

1
00:00:02,200 --> 00:00:08,549

[Music]

2
00:00:16,550 --> 00:00:11,990

everything started back in the 40s

3
00:00:19,750 --> 00:00:16,560

media reported a crashed flying saucer

4
00:00:23,870 --> 00:00:19,760

and now 80 years later

5
00:00:28,830 --> 00:00:23,880

the decades of secrecy led to a certain

6
00:00:30,710 --> 00:00:28,840

unpreparedness that was not unique to

7
00:00:34,709 --> 00:00:30,720

anyone

8
00:00:38,549 --> 00:00:34,719

and now ets are here and well

9
00:00:43,110 --> 00:00:41,350

i guess earth's resources are so rare

10
00:00:45,990 --> 00:00:43,120

that they had to do it for survival

11
00:00:51,029 --> 00:00:47,830

i mean everything pretty much looks the

12
00:00:55,189 --> 00:00:51,039

same people work

13
00:00:59,189 --> 00:00:55,199

although all for the et's but they work

14

00:01:01,590 --> 00:00:59,199

bars restaurants it's all the same

15

00:01:04,789 --> 00:01:01,600

it's the 100 percent tax that's the

16

00:01:08,950 --> 00:01:06,870

my wife and i moved to the midwest it's

17

00:01:11,030 --> 00:01:08,960

a little less controlled there is

18

00:01:11,990 --> 00:01:11,040

the aliens can't really seem to manage

19

00:01:13,170 --> 00:01:12,000

the season change

20

00:01:15,749 --> 00:01:13,180

very well

21

00:01:18,070 --> 00:01:15,759

[Music]

22

00:01:20,789 --> 00:01:18,080

in retrospect it's maybe not my best

23

00:01:24,830 --> 00:01:20,799

decision ever

24

00:01:27,190 --> 00:01:24,840

but i'm not working for aliens and

25

00:01:29,270 --> 00:01:27,200

historians

26

00:01:33,109 --> 00:01:29,280

so the following is a story about how i

27

00:01:40,630 --> 00:01:37,030

in all of this my wife left

28

00:01:44,069 --> 00:01:40,640

i was alone

29

00:01:46,469 --> 00:01:44,079

all i could do was fight fight for a

30

00:01:55,080 --> 00:01:46,479

place in this new world

31

00:02:06,940 --> 00:01:55,090

and hopefully get my wife back

32

00:02:19,510 --> 00:02:15,510

[Music]

33

00:02:25,030 --> 00:02:19,520

i'll go as far as i have to

34

00:02:29,030 --> 00:02:25,040

to get back to you driving to nowhere

35

00:02:35,430 --> 00:02:29,040

moving as fast as i dare

36

00:02:39,430 --> 00:02:35,440

convincing no one plans on a formula

37

00:02:42,790 --> 00:02:39,440

the rest is given so just take what you

38

00:02:47,270 --> 00:02:45,920

and it was really brilliant

39

00:02:51,509 --> 00:02:47,280

[Music]

40

00:02:53,920 --> 00:02:51,519

and magnificent

41

00:02:57,430 --> 00:02:53,930

i wish you could see it

42

00:03:06,149 --> 00:02:57,440

[Music]

43

00:03:06,159 --> 00:03:30,830

wish you could see

44

00:03:46,390 --> 00:03:37,110

so

45

00:03:49,750 --> 00:03:46,400

my plan will be better

46

00:03:52,869 --> 00:03:49,760

if it even gets to you

47

00:03:55,330 --> 00:03:52,879

gotta ride with a friend

48

00:03:56,710 --> 00:03:55,340

space and time with no wind

49

00:04:00,160 --> 00:03:56,720

[Music]

50

00:04:03,589 --> 00:04:00,170

just a way to get back to you

51
00:04:17,110 --> 00:04:03,599
[Music]

52
00:04:17,120 --> 00:04:26,830
i am mostly

53
00:04:26,840 --> 00:04:30,540
alright

54
00:04:40,469 --> 00:04:32,070
[Music]

55
00:04:40,479 --> 00:04:45,590
i wish you could see it

56
00:05:02,710 --> 00:04:57,110
it was really brilliant

57
00:05:02,720 --> 00:05:18,540
you can see

58
00:05:25,530 --> 00:05:21,110
[Music]
