19:03,600

exposing what we've called the goodies

494

00:19:09,049 --> 00:19:06,539

should not be done and I said in this

495

00:19:12,409 --> 00:19:09,059

context is you know people that we know

496

00:19:14,870 --> 00:19:12,419

high up people

497

00:19:17,330 --> 00:19:14,880

um almost universally believed that

498

00:19:19,250 --> 00:19:17,340

total disclosure is a bad idea

499

00:19:21,470 --> 00:19:19,260

it is intrinsic there are National

500

00:19:23,450 --> 00:19:21,480

Security implications that are intrinsic

501
00:19:25,310 --> 00:19:23,460
to this this is technology that would

502
00:19:28,130 --> 00:19:25,320
change the world that would change the

503
00:19:30,409 --> 00:19:28,140
military balance in in the world if we

504
00:19:32,930 --> 00:19:30,419
could successfully reverse engineer it

505
00:19:35,029 --> 00:19:32,940
we've had this stuff for decades

506
00:19:37,250 --> 00:19:35,039
um limited success in trying to

507
00:19:39,950 --> 00:19:37,260
duplicate the technology with Earth

508
00:19:42,409 --> 00:19:39,960
means and earth materials but if that

509
00:19:44,870 --> 00:19:42,419
breakthrough could be made it would be

510
00:19:46,909 --> 00:19:44,880
enormously important for the world

511
00:19:49,130 --> 00:19:46,919
it's important that we get it and not

512
00:19:52,789 --> 00:19:49,140
Russia or China or some other adversary

513
00:19:54,950 --> 00:19:52,799

but that's that's the primary premise of

514

00:19:56,450 --> 00:19:54,960

why the secrecy has taken place for so

515

00:19:58,610 --> 00:19:56,460

long and I don't know how you get around

516

00:20:00,529 --> 00:19:58,620

it let's talk about that for a second

517

00:20:02,210 --> 00:20:00,539

because I am not one of those people

518

00:20:04,909 --> 00:20:02,220

that think that our world would

519

00:20:08,210 --> 00:20:04,919

instantaneously be revolutionized by the

520

00:20:09,950 --> 00:20:08,220

Technologies uh that we have allegedly

521

00:20:11,990 --> 00:20:09,960

recovered and have been reverse

522

00:20:13,850 --> 00:20:12,000

engineering what I mean by that is a lot

523

00:20:16,090 --> 00:20:13,860

of people like to say well you know free

524

00:20:18,470 --> 00:20:16,100

energy like instantly the whole

525

00:20:19,730 --> 00:20:18,480

structure infrastructure fossil fuels

526

00:20:21,110 --> 00:20:19,740

would go down and people would lose

527

00:20:25,130 --> 00:20:21,120

money and they're fighting against that

528

00:20:26,390 --> 00:20:25,140

I just I don't see that and here's why I

529

00:20:28,430 --> 00:20:26,400

I don't think it would change things

530

00:20:30,650 --> 00:20:28,440

overnight I think that whatever

531

00:20:32,930 --> 00:20:30,660

Technologies can be derived from these

532

00:20:35,630 --> 00:20:32,940

acquisition programs that it would take

533

00:20:37,250 --> 00:20:35,640

a a great deal of Material Science in

534

00:20:38,930 --> 00:20:37,260

order to replicate them and as we know

535

00:20:41,150 --> 00:20:38,940

all the way back from babazar back in

536

00:20:43,250 --> 00:20:41,160

the day believe him or not believe him

537

00:20:45,350 --> 00:20:43,260

what he said is becoming much more

538

00:20:48,950 --> 00:20:45,360

relevant these days with what we're

539

00:20:51,049 --> 00:20:48,960

learning what he said was that we have

540

00:20:54,169 --> 00:20:51,059

no way of replicating these Technologies

541

00:20:56,029 --> 00:20:54,179

the material science alone is the

542

00:20:58,669 --> 00:20:56,039

limiting factor it's kind of the speed

543

00:21:01,310 --> 00:20:58,679

of light when it comes to to this topic

544

00:21:03,950 --> 00:21:01,320

but guess what he's not the only one

545

00:21:06,169 --> 00:21:03,960

that said that to us I mean

546

00:21:07,970 --> 00:21:06,179

almost across the board people involved

547

00:21:09,890 --> 00:21:07,980

with this have said the number one thing

548

00:21:11,690 --> 00:21:09,900

that stopped us is we can't properly

549

00:21:13,490 --> 00:21:11,700

replicate the power source that's what

550

00:21:14,930 --> 00:21:13,500

said to me over and over and over again

551
00:21:17,750 --> 00:21:14,940
I don't know what to make of that

552
00:21:19,430 --> 00:21:17,760
completely I got some theories but I

553
00:21:21,169 --> 00:21:19,440
mean if that's the case now back to your

554
00:21:22,610 --> 00:21:21,179
point George you were you're basically

555
00:21:24,710 --> 00:21:22,620
saying

556
00:21:26,870 --> 00:21:24,720
should this be out because we have

557
00:21:29,330 --> 00:21:26,880
talked to a lot of people in position to

558
00:21:31,070 --> 00:21:29,340
know that are against what we call

559
00:21:33,470 --> 00:21:31,080
disclosure what some people call

560
00:21:36,770 --> 00:21:33,480
disclosure keep a disclosure of what

561
00:21:39,409 --> 00:21:36,780
like as Lazar has said

562
00:21:41,870 --> 00:21:39,419
whose job is it to to not let people

563
00:21:44,630 --> 00:21:41,880

know the fundamental nature of reality

564

00:21:46,490 --> 00:21:44,640

that we live in sure some things could

565

00:21:48,529 --> 00:21:46,500

be weaponized but look we've

566

00:21:50,510 --> 00:21:48,539

acknowledged the atomic bomb program

567

00:21:52,610 --> 00:21:50,520

we've acknowledged the nuclear programs

568

00:21:55,250 --> 00:21:52,620

we don't teach people how to make

569

00:21:57,770 --> 00:21:55,260

nuclear bombs we've acknowledged it so

570

00:22:00,430 --> 00:21:57,780

I'm kind of like in this limbo where I'm

571

00:22:03,529 --> 00:22:00,440

like the fundamentals should be told

572

00:22:05,390 --> 00:22:03,539

Secrets should be kept but where is that

573

00:22:07,010 --> 00:22:05,400

that in the middle place where we can

574

00:22:09,470 --> 00:22:07,020

get the basic information out to the

575

00:22:10,730 --> 00:22:09,480

public if true and protect National

576
00:22:13,010 --> 00:22:10,740
Security

577
00:22:15,529 --> 00:22:13,020
among the things that we do not know is

578
00:22:17,690 --> 00:22:15,539
we do not know of all the people who

579
00:22:20,630 --> 00:22:17,700
have met behind closed doors with the

580
00:22:23,270 --> 00:22:20,640
Congressional members and staff we don't

581
00:22:25,430 --> 00:22:23,280
know who if anyone has made the argument

582
00:22:27,950 --> 00:22:25,440
that disclosure is not a good idea and

583
00:22:30,470 --> 00:22:27,960
here are the consequences if we disclose

584
00:22:32,870 --> 00:22:30,480
it can you have partial disclosure it's

585
00:22:35,870 --> 00:22:32,880
like partial pregnancy uh let's say

586
00:22:38,029 --> 00:22:35,880
Marco Rubio convinces the Pentagon or

587
00:22:40,190 --> 00:22:38,039
Lockheed Martin let me into the hangar

588
00:22:43,190 --> 00:22:40,200

let me see the craft oh there's the

589

00:22:45,590 --> 00:22:43,200

bodies he gets to see that with his own

590

00:22:48,169 --> 00:22:45,600

eyes and then goes back in what he can

591

00:22:50,390 --> 00:22:48,179

he say it what can Congress reveal to us

592

00:22:52,370 --> 00:22:50,400

can they say we've got this we've been

593

00:22:54,409 --> 00:22:52,380

working on this for a long time we're

594

00:22:56,450 --> 00:22:54,419

trying to make advances tell the world

595

00:22:58,669 --> 00:22:56,460

about it because there are significant

596

00:23:00,890 --> 00:22:58,679

ramifications to that what it tells our

597

00:23:02,630 --> 00:23:00,900

adversaries about how much progress we

598

00:23:04,930 --> 00:23:02,640

have made on it the fact that we've got

599

00:23:07,549 --> 00:23:04,940

the stuff that they may or may not have

600

00:23:09,950 --> 00:23:07,559

what is the reaction to the public we

601
00:23:11,570 --> 00:23:09,960
think we're ready to know but are we

602
00:23:14,810 --> 00:23:11,580
because we don't don't know what the

603
00:23:16,310 --> 00:23:14,820
bottom line is I I hear you and I also

604
00:23:18,950 --> 00:23:16,320
know that a lot of people we have talked

605
00:23:21,710 --> 00:23:18,960
with have cautioned us that there is

606
00:23:24,950 --> 00:23:21,720
some truth some deeper truth that

607
00:23:27,289 --> 00:23:24,960
shouldn't be widely publicly known I

608
00:23:29,330 --> 00:23:27,299
think it's like I

609
00:23:31,850 --> 00:23:29,340
honestly I want to know what you think

610
00:23:33,649 --> 00:23:31,860
George now what do you think I think

611
00:23:36,049 --> 00:23:33,659
you're playing both sides here do you

612
00:23:38,090 --> 00:23:36,059
think the public should know about

613
00:23:40,730 --> 00:23:38,100

whatever the reality might be about this

614

00:23:42,649 --> 00:23:40,740

do you think well it is my job to let

615

00:23:44,990 --> 00:23:42,659

the public know and I've worked for 35

616

00:23:47,390 --> 00:23:45,000

years to let the public know but at the

617

00:23:49,850 --> 00:23:47,400

end of the day I'm not sure that that is

618

00:23:51,950 --> 00:23:49,860

a good idea I really am not and I'm torn

619

00:23:55,130 --> 00:23:51,960

over it and it messes with my head but

620

00:23:57,230 --> 00:23:55,140

the fact is that we don't know what the

621

00:23:59,270 --> 00:23:57,240

ultimate effect of revealing this stuff

622

00:24:00,470 --> 00:23:59,280

will be I don't think you can go part

623

00:24:02,149 --> 00:24:00,480

way

624

00:24:03,529 --> 00:24:02,159

um if if we've got bodies in craft

625

00:24:05,990 --> 00:24:03,539

people are going to want to see it

626

00:24:07,909 --> 00:24:06,000

they're going to see uh pictures of it

627

00:24:09,950 --> 00:24:07,919

video of it they're going to see want to

628

00:24:12,110 --> 00:24:09,960

see analysis of it there's no way you

629

00:24:14,029 --> 00:24:12,120

can tell them yeah it's real and the

630

00:24:15,890 --> 00:24:14,039

public will be satisfied and move on to

631

00:24:18,409 --> 00:24:15,900

something else you know we we did not

632

00:24:20,270 --> 00:24:18,419

know uh so much we don't know

633

00:24:22,370 --> 00:24:20,280

um we haven't seen pushback in the media

634

00:24:25,250 --> 00:24:22,380

yet a little bit here and there but it's

635

00:24:27,890 --> 00:24:25,260

coming you know we've seen journalists

636

00:24:30,409 --> 00:24:27,900

Pummel and pound on people like Dave

637

00:24:32,450 --> 00:24:30,419

grush Eric Davis and others who've come

638

00:24:35,029 --> 00:24:32,460

forward with information who put their

639

00:24:36,710 --> 00:24:35,039

careers on the line and and and probably

640

00:24:38,750 --> 00:24:36,720

their personal safety to go ahead and

641

00:24:40,850 --> 00:24:38,760

tell Congress behind closed doors that

642

00:24:42,529 --> 00:24:40,860

this stuff is real they've done it at

643

00:24:45,470 --> 00:24:42,539

Great risk and they've got nothing but

644

00:24:47,390 --> 00:24:45,480

grief for it but the real big Push by

645

00:24:49,430 --> 00:24:47,400

the New York Times by The Wall Street

646

00:24:50,810 --> 00:24:49,440

Journal by folks like that has still not

647

00:24:52,970 --> 00:24:50,820

been launched and I think it's coming

648

00:24:54,950 --> 00:24:52,980

you know but I want to get clear would

649

00:24:56,810 --> 00:24:54,960

you ever hide from the global and

650

00:24:58,909 --> 00:24:56,820

American public if you found out the

651
00:25:00,350 --> 00:24:58,919
absolute 100 truth or what George Knapp

652
00:25:04,310 --> 00:25:00,360
would you report on it I don't know

653
00:25:05,750 --> 00:25:04,320
really I don't know I mean I've grappled

654
00:25:08,510 --> 00:25:05,760
with that question let's say somebody

655
00:25:10,310 --> 00:25:08,520
comes to you and says all right we can

656
00:25:12,770 --> 00:25:10,320
tell you you can come in and see it you

657
00:25:14,810 --> 00:25:12,780
will let you into Area 51 there it is

658
00:25:16,970 --> 00:25:14,820
but the on the condition that you can

659
00:25:19,190 --> 00:25:16,980
never report it

660
00:25:21,409 --> 00:25:19,200
that's a tough question oh you're gonna

661
00:25:23,450 --> 00:25:21,419
light the internet on fire right now

662
00:25:25,250 --> 00:25:23,460
every troll in the game I'd like to know

663
00:25:28,190 --> 00:25:25,260

I mean if the cost of it is that I can't

664

00:25:29,690 --> 00:25:28,200

tell anybody about it you know it's a

665

00:25:31,430 --> 00:25:29,700

tough question yeah okay so let me let

666

00:25:34,250 --> 00:25:31,440

me reverse that a little bit so because

667

00:25:36,470 --> 00:25:34,260

as a journalist if you found out nobody

668

00:25:39,049 --> 00:25:36,480

put restrictions on you would you tell

669

00:25:41,890 --> 00:25:39,059

the public yeah I mean my inclination is

670

00:25:44,630 --> 00:25:41,900

of course yeah but let's say somebody

671

00:25:48,049 --> 00:25:44,640

makes a case to me that this is a really

672

00:25:50,210 --> 00:25:48,059

bad idea and here's why uh it puts our

673

00:25:53,029 --> 00:25:50,220

security at risk because it tells Russia

674

00:25:55,730 --> 00:25:53,039

where we are it tells China where we are

675

00:25:58,130 --> 00:25:55,740

there's no transparency movement in

676
00:26:00,289 --> 00:25:58,140
Russia there's no disclosure movement in

677
00:26:02,210 --> 00:26:00,299
China we know that those countries have

678
00:26:04,490 --> 00:26:02,220
this same stuff and are trying to figure

679
00:26:07,010 --> 00:26:04,500
it out I think it puts us at a

680
00:26:09,110 --> 00:26:07,020
disadvantage a strategic uh National

681
00:26:12,350 --> 00:26:09,120
Security disadvantage for us to go ahead

682
00:26:14,269 --> 00:26:12,360
and open this stuff up although I'd like

683
00:26:15,890 --> 00:26:14,279
to know and I'd like it to happen you

684
00:26:18,110 --> 00:26:15,900
know I I just think

685
00:26:20,090 --> 00:26:18,120
we're not hearing that side of it and I

686
00:26:22,730 --> 00:26:20,100
hope that somebody has talked to

687
00:26:24,830 --> 00:26:22,740
Congress behind closed doors about where

688
00:26:26,630 --> 00:26:24,840

this could lead right you got to give me

689

00:26:28,730 --> 00:26:26,640

a reason otherwise I'm going to lie to

690

00:26:31,250 --> 00:26:28,740

match and burn the whole house down you

691

00:26:33,710 --> 00:26:31,260

got to tell me why this is something

692

00:26:35,510 --> 00:26:33,720

that isn't something we should report on

693

00:26:37,909 --> 00:26:35,520

like if we get you know some sort of

694

00:26:39,649 --> 00:26:37,919

definitive knowledge in some way man I

695

00:26:42,049 --> 00:26:39,659

don't know I'm just I'm being honest

696

00:26:44,390 --> 00:26:42,059

right now I I'd Light It Up

697

00:26:47,149 --> 00:26:44,400

what if it turns out that aliens made us

698

00:26:49,250 --> 00:26:47,159

that space aliens have been manipulating

699

00:26:50,570 --> 00:26:49,260

our DNA that we are a lab experiment

700

00:26:52,669 --> 00:26:50,580

what if it turns out that

701

00:26:55,310 --> 00:26:52,679

interdimensional beings are like Santa

702

00:26:57,049 --> 00:26:55,320

Claus they know when you you've been bad

703

00:26:59,210 --> 00:26:57,059

or good they know when you're sleeping

704

00:27:01,130 --> 00:26:59,220

they watch you in the shower when you're

705

00:27:02,930 --> 00:27:01,140

in bed at your most private moment

706

00:27:04,850 --> 00:27:02,940

sitting on the toilet that they're

707

00:27:07,010 --> 00:27:04,860

always among us that they can come in

708

00:27:09,649 --> 00:27:07,020

and out of our world uh that they

709

00:27:11,690 --> 00:27:09,659

control our world on a mass scale and

710

00:27:13,730 --> 00:27:11,700

there's nothing we can do about it uh

711

00:27:16,070 --> 00:27:13,740

are people ready to handle that it's not

712

00:27:17,990 --> 00:27:16,080

my job to decide if people are ready to

713

00:27:19,970 --> 00:27:18,000

handle that I you know I say bring it on

714

00:27:23,029 --> 00:27:19,980

what else you got

715

00:27:25,310 --> 00:27:23,039

yeah yeah I I don't know I mean but um

716

00:27:27,110 --> 00:27:25,320

I'm just saying that I hope that

717

00:27:28,970 --> 00:27:27,120

somewhere along the line as Congress is

718

00:27:30,769 --> 00:27:28,980

considering this that they take that

719

00:27:33,890 --> 00:27:30,779

into consideration the other part of it

720

00:27:35,390 --> 00:27:33,900

is let's say Marco Rubio senator gilbrev

721

00:27:36,950 --> 00:27:35,400

they get the tour they go into the

722

00:27:38,930 --> 00:27:36,960

hangar they see the stuff

723

00:27:41,630 --> 00:27:38,940

what do we know about what they can tell

724

00:27:43,370 --> 00:27:41,640

us right because just because they get

725

00:27:45,350 --> 00:27:43,380

the information under this legislation

726

00:27:47,450 --> 00:27:45,360

does not mean they have to tell the rest

727

00:27:48,769 --> 00:27:47,460

of us right um and and you know there

728

00:27:50,870 --> 00:27:48,779

are there's some really interesting

729

00:27:53,029 --> 00:27:50,880

language and as I said before I think

730

00:27:55,549 --> 00:27:53,039

they had some great coaching from Chris

731

00:27:57,769 --> 00:27:55,559

Bell and LU Elizondo Dave Crush people

732

00:28:00,890 --> 00:27:57,779

like that sure about how to develop this

733

00:28:03,049 --> 00:28:00,900

this uh language but it's clever you

734

00:28:05,269 --> 00:28:03,059

know there are some clever loopholes uh

735

00:28:07,730 --> 00:28:05,279

you know who has this stuff where is it

736

00:28:09,769 --> 00:28:07,740

uh is there a chain of custody that

737

00:28:11,930 --> 00:28:09,779

shows that the crash retrieval stuff

738

00:28:13,970 --> 00:28:11,940

other than Roswell belonged to the US

739

00:28:16,789 --> 00:28:13,980

government and then we handed it over to

740

00:28:18,710 --> 00:28:16,799

a private company is there uh is there a

741

00:28:20,570 --> 00:28:18,720

documentation Trail is there a money

742

00:28:23,630 --> 00:28:20,580

Trail there are references in this

743

00:28:25,549 --> 00:28:23,640

documentation in the legislation to hey

744

00:28:27,230 --> 00:28:25,559

we're going to cut off the money

745

00:28:29,810 --> 00:28:27,240

um you know if if you guys don't comply

746

00:28:32,090 --> 00:28:29,820

with this do we know for sure that there

747

00:28:34,549 --> 00:28:32,100

are special access programs controlling

748

00:28:36,950 --> 00:28:34,559

this material the bodies the craft

749

00:28:39,409 --> 00:28:36,960

whatever that is funded by the taxpayers

750

00:28:42,409 --> 00:28:39,419

I don't know I mean we think that that's

751
00:28:44,029 --> 00:28:42,419
true do we know how many uh of these

752
00:28:45,590 --> 00:28:44,039
crash retrievals assuming there are

753
00:28:47,690 --> 00:28:45,600
multiple and we believe that's the case

754
00:28:50,810 --> 00:28:47,700
how many of them were retrieved by say

755
00:28:52,789 --> 00:28:50,820
Lockheed or uh saic instead of the US

756
00:28:55,310 --> 00:28:52,799
Military and the US government are there

757
00:28:57,529 --> 00:28:55,320
subcontractors who did this stuff for

758
00:28:58,610 --> 00:28:57,539
the military then handed over to another

759
00:29:01,130 --> 00:28:58,620
company

760
00:29:02,870 --> 00:29:01,140
that they have so many layers of these

761
00:29:05,330 --> 00:29:02,880
special access programs

762
00:29:07,490 --> 00:29:05,340
Congress can sniff around about it but

763
00:29:11,149 --> 00:29:07,500

really penetrating that world

764

00:29:13,909 --> 00:29:11,159

by passing this legislation you might in

765

00:29:16,730 --> 00:29:13,919

effect Force this into an even deeper

766

00:29:19,610 --> 00:29:16,740

black hole than it is now oh that's

767

00:29:21,950 --> 00:29:19,620

dark man I hope not no but I I feel you

768

00:29:24,409 --> 00:29:21,960

I mean from the people that created the

769

00:29:26,570 --> 00:29:24,419

language and wrote this I think it's

770

00:29:28,610 --> 00:29:26,580

it's a real it's an attempt to pop the

771

00:29:30,590 --> 00:29:28,620

balloon it's attempt to jump into gut

772

00:29:32,570 --> 00:29:30,600

this thing but you're right there are a

773

00:29:34,789 --> 00:29:32,580

lot of things that could go wrong so the

774

00:29:36,830 --> 00:29:34,799

the idea that we know there are shell

775

00:29:39,110 --> 00:29:36,840

companies for organizations like CIA

776

00:29:41,090 --> 00:29:39,120

right that didn't sequester that money

777

00:29:43,310 --> 00:29:41,100

over and then they they have their own

778

00:29:44,930 --> 00:29:43,320

organization to go in and do retrievals

779

00:29:46,789 --> 00:29:44,940

or something like that let's pretend

780

00:29:49,010 --> 00:29:46,799

that's the truth so something like that

781

00:29:51,110 --> 00:29:49,020

right so then you wouldn't have the

782

00:29:52,370 --> 00:29:51,120

direct ability to shut off money because

783

00:29:54,049 --> 00:29:52,380

you don't even know where that money is

784

00:29:56,330 --> 00:29:54,059

going over to in the first place so I I

785

00:29:59,990 --> 00:29:56,340

get it there's tons of problems but this

786

00:30:02,090 --> 00:30:00,000

is a huge leap for what we're trying to

787

00:30:04,190 --> 00:30:02,100

understand with this subject this is a

788

00:30:07,010 --> 00:30:04,200

huge uh Arrow that's being shot

789

00:30:08,990 --> 00:30:07,020

absolutely totally agree I'm just saying

790

00:30:11,269 --> 00:30:09,000

that the people people who live in this

791

00:30:13,010 --> 00:30:11,279

world they navigated so much better than

792

00:30:14,750 --> 00:30:13,020

we do and so you could have really great

793

00:30:17,510 --> 00:30:14,760

language like they've crafted in this

794

00:30:18,769 --> 00:30:17,520

bill that still provides some wiggle

795

00:30:21,529 --> 00:30:18,779

room all right you're looking for

796

00:30:23,450 --> 00:30:21,539

non-human technology something that is

797

00:30:24,889 --> 00:30:23,460

exotic something that is foreign

798

00:30:27,470 --> 00:30:24,899

unidentified

799

00:30:29,570 --> 00:30:27,480

um you know you could uh the companies

800

00:30:31,789 --> 00:30:29,580

that have this material assuming that

801
00:30:33,710 --> 00:30:31,799
it's a private company they don't know

802
00:30:35,450 --> 00:30:33,720
the origin they can't say it's non-human

803
00:30:37,610 --> 00:30:35,460
they don't know where it came from so

804
00:30:39,769 --> 00:30:37,620
the the dance and the gymnastics of

805
00:30:42,110 --> 00:30:39,779
language I've seen a journalist friend

806
00:30:44,090 --> 00:30:42,120
of ours Chris sharp with the Liberation

807
00:30:45,769 --> 00:30:44,100
times he's really dug into this he's

808
00:30:47,510 --> 00:30:45,779
like trying to figure out the

809
00:30:49,850 --> 00:30:47,520
terminology so you haven't found

810
00:30:52,130 --> 00:30:49,860
evidence of extraterrestrial but how

811
00:30:54,830 --> 00:30:52,140
about non-human how about of Unknown

812
00:30:56,149 --> 00:30:54,840
Origin and the types of responses I

813
00:30:58,490 --> 00:30:56,159

think it's okay to say that he's

814

00:31:00,950 --> 00:30:58,500

receiving at this time is like well you

815

00:31:03,110 --> 00:31:00,960

define Unknown Origin

816

00:31:05,570 --> 00:31:03,120

I Define it like it's like so there's

817

00:31:07,669 --> 00:31:05,580

this gamesmanship right now of what is

818

00:31:10,970 --> 00:31:07,679

in the in the Press world the pr world

819

00:31:12,409 --> 00:31:10,980

you know trying to get people boxed in

820

00:31:14,330 --> 00:31:12,419

when they're doing things like making

821

00:31:17,810 --> 00:31:14,340

requests for information that is really

822

00:31:20,450 --> 00:31:17,820

tricky stuff uh look people involved in

823

00:31:23,870 --> 00:31:20,460

this I I personally know people involved

824

00:31:26,570 --> 00:31:23,880

in this are concerned by

825

00:31:28,970 --> 00:31:26,580

they are concerned for their safety

826

00:31:29,870 --> 00:31:28,980

some people are very concerned for their

827

00:31:32,930 --> 00:31:29,880

safety

828

00:31:34,669 --> 00:31:32,940

and we know Rubio and we know the gang

829

00:31:36,350 --> 00:31:34,679

at eight we know that the Senate

830

00:31:38,930 --> 00:31:36,360

intelligence committee are taking those

831

00:31:41,389 --> 00:31:38,940

concerns seriously now what does that

832

00:31:43,430 --> 00:31:41,399

even mean like that's so crazy to me the

833

00:31:44,990 --> 00:31:43,440

idea that people who are in active

834

00:31:47,630 --> 00:31:45,000

positions within intelligence

835

00:31:49,669 --> 00:31:47,640

organizations or let's just say whatever

836

00:31:52,730 --> 00:31:49,679

other organizations

837

00:31:54,350 --> 00:31:52,740

that they are concerned about speaking

838

00:31:56,389 --> 00:31:54,360

even though they're being asked to come

839

00:32:00,110 --> 00:31:56,399

and talk about this and people have

840

00:32:03,289 --> 00:32:00,120

concern that Dr Sean Kirkpatrick

841

00:32:05,090 --> 00:32:03,299

reporting back to Congress isn't going

842

00:32:07,430 --> 00:32:05,100

to be transparent like a lot of people

843

00:32:08,930 --> 00:32:07,440

are not going forward to Arrow because

844

00:32:11,149 --> 00:32:08,940

they're worried that they don't know if

845

00:32:13,010 --> 00:32:11,159

he's on the level to be straight that's

846

00:32:14,450 --> 00:32:13,020

that's what people think how do they

847

00:32:15,289 --> 00:32:14,460

prove it to people that they're on the

848

00:32:17,990 --> 00:32:15,299

level

849

00:32:19,850 --> 00:32:18,000

I'm not sure they can at this point I

850

00:32:23,690 --> 00:32:19,860

mean the the signals that they've been

851
00:32:26,029 --> 00:32:23,700
sending so far are decidedly mixed we

852
00:32:27,470 --> 00:32:26,039
know people in that whistleblower World

853
00:32:29,570 --> 00:32:27,480
there aren't a whole lot of them there

854
00:32:31,310 --> 00:32:29,580
are some and they are very concerned

855
00:32:33,409 --> 00:32:31,320
about the direction that Arrow has shown

856
00:32:35,450 --> 00:32:33,419
the statements that Sean Kirkpatrick has

857
00:32:38,510 --> 00:32:35,460
made in public I've seen no credible

858
00:32:40,370 --> 00:32:38,520
evidence of this or that uh that is uh

859
00:32:42,529 --> 00:32:40,380
incredibly discouraging I would think to

860
00:32:44,389 --> 00:32:42,539
people who are ready to put their lives

861
00:32:46,610 --> 00:32:44,399
and careers on the line to come forward

862
00:32:48,049 --> 00:32:46,620
I'd have to think twice if I had a

863
00:32:49,789 --> 00:32:48,059

family I'd have to think twice about it

864

00:32:53,090 --> 00:32:49,799

so let's break it down for people so

865

00:32:56,330 --> 00:32:53,100

you've got people who are coming forward

866

00:32:58,789 --> 00:32:56,340

to Arrow who say I have personally

867

00:33:00,889 --> 00:32:58,799

worked on this stuff this is where the

868

00:33:05,149 --> 00:33:00,899

holding facility for this craft or this

869

00:33:08,029 --> 00:33:05,159

technology is uh I have personally held

870

00:33:10,130 --> 00:33:08,039

it I have worked on it durationally for

871

00:33:11,810 --> 00:33:10,140

years some of them and then they see

872

00:33:14,509 --> 00:33:11,820

these public statements by Dr

873

00:33:16,730 --> 00:33:14,519

Kirkpatrick and they're like what the

874

00:33:18,289 --> 00:33:16,740

yeah so that is a discouraging

875

00:33:20,029 --> 00:33:18,299

thing for some of these whistleblowers

876

00:33:22,009 --> 00:33:20,039

or some of these people that are that

877

00:33:23,990 --> 00:33:22,019

have been asked to come forward you know

878

00:33:25,970 --> 00:33:24,000

somebody who's really been pushing the

879

00:33:29,210 --> 00:33:25,980

edge of the envelope in the house is

880

00:33:31,070 --> 00:33:29,220

Gallagher uh this guy we saw him at that

881

00:33:33,409 --> 00:33:31,080

that first public hearing where he just

882

00:33:35,930 --> 00:33:33,419

came out blazing he'd obviously done his

883

00:33:38,330 --> 00:33:35,940

his homework but he's subsequently made

884

00:33:40,549 --> 00:33:38,340

recent comments as well where he you

885

00:33:43,490 --> 00:33:40,559

know he he clearly knows this issue

886

00:33:46,370 --> 00:33:43,500

inside and out representative Gallagher

887

00:33:48,769 --> 00:33:46,380

is a champion when it comes to the UFO

888

00:33:50,509 --> 00:33:48,779

transparency this is a guy that I think

889

00:33:53,029 --> 00:33:50,519

spends a lot of his time dealing with

890

00:33:55,430 --> 00:33:53,039

the kind of adversarial attempts by

891

00:33:57,769 --> 00:33:55,440

China so this is something he he heads a

892

00:34:00,470 --> 00:33:57,779

committee he is one of these kind of

893

00:34:02,870 --> 00:34:00,480

America First like let's do this kind of

894

00:34:05,570 --> 00:34:02,880

guys and to see him talk about the UAP

895

00:34:08,030 --> 00:34:05,580

issue so openly the other day he was on

896

00:34:10,490 --> 00:34:08,040

a podcast and I was just watching it

897

00:34:11,750 --> 00:34:10,500

thinking man this guy is a champ twice a

898

00:34:14,030 --> 00:34:11,760

year and they have to give us a

899

00:34:15,589 --> 00:34:14,040

classified briefing and once a year they

900

00:34:17,270 --> 00:34:15,599

have to do an unclassified briefing

901
00:34:18,889 --> 00:34:17,280
usually when we get these unclassified

902
00:34:20,389 --> 00:34:18,899
briefings in written or in sport conform

903
00:34:21,829 --> 00:34:20,399
they're unsatisfied they don't really go

904
00:34:23,270 --> 00:34:21,839
into the details so I think once we've

905
00:34:24,349 --> 00:34:23,280
compiled all this information and

906
00:34:25,970 --> 00:34:24,359
there's other stuff we have to do we're

907
00:34:27,530 --> 00:34:25,980
going to pass hopefully another piece of

908
00:34:28,909 --> 00:34:27,540
legislation that Rubio is doing in the

909
00:34:31,730 --> 00:34:28,919
Senate and I'll do in the house which

910
00:34:34,550 --> 00:34:31,740
basically says if you are part of any

911
00:34:36,889 --> 00:34:34,560
reverse engineering crashed exotic

912
00:34:38,810 --> 00:34:36,899
materials recovery program you are not

913
00:34:41,089 --> 00:34:38,820

allowed to access any government dollars

914

00:34:43,250 --> 00:34:41,099

but we'll offer you amnesty to come

915

00:34:44,690 --> 00:34:43,260

forward and report to us because the

916

00:34:47,810 --> 00:34:44,700

claim that Dave Grosh and others are

917

00:34:49,609 --> 00:34:47,820

making is that these programs exist and

918

00:34:51,169 --> 00:34:49,619

they're in violation of the law because

919

00:34:53,450 --> 00:34:51,179

Congress is unaware of them so we have

920

00:34:55,250 --> 00:34:53,460

to smoke that out in order just to

921

00:34:57,470 --> 00:34:55,260

examine that claim and I think if we

922

00:34:59,390 --> 00:34:57,480

have a better body of evidence then we

923

00:35:01,609 --> 00:34:59,400

could come forward with it I am in favor

924

00:35:03,230 --> 00:35:01,619

of transparency on this I think the

925

00:35:06,170 --> 00:35:03,240

American people I think that's gonna be

926
00:35:07,730 --> 00:35:06,180
a shock Factor though yeah that's gonna

927
00:35:09,470 --> 00:35:07,740
up a lot of it's not the worst

928
00:35:12,050 --> 00:35:09,480
case scenario though think about I would

929
00:35:15,349 --> 00:35:12,060
actually depending on uh what the

930
00:35:16,550 --> 00:35:15,359
intention of the aliens are if indeed it

931
00:35:18,109 --> 00:35:16,560
is extraterrestrial and last time I was

932
00:35:19,550 --> 00:35:18,119
here we went through all the different

933
00:35:22,069 --> 00:35:19,560
hypotheses right to include the

934
00:35:23,390 --> 00:35:22,079
Terminator hypothesis from the future if

935
00:35:25,069 --> 00:35:23,400
it maybe it is potentially Time

936
00:35:26,510 --> 00:35:25,079
Travelers or whatever which would be

937
00:35:28,609 --> 00:35:26,520
crazy that would be absolutely crazy

938
00:35:31,190 --> 00:35:28,619

yeah probably that orange Globe yeah the

939

00:35:32,990 --> 00:35:31,200

portal yeah we all saw that but if it

940

00:35:34,970 --> 00:35:33,000

was which some people just try to write

941

00:35:37,130 --> 00:35:34,980

it off as and I know AJ and all the boys

942

00:35:38,630 --> 00:35:37,140

have questions I apologize here but if

943

00:35:40,730 --> 00:35:38,640

they were to write it off as foreign

944

00:35:42,710 --> 00:35:40,740

threat that in my opinion could be the

945

00:35:44,630 --> 00:35:42,720

worst case scenario if it's China or

946

00:35:47,089 --> 00:35:44,640

Russia and they have advanced technology

947

00:35:48,410 --> 00:35:47,099

that we can't even sniff right and we

948

00:35:50,030 --> 00:35:48,420

can't even understand the physics of it

949

00:35:51,950 --> 00:35:50,040

I mean so many things are going Mach 5

950

00:35:53,150 --> 00:35:51,960

and changing direction but if it was

951
00:35:55,250 --> 00:35:53,160
them they would already use that right

952
00:35:56,990 --> 00:35:55,260
in What scenario that we haven't fought

953
00:35:58,430 --> 00:35:57,000
you know a force on force great power

954
00:36:00,230 --> 00:35:58,440
conflict with either I mean we get

955
00:36:01,310 --> 00:36:00,240
basically involved in the proxy war in

956
00:36:02,690 --> 00:36:01,320
Ukraine right now but we haven't gone

957
00:36:05,690 --> 00:36:02,700
the chat last time Chinese fought a war

958
00:36:07,490 --> 00:36:05,700
was 79 against the Vietnamese didn't end

959
00:36:08,870 --> 00:36:07,500
well for them so they sent the balloon

960
00:36:10,130 --> 00:36:08,880
over to say this is what you guys got

961
00:36:11,930 --> 00:36:10,140
yeah that's so that's the other thing

962
00:36:13,490 --> 00:36:11,940
that's happened right so in addition to

963
00:36:15,890 --> 00:36:13,500

people coming out of the wood work

964

00:36:17,870 --> 00:36:15,900

people going public uh to the media with

965

00:36:20,630 --> 00:36:17,880

their reports we had four

966

00:36:22,069 --> 00:36:20,640

balloons shot down over North America

967

00:36:23,210 --> 00:36:22,079

which I don't remember last time that's

968

00:36:25,069 --> 00:36:23,220

ever happened now one of these the

969

00:36:27,349 --> 00:36:25,079

Chinese spy balloon we've been briefed

970

00:36:29,750 --> 00:36:27,359

on but the other three

971

00:36:31,670 --> 00:36:29,760

there's stuff appearing on our training

972

00:36:33,170 --> 00:36:31,680

ranges and we don't understand where

973

00:36:34,790 --> 00:36:33,180

it's coming from so as someone who

974

00:36:36,470 --> 00:36:34,800

focuses on defense and the defense

975

00:36:37,670 --> 00:36:36,480

competition with China we have to figure

976
00:36:38,750 --> 00:36:37,680
that out we have we have to be able to

977
00:36:40,250 --> 00:36:38,760
control our Rangers otherwise you're

978
00:36:41,569 --> 00:36:40,260
putting that's why you're so passionate

979
00:36:43,130 --> 00:36:41,579
behind in Jeopardy right that was my

980
00:36:44,630 --> 00:36:43,140
entry point into it and also now I'm

981
00:36:45,950 --> 00:36:44,640
just curious about answering the

982
00:36:48,530 --> 00:36:45,960
question I think there's actually a

983
00:36:50,030 --> 00:36:48,540
bigger issue too of people losing trust

984
00:36:52,310 --> 00:36:50,040
in government trusts and institutions

985
00:36:53,810 --> 00:36:52,320
this should be an opportunity for the

986
00:36:56,089 --> 00:36:53,820
government to be transparent if we have

987
00:36:57,770 --> 00:36:56,099
information that disconfirms the UAP

988
00:36:59,270 --> 00:36:57,780

hypo the uh the Extraterrestrial

989

00:37:00,290 --> 00:36:59,280

hypothesis or all these other ones at

990

00:37:01,970 --> 00:37:00,300

least shows the government doing

991

00:37:03,770 --> 00:37:01,980

something competent and being

992

00:37:05,089 --> 00:37:03,780

forward-leaning by declassifying

993

00:37:07,069 --> 00:37:05,099

information to the public so for those

994

00:37:09,530 --> 00:37:07,079

two reasons alone I think it's worthy of

995

00:37:11,390 --> 00:37:09,540

investigation and the third one that I'm

996

00:37:13,250 --> 00:37:11,400

probably most interested in is whether

997

00:37:15,230 --> 00:37:13,260

it's adversary technology particularly

998

00:37:17,030 --> 00:37:15,240

China so I chair the select committee on

999

00:37:18,710 --> 00:37:17,040

the Chinese Communist party in the house

1000

00:37:20,569 --> 00:37:18,720

and we're in charge of developing a

1001
00:37:22,730 --> 00:37:20,579
comprehensive strategy for how we beat

1002
00:37:24,890 --> 00:37:22,740
the CCP over the long term that to me is

1003
00:37:26,390 --> 00:37:24,900
the biggest national security issue

1004
00:37:28,670 --> 00:37:26,400
that's what I'm in charge into the house

1005
00:37:31,730 --> 00:37:28,680
and this is a small subset of that

1006
00:37:32,870 --> 00:37:31,740
overall effort if it's adversary I think

1007
00:37:35,089 --> 00:37:32,880
actually the biggest source of

1008
00:37:36,290 --> 00:37:35,099
resistance is just people it's almost

1009
00:37:37,730 --> 00:37:36,300
like they're embarrassed to talk about

1010
00:37:40,190 --> 00:37:37,740
the topic right they think they're going

1011
00:37:42,230 --> 00:37:40,200
to be labeled a crazy info hat

1012
00:37:43,430 --> 00:37:42,240
conspiracy theories got it Looney Tunes

1013
00:37:44,510 --> 00:37:43,440

person so just by having these

1014

00:37:45,770 --> 00:37:44,520

discussions out in the open I think it

1015

00:37:47,450 --> 00:37:45,780

goes a long way and most of the

1016

00:37:49,970 --> 00:37:47,460

resistance is just from the bureaucracy

1017

00:37:51,470 --> 00:37:49,980

in the defense department and in the

1018

00:37:53,270 --> 00:37:51,480

intelligence Community I have about five

1019

00:37:55,250 --> 00:37:53,280

requests right now of the intelligence

1020

00:37:57,589 --> 00:37:55,260

Community things they owe me to come

1021

00:37:59,210 --> 00:37:57,599

back on related to UAP stuff and they're

1022

00:38:00,230 --> 00:37:59,220

deficient on all these requests so that

1023

00:38:02,329 --> 00:38:00,240

might not come for what a year or two

1024

00:38:04,490 --> 00:38:02,339

years six months maybe I mean so that

1025

00:38:05,630 --> 00:38:04,500

historical report is due next summer and

1026

00:38:06,950 --> 00:38:05,640

I my understanding is I haven't even

1027

00:38:08,089 --> 00:38:06,960

started drafting it right now so the

1028

00:38:10,550 --> 00:38:08,099

other hypothesis we didn't talk about

1029

00:38:13,250 --> 00:38:10,560

last time is that this could as opposed

1030

00:38:14,870 --> 00:38:13,260

to being uh us from the future it could

1031

00:38:18,109 --> 00:38:14,880

actually be an ancient civilization

1032

00:38:19,670 --> 00:38:18,119

that's just been hiding here for all

1033

00:38:22,370 --> 00:38:19,680

this time like transforming and it's

1034

00:38:24,470 --> 00:38:22,380

suddenly showing itself right now so

1035

00:38:28,010 --> 00:38:24,480

this guy what what he's done

1036

00:38:30,470 --> 00:38:28,020

um Congressman Gallagher is he has put

1037

00:38:33,109 --> 00:38:30,480

the Wilson Davis memo in Congressional

1038

00:38:36,109 --> 00:38:33,119

Record he did so with knowledge he did

1039

00:38:37,790 --> 00:38:36,119

so eloquently and additionally I don't

1040

00:38:40,670 --> 00:38:37,800

think this last we hear of him on this

1041

00:38:44,329 --> 00:38:40,680

topic no I'm certain that's that's true

1042

00:38:46,849 --> 00:38:44,339

uh the uh his his uh Blood Brother in

1043

00:38:49,069 --> 00:38:46,859

the in the house is Virgin Tim Burton

1044

00:38:51,170 --> 00:38:49,079

our our pal right you talk to him a lot

1045

00:38:52,730 --> 00:38:51,180

yeah yeah I don't know if they're if

1046

00:38:56,290 --> 00:38:52,740

they're friends or anything but I will

1047

00:38:58,550 --> 00:38:56,300

say this is that uh Tim birchett

1048

00:39:01,970 --> 00:38:58,560

representative Timber Congressman Tim

1049

00:39:05,329 --> 00:39:01,980

Burton uh man he is like a dog with a

1050

00:39:07,910 --> 00:39:05,339

bone he wants to uncover what has been

1051
00:39:09,109 --> 00:39:07,920
covered up and I respect that and he is

1052
00:39:10,849 --> 00:39:09,119
fighting for it I think we're going to

1053
00:39:13,310 --> 00:39:10,859
talk more about that on an upcoming

1054
00:39:15,710 --> 00:39:13,320
episode but yeah he is really fighting

1055
00:39:18,290 --> 00:39:15,720
for the people on this one yeah let me

1056
00:39:21,530 --> 00:39:18,300
uh just throw one more uh issue into the

1057
00:39:23,750 --> 00:39:21,540
mix is the the most basic uh one of the

1058
00:39:26,990 --> 00:39:23,760
most basic motivations in this whole

1059
00:39:29,870 --> 00:39:27,000
thing is money so let's say this

1060
00:39:32,390 --> 00:39:29,880
technology exists it's exotic it's World

1061
00:39:34,849 --> 00:39:32,400
transforming its potential is enormous

1062
00:39:38,150 --> 00:39:34,859
both on a national security perspective

1063
00:39:40,310 --> 00:39:38,160

but also on a financial perspective if

1064

00:39:41,990 --> 00:39:40,320

you were a an aerospace company that had

1065

00:39:43,910 --> 00:39:42,000

a flying saucer and you've been working

1066

00:39:46,069 --> 00:39:43,920

on it for 30 40 years trying to

1067

00:39:47,870 --> 00:39:46,079

duplicate this technology do you want to

1068

00:39:49,310 --> 00:39:47,880

give that up because I wouldn't I

1069

00:39:51,589 --> 00:39:49,320

wouldn't want my stockholders wouldn't

1070

00:39:53,630 --> 00:39:51,599

want me to I'd do it anything I could to

1071

00:39:54,950 --> 00:39:53,640

hang on to it to try to figure it out

1072

00:39:57,410 --> 00:39:54,960

because if you were to make that

1073

00:39:59,210 --> 00:39:57,420

breakthrough it changes the world in so

1074

00:40:01,370 --> 00:39:59,220

many ways it changes the National

1075

00:40:03,530 --> 00:40:01,380

Security balance but it also changes

1076

00:40:06,230 --> 00:40:03,540

your financial portfolio your financial

1077

00:40:08,329 --> 00:40:06,240

standing because it would be we can't

1078

00:40:11,510 --> 00:40:08,339

even calculate what it would be worth in

1079

00:40:13,310 --> 00:40:11,520

dollars and cents yeah agreed and you

1080

00:40:15,770 --> 00:40:13,320

know but I keep coming back to the whole

1081

00:40:19,069 --> 00:40:15,780

thing you don't have to give up

1082

00:40:22,370 --> 00:40:19,079

everything in order to inform the

1083

00:40:24,890 --> 00:40:22,380

American public of what they have a need

1084

00:40:27,770 --> 00:40:24,900

what we have a need and a right to know

1085

00:40:30,650 --> 00:40:27,780

if we are not alone in the universe if

1086

00:40:33,710 --> 00:40:30,660

there are craft of Unknown Origin be it

1087

00:40:36,770 --> 00:40:33,720

extraterrestrial or weirder and we have

1088

00:40:39,170 --> 00:40:36,780

obtained these somehow through crashes

1089

00:40:42,849 --> 00:40:39,180

or deliveries and then we've been able

1090

00:40:45,589 --> 00:40:42,859

to to Garner derivative Technologies

1091

00:40:47,990 --> 00:40:45,599

this the bigger picture is so important

1092

00:40:50,930 --> 00:40:48,000

like honestly I'll throw a grenade like

1093

00:40:51,910 --> 00:40:50,940

in into this the bigger picture is so

1094

00:40:54,770 --> 00:40:51,920

important

1095

00:40:57,530 --> 00:40:54,780

we have a right to know about the world

1096

00:41:00,550 --> 00:40:57,540

we live in we have a right to know and a

1097

00:41:04,010 --> 00:41:00,560

need to know if our cosmology of of

1098

00:41:05,990 --> 00:41:04,020

existence is wrong now I do get it that

1099

00:41:08,750 --> 00:41:06,000

we have to protect Secrets but again

1100

00:41:11,150 --> 00:41:08,760

I'll come back to the atomic program we

1101

00:41:13,430 --> 00:41:11,160

know nuclear bombs exist

1102

00:41:14,990 --> 00:41:13,440

no one's teaching people how to people

1103

00:41:17,630 --> 00:41:15,000

shouldn't be teaching people how to do

1104

00:41:19,790 --> 00:41:17,640

it so I just I don't know man I'm we

1105

00:41:22,430 --> 00:41:19,800

wouldn't have acknowledged or announced

1106

00:41:24,230 --> 00:41:22,440

the nuclear bomb existing before we had

1107

00:41:25,730 --> 00:41:24,240

blown one up and there our adversaries

1108

00:41:27,530 --> 00:41:25,740

knew for sure that we had it it doesn't

1109

00:41:29,870 --> 00:41:27,540

make it right though but yeah it's a

1110

00:41:32,270 --> 00:41:29,880

different apples to Orange is like I get

1111

00:41:34,849 --> 00:41:32,280

your point I'm just saying yeah man if

1112

00:41:37,250 --> 00:41:34,859

this is true if this information is true

1113

00:41:39,349 --> 00:41:37,260

people have a need to know well you know

1114

00:41:41,990 --> 00:41:39,359

the point was in discussing this

1115

00:41:44,030 --> 00:41:42,000

legislation that uh it still has a long

1116

00:41:45,710 --> 00:41:44,040

way to go yes it passed a senate

1117

00:41:47,510 --> 00:41:45,720

committee it still has to be passed by

1118

00:41:50,150 --> 00:41:47,520

the Senate by the house signed by the

1119

00:41:52,790 --> 00:41:50,160

president the lobbying effort

1120

00:41:55,970 --> 00:41:52,800

um anti has not really uh shown his face

1121

00:41:58,970 --> 00:41:55,980

yet we don't know what anti-legislation

1122

00:42:01,370 --> 00:41:58,980

Witnesses might appear uh or what kind

1123

00:42:03,230 --> 00:42:01,380

of pressure will be born on these

1124

00:42:06,410 --> 00:42:03,240

members of Congress but you can bet it's

1125

00:42:08,810 --> 00:42:06,420

coming and media pressure as well so I'm

1126

00:42:11,390 --> 00:42:08,820

in favor of it I think we should I hope

1127

00:42:13,069 --> 00:42:11,400

it does well I hope it moved forward but

1128

00:42:14,450 --> 00:42:13,079

people should not get their hopes up

1129

00:42:16,069 --> 00:42:14,460

because we don't know how that's going

1130

00:42:17,690 --> 00:42:16,079

to end yeah you're always managing hope

1131

00:42:19,970 --> 00:42:17,700

so in the UFO field it's as if you've

1132

00:42:21,770 --> 00:42:19,980

been doing this for 35 years and you

1133

00:42:23,390 --> 00:42:21,780

have seen things go wrong yeah you've

1134

00:42:25,609 --> 00:42:23,400

had a lifetime of disappointments on

1135

00:42:27,349 --> 00:42:25,619

this time you have huh yeah exactly well

1136

00:42:28,670 --> 00:42:27,359

I don't know but it you have to admit

1137

00:42:30,410 --> 00:42:28,680

this we're seeing things that we've

1138

00:42:32,329 --> 00:42:30,420

never thought before and I I do want to

1139

00:42:34,790 --> 00:42:32,339

do a shout out to Senator gillibrand too

1140

00:42:36,950 --> 00:42:34,800

oh straight up Senator gillibrant you're

1141

00:42:38,510 --> 00:42:36,960

doing good work because without her

1142

00:42:40,670 --> 00:42:38,520

pushing this and I don't know if she's

1143

00:42:43,310 --> 00:42:40,680

the most informed person on this topic

1144

00:42:46,490 --> 00:42:43,320

but she has absolutely been super active

1145

00:42:48,410 --> 00:42:46,500

in getting all of this happening so look

1146

00:42:51,170 --> 00:42:48,420

as long as our representatives are

1147

00:42:53,390 --> 00:42:51,180

representing our interests that I'm good

1148

00:42:54,410 --> 00:42:53,400

for it and by the way this is bipartisan

1149

00:42:57,109 --> 00:42:54,420

and we're going to see that a lot more

1150

00:42:58,730 --> 00:42:57,119

in the next month absolutely I want to

1151

00:43:01,069 --> 00:42:58,740

expand the conversation a little bit

1152

00:43:03,410 --> 00:43:01,079

it's not just an American issue it's an

1153

00:43:05,630 --> 00:43:03,420

international it's a global issue and we

1154

00:43:07,250 --> 00:43:05,640

recently had a chance to sort of broaden

1155

00:43:09,230 --> 00:43:07,260

the discussion by talking about

1156

00:43:11,329 --> 00:43:09,240

something going on in Canada there's a

1157

00:43:14,150 --> 00:43:11,339

member of parliament named Larry McGuire

1158

00:43:15,650 --> 00:43:14,160

and we recently released a letter that

1159

00:43:17,809 --> 00:43:15,660

he had written to their minister of

1160

00:43:20,329 --> 00:43:17,819

defense and he makes some really

1161

00:43:21,589 --> 00:43:20,339

provocative statements in that letter uh

1162

00:43:23,569 --> 00:43:21,599

you know there's been a lot of blowback

1163

00:43:25,430 --> 00:43:23,579

on this well what does he know he must

1164

00:43:28,190 --> 00:43:25,440

just be getting information from Lou

1165

00:43:30,290 --> 00:43:28,200

Elizondo and Hal put off in the UFO Echo

1166

00:43:33,050 --> 00:43:30,300

chamber that is not our understanding of

1167

00:43:35,329 --> 00:43:33,060

it no that's not right that's that's not

1168

00:43:38,450 --> 00:43:35,339

what's going on so okay let's back up so

1169

00:43:40,609 --> 00:43:38,460

we released a letter that we were

1170

00:43:44,510 --> 00:43:40,619

informed about and obtained and that

1171

00:43:49,010 --> 00:43:44,520

letter specifically taughts the uh

1172

00:43:52,370 --> 00:43:49,020

Minister of Defense uh from Canada Anon

1173

00:43:54,530 --> 00:43:52,380

is is how you saying I guess and he said

1174

00:43:57,410 --> 00:43:54,540

make sure to get a classified briefing

1175

00:43:59,510 --> 00:43:57,420

and by the way five eyes foreign

1176

00:44:01,490 --> 00:43:59,520

material program I mean it was by the

1177

00:44:04,130 --> 00:44:01,500

way I think that's classified in Canada

1178

00:44:05,329 --> 00:44:04,140

it's not in the U.S amazing that it was

1179

00:44:07,309 --> 00:44:05,339

in that letter

1180

00:44:10,670 --> 00:44:07,319

so we released that saying we got more

1181

00:44:14,450 --> 00:44:10,680

work to do well we did more work we have

1182

00:44:16,130 --> 00:44:14,460

confirmed 100 he wrote that letter and

1183

00:44:17,510 --> 00:44:16,140

that that was an informed letter and I

1184

00:44:19,430 --> 00:44:17,520

don't know how far you want to go with

1185

00:44:22,490 --> 00:44:19,440

talking about it and we can't say how

1186

00:44:24,470 --> 00:44:22,500

but we know for sure that they did their

1187

00:44:26,750 --> 00:44:24,480

own into that they found Canada found

1188

00:44:28,730 --> 00:44:26,760

their UFO exploitation program what

1189

00:44:30,589 --> 00:44:28,740

would you say this is Larry McGuire has

1190

00:44:32,870 --> 00:44:30,599

a long-standing interest in this topic

1191

00:44:35,089 --> 00:44:32,880

he's not trying to replace uh prime

1192

00:44:37,370 --> 00:44:35,099

minister Trudeau as the leader of Canada

1193

00:44:39,829 --> 00:44:37,380

he's secure in the position he's been in

1194

00:44:42,230 --> 00:44:39,839

it a lot of years his personal interest

1195

00:44:44,390 --> 00:44:42,240

in UFOs has sort of driven him forward

1196

00:44:47,089 --> 00:44:44,400

and he came across some information and

1197

00:44:49,010 --> 00:44:47,099

yes he did meet with Lou Elizondo he did

1198

00:44:50,990 --> 00:44:49,020

meet with Hal putoff he met with other

1199

00:44:54,109 --> 00:44:51,000

members of the U.S government to get

1200

00:44:56,450 --> 00:44:54,119

information exchange views on the UAP

1201

00:44:59,089 --> 00:44:56,460

mystery but he also develops his own

1202

00:45:01,790 --> 00:44:59,099

source of information we can't say what

1203

00:45:04,370 --> 00:45:01,800

we know we can't say how we know that he

1204

00:45:06,710 --> 00:45:04,380

knows but we can say that it is

1205

00:45:08,630 --> 00:45:06,720

independent of all The Usual Suspects in

1206

00:45:11,450 --> 00:45:08,640

this field yeah I mean I would imagine

1207

00:45:13,970 --> 00:45:11,460

it would be firsthand direct individuals

1208

00:45:16,069 --> 00:45:13,980

I would imagine that that they would

1209

00:45:18,410 --> 00:45:16,079

know the program the program name and

1210

00:45:20,390 --> 00:45:18,420

individuals that worked on it that's why

1211

00:45:22,430 --> 00:45:20,400

you would write a letter like that we

1212

00:45:25,730 --> 00:45:22,440

should use a clip from an earlier

1213

00:45:27,050 --> 00:45:25,740

interview that Larry McGuire of Dave in

1214

00:45:28,550 --> 00:45:27,060

which he talks about his interest in

1215

00:45:31,309 --> 00:45:28,560

this topic and where he'd like to see it

1216

00:45:33,950 --> 00:45:31,319

go well what can you share with me about

1217

00:45:36,470 --> 00:45:33,960

what the Canadian military has seen or

1218

00:45:38,030 --> 00:45:36,480

certainly I know of some of the Canadian

1219

00:45:39,410 --> 00:45:38,040

sightings out there but but share a

1220

00:45:40,670 --> 00:45:39,420

little of that with me

1221

00:45:43,010 --> 00:45:40,680

well we know that there's been some

1222

00:45:44,510 --> 00:45:43,020

sightings in some of near or around some

1223

00:45:45,770 --> 00:45:44,520

of our nuclear facilities there's been

1224

00:45:47,450 --> 00:45:45,780

sightings across the whole country

1225

00:45:50,930 --> 00:45:47,460

there's been data that's been gathered

1226

00:45:52,550 --> 00:45:50,940

in a couple of areas but we haven't had

1227

00:45:57,050 --> 00:45:52,560

very much public discourse on this at

1228

00:46:03,170 --> 00:46:01,069

about Canadians being briefed we know

1229

00:46:05,390 --> 00:46:03,180

that you've been briefed on some of this

1230

00:46:07,370 --> 00:46:05,400

some of this previous report I met Mr

1231

00:46:09,230 --> 00:46:07,380

Elizondo myself about a year and a half

1232

00:46:11,089 --> 00:46:09,240

ago a year and a quarter ago or so so

1233

00:46:12,770 --> 00:46:11,099

had a briefing with him that's after he

1234

00:46:14,690 --> 00:46:12,780

left the U.S military to become more

1235

00:46:17,089 --> 00:46:14,700

public and getting the information more

1236

00:46:18,290 --> 00:46:17,099

public we know that we don't know

1237

00:46:20,870 --> 00:46:18,300

whether the Prime Minister has been

1238

00:46:22,849 --> 00:46:20,880

briefed in Canada my colleague in

1239

00:46:25,309 --> 00:46:22,859

defense on our side of the house has put

1240

00:46:26,390 --> 00:46:25,319

forward a statement on it as well but

1241

00:46:28,609 --> 00:46:26,400

other than that there's been very little

1242

00:46:32,410 --> 00:46:28,619

discourse we do know that the minister

1243

00:46:34,849 --> 00:46:32,420

has been briefed in Canada but

1244

00:46:36,530 --> 00:46:34,859

you know beyond that there hasn't been

1245

00:46:38,329 --> 00:46:36,540

very much discourse and so what I'm

1246

00:46:39,770 --> 00:46:38,339

trying to do is say that we need to have

1247

00:46:42,890 --> 00:46:39,780

a parallel program to what the United

1248

00:46:45,650 --> 00:46:42,900

States already has in accumulating this

1249

00:46:48,490 --> 00:46:45,660

information in a common area and you

1250

00:46:50,809 --> 00:46:48,500

know we think that the uh the uh

1251
00:46:52,970 --> 00:46:50,819
just with the objective to determine

1252
00:46:55,130 --> 00:46:52,980
what the origins and intent of these UAP

1253
00:46:56,809 --> 00:46:55,140
are and it should be probably discussed

1254
00:46:59,829 --> 00:46:56,819
and done through the Canada Chief

1255
00:47:01,910 --> 00:46:59,839
science advisor which is Dr in Canada

1256
00:47:04,370 --> 00:47:01,920
well I want to ask you about that in

1257
00:47:05,809 --> 00:47:04,380
this public hearing they said that they

1258
00:47:07,730 --> 00:47:05,819
are working with NASA they're working

1259
00:47:10,250 --> 00:47:07,740
with our allies

1260
00:47:11,569 --> 00:47:10,260
um I'm assuming that might mean five

1261
00:47:13,670 --> 00:47:11,579
eyes

1262
00:47:16,069 --> 00:47:13,680
um what would you like them to share

1263
00:47:19,430 --> 00:47:16,079

they seem they seem to be dealing it

1264

00:47:21,770 --> 00:47:19,440

more from a national security issue but

1265

00:47:23,569 --> 00:47:21,780

Canada isn't

1266

00:47:25,970 --> 00:47:23,579

well I think we need to be careful with

1267

00:47:29,030 --> 00:47:25,980

that uh but we need to move forward with

1268

00:47:31,309 --> 00:47:29,040

a uh hopefully a non-partisan party here

1269

00:47:32,930 --> 00:47:31,319

in Canada as well if there's any issue

1270

00:47:34,790 --> 00:47:32,940

that we can be nonpartisan on in Canada

1271

00:47:37,309 --> 00:47:34,800

it should be this one and I think that

1272

00:47:40,190 --> 00:47:37,319

we've got an opportunity to bring uh the

1273

00:47:42,290 --> 00:47:40,200

discourse to a more public realm and uh

1274

00:47:43,910 --> 00:47:42,300

just have a recognition of what's

1275

00:47:45,410 --> 00:47:43,920

already taken place in the legislation

1276

00:47:48,230 --> 00:47:45,420

past and the reports that have come out

1277

00:47:51,050 --> 00:47:48,240

of the U.S we know that these objects uh

1278

00:47:52,670 --> 00:47:51,060

these phenomena do not know what borders

1279

00:47:54,710 --> 00:47:52,680

are so we need to take into

1280

00:47:57,109 --> 00:47:54,720

consideration that this is a northern uh

1281

00:48:00,829 --> 00:47:57,119

you know a North American airspace and

1282

00:48:02,809 --> 00:48:00,839

uh and these things transcend uh into

1283

00:48:05,510 --> 00:48:02,819

both of our Nations and and the United

1284

00:48:07,910 --> 00:48:05,520

States so there is an opportunity there

1285

00:48:10,670 --> 00:48:07,920

to discuss these things more openly we

1286

00:48:12,829 --> 00:48:10,680

just haven't got uh the discourse going

1287

00:48:14,510 --> 00:48:12,839

here I think to even get our Canadian

1288

00:48:16,550 --> 00:48:14,520

people to say oh well we're in conduct

1289

00:48:19,069 --> 00:48:16,560

in much of a conjunction with the

1290

00:48:20,809 --> 00:48:19,079

discussions with the U.S you say

1291

00:48:23,569 --> 00:48:20,819

frustrated that can it is just not

1292

00:48:25,910 --> 00:48:23,579

taking this seriously enough

1293

00:48:27,230 --> 00:48:25,920

well when you see the information that's

1294

00:48:29,569 --> 00:48:27,240

come out of the United States you'd have

1295

00:48:32,210 --> 00:48:29,579

to take it seriously uh and we're just

1296

00:48:34,309 --> 00:48:32,220

saying that we need to get more uh as I

1297

00:48:37,550 --> 00:48:34,319

said we need to identify the origins and

1298

00:48:38,930 --> 00:48:37,560

the intent of these uaps and uh that

1299

00:48:42,050 --> 00:48:38,940

certainly can't hurt anything it's got

1300

00:48:43,510 --> 00:48:42,060

to be developed uh between our countries

1301
00:48:46,730 --> 00:48:43,520
we should be sharing that information

1302
00:48:47,750 --> 00:48:46,740
and uh it's certainly uh something that

1303
00:48:49,730 --> 00:48:47,760
we think the efforts should be

1304
00:48:51,170 --> 00:48:49,740
undertaken to investigate and you know

1305
00:48:52,970 --> 00:48:51,180
and make those findings public in a

1306
00:48:55,790 --> 00:48:52,980
responsible manner I

1307
00:48:57,589 --> 00:48:55,800
here's a guy that is like as I

1308
00:49:00,170 --> 00:48:57,599
metaphorically said throw in a grenade

1309
00:49:03,050 --> 00:49:00,180
right I think that he's frustrated this

1310
00:49:05,450 --> 00:49:03,060
is my personal take I think that he is

1311
00:49:07,730 --> 00:49:05,460
frustrated with not making progress on

1312
00:49:09,530 --> 00:49:07,740
this issue I think that he's urging his

1313
00:49:12,530 --> 00:49:09,540

Minister of Defense to get a classified

1314

00:49:15,349 --> 00:49:12,540

briefing which they issued like some

1315

00:49:17,630 --> 00:49:15,359

denial letter about you know UFOs in

1316

00:49:19,849 --> 00:49:17,640

general and we'll talk about that but I

1317

00:49:21,170 --> 00:49:19,859

I think that the main thing is did she

1318

00:49:23,450 --> 00:49:21,180

get the briefing

1319

00:49:25,309 --> 00:49:23,460

that's the question the journalists

1320

00:49:27,230 --> 00:49:25,319

should be asking right now I'll tell you

1321

00:49:30,109 --> 00:49:27,240

this though Canada took a different

1322

00:49:32,690 --> 00:49:30,119

stance in the U.S Canada wants to

1323

00:49:35,089 --> 00:49:32,700

explore this scientifically

1324

00:49:36,890 --> 00:49:35,099

where the U.S wants to come at it from a

1325

00:49:38,450 --> 00:49:36,900

standpoint of National Security now

1326

00:49:42,290 --> 00:49:38,460

again I just want to be real clear I am

1327

00:49:46,250 --> 00:49:42,300

all for National Security Do no harm

1328

00:49:47,930 --> 00:49:46,260

some Secrets some Secrets should be kept

1329

00:49:50,150 --> 00:49:47,940

I want to make that really clear some

1330

00:49:52,609 --> 00:49:50,160

Secrets should be kept

1331

00:49:54,290 --> 00:49:52,619

with that said as journalists it is our

1332

00:49:56,329 --> 00:49:54,300

job if it's in the public interest to

1333

00:49:57,290 --> 00:49:56,339

bring things forward that's all we're

1334

00:49:59,030 --> 00:49:57,300

doing

1335

00:50:00,770 --> 00:49:59,040

you know since that letter came forward

1336

00:50:02,930 --> 00:50:00,780

of course he's taken all kinds of shots

1337

00:50:05,510 --> 00:50:02,940

which is inevitable in this world you

1338

00:50:08,030 --> 00:50:05,520

know he's a back bencher he has no uh

1339

00:50:09,950 --> 00:50:08,040

great sources he's just picked this up

1340

00:50:12,530 --> 00:50:09,960

from the UFO Grapevine kind of a thing

1341

00:50:14,210 --> 00:50:12,540

people trying to slap him around I'll

1342

00:50:16,730 --> 00:50:14,220

point out a couple of things he wrote

1343

00:50:18,530 --> 00:50:16,740

that letter in March it was not made

1344

00:50:20,990 --> 00:50:18,540

public he didn't issue it as a news

1345

00:50:23,089 --> 00:50:21,000

release we know that it was personally

1346

00:50:25,670 --> 00:50:23,099

handed to the ministry of Defense not

1347

00:50:27,290 --> 00:50:25,680

sent through the mail handed to her so

1348

00:50:30,050 --> 00:50:27,300

that she could read it but we know that

1349

00:50:32,089 --> 00:50:30,060

she didn't respond until after we did a

1350

00:50:33,890 --> 00:50:32,099

story about it we've been told that it

1351

00:50:36,349 --> 00:50:33,900

was out there somewhere on on the

1352

00:50:39,230 --> 00:50:36,359

Twitter verse that we didn't break it I

1353

00:50:42,170 --> 00:50:39,240

don't care I mean but whoever had that

1354

00:50:44,329 --> 00:50:42,180

letter before and didn't make a point of

1355

00:50:46,790 --> 00:50:44,339

letting UFO World know that it exists

1356

00:50:48,530 --> 00:50:46,800

you've screwed up you know if you're a

1357

00:50:51,290 --> 00:50:48,540

journalist and you had that letter and

1358

00:50:53,990 --> 00:50:51,300

didn't do a story you screwed up so you

1359

00:50:57,890 --> 00:50:54,000

know uh you know we we made a point of

1360

00:50:59,750 --> 00:50:57,900

it it made international news uh Larry

1361

00:51:02,329 --> 00:50:59,760

McGuire gets a lot of attention and I

1362

00:51:04,549 --> 00:51:02,339

think he's he's held up pretty well

1363

00:51:06,109 --> 00:51:04,559

against all the criticism that came but

1364

00:51:09,470 --> 00:51:06,119

he raised some really good points about

1365

00:51:11,270 --> 00:51:09,480

the five eyes Nations U.S UK Canada New

1366

00:51:13,609 --> 00:51:11,280

Zealand Australia that they have a

1367

00:51:15,829 --> 00:51:13,619

program involving reverse engineering

1368

00:51:17,630 --> 00:51:15,839

and it's not just something Scuttle

1369

00:51:19,670 --> 00:51:17,640

buddy picked up at a bar down on the

1370

00:51:22,010 --> 00:51:19,680

corner it's information that he has

1371

00:51:24,230 --> 00:51:22,020

direct access to

1372

00:51:26,690 --> 00:51:24,240

um and the response from the Minister of

1373

00:51:29,390 --> 00:51:26,700

Defense which didn't happen until after

1374

00:51:30,970 --> 00:51:29,400

we released this letter was straight out

1375

00:51:34,790 --> 00:51:30,980

of Project Blue Book

1376

00:51:36,230 --> 00:51:34,800

I if if the pr mom for the Pentagon

1377

00:51:38,089 --> 00:51:36,240

didn't have a hand in writing this thing

1378

00:51:40,490 --> 00:51:38,099

I'd be very surprised because the

1379

00:51:42,470 --> 00:51:40,500

language is right out of Blue Book oh we

1380

00:51:44,809 --> 00:51:42,480

haven't studied that stuff since 1969

1381

00:51:51,670 --> 00:51:44,819

it's no big deal it's I don't know what

1382

00:51:57,530 --> 00:51:55,430

whatever so she okay so so we have seen

1383

00:51:59,089 --> 00:51:57,540

direct Lies coming from Pentagon

1384

00:52:01,190 --> 00:51:59,099

spokespeople like the one we just

1385

00:52:03,349 --> 00:52:01,200

mentioned we've seen that so you have

1386

00:52:04,849 --> 00:52:03,359

this oh nothing to see her move on so

1387

00:52:08,210 --> 00:52:04,859

what you're saying is that this letter

1388

00:52:10,010 --> 00:52:08,220

that was responded to from Canada says

1389

00:52:12,890 --> 00:52:10,020

nothing to see here move on we're not

1390

00:52:17,030 --> 00:52:12,900

reverse engineering UFOs well that is

1391

00:52:20,030 --> 00:52:17,040

absolute utter so they found

1392

00:52:22,490 --> 00:52:20,040

their UFO program it is an exploitation

1393

00:52:25,430 --> 00:52:22,500

program it is housed under the five eyes

1394

00:52:28,609 --> 00:52:25,440

foreign material program and this is

1395

00:52:31,309 --> 00:52:28,619

just one program but what it implies is

1396

00:52:34,069 --> 00:52:31,319

it implies it coordinated multinational

1397

00:52:38,569 --> 00:52:34,079

effort to reverse engineer and work on

1398

00:52:41,329 --> 00:52:38,579

UFOs or what people call UAP so the

1399

00:52:43,190 --> 00:52:41,339

reason this letter was put out was

1400

00:52:46,309 --> 00:52:43,200

really because if you really read the

1401
00:52:48,049 --> 00:52:46,319
letter it's out because Canada thought

1402
00:52:49,849 --> 00:52:48,059
they were going to be outpaced they

1403
00:52:53,150 --> 00:52:49,859
thought they would lose public trust

1404
00:52:56,750 --> 00:52:53,160
with their citizens it was accus akus

1405
00:52:59,510 --> 00:52:56,760
which is a a trilateral group which is

1406
00:53:01,849 --> 00:52:59,520
basically uh saying we're gonna we're

1407
00:53:03,650 --> 00:53:01,859
gonna look at this independently and by

1408
00:53:05,270 --> 00:53:03,660
the way we might they might put

1409
00:53:07,370 --> 00:53:05,280
something out so the whole thing

1410
00:53:08,690 --> 00:53:07,380
McGuire's letter was saying was people

1411
00:53:10,609 --> 00:53:08,700
are going to find out they're going to

1412
00:53:14,150 --> 00:53:10,619
be some admissions but not from the five

1413
00:53:16,309 --> 00:53:14,160

eyes but from that group of three so it

1414

00:53:18,470 --> 00:53:16,319

kind of sounded like he really raised

1415

00:53:20,270 --> 00:53:18,480

the alarm he was like you need to be

1416

00:53:23,510 --> 00:53:20,280

read in you need to get a classified

1417

00:53:25,250 --> 00:53:23,520

briefing I don't know it I don't think

1418

00:53:27,109 --> 00:53:25,260

she did straight up I don't think she

1419

00:53:29,329 --> 00:53:27,119

did and I think that they deserve uh the

1420

00:53:31,250 --> 00:53:29,339

the public Canadian public deserves an

1421

00:53:33,710 --> 00:53:31,260

answer to no did she get that briefing

1422

00:53:36,109 --> 00:53:33,720

exactly and you know the tone of that

1423

00:53:38,030 --> 00:53:36,119

letter sent in response was what a bunch

1424

00:53:40,370 --> 00:53:38,040

of nonsense I'm not going to waste my

1425

00:53:41,809 --> 00:53:40,380

time on this stuff I suspect that Larry

1426

00:53:44,210 --> 00:53:41,819

McGuire is not going to take that

1427

00:53:45,890 --> 00:53:44,220

sitting down we have no idea what kind

1428

00:53:47,630 --> 00:53:45,900

of communications have gone on behind

1429

00:53:49,670 --> 00:53:47,640

the scenes between the ministry of

1430

00:53:51,650 --> 00:53:49,680

defense and him and other members of

1431

00:53:53,390 --> 00:53:51,660

parliament whether they are asking

1432

00:53:55,490 --> 00:53:53,400

questions whether his colleagues are

1433

00:53:57,950 --> 00:53:55,500

saying hey what's the deal on this uh

1434

00:54:00,589 --> 00:53:57,960

and how the other four eyes of those

1435

00:54:03,230 --> 00:54:00,599

five eyes Nations have responded we know

1436

00:54:04,490 --> 00:54:03,240

one of them responded Australia sent a

1437

00:54:05,690 --> 00:54:04,500

letter saying we don't know what you're

1438

00:54:07,790 --> 00:54:05,700

talking about we have nothing to do with

1439

00:54:10,490 --> 00:54:07,800

this but of course Australia has taken

1440

00:54:13,849 --> 00:54:10,500

their lead from the U.S all the way on

1441

00:54:16,190 --> 00:54:13,859

this UFO issue they follow our lead they

1442

00:54:19,190 --> 00:54:16,200

do what we say and they've been

1443

00:54:20,930 --> 00:54:19,200

completely uncooperative in terms of

1444

00:54:24,890 --> 00:54:20,940

disclosing what their government knows

1445

00:54:26,630 --> 00:54:24,900

on this issue you yeah well I I think

1446

00:54:28,670 --> 00:54:26,640

that the pressure is building so I'm

1447

00:54:30,410 --> 00:54:28,680

seeing this like I don't know what

1448

00:54:32,870 --> 00:54:30,420

disclosure is I think that we're kind of

1449

00:54:34,250 --> 00:54:32,880

like experiencing that in some way uh

1450

00:54:36,109 --> 00:54:34,260

but I want to come back to something you

1451
00:54:39,349 --> 00:54:36,119
said there are two things you said that

1452
00:54:41,990 --> 00:54:39,359
are just unbelievable more unbelievable

1453
00:54:43,910 --> 00:54:42,000
than UFOs the first thing you said is

1454
00:54:45,530 --> 00:54:43,920
that you sit back and watch television

1455
00:54:47,809 --> 00:54:45,540
you don't got time for that do you

1456
00:54:49,549 --> 00:54:47,819
actually watch like cop shows once in a

1457
00:54:51,530 --> 00:54:49,559
while yeah when I'm going to sleep yeah

1458
00:54:52,910 --> 00:54:51,540
unbelievable for the record okay but

1459
00:54:55,910 --> 00:54:52,920
that's great so you got a little down

1460
00:54:57,890 --> 00:54:55,920
time second thing you said is that if

1461
00:54:59,990 --> 00:54:57,900
you found out the truth that you're not

1462
00:55:02,510 --> 00:55:00,000
sure you'd tell the American public that

1463
00:55:04,250 --> 00:55:02,520

you're reporting I call you

1464

00:55:06,290 --> 00:55:04,260

would tell people wouldn't you sure I

1465

00:55:08,990 --> 00:55:06,300

would yeah but yeah you would

1466

00:55:11,870 --> 00:55:09,000

I I hope I reserve at least a little bit

1467

00:55:13,849 --> 00:55:11,880

of doubt in that nobody knows nobody

1468

00:55:15,890 --> 00:55:13,859

that we know knows what the truth is

1469

00:55:18,530 --> 00:55:15,900

yeah we don't know what the ultimate

1470

00:55:20,030 --> 00:55:18,540

answer is we don't know who they are why

1471

00:55:21,650 --> 00:55:20,040

they're here we don't have answers to

1472

00:55:25,490 --> 00:55:21,660

any of the big questions and I don't

1473

00:55:28,790 --> 00:55:25,500

think people at Lockheed or saic or

1474

00:55:30,530 --> 00:55:28,800

Northrop or the DIA or CIA I don't think

1475

00:55:32,089 --> 00:55:30,540

any of them know either we've been

1476

00:55:35,089 --> 00:55:32,099

pretty far up the food chain we've

1477

00:55:37,430 --> 00:55:35,099

talked to as many people as exist in the

1478

00:55:39,770 --> 00:55:37,440

white world uh not the and a lot of them

1479

00:55:41,930 --> 00:55:39,780

in the black world and uh they don't

1480

00:55:44,150 --> 00:55:41,940

know either we found nobody who really

1481

00:55:46,549 --> 00:55:44,160

knows the answer to it so there might be

1482

00:55:49,130 --> 00:55:46,559

something there that does not need to be

1483

00:55:50,990 --> 00:55:49,140

revealed that would cause uh changes to

1484

00:55:53,750 --> 00:55:51,000

our world that could not be we couldn't

1485

00:55:55,490 --> 00:55:53,760

stuff the genie back in the bottle so to

1486

00:55:57,829 --> 00:55:55,500

clarify I mean you wouldn't do anything

1487

00:55:59,870 --> 00:55:57,839

that hurt our country you wouldn't do

1488

00:56:02,329 --> 00:55:59,880

anything that hurt our national security

1489

00:56:04,430 --> 00:56:02,339

nor would I and we've actually taken

1490

00:56:07,010 --> 00:56:04,440

great measure to make sure that that is

1491

00:56:10,370 --> 00:56:07,020

the case without anything we put out but

1492

00:56:11,990 --> 00:56:10,380

on the other hand your personal you know

1493

00:56:14,210 --> 00:56:12,000

desire to know and this sort of thing

1494

00:56:15,049 --> 00:56:14,220

all the way up the food chain right as

1495

00:56:17,450 --> 00:56:15,059

you said

1496

00:56:20,809 --> 00:56:17,460

when you say people

1497

00:56:23,690 --> 00:56:20,819

nobody knows the whole truth this has

1498

00:56:26,450 --> 00:56:23,700

always concerned me and I is there any

1499

00:56:29,690 --> 00:56:26,460

adult in the room and in your opinion is

1500

00:56:31,370 --> 00:56:29,700

there anybody that knows the full scope

1501
00:56:33,170 --> 00:56:31,380
of what's going on do you think no one

1502
00:56:35,030 --> 00:56:33,180
that I know and no one that I've ever

1503
00:56:37,910 --> 00:56:35,040
talked to and no one that I've heard of

1504
00:56:40,069 --> 00:56:37,920
uh we both know people that know a lot

1505
00:56:42,710 --> 00:56:40,079
more than we do and that the general

1506
00:56:44,329 --> 00:56:42,720
public knows uh but I don't think

1507
00:56:46,490 --> 00:56:44,339
there's anybody that knows the full

1508
00:56:48,010 --> 00:56:46,500
picture I mean that's a frightening idea

1509
00:56:50,450 --> 00:56:48,020
that things have been so

1510
00:56:52,370 --> 00:56:50,460
compartmentalized and stove piped to

1511
00:56:55,010 --> 00:56:52,380
where you have these auxiliary groups

1512
00:56:56,150 --> 00:56:55,020
just running these UFO programs none of

1513
00:56:57,890 --> 00:56:56,160

them are talking to each other this is

1514

00:57:00,530 --> 00:56:57,900

what Lazar said back in the day he's

1515

00:57:02,390 --> 00:57:00,540

like you can't do science that way you

1516

00:57:05,270 --> 00:57:02,400

can't separate and you need

1517

00:57:07,490 --> 00:57:05,280

collaboration you need a variety of

1518

00:57:10,250 --> 00:57:07,500

opinions and viewpoints so what you're

1519

00:57:12,650 --> 00:57:10,260

saying if I'm understanding is that you

1520

00:57:15,829 --> 00:57:12,660

think this issue has been so segmented

1521

00:57:18,230 --> 00:57:15,839

and fragmented that there is not one

1522

00:57:20,750 --> 00:57:18,240

authoritative figure or buy or group

1523

00:57:22,790 --> 00:57:20,760

that's part of it there isn't there it

1524

00:57:24,230 --> 00:57:22,800

is stove piped and there's not a lot of

1525

00:57:26,510 --> 00:57:24,240

cooperation between the different

1526

00:57:28,790 --> 00:57:26,520

special access programs and interest

1527

00:57:30,829 --> 00:57:28,800

groups and companies involved in this

1528

00:57:32,930 --> 00:57:30,839

but there's also the larger picture of

1529

00:57:34,910 --> 00:57:32,940

is this knowable

1530

00:57:35,870 --> 00:57:34,920

um are we capable of answering these

1531

00:57:37,670 --> 00:57:35,880

questions

1532

00:57:40,069 --> 00:57:37,680

I don't know anybody they can answer

1533

00:57:43,730 --> 00:57:40,079

that that part of it uh it's be like

1534

00:57:47,030 --> 00:57:43,740

have you met God you know is God real uh

1535

00:57:49,609 --> 00:57:47,040

is that kind of a level of it it goes to

1536

00:57:51,230 --> 00:57:49,619

the nature of reality and I'm not sure

1537

00:57:52,549 --> 00:57:51,240

that we are going to be able to answer

1538

00:57:54,770 --> 00:57:52,559

that ever

1539

00:57:56,270 --> 00:57:54,780

you like you get so esoteric man you

1540

00:57:59,030 --> 00:57:56,280

become like one of these guys like

1541

00:58:00,770 --> 00:57:59,040

working on a program you ask them about

1542

00:58:02,329 --> 00:58:00,780

the technology if these people are

1543

00:58:04,970 --> 00:58:02,339

telling the truth and it's like they

1544

00:58:06,410 --> 00:58:04,980

become like kind of Big Picture People

1545

00:58:07,730 --> 00:58:06,420

all of a sudden when they're really

1546

00:58:10,010 --> 00:58:07,740

Engineers they can tell you the

1547

00:58:12,829 --> 00:58:10,020

microcosm I don't understand what that

1548

00:58:15,170 --> 00:58:12,839

means like what is this potentially

1549

00:58:17,690 --> 00:58:15,180

bigger picture

1550

00:58:19,730 --> 00:58:17,700

I I it's beyond well we can kick it

1551

00:58:22,010 --> 00:58:19,740

around in the short term though this

1552

00:58:25,309 --> 00:58:22,020

legislation in my view is a great step

1553

00:58:27,230 --> 00:58:25,319

forward I'd like to know I I would root

1554

00:58:29,210 --> 00:58:27,240

for the Senate and and Congress to go

1555

00:58:31,069 --> 00:58:29,220

ahead and pass the legislation and see

1556

00:58:33,109 --> 00:58:31,079

what happens and see if they can get at

1557

00:58:35,210 --> 00:58:33,119

the bottom of it and then reveal to the

1558

00:58:37,370 --> 00:58:35,220

public what they can without damaging

1559

00:58:38,930 --> 00:58:37,380

National Security along the way though

1560

00:58:40,430 --> 00:58:38,940

there are significant challenges there

1561

00:58:42,650 --> 00:58:40,440

is going to be pushback to that

1562

00:58:44,930 --> 00:58:42,660

legislation and you continue to see

1563

00:58:46,609 --> 00:58:44,940

although these proclamations from

1564

00:58:49,250 --> 00:58:46,619

government officials at the Department

1565

00:58:50,690 --> 00:58:49,260

of Defense about transparency and oh boy

1566

00:58:53,150 --> 00:58:50,700

yeah we're really answering your

1567

00:58:55,730 --> 00:58:53,160

questions you see these proclamations

1568

00:58:58,370 --> 00:58:55,740

that ring Hollow to me and I'll give you

1569

00:59:01,849 --> 00:58:58,380

an example just this past week another

1570

00:59:05,089 --> 00:59:01,859

barrage of crap shot at Lou Elizondo

1571

00:59:07,010 --> 00:59:05,099

letters that are leaked out of the out

1572

00:59:10,010 --> 00:59:07,020

of the Pentagon that take another shot

1573

00:59:12,829 --> 00:59:10,020

and try to question was atip real did

1574

00:59:14,630 --> 00:59:12,839

atip study UFOs did Lou Alexander have

1575

00:59:16,789 --> 00:59:14,640

anything to do with it people raising

1576

00:59:19,430 --> 00:59:16,799

those questions is all over again trying

1577

00:59:21,589 --> 00:59:19,440

to muddy the waters on Lou who's you

1578

00:59:23,390 --> 00:59:21,599

know by this point you can't take back

1579

00:59:25,549 --> 00:59:23,400

what they've already said yes it was

1580

00:59:28,250 --> 00:59:25,559

real yes he controlled he was in control

1581

00:59:30,829 --> 00:59:28,260

of it and it was legitimate and now they

1582

00:59:32,690 --> 00:59:30,839

try to undercut him again because they

1583

00:59:35,150 --> 00:59:32,700

know he's getting ready to drop some

1584

00:59:36,890 --> 00:59:35,160

bombs yeah yeah well look the truth will

1585

00:59:39,049 --> 00:59:36,900

rise to the surface I think if everybody

1586

00:59:41,150 --> 00:59:39,059

you know supports this type of thing to

1587

00:59:43,309 --> 00:59:41,160

try to explore and figure out the

1588

00:59:45,470 --> 00:59:43,319

legislation like I hope it passes in the

1589

00:59:48,530 --> 00:59:45,480

exact form it is I am very encouraged

1590

00:59:50,809 --> 00:59:48,540

what I'm extremely encouraged about is I

1591

00:59:52,730 --> 00:59:50,819

think to to get public up to date to get

1592

00:59:55,430 --> 00:59:52,740

everybody in the park up to date we need

1593

00:59:57,530 --> 00:59:55,440

people on camera coming forward in the

1594

01:00:01,309 --> 00:59:57,540

Congressional setting testifying under

1595

01:00:02,870 --> 01:00:01,319

oath and I got a sneak in suspicion that

1596

01:00:04,789 --> 01:00:02,880

we're gonna see that real soon what do

1597

01:00:09,289 --> 01:00:04,799

you think I believe so like you know

1598

01:00:13,490 --> 01:00:09,299

maybe within weeks let's end right here

1599

01:00:16,030 --> 01:00:13,500

um I just say at the end that

1600

01:00:19,130 --> 01:00:16,040

um Senator Rubio senator gillibrand

1601
01:00:28,220 --> 01:00:19,140
Representatives Gallagher burchett you

1602
01:00:28,230 --> 01:00:34,450
[Music]

1603
01:00:43,130 --> 01:00:39,109
never have so few had so much to tell

1604
01:00:46,490 --> 01:00:44,630
following this in a weaponized

1605
01:00:48,109 --> 01:00:46,500
presentation of Jeremy Corbell George

1606
01:00:50,329 --> 01:00:48,119
Knapp Dark Horse entertainment and

1607
01:00:52,370 --> 01:00:50,339
Cadence 13 Studios available now for
