00:00:36,630 --> 00:00:32,950
what's up everybody

2
00:00:38,869 --> 00:00:36,640
happy sunday uh we have some

3
00:00:39,830 --> 00:00:38,879
pretty cool stuff going on today i guess

4
00:00:45,270 --> 00:00:39,840
uh buddy of mine

5
00:00:48,470 --> 00:00:45,280
max is interviewing lou elizondo

6
00:00:53,590 --> 00:00:48,480
um and he is not being shy about

7
00:00:55,510 --> 00:00:53,600
um stuff that is gonna be dropped

8
00:00:57,990 --> 00:00:55,520
um i'm supposed to have a guest here at

9
00:01:02,389 --> 00:00:58,000
11 30.

10
00:01:02,399 --> 00:01:07,590
hey what's up alia girl how you doing

11
00:01:07,600 --> 00:01:14,070
ready to get rowdy rowdy on sunday

12
00:01:22,310 --> 00:01:18,630
no uh well yeah so

13
00:01:22,950 --> 00:01:22,320

have a kind of had a rough week i guess

14

00:01:25,510 --> 00:01:22,960

with the

15

00:01:26,710 --> 00:01:25,520

what people got pretty complaining about

16

00:01:29,670 --> 00:01:26,720

the uh

17

00:01:31,510 --> 00:01:29,680

joe biden statement but i think the joe

18

00:01:32,069 --> 00:01:31,520

biden statement we have taken care of

19

00:01:41,749 --> 00:01:32,079

that

20

00:01:43,990 --> 00:01:41,759

an issue um

21

00:01:45,590 --> 00:01:44,000

because look i mean everybody i think

22

00:01:47,830 --> 00:01:45,600

after they had some time to think about

23

00:01:50,789 --> 00:01:47,840

it everybody agreed here that

24

00:01:52,550 --> 00:01:50,799

um that is not the time or place to be

25

00:01:54,710 --> 00:01:52,560

working on disclosure

26
00:01:56,310 --> 00:01:54,720
or i mean disclosing you know what you

27
00:01:59,510 --> 00:01:56,320
know to the

28
00:02:00,950 --> 00:01:59,520
to the public so i think we're okay

29
00:02:04,230 --> 00:02:00,960
there

30
00:02:07,350 --> 00:02:04,240
but you know i think

31
00:02:09,350 --> 00:02:07,360
it's okay also that we're a little

32
00:02:12,710 --> 00:02:09,360
sensitive to that stuff

33
00:02:14,390 --> 00:02:12,720
i think we can uh not beat ourselves up

34
00:02:17,510 --> 00:02:14,400
about it

35
00:02:18,550 --> 00:02:17,520
um because we have so much invested in

36
00:02:20,830 --> 00:02:18,560
this

37
00:02:22,150 --> 00:02:20,840
like uh myself for instance i had an

38
00:02:23,830 --> 00:02:22,160

experience

39

00:02:25,510 --> 00:02:23,840

and i don't even know if this stuff is

40

00:02:29,510 --> 00:02:25,520

going to help me

41

00:02:33,509 --> 00:02:29,520

you know figure that out or not um

42

00:02:35,509 --> 00:02:33,519

but i'm trying you know and so when

43

00:02:37,030 --> 00:02:35,519

a little bad luck comes your way like

44

00:02:39,110 --> 00:02:37,040

biden or something yeah it hurts

45

00:02:42,070 --> 00:02:39,120

but you know you have to remember to

46

00:02:43,509 --> 00:02:42,080

keep that perspective

47

00:02:46,550 --> 00:02:43,519

uh because things have been going really

48

00:02:48,229 --> 00:02:46,560

great lately and

49

00:02:51,110 --> 00:02:48,239

you know one little thing by biden big

50

00:02:56,229 --> 00:02:51,120

deal and then that uh

51

00:03:00,869 --> 00:02:56,239

susan gow go susan go home

52

00:03:03,670 --> 00:03:00,879

came sent a email

53

00:03:03,990 --> 00:03:03,680

to john greenwald about atip and pretty

54

00:03:07,430 --> 00:03:04,000

much

55

00:03:11,270 --> 00:03:07,440

validated that yes they do

56

00:03:12,790 --> 00:03:11,280

use uaps or they did use uaps for a

57

00:03:15,670 --> 00:03:12,800

source

58

00:03:18,229 --> 00:03:15,680

um an eight tip so got a little

59

00:03:22,949 --> 00:03:18,239

confirmation there too but you know

60

00:03:27,030 --> 00:03:24,550

it'd be weird if somebody came out and

61

00:03:29,990 --> 00:03:27,040

didn't confirm it

62

00:03:30,789 --> 00:03:30,000

um so without further ado we have a

63

00:03:33,990 --> 00:03:30,799

really

64

00:03:38,070 --> 00:03:34,000

sassy cat of a guest

65

00:03:43,110 --> 00:03:38,080

um she meows she scratches she lashes

66

00:03:45,910 --> 00:03:43,120

her name is kitty foster how you doing

67

00:03:48,149 --> 00:03:45,920

i'm good thank you how are you good

68

00:03:49,910 --> 00:03:48,159

awesome thanks for joining me

69

00:03:52,070 --> 00:03:49,920

thanks for having me yeah it's been a

70

00:03:54,630 --> 00:03:52,080

while yeah i missed last week

71

00:03:56,949 --> 00:03:54,640

yeah well last week was kind of wild

72

00:04:01,910 --> 00:03:56,959

with uh 60 minutes and everything

73

00:04:05,509 --> 00:04:04,550

yeah i was streaming like the audio or

74

00:04:08,869 --> 00:04:05,519

whatever

75

00:04:12,949 --> 00:04:11,190

and yeah it's the people in europe like

76

00:04:14,869 --> 00:04:12,959

uh joining me just listening to the

77

00:04:18,229 --> 00:04:14,879

audio from my phone

78

00:04:19,030 --> 00:04:18,239

uh it was it streamed around for 1am

79

00:04:22,469 --> 00:04:19,040

here

80

00:04:26,629 --> 00:04:22,479

yeah that's late yeah that was late

81

00:04:30,469 --> 00:04:26,639

um but it got taken down

82

00:04:33,110 --> 00:04:30,479

somebody some uh the uh

83

00:04:33,909 --> 00:04:33,120

material gypsies found that uh i ripped

84

00:04:37,670 --> 00:04:33,919

that off

85

00:04:40,070 --> 00:04:37,680

so they had to put a an end to that

86

00:04:41,830 --> 00:04:40,080

so let me ask you with everything going

87

00:04:43,749 --> 00:04:41,840

on since we last talked which keep in

88

00:04:47,350 --> 00:04:43,759

mind was uh corbell

89

00:04:49,909 --> 00:04:47,360

60 minutes um and i think

90

00:04:51,189 --> 00:04:49,919

even more stuff uh clapper came out and

91

00:04:54,070 --> 00:04:51,199

said something

92

00:04:55,430 --> 00:04:54,080

um actually newt gingrich did then

93

00:04:58,629 --> 00:04:55,440

pentagon image is about

94

00:04:59,110 --> 00:04:58,639

atip and ufos yeah so what are you

95

00:05:01,029 --> 00:04:59,120

thinking

96

00:05:02,629 --> 00:05:01,039

how are you dealing with all the

97

00:05:05,110 --> 00:05:02,639

information how are you making sense of

98

00:05:07,670 --> 00:05:05,120

it basically

99

00:05:10,230 --> 00:05:07,680

by the way yeah i hope i'm loud enough

100

00:05:12,550 --> 00:05:10,240

as well

101

00:05:13,430 --> 00:05:12,560

well i i think i'm dealing okay i'm more

102

00:05:15,110 --> 00:05:13,440

worried about

103

00:05:16,950 --> 00:05:15,120

regular people because at the moment

104

00:05:20,150 --> 00:05:16,960

there's so much content coming out

105

00:05:22,870 --> 00:05:20,160

almost every day that that

106

00:05:24,469 --> 00:05:22,880

i think within a few weeks we're gonna

107

00:05:25,990 --> 00:05:24,479

reach a point where

108

00:05:28,230 --> 00:05:26,000

there will be more content coming out

109

00:05:31,510 --> 00:05:28,240

than hours in a day

110

00:05:34,070 --> 00:05:31,520

yeah that's true and

111

00:05:36,070 --> 00:05:34,080

it hasn't gotten very complicated just

112

00:05:38,310 --> 00:05:36,080

yet in my opinion

113

00:05:39,670 --> 00:05:38,320

we're just beginning we're just at the

114

00:05:41,590 --> 00:05:39,680

part of the road where

115

00:05:42,870 --> 00:05:41,600

we are trying to persuade people that

116

00:05:46,230 --> 00:05:42,880

that it's real

117

00:05:49,350 --> 00:05:46,240

well yeah that's we're still true didn't

118

00:05:51,029 --> 00:05:49,360

like but we barely beginning to

119

00:05:54,070 --> 00:05:51,039

raise all the philosophical questions

120

00:05:55,830 --> 00:05:54,080

that we need to address now

121

00:05:57,189 --> 00:05:55,840

because that's really the point right

122

00:06:00,469 --> 00:05:57,199

it's it's not about

123

00:06:04,629 --> 00:06:00,479

validating things to people like us who

124

00:06:07,110 --> 00:06:04,639

kind of already believe it's more about

125

00:06:08,070 --> 00:06:07,120

getting this out to the general public

126
00:06:11,110 --> 00:06:08,080
yeah

127
00:06:13,189 --> 00:06:11,120
um and you know

128
00:06:15,990 --> 00:06:13,199
hoping that they can latch onto this and

129
00:06:19,430 --> 00:06:16,000
and find belief in themselves

130
00:06:20,950 --> 00:06:19,440
and you know together we can really

131
00:06:22,870 --> 00:06:20,960
do something special if we can get to

132
00:06:24,950 --> 00:06:22,880
that place

133
00:06:26,790 --> 00:06:24,960
i'm pretty sure we're gonna get there

134
00:06:29,590 --> 00:06:26,800
yeah

135
00:06:31,590 --> 00:06:29,600
well mick westhead is five minutes on

136
00:06:38,150 --> 00:06:31,600
cnn

137
00:06:41,510 --> 00:06:40,550
i i guess he will get more shots you

138
00:06:44,550 --> 00:06:41,520

know

139

00:06:45,029 --> 00:06:44,560

um i don't remember the name but i was

140

00:06:49,029 --> 00:06:45,039

reading

141

00:06:50,950 --> 00:06:49,039

a an article by someone who compared the

142

00:06:51,430 --> 00:06:50,960

current situation in science and the

143

00:06:56,390 --> 00:06:51,440

world

144

00:07:00,390 --> 00:06:56,400

to on this topic to a religious dogma

145

00:07:02,629 --> 00:07:00,400

yeah i could see that it was kind of

146

00:07:03,430 --> 00:07:02,639

you know people are beginning to get get

147

00:07:07,110 --> 00:07:03,440

the evidence

148

00:07:10,390 --> 00:07:07,120

but they still reject the idea yeah

149

00:07:12,230 --> 00:07:10,400

they don't want to believe it it's

150

00:07:14,070 --> 00:07:12,240

it's a situation where people unders i'm

151
00:07:15,589 --> 00:07:14,080
pretty sure mcquest or anyone else

152
00:07:19,029 --> 00:07:15,599
understands the amount of

153
00:07:19,749 --> 00:07:19,039
data that that exists i think at least

154
00:07:23,110 --> 00:07:19,759
some of them

155
00:07:26,550 --> 00:07:23,120
don't do not want to believe that's true

156
00:07:29,990 --> 00:07:27,990
maybe it's one of the stages in

157
00:07:31,430 --> 00:07:30,000
acceptance you know like when people

158
00:07:33,510 --> 00:07:31,440
find out they have cancer you know it

159
00:07:34,950 --> 00:07:33,520
takes a little while to accept the idea

160
00:07:38,309 --> 00:07:34,960
so i guess for them this is

161
00:07:42,070 --> 00:07:38,319
how it feels yeah that's true

162
00:07:45,270 --> 00:07:42,080
um you know i tweeted earlier today too

163
00:07:47,350 --> 00:07:45,280

like i think you kind of have to

164

00:07:49,189 --> 00:07:47,360

you know the gist of the tweet basically

165

00:07:51,270 --> 00:07:49,199

was you kind of have to expect that

166

00:07:54,150 --> 00:07:51,280

people are going to be confused

167

00:07:55,350 --> 00:07:54,160

at least at first you know a new people

168

00:07:57,350 --> 00:07:55,360

who are coming in

169

00:07:58,950 --> 00:07:57,360

like when they see this stuff in lou and

170

00:08:01,430 --> 00:07:58,960

everything it's

171

00:08:02,790 --> 00:08:01,440

impossible to make your your mind up on

172

00:08:04,790 --> 00:08:02,800

someone's character

173

00:08:06,150 --> 00:08:04,800

when there's something this massive

174

00:08:09,270 --> 00:08:06,160

going on like

175

00:08:09,990 --> 00:08:09,280

like that you know you're gonna take

176

00:08:12,869 --> 00:08:10,000

your time with

177

00:08:14,390 --> 00:08:12,879

it watch more stuff you might think he's

178

00:08:18,230 --> 00:08:14,400

lying at first

179

00:08:20,230 --> 00:08:18,240

but eventually like it shines through

180

00:08:23,909 --> 00:08:20,240

his integrity just takes over

181

00:08:25,350 --> 00:08:23,919

and it's clear you know and

182

00:08:26,869 --> 00:08:25,360

but so all these people are just

183

00:08:28,150 --> 00:08:26,879

learning this stuff for the first time

184

00:08:29,670 --> 00:08:28,160

are going to go through those different

185

00:08:34,389 --> 00:08:29,680

phases we have

186

00:08:39,350 --> 00:08:35,990

did you come out of the gate believe in

187

00:08:43,269 --> 00:08:42,230

at that point when i began to watch

188

00:08:44,949 --> 00:08:43,279

lou's interviews

189

00:08:47,030 --> 00:08:44,959

i didn't believe anything to be honest i

190

00:08:48,710 --> 00:08:47,040

was still in kind of a searching phase

191

00:08:50,630 --> 00:08:48,720

totally so

192

00:08:53,190 --> 00:08:50,640

[Music]

193

00:08:54,870 --> 00:08:53,200

even now you know it's not whether i

194

00:08:57,110 --> 00:08:54,880

believe him or not

195

00:08:58,630 --> 00:08:57,120

i'm wondering is there anyone in public

196

00:09:00,389 --> 00:08:58,640

at the moment who actually knows the

197

00:09:04,949 --> 00:09:00,399

whole story

198

00:09:07,110 --> 00:09:04,959

that we want to find out so

199

00:09:08,550 --> 00:09:07,120

and about people being curious i think

200

00:09:11,590 --> 00:09:08,560

the first

201
00:09:14,630 --> 00:09:11,600
or at least an earlier step will be

202
00:09:15,990 --> 00:09:14,640
a lot of people getting angry yeah

203
00:09:17,670 --> 00:09:16,000
that's good people who have their

204
00:09:20,230 --> 00:09:17,680
personal stories and

205
00:09:21,110 --> 00:09:20,240
were afraid to come out i'm pretty sure

206
00:09:22,790 --> 00:09:21,120
they will have

207
00:09:25,269 --> 00:09:22,800
quite a lot of pent up feelings they

208
00:09:26,870 --> 00:09:25,279
will want to let out

209
00:09:29,030 --> 00:09:26,880
yeah what what do you think that'll look

210
00:09:31,110 --> 00:09:29,040
like

211
00:09:33,269 --> 00:09:31,120
i don't know i hope it will just become

212
00:09:36,389 --> 00:09:33,279
a strong political movement and not

213
00:09:39,750 --> 00:09:36,399

something else yeah

214

00:09:41,670 --> 00:09:39,760

well you know it's it's interesting to

215

00:09:42,949 --> 00:09:41,680

see who's like coming out and talking

216

00:09:45,509 --> 00:09:42,959

about the different stuff

217

00:09:46,550 --> 00:09:45,519

like sorry i keep messing with my lights

218

00:09:51,190 --> 00:09:46,560

because i feel like a

219

00:09:54,310 --> 00:09:51,200

freaking paley ghost

220

00:09:57,990 --> 00:09:54,320

like big bags under my eyes and stuff

221

00:10:00,630 --> 00:09:58,000

like mine no you look terrific um

222

00:10:02,150 --> 00:10:00,640

like newt gingrich today came out or not

223

00:10:02,790 --> 00:10:02,160

today but maybe it was yesterday or

224

00:10:04,870 --> 00:10:02,800

something

225

00:10:05,990 --> 00:10:04,880

i don't know if you heard that it's a

226

00:10:09,030 --> 00:10:06,000

little uh clip

227

00:10:11,430 --> 00:10:09,040

of him talking about how

228

00:10:13,509 --> 00:10:11,440

a friend of his who he thought had all

229

00:10:15,509 --> 00:10:13,519

the clearances ever

230

00:10:17,509 --> 00:10:15,519

found this stuff interesting and i think

231

00:10:21,430 --> 00:10:17,519

it was during the

232

00:10:23,190 --> 00:10:21,440

first bush administration

233

00:10:24,550 --> 00:10:23,200

it's one of the bushes i think it was

234

00:10:27,750 --> 00:10:24,560

the first one i'm not sure

235

00:10:29,110 --> 00:10:27,760

but anyways um and he went to his friend

236

00:10:33,430 --> 00:10:29,120

went to go look into

237

00:10:35,750 --> 00:10:33,440

like whatever we had on it and

238

00:10:38,150 --> 00:10:35,760

he was actually told i don't care what

239

00:10:39,829 --> 00:10:38,160

clearances you have

240

00:10:43,190 --> 00:10:39,839

they're not going to be good enough to

241

00:10:50,790 --> 00:10:47,910

and newt gingrich was talking about

242

00:10:52,550 --> 00:10:50,800

you know he he highly doubts it's china

243

00:10:55,190 --> 00:10:52,560

or russia or that we could be that far

244

00:10:58,389 --> 00:10:55,200

behind those countries

245

00:11:01,509 --> 00:10:59,910

you know if you were to ask him he'd

246

00:11:02,550 --> 00:11:01,519

probably guess aliens that's the way he

247

00:11:05,590 --> 00:11:02,560

made it seem

248

00:11:07,350 --> 00:11:05,600

yeah no i i mean uh

249

00:11:08,790 --> 00:11:07,360

newt gingrich so i'm just saying like

250

00:11:10,310 --> 00:11:08,800

that's that's really neat

251
00:11:12,470 --> 00:11:10,320
and these are conservatives coming out

252
00:11:14,069 --> 00:11:12,480
and doing stuff i would like to see a

253
00:11:16,230 --> 00:11:14,079
more bipartisan effort

254
00:11:17,269 --> 00:11:16,240
so that's i guess what i was getting at

255
00:11:20,389 --> 00:11:17,279
oh same here

256
00:11:22,230 --> 00:11:20,399
but you know we can say today that some

257
00:11:26,069 --> 00:11:22,240
of them are drones some of them are

258
00:11:28,150 --> 00:11:26,079
chinese russian whatever but we are

259
00:11:29,910 --> 00:11:28,160
very well aware there were sightings

260
00:11:33,190 --> 00:11:29,920
more than seven decades ago

261
00:11:35,430 --> 00:11:33,200
sure could those days china or russia or

262
00:11:40,470 --> 00:11:35,440
someone else have such technology

263
00:11:45,829 --> 00:11:43,910

that he he said that uh

264

00:11:47,509 --> 00:11:45,839

the first radio transmissions like in

265

00:11:50,310 --> 00:11:47,519

the late 1800s

266

00:11:50,710 --> 00:11:50,320

might have started all of this because

267

00:11:53,670 --> 00:11:50,720

those

268

00:11:55,030 --> 00:11:53,680

go into space and so it might have been

269

00:11:56,790 --> 00:11:55,040

like a

270

00:11:58,230 --> 00:11:56,800

they thought it it was like hey come

271

00:12:01,670 --> 00:11:58,240

check us out sign or something

272

00:12:05,030 --> 00:12:01,680

like a loud hello yeah no

273

00:12:06,150 --> 00:12:05,040

but you know uh did you see the scene

274

00:12:09,190 --> 00:12:06,160

after the

275

00:12:12,710 --> 00:12:09,200

credits on the phenomenon

276

00:12:14,629 --> 00:12:12,720

uh movie there was a small bit that this

277

00:12:15,750 --> 00:12:14,639

is not new in our history it has

278

00:12:17,670 --> 00:12:15,760

happened

279

00:12:19,110 --> 00:12:17,680

there are depictions of the same 100

280

00:12:22,389 --> 00:12:19,120

years hundreds of years or

281

00:12:26,150 --> 00:12:22,399

probably even thousands of years ago so

282

00:12:28,230 --> 00:12:26,160

it's not new and if today maybe someone

283

00:12:31,829 --> 00:12:28,240

could have such a similar technology or

284

00:12:35,829 --> 00:12:31,839

something that could appear that way

285

00:12:37,990 --> 00:12:35,839

it's not a new thing we just

286

00:12:40,310 --> 00:12:38,000

were part of the disinformation campaign

287

00:12:43,509 --> 00:12:40,320

which uh christopher mellon said on

288

00:12:45,750 --> 00:12:43,519

interview with joe rogan

289

00:12:47,110 --> 00:12:45,760

he mentioned about it it was intended

290

00:12:49,910 --> 00:12:47,120

for people to be debunked

291

00:12:50,310 --> 00:12:49,920

intended for people to be laughed at so

292

00:12:53,670 --> 00:12:50,320

that

293

00:12:56,790 --> 00:12:53,680

the topic wouldn't get gained traction

294

00:12:58,790 --> 00:12:56,800

and uh when it was about kind of

295

00:13:01,190 --> 00:12:58,800

people in 60s 70s and 80s i think they

296

00:13:02,949 --> 00:13:01,200

were they also felt at some points close

297

00:13:04,470 --> 00:13:02,959

to disclosure

298

00:13:07,590 --> 00:13:04,480

but i think the biggest thing they were

299

00:13:11,430 --> 00:13:07,600

missing was internet which we have today

300

00:13:13,990 --> 00:13:11,440

yeah those days with media it was much

301
00:13:15,269 --> 00:13:14,000
more easy to censor something to let it

302
00:13:18,949 --> 00:13:15,279
not spread

303
00:13:21,509 --> 00:13:18,959
compared to today yeah i mean look how

304
00:13:24,310 --> 00:13:21,519
uk media is dragging their feet bbc

305
00:13:27,430 --> 00:13:24,320
still hasn't written an article about it

306
00:13:30,710 --> 00:13:27,440
they had a small bit on tv but that's

307
00:13:32,389 --> 00:13:30,720
it yeah even though i

308
00:13:34,389 --> 00:13:32,399
i was listening a lot of scientist

309
00:13:35,190 --> 00:13:34,399
podcasts who said who are shocked that

310
00:13:39,110 --> 00:13:35,200
this is not

311
00:13:46,949 --> 00:13:39,120
bigger news so

312
00:13:50,550 --> 00:13:48,470
and you know today through twitter

313
00:13:53,750 --> 00:13:50,560

youtube and and many other sources

314

00:13:56,389 --> 00:13:53,760

that are coming out now it takes time

315

00:13:58,069 --> 00:13:56,399

people who have a job and kids i'm

316

00:14:00,310 --> 00:13:58,079

pretty sure they have what 15

317

00:14:01,509 --> 00:14:00,320

30 minutes a day for something like that

318

00:14:04,870 --> 00:14:01,519

right

319

00:14:05,350 --> 00:14:04,880

or maybe even for all of the news oh we

320

00:14:09,269 --> 00:14:05,360

gotta

321

00:14:11,829 --> 00:14:09,279

allows

322

00:14:12,790 --> 00:14:11,839

greater control of public narrative

323

00:14:16,310 --> 00:14:12,800

however

324

00:14:19,030 --> 00:14:16,320

susan gal would know more yeah

325

00:14:19,910 --> 00:14:19,040

no i think uh that's completely accurate

326

00:14:21,509 --> 00:14:19,920

because

327

00:14:23,430 --> 00:14:21,519

i mean to everything good there's a flip

328

00:14:26,470 --> 00:14:23,440

side that's bad too right

329

00:14:28,550 --> 00:14:26,480

so the internet yes

330

00:14:29,670 --> 00:14:28,560

disclosure go farther with the internet

331

00:14:31,829 --> 00:14:29,680

because

332

00:14:33,590 --> 00:14:31,839

you know people's information all over

333

00:14:35,430 --> 00:14:33,600

the world is accessible

334

00:14:37,269 --> 00:14:35,440

to a certain extent at least you know

335

00:14:38,710 --> 00:14:37,279

privately you know 100 years ago

336

00:14:40,550 --> 00:14:38,720

newspapers was pretty much the only

337

00:14:43,030 --> 00:14:40,560

thing you could have

338

00:14:45,110 --> 00:14:43,040

so you just control the sources of the

339

00:14:47,509 --> 00:14:45,120

newspapers and you're good to go

340

00:14:49,030 --> 00:14:47,519

nowadays all the main media channels may

341

00:14:50,550 --> 00:14:49,040

be controlling the narrative but you

342

00:14:51,509 --> 00:14:50,560

cannot control what's happening on

343

00:14:53,110 --> 00:14:51,519

twitter

344

00:14:54,710 --> 00:14:53,120

and even if there is a hundred different

345

00:14:59,030 --> 00:14:54,720

discussions going on and

346

00:15:01,430 --> 00:14:59,040

99 or even a whole hundred are wrong

347

00:15:03,110 --> 00:15:01,440

it cannot stop the discussion it cannot

348

00:15:05,430 --> 00:15:03,120

stop people knowing that something is

349

00:15:07,829 --> 00:15:05,440

happening

350

00:15:08,870 --> 00:15:07,839

yeah to a certain extent i mean it

351

00:15:12,150 --> 00:15:08,880

depends on

352

00:15:14,870 --> 00:15:12,160

how much you know disinformation or

353

00:15:16,710 --> 00:15:14,880

people are also involved in that

354

00:15:19,350 --> 00:15:16,720

discussion on twitter

355

00:15:20,629 --> 00:15:19,360

and if they have enough people to change

356

00:15:21,990 --> 00:15:20,639

the narrative

357

00:15:23,430 --> 00:15:22,000

even though it's still being discussed

358

00:15:24,470 --> 00:15:23,440

they could change the narrative into

359

00:15:28,310 --> 00:15:24,480

something

360

00:15:30,710 --> 00:15:28,320

bullcrap right they can change the

361

00:15:32,389 --> 00:15:30,720

narrative but keep in mind once people

362

00:15:34,550 --> 00:15:32,399

find out that

363

00:15:35,910 --> 00:15:34,560

something is there whatever the

364

00:15:37,509 --> 00:15:35,920

narrative is

365

00:15:40,550 --> 00:15:37,519

once they figure out that authorities

366

00:15:42,470 --> 00:15:40,560

were lying to them for seven decades

367

00:15:44,069 --> 00:15:42,480

it will change how people look at the

368

00:15:44,949 --> 00:15:44,079

information that is coming from those

369

00:15:48,629 --> 00:15:44,959

sources

370

00:15:52,150 --> 00:15:48,639

which ones reported first

371

00:15:54,629 --> 00:15:52,160

which ones took it seriously people will

372

00:15:56,949 --> 00:15:54,639

look at these things

373

00:15:58,310 --> 00:15:56,959

i mean go two years down the road and

374

00:16:00,629 --> 00:15:58,320

i'm pretty sure people will check

375

00:16:02,389 --> 00:16:00,639

okay if this new site took three years

376

00:16:03,829 --> 00:16:02,399

or four years to report on something

377

00:16:06,629 --> 00:16:03,839

this big

378

00:16:07,509 --> 00:16:06,639

maybe it's not as reliable as i believed

379

00:16:10,710 --> 00:16:07,519

yeah

380

00:16:13,189 --> 00:16:10,720

so by staying quiet these

381

00:16:15,590 --> 00:16:13,199

media channels are in my opinion digging

382

00:16:17,829 --> 00:16:15,600

their own grave

383

00:16:19,829 --> 00:16:17,839

and they already have been you know like

384

00:16:20,790 --> 00:16:19,839

i know i know but but some are still

385

00:16:23,990 --> 00:16:20,800

continuing

386

00:16:29,189 --> 00:16:24,000

yeah even like the smaller topics like

387

00:16:31,590 --> 00:16:29,199

you know from anything they always

388

00:16:33,269 --> 00:16:31,600

put in a big headline that doesn't

389

00:16:33,829 --> 00:16:33,279

really relate to the context of the

390

00:16:35,189 --> 00:16:33,839

piece

391

00:16:36,870 --> 00:16:35,199

you know or sometimes even

392

00:16:40,389 --> 00:16:36,880

misinformation altogether

393

00:16:42,389 --> 00:16:40,399

oh sure totally because they're covering

394

00:16:44,710 --> 00:16:42,399

for whatever political candidate is

395

00:16:48,790 --> 00:16:44,720

running at the time and whatever side

396

00:16:50,949 --> 00:16:48,800

needs it whoever pays the most yeah

397

00:16:52,550 --> 00:16:50,959

and it goes both ways you know that's

398

00:16:53,110 --> 00:16:52,560

what i wish people would understand a

399

00:16:55,910 --> 00:16:53,120

little more

400

00:16:57,590 --> 00:16:55,920

is you know i don't want to get into

401
00:16:59,430 --> 00:16:57,600
politics i guess but i'll just say this

402
00:17:04,630 --> 00:16:59,440
that both sides are

403
00:17:06,630 --> 00:17:04,640
are guilty so on the one hand

404
00:17:08,230 --> 00:17:06,640
i don't think we should rely on the

405
00:17:09,990 --> 00:17:08,240
government for disclosure

406
00:17:12,150 --> 00:17:10,000
like because we'll be more honest with

407
00:17:15,350 --> 00:17:12,160
ourselves and what we know

408
00:17:16,710 --> 00:17:15,360
but on the other hand you need them to

409
00:17:19,990 --> 00:17:16,720
do that so

410
00:17:22,710 --> 00:17:20,000
everybody else buys in you know

411
00:17:23,270 --> 00:17:22,720
yeah it's kind of a conundrum yeah

412
00:17:24,630 --> 00:17:23,280
because i

413
00:17:27,189 --> 00:17:24,640

they don't need to tell me anything i

414

00:17:28,390 --> 00:17:27,199

know it exists and they give me data i'm

415

00:17:28,990 --> 00:17:28,400

not going to know what to do with it

416

00:17:31,510 --> 00:17:29,000

anyways

417

00:17:33,110 --> 00:17:31,520

[Laughter]

418

00:17:34,710 --> 00:17:33,120

yeah but a lot of people as i said i

419

00:17:36,070 --> 00:17:34,720

think majority of those who have little

420

00:17:36,789 --> 00:17:36,080

time to dig in through all the

421

00:17:40,230 --> 00:17:36,799

information

422

00:17:43,029 --> 00:17:40,240

and there's a lot yeah

423

00:17:44,070 --> 00:17:43,039

there is i i think they're the main

424

00:17:46,470 --> 00:17:44,080

consumers of the

425

00:17:47,990 --> 00:17:46,480

mass media because that way they at

426

00:17:51,990 --> 00:17:48,000

least even if they are not

427

00:17:55,590 --> 00:17:52,000

informed they can feel informed true

428

00:17:56,789 --> 00:17:55,600

true and we feel informed on a lot of

429

00:18:01,190 --> 00:17:56,799

stuff don't we

430

00:18:04,310 --> 00:18:01,200

yeah yeah

431

00:18:07,510 --> 00:18:04,320

um so did you become friends with uh

432

00:18:11,590 --> 00:18:09,590

on twitter that's that's a good question

433

00:18:14,710 --> 00:18:11,600

i certainly followed her

434

00:18:17,270 --> 00:18:14,720

yeah that's what i meant yeah

435

00:18:19,029 --> 00:18:17,280

that's cool so yeah what did you think

436

00:18:22,150 --> 00:18:19,039

of 60 minutes

437

00:18:24,549 --> 00:18:22,160

i loved it i really really enjoyed it i

438

00:18:26,789 --> 00:18:24,559

was happy that something this popular

439

00:18:28,310 --> 00:18:26,799

presented the topic seriously i wasn't

440

00:18:28,950 --> 00:18:28,320

looking for anything new there even

441

00:18:30,630 --> 00:18:28,960

though that

442

00:18:32,230 --> 00:18:30,640

every day for two years was pretty new

443

00:18:36,630 --> 00:18:32,240

to me

444

00:18:37,990 --> 00:18:36,640

um i was very happy how they addressed

445

00:18:41,990 --> 00:18:38,000

the topic

446

00:18:44,710 --> 00:18:42,000

you think i i think compared to

447

00:18:45,990 --> 00:18:44,720

how many other segments were taking it

448

00:18:47,669 --> 00:18:46,000

yeah

449

00:18:49,590 --> 00:18:47,679

i think they did a great job considering

450

00:18:52,390 --> 00:18:49,600

especially considering the viewership

451

00:18:53,430 --> 00:18:52,400

uh it really feels that it made it

452

00:18:55,430 --> 00:18:53,440

explode i

453

00:18:57,110 --> 00:18:55,440

follow quite a few science channels on

454

00:18:59,830 --> 00:18:57,120

youtube and some

455

00:19:01,029 --> 00:18:59,840

scientists who never talked about this

456

00:19:04,070 --> 00:19:01,039

begin to come out

457

00:19:05,909 --> 00:19:04,080

not in only with their opinion but some

458

00:19:07,909 --> 00:19:05,919

even with their own personal stories or

459

00:19:10,710 --> 00:19:07,919

at least mentioning that they have them

460

00:19:11,430 --> 00:19:10,720

see that's great and i think this is

461

00:19:15,590 --> 00:19:11,440

what will

462

00:19:20,870 --> 00:19:18,630

once it become it will become acceptable

463

00:19:23,990 --> 00:19:20,880

to talk about it

464

00:19:27,430 --> 00:19:24,000

i i'm pretty sure everyone or almost

465

00:19:30,390 --> 00:19:27,440

everyone in the world will know someone

466

00:19:31,350 --> 00:19:30,400

or will have a friend who knows someone

467

00:19:33,110 --> 00:19:31,360

that has had

468

00:19:35,669 --> 00:19:33,120

some kind of sighting some kind of

469

00:19:37,590 --> 00:19:35,679

experience

470

00:19:39,190 --> 00:19:37,600

yeah they're more prevalent than we'd

471

00:19:42,310 --> 00:19:39,200

like to think aren't they

472

00:19:45,430 --> 00:19:42,320

yeah it certainly seems so

473

00:19:49,190 --> 00:19:45,440

have you had one nope

474

00:19:51,350 --> 00:19:49,200

no no do you know anyone that's had one

475

00:19:52,630 --> 00:19:51,360

i know someone who didn't have a

476

00:19:55,110 --> 00:19:52,640

sighting but had

477

00:19:55,990 --> 00:19:55,120

more of a weird experience yeah i mean i

478

00:19:59,270 --> 00:19:56,000

guess

479

00:20:01,430 --> 00:19:59,280

kind of me too so kind of suddenly

480

00:20:04,549 --> 00:20:01,440

appearing 25 kilometers away and

481

00:20:06,549 --> 00:20:04,559

having no idea how they got there wow

482

00:20:08,149 --> 00:20:06,559

that is crazy like all the different

483

00:20:10,710 --> 00:20:08,159

stuff that's a part of this

484

00:20:12,149 --> 00:20:10,720

yeah i know and there were like

485

00:20:12,870 --> 00:20:12,159

apparently it happened a few years ago

486

00:20:14,789 --> 00:20:12,880

but they were

487

00:20:16,230 --> 00:20:14,799

they never spoke with anyone about it

488

00:20:17,350 --> 00:20:16,240

yeah what are you gonna do

489

00:20:20,230 --> 00:20:17,360

because they thought people would think

490

00:20:22,630 --> 00:20:20,240

they're crazy of course so

491

00:20:23,350 --> 00:20:22,640

so even i found out just a couple weeks

492

00:20:25,830 --> 00:20:23,360

ago

493

00:20:28,230 --> 00:20:25,840

yeah wow yeah just think of that

494

00:20:30,470 --> 00:20:28,240

everybody coming out with their stories

495

00:20:32,789 --> 00:20:30,480

um you know that they haven't shared

496

00:20:35,110 --> 00:20:32,799

before

497

00:20:37,590 --> 00:20:35,120

maybe we would all have some sort of

498

00:20:39,590 --> 00:20:37,600

mass realization

499

00:20:41,830 --> 00:20:39,600

that these people aren't crazy because

500

00:20:44,070 --> 00:20:41,840

whoa your neighbor

501
00:20:45,350 --> 00:20:44,080
you know it's an accountant had one it's

502
00:20:47,990 --> 00:20:45,360
either that

503
00:20:49,430 --> 00:20:48,000
like a huge part of population is crazy

504
00:20:49,909 --> 00:20:49,440
even though they live normalized so then

505
00:20:53,029 --> 00:20:49,919
define

506
00:20:54,549 --> 00:20:53,039
crazy right there's just a new crazy

507
00:20:57,909 --> 00:20:54,559
that's not crazy

508
00:21:01,110 --> 00:20:57,919
yeah yeah kind of um

509
00:21:04,390 --> 00:21:01,120
so what do you

510
00:21:07,669 --> 00:21:04,400
so uh louis elizondo is gonna be on uh

511
00:21:11,110 --> 00:21:07,679
max's um podcast after this max

512
00:21:14,870 --> 00:21:11,120
markowitz i can't wait to watch it yeah

513
00:21:17,909 --> 00:21:14,880

what and he's been like teasing

514

00:21:21,510 --> 00:21:17,919

stuff on my show he's teased

515

00:21:22,310 --> 00:21:21,520

stuff on other shows so he is not being

516

00:21:25,110 --> 00:21:22,320

shy

517

00:21:27,830 --> 00:21:25,120

with the something news gonna drop you

518

00:21:32,149 --> 00:21:31,110

yeah and uh did you see the last bit

519

00:21:35,190 --> 00:21:32,159

from takakasan

520

00:21:37,110 --> 00:21:35,200

i think was today today no

521

00:21:38,470 --> 00:21:37,120

today or yesterday i'm a little bit lost

522

00:21:41,270 --> 00:21:38,480

in the time zones

523

00:21:42,230 --> 00:21:41,280

there's too much i can't keep up yeah i

524

00:21:43,970 --> 00:21:42,240

i have the same

525

00:21:46,470 --> 00:21:43,980

plan for this

526

00:21:49,669 --> 00:21:46,480

[Music]

527

00:21:51,510 --> 00:21:49,679

again reiterated his belief that um

528

00:21:53,909 --> 00:21:51,520

when he was asked whether he believes

529

00:21:58,710 --> 00:21:53,919

there is any debris

530

00:22:01,430 --> 00:21:58,720

like in u.s government uh he said

531

00:22:03,350 --> 00:22:01,440

i think they have like no he stated that

532

00:22:05,270 --> 00:22:03,360

they have exotic materials and i leave

533

00:22:07,350 --> 00:22:05,280

it at that

534

00:22:09,590 --> 00:22:07,360

yeah no yeah i heard that which was

535

00:22:11,669 --> 00:22:09,600

pretty much yeah

536

00:22:13,190 --> 00:22:11,679

yeah and he and chris mellon keep

537

00:22:15,029 --> 00:22:13,200

talking about different parts and

538

00:22:17,190 --> 00:22:15,039

mentioning department of energy all over

539

00:22:18,470 --> 00:22:17,200

the time yeah and that bit on debrief

540

00:22:20,640 --> 00:22:18,480

about how it could be

541

00:22:22,149 --> 00:22:20,650

an amazing place to hide things

542

00:22:23,430 --> 00:22:22,159

[Music]

543

00:22:25,909 --> 00:22:23,440

i think people haven't seen it for a

544

00:22:27,350 --> 00:22:25,919

while sorry go ahead yeah i also heard

545

00:22:28,789 --> 00:22:27,360

first time about abandonment of energy

546

00:22:30,950 --> 00:22:28,799

probably a couple of years ago when i

547

00:22:34,310 --> 00:22:30,960

was digging into all of this

548

00:22:37,909 --> 00:22:36,070

i think there's a lot of information

549

00:22:39,350 --> 00:22:37,919

which is already out it's just hard to

550

00:22:41,270 --> 00:22:39,360

kind of break through all of it and

551
00:22:44,710 --> 00:22:41,280
figure out which is right and which is

552
00:22:46,149 --> 00:22:44,720
nothing or just stories because you come

553
00:22:47,909 --> 00:22:46,159
up with so much in your head too that

554
00:22:48,789 --> 00:22:47,919
would make sense like what if the air

555
00:22:51,110 --> 00:22:48,799
force

556
00:22:52,310 --> 00:22:51,120
uh actually got some information and

557
00:22:54,230 --> 00:22:52,320
handed it to

558
00:22:55,350 --> 00:22:54,240
doe and was like you guys take care of

559
00:22:58,870 --> 00:22:55,360
it

560
00:23:00,390 --> 00:22:58,880
see ya you know or maybe someone else

561
00:23:01,190 --> 00:23:00,400
decided that it's a better place to keep

562
00:23:02,470 --> 00:23:01,200
everything because

563
00:23:04,549 --> 00:23:02,480

it's not the place where people will

564

00:23:08,070 --> 00:23:04,559

look look now everyone is talking about

565

00:23:10,789 --> 00:23:08,080

the department of defense and in the uk

566

00:23:13,270 --> 00:23:10,799

government uh responds a lot of times

567

00:23:18,789 --> 00:23:16,630

it has nothing like uh it's not related

568

00:23:19,909 --> 00:23:18,799

to the defense it's not seen as a threat

569

00:23:22,950 --> 00:23:19,919

so

570

00:23:24,390 --> 00:23:22,960

there's nothing about it in ministry of

571

00:23:30,230 --> 00:23:24,400

defense

572

00:23:33,909 --> 00:23:31,669

and i have a hunch that it'll be

573

00:23:38,950 --> 00:23:33,919

something similar

574

00:23:44,470 --> 00:23:42,870

this stuff i don't know they're so

575

00:23:46,470 --> 00:23:44,480

they're so tight-lipped over there about

576

00:23:46,870 --> 00:23:46,480

this stuff i wonder if anything has to

577

00:23:49,110 --> 00:23:46,880

do with

578

00:23:51,430 --> 00:23:49,120

it like the whole demon thing because

579

00:23:52,870 --> 00:23:51,440

that's deep catholic roots right and

580

00:23:53,750 --> 00:23:52,880

those are the people who think these are

581

00:23:55,269 --> 00:23:53,760

demons

582

00:23:56,870 --> 00:23:55,279

and you got a king and queen there who

583

00:24:00,390 --> 00:23:56,880

could probably just decide

584

00:24:01,430 --> 00:24:00,400

or a queen uh we're not telling anybody

585

00:24:04,789 --> 00:24:01,440

sorry everybody

586

00:24:06,789 --> 00:24:04,799

figure it out don't know

587

00:24:08,470 --> 00:24:06,799

i don't know i don't know it doesn't

588

00:24:08,810 --> 00:24:08,480

feel that everyone is that religious

589

00:24:10,230 --> 00:24:08,820

here

590

00:24:11,830 --> 00:24:10,240

[Laughter]

591

00:24:13,990 --> 00:24:11,840

you're like going back old school you

592

00:24:15,590 --> 00:24:14,000

know you know i come from lithuania and

593

00:24:18,149 --> 00:24:15,600

trust me

594

00:24:18,950 --> 00:24:18,159

even gay people are demons there yeah

595

00:24:22,070 --> 00:24:18,960

still today

596

00:24:23,430 --> 00:24:22,080

so i guess it's kind of

597

00:24:25,669 --> 00:24:23,440

shifting everywhere wait what did you

598

00:24:28,310 --> 00:24:25,679

say even gay people are demons there

599

00:24:29,350 --> 00:24:28,320

yeah what does that mean oh right right

600

00:24:32,549 --> 00:24:29,360

in lithuania there is

601
00:24:35,430 --> 00:24:32,559
a fight between lgbt rights and

602
00:24:37,669 --> 00:24:35,440
church happening in a weird way yeah we

603
00:24:41,669 --> 00:24:37,679
kind of take that stuff for granted

604
00:24:44,070 --> 00:24:41,679
yeah at least uh over here

605
00:24:47,590 --> 00:24:44,080
sorry i'm responding to uh greg asking

606
00:24:50,630 --> 00:24:47,600
when the loot thing is

607
00:24:53,750 --> 00:24:50,640
uh greg yeah it's today uh max

608
00:24:54,310 --> 00:24:53,760
markowitz um at one o'clock 1 p.m

609
00:24:57,110 --> 00:24:54,320
central

610
00:24:59,269 --> 00:24:57,120
so it should be in like an hour from now

611
00:25:00,950 --> 00:24:59,279
lou will be on his show

612
00:25:02,310 --> 00:25:00,960
and apparently he's gonna drop some good

613
00:25:04,710 --> 00:25:02,320

stuff so

614

00:25:07,669 --> 00:25:04,720

when that happens you come to me and say

615

00:25:09,669 --> 00:25:07,679

sean's the man he doesn't lie about that

616

00:25:12,070 --> 00:25:09,679

because if you don't then i'll start

617

00:25:13,830 --> 00:25:12,080

lying about it

618

00:25:17,669 --> 00:25:13,840

because i might as well if you're not

619

00:25:17,679 --> 00:25:23,830

i'm being goofy today um

620

00:25:30,470 --> 00:25:28,870

yeah interesting you know i wish

621

00:25:34,230 --> 00:25:30,480

you know i can't wait for the stigma to

622

00:25:37,430 --> 00:25:34,240

just fully be gone so we can actually

623

00:25:39,269 --> 00:25:37,440

be more bold with our thoughts about

624

00:25:41,029 --> 00:25:39,279

being in touch with consciousness as it

625

00:25:43,669 --> 00:25:41,039

relates to this you know

626

00:25:45,430 --> 00:25:43,679

because i think that whole point at

627

00:25:50,310 --> 00:25:45,440

least in the public

628

00:25:57,269 --> 00:25:54,830

i would agree i think

629

00:26:00,630 --> 00:25:57,279

that i i i see it

630

00:26:01,909 --> 00:26:00,640

in this way that uh people argue whether

631

00:26:03,669 --> 00:26:01,919

atheism or

632

00:26:05,430 --> 00:26:03,679

religion is better and it's neither

633

00:26:08,710 --> 00:26:05,440

supposed to be spirituality

634

00:26:09,590 --> 00:26:08,720

right that's my view it's kind of in the

635

00:26:13,110 --> 00:26:09,600

middle

636

00:26:16,070 --> 00:26:13,120

yeah yeah that's true but

637

00:26:17,510 --> 00:26:16,080

i mean i like to experiment with my

638

00:26:19,830 --> 00:26:17,520

spirituality

639

00:26:21,029 --> 00:26:19,840

for sure all right i don't mean

640

00:26:25,190 --> 00:26:21,039

experiment but

641

00:26:31,750 --> 00:26:27,830

you know and all that stuff and every

642

00:26:35,750 --> 00:26:34,470

like i see something or serendipity hits

643

00:26:38,870 --> 00:26:35,760

me constantly

644

00:26:39,909 --> 00:26:38,880

or whatever you know and the interesting

645

00:26:43,590 --> 00:26:39,919

thing from uh

646

00:26:44,950 --> 00:26:43,600

lou on at the observation deck thing

647

00:26:46,630 --> 00:26:44,960

that i went to i don't know if you're

648

00:26:49,110 --> 00:26:46,640

familiar with that it's like richard

649

00:26:50,310 --> 00:26:49,120

dolan put together this like virtual ufo

650

00:26:51,750 --> 00:26:50,320

conference

651
00:26:53,510 --> 00:26:51,760
where you think like a little sims

652
00:26:55,190 --> 00:26:53,520
character and walk around and stuff i

653
00:26:55,830 --> 00:26:55,200
heard about it i saw some screenshots i

654
00:26:58,789 --> 00:26:55,840
didn't have

655
00:27:00,710 --> 00:26:58,799
so much oh cool i was a cowboy you had

656
00:27:04,230 --> 00:27:00,720
to pay for it but i wanted to

657
00:27:06,630 --> 00:27:04,240
like see what this was about and

658
00:27:08,630 --> 00:27:06,640
you know whatever and my plan was really

659
00:27:10,630 --> 00:27:08,640
to get whatever information

660
00:27:12,789 --> 00:27:10,640
that came across that was important and

661
00:27:16,070 --> 00:27:12,799
put it on my stream so people who

662
00:27:17,990 --> 00:27:16,080
didn't attend you know can know what was

663
00:27:20,389 --> 00:27:18,000

talked about and everything

664

00:27:22,149 --> 00:27:20,399

um but yeah so i have a i made a little

665

00:27:24,950 --> 00:27:22,159

sims character with a cowboy hat

666

00:27:27,669 --> 00:27:24,960

and a bolo tie and like these weird

667

00:27:29,830 --> 00:27:27,679

square glasses

668

00:27:31,350 --> 00:27:29,840

but anyways so i went to watch the thing

669

00:27:34,789 --> 00:27:31,360

and lou is uh

670

00:27:36,549 --> 00:27:34,799

talking uh he had two parts the first

671

00:27:38,389 --> 00:27:36,559

one was just an interview and then later

672

00:27:41,990 --> 00:27:38,399

on he did like a q a

673

00:27:44,710 --> 00:27:42,000

so the first part oh man i might have

674

00:27:48,070 --> 00:27:44,720

lost what i was going to say now

675

00:27:49,350 --> 00:27:48,080

i'm stuck at too long oh he said

676

00:27:51,430 --> 00:27:49,360

that there's more and more kind of

677

00:27:52,149 --> 00:27:51,440

evidence that would point to it relating

678

00:27:54,789 --> 00:27:52,159

to

679

00:27:56,470 --> 00:27:54,799

you know consciousness and also the

680

00:28:00,630 --> 00:27:56,480

entire time that they were working

681

00:28:03,669 --> 00:28:00,640

at atip there were mass amounts

682

00:28:08,230 --> 00:28:03,679

that tons of serendipity constantly

683

00:28:11,110 --> 00:28:08,240

you know when i heard that i was like

684

00:28:11,430 --> 00:28:11,120

because you can't make that up it's just

685

00:28:13,909 --> 00:28:11,440

like

686

00:28:16,389 --> 00:28:13,919

you know one of those things you

687

00:28:18,950 --> 00:28:16,399

experience and

688

00:28:21,909 --> 00:28:18,960

come to a conclusion on you know that

689

00:28:23,350 --> 00:28:21,919

it's serendipitous or whatever

690

00:28:24,950 --> 00:28:23,360

you know you don't just say yeah there

691

00:28:27,190 --> 00:28:24,960

was a lot of serendipity like where was

692

00:28:28,789 --> 00:28:27,200

that come from

693

00:28:30,710 --> 00:28:28,799

so i thought that was really important

694

00:28:32,230 --> 00:28:30,720

and i like how he's kind of showing that

695

00:28:37,190 --> 00:28:32,240

side of it a little more

696

00:28:39,750 --> 00:28:37,200

almost every time because i think

697

00:28:42,030 --> 00:28:39,760

that's going to wind up being a very

698

00:28:43,590 --> 00:28:42,040

important aspect of this

699

00:28:47,830 --> 00:28:43,600

[Music]

700

00:28:47,840 --> 00:28:51,830

well what i mean greg is like

701
00:28:59,350 --> 00:28:55,990
um synchronicity kind of you know

702
00:29:02,470 --> 00:28:59,360
kind of lucky coincidences i guess yeah

703
00:29:03,190 --> 00:29:02,480
it's kind of how many coincidences in a

704
00:29:05,510 --> 00:29:03,200
row

705
00:29:07,269 --> 00:29:05,520
is no longer a coincidence in itself

706
00:29:09,510 --> 00:29:07,279
exactly

707
00:29:10,870 --> 00:29:09,520
when does it become a pattern not just

708
00:29:14,710 --> 00:29:10,880
random things

709
00:29:17,909 --> 00:29:14,720
here's uh here here's a example

710
00:29:20,470 --> 00:29:17,919
like i sleep talk all the time

711
00:29:21,430 --> 00:29:20,480
but i rarely say anything specific you

712
00:29:25,110 --> 00:29:21,440
know

713
00:29:28,470 --> 00:29:25,120

but i said the date um may 14th

714

00:29:32,310 --> 00:29:28,480

in my sleep like uh two weeks before it

715

00:29:35,190 --> 00:29:32,320

turns out may 14th was

716

00:29:35,830 --> 00:29:35,200

the latest in general well that was a

717

00:29:38,389 --> 00:29:35,840

different one

718

00:29:40,549 --> 00:29:38,399

that was before yeah this one was may

719

00:29:42,950 --> 00:29:40,559

14th and it wound up being

720

00:29:43,750 --> 00:29:42,960

corbell's release of the his latest

721

00:29:47,750 --> 00:29:43,760

omaha

722

00:29:49,110 --> 00:29:47,760

video wow and then 60 minutes was two

723

00:29:52,149 --> 00:29:49,120

days after

724

00:29:57,350 --> 00:29:54,630

that could be in the time that it that i

725

00:30:00,389 --> 00:29:57,360

said that was at like

726

00:30:01,350 --> 00:30:00,399

3 3 3 or something or something like

727

00:30:03,510 --> 00:30:01,360

that and then it was

728

00:30:05,430 --> 00:30:03,520

friday saturday sunday you know so you

729

00:30:08,789 --> 00:30:05,440

can go farther off of that stuff but

730

00:30:10,310 --> 00:30:08,799

that is like is that a coincidence or is

731

00:30:13,350 --> 00:30:10,320

that

732

00:30:16,070 --> 00:30:13,360

a serendipity like you know

733

00:30:17,269 --> 00:30:16,080

it's weird and but the frustrating part

734

00:30:19,029 --> 00:30:17,279

about that stuff is you

735

00:30:20,470 --> 00:30:19,039

you can't really do anything with it you

736

00:30:22,630 --> 00:30:20,480

know what am i gonna do

737

00:30:25,830 --> 00:30:22,640

say may 14th that's coming everybody

738

00:30:30,549 --> 00:30:29,269

ever trust myself that that could be

739

00:30:32,549 --> 00:30:30,559

anything to say that

740

00:30:33,590 --> 00:30:32,559

really you know unless i'm just kind of

741

00:30:36,310 --> 00:30:33,600

joking around

742

00:30:38,070 --> 00:30:36,320

but yeah the ig one was very interesting

743

00:30:39,350 --> 00:30:38,080

because i said inspector general in my

744

00:30:43,190 --> 00:30:39,360

dreams

745

00:30:45,029 --> 00:30:43,200

march 25th and then

746

00:30:46,630 --> 00:30:45,039

the thing comes out online about the

747

00:30:50,710 --> 00:30:46,640

inspector general

748

00:30:53,990 --> 00:30:50,720

looking into the dod or whatever

749

00:30:56,630 --> 00:30:54,000

and i'm reporting it first

750

00:30:57,909 --> 00:30:56,640

on my podcast nobody even knows it's

751
00:31:00,710 --> 00:30:57,919
happened

752
00:31:01,830 --> 00:31:00,720
and i'm doing it and i half know that

753
00:31:03,590 --> 00:31:01,840
it's important

754
00:31:05,590 --> 00:31:03,600
you know like i don't really know but no

755
00:31:07,190 --> 00:31:05,600
idea blow up really i

756
00:31:09,029 --> 00:31:07,200
i thought it was important you know i

757
00:31:11,029 --> 00:31:09,039
did put breaking news and stuff

758
00:31:12,789 --> 00:31:11,039
what i didn't know was gonna be like

759
00:31:16,389 --> 00:31:12,799
that big yeah

760
00:31:17,509 --> 00:31:16,399
and then yeah that happened i'm like

761
00:31:19,830 --> 00:31:17,519
and that's what i mean like what are you

762
00:31:20,789 --> 00:31:19,840
supposed to do with it because here i am

763
00:31:23,029 --> 00:31:20,799

doing this

764

00:31:24,710 --> 00:31:23,039

and nothing happens like so what's the

765

00:31:28,789 --> 00:31:24,720

point what does it mean

766

00:31:32,149 --> 00:31:28,799

you know it's just weird

767

00:31:34,630 --> 00:31:32,159

did you have a chance or in your journey

768

00:31:36,950 --> 00:31:34,640

did you ever read the

769

00:31:39,350 --> 00:31:36,960

i think it's a declassified document

770

00:31:42,230 --> 00:31:39,360

called the one human problem is solution

771

00:31:43,590 --> 00:31:42,240

and relationship to ufo phenomena

772

00:31:47,669 --> 00:31:43,600

something on those lines

773

00:31:48,149 --> 00:31:47,679

uh oh that's such an amazing read i

774

00:31:52,149 --> 00:31:48,159

think

775

00:31:54,070 --> 00:31:52,159

it's dated 1976 if i'm not mistaken

776

00:31:55,190 --> 00:31:54,080

i take recommendations or something

777

00:32:00,950 --> 00:31:55,200

similar

778

00:32:02,549 --> 00:32:00,960

what's it called the one human problem

779

00:32:04,149 --> 00:32:02,559

that's not familiar but i don't think

780

00:32:06,310 --> 00:32:04,159

i've read it

781

00:32:09,669 --> 00:32:06,320

he's been doing around rounds on twitter

782

00:32:16,549 --> 00:32:12,549

oh yes d classified document i think on

783

00:32:25,350 --> 00:32:19,990

um right now oh

784

00:32:33,029 --> 00:32:28,630

but i heard declassified military

785

00:32:33,039 --> 00:32:37,350

hey there you are

786

00:32:42,789 --> 00:32:40,230

yeah i sent a link oh okay oh yeah in

787

00:32:45,110 --> 00:32:42,799

private we have a

788

00:32:46,230 --> 00:32:45,120

yeah you can post it on for everyone to

789

00:32:48,070 --> 00:32:46,240

have a look

790

00:32:49,909 --> 00:32:48,080

i'm really curious about opinions on

791

00:32:53,509 --> 00:32:49,919

this because

792

00:32:53,909 --> 00:32:53,519

sure like above about halfway through it

793

00:32:56,950 --> 00:32:53,919

gets

794

00:32:57,669 --> 00:32:56,960

really weird though there might be from

795

00:33:00,630 --> 00:32:57,679

beginning

796

00:33:02,230 --> 00:33:00,640

when did there's some people when it

797

00:33:06,149 --> 00:33:02,240

came out i don't know but it's dated on

798

00:33:12,549 --> 00:33:08,830

let's see i don't know when it was

799

00:33:12,559 --> 00:33:20,789

it's quite a read

800

00:33:20,799 --> 00:33:28,470

okay let's just

801
00:33:32,950 --> 00:33:31,750
maybe next time if if you go through

802
00:33:34,710 --> 00:33:32,960
this

803
00:33:36,310 --> 00:33:34,720
we can have a chat because i would

804
00:33:39,430 --> 00:33:36,320
really love to hear your opinions

805
00:33:39,750 --> 00:33:39,440
i'll i'll read it yes the one you know

806
00:33:41,590 --> 00:33:39,760
you're

807
00:33:44,470 --> 00:33:41,600
okay because i think that your

808
00:33:47,509 --> 00:33:44,480
experience ties into this

809
00:33:49,590 --> 00:33:47,519
god damn quite interestingly and and

810
00:33:52,710 --> 00:33:49,600
even maybe everyone's

811
00:33:53,750 --> 00:33:52,720
i have a feeling like you know i would

812
00:33:56,389 --> 00:33:53,760
like to ask

813
00:33:59,029 --> 00:33:56,399

uh these pilots or anything if they were

814

00:34:01,110 --> 00:33:59,039

experiencing

815

00:34:02,149 --> 00:34:01,120

you know other than being in a fighter

816

00:34:06,470 --> 00:34:02,159

jet uh

817

00:34:09,270 --> 00:34:06,480

stress you know or sadness or anything

818

00:34:09,909 --> 00:34:09,280

related to the phenomena yeah these

819

00:34:12,310 --> 00:34:09,919

pilots

820

00:34:14,230 --> 00:34:12,320

i wonder you know if they had any

821

00:34:15,829 --> 00:34:14,240

personal stressful issues going on

822

00:34:17,589 --> 00:34:15,839

because that's certainly what brought

823

00:34:19,589 --> 00:34:17,599

about my stuff

824

00:34:21,990 --> 00:34:19,599

you know well i don't know if you listen

825

00:34:23,750 --> 00:34:22,000

to them on the radio

826

00:34:25,030 --> 00:34:23,760

in some of those videos they sound

827

00:34:28,790 --> 00:34:25,040

pretty excited

828

00:34:31,510 --> 00:34:28,800

yeah well i was excited too

829

00:34:32,950 --> 00:34:31,520

but like my personal life and the issues

830

00:34:36,389 --> 00:34:32,960

i was going through with

831

00:34:39,430 --> 00:34:36,399

family stuff you know

832

00:34:41,270 --> 00:34:39,440

was pretty was pretty existential i

833

00:34:43,109 --> 00:34:41,280

guess but

834

00:34:44,869 --> 00:34:43,119

i don't know but how would all those

835

00:34:46,230 --> 00:34:44,879

people have something like that going on

836

00:34:47,909 --> 00:34:46,240

at the scene yeah but you know

837

00:34:49,349 --> 00:34:47,919

if it's around a military ship there are

838

00:34:52,389 --> 00:34:49,359

just so many people on the ship

839

00:34:55,990 --> 00:34:52,399

yeah i doubt anyone's person

840

00:34:57,670 --> 00:34:56,000

would be causing it yep that says we're

841

00:35:00,710 --> 00:34:57,680

all having papa issues

842

00:35:03,430 --> 00:35:00,720

okay here we go wow

843

00:35:05,670 --> 00:35:03,440

this can consists of linkage of all

844

00:35:08,710 --> 00:35:05,680

individual brains and the species into

845

00:35:10,550 --> 00:35:08,720

one i can't see it well

846

00:35:12,150 --> 00:35:10,560

okay yeah let me read this and i'll get

847

00:35:14,630 --> 00:35:12,160

back to you

848

00:35:16,470 --> 00:35:14,640

because i'm just gonna be wowed the

849

00:35:19,910 --> 00:35:16,480

whole time and i won't be

850

00:35:21,190 --> 00:35:19,920

able to talk about it so yeah it's

851
00:35:23,589 --> 00:35:21,200
pretty cool yeah

852
00:35:25,109 --> 00:35:23,599
it's quite a document and it's still on

853
00:35:26,630 --> 00:35:25,119
military website

854
00:35:28,470 --> 00:35:26,640
that's interesting does anybody know

855
00:35:29,829 --> 00:35:28,480
about it

856
00:35:31,990 --> 00:35:29,839
i'm pretty sure many people know it's

857
00:35:35,349 --> 00:35:32,000
been on twitter

858
00:35:36,950 --> 00:35:35,359
okay quite a bit yeah i just want

859
00:35:38,470 --> 00:35:36,960
like sometimes i'll find stuff and i'm

860
00:35:40,550 --> 00:35:38,480
like wow

861
00:35:43,430 --> 00:35:40,560
i've never heard of this and then i'll

862
00:35:44,950 --> 00:35:43,440
like share it with somebody i trust i

863
00:35:47,990 --> 00:35:44,960

think a lot more about this

864

00:35:49,510 --> 00:35:48,000

there's just so much stuff online i i

865

00:35:50,470 --> 00:35:49,520

don't think any one person could go

866

00:35:53,750 --> 00:35:50,480

through all of it

867

00:35:56,069 --> 00:35:53,760

like slide too much time i just learned

868

00:36:00,310 --> 00:35:56,079

about that

869

00:36:03,510 --> 00:36:00,320

um so favor said he didn't have a flare

870

00:36:07,030 --> 00:36:05,430

wasn't going out that day to play war

871

00:36:12,870 --> 00:36:07,040

games that would attach the pot if they

872

00:36:16,870 --> 00:36:12,880

were practicing um

873

00:36:20,069 --> 00:36:16,880

that's to be honest that's probably

874

00:36:21,829 --> 00:36:20,079

a better question for someone like jazz

875

00:36:25,430 --> 00:36:21,839

shaw

876

00:36:27,109 --> 00:36:25,440

because that's more like um

877

00:36:29,190 --> 00:36:27,119

what are their routines what are their

878

00:36:31,030 --> 00:36:29,200

practices you know

879

00:36:33,670 --> 00:36:31,040

how do they do things and i'm just not

880

00:36:36,710 --> 00:36:33,680

that familiar with it

881

00:36:41,270 --> 00:36:36,720

but i would also say that i'm beyond

882

00:36:43,030 --> 00:36:41,280

thinking about uh what

883

00:36:44,710 --> 00:36:43,040

i'm beyond thinking about any little

884

00:36:47,589 --> 00:36:44,720

details that would you know

885

00:36:49,510 --> 00:36:47,599

turn me into thinking this is not true

886

00:36:53,030 --> 00:36:49,520

or whatever i'm way past that

887

00:36:55,829 --> 00:36:53,040

i'm this is true we need to get this out

888

00:36:58,790 --> 00:36:55,839

to the public

889

00:37:00,310 --> 00:36:58,800

and questions that i used to think about

890

00:37:01,430 --> 00:37:00,320

like well favor said this and that

891

00:37:05,670 --> 00:37:01,440

doesn't line up with

892

00:37:07,670 --> 00:37:05,680

that maybe possibly but then

893

00:37:09,109 --> 00:37:07,680

you know it's just not worth it to me

894

00:37:09,670 --> 00:37:09,119

anymore because i do believe in this

895

00:37:12,230 --> 00:37:09,680

stuff

896

00:37:13,589 --> 00:37:12,240

so i'm not going to spend my energy on

897

00:37:15,990 --> 00:37:13,599

on the little or

898

00:37:17,109 --> 00:37:16,000

the smaller details and i'm going to use

899

00:37:20,790 --> 00:37:17,119

that energy for

900

00:37:22,710 --> 00:37:20,800

pushing forward this process

901
00:37:24,790 --> 00:37:22,720
because you only have so much energy to

902
00:37:25,670 --> 00:37:24,800
spend so what are you going to spend it

903
00:37:30,630 --> 00:37:25,680
on

904
00:37:33,990 --> 00:37:30,640
the the largest reward for what you want

905
00:37:34,550 --> 00:37:34,000
your life's outcome to be also i think

906
00:37:37,910 --> 00:37:34,560
it's just

907
00:37:40,230 --> 00:37:37,920
you know one event instead of

908
00:37:41,349 --> 00:37:40,240
you know taking that event thread by

909
00:37:44,069 --> 00:37:41,359
thread totally

910
00:37:46,150 --> 00:37:44,079
yeah i think we should look at a sum of

911
00:37:48,550 --> 00:37:46,160
more events

912
00:37:50,230 --> 00:37:48,560
correct cause after all this is a

913
00:37:51,589 --> 00:37:50,240

phenomena so what's happening what are

914

00:37:54,710 --> 00:37:51,599

the patterns of it

915

00:37:57,349 --> 00:37:54,720

right yeah you know how they related to

916

00:37:59,589 --> 00:37:57,359

water to military to stuff like that

917

00:38:02,069 --> 00:37:59,599

yeah i'm curious if they found any uh

918

00:38:05,030 --> 00:38:02,079

patterns yet i'm sure they have

919

00:38:06,710 --> 00:38:05,040

did you hear about uh somebody posted

920

00:38:07,190 --> 00:38:06,720

this i never know what the authenticity

921

00:38:09,349 --> 00:38:07,200

is but

922

00:38:10,550 --> 00:38:09,359

uh something dropping from the sky in

923

00:38:14,069 --> 00:38:10,560

the ocean

924

00:38:17,349 --> 00:38:14,079

by indonesia or something it

925

00:38:19,349 --> 00:38:17,359

was cnn indonesia i think yeah yes

926

00:38:21,109 --> 00:38:19,359

that's right yeah i saw it there's got

927

00:38:23,670 --> 00:38:21,119

to be something there cnn

928

00:38:25,270 --> 00:38:23,680

it reminded me of arrival yeah i was

929

00:38:27,589 --> 00:38:25,280

just hoping it would stop and stick

930

00:38:31,670 --> 00:38:29,270

i was thinking i really loved the movie

931

00:38:33,670 --> 00:38:31,680

angels well you know

932

00:38:36,470 --> 00:38:33,680

that's a fallen angel maybe there is

933

00:38:38,150 --> 00:38:36,480

something this whole demon thing

934

00:38:43,670 --> 00:38:38,160

that means you assume that this is a bad

935

00:38:47,910 --> 00:38:46,069

well i was raised on you know revelation

936

00:38:50,870 --> 00:38:47,920

well not raised on revelations but

937

00:38:51,430 --> 00:38:50,880

raised on you know non-denominational

938

00:38:54,790 --> 00:38:51,440

christian

939

00:38:56,950 --> 00:38:54,800

stuff and the niv bible and

940

00:38:58,870 --> 00:38:56,960

and you know when i started reading that

941

00:39:01,109 --> 00:38:58,880

stuff i always gravitated george

942

00:39:04,870 --> 00:39:01,119

revelations because it was the most

943

00:39:06,790 --> 00:39:04,880

interesting part to me you know

944

00:39:10,790 --> 00:39:06,800

oh the end of the world i'll read about

945

00:39:15,510 --> 00:39:14,150

but yeah but that actually also started

946

00:39:19,270 --> 00:39:15,520

a lot of uh

947

00:39:22,310 --> 00:39:19,280

weird dreams and stuff

948

00:39:23,910 --> 00:39:22,320

that's happened to me so that's weird

949

00:39:26,950 --> 00:39:23,920

too

950

00:39:28,630 --> 00:39:26,960

but um well

951
00:39:32,230 --> 00:39:28,640
do you got anything uh you want to touch

952
00:39:38,950 --> 00:39:35,270
i i well there was

953
00:39:40,870 --> 00:39:38,960
i was very surprised and happy

954
00:39:42,310 --> 00:39:40,880
let me just make sure i don't make any

955
00:39:45,910 --> 00:39:42,320
mistakes

956
00:39:51,109 --> 00:39:45,920
oh boy when

957
00:39:52,950 --> 00:39:51,119
uh russell brand touched on this subject

958
00:39:55,190 --> 00:39:52,960
even though i'm not a very big fan of

959
00:39:57,670 --> 00:39:55,200
quite a few of his ideas

960
00:39:59,510 --> 00:39:57,680
i loved how he took this subject from a

961
00:40:01,589 --> 00:39:59,520
different perspective

962
00:40:02,710 --> 00:40:01,599
from the perspective of what it actually

963
00:40:04,309 --> 00:40:02,720

means to us

964

00:40:07,109 --> 00:40:04,319

because you know we've heard many times

965

00:40:09,670 --> 00:40:07,119

how whether we're alone in the universe

966

00:40:16,390 --> 00:40:13,589

either option is pretty scary

967

00:40:18,450 --> 00:40:16,400

so even if we can't tell what it is

968

00:40:19,670 --> 00:40:18,460

there is something which isn't us

969

00:40:23,030 --> 00:40:19,680

[Music]

970

00:40:24,870 --> 00:40:23,040

so i'm pretty sure that question has

971

00:40:27,750 --> 00:40:24,880

been answered and i'm really

972

00:40:29,030 --> 00:40:27,760

sad that very few people are trying to

973

00:40:30,390 --> 00:40:29,040

figure out okay so

974

00:40:33,190 --> 00:40:30,400

what does it mean to me what does it

975

00:40:36,470 --> 00:40:33,200

mean to us

976
00:40:42,470 --> 00:40:37,990
that's how do you even figure something

977
00:40:45,510 --> 00:40:44,390
well i i think it's a good at least to

978
00:40:48,710 --> 00:40:45,520
me

979
00:40:49,109 --> 00:40:48,720
it's a good reminder that we're like a

980
00:40:54,550 --> 00:40:49,119
speck

981
00:40:56,790 --> 00:40:54,560
all of our planet it's like you know

982
00:40:59,829 --> 00:40:56,800
that picture

983
00:41:01,750 --> 00:40:59,839
where earth is just a pixel oh well

984
00:41:03,829 --> 00:41:01,760
cahill and elizondo wanted to set

985
00:41:05,990 --> 00:41:03,839
something up with russell bryn there was

986
00:41:08,950 --> 00:41:06,000
a tweet about it

987
00:41:10,470 --> 00:41:08,960
i hope they do yeah that would be neat

988
00:41:13,349 --> 00:41:10,480

what i was

989

00:41:14,470 --> 00:41:13,359

you know i think we're at a i made this

990

00:41:16,390 --> 00:41:14,480

comment on twitter

991

00:41:17,589 --> 00:41:16,400

a couple days ago but i think like we're

992

00:41:20,630 --> 00:41:17,599

starting to see

993

00:41:23,030 --> 00:41:20,640

almost like like prophetic

994

00:41:25,430 --> 00:41:23,040

little visions of what post-disclosure

995

00:41:28,470 --> 00:41:25,440

will look like

996

00:41:30,230 --> 00:41:28,480

you know after there is a big disclosure

997

00:41:31,510 --> 00:41:30,240

or more people are starting to accept

998

00:41:35,109 --> 00:41:31,520

this kind of stuff

999

00:41:36,630 --> 00:41:35,119

like people like elizondo or cahill

1000

00:41:39,349 --> 00:41:36,640

or whatever and you'll start to see that

1001
00:41:41,030 --> 00:41:39,359
already we'll be going towards these

1002
00:41:42,069 --> 00:41:41,040
people with a bigger reach as they

1003
00:41:43,910 --> 00:41:42,079
should

1004
00:41:46,790 --> 00:41:43,920
you know like brandon all that but in

1005
00:41:49,990 --> 00:41:48,150
you know all this stuff all this

1006
00:41:51,910 --> 00:41:50,000
conversation where people go for

1007
00:41:55,190 --> 00:41:51,920
opinions where people go for news

1008
00:41:55,670 --> 00:41:55,200
all that stuff is gonna go to you know

1009
00:41:59,030 --> 00:41:55,680
what's

1010
00:42:02,309 --> 00:41:59,040
in place now like you know what i mean

1011
00:42:06,470 --> 00:42:02,319
versus like a podcast

1012
00:42:09,829 --> 00:42:06,480
or a video cast or whatever like

1013
00:42:13,430 --> 00:42:09,839

it'll so all i'm saying is like

1014

00:42:15,430 --> 00:42:13,440

i hope that goes well because

1015

00:42:19,030 --> 00:42:15,440

they can't be trusted with the stuff

1016

00:42:24,470 --> 00:42:22,309

you know and celebrities and like

1017

00:42:27,750 --> 00:42:24,480

major news outlets and all that stuff

1018

00:42:34,069 --> 00:42:31,190

it's surprising to me that nobody really

1019

00:42:36,390 --> 00:42:34,079

worries about what they'll do with it my

1020

00:42:37,910 --> 00:42:36,400

hope is that the phenomenon kind of does

1021

00:42:39,750 --> 00:42:37,920

what it wants

1022

00:42:40,950 --> 00:42:39,760

and can play its cards how it wants to

1023

00:42:42,470 --> 00:42:40,960

play

1024

00:42:44,309 --> 00:42:42,480

you know and maybe that wouldn't be a

1025

00:42:46,790 --> 00:42:44,319

thing but you know

1026
00:42:48,790 --> 00:42:46,800
it's just so much power and in the wrong

1027
00:42:50,630 --> 00:42:48,800
hands it's going to be bad whether it's

1028
00:42:54,150 --> 00:42:50,640
just control over a narrative or the

1029
00:42:59,430 --> 00:42:57,190
it's scary well i i

1030
00:43:00,309 --> 00:42:59,440
i guess i'm a little bit more optimistic

1031
00:43:03,910 --> 00:43:00,319
than that

1032
00:43:05,109 --> 00:43:03,920
well yeah i mean i go back and forth in

1033
00:43:08,390 --> 00:43:05,119
my head you know i'm not

1034
00:43:08,790 --> 00:43:08,400
settled on fear or happiness it's more

1035
00:43:11,510 --> 00:43:08,800
of

1036
00:43:13,030 --> 00:43:11,520
a mystery but when i go to the fear side

1037
00:43:16,390 --> 00:43:13,040
these are the things i think about

1038
00:43:19,430 --> 00:43:18,150

i don't know i i can't figure out the

1039

00:43:22,069 --> 00:43:19,440

fear side actually

1040

00:43:22,870 --> 00:43:22,079

pessimistic so you can't talk to me at

1041

00:43:25,670 --> 00:43:22,880

least to me

1042

00:43:27,270 --> 00:43:25,680

it's kind of whatever is the answer

1043

00:43:27,990 --> 00:43:27,280

whatever is the reason whatever is the

1044

00:43:29,910 --> 00:43:28,000

meaning

1045

00:43:33,190 --> 00:43:29,920

whatever is the answer to all of these

1046

00:43:36,710 --> 00:43:36,069

it's getting really really interesting

1047

00:43:40,069 --> 00:43:36,720

yeah

1048

00:43:40,630 --> 00:43:40,079

definitely so you know what whatever is

1049

00:43:44,309 --> 00:43:40,640

the end

1050

00:43:46,950 --> 00:43:44,319

however it ends it's one hell of a show

1051
00:43:47,670 --> 00:43:46,960
at least to me yeah i don't think it's

1052
00:43:49,430 --> 00:43:47,680
gonna end

1053
00:43:51,510 --> 00:43:49,440
it's it's like living you know in one of

1054
00:43:55,750 --> 00:43:51,520
the most important parts in history

1055
00:43:58,309 --> 00:43:55,760
yeah i think it's just fascinating yeah

1056
00:44:00,230 --> 00:43:58,319
maybe biden didn't say anything during

1057
00:44:01,270 --> 00:44:00,240
the press conference because he's got

1058
00:44:04,630 --> 00:44:01,280
something planned

1059
00:44:06,550 --> 00:44:04,640
you know or maybe he wants to wait for

1060
00:44:08,470 --> 00:44:06,560
the report

1061
00:44:11,430 --> 00:44:08,480
and then he'll say something i i think

1062
00:44:16,150 --> 00:44:11,440
the disclosure is planned enough anyway

1063
00:44:18,870 --> 00:44:16,160

yeah i think there are a few accidents

1064

00:44:19,910 --> 00:44:18,880

yeah i mean well since 2017 i don't

1065

00:44:21,349 --> 00:44:19,920

think anyone

1066

00:44:24,150 --> 00:44:21,359

anyone saying would come out with a

1067

00:44:27,670 --> 00:44:24,160

story like this without a plan

1068

00:44:29,990 --> 00:44:27,680

i would do it i'm just kidding

1069

00:44:30,950 --> 00:44:30,000

yeah but not not the government that

1070

00:44:34,550 --> 00:44:30,960

that is kind of

1071

00:44:36,710 --> 00:44:34,560

new somebody made a great point today

1072

00:44:38,069 --> 00:44:36,720

on the morning show that lu elizondo was

1073

00:44:40,309 --> 00:44:38,079

on i forgot his name

1074

00:44:41,990 --> 00:44:40,319

but he was the third person on there oh

1075

00:44:42,390 --> 00:44:42,000

steve was his name i forgot his last

1076

00:44:48,870 --> 00:44:42,400

name

1077

00:44:54,630 --> 00:44:52,550

uh oh [h__h] i forgot the point of that

1078

00:44:56,069 --> 00:44:54,640

but he just had a really good take uh i

1079

00:44:57,829 --> 00:44:56,079

suggest you watch it there's a clip

1080

00:45:00,950 --> 00:44:57,839

online for it

1081

00:45:01,430 --> 00:45:00,960

um i can go check it out actually so it

1082

00:45:04,550 --> 00:45:01,440

was

1083

00:45:07,829 --> 00:45:04,560

george stephanopoulos and

1084

00:45:14,550 --> 00:45:11,829

and this steve guy and the steve

1085

00:45:15,589 --> 00:45:14,560

said something very wise that i just

1086

00:45:18,870 --> 00:45:15,599

can't remember

1087

00:45:19,829 --> 00:45:18,880

for the life of me find the video and

1088

00:45:21,670 --> 00:45:19,839

send me at least

1089

00:45:23,480 --> 00:45:21,680

but i remember i was on twitter i

1090

00:45:27,109 --> 00:45:23,490

remembered that i really liked it

1091

00:45:30,950 --> 00:45:30,309

so much so that i forgot it probably all

1092

00:45:34,950 --> 00:45:30,960

the

1093

00:45:40,230 --> 00:45:37,589

stuff i've done to my brain you know you

1094

00:45:42,150 --> 00:45:40,240

forget that stuff

1095

00:45:43,510 --> 00:45:42,160

i think it's not that in this case

1096

00:45:43,990 --> 00:45:43,520

there's just too much information to

1097

00:45:53,190 --> 00:45:44,000

follow

1098

00:45:56,470 --> 00:45:55,829

there's almost one every day sometimes

1099

00:45:58,069 --> 00:45:56,480

two

1100

00:46:00,309 --> 00:45:58,079

yeah oh did you hear the thing you said

1101

00:46:02,790 --> 00:46:00,319

yesterday what no

1102

00:46:05,430 --> 00:46:02,800

i heard that yeah i heard that too what

1103

00:46:09,190 --> 00:46:08,309

yeah so you know it's hard afterwards

1104

00:46:10,710 --> 00:46:09,200

you watch like

1105

00:46:12,870 --> 00:46:10,720

eight or ten interviews and then you go

1106

00:46:15,910 --> 00:46:12,880

like wait wait in which one of these did

1107

00:46:19,030 --> 00:46:17,589

after a while it becomes confusing to be

1108

00:46:21,750 --> 00:46:19,040

honest yeah

1109

00:46:22,150 --> 00:46:21,760

that's that's for sure but and this at

1110

00:46:24,870 --> 00:46:22,160

least

1111

00:46:25,910 --> 00:46:24,880

to me this feels like more more like

1112

00:46:33,589 --> 00:46:25,920

still beginning

1113

00:46:37,829 --> 00:46:36,309

can you hear that probably not him no i

1114

00:46:38,470 --> 00:46:37,839

can hear that there is something but

1115

00:46:40,150 --> 00:46:38,480

that's it

1116

00:46:46,390 --> 00:46:40,160

well you just keep talking i'll listen

1117

00:46:51,430 --> 00:46:48,550

oh not sure if i'm very good at talking

1118

00:46:55,030 --> 00:46:54,069

but yeah i think that uh in regards to

1119

00:46:56,630 --> 00:46:55,040

biden

1120

00:46:58,790 --> 00:46:56,640

i love how he sent everyone back to

1121

00:47:01,430 --> 00:46:58,800

obama

1122

00:47:03,750 --> 00:47:01,440

and i wish actually someone was special

1123

00:47:06,390 --> 00:47:03,760

i'm sorry

1124

00:47:07,030 --> 00:47:06,400

and i really wish that you know people

1125

00:47:09,430 --> 00:47:07,040

would begin

1126
00:47:13,030 --> 00:47:09,440
hammering obama questions trying to get

1127
00:47:16,550 --> 00:47:14,870
yeah exactly it's like oh i can't tell

1128
00:47:17,670 --> 00:47:16,560
you well but baiden said we should ask

1129
00:47:19,349 --> 00:47:17,680
you so

1130
00:47:22,230 --> 00:47:19,359
tell us something yeah we're not

1131
00:47:25,109 --> 00:47:22,240
supposed to listen to the president now

1132
00:47:27,910 --> 00:47:25,119
okay well you could have said that a

1133
00:47:30,950 --> 00:47:27,920
long time ago

1134
00:47:33,589 --> 00:47:30,960
that's so true um

1135
00:47:34,870 --> 00:47:33,599
you know biden too yeah like what's he

1136
00:47:35,910 --> 00:47:34,880
gonna do at that point and they work

1137
00:47:37,270 --> 00:47:35,920
together with obama

1138
00:47:39,109 --> 00:47:37,280

it's like what are the chances that

1139

00:47:40,309 --> 00:47:39,119

obama would know something and biden

1140

00:47:43,510 --> 00:47:40,319

wouldn't have a clue

1141

00:47:44,710 --> 00:47:43,520

it's to me that sounds weird it sounds

1142

00:47:47,270 --> 00:47:44,720

crazy

1143

00:47:48,630 --> 00:47:47,280

but the way he's i'll admit the way he

1144

00:47:52,950 --> 00:47:48,640

said it came off

1145

00:47:53,589 --> 00:47:52,960

unfortunate you know why he smiled he

1146

00:47:57,990 --> 00:47:53,599

felt

1147

00:47:59,430 --> 00:47:58,000

it just kind of sounds like

1148

00:48:01,190 --> 00:47:59,440

you know maybe he'll have a different

1149

00:48:01,510 --> 00:48:01,200

answer and he'll retract that kind of

1150

00:48:04,150 --> 00:48:01,520

thing

1151

00:48:05,990 --> 00:48:04,160

like he said you know i he did not do

1152

00:48:06,549 --> 00:48:06,000

that on purpose he's 80 years old and

1153

00:48:08,630 --> 00:48:06,559

that was

1154

00:48:10,390 --> 00:48:08,640

off the cuff comment and that's the best

1155

00:48:13,829 --> 00:48:10,400

thing you could do you know

1156

00:48:18,829 --> 00:48:13,839

but you know so it would just be like uh

1157

00:48:22,950 --> 00:48:21,430

bye-bye but yeah i don't know or maybe

1158

00:48:24,470 --> 00:48:22,960

you know he wants his first statement on

1159

00:48:25,430 --> 00:48:24,480

the topic to be stronger than just

1160

00:48:28,309 --> 00:48:25,440

random

1161

00:48:29,030 --> 00:48:28,319

answer to a question yeah uh what do you

1162

00:48:35,349 --> 00:48:29,040

think about

1163

00:48:38,390 --> 00:48:35,359

obama yeah that was pretty wild hey

1164

00:48:39,750 --> 00:48:38,400

and i watched the late late show so

1165

00:48:41,270 --> 00:48:39,760

i i remember the first time stephen

1166

00:48:42,710 --> 00:48:41,280

colbert asked him and he was like i

1167

00:48:45,430 --> 00:48:42,720

can't tell you

1168

00:48:46,230 --> 00:48:45,440

and then and then now he was asked the

1169

00:48:48,549 --> 00:48:46,240

same question

1170

00:48:52,549 --> 00:48:48,559

he pretty much reiterated what the what

1171

00:48:56,470 --> 00:48:55,270

so i would guess that these stories they

1172

00:48:59,670 --> 00:48:56,480

go quite long

1173

00:49:02,790 --> 00:48:59,680

back yeah

1174

00:49:05,430 --> 00:49:02,800

man it is definitely so crazy and yeah i

1175

00:49:08,390 --> 00:49:05,440

often think about

1176
00:49:09,670 --> 00:49:08,400
why am i here to witness this crazy time

1177
00:49:11,589 --> 00:49:09,680
you know

1178
00:49:13,190 --> 00:49:11,599
well i think we've got front seats in

1179
00:49:15,589 --> 00:49:13,200
the show yeah i know

1180
00:49:17,030 --> 00:49:15,599
that's even better we're almost

1181
00:49:19,030 --> 00:49:17,040
participants you know

1182
00:49:21,829 --> 00:49:19,040
someone on the stage playing a tree or

1183
00:49:21,839 --> 00:49:26,470
don't move

1184
00:49:30,870 --> 00:49:29,349
yes totally it's like you know i would

1185
00:49:32,390 --> 00:49:30,880
love to be a painting in one of those

1186
00:49:36,150 --> 00:49:32,400
rooms where conversations at the higher

1187
00:49:43,349 --> 00:49:39,990
technology too it's all like

1188
00:49:44,309 --> 00:49:43,359

you know almost coming to this tipping

1189

00:49:47,670 --> 00:49:44,319

point

1190

00:49:49,430 --> 00:49:47,680

where you know what we've been used to

1191

00:49:51,109 --> 00:49:49,440

for so long and our ancestors

1192

00:49:52,950 --> 00:49:51,119

even like starting with the rotary

1193

00:49:54,790 --> 00:49:52,960

telephone like and

1194

00:49:56,710 --> 00:49:54,800

people that use that and are still

1195

00:49:58,549 --> 00:49:56,720

around now they've been able to adapt

1196

00:50:00,069 --> 00:49:58,559

for the most part to like cell phones or

1197

00:50:01,829 --> 00:50:00,079

technology and everything

1198

00:50:05,190 --> 00:50:01,839

but i think we're at the tipping point

1199

00:50:08,230 --> 00:50:05,200

of where technology advances so much

1200

00:50:09,190 --> 00:50:08,240

that it's not possible anymore you know

1201
00:50:12,790 --> 00:50:09,200
like

1202
00:50:16,069 --> 00:50:12,800
it's gonna be so completely different

1203
00:50:18,230 --> 00:50:16,079
rather than the gradual you know upgrade

1204
00:50:20,710 --> 00:50:18,240
that we've been experiencing

1205
00:50:21,990 --> 00:50:20,720
i think so too it's just gonna be like a

1206
00:50:25,109 --> 00:50:22,000
oh we got this stuff

1207
00:50:27,510 --> 00:50:25,119
where you can uh teleport to china

1208
00:50:30,390 --> 00:50:27,520
in like five minutes you want to do it

1209
00:50:31,829 --> 00:50:30,400
no i think if teleport then

1210
00:50:34,150 --> 00:50:31,839
i think if it's five minutes it's not

1211
00:50:37,430 --> 00:50:34,160
going to work yeah

1212
00:50:39,990 --> 00:50:37,440
wow but

1213
00:50:41,430 --> 00:50:40,000

i i think even even before that i'm very

1214

00:50:43,430 --> 00:50:41,440

interested how

1215

00:50:44,870 --> 00:50:43,440

everything will change once brain

1216

00:50:45,510 --> 00:50:44,880

machine interfaces will get more

1217

00:50:48,470 --> 00:50:45,520

advanced

1218

00:50:49,670 --> 00:50:48,480

and yeah that's what uh well elon musk

1219

00:50:51,990 --> 00:50:49,680

is kind of working on that

1220

00:50:53,829 --> 00:50:52,000

with that and some others too actually

1221

00:50:54,470 --> 00:50:53,839

he's not the first and not the only one

1222

00:50:57,190 --> 00:50:54,480

either

1223

00:50:57,910 --> 00:50:57,200

yeah he would probably uh want you to

1224

00:51:00,630 --> 00:50:57,920

think different

1225

00:51:02,390 --> 00:51:00,640

but no no actually i watch his

1226
00:51:02,870 --> 00:51:02,400
presentations he makes it quite clear

1227
00:51:04,710 --> 00:51:02,880
that

1228
00:51:06,150 --> 00:51:04,720
there's he's building on top of almost

1229
00:51:09,510 --> 00:51:06,160
100 years research

1230
00:51:10,950 --> 00:51:09,520
wow so that is nuts

1231
00:51:13,910 --> 00:51:10,960
because that's that's going to make like

1232
00:51:17,910 --> 00:51:13,920
super humans basically

1233
00:51:20,829 --> 00:51:17,920
hopefully all right

1234
00:51:24,790 --> 00:51:20,839
i am hopeful i kind of superhumans and

1235
00:51:27,990 --> 00:51:26,870
ah give me superhumans first i can wait

1236
00:51:30,790 --> 00:51:28,000
for teleporting

1237
00:51:32,069 --> 00:51:30,800
yeah as convenient as that would be you

1238
00:51:33,349 --> 00:51:32,079

know sometimes

1239

00:51:34,710 --> 00:51:33,359

it's not only about getting to a

1240

00:51:36,390 --> 00:51:34,720

destination sometimes i want to enjoy

1241

00:51:39,820 --> 00:51:36,400

the journey too

1242

00:51:42,150 --> 00:51:39,830

well that's so just inspiring

1243

00:51:44,549 --> 00:51:42,160

[Laughter]

1244

00:51:49,270 --> 00:51:44,559

when i go to san francisco i take the

1245

00:51:53,109 --> 00:51:50,950

yeah no you're right i mean that's why

1246

00:51:56,150 --> 00:51:53,119

people do road trips right

1247

00:52:00,069 --> 00:51:56,160

yeah so all right

1248

00:52:03,270 --> 00:52:00,079

well i think uh we did pretty good today

1249

00:52:04,230 --> 00:52:03,280

uh and max's marshkowitz is doing that

1250

00:52:09,030 --> 00:52:04,240

interview with lou

1251
00:52:10,710 --> 00:52:09,040
elizondo um in about 40 minutes

1252
00:52:12,950 --> 00:52:10,720
uh i think it's a good time to have a

1253
00:52:15,349 --> 00:52:12,960
break yeah have a snack

1254
00:52:16,710 --> 00:52:15,359
you guys can go do what you want get

1255
00:52:19,670 --> 00:52:16,720
drunk

1256
00:52:22,470 --> 00:52:19,680
smoke some weed go to the bathroom eat

1257
00:52:25,910 --> 00:52:22,480
some donuts

1258
00:52:27,670 --> 00:52:25,920
watch lou with max markowitz

1259
00:52:30,309 --> 00:52:27,680
all right everybody thanks for joining

1260
00:52:33,510 --> 00:52:30,319
us today thanks for joining

1261
00:52:35,670 --> 00:52:33,520
uh katie thanks for having me

1262
00:52:36,870 --> 00:52:35,680
controlled oh we should come up with a

1263
00:52:38,390 --> 00:52:36,880

plan where like

1264

00:52:40,549 --> 00:52:38,400

you know to stay on top of everything

1265

00:52:43,750 --> 00:52:40,559

where like you cover

1266

00:52:45,270 --> 00:52:43,760

these characters in these outlets and i

1267

00:52:47,670 --> 00:52:45,280

do these and these you know then we'll

1268

00:52:49,910 --> 00:52:47,680

just put them together

1269

00:52:50,870 --> 00:52:49,920

i think that's a cool idea it is isn't

1270

00:52:52,790 --> 00:52:50,880

it

1271

00:52:53,990 --> 00:52:52,800

and but i don't know how we're going to

1272

00:52:59,430 --> 00:52:54,000

decide on

1273

00:53:02,870 --> 00:52:59,440

christopher melon and louisando

1274

00:53:05,990 --> 00:53:02,880

uh we can arm wrestle just

1275

00:53:08,069 --> 00:53:06,000

virtually over atlantic ocean

1276

00:53:09,670 --> 00:53:08,079

all right we'll see you next week kitty

1277

00:53:14,069 --> 00:53:09,680

i appreciate it

1278

00:53:16,230 --> 00:53:14,079

see you next week thank you

1279

00:53:17,190 --> 00:53:16,240

right that was with katie foster you can

1280

00:53:21,109 --> 00:53:17,200

follow her at

1281

00:53:24,150 --> 00:53:21,119

real sassy cat um herself and i

1282

00:53:24,950 --> 00:53:24,160

um are gonna go check out lou and max in

1283

00:53:27,829 --> 00:53:24,960

40 minutes

1284

00:53:28,710 --> 00:53:27,839

and do some break stuff so thanks for

1285

00:53:30,950 --> 00:53:28,720

joining us

1286

00:53:31,750 --> 00:53:30,960

um you can follow me at witness citizen

1287

00:53:34,470 --> 00:53:31,760

on twitter

1288

00:53:35,030 --> 00:53:34,480

like subscribe share this stuff um

1289

00:53:38,950 --> 00:53:35,040

because

1290

00:53:39,510 --> 00:53:38,960

without that um this word doesn't get

1291

00:53:41,990 --> 00:53:39,520

out

1292

00:53:43,190 --> 00:53:42,000

to more people the way i put it at least
