00:00:31,950 --> 00:00:16,850  
so

3  
00:00:31,960 --> 00:00:42,830  
[Music]

4  
00:00:42,840 --> 00:00:57,430  
citizens

5  
00:01:02,389 --> 00:01:00,069  
what's up everybody we're starting this

6  
00:01:05,670 --> 00:01:02,399  
off right

7  
00:01:09,910 --> 00:01:05,680  
we're calling michael freaking bennett

8  
00:01:12,789 --> 00:01:09,920  
from colorado um

9  
00:01:14,230 --> 00:01:12,799  
because why not we have to make sure we

10  
00:01:16,710 --> 00:01:14,240  
make at least

11  
00:01:19,109 --> 00:01:16,720  
one call every day hello you have

12  
00:01:20,550 --> 00:01:19,119  
reached the southwest regional office of

13  
00:01:22,230 --> 00:01:20,560

united states senator

14

00:01:23,670 --> 00:01:22,240

michael bennett michael bennett if you

15

00:01:24,710 --> 00:01:23,680

have reached this message during

16

00:01:37,990 --> 00:01:24,720

business hours we're going to put a

17

00:01:38,000 --> 00:01:45,670

slowly so we can

18

00:01:49,670 --> 00:01:47,749

your local county health department and

19

00:01:51,270 --> 00:01:49,680

office of emergency management during

20

00:01:55,749 --> 00:01:51,280

this difficult time

21

00:01:58,870 --> 00:01:55,759

thank you oh here we go

22

00:02:01,350 --> 00:01:58,880

hello mr bennett my name is sean and i'm

23

00:02:04,950 --> 00:02:01,360

calling as a concerned citizen

24

00:02:08,309 --> 00:02:04,960

um in regards to the uap incursions

25

00:02:11,750 --> 00:02:08,319

off the west coast um they were swarming

26  
00:02:12,229 --> 00:02:11,760  
our navy and um so i just wanted to give

27  
00:02:15,030 --> 00:02:12,239  
a call

28  
00:02:17,430 --> 00:02:15,040  
in hopes for some transparency um

29  
00:02:20,070 --> 00:02:17,440  
whatever you can do to push this report

30  
00:02:23,670 --> 00:02:20,080  
forward to get us some clarification

31  
00:02:26,869 --> 00:02:23,680  
um on what's going on uh that would be

32  
00:02:28,550 --> 00:02:26,879  
just great so um i appreciate you

33  
00:02:30,070 --> 00:02:28,560  
um taking the time and i hope this

34  
00:02:34,830 --> 00:02:30,080  
message finds you well

35  
00:02:41,589 --> 00:02:37,430  
oh right

36  
00:02:44,150 --> 00:02:41,599  
we will get a human though guarantee

37  
00:02:44,590 --> 00:02:44,160  
well it could be an alien human like a

38  
00:02:46,550 --> 00:02:44,600

walk-in

39

00:02:49,430 --> 00:02:46,560

[Laughter]

40

00:02:52,550 --> 00:02:49,440

but we'll get one right for sure okay so

41

00:02:55,750 --> 00:02:52,560

we have steven green street on today

42

00:02:57,700 --> 00:02:55,760

uh that's gonna be awesome

43

00:02:59,190 --> 00:02:57,710

um he's gonna hop on in

44

00:03:01,509 --> 00:02:59,200

[Music]

45

00:03:04,149 --> 00:03:01,519

about a half hour or less at two o'clock

46

00:03:05,910 --> 00:03:04,159

so if you're here for green street um

47

00:03:07,270 --> 00:03:05,920

and you got a busy day now's the time to

48

00:03:08,229 --> 00:03:07,280

go get a snack or some water or

49

00:03:10,869 --> 00:03:08,239

something like that

50

00:03:12,390 --> 00:03:10,879

come back um we got them for like 15

51  
00:03:13,670 --> 00:03:12,400  
minutes maybe we'll get them for more

52  
00:03:19,830 --> 00:03:13,680  
who knows

53  
00:03:21,830 --> 00:03:19,840  
um that is yet to be determined

54  
00:03:24,710 --> 00:03:21,840  
first thing i wanted to do here today

55  
00:03:32,630 --> 00:03:28,309  
go over what my personal

56  
00:03:35,670 --> 00:03:32,640  
mission is i know that i have not

57  
00:03:38,869 --> 00:03:35,680  
been clear with that and maybe it's been

58  
00:03:43,750 --> 00:03:41,190  
but i guess i haven't put it into words

59  
00:03:46,869 --> 00:03:43,760  
it's been more of an action

60  
00:03:48,550 --> 00:03:46,879  
and as i say that i realize that my

61  
00:03:52,550 --> 00:03:48,560  
mission

62  
00:03:53,509 --> 00:03:52,560  
is action what have you done in your

63  
00:03:55,830 --> 00:03:53,519

life without

64

00:03:56,789 --> 00:03:55,840

an action what have you ever got in your

65

00:04:00,789 --> 00:03:56,799

life without

66

00:04:01,990 --> 00:04:00,799

an action whether it's a job a loved one

67

00:04:06,550 --> 00:04:02,000

like a

68

00:04:09,589 --> 00:04:06,560

husband or wife a house

69

00:04:11,910 --> 00:04:09,599

none of that is possible without your

70

00:04:15,030 --> 00:04:11,920

actions

71

00:04:15,990 --> 00:04:15,040

and this is no different sure some

72

00:04:19,590 --> 00:04:16,000

things take

73

00:04:23,909 --> 00:04:19,600

more actions but it's just

74

00:04:27,270 --> 00:04:23,919

actions and so if we have the recipe

75

00:04:27,280 --> 00:04:31,510

let's bake the freaking cake

76

00:04:38,230 --> 00:04:34,710

right can i get a

77

00:04:43,350 --> 00:04:40,830

come on you i don't know give me a f

78

00:04:46,390 --> 00:04:43,360

yeah

79

00:04:52,550 --> 00:04:48,150

the first statement of my mission put

80

00:04:57,590 --> 00:04:55,590

right i control what i can do

81

00:04:58,710 --> 00:04:57,600

i'm putting that power in my hands i'm

82

00:05:04,790 --> 00:04:58,720

making calls

83

00:05:08,469 --> 00:05:06,790

in the hopes that we can push this

84

00:05:09,590 --> 00:05:08,479

forward and get some transparency from

85

00:05:12,790 --> 00:05:09,600

the government

86

00:05:17,430 --> 00:05:12,800

number two actions actions actions

87

00:05:20,629 --> 00:05:20,310

number three integrity everything must

88

00:05:23,830 --> 00:05:20,639

be

89

00:05:26,790 --> 00:05:23,840

done with now integrity

90

00:05:28,870 --> 00:05:26,800

vague but what do i mean by that

91

00:05:32,390 --> 00:05:28,880

basically what i mean

92

00:05:39,990 --> 00:05:32,400

is intent good honest pure

93

00:05:43,189 --> 00:05:41,990

that's important to me i've lost jobs

94

00:05:45,350 --> 00:05:43,199

over integrity

95

00:05:47,270 --> 00:05:45,360

in holding on to my integrity i've lost

96

00:05:49,830 --> 00:05:47,280

friends and band mates

97

00:05:53,749 --> 00:05:49,840

for holding on to integrity but it's too

98

00:05:56,950 --> 00:05:53,759

late now

99

00:05:59,670 --> 00:05:56,960

you know but at the end of the day

100

00:06:00,309 --> 00:05:59,680

when i take my final rest i want to be

101  
00:06:03,749 --> 00:06:00,319  
able to say

102  
00:06:04,390 --> 00:06:03,759  
that i lived with integrity that i made

103  
00:06:14,950 --> 00:06:04,400  
the best

104  
00:06:20,629 --> 00:06:18,830  
and that really ties into why i'm doing

105  
00:06:27,189 --> 00:06:20,639  
this

106  
00:06:30,070 --> 00:06:27,199  
that i can be a part of it is to be

107  
00:06:39,590 --> 00:06:34,309  
and i make actions and so in doing that

108  
00:06:51,029 --> 00:06:42,710  
last but not least i'm fighting

109  
00:06:54,390 --> 00:06:53,990  
70 years of people being whether it's uh

110  
00:06:57,430 --> 00:06:54,400  
you know

111  
00:07:00,150 --> 00:06:57,440  
abducted or saw something and ridiculed

112  
00:07:02,790 --> 00:07:00,160  
for talking about it or

113  
00:07:06,309 --> 00:07:02,800

people that genuinely had experiences

114

00:07:10,950 --> 00:07:09,110

and not a single person you know

115

00:07:14,150 --> 00:07:10,960

typically

116

00:07:14,870 --> 00:07:14,160

wants to help them figure it out so in

117

00:07:17,189 --> 00:07:14,880

doing this

118

00:07:23,510 --> 00:07:17,199

i am fighting for what we all deserve

119

00:07:23,520 --> 00:07:27,350

clarity

120

00:07:34,870 --> 00:07:31,029

honesty and

121

00:07:34,880 --> 00:07:41,350

you ought to know that i'm so right

122

00:07:47,110 --> 00:07:44,710

thanks man i appreciate it amen yes

123

00:07:50,150 --> 00:07:47,120

i love it i'm glad you're vibing on this

124

00:07:56,830 --> 00:07:50,160

because it's from the heart

125

00:08:07,350 --> 00:07:59,189

so

126

00:08:13,510 --> 00:08:10,710

we have this report coming up rumors

127

00:08:18,150 --> 00:08:13,520

about it today

128

00:08:26,230 --> 00:08:21,189

rumors about a nothing burger

129

00:08:29,990 --> 00:08:26,240

rumors that it might even come out today

130

00:08:33,430 --> 00:08:30,000

but i'll tell you right now

131

00:08:36,870 --> 00:08:33,440

it is a mistake to pin our

132

00:08:40,709 --> 00:08:36,880

hopes on this report

133

00:08:41,430 --> 00:08:40,719

and we can hope that it's something but

134

00:08:45,110 --> 00:08:41,440

we can't

135

00:08:49,990 --> 00:08:45,120

put so much onto it because

136

00:08:57,590 --> 00:08:53,430

all right expect

137

00:09:02,070 --> 00:08:59,670

you know we've gotten this far so

138

00:09:06,150 --> 00:09:02,080

whatever happens with the report

139

00:09:09,509 --> 00:09:06,160

whatever we've gotten so far

140

00:09:09,990 --> 00:09:09,519

and it would be a pity to put it all on

141

00:09:13,590 --> 00:09:10,000

this

142

00:09:16,710 --> 00:09:13,600

one report and not assume

143

00:09:20,829 --> 00:09:16,720

and know and be prepared for further

144

00:09:22,150 --> 00:09:20,839

actions no matter what happens with this

145

00:09:24,310 --> 00:09:22,160

report

146

00:09:26,949 --> 00:09:24,320

even if it comes out and they're

147

00:09:28,389 --> 00:09:26,959

forthright with a lot

148

00:09:30,150 --> 00:09:28,399

you know they say there's things in the

149

00:09:33,990 --> 00:09:30,160

skies we don't know what they are

150

00:09:40,150 --> 00:09:34,000

we're looking into it well guess what

151

00:09:48,829 --> 00:09:44,630

you know we want more

152

00:09:56,710 --> 00:09:50,630

here i am not

153

00:10:01,030 --> 00:09:59,350

what i'm being what i'm doing is being

154

00:10:06,389 --> 00:10:01,040

organized for the future

155

00:10:10,550 --> 00:10:08,550

the report's coming up but we should be

156

00:10:12,870 --> 00:10:10,560

looking past the report looking

157

00:10:14,949 --> 00:10:12,880

through the report what happens after

158

00:10:18,150 --> 00:10:14,959

the report

159

00:10:18,790 --> 00:10:18,160

assuming because anything that comes

160

00:10:20,710 --> 00:10:18,800

from it

161

00:10:23,110 --> 00:10:20,720

we're still gonna have to act we're

162

00:10:27,590 --> 00:10:23,120

still gonna have to do things

163

00:10:33,030 --> 00:10:31,110

you know and if they are

164

00:10:34,550 --> 00:10:33,040

transparent what are they going to do

165

00:10:36,550 --> 00:10:34,560

with everything

166

00:10:40,550 --> 00:10:36,560

so we will still need our actions to

167

00:10:46,949 --> 00:10:43,910

is done with integrity and honesty

168

00:10:53,509 --> 00:10:46,959

it reminds me of john greenwald if this

169

00:10:57,350 --> 00:10:55,590

then you're paying attention to the

170

00:11:00,550 --> 00:10:57,360

wrong topic

171

00:11:01,110 --> 00:11:00,560

for those of you unfamiliar uh john

172

00:11:02,949 --> 00:11:01,120

greenwald

173

00:11:04,870 --> 00:11:02,959

he runs the black vault and he's been

174

00:11:08,949 --> 00:11:04,880

looking into lou elizondo for

175

00:11:12,790 --> 00:11:08,959

three years trying to get his emails

176

00:11:16,150 --> 00:11:12,800

trying to corroborate anything

177

00:11:19,990 --> 00:11:16,160

whether it's to back him up

178

00:11:21,509 --> 00:11:20,000

or proves that he's lying

179

00:11:23,670 --> 00:11:21,519

you know and when it comes to something

180

00:11:25,910 --> 00:11:23,680

that's huge you can't

181

00:11:27,670 --> 00:11:25,920

you can't hate the guy for trying to get

182

00:11:32,870 --> 00:11:27,680

more information because

183

00:11:37,190 --> 00:11:35,190

and he's doing this for three years

184

00:11:40,829 --> 00:11:37,200

putting in foia requests for his emails

185

00:11:43,670 --> 00:11:40,839

getting denied appealing winning the

186

00:11:45,829 --> 00:11:43,680

appeal

187

00:11:47,509 --> 00:11:45,839

they don't have anything he tells them

188

00:11:48,710 --> 00:11:47,519

how to do their job have you searched

189

00:11:51,190 --> 00:11:48,720

with this

190

00:11:52,870 --> 00:11:51,200

word or this word or that word

191

00:11:53,910 --> 00:11:52,880

greenworld's telling them how to do

192

00:11:56,629 --> 00:11:53,920

their job

193

00:11:57,430 --> 00:11:56,639

and they still say ah nothing can't find

194

00:11:59,430 --> 00:11:57,440

anything

195

00:12:00,470 --> 00:11:59,440

what does that sound like sounds like

196

00:12:04,150 --> 00:12:00,480

when george knapp

197

00:12:07,590 --> 00:12:04,160

called certain people

198

00:12:10,629 --> 00:12:07,600

in regards to a bob lazar nothing

199

00:12:12,629 --> 00:12:10,639

nothing i just heard the

200

00:12:16,550 --> 00:12:12,639

reheard the story of him calling the

201  
00:12:19,350 --> 00:12:16,560  
head hunter that hired bob lazar

202  
00:12:20,629 --> 00:12:19,360  
to work at los alamos who at first said

203  
00:12:23,750 --> 00:12:20,639  
yes we have his records

204  
00:12:23,990 --> 00:12:23,760  
yes we'll share them well some time went

205  
00:12:31,190 --> 00:12:24,000  
by

206  
00:12:37,990 --> 00:12:34,310  
now how does greenwald get paid

207  
00:12:41,190 --> 00:12:38,000  
back for all that time

208  
00:12:44,150 --> 00:12:41,200  
and effort and passion

209  
00:12:45,590 --> 00:12:44,160  
that he put into that how does he get

210  
00:12:49,269 --> 00:12:45,600  
paid back for that

211  
00:12:56,470 --> 00:12:53,030  
and what does the pentagon or susan gao

212  
00:13:06,150 --> 00:13:01,750  
sorry emails have been deleted

213  
00:13:10,470 --> 00:13:06,160

which happens to be

214

00:13:13,269 --> 00:13:10,480

it could have been deleted last year

215

00:13:15,829 --> 00:13:13,279

but also last year after the fact when

216

00:13:17,910 --> 00:13:15,839

they could have been deleted

217

00:13:19,190 --> 00:13:17,920

they were still going through appeal

218

00:13:22,470 --> 00:13:19,200

processes

219

00:13:24,550 --> 00:13:22,480

greenwald and the pentagon about these

220

00:13:27,269 --> 00:13:24,560

emails

221

00:13:29,430 --> 00:13:27,279

that were deleted so what are we talking

222

00:13:31,110 --> 00:13:29,440

about

223

00:13:34,150 --> 00:13:31,120

you know but that's why i'm here you

224

00:13:37,190 --> 00:13:34,160

know and i can't do everything on my

225

00:13:39,990 --> 00:13:37,200

myself i got 700 followers today

226

00:13:40,710 --> 00:13:40,000

and that is such a good sign that means

227

00:13:43,829 --> 00:13:40,720

that

228

00:13:46,949 --> 00:13:43,839

you guys like

229

00:13:50,069 --> 00:13:46,959

are on the same wavelength and

230

00:13:51,590 --> 00:13:50,079

that you wanna see things gonna get done

231

00:13:53,910 --> 00:13:51,600

and you wanna make your own you wanna do

232

00:13:59,030 --> 00:13:53,920

your own actions whether it's a call or

233

00:14:02,470 --> 00:14:01,990

what's up alien girl i can't help but

234

00:14:05,520 --> 00:14:02,480

say

235

00:14:07,910 --> 00:14:05,530

girl every time i see that

236

00:14:10,069 --> 00:14:07,920

[Laughter]

237

00:14:11,110 --> 00:14:10,079

um the report is supposed to come out

238

00:14:13,030 --> 00:14:11,120

the 25th

239

00:14:14,829 --> 00:14:13,040

and then there's rumors about it you

240

00:14:18,069 --> 00:14:14,839

know every other day basically

241

00:14:19,750 --> 00:14:18,079

but and it's gonna come up in every

242

00:14:21,350 --> 00:14:19,760

other way there's rumors

243

00:14:23,750 --> 00:14:21,360

i just made the point that whatever

244

00:14:25,110 --> 00:14:23,760

happens we know that we're gonna still

245

00:14:31,189 --> 00:14:25,120

have to push forward

246

00:14:35,030 --> 00:14:31,199

through it so let's hope for the best

247

00:14:45,269 --> 00:14:39,430

if it is not up to our expectations

248

00:14:48,389 --> 00:14:45,279

which judging by history it will not be

249

00:14:53,509 --> 00:14:51,269

we are definitely at a climax as far as

250

00:14:55,590 --> 00:14:53,519

ufology

251  
00:14:56,829 --> 00:14:55,600  
and if the pentagon does not see that

252  
00:15:00,790 --> 00:14:56,839  
they are

253  
00:15:08,550 --> 00:15:03,670  
as technology advances disclosure is

254  
00:15:13,269 --> 00:15:10,829  
you know we'll know what it is

255  
00:15:16,310 --> 00:15:13,279  
regardless

256  
00:15:21,509 --> 00:15:16,320  
stuff is really

257  
00:15:25,189 --> 00:15:24,069  
fox reported about two hours ago that it

258  
00:15:27,750 --> 00:15:25,199  
could come out today

259  
00:15:29,430 --> 00:15:27,760  
i've heard that from somebody else but

260  
00:15:30,629 --> 00:15:29,440  
this is all just like twitter talk i

261  
00:15:32,310 --> 00:15:30,639  
have no idea

262  
00:15:37,110 --> 00:15:32,320  
and i'd be interested to see what

263  
00:15:42,670 --> 00:15:40,870

fox like it may come out today are they

264

00:15:45,910 --> 00:15:42,680

watching twitter for the rumors

265

00:15:47,509 --> 00:15:45,920

[Laughter]

266

00:15:49,269 --> 00:15:47,519

if that was the case we could throw some

267

00:15:53,189 --> 00:15:49,279

wacky stuff out there and just get them

268

00:16:00,310 --> 00:15:57,189

oh yeah well i mean the thing with

269

00:16:02,710 --> 00:16:00,320

msm is uh

270

00:16:04,710 --> 00:16:02,720

we need them to report this honestly and

271

00:16:05,110 --> 00:16:04,720

with integrity but it's also something

272

00:16:08,150 --> 00:16:05,120

they're

273

00:16:09,829 --> 00:16:08,160

so unfamiliar with how to cover

274

00:16:13,030 --> 00:16:09,839

something that is bipartisan

275

00:16:15,990 --> 00:16:13,040

basically with the passion

276  
00:16:18,310 --> 00:16:16,000  
they only have passions for slinging mud

277  
00:16:22,790 --> 00:16:18,320  
at the other side

278  
00:16:26,310 --> 00:16:22,800  
so here we are with a possible beautiful

279  
00:16:28,949 --> 00:16:26,320  
very beautiful bipartisan issue

280  
00:16:33,829 --> 00:16:28,959  
and i think they just don't know what to

281  
00:16:33,839 --> 00:16:38,470  
what do you think

282  
00:16:38,480 --> 00:16:41,749  
yeah yeah me too

283  
00:16:45,350 --> 00:16:44,069  
yeah they probably get all of our info

284  
00:16:48,629 --> 00:16:45,360  
from here on twitter

285  
00:16:51,829 --> 00:16:48,639  
definitely so anyways

286  
00:16:55,110 --> 00:16:51,839  
yeah the greenwald thing um just

287  
00:16:58,949 --> 00:16:55,120  
losing three years of time on this

288  
00:17:02,790 --> 00:16:58,959

for the pentagon to just say

289

00:17:05,829 --> 00:17:02,800

you know the emails are deleted

290

00:17:08,870 --> 00:17:05,839

you couldn't even give a better reason

291

00:17:10,390 --> 00:17:08,880

they were just deleted

292

00:17:13,110 --> 00:17:10,400

they are going to be in a lot of trouble

293

00:17:21,270 --> 00:17:13,120

because i guarantee you that

294

00:17:21,280 --> 00:17:25,110

you know what i mean

295

00:17:28,549 --> 00:17:26,870

they're going to be in a lot of trouble

296

00:17:30,950 --> 00:17:28,559

and lou's going after him

297

00:17:34,310 --> 00:17:30,960

lou's going after him because of the

298

00:17:36,150 --> 00:17:34,320

[h\_\_h] that they've been doing for

299

00:17:38,070 --> 00:17:36,160

to him personally in the last three

300

00:17:38,549 --> 00:17:38,080

years but really this is a fight that

301  
00:17:41,669 --> 00:17:38,559  
goes

302  
00:17:47,190 --> 00:17:44,830  
and damn who's putting it on his

303  
00:17:49,750 --> 00:17:47,200  
shoulders that's what another reason i'm

304  
00:17:51,590 --> 00:17:49,760  
doing this and making calls

305  
00:17:54,150 --> 00:17:51,600  
is because that man can't do it alone

306  
00:17:56,070 --> 00:17:54,160  
and it's so easy to just look at twitter

307  
00:17:57,669 --> 00:17:56,080  
and see people doing stuff and feel like

308  
00:18:02,150 --> 00:17:57,679  
you are too but that is

309  
00:18:06,470 --> 00:18:04,150  
you have to do something for yourself

310  
00:18:11,190 --> 00:18:06,480  
and watching it happen and go by

311  
00:18:15,430 --> 00:18:13,430  
that's how social media lulls you into

312  
00:18:19,830 --> 00:18:15,440  
complacency

313  
00:18:23,430 --> 00:18:19,840

is by watching other people do stuff and

314

00:18:26,070 --> 00:18:23,440

allowing you to feel like you are too

315

00:18:27,190 --> 00:18:26,080

and i'm not saying talking to you you

316

00:18:32,789 --> 00:18:27,200

know

317

00:18:37,350 --> 00:18:34,789

we have a short attention span these

318

00:18:38,710 --> 00:18:37,360

days that's why we like twitter we post

319

00:18:40,549 --> 00:18:38,720

something somebody likes it our

320

00:18:43,350 --> 00:18:40,559

endorphins go off

321

00:18:46,470 --> 00:18:43,360

and then we do it again we repeat and we

322

00:18:48,630 --> 00:18:46,480

don't want to lose that

323

00:18:56,710 --> 00:18:48,640

so we keep and say the same sort of

324

00:18:58,470 --> 00:18:56,720

stuff to get that reaction again

325

00:19:00,470 --> 00:18:58,480

and that's dangerous when it comes to

326

00:19:05,350 --> 00:19:00,480

stuff like this because you cannot be

327

00:19:09,510 --> 00:19:07,110

and if you don't get a heart and an

328

00:19:16,230 --> 00:19:09,520

endorphin release

329

00:19:16,240 --> 00:19:19,990

you know like anything

330

00:19:24,070 --> 00:19:22,230

social media or anything else is is up

331

00:19:29,110 --> 00:19:24,080

to the user in the intent of

332

00:19:33,510 --> 00:19:29,120

that user and so it can be someone's

333

00:19:42,470 --> 00:19:37,430

and in this in transparency

334

00:19:51,029 --> 00:19:45,430

imagine if everyone on ufo twitter

335

00:19:54,310 --> 00:19:51,039

tweeted the same congress person

336

00:20:00,950 --> 00:19:54,320

or whatever at the same exact time

337

00:20:08,950 --> 00:20:07,029

that would that would be huge

338

00:20:12,950 --> 00:20:08,960

i think they would get the point versus

339

00:20:16,070 --> 00:20:14,390

you know and they maybe scroll through

340

00:20:16,630 --> 00:20:16,080

or look at it their assistant does or

341

00:20:20,149 --> 00:20:16,640

whatever

342

00:20:22,310 --> 00:20:20,159

but imagine if thousands of people

343

00:20:24,710 --> 00:20:22,320

posted the same exact thing at the same

344

00:20:25,590 --> 00:20:24,720

time on the same congressperson's

345

00:20:28,710 --> 00:20:25,600

account

346

00:20:37,029 --> 00:20:34,470

that we are on the same page

347

00:20:42,470 --> 00:20:37,039

and at that point in time it to be

348

00:20:47,190 --> 00:20:44,230

with that being said i'm pumped i'm

349

00:20:54,710 --> 00:20:50,950

let's call the other number

350

00:20:57,750 --> 00:20:56,310

i do have to come up with the script

351

00:20:59,110 --> 00:20:57,760

it's funny like lou from uh

352

00:21:01,110 --> 00:20:59,120

unidentified was telling me hey you

353

00:21:03,190 --> 00:21:01,120

gotta use the script dude and

354

00:21:04,310 --> 00:21:03,200

it's like i've been doing this actually

355

00:21:06,710 --> 00:21:04,320

for like

356

00:21:07,590 --> 00:21:06,720

i don't know business doing this stuff

357

00:21:12,789 --> 00:21:07,600

so i'm like

358

00:21:12,799 --> 00:21:20,950

yes let's do it yes

359

00:21:33,669 --> 00:21:23,110

how we gonna get a hold of everyone make

360

00:21:41,830 --> 00:21:37,830

oh my is this alien speak

361

00:21:48,470 --> 00:21:45,830

it's a fax machine

362

00:21:49,510 --> 00:21:48,480

one day i will be able to put my words

363

00:21:52,630 --> 00:21:49,520

onto a fax

364

00:21:57,430 --> 00:21:55,830

i mean from my mouth you pr i probably

365

00:22:00,149 --> 00:21:57,440

could do that eh

366

00:22:02,870 --> 00:22:00,159

like uh siri or something what's up

367

00:22:07,669 --> 00:22:02,880

julie good to see you here

368

00:22:17,270 --> 00:22:10,710

uh we got green street in about eight

369

your local county home and office of

387

emergency management during this

388

00:22:52,789 --> 00:22:49,120

difficult time

389

00:22:53,350 --> 00:22:52,799

thank you at the tone please record your

390

00:22:54,710 --> 00:22:53,360

message

391

00:22:57,270 --> 00:22:54,720

when you've finished recording

392

00:23:00,710 --> 00:22:59,669

it'll make a difference hi uh senator

393

00:23:03,029 --> 00:23:00,720

bennett this is

394

00:23:04,549 --> 00:23:03,039

um sean i'm giving a call today in

395

00:23:07,590 --> 00:23:04,559

regards to the

396

00:23:09,990 --> 00:23:07,600

uap report due to congress with the

397

00:23:13,029 --> 00:23:10,000

recent incursions of the west coast

398

00:23:14,710 --> 00:23:13,039

um in the swarming of our navy ships you

399

00:23:15,590 --> 00:23:14,720

can imagine how us citizens are

400

00:23:18,789 --> 00:23:15,600

concerned

401  
00:23:21,990 --> 00:23:18,799  
so anything you can do to push the

402  
00:23:25,510 --> 00:23:22,000  
um transparency

403  
00:23:28,549 --> 00:23:25,520  
and further details um onto this report

404  
00:23:31,510 --> 00:23:28,559  
that would be fantastic um

405  
00:23:32,230 --> 00:23:31,520  
i hope this finds you well um and i have

406  
00:23:35,110 --> 00:23:32,240  
your back

407  
00:23:38,310 --> 00:23:35,120  
whatever you do have a great day go

408  
00:23:41,720 --> 00:23:40,230  
there you go i got the go rockies in for

409  
00:23:41,760 --> 00:23:41,730  
you

410  
00:23:45,190 --> 00:23:41,770  
[Laughter]

411  
00:23:50,310 --> 00:23:47,029  
oh what's that i gotta find that uh

412  
00:23:55,110 --> 00:23:50,320  
comment that you left

413  
00:23:57,430 --> 00:23:55,120

for for the mention the rockies

414

00:23:58,390 --> 00:23:57,440

i want to mention other oh great call

415

00:24:01,990 --> 00:23:58,400

nice call sean

416

00:24:05,750 --> 00:24:02,000

thanks i mean you sound so normal

417

00:24:08,549 --> 00:24:05,760

i mean like i'm not kidding i own a

418

00:24:11,590 --> 00:24:08,559

business where do they do this

419

00:24:13,750 --> 00:24:11,600

where i train them to do this stuff and

420

00:24:15,750 --> 00:24:13,760

that's because you know i have done it

421

00:24:18,710 --> 00:24:15,760

for years like for businesses

422

00:24:19,669 --> 00:24:18,720

and no it's not like inside sales like

423

00:24:22,149 --> 00:24:19,679

i'm gonna

424

00:24:24,710 --> 00:24:22,159

you know be sneaky or whatever it's

425

00:24:27,909 --> 00:24:24,720

always done with honesty

426

00:24:28,950 --> 00:24:27,919

and integrity right because if you try

427

00:24:35,590 --> 00:24:28,960

to

428

00:24:37,669 --> 00:24:35,600

or whatever it doesn't hold up

429

00:24:39,669 --> 00:24:37,679

it's only until a matter of time until

430

00:24:40,070 --> 00:24:39,679

they start second guessing why they did

431

00:24:42,630 --> 00:24:40,080

it

432

00:24:43,510 --> 00:24:42,640

and they blame you for muddying the

433

00:24:45,909 --> 00:24:43,520

waters

434

00:24:47,510 --> 00:24:45,919

so you have to be honest and do it with

435

00:24:50,149 --> 00:24:47,520

integrity

436

00:24:51,830 --> 00:24:50,159

and for instance if it is a sale if it's

437

00:24:53,909 --> 00:24:51,840

not right for them

438

00:24:56,630 --> 00:24:53,919

you have to be able to acknowledge that

439

00:24:59,990 --> 00:24:56,640

and agree with it

440

00:25:03,830 --> 00:25:00,000

you know because if you do

441

00:25:05,750 --> 00:25:03,840

and that thing changes and they do

442

00:25:07,190 --> 00:25:05,760

want to do something they're going to

443

00:25:13,269 --> 00:25:07,200

remember the person

444

00:25:17,510 --> 00:25:15,830

he sold a television here's a good one

445

00:25:19,110 --> 00:25:17,520

my father is a salesman he sold a

446

00:25:19,909 --> 00:25:19,120

television to a blind man once he

447

00:25:24,149 --> 00:25:19,919

explained

448

00:25:29,269 --> 00:25:26,310

well that's kind of true i guess oh that

449

00:25:34,950 --> 00:25:29,279

reminds me did you guys see um

450

00:25:42,950 --> 00:25:38,149

neither did he okay

451  
00:25:46,390 --> 00:25:42,960  
all right that's bad

452  
00:25:49,909 --> 00:25:46,400  
that's bad i'm sorry okay

453  
00:25:54,310 --> 00:25:49,919  
uh oh thanks yeah

454  
00:25:58,070 --> 00:25:56,230  
um like refurbished it and stuff she

455  
00:25:59,590 --> 00:25:58,080  
loves doing that

456  
00:26:00,870 --> 00:25:59,600  
okay i got one more joke for you i know

457  
00:26:02,230 --> 00:26:00,880  
we're getting off track here but we're

458  
00:26:03,830 --> 00:26:02,240  
killing time green street's gonna be

459  
00:26:07,669 --> 00:26:03,840  
here in four minutes so

460  
00:26:11,990 --> 00:26:07,679  
um bad chill kickles yeah well you don't

461  
00:26:18,950 --> 00:26:15,350  
all right so um the other day

462  
00:26:21,510 --> 00:26:18,960  
i called in to work and i said

463  
00:26:22,149 --> 00:26:21,520

you know i don't think i could come in

464

00:26:23,909 --> 00:26:22,159

today

465

00:26:26,549 --> 00:26:23,919

i'm not feeling good and they said

466

00:26:29,029 --> 00:26:26,559

you're not feeling good

467

00:26:31,190 --> 00:26:29,039

it's like yeah i think i'm going blind

468

00:26:38,070 --> 00:26:31,200

he said you're going blind

469

00:26:43,990 --> 00:26:38,080

i said yeah i can't see myself coming in

470

00:26:44,000 --> 00:26:50,630

all right all right um

471

00:26:54,470 --> 00:26:52,950

so i'm gonna make a challenge to you

472

00:26:57,669 --> 00:26:54,480

guys to do

473

00:27:01,669 --> 00:26:57,679

some actions yourself whatever it is

474

00:27:03,269 --> 00:27:01,679

and it can be fun it's not a burden

475

00:27:08,470 --> 00:27:03,279

you know it should leave you feeling

476  
00:27:12,390 --> 00:27:11,830  
you know in it i'm telling you just to

477  
00:27:16,390 --> 00:27:12,400  
call

478  
00:27:19,750 --> 00:27:16,400  
about the uap report

479  
00:27:22,950 --> 00:27:19,760  
anything you could do great bye

480  
00:27:25,190 --> 00:27:22,960  
scripts on if you follow

481  
00:27:26,230 --> 00:27:25,200  
unidentified celebrity review that are

482  
00:27:28,549 --> 00:27:26,240  
really professional

483  
00:27:29,750 --> 00:27:28,559  
in really great scripts and i would

484  
00:27:33,510 --> 00:27:29,760  
recommend

485  
00:27:35,590 --> 00:27:33,520  
reading it from that and don't worry if

486  
00:27:38,230 --> 00:27:35,600  
you screw up or

487  
00:27:40,789 --> 00:27:38,240  
you know you don't put the proper breath

488  
00:27:43,110 --> 00:27:40,799

after a comma or whatever

489

00:27:44,549 --> 00:27:43,120

you know just do it and just like

490

00:27:48,070 --> 00:27:44,559

everything else it gets

491

00:27:50,230 --> 00:27:48,080

so much easier after the first

492

00:27:52,470 --> 00:27:50,240

time because you realize it's not that

493

00:27:55,909 --> 00:27:52,480

bad

494

00:27:58,149 --> 00:27:55,919

you know whenever somebody starts in the

495

00:27:59,269 --> 00:27:58,159

call center or whatever cheers from

496

00:28:03,430 --> 00:27:59,279

italy

497

00:28:05,990 --> 00:28:03,440

hello how are you thanks for joining us

498

00:28:07,669 --> 00:28:06,000

um when everybody's someone starts in

499

00:28:10,870 --> 00:28:07,679

the call center they're always nervous

500

00:28:15,590 --> 00:28:10,880

until they talk to somebody they get

501  
00:28:15,600 --> 00:28:20,549  
life still exists and everything's fine

502  
00:28:29,350 --> 00:28:24,310  
you know so allow that

503  
00:28:32,389 --> 00:28:29,360  
to settle in and allow it

504  
00:28:33,990 --> 00:28:32,399  
to allow you to fail more because you

505  
00:28:36,549 --> 00:28:34,000  
know you're picking up

506  
00:28:41,269 --> 00:28:36,559  
that stuff that you learn when you fail

507  
00:28:47,669 --> 00:28:43,430  
and one day you'll be a cold-calling

508  
00:28:55,750 --> 00:28:52,310  
um but yeah even an email

509  
00:28:58,149 --> 00:28:55,760  
is good whatever

510  
00:28:59,990 --> 00:28:58,159  
like i'm not i'm not too good at the

511  
00:29:02,710 --> 00:29:00,000  
email stuff

512  
00:29:03,909 --> 00:29:02,720  
but i'm great over the phone or talking

513  
00:29:05,430 --> 00:29:03,919

to people well at least i'd like to

514

00:29:07,830 --> 00:29:05,440

think i am

515

00:29:09,510 --> 00:29:07,840

so that's the route i go but we can all

516

00:29:11,190 --> 00:29:09,520

feed off of each other just like how

517

00:29:12,950 --> 00:29:11,200

some people are into the nuts and bolts

518

00:29:13,990 --> 00:29:12,960

aspect of this and some people are into

519

00:29:17,110 --> 00:29:14,000

the consciousness

520

00:29:22,389 --> 00:29:17,120

we can all feed off of each other and

521

00:29:24,870 --> 00:29:22,399

build something to get some truth

522

00:29:26,470 --> 00:29:24,880

right because how often is truth really

523

00:29:31,029 --> 00:29:26,480

only

524

00:29:31,039 --> 00:29:36,630

in one opinion

525

00:29:42,789 --> 00:29:40,870

in its opinion you know

526

00:29:45,350 --> 00:29:42,799

sometimes truth doesn't even exist in

527

00:29:51,909 --> 00:29:45,360

facts because there are more facts

528

00:29:59,110 --> 00:29:55,750

i don't know where i was going with that

529

00:30:01,350 --> 00:29:59,120

but yeah um anything you guys could do

530

00:30:03,029 --> 00:30:01,360

would be cool if you like share and

531

00:30:06,070 --> 00:30:03,039

subscribe my youtube channel

532

00:30:08,549 --> 00:30:06,080

or um you know like

533

00:30:10,070 --> 00:30:08,559

me on twitter or anything like that let

534

00:30:11,909 --> 00:30:10,080

me know i'll make an extra phone call

535

00:30:14,870 --> 00:30:11,919

for you

536

00:30:15,830 --> 00:30:14,880

um so we are at the half hour mark and

537

00:30:19,990 --> 00:30:15,840

the best part

538

00:30:22,950 --> 00:30:20,000

of everyone's day has come

539

00:30:24,789 --> 00:30:22,960

if you don't know what i mean i'll tell

540

00:30:28,710 --> 00:30:24,799

you

541

00:30:30,149 --> 00:30:28,720

all the way from the basement office

542

00:30:33,029 --> 00:30:30,159

i have a very special guest steven

543

00:30:35,110 --> 00:30:33,039

greenstreet how are you

544

00:30:36,549 --> 00:30:35,120

doing pretty good man good thanks for

545

00:30:38,470 --> 00:30:36,559

joining

546

00:30:40,630 --> 00:30:38,480

yeah thanks for having me on uh i'm

547

00:30:44,070 --> 00:30:40,640

going to move this stupid

548

00:30:47,430 --> 00:30:44,080

banner off your forehead there you go

549

00:30:50,149 --> 00:30:47,440

that's okay yeah there you go

550

00:30:52,070 --> 00:30:50,159

yeah no cool um so you still look like

551  
00:30:55,590 --> 00:30:52,080  
you did yesterday which apparently

552  
00:30:59,110 --> 00:30:55,600  
is not the normal stephen

553  
00:31:02,149 --> 00:30:59,120  
no no things have changed

554  
00:31:03,110 --> 00:31:02,159  
that sounded very basement man i'm out

555  
00:31:07,269 --> 00:31:03,120  
of the basement you got

556  
00:31:08,870 --> 00:31:07,279  
got some sun i'm nowhere near the base

557  
00:31:12,389 --> 00:31:08,880  
well i can tell because you don't have a

558  
00:31:16,149 --> 00:31:14,149  
all right so i know you're kind of

559  
00:31:18,710 --> 00:31:16,159  
scrapped for time so

560  
00:31:20,070 --> 00:31:18,720  
i don't want to waste it so i'll get

561  
00:31:22,310 --> 00:31:20,080  
into

562  
00:31:23,830 --> 00:31:22,320  
uh the questions i have for you first

563  
00:31:26,470 --> 00:31:23,840

one is

564

00:31:27,110 --> 00:31:26,480

you know having watched you even

565

00:31:29,750 --> 00:31:27,120

yesterday

566

00:31:31,669 --> 00:31:29,760

on identified celebrity review you make

567

00:31:34,070 --> 00:31:31,679

it clear that you don't like to be

568

00:31:35,430 --> 00:31:34,080

pigeonholed in one side of this topic

569

00:31:37,110 --> 00:31:35,440

whether it be

570

00:31:40,310 --> 00:31:37,120

you know it's aliens or foreign or

571

00:31:43,430 --> 00:31:40,320

interdimensional or whatever

572

00:31:44,950 --> 00:31:43,440

now with where we are today with 60

573

00:31:48,950 --> 00:31:44,960

minutes with the

574

00:31:49,990 --> 00:31:48,960

report with uh lou elizondo's emails

575

00:31:53,350 --> 00:31:50,000

being deleted

576

00:31:55,029 --> 00:31:53,360

like where are you now it does

577

00:31:58,830 --> 00:31:55,039

is it becoming increasingly more

578

00:32:05,269 --> 00:32:01,590

uh

579

00:32:09,190 --> 00:32:05,279

no because honestly like

580

00:32:09,669 --> 00:32:09,200

like honestly i had a a kind of paradigm

581

00:32:12,950 --> 00:32:09,679

shift

582

00:32:16,190 --> 00:32:12,960

just a few weeks ago um

583

00:32:17,430 --> 00:32:16,200

where i was kind of leaning towards the

584

00:32:21,509 --> 00:32:17,440

extraordinary

585

00:32:26,070 --> 00:32:21,519

the alien the otherworldly

586

00:32:28,789 --> 00:32:26,080

bucket and then i read uh

587

00:32:29,269 --> 00:32:28,799

tyler rogoway's article in in the war

588

00:32:32,389 --> 00:32:29,279

zone

589

00:32:35,590 --> 00:32:32,399

on how a lot of these

590

00:32:36,630 --> 00:32:35,600

uap sightings the ones that have been

591

00:32:40,710 --> 00:32:36,640

covered in

592

00:32:42,830 --> 00:32:40,720

widely in the media are probably not

593

00:32:44,470 --> 00:32:42,840

otherworldly at all are not

594

00:32:49,389 --> 00:32:44,480

extraordinary at all

595

00:32:51,590 --> 00:32:49,399

and are probably literally actually our

596

00:32:55,110 --> 00:32:51,600

adversaries

597

00:32:57,350 --> 00:32:55,120

uh spying on us essentially um

598

00:32:59,190 --> 00:32:57,360

and that was like a big hedge gift for

599

00:33:02,070 --> 00:32:59,200

me because

600

00:33:03,190 --> 00:33:02,080

you know everything everything that

601  
00:33:06,070 --> 00:33:03,200  
comes out about

602  
00:33:07,669 --> 00:33:06,080  
this topic everything just gets thrown

603  
00:33:10,389 --> 00:33:07,679  
into the same bucket

604  
00:33:11,350 --> 00:33:10,399  
you know uh pilots balloon type object

605  
00:33:16,470 --> 00:33:11,360  
uf

606  
00:33:17,990 --> 00:33:16,480  
you know they saw literally a quadcopter

607  
00:33:20,230 --> 00:33:18,000  
drone up it's a ufo

608  
00:33:22,389 --> 00:33:20,240  
uh everything's just thrown in and what

609  
00:33:24,549 --> 00:33:22,399  
i loved about and what blew my mind

610  
00:33:26,470 --> 00:33:24,559  
about this tyler roqueway article was

611  
00:33:28,230 --> 00:33:26,480  
that he sifted through

612  
00:33:31,190 --> 00:33:28,240  
and he said yes there are some

613  
00:33:33,830 --> 00:33:31,200

extraordinary cases like the tic tac etc

614

00:33:35,830 --> 00:33:33,840

but a lot of these are actually they

615

00:33:38,870 --> 00:33:35,840

seem very terrestrial

616

00:33:41,350 --> 00:33:38,880

very you know spitting image of you know

617

00:33:42,230 --> 00:33:41,360

what an adversary would use to spy on us

618

00:33:45,110 --> 00:33:42,240

essentially

619

00:33:45,750 --> 00:33:45,120

yet no one is really no one is really

620

00:33:48,470 --> 00:33:45,760

kind of

621

00:33:49,590 --> 00:33:48,480

hyper focusing on that and so the last

622

00:33:51,269 --> 00:33:49,600

few weeks i've been having that

623

00:33:53,350 --> 00:33:51,279

conversation of like well we need to

624

00:33:55,909 --> 00:33:53,360

really concentrate on on these

625

00:33:57,110 --> 00:33:55,919

on these cases well my mission here and

626  
00:33:59,430 --> 00:33:57,120  
on this show and everything

627  
00:34:00,630 --> 00:33:59,440  
is putting the actions into my own hands

628  
00:34:02,549 --> 00:34:00,640  
you know doing something whether it's

629  
00:34:03,990 --> 00:34:02,559  
making a phone call calling congress a

630  
00:34:06,310 --> 00:34:04,000  
senator whatever

631  
00:34:07,750 --> 00:34:06,320  
and one of the reasons that i'm doing

632  
00:34:11,190 --> 00:34:07,760  
that is because

633  
00:34:14,470 --> 00:34:11,200  
of the very reason

634  
00:34:16,149 --> 00:34:14,480  
you know we're confused you know because

635  
00:34:17,669 --> 00:34:16,159  
an article like that can come out and

636  
00:34:19,430 --> 00:34:17,679  
throw you off course or

637  
00:34:21,669 --> 00:34:19,440  
something else can come out and put you

638  
00:34:23,270 --> 00:34:21,679

back in the interdimensional thing

639

00:34:25,030 --> 00:34:23,280

and the reason we keep going back and

640

00:34:27,589 --> 00:34:25,040

forth and filling in these blanks is

641

00:34:31,030 --> 00:34:27,599

because we're not getting honesty

642

00:34:33,430 --> 00:34:31,040

you know so yeah i

643

00:34:35,270 --> 00:34:33,440

yeah there's honesty but there's also

644

00:34:37,190 --> 00:34:35,280

like um

645

00:34:39,109 --> 00:34:37,200

uh there's a neat there's a knee-jerk

646

00:34:43,270 --> 00:34:39,119

kind of instinctual

647

00:34:46,389 --> 00:34:43,280

reaction to like the ufo

648

00:34:49,589 --> 00:34:46,399

uh news to ufo concept

649

00:34:53,109 --> 00:34:49,599

the ufo phenomenon to uh

650

00:34:53,829 --> 00:34:53,119

lump it together with um you know it's

651

00:34:59,430 --> 00:34:53,839

fun

652

00:35:01,430 --> 00:34:59,440

and they've always been a form of

653

00:35:04,710 --> 00:35:01,440

entertainment and sci-fi and

654

00:35:07,270 --> 00:35:04,720

pop culture it's a form of escapism

655

00:35:08,870 --> 00:35:07,280

in a way to to imagine it's real oh my

656

00:35:12,550 --> 00:35:08,880

god to even imagine it

657

00:35:14,069 --> 00:35:12,560

is so thrilling you know and so

658

00:35:16,310 --> 00:35:14,079

everything kind of goes through that

659

00:35:17,990 --> 00:35:16,320

filter i think naturally it's nobody's

660

00:35:19,589 --> 00:35:18,000

fault it naturally goes through that

661

00:35:20,550 --> 00:35:19,599

filter with anyone who's reading the

662

00:35:22,630 --> 00:35:20,560

story

663

00:35:23,750 --> 00:35:22,640

and on the other side of that filter it

664

00:35:27,430 --> 00:35:23,760

becomes

665

00:35:29,349 --> 00:35:27,440

lot of stuff gets lost

666

00:35:30,550 --> 00:35:29,359

i think in that process you've got to be

667

00:35:31,589 --> 00:35:30,560

able to pull back and be like okay

668

00:35:34,470 --> 00:35:31,599

what's the real

669

00:35:36,150 --> 00:35:34,480

here right and i think the answer might

670

00:35:38,710 --> 00:35:36,160

be

671

00:35:40,310 --> 00:35:38,720

various different things like he said it

672

00:35:44,150 --> 00:35:40,320

could be

673

00:35:47,510 --> 00:35:44,160

taking advantage of

674

00:35:51,349 --> 00:35:47,520

our fascination with ufos

675

00:35:54,390 --> 00:35:51,359

and there could also be ufos in that mix

676

00:35:57,109 --> 00:35:54,400

um as you know they do exist

677

00:35:58,150 --> 00:35:57,119

you've seen one yeah i believe you i

678

00:36:00,310 --> 00:35:58,160

believe

679

00:36:01,910 --> 00:36:00,320

yeah some it's something interesting

680

00:36:02,630 --> 00:36:01,920

about your personal experience if you

681

00:36:05,750 --> 00:36:02,640

don't mind

682

00:36:07,109 --> 00:36:05,760

um because i can relate you said this to

683

00:36:11,910 --> 00:36:07,119

nick pope you said

684

00:36:12,630 --> 00:36:11,920

this sounds weird but it felt personal

685

00:36:16,069 --> 00:36:12,640

yeah

686

00:36:16,710 --> 00:36:16,079

and mine was more personal than you can

687

00:36:20,790 --> 00:36:16,720

imagine

688

00:36:23,589 --> 00:36:20,800

it had to do with family stuff like

689

00:36:24,310 --> 00:36:23,599

it was a crazy time in my life when that

690

00:36:27,829 --> 00:36:24,320

happened to me

691

00:36:30,310 --> 00:36:27,839

when i saw what i saw and i remember

692

00:36:31,430 --> 00:36:30,320

even looking at it thinking like what is

693

00:36:33,349 --> 00:36:31,440

it just

694

00:36:35,510 --> 00:36:33,359

trying to say hi to me because it was

695

00:36:37,270 --> 00:36:35,520

like in my vision

696

00:36:39,910 --> 00:36:37,280

you know like it went right in front of

697

00:36:41,349 --> 00:36:39,920

my vision and it just leaves you like

698

00:36:45,510 --> 00:36:41,359

kind of shaking and

699

00:36:49,190 --> 00:36:45,520

you know what to think of that so

700

00:36:52,630 --> 00:36:49,200

sometimes it seems like the answers

701  
00:36:57,109 --> 00:36:52,640  
might not be accessible

702  
00:36:59,829 --> 00:36:57,119  
and maybe they are just for us who knows

703  
00:37:00,790 --> 00:36:59,839  
no it could be i mean you know i find it

704  
00:37:03,750 --> 00:37:00,800  
hard to

705  
00:37:05,030 --> 00:37:03,760  
when nick said that to me what did he

706  
00:37:07,670 --> 00:37:05,040  
say he said it was almost like you were

707  
00:37:11,589 --> 00:37:07,680  
being shown something

708  
00:37:14,630 --> 00:37:11,599  
i'm like okay yeah like okay i can speak

709  
00:37:15,910 --> 00:37:14,640  
to the fact yeah i can i can speak to

710  
00:37:19,030 --> 00:37:15,920  
the fact that it did

711  
00:37:21,030 --> 00:37:19,040  
feel how i felt like i i know

712  
00:37:23,670 --> 00:37:21,040  
how i felt and i did honestly feel that

713  
00:37:25,030 --> 00:37:23,680

way it was a cold kind of like

714

00:37:27,750 --> 00:37:25,040

unfamiliar feeling

715

00:37:29,990 --> 00:37:27,760

and uh it was almost like in the

716

00:37:31,510 --> 00:37:30,000

afterwards of thinking back to it

717

00:37:33,270 --> 00:37:31,520

i referred to it as a personal

718

00:37:34,630 --> 00:37:33,280

experience because like you just said it

719

00:37:40,790 --> 00:37:34,640

was almost

720

00:37:43,910 --> 00:37:40,800

was saying hey look at this

721

00:37:45,990 --> 00:37:43,920

hey completely check check this out

722

00:37:46,950 --> 00:37:46,000

it's a really weird way to think about

723

00:37:49,510 --> 00:37:46,960

it but

724

00:37:51,510 --> 00:37:49,520

that's just how i feel in retrospect

725

00:37:54,550 --> 00:37:51,520

well the frustrating part is

726

00:37:57,750 --> 00:37:56,230

what am i supposed to do with this you

727

00:38:00,790 --> 00:37:57,760

know yeah i mean

728

00:38:02,150 --> 00:38:00,800

i i mean yeah

729

00:38:03,589 --> 00:38:02,160

yeah you're breaking up a lot i didn't

730

00:38:05,190 --> 00:38:03,599

really do i mean i told him i told nick

731

00:38:08,790 --> 00:38:05,200

this but i

732

00:38:11,589 --> 00:38:08,800

yeah all right you am i here

733

00:38:12,150 --> 00:38:11,599

am i there yeah i got you thumbs up one

734

00:38:14,710 --> 00:38:12,160

thumbs up

735

00:38:15,510 --> 00:38:14,720

okay you got me yep i got you all right

736

00:38:17,589 --> 00:38:15,520

great

737

00:38:19,030 --> 00:38:17,599

all right cool yeah so like i didn't do

738

00:38:21,990 --> 00:38:19,040

anything with it

739

00:38:24,310 --> 00:38:22,000

i mean honestly beyond like think about

740

00:38:26,150 --> 00:38:24,320

it a little bit i just like

741

00:38:27,750 --> 00:38:26,160

part of my brain was just like oh that

742

00:38:29,829 --> 00:38:27,760

was just a government

743

00:38:31,190 --> 00:38:29,839

experimental aircraft you know where i

744

00:38:35,750 --> 00:38:31,200

was geographic

745

00:38:36,790 --> 00:38:35,760

were two air force bases like within

746

00:38:40,069 --> 00:38:36,800

driving distance

747

00:38:41,109 --> 00:38:40,079

of where i was and then area 51 was due

748

00:38:44,390 --> 00:38:41,119

west so i was like

749

00:38:49,030 --> 00:38:44,400

okay i guess that was the b3 or

750

00:38:52,069 --> 00:38:49,040

b4 bomber you know with a muzzle on it

751

00:38:55,589 --> 00:38:52,079

yeah with a silencer

752

00:38:57,829 --> 00:38:55,599

it's a new option we got yeah

753

00:38:59,030 --> 00:38:57,839

um yeah no it was crazy hearing that

754

00:39:00,870 --> 00:38:59,040

story um

755

00:39:02,390 --> 00:39:00,880

was there anything going on in your

756

00:39:04,230 --> 00:39:02,400

personal life at the time that was kind

757

00:39:05,670 --> 00:39:04,240

of like dramatic or anything

758

00:39:07,430 --> 00:39:05,680

let me ask you you don't have to tell me

759

00:39:09,030 --> 00:39:07,440

what it is just like i guess there has

760

00:39:11,910 --> 00:39:09,040

never been a moment in my life when

761

00:39:15,829 --> 00:39:13,910

i think there's something to that well

762

00:39:17,349 --> 00:39:15,839

you grew up mormon you said so i'm sure

763

00:39:20,630 --> 00:39:17,359

that wasn't yeah yeah

764

00:39:23,670 --> 00:39:20,640  
yeah yeah well okay same thing

765

00:39:27,030 --> 00:39:23,680  
so at the time so this was 2003

766

00:39:30,230 --> 00:39:27,040  
at the at the time that i saw this

767

00:39:31,750 --> 00:39:30,240  
i was in my own personal process of

768

00:39:34,790 --> 00:39:31,760  
leaving the church

769

00:39:37,670 --> 00:39:34,800  
of leaving the mormon faith

770

00:39:39,510 --> 00:39:37,680  
um and i was basically my whole life in

771

00:39:42,550 --> 00:39:39,520  
the mormon faith and so

772

00:39:45,349 --> 00:39:42,560  
yeah uh fall of 2003 until the end

773

00:39:46,390 --> 00:39:45,359  
of 2004 was like me basically leaving

774

00:39:49,270 --> 00:39:46,400  
and

775

00:39:51,430 --> 00:39:49,280  
um funny enough like where i saw the ufo

776

00:39:54,230 --> 00:39:51,440

was outside the mormon

777

00:39:55,030 --> 00:39:54,240

uh film studio there in provo utah they

778

00:39:56,790 --> 00:39:55,040

make their own

779

00:39:58,790 --> 00:39:56,800

like movies in the church and i was a

780

00:40:01,270 --> 00:39:58,800

production assistant

781

00:40:03,109 --> 00:40:01,280

and uh i was yeah i was helping them

782

00:40:06,390 --> 00:40:03,119

make a mormon movie

783

00:40:08,950 --> 00:40:06,400

when i saw a ufo that

784

00:40:10,230 --> 00:40:08,960

i mean you know some people are willing

785

00:40:13,270 --> 00:40:10,240

to go

786

00:40:15,349 --> 00:40:13,280

there and explore more if if you're

787

00:40:18,870 --> 00:40:15,359

interested in opinion there's something

788

00:40:22,950 --> 00:40:18,880

to that like that that

789

00:40:26,309 --> 00:40:22,960

huge transition in your life

790

00:40:29,510 --> 00:40:26,319

and that's when you see something

791

00:40:33,750 --> 00:40:29,520

what are the chances but you know um

792

00:40:39,589 --> 00:40:37,430

nick's rad nick is so rad

793

00:40:41,349 --> 00:40:39,599

you know when we uh when we started

794

00:40:43,589 --> 00:40:41,359

doing the basement office

795

00:40:45,430 --> 00:40:43,599

we had like a list of folks who i felt

796

00:40:47,109 --> 00:40:45,440

would be great co-hosts

797

00:40:49,109 --> 00:40:47,119

and nick was obviously at the top of the

798

00:40:52,470 --> 00:40:49,119

list and we just kind of sent out

799

00:40:54,470 --> 00:40:52,480

a cold call just like emails to people

800

00:40:56,230 --> 00:40:54,480

and i honestly didn't think we'd get any

801  
00:40:58,069 --> 00:40:56,240  
of them and nick like replied almost

802  
00:40:59,589 --> 00:40:58,079  
immediately and was like hell yeah let's

803  
00:41:02,630 --> 00:40:59,599  
do this

804  
00:41:05,990 --> 00:41:02,640  
and originally we only brought him on to

805  
00:41:09,430 --> 00:41:06,000  
be in like one maybe two episodes

806  
00:41:11,430 --> 00:41:09,440  
and we were gonna have every other

807  
00:41:15,030 --> 00:41:11,440  
episode would have like a new co-host

808  
00:41:16,550 --> 00:41:15,040  
and but nick like as soon as he came out

809  
00:41:18,309 --> 00:41:16,560  
like our chemistry like we were just

810  
00:41:18,829 --> 00:41:18,319  
like boom like that and we're just like

811  
00:41:24,950 --> 00:41:18,839  
no

812  
00:41:26,630 --> 00:41:24,960  
what was your what was it the

813  
00:41:28,470 --> 00:41:26,640

this is probably hard in this topic but

814

00:41:29,349 --> 00:41:28,480

what was the biggest head scratcher

815

00:41:32,390 --> 00:41:29,359

episode

816

00:41:36,630 --> 00:41:32,400

where you left like i don't know

817

00:41:38,870 --> 00:41:36,640

what that's about oh

818

00:41:40,710 --> 00:41:38,880

okay without a doubt it's episode six

819

00:41:42,470 --> 00:41:40,720

which is about jim penniston's

820

00:41:45,750 --> 00:41:42,480

account the rendles from trying yeah i

821

00:41:49,510 --> 00:41:47,910

as for an episode of uh i hope that

822

00:41:52,710 --> 00:41:49,520

plane isn't too loud hold on

823

00:41:54,950 --> 00:41:52,720

no that's fun okay um

824

00:41:55,990 --> 00:41:54,960

yeah so as for head scratcher episodes

825

00:41:58,230 --> 00:41:56,000

for me personally

826

00:42:00,550 --> 00:41:58,240

uh penniston's story was definitely the

827

00:42:02,710 --> 00:42:00,560

most head scratcher one for me i mean

828

00:42:04,390 --> 00:42:02,720

there's so much great i don't know i

829

00:42:08,950 --> 00:42:04,400

don't want to say crazy but there's so

830

00:42:11,190 --> 00:42:08,960

much stuff involved with this testimony

831

00:42:12,309 --> 00:42:11,200

touching the thing yeah yeah touching

832

00:42:14,150 --> 00:42:12,319

the thing and seeing

833

00:42:16,230 --> 00:42:14,160

binary code and that binary code

834

00:42:17,430 --> 00:42:16,240

translating to like gps coordinates

835

00:42:20,790 --> 00:42:17,440

around the world and

836

00:42:25,190 --> 00:42:20,800

equally anything of it a message

837

00:42:29,030 --> 00:42:27,030

or something yeah wasn't it eight

838

00:42:29,990 --> 00:42:29,040

thousand years or something it was from

839

00:42:34,550 --> 00:42:30,000

yeah

840

00:42:41,670 --> 00:42:38,630

sounds pretty cool i'll go that's fine

841

00:42:43,829 --> 00:42:41,680

um so yesterday

842

00:42:44,870 --> 00:42:43,839

on i watched it on an identified

843

00:42:47,670 --> 00:42:44,880

celebrity review

844

00:42:48,870 --> 00:42:47,680

um you mentioned there is 13 more

845

00:42:53,349 --> 00:42:48,880

minutes with eric

846

00:42:55,270 --> 00:42:53,359

davis um

847

00:43:01,910 --> 00:42:55,280

so is that the episode where he

848

00:43:06,630 --> 00:43:03,750

so him talking about the wilson davis

849

00:43:08,790 --> 00:43:06,640

documents is all of like 90 seconds

850

00:43:11,109 --> 00:43:08,800

for me asking him about it to us moving

851  
00:43:14,550 --> 00:43:11,119  
on is 90 seconds he didn't

852  
00:43:17,109 --> 00:43:14,560  
he didn't say no comment or

853  
00:43:18,230 --> 00:43:17,119  
yes or no he just said i'm not talking

854  
00:43:21,510 --> 00:43:18,240  
about it

855  
00:43:24,630 --> 00:43:21,520  
like i'm not gonna talk about that um

856  
00:43:25,990 --> 00:43:24,640  
but no so we released a bonus episode so

857  
00:43:28,390 --> 00:43:26,000  
eric davis shows up in

858  
00:43:30,630 --> 00:43:28,400  
episode seven of the basement office and

859  
00:43:31,990 --> 00:43:30,640  
then we released a bonus episode where

860  
00:43:33,829 --> 00:43:32,000  
it's just like me and him talking about

861  
00:43:35,910 --> 00:43:33,839  
random stuff you know he talks about how

862  
00:43:37,670 --> 00:43:35,920  
a tip never ended how he's still part of

863  
00:43:39,829 --> 00:43:37,680

atip how he's still

864

00:43:41,030 --> 00:43:39,839

working for the pentagon as a contractor

865

00:43:44,150 --> 00:43:41,040

with ufos

866

00:43:46,790 --> 00:43:44,160

um and then there's even more

867

00:43:48,470 --> 00:43:46,800

that hasn't been released yet i mean

868

00:43:50,630 --> 00:43:48,480

i'll just

869

00:43:51,670 --> 00:43:50,640

give you an exclusive man if you want to

870

00:43:54,550 --> 00:43:51,680

know what he said

871

00:43:55,430 --> 00:43:54,560

so um in the 13 minutes that haven't

872

00:43:58,550 --> 00:43:55,440

been released

873

00:43:59,190 --> 00:43:58,560

eric i asked eric davis all of this

874

00:44:01,750 --> 00:43:59,200

leads to an

875

00:44:02,309 --> 00:44:01,760

ultimate truth you know all of it leads

876  
00:44:05,510 --> 00:44:02,319  
somewhere

877  
00:44:06,630 --> 00:44:05,520  
to some kind of defined truth what is

878  
00:44:09,750 --> 00:44:06,640  
your opinion of what

879  
00:44:12,150 --> 00:44:09,760  
that is and eric davis says he thinks

880  
00:44:13,910 --> 00:44:12,160  
they're aliens like without any

881  
00:44:16,309 --> 00:44:13,920  
hesitation

882  
00:44:17,349 --> 00:44:16,319  
astrophysicists said aliens not like

883  
00:44:22,710 --> 00:44:17,359  
enter anything

884  
00:44:24,950 --> 00:44:22,720  
or aliens so eric davis without a doubt

885  
00:44:26,950 --> 00:44:24,960  
an astrophysicist rocket scientist

886  
00:44:29,270 --> 00:44:26,960  
current contractor for the

887  
00:44:30,950 --> 00:44:29,280  
u.s government says i believe they are

888  
00:44:34,150 --> 00:44:30,960

aliens

889

00:44:37,190 --> 00:44:34,160  
and wow um he says uh his

890

00:44:39,430 --> 00:44:37,200  
boss has a different theory

891

00:44:40,309 --> 00:44:39,440  
and i i think he was referring to how

892

00:44:41,910 --> 00:44:40,319  
put off

893

00:44:43,589 --> 00:44:41,920  
like i think he was referring to yeah

894

00:44:46,630 --> 00:44:43,599  
that was his boss yeah

895

00:44:48,950 --> 00:44:46,640  
you know eric says things like

896

00:44:50,150 --> 00:44:48,960  
it could be aliens hiding in the shadow

897

00:44:53,349 --> 00:44:50,160  
biome

898

00:44:54,710 --> 00:44:53,359  
which is goes along with what lou said

899

00:44:56,230 --> 00:44:54,720  
about sea monsters like

900

00:44:58,470 --> 00:44:56,240  
things in front of your eyes that you

901  
00:45:00,630 --> 00:44:58,480  
can't perceive that you can't see

902  
00:45:02,630 --> 00:45:00,640  
and he he opens it up that like they

903  
00:45:05,030 --> 00:45:02,640  
could be alien

904  
00:45:06,470 --> 00:45:05,040  
uh in a literal sense or a

905  
00:45:08,309 --> 00:45:06,480  
interdimensional sense

906  
00:45:09,910 --> 00:45:08,319  
meaning extraterrestrial but also

907  
00:45:13,109 --> 00:45:09,920  
interdimensional

908  
00:45:14,550 --> 00:45:13,119  
right you know um but you know here's

909  
00:45:17,589 --> 00:45:14,560  
the thing that's great

910  
00:45:19,270 --> 00:45:17,599  
yeah here's the thing that's uh

911  
00:45:21,109 --> 00:45:19,280  
and he actually goes up so eric davis

912  
00:45:23,270 --> 00:45:21,119  
goes on for like five minutes about

913  
00:45:24,950 --> 00:45:23,280

his personal theory about what he thinks

914

00:45:26,309 --> 00:45:24,960

who is behind the wheel and then

915

00:45:28,150 --> 00:45:26,319

[Music]

916

00:45:30,390 --> 00:45:28,160

um well it made me ask is sorry to

917

00:45:31,990 --> 00:45:30,400

interrupt was like i remember that time

918

00:45:33,670 --> 00:45:32,000

and i remember when that episode came

919

00:45:35,670 --> 00:45:33,680

out and there were like little snippets

920

00:45:36,390 --> 00:45:35,680

he posted online about like the wilson

921

00:45:38,150 --> 00:45:36,400

stuff

922

00:45:41,190 --> 00:45:38,160

and i was like well what the heck is

923

00:45:44,069 --> 00:45:41,200

this i want to know

924

00:45:46,630 --> 00:45:44,079

yeah yeah that's why i mentioned it yeah

925

00:45:47,910 --> 00:45:46,640

the wilson stuff is was like a whole

926  
00:45:51,030 --> 00:45:47,920  
nother thing so

927  
00:45:54,309 --> 00:45:51,040  
um for clarity for clarity sense

928  
00:45:57,030 --> 00:45:54,319  
the interview with eric davis and

929  
00:45:58,710 --> 00:45:57,040  
the discussion that i filmed with nick

930  
00:46:01,829 --> 00:45:58,720  
pope on the wilson ducks

931  
00:46:04,630 --> 00:46:01,839  
was december 2019

932  
00:46:05,670 --> 00:46:04,640  
that's a while ago at this point it is

933  
00:46:09,829 --> 00:46:05,680  
um

934  
00:46:14,390 --> 00:46:09,839  
and so anyway yeah so

935  
00:46:17,910 --> 00:46:14,400  
we had a 13 14 minute episode on the

936  
00:46:19,030 --> 00:46:17,920  
wilson davis thing it includes eric

937  
00:46:21,030 --> 00:46:19,040  
davis

938  
00:46:22,390 --> 00:46:21,040

it includes like 12 minutes of me and

939

00:46:24,950 --> 00:46:22,400

nick pope analyzing it

940

00:46:26,309 --> 00:46:24,960

talking about it getting rather deep

941

00:46:29,990 --> 00:46:26,319

into it

942

00:46:31,910 --> 00:46:30,000

and then it includes a uh i talked to

943

00:46:33,270 --> 00:46:31,920

i actually talked to admiral wilson

944

00:46:35,780 --> 00:46:33,280

himself

945

00:46:36,950 --> 00:46:35,790

whoa i actually talked to albert wilson

946

00:46:39,990 --> 00:46:36,960

[Music]

947

00:46:42,790 --> 00:46:40,000

i confirmed tonight

948

00:46:43,349 --> 00:46:42,800

oh 100 tonight and this isn't the first

949

00:46:45,190 --> 00:46:43,359

time

950

00:46:47,910 --> 00:46:45,200

i wasn't i'm not the first guy he's

951  
00:46:49,750 --> 00:46:47,920  
denied this to but yeah that's true

952  
00:46:51,109 --> 00:46:49,760  
well i remember black fault actually

953  
00:46:54,470 --> 00:46:51,119  
like posted an

954  
00:46:56,230 --> 00:46:54,480  
article about like from some

955  
00:46:58,870 --> 00:46:56,240  
or from some newspaper i think in

956  
00:47:00,790 --> 00:46:58,880  
florida that had talked to him

957  
00:47:02,630 --> 00:47:00,800  
and asked him about this and he denied

958  
00:47:04,550 --> 00:47:02,640  
it or whatever but it's interesting

959  
00:47:09,109 --> 00:47:04,560  
because i clicked on that article

960  
00:47:14,630 --> 00:47:11,990  
yeah i saw that article and so that was

961  
00:47:16,470 --> 00:47:14,640  
taken down in the other guy's article

962  
00:47:17,829 --> 00:47:16,480  
and that same guy has another article

963  
00:47:20,230 --> 00:47:17,839

where he

964

00:47:20,950 --> 00:47:20,240

uh it's about a secondhand witness that

965

00:47:23,270 --> 00:47:20,960

said

966

00:47:24,150 --> 00:47:23,280

wilson never talked about ufos like he's

967

00:47:25,829 --> 00:47:24,160

gonna just

968

00:47:27,430 --> 00:47:25,839

trot around the office talking about

969

00:47:29,270 --> 00:47:27,440

ufos

970

00:47:30,790 --> 00:47:29,280

but um but that was still there but

971

00:47:33,750 --> 00:47:30,800

anyways i appreciate you

972

00:47:34,950 --> 00:47:33,760

um you know about that because it was

973

00:47:38,309 --> 00:47:34,960

very curious

974

00:47:41,510 --> 00:47:38,319

yes the wilson the wilson davis episode

975

00:47:45,030 --> 00:47:41,520

as a as a video

976  
00:47:48,710 --> 00:47:45,040  
as a story as a presentation of a story

977  
00:47:51,190 --> 00:47:48,720  
i love it i had

978  
00:47:52,150 --> 00:47:51,200  
i had so much fun i had so much fun

979  
00:47:54,309 --> 00:47:52,160  
putting it together

980  
00:47:55,430 --> 00:47:54,319  
it's a cool little mystery it's a cool

981  
00:47:58,870 --> 00:47:55,440  
little mystery

982  
00:48:00,390 --> 00:47:58,880  
and i'll say like um you know admiral

983  
00:48:02,390 --> 00:48:00,400  
wilson of course denies

984  
00:48:04,069 --> 00:48:02,400  
ever meeting eric davis knowing who he

985  
00:48:05,030 --> 00:48:04,079  
even is of course the meeting never

986  
00:48:07,829 --> 00:48:05,040  
happened

987  
00:48:09,589 --> 00:48:07,839  
all that stuff but um if you look at the

988  
00:48:13,510 --> 00:48:09,599

actual

989

00:48:16,630 --> 00:48:13,520

davis transcript

990

00:48:19,670 --> 00:48:16,640

yeah wilson supposedly says

991

00:48:19,910 --> 00:48:19,680

to davis if this ever leaks i will deny

992

00:48:23,990 --> 00:48:19,920

i

993

00:48:25,670 --> 00:48:24,000

and what he told me

994

00:48:28,150 --> 00:48:25,680

on the record was i don't know eric

995

00:48:29,690 --> 00:48:28,160

davis i have never met him

996

00:48:32,150 --> 00:48:29,700

but which i thought was kind of cool

997

00:48:35,670 --> 00:48:32,160

[Laughter]

998

00:48:39,190 --> 00:48:35,680

well right so you're saying

999

00:48:41,430 --> 00:48:39,200

that maybe okay

1000

00:48:42,950 --> 00:48:41,440

yeah that's interesting well i mean he's

1001  
00:48:43,990 --> 00:48:42,960  
doing what he said he would if he knew

1002  
00:48:47,190 --> 00:48:44,000  
him so

1003  
00:48:49,109 --> 00:48:47,200  
you can take that how you want i guess

1004  
00:48:50,470 --> 00:48:49,119  
oh man yeah that would be great to see

1005  
00:48:54,069 --> 00:48:50,480  
that any way you can

1006  
00:48:54,470 --> 00:48:54,079  
you know separate from who your boss is

1007  
00:49:01,510 --> 00:48:54,480  
and

1008  
00:49:03,430 --> 00:49:01,520  
no of course not but yeah but the um

1009  
00:49:04,710 --> 00:49:03,440  
it's like what i told them yesterday is

1010  
00:49:11,750 --> 00:49:04,720  
like

1011  
00:49:13,109 --> 00:49:11,760  
there's a lot of of stuff that needs

1012  
00:49:15,510 --> 00:49:13,119  
tightening and buttoning that

1013  
00:49:16,710 --> 00:49:15,520

buttoning up in that story you know you

1014

00:49:19,829 --> 00:49:16,720

as a piece of fan

1015

00:49:22,470 --> 00:49:19,839

fiction as a piece of science fiction as

1016

00:49:25,589 --> 00:49:22,480

a piece of folklore or urban legend

1017

00:49:28,069 --> 00:49:25,599

yeah sure but as a piece of journalism

1018

00:49:29,750 --> 00:49:28,079

i'm i'm bringing you the facts and

1019

00:49:31,750 --> 00:49:29,760

evidence and the pros and cons and

1020

00:49:34,230 --> 00:49:31,760

here's what's true and not true

1021

00:49:36,069 --> 00:49:34,240

that's a tough one to crack you know

1022

00:49:37,670 --> 00:49:36,079

well i respect you for

1023

00:49:39,589 --> 00:49:37,680

you know having that integrity because

1024

00:49:41,030 --> 00:49:39,599

what attracted me to your basement

1025

00:49:44,150 --> 00:49:41,040

office episodes at first

1026

00:49:47,349 --> 00:49:44,160

was the the commitment

1027

00:49:49,030 --> 00:49:47,359

to details but not only

1028

00:49:51,589 --> 00:49:49,040

that but you're not pushing a certain

1029

00:49:53,990 --> 00:49:51,599

narrative or aspect of it you're just

1030

00:49:55,190 --> 00:49:54,000

presenting what we know about a bizarre

1031

00:49:58,230 --> 00:49:55,200

situation

1032

00:49:59,349 --> 00:49:58,240

and every time i'm done watching one of

1033

00:50:02,069 --> 00:49:59,359

your episodes

1034

00:50:06,230 --> 00:50:02,079

i feel like i leave with a different

1035

00:50:09,990 --> 00:50:08,950

you know like like the nazi bell and all

1036

00:50:13,270 --> 00:50:10,000

that stuff like

1037

00:50:17,430 --> 00:50:13,280

and tom de long even said that

1038

00:50:20,230 --> 00:50:17,440

roswell was a nazi thing on joe rogan

1039

00:50:22,150 --> 00:50:20,240

and so wow that is so unlike tom's along

1040

00:50:26,790 --> 00:50:22,160

to say something like that

1041

00:50:30,230 --> 00:50:26,800

he was that's funny yeah

1042

00:50:33,670 --> 00:50:30,240

at first i was like are you kidding me

1043

00:50:35,510 --> 00:50:33,680

but you know i it adds up like there's

1044

00:50:37,430 --> 00:50:35,520

like i was just watching your episode on

1045

00:50:39,750 --> 00:50:37,440

that uh with the nazi bell and

1046

00:50:40,470 --> 00:50:39,760

pennsylvania and all that stuff and dude

1047

00:50:42,710 --> 00:50:40,480

i love

1048

00:50:43,829 --> 00:50:42,720

you so by the way that episode whatever

1049

00:50:47,510 --> 00:50:43,839

that is nine

1050

00:50:50,309 --> 00:50:47,520

i think the episode nine the nazis

1051  
00:50:52,230 --> 00:50:50,319  
i had so much fun like researching that

1052  
00:50:53,990 --> 00:50:52,240  
and then like discussing that with nick

1053  
00:50:55,270 --> 00:50:54,000  
putting that together because it's so

1054  
00:50:58,150 --> 00:50:55,280  
bonkers

1055  
00:50:59,270 --> 00:50:58,160  
like antarctica like i am i am obsessed

1056  
00:51:02,150 --> 00:50:59,280  
yeah

1057  
00:51:03,109 --> 00:51:02,160  
yes you were showing me the pictures

1058  
00:51:05,270 --> 00:51:03,119  
yeah and all the

1059  
00:51:07,589 --> 00:51:05,280  
folklore and all the google earth images

1060  
00:51:09,910 --> 00:51:07,599  
and all the stories connected to that

1061  
00:51:11,750 --> 00:51:09,920  
and like there's a hidden secret nazi

1062  
00:51:14,549 --> 00:51:11,760  
alien based in antarctica like

1063  
00:51:15,030 --> 00:51:14,559

what i have well the thing is like

1064

00:51:17,430 --> 00:51:15,040

there's

1065

00:51:19,990 --> 00:51:17,440

something underneath everything that has

1066

00:51:23,109 --> 00:51:20,000

a heavy gravitational pull like what

1067

00:51:24,950 --> 00:51:23,119

is that and then the picture of the

1068

00:51:25,829 --> 00:51:24,960

alien face it was so funny because

1069

00:51:28,150 --> 00:51:25,839

you're like

1070

00:51:29,829 --> 00:51:28,160

you know yeah there's a condition where

1071

00:51:30,549 --> 00:51:29,839

you kind of see what you want and things

1072

00:51:32,470 --> 00:51:30,559

but

1073

00:51:33,910 --> 00:51:32,480

[h\_\_h] this really looks like an alien

1074

00:51:36,309 --> 00:51:33,920

face

1075

00:51:37,670 --> 00:51:36,319

it looks exactly like an alien it's

1076

00:51:41,270 --> 00:51:37,680

ridiculous

1077

00:51:43,109 --> 00:51:41,280

yeah in the people you know it's crazy

1078

00:51:44,710 --> 00:51:43,119

yeah that alien face by the way i was

1079

00:51:46,470 --> 00:51:44,720

like [h\_\_h] like this is

1080

00:51:49,109 --> 00:51:46,480

photoshopped but if you go to google

1081

00:51:50,470 --> 00:51:49,119

earth and zoom in from space you're like

1082

00:51:53,589 --> 00:51:50,480

oh [h\_\_h] that's a new

1083

00:51:58,150 --> 00:51:55,670

that's pretty awesome no wonder we never

1084

00:52:02,069 --> 00:51:58,160

meet you you're gigantic

1085

00:52:04,069 --> 00:52:02,079

yeah um yeah but that episode was that

1086

00:52:05,829 --> 00:52:04,079

episode was fun because you know but

1087

00:52:07,030 --> 00:52:05,839

what i what we did in that episode is

1088

00:52:10,069 --> 00:52:07,040

like here are the facts

1089

00:52:10,790 --> 00:52:10,079

here's what we know here's the proof and

1090

00:52:12,950 --> 00:52:10,800

here's

1091

00:52:14,630 --> 00:52:12,960

compared to the folklore the rumors and

1092

00:52:16,150 --> 00:52:14,640

the evidence kind of outweighs the

1093

00:52:18,390 --> 00:52:16,160

rumors and

1094

00:52:19,829 --> 00:52:18,400

and all the embellishment and stuff

1095

00:52:22,470 --> 00:52:19,839

crazy

1096

00:52:24,190 --> 00:52:22,480

well i mean then the project paperclip

1097

00:52:25,670 --> 00:52:24,200

must have been something to those guys

1098

00:52:26,950 --> 00:52:25,680

[Laughter]

1099

00:52:29,109 --> 00:52:26,960

you know yeah we're going out there and

1100

00:52:32,549 --> 00:52:29,119

trying to recruit their top scientists

1101

00:52:34,870 --> 00:52:32,559

uh from a nazi germany like

1102

00:52:35,910 --> 00:52:34,880

it must be worth it somehow they had

1103

00:52:39,190 --> 00:52:35,920

something they had

1104

00:52:42,390 --> 00:52:39,200

something we wanted exactly yeah

1105

00:52:45,589 --> 00:52:42,400

um are you gonna make more

1106

00:52:48,870 --> 00:52:47,270

i mean for the time being so we're in a

1107

00:52:50,790 --> 00:52:48,880

weird place where

1108

00:52:51,990 --> 00:52:50,800

no one's going to the office and the

1109

00:52:55,510 --> 00:52:52,000

basement office

1110

00:52:57,190 --> 00:52:55,520

studio like the actual studio

1111

00:52:58,870 --> 00:52:57,200

it's like locked down like no one's

1112

00:53:02,470 --> 00:52:58,880

going no one's there

1113

00:53:03,589 --> 00:53:02,480

so as in like more traditional episodes

1114

00:53:07,030 --> 00:53:03,599

with like on

1115

00:53:07,910 --> 00:53:07,040

set for cameras high you know tons of

1116

00:53:10,950 --> 00:53:07,920

graphics

1117

00:53:11,750 --> 00:53:10,960

probably not anytime soon but you

1118

00:53:15,190 --> 00:53:11,760

probably

1119

00:53:16,150 --> 00:53:15,200

like what i did with lou elizondo

1120

00:53:18,470 --> 00:53:16,160

recently

1121

00:53:21,030 --> 00:53:18,480

okay you know where i interviewed lou

1122

00:53:22,710 --> 00:53:21,040

and spliced in some b-roll and images

1123

00:53:24,710 --> 00:53:22,720

but it's mostly just like a raw

1124

00:53:26,950 --> 00:53:24,720

interview sure we'll probably be doing

1125

00:53:28,390 --> 00:53:26,960

more stuff like that for the time being

1126

00:53:31,109 --> 00:53:28,400

for what it's worth i think you have a

1127

00:53:34,150 --> 00:53:31,119

lot to offer and i think you're a great

1128

00:53:37,349 --> 00:53:34,160

face and personality in this topic

1129

00:53:39,910 --> 00:53:37,359

granted i've only been looking into this

1130

00:53:41,589 --> 00:53:39,920

for maybe a year or so generally aware

1131

00:53:44,309 --> 00:53:41,599

for a lot longer obviously

1132

00:53:45,910 --> 00:53:44,319

but you know i really just was happy

1133

00:53:48,950 --> 00:53:45,920

when i came across here

1134

00:53:51,030 --> 00:53:48,960

and still i'm so don't go away whatever

1135

00:53:53,430 --> 00:53:51,040

it is it's about what you're creating

1136

00:53:54,710 --> 00:53:53,440

not the actual show or whatever you know

1137

00:53:56,549 --> 00:53:54,720

you're bringing the magic

1138

00:53:57,829 --> 00:53:56,559

so oh thank you whatever appreciate it i

1139

00:54:01,270 --> 00:53:57,839

hope i you know

1140

00:54:03,829 --> 00:54:01,280

yeah i yeah i mean i don't know if i

1141

00:54:08,309 --> 00:54:03,839

would refer to what i bring as magic

1142

00:54:11,510 --> 00:54:08,319

but i'm happy i think so

1143

00:54:13,030 --> 00:54:11,520

i mean it's captivating and um i don't

1144

00:54:15,349 --> 00:54:13,040

take my eyes off of it out

1145

00:54:16,870 --> 00:54:15,359

at all or roll my eyes like it's really

1146

00:54:20,150 --> 00:54:16,880

easy to watch

1147

00:54:21,700 --> 00:54:20,160

um ancient aliens for instance and just

1148

00:54:23,109 --> 00:54:21,710

go okay

1149

00:54:26,470 --> 00:54:23,119

[Music]

1150

00:54:28,710 --> 00:54:26,480

you know but yeah the stories you bring

1151

00:54:31,349 --> 00:54:28,720

are just as bizarre but you're so

1152

00:54:34,309 --> 00:54:31,359

selected with them

1153

00:54:36,230 --> 00:54:34,319

because uh they actually include like

1154

00:54:38,950 --> 00:54:36,240

real crazy facts

1155

00:54:40,230 --> 00:54:38,960

yeah the thing you know i i want it when

1156

00:55:14,870 --> 00:54:40,240

i

1157

00:55:18,390 --> 00:55:14,880

a real [h\_\_h] yes you know no

1158

00:55:20,950 --> 00:55:18,400

i understand because i think

1159

00:55:22,950 --> 00:55:20,960

well at least to me my opinion is at the

1160

00:55:24,390 --> 00:55:22,960

end of the day

1161

00:55:26,950 --> 00:55:24,400

how we're really going to find out the

1162

00:55:30,630 --> 00:55:26,960

truth about this and really anything

1163

00:55:34,630 --> 00:55:30,640

is through ourselves and our own truth

1164

00:55:36,789 --> 00:55:34,640

um you know in being honest with

1165

00:55:38,309 --> 00:55:36,799

with who we are and how we deal with

1166

00:55:40,870 --> 00:55:38,319

things um

1167

00:55:42,710 --> 00:55:40,880

you know even no matter what is

1168

00:55:44,069 --> 00:55:42,720

confirmed and report or not

1169

00:55:46,789 --> 00:55:44,079

there's still going to be so many more

1170

00:55:50,630 --> 00:55:46,799

questions in how we deal with this stuff

1171

00:55:51,990 --> 00:55:50,640

you know um and i think it's important

1172

00:55:54,150 --> 00:55:52,000

to

1173

00:55:55,109 --> 00:55:54,160

do that like these are the facts i'm

1174

00:55:57,990 --> 00:55:55,119

taking this

1175

00:55:59,349 --> 00:55:58,000

serious i'm laughing but i'm really

1176

00:56:01,510 --> 00:55:59,359

trying to figure something out here

1177

00:56:03,109 --> 00:56:01,520

you know yeah and that's what your show

1178

00:56:05,589 --> 00:56:03,119

is to me so

1179

00:56:06,549 --> 00:56:05,599

and that would be my advice still right

1180

00:56:09,910 --> 00:56:06,559

now today

1181

00:56:12,309 --> 00:56:09,920

is um please

1182

00:56:13,430 --> 00:56:12,319

i mean it's all i have a thread on my

1183

00:56:17,109 --> 00:56:13,440

twitter

1184

00:56:20,789 --> 00:56:17,119

an ongoing thread about drones

1185

00:56:23,829 --> 00:56:20,799

balloons adversarial capabilities

1186

00:56:25,990 --> 00:56:23,839

via both of those recent cases that seem

1187

00:56:28,390 --> 00:56:26,000

to be not extraordinary not otherworldly

1188

00:56:31,349 --> 00:56:28,400

but something extremely

1189

00:56:33,270 --> 00:56:31,359

you know dangerous and and potentially

1190

00:56:36,309 --> 00:56:33,280

threatening to national security

1191

00:56:37,990 --> 00:56:36,319

and i i know it's easy and fun to say

1192

00:56:39,670 --> 00:56:38,000

all of this is ufos but i want to

1193

00:56:41,510 --> 00:56:39,680

re-emphasize again and everyone

1194

00:56:43,990 --> 00:56:41,520

listening to please

1195

00:56:44,870 --> 00:56:44,000

go look at the navy hazard reports that

1196

00:56:48,309 --> 00:56:44,880

you know

1197

00:56:50,870 --> 00:56:48,319

the war zone got and and read those

1198

00:56:51,990 --> 00:56:50,880

because they're saying something else

1199

00:56:53,109 --> 00:56:52,000

than what you're reading about in the

1200

00:56:55,349 --> 00:56:53,119

headlines there's something

1201  
00:56:56,710 --> 00:56:55,359  
real going on the dangerous part about

1202  
00:57:00,390 --> 00:56:56,720  
that is

1203  
00:57:02,150 --> 00:57:00,400  
like if you get too invested or deflated

1204  
00:57:05,589 --> 00:57:02,160  
by looking at and go oh drones

1205  
00:57:06,150 --> 00:57:05,599  
and lose any sort of passion to get

1206  
00:57:07,190 --> 00:57:06,160  
truth

1207  
00:57:09,990 --> 00:57:07,200  
from the government that could be

1208  
00:57:12,390 --> 00:57:10,000  
dangerous but

1209  
00:57:13,829 --> 00:57:12,400  
you know it's all in the eyes of the

1210  
00:57:15,510 --> 00:57:13,839  
beholder i suppose if you can be

1211  
00:57:16,309 --> 00:57:15,520  
responsible with that information and

1212  
00:57:18,230 --> 00:57:16,319  
still know

1213  
00:57:20,470 --> 00:57:18,240

that there are ufos and we need that

1214

00:57:22,470 --> 00:57:20,480

transparency that's fine

1215

00:57:24,789 --> 00:57:22,480

um yeah but you know it can also be

1216

00:57:27,750 --> 00:57:24,799

conflated to the wrong person

1217

00:57:30,870 --> 00:57:27,760

yeah i believe i believe there are cases

1218

00:57:33,270 --> 00:57:30,880

real cases that are unexplained

1219

00:57:34,230 --> 00:57:33,280

otherworldly i mean the belgian wave you

1220

00:57:37,190 --> 00:57:34,240

know in the uh

1221

00:57:38,390 --> 00:57:37,200

in the early 90s the tic tac case in in

1222

00:57:40,950 --> 00:57:38,400

2004

1223

00:57:42,470 --> 00:57:40,960

that saint claire illinois triangle of

1224

00:57:45,910 --> 00:57:42,480

the year 2000

1225

00:57:47,349 --> 00:57:45,920

um these are crazy unexplainable cases

1226

00:57:49,589 --> 00:57:47,359

um i don't think they are those exist

1227

00:57:51,910 --> 00:57:49,599

yeah totally yeah

1228

00:57:53,109 --> 00:57:51,920

but i honestly believe and i think tyler

1229

00:57:56,950 --> 00:57:53,119

rogoy puts

1230

00:57:58,710 --> 00:57:56,960

a good case that china and or russia

1231

00:58:00,870 --> 00:57:58,720

are right off the coast of the united

1232

00:58:03,750 --> 00:58:00,880

states flying [h\_\_\h]

1233

00:58:04,870 --> 00:58:03,760

buzzing our warplanes buzzing our

1234

00:58:06,470 --> 00:58:04,880

warships

1235

00:58:08,710 --> 00:58:06,480

they're right off the coast they're not

1236

00:58:09,670 --> 00:58:08,720

they're right here there were cases of

1237

00:58:12,789 --> 00:58:09,680

of

1238

00:58:13,670 --> 00:58:12,799

uh over um arizona nuclear sites in

1239

00:58:15,510 --> 00:58:13,680

arizona

1240

00:58:17,349 --> 00:58:15,520

there are uh you know you've got drones

1241

00:58:19,349 --> 00:58:17,359

forums just recently i believe it was up

1242

00:58:22,870 --> 00:58:19,359

in ohio or michigan

1243

00:58:25,430 --> 00:58:22,880

um you've got over our anti-ballistic

1244

00:58:28,710 --> 00:58:25,440

missile site in guam

1245

00:58:29,190 --> 00:58:28,720

these aren't otherworldly craft these

1246

00:58:31,270 --> 00:58:29,200

are

1247

00:58:32,470 --> 00:58:31,280

terrestrial looking quadcopter type

1248

00:58:34,789 --> 00:58:32,480

drones that

1249

00:58:36,470 --> 00:58:34,799

still remain unidentified and they're

1250

00:58:39,750 --> 00:58:36,480

over our airspace

1251  
00:58:41,670 --> 00:58:39,760  
and china and russia have a precedent

1252  
00:58:44,789 --> 00:58:41,680  
historical precedent for wanting to

1253  
00:58:46,390 --> 00:58:44,799  
kill us aliens don't

1254  
00:58:48,549 --> 00:58:46,400  
you know so i think good point let's

1255  
00:58:51,190 --> 00:58:48,559  
let's focus let's focus on that

1256  
00:58:53,270 --> 00:58:51,200  
precedent first and get those cases to

1257  
00:58:53,910 --> 00:58:53,280  
the forefront hey what's really going on

1258  
00:58:55,990 --> 00:58:53,920  
here

1259  
00:58:57,510 --> 00:58:56,000  
could an adversary be taking advantage

1260  
00:58:59,510 --> 00:58:57,520  
of of ufos

1261  
00:59:01,589 --> 00:58:59,520  
you know well loom actually made a great

1262  
00:59:03,670 --> 00:59:01,599  
point and i forget where he said this

1263  
00:59:04,710 --> 00:59:03,680

actually was at the observation deck

1264

00:59:07,910 --> 00:59:04,720

thing that he did

1265

00:59:11,190 --> 00:59:07,920

he said um you know

1266

00:59:13,750 --> 00:59:11,200

as time goes on it's going to become

1267

00:59:14,390 --> 00:59:13,760

increasingly even more difficult to

1268

00:59:18,309 --> 00:59:14,400

separate

1269

00:59:20,230 --> 00:59:18,319

uap from a drone you know

1270

00:59:23,030 --> 00:59:20,240

because technology is advancing so

1271

00:59:24,630 --> 00:59:23,040

rapidly and if you think about

1272

00:59:27,190 --> 00:59:24,640

some of the other things lou said like

1273

00:59:28,549 --> 00:59:27,200

hey we could be the last country looking

1274

00:59:30,549 --> 00:59:28,559

at this stuff seriously

1275

00:59:32,069 --> 00:59:30,559

what does that mean for advancements of

1276

00:59:32,789 --> 00:59:32,079

other countries does that mean they

1277

00:59:35,430 --> 00:59:32,799

already have

1278

00:59:36,230 --> 00:59:35,440

like uab technology and they're working

1279

00:59:38,950 --> 00:59:36,240

on you know

1280

00:59:40,230 --> 00:59:38,960

working it out because they were ahead

1281

00:59:41,270 --> 00:59:40,240

of the game they were before us

1282

00:59:44,470 --> 00:59:41,280

according to lou

1283

00:59:45,990 --> 00:59:44,480

so um yeah you know and why would we be

1284

00:59:47,109 --> 00:59:46,000

so smart to be able to figure that out

1285

00:59:49,750 --> 00:59:47,119

before them

1286

00:59:50,309 --> 00:59:49,760

you know being late to the game so it's

1287

00:59:53,910 --> 00:59:50,319

weird

1288

00:59:54,630 --> 00:59:53,920

yeah but um you have definitely went

1289

00:59:58,390 --> 00:59:54,640

over

1290

00:59:59,270 --> 00:59:58,400

uh the time that you said you'd give me

1291

01:00:06,390 --> 00:59:59,280

so

1292

01:00:08,950 --> 01:00:06,400

eastern

1293

01:00:10,390 --> 01:00:08,960

right so i think we got 15. oh if you

1294

01:00:13,349 --> 01:00:10,400

want to keep me here

1295

01:00:15,750 --> 01:00:13,359

i'm happy for sure i keep screwing up my

1296

01:00:19,190 --> 01:00:15,760

time zones i got people from amsterdam

1297

01:00:19,990 --> 01:00:19,200

united kingdom california i'm like wait

1298

01:00:23,910 --> 01:00:20,000

no it's i know

1299

01:00:25,750 --> 01:00:23,920

five o'clock your time no no six yeah

1300

01:00:27,190 --> 01:00:25,760

some people are gonna use army time

1301  
01:00:32,390 --> 01:00:27,200  
makes sense

1302  
01:00:37,750 --> 01:00:35,670  
so we can talk about whatever is it hard

1303  
01:00:40,710 --> 01:00:37,760  
yeah no sure that's cool is it hard for

1304  
01:00:44,630 --> 01:00:43,190  
it doesn't sound like it well how far

1305  
01:00:47,030 --> 01:00:44,640  
removed are you from your personal

1306  
01:00:51,510 --> 01:00:47,040  
experience

1307  
01:00:54,630 --> 01:00:51,520  
um how long ago was it oh so 2003

1308  
01:00:57,109 --> 01:00:54,640  
uh fall i think november 2003 so that's

1309  
01:01:00,470 --> 01:00:57,119  
a while ago whatever that is

1310  
01:01:03,589 --> 01:01:00,480  
16 17 i guess almost

1311  
01:01:07,030 --> 01:01:03,599  
yeah i know 17 um

1312  
01:01:10,789 --> 01:01:07,040  
good lord how old was that i was like 20

1313  
01:01:19,109 --> 01:01:10,799

23 or 24

1314

01:01:20,870 --> 01:01:19,119

and do you does that still influence

1315

01:01:25,109 --> 01:01:20,880

your decision-making at all and what you

1316

01:01:31,510 --> 01:01:28,309

no it doesn't affect it

1317

01:01:33,430 --> 01:01:31,520

magnifies it it doesn't guide me meaning

1318

01:01:35,670 --> 01:01:33,440

it doesn't like guide me to

1319

01:01:37,270 --> 01:01:35,680

to do whatever but it magnifies it

1320

01:01:40,309 --> 01:01:37,280

meaning right

1321

01:01:43,430 --> 01:01:40,319

when i read cases about like uh

1322

01:01:48,230 --> 01:01:43,440

the saint clair triangle of illinois

1323

01:01:52,309 --> 01:01:50,950

police officers law enforcement

1324

01:01:55,349 --> 01:01:52,319

documented

1325

01:01:57,430 --> 01:01:55,359

massive silent triangle

1326

01:01:59,109 --> 01:01:57,440

so when i read that having had my

1327

01:02:02,309 --> 01:01:59,119

experience i'm like

1328

01:02:03,349 --> 01:02:02,319

ah okay so i can empathize with that i

1329

01:02:05,510 --> 01:02:03,359

can

1330

01:02:06,789 --> 01:02:05,520

feel that you know because i saw a

1331

01:02:10,630 --> 01:02:06,799

massive black

1332

01:02:12,950 --> 01:02:10,640

triangle low in the sky that was silent

1333

01:02:14,710 --> 01:02:12,960

so i can relate to that so it does

1334

01:02:16,549 --> 01:02:14,720

magnify

1335

01:02:18,950 --> 01:02:16,559

how i read and interpret stuff but it

1336

01:02:20,870 --> 01:02:18,960

doesn't like define me i don't think

1337

01:02:22,870 --> 01:02:20,880

maybe it brings some i don't need to do

1338

01:02:25,510 --> 01:02:22,880

it maybe i

1339

01:02:28,069 --> 01:02:25,520

yeah like maybe if i underwent like

1340

01:02:31,270 --> 01:02:28,079

regressive hypnosis

1341

01:02:33,109 --> 01:02:31,280

like maybe something crazy happens

1342

01:02:34,950 --> 01:02:33,119

there's a part of me that really wants

1343

01:02:38,390 --> 01:02:34,960

to try that but is also

1344

01:02:41,589 --> 01:02:38,400

very afraid and the more i hear about it

1345

01:02:45,109 --> 01:02:41,599

the more it's kind of i hear it's not so

1346

01:02:45,829 --> 01:02:45,119

hot or reliable um just because of the

1347

01:02:49,029 --> 01:02:45,839

power the

1348

01:02:51,589 --> 01:02:49,039

person doing the hypnotizing has over it

1349

01:02:54,710 --> 01:02:51,599

so it's hard to find someone good yeah

1350

01:02:56,230 --> 01:02:54,720

the suggestibility is definitely sketchy

1351  
01:02:57,750 --> 01:02:56,240  
do you have any other weird stuff ever

1352  
01:03:02,069 --> 01:02:57,760  
happening in like weird

1353  
01:03:06,150 --> 01:03:02,079  
premonition dreams or intuitions that

1354  
01:03:10,470 --> 01:03:06,160  
kind of shook you or anything like that

1355  
01:03:10,480 --> 01:03:14,630  
all right i like going to the real stuff

1356  
01:03:14,640 --> 01:03:17,910  
so since you asked

1357  
01:03:22,069 --> 01:03:21,510  
okay so i haven't told many people this

1358  
01:03:25,990 --> 01:03:22,079  
actually

1359  
01:03:30,789 --> 01:03:26,000  
not many people know this um

1360  
01:03:33,910 --> 01:03:30,799  
how do i how i cue this up okay so

1361  
01:03:36,870 --> 01:03:33,920  
when i was very young let me just

1362  
01:03:37,750 --> 01:03:36,880  
do it up like this like can you sean

1363  
01:03:40,870 --> 01:03:37,760

like can you

1364

01:03:42,470 --> 01:03:40,880

remember vividly from beginning to end a

1365

01:03:44,710 --> 01:03:42,480

dream you had when you were

1366

01:03:46,150 --> 01:03:44,720

five or six like can you remember the

1367

01:03:47,029 --> 01:03:46,160

entire dream do you still have that

1368

01:03:49,510 --> 01:03:47,039

memory

1369

01:03:50,789 --> 01:03:49,520

or is it a little fuzzy at this point

1370

01:03:52,710 --> 01:03:50,799

yeah five or six

1371

01:03:54,870 --> 01:03:52,720

is especially what i did in high school

1372

01:03:58,390 --> 01:03:54,880

and afterwards fuzzy yeah

1373

01:03:59,750 --> 01:03:58,400

fuzzy right so i had a dream when i was

1374

01:04:03,349 --> 01:03:59,760

like five or six

1375

01:04:05,829 --> 01:04:03,359

that's vivid to this day

1376

01:04:07,990 --> 01:04:05,839

almost as if it was like a really strong

1377

01:04:11,510 --> 01:04:08,000

memory

1378

01:04:13,670 --> 01:04:11,520

and and what's crazy is like um

1379

01:04:15,829 --> 01:04:13,680

by the way i've had that just not at

1380

01:04:18,230 --> 01:04:15,839

that age

1381

01:04:19,589 --> 01:04:18,240

yeah but this was like when i was young

1382

01:04:22,870 --> 01:04:19,599

okay so i'll share the story

1383

01:04:25,670 --> 01:04:22,880

with the um context that being

1384

01:04:26,789 --> 01:04:25,680

i believe it was a journey or some you

1385

01:04:31,270 --> 01:04:26,799

know

1386

01:04:34,470 --> 01:04:31,280

probably a journey i hope it was a dream

1387

01:04:35,910 --> 01:04:34,480

sure uh but uh because it's so weird

1388

01:04:38,150 --> 01:04:35,920

that i don't really tell that many

1389

01:04:41,430 --> 01:04:38,160

people but okay so anyway here we go

1390

01:04:43,670 --> 01:04:41,440

um the dream starts with me standing

1391

01:04:45,910 --> 01:04:43,680

i shared a bedroom with my brother my

1392

01:04:47,910 --> 01:04:45,920

younger brother at this time

1393

01:04:49,990 --> 01:04:47,920

and uh we shared a bedroom there two

1394

01:04:53,109 --> 01:04:50,000

beds the dream begins with me

1395

01:04:56,470 --> 01:04:53,119

in the doorway of the bedroom looking in

1396

01:04:59,589 --> 01:04:56,480

and i can't move and

1397

01:05:02,309 --> 01:04:59,599

my brother's in bed screaming

1398

01:05:03,270 --> 01:05:02,319

and apparently can't move there is a

1399

01:05:06,150 --> 01:05:03,280

humming

1400

01:05:08,150 --> 01:05:06,160

sound there is a bright white light

1401

01:05:09,990 --> 01:05:08,160  
coming in through the window

1402

01:05:11,910 --> 01:05:10,000  
and then in my five-year-old

1403

01:05:16,789 --> 01:05:11,920  
six-year-old brain

1404

01:05:19,109 --> 01:05:16,799  
what i thought was the a disney goat

1405

01:05:22,069 --> 01:05:19,119  
came out of the closet and took my

1406

01:05:25,910 --> 01:05:22,079  
brother away

1407

01:05:28,230 --> 01:05:25,920  
so a when i was five or six i'd look

1408

01:05:31,829 --> 01:05:28,240  
like a disney ghost but like

1409

01:05:35,670 --> 01:05:31,839  
the older i got like what i what i saw

1410

01:05:38,630 --> 01:05:35,680  
was a big like whitish grayish

1411

01:05:39,910 --> 01:05:38,640  
uh thing with big black eyes and at the

1412

01:05:40,549 --> 01:05:39,920  
time when i was young i was like that

1413

01:05:44,150 --> 01:05:40,559

looks like a

1414

01:05:47,990 --> 01:05:44,160

ghost that i saw in the disney movie um

1415

01:05:51,270 --> 01:05:48,000

but anyway so i remember that his day

1416

01:05:51,589 --> 01:05:51,280

vividly but who knows i mean maybe i saw

1417

01:05:53,829 --> 01:05:51,599

like

1418

01:05:55,589 --> 01:05:53,839

i don't know e key or my parents had on

1419

01:05:58,950 --> 01:05:55,599

some sci-fi movie

1420

01:06:00,309 --> 01:05:58,960

abducted bro no but see i was witnessing

1421

01:06:02,309 --> 01:06:00,319

it

1422

01:06:03,589 --> 01:06:02,319

i wasn't i was singing watching that

1423

01:06:07,589 --> 01:06:03,599

reminds me of someone else

1424

01:06:10,710 --> 01:06:07,599

communion like in the wife watches

1425

01:06:13,109 --> 01:06:10,720

uh what's his face christopher walken

1426

01:06:15,109 --> 01:06:13,119

get abducted and he's torn out of the

1427

01:06:20,470 --> 01:06:15,119

bed and she's like uh

1428

01:06:23,109 --> 01:06:20,480

wow that's if crazy haven't had

1429

01:06:24,950 --> 01:06:23,119

any dreams well i mean i've had a lot of

1430

01:06:26,549 --> 01:06:24,960

intense dreams i sleep talk every night

1431

01:06:30,150 --> 01:06:26,559

which is really weird

1432

01:06:32,789 --> 01:06:30,160

but but the most

1433

01:06:33,349 --> 01:06:32,799

the craziest dream i've had i won't get

1434

01:06:34,870 --> 01:06:33,359

into

1435

01:06:36,710 --> 01:06:34,880

because there's too many religious

1436

01:06:40,069 --> 01:06:36,720

connotations and

1437

01:06:44,309 --> 01:06:42,230

all right um i'll share with you because

1438

01:06:47,670 --> 01:06:44,319

you are vulnerable i have to be too

1439

01:06:50,789 --> 01:06:47,680

so um okay

1440

01:06:54,150 --> 01:06:50,799

so it started with me um

1441

01:06:58,829 --> 01:06:54,160

going and this is i'm probably

1442

01:07:01,829 --> 01:06:58,839

18 19. i'm 37 now so around 20 years ago

1443

01:07:03,750 --> 01:07:01,839

um

1444

01:07:05,910 --> 01:07:03,760

i go i'm at this school i'm in this

1445

01:07:07,430 --> 01:07:05,920

playground like at just a typical school

1446

01:07:09,990 --> 01:07:07,440

with basketball courts outside

1447

01:07:11,109 --> 01:07:10,000

cement you know pavement everything and

1448

01:07:14,950 --> 01:07:11,119

brick building school

1449

01:07:18,390 --> 01:07:14,960

i go into these front doors

1450

01:07:21,029 --> 01:07:18,400

uh double doors that open so i open them

1451

01:07:22,390 --> 01:07:21,039

and at the desk it seemed like a like it

1452

01:07:24,069 --> 01:07:22,400

was a library or something

1453

01:07:26,150 --> 01:07:24,079

and the desk was like a round kind of

1454

01:07:27,990 --> 01:07:26,160

desk and there was a

1455

01:07:29,670 --> 01:07:28,000

middle eastern gentleman with the turban

1456

01:07:32,870 --> 01:07:29,680

on and he handed me

1457

01:07:35,270 --> 01:07:32,880

a scroll and i took the scroll

1458

01:07:36,470 --> 01:07:35,280

and started opening it and walking out

1459

01:07:39,190 --> 01:07:36,480

the door

1460

01:07:40,710 --> 01:07:39,200

i noticed that what was on it was seven

1461

01:07:44,069 --> 01:07:40,720

something that's all i know

1462

01:07:46,950 --> 01:07:44,079

didn't know what a seven whatever

1463

01:07:48,870 --> 01:07:46,960

so as i go outside uh the wind picks up

1464

01:07:51,510 --> 01:07:48,880

and blows it out of my hands

1465

01:07:52,390 --> 01:07:51,520

and it blows down like towards the end

1466

01:07:56,710 --> 01:07:52,400

of the

1467

01:07:59,829 --> 01:07:56,720

concrete park or whatever um

1468

01:08:00,390 --> 01:07:59,839

so that happens and i look forward and

1469

01:08:04,069 --> 01:08:00,400

two

1470

01:08:07,109 --> 01:08:04,079

giant tornadoes are coming right at me

1471

01:08:10,870 --> 01:08:07,119

so as they're coming at me i

1472

01:08:14,069 --> 01:08:10,880

have this conscious thought of i can

1473

01:08:17,829 --> 01:08:14,079

run or fight and

1474

01:08:19,749 --> 01:08:17,839

i decided to fight so i stayed there

1475

01:08:21,510 --> 01:08:19,759

and the tornadoes were coming and i

1476

01:08:22,870 --> 01:08:21,520

grabbed each one when they got to me

1477

01:08:26,149 --> 01:08:22,880

with each hand

1478

01:08:27,910 --> 01:08:26,159

and i cross my arms like this and like

1479

01:08:31,030 --> 01:08:27,920

through the tornadoes by each other

1480

01:08:32,070 --> 01:08:31,040

and all of a sudden i'm stuck in like

1481

01:08:34,390 --> 01:08:32,080

this little

1482

01:08:36,070 --> 01:08:34,400

kind of tunnel of wind almost but not

1483

01:08:38,789 --> 01:08:36,080

like twister with

1484

01:08:40,229 --> 01:08:38,799

like that movie or anything just like

1485

01:08:43,669 --> 01:08:40,239

just weird whispering

1486

01:08:46,229 --> 01:08:43,679

back and forth um and all of a sudden

1487

01:08:46,950 --> 01:08:46,239

i start like floating upwards off the

1488

01:08:50,149 --> 01:08:46,960

ground

1489

01:08:52,390 --> 01:08:50,159

and i was used to flying in my dreams

1490

01:08:54,390 --> 01:08:52,400

i knew how to activate that feeling to

1491

01:08:56,309 --> 01:08:54,400

make myself fly

1492

01:08:58,550 --> 01:08:56,319

um it was something i was very familiar

1493

01:09:03,189 --> 01:08:58,560

with this was not that it was

1494

01:09:06,309 --> 01:09:03,199

i was just going up as i'm doing it

1495

01:09:08,630 --> 01:09:06,319

there's these like white

1496

01:09:09,430 --> 01:09:08,640

for lack of a better word like spirit

1497

01:09:12,950 --> 01:09:09,440

things

1498

01:09:14,789 --> 01:09:12,960

um just flying by me and the most

1499

01:09:17,349 --> 01:09:14,799

beautiful music i've ever heard

1500

01:09:19,030 --> 01:09:17,359

in my life and i've never heard again

1501  
01:09:22,070 --> 01:09:19,040  
was playing

1502  
01:09:25,269 --> 01:09:22,080  
the whole time um keep in mind

1503  
01:09:27,349 --> 01:09:25,279  
um i was starting really

1504  
01:09:29,030 --> 01:09:27,359  
a 20 year songwriting career at that

1505  
01:09:34,309 --> 01:09:29,040  
point

1506  
01:09:37,829 --> 01:09:34,319  
so that's happening

1507  
01:09:39,269 --> 01:09:37,839  
lifting up and

1508  
01:09:41,030 --> 01:09:39,279  
things start to clear up a little bit

1509  
01:09:44,470 --> 01:09:41,040  
and i just look forward

1510  
01:09:48,229 --> 01:09:44,480  
and i see what it looks like uh well

1511  
01:09:50,709 --> 01:09:48,239  
it was a stained glass like window

1512  
01:09:52,870 --> 01:09:50,719  
with a picture of jesus christ's face on

1513  
01:09:57,990 --> 01:09:55,590

and then or what we know to be and then

1514

01:10:00,550 --> 01:09:58,000

it starts coming at me

1515

01:10:01,990 --> 01:10:00,560

and as it gets in front of my face it

1516

01:10:06,550 --> 01:10:02,000

turns into a real

1517

01:10:10,070 --> 01:10:06,560

face and he looks at me and he says sean

1518

01:10:15,270 --> 01:10:10,080

just stop worrying and go back to school

1519

01:10:20,070 --> 01:10:18,390

to this day i don't know what that means

1520

01:10:21,830 --> 01:10:20,080

go back to school the only way i can

1521

01:10:24,870 --> 01:10:21,840

take it is

1522

01:10:27,910 --> 01:10:24,880

at the time i was like petering out

1523

01:10:29,590 --> 01:10:27,920

of the non-denominational church

1524

01:10:31,750 --> 01:10:29,600

i grew up in and all that kind of stuff

1525

01:10:32,870 --> 01:10:31,760

and youth group couldn't answer my

1526

01:10:36,470 --> 01:10:32,880

questions so

1527

01:10:39,510 --> 01:10:36,480

so i was starting to get away from that

1528

01:10:41,110 --> 01:10:39,520

um and but i was really in into like

1529

01:10:42,950 --> 01:10:41,120

revelations at the time look

1530

01:10:45,830 --> 01:10:42,960

because that was like the only exciting

1531

01:10:49,590 --> 01:10:45,840

book in the bible to me was revelations

1532

01:10:51,590 --> 01:10:49,600

so i was reading that a lot and maybe

1533

01:10:53,510 --> 01:10:51,600

i don't know i don't know what it what

1534

01:10:56,830 --> 01:10:53,520

any of it means but it was a crazy dream

1535

01:11:03,910 --> 01:10:59,990

and

1536

01:11:05,189 --> 01:11:03,920

someone who had a like religious

1537

01:11:08,790 --> 01:11:05,199

upbringing

1538

01:11:10,229 --> 01:11:08,800

know that was like part of everyday life

1539

01:11:11,750 --> 01:11:10,239

for like the longest time like i could

1540

01:11:15,430 --> 01:11:11,760

empathize with

1541

01:11:18,310 --> 01:11:15,440

that being in there you know like

1542

01:11:18,790 --> 01:11:18,320

images stories and like hopes and dreams

1543

01:11:20,229 --> 01:11:18,800

are

1544

01:11:22,310 --> 01:11:20,239

like put through a certain filter

1545

01:11:26,070 --> 01:11:22,320

especially when you're so young and

1546

01:11:28,390 --> 01:11:26,080

and that coming out um in your dreams

1547

01:11:29,270 --> 01:11:28,400

like so i can empathize with the

1548

01:11:31,830 --> 01:11:29,280

symbology

1549

01:11:32,950 --> 01:11:31,840

and like when i hear the two tornadoes i

1550

01:11:36,229 --> 01:11:32,960

think about the

1551

01:11:38,709 --> 01:11:36,239

the pillars of solomon's temple you know

1552

01:11:39,669 --> 01:11:38,719

and interesting i didn't even think that

1553

01:11:41,430 --> 01:11:39,679

the

1554

01:11:43,270 --> 01:11:41,440

of solomon's temple and do you remember

1555

01:11:45,189 --> 01:11:43,280

um what's his name

1556

01:11:46,310 --> 01:11:45,199

cutting up the hair that's his name yeah

1557

01:11:50,149 --> 01:11:46,320

um

1558

01:11:53,350 --> 01:11:50,159

yes

1559

01:11:56,070 --> 01:11:53,360

how he breaks he greets his eye

1560

01:11:56,709 --> 01:11:56,080

and he breaks the pillars remember yeah

1561

01:11:58,390 --> 01:11:56,719

remember

1562

01:11:59,990 --> 01:11:58,400

doesn't he like grab the pillars and

1563

01:12:03,430 --> 01:12:00,000

break that he does

1564

01:12:04,870 --> 01:12:03,440

a temple falls so that's what i

1565

01:12:06,830 --> 01:12:04,880

that's why that's what i thought about

1566

01:12:09,189 --> 01:12:06,840

when you were telling about the

1567

01:12:10,790 --> 01:12:09,199

tornadoes

1568

01:12:12,310 --> 01:12:10,800

yeah because i never even thought about

1569

01:12:14,630 --> 01:12:12,320

that thank you

1570

01:12:18,229 --> 01:12:14,640

yeah i know i know i'm not saying i'm

1571

01:12:21,510 --> 01:12:19,750

makes it make a little more sense i

1572

01:12:24,390 --> 01:12:21,520

guess

1573

01:12:26,470 --> 01:12:24,400

yeah yeah that's what i thought no did

1574

01:12:29,830 --> 01:12:26,480

thanks for sharing that because that's

1575

01:12:30,229 --> 01:12:29,840

makes a lot of sense um all right i'll

1576

01:12:33,110 --> 01:12:30,239

give you

1577

01:12:34,870 --> 01:12:33,120

one more and this isn't as long it's

1578

01:12:38,229 --> 01:12:34,880

super quick

1579

01:12:40,149 --> 01:12:38,239

um so my dad had a twin brother he was a

1580

01:12:43,110 --> 01:12:40,159

fraternal twin

1581

01:12:45,270 --> 01:12:43,120

and he got brain cancer and he was in

1582

01:12:47,590 --> 01:12:45,280

his mid-50s and he started dying they

1583

01:12:50,310 --> 01:12:47,600

couldn't operate on it

1584

01:12:51,030 --> 01:12:50,320

and this was a and a long enough ago to

1585

01:12:52,550 --> 01:12:51,040

where

1586

01:12:54,070 --> 01:12:52,560

you don't have to apologize or anything

1587

01:12:57,189 --> 01:12:54,080

[Music]

1588

01:12:58,790 --> 01:12:57,199

and uh so he's got a brain tumor he's

1589

01:13:01,990 --> 01:12:58,800

dying he's in the nursing home

1590

01:13:03,669 --> 01:13:02,000

at this point um you know just living

1591

01:13:07,669 --> 01:13:03,679

out his last

1592

01:13:10,229 --> 01:13:07,679

life um i remember i was gave him a

1593

01:13:11,669 --> 01:13:10,239

cassette tape that i had like played

1594

01:13:13,189 --> 01:13:11,679

guitar and sang on

1595

01:13:14,709 --> 01:13:13,199

those are some of my first songs and i

1596

01:13:16,229 --> 01:13:14,719

had him listen to it

1597

01:13:18,390 --> 01:13:16,239

and i remember asking him so what'd you

1598

01:13:19,110 --> 01:13:18,400

think and he was a total smart ass by

1599

01:13:21,750 --> 01:13:19,120

the way

1600

01:13:24,070 --> 01:13:21,760

and he goes sounded like a bunch of nuns

1601  
01:13:28,149 --> 01:13:24,080  
moaning

1602  
01:13:31,189 --> 01:13:28,159  
i was very like emo said kid so anyways

1603  
01:13:31,199 --> 01:13:35,350  
so here's the dream so in mentoring

1604  
01:13:42,149 --> 01:13:39,669  
we're in his room um his like uh

1605  
01:13:44,630 --> 01:13:42,159  
i guess his what was his deathbed um but

1606  
01:13:48,070 --> 01:13:44,640  
it was like a nursing home or whatever

1607  
01:13:51,669 --> 01:13:48,080  
and he's surrounded by people uh myself

1608  
01:13:54,790 --> 01:13:51,679  
i recognized his wife at the time

1609  
01:13:58,310 --> 01:13:54,800  
and that was really all i recognized

1610  
01:14:01,110 --> 01:13:58,320  
um he's sleeping on the bed

1611  
01:14:01,910 --> 01:14:01,120  
like puffed up all puffy you know how

1612  
01:14:04,950 --> 01:14:01,920  
people get

1613  
01:14:07,990 --> 01:14:04,960

um and i had this golden bowl

1614

01:14:11,189 --> 01:14:08,000

in my hand and i decided to

1615

01:14:14,550 --> 01:14:11,199

throw it to him and as i threw it to him

1616

01:14:15,750 --> 01:14:14,560

he sat up opened his eyes caught the

1617

01:14:19,030 --> 01:14:15,760

bull

1618

01:14:20,950 --> 01:14:19,040

and at that same time the phone rang

1619

01:14:23,030 --> 01:14:20,960

at my parents house i was living there

1620

01:14:27,030 --> 01:14:23,040

at the time and it was the call

1621

01:14:27,040 --> 01:14:31,350

that was weird

1622

01:14:36,229 --> 01:14:34,470

it was a golden bowl how big

1623

01:14:37,990 --> 01:14:36,239

was it like this big just it was just

1624

01:14:41,430 --> 01:14:38,000

like a yeah

1625

01:14:44,310 --> 01:14:41,440

it was like a solid size i guess

1626

01:14:45,430 --> 01:14:44,320

yeah almost like a you know baskets

1627

01:14:48,470 --> 01:14:45,440

except

1628

01:14:50,310 --> 01:14:48,480

yeah yeah um it was like two in the

1629

01:14:52,790 --> 01:14:50,320

morning or whatever and the

1630

01:14:53,910 --> 01:14:52,800

phone woke me up and i just left that

1631

01:14:57,350 --> 01:14:53,920

dream it was crazy

1632

01:14:59,280 --> 01:14:57,360

wow now i smoke a

1633

01:15:03,669 --> 01:14:59,290

bunch of medicine so i don't have dreams

1634

01:15:06,870 --> 01:15:03,679

[Laughter]

1635

01:15:10,950 --> 01:15:06,880

so don't worry it's prescribed by myself

1636

01:15:13,350 --> 01:15:10,960

all right all right um

1637

01:15:16,149 --> 01:15:13,360

yeah so when do you think this report is

1638

01:15:22,470 --> 01:15:20,310

i don't know which report uap report

1639

01:15:24,310 --> 01:15:22,480

yeah i don't know all right it's got

1640

01:15:25,110 --> 01:15:24,320

something we're gonna get we're gonna

1641

01:15:28,470 --> 01:15:25,120

get something

1642

01:15:29,830 --> 01:15:28,480

in the next three weeks and yeah i agree

1643

01:15:31,830 --> 01:15:29,840

with lou

1644

01:15:33,110 --> 01:15:31,840

that you know it takes longer to remodel

1645

01:15:35,830 --> 01:15:33,120

a kitchen than it does

1646

01:15:37,430 --> 01:15:35,840

to like the time that they've had to

1647

01:15:40,390 --> 01:15:37,440

prepare this report and so

1648

01:15:42,070 --> 01:15:40,400

it makes sense to get an interim report

1649

01:15:45,030 --> 01:15:42,080

something quick and brief

1650

01:15:46,310 --> 01:15:45,040

and then hey we need 180 more days or

1651  
01:15:49,910 --> 01:15:46,320  
whatever

1652  
01:15:50,390 --> 01:15:49,920  
um extension wonder what an interim

1653  
01:15:53,510 --> 01:15:50,400  
report

1654  
01:15:54,149 --> 01:15:53,520  
even looks like you know hey honestly i

1655  
01:15:58,070 --> 01:15:54,159  
think

1656  
01:15:58,550 --> 01:15:58,080  
be a sum up of everything we already

1657  
01:16:00,709 --> 01:15:58,560  
know

1658  
01:16:02,550 --> 01:16:00,719  
like yeah everything the navy has said

1659  
01:16:03,669 --> 01:16:02,560  
the deal you know the the pentagon has

1660  
01:16:05,430 --> 01:16:03,679  
said everything

1661  
01:16:06,870 --> 01:16:05,440  
every branch has already said just kind

1662  
01:16:09,270 --> 01:16:06,880  
of like put together

1663  
01:16:11,270 --> 01:16:09,280

aggregated into a interim like here's

1664

01:16:14,630 --> 01:16:11,280

where we are

1665

01:16:17,270 --> 01:16:14,640

in the dna yeah

1666

01:16:18,630 --> 01:16:17,280

i don't i don't i would be surprised i

1667

01:16:19,430 --> 01:16:18,640

mean the pentagon has gotten themselves

1668

01:16:21,430 --> 01:16:19,440

into it

1669

01:16:22,950 --> 01:16:21,440

huge mess when it comes to public

1670

01:16:24,709 --> 01:16:22,960

affairs and their official

1671

01:16:27,189 --> 01:16:24,719

their official story on what the hell's

1672

01:16:29,750 --> 01:16:27,199

been going on the last couple years

1673

01:16:30,550 --> 01:16:29,760

and and even beyond you know a tip and

1674

01:16:33,270 --> 01:16:30,560

all stuff but

1675

01:16:34,229 --> 01:16:33,280

they're just in a huge cluster right now

1676

01:16:36,310 --> 01:16:34,239

and

1677

01:16:38,709 --> 01:16:36,320

i think they need time to sort that all

1678

01:16:40,470 --> 01:16:38,719

out i would be surprised if anything

1679

01:16:45,750 --> 01:16:40,480

definitive is released

1680

01:16:49,750 --> 01:16:45,760

anytime soon that's where i stand yeah

1681

01:16:51,270 --> 01:16:49,760

well all right mr pessimist

1682

01:16:53,110 --> 01:16:51,280

it's the first time i've been out

1683

01:16:56,950 --> 01:16:53,120

negative

1684

01:17:00,709 --> 01:16:56,960

i'm just cute yeah

1685

01:17:03,750 --> 01:17:00,719

yeah no i mean yeah they're in a mess

1686

01:17:05,030 --> 01:17:03,760

and so if anything whatever does come

1687

01:17:07,750 --> 01:17:05,040

out

1688

01:17:08,550 --> 01:17:07,760

they're gonna be very very careful with

1689

01:17:11,990 --> 01:17:08,560

it like a

1690

01:17:14,630 --> 01:17:12,000

fragile vase because all the crap there

1691

01:17:15,189 --> 01:17:14,640

they got themselves in with especially

1692

01:17:17,430 --> 01:17:15,199

with lou

1693

01:17:18,550 --> 01:17:17,440

like um in john greenwald i feel so bad

1694

01:17:21,990 --> 01:17:18,560

for that guy

1695

01:17:23,350 --> 01:17:22,000

like three years like a passion project

1696

01:17:25,750 --> 01:17:23,360

almost at that point

1697

01:17:27,350 --> 01:17:25,760

and just for them to say oh yeah they

1698

01:17:29,189 --> 01:17:27,360

were deleted sorry boss

1699

01:17:30,550 --> 01:17:29,199

yeah we i know we were appealing and we

1700

01:17:32,950 --> 01:17:30,560

were going through the process

1701

01:17:35,510 --> 01:17:32,960

like they existed but you know we

1702

01:17:37,990 --> 01:17:35,520

deleted them

1703

01:17:39,430 --> 01:17:38,000

absolutely incredible i just it's so oh

1704

01:17:39,910 --> 01:17:39,440

and by the way let me just take this up

1705

01:17:42,630 --> 01:17:39,920

duty

1706

01:17:43,510 --> 01:17:42,640

i think lou is on greenwald's show

1707

01:17:46,229 --> 01:17:43,520

tonight

1708

01:17:48,070 --> 01:17:46,239

oh nice to answer directly about the

1709

01:17:50,550 --> 01:17:48,080

deleted emails which is pretty cool

1710

01:17:51,189 --> 01:17:50,560

cool yeah so if you guys didn't hear

1711

01:17:53,590 --> 01:17:51,199

that lou

1712

01:17:54,310 --> 01:17:53,600

is on the black vault tonight to talk

1713

01:17:58,709 --> 01:17:54,320

about the

1714

01:17:59,990 --> 01:17:58,719

deletion of the emails um which

1715

01:18:02,950 --> 01:18:00,000

you know you should definitely watch

1716

01:18:04,790 --> 01:18:02,960

because this story is heating up and

1717

01:18:06,310 --> 01:18:04,800

you know it's these kind of things and

1718

01:18:10,149 --> 01:18:06,320

these stories that i think

1719

01:18:12,870 --> 01:18:10,159

ultimately will make the book you know

1720

01:18:13,510 --> 01:18:12,880

how people acted integrity no integrity

1721

01:18:17,350 --> 01:18:13,520

character

1722

01:18:20,870 --> 01:18:17,360

lies um so watch it

1723

01:18:21,830 --> 01:18:20,880

and that's a baby and yeah you did

1724

01:18:25,189 --> 01:18:21,840

yourself

1725

01:18:29,430 --> 01:18:25,199

yeah yeah i've got a couple of them

1726

01:18:31,350 --> 01:18:29,440

you have kids two congrats

1727

01:18:32,650 --> 01:18:31,360

yeah i don't have any my wife's still

1728

01:18:34,790 --> 01:18:32,660

deciding if she likes me

1729

01:18:37,030 --> 01:18:34,800

[Laughter]

1730

01:18:39,030 --> 01:18:37,040

okay so you get you get more sleep than

1731

01:18:42,709 --> 01:18:39,040

me

1732

01:18:46,950 --> 01:18:42,719

you would think probably my brother has

1733

01:18:50,550 --> 01:18:46,960

five girls all under the age of 12.

1734

01:18:54,550 --> 01:18:50,560

i don't know 14 now yes sorry

1735

01:18:56,630 --> 01:18:54,560

wow wow i don't see him so

1736

01:18:58,149 --> 01:18:56,640

and he looks stressed out every time i

1737

01:18:59,750 --> 01:18:58,159

see him he's like

1738

01:19:02,550 --> 01:18:59,760

sleeping on the kitchen counter at my

1739

01:19:04,310 --> 01:19:02,560

mom's house here

1740

01:19:06,229 --> 01:19:04,320

all right well i'll let you go i had a

1741

01:19:07,189 --> 01:19:06,239

great talk with you today thanks so much

1742

01:19:10,550 --> 01:19:07,199

for your time

1743

01:19:13,030 --> 01:19:10,560

um of course it was one of my favorites

1744

01:19:14,310 --> 01:19:13,040

so and i'm a small guy and a small voice

1745

01:19:16,870 --> 01:19:14,320

here so

1746

01:19:18,229 --> 01:19:16,880

you sticking your neck out and donating

1747

01:19:20,950 --> 01:19:18,239

that time and

1748

01:19:22,630 --> 01:19:20,960

being honest with that time as well

1749

01:19:24,229 --> 01:19:22,640

means a lot to me so

1750

01:19:25,910 --> 01:19:24,239

sure man i told you i haven't told

1751  
01:19:29,110 --> 01:19:25,920  
anyone

1752  
01:19:31,189 --> 01:19:29,120  
all right later man all right bye yeah

1753  
01:19:34,830 --> 01:19:31,199  
well let's talk again soon

1754  
01:19:37,990 --> 01:19:34,840  
uh that was a great talk

1755  
01:19:41,430 --> 01:19:38,000  
um a lot of cool stuff happened there so

1756  
01:19:43,030 --> 01:19:41,440  
i'm gonna bounce you because i have a

1757  
01:19:44,229 --> 01:19:43,040  
lot to think about that was just a great

1758  
01:19:47,750 --> 01:19:44,239  
discussion

1759  
01:19:51,669 --> 01:19:47,760  
um go over it he said some great things

1760  
01:19:54,149 --> 01:19:51,679  
um about how we talked to

1761  
01:19:55,030 --> 01:19:54,159  
eric davis for 13 minutes in an unaired

1762  
01:19:57,510 --> 01:19:55,040  
episode

1763  
01:19:58,630 --> 01:19:57,520

where eric davis said he believes

1764

01:20:02,470 --> 01:19:58,640

they're

1765

01:20:09,590 --> 01:20:06,390

so that's cool um

1766

01:20:11,750 --> 01:20:09,600

trivia uh trivia is

1767

01:20:14,709 --> 01:20:11,760

going to be tomorrow i can do some

1768

01:20:17,910 --> 01:20:14,719

trivia tomorrow is actually my 50th

1769

01:20:18,870 --> 01:20:17,920

episode so i'm gonna have a party i want

1770

01:20:21,990 --> 01:20:18,880

people to show up

1771

01:20:24,310 --> 01:20:22,000

and party with me we'll do trivia um

1772

01:20:26,310 --> 01:20:24,320

we'll make some more phone calls

1773

01:20:27,990 --> 01:20:26,320

and hopefully some cool guests come by

1774

01:20:29,030 --> 01:20:28,000

one for sure is coming by and that's

1775

01:20:31,910 --> 01:20:29,040

dave from

1776

01:20:33,830 --> 01:20:31,920

shadows magazine out in the uk uh he's

1777

01:20:35,270 --> 01:20:33,840

writing a new issue now i think so

1778

01:20:37,510 --> 01:20:35,280

he should have a lot of cool stuff to

1779

01:20:41,750 --> 01:20:37,520

share um

1780

01:20:43,270 --> 01:20:41,760

yeah and today was one of those um

1781

01:20:44,709 --> 01:20:43,280

i can't say episodes that you'll

1782

01:20:47,030 --> 01:20:44,719

remember because i've only been doing

1783

01:20:49,750 --> 01:20:47,040

this for a month but

1784

01:20:50,950 --> 01:20:49,760

uh it'll be one of those days that i'll

1785

01:20:54,550 --> 01:20:50,960

always remember

1786

01:20:58,629 --> 01:20:54,560

so uh with that being said

1787

01:21:00,790 --> 01:20:58,639

make a call call congress read an email

1788

01:21:09,220 --> 01:21:00,800

remember what the mission is action it's

1789

01:21:09,230 --> 01:21:12,830

[Music]

1790

01:21:12,840 --> 01:21:16,510

peace

1791

01:21:42,930 --> 01:21:40,830

[Music]
