

1
00:00:04,150 --> 00:00:03,030
so i have uh joe here with the ufo joe

2
00:00:07,349 --> 00:00:04,160
joe

3
00:00:10,709 --> 00:00:07,359
how do you say your last name mergia

4
00:00:13,910 --> 00:00:10,719
mergia okay

5
00:00:19,830 --> 00:00:13,920
i'm sicilian mergia oh you're sicilian

6
00:00:24,150 --> 00:00:23,029
but can you pronounce my last name uh

7
00:00:27,109 --> 00:00:24,160
rash

8
00:00:28,830 --> 00:00:27,119
yes nice job most people call me scene

9
00:00:32,310 --> 00:00:28,840
rash

10
00:00:36,310 --> 00:00:32,320
so telemarketers and such

11
00:00:36,630 --> 00:00:36,320
um would you mind telling me a little

12
00:00:39,830 --> 00:00:36,640
bit

13
00:00:43,190 --> 00:00:39,840

about yourself

14

00:00:45,670 --> 00:00:43,200

as far as your upbringing you know

15

00:00:46,389 --> 00:00:45,680

your family life how you were raised and

16

00:00:49,590 --> 00:00:46,399

maybe

17

00:00:53,590 --> 00:00:49,600

segue that into what connected you

18

00:00:54,549 --> 00:00:53,600

with this world i grew up in long island

19

00:00:58,549 --> 00:00:54,559

new york

20

00:01:01,910 --> 00:00:58,559

and was born in 1965

21

00:01:04,390 --> 00:01:01,920

have two older sisters and

22

00:01:06,149 --> 00:01:04,400

my dad worked at grumman which is now

23

00:01:09,670 --> 00:01:06,159

grumman northrop

24

00:01:11,750 --> 00:01:09,680

um oh yeah it's

25

00:01:13,270 --> 00:01:11,760

we've never we've had very small talk

26

00:01:14,469 --> 00:01:13,280

about ufos he really doesn't want to

27

00:01:15,270 --> 00:01:14,479

talk about it i don't know if he ever

28

00:01:17,190 --> 00:01:15,280

had any

29

00:01:18,469 --> 00:01:17,200

anything related to it at grumman's

30

00:01:22,310 --> 00:01:18,479

possible

31

00:01:25,590 --> 00:01:22,320

um and the first

32

00:01:28,789 --> 00:01:25,600

connection i had and this is normal

33

00:01:30,950 --> 00:01:28,799

you know normal childhood nothing

34

00:01:32,550 --> 00:01:30,960

nothing out of the ordinary uh but my

35

00:01:37,429 --> 00:01:32,560

first connection to this

36

00:01:41,350 --> 00:01:37,439

subject i think it was 1973

37

00:01:43,030 --> 00:01:41,360

so i was eight i i'm not positive on

38

00:01:43,510 --> 00:01:43,040

that date but i went to the movies and

39

00:01:45,830 --> 00:01:43,520

saw

40

00:01:47,749 --> 00:01:45,840

with my sister a bigfoot.ush it was a

41

00:01:50,630 --> 00:01:47,759

docu-drama called

42

00:01:51,749 --> 00:01:50,640

uh the legend of bogey creek or boggy

43

00:01:54,469 --> 00:01:51,759

creek

44

00:01:56,230 --> 00:01:54,479

and i seem to remember there was a

45

00:01:58,550 --> 00:01:56,240

documentary before that

46

00:01:59,429 --> 00:01:58,560

on ufos so that was my first time so i

47

00:02:01,910 --> 00:01:59,439

was like

48

00:02:04,230 --> 00:02:01,920

you know i i i liked it and i watched

49

00:02:05,830 --> 00:02:04,240

the show in search of with leonard nimoy

50

00:02:07,030 --> 00:02:05,840

but i didn't know they were books yeah i

51
00:02:08,469 --> 00:02:07,040
was a kid you don't know their books

52
00:02:11,589 --> 00:02:08,479
there's no internet

53
00:02:13,990 --> 00:02:11,599
um and then i'm trying to think you know

54
00:02:15,910 --> 00:02:14,000
watching shows like in search of

55
00:02:17,510 --> 00:02:15,920
and that was seventies and then i saw

56
00:02:20,550 --> 00:02:17,520
close encounters in the theater

57
00:02:22,070 --> 00:02:20,560
in nineteen oh well he was 77 which blew

58
00:02:22,869 --> 00:02:22,080
me away i loved that yeah that would be

59
00:02:25,350 --> 00:02:22,879
great

60
00:02:26,630 --> 00:02:25,360
i had a picture of me playing drums

61
00:02:27,750 --> 00:02:26,640
because i'm a drummer and i had my

62
00:02:30,390 --> 00:02:27,760
clothes

63
00:02:31,830 --> 00:02:30,400

i had my close encounters t-shirt on and

64

00:02:32,790 --> 00:02:31,840

i can't find the picture which really

65

00:02:35,910 --> 00:02:32,800

makes me mad

66

00:02:36,550 --> 00:02:35,920

but um so i will have to jam sometime

67

00:02:40,790 --> 00:02:36,560

yeah

68

00:02:44,869 --> 00:02:40,800

all that

69

00:02:45,910 --> 00:02:44,879

nice yeah so if they do a live stream

70

00:02:48,869 --> 00:02:45,920

band session

71

00:02:49,110 --> 00:02:48,879

oh yeah all right sorry go ahead but

72

00:02:52,790 --> 00:02:49,120

that's

73

00:02:53,830 --> 00:02:52,800

no it's fine um so close encounters so i

74

00:02:55,990 --> 00:02:53,840

really

75

00:02:57,750 --> 00:02:56,000

i didn't have anything related to the

76

00:02:59,430 --> 00:02:57,760

paranormal come up in my life

77

00:03:01,750 --> 00:02:59,440

i mean there's stuff that happened along

78

00:03:03,509 --> 00:03:01,760

the way like dreams that would come true

79

00:03:05,430 --> 00:03:03,519

occasionally so it's like but at the

80

00:03:07,030 --> 00:03:05,440

time i was like

81

00:03:09,270 --> 00:03:07,040

did not think anything i didn't think

82

00:03:12,550 --> 00:03:09,280

wow that's a premonition

83

00:03:14,949 --> 00:03:12,560

i didn't think like that um and then in

84

00:03:16,390 --> 00:03:14,959

i'd say it was like 81 82 i went to

85

00:03:18,309 --> 00:03:16,400

manhattan and went to an occult

86

00:03:20,149 --> 00:03:18,319

bookstore it was a really famous

87

00:03:22,070 --> 00:03:20,159

bookstore which i didn't know at the

88

00:03:23,350 --> 00:03:22,080

time but it's called the magical child

89

00:03:25,589 --> 00:03:23,360

i don't think it's there anymore i think

90

00:03:27,430 --> 00:03:25,599

it's more of an online shop now

91

00:03:29,910 --> 00:03:27,440

but they had all stuff for wiccans they

92

00:03:30,470 --> 00:03:29,920

had all these different herbs and eye of

93

00:03:32,149 --> 00:03:30,480

new you

94

00:03:33,589 --> 00:03:32,159

all that stuff but they also had a great

95

00:03:36,070 --> 00:03:33,599

selection of occult books

96

00:03:36,869 --> 00:03:36,080

books and i saw one on astral project

97

00:03:39,030 --> 00:03:36,879

astral

98

00:03:41,110 --> 00:03:39,040

projection which i had heard about

99

00:03:43,610 --> 00:03:41,120

through her cousin a cousin of mine

100

00:03:45,270 --> 00:03:43,620

so i bought that read about it um

101

00:03:47,270 --> 00:03:45,280

[Music]

102

00:03:49,270 --> 00:03:47,280

not you know a few years later i

103

00:03:50,789 --> 00:03:49,280

actually read the satanic bible which

104

00:03:52,309 --> 00:03:50,799

for people who have never read it it's

105

00:03:53,750 --> 00:03:52,319

really not about devil worshiping it's

106

00:03:55,670 --> 00:03:53,760

more of a philosophy book

107

00:03:57,750 --> 00:03:55,680

but they also told you that they also

108

00:03:59,830 --> 00:03:57,760

talk about um rituals where they're

109

00:04:01,589 --> 00:03:59,840

it's basically um you're trying to

110

00:04:02,710 --> 00:04:01,599

manifest stuff through rituals which at

111

00:04:03,670 --> 00:04:02,720

the time i didn't understand the

112

00:04:07,270 --> 00:04:03,680

connection

113

00:04:09,190 --> 00:04:07,280

you know the the the really dumbed down

114

00:04:10,789 --> 00:04:09,200

basic version of that is the secret if

115

00:04:13,270 --> 00:04:10,799

anybody's seen the movie the secret

116

00:04:14,789 --> 00:04:13,280

well that stuff goes way back and it

117

00:04:16,949 --> 00:04:14,799

goes way back

118

00:04:18,069 --> 00:04:16,959

maybe the 30s 40s where people had those

119

00:04:21,270 --> 00:04:18,079

ideas

120

00:04:24,710 --> 00:04:21,280

so then i'm trying to think

121

00:04:25,430 --> 00:04:24,720

there wasn't much in my life related to

122

00:04:28,870 --> 00:04:25,440

the paranormal

123

00:04:31,110 --> 00:04:28,880

until it was like 96

124

00:04:33,110 --> 00:04:31,120

i met someone who became my first wife

125

00:04:34,710 --> 00:04:33,120

and at the time i was pursuing her

126

00:04:36,790 --> 00:04:34,720

and trying to find out stuff we had in

127

00:04:38,390 --> 00:04:36,800

common and she mentioned she goes

128

00:04:39,990 --> 00:04:38,400

my aunt had this experience where this

129

00:04:41,909 --> 00:04:40,000

being came into her

130

00:04:43,430 --> 00:04:41,919

house and he looked like the one that

131

00:04:44,230 --> 00:04:43,440

was on the cover of whitley strieber's

132

00:04:47,350 --> 00:04:44,240

book

133

00:04:48,950 --> 00:04:47,360

communion i think it's called so i

134

00:04:51,189 --> 00:04:48,960

bought that book i'm like oh now we can

135

00:04:52,469 --> 00:04:51,199

now i have something to discuss with her

136

00:04:54,950 --> 00:04:52,479

yeah but

137

00:04:56,390 --> 00:04:54,960

i started reading it got scared because

138

00:04:59,030 --> 00:04:56,400

a lot i didn't realize it was a you know

139

00:05:02,150 --> 00:04:59,040

i didn't realize it was bad abductions

140

00:05:02,710 --> 00:05:02,160

stopped reading it and then either the

141

00:05:04,230 --> 00:05:02,720

next day

142

00:05:06,550 --> 00:05:04,240

next night or night after that i woke up

143

00:05:07,189 --> 00:05:06,560

on my couch in my apartment and i

144

00:05:09,430 --> 00:05:07,199

couldn't move

145

00:05:10,870 --> 00:05:09,440

it's basically typical sleep paralysis

146

00:05:12,710 --> 00:05:10,880

which doctor you know traditional

147

00:05:14,230 --> 00:05:12,720

doctors will say sleep paralysis

148

00:05:15,990 --> 00:05:14,240

other people will say that's all that's

149

00:05:17,430 --> 00:05:16,000

the uh that's the

150

00:05:19,270 --> 00:05:17,440

the precursor to an out of body

151
00:05:20,870 --> 00:05:19,280
experience whatever it was i didn't know

152
00:05:22,310 --> 00:05:20,880
i'd never experienced it and it scared

153
00:05:24,870 --> 00:05:22,320
the heck out of me

154
00:05:26,230 --> 00:05:24,880
so i i struggled out of it and then the

155
00:05:27,670 --> 00:05:26,240
next day i'm like you know what i'm

156
00:05:28,790 --> 00:05:27,680
going to take that as a sign to finish

157
00:05:30,629 --> 00:05:28,800
reading communion

158
00:05:32,310 --> 00:05:30,639
and i did and then there's so much stuff

159
00:05:34,550 --> 00:05:32,320
in communion that's not scary it's about

160
00:05:37,990 --> 00:05:34,560
metaphysics and meditation and

161
00:05:39,510 --> 00:05:38,000
so i read that and then i read the next

162
00:05:40,950 --> 00:05:39,520
book he put out and then i read the next

163
00:05:42,790 --> 00:05:40,960

book he put out and i just went down

164

00:05:44,070 --> 00:05:42,800

rabbit hole i read everything i could

165

00:05:46,310 --> 00:05:44,080

get my hands on

166

00:05:47,749 --> 00:05:46,320

a lot of stuff really not not credible

167

00:05:50,070 --> 00:05:47,759

stuff

168

00:05:51,990 --> 00:05:50,080

i read a lot of channeling books um and

169

00:05:54,790 --> 00:05:52,000

i soon realized that you know they were

170

00:05:56,710 --> 00:05:54,800

just contradiction contradict

171

00:05:57,510 --> 00:05:56,720

contradictory information in all these

172

00:05:59,029 --> 00:05:57,520

different books so

173

00:06:01,029 --> 00:05:59,039

interesting but you know as far as

174

00:06:02,469 --> 00:06:01,039

evidence no and i was really gullible

175

00:06:02,950 --> 00:06:02,479

back then i believed a lot of what i

176

00:06:04,790 --> 00:06:02,960

read

177

00:06:05,990 --> 00:06:04,800

and over the years i met somebody i

178

00:06:07,510 --> 00:06:06,000

worked with in tampa and he would

179

00:06:09,430 --> 00:06:07,520

always call me on stuff he's like well

180

00:06:10,390 --> 00:06:09,440

how can you prove that how can you prove

181

00:06:12,550 --> 00:06:10,400

that how do you know

182

00:06:14,070 --> 00:06:12,560

you know ufos extra how could you even

183

00:06:15,029 --> 00:06:14,080

improve their extraterrestrials and i

184

00:06:17,990 --> 00:06:15,039

developed

185

00:06:20,309 --> 00:06:18,000

an ability to debate and i and i

186

00:06:22,469 --> 00:06:20,319

developed discernment at that time so

187

00:06:24,150 --> 00:06:22,479

it's been a long road so it's like to

188

00:06:24,790 --> 00:06:24,160

starting with believing everything i

189

00:06:26,390 --> 00:06:24,800

read

190

00:06:27,830 --> 00:06:26,400

to being really skeptical and then

191

00:06:29,270 --> 00:06:27,840

coming back somewhere in the middle

192

00:06:31,029 --> 00:06:29,280

which is where i am now

193

00:06:32,790 --> 00:06:31,039

and then i think i lost it's the right

194

00:06:35,270 --> 00:06:32,800

place yeah well i lost

195

00:06:36,870 --> 00:06:35,280

i just think that's the right place i

196

00:06:39,110 --> 00:06:36,880

think it's the right place i mean

197

00:06:40,390 --> 00:06:39,120

i i'm open to a lot of stuff and i'll

198

00:06:41,990 --> 00:06:40,400

talk about a lot of stuff and i'll

199

00:06:43,909 --> 00:06:42,000

speculate all day long but in the end

200

00:06:45,670 --> 00:06:43,919

i'll tell people i don't know

201
00:06:47,510 --> 00:06:45,680
the only thing i feel people saying i

202
00:06:49,430 --> 00:06:47,520
know is that something

203
00:06:51,670 --> 00:06:49,440
anomalous is in our skies and our seas

204
00:06:53,589 --> 00:06:51,680
something is here as far as ufos

205
00:06:56,070 --> 00:06:53,599
what they are at least that much i think

206
00:06:57,189 --> 00:06:56,080
is agreed upon at this point with people

207
00:06:58,629 --> 00:06:57,199
i would hope so but there are people

208
00:06:59,350 --> 00:06:58,639
that that do not agree upon that they

209
00:07:01,110 --> 00:06:59,360
think it's just

210
00:07:03,350 --> 00:07:01,120
you know foreign adversarial tech or

211
00:07:05,189 --> 00:07:03,360
drones and maybe black budget

212
00:07:06,790 --> 00:07:05,199
even if it's black budget american tech

213
00:07:08,710 --> 00:07:06,800

or black budget for and that's

214

00:07:10,070 --> 00:07:08,720

adversarial that's still an amazing

215

00:07:14,390 --> 00:07:10,080

story that we have

216

00:07:16,390 --> 00:07:14,400

sure that can you know it's kind of the

217

00:07:18,950 --> 00:07:16,400

that's kind of the weird uh situation

218

00:07:21,029 --> 00:07:18,960

with you ufology is

219

00:07:22,150 --> 00:07:21,039

the people outside of the world think

220

00:07:25,270 --> 00:07:22,160

everyone in there

221

00:07:26,550 --> 00:07:25,280

just wants aliens to be real

222

00:07:28,309 --> 00:07:26,560

you know and so they kind of just

223

00:07:28,790 --> 00:07:28,319

discredit the whole thing because of

224

00:07:32,550 --> 00:07:28,800

that

225

00:07:35,990 --> 00:07:32,560

amazing

226

00:07:38,790 --> 00:07:36,000

us china

227

00:07:41,350 --> 00:07:38,800

uh aliens interdimensionals whatever and

228

00:07:44,550 --> 00:07:41,360

we just want to know which one

229

00:07:46,629 --> 00:07:44,560

you know and there are people that

230

00:07:48,309 --> 00:07:46,639

you know come to me and they say well on

231

00:07:49,909 --> 00:07:48,319

twitter they're like i do know what's

232

00:07:50,950 --> 00:07:49,919

going on and they then they'll tell me

233

00:07:53,189 --> 00:07:50,960

and i'm like all right

234

00:07:54,469 --> 00:07:53,199

i don't you know and i can't prove it

235

00:07:55,830 --> 00:07:54,479

and they get mad

236

00:07:57,270 --> 00:07:55,840

and they'll say yeah it's actually it's

237

00:07:58,710 --> 00:07:57,280

extraterrestrial i'm like i don't even

238

00:08:00,629 --> 00:07:58,720

know if it's extraterrestrial if it's

239

00:08:01,350 --> 00:08:00,639

non-human it may not be extraterrestrial

240

00:08:03,029 --> 00:08:01,360

it may be

241

00:08:04,710 --> 00:08:03,039

something that's been here before you

242

00:08:07,270 --> 00:08:04,720

know before humans were here

243

00:08:09,029 --> 00:08:07,280

and luis ellison who ran the pentagon's

244

00:08:10,309 --> 00:08:09,039

ufo program atip

245

00:08:11,589 --> 00:08:10,319

he said you know it could be right in

246

00:08:13,029 --> 00:08:11,599

front of us you know we can only see

247

00:08:13,909 --> 00:08:13,039

certain things with our eyes our eyes

248

00:08:15,589 --> 00:08:13,919

are limited so

249

00:08:17,909 --> 00:08:15,599

there could be stuff all around us right

250

00:08:19,589 --> 00:08:17,919

now and for me that's exciting

251
00:08:21,029 --> 00:08:19,599
you know but for somebody who's not into

252
00:08:21,430 --> 00:08:21,039
this stuff that's pretty scary if you

253
00:08:23,189 --> 00:08:21,440
say

254
00:08:24,950 --> 00:08:23,199
george knapp has said you know

255
00:08:26,309 --> 00:08:24,960
extraterrestrials you think i think that

256
00:08:27,990 --> 00:08:26,319
the public can handle that

257
00:08:29,589 --> 00:08:28,000
but if you tell them there are these

258
00:08:31,189 --> 00:08:29,599
beings that can see us

259
00:08:33,029 --> 00:08:31,199
we can't see them and they can see us

260
00:08:34,550 --> 00:08:33,039
all the time when you're taking a shower

261
00:08:36,070 --> 00:08:34,560
people probably aren't going to react to

262
00:08:37,509 --> 00:08:36,080
that very well

263
00:08:39,589 --> 00:08:37,519

instead wearing their swim trunks in

264

00:08:42,550 --> 00:08:39,599

there yeah right

265

00:08:43,350 --> 00:08:42,560

yeah but i lost i lost interest after a

266

00:08:45,509 --> 00:08:43,360

while

267

00:08:46,790 --> 00:08:45,519

throughout the 90s i was like you know

268

00:08:48,710 --> 00:08:46,800

hard at this i

269

00:08:50,630 --> 00:08:48,720

i quit my job i worked for the city of

270

00:08:51,990 --> 00:08:50,640

tampa television i quit that job

271

00:08:53,590 --> 00:08:52,000

it was like two or three years short of

272

00:08:55,350 --> 00:08:53,600

a pension i quit it to work on

273

00:08:56,550 --> 00:08:55,360

paranormal full-time with my newsletter

274

00:08:58,949 --> 00:08:56,560

i had at the time

275

00:09:01,350 --> 00:08:58,959

had a newsletter open my news that i

276

00:09:02,870 --> 00:09:01,360

edited

277

00:09:04,470 --> 00:09:02,880

and then i did that and it wasn't

278

00:09:05,990 --> 00:09:04,480

working out i wasn't pushing hard enough

279

00:09:07,030 --> 00:09:06,000

so i had to get back into television my

280

00:09:09,990 --> 00:09:07,040

day job

281

00:09:11,670 --> 00:09:10,000

and then you know up and down there was

282

00:09:13,670 --> 00:09:11,680

really a lot it wasn't a lot new there

283

00:09:15,350 --> 00:09:13,680

were books coming out and conferences to

284

00:09:16,389 --> 00:09:15,360

go to and i've been to a lot of ufo

285

00:09:19,750 --> 00:09:16,399

conferences

286

00:09:21,509 --> 00:09:19,760

and then all of a sudden 2017 somebody

287

00:09:23,509 --> 00:09:21,519

says hey there are some videos coming

288

00:09:25,269 --> 00:09:23,519

out and they're really impressive

289

00:09:26,949 --> 00:09:25,279

next thing you know and a couple people

290

00:09:28,550 --> 00:09:26,959

said new york times is doing an article

291

00:09:31,829 --> 00:09:28,560

the article comes out and that changed

292

00:09:33,670 --> 00:09:31,839

everything i mean i started my blog um

293

00:09:35,670 --> 00:09:33,680

and ever since that you know december 16

294

00:09:36,230 --> 00:09:35,680

2017 it's just been a whirlwind it's

295

00:09:37,750 --> 00:09:36,240

just

296

00:09:40,310 --> 00:09:37,760

new information i mean there have been

297

00:09:41,670 --> 00:09:40,320

lulls too where nothing comes out but

298

00:09:43,190 --> 00:09:41,680

the last couple of weeks have been

299

00:09:45,670 --> 00:09:43,200

incredible incredible and today's

300

00:09:47,190 --> 00:09:45,680

supposed to be an amazing day too so

301
00:09:49,110 --> 00:09:47,200
yeah i've been hearing rumblings

302
00:09:51,509 --> 00:09:49,120
sometimes it's just excitement

303
00:09:53,430 --> 00:09:51,519
and not much sometimes it meets up to

304
00:09:54,470 --> 00:09:53,440
the expectations i don't blame anybody

305
00:09:56,310 --> 00:09:54,480
if i hype and stuff

306
00:09:57,670 --> 00:09:56,320
i mean you know it's a hard world out

307
00:09:58,070 --> 00:09:57,680
there they're all just trying to do that

308
00:09:59,910 --> 00:09:58,080
thing

309
00:10:01,509 --> 00:09:59,920
hopefully the news that comes out today

310
00:10:04,150 --> 00:10:01,519
is awesome um

311
00:10:06,470 --> 00:10:04,160
yeah yeah hopefully i mean i hear it is

312
00:10:09,670 --> 00:10:06,480
it may even come out while we're talking

313
00:10:11,590 --> 00:10:09,680

uh oh well we may have to look at it

314

00:10:12,710 --> 00:10:11,600

yeah if it does i will but you know i

315

00:10:15,910 --> 00:10:12,720

keep getting messages

316

00:10:19,750 --> 00:10:15,920

so i'll check but i think it's gonna be

317

00:10:23,350 --> 00:10:19,760

two hours from now okay gotcha

318

00:10:25,509 --> 00:10:23,360

um well let me get to

319

00:10:26,470 --> 00:10:25,519

kind of the next part of this where i

320

00:10:29,670 --> 00:10:26,480

can ask you

321

00:10:31,190 --> 00:10:29,680

some really challenging impossible

322

00:10:33,030 --> 00:10:31,200

questions that

323

00:10:34,550 --> 00:10:33,040

i don't know how you're gonna answer but

324

00:10:37,110 --> 00:10:34,560

i'm just kidding

325

00:10:38,630 --> 00:10:37,120

i have a very dry sense of humor um what

326

00:10:42,470 --> 00:10:38,640

calculus questions

327

00:10:45,110 --> 00:10:42,480

yeah okay look at this question um

328

00:10:46,870 --> 00:10:45,120

something that i take from you is you

329

00:10:48,870 --> 00:10:46,880

know i've been following you

330

00:10:50,470 --> 00:10:48,880

and i don't see the word watching

331

00:10:51,350 --> 00:10:50,480

because that sounds creepy but you know

332

00:10:53,269 --> 00:10:51,360

twitter you follow

333

00:10:54,790 --> 00:10:53,279

some people they don't follow you you're

334

00:10:57,829 --> 00:10:54,800

reading what they do

335

00:10:58,230 --> 00:10:57,839

um and that's been my relationship with

336

00:10:59,829 --> 00:10:58,240

you

337

00:11:01,829 --> 00:10:59,839

for the most part i comment on some

338

00:11:02,150 --> 00:11:01,839

stuff once in a while but it's clear to

339

00:11:04,949 --> 00:11:02,160

me

340

00:11:05,269 --> 00:11:04,959

that you go above and beyond to make

341

00:11:08,230 --> 00:11:05,279

sure

342

00:11:09,430 --> 00:11:08,240

everything is documented accurately and

343

00:11:12,630 --> 00:11:09,440

correctly

344

00:11:16,710 --> 00:11:12,640

um so my question to you is um

345

00:11:21,030 --> 00:11:16,720

first how long have you been doing that

346

00:11:24,150 --> 00:11:21,040

and second because you're so meticulous

347

00:11:25,509 --> 00:11:24,160

and obviously you know a lot of people

348

00:11:27,110 --> 00:11:25,519

just take the big words from the

349

00:11:28,230 --> 00:11:27,120

interviews and stuff and they move on

350

00:11:30,069 --> 00:11:28,240

but when you're doing that you're

351

00:11:31,829 --> 00:11:30,079

documenting everything you're taking

352

00:11:32,389 --> 00:11:31,839

you're ingesting everything as it should

353

00:11:38,310 --> 00:11:32,399

be

354

00:11:41,430 --> 00:11:39,910

i know people don't like doing this but

355

00:11:43,430 --> 00:11:41,440

if you had to guess

356

00:11:45,110 --> 00:11:43,440

and give me your best theory let's say

357

00:11:46,790 --> 00:11:45,120

okay the world's going to end

358

00:11:48,949 --> 00:11:46,800

and it's all up to joe he's got to give

359

00:11:52,310 --> 00:11:48,959

us his best theory hopefully he's right

360

00:11:55,590 --> 00:11:52,320

what would it be as far as what's here

361

00:11:57,509 --> 00:11:55,600

you know what we're dealing with yeah it

362

00:11:58,310 --> 00:11:57,519

depends on which day you ask me i mean i

363

00:12:00,150 --> 00:11:58,320

mean i don't change

364

00:12:01,350 --> 00:12:00,160

people i don't change my opinion every

365

00:12:02,710 --> 00:12:01,360

day but it's like you hear

366

00:12:05,350 --> 00:12:02,720

different information you'll read or

367

00:12:08,310 --> 00:12:05,360

read a certain book from somebody and

368

00:12:10,550 --> 00:12:08,320

one of my favorite theories is you know

369

00:12:13,990 --> 00:12:10,560

if you read john keel and

370

00:12:16,710 --> 00:12:14,000

jacques jacques valet um they talk about

371

00:12:18,870 --> 00:12:16,720

something on this planet some people

372

00:12:21,910 --> 00:12:18,880

will call it ultra terrestrials

373

00:12:22,550 --> 00:12:21,920

but something on this planet that is

374

00:12:24,629 --> 00:12:22,560

able to

375

00:12:27,110 --> 00:12:24,639

and john keel's book operation trojan

376

00:12:29,430 --> 00:12:27,120

horse is just a must-reads you know

377

00:12:30,790 --> 00:12:29,440

yeah it's just like his work is amazing

378

00:12:31,990 --> 00:12:30,800

a lot of people don't know about it i

379

00:12:32,949 --> 00:12:32,000

didn't know about it until somebody told

380

00:12:35,829 --> 00:12:32,959

me a couple of years ago

381

00:12:37,750 --> 00:12:35,839

you read it and he talks about some

382

00:12:39,190 --> 00:12:37,760

intelligence that's able to basically

383

00:12:41,030 --> 00:12:39,200

create anything they want they can

384

00:12:44,470 --> 00:12:41,040

create saucers they can create

385

00:12:46,310 --> 00:12:44,480

any shape they want um just pop in out

386

00:12:46,870 --> 00:12:46,320

of nowhere they can create bodies they

387

00:12:48,949 --> 00:12:46,880

can create

388

00:12:50,069 --> 00:12:48,959

beings jacques vale has spoken about

389

00:12:51,990 --> 00:12:50,079

this too

390

00:12:53,509 --> 00:12:52,000

he's like well if if this is something

391

00:12:55,269 --> 00:12:53,519

that's you know

392

00:12:56,790 --> 00:12:55,279

say there's something with dna going on

393

00:12:58,470 --> 00:12:56,800

with abductions he's like

394

00:13:00,150 --> 00:12:58,480

well these there's a good chance these

395

00:13:02,069 --> 00:13:00,160

beings are able to create and

396

00:13:03,829 --> 00:13:02,079

and that's not an exact quote i'm gonna

397

00:13:05,670 --> 00:13:03,839

post his quote it's from

398

00:13:06,870 --> 00:13:05,680

something he did a couple years ago but

399

00:13:08,230 --> 00:13:06,880

he talks about how the

400

00:13:10,230 --> 00:13:08,240

they could basically create what they

401
00:13:11,910 --> 00:13:10,240
want so it would you know match up with

402
00:13:14,069 --> 00:13:11,920
our dna

403
00:13:15,590 --> 00:13:14,079
that's a theory um maybe

404
00:13:16,470 --> 00:13:15,600
extraterrestrials i mean i don't know

405
00:13:19,430 --> 00:13:16,480
maybe it's that

406
00:13:21,190 --> 00:13:19,440
and extra extraterrestrials and time

407
00:13:21,990 --> 00:13:21,200
travelers i mean it's speculation you

408
00:13:25,110 --> 00:13:22,000
know

409
00:13:26,310 --> 00:13:25,120
i think i do think some people who were

410
00:13:28,150 --> 00:13:26,320
part of the government or

411
00:13:30,389 --> 00:13:28,160
are still part of the government do have

412
00:13:32,550 --> 00:13:30,399
an idea of what we're dealing with

413
00:13:33,509 --> 00:13:32,560

but you know maybe what they are or what

414

00:13:36,310 --> 00:13:33,519

they look like

415

00:13:37,590 --> 00:13:36,320

um even if you open up a saucer and you

416

00:13:38,710 --> 00:13:37,600

see what it looks like it doesn't tell

417

00:13:39,590 --> 00:13:38,720

you what they are it doesn't tell you

418

00:13:41,110 --> 00:13:39,600

where they're from

419

00:13:42,629 --> 00:13:41,120

and most importantly it doesn't tell you

420

00:13:45,110 --> 00:13:42,639

their intentions and

421

00:13:45,990 --> 00:13:45,120

say you get a live you know a live e.t

422

00:13:49,030 --> 00:13:46,000

george knapp

423

00:13:50,310 --> 00:13:49,040

has a source that told him that yeah we

424

00:13:53,269 --> 00:13:50,320

did have a live

425

00:13:55,110 --> 00:13:53,279

non-human being and at area 51 and just

426
00:13:56,870 --> 00:13:55,120
let's say if that's true

427
00:13:58,550 --> 00:13:56,880
and they were able to communicate and

428
00:14:00,710 --> 00:13:58,560
you ask so what are your intentions

429
00:14:02,069 --> 00:14:00,720
why are you here just whatever it says

430
00:14:04,870 --> 00:14:02,079
you don't know if it's telling the truth

431
00:14:06,470 --> 00:14:04,880
you know right you know it could be

432
00:14:08,550 --> 00:14:06,480
lying to you so it's like impossible it

433
00:14:10,790 --> 00:14:08,560
could just know how to lie and that's it

434
00:14:11,670 --> 00:14:10,800
that could be how it lives is just lying

435
00:14:14,870 --> 00:14:11,680
right i mean

436
00:14:16,310 --> 00:14:14,880
i hope i'm hoping whatever negative

437
00:14:17,910 --> 00:14:16,320
if there are negative groups here that

438
00:14:19,590 --> 00:14:17,920

just don't have our best interests at

439

00:14:20,870 --> 00:14:19,600

heart and you know they're using us for

440

00:14:23,110 --> 00:14:20,880

whatever reason

441

00:14:25,030 --> 00:14:23,120

um i hope they're and you hear the story

442

00:14:26,949 --> 00:14:25,040

that there are other beings out there

443

00:14:28,069 --> 00:14:26,959

who will help us but they're waiting for

444

00:14:30,150 --> 00:14:28,079

us to like

445

00:14:32,230 --> 00:14:30,160

ask for help they won't step in so it's

446

00:14:33,030 --> 00:14:32,240

the old you know prime director from

447

00:14:34,710 --> 00:14:33,040

star trek

448

00:14:36,069 --> 00:14:34,720

they're not going to just jump in and

449

00:14:37,590 --> 00:14:36,079

you know and because our society

450

00:14:40,870 --> 00:14:37,600

probably wouldn't be able to handle that

451
00:14:42,470 --> 00:14:40,880
um so that's that that is my hope that

452
00:14:45,829 --> 00:14:42,480
there's somebody

453
00:14:46,230 --> 00:14:45,839
help waiting to hope help um yeah but

454
00:14:47,670 --> 00:14:46,240
then we

455
00:14:48,870 --> 00:14:47,680
you know we're talking about on another

456
00:14:50,389 --> 00:14:48,880
podcast i did the other day we're

457
00:14:51,829 --> 00:14:50,399
talking about how

458
00:14:54,949 --> 00:14:51,839
like with the military these these

459
00:14:56,870 --> 00:14:54,959
events if they're uh ufos slash uap

460
00:14:58,550 --> 00:14:56,880
unidentified aerial phenomena if they

461
00:15:00,310 --> 00:14:58,560
are increasing in number

462
00:15:02,150 --> 00:15:00,320
it makes me think that maybe they're

463
00:15:04,389 --> 00:15:02,160

trying to you know trying to get us

464

00:15:05,350 --> 00:15:04,399

to open up the game you know step up the

465

00:15:07,269 --> 00:15:05,360

game to the to the

466

00:15:08,790 --> 00:15:07,279

popular say you know admit it and

467

00:15:10,069 --> 00:15:08,800

they're just doing it just just by

468

00:15:12,790 --> 00:15:10,079

showing up here with our

469

00:15:14,310 --> 00:15:12,800

military nuke sites at you know at our

470

00:15:16,790 --> 00:15:14,320

aircraft carriers

471

00:15:18,310 --> 00:15:16,800

but if that's the case and i wasn't able

472

00:15:19,189 --> 00:15:18,320

to explain this properly but if that's

473

00:15:20,949 --> 00:15:19,199

the case that

474

00:15:22,870 --> 00:15:20,959

that tells me maybe they know something

475

00:15:25,670 --> 00:15:22,880

that's going on on this planet

476

00:15:27,269 --> 00:15:25,680

that is vital that we act now you know

477

00:15:28,870 --> 00:15:27,279

we need to change our ways whether it's

478

00:15:31,269 --> 00:15:28,880

climate change you know environmental

479

00:15:32,870 --> 00:15:31,279

degradation or something

480

00:15:34,470 --> 00:15:32,880

something something they may know but

481

00:15:36,550 --> 00:15:34,480

that's total speculation

482

00:15:38,230 --> 00:15:36,560

maybe they have their own reason for you

483

00:15:39,749 --> 00:15:38,240

know upping their game and showing up a

484

00:15:40,870 --> 00:15:39,759

lot more because a lot the last couple

485

00:15:43,829 --> 00:15:40,880

of months you know we hear

486

00:15:45,590 --> 00:15:43,839

the stuff going on with our you know the

487

00:15:49,430 --> 00:15:45,600

uss

488

00:15:52,150 --> 00:15:49,440

yeah the last couple of years

489

00:15:53,430 --> 00:15:52,160

since 2019 this stuff is happening i

490

00:15:55,030 --> 00:15:53,440

can't believe it's

491

00:15:56,870 --> 00:15:55,040

that people aren't freaking out more you

492

00:15:58,949 --> 00:15:56,880

know a lot of mainstream news is built

493

00:16:00,710 --> 00:15:58,959

around fear and instilling that fear in

494

00:16:01,509 --> 00:16:00,720

people so they come back and watch and

495

00:16:04,389 --> 00:16:01,519

see what the

496

00:16:05,670 --> 00:16:04,399

latest with that situation that caused

497

00:16:08,790 --> 00:16:05,680

the fear is

498

00:16:10,470 --> 00:16:08,800

so is that being said i can't believe

499

00:16:12,069 --> 00:16:10,480

yes they're covering this situation but

500

00:16:13,670 --> 00:16:12,079

i cannot believe that they're not

501
00:16:17,189 --> 00:16:13,680
covering it even more so

502
00:16:19,350 --> 00:16:17,199
it's like a 9-1-1 type of emergency um

503
00:16:21,030 --> 00:16:19,360
for people anyone who's watching this

504
00:16:23,509 --> 00:16:21,040
that may not know

505
00:16:24,389 --> 00:16:23,519
first of all you live under a rock

506
00:16:27,509 --> 00:16:24,399
second of all

507
00:16:30,550 --> 00:16:27,519
there are unknowns

508
00:16:33,430 --> 00:16:30,560
flying over our nuclear installations

509
00:16:34,150 --> 00:16:33,440
in military installations in our navy if

510
00:16:37,829 --> 00:16:34,160
anything

511
00:16:39,670 --> 00:16:37,839
that really hurts the credibility and

512
00:16:42,870 --> 00:16:39,680
confidence a country has

513
00:16:45,030 --> 00:16:42,880

in its navy to even protect the country

514

00:16:45,990 --> 00:16:45,040

yeah and if it turns out it's russia or

515

00:16:48,949 --> 00:16:46,000

china that's even

516

00:16:50,710 --> 00:16:48,959

as marco rubio said he said senator

517

00:16:53,030 --> 00:16:50,720

marco rubio said to a cbs

518

00:16:54,629 --> 00:16:53,040

station in miami last year he said i i

519

00:16:56,310 --> 00:16:54,639

think it's better off if it's

520

00:16:58,310 --> 00:16:56,320

not from this planet because if it's

521

00:16:59,430 --> 00:16:58,320

from this if it's russian or chinese

522

00:17:01,749 --> 00:16:59,440

we're screwed

523

00:17:02,949 --> 00:17:01,759

you know they've passed totally you know

524

00:17:04,710 --> 00:17:02,959

they've passed you know they've

525

00:17:06,309 --> 00:17:04,720

leapfrogged us technology-wise as

526

00:17:09,909 --> 00:17:06,319

elizondo was spoken about

527

00:17:11,909 --> 00:17:09,919

so that's pretty scary um but i have a

528

00:17:13,189 --> 00:17:11,919

hard time thinking you know i was

529

00:17:16,230 --> 00:17:13,199

talking to jazz shaw

530

00:17:17,909 --> 00:17:16,240

yesterday and um

531

00:17:19,829 --> 00:17:17,919

he mentioned this and and i agree with

532

00:17:21,270 --> 00:17:19,839

him i have a really hard time thinking

533

00:17:25,429 --> 00:17:21,280

that another country

534

00:17:28,150 --> 00:17:25,439

has developed this amazing technology

535

00:17:29,190 --> 00:17:28,160

and no one else has a clue about it

536

00:17:31,190 --> 00:17:29,200

really

537

00:17:33,029 --> 00:17:31,200

first of all how long would it take to

538

00:17:35,110 --> 00:17:33,039

even develop that technology

539

00:17:36,789 --> 00:17:35,120

probably decades and all that

540

00:17:38,070 --> 00:17:36,799

counterintelligence all that work we

541

00:17:41,270 --> 00:17:38,080

never found out

542

00:17:41,990 --> 00:17:41,280

that'd be pretty bizarre to me i think i

543

00:17:44,070 --> 00:17:42,000

think we

544

00:17:45,909 --> 00:17:44,080

we may have figured something out along

545

00:17:47,350 --> 00:17:45,919

the way i don't think we have the same

546

00:17:50,870 --> 00:17:47,360

technology that they do i don't think

547

00:17:52,710 --> 00:17:50,880

any human does as far as i know

548

00:17:55,669 --> 00:17:52,720

but people you know people the argument

549

00:17:58,390 --> 00:17:55,679

with the with the kid in omaha

550

00:17:59,510 --> 00:17:58,400

and the russell uh they're saying those

551
00:18:01,990 --> 00:17:59,520
are drones

552
00:18:02,870 --> 00:18:02,000
but the problem is you know it's made it

553
00:18:04,630 --> 00:18:02,880
into the uap

554
00:18:07,190 --> 00:18:04,640
task force classified briefing this

555
00:18:08,630 --> 00:18:07,200
stuff is included they're saying

556
00:18:10,630 --> 00:18:08,640
you know and i've spoken to my own

557
00:18:14,470 --> 00:18:10,640
source it's like yeah they're saying

558
00:18:17,590 --> 00:18:14,480
it's it's and it's the unidentified

559
00:18:19,669 --> 00:18:17,600
investigation you know even susan gao

560
00:18:23,750 --> 00:18:19,679
said that in one of her emails she said

561
00:18:26,630 --> 00:18:23,760
this is included in an ongoing

562
00:18:28,630 --> 00:18:26,640
investigation so if it's ongoing that

563
00:18:30,549 --> 00:18:28,640

means they still need that material to

564

00:18:33,110 --> 00:18:30,559

help them out which means it's not

565

00:18:34,549 --> 00:18:33,120

freaking plains dude

566

00:18:36,070 --> 00:18:34,559

one thing susan goff didn't say she

567

00:18:37,990 --> 00:18:36,080

didn't say they were unidentified which

568

00:18:40,310 --> 00:18:38,000

everybody is that's true

569

00:18:42,070 --> 00:18:40,320

she's they're saying well she didn't say

570

00:18:42,710 --> 00:18:42,080

they were unidentified which because she

571

00:18:45,590 --> 00:18:42,720

did with the

572

00:18:47,029 --> 00:18:45,600

gimbal and stuff right they did say

573

00:18:49,750 --> 00:18:47,039

these are uap i believe

574

00:18:51,029 --> 00:18:49,760

uh i think the navy said that too um so

575

00:18:53,750 --> 00:18:51,039

that's why well why didn't

576

00:18:55,190 --> 00:18:53,760

she say it this time and the theory is

577

00:18:56,230 --> 00:18:55,200

is because they know these are drones

578

00:18:57,750 --> 00:18:56,240

and they're making it they're going to

579

00:18:58,789 --> 00:18:57,760

make us look like idiots by saying

580

00:19:00,310 --> 00:18:58,799

they're uap

581

00:19:01,669 --> 00:19:00,320

and then somewhere down the line they'll

582

00:19:02,310 --> 00:19:01,679

pull out the rug out from under us and

583

00:19:04,150 --> 00:19:02,320

say

584

00:19:05,990 --> 00:19:04,160

you guys are idiots these were you these

585

00:19:06,870 --> 00:19:06,000

were these were drones and balloons the

586

00:19:08,470 --> 00:19:06,880

entire time

587

00:19:10,230 --> 00:19:08,480

and you guys you guys thought they were

588

00:19:12,710 --> 00:19:10,240

uap i mean the ua

589

00:19:14,230 --> 00:19:12,720

task uap task force is a bunch of idiots

590

00:19:16,310 --> 00:19:14,240

the o and i because it's not

591

00:19:17,750 --> 00:19:16,320

it's you it you know uap task force it's

592

00:19:19,590 --> 00:19:17,760

the owen

593

00:19:21,990 --> 00:19:19,600

people above them they think they're a

594

00:19:23,350 --> 00:19:22,000

uap so if they're wrong

595

00:19:26,470 --> 00:19:23,360

yeah we're in major trouble if these

596

00:19:28,690 --> 00:19:26,480

people are that clueless

597

00:19:30,310 --> 00:19:28,700

is there any historical um

598

00:19:31,590 --> 00:19:30,320

[Music]

599

00:19:33,669 --> 00:19:31,600

context for something like that

600

00:19:37,029 --> 00:19:33,679

happening before ufo

601

00:19:40,230 --> 00:19:37,039

and ufology where they

602

00:19:44,390 --> 00:19:40,240

deliberately almost tried to embarrass

603

00:19:45,029 --> 00:19:44,400

the group i'm trying to think there may

604

00:19:46,950 --> 00:19:45,039

be that's

605

00:19:48,470 --> 00:19:46,960

that i can't think of right now i mean

606

00:19:49,750 --> 00:19:48,480

there's been people like bill

607

00:19:51,990 --> 00:19:49,760

moore who was working with the

608

00:19:53,270 --> 00:19:52,000

government and

609

00:19:55,270 --> 00:19:53,280

i just don't know what the point of that

610

00:19:57,510 --> 00:19:55,280

would be you know

611

00:19:59,190 --> 00:19:57,520

i mean why would they wanna it's so much

612

00:19:59,750 --> 00:19:59,200

so many people would have to be in on

613

00:20:03,190 --> 00:19:59,760

that and

614

00:20:04,310 --> 00:20:03,200

you know i just what the point

615

00:20:05,830 --> 00:20:04,320

well because they don't want this

616

00:20:07,190 --> 00:20:05,840

information out i mean there are people

617

00:20:09,190 --> 00:20:07,200

in our government and

618

00:20:10,950 --> 00:20:09,200

several people have written talked about

619

00:20:12,870 --> 00:20:10,960

this they don't want this out for

620

00:20:14,390 --> 00:20:12,880

a big part of it is religious reasons

621

00:20:16,149 --> 00:20:14,400

because they think they're demonic and

622

00:20:17,750 --> 00:20:16,159

any interaction and acknowledging from

623

00:20:20,390 --> 00:20:17,760

us is going to open that door

624

00:20:21,510 --> 00:20:20,400

so they just wanted us to ignore it well

625

00:20:25,029 --> 00:20:21,520

don't they want to

626

00:20:26,470 --> 00:20:25,039

bring on revelations yeah

627

00:20:28,149 --> 00:20:26,480

apparently that's what i always think is

628

00:20:29,510 --> 00:20:28,159

like if you think demons

629

00:20:31,190 --> 00:20:29,520

then that doesn't make sense that you

630

00:20:32,789 --> 00:20:31,200

don't want to acknowledge it because

631

00:20:35,110 --> 00:20:32,799

well i grew up non-denominational

632

00:20:37,750 --> 00:20:35,120

christian i'm so very i'm not anymore

633

00:20:39,110 --> 00:20:37,760

but i'm very familiar with that

634

00:20:41,029 --> 00:20:39,120

you know what they believe what they

635

00:20:44,310 --> 00:20:41,039

want and they all have this hidden

636

00:20:46,070 --> 00:20:44,320

hope deep inside that revelation comes

637

00:20:47,590 --> 00:20:46,080

and god comes back to the earth and

638

00:20:49,669 --> 00:20:47,600

saves everybody so

639

00:20:50,789 --> 00:20:49,679

if they think they're demons i would

640

00:20:54,310 --> 00:20:50,799

think they'd say

641

00:20:55,830 --> 00:20:54,320

yeah game on it's time yeah

642

00:20:57,909 --> 00:20:55,840

wouldn't they the same thing happened

643

00:20:59,830 --> 00:20:57,919

with the remote viewing it's a mentality

644

00:21:01,029 --> 00:20:59,840

and they didn't want remote viewing to

645

00:21:02,390 --> 00:21:01,039

they didn't want the program to take

646

00:21:04,149 --> 00:21:02,400

place basically for people who don't

647

00:21:06,310 --> 00:21:04,159

know what remote viewing is is

648

00:21:09,270 --> 00:21:06,320

they had soldiers who would just use

649

00:21:11,190 --> 00:21:09,280

their sixth sense to acquire information

650

00:21:12,710 --> 00:21:11,200

about anything past present future

651
00:21:15,909 --> 00:21:12,720
basically your psychic

652
00:21:16,470 --> 00:21:15,919
abilities and the same people did not

653
00:21:19,350 --> 00:21:16,480
want

654
00:21:21,190 --> 00:21:19,360
pulled the funding they did everything

655
00:21:23,590 --> 00:21:21,200
everything they could to pull funding

656
00:21:25,270 --> 00:21:23,600
um it's funny because it lasted for 20

657
00:21:27,110 --> 00:21:25,280
years they had 20 million dollars over

658
00:21:29,029 --> 00:21:27,120
20 years which is not a lot

659
00:21:30,149 --> 00:21:29,039
and then the people who were fighting

660
00:21:32,789 --> 00:21:30,159
for the program one

661
00:21:34,950 --> 00:21:32,799
three of them were senator nua senator

662
00:21:37,830 --> 00:21:34,960
stevens and senator glenn

663
00:21:39,830 --> 00:21:37,840

those three also helped create the ufo

664

00:21:40,950 --> 00:21:39,840
program in 2007 so it's interesting

665

00:21:44,070 --> 00:21:40,960
those people have been

666

00:21:44,630 --> 00:21:44,080
battling for us for a long time um yeah

667

00:21:46,230 --> 00:21:44,640
one of them

668

00:21:47,909 --> 00:21:46,240
one of the i don't know the exact

669

00:21:49,510 --> 00:21:47,919
position of the person but he spoke to

670

00:21:52,230 --> 00:21:49,520
joe mcmonicle who was the first

671

00:21:52,789 --> 00:21:52,240
remote viewer amazing psychic and he

672

00:21:56,549 --> 00:21:52,799
told

673

00:21:58,070 --> 00:21:56,559
doing the work of god

674

00:22:00,470 --> 00:21:58,080
and the other one said son you weren't

675

00:22:01,750 --> 00:22:00,480
doing the work with the devil

676
00:22:04,470 --> 00:22:01,760
he's like i don't know which one scared

677
00:22:07,510 --> 00:22:04,480
me the most yeah

678
00:22:09,430 --> 00:22:07,520
i'm just doing work oh

679
00:22:11,510 --> 00:22:09,440
man yeah i mean when you get into that

680
00:22:11,990 --> 00:22:11,520
stuff the remote viewing and all that it

681
00:22:15,190 --> 00:22:12,000
it

682
00:22:18,470 --> 00:22:15,200
gets like life is more of a

683
00:22:21,830 --> 00:22:18,480
sci-fi movie than anyone realizes

684
00:22:23,750 --> 00:22:21,840
which is just intriguing

685
00:22:25,430 --> 00:22:23,760
and kind of exciting it's one of the

686
00:22:26,950 --> 00:22:25,440
things that you know people

687
00:22:28,470 --> 00:22:26,960
have asked me you know what are you in

688
00:22:31,750 --> 00:22:28,480

this for and i think

689

00:22:32,950 --> 00:22:31,760

for me personally i think remote viewing

690

00:22:34,390 --> 00:22:32,960

is the tip of the iceberg there's so

691

00:22:35,990 --> 00:22:34,400

many other things i think that humans

692

00:22:39,590 --> 00:22:36,000

are capable of doing

693

00:22:42,950 --> 00:22:39,600

and i think if we can get the masses to

694

00:22:45,430 --> 00:22:42,960

eventually say okay we've been lied to

695

00:22:46,630 --> 00:22:45,440

for 70 plus years about ufos what else

696

00:22:48,070 --> 00:22:46,640

did they lie to us about

697

00:22:50,390 --> 00:22:48,080

i want to know and that's when i could

698

00:22:52,390 --> 00:22:50,400

say well you had remote viewing you have

699

00:22:54,230 --> 00:22:52,400

healing that's going on you have

700

00:22:55,990 --> 00:22:54,240

some of the best data is related to

701
00:22:57,830 --> 00:22:56,000
healing mice of cancer it's

702
00:22:59,190 --> 00:22:57,840
something i've spoken about a lot

703
00:23:01,190 --> 00:22:59,200
william bankston he's

704
00:23:03,270 --> 00:23:01,200
he's done experiments in laboratories

705
00:23:06,390 --> 00:23:03,280
you know i think it's over a dozen

706
00:23:08,310 --> 00:23:06,400
and it's data after data after data um

707
00:23:09,510 --> 00:23:08,320
so i think humans can do things that we

708
00:23:12,390 --> 00:23:09,520
don't realize and that's

709
00:23:14,230 --> 00:23:12,400
i think acknowledging the ufo stuff and

710
00:23:16,230 --> 00:23:14,240
realizing we've been lied to would be a

711
00:23:16,710 --> 00:23:16,240
big step towards opening a lot of minds

712
00:23:19,029 --> 00:23:16,720
about

713
00:23:19,909 --> 00:23:19,039

what else have we been not necessarily

714

00:23:21,590 --> 00:23:19,919

lied to but

715

00:23:23,430 --> 00:23:21,600

you know it's just hasha you can't get a

716

00:23:25,750 --> 00:23:23,440

paper it's really difficult to get

717

00:23:26,470 --> 00:23:25,760

a paper written on any of this stuff you

718

00:23:28,149 --> 00:23:26,480

know because the

719

00:23:29,590 --> 00:23:28,159

superior review they just don't want

720

00:23:31,270 --> 00:23:29,600

that you know it's in their minds it's

721

00:23:33,350 --> 00:23:31,280

like this is not possible so

722

00:23:34,870 --> 00:23:33,360

it doesn't make it into journals that's

723

00:23:36,310 --> 00:23:34,880

why the work of gary nolan and jacques

724

00:23:37,909 --> 00:23:36,320

valet they're working on materials

725

00:23:40,310 --> 00:23:37,919

they're trying to get it published and

726

00:23:41,750 --> 00:23:40,320

apparently they're moving along so yeah

727

00:23:42,230 --> 00:23:41,760

science is important it's just hard to

728

00:23:44,149 --> 00:23:42,240

get

729

00:23:45,669 --> 00:23:44,159

break that door down for a peer review

730

00:23:48,390 --> 00:23:45,679

because you know they have this

731

00:23:49,029 --> 00:23:48,400

this mindset that it's not possible

732

00:23:52,230 --> 00:23:49,039

right

733

00:23:53,590 --> 00:23:52,240

which is uh it just incredible to me

734

00:23:55,110 --> 00:23:53,600

that people

735

00:23:56,789 --> 00:23:55,120

and that's one big thing that they think

736

00:23:58,630 --> 00:23:56,799

is not possible but there's so many

737

00:24:00,149 --> 00:23:58,640

everyday things or things that people

738

00:24:02,549 --> 00:24:00,159

want to do with their life

739

00:24:05,190 --> 00:24:02,559

that they say just isn't possible that

740

00:24:07,830 --> 00:24:05,200

is you know it's definitely a downfall

741

00:24:09,430 --> 00:24:07,840

of the human and not being able to

742

00:24:12,630 --> 00:24:09,440

believe in something special

743

00:24:16,830 --> 00:24:12,640

whether it's in themselves or

744

00:24:18,310 --> 00:24:16,840

you know yeah that's impossible it's

745

00:24:19,590 --> 00:24:18,320

impossible the four men will never be

746

00:24:22,070 --> 00:24:19,600

we'll never be able to break the four

747

00:24:23,669 --> 00:24:22,080

minute mile mark you know it's like yeah

748

00:24:25,190 --> 00:24:23,679

what what are we gonna look at ten years

749

00:24:27,350 --> 00:24:25,200

from now and say oh my can you believe

750

00:24:29,110 --> 00:24:27,360

we didn't think we were capable of this

751
00:24:31,750 --> 00:24:29,120
or that right so

752
00:24:32,149 --> 00:24:31,760
it's like cell phones right yeah exactly

753
00:24:34,149 --> 00:24:32,159
i mean

754
00:24:36,789 --> 00:24:34,159
technology i just can't believe the next

755
00:24:39,350 --> 00:24:36,799
10 20 years are gonna be amazing um

756
00:24:41,110 --> 00:24:39,360
so as much as i love the ufo stuff i

757
00:24:41,750 --> 00:24:41,120
just think it's more deeper than that i

758
00:24:44,789 --> 00:24:41,760
think it's

759
00:24:46,950 --> 00:24:44,799
more about human you know human

760
00:24:49,269 --> 00:24:46,960
capabilities that's really you know but

761
00:24:51,190 --> 00:24:49,279
i do like the ufo stuff especially

762
00:24:52,710 --> 00:24:51,200
i i look forward to people and it's

763
00:24:54,390 --> 00:24:52,720

starting to happen a little bit but more

764

00:24:55,110 --> 00:24:54,400

people that i know who have never been

765

00:24:56,870 --> 00:24:55,120

into this

766

00:24:59,029 --> 00:24:56,880

you know they hear about what i'm

767

00:25:01,990 --> 00:24:59,039

working on and they want to know more

768

00:25:03,110 --> 00:25:02,000

so my fam my family for the most part no

769

00:25:05,269 --> 00:25:03,120

not yet

770

00:25:06,710 --> 00:25:05,279

a little bit but i have friends that are

771

00:25:08,070 --> 00:25:06,720

like you know tell me about your blog

772

00:25:08,630 --> 00:25:08,080

tell me what's going on and there's just

773

00:25:10,390 --> 00:25:08,640

so many

774

00:25:11,830 --> 00:25:10,400

you know nbc network news just did a

775

00:25:13,430 --> 00:25:11,840

story on on the

776
00:25:15,110 --> 00:25:13,440
on the events related to the russell and

777
00:25:17,029 --> 00:25:15,120
the omaha and you know

778
00:25:18,950 --> 00:25:17,039
i could pass on an nbc network news

779
00:25:22,390 --> 00:25:18,960
story that's more impressive than

780
00:25:23,830 --> 00:25:22,400
my blog you know who am i and uh any any

781
00:25:26,230 --> 00:25:23,840
mainstream coverage like that is great

782
00:25:27,909 --> 00:25:26,240
and that's what happened since 2017

783
00:25:29,510 --> 00:25:27,919
mainstream coverage has increased

784
00:25:30,149 --> 00:25:29,520
exponentially and people there are

785
00:25:31,750 --> 00:25:30,159
people

786
00:25:33,350 --> 00:25:31,760
who have been in this subject for such a

787
00:25:35,029 --> 00:25:33,360
long time and they're like i don't know

788
00:25:36,310 --> 00:25:35,039

what it is if they're jaded if they're

789

00:25:37,669 --> 00:25:36,320

mad that

790

00:25:39,269 --> 00:25:37,679

like tom delong and some of the new

791

00:25:40,549 --> 00:25:39,279

people got you know a lot of the

792

00:25:42,310 --> 00:25:40,559

attention but they're like

793

00:25:43,669 --> 00:25:42,320

this is nothing new this has happened in

794

00:25:45,510 --> 00:25:43,679

the 50s

795

00:25:47,909 --> 00:25:45,520

really nothing to see here you guys are

796

00:25:49,990 --> 00:25:47,919

getting excited over nothing i was like

797

00:25:51,750 --> 00:25:50,000

no there's a reason excited there's a

798

00:25:53,350 --> 00:25:51,760

reason you know

799

00:25:55,190 --> 00:25:53,360

i mean i don't know these people

800

00:25:56,950 --> 00:25:55,200

personally so i

801
00:26:00,630 --> 00:25:56,960
am definitely prepared to be wrong but

802
00:26:02,230 --> 00:26:00,640
if i had to guess it would be jealousy

803
00:26:04,549 --> 00:26:02,240
yeah i understand that human human

804
00:26:07,430 --> 00:26:04,559
beings are jealous we're jealous so

805
00:26:09,110 --> 00:26:07,440
hopefully you know if if what i'm

806
00:26:11,990 --> 00:26:09,120
hearing comes out

807
00:26:13,190 --> 00:26:12,000
those those folks will be more open um

808
00:26:14,710 --> 00:26:13,200
but there are other people who made it

809
00:26:14,950 --> 00:26:14,720
political you know they you know have

810
00:26:18,870 --> 00:26:14,960
you

811
00:26:23,909 --> 00:26:21,909
just that just the stuff that's

812
00:26:25,029 --> 00:26:23,919
i don't want to say specifically in case

813
00:26:26,470 --> 00:26:25,039

it doesn't that's fine just

814

00:26:28,230 --> 00:26:26,480

just an article that's supposed to come

815

00:26:31,269 --> 00:26:28,240

out um but no

816

00:26:34,149 --> 00:26:31,279

um people talk about harry senator harry

817

00:26:36,070 --> 00:26:34,159

reid who i was lucky enough to interview

818

00:26:37,669 --> 00:26:36,080

a couple of years ago i stumbled upon

819

00:26:39,110 --> 00:26:37,679

the interview i was i was called as a

820

00:26:41,190 --> 00:26:39,120

camera operator i just

821

00:26:42,950 --> 00:26:41,200

go wherever i'm called to work on

822

00:26:44,310 --> 00:26:42,960

reality shows sports whatever

823

00:26:46,070 --> 00:26:44,320

and somebody said we have a shoot for

824

00:26:47,990 --> 00:26:46,080

you it's one day it's with a local

825

00:26:49,269 --> 00:26:48,000

politician i'm like okay

826

00:26:51,190 --> 00:26:49,279

and then the day before they're like

827

00:26:52,310 --> 00:26:51,200

it's it's senator harry reid and he had

828

00:26:53,909 --> 00:26:52,320

already come out you know

829

00:26:55,669 --> 00:26:53,919

the new york times story had always had

830

00:26:58,310 --> 00:26:55,679

already broken so

831

00:27:00,230 --> 00:26:58,320

um not my best interview but you know i

832

00:27:02,230 --> 00:27:00,240

got to interview him and that was great

833

00:27:04,789 --> 00:27:02,240

and people take shots at him and

834

00:27:05,350 --> 00:27:04,799

you know he's a politician people they

835

00:27:09,190 --> 00:27:05,360

lie

836

00:27:10,470 --> 00:27:09,200

about ufos which means his credibility

837

00:27:11,269 --> 00:27:10,480

it's like you think it's just people

838

00:27:14,710 --> 00:27:11,279

that like

839

00:27:17,269 --> 00:27:14,720

you know

840

00:27:18,470 --> 00:27:17,279

everybody that's one thing that kind of

841

00:27:21,510 --> 00:27:18,480

irritates me is

842

00:27:24,470 --> 00:27:21,520

um when people kind of go too far with

843

00:27:25,430 --> 00:27:24,480

uh attacks or assuming someone's lying

844

00:27:27,750 --> 00:27:25,440

it's

845

00:27:29,510 --> 00:27:27,760

to me like the one thing actually every

846

00:27:30,389 --> 00:27:29,520

human has in common is that we're

847

00:27:32,950 --> 00:27:30,399

different

848

00:27:33,510 --> 00:27:32,960

you know so you can't assume you know

849

00:27:35,029 --> 00:27:33,520

let's say

850

00:27:36,230 --> 00:27:35,039

everyone in the government's always lied

851

00:27:37,990 --> 00:27:36,240

well there could be one person that

852

00:27:39,590 --> 00:27:38,000

doesn't that means the world

853

00:27:41,269 --> 00:27:39,600

everyone's different and you have to

854

00:27:44,549 --> 00:27:41,279

treat them as such

855

00:27:47,750 --> 00:27:44,559

you know harry reid i think

856

00:27:48,710 --> 00:27:47,760

from at least my perspective is the guy

857

00:27:56,070 --> 00:27:48,720

is

858

00:27:57,990 --> 00:27:56,080

and does a lot of hard work to see

859

00:27:59,909 --> 00:27:58,000

that through and he really believes in

860

00:28:03,350 --> 00:27:59,919

it with his heart

861

00:28:05,350 --> 00:28:03,360

and that's good to me you know

862

00:28:06,870 --> 00:28:05,360

um unfortunately it sounds like he's

863

00:28:09,750 --> 00:28:06,880

sick so

864

00:28:10,389 --> 00:28:09,760

yeah he's still getting chemo um you

865

00:28:12,710 --> 00:28:10,399

know people

866

00:28:13,830 --> 00:28:12,720

in in his interviews may not not

867

00:28:15,830 --> 00:28:13,840

everything he says may be

868

00:28:17,110 --> 00:28:15,840

crystal clear so people he said

869

00:28:18,070 --> 00:28:17,120

something the other day yeah i got

870

00:28:20,149 --> 00:28:18,080

confused

871

00:28:22,470 --> 00:28:20,159

yeah it was really bad but that the two

872

00:28:24,630 --> 00:28:22,480

newspapers the daily star and the sun

873

00:28:26,389 --> 00:28:24,640

is not not known for their credibility

874

00:28:27,430 --> 00:28:26,399

although they've been doing better with

875

00:28:34,149 --> 00:28:27,440

ufos lately

876

00:28:37,269 --> 00:28:35,990

or google just google some of his other

877

00:28:39,029 --> 00:28:37,279

interviews he's on record

878

00:28:40,630 --> 00:28:39,039

talking about russia and putin how

879

00:28:41,350 --> 00:28:40,640

they're interested in ufos along with

880

00:28:43,269 --> 00:28:41,360

china

881

00:28:44,950 --> 00:28:43,279

and we need to we need to up our game so

882

00:28:46,470 --> 00:28:44,960

we you know we don't fall behind them

883

00:28:50,310 --> 00:28:46,480

that's basically what you're saying

884

00:28:52,630 --> 00:28:50,320

um yeah but one thing about which i've

885

00:28:54,230 --> 00:28:52,640

i've not talked about this and it's

886

00:28:55,830 --> 00:28:54,240

something really important i don't think

887

00:28:57,430 --> 00:28:55,840

i would be here

888

00:28:59,190 --> 00:28:57,440

i don't think i'd have my blog if it

889

00:29:01,190 --> 00:28:59,200

wasn't for george knapp and people don't

890

00:29:03,669 --> 00:29:01,200

understand what i mean by that

891

00:29:04,950 --> 00:29:03,679

jeremy i met jeremy corbell at a

892

00:29:08,389 --> 00:29:04,960

conference um at

893

00:29:10,230 --> 00:29:08,399

ufo megacon a couple years ago

894

00:29:13,029 --> 00:29:10,240

about an hour and a half from vegas in

895

00:29:13,990 --> 00:29:13,039

laughlin nevada and um he goes george

896

00:29:17,269 --> 00:29:14,000

would not be here

897

00:29:18,630 --> 00:29:17,279

and he explained why

898

00:29:20,470 --> 00:29:18,640

george knapp wrote hunt for the

899

00:29:21,190 --> 00:29:20,480

skinwalker which is about skinwalker

900

00:29:23,269 --> 00:29:21,200

ranch where

901
00:29:24,230 --> 00:29:23,279
his most studied paranormal place in the

902
00:29:26,630 --> 00:29:24,240
world

903
00:29:28,630 --> 00:29:26,640
he wrote about that in the 90s uh there

904
00:29:29,669 --> 00:29:28,640
was a scientist at the dia who read the

905
00:29:31,269 --> 00:29:29,679
book

906
00:29:33,190 --> 00:29:31,279
and he's a rocket scientist i think i

907
00:29:36,149 --> 00:29:33,200
think he had a phd in math and sci

908
00:29:37,430 --> 00:29:36,159
in physics he wanted to visit the ranch

909
00:29:39,029 --> 00:29:37,440
so he did he

910
00:29:41,510 --> 00:29:39,039
called up big he got in contact with

911
00:29:43,430 --> 00:29:41,520
bigelow went to the ranch had an

912
00:29:45,669 --> 00:29:43,440
experience a paranormal experience where

913
00:29:48,870 --> 00:29:45,679

he saw this this

914

00:29:52,710 --> 00:29:48,880

this like evolving shape uh

915

00:29:55,750 --> 00:29:52,720

called like a i forget the word for it

916

00:29:58,470 --> 00:29:55,760

a mobius loop um

917

00:30:00,310 --> 00:29:58,480

and he said you know what we need to

918

00:30:01,909 --> 00:30:00,320

study ufos but we need to study

919

00:30:03,830 --> 00:30:01,919

all this other stuff that's connect if

920

00:30:06,630 --> 00:30:03,840

we really want to know what's going on

921

00:30:07,430 --> 00:30:06,640

we need to study all of this so he went

922

00:30:11,190 --> 00:30:07,440

and

923

00:30:13,510 --> 00:30:11,200

program got started so if it wasn't for

924

00:30:14,789 --> 00:30:13,520

reading knapp's book going to the ranch

925

00:30:16,710 --> 00:30:14,799

having the experience and then talking

926
00:30:18,710 --> 00:30:16,720
to reid and saying we need this program

927
00:30:20,630 --> 00:30:18,720
well we wouldn't be doing this you know

928
00:30:21,430 --> 00:30:20,640
it's like it it really was the impetus

929
00:30:23,029 --> 00:30:21,440
for all of this

930
00:30:25,029 --> 00:30:23,039
and um it's a great book too if you

931
00:30:27,029 --> 00:30:25,039
haven't read it hunt for the skinwalker

932
00:30:29,430 --> 00:30:27,039
about the goings-on at the ranch and the

933
00:30:30,470 --> 00:30:29,440
studies and also on ufology in general

934
00:30:31,590 --> 00:30:30,480
different theories

935
00:30:33,510 --> 00:30:31,600
they go through all the different

936
00:30:34,710 --> 00:30:33,520
theories it's really cool it's like like

937
00:30:37,430 --> 00:30:34,720
a must-read if it's an

938
00:30:38,310 --> 00:30:37,440

audio book i do audio it's on audio too

939

00:30:42,549 --> 00:30:38,320

yeah

940

00:30:45,590 --> 00:30:42,559

because i'm in the car all the time

941

00:30:47,269 --> 00:30:45,600

um i read um the last book i read like

942

00:30:51,110 --> 00:30:47,279

that was secret machines

943

00:30:54,789 --> 00:30:51,120

um and just because of it was um

944

00:30:56,950 --> 00:30:54,799

promoted as almost your answers like

945

00:30:59,269 --> 00:30:56,960

i went back and looked at the earlier

946

00:31:01,750 --> 00:30:59,279

videos and everything of him promoting

947

00:31:02,710 --> 00:31:01,760

that book and to the stars and a lot of

948

00:31:04,950 --> 00:31:02,720

it was

949

00:31:06,630 --> 00:31:04,960

about that novel that novel was almost

950

00:31:09,350 --> 00:31:06,640

like a centerpiece more so

951
00:31:10,070 --> 00:31:09,360
than the show unidentified and he said a

952
00:31:11,750 --> 00:31:10,080
lot of

953
00:31:13,509 --> 00:31:11,760
the answers you want are in there so i'm

954
00:31:15,590 --> 00:31:13,519
like well i want to answer

955
00:31:17,590 --> 00:31:15,600
i'm going to read the thing well i'm 400

956
00:31:19,029 --> 00:31:17,600
pages into it i'm like man this is slow

957
00:31:22,470 --> 00:31:19,039
this got to be over soon

958
00:31:25,509 --> 00:31:22,480
i check not even close it's a novel it's

959
00:31:28,710 --> 00:31:25,519
700 some pages i'm like oh my god but

960
00:31:30,310 --> 00:31:28,720
uh it got a lot better as

961
00:31:32,230 --> 00:31:30,320
you know kind of the halfway pointer

962
00:31:33,830 --> 00:31:32,240
through it got uh you know and when i

963
00:31:36,710 --> 00:31:33,840

say better i just mean

964

00:31:37,590 --> 00:31:36,720

um it captured my attention a lot more

965

00:31:39,190 --> 00:31:37,600

and it was uh

966

00:31:41,110 --> 00:31:39,200

very fun to pretend i was one of the

967

00:31:43,269 --> 00:31:41,120

characters yeah

968

00:31:44,230 --> 00:31:43,279

um but you know he says trying in that

969

00:31:47,430 --> 00:31:44,240

book triangles

970

00:31:50,549 --> 00:31:47,440

are ours you know um

971

00:31:52,710 --> 00:31:50,559

discs are aliens and

972

00:31:54,630 --> 00:31:52,720

you know for him to promote it like he

973

00:31:56,710 --> 00:31:54,640

did and then that's the information in

974

00:32:03,110 --> 00:31:56,720

there

975

00:32:06,710 --> 00:32:04,630

i mean we've i mean it's been discussed

976

00:32:08,230 --> 00:32:06,720

on twitter well i wasn't here i guess

977

00:32:09,509 --> 00:32:08,240

then yeah we don't know

978

00:32:11,750 --> 00:32:09,519

you don't know what in those books are

979

00:32:13,350 --> 00:32:11,760

true and what is not i mean i've heard

980

00:32:14,389 --> 00:32:13,360

it's frustrating i've heard the same

981

00:32:16,710 --> 00:32:14,399

about you know there are other people

982

00:32:18,870 --> 00:32:16,720

who have done research david marlar and

983

00:32:20,630 --> 00:32:18,880

other people um richard dolan and

984

00:32:22,149 --> 00:32:20,640

talking about some of the triangles may

985

00:32:24,710 --> 00:32:22,159

be ours

986

00:32:25,430 --> 00:32:24,720

yeah but if you bring that up in ufo

987

00:32:27,430 --> 00:32:25,440

circles

988

00:32:29,830 --> 00:32:27,440

people there are some people that say no

989

00:32:31,750 --> 00:32:29,840

way we no way do we have that technology

990

00:32:33,350 --> 00:32:31,760

and yeah and one of the interviews i did

991

00:32:34,950 --> 00:32:33,360

with will miller who a lot of people

992

00:32:36,950 --> 00:32:34,960

don't know he was mentioned in leslie

993

00:32:39,430 --> 00:32:36,960

keane's book back in 2000

994

00:32:41,190 --> 00:32:39,440

she called him a true insider and around

995

00:32:42,549 --> 00:32:41,200

2000 i became friends with him

996

00:32:43,909 --> 00:32:42,559

it just happened i became friends with

997

00:32:44,789 --> 00:32:43,919

him i didn't really know how important

998

00:32:47,350 --> 00:32:44,799

he was

999

00:32:49,110 --> 00:32:47,360

um he's in my blog that which we haven't

1000

00:32:50,870 --> 00:32:49,120

talked about about wilson davis about

1001

00:32:53,990 --> 00:32:50,880

crash retrievals

1002

00:32:55,509 --> 00:32:54,000

yeah i just saw that actually if you

1003

00:32:57,029 --> 00:32:55,519

want to segue into that weekend

1004

00:32:58,950 --> 00:32:57,039

we're kind of just going with the flow

1005

00:32:59,430 --> 00:32:58,960

which i like so back in the night which

1006

00:33:03,269 --> 00:32:59,440

is cool

1007

00:33:05,190 --> 00:33:03,279

but 97 uh stephen greer who's another

1008

00:33:06,789 --> 00:33:05,200

he's a lightning rod because he says a

1009

00:33:07,110 --> 00:33:06,799

lot of controversial things and people

1010

00:33:09,909 --> 00:33:07,120

hate

1011

00:33:11,669 --> 00:33:09,919

him people love him but he was on coast

1012

00:33:15,909 --> 00:33:11,679

to coast saying that

1013

00:33:18,630 --> 00:33:15,919

he was briefing a joint chiefs fellow

1014

00:33:20,149 --> 00:33:18,640

about ufos and programs and this guy

1015

00:33:21,830 --> 00:33:20,159

didn't know any of this information he

1016

00:33:23,669 --> 00:33:21,840

had no access to it

1017

00:33:25,029 --> 00:33:23,679

and supposedly greer and and at the

1018

00:33:27,269 --> 00:33:25,039

meeting with stephen greer

1019

00:33:28,950 --> 00:33:27,279

will miller who set up the meeting and

1020

00:33:29,669 --> 00:33:28,960

edgar mitchell the six man the walk on

1021

00:33:31,750 --> 00:33:29,679

the moon

1022

00:33:33,830 --> 00:33:31,760

there's two other people there um and

1023

00:33:34,389 --> 00:33:33,840

supposedly this person admiral thomas

1024

00:33:36,710 --> 00:33:34,399

wilson

1025

00:33:38,549 --> 00:33:36,720

who went on to become the to the um

1026

00:33:41,669 --> 00:33:38,559

director of the defense intelligence

1027

00:33:43,430 --> 00:33:41,679

agency he um greer

1028

00:33:46,149 --> 00:33:43,440

or miller gave him information about a

1029

00:33:49,590 --> 00:33:46,159

special access program related to ufos

1030

00:33:51,190 --> 00:33:49,600

he actually according to documents that

1031

00:33:52,950 --> 00:33:51,200

came out later and the story the way the

1032

00:33:53,750 --> 00:33:52,960

story goes which mitchell told the story

1033

00:33:58,389 --> 00:33:53,760

too

1034

00:34:00,630 --> 00:33:58,399

he went to this special access program

1035

00:34:03,430 --> 00:34:00,640

and wanted access he goes um i think he

1036

00:34:06,389 --> 00:34:03,440

was at the time he was the joint chiefs

1037

00:34:08,310 --> 00:34:06,399

deputy two of intelligence so he had

1038

00:34:09,750 --> 00:34:08,320

oversight into all these programs

1039

00:34:11,109 --> 00:34:09,760

and they said you know so he got he

1040

00:34:11,510 --> 00:34:11,119

found out where the program was and he

1041

00:34:12,790 --> 00:34:11,520

said

1042

00:34:14,550 --> 00:34:12,800

i want to see what you guys have here

1043

00:34:16,550 --> 00:34:14,560

and they're like sorry you don't have a

1044

00:34:20,149 --> 00:34:16,560

need to know we can't let you in

1045

00:34:22,470 --> 00:34:20,159

and he was furious so he's supposedly

1046

00:34:24,310 --> 00:34:22,480

according to the wilson davis documents

1047

00:34:25,909 --> 00:34:24,320

they told him

1048

00:34:28,550 --> 00:34:25,919

that it was a program that reversed

1049

00:34:30,790 --> 00:34:28,560

engineered you know a craft that they

1050

00:34:32,629 --> 00:34:30,800

had an intact craft that was not made of

1051

00:34:34,389 --> 00:34:32,639

human hands not made on earth

1052

00:34:35,669 --> 00:34:34,399

they didn't have much success because

1053

00:34:37,430 --> 00:34:35,679

the program was very limited and how

1054

00:34:39,750 --> 00:34:37,440

many people were led in so not a lot of

1055

00:34:40,950 --> 00:34:39,760

scientific minds could look at it figure

1056

00:34:43,510 --> 00:34:40,960

it out

1057

00:34:44,389 --> 00:34:43,520

um they had an idea of where it came

1058

00:34:46,230 --> 00:34:44,399

from

1059

00:34:47,990 --> 00:34:46,240

he didn't say he wouldn't answer that he

1060

00:34:50,149 --> 00:34:48,000

hadn't and he wouldn't say

1061

00:34:51,909 --> 00:34:50,159

what it was in the hands of a private

1062

00:34:55,030 --> 00:34:51,919

aerospace contractor

1063

00:34:57,270 --> 00:34:55,040

um okay he wouldn't say who

1064

00:34:58,069 --> 00:34:57,280

probably yeah i don't know if it was

1065

00:35:01,190 --> 00:34:58,079

bigelow this

1066

00:35:03,829 --> 00:35:01,200

stuff may be coming out about that um

1067

00:35:04,870 --> 00:35:03,839

but and he also said um you know they

1068

00:35:06,550 --> 00:35:04,880

weren't going to give him a tour he

1069

00:35:07,829 --> 00:35:06,560

wanted to take a tour so he was livid he

1070

00:35:10,790 --> 00:35:07,839

talked to people and they're like

1071

00:35:12,790 --> 00:35:10,800

you know the special access uh program

1072

00:35:13,589 --> 00:35:12,800

committee i think sapco they they said

1073

00:35:15,510 --> 00:35:13,599

just let it go

1074

00:35:16,550 --> 00:35:15,520

or you're gonna lose a couple of stars

1075

00:35:18,630 --> 00:35:16,560

you're gonna you know you're not gonna

1076

00:35:21,670 --> 00:35:18,640

get your promotion just let it go

1077

00:35:25,750 --> 00:35:21,680

um that was in 97 and then in

1078

00:35:28,069 --> 00:35:25,760

2002 well two years ago documents leaked

1079

00:35:29,030 --> 00:35:28,079

about a meeting between astrophysicist

1080

00:35:30,870 --> 00:35:29,040

eric davis and

1081

00:35:32,470 --> 00:35:30,880

wilson the guy who was shot allegedly

1082

00:35:33,030 --> 00:35:32,480

shot out of the program and it just goes

1083

00:35:34,630 --> 00:35:33,040

through

1084

00:35:36,390 --> 00:35:34,640

wilson telling davis everything that

1085

00:35:38,230 --> 00:35:36,400

happened and coincidentally

1086

00:35:40,150 --> 00:35:38,240

coincidentally again i became friends

1087

00:35:42,230 --> 00:35:40,160

with eric davis a couple of years ago

1088

00:35:44,390 --> 00:35:42,240

he will not talk about that he will not

1089

00:35:46,310 --> 00:35:44,400

talk about that but um

1090

00:35:47,510 --> 00:35:46,320

he i've said this before he knew i was

1091

00:35:51,190 --> 00:35:47,520

working on a

1092

00:35:53,190 --> 00:35:51,200

massive blog on wilson davis and i

1093

00:35:55,990 --> 00:35:53,200

feel pretty comfortable if he had known

1094

00:35:58,470 --> 00:35:56,000

it was just totally bogus he would say

1095

00:35:59,750 --> 00:35:58,480

stop wasting your time but i never said

1096

00:36:01,510 --> 00:35:59,760

anything never said anything i have a

1097

00:36:05,190 --> 00:36:01,520

couple of quotes from him in there

1098

00:36:06,790 --> 00:36:05,200

about whether lockheed is the company um

1099

00:36:09,030 --> 00:36:06,800

but that's a big obviously that's the

1100

00:36:10,150 --> 00:36:09,040

biggest story ever because ufo's okay

1101
00:36:11,190 --> 00:36:10,160
great we don't know where they're from

1102
00:36:14,069 --> 00:36:11,200
but if we have

1103
00:36:14,390 --> 00:36:14,079
a craft an intact craft and we have a

1104
00:36:16,069 --> 00:36:14,400
bot

1105
00:36:17,829 --> 00:36:16,079
maybe we have body sue because that's

1106
00:36:19,349 --> 00:36:17,839
been brought up by several people

1107
00:36:21,030 --> 00:36:19,359
that that's game over if we can get

1108
00:36:21,990 --> 00:36:21,040
access to that people

1109
00:36:23,910 --> 00:36:22,000
you know we don't know where they're

1110
00:36:25,589 --> 00:36:23,920
from but this is what they look like

1111
00:36:27,510 --> 00:36:25,599
this is a craft you know

1112
00:36:28,710 --> 00:36:27,520
uh it's technology we can't even figure

1113
00:36:30,870 --> 00:36:28,720

out it's like

1114

00:36:34,310 --> 00:36:30,880

oh man what a day that would be yeah

1115

00:36:37,430 --> 00:36:36,069

there are theories that there are

1116

00:36:39,190 --> 00:36:37,440

theories that well the

1117

00:36:41,349 --> 00:36:39,200

the admiral that showed up that day was

1118

00:36:42,550 --> 00:36:41,359

an imposter and that fooled eric davis

1119

00:36:44,470 --> 00:36:42,560

i'm like oh okay

1120

00:36:45,990 --> 00:36:44,480

not happening eric davis is too bright

1121

00:36:47,750 --> 00:36:46,000

for that um

1122

00:36:49,829 --> 00:36:47,760

sometimes the imagination these people

1123

00:36:50,790 --> 00:36:49,839

have about how different things are than

1124

00:36:54,230 --> 00:36:50,800

the story told

1125

00:36:57,990 --> 00:36:54,240

is more so than aliens

1126

00:36:59,510 --> 00:36:58,000

you know well there may be other reasons

1127

00:36:59,910 --> 00:36:59,520

for it maybe certain people don't want

1128

00:37:01,670 --> 00:36:59,920

this

1129

00:37:03,270 --> 00:37:01,680

story out and that's just you know

1130

00:37:05,510 --> 00:37:03,280

there's they'll say whatever

1131

00:37:07,109 --> 00:37:05,520

just and it's not necessarily for a bad

1132

00:37:09,109 --> 00:37:07,119

reason in their mind

1133

00:37:10,790 --> 00:37:09,119

they think the truth will just you know

1134

00:37:12,870 --> 00:37:10,800

destroy our society and that's why the

1135

00:37:14,710 --> 00:37:12,880

secret may have been kept originally

1136

00:37:16,470 --> 00:37:14,720

um and there's another theory about

1137

00:37:17,510 --> 00:37:16,480

wilson davis that it's a movie script

1138

00:37:19,430 --> 00:37:17,520

and it's like

1139

00:37:21,589 --> 00:37:19,440

no it's not a movie script it leaked out

1140

00:37:23,109 --> 00:37:21,599

of edgar mitchell's estate when he died

1141

00:37:23,829 --> 00:37:23,119

actually edgar mitchell died a few years

1142

00:37:25,270 --> 00:37:23,839

ago

1143

00:37:27,670 --> 00:37:25,280

these were part of the documents that

1144

00:37:29,349 --> 00:37:27,680

were found that were ufo-related

1145

00:37:30,710 --> 00:37:29,359

i don't think dr edgar mitchell who has

1146

00:37:32,310 --> 00:37:30,720

spoken about this

1147

00:37:34,150 --> 00:37:32,320

in various i have it on my blog he's

1148

00:37:35,510 --> 00:37:34,160

spoken about the meeting

1149

00:37:37,109 --> 00:37:35,520

and he's referenced the meeting that

1150

00:37:37,750 --> 00:37:37,119

dave has had with wilson but without

1151

00:37:39,589 --> 00:37:37,760

naming them

1152

00:37:41,349 --> 00:37:39,599

i don't think edgar mitchell is going to

1153

00:37:43,190 --> 00:37:41,359

have a movie script

1154

00:37:44,550 --> 00:37:43,200

in his possessions i think he's a little

1155

00:37:45,589 --> 00:37:44,560

smarter than that and george knapp has

1156

00:37:47,270 --> 00:37:45,599

talked about it too

1157

00:37:49,030 --> 00:37:47,280

everybody connected he said these are

1158

00:37:51,829 --> 00:37:49,040

real the meeting happened

1159

00:37:52,310 --> 00:37:51,839

whether or not wilson told davis the you

1160

00:37:55,270 --> 00:37:52,320

know

1161

00:37:56,230 --> 00:37:55,280

the truth or or the contractor told

1162

00:37:58,470 --> 00:37:56,240

admiral wilson

1163

00:37:59,750 --> 00:37:58,480

the truth about that program can't i

1164

00:38:02,710 --> 00:37:59,760

don't know i think

1165

00:38:04,710 --> 00:38:02,720

i think they did i think it's true but

1166

00:38:06,390 --> 00:38:04,720

you know i i'll go as far as saying i

1167

00:38:09,589 --> 00:38:06,400

believe in the meeting happened 100

1168

00:38:11,750 --> 00:38:09,599

it was 2002 in las vegas right

1169

00:38:14,069 --> 00:38:11,760

well you know one thing i've realized

1170

00:38:14,870 --> 00:38:14,079

being a manager a boss or owning a

1171

00:38:16,550 --> 00:38:14,880

company is

1172

00:38:18,710 --> 00:38:16,560

uh when a situation comes up there's

1173

00:38:22,150 --> 00:38:18,720

always um

1174

00:38:24,390 --> 00:38:22,160

you know their truth their truth and

1175

00:38:25,829 --> 00:38:24,400

then the truth

1176

00:38:27,670 --> 00:38:25,839

you know which is usually in the middle

1177

00:38:30,710 --> 00:38:27,680

of the two stories you hear

1178

00:38:32,390 --> 00:38:30,720

uh but yeah it's great reporting and

1179

00:38:33,589 --> 00:38:32,400

great job getting that stuff up there i

1180

00:38:35,430 --> 00:38:33,599

mean if it's not for

1181

00:38:37,430 --> 00:38:35,440

people like you doing that i wouldn't

1182

00:38:39,510 --> 00:38:37,440

even know what to do

1183

00:38:41,030 --> 00:38:39,520

i would have this big problem uh with

1184

00:38:42,310 --> 00:38:41,040

ufos and

1185

00:38:43,430 --> 00:38:42,320

i wouldn't know how to read or how to

1186

00:38:44,550 --> 00:38:43,440

learn more about it so i really

1187

00:38:46,069 --> 00:38:44,560

appreciate you doing that

1188

00:38:47,910 --> 00:38:46,079

i just have a couple more questions for

1189

00:38:49,589 --> 00:38:47,920

you if that's cool yeah

1190

00:38:51,430 --> 00:38:49,599

you got time a lot of people yeah a lot

1191

00:38:51,990 --> 00:38:51,440

of people are doing great work and and

1192

00:38:53,510 --> 00:38:52,000

i'm really

1193

00:38:54,870 --> 00:38:53,520

i'm not really a reporter i just i like

1194

00:38:56,150 --> 00:38:54,880

to collect information that a lot of

1195

00:38:57,589 --> 00:38:56,160

people may have missed the first time

1196

00:38:59,349 --> 00:38:57,599

that's kind of what i do

1197

00:39:00,630 --> 00:38:59,359

and then try to put pieces together like

1198

00:39:01,910 --> 00:39:00,640

you know if i see something from three

1199

00:39:02,950 --> 00:39:01,920

years ago that somebody forgot and it

1200

00:39:04,470 --> 00:39:02,960

connects to something

1201

00:39:06,390 --> 00:39:04,480

that makes us think you know what maybe

1202

00:39:09,190 --> 00:39:06,400

that tells us x y or z

1203

00:39:09,990 --> 00:39:09,200

so but i appreciate that um yeah you're

1204

00:39:12,710 --> 00:39:10,000

not a reporter

1205

00:39:14,230 --> 00:39:12,720

that's that's like reporting on steroids

1206

00:39:15,750 --> 00:39:14,240

is what you're doing

1207

00:39:17,349 --> 00:39:15,760

my standards are lower you know i could

1208

00:39:18,310 --> 00:39:17,359

put stuff in my blog that like the new

1209

00:39:19,589 --> 00:39:18,320

york times can't put

1210

00:39:21,910 --> 00:39:19,599

you know some of the stuff i had in my

1211

00:39:23,349 --> 00:39:21,920

wilson davis blog true you know they may

1212

00:39:24,310 --> 00:39:23,359

have had access to some of that from

1213

00:39:25,910 --> 00:39:24,320

what i heard but

1214

00:39:27,430 --> 00:39:25,920

it didn't make it into their report so

1215

00:39:28,710 --> 00:39:27,440

they still had some great stuff they had

1216

00:39:30,950 --> 00:39:28,720

eric davis saying

1217

00:39:31,910 --> 00:39:30,960

you know he briefed two senate

1218

00:39:34,069 --> 00:39:31,920

committees

1219

00:39:35,910 --> 00:39:34,079

on the retrieval of off-world vehicles

1220

00:39:37,349 --> 00:39:35,920

off-world vehicles yeah people like well

1221

00:39:38,470 --> 00:39:37,359

no he didn't have the clearances that's

1222

00:39:41,349 --> 00:39:38,480

not i don't believe that

1223

00:39:43,030 --> 00:39:41,359

it's like you know he did that just

1224

00:39:45,349 --> 00:39:43,040

means we need a vehicle that can't do

1225

00:39:47,589 --> 00:39:45,359

anything here

1226

00:39:48,390 --> 00:39:47,599

yeah i mean retrieval of off-world

1227

00:39:50,069 --> 00:39:48,400

vehicles is

1228

00:39:51,990 --> 00:39:50,079

it's a pretty big thing basically it's

1229

00:39:55,109 --> 00:39:52,000

huge that was not made here

1230

00:39:56,069 --> 00:39:55,119

so um but most people can't just deal

1231

00:39:59,349 --> 00:39:56,079

with it

1232

00:40:00,870 --> 00:39:59,359

like it the people who don't like eric

1233

00:40:02,150 --> 00:40:00,880

davis they don't like harry they don't

1234

00:40:02,790 --> 00:40:02,160

like jeremy cormel they don't like

1235

00:40:03,750 --> 00:40:02,800

george snapp

1236

00:40:05,589 --> 00:40:03,760

they don't like that they're connected

1237

00:40:05,990 --> 00:40:05,599

to the lazar story it just goes on and

1238

00:40:12,069 --> 00:40:06,000

on

1239

00:40:13,430 --> 00:40:12,079

you know here you go they there's so

1240

00:40:14,550 --> 00:40:13,440

many people that are contributing to

1241

00:40:15,910 --> 00:40:14,560

this so

1242

00:40:17,510 --> 00:40:15,920

or you can just not pay attention to

1243

00:40:19,190 --> 00:40:17,520

them if you don't like someone don't

1244

00:40:20,470 --> 00:40:19,200

follow them don't listen to them like

1245

00:40:21,990 --> 00:40:20,480

why do you have to

1246

00:40:23,430 --> 00:40:22,000

it's hard for them to ignore it though

1247

00:40:24,390 --> 00:40:23,440

because it hurt people piece of

1248

00:40:26,390 --> 00:40:24,400

information so

1249

00:40:27,589 --> 00:40:26,400

but anyway what other questions you have

1250

00:40:29,349 --> 00:40:27,599

yeah i get it

1251

00:40:30,710 --> 00:40:29,359

well for any haters out there hating

1252

00:40:31,829 --> 00:40:30,720

each other uh it's just

1253

00:40:33,510 --> 00:40:31,839

childish and we're not going to get

1254

00:40:34,069 --> 00:40:33,520

anywhere fighting if we can come

1255

00:40:35,670 --> 00:40:34,079

together

1256

00:40:37,670 --> 00:40:35,680

and work off of each other i think that

1257

00:40:38,470 --> 00:40:37,680

would be best everybody's got different

1258

00:40:41,190 --> 00:40:38,480

qualities

1259

00:40:41,670 --> 00:40:41,200

you know i mean sometimes you know i get

1260

00:40:44,550 --> 00:40:41,680

it sure

1261

00:40:45,990 --> 00:40:44,560

well it's human it's human but i think

1262

00:40:48,790 --> 00:40:46,000

you know there's a difference between

1263

00:40:49,750 --> 00:40:48,800

a human that makes a mistake and just

1264

00:40:51,430 --> 00:40:49,760

moves on

1265

00:40:54,150 --> 00:40:51,440

and a human that makes a mistake

1266

00:40:56,390 --> 00:40:54,160

realizes it and then does what he can

1267

00:40:57,430 --> 00:40:56,400

to rectify it you know that's what a

1268

00:40:58,950 --> 00:40:57,440

good human is

1269

00:41:01,510 --> 00:40:58,960

and if we could all just do stuff like

1270

00:41:03,430 --> 00:41:01,520

that and put our egos in the trash

1271

00:41:06,790 --> 00:41:03,440

but hey i'm new to this so i don't know

1272

00:41:09,990 --> 00:41:06,800

a lot of the drama behind the scenes

1273

00:41:13,430 --> 00:41:10,000

yeah um let's see okay

1274

00:41:15,030 --> 00:41:13,440

um real quick well it doesn't have to be

1275

00:41:18,550 --> 00:41:15,040

quick it's up to you but

1276

00:41:21,589 --> 00:41:18,560

if you could choose between taking

1277

00:41:25,030 --> 00:41:21,599

a ride in a spaceship or a time machine

1278

00:41:27,829 --> 00:41:25,040

uh which would it be um and you can say

1279

00:41:29,349 --> 00:41:27,839

where you'd go why and what you'd do

1280

00:41:32,630 --> 00:41:29,359

time machine i'd definitely take

1281

00:41:40,150 --> 00:41:36,870

let's see backwards or forwards probably

1282

00:41:41,670 --> 00:41:40,160

i would love to go forward like

1283

00:41:44,550 --> 00:41:41,680

a hundred years and see if we're still

1284

00:41:48,630 --> 00:41:46,470

one of my other interests is whether or

1285

00:41:49,990 --> 00:41:48,640

not how would that work

1286

00:41:52,150 --> 00:41:50,000

you know i want to yeah it's like if i

1287

00:41:54,069 --> 00:41:52,160

if 100 years as far as humans i think

1288

00:41:56,870 --> 00:41:54,079

the the planet will always be here

1289

00:41:58,630 --> 00:41:56,880

um at least for the foreseeable future

1290

00:41:59,589 --> 00:41:58,640

uh but i would love to see a hundred

1291

00:42:01,270 --> 00:41:59,599

years you know

1292

00:42:02,950 --> 00:42:01,280

because one of the other things i'm

1293

00:42:04,950 --> 00:42:02,960

interested in cyclical

1294

00:42:06,309 --> 00:42:04,960

cyclical cataclysms on this planet which

1295

00:42:09,190 --> 00:42:06,319

i think happen

1296

00:42:10,470 --> 00:42:09,200

every you know 12 13 000 years and i

1297

00:42:12,390 --> 00:42:10,480

don't know if we're due for another one

1298

00:42:14,790 --> 00:42:12,400

i just think that happens on this planet

1299

00:42:16,309 --> 00:42:14,800

like the flood and such yeah the flood

1300

00:42:18,309 --> 00:42:16,319

which is documented that we had a flood

1301
00:42:20,470 --> 00:42:18,319
related maybe to a comet commentary

1302
00:42:22,550 --> 00:42:20,480
impact multiple pieces of a comet it's

1303
00:42:24,550 --> 00:42:22,560
breaking up i was in norway once in a

1304
00:42:25,990 --> 00:42:24,560
church and had this beautiful painting

1305
00:42:28,150 --> 00:42:26,000
and it basically shows the comet

1306
00:42:29,349 --> 00:42:28,160
breaking up um

1307
00:42:30,870 --> 00:42:29,359
over the planet and then that would

1308
00:42:31,670 --> 00:42:30,880
cause tidal waves you know stuff like

1309
00:42:34,550 --> 00:42:31,680
that

1310
00:42:35,910 --> 00:42:34,560
um so i'd love to go 100 years or a

1311
00:42:37,670 --> 00:42:35,920
couple hundred years maybe a thousand

1312
00:42:40,870 --> 00:42:37,680
years in the future and see

1313
00:42:43,430 --> 00:42:40,880

how many of us are left

1314

00:42:45,030 --> 00:42:43,440

it's just a little it's a little ufo joe

1315

00:42:48,630 --> 00:42:45,040

that's it

1316

00:42:51,750 --> 00:42:48,640

yeah i'm here uh okay so time machine

1317

00:42:54,069 --> 00:42:51,760

that's a great answer um you know

1318

00:42:55,829 --> 00:42:54,079

and kind of seems like typically you you

1319

00:42:59,030 --> 00:42:55,839

want to go in and find the real dirt

1320

00:43:01,190 --> 00:42:59,040

and tell people yeah look for that

1321

00:43:04,630 --> 00:43:01,200

newspaper article that finally told us

1322

00:43:09,750 --> 00:43:04,640

it's confirmed we're not alone

1323

00:43:12,390 --> 00:43:09,760

um now what do you make of corbell

1324

00:43:13,109 --> 00:43:12,400

commenting that there intelligently

1325

00:43:16,790 --> 00:43:13,119

controlled

1326
00:43:18,309 --> 00:43:16,800
the triangles because he's he said that

1327
00:43:21,510 --> 00:43:18,319
in describing them these things

1328
00:43:24,150 --> 00:43:21,520
are under intelligent control and

1329
00:43:24,870 --> 00:43:24,160
i don't recall him saying like a maybe

1330
00:43:26,390 --> 00:43:24,880
it was kind of

1331
00:43:28,309 --> 00:43:26,400
like a definitive statement i could be

1332
00:43:30,390 --> 00:43:28,319
wrong but

1333
00:43:32,790 --> 00:43:30,400
am i hearing that wrong or is that

1334
00:43:34,470 --> 00:43:32,800
really the case

1335
00:43:36,150 --> 00:43:34,480
i think you're hearing it correct i just

1336
00:43:37,670 --> 00:43:36,160
think he has a lot of information and

1337
00:43:39,030 --> 00:43:37,680
people he's spoken to that he hasn't

1338
00:43:40,550 --> 00:43:39,040

released yet it comes down to that i

1339

00:43:42,230 --> 00:43:40,560

mean i heard the same thing i've spoken

1340

00:43:44,309 --> 00:43:42,240

to somebody and you're like

1341

00:43:45,990 --> 00:43:44,319

these things are not acting like drones

1342

00:43:47,109 --> 00:43:46,000

or they're acting like nothing we've

1343

00:43:49,670 --> 00:43:47,119

ever seen so

1344

00:43:51,670 --> 00:43:49,680

you know under intelligent control and

1345

00:43:53,829 --> 00:43:51,680

and acting like you know

1346

00:43:55,109 --> 00:43:53,839

it's not a not a normal uh technology

1347

00:43:57,109 --> 00:43:55,119

that we know about

1348

00:43:59,109 --> 00:43:57,119

you know and tyler rogoway wrote a great

1349

00:44:01,910 --> 00:43:59,119

article in in the drive about

1350

00:44:03,349 --> 00:44:01,920

you know drone technology um i mean it's

1351
00:44:05,270 --> 00:44:03,359
it's possible

1352
00:44:06,950 --> 00:44:05,280
that you know our adversaries have these

1353
00:44:08,150 --> 00:44:06,960
amazing drones and they're soaking up in

1354
00:44:11,030 --> 00:44:08,160
for intel information

1355
00:44:11,589 --> 00:44:11,040
but i would think if tyler knows about

1356
00:44:14,390 --> 00:44:11,599
that

1357
00:44:15,990 --> 00:44:14,400
i would think our navy and people in the

1358
00:44:19,109 --> 00:44:16,000
intelligence world know about that too i

1359
00:44:21,190 --> 00:44:19,119
mean people say not necessarily i'm like

1360
00:44:22,630 --> 00:44:21,200
you know let's see what happens because

1361
00:44:24,309 --> 00:44:22,640
like i said behind the scenes they're

1362
00:44:25,510 --> 00:44:24,319
taking it seriously they think they're

1363
00:44:27,270 --> 00:44:25,520

uap

1364

00:44:29,270 --> 00:44:27,280

um tyler thought the three photos that

1365

00:44:32,150 --> 00:44:29,280

george knapp released with the

1366

00:44:32,470 --> 00:44:32,160

the blimp and the acorn and the sphere

1367

00:44:35,270 --> 00:44:32,480

right

1368

00:44:36,230 --> 00:44:35,280

tyler tyler believes those are balloons

1369

00:44:38,550 --> 00:44:36,240

but you know

1370

00:44:39,430 --> 00:44:38,560

the wind at that point at that that

1371

00:44:41,589 --> 00:44:39,440

altitude was

1372

00:44:42,950 --> 00:44:41,599

90 90 plus miles an hour and and the

1373

00:44:44,950 --> 00:44:42,960

f-18 pilots

1374

00:44:47,430 --> 00:44:44,960

allegedly were saying these things we

1375

00:44:50,870 --> 00:44:47,440

got close and they they're not moving

1376

00:44:53,670 --> 00:44:50,880

just the utter lack of confidence

1377

00:44:54,710 --> 00:44:53,680

in the intelligence of the men and women

1378

00:44:57,270 --> 00:44:54,720

who serve for us

1379

00:44:58,309 --> 00:44:57,280

it's kind of pathetic to be quite honest

1380

00:45:00,309 --> 00:44:58,319

with you yeah and if they're

1381

00:45:01,910 --> 00:45:00,319

if they're if they're if he's right we

1382

00:45:03,829 --> 00:45:01,920

are so screwed

1383

00:45:05,510 --> 00:45:03,839

we're so screwed i don't think we're

1384

00:45:07,430 --> 00:45:05,520

screwed you know it's like but

1385

00:45:09,510 --> 00:45:07,440

i have maybe we got north korea and

1386

00:45:12,230 --> 00:45:09,520

we're chasing balloons all day

1387

00:45:13,349 --> 00:45:12,240

yeah exactly exactly let's i think a lot

1388

00:45:15,349 --> 00:45:13,359

more is going to come out so

1389

00:45:16,710 --> 00:45:15,359

we don't have to debate it because it's

1390

00:45:18,550 --> 00:45:16,720

like i think we'll know

1391

00:45:21,349 --> 00:45:18,560

more and people will realize that you

1392

00:45:24,069 --> 00:45:21,359

know it's probably not drones

1393

00:45:25,510 --> 00:45:24,079

or balloons just waiting to see you know

1394

00:45:27,510 --> 00:45:25,520

what the

1395

00:45:29,109 --> 00:45:27,520

rest of this life is is going to look

1396

00:45:30,790 --> 00:45:29,119

like

1397

00:45:32,470 --> 00:45:30,800

in the world i think drones are involved

1398

00:45:34,309 --> 00:45:32,480

too it's like i'm not saying they're not

1399

00:45:35,589 --> 00:45:34,319

drones aren't red it doesn't have to be

1400

00:45:37,670 --> 00:45:35,599

black and white

1401

00:45:38,630 --> 00:45:37,680

right and like i think a lot of this and

1402

00:45:41,430 --> 00:45:38,640

the video is not

1403

00:45:43,109 --> 00:45:41,440

clear you know it shows a a triangle and

1404

00:45:46,069 --> 00:45:43,119

then the report jeremy got from

1405

00:45:46,870 --> 00:45:46,079

the people who he had sources told him

1406

00:45:49,190 --> 00:45:46,880

that it was

1407

00:45:50,870 --> 00:45:49,200

seen as a pyramid not a triangle and

1408

00:45:53,109 --> 00:45:50,880

people are like well that's right

1409

00:45:55,109 --> 00:45:53,119

and it said it was 700 information he

1410

00:45:58,309 --> 00:45:55,119

obtained and released

1411

00:46:00,230 --> 00:45:58,319

right paired and released and you know

1412

00:46:01,990 --> 00:46:00,240

i just don't think you know people are

1413

00:46:02,630 --> 00:46:02,000

like it's a plane that's out of focus

1414

00:46:05,910 --> 00:46:02,640

and like

1415

00:46:07,270 --> 00:46:05,920

are these guys that clueless right

1416

00:46:08,950 --> 00:46:07,280

even you know if you want to say they

1417

00:46:10,390 --> 00:46:08,960

were fooled on the deck of the ship

1418

00:46:12,309 --> 00:46:10,400

but then it made it to the next level

1419

00:46:14,230 --> 00:46:12,319

and then the next level exactly

1420

00:46:15,670 --> 00:46:14,240

not checking to see if it was a plane

1421

00:46:18,150 --> 00:46:15,680

you know so

1422

00:46:20,870 --> 00:46:18,160

yeah hard to believe you guys trick uh

1423

00:46:26,950 --> 00:46:20,880

flight uh radar 24 or what

1424

00:46:33,030 --> 00:46:30,230

civilians are even doing it i know uh

1425

00:46:33,430 --> 00:46:33,040

okay no thanks for uh commenting on that

1426

00:46:36,710 --> 00:46:33,440

um

1427

00:46:37,829 --> 00:46:36,720

i i haven't heard one thing i was

1428

00:46:38,309 --> 00:46:37,839

curious about maybe you have some

1429

00:46:41,910 --> 00:46:38,319

insight

1430

00:46:42,230 --> 00:46:41,920

is uh uh robert bigelow he always kind

1431

00:46:44,630 --> 00:46:42,240

of

1432

00:46:45,430 --> 00:46:44,640

had his face around this topic i feel

1433

00:46:50,390 --> 00:46:45,440

like

1434

00:46:53,030 --> 00:46:50,400

with nasa that kind of fell through

1435

00:46:54,390 --> 00:46:53,040

it seemed like and then he's doing the

1436

00:46:57,829 --> 00:46:54,400

consciousness study

1437

00:47:00,790 --> 00:46:57,839

is do you think he's done with his uap

1438

00:47:02,470 --> 00:47:00,800

stuff or is he still have his finger on

1439

00:47:03,430 --> 00:47:02,480

the pulse or is he involved in anything

1440

00:47:04,710 --> 00:47:03,440

do you know

1441

00:47:06,390 --> 00:47:04,720

well i think he's involved because he

1442

00:47:06,950 --> 00:47:06,400

was at that meeting where george knapp

1443

00:47:09,349 --> 00:47:06,960

acquired

1444

00:47:10,630 --> 00:47:09,359

the three photos the three uh when was

1445

00:47:13,670 --> 00:47:10,640

it

1446

00:47:15,270 --> 00:47:13,680

okay that those

1447

00:47:16,630 --> 00:47:15,280

that he first acquired those vote and

1448

00:47:18,069 --> 00:47:16,640

george couldn't release them because he

1449

00:47:18,950 --> 00:47:18,079

had made a promise to the people who he

1450

00:47:20,950 --> 00:47:18,960

got him from

1451

00:47:22,309 --> 00:47:20,960

um and people are like well george got

1452

00:47:24,630 --> 00:47:22,319

the photos from from

1453

00:47:26,710 --> 00:47:24,640

bigelow i'm like no george said that

1454

00:47:28,069 --> 00:47:26,720

bigelow hosted the meeting here in vegas

1455

00:47:29,430 --> 00:47:28,079

he didn't say he got them from him so

1456

00:47:30,870 --> 00:47:29,440

he's got his hand in that

1457

00:47:32,790 --> 00:47:30,880

and he's working on the consciousness

1458

00:47:34,230 --> 00:47:32,800

and life after death you know he has

1459

00:47:36,390 --> 00:47:34,240

that contest going where

1460

00:47:37,990 --> 00:47:36,400

people who wrote you know wrote an essay

1461

00:47:39,430 --> 00:47:38,000

about their their evidence for life

1462

00:47:41,910 --> 00:47:39,440

after death and the first i think first

1463

00:47:43,750 --> 00:47:41,920

prize is like 750

1464

00:47:45,190 --> 00:47:43,760

it's a lot half a million it's a lot of

1465

00:47:45,589 --> 00:47:45,200

it's a total of over a million dollars

1466

00:47:48,150 --> 00:47:45,599

in

1467

00:47:49,190 --> 00:47:48,160

prize money so i really can't wait to

1468

00:47:50,790 --> 00:47:49,200

see what the best

1469

00:47:52,549 --> 00:47:50,800

essays are what kind of evidence they

1470

00:47:55,990 --> 00:47:52,559

came up with yeah

1471

00:47:58,630 --> 00:47:56,000

i mean um i have a feeling it'll

1472

00:48:00,150 --> 00:47:58,640

kind of have a lot to do with

1473

00:48:02,069 --> 00:48:00,160

reincarnations and

1474

00:48:04,309 --> 00:48:02,079

you know so on and so forth evidence

1475

00:48:07,349 --> 00:48:04,319

that way and out of body experiences

1476

00:48:09,270 --> 00:48:07,359

and ndes and all that um

1477

00:48:11,270 --> 00:48:09,280

there was i i already forgot his name

1478

00:48:13,190 --> 00:48:11,280

but i've learned about him

1479

00:48:14,790 --> 00:48:13,200

because uh george knapp actually

1480

00:48:16,710 --> 00:48:14,800

interviewed him

1481

00:48:18,710 --> 00:48:16,720

and i'm not sure if he was taking part

1482

00:48:22,390 --> 00:48:18,720

in this consciousness study or not

1483

00:48:26,710 --> 00:48:24,309

i don't know but i started reading his

1484

00:48:28,950 --> 00:48:26,720

book and

1485

00:48:29,910 --> 00:48:28,960

it was brilliant it was about like these

1486

00:48:32,549 --> 00:48:29,920

seven worlds

1487

00:48:33,030 --> 00:48:32,559

and all this stuff you know after he

1488

00:48:34,870 --> 00:48:33,040

died

1489

00:48:37,190 --> 00:48:34,880

these seven worlds and stuff uh but the

1490

00:48:39,109 --> 00:48:37,200

book was really great he talks about

1491

00:48:40,870 --> 00:48:39,119

you know kind of how everything that

1492

00:48:41,589 --> 00:48:40,880

people believe in whether it's god or

1493

00:48:43,349 --> 00:48:41,599

you know

1494

00:48:44,870 --> 00:48:43,359

or whatever all kind of existed

1495

00:48:47,990 --> 00:48:44,880

historically in different

1496

00:48:48,309 --> 00:48:48,000

you know places and you know kind of

1497

00:48:50,470 --> 00:48:48,319

like

1498

00:48:52,150 --> 00:48:50,480

everyone's right type of situation but

1499

00:48:53,990 --> 00:48:52,160

this is how we put it together

1500

00:48:55,510 --> 00:48:54,000

it's a really good book i really admire

1501
00:48:56,069 --> 00:48:55,520
bigelow for doing that consciousness

1502
00:48:57,430 --> 00:48:56,079
study

1503
00:48:59,349 --> 00:48:57,440
even though it seems literally

1504
00:49:01,670 --> 00:48:59,359
impossible to

1505
00:49:02,470 --> 00:49:01,680
be able to prove but he never shies away

1506
00:49:05,589 --> 00:49:02,480
from

1507
00:49:07,430 --> 00:49:05,599
uh those kind of challenges and

1508
00:49:08,710 --> 00:49:07,440
you know that's pretty impressive to me

1509
00:49:11,190 --> 00:49:08,720
so yeah like

1510
00:49:12,630 --> 00:49:11,200
i agree very impossible to prove um even

1511
00:49:14,549 --> 00:49:12,640
with mediums i believe there are some

1512
00:49:15,829 --> 00:49:14,559
mediums who can acquire information

1513
00:49:17,589 --> 00:49:15,839

that there's no way they could have

1514

00:49:19,109 --> 00:49:17,599

known and it's through a sixth sense

1515

00:49:21,670 --> 00:49:19,119

but to prove it's coming from a dead

1516

00:49:23,829 --> 00:49:21,680

person right it's such another

1517

00:49:25,510 --> 00:49:23,839

leap it's the same thing yeah and

1518

00:49:27,109 --> 00:49:25,520

there's some work being done where

1519

00:49:28,390 --> 00:49:27,119

gary schwartz who's done work with

1520

00:49:30,710 --> 00:49:28,400

mediums where he's saying there's like

1521

00:49:32,309 --> 00:49:30,720

photons entering this device

1522

00:49:34,230 --> 00:49:32,319

during a reading which suggests that

1523

00:49:36,230 --> 00:49:34,240

there's something entering the room so

1524

00:49:37,910 --> 00:49:36,240

that's that's encouraging as our

1525

00:49:39,990 --> 00:49:37,920

technology gets better we may be able to

1526

00:49:42,549 --> 00:49:40,000

see into this other world and

1527

00:49:44,150 --> 00:49:42,559

that's i think i think that could happen

1528

00:49:45,990 --> 00:49:44,160

i just don't know when it's like

1529

00:49:47,510 --> 00:49:46,000

10 years you know i'd be alive to see

1530

00:49:48,390 --> 00:49:47,520

into if there's another dimension of

1531

00:49:49,990 --> 00:49:48,400

people

1532

00:49:51,990 --> 00:49:50,000

right around us will we be able to have

1533

00:49:54,390 --> 00:49:52,000

technology that actually shows us that

1534

00:49:55,990 --> 00:49:54,400

and steven greer claims black projects

1535

00:49:57,430 --> 00:49:56,000

have that technology where they can look

1536

00:50:00,230 --> 00:49:57,440

into other dimensions

1537

00:50:01,750 --> 00:50:00,240

but like i said claims claims a lot of

1538

00:50:03,270 --> 00:50:01,760

stuff so who the heck knows but

1539

00:50:06,549 --> 00:50:03,280

i would love that for that to be the

1540

00:50:09,349 --> 00:50:06,559

case um just this whole theory

1541

00:50:10,230 --> 00:50:09,359

is full uh fake alien invasion

1542

00:50:12,230 --> 00:50:10,240

absolutely

1543

00:50:13,670 --> 00:50:12,240

zero sense to me there's no it doesn't

1544

00:50:15,750 --> 00:50:13,680

make any sense you know i don't reject

1545

00:50:17,270 --> 00:50:15,760

it i don't reject anything like okay i i

1546

00:50:19,510 --> 00:50:17,280

don't see any evidence for it it doesn't

1547

00:50:22,950 --> 00:50:19,520

make any sense but just keep it

1548

00:50:24,390 --> 00:50:22,960

just in case i'll leave it there

1549

00:50:25,829 --> 00:50:24,400

but yeah it's like it's really that's

1550

00:50:27,349 --> 00:50:25,839

all he's pushing right now he's trying

1551
00:50:28,630 --> 00:50:27,359
to get a documentary out right now and

1552
00:50:30,390 --> 00:50:28,640
he's rushing before

1553
00:50:32,549 --> 00:50:30,400
the government's report coming out on

1554
00:50:35,030 --> 00:50:32,559
uap's at the end of june

1555
00:50:35,589 --> 00:50:35,040
um he's rushing to get done capitalistic

1556
00:50:36,870 --> 00:50:35,599
of him

1557
00:50:39,190 --> 00:50:36,880
because he thinks we're gonna say it's a

1558
00:50:41,510 --> 00:50:39,200
threat it's a threat and elizondo has

1559
00:50:43,349 --> 00:50:41,520
been very clear he goes it could be a

1560
00:50:45,990 --> 00:50:43,359
threat we don't know it could not be a

1561
00:50:48,230 --> 00:50:46,000
threat we don't know

1562
00:50:49,270 --> 00:50:48,240
it's an interesting article about those

1563
00:50:52,549 --> 00:50:49,280

electronic

1564

00:50:54,069 --> 00:50:52,559

like uh pulse attacks that were

1565

00:50:55,829 --> 00:50:54,079

happening in cuba and stuff

1566

00:50:57,190 --> 00:50:55,839

and somewhere it happened here in

1567

00:51:01,990 --> 00:50:57,200

washington dc

1568

00:51:04,790 --> 00:51:02,000

and uh it was in november last year

1569

00:51:06,150 --> 00:51:04,800

and i commented this on their story i'm

1570

00:51:09,270 --> 00:51:06,160

not sure anyone thought but

1571

00:51:10,470 --> 00:51:09,280

in november last year is when trump went

1572

00:51:12,230 --> 00:51:10,480

to the bunker

1573

00:51:14,150 --> 00:51:12,240

and everyone was like why did he go to

1574

00:51:16,630 --> 00:51:14,160

the bunker what did he do that for

1575

00:51:18,470 --> 00:51:16,640

i bet it was because of that because it

1576
00:51:20,710 --> 00:51:18,480
was right in the white house lawn

1577
00:51:22,470 --> 00:51:20,720
that somebody got hit with it

1578
00:51:25,750 --> 00:51:22,480
interesting

1579
00:51:26,790 --> 00:51:25,760
and is that related to uap stuff movie

1580
00:51:28,790 --> 00:51:26,800
i don't know i mean there are people

1581
00:51:30,230 --> 00:51:28,800
would say it's related to evil aliens

1582
00:51:30,630 --> 00:51:30,240
there are people that say it's related

1583
00:51:32,390 --> 00:51:30,640
to

1584
00:51:34,150 --> 00:51:32,400
black projects you know that the deep

1585
00:51:36,549 --> 00:51:34,160
state i have no idea i have no idea

1586
00:51:37,750 --> 00:51:36,559
everybody exists i mean i do think i

1587
00:51:40,309 --> 00:51:37,760
think i think there are people

1588
00:51:42,549 --> 00:51:40,319

in black you know special unacknowledged

1589

00:51:44,950 --> 00:51:42,559

special access projects

1590

00:51:45,910 --> 00:51:44,960

programs that you know know stuff that

1591

00:51:47,109 --> 00:51:45,920

we don't know and then

1592

00:51:49,190 --> 00:51:47,119

they're going to hold on to that stuff

1593

00:51:51,030 --> 00:51:49,200

is what they're going to not let that go

1594

00:51:53,829 --> 00:51:51,040

unless they're forced um

1595

00:51:55,190 --> 00:51:53,839

but as far as who's behind that kind of

1596

00:51:57,670 --> 00:51:55,200

attack i don't i don't know

1597

00:51:58,309 --> 00:51:57,680

i really don't know last question for

1598

00:52:02,390 --> 00:51:58,319

you

1599

00:52:04,390 --> 00:52:02,400

for

1600

00:52:05,750 --> 00:52:04,400

people that would be just getting into

1601
00:52:08,230 --> 00:52:05,760
this topic

1602
00:52:10,309 --> 00:52:08,240
when there's so much information going

1603
00:52:12,309 --> 00:52:10,319
back and forth in different ways and

1604
00:52:16,069 --> 00:52:12,319
oftentimes conflicting but from

1605
00:52:16,079 --> 00:52:20,069
how do you decide

1606
00:52:23,990 --> 00:52:22,710
who to i guess how can i put this how do

1607
00:52:26,790 --> 00:52:24,000
you decide

1608
00:52:28,630 --> 00:52:26,800
yeah like what who you can read and

1609
00:52:30,549 --> 00:52:28,640
trust what they're writing

1610
00:52:32,390 --> 00:52:30,559
whether it be a story or a documentary

1611
00:52:34,069 --> 00:52:32,400
like i mean because you can't just throw

1612
00:52:35,990 --> 00:52:34,079
yourself out there but nothing's proven

1613
00:52:37,670 --> 00:52:36,000

so what do you do

1614

00:52:39,109 --> 00:52:37,680

it's hard there's some stuff that you

1615

00:52:41,430 --> 00:52:39,119

know it's i can't really

1616

00:52:43,190 --> 00:52:41,440

give you a specific sometimes it's right

1617

00:52:46,230 --> 00:52:43,200

just more advice i guess

1618

00:52:48,069 --> 00:52:46,240

there are people i mean and and i say i

1619

00:52:49,030 --> 00:52:48,079

have sources and people i talk to it's

1620

00:52:51,430 --> 00:52:49,040

not like i just

1621

00:52:52,150 --> 00:52:51,440

they tell me stuff and i believe it 100

1622

00:52:53,990 --> 00:52:52,160

i try to get

1623

00:52:56,950 --> 00:52:54,000

you know information elsewhere to back

1624

00:52:58,549 --> 00:52:56,960

it up um sometimes you can't do that

1625

00:53:00,470 --> 00:52:58,559

um that's why i said i'm not a

1626

00:53:03,109 --> 00:53:00,480

journalist i i don't

1627

00:53:04,549 --> 00:53:03,119

i don't go with three independent

1628

00:53:06,230 --> 00:53:04,559

sources before i put something in my

1629

00:53:08,309 --> 00:53:06,240

blog and people know

1630

00:53:09,349 --> 00:53:08,319

if i'm speculating which is most of what

1631

00:53:12,069 --> 00:53:09,359

i do it's like

1632

00:53:13,510 --> 00:53:12,079

a lot of this is speculation um that's

1633

00:53:15,349 --> 00:53:13,520

why i like to quote people and have

1634

00:53:16,710 --> 00:53:15,359

their exact words and then

1635

00:53:18,309 --> 00:53:16,720

try to back it up with something else

1636

00:53:19,030 --> 00:53:18,319

but there's sometimes somebody will say

1637

00:53:21,670 --> 00:53:19,040

something and

1638

00:53:22,630 --> 00:53:21,680

i'll start i'll start transcribing and

1639

00:53:24,150 --> 00:53:22,640

then they start and then

1640

00:53:30,549 --> 00:53:24,160

it just goes off the rails i'm like i

1641

00:53:33,750 --> 00:53:32,470

and i'll give you more details than i've

1642

00:53:36,470 --> 00:53:33,760

given before but

1643

00:53:36,870 --> 00:53:36,480

i took a i took a remote viewing class

1644

00:53:39,270 --> 00:53:36,880

back

1645

00:53:40,790 --> 00:53:39,280

in late 90s and the person who ran the

1646

00:53:42,870 --> 00:53:40,800

class

1647

00:53:44,470 --> 00:53:42,880

uh was on a show a couple years ago and

1648

00:53:47,510 --> 00:53:44,480

he said that

1649

00:53:48,230 --> 00:53:47,520

he stumbled he was he went to do some

1650

00:53:51,430 --> 00:53:48,240

work

1651
00:53:54,829 --> 00:53:51,440
on a black program a secret program

1652
00:53:57,670 --> 00:53:54,839
and he saw humans working alongside

1653
00:53:59,190 --> 00:53:57,680
aliens and i was like and i know that

1654
00:54:01,670 --> 00:53:59,200
and i met this person and i

1655
00:54:02,870 --> 00:54:01,680
love this guy um just the nicest guy so

1656
00:54:04,950 --> 00:54:02,880
you're like

1657
00:54:05,990 --> 00:54:04,960
and the the the interviewer did not

1658
00:54:08,069 --> 00:54:06,000
follow up i was like

1659
00:54:09,829 --> 00:54:08,079
she just changed the subject i'm like

1660
00:54:11,270 --> 00:54:09,839
how could you let that go so i contacted

1661
00:54:14,069 --> 00:54:11,280
him and i emailed him am i like

1662
00:54:15,589 --> 00:54:14,079
can you clarify and he clarified for me

1663
00:54:17,589 --> 00:54:15,599

um

1664

00:54:18,790 --> 00:54:17,599

so i'm and i hesitated to put that out

1665

00:54:19,589 --> 00:54:18,800

i've had that for a year and a half to

1666

00:54:22,470 --> 00:54:19,599

two years and

1667

00:54:23,910 --> 00:54:22,480

it's halfway written on my blog um i do

1668

00:54:24,710 --> 00:54:23,920

want to put it out people can decide

1669

00:54:26,309 --> 00:54:24,720

because

1670

00:54:27,829 --> 00:54:26,319

he's like he's not the only one who has

1671

00:54:30,069 --> 00:54:27,839

seen that stuff so

1672

00:54:31,670 --> 00:54:30,079

well you know we start going with you

1673

00:54:32,950 --> 00:54:31,680

know we're being visited

1674

00:54:34,470 --> 00:54:32,960

and if you go beyond that a lot of

1675

00:54:35,270 --> 00:54:34,480

people freak out if you talk about what

1676

00:54:38,390 --> 00:54:35,280

i just said

1677

00:54:40,230 --> 00:54:38,400

people like oh you'll believe anything

1678

00:54:41,990 --> 00:54:40,240

people need to realize you don't have to

1679

00:54:44,549 --> 00:54:42,000

commit to one thing or another

1680

00:54:46,069 --> 00:54:44,559

you know like if you just because you're

1681

00:54:47,349 --> 00:54:46,079

learning more about this one theory

1682

00:54:48,710 --> 00:54:47,359

whether it be aliens or whatever

1683

00:54:50,470 --> 00:54:48,720

that doesn't mean you're committed to

1684

00:54:53,349 --> 00:54:50,480

believing this and now you're

1685

00:54:54,150 --> 00:54:53,359

a weird hokey alien person you know like

1686

00:54:56,630 --> 00:54:54,160

you have to

1687

00:54:58,230 --> 00:54:56,640

be able to you know be free to

1688

00:54:59,349 --> 00:54:58,240

experience and learn things that you

1689

00:55:01,190 --> 00:54:59,359

want without it

1690

00:55:03,430 --> 00:55:01,200

being this big judgment on who you are

1691

00:55:04,870 --> 00:55:03,440

as a person you know no i you know i

1692

00:55:06,630 --> 00:55:04,880

remember putting out information that de

1693

00:55:08,150 --> 00:55:06,640

long said and de long puts out a

1694

00:55:09,750 --> 00:55:08,160

put out a lot of stuff you're like i

1695

00:55:11,030 --> 00:55:09,760

don't know if i believe this but but

1696

00:55:13,190 --> 00:55:11,040

i've heard it before and

1697

00:55:15,670 --> 00:55:13,200

this specific information he was like

1698

00:55:17,670 --> 00:55:15,680

well this specific type of alien they

1699

00:55:19,030 --> 00:55:17,680

feed off of our negative emotions and i

1700

00:55:21,990 --> 00:55:19,040

put and i've heard that

1701

00:55:23,510 --> 00:55:22,000

i heard that since when i first got into

1702

00:55:26,230 --> 00:55:23,520

this that's what i heard

1703

00:55:26,870 --> 00:55:26,240

and back then i was like what i'm like

1704

00:55:28,150 --> 00:55:26,880

all right

1705

00:55:30,069 --> 00:55:28,160

and i kept it in the back of my mind and

1706

00:55:31,670 --> 00:55:30,079

then i heard the long say and then i and

1707

00:55:33,109 --> 00:55:31,680

if you google it there's other people

1708

00:55:35,030 --> 00:55:33,119

throughout history who've said

1709

00:55:37,510 --> 00:55:35,040

yeah they feed off of negative emotions

1710

00:55:39,430 --> 00:55:37,520

and that's why life on this planet is so

1711

00:55:41,430 --> 00:55:39,440

bad because they influence because they

1712

00:55:43,349 --> 00:55:41,440

they need things to be bad so it's like

1713

00:55:45,030 --> 00:55:43,359

i put that out and obviously i don't i

1714

00:55:46,390 --> 00:55:45,040

don't know if that's true but it's

1715

00:55:47,829 --> 00:55:46,400

it's something that i've heard before

1716

00:55:48,630 --> 00:55:47,839

and it's just interesting to me it's

1717

00:55:50,630 --> 00:55:48,640

like

1718

00:55:51,829 --> 00:55:50,640

i said i got blasted for that i got

1719

00:55:53,510 --> 00:55:51,839

blasted for that

1720

00:55:54,950 --> 00:55:53,520

um and it's like why i'm like i'm not

1721

00:55:55,190 --> 00:55:54,960

telling you to believe it it's like but

1722

00:55:56,789 --> 00:55:55,200

if

1723

00:55:58,630 --> 00:55:56,799

but a few of those are here and they're

1724

00:55:59,430 --> 00:55:58,640

not human and they're more advanced i

1725

00:56:01,349 --> 00:55:59,440

just don't

1726

00:56:03,270 --> 00:56:01,359

see where where do you draw the line on

1727

00:56:04,789 --> 00:56:03,280

what the next step is

1728

00:56:06,549 --> 00:56:04,799

like there are some people that don't

1729

00:56:07,430 --> 00:56:06,559

even think we have material why would

1730

00:56:09,750 --> 00:56:07,440

they crash

1731

00:56:11,589 --> 00:56:09,760

why would we have any of their their

1732

00:56:13,750 --> 00:56:11,599

their craft that doesn't make any

1733

00:56:15,430 --> 00:56:13,760

they'll stop just at ufos and they will

1734

00:56:19,030 --> 00:56:15,440

not go any further

1735

00:56:20,230 --> 00:56:19,040

yeah it's it's just too bad um

1736

00:56:22,150 --> 00:56:20,240

you know i don't know if people are

1737

00:56:23,910 --> 00:56:22,160

scared of it or what but you know the

1738

00:56:25,829 --> 00:56:23,920

interesting part about it is

1739

00:56:27,829 --> 00:56:25,839

uh whether people believe in it or not

1740

00:56:29,910 --> 00:56:27,839

it's here and it is what it is

1741

00:56:31,109 --> 00:56:29,920

so so they're not going to be able to

1742

00:56:33,270 --> 00:56:31,119

affect that reality

1743

00:56:34,789 --> 00:56:33,280

um but you know hopefully they're in

1744

00:56:36,230 --> 00:56:34,799

suited later so they could at least be

1745

00:56:37,990 --> 00:56:36,240

prepared for something

1746

00:56:39,270 --> 00:56:38,000

um albeit i don't know what that would

1747

00:56:43,349 --> 00:56:39,280

be but

1748

00:56:45,270 --> 00:56:43,359

um i think we're just about done here

1749

00:56:47,829 --> 00:56:45,280

that's an hour

1750

00:56:48,789 --> 00:56:47,839

just about um i had a really great time

1751

00:56:51,510 --> 00:56:48,799

talking to you

1752

00:56:51,829 --> 00:56:51,520

i believe it or not i don't have any

1753

00:56:54,230 --> 00:56:51,839

like

1754

00:56:55,829 --> 00:56:54,240

in-person friends or people that i can

1755

00:56:58,069 --> 00:56:55,839

talk to about this stuff

1756

00:56:59,510 --> 00:56:58,079

or even over the phone so this is

1757

00:57:01,030 --> 00:56:59,520

awesome that i get to

1758

00:57:02,710 --> 00:57:01,040

out of all people i get to talk to you

1759

00:57:06,390 --> 00:57:02,720

about it so yeah

1760

00:57:08,789 --> 00:57:06,400

super cool i know there's other people

1761

00:57:10,150 --> 00:57:08,799

that you're gonna have on um

1762

00:57:12,069 --> 00:57:10,160

and i don't know if i answered your

1763

00:57:14,069 --> 00:57:12,079

question about how i determine whether

1764

00:57:16,549 --> 00:57:14,079

or not something credible but it's like

1765

00:57:18,150 --> 00:57:16,559

oh yeah it's not easy not easy and i

1766

00:57:18,710 --> 00:57:18,160

appreciate you having me on sean it's

1767

00:57:20,309 --> 00:57:18,720

like yeah

1768

00:57:21,829 --> 00:57:20,319

a lot a lot of stuff's going on

1769

00:57:22,710 --> 00:57:21,839

hopefully today we'll learn more about

1770

00:57:24,069 --> 00:57:22,720

that

1771

00:57:25,589 --> 00:57:24,079

what i referenced and there's other

1772

00:57:26,390 --> 00:57:25,599

stuff there's just so much stuff going

1773

00:57:29,510 --> 00:57:26,400

on so

1774

00:57:30,950 --> 00:57:29,520

i think my theory right now my theory

1775

00:57:33,109 --> 00:57:30,960

right now is observe over

1776

00:57:34,069 --> 00:57:33,119

opinion i'm observing i'm not making

1777

00:57:36,309 --> 00:57:34,079

opinions

1778

00:57:37,670 --> 00:57:36,319

i'm taking it all in i'm putting it in

1779

00:57:39,990 --> 00:57:37,680

the little mental boxes

1780

00:57:41,829 --> 00:57:40,000

when they things connect i'll you know

1781

00:57:43,829 --> 00:57:41,839

make sure to acknowledge that

1782

00:57:45,109 --> 00:57:43,839

but i'm just watching the show and it's

1783

00:57:46,700 --> 00:57:45,119

awesome

1784

00:57:48,470 --> 00:57:46,710

i hope it doesn't get cancelled

1785

00:57:50,710 --> 00:57:48,480

[Laughter]

1786

00:57:51,990 --> 00:57:50,720

take any conclusions even if i if i come

1787

00:57:54,230 --> 00:57:52,000

to a conclusion just take it with a

1788

00:57:55,829 --> 00:57:54,240

grain of salt you know yeah

1789

00:57:57,190 --> 00:57:55,839

there's a lot of i think a lot of

1790

00:57:57,829 --> 00:57:57,200

information is coming together now we'll

1791

00:57:59,990 --> 00:57:57,839

have

1792

00:58:01,349 --> 00:58:00,000

a little much a little better whole uh

1793

00:58:03,589 --> 00:58:01,359

grip on what's going on

1794

00:58:04,630 --> 00:58:03,599

maybe just a little bit more um but yeah

1795

00:58:05,030 --> 00:58:04,640

thank you for having me on it's been

1796

00:58:07,589 --> 00:58:05,040

great

1797

00:58:08,150 --> 00:58:07,599

i enjoyed it yeah i hope you come back

1798

00:58:09,670 --> 00:58:08,160

i'd

1799

00:58:11,510 --> 00:58:09,680

love to do it again with you so

1800

00:58:13,109 --> 00:58:11,520

hopefully awesome

1801

00:58:14,950 --> 00:58:13,119

thanks joe you have a great rest of the
