

WITNESS CITIZEN.UFO

1
00:00:42,830 --> 00:00:20,010

[Music]

2
00:00:42,840 --> 00:00:47,350

is

3
00:00:53,830 --> 00:00:50,790

what's up everybody happy freaking

4
00:00:55,990 --> 00:00:53,840

thursday it's gonna be a great day

5
00:00:58,069 --> 00:00:56,000

it's been a great week it's been one of

6
00:01:01,349 --> 00:00:58,079

those weeks where

7
00:01:04,710 --> 00:01:01,359

you kind of just feel lucky to

8
00:01:07,270 --> 00:01:04,720

be who you are and where you are and

9
00:01:08,310 --> 00:01:07,280

i don't really understand why i'm lucky

10
00:01:11,109 --> 00:01:08,320

to be here

11
00:01:12,230 --> 00:01:11,119

but i'm not going to ask questions i'm

12
00:01:15,590 --> 00:01:12,240

just gonna take it

13
00:01:18,630 --> 00:01:15,600

and um hey that ufo podcast

14

00:01:21,910 --> 00:01:18,640

thanks for joining us um

15

00:01:23,830 --> 00:01:21,920

i want to not waste any of your time

16

00:01:25,190 --> 00:01:23,840

i want to get the smart guy on as soon

17

00:01:27,910 --> 00:01:25,200

as possible

18

00:01:28,789 --> 00:01:27,920

so what i'm going to do is give them a

19

00:01:30,510 --> 00:01:28,799

little introduction

20

00:01:32,710 --> 00:01:30,520

coming in

21

00:01:35,830 --> 00:01:32,720

[Music]

22

00:01:40,430 --> 00:01:35,840

the best chief master at arms the navy

23

00:01:47,030 --> 00:01:40,440

has ever seen

24

00:01:50,069 --> 00:01:49,510

man that was pretty good huh oh yeah i'm

25

00:01:53,590 --> 00:01:50,079

gonna

26

00:01:57,670 --> 00:01:56,709

look out man what's up no i had to do

27

00:02:00,149 --> 00:01:57,680

that

28

00:02:01,749 --> 00:02:00,159

good good you deserve the best so you

29

00:02:03,350 --> 00:02:01,759

know i had to put that together it's so

30

00:02:06,069 --> 00:02:03,360

good to see you on here man

31

00:02:08,229 --> 00:02:06,079

it was so good to see you you doing this

32

00:02:08,869 --> 00:02:08,239

uh well i gotta say it it started with

33

00:02:11,350 --> 00:02:08,879

the

34

00:02:12,390 --> 00:02:11,360

a spark of you know motivation and

35

00:02:15,350 --> 00:02:12,400

inspiration

36

00:02:15,750 --> 00:02:15,360

from yourself um you have a way of you

37

00:02:17,350 --> 00:02:15,760

know

38

00:02:18,790 --> 00:02:17,360

talking sense into people whether you

39

00:02:22,070 --> 00:02:18,800

know it or not and

40

00:02:27,030 --> 00:02:22,080

light and fires under butts and you know

41

00:02:30,470 --> 00:02:27,040

mine's been streaking hot ever since so

42

00:02:31,670 --> 00:02:30,480

yeah so i appreciate that it's funny

43

00:02:34,710 --> 00:02:31,680

because i uh

44

00:02:35,030 --> 00:02:34,720

the advice i gave you was was really was

45

00:02:38,550 --> 00:02:35,040

just

46

00:02:39,990 --> 00:02:38,560

long-winded version of yourself but um

47

00:02:42,470 --> 00:02:40,000

but you went and did it so

48

00:02:45,030 --> 00:02:42,480

[Laughter]

49

00:02:47,350 --> 00:02:45,040

well i needed that you know and

50

00:02:48,949 --> 00:02:47,360

sometimes

51
00:02:51,910 --> 00:02:48,959
you know it comes from places that you

52
00:02:54,869 --> 00:02:51,920
don't really expect

53
00:02:55,350 --> 00:02:54,879
and you know i just go with it i go with

54
00:02:57,670 --> 00:02:55,360
the flow

55
00:02:59,589 --> 00:02:57,680
the rhythm of life nature which i know

56
00:03:01,190 --> 00:02:59,599
you do too so i think that's why i kind

57
00:03:03,110 --> 00:03:01,200
of gravitate towards you

58
00:03:04,470 --> 00:03:03,120
but i do and then the path of least

59
00:03:06,710 --> 00:03:04,480
resistance just told me that i got to

60
00:03:09,030 --> 00:03:06,720
get up and plug my computer in because

61
00:03:10,070 --> 00:03:09,040
it unplugged it two percent so we can

62
00:03:12,470 --> 00:03:10,080
keep talking but

63
00:03:22,390 --> 00:03:12,480

just one quick step all right gotcha

64

00:03:26,390 --> 00:03:24,949

oh man yeah so he's plugging his

65

00:03:29,190 --> 00:03:26,400

computer in

66

00:03:31,030 --> 00:03:29,200

that's crazy sean c was my second guest

67

00:03:33,589 --> 00:03:31,040

ever wow

68

00:03:35,030 --> 00:03:33,599

that's awesome yeah we're gonna have uh

69

00:03:37,910 --> 00:03:35,040

i'm i'm glad you put uh

70

00:03:40,229 --> 00:03:37,920

cahill there otherwise it'd be confusing

71

00:03:41,830 --> 00:03:40,239

for people

72

00:03:43,030 --> 00:03:41,840

this is confusing for me right now

73

00:03:45,110 --> 00:03:43,040

because this is what i've been doing

74

00:03:48,869 --> 00:03:45,120

every day

75

00:03:52,470 --> 00:03:48,879

you know what i got an idea

76

00:03:56,309 --> 00:03:52,480

i think somebody unclogged my computer

77

00:03:58,550 --> 00:03:56,319

you keep doing that oh i heard it i

78

00:04:01,750 --> 00:03:58,560

heard an acoustic guitar back there

79

00:04:04,229 --> 00:04:01,760

you did it's

80

00:04:05,750 --> 00:04:04,239

it's practically a music studio and a

81

00:04:06,229 --> 00:04:05,760

recording studio in my living room right

82

00:04:09,429 --> 00:04:06,239

now

83

00:04:12,789 --> 00:04:09,439

i wanted to actually mention that um

84

00:04:14,070 --> 00:04:12,799

so you know i wanted to do the best i

85

00:04:16,310 --> 00:04:14,080

could as far as

86

00:04:17,590 --> 00:04:16,320

like looking up all your videos

87

00:04:19,909 --> 00:04:17,600

everything you have

88

00:04:21,030 --> 00:04:19,919

because you deserve that respect for an

89

00:04:24,469 --> 00:04:21,040

interview

90

00:04:27,030 --> 00:04:24,479

um and i ran into a song that i really

91

00:04:31,350 --> 00:04:27,040

liked of yours which was

92

00:04:33,270 --> 00:04:31,360

one into many yeah that's a great song

93

00:04:34,469 --> 00:04:33,280

if you guys don't know he's a songwriter

94

00:04:36,469 --> 00:04:34,479

he has a youtube channel

95

00:04:37,990 --> 00:04:36,479

he's got some music on there the one

96

00:04:40,870 --> 00:04:38,000

that really hit my heart

97

00:04:42,070 --> 00:04:40,880

it's my style is one in too many check

98

00:04:44,390 --> 00:04:42,080

it out

99

00:04:45,590 --> 00:04:44,400

um if you don't mind we can just get

100

00:04:48,870 --> 00:04:45,600

into this

101
00:04:51,990 --> 00:04:48,880
sure okay sorry about the way yeah no no

102
00:04:54,230 --> 00:04:52,000
problem it gave me time to think so

103
00:04:55,590 --> 00:04:54,240
um tell me about your childhood what was

104
00:04:58,230 --> 00:04:55,600
that like where'd you grow up

105
00:04:59,270 --> 00:04:58,240
what were your parents like that kind of

106
00:05:02,150 --> 00:04:59,280
stuff

107
00:05:04,710 --> 00:05:02,160
that's a kind of worms um i grew up the

108
00:05:07,270 --> 00:05:04,720
youngest of uh of eight children

109
00:05:08,230 --> 00:05:07,280
my father was in world war ii he was a

110
00:05:11,909 --> 00:05:08,240
b-17

111
00:05:13,430 --> 00:05:11,919
waste gunner and radio operator flew 29

112
00:05:15,909 --> 00:05:13,440
missions over europe

113
00:05:17,749 --> 00:05:15,919

when he came home from war he asked my

114

00:05:19,029 --> 00:05:17,759

mom to marry him and she was uh she was

115

00:05:20,870 --> 00:05:19,039

the right side of the tracks he was the

116

00:05:23,110 --> 00:05:20,880

wrong side of the tracks

117

00:05:23,990 --> 00:05:23,120

and she said no not unless you go to

118

00:05:27,270 --> 00:05:24,000

college because then

119

00:05:29,350 --> 00:05:27,280

my family are educated and um so he did

120

00:05:30,790 --> 00:05:29,360

what she said and graduated with honors

121

00:05:32,230 --> 00:05:30,800

and went on to become a successful

122

00:05:35,350 --> 00:05:32,240

businessman and

123

00:05:38,550 --> 00:05:35,360

they raised eight children and um but my

124

00:05:39,189 --> 00:05:38,560

childhood yeah my childhood was mostly

125

00:05:40,629 --> 00:05:39,199

uh

126

00:05:42,150 --> 00:05:40,639

it was kind of like being an only child

127

00:05:43,189 --> 00:05:42,160

with a lot of aunts and uncles there was

128

00:05:52,870 --> 00:05:43,199

a

129

00:05:53,990 --> 00:05:52,880

sibling so um one of the things i think

130

00:05:55,670 --> 00:05:54,000

that i would be

131

00:05:57,990 --> 00:05:55,680

remiss if i didn't mention the fact that

132

00:06:00,870 --> 00:05:58,000

it wasn't a hunky-dory

133

00:06:02,390 --> 00:06:00,880

happy-go-lucky life um sure it was my

134

00:06:03,189 --> 00:06:02,400

mother passed away when i was seven on

135

00:06:06,150 --> 00:06:03,199

christmas eve

136

00:06:08,070 --> 00:06:06,160

oh man i'm sorry we were a family that

137

00:06:11,189 --> 00:06:08,080

had all of the same challenges

138

00:06:12,070 --> 00:06:11,199

many post-world war ii uh families had

139

00:06:14,950 --> 00:06:12,080

there was

140

00:06:16,230 --> 00:06:14,960

if you've seen the tv show mad men um

141

00:06:17,909 --> 00:06:16,240

that was kind of what it was like from

142

00:06:19,029 --> 00:06:17,919

the older brothers and sisters and for

143

00:06:20,469 --> 00:06:19,039

me it was

144

00:06:22,790 --> 00:06:20,479

whatever bad men would have looked like

145

00:06:24,309 --> 00:06:22,800

that continued into the 70s and 80s

146

00:06:26,590 --> 00:06:24,319

that's what got me drinking whiskey and

147

00:06:29,029 --> 00:06:26,600

smoking cigarettes in my office

148

00:06:31,029 --> 00:06:29,039

[Laughter]

149

00:06:32,870 --> 00:06:31,039

you know i kind of i kind of went down a

150

00:06:34,230 --> 00:06:32,880

similar path too it was really easy to

151
00:06:36,230 --> 00:06:34,240
pour with jameson when i was watching

152
00:06:40,469 --> 00:06:36,240
batman i don't do that

153
00:06:42,230 --> 00:06:40,479
but um but i uh

154
00:06:43,670 --> 00:06:42,240
i was i was very fortunate we were very

155
00:06:48,950 --> 00:06:43,680
fortunate financially

156
00:06:51,749 --> 00:06:48,960
um we were very well educated

157
00:06:53,270 --> 00:06:51,759
wow i moved to southern california

158
00:06:56,230 --> 00:06:53,280
following my girlfriend

159
00:06:56,950 --> 00:06:56,240
uh after high school to be a rock star

160
00:06:59,830 --> 00:06:56,960
and

161
00:07:06,870 --> 00:06:59,840
i went down there yeah took the bass

162
00:07:11,110 --> 00:07:09,430
crappy little apartment outside of uh on

163
00:07:13,589 --> 00:07:11,120

the back lot of disneyland right on the

164

00:07:15,110 --> 00:07:13,599

other side of the fence basically but uh

165

00:07:17,830 --> 00:07:15,120

over the course of about a year the band

166

00:07:20,070 --> 00:07:17,840

fell apart um i became a solo act then

167

00:07:22,950 --> 00:07:20,080

the relationship fell apart

168

00:07:24,469 --> 00:07:22,960

um i kept bumping into more drugs than i

169

00:07:28,070 --> 00:07:24,479

wanted to

170

00:07:29,830 --> 00:07:28,080

um and it really looked to me like

171

00:07:32,070 --> 00:07:29,840

i was seeing all these people incur

172

00:07:33,909 --> 00:07:32,080

financial burden to make a record

173

00:07:35,749 --> 00:07:33,919

and i'd been offered money a couple of

174

00:07:37,270 --> 00:07:35,759

times to make a record and at the time

175

00:07:38,550 --> 00:07:37,280

i think we understand it was almost

176

00:07:39,990 --> 00:07:38,560

impossible to make a record

177

00:07:43,510 --> 00:07:40,000

independently

178

00:07:47,189 --> 00:07:43,520

um yeah but i i decided not to and then

179

00:07:49,350 --> 00:07:47,199

i had a i had an incident with friend um

180

00:07:51,510 --> 00:07:49,360

where he brought up to dopin in my

181

00:07:54,070 --> 00:07:51,520

apartment it really made me angry

182

00:07:55,510 --> 00:07:54,080

and i'd had enough i said this is not

183

00:07:58,790 --> 00:07:55,520

the life that i want

184

00:08:00,869 --> 00:07:58,800

i'm gonna make a change and i i

185

00:08:03,589 --> 00:08:00,879

boom went down to the recruiter retook

186

00:08:07,589 --> 00:08:03,599

my asvab test and went in the navy

187

00:08:08,469 --> 00:08:07,599

well that's a crazy story that i can

188

00:08:10,710 --> 00:08:08,479

relate to

189

00:08:12,550 --> 00:08:10,720

in many ways but i'll save that for a

190

00:08:14,869 --> 00:08:12,560

personal conversation

191

00:08:16,550 --> 00:08:14,879

so the audience can hear about you but

192

00:08:19,110 --> 00:08:16,560

yeah like almost to a t

193

00:08:19,749 --> 00:08:19,120

i can have pretty much the same story

194

00:08:25,510 --> 00:08:19,759

music

195

00:08:30,790 --> 00:08:28,629

well how how long did you serve or when

196

00:08:33,430 --> 00:08:30,800

was that in relation to 2004

197

00:08:35,750 --> 00:08:33,440

were you serving for a while before that

198

00:08:37,750 --> 00:08:35,760

i enlisted in uh 1995.

199

00:08:38,790 --> 00:08:37,760

i served for i like to say 20 years and

200

00:08:40,870 --> 00:08:38,800

a day more

201
00:08:41,990 --> 00:08:40,880
although i i was a you know it was my

202
00:08:43,589 --> 00:08:42,000
pleasure to serve

203
00:08:45,110 --> 00:08:43,599
no one ever forced me to do so whenever

204
00:08:47,190 --> 00:08:45,120
it came time to re-enlist it was

205
00:08:49,030 --> 00:08:47,200
it was that was my choice but when it

206
00:08:49,910 --> 00:08:49,040
was time to go home that was my choice

207
00:08:52,470 --> 00:08:49,920
too

208
00:08:52,949 --> 00:08:52,480
but in a in o4 i'd been serving for nine

209
00:08:54,870 --> 00:08:52,959
years

210
00:08:56,550 --> 00:08:54,880
i just made chief petty officer a few

211
00:08:59,670 --> 00:08:56,560
months before the incident

212
00:09:00,870 --> 00:08:59,680
well yeah that that's a long career in

213
00:09:02,470 --> 00:09:00,880

the navy than to

214

00:09:04,470 --> 00:09:02,480

you know put this out there like that

215

00:09:07,350 --> 00:09:04,480

that's it's quite a risk and

216

00:09:08,310 --> 00:09:07,360

yeah my grandpa was in the navy he was a

217

00:09:10,710 --> 00:09:08,320

chef

218

00:09:12,710 --> 00:09:10,720

in world war ii uh they called him

219

00:09:15,590 --> 00:09:12,720

cookie

220

00:09:17,110 --> 00:09:15,600

because he was a chef yeah so yep that's

221

00:09:20,230 --> 00:09:17,120

and my dad got kicked out of

222

00:09:22,070 --> 00:09:20,240

the navy he went to navy jail you know

223

00:09:24,389 --> 00:09:22,080

my dad got kicked out of the navy too

224

00:09:27,190 --> 00:09:24,399

that's funny um really he enlisted

225

00:09:28,710 --> 00:09:27,200

the day after uh where he went down the

226

00:09:30,949 --> 00:09:28,720

enlistment office the day after

227

00:09:32,710 --> 00:09:30,959

they bombed pearl harbor with his father

228

00:09:34,790 --> 00:09:32,720

my grandfather was in world war one he

229

00:09:36,389 --> 00:09:34,800

was a balloon

230

00:09:38,230 --> 00:09:36,399

they turned my grandpa away said you're

231

00:09:40,550 --> 00:09:38,240

too old go home and organize

232

00:09:42,790 --> 00:09:40,560

you know a function or something but uh

233

00:09:44,389 --> 00:09:42,800

my dad went down to pensacola to be a

234

00:09:47,350 --> 00:09:44,399

midshipman pilot

235

00:09:49,190 --> 00:09:47,360

but he ended up stealing a a plane and

236

00:09:50,070 --> 00:09:49,200

him and another guy crashed the plane

237

00:09:52,389 --> 00:09:50,080

and so he got kicked

238

00:09:54,070 --> 00:09:52,399

out of the navy and sent home and so my

239

00:09:55,990 --> 00:09:54,080

dad didn't get to the war for a couple

240

00:10:00,380 --> 00:09:56,000

of years later he had to uh

241

00:10:03,430 --> 00:10:00,390

get some years of recommendation he said

242

00:10:04,949 --> 00:10:03,440

[Laughter]

243

00:10:06,550 --> 00:10:04,959

and then they're like well i can't

244

00:10:07,750 --> 00:10:06,560

believe they let him on a plane again

245

00:10:10,069 --> 00:10:07,760

like they live in people

246

00:10:11,509 --> 00:10:10,079

enlisted flight crew but yeah you lost

247

00:10:13,509 --> 00:10:11,519

privileges buddy

248

00:10:15,190 --> 00:10:13,519

unless you're scrapped down like a

249

00:10:17,110 --> 00:10:15,200

mental patient

250

00:10:18,389 --> 00:10:17,120

and unfortunately that gene was passed

251

00:10:19,110 --> 00:10:18,399

down through most of the men in my

252

00:10:21,670 --> 00:10:19,120

family too

253

00:10:23,590 --> 00:10:21,680

yeah yeah that's another similarity we

254

00:10:25,110 --> 00:10:23,600

have that's for sure

255

00:10:27,110 --> 00:10:25,120

my dad got kicked out because he never

256

00:10:30,470 --> 00:10:27,120

showed up because he was

257

00:10:33,269 --> 00:10:30,480

always at this girl's house he was like

258

00:10:35,269 --> 00:10:33,279

15 16 or something at the time so you

259

00:10:37,990 --> 00:10:35,279

and i may be cousins

260

00:10:38,310 --> 00:10:38,000

yeah possibly especially like listening

261

00:10:40,470 --> 00:10:38,320

to

262

00:10:41,350 --> 00:10:40,480

your videos and stuff oh you know i'll

263

00:10:44,949 --> 00:10:41,360

get into that

264

00:10:47,990 --> 00:10:44,959

but um well here we go

265

00:10:51,269 --> 00:10:48,000

so something that you mentioned actually

266

00:10:53,590 --> 00:10:51,279

yesterday on max's podcast

267

00:10:55,030 --> 00:10:53,600

or maybe it wasn't on that maybe it was

268

00:10:57,430 --> 00:10:55,040

one of your videos

269

00:10:58,829 --> 00:10:57,440

but you mentioned how this phenomenon

270

00:11:02,630 --> 00:10:58,839

and these things

271

00:11:05,590 --> 00:11:02,640

are different for everyone

272

00:11:07,350 --> 00:11:05,600

seemingly and they're kind of possibly

273

00:11:11,190 --> 00:11:07,360

connected to one's

274

00:11:14,710 --> 00:11:11,200

interior emotional state which i can say

275

00:11:16,710 --> 00:11:14,720

firsthand by experience that's true

276

00:11:18,069 --> 00:11:16,720

do you think emotions are powerful

277

00:11:23,670 --> 00:11:18,079

enough to

278

00:11:30,470 --> 00:11:25,990

or does this prove we are more connected

279

00:11:33,670 --> 00:11:33,030

i you know for me your second questions

280

00:11:36,470 --> 00:11:33,680

make sense

281

00:11:37,670 --> 00:11:36,480

sorry they do yeah yeah your second

282

00:11:39,670 --> 00:11:37,680

portion of that

283

00:11:42,630 --> 00:11:39,680

the more connected than we know i think

284

00:11:44,230 --> 00:11:42,640

is is closer to it um

285

00:11:46,069 --> 00:11:44,240

you know i i'm more free and open

286

00:11:47,590 --> 00:11:46,079

talking on podcasts than obviously than

287

00:11:49,110 --> 00:11:47,600

i would be talking on a larger

288

00:11:50,870 --> 00:11:49,120

platform because you know larger

289

00:11:51,509 --> 00:11:50,880

audience doesn't necessarily understand

290

00:11:54,230 --> 00:11:51,519

all this stuff

291

00:11:55,190 --> 00:11:54,240

yeah i really know of it a large portion

292

00:11:57,590 --> 00:11:55,200

of your audience

293

00:11:58,389 --> 00:11:57,600

is probably are probably meditators or

294

00:12:00,310 --> 00:11:58,399

probably

295

00:12:01,750 --> 00:12:00,320

um maybe a little more self-aware

296

00:12:05,829 --> 00:12:01,760

mindful

297

00:12:09,190 --> 00:12:07,430

i've watched over the last few years

298

00:12:11,030 --> 00:12:09,200

because i was lucky enough to already

299

00:12:13,829 --> 00:12:11,040

have a meditation practice prior to

300

00:12:17,670 --> 00:12:13,839

deciding ufos were real in 2017

301
00:12:19,350 --> 00:12:17,680
when when lou walked out

302
00:12:21,509 --> 00:12:19,360
whether it's my interior state when

303
00:12:23,590 --> 00:12:21,519
meditating or

304
00:12:24,949 --> 00:12:23,600
how i respond to my emotions and things

305
00:12:27,350 --> 00:12:24,959
that i see in the world i've

306
00:12:28,870 --> 00:12:27,360
i've realized that um i think that we

307
00:12:33,430 --> 00:12:28,880
receive more information and

308
00:12:34,310 --> 00:12:33,440
are i think we're open to more signals

309
00:12:36,069 --> 00:12:34,320
than we're aware

310
00:12:38,389 --> 00:12:36,079
i think we're affected by each other's

311
00:12:40,790 --> 00:12:38,399
emotions in a more distant sense

312
00:12:42,310 --> 00:12:40,800
i think that um we're affected by things

313
00:12:44,550 --> 00:12:42,320

we see and things that occur in the

314

00:12:48,069 --> 00:12:44,560

world in a more subtle way than

315

00:12:50,870 --> 00:12:48,079

we're used to so i do think that

316

00:12:52,629 --> 00:12:50,880

a lot of what we see happening here is

317

00:12:54,310 --> 00:12:52,639

based on our

318

00:12:56,069 --> 00:12:54,320

individual perception as well as our

319

00:12:59,110 --> 00:12:56,079

collective perception

320

00:13:00,870 --> 00:12:59,120

but i think most of the data that

321

00:13:03,509 --> 00:13:00,880

folks haven't seen yet because we're

322

00:13:07,509 --> 00:13:03,519

focused on nuts and bolts will point to

323

00:13:10,230 --> 00:13:07,519

to emotionality and intensity

324

00:13:11,670 --> 00:13:10,240

being at some portion of this spectrum a

325

00:13:13,190 --> 00:13:11,680

lot of people won't be able to tie that

326

00:13:15,110 --> 00:13:13,200

immediately to a vehicle and i

327

00:13:15,750 --> 00:13:15,120

understand that but it's a long road i

328

00:13:18,870 --> 00:13:15,760

think to get

329

00:13:20,790 --> 00:13:18,880

get these in the same room yeah well

330

00:13:23,829 --> 00:13:20,800

make some metaphors all over the place

331

00:13:25,910 --> 00:13:23,839

yeah no well i think you know to me at

332

00:13:26,470 --> 00:13:25,920

least i'm latching on to this aspect of

333

00:13:28,310 --> 00:13:26,480

it

334

00:13:29,590 --> 00:13:28,320

um but that also brings me to another

335

00:13:32,710 --> 00:13:29,600

point like

336

00:13:33,750 --> 00:13:32,720

we're working so hard to get data but

337

00:13:36,230 --> 00:13:33,760

what kind of data

338

00:13:37,590 --> 00:13:36,240

is going to be able to prove that your

339

00:13:39,430 --> 00:13:37,600

emotional connection to what this

340

00:13:43,350 --> 00:13:39,440

phenomenon is

341

00:13:45,430 --> 00:13:43,360

right you know i you've

342

00:13:46,949 --> 00:13:45,440

you've uncovered a little easter egg of

343

00:13:48,710 --> 00:13:46,959

mine that whenever i say that it's going

344

00:13:51,910 --> 00:13:48,720

to take all of us to figure this out

345

00:13:54,069 --> 00:13:51,920

that's what i'm talking about because

346

00:13:55,750 --> 00:13:54,079

none of us should ever take anyone's

347

00:13:56,949 --> 00:13:55,760

word on the unknown

348

00:13:58,389 --> 00:13:56,959

we should be you know we should be

349

00:14:00,150 --> 00:13:58,399

willing to put it in a little box of

350

00:14:02,230 --> 00:14:00,160

maybe but wait until

351
00:14:03,750 --> 00:14:02,240
we have enough of our own data to press

352
00:14:06,470 --> 00:14:03,760
the believe button

353
00:14:06,949 --> 00:14:06,480
right um so yeah we're going to have to

354
00:14:14,550 --> 00:14:06,959

i

355
00:14:17,910 --> 00:14:14,560
a way that most of us

356
00:14:19,990 --> 00:14:17,920
are not used to whatsoever no no

357
00:14:21,670 --> 00:14:20,000
that's that's for sure and i think

358
00:14:21,990 --> 00:14:21,680
there's many different reasons for that

359
00:14:23,509 --> 00:14:22,000
but

360
00:14:25,670 --> 00:14:23,519
usually it has to do with their own

361
00:14:27,189 --> 00:14:25,680
experience and lack of self-confidence

362
00:14:28,710 --> 00:14:27,199
so people need to realize that they're

363
00:14:29,990 --> 00:14:28,720

more powerful and special than they

364

00:14:31,829 --> 00:14:30,000

think and once they start

365

00:14:34,550 --> 00:14:31,839

making those moves and doing those

366

00:14:36,629 --> 00:14:34,560

actions and seeing the reward from it

367

00:14:38,069 --> 00:14:36,639

well that's just self-sustaining at that

368

00:14:42,310 --> 00:14:38,079

point yeah

369

00:14:46,069 --> 00:14:42,320

but um what was your

370

00:14:47,910 --> 00:14:46,079

you know so if any of this is too

371

00:14:49,269 --> 00:14:47,920

personal or goes too deep just let me

372

00:14:50,470 --> 00:14:49,279

know but this is the kind of stuff i

373

00:14:54,710 --> 00:14:50,480

live for

374

00:14:57,110 --> 00:14:54,720

so um go for it okay uh what was your

375

00:14:59,670 --> 00:14:57,120

emotional state at your sighting in

376

00:15:02,310 --> 00:14:59,680

2004.

377

00:15:03,030 --> 00:15:02,320

into it it may disappoint some folks but

378

00:15:04,629 --> 00:15:03,040

um

379

00:15:06,870 --> 00:15:04,639

during well during the sighting i was i

380

00:15:12,790 --> 00:15:06,880

was at work so i was locked on

381

00:15:15,030 --> 00:15:12,800

i'm worried about like life yeah yeah oh

382

00:15:16,470 --> 00:15:15,040

very narcissistic i was very wrapped up

383

00:15:19,670 --> 00:15:16,480

in myself

384

00:15:21,910 --> 00:15:19,680

recently been promoted quite early um to

385

00:15:24,870 --> 00:15:21,920

a rank that in the enlisted ranks we

386

00:15:27,189 --> 00:15:24,880

in the navy attaining the rank of chief

387

00:15:30,069 --> 00:15:27,199

petty officer is a very coveted place

388

00:15:30,870 --> 00:15:30,079

within the enlisted ranks and once you

389

00:15:33,189 --> 00:15:30,880

arrive there

390

00:15:34,230 --> 00:15:33,199

it's um i had an opportunity to go

391

00:15:36,150 --> 00:15:34,240

officer

392

00:15:37,269 --> 00:15:36,160

and to you know climb up the chain even

393

00:15:38,870 --> 00:15:37,279

further but um

394

00:15:41,030 --> 00:15:38,880

i was convinced by the quality of

395

00:15:42,470 --> 00:15:41,040

leadership i was surrounded by the

396

00:15:45,189 --> 00:15:42,480

chief petty officer's mess was where i

397

00:15:47,670 --> 00:15:45,199

needed to be um

398

00:15:49,110 --> 00:15:47,680

but i was all about me i was not a

399

00:15:50,790 --> 00:15:49,120

really good

400

00:15:53,030 --> 00:15:50,800

in my opinion husband her father at the

401
00:15:55,430 --> 00:15:53,040
time i wasn't attentive

402
00:15:57,590 --> 00:15:55,440
enough to my wife and my children i was

403
00:16:00,629 --> 00:15:57,600
very focused on my career

404
00:16:04,470 --> 00:16:00,639
um very selfish i think in my opinion

405
00:16:11,749 --> 00:16:08,150
that since that sighting you've become

406
00:16:13,670 --> 00:16:11,759
a lot better of a person

407
00:16:14,790 --> 00:16:13,680
i think i actually got worse after that

408
00:16:17,770 --> 00:16:14,800
sighting personally

409
00:16:19,590 --> 00:16:17,780
um i think i got more selfish

410
00:16:22,790 --> 00:16:19,600
[Music]

411
00:16:24,870 --> 00:16:22,800
i believe that magic

412
00:16:26,870 --> 00:16:24,880
there's a break there after from 04 to

413
00:16:28,470 --> 00:16:26,880

17 i think it was probably the coldest

414

00:16:31,509 --> 00:16:28,480

portion of my life

415

00:16:32,870 --> 00:16:31,519

um because i believed the way that my

416

00:16:33,590 --> 00:16:32,880

chain of command reacted that this

417

00:16:35,350 --> 00:16:33,600

wasn't

418

00:16:37,189 --> 00:16:35,360

yeah a spectacular event but it must

419

00:16:39,189 --> 00:16:37,199

have been our technology

420

00:16:40,870 --> 00:16:39,199

and that kind of it kind of popped my

421

00:16:44,150 --> 00:16:40,880

magic balloon in my little yeah you know

422

00:16:47,269 --> 00:16:44,160

i held on to a little bit from childhood

423

00:16:50,069 --> 00:16:47,279

but i got very atheistic um

424

00:16:51,829 --> 00:16:50,079

and very materialistic and it wasn't

425

00:16:54,949 --> 00:16:51,839

frankly um

426
00:16:56,310 --> 00:16:54,959
between 2015 and 2017 when i really

427
00:16:58,310 --> 00:16:56,320
started developing my personal

428
00:17:00,710 --> 00:16:58,320
meditation practice and then began

429
00:17:01,990 --> 00:17:00,720
teaching that was where the really big

430
00:17:03,829 --> 00:17:02,000
changes for me happened

431
00:17:05,590 --> 00:17:03,839
it was after i retired when i realized

432
00:17:08,549 --> 00:17:05,600
when i took off my uniform i didn't have

433
00:17:11,990 --> 00:17:08,559
any identity anymore that shawn had

434
00:17:15,510 --> 00:17:12,000
gone away that's rough yeah that's rough

435
00:17:17,829 --> 00:17:15,520
um what made you

436
00:17:19,350 --> 00:17:17,839
take the chance to try something

437
00:17:21,590 --> 00:17:19,360
different like meditation

438
00:17:22,789 --> 00:17:21,600

there must have been like a climax or a

439

00:17:24,630 --> 00:17:22,799

or an ultra

440

00:17:28,069 --> 00:17:24,640

low point where you're like after this i

441

00:17:31,430 --> 00:17:28,079

have to do something different you know

442

00:17:34,549 --> 00:17:31,440

i was um i was destroying my family

443

00:17:37,430 --> 00:17:34,559

from within um

444

00:17:38,950 --> 00:17:37,440

and i had gotten to a point where i

445

00:17:41,990 --> 00:17:38,960

looked around the room and i thought

446

00:17:44,470 --> 00:17:42,000

everyone else is the a-hole not me

447

00:17:45,270 --> 00:17:44,480

yeah and that's a dangerous thought to

448

00:17:48,630 --> 00:17:45,280

have

449

00:17:50,230 --> 00:17:48,640

um i was lucky enough to listen to my

450

00:17:51,510 --> 00:17:50,240

wife i was in despair i didn't know i

451
00:17:53,350 --> 00:17:51,520
was i was

452
00:17:54,950 --> 00:17:53,360
all of my choices that i was looking at

453
00:17:56,870 --> 00:17:54,960
were all horrible choices

454
00:17:59,190 --> 00:17:56,880
and i didn't know how to pull myself out

455
00:18:00,950 --> 00:17:59,200
of it and

456
00:18:02,870 --> 00:18:00,960
she played a song for me by a man called

457
00:18:04,230 --> 00:18:02,880
switchfoot um

458
00:18:05,590 --> 00:18:04,240
there were two of them actually they

459
00:18:07,029 --> 00:18:05,600
were strangely not because they're the

460
00:18:08,630 --> 00:18:07,039
only songs i listened to by them but one

461
00:18:10,070 --> 00:18:08,640
was dare you to move and she was

462
00:18:11,990 --> 00:18:10,080
literally telling like she literally is

463
00:18:13,510 --> 00:18:12,000

like listen to this song

464

00:18:15,029 --> 00:18:13,520

because i'm daring you to get off your

465

00:18:18,150 --> 00:18:15,039

ass and do something about

466

00:18:19,990 --> 00:18:18,160

this and then

467

00:18:21,669 --> 00:18:20,000

in the course of a few weeks listening

468

00:18:23,110 --> 00:18:21,679

to their music i think a playlist played

469

00:18:26,390 --> 00:18:23,120

another one of theirs where

470

00:18:28,870 --> 00:18:26,400

he said uh maybe i'm the partly cloudy

471

00:18:30,150 --> 00:18:28,880

maybe i'm the chance of rain and as

472

00:18:31,830 --> 00:18:30,160

silly as it sounds that was one of the

473

00:18:32,870 --> 00:18:31,840

first times i considered maybe i wasn't

474

00:18:34,789 --> 00:18:32,880

the victim

475

00:18:36,070 --> 00:18:34,799

or maybe i was but who cared that wasn't

476

00:18:37,990 --> 00:18:36,080

getting me anywhere

477

00:18:39,830 --> 00:18:38,000

you know but it's not that black and

478

00:18:41,350 --> 00:18:39,840

white all the time either you know

479

00:18:43,350 --> 00:18:41,360

you could have something to do with it

480

00:18:45,190 --> 00:18:43,360

and other people could too so it makes

481

00:18:46,789 --> 00:18:45,200

it even more difficult to realize that

482

00:18:49,750 --> 00:18:46,799

you could be

483

00:18:50,950 --> 00:18:49,760

the only issue you know oh yeah people

484

00:18:52,950 --> 00:18:50,960

are bad to you as well

485

00:18:54,230 --> 00:18:52,960

so how do you cut through that yeah well

486

00:18:55,510 --> 00:18:54,240

that's what keeps us in the back of the

487

00:18:58,870 --> 00:18:55,520

cage

488

00:19:00,470 --> 00:18:58,880

the idea that we that we are the

489

00:19:02,549 --> 00:19:00,480

that we are the problem we can't face

490

00:19:04,549 --> 00:19:02,559

that a lot of times so that was the

491

00:19:07,510 --> 00:19:04,559

that was the teeter point teeter totter

492

00:19:09,669 --> 00:19:07,520

for me that i had to go over that ledge

493

00:19:10,950 --> 00:19:09,679

and go you're the problem sean so clean

494

00:19:14,310 --> 00:19:10,960

up your act okay

495

00:19:16,950 --> 00:19:14,320

since then dude yeah

496

00:19:17,350 --> 00:19:16,960

so then it's been surrendered oh my bad

497

00:19:26,630 --> 00:19:17,360

yeah

498

00:19:28,390 --> 00:19:26,640

no i think those those stories to me are

499

00:19:30,950 --> 00:19:28,400

really great because usually they're

500

00:19:33,590 --> 00:19:30,960

i mean they're like there's a reason i

501
00:19:37,190 --> 00:19:33,600
always cry at the end of rocky 2.

502
00:19:41,190 --> 00:19:37,200
you know and that's a very basic

503
00:19:43,510 --> 00:19:41,200
you know human instinct kind of way of

504
00:19:44,630 --> 00:19:43,520
looking at it but in the great picture

505
00:19:47,270 --> 00:19:44,640
that's what we're

506
00:19:49,510 --> 00:19:47,280
that's what i'm trying to do like life

507
00:19:52,549 --> 00:19:49,520
is my fight against apollo creed

508
00:19:56,150 --> 00:19:52,559
you know like i'm trying to yeah

509
00:19:58,150 --> 00:19:56,160
so and when you win um

510
00:19:59,350 --> 00:19:58,160
which is rare because you have to fail

511
00:20:03,029 --> 00:19:59,360
so much first

512
00:20:06,390 --> 00:20:03,039
but when you do yeah it feels awesome

513
00:20:10,549 --> 00:20:06,400

um go ahead

514

00:20:11,990 --> 00:20:10,559

uh when i was teaching meditation i had

515

00:20:13,510 --> 00:20:12,000

an instagram that um

516

00:20:16,470 --> 00:20:13,520

you know i try to put out motivational

517

00:20:19,029 --> 00:20:16,480

phrases and things like that and um

518

00:20:20,310 --> 00:20:19,039

at first i i was i was really motivated

519

00:20:21,510 --> 00:20:20,320

by that and then later i started

520

00:20:23,350 --> 00:20:21,520

realizing wow these are all the same

521

00:20:26,310 --> 00:20:23,360

cliches that used to piss me off

522

00:20:27,830 --> 00:20:26,320

they're true and i was like why is it

523

00:20:30,390 --> 00:20:27,840

different now

524

00:20:32,310 --> 00:20:30,400

and i was like oh because i'm not angry

525

00:20:34,630 --> 00:20:32,320

anymore i'm like have a nice day

526

00:20:37,830 --> 00:20:34,640

is an actual good suggestion it's not a

527

00:20:41,430 --> 00:20:37,840

reason to scowl

528

00:20:43,029 --> 00:20:41,440

yeah yeah yeah what what the hell did

529

00:20:45,029 --> 00:20:43,039

you just say to me yeah

530

00:20:50,950 --> 00:20:45,039

i prefer to say hey just go [h__\h]

531

00:20:54,149 --> 00:20:52,789

every time i hear you say the word

532

00:20:56,149 --> 00:20:54,159

[h__\h] it

533

00:20:57,510 --> 00:20:56,159

makes me want to just throw them back at

534

00:20:59,430 --> 00:20:57,520

you you have so much

535

00:21:00,630 --> 00:20:59,440

gusto behind that word it's like made

536

00:21:03,270 --> 00:21:00,640

for you

537

00:21:04,230 --> 00:21:03,280

i'm a sailor i i swear like swearing in

538

00:21:06,230 --> 00:21:04,240

my house

539

00:21:07,909 --> 00:21:06,240

it has been legalized with like my

540

00:21:10,470 --> 00:21:07,919

teenage daughters are allowed to

541

00:21:11,590 --> 00:21:10,480

utilize their vocabulary uh as much as

542

00:21:13,430 --> 00:21:11,600

they'd like

543

00:21:15,350 --> 00:21:13,440

and but i want them to understand those

544

00:21:17,669 --> 00:21:15,360

words have meaning and power

545

00:21:18,870 --> 00:21:17,679

so if you're going to save up one save

546

00:21:21,190 --> 00:21:18,880

it up you know

547

00:21:22,470 --> 00:21:21,200

that's one cliché that isn't exactly

548

00:21:24,870 --> 00:21:22,480

true is

549

00:21:26,149 --> 00:21:24,880

um you know actions speak louder than

550

00:21:29,190 --> 00:21:26,159

words i mean yes

551
00:21:29,750 --> 00:21:29,200
but we have just seen over the last four

552
00:21:32,789 --> 00:21:29,760
years

553
00:21:36,070 --> 00:21:32,799
how damaging words actually are

554
00:21:38,070 --> 00:21:36,080
yeah so yeah that's yeah

555
00:21:39,190 --> 00:21:38,080
we we can't let anybody do our thinking

556
00:21:41,190 --> 00:21:39,200
for us right

557
00:21:42,950 --> 00:21:41,200
and if if somebody says stuff even me

558
00:21:45,029 --> 00:21:42,960
that makes you go yeah

559
00:21:46,789 --> 00:21:45,039
let's let's go no hold on man take a

560
00:21:47,740 --> 00:21:46,799
breath no i'll literally

561
00:21:50,630 --> 00:21:47,750
let anyone else

562
00:21:52,549 --> 00:21:50,640
[Laughter]

563
00:21:53,990 --> 00:21:52,559

but yeah you're right i mean i mean in

564

00:21:54,630 --> 00:21:54,000

thinking for yourself and taking that

565

00:21:58,390 --> 00:21:54,640

step to

566

00:21:59,669 --> 00:21:58,400

think for yourself is kind of what it's

567

00:22:00,070 --> 00:21:59,679

all about right because you're going to

568

00:22:02,950 --> 00:22:00,080

make

569

00:22:03,510 --> 00:22:02,960

choices then that may not be the best

570

00:22:04,870 --> 00:22:03,520

one

571

00:22:06,870 --> 00:22:04,880

but that's the only way you're going to

572

00:22:09,029 --> 00:22:06,880

realize that

573

00:22:10,830 --> 00:22:09,039

you know you got to connect to your gut

574

00:22:12,630 --> 00:22:10,840

or you're going to make a lot of bad

575

00:22:15,669 --> 00:22:12,640

decisions

576

00:22:17,669 --> 00:22:15,679

yeah um

577

00:22:20,390 --> 00:22:17,679

so you know the videos that have coming

578

00:22:21,110 --> 00:22:20,400

up uh get back on nuts and bolts stuff i

579

00:22:24,710 --> 00:22:21,120

guess

580

00:22:27,909 --> 00:22:24,720

um gimbal all that kind of stuff

581

00:22:29,190 --> 00:22:27,919

do you think they're well i know you

582

00:22:31,190 --> 00:22:29,200

said there's a lot of different things

583

00:22:33,510 --> 00:22:31,200

going on but do you think these

584

00:22:35,029 --> 00:22:33,520

have any relation to the things that

585

00:22:35,990 --> 00:22:35,039

people see when they have personal

586

00:22:39,110 --> 00:22:36,000

sightings

587

00:22:42,310 --> 00:22:39,120

or personal experiences

588

00:22:45,990 --> 00:22:42,320

yeah um for me it doesn't

589

00:22:46,710 --> 00:22:46,000

seem like it but well see i talk about a

590

00:22:50,390 --> 00:22:46,720

spectrum

591

00:22:53,590 --> 00:22:50,400

and so if if so i've

592

00:22:57,190 --> 00:22:53,600

i've seen the the silver orbs here in

593

00:22:58,230 --> 00:22:57,200

in the san diego area um the photographs

594

00:23:01,430 --> 00:22:58,240

aren't the best

595

00:23:02,470 --> 00:23:01,440

and the one video that i have i don't

596

00:23:05,430 --> 00:23:02,480

find it to be

597

00:23:06,310 --> 00:23:05,440

compelling enough for me to publicize it

598

00:23:08,310 --> 00:23:06,320

you know what i mean because

599

00:23:09,350 --> 00:23:08,320

then that brings out the trolls and the

600

00:23:12,870 --> 00:23:09,360

the armchair

601
00:23:13,350 --> 00:23:12,880
theorists and things and my eyewitness

602
00:23:17,430 --> 00:23:13,360
account

603
00:23:18,950 --> 00:23:17,440
plus the plus the video um

604
00:23:20,310 --> 00:23:18,960
it's good enough evidence if you're

605
00:23:22,710 --> 00:23:20,320
showing it to an individual i wouldn't

606
00:23:24,310 --> 00:23:22,720
want to publicize it but that said

607
00:23:27,350 --> 00:23:24,320
that's not the same

608
00:23:29,270 --> 00:23:27,360
as experiences that have me

609
00:23:31,190 --> 00:23:29,280
warning people about their personal

610
00:23:34,830 --> 00:23:31,200
mental state

611
00:23:39,270 --> 00:23:34,840
um yeah what i've encountered in

612
00:23:42,070 --> 00:23:40,630
wasn't the same well i don't want to get

613
00:23:43,110 --> 00:23:42,080

again i don't want to get too deep into

614

00:23:44,630 --> 00:23:43,120

it because right now people

615

00:23:46,710 --> 00:23:44,640

can do reach backs yeah i don't i don't

616

00:23:47,909 --> 00:23:46,720

want it i don't want to i get you

617

00:23:49,269 --> 00:23:47,919

you know like if i'm going to be that

618

00:23:50,870 --> 00:23:49,279

guy that's that's kind of keeping it

619

00:23:53,909 --> 00:23:50,880

pragmatic i don't want to go too deep

620

00:23:56,230 --> 00:23:53,919

let's just say that in meditation

621

00:23:57,909 --> 00:23:56,240

i had an experience that was unlike any

622

00:23:59,909 --> 00:23:57,919

i'd ever had before

623

00:24:01,669 --> 00:23:59,919

and doing it for years i've had some

624

00:24:02,789 --> 00:24:01,679

interesting ones and never had one like

625

00:24:04,470 --> 00:24:02,799

this

626

00:24:08,230 --> 00:24:04,480

and it scared the heck out of me but it

627

00:24:12,230 --> 00:24:10,630

the what occurred in consciousness was

628

00:24:14,149 --> 00:24:12,240

not frightening

629

00:24:16,310 --> 00:24:14,159

it was how i perceived it because

630

00:24:19,510 --> 00:24:16,320

immediately upon it occurring i went

631

00:24:21,510 --> 00:24:19,520

holy crap this is x y and z and this is

632

00:24:23,350 --> 00:24:21,520

what this means and then my fear kicked

633

00:24:25,110 --> 00:24:23,360

him

634

00:24:27,590 --> 00:24:25,120

if we're to encounter that now i would

635

00:24:28,630 --> 00:24:27,600

probably have a different experience so

636

00:24:31,269 --> 00:24:28,640

that's why i tell

637

00:24:32,950 --> 00:24:31,279

i know where i was in my personal

638

00:24:35,590 --> 00:24:32,960

consciousness at the time so

639

00:24:37,750 --> 00:24:35,600

right is that the same as a silver

640

00:24:40,470 --> 00:24:37,760

sphere

641

00:24:40,950 --> 00:24:40,480

i don't know and i don't think so those

642

00:24:43,590 --> 00:24:40,960

don't

643

00:24:45,669 --> 00:24:43,600

but could they have a connection sure

644

00:24:48,549 --> 00:24:45,679

just as much as i don't want to be a

645

00:24:50,470 --> 00:24:48,559

self-reflection of sorts

646

00:24:51,590 --> 00:24:50,480

there's man there's because yesterday

647

00:24:54,390 --> 00:24:51,600

max asked me about

648

00:24:55,669 --> 00:24:54,400

skinwalker ranch and skinwalker ranch

649

00:24:56,549 --> 00:24:55,679

brings in what other people call the

650

00:24:59,430 --> 00:24:56,559

paranormal

651
00:25:01,909 --> 00:24:59,440
and for some people it's spiritual and

652
00:25:06,230 --> 00:25:01,919
i'm comfortable bending that spectrum

653
00:25:10,070 --> 00:25:06,240
but not everybody is sure so

654
00:25:13,110 --> 00:25:10,080
are they the same thing sometimes maybe

655
00:25:16,310 --> 00:25:13,120
yeah crappy answer i'm sorry yeah

656
00:25:19,510 --> 00:25:16,320
well that's what i think sometimes maybe

657
00:25:19,990 --> 00:25:19,520
sometimes maybe yeah yeah um yeah

658
00:25:23,110 --> 00:25:20,000
sometimes

659
00:25:26,549 --> 00:25:23,120
i mean i definitely think

660
00:25:28,310 --> 00:25:26,559
that the sighting anyone has a sighting

661
00:25:31,590 --> 00:25:28,320
the actual visual part of it

662
00:25:33,750 --> 00:25:31,600
is like the least important

663
00:25:36,390 --> 00:25:33,760

and you should really be aware of

664

00:25:39,430 --> 00:25:36,400

everything else going on in your life

665

00:25:41,190 --> 00:25:39,440

you know yeah because i'll tell you

666

00:25:43,510 --> 00:25:41,200

about mine sometime

667

00:25:46,470 --> 00:25:43,520

i'd be interested to hear your thoughts

668

00:25:51,909 --> 00:25:49,990

the now i i mean

669

00:25:53,269 --> 00:25:51,919

it's you're taking a different road with

670

00:25:56,149 --> 00:25:53,279

the core bell stuff

671

00:25:57,350 --> 00:25:56,159

i'll i'll say that everybody is pretty

672

00:25:59,430 --> 00:25:57,360

hyped

673

00:26:01,029 --> 00:25:59,440

well seemingly i'm taking the only road

674

00:26:02,630 --> 00:26:01,039

i can

675

00:26:05,029 --> 00:26:02,640

yeah but i wanted to ask you about the

676
00:26:05,510 --> 00:26:05,039
radar video and what you recognize on

677
00:26:09,029 --> 00:26:05,520
there

678
00:26:10,549 --> 00:26:09,039
and i know yeah so

679
00:26:12,710 --> 00:26:10,559
it's kind of blurry so i'm not sure if

680
00:26:16,470 --> 00:26:12,720
you can shed any light on that or not

681
00:26:18,630 --> 00:26:16,480
well i see i i've i've watched it

682
00:26:20,390 --> 00:26:18,640
i haven't analyzed it i passed it off to

683
00:26:22,549 --> 00:26:20,400
people who actually sat the scope for

684
00:26:24,630 --> 00:26:22,559
hours at a time like i wouldn't want

685
00:26:26,470 --> 00:26:24,640
um i wouldn't want gary doing a police

686
00:26:27,510 --> 00:26:26,480
investigation for me and i don't think

687
00:26:29,269 --> 00:26:27,520
gary would want me

688
00:26:31,029 --> 00:26:29,279

gary voorhees wouldn't be analyzing

689

00:26:32,870 --> 00:26:31,039

radar data that i only sat a six

690

00:26:34,070 --> 00:26:32,880

hour under instruction watch on the

691

00:26:36,149 --> 00:26:34,080

scope right

692

00:26:37,830 --> 00:26:36,159

but what i did see is i saw real tracks

693

00:26:39,269 --> 00:26:37,840

i saw tracks that were appearing and

694

00:26:42,390 --> 00:26:39,279

disappearing

695

00:26:44,870 --> 00:26:42,400

um and there's only a

696

00:26:47,750 --> 00:26:44,880

limited number of reasons that those

697

00:26:51,269 --> 00:26:47,760

tracks would disappear and reappear

698

00:26:53,510 --> 00:26:51,279

uh it has to go under the radar or above

699

00:26:55,029 --> 00:26:53,520

yeah yeah it would have to totally

700

00:26:57,990 --> 00:26:55,039

shield its em signature

701
00:26:59,430 --> 00:26:58,000
pardon me do we know what the range is

702
00:27:01,990 --> 00:26:59,440
of those

703
00:27:05,029 --> 00:27:02,000
not off the top of my head but really

704
00:27:09,029 --> 00:27:08,149
the ages so this 51b well i'm not even

705
00:27:11,510 --> 00:27:09,039
sure i think that

706
00:27:13,269 --> 00:27:11,520
that was the spy one but that radar

707
00:27:14,950 --> 00:27:13,279
projects out quite far

708
00:27:17,029 --> 00:27:14,960
but then the aegis system that we

709
00:27:19,110 --> 00:27:17,039
utilize for the battle group hooks into

710
00:27:21,430 --> 00:27:19,120
satellites and other data

711
00:27:24,230 --> 00:27:21,440
to provide a 3d real-time picture of a

712
00:27:28,149 --> 00:27:24,240
very large battle space

713
00:27:31,430 --> 00:27:28,159

so it's covered yeah gotcha

714

00:27:33,430 --> 00:27:31,440

man that's weird um now

715

00:27:34,710 --> 00:27:33,440

the one thing that always struck me is

716

00:27:37,750 --> 00:27:34,720

when you mentioned to

717

00:27:43,029 --> 00:27:37,760

chris cumo the uh tech

718

00:27:46,789 --> 00:27:45,669

this is a two-part question since 2004

719

00:27:49,510 --> 00:27:46,799

have we identified

720

00:27:50,389 --> 00:27:49,520

any tech advances on behalf of the

721

00:27:53,990 --> 00:27:50,399

phenom

722

00:27:57,350 --> 00:27:54,000

or the other question is

723

00:27:59,029 --> 00:27:57,360

is the guesstimate of a hundred to a

724

00:28:02,549 --> 00:27:59,039

thousand years is that determined by

725

00:28:05,750 --> 00:28:02,559

any sort of scientific analysis

726

00:28:07,269 --> 00:28:05,760

those are good questions um to say that

727

00:28:11,029 --> 00:28:07,279

we have determined

728

00:28:13,669 --> 00:28:11,039

or or you or or invented new tech based

729

00:28:15,669 --> 00:28:13,679

on the phenomenon would be

730

00:28:17,909 --> 00:28:15,679

having someone admit a heck of a lot

731

00:28:21,269 --> 00:28:17,919

more than i'm a

732

00:28:23,669 --> 00:28:21,279

a voice to admit i believe that we've

733

00:28:24,950 --> 00:28:23,679

invented technology based on

734

00:28:26,310 --> 00:28:24,960

observations i believe that

735

00:28:28,070 --> 00:28:26,320

was part of what the government meant to

736

00:28:30,230 --> 00:28:28,080

do go ahead let me rephrase that

737

00:28:32,230 --> 00:28:30,240

uh what i actually meant is have we

738

00:28:34,470 --> 00:28:32,240

noticed the phenomenon the nuts and

739

00:28:35,430 --> 00:28:34,480

bolts phenomenon having any advancements

740

00:28:38,230 --> 00:28:35,440

in its own tech

741

00:28:39,590 --> 00:28:38,240

over the course of all these years so

742

00:28:41,029 --> 00:28:39,600

that okay that's a very different

743

00:28:43,909 --> 00:28:41,039

question um yeah

744

00:28:44,630 --> 00:28:43,919

so we've noticed that when we have

745

00:28:47,590 --> 00:28:44,640

updated

746

00:28:49,430 --> 00:28:47,600

our radars or upgraded them rather that

747

00:28:51,830 --> 00:28:49,440

we seem to have had uh what

748

00:28:52,870 --> 00:28:51,840

people are commonly called ufo flaps you

749

00:28:54,230 --> 00:28:52,880

know

750

00:28:57,350 --> 00:28:54,240

major sightings lots of them that

751

00:29:00,389 --> 00:28:57,360

correspond to me that's a pretty simple

752

00:29:03,029 --> 00:29:00,399

um conclusion that we may have bumped

753

00:29:06,470 --> 00:29:03,039

into the edges of their technology

754

00:29:08,630 --> 00:29:06,480

um or but the question is why because

755

00:29:10,549 --> 00:29:08,640

that seems to have occurred over the

756

00:29:12,149 --> 00:29:10,559

course of the last 70 years

757

00:29:13,669 --> 00:29:12,159

a lot of people will mention that the

758

00:29:17,190 --> 00:29:13,679

the form of the

759

00:29:18,870 --> 00:29:17,200

craft seems to change um

760

00:29:20,470 --> 00:29:18,880

so the question is is are we dealing

761

00:29:23,510 --> 00:29:20,480

with something like jacques valet

762

00:29:25,909 --> 00:29:23,520

might apply a quantum kind of a

763

00:29:27,510 --> 00:29:25,919

quantum roulette to this in some ways

764

00:29:28,710 --> 00:29:27,520

that perception is always going to be a

765

00:29:31,909 --> 00:29:28,720

part of this

766

00:29:33,029 --> 00:29:31,919

right but that doesn't seem it doesn't

767

00:29:36,230 --> 00:29:33,039

seem congruent with

768

00:29:38,549 --> 00:29:36,240

with the nuts and bolts edges of tech so

769

00:29:41,110 --> 00:29:38,559

it still remains a mystery to me it's

770

00:29:43,669 --> 00:29:41,120

wow things we're like if this thing

771

00:29:45,190 --> 00:29:43,679

you know obviously we're speculating

772

00:29:47,430 --> 00:29:45,200

here let me get my fingers in

773

00:29:49,269 --> 00:29:47,440

but if this thing is uh like uh let's

774

00:29:49,909 --> 00:29:49,279

say alien or interdimensional or

775

00:29:52,630 --> 00:29:49,919

whatever

776

00:29:54,870 --> 00:29:52,640

like it it always uh baffles me how

777

00:29:58,470 --> 00:29:54,880

anyone thinks that they would have

778

00:30:01,510 --> 00:29:58,480

any type of understanding of something

779

00:30:03,669 --> 00:30:01,520

completely not relatable to us

780

00:30:05,990 --> 00:30:03,679

in any way like how do we even know if

781

00:30:09,029 --> 00:30:06,000

they think violently or peacefully or

782

00:30:11,269 --> 00:30:09,039

what if they're just like a flower

783

00:30:13,029 --> 00:30:11,279

you know and they just come and grow and

784

00:30:15,750 --> 00:30:13,039

do biological things or whatever

785

00:30:16,389 --> 00:30:15,760

you know well what if what if when you

786

00:30:18,470 --> 00:30:16,399

saw

787

00:30:19,750 --> 00:30:18,480

when we see craft we're seeing something

788

00:30:21,510 --> 00:30:19,760

that is

789

00:30:23,110 --> 00:30:21,520

possibly from another iteration in the

790

00:30:24,710 --> 00:30:23,120

multiverse you know three three

791

00:30:27,750 --> 00:30:24,720

universes over where

792

00:30:28,389 --> 00:30:27,760

their technology is steam punkish you

793

00:30:30,549 --> 00:30:28,399

know

794

00:30:32,070 --> 00:30:30,559

and so it's not your technology you just

795

00:30:33,430 --> 00:30:32,080

they just happen to be here poking

796

00:30:35,510 --> 00:30:33,440

around and they're like look at these

797

00:30:37,909 --> 00:30:35,520

guys there's sleek cars and these

798

00:30:41,190 --> 00:30:37,919

fast aircraft and all we've got is

799

00:30:43,669 --> 00:30:41,200

anti-gravity derivables you know

800

00:30:46,389 --> 00:30:43,679

what's that lamborghini thing that looks

801
00:30:53,430 --> 00:30:50,710
yeah yeah that's uh it's

802
00:30:54,710 --> 00:30:53,440
you know on the one hand it's so easy to

803
00:30:57,190 --> 00:30:54,720
talk about because

804
00:30:57,990 --> 00:30:57,200
it is unknown but on the other hand it's

805
00:31:00,230 --> 00:30:58,000
also so

806
00:31:01,509 --> 00:31:00,240
dangerous to talk about because it is

807
00:31:06,070 --> 00:31:01,519
the unknown

808
00:31:11,909 --> 00:31:06,080
it's a it's a pickle that's for sure

809
00:31:16,389 --> 00:31:13,830
i have to kind of rethink some of my

810
00:31:19,590 --> 00:31:16,399
questions based on

811
00:31:22,149 --> 00:31:19,600
our conversation a little bit um do you

812
00:31:23,750 --> 00:31:22,159
see i think this as far as not to

813
00:31:28,310 --> 00:31:23,760

backtrack but to go back to

814

00:31:30,830 --> 00:31:28,320

the latest leaks um i tend to think that

815

00:31:31,990 --> 00:31:30,840

it's almost creating more confusion in

816

00:31:35,190 --> 00:31:32,000

inviting

817

00:31:37,990 --> 00:31:36,470

yeah i want to be careful because i

818

00:31:39,029 --> 00:31:38,000

really respect the hell out of george

819

00:31:41,110 --> 00:31:39,039

knapp and jeremy

820

00:31:42,710 --> 00:31:41,120

bell yeah and i don't think that's

821

00:31:43,990 --> 00:31:42,720

intent at all they're just working their

822

00:31:45,750 --> 00:31:44,000

asses off

823

00:31:47,350 --> 00:31:45,760

no and i want i want to see those are a

824

00:31:48,630 --> 00:31:47,360

couple of folks that i want to see like

825

00:31:51,110 --> 00:31:48,640

the crowbar of history

826

00:31:52,549 --> 00:31:51,120

pry them out of this and and elevate

827

00:31:54,070 --> 00:31:52,559

them and put them up there and

828

00:31:55,269 --> 00:31:54,080

because i think it's obvious to a lot of

829

00:31:56,950 --> 00:31:55,279

us that there is an existing

830

00:31:58,549 --> 00:31:56,960

relationship with george

831

00:32:00,070 --> 00:31:58,559

and some folks within the government

832

00:32:02,230 --> 00:32:00,080

that are that are

833

00:32:04,310 --> 00:32:02,240

concerned about truth i think it would

834

00:32:06,789 --> 00:32:04,320

seem pretty obvious to a lot of us

835

00:32:08,310 --> 00:32:06,799

that in some ways george has chosen to

836

00:32:12,310 --> 00:32:08,320

knight jeremy as his as

837

00:32:13,590 --> 00:32:12,320

heir and yeah but we've got a lot more

838

00:32:18,310 --> 00:32:13,600

firepower we can

839

00:32:19,750 --> 00:32:18,320

we can give them um so and i don't again

840

00:32:21,430 --> 00:32:19,760

i'm not one of those people that teaches

841

00:32:22,310 --> 00:32:21,440

grandma to suck eggs she knows what

842

00:32:25,669 --> 00:32:22,320

she's doing

843

00:32:27,750 --> 00:32:25,679

um but at the same time i feel like

844

00:32:31,830 --> 00:32:27,760

oh sorry it's it's the old one from the

845

00:32:36,549 --> 00:32:33,669

this is how you second graham i just

846

00:32:40,230 --> 00:32:36,559

thought of that and i was like

847

00:32:44,549 --> 00:32:42,789

but i i just maybe i'm wrong here but i

848

00:32:45,669 --> 00:32:44,559

feel like we could make a larger impact

849

00:32:48,950 --> 00:32:45,679

and if these

850

00:32:50,950 --> 00:32:48,960

i'm also concerned that

851
00:32:53,029 --> 00:32:50,960
i don't know where these are coming from

852
00:32:55,669 --> 00:32:53,039
when peop just like when people say

853
00:32:57,430 --> 00:32:55,679
what they expect from the uaptf those

854
00:32:59,509 --> 00:32:57,440
are their expectations a lot of folks

855
00:33:02,630 --> 00:32:59,519
haven't read what the tasking was

856
00:33:05,190 --> 00:33:02,640
yeah so i read it for sure did these

857
00:33:06,389 --> 00:33:05,200
videos come from the uae ptf or did they

858
00:33:07,830 --> 00:33:06,399
come from the element within the

859
00:33:10,070 --> 00:33:07,840
government that wants this to go

860
00:33:11,750 --> 00:33:10,080
south and look stupid and so they're

861
00:33:13,669 --> 00:33:11,760
giving us

862
00:33:15,110 --> 00:33:13,679
other tech that is going to muddy the

863
00:33:17,110 --> 00:33:15,120

water i don't know and that's why i'm

864

00:33:18,549 --> 00:33:17,120

suspicious i'm not suspicious of jeremy

865

00:33:20,310 --> 00:33:18,559

and george

866

00:33:21,909 --> 00:33:20,320

i'm suspicious of the chain of custody

867

00:33:24,389 --> 00:33:21,919

of the document until we have that

868

00:33:25,430 --> 00:33:24,399

that's all right well yeah and i mean

869

00:33:27,830 --> 00:33:25,440

there's reasons

870

00:33:29,029 --> 00:33:27,840

that people would perceive it that way

871

00:33:31,430 --> 00:33:29,039

things getting confirmed

872

00:33:32,710 --> 00:33:31,440

almost immediately there's a gap in

873

00:33:36,389 --> 00:33:32,720

between the viper team

874

00:33:37,990 --> 00:33:36,399

and how they got the stuff so yeah

875

00:33:40,149 --> 00:33:38,000

well there's a big question as to how

876

00:33:41,590 --> 00:33:40,159

the hell classified data got out of that

877

00:33:43,590 --> 00:33:41,600

combat information center

878

00:33:45,509 --> 00:33:43,600

because whoever took that video was

879

00:33:48,070 --> 00:33:45,519

violating opsec and then whoever

880

00:33:49,590 --> 00:33:48,080

disseminated that video was violating

881

00:33:51,990 --> 00:33:49,600

operational security

882

00:33:52,950 --> 00:33:52,000

yeah see that's where there's um

883

00:33:56,389 --> 00:33:52,960

differences

884

00:33:56,630 --> 00:33:56,399

because um the person who put the video

885

00:33:58,230 --> 00:33:56,640

up

886

00:34:00,389 --> 00:33:58,240

on the internet said that it was taken

887

00:34:01,590 --> 00:34:00,399

with permission

888

00:34:06,230 --> 00:34:01,600

i don't know what that means that

889

00:34:08,149 --> 00:34:06,240

permission needs to exist in writing

890

00:34:10,149 --> 00:34:08,159

enough said so maybe we need to foia

891

00:34:11,270 --> 00:34:10,159

that entire process and find out what

892

00:34:13,270 --> 00:34:11,280

happened there

893

00:34:14,550 --> 00:34:13,280

but yeah if they're a little busy right

894

00:34:19,430 --> 00:34:14,560

now

895

00:34:22,310 --> 00:34:20,550

chris mellon actually mentioned

896

00:34:23,829 --> 00:34:22,320

something really interesting on cnn when

897

00:34:25,190 --> 00:34:23,839

you were with them i was wondering what

898

00:34:27,750 --> 00:34:25,200

your take was

899

00:34:29,430 --> 00:34:27,760

um and it's just furthering upon the

900

00:34:32,710 --> 00:34:29,440

maybe they got here first

901
00:34:34,629 --> 00:34:32,720
um and then i think chris cumos asks the

902
00:34:37,669 --> 00:34:34,639
old cliché why now

903
00:34:40,260 --> 00:34:37,679
um and chris mellon said

904
00:34:41,909 --> 00:34:40,270
well do you talk to zoo animals

905
00:34:43,510 --> 00:34:41,919
[Laughter]

906
00:34:46,310 --> 00:34:43,520
you know i thought that was really great

907
00:34:53,190 --> 00:34:49,829
it seems like the way they toy with us

908
00:34:56,710 --> 00:34:53,200
and they show themselves when they want

909
00:35:05,750 --> 00:34:56,720
and let you believe almost what you want

910
00:35:10,550 --> 00:35:08,630
oh absolutely um because as i said to

911
00:35:14,230 --> 00:35:10,560
max yesterday

912
00:35:16,710 --> 00:35:14,240
based on the technology i expect them to

913
00:35:18,710 --> 00:35:16,720

be the ones to say hello first

914

00:35:20,470 --> 00:35:18,720

now i i get people that say oh well they

915

00:35:21,109 --> 00:35:20,480

flash lights at us well we only use

916

00:35:23,270 --> 00:35:21,119

those to keep

917

00:35:24,790 --> 00:35:23,280

other people away from us we don't flash

918

00:35:26,630 --> 00:35:24,800

navigational lights on our aircraft

919

00:35:28,390 --> 00:35:26,640

going come on over and get closer

920

00:35:29,750 --> 00:35:28,400

let's fly real close we don't that's not

921

00:35:30,710 --> 00:35:29,760

what that means it means get the hell

922

00:35:33,270 --> 00:35:30,720

away from me

923

00:35:33,829 --> 00:35:33,280

yeah um and since these are energetic

924

00:35:35,349 --> 00:35:33,839

craft

925

00:35:36,870 --> 00:35:35,359

hopefully that's what they mean too i

926

00:35:39,910 --> 00:35:36,880

think a lot of the lights people see

927

00:35:41,190 --> 00:35:39,920

are expressions of the energy that the

928

00:35:43,990 --> 00:35:41,200

craft is using

929

00:35:45,430 --> 00:35:44,000

not a means of communication per se i

930

00:35:47,190 --> 00:35:45,440

think she's taking

931

00:35:49,510 --> 00:35:47,200

movies and applying what you've seen in

932

00:35:51,349 --> 00:35:49,520

movies to it but

933

00:35:52,630 --> 00:35:51,359

it doesn't mean it's not possible it

934

00:35:53,190 --> 00:35:52,640

doesn't mean that it's not what's

935

00:35:56,230 --> 00:35:53,200

happening

936

00:35:57,750 --> 00:35:56,240

sometimes but what i saw the lips that i

937

00:35:57,990 --> 00:35:57,760

saw in the sky that night didn't seem

938

00:35:59,430 --> 00:35:58,000

like

939

00:36:00,470 --> 00:35:59,440

they were communicating with me they

940

00:36:01,750 --> 00:36:00,480

seemed like they were getting the heck

941

00:36:03,349 --> 00:36:01,760

out of dodge

942

00:36:05,190 --> 00:36:03,359

well that reminds me of what lou said

943

00:36:08,870 --> 00:36:05,200

where um he said the

944

00:36:11,990 --> 00:36:08,880

lights may actually be some form of uh

945

00:36:14,950 --> 00:36:12,000

distortion you know absolutely there's

946

00:36:17,109 --> 00:36:14,960

so many possibilities so i think that a

947

00:36:18,710 --> 00:36:17,119

lot of people put the onus on us

948

00:36:20,390 --> 00:36:18,720

you know they're like i haven't why i

949

00:36:21,990 --> 00:36:20,400

don't know what they expect i want to

950

00:36:24,390 --> 00:36:22,000

really tell people like imagine you're

951
00:36:27,510 --> 00:36:24,400
in your car right now and you're driving

952
00:36:30,950 --> 00:36:27,520
and you see a ufo and i say to you well

953
00:36:33,829 --> 00:36:30,960
did you try to communicate with them

954
00:36:34,710 --> 00:36:33,839
what like what their number like like

955
00:36:36,390 --> 00:36:34,720
what means

956
00:36:40,150 --> 00:36:36,400
communication do you intend to use

957
00:36:41,750 --> 00:36:40,160
rolling down the window and going hey

958
00:36:43,430 --> 00:36:41,760
yeah but like are you going to yell at

959
00:36:45,190 --> 00:36:43,440
your radio receiver

960
00:36:46,790 --> 00:36:45,200
right and go well i figure they have the

961
00:36:49,349 --> 00:36:46,800
tech to hear me i

962
00:36:51,109 --> 00:36:49,359
that f teen has got communications with

963
00:36:53,030 --> 00:36:51,119

the battle group

964

00:36:54,630 --> 00:36:53,040

it's like you might want to keep talking

965

00:36:57,750 --> 00:36:54,640

hello yeah

966

00:36:59,430 --> 00:36:57,760

i mean he can't yeah it's it's a

967

00:37:01,670 --> 00:36:59,440

i don't want to make fun of anybody but

968

00:37:03,430 --> 00:37:01,680

there's a lot to it it's not that simple

969

00:37:04,950 --> 00:37:03,440

yeah you know he was it's not like he

970

00:37:07,030 --> 00:37:04,960

was going to waggle his

971

00:37:08,710 --> 00:37:07,040

his wings and suddenly you know we were

972

00:37:12,069 --> 00:37:08,720

gonna join the federation

973

00:37:13,829 --> 00:37:12,079

so we gotta

974

00:37:15,270 --> 00:37:13,839

understand the hammer dance back maybe

975

00:37:18,069 --> 00:37:15,280

that'll get us in

976

00:37:19,910 --> 00:37:18,079

i understand people's frustrations like

977

00:37:21,670 --> 00:37:19,920

i wanna know if dave fraver for a minute

978

00:37:23,670 --> 00:37:21,680

in his head went

979

00:37:25,190 --> 00:37:23,680

can you hear me you know i would like to

980

00:37:26,790 --> 00:37:25,200

know if he gave it a try

981

00:37:28,630 --> 00:37:26,800

he probably did i hope he did yeah i

982

00:37:31,109 --> 00:37:28,640

hope so i i yeah i hope so

983

00:37:31,670 --> 00:37:31,119

i actually physically talked to one that

984

00:37:34,630 --> 00:37:31,680

i saw

985

00:37:35,589 --> 00:37:34,640

on camera and i said hey buddy come over

986

00:37:41,510 --> 00:37:35,599

come over here

987

00:37:45,349 --> 00:37:43,109

okay well let's get real for a second

988

00:37:48,710 --> 00:37:45,359

the ones that you can

989

00:37:49,990 --> 00:37:48,720

desert and talk to like that sure seem

990

00:37:52,390 --> 00:37:50,000

like little beasties more

991

00:37:55,270 --> 00:37:52,400

than they seem like nuts and bolts craft

992

00:37:58,710 --> 00:37:55,280

that i call those i call

993

00:37:59,510 --> 00:37:58,720

man i call the little orbs beasties

994

00:38:02,710 --> 00:37:59,520

because i

995

00:38:04,630 --> 00:38:02,720

i can't figure them out if yeah

996

00:38:05,910 --> 00:38:04,640

yeah that's what i have i'll send you my

997

00:38:08,950 --> 00:38:05,920

video

998

00:38:13,109 --> 00:38:08,960

yeah yeah it's weird i you know

999

00:38:15,670 --> 00:38:13,119

to be honest i've i felt like um

1000

00:38:16,310 --> 00:38:15,680

there was a sense of grumpiness to one

1001
00:38:17,990 --> 00:38:16,320
of them

1002
00:38:19,270 --> 00:38:18,000
like it was grumpy like it didn't want

1003
00:38:20,950 --> 00:38:19,280
to be there or something like it was

1004
00:38:21,270 --> 00:38:20,960
like what are we doing here oh i kind of

1005
00:38:23,510 --> 00:38:21,280
think

1006
00:38:24,710 --> 00:38:23,520
this is stupid i don't know but that's

1007
00:38:29,589 --> 00:38:24,720
all you know that could all be

1008
00:38:31,349 --> 00:38:29,599
just my perception of course um

1009
00:38:33,030 --> 00:38:31,359
let's see i think like when that when

1010
00:38:36,310 --> 00:38:33,040
those weird perceptions come

1011
00:38:38,550 --> 00:38:36,320
in that that's

1012
00:38:40,230 --> 00:38:38,560
yeah i don't as i say i'm not a gambling

1013
00:38:40,870 --> 00:38:40,240

man i wouldn't bet a ham sandwich on any

1014

00:38:45,750 --> 00:38:40,880

of them

1015

00:38:48,790 --> 00:38:48,390

let me ask you this um do we do you know

1016

00:38:53,589 --> 00:38:48,800

of

1017

00:38:59,589 --> 00:38:56,550

doing anything kinetic other than

1018

00:39:04,470 --> 00:39:03,430

well uh there are a very few and i want

1019

00:39:05,510 --> 00:39:04,480

to be careful here because a lot of

1020

00:39:07,030 --> 00:39:05,520

people get mad when you bring up the

1021

00:39:08,710 --> 00:39:07,040

negative aspects of it because a lot of

1022

00:39:11,829 --> 00:39:08,720

people have a lot of blood

1023

00:39:14,310 --> 00:39:11,839

yeah yeah but there have been

1024

00:39:15,030 --> 00:39:14,320

reports and there has been evidence of

1025

00:39:17,829 --> 00:39:15,040

um

1026
00:39:19,270 --> 00:39:17,839
of negative kinetic well kinetic hold on

1027
00:39:23,030 --> 00:39:19,280
that's a very specific word

1028
00:39:25,190 --> 00:39:23,040
it is um the only

1029
00:39:26,390 --> 00:39:25,200
kinetic issues that i've heard about

1030
00:39:28,630 --> 00:39:26,400
seem to be

1031
00:39:29,670 --> 00:39:28,640
navigational or malfunctioning problems

1032
00:39:32,310 --> 00:39:29,680
um there were some

1033
00:39:33,109 --> 00:39:32,320
there was i believe it was in it i can't

1034
00:39:38,310 --> 00:39:33,119
wear

1035
00:39:44,310 --> 00:39:41,829
or was it south africa or

1036
00:39:45,430 --> 00:39:44,320
south america but they had they had one

1037
00:39:47,270 --> 00:39:45,440
where it crashed through it was in

1038
00:39:48,870 --> 00:39:47,280

africa they crashed through this village

1039

00:39:50,550 --> 00:39:48,880

crashed through it the the orbs crashed

1040

00:39:52,230 --> 00:39:50,560

through a bunch of walls

1041

00:39:54,069 --> 00:39:52,240

in the village and created fires and

1042

00:39:56,710 --> 00:39:54,079

things like that and kind of like

1043

00:39:57,990 --> 00:39:56,720

almost like a drunk you know in a in a

1044

00:39:59,750 --> 00:39:58,000

bazaar in their car

1045

00:40:01,430 --> 00:39:59,760

just backing up and going forward and

1046

00:40:04,150 --> 00:40:01,440

then

1047

00:40:05,589 --> 00:40:04,160

um there have been cases like that um

1048

00:40:08,150 --> 00:40:05,599

there have been directed energy

1049

00:40:09,270 --> 00:40:08,160

cases as well but it's um yeah so yeah

1050

00:40:12,790 --> 00:40:09,280

there are

1051

00:40:15,109 --> 00:40:12,800

there's a physicality like emp

1052

00:40:16,710 --> 00:40:15,119

attacks always for for whatever reason i

1053

00:40:18,710 --> 00:40:16,720

think of those things

1054

00:40:20,630 --> 00:40:18,720

like and if there was some sort of weird

1055

00:40:21,910 --> 00:40:20,640

like attacks or something

1056

00:40:24,150 --> 00:40:21,920

you know what are the chances it would

1057

00:40:27,270 --> 00:40:24,160

be something obvious in that

1058

00:40:30,630 --> 00:40:27,280

psychological or like a emp or whatever

1059

00:40:32,230 --> 00:40:30,640

you know sure sure but

1060

00:40:33,990 --> 00:40:32,240

um yeah the manipulation of the

1061

00:40:38,150 --> 00:40:34,000

electromagnetic spectrum

1062

00:40:38,550 --> 00:40:38,160

seems to be key in this yeah i don't

1063

00:40:40,630 --> 00:40:38,560

know

1064

00:40:42,870 --> 00:40:40,640

look at those people in cuba they're

1065

00:40:44,710 --> 00:40:42,880

getting zapped yeah

1066

00:40:46,230 --> 00:40:44,720

well yeah but again the question is by

1067

00:40:48,870 --> 00:40:46,240

whom yeah

1068

00:40:50,230 --> 00:40:48,880

well you know we don't have answers to

1069

00:40:53,349 --> 00:40:50,240

much

1070

00:40:54,390 --> 00:40:53,359

but we keep trying it's a it's a good

1071

00:40:56,309 --> 00:40:54,400

battle to fight

1072

00:40:57,430 --> 00:40:56,319

um are you overtime or do you have more

1073

00:41:02,630 --> 00:40:57,440

time

1074

00:41:04,150 --> 00:41:02,640

do not disturb and airplane mode and the

1075

00:41:06,069 --> 00:41:04,160

only person that can ring through keeps

1076

00:41:08,069 --> 00:41:06,079

calling me

1077

00:41:09,990 --> 00:41:08,079

if you need to take it you know no it's

1078

00:41:16,069 --> 00:41:10,000

okay i got a guitar i can

1079

00:41:21,349 --> 00:41:18,150

dude that's uh we got through a lot of

1080

00:41:24,710 --> 00:41:21,359

my questions already um

1081

00:41:28,550 --> 00:41:24,720

i would say i'll

1082

00:41:30,790 --> 00:41:28,560

get to off the script stuff sure

1083

00:41:32,069 --> 00:41:30,800

um it's the first time i've been smiling

1084

00:41:33,670 --> 00:41:32,079

this big all week i mean

1085

00:41:35,109 --> 00:41:33,680

max and i had fun yesterday but we were

1086

00:41:38,230 --> 00:41:35,119

serious yeah

1087

00:41:41,270 --> 00:41:38,240

i don't know it's like you have to

1088

00:41:43,190 --> 00:41:41,280

at least to me um especially with

1089

00:41:45,109 --> 00:41:43,200

something so heavy like this if you just

1090

00:41:46,069 --> 00:41:45,119

go all serious all the time you're gonna

1091

00:41:49,910 --> 00:41:46,079

snap

1092

00:41:50,550 --> 00:41:49,920

you know oh yeah man i'm i feel for lou

1093

00:41:52,309 --> 00:41:50,560

now

1094

00:41:54,630 --> 00:41:52,319

i didn't understand the tempo that he

1095

00:41:57,670 --> 00:41:54,640

was um that he was holding up for a long

1096

00:41:57,680 --> 00:42:03,170

angry what is happening to him

1097

00:42:03,180 --> 00:42:11,670

[Music]

1098

00:42:15,109 --> 00:42:13,109

i'll admit when i first started getting

1099

00:42:16,230 --> 00:42:15,119

into this stuff which was you know i've

1100

00:42:19,829 --> 00:42:16,240

always paid attention

1101

00:42:22,069 --> 00:42:19,839

i guess um especially since 2017 but

1102

00:42:23,829 --> 00:42:22,079

when i first started actually like

1103

00:42:25,829 --> 00:42:23,839

digging a little more because i'm the

1104

00:42:27,030 --> 00:42:25,839

type to figure out stuff on my own i'm a

1105

00:42:28,870 --> 00:42:27,040

self-starter so

1106

00:42:30,470 --> 00:42:28,880

i look people up i look what they did i

1107

00:42:32,710 --> 00:42:30,480

do my own stuff and

1108

00:42:33,910 --> 00:42:32,720

way it versus you know this word and

1109

00:42:36,950 --> 00:42:33,920

that word

1110

00:42:40,150 --> 00:42:36,960

um and it

1111

00:42:41,829 --> 00:42:40,160

like it seems so too good to be true

1112

00:42:43,430 --> 00:42:41,839

that somebody would really be doing that

1113

00:42:45,430 --> 00:42:43,440

that i think my perception just

1114

00:42:48,470 --> 00:42:45,440

naturally went to he's trying to

1115

00:42:48,870 --> 00:42:48,480

screw us somehow you know because you i

1116

00:42:50,550 --> 00:42:48,880

live

1117

00:42:52,630 --> 00:42:50,560

my life with that fear because of

1118

00:42:54,470 --> 00:42:52,640

various experiences i've been through

1119

00:42:55,750 --> 00:42:54,480

in real life you know even with best

1120

00:42:58,950 --> 00:42:55,760

friends or whatever

1121

00:43:02,550 --> 00:42:58,960

but the more you see the guy work and

1122

00:43:06,550 --> 00:43:02,560

talk um if you don't

1123

00:43:10,069 --> 00:43:06,560

if you can't smell the sincerity

1124

00:43:13,190 --> 00:43:10,079

um i don't think you really

1125

00:43:15,589 --> 00:43:13,200

know people yeah you know there there's

1126

00:43:17,589 --> 00:43:15,599

a lot of fear rap stiffness for folk man

1127

00:43:19,109 --> 00:43:17,599

i was saying that you said about

1128

00:43:21,349 --> 00:43:19,119

trusting

1129

00:43:22,230 --> 00:43:21,359

you know yeah well because that's what's

1130

00:43:25,270 --> 00:43:22,240

used against us

1131

00:43:26,790 --> 00:43:25,280

everything that has every every bit of

1132

00:43:28,870 --> 00:43:26,800

sovereign humanity that we all

1133

00:43:30,550 --> 00:43:28,880

deserve you know that that kind of like

1134

00:43:31,910 --> 00:43:30,560

seed that we should all have within us

1135

00:43:35,430 --> 00:43:31,920

to have a life

1136

00:43:36,710 --> 00:43:35,440

um it's co-opted by our society to an

1137

00:43:37,829 --> 00:43:36,720

extent i don't want to sound like this

1138

00:43:39,349 --> 00:43:37,839

militant hippie

1139

00:43:41,589 --> 00:43:39,359

but all of us should have a little bit

1140

00:43:45,270 --> 00:43:41,599

more choice and resource

1141

00:43:47,910 --> 00:43:45,280

and other things at our disposal to to

1142

00:43:49,109 --> 00:43:47,920

choose the course of our life um no i

1143

00:43:50,550 --> 00:43:49,119

hear you when i met lou

1144

00:43:53,109 --> 00:43:50,560

i was really worried he was another

1145

00:43:54,630 --> 00:43:53,119

bullshitter and i took

1146

00:43:56,309 --> 00:43:54,640

man i spent nine months trying to prove

1147

00:43:59,349 --> 00:43:56,319

that that was the case that sounds

1148

00:44:00,150 --> 00:43:59,359

like i was i was super suspicious when i

1149

00:44:02,390 --> 00:44:00,160

met him but

1150

00:44:03,670 --> 00:44:02,400

also there's folks that you meet you

1151

00:44:05,670 --> 00:44:03,680

look in their eyes and you shake their

1152

00:44:08,710 --> 00:44:05,680

hands and you go that dude's one of me

1153

00:44:10,630 --> 00:44:08,720

yep and i don't know why but i'll go to

1154

00:44:11,910 --> 00:44:10,640

the mattresses for that cat and it's

1155

00:44:13,990 --> 00:44:11,920

that's where we've been ever since and

1156

00:44:16,230 --> 00:44:14,000

he's proven himself to me

1157

00:44:17,589 --> 00:44:16,240

um and i've proven myself to him i hope

1158

00:44:20,390 --> 00:44:17,599

but uh

1159

00:44:20,790 --> 00:44:20,400

that's a loyal dude you know sean you

1160

00:44:24,150 --> 00:44:20,800

are

1161

00:44:25,990 --> 00:44:24,160

an amazing person and one of the reasons

1162

00:44:27,910 --> 00:44:26,000

i'm even here doing this if i didn't

1163

00:44:30,470 --> 00:44:27,920

find people like yourself

1164

00:44:31,190 --> 00:44:30,480

involved in what's happening right now i

1165

00:44:33,990 --> 00:44:31,200

wouldn't

1166

00:44:35,430 --> 00:44:34,000

think i had a place so we need more

1167

00:44:36,309 --> 00:44:35,440

folks like us well i'm glad you're here

1168

00:44:38,870 --> 00:44:36,319

man

1169

00:44:40,550 --> 00:44:38,880

i'm i'm glad you're here and that you

1170

00:44:42,550 --> 00:44:40,560

know i wound up being here

1171

00:44:43,910 --> 00:44:42,560

and you know being able to meet you and

1172

00:44:46,630 --> 00:44:43,920

stuff and i really hope i can

1173

00:44:47,030 --> 00:44:46,640

uh pick your brain more at some point

1174

00:44:50,069 --> 00:44:47,040

perhaps

1175

00:44:55,670 --> 00:44:50,079

maybe off camera about the other stuff

1176

00:44:59,750 --> 00:44:57,589

do you think there's any connection to

1177

00:45:03,430 --> 00:44:59,760

this stuff and any of the

1178

00:45:06,470 --> 00:45:03,440

like earthquakes

1179

00:45:09,589 --> 00:45:06,480

or anything like that or

1180

00:45:11,349 --> 00:45:09,599

what's up with catalina you know greg

1181

00:45:14,470 --> 00:45:11,359

cameron had somebody remote view

1182

00:45:17,270 --> 00:45:14,480

that place and talk to aliens

1183

00:45:18,230 --> 00:45:17,280

so what do you think is the case there

1184

00:45:21,510 --> 00:45:18,240

because it's

1185

00:45:21,990 --> 00:45:21,520

awful awful coincidental that there's

1186

00:45:25,109 --> 00:45:22,000

all this

1187

00:45:26,710 --> 00:45:25,119

commotion there it's a very

1188

00:45:28,550 --> 00:45:26,720

um if you're willing to paint a broad

1189

00:45:30,230 --> 00:45:28,560

picture there seems to be a lot of

1190

00:45:31,430 --> 00:45:30,240

interesting things that coincide with

1191

00:45:35,109 --> 00:45:31,440

each other

1192

00:45:35,510 --> 00:45:35,119

um if you're paying attention to where

1193

00:45:39,109 --> 00:45:35,520

the

1194

00:45:42,230 --> 00:45:39,119

area

1195

00:45:43,910 --> 00:45:42,240

uh we're coming out of a basically a

1196

00:45:44,390 --> 00:45:43,920

interstellar cloud that we've been in

1197

00:45:46,870 --> 00:45:44,400

for

1198

00:45:47,829 --> 00:45:46,880

a very very long time there's a we're

1199

00:45:51,510 --> 00:45:47,839

encountering a different

1200

00:45:52,870 --> 00:45:51,520

um energy variant the sun is acting a

1201

00:45:57,030 --> 00:45:52,880

little bit differently

1202

00:46:01,589 --> 00:45:57,040

the sun's the solar cycle affects

1203

00:46:04,069 --> 00:46:01,599

our geomagnetic

1204

00:46:05,349 --> 00:46:04,079

um situation here on earth which in turn

1205

00:46:08,309 --> 00:46:05,359

affects

1206

00:46:09,829 --> 00:46:08,319

our um tectonic activity and our

1207

00:46:11,430 --> 00:46:09,839

earthquakes

1208

00:46:13,589 --> 00:46:11,440

all of those things are tied to each of

1209

00:46:15,349 --> 00:46:13,599

our hearts

1210

00:46:17,030 --> 00:46:15,359

a lot of people don't consider the fact

1211

00:46:18,790 --> 00:46:17,040

that your heart is

1212

00:46:21,190 --> 00:46:18,800

basically connected to the rhythm of the

1213

00:46:22,630 --> 00:46:21,200

earth the rhythm of the sun

1214

00:46:25,030 --> 00:46:22,640

and that is connected to the rhythm of

1215

00:46:27,430 --> 00:46:25,040

the local area and the galaxy

1216

00:46:29,270 --> 00:46:27,440

as humans we don't think of ourselves

1217

00:46:30,870 --> 00:46:29,280

spread out across a spectrum like that

1218

00:46:33,270 --> 00:46:30,880

we just think of ourselves as monkeys

1219

00:46:35,349 --> 00:46:33,280

running around on this this ball of dirt

1220

00:46:37,510 --> 00:46:35,359

but we're a part of the process we're

1221

00:46:41,510 --> 00:46:37,520

not outside the process

1222

00:46:44,230 --> 00:46:41,520

so so hard for people to

1223

00:46:46,069 --> 00:46:44,240

break out of their what's in front of

1224

00:46:48,390 --> 00:46:46,079

them every day the routines i gotta get

1225

00:46:50,870 --> 00:46:48,400

groceries i gotta pick up my kid

1226

00:46:52,470 --> 00:46:50,880

i gotta get this report in because i

1227

00:46:54,870 --> 00:46:52,480

think my boss is pissed at me

1228

00:46:56,790 --> 00:46:54,880

or you know it's so hard for people to

1229

00:47:01,030 --> 00:46:56,800

get out of that

1230

00:47:04,790 --> 00:47:01,040

forced routine that is unnatural

1231

00:47:06,150 --> 00:47:04,800

you catch a lot of people that are they

1232

00:47:08,230 --> 00:47:06,160

you get you get like two sides of the

1233

00:47:09,990 --> 00:47:08,240

coin i have no problem using a binary

1234

00:47:11,910 --> 00:47:10,000

way to describe our day-to-day

1235

00:47:13,270 --> 00:47:11,920

like you've got folks that that dive

1236

00:47:17,030 --> 00:47:13,280

inward

1237

00:47:18,630 --> 00:47:17,040

and they then start having trouble

1238

00:47:21,030 --> 00:47:18,640

carrying water and chopping wood every

1239

00:47:22,549 --> 00:47:21,040

day and then you've got people that

1240

00:47:24,549 --> 00:47:22,559

they don't go yeah me too they don't go

1241

00:47:26,390 --> 00:47:24,559

inward and you got piles of laundry that

1242

00:47:27,829 --> 00:47:26,400

are

1243

00:47:30,549 --> 00:47:27,839

in their moccasins they're not my wife's

1244

00:47:31,829 --> 00:47:30,559

fault yeah no it's but

1245

00:47:33,430 --> 00:47:31,839

but the people chopping wood and

1246

00:47:34,069 --> 00:47:33,440

carrying water every day doing a good

1247

00:47:36,069 --> 00:47:34,079

job

1248

00:47:38,390 --> 00:47:36,079

don't go as inward so we all need each

1249

00:47:41,430 --> 00:47:38,400

other um yeah so

1250

00:47:41,829 --> 00:47:41,440

it's it's heavy man there's a ying and a

1251

00:47:45,270 --> 00:47:41,839

yang

1252

00:47:47,349 --> 00:47:45,280

yep and well i think like

1253

00:47:49,349 --> 00:47:47,359

the hard part about that is the nuts and

1254

00:47:51,270 --> 00:47:49,359

bolts uh type of people won't

1255

00:47:53,829 --> 00:47:51,280

necessarily give a damn to even think

1256

00:47:57,030 --> 00:47:53,839

about needing

1257

00:47:58,710 --> 00:47:57,040

other people yeah

1258

00:48:00,390 --> 00:47:58,720

it takes and in a lot of cases those are

1259

00:48:02,309 --> 00:48:00,400

the folks that need a little bit more

1260

00:48:03,510 --> 00:48:02,319

compassion and vulnerability from us

1261

00:48:05,190 --> 00:48:03,520

because they they still

1262

00:48:06,710 --> 00:48:05,200

come out of the cave a little bit you

1263

00:48:10,390 --> 00:48:06,720

know yeah

1264

00:48:10,630 --> 00:48:10,400

empathy i think plays or it should play

1265

00:48:19,030 --> 00:48:10,640

an

1266

00:48:21,349 --> 00:48:19,040

thought of

1267

00:48:23,030 --> 00:48:21,359

this person has a life and i have no

1268

00:48:26,390 --> 00:48:23,040

idea what they're going through

1269

00:48:28,230 --> 00:48:26,400

right now or what makes them tick

1270

00:48:30,150 --> 00:48:28,240

i mean if everyone could just put that

1271

00:48:33,270 --> 00:48:30,160

thought before what they say

1272

00:48:37,750 --> 00:48:36,230

everything would go a lot better yeah

1273

00:48:39,589 --> 00:48:37,760

you know i see that as compassion

1274

00:48:40,870 --> 00:48:39,599

because a lot of people have empathy but

1275

00:48:43,910 --> 00:48:40,880

they only have enough

1276
00:48:45,510 --> 00:48:43,920
to then judge the person and say i can

1277
00:48:46,870 --> 00:48:45,520
walk in your shoes but now i think

1278
00:48:48,630 --> 00:48:46,880
you're an a-hole for making those

1279
00:48:50,630 --> 00:48:48,640
choices and i need to make myself feel

1280
00:48:53,750 --> 00:48:50,640
better so i'm going to step back

1281
00:48:56,390 --> 00:48:53,760
um compassion says yeah i've been

1282
00:48:57,030 --> 00:48:56,400
i've been in the same position and i'm

1283
00:49:00,870 --> 00:48:57,040
not

1284
00:49:02,470 --> 00:49:00,880
going to judge you

1285
00:49:05,109 --> 00:49:02,480
i think that's that's the extra step we

1286
00:49:06,950 --> 00:49:05,119
need to oh my god that blew my mind

1287
00:49:09,510 --> 00:49:06,960
i'm not going to judge me anymore so i'm

1288
00:49:13,190 --> 00:49:09,520

not going to judge you that's

1289

00:49:16,710 --> 00:49:13,200

that's the epitome of where

1290

00:49:17,829 --> 00:49:16,720

i want to get to is not judging myself

1291

00:49:19,910 --> 00:49:17,839

anymore

1292

00:49:21,270 --> 00:49:19,920

you know i don't mean to to pontificate

1293

00:49:23,030 --> 00:49:21,280

but you know what the price to that

1294

00:49:24,710 --> 00:49:23,040

is the price is is you can't make those

1295

00:49:26,630 --> 00:49:24,720

shitty decisions anymore

1296

00:49:28,309 --> 00:49:26,640

you can't get yourself those excuses to

1297

00:49:30,150 --> 00:49:28,319

say i'm gonna go do this crappy thing

1298

00:49:31,589 --> 00:49:30,160

and then forgive myself later

1299

00:49:32,870 --> 00:49:31,599

you say i'm going to forgive myself

1300

00:49:34,230 --> 00:49:32,880

ahead of time and then i'm going to take

1301
00:49:34,870 --> 00:49:34,240
the right steps because i have the

1302
00:49:38,710 --> 00:49:34,880
courage

1303
00:49:41,990 --> 00:49:38,720
of that forgiveness in myself yeah

1304
00:49:43,430 --> 00:49:42,000
well but brother um

1305
00:49:49,990 --> 00:49:43,440
you got a lot of irons in the fire what

1306
00:49:53,430 --> 00:49:52,069
the last few days have seen uh me and my

1307
00:49:55,829 --> 00:49:53,440
colleagues be able to

1308
00:49:59,109 --> 00:49:55,839
put a safety net in place that we think

1309
00:50:00,950 --> 00:49:59,119
is going to be able to look out for lou

1310
00:50:02,150 --> 00:50:00,960
you're not the only one and our our

1311
00:50:05,030 --> 00:50:02,160
friends and uh

1312
00:50:05,589 --> 00:50:05,040
colleagues and and i dare say fans i'm

1313
00:50:08,630 --> 00:50:05,599

not

1314

00:50:09,349 --> 00:50:08,640

a fan of the word fans but um i dare say

1315

00:50:11,030 --> 00:50:09,359

that

1316

00:50:14,309 --> 00:50:11,040

they feel as strongly as we do about

1317

00:50:15,750 --> 00:50:14,319

wanting to look out for our dude

1318

00:50:17,109 --> 00:50:15,760

i feel like we've been able to do that

1319

00:50:18,390 --> 00:50:17,119

recently so i look forward to sharing

1320

00:50:20,549 --> 00:50:18,400

that with everybody i know that my

1321

00:50:24,390 --> 00:50:20,559

colleagues do

1322

00:50:27,990 --> 00:50:24,400

awesome we've got

1323

00:50:31,109 --> 00:50:28,000

major moves happening um in washington

1324

00:50:33,030 --> 00:50:31,119

we've got a lot of buy-in from

1325

00:50:34,790 --> 00:50:33,040

the levels of society that inform the

1326

00:50:36,150 --> 00:50:34,800

rest of us on a daily basis that are

1327

00:50:37,910 --> 00:50:36,160

interested in this

1328

00:50:39,190 --> 00:50:37,920

everybody says they love you sorry i

1329

00:50:42,150 --> 00:50:39,200

gotta throw that in there

1330

00:50:42,870 --> 00:50:42,160

oh signals well you tell dan i love him

1331

00:50:46,230 --> 00:50:42,880

i mean

1332

00:50:48,309 --> 00:50:46,240

dan i love you man you know

1333

00:50:50,069 --> 00:50:48,319

dan dan zappostrom is a very close good

1334

00:50:51,750 --> 00:50:50,079

friend of mine just so you guys know i

1335

00:50:52,390 --> 00:50:51,760

know you guys are throwing out comments

1336

00:50:54,549 --> 00:50:52,400

i'm a

1337

00:50:55,430 --> 00:50:54,559

lone ranger over here i'm doing the best

1338

00:50:57,910 --> 00:50:55,440

i can

1339

00:50:59,589 --> 00:50:57,920

uh but it's gonna be more important to

1340

00:51:00,549 --> 00:50:59,599

me always to be engaged in the

1341

00:51:04,390 --> 00:51:00,559

conversation

1342

00:51:06,230 --> 00:51:04,400

with the person i have on and if i do

1343

00:51:08,790 --> 00:51:06,240

you know if i'm able to multitask i'll

1344

00:51:11,829 --> 00:51:08,800

bring in a comment

1345

00:51:12,950 --> 00:51:11,839

yeah go ahead sorry oh that kind of got

1346

00:51:14,950 --> 00:51:12,960

me just gonna

1347

00:51:16,470 --> 00:51:14,960

see a friend show up in the chat um

1348

00:51:17,829 --> 00:51:16,480

somebody somebody told me yesterday and

1349

00:51:19,109 --> 00:51:17,839

then custom comments somewhere they're

1350

00:51:20,069 --> 00:51:19,119

like don't pay attention to that you

1351
00:51:23,829 --> 00:51:20,079
should be

1352
00:51:27,349 --> 00:51:23,839
be being interviewed

1353
00:51:29,190 --> 00:51:27,359
no see i think the like the whole like

1354
00:51:33,589 --> 00:51:29,200
um

1355
00:51:36,790 --> 00:51:35,510
not the route to go if you really want

1356
00:51:37,990 --> 00:51:36,800
to learn about somebody

1357
00:51:41,190 --> 00:51:38,000
i mean if you want to learn about

1358
00:51:44,230 --> 00:51:41,200
somebody like talk to them

1359
00:51:47,430 --> 00:51:44,240
you know i agree yeah hey tell me

1360
00:51:49,750 --> 00:51:47,440
tell me about your song

1361
00:51:51,430 --> 00:51:49,760
the one the connections in the chemistry

1362
00:51:52,790 --> 00:51:51,440
i don't know if i never get the titles

1363
00:51:53,829 --> 00:51:52,800

of any songs right and i never have

1364

00:51:56,549 --> 00:51:53,839

since i got since i

1365

00:51:58,069 --> 00:51:56,559

started listening to the cds so well uh

1366

00:52:01,030 --> 00:51:58,079

well you got that one red

1367

00:52:02,710 --> 00:52:01,040

okay good oh that dude is actually the

1368

00:52:06,069 --> 00:52:02,720

first time

1369

00:52:07,829 --> 00:52:06,079

oh really yeah wow i um i was sitting on

1370

00:52:09,349 --> 00:52:07,839

the floor in in what i now call

1371

00:52:10,950 --> 00:52:09,359

my room at his place although it's not

1372

00:52:13,430 --> 00:52:10,960

my room um

1373

00:52:14,710 --> 00:52:13,440

but i was getting ready to meditate and

1374

00:52:16,630 --> 00:52:14,720

i was going through my uh

1375

00:52:18,069 --> 00:52:16,640

my i think my tweets or going through my

1376

00:52:19,430 --> 00:52:18,079

feed or something and i

1377

00:52:21,510 --> 00:52:19,440

can't remember if you sent it to me or

1378

00:52:22,069 --> 00:52:21,520

if you had posted it i said to you i

1379

00:52:25,030 --> 00:52:22,079

said

1380

00:52:26,150 --> 00:52:25,040

sean if anyone's gonna understand what i

1381

00:52:28,390 --> 00:52:26,160

made

1382

00:52:30,630 --> 00:52:28,400

i know i don't know you yet but it's

1383

00:52:34,230 --> 00:52:30,640

gonna be you

1384

00:52:35,910 --> 00:52:34,240

i just had a feeling um

1385

00:52:37,430 --> 00:52:35,920

sure [h__h] i didn't like that i made

1386

00:52:39,510 --> 00:52:37,440

everybody listen to that man

1387

00:52:40,470 --> 00:52:39,520

everybody that was out there on that on

1388

00:52:42,710 --> 00:52:40,480

that shoot with us

1389

00:52:44,790 --> 00:52:42,720

and and i was like y'all need to shout

1390

00:52:46,150 --> 00:52:44,800

like i like everybody was like kind of

1391

00:52:48,230 --> 00:52:46,160

what is he doing i was like you need to

1392

00:52:51,190 --> 00:52:48,240

hear this song yeah so

1393

00:52:52,950 --> 00:52:51,200

it's hard for me to remember a lot of

1394

00:52:56,390 --> 00:52:52,960

the lyrics because i do

1395

00:52:58,150 --> 00:52:56,400

write a lot of stuff um

1396

00:53:00,150 --> 00:52:58,160

as it's like kind of at this point it's

1397

00:53:01,910 --> 00:53:00,160

just therapy it's automatic like the

1398

00:53:04,790 --> 00:53:01,920

song i made for loot took like

1399

00:53:05,910 --> 00:53:04,800

20 minutes you know yeah i know exactly

1400

00:53:08,549 --> 00:53:05,920

what you mean man

1401
00:53:09,030 --> 00:53:08,559
yeah but sometimes i never play it again

1402
00:53:11,349 --> 00:53:09,040
yeah

1403
00:53:12,630 --> 00:53:11,359
and when you force it it's just like you

1404
00:53:14,950 --> 00:53:12,640
gotta realize like

1405
00:53:16,150 --> 00:53:14,960
this isn't going to be any good you know

1406
00:53:17,589 --> 00:53:16,160
it's not forcing it

1407
00:53:19,190 --> 00:53:17,599
but no the song connections and the

1408
00:53:22,390 --> 00:53:19,200
chemistry

1409
00:53:24,950 --> 00:53:22,400
was if i recall it's really about

1410
00:53:25,589 --> 00:53:24,960
us being connected to each other and

1411
00:53:28,470 --> 00:53:25,599
possibly

1412
00:53:30,710 --> 00:53:28,480
this phenomenon all at the same time and

1413
00:53:34,390 --> 00:53:30,720

that we can communicate

1414

00:53:37,910 --> 00:53:34,400

on basically gravitational waves that go

1415

00:53:40,309 --> 00:53:37,920

the length of the entire universe and

1416

00:53:42,790 --> 00:53:40,319

you know what we do like going back to

1417

00:53:45,829 --> 00:53:42,800

what you said earlier affects

1418

00:53:48,390 --> 00:53:45,839

each other and sometimes at a very

1419

00:53:49,589 --> 00:53:48,400

subtle level level at first but it's the

1420

00:53:52,790 --> 00:53:49,599

culmination

1421

00:53:55,750 --> 00:53:52,800

of that energy that really has an effect

1422

00:53:56,790 --> 00:53:55,760

i'm a big fan of saying what if what if

1423

00:53:59,030 --> 00:53:56,800

your thoughts

1424

00:54:01,430 --> 00:53:59,040

could heal someone what if your interior

1425

00:54:03,510 --> 00:54:01,440

monologue changed the course of history

1426
00:54:05,190 --> 00:54:03,520
what if your attitude was as infectious

1427
00:54:06,150 --> 00:54:05,200
as we like to say it is on hallmark

1428
00:54:09,430 --> 00:54:06,160
cards

1429
00:54:10,870 --> 00:54:09,440
um it's worth it it is

1430
00:54:13,030 --> 00:54:10,880
it's worth the chance it's worth the

1431
00:54:16,150 --> 00:54:13,040
possible hurt

1432
00:54:16,630 --> 00:54:16,160
of being let down to realize just what

1433
00:54:18,630 --> 00:54:16,640
and

1434
00:54:20,549 --> 00:54:18,640
see each of us we're all waiting for

1435
00:54:22,069 --> 00:54:20,559
anyone to come lead us out of the cave

1436
00:54:24,470 --> 00:54:22,079
just one person

1437
00:54:25,589 --> 00:54:24,480
and we don't realize that that when we

1438
00:54:28,069 --> 00:54:25,599

do that

1439

00:54:29,510 --> 00:54:28,079

it has an exponential effect you know

1440

00:54:31,030 --> 00:54:29,520

we're all waiting for our payment we're

1441

00:54:32,630 --> 00:54:31,040

like when i get paid first then i'll be

1442

00:54:35,510 --> 00:54:32,640

heartfelt and kind and loving

1443

00:54:36,789 --> 00:54:35,520

and that's not how it works that's so

1444

00:54:38,789 --> 00:54:36,799

interesting

1445

00:54:40,870 --> 00:54:38,799

that's kind of how i looked at like my

1446

00:54:42,870 --> 00:54:40,880

whole music or here almost

1447

00:54:44,470 --> 00:54:42,880

like once i get paid for this then i'll

1448

00:54:47,109 --> 00:54:44,480

stop thinking everyone else involved

1449

00:54:51,190 --> 00:54:49,109

you know but you know at that point

1450

00:54:51,990 --> 00:54:51,200

though i mean it took a long time for me

1451
00:54:55,589 --> 00:54:52,000
to realize that

1452
00:54:56,470 --> 00:54:55,599
but um you know the whole reason i think

1453
00:54:58,630 --> 00:54:56,480
i didn't even get

1454
00:55:00,150 --> 00:54:58,640
any farther with the music is because

1455
00:55:03,750 --> 00:55:00,160
the intentions were

1456
00:55:05,750 --> 00:55:03,760
self-serving

1457
00:55:07,430 --> 00:55:05,760
and they weren't which is okay to a

1458
00:55:09,109 --> 00:55:07,440
certain extent as far as like mental

1459
00:55:12,470 --> 00:55:09,119
therapy and stuff but

1460
00:55:14,150 --> 00:55:12,480
you know it wasn't about expression on a

1461
00:55:15,589 --> 00:55:14,160
stage and touching people

1462
00:55:17,030 --> 00:55:15,599
you know it was always like what can i

1463
00:55:18,950 --> 00:55:17,040

do next what's the bigger show what's

1464

00:55:20,549 --> 00:55:18,960

the bigger band i can play with you know

1465

00:55:22,710 --> 00:55:20,559

who can i call now all that kind of

1466

00:55:24,390 --> 00:55:22,720

stuff and it completely

1467

00:55:26,390 --> 00:55:24,400

took me away from why i did it to begin

1468

00:55:28,150 --> 00:55:26,400

with which is

1469

00:55:29,430 --> 00:55:28,160

therapy if you would have seen my like

1470

00:55:31,510 --> 00:55:29,440

first open mic

1471

00:55:33,670 --> 00:55:31,520

i did it like 17 where i'm writing my

1472

00:55:36,470 --> 00:55:33,680

own stuff playing one chord for an

1473

00:55:37,430 --> 00:55:36,480

hour like cry singing driving everybody

1474

00:55:40,710 --> 00:55:37,440

out of the bar

1475

00:55:43,270 --> 00:55:40,720

like you know but

1476
00:55:45,510 --> 00:55:43,280
um i don't know where i was going with

1477
00:55:47,430 --> 00:55:45,520
that but

1478
00:55:48,630 --> 00:55:47,440
i know how you feel man there's an

1479
00:55:51,430 --> 00:55:48,640
energy to it

1480
00:55:52,950 --> 00:55:51,440
it needs to be treated properly yeah and

1481
00:55:53,910 --> 00:55:52,960
it's almost like i went through all that

1482
00:55:57,670 --> 00:55:53,920
crap

1483
00:55:59,510 --> 00:55:57,680
to get a different view on life the

1484
00:56:01,190 --> 00:55:59,520
correct one which is

1485
00:56:02,710 --> 00:56:01,200
you know always been nagging at me my

1486
00:56:04,950 --> 00:56:02,720
whole life that i've never fully

1487
00:56:06,950 --> 00:56:04,960
released which is just helping people

1488
00:56:08,870 --> 00:56:06,960

being there for people my mom raised me

1489

00:56:11,829 --> 00:56:08,880

that way with integrity

1490

00:56:12,309 --> 00:56:11,839

and to be there for people yeah and you

1491

00:56:14,950 --> 00:56:12,319

know

1492

00:56:15,990 --> 00:56:14,960

so that's what i'm trying to do being a

1493

00:56:19,030 --> 00:56:16,000

helper is the thing that

1494

00:56:21,670 --> 00:56:19,040

makes me feel least selfish

1495

00:56:22,870 --> 00:56:21,680

it makes me forget that i need anything

1496

00:56:24,230 --> 00:56:22,880

um

1497

00:56:25,910 --> 00:56:24,240

and then when i'm done helping i

1498

00:56:27,030 --> 00:56:25,920

realized that was what i needed i needed

1499

00:56:31,109 --> 00:56:27,040

to be

1500

00:56:33,190 --> 00:56:31,119

of service i enjoy

1501

00:56:34,549 --> 00:56:33,200

i enjoy being part of the solution i

1502

00:56:36,150 --> 00:56:34,559

don't need to be the smartest guy in the

1503

00:56:40,069 --> 00:56:36,160

room but i want to help

1504

00:56:42,950 --> 00:56:40,079

yeah that that's all i ever want to do

1505

00:56:44,870 --> 00:56:42,960

is like desperately help sometimes to

1506

00:56:46,150 --> 00:56:44,880

the point where

1507

00:56:48,710 --> 00:56:46,160

you know maybe you've had this

1508

00:56:49,510 --> 00:56:48,720

experience but you almost tried so hard

1509

00:56:52,870 --> 00:56:49,520

to help

1510

00:56:55,030 --> 00:56:52,880

that you were shunned yes

1511

00:56:55,990 --> 00:56:55,040

and then it's the taking the shunning so

1512

00:56:57,910 --> 00:56:56,000

personally

1513

00:56:59,109 --> 00:56:57,920

that is what ruins the the helpers

1514

00:57:01,510 --> 00:56:59,119

because

1515

00:57:03,190 --> 00:57:01,520

it's it's that cry for help it's i'll

1516

00:57:04,789 --> 00:57:03,200

put in this much effort and surely they

1517

00:57:06,870 --> 00:57:04,799

will see my worth

1518

00:57:08,390 --> 00:57:06,880

and they can't they're broken that's why

1519

00:57:09,190 --> 00:57:08,400

and they're not broken for good but they

1520

00:57:12,230 --> 00:57:09,200

need your help

1521

00:57:13,750 --> 00:57:12,240

and and so it's that self-judgment that

1522

00:57:15,430 --> 00:57:13,760

self-forgiveness

1523

00:57:17,030 --> 00:57:15,440

that's the last piece that makes it so

1524

00:57:19,030 --> 00:57:17,040

there is no clue tonight

1525

00:57:20,549 --> 00:57:19,040

you know you once you you've made that

1526

00:57:21,910 --> 00:57:20,559

deal with yourself that

1527

00:57:23,589 --> 00:57:21,920

i'm not the i'm not going to be the

1528

00:57:24,870 --> 00:57:23,599

[h__\h] anymore and when i am

1529

00:57:26,470 --> 00:57:24,880

i'm going to say i'm sorry and i'm going

1530

00:57:27,349 --> 00:57:26,480

to stop that behavior that's the best

1531

00:57:30,630 --> 00:57:27,359

deal with it

1532

00:57:32,470 --> 00:57:30,640

right away instead of pacifying it yeah

1533

00:57:33,829 --> 00:57:32,480

because it's so easy to do and then it

1534

00:57:35,270 --> 00:57:33,839

becomes routine

1535

00:57:37,349 --> 00:57:35,280

well our government's going through that

1536

00:57:38,069 --> 00:57:37,359

right now yeah i don't want to demonize

1537

00:57:39,589 --> 00:57:38,079

them but the deal

1538

00:57:41,190 --> 00:57:39,599

is the a-hole right now and they need to

1539

00:57:43,510 --> 00:57:41,200

they need to step up and pull

1540

00:57:45,270 --> 00:57:43,520

their big boy pants on and fix this the

1541

00:57:48,069 --> 00:57:45,280

worst part about this to me

1542

00:57:48,549 --> 00:57:48,079

is if you just look at it like every

1543

00:57:50,950 --> 00:57:48,559

chance

1544

00:57:51,670 --> 00:57:50,960

lou has to throw the government under

1545

00:57:54,549 --> 00:57:51,680

the bus

1546

00:57:55,750 --> 00:57:54,559

he never does it he said true i i

1547

00:57:57,670 --> 00:57:55,760

understand but you can't treat the

1548

00:57:59,430 --> 00:57:57,680

government on their past actions or new

1549

00:58:00,549 --> 00:57:59,440

people in charge there's new stuff give

1550

00:58:03,750 --> 00:58:00,559

them a chance

1551
00:58:05,990 --> 00:58:03,760
and every time like they keep

1552
00:58:06,950 --> 00:58:06,000
forcing him to change that tune

1553
00:58:09,510 --> 00:58:06,960
basically

1554
00:58:10,230 --> 00:58:09,520
you know to we talk about it all the

1555
00:58:12,950 --> 00:58:10,240
time that

1556
00:58:14,549 --> 00:58:12,960
we we refuse to step off the high road

1557
00:58:15,910 --> 00:58:14,559
we're not gonna assume anybody else

1558
00:58:16,630 --> 00:58:15,920
we're not here to blame you we don't

1559
00:58:19,589 --> 00:58:16,640
care how

1560
00:58:20,950 --> 00:58:19,599
bad you are that speaks for itself we're

1561
00:58:23,190 --> 00:58:20,960
gonna let our reputations

1562
00:58:24,150 --> 00:58:23,200
our data and our words speak for

1563
00:58:27,030 --> 00:58:24,160

themselves

1564

00:58:28,549 --> 00:58:27,040

right so we don't need to go fighting

1565

00:58:32,230 --> 00:58:28,559

with these folks

1566

00:58:34,230 --> 00:58:32,240

no i think that's beautiful um because

1567

00:58:36,950 --> 00:58:34,240

it gets to a point where well they're

1568

00:58:39,349 --> 00:58:36,960

just wanting you to play at their level

1569

00:58:41,829 --> 00:58:39,359

you know in their home court and i'm

1570

00:58:44,069 --> 00:58:41,839

sorry but i ain't going

1571

00:58:46,230 --> 00:58:44,079

you know i play over here yep you can

1572

00:58:48,630 --> 00:58:46,240

come here if you want

1573

00:58:50,549 --> 00:58:48,640

it's the governmental equivalent of you

1574

00:58:51,910 --> 00:58:50,559

you cursing at the atm t

1575

00:58:53,670 --> 00:58:51,920

operator and them going well i don't

1576
00:58:54,950 --> 00:58:53,680
have to listen to you anymore now and

1577
00:58:58,150 --> 00:58:54,960
they get to hang up on you

1578
00:59:00,390 --> 00:58:58,160
yeah completely um

1579
00:59:01,910 --> 00:59:00,400
let me ask you this uh we're at 58

1580
00:59:04,150 --> 00:59:01,920
minutes i never ask you how much time

1581
00:59:07,670 --> 00:59:04,160
but i'm assuming like an hour

1582
00:59:12,069 --> 00:59:07,680
but um what i wanted to ask you is

1583
00:59:13,990 --> 00:59:12,079
if you had any advice

1584
00:59:15,750 --> 00:59:14,000
that you think would be the most

1585
00:59:18,789 --> 00:59:15,760
impactful for

1586
00:59:20,710 --> 00:59:18,799
ufo twitter everyone involved not one

1587
00:59:25,109 --> 00:59:20,720
side or the other side or whatever

1588
00:59:28,549 --> 00:59:26,630

take some time to sit down and consider

1589

00:59:30,630 --> 00:59:28,559

what you want out of this we're all

1590

00:59:32,230 --> 00:59:30,640

we're all part of this hashtag whatever

1591

00:59:34,230 --> 00:59:32,240

that means in our modern society

1592

00:59:36,309 --> 00:59:34,240

to us but we've become we've coalesced

1593

00:59:38,630 --> 00:59:36,319

as a group that looks out for each other

1594

00:59:39,510 --> 00:59:38,640

i don't know how big we are um i don't

1595

00:59:41,829 --> 00:59:39,520

know how far we

1596

00:59:43,109 --> 00:59:41,839

we extend or what kind of a constituency

1597

00:59:44,470 --> 00:59:43,119

we're going to be able to bring to bear

1598

00:59:45,990 --> 00:59:44,480

against this

1599

00:59:47,829 --> 00:59:46,000

but you don't need to lose yourself in

1600

00:59:49,349 --> 00:59:47,839

this um

1601
00:59:51,190 --> 00:59:49,359
and you don't need to get scared or

1602
00:59:51,990 --> 00:59:51,200
confused or anything else so i would say

1603
00:59:53,510 --> 00:59:52,000
at some point

1604
00:59:55,589 --> 00:59:53,520
have a seat in your living room when

1605
00:59:56,470 --> 00:59:55,599
it's quiet and go what do i want out of

1606
00:59:58,470 --> 00:59:56,480
this

1607
01:00:00,390 --> 00:59:58,480
and is that a conceivable thing that i

1608
01:00:02,309 --> 01:00:00,400
can get out of this because

1609
01:00:03,829 --> 01:00:02,319
managing our expectations are what

1610
01:00:05,030 --> 01:00:03,839
what's going to make sure whether or not

1611
01:00:08,630 --> 01:00:05,040
our emotions then

1612
01:00:11,030 --> 01:00:08,640
healthy through this process so

1613
01:00:13,030 --> 01:00:11,040

a lot of people out there have very

1614

01:00:15,109 --> 01:00:13,040

strong beliefs and conditions based on

1615

01:00:16,950 --> 01:00:15,119

their own experiences

1616

01:00:18,470 --> 01:00:16,960

not everyone has had those experiences

1617

01:00:20,230 --> 01:00:18,480

so those beliefs and convictions

1618

01:00:21,510 --> 01:00:20,240

don't hold the same weight with everyone

1619

01:00:23,589 --> 01:00:21,520

else so

1620

01:00:25,430 --> 01:00:23,599

finding that comfortable medium i think

1621

01:00:26,630 --> 01:00:25,440

starts with finding out what do i really

1622

01:00:28,789 --> 01:00:26,640

need out of this

1623

01:00:30,470 --> 01:00:28,799

for myself i've gotten most of what i

1624

01:00:31,990 --> 01:00:30,480

truly needed out of this i just needed

1625

01:00:33,109 --> 01:00:32,000

to know that it was real and that what i

1626

01:00:35,270 --> 01:00:33,119

experienced

1627

01:00:37,030 --> 01:00:35,280

wasn't an aberration in my consciousness

1628

01:00:38,950 --> 01:00:37,040

after that it's just an investigation

1629

01:00:41,030 --> 01:00:38,960

for me that's a lot of fun

1630

01:00:43,030 --> 01:00:41,040

but for some people they're very sanity

1631

01:00:45,109 --> 01:00:43,040

pivots on the point as to whether or not

1632

01:00:48,150 --> 01:00:45,119

they're correct

1633

01:00:49,670 --> 01:00:48,160

so yeah i would say be very careful with

1634

01:00:51,349 --> 01:00:49,680

wanting to dial this in very

1635

01:00:53,109 --> 01:00:51,359

specifically it's a very subtle

1636

01:00:56,950 --> 01:00:53,119

phenomenon whatever it is and

1637

01:00:57,750 --> 01:00:56,960

okay yes they do they hate so much to be

1638

01:00:59,430 --> 01:00:57,760

wrong and they

1639

01:01:01,109 --> 01:00:59,440

a lot of people need to be right to

1640

01:01:04,150 --> 01:01:01,119

continue functioning

1641

01:01:06,150 --> 01:01:04,160

so you're right okay it happened

1642

01:01:08,150 --> 01:01:06,160

one way or the other in consciousness in

1643

01:01:10,230 --> 01:01:08,160

reality or whatever else

1644

01:01:12,150 --> 01:01:10,240

but figure out what you need that to be

1645

01:01:14,710 --> 01:01:12,160

for yourself and if that's a possibility

1646

01:01:16,710 --> 01:01:14,720

to even entertain me

1647

01:01:18,710 --> 01:01:16,720

it's interesting that you put it that

1648

01:01:20,549 --> 01:01:18,720

way because as you do i start thinking

1649

01:01:23,349 --> 01:01:20,559

you know answering that question in my

1650

01:01:26,230 --> 01:01:23,359

own head as as you're asking it

1651

01:01:28,230 --> 01:01:26,240

and you know i i don't know if i

1652

01:01:31,430 --> 01:01:28,240

necessarily thought of it but

1653

01:01:34,630 --> 01:01:31,440

i'm getting what i need which is this

1654

01:01:37,670 --> 01:01:34,640

show and talking to you and trying to

1655

01:01:39,430 --> 01:01:37,680

bring aside to this that's very human um

1656

01:01:41,030 --> 01:01:39,440

well you're doing so much healing by by

1657

01:01:42,549 --> 01:01:41,040

having so many people on this show and

1658

01:01:43,430 --> 01:01:42,559

opening this subject up and your

1659

01:01:46,230 --> 01:01:43,440

attitude

1660

01:01:47,670 --> 01:01:46,240

your compassion it leaks out man it's so

1661

01:01:49,750 --> 01:01:47,680

prevalent in your music and it's so

1662

01:01:52,950 --> 01:01:49,760

prevalent in your aura

1663

01:01:56,150 --> 01:01:52,960

um it's thanks you're one of those folks

1664

01:01:59,190 --> 01:01:56,160

that needs to have a microphone now

1665

01:01:59,829 --> 01:01:59,200

well um i really appreciate you saying

1666

01:02:03,029 --> 01:01:59,839

that

1667

01:02:04,710 --> 01:02:03,039

um i've always wanted one

1668

01:02:06,630 --> 01:02:04,720

and for whatever reason i've always

1669

01:02:08,710 --> 01:02:06,640

wanted a large voice

1670

01:02:09,750 --> 01:02:08,720

and whatever was most important at the

1671

01:02:12,870 --> 01:02:09,760

time

1672

01:02:13,670 --> 01:02:12,880

and only to be used for good and to help

1673

01:02:15,750 --> 01:02:13,680

people

1674

01:02:17,270 --> 01:02:15,760

whether it's bringing them together

1675

01:02:20,150 --> 01:02:17,280

showing compassion

1676

01:02:22,230 --> 01:02:20,160

and just being a hand that they can hold

1677

01:02:24,789 --> 01:02:22,240

and i can say it's going to be okay

1678

01:02:26,069 --> 01:02:24,799

you know um that's the world i want to

1679

01:02:28,390 --> 01:02:26,079

live in man

1680

01:02:29,910 --> 01:02:28,400

i appreciate you yeah well i appreciate

1681

01:02:35,270 --> 01:02:29,920

you because i wouldn't be here

1682

01:02:37,750 --> 01:02:35,280

probably without you so um

1683

01:02:39,750 --> 01:02:37,760

i don't have i mean i have a lot i i

1684

01:02:40,950 --> 01:02:39,760

could talk to you for five hours but

1685

01:02:42,710 --> 01:02:40,960

your respectfulness let's give it a

1686

01:02:43,670 --> 01:02:42,720

let's give it another 15. let's give it

1687

01:02:51,910 --> 01:02:43,680

another clip

1688

01:02:55,430 --> 01:02:53,589

i think there's a leak in my roof or

1689

01:03:02,069 --> 01:02:55,440

something i was pouring

1690

01:03:03,829 --> 01:03:02,079

i'm just kidding i'm just kidding i'm

1691

01:03:07,910 --> 01:03:03,839

sorry

1692

01:03:11,190 --> 01:03:10,390

i know this is off topic but but we got

1693

01:03:14,549 --> 01:03:11,200

her i have a

1694

01:03:15,430 --> 01:03:14,559

few uh i've watched peaky blinders twice

1695

01:03:18,950 --> 01:03:15,440

during uh

1696

01:03:21,270 --> 01:03:18,960

all of twice during a quarantine

1697

01:03:22,789 --> 01:03:21,280

um my daughter got me into the so i went

1698

01:03:23,670 --> 01:03:22,799

through marvel all the whole marvel

1699

01:03:25,990 --> 01:03:23,680

universe on the

1700

01:03:27,829 --> 01:03:26,000

disney channel over and over again and

1701

01:03:30,710 --> 01:03:27,839

long that out but then

1702

01:03:31,430 --> 01:03:30,720

my daughter got me into the boys um one

1703

01:03:34,390 --> 01:03:31,440

of my business

1704

01:03:35,910 --> 01:03:34,400

partners said the same thing and so i

1705

01:03:36,870 --> 01:03:35,920

was ready when the first time i watched

1706

01:03:38,789 --> 01:03:36,880

the boys

1707

01:03:40,309 --> 01:03:38,799

i couldn't handle it it was too violent

1708

01:03:41,349 --> 01:03:40,319

and gross for me because i was in a

1709

01:03:44,390 --> 01:03:41,359

different

1710

01:03:46,390 --> 01:03:44,400

took the marvel universe and hit with

1711

01:03:47,750 --> 01:03:46,400

real people who had psychological issues

1712

01:03:49,589 --> 01:03:47,760

and that were actually violent there was

1713

01:03:53,349 --> 01:03:49,599

cleanup afterwards that sounds familiar

1714

01:03:54,630 --> 01:03:53,359

okay yeah so i've been uh

1715

01:03:56,710 --> 01:03:54,640

i've been watching stuff like that

1716

01:03:58,470 --> 01:03:56,720

lately but i just

1717

01:03:59,750 --> 01:03:58,480

i don't have time for anything anymore i

1718

01:04:01,829 --> 01:03:59,760

try to i i'm not

1719

01:04:03,990 --> 01:04:01,839

i'm not complaining like my playstation

1720

01:04:09,910 --> 01:04:04,000

got dust my tv's got dust

1721

01:04:13,190 --> 01:04:09,920

playstation uh uh first-gen oh

1722

01:04:14,150 --> 01:04:13,200

okay yeah mostly microsoft flight

1723

01:04:17,910 --> 01:04:14,160

simulator

1724

01:04:20,309 --> 01:04:17,920

so oh that sounds fun um i haven't

1725

01:04:21,829 --> 01:04:20,319

yeah i was a huge video gamer and tv and

1726

01:04:22,789 --> 01:04:21,839

all that stuff but it just seems like

1727

01:04:27,109 --> 01:04:22,799

the older i get

1728

01:04:30,470 --> 01:04:27,119

the the less um captivating it becomes

1729

01:04:31,190 --> 01:04:30,480

to me you know um if you had to

1730

01:04:34,230 --> 01:04:31,200

recommend

1731

01:04:36,789 --> 01:04:34,240

one movie or book um

1732

01:04:37,750 --> 01:04:36,799

that you think as far as your knowledge

1733

01:04:40,630 --> 01:04:37,760

base at this point

1734

01:04:42,309 --> 01:04:40,640

is most relatable to the phenomenon what

1735

01:04:44,950 --> 01:04:42,319

would it be

1736

01:04:46,390 --> 01:04:44,960

i'm a firm believer uh a few of us have

1737

01:04:50,230 --> 01:04:46,400

passed around a story

1738

01:04:51,750 --> 01:04:50,240

uh called chains of the sea it's a uh

1739

01:04:53,109 --> 01:04:51,760

i think the people who have read it

1740

01:04:53,750 --> 01:04:53,119

immediately i think you just broke your

1741

01:04:56,870 --> 01:04:53,760

neck knot

1742

01:04:59,910 --> 01:04:56,880

yeah i mean it it covers the whole

1743

01:05:02,069 --> 01:04:59,920

the whole spectrum of almost

1744

01:05:04,150 --> 01:05:02,079

everything that we could include in this

1745

01:05:06,309 --> 01:05:04,160

um

1746

01:05:07,990 --> 01:05:06,319

movies-wise i i like the movie the

1747

01:05:10,069 --> 01:05:08,000

arrival just for the idea

1748

01:05:13,109 --> 01:05:10,079

that it's a paradigm shifting movie as

1749

01:05:14,789 --> 01:05:13,119

far as communication goes yeah

1750

01:05:17,029 --> 01:05:14,799

my wife and i love that movie we just

1751

01:05:18,390 --> 01:05:17,039

rewatched it like yesterday

1752

01:05:20,069 --> 01:05:18,400

because you're like oh yeah remember

1753

01:05:21,670 --> 01:05:20,079

that yeah that's

1754

01:05:24,470 --> 01:05:21,680

that's an interesting movie especially

1755

01:05:27,109 --> 01:05:24,480

the uh well the communication aspect you

1756

01:05:29,270 --> 01:05:27,119

know imagining what that would look like

1757

01:05:30,549 --> 01:05:29,280

yeah and the portion in interstellar

1758

01:05:33,510 --> 01:05:30,559

where he was uh

1759

01:05:35,190 --> 01:05:33,520

trying to figure out how to utilize the

1760

01:05:36,470 --> 01:05:35,200

unum or the multiverse or wherever he

1761

01:05:39,270 --> 01:05:36,480

was yeah that was

1762

01:05:40,870 --> 01:05:39,280

awesome see that one i had this issue

1763

01:05:43,589 --> 01:05:40,880

with trying to re-watch that one

1764

01:05:44,390 --> 01:05:43,599

i tried like the first time i watched it

1765

01:05:48,069 --> 01:05:44,400

i thought it

1766

01:05:49,910 --> 01:05:48,079

um and then

1767

01:05:51,190 --> 01:05:49,920

and i wasn't into all this stuff at that

1768

01:05:53,750 --> 01:05:51,200

point but um

1769

01:05:54,549 --> 01:05:53,760

i tried to rewatch it now and matthew

1770

01:05:58,950 --> 01:05:54,559

mcconaughey

1771

01:05:59,270 --> 01:05:58,960

is just over acting like so hardcore the

1772

01:06:01,510 --> 01:05:59,280

first

1773

01:06:05,270 --> 01:06:01,520

like whatever it's like oh come on dude

1774

01:06:08,069 --> 01:06:05,280

don't ruin this for me

1775

01:06:09,670 --> 01:06:08,079

but it's a good movie yeah um and he's

1776

01:06:12,069 --> 01:06:09,680

so handsome he can do whatever he wants

1777

01:06:16,230 --> 01:06:15,029

um okay so chains of the sea and arrival

1778

01:06:19,750 --> 01:06:16,240

interesting

1779

01:06:22,390 --> 01:06:19,760

um what do you do on a day off you have

1780

01:06:23,910 --> 01:06:22,400

vacation

1781

01:06:25,670 --> 01:06:23,920

what and you can do whatever you want

1782

01:06:27,190 --> 01:06:25,680

let's say you're at your home spot or

1783

01:06:29,029 --> 01:06:27,200

wherever

1784

01:06:30,549 --> 01:06:29,039

well these days i spend all my time with

1785

01:06:31,270 --> 01:06:30,559

my wife and kids when it comes to that

1786

01:06:33,670 --> 01:06:31,280

but if

1787

01:06:34,549 --> 01:06:33,680

if we were in like an equilibrium you

1788

01:06:37,430 --> 01:06:34,559

know not on

1789

01:06:39,990 --> 01:06:37,440

like a media push like right now a day

1790

01:06:43,829 --> 01:06:42,710

i wake up around 3 30 in the morning um

1791

01:06:46,710 --> 01:06:43,839

i meditate

1792

01:06:48,230 --> 01:06:46,720

me too i do occasionally do a little

1793

01:06:51,190 --> 01:06:48,240

yoga but not a lot

1794

01:06:52,789 --> 01:06:51,200

um i'll read and then do my emails and

1795

01:06:54,630 --> 01:06:52,799

things after that

1796

01:06:56,470 --> 01:06:54,640

i usually try to if i'm off i try to

1797

01:06:58,230 --> 01:06:56,480

greet the sunrise i like to go out and

1798

01:07:00,309 --> 01:06:58,240

uh and just kind of sit there with a

1799

01:07:03,430 --> 01:07:00,319

glass of water just be

1800

01:07:05,270 --> 01:07:03,440

um not having any thoughts before work

1801
01:07:06,470 --> 01:07:05,280
kind of charge up my ass on the ground

1802
01:07:09,670 --> 01:07:06,480
and uh and do

1803
01:07:11,029 --> 01:07:09,680
that when that's done um if i'm being

1804
01:07:12,150 --> 01:07:11,039
good i'm probably going to work around

1805
01:07:14,470 --> 01:07:12,160
the house if not

1806
01:07:16,230 --> 01:07:14,480
i'll probably climb into the hot tub and

1807
01:07:16,470 --> 01:07:16,240
do some more staring at the sky i mean i

1808
01:07:22,950 --> 01:07:16,480
am

1809
01:07:25,349 --> 01:07:22,960
but i a friend of mine gifted me a a

1810
01:07:27,990 --> 01:07:25,359
roland electronic drum set during uh

1811
01:07:28,870 --> 01:07:28,000
oh during the quarantine uh that he when

1812
01:07:30,789 --> 01:07:28,880
he upgraded

1813
01:07:31,990 --> 01:07:30,799

and i've never been able to keep a beat

1814

01:07:35,430 --> 01:07:32,000

my whole life

1815

01:07:36,230 --> 01:07:35,440

um and now all i do is play drums i plug

1816

01:07:39,990 --> 01:07:36,240

my i

1817

01:07:42,390 --> 01:07:40,000

i don't listen to hip hop

1818

01:07:43,190 --> 01:07:42,400

or radio music that much and i've been

1819

01:07:44,950 --> 01:07:43,200

it's really fun

1820

01:07:48,789 --> 01:07:44,960

i'm playing drums to dodge a cat and

1821

01:07:52,309 --> 01:07:51,510

well if you ever need um this is getting

1822

01:07:54,150 --> 01:07:52,319

you know off

1823

01:07:55,510 --> 01:07:54,160

uh interesting topics for other people

1824

01:07:58,470 --> 01:07:55,520

but if you ever need good

1825

01:07:58,789 --> 01:07:58,480

like drum plug-ins the abbey road ones

1826

01:08:02,630 --> 01:07:58,799

are

1827

01:08:05,349 --> 01:08:02,640

it's waves

1828

01:08:06,150 --> 01:08:05,359

yeah um yeah i don't play drums either

1829

01:08:08,150 --> 01:08:06,160

but i design

1830

01:08:11,270 --> 01:08:08,160

all the grooves and stuff myself and

1831

01:08:14,870 --> 01:08:11,280

clip it together and logic and stuff

1832

01:08:16,309 --> 01:08:14,880

so yeah um

1833

01:08:17,829 --> 01:08:16,319

are you going to keep making music do

1834

01:08:18,149 --> 01:08:17,839

you think you'll keep doing that kind of

1835

01:08:20,390 --> 01:08:18,159

thing

1836

01:08:22,829 --> 01:08:20,400

and incorporating it and you're into the

1837

01:08:24,470 --> 01:08:22,839

ufo projects or whatever you're working

1838

01:08:27,349 --> 01:08:24,480

on yeah

1839

01:08:29,110 --> 01:08:27,359

um i've had the opportunity to provide

1840

01:08:32,149 --> 01:08:29,120

music for a few a couple projects

1841

01:08:34,229 --> 01:08:32,159

um some score in the background uh i do

1842

01:08:35,349 --> 01:08:34,239

that low-key my music's also low-key i

1843

01:08:37,590 --> 01:08:35,359

don't want to

1844

01:08:39,030 --> 01:08:37,600

i want that to take away from the the

1845

01:08:40,229 --> 01:08:39,040

overall mission a lot of people get

1846

01:08:42,470 --> 01:08:40,239

confused when they're like well

1847

01:08:44,070 --> 01:08:42,480

he's trying to be like emily's other

1848

01:08:45,189 --> 01:08:44,080

people he's stunned if i should marry

1849

01:08:47,749 --> 01:08:45,199

the two or not but

1850

01:08:49,189 --> 01:08:47,759

yeah a lot of people tell me that they

1851
01:08:49,749 --> 01:08:49,199
think that music is going to be the key

1852
01:08:52,950 --> 01:08:49,759
with this

1853
01:08:55,510 --> 01:08:52,960
and and i dig it i just

1854
01:08:55,990 --> 01:08:55,520
i don't like that how do you know yeah

1855
01:08:59,829 --> 01:08:56,000
yeah

1856
01:09:02,470 --> 01:08:59,839
and like i'll never stop making music

1857
01:09:03,829 --> 01:09:02,480
i mean when the when the news for lack

1858
01:09:05,669 --> 01:09:03,839
of a better word tells me to write a

1859
01:09:05,990 --> 01:09:05,679
song i go write a song and like you it's

1860
01:09:08,550 --> 01:09:06,000
it's

1861
01:09:10,550 --> 01:09:08,560
10 or 20 minutes i mean i yeah i don't

1862
01:09:11,590 --> 01:09:10,560
do two takes i don't work on a symphony

1863
01:09:14,950 --> 01:09:11,600

for three weeks i

1864

01:09:17,269 --> 01:09:14,960

i i can't barf out a product

1865

01:09:18,709 --> 01:09:17,279

and then that's how it is for the rest

1866

01:09:22,390 --> 01:09:18,719

of its life

1867

01:09:25,910 --> 01:09:22,400

so i'm sure you didn't barf it but

1868

01:09:31,110 --> 01:09:27,430

um all right i haven't asked this

1869

01:09:32,870 --> 01:09:31,120

question in a while um

1870

01:09:34,309 --> 01:09:32,880

oh sweet we got another musician here

1871

01:09:35,829 --> 01:09:34,319

native instruments yep

1872

01:09:37,669 --> 01:09:35,839

yeah totally it'd be real serious there

1873

01:09:41,030 --> 01:09:37,679

you go rodrigo he's from portugal

1874

01:09:42,950 --> 01:09:41,040

that's where my ancestors are from um

1875

01:09:44,950 --> 01:09:42,960

yeah they were there around the fatima

1876

01:09:45,829 --> 01:09:44,960

thing i'm trying to learn more about

1877

01:09:48,470 --> 01:09:45,839

that but

1878

01:09:50,229 --> 01:09:48,480

uh the fatima operations i think seem to

1879

01:09:51,510 --> 01:09:50,239

me that the catholic church got their

1880

01:09:55,030 --> 01:09:51,520

hands on a

1881

01:09:56,390 --> 01:09:55,040

impactful scenario and

1882

01:09:58,870 --> 01:09:56,400

and yeah that kind of did what they

1883

01:10:00,149 --> 01:09:58,880

wanted with it that's been like the al

1884

01:10:03,270 --> 01:10:00,159

capone's vaults

1885

01:10:03,830 --> 01:10:03,280

of of where ufology meets religion it's

1886

01:10:06,550 --> 01:10:03,840

you know

1887

01:10:07,669 --> 01:10:06,560

yeah again it's like could we just tell

1888

01:10:10,870 --> 01:10:07,679

us what's going on

1889

01:10:15,030 --> 01:10:10,880

yeah right well then you got that

1890

01:10:16,790 --> 01:10:15,040

sweater very interesting over here

1891

01:10:19,270 --> 01:10:16,800

we'll talk about it next week next week

1892

01:10:20,310 --> 01:10:19,280

comes up it's a black door it opens but

1893

01:10:23,669 --> 01:10:20,320

will it

1894

01:10:25,350 --> 01:10:23,679

find out next week right

1895

01:10:26,630 --> 01:10:25,360

i was there when he opened those vaults

1896

01:10:30,790 --> 01:10:26,640

man all of us were like what did you

1897

01:10:33,910 --> 01:10:30,800

just do to us

1898

01:10:36,790 --> 01:10:33,920

um yeah no

1899

01:10:38,229 --> 01:10:36,800

um oh spaceship or time machine did you

1900

01:10:41,350 --> 01:10:38,239

answer

1901

01:10:42,229 --> 01:10:41,360

oh no both both you can't pick both men

1902

01:10:45,030 --> 01:10:42,239

well

1903

01:10:46,470 --> 01:10:45,040

a ufo's a uso as a time machine if it's

1904

01:10:49,270 --> 01:10:46,480

if it's got all five of the five

1905

01:10:52,310 --> 01:10:50,709

do you think i don't know what it can't

1906

01:10:54,070 --> 01:10:52,320

do you know

1907

01:10:55,750 --> 01:10:54,080

i one of the things i can't stop

1908

01:10:58,550 --> 01:10:55,760

thinking about especially with this tech

1909

01:10:59,910 --> 01:10:58,560

it's a hundred thousand years ahead well

1910

01:11:02,630 --> 01:10:59,920

then we're going to have it at some

1911

01:11:05,189 --> 01:11:02,640

point and who's to say we're not just

1912

01:11:08,149 --> 01:11:05,199

traveling backwards

1913

01:11:09,830 --> 01:11:08,159

that's a i mean and i'm not a physicist

1914

01:11:11,189 --> 01:11:09,840

so i'm totally fine with proving me

1915

01:11:11,990 --> 01:11:11,199

wrong but at no point in this

1916

01:11:13,990 --> 01:11:12,000

conversation

1917

01:11:15,189 --> 01:11:14,000

at the higher levels has anyone ever oh

1918

01:11:18,550 --> 01:11:15,199

that's [h__\h]

1919

01:11:20,390 --> 01:11:18,560

everyone goes like that so yeah

1920

01:11:22,390 --> 01:11:20,400

that's another piece of that where you

1921

01:11:25,030 --> 01:11:22,400

could sit down and blow your own mind

1922

01:11:26,630 --> 01:11:25,040

for an hour over the possibilities of

1923

01:11:27,590 --> 01:11:26,640

whoa if you have one of those who are

1924

01:11:30,950 --> 01:11:27,600

they they could be

1925

01:11:33,669 --> 01:11:30,960

anybody anywhere anywhere

1926

01:11:34,550 --> 01:11:33,679

yeah sometimes i even wonder if it's

1927

01:11:37,750 --> 01:11:34,560

like you know when

1928

01:11:39,510 --> 01:11:37,760

people meditate and you know when i do

1929

01:11:40,790 --> 01:11:39,520

i'm very amateur i don't really know

1930

01:11:42,550 --> 01:11:40,800

what i'm doing so i'd

1931

01:11:44,310 --> 01:11:42,560

take recommendations on where to start

1932

01:11:47,030 --> 01:11:44,320

but when i try

1933

01:11:49,669 --> 01:11:47,040

um i find myself leaving my body looking

1934

01:11:52,709 --> 01:11:49,679

down at where it is and then i go

1935

01:11:55,189 --> 01:11:52,719

usually to the universe

1936

01:11:56,790 --> 01:11:55,199

and just imagine myself first person

1937

01:11:57,510 --> 01:11:56,800

flying through the universe looking at

1938

01:11:59,350 --> 01:11:57,520

stars

1939

01:12:01,110 --> 01:11:59,360

not looking at myself looking at through

1940

01:12:04,870 --> 01:12:01,120

my own eyes and stuff

1941

01:12:08,630 --> 01:12:06,790

yeah it's really you could easily

1942

01:12:10,630 --> 01:12:08,640

convince yourself

1943

01:12:15,030 --> 01:12:10,640

of the things you see i guess it's hard

1944

01:12:20,630 --> 01:12:17,270

but there are if you're willing to

1945

01:12:26,070 --> 01:12:22,070

oh what do i want to say if you're

1946

01:12:27,750 --> 01:12:26,080

willing to exercise your imagination

1947

01:12:29,910 --> 01:12:27,760

there are correlations to be made that

1948

01:12:30,229 --> 01:12:29,920

are very interesting so when you say to

1949

01:12:32,630 --> 01:12:30,239

your

1950

01:12:33,510 --> 01:12:32,640

say me i wonder if i'll say i'll say it

1951

01:12:37,030 --> 01:12:33,520

differently

1952

01:12:38,709 --> 01:12:37,040

if if you wonder if that's you

1953

01:12:40,630 --> 01:12:38,719

that i'm seeing when you're meditating

1954

01:12:42,470 --> 01:12:40,640

or if it's me or if it's someone else

1955

01:12:45,590 --> 01:12:42,480

that's a really good question

1956

01:12:49,590 --> 01:12:45,600

yeah i think that that's

1957

01:12:51,669 --> 01:12:49,600

yeah interesting is it always that way

1958

01:12:53,590 --> 01:12:51,679

probably not but and and are some of

1959

01:12:56,149 --> 01:12:53,600

these vehicles probably trying to

1960

01:12:57,510 --> 01:12:56,159

imitate maybe trying to imitate that

1961

01:12:59,750 --> 01:12:57,520

interesting

1962

01:13:00,870 --> 01:12:59,760

maybe they're artificial look there's a

1963

01:13:02,470 --> 01:13:00,880

phrase here a lot of people in the

1964

01:13:05,669 --> 01:13:02,480

audience

1965

01:13:07,030 --> 01:13:05,679

okay an artificial merkabah is what a

1966

01:13:08,390 --> 01:13:07,040

lot of people are probably out there

1967

01:13:10,149 --> 01:13:08,400

hoping that i'm going to say

1968

01:13:11,510 --> 01:13:10,159

and that's okay i don't know what that

1969

01:13:14,310 --> 01:13:11,520

is sure it's a maybe

1970

01:13:15,350 --> 01:13:14,320

it's a it's a mystic uh construct from

1971

01:13:17,750 --> 01:13:15,360

jude

1972

01:13:18,470 --> 01:13:17,760

uh mystic judaism for lack of a better

1973

01:13:21,030 --> 01:13:18,480

word but it's

1974

01:13:22,950 --> 01:13:21,040

interesting it's a three-dimensional uh

1975

01:13:26,709 --> 01:13:22,960

star tetrahedron

1976

01:13:29,270 --> 01:13:26,719

aka the star of david um

1977

01:13:31,270 --> 01:13:29,280

a lot of esoteric uh traditions say that

1978

01:13:34,390 --> 01:13:31,280

when we're meditating that is our

1979

01:13:37,750 --> 01:13:34,400

that that we have a astral vehicle

1980

01:13:39,669 --> 01:13:37,760

that we can utilize so

1981

01:13:42,390 --> 01:13:39,679

it's a very good question i don't think

1982

01:13:44,830 --> 01:13:42,400

because i can go imagine these spaces

1983

01:13:46,149 --> 01:13:44,840

and what's the difference between that

1984

01:13:48,790 --> 01:13:46,159

vibration

1985

01:13:49,510 --> 01:13:48,800

and frequency in my microtubules and the

1986

01:13:55,830 --> 01:13:49,520

one that's

1987

01:13:57,669 --> 01:13:55,840

reflecting light into you know so do you

1988

01:13:59,590 --> 01:13:57,679

try to see things like it

1989

01:14:01,270 --> 01:13:59,600

is through your eyes like where you

1990

01:14:02,790 --> 01:14:01,280

don't see your body it's like

1991

01:14:04,310 --> 01:14:02,800

you're looking through your eyes like

1992

01:14:07,510 --> 01:14:04,320

everything's like this

1993

01:14:08,630 --> 01:14:07,520

you know yeah i try to i try to look at

1994

01:14:11,270 --> 01:14:08,640

my perception

1995

01:14:11,669 --> 01:14:11,280

from all of its different angles not

1996

01:14:14,709 --> 01:14:11,679

just

1997

01:14:16,790 --> 01:14:14,719

straight out of here interesting um

1998

01:14:19,590 --> 01:14:16,800

trying to see through your own eyelids

1999

01:14:22,790 --> 01:14:19,600

is a very interesting experiment

2000

01:14:27,669 --> 01:14:22,800

yeah uh

2001

01:14:32,470 --> 01:14:30,790

yeah um yeah i got stories from what

2002

01:14:34,149 --> 01:14:32,480

i've seen that have brought me to

2003

01:14:36,229 --> 01:14:34,159

when you're driving you know yeah well

2004

01:14:38,310 --> 01:14:36,239

that's i'm trying to have the best

2005

01:14:41,189 --> 01:14:38,320

out-of-body experience i can so

2006

01:14:43,110 --> 01:14:41,199

if it happens while i'm driving it would

2007

01:14:45,910 --> 01:14:43,120

be so just normal

2008

01:14:47,350 --> 01:14:45,920

you know just you die you're out of body

2009

01:14:50,630 --> 01:14:47,360

here we are

2010

01:14:52,870 --> 01:14:50,640

yeah so um yeah that's

2011

01:14:55,110 --> 01:14:52,880

an hour and 15 and i'm starting to run

2012

01:14:58,790 --> 01:14:55,120

out of

2013

01:15:00,229 --> 01:14:58,800

intelligent things to say and ask

2014

01:15:01,910 --> 01:15:00,239

what's next for you what's the big

2015

01:15:02,870 --> 01:15:01,920

project that's what's what's on your

2016

01:15:06,550 --> 01:15:02,880

radar

2017

01:15:08,709 --> 01:15:06,560

um i you know i try not to make

2018

01:15:09,990 --> 01:15:08,719

too many goals because i feel like life

2019

01:15:13,270 --> 01:15:10,000

kind of just does what it wants

2020

01:15:15,830 --> 01:15:13,280

with you to a certain extent so

2021

01:15:17,510 --> 01:15:15,840

my goal is always to just be better than

2022

01:15:21,430 --> 01:15:17,520

i was yesterday

2023

01:15:24,310 --> 01:15:21,440

um whether that is you know

2024

01:15:25,910 --> 01:15:24,320

not saying something i said or you know

2025

01:15:28,229 --> 01:15:25,920

mistake i've made at home

2026

01:15:29,350 --> 01:15:28,239

or something on here how i could have

2027

01:15:31,270 --> 01:15:29,360

opened somebody up more

2028

01:15:32,950 --> 01:15:31,280

made them feel more comfortable i just

2029

01:15:36,630 --> 01:15:32,960

want to grow and help

2030

01:15:37,910 --> 01:15:36,640

and there is no big project for that or

2031

01:15:39,510 --> 01:15:37,920

goal for that

2032

01:15:42,310 --> 01:15:39,520

for me it's just putting in those

2033

01:15:44,470 --> 01:15:42,320

actions making calls calling congress

2034

01:15:45,510 --> 01:15:44,480

trying to activate myself along with

2035

01:15:48,630 --> 01:15:45,520

other people

2036

01:15:49,910 --> 01:15:48,640

knowing that they can do things as

2037

01:15:53,110 --> 01:15:49,920

easily as anyone else

2038

01:15:54,790 --> 01:15:53,120

but they have to make the action and i

2039

01:15:57,189 --> 01:15:54,800

think i have a good voice for that

2040

01:15:58,790 --> 01:15:57,199

because all my experience managing and

2041

01:16:00,390 --> 01:15:58,800

companies and all that stuff

2042

01:16:02,790 --> 01:16:00,400

so i'm just trying to bring all that

2043

01:16:05,750 --> 01:16:02,800

here and and help

2044

01:16:06,870 --> 01:16:05,760

you know in whatever way i can so i have

2045

01:16:10,390 --> 01:16:06,880

a smaller voice

2046

01:16:12,310 --> 01:16:10,400

now and i'm okay with that um

2047

01:16:14,390 --> 01:16:12,320

it is what it is if it gets bigger it

2048

01:16:16,470 --> 01:16:14,400

gets bigger but i'm also prepared

2049

01:16:18,149 --> 01:16:16,480

for it to stay here and i would be happy

2050

01:16:19,990 --> 01:16:18,159

you know because

2051
01:16:21,270 --> 01:16:20,000
20 years of making music and playing

2052
01:16:24,310 --> 01:16:21,280
shows and all that

2053
01:16:27,430 --> 01:16:24,320
i've had to realize the hard way that

2054
01:16:29,510 --> 01:16:27,440
if you just affect one person

2055
01:16:31,990 --> 01:16:29,520
and it changes their life or a decision

2056
01:16:35,110 --> 01:16:32,000
they make that then changes their life

2057
01:16:37,510 --> 01:16:35,120
it's worth it you know yeah so that's

2058
01:16:39,990 --> 01:16:37,520
what i'm trying to do

2059
01:16:42,149 --> 01:16:40,000
so no big goals or aspirations if you

2060
01:16:43,830 --> 01:16:42,159
know um

2061
01:16:45,750 --> 01:16:43,840
if somebody needs help with something

2062
01:16:47,430 --> 01:16:45,760
i'm there so

2063
01:16:48,870 --> 01:16:47,440

i think it's pretty apparent you know

2064

01:16:50,630 --> 01:16:48,880

you're one of those people

2065

01:16:52,950 --> 01:16:50,640

seems to have made the decision that i'm

2066

01:16:54,790 --> 01:16:52,960

gonna i'm gonna choose good

2067

01:16:56,870 --> 01:16:54,800

and i'm gonna try to do it whenever i

2068

01:17:00,070 --> 01:16:56,880

can and it kind of leaks out of you

2069

01:17:03,590 --> 01:17:00,080

and i truly appreciate it man you're

2070

01:17:03,990 --> 01:17:03,600

you are a very bright light on on the on

2071

01:17:05,669 --> 01:17:04,000

the

2072

01:17:07,430 --> 01:17:05,679

horizon right now i really want to see

2073

01:17:09,110 --> 01:17:07,440

you shine more so i hope that you keep

2074

01:17:10,630 --> 01:17:09,120

feeling that courage and that validation

2075

01:17:12,390 --> 01:17:10,640

for the rest of us

2076

01:17:14,310 --> 01:17:12,400

yeah well you know that's funny you do

2077

01:17:16,390 --> 01:17:14,320

need that validation i've never had it

2078

01:17:18,470 --> 01:17:16,400

my entire life so that might be

2079

01:17:19,510 --> 01:17:18,480

uh you know an aspect of this that keeps

2080

01:17:23,430 --> 01:17:19,520

me coming too

2081

01:17:26,470 --> 01:17:23,440

you know like that somebody actually it

2082

01:17:27,430 --> 01:17:26,480

needs this or whatever you know see it's

2083

01:17:29,030 --> 01:17:27,440

okay once you

2084

01:17:31,189 --> 01:17:29,040

once you put the momentum into the

2085

01:17:32,470 --> 01:17:31,199

system of being compassionate and giving

2086

01:17:36,709 --> 01:17:32,480

it's okay to

2087

01:17:38,070 --> 01:17:36,719

then it's always okay to take your part

2088

01:17:39,430 --> 01:17:38,080

but it's always better when you're

2089

01:17:40,790 --> 01:17:39,440

giving a little bit more and you help

2090

01:17:43,430 --> 01:17:40,800

keep the momentum going

2091

01:17:44,790 --> 01:17:43,440

yeah i feel just just give be helpful be

2092

01:17:46,550 --> 01:17:44,800

compassionate and

2093

01:17:47,830 --> 01:17:46,560

everything else will come into place you

2094

01:17:49,910 --> 01:17:47,840

know i've been

2095

01:17:51,030 --> 01:17:49,920

so many times you know sleeping in my

2096

01:17:53,270 --> 01:17:51,040

music studio [h__h]

2097

01:17:55,990 --> 01:17:53,280

in a garbage can whatever the hell you

2098

01:17:58,630 --> 01:17:56,000

know years and years ago but yeah like

2099

01:18:00,149 --> 01:17:58,640

down you know in the dumps but you know

2100

01:18:02,070 --> 01:18:00,159

for whatever reason

2101

01:18:03,590 --> 01:18:02,080

it's it's always okay it's always going

2102

01:18:05,430 --> 01:18:03,600

to be okay

2103

01:18:07,910 --> 01:18:05,440

you know as long as i have the strength

2104

01:18:10,870 --> 01:18:07,920

to get up it's always going to be okay

2105

01:18:12,709 --> 01:18:10,880

you know i've never been into such a bad

2106

01:18:15,189 --> 01:18:12,719

point where i just fortunately

2107

01:18:17,750 --> 01:18:15,199

have no roof or no money or no food and

2108

01:18:19,990 --> 01:18:17,760

i'm sleeping in a sewer like

2109

01:18:20,870 --> 01:18:20,000

i've always been fortunate enough to be

2110

01:18:23,189 --> 01:18:20,880

taken care of

2111

01:18:26,630 --> 01:18:23,199

and i think that's because of that

2112

01:18:29,189 --> 01:18:26,640

energy i always consistently put out

2113

01:18:29,669 --> 01:18:29,199

even when i was younger that was a goal

2114

01:18:32,950 --> 01:18:29,679

of mine

2115

01:18:34,390 --> 01:18:32,960

was to be helpful i just didn't realize

2116

01:18:36,070 --> 01:18:34,400

it fully then

2117

01:18:37,750 --> 01:18:36,080

but i think in a lot of ways that's the

2118

01:18:39,510 --> 01:18:37,760

key to this i know

2119

01:18:41,430 --> 01:18:39,520

so many of our of the folks that we talk

2120

01:18:43,030 --> 01:18:41,440

to every day they want to see something

2121

01:18:45,430 --> 01:18:43,040

sitting on the ground on a tripod and

2122

01:18:46,550 --> 01:18:45,440

they want to see somebody walk out of it

2123

01:18:49,270 --> 01:18:46,560

i don't know that's always going to be

2124

01:18:52,950 --> 01:18:49,280

the easy answer for this no

2125

01:18:56,310 --> 01:18:52,960

and videos data

2126

01:18:57,110 --> 01:18:56,320

all that stuff i mean the point is

2127

01:18:59,350 --> 01:18:57,120

completely

2128

01:19:02,070 --> 01:18:59,360

like data to be able to prove something

2129

01:19:04,149 --> 01:19:02,080

will get everybody else to just relax

2130

01:19:06,709 --> 01:19:04,159

a little bit and say okay here we go and

2131

01:19:10,470 --> 01:19:06,719

start like thinking the right way

2132

01:19:12,709 --> 01:19:10,480

yeah um so that's

2133

01:19:16,149 --> 01:19:12,719

that's that's great i hope we get it um

2134

01:19:19,590 --> 01:19:16,159

for that um but for me i'm past that

2135

01:19:21,030 --> 01:19:19,600

and i'm i'm trying yeah i'm trying to

2136

01:19:22,630 --> 01:19:21,040

i'm trying to you know i don't want to

2137

01:19:24,630 --> 01:19:22,640

say the phenomenon but there is

2138

01:19:25,110 --> 01:19:24,640

something that i talk to and connect

2139

01:19:28,149 --> 01:19:25,120

with

2140

01:19:30,070 --> 01:19:28,159

and it you know whatever happens

2141

01:19:32,709 --> 01:19:30,080

it's helping and it's putting me in a

2142

01:19:35,910 --> 01:19:32,719

place and i'm not asking questions

2143

01:19:37,510 --> 01:19:35,920

i'm living out what i think i should be

2144

01:19:39,750 --> 01:19:37,520

living out in it

2145

01:19:41,990 --> 01:19:39,760

i know it's right because it's made me

2146

01:19:43,270 --> 01:19:42,000

happier than ever before yeah it's made

2147

01:19:45,510 --> 01:19:43,280

me more fulfilled

2148

01:19:47,350 --> 01:19:45,520

than ever before when i first got out of

2149

01:19:49,910 --> 01:19:47,360

high school i wanted to be a radio dj

2150

01:19:51,110 --> 01:19:49,920

and go to the school in minnesota for it

2151

01:19:53,510 --> 01:19:51,120

but my parents couldn't

2152

01:19:56,550 --> 01:19:53,520

afford it i couldn't afford it so i went

2153

01:20:00,149 --> 01:19:56,560

and started working full time right away

2154

01:20:04,149 --> 01:20:02,470

i can't even mention all the crap that

2155

01:20:07,189 --> 01:20:04,159

happened in all that time

2156

01:20:09,830 --> 01:20:07,199

and here i am with this microphone kind

2157

01:20:13,189 --> 01:20:11,830

after all that time it's just weird i've

2158

01:20:16,229 --> 01:20:13,199

got a lot of things i

2159

01:20:19,270 --> 01:20:16,239

i've said to someone in a

2160

01:20:21,590 --> 01:20:19,280

in an email recently that i feel like

2161

01:20:23,189 --> 01:20:21,600

that i've

2162

01:20:26,070 --> 01:20:23,199

i feel like i've been fortunate to

2163

01:20:29,669 --> 01:20:26,080

experience the non-linearity of time

2164

01:20:31,750 --> 01:20:29,679

i'm able to see thoughts impressions

2165

01:20:33,669 --> 01:20:31,760

ideas and dreams from my childhood that

2166

01:20:36,790 --> 01:20:33,679

are happening now

2167

01:20:38,629 --> 01:20:36,800

and aspects from my younger life that

2168

01:20:41,350 --> 01:20:38,639

didn't make sense then

2169

01:20:42,790 --> 01:20:41,360

and left me feeling empty and realizing

2170

01:20:45,270 --> 01:20:42,800

that i was seeing something

2171

01:20:46,950 --> 01:20:45,280

that was ahead of me so you saw when you

2172

01:20:49,830 --> 01:20:46,960

were younger

2173

01:20:51,030 --> 01:20:49,840

yeah you know i'm i'm i'm careful with

2174

01:20:52,870 --> 01:20:51,040

how i say it

2175

01:20:55,189 --> 01:20:52,880

yeah right you know because none of us

2176
01:20:56,550 --> 01:20:55,199
know what the interior response of any

2177
01:20:59,990 --> 01:20:56,560
other person is like

2178
01:21:01,750 --> 01:21:00,000
or the interior situation so

2179
01:21:03,830 --> 01:21:01,760
i always felt like there's something

2180
01:21:05,830 --> 01:21:03,840
about now that has that always felt like

2181
01:21:09,590 --> 01:21:05,840
it was missing

2182
01:21:11,189 --> 01:21:09,600
and there's an ease of speech that i

2183
01:21:14,070 --> 01:21:11,199
have when i talk to folks about this

2184
01:21:17,830 --> 01:21:14,080
that doesn't exist elsewhere in my life

2185
01:21:20,149 --> 01:21:17,840
um i'm not a great communicator at home

2186
01:21:22,790 --> 01:21:20,159
i am not a great communicator in my

2187
01:21:24,709 --> 01:21:22,800
relationships with my friends

2188
01:21:26,950 --> 01:21:24,719

but this subject seems to be something

2189

01:21:30,310 --> 01:21:26,960

that just falls out of my mouth

2190

01:21:32,550 --> 01:21:30,320

and i yes so it's

2191

01:21:33,910 --> 01:21:32,560

confusing sometimes but it's the only

2192

01:21:36,470 --> 01:21:33,920

thing in my life that i've ever been

2193

01:21:38,470 --> 01:21:36,480

able to like put any faith in

2194

01:21:40,070 --> 01:21:38,480

i don't do any prep for this except for

2195

01:21:43,510 --> 01:21:40,080

listening to a couple of songs and

2196

01:21:45,750 --> 01:21:43,520

chilling out and then i go talk to folks

2197

01:21:47,270 --> 01:21:45,760

it's you know i've had that thought

2198

01:21:52,070 --> 01:21:47,280

where it's like a cause

2199

01:21:55,189 --> 01:21:52,080

i can fully believe in because it's not

2200

01:21:58,229 --> 01:21:55,199

it's not i guess weighed down

2201

01:22:00,229 --> 01:21:58,239

by partisanship

2202

01:22:01,910 --> 01:22:00,239

and false narratives well i mean false

2203

01:22:03,750 --> 01:22:01,920

narratives yeah but i mean

2204

01:22:05,910 --> 01:22:03,760

there's a truth here that is completely

2205

01:22:09,270 --> 01:22:05,920

bipartisan

2206

01:22:10,790 --> 01:22:09,280

um and honest and meaningful

2207

01:22:12,790 --> 01:22:10,800

and i've been searching for something

2208

01:22:16,470 --> 01:22:12,800

that means something

2209

01:22:19,669 --> 01:22:16,480

like my whole life you know and i think

2210

01:22:20,149 --> 01:22:19,679

that's why that's why it falls out of

2211

01:22:22,550 --> 01:22:20,159

your mouth

2212

01:22:23,669 --> 01:22:22,560

because it means actually means

2213

01:22:25,350 --> 01:22:23,679

something

2214

01:22:27,669 --> 01:22:25,360

you know like i can't go to a bar and

2215

01:22:30,229 --> 01:22:27,679

have small talk like

2216

01:22:30,870 --> 01:22:30,239

that's hard for me no i'm not very i

2217

01:22:32,550 --> 01:22:30,880

don't

2218

01:22:34,390 --> 01:22:32,560

not unless the other person's like i

2219

01:22:35,350 --> 01:22:34,400

know you're invested

2220

01:22:36,790 --> 01:22:35,360

you know this is a different

2221

01:22:38,310 --> 01:22:36,800

conversation than i might have with

2222

01:22:39,910 --> 01:22:38,320

chris cuomo he's you know we're there to

2223

01:22:43,270 --> 01:22:39,920

hit

2224

01:22:45,350 --> 01:22:43,280

next thing yeah

2225

01:22:47,590 --> 01:22:45,360

but this is this is real man i'm not

2226
01:22:50,870 --> 01:22:47,600
gonna i'm not gonna come on here and

2227
01:22:52,550 --> 01:22:50,880
give you this party line platform

2228
01:22:53,189 --> 01:22:52,560
nonsense number one there is no party

2229
01:22:55,669 --> 01:22:53,199
line

2230
01:22:57,189 --> 01:22:55,679
everybody i finally hit that thing man

2231
01:22:59,510 --> 01:22:57,199
i've been telling lou for

2232
01:23:00,629 --> 01:22:59,520
for a year more than a year don't listen

2233
01:23:02,629 --> 01:23:00,639
to the haters

2234
01:23:04,390 --> 01:23:02,639
the don't pay any attention to those

2235
01:23:06,709 --> 01:23:04,400
people and then finally

2236
01:23:07,510 --> 01:23:06,719
i saw one that that stuck in me i was

2237
01:23:09,669 --> 01:23:07,520
like someone

2238
01:23:11,510 --> 01:23:09,679

said oh this guy's a op he's pre-made

2239

01:23:13,189 --> 01:23:11,520

they they polish this turret up and put

2240

01:23:14,470 --> 01:23:13,199

him in front of all of us and

2241

01:23:16,229 --> 01:23:14,480

and he's the one that's going to spell

2242

01:23:17,830 --> 01:23:16,239

this crap to us and i was just like man

2243

01:23:19,590 --> 01:23:17,840

if you knew

2244

01:23:21,189 --> 01:23:19,600

what my family's been through what my

2245

01:23:24,390 --> 01:23:21,199

friends have been through yes

2246

01:23:25,750 --> 01:23:24,400

you know the the the non the financial

2247

01:23:27,910 --> 01:23:25,760

hits and all that and i'm not saying

2248

01:23:29,189 --> 01:23:27,920

what was me man this is a daily

2249

01:23:30,950 --> 01:23:29,199

i get up every day and i go let's

2250

01:23:32,470 --> 01:23:30,960

frickin do this again i'm not

2251

01:23:35,430 --> 01:23:32,480

complaining

2252

01:23:37,110 --> 01:23:35,440

but it's just it does suck so so

2253

01:23:38,629 --> 01:23:37,120

watching lou go through everything he

2254

01:23:41,830 --> 01:23:38,639

has i used to be kind of

2255

01:23:43,270 --> 01:23:41,840

like dude let it go you know haters

2256

01:23:44,390 --> 01:23:43,280

gonna hate

2257

01:23:45,669 --> 01:23:44,400

and then they came and then you know

2258

01:23:46,310 --> 01:23:45,679

when they started coming after me and

2259

01:23:47,590 --> 01:23:46,320

sending me

2260

01:23:49,590 --> 01:23:47,600

messages you know some people want to

2261

01:23:51,189 --> 01:23:49,600

send you emails about that you're evil

2262

01:23:51,750 --> 01:23:51,199

and you're this and it's like man i'm

2263

01:23:53,910 --> 01:23:51,760

just

2264

01:23:55,830 --> 01:23:53,920

i'm doing my dishes right now i'm trying

2265

01:23:57,030 --> 01:23:55,840

to read this catching up

2266

01:23:58,310 --> 01:23:57,040

and then go help my kids with their

2267

01:23:59,669 --> 01:23:58,320

homework i'm like i don't know who you

2268

01:24:01,990 --> 01:23:59,679

think i am man

2269

01:24:03,669 --> 01:24:02,000

so that's uh you know there definitely

2270

01:24:04,790 --> 01:24:03,679

is i mean for a lack of better words

2271

01:24:06,629 --> 01:24:04,800

positive or negative

2272

01:24:08,229 --> 01:24:06,639

light or dark or whatever there

2273

01:24:11,270 --> 01:24:08,239

definitely is you know

2274

01:24:13,830 --> 01:24:11,280

something that is you know

2275

01:24:16,550 --> 01:24:13,840

tries to put out the light basically all

2276

01:24:18,790 --> 01:24:16,560

the time that way sometimes yeah um

2277

01:24:19,750 --> 01:24:18,800

and i don't think that the people that

2278

01:24:23,590 --> 01:24:19,760

do this stuff

2279

01:24:25,189 --> 01:24:23,600

really realize you know what's happening

2280

01:24:27,350 --> 01:24:25,199

you know i think they're just kind of a

2281

01:24:29,030 --> 01:24:27,360

little more maybe blinded and

2282

01:24:30,790 --> 01:24:29,040

a little more darkness and despair than

2283

01:24:33,510 --> 01:24:30,800

they'd like to admit

2284

01:24:35,830 --> 01:24:33,520

yeah i don't like to present myself as

2285

01:24:37,430 --> 01:24:35,840

someone who knows what's going on

2286

01:24:39,270 --> 01:24:37,440

no but i like the things that's the

2287

01:24:39,830 --> 01:24:39,280

ticket that's their that's the whole

2288

01:24:43,510 --> 01:24:39,840

thing

2289

01:24:44,950 --> 01:24:43,520

you know as you say that so

2290

01:24:47,270 --> 01:24:44,960

well but it's like i just want to get

2291

01:24:48,790 --> 01:24:47,280

more people in and not in a hippie way

2292

01:24:51,590 --> 01:24:48,800

okay but i want to get more people in

2293

01:24:53,910 --> 01:24:51,600

now just slow down

2294

01:24:55,270 --> 01:24:53,920

slow down be be right here now for a

2295

01:24:57,750 --> 01:24:55,280

minute throw all your

2296

01:24:58,870 --> 01:24:57,760

past practices and convictions out the

2297

01:25:02,229 --> 01:24:58,880

window and just

2298

01:25:03,270 --> 01:25:02,239

consider you know how you would move

2299

01:25:05,510 --> 01:25:03,280

forward

2300

01:25:07,510 --> 01:25:05,520

if this is what's going on just start

2301

01:25:11,669 --> 01:25:07,520

there just hypothesize

2302

01:25:13,990 --> 01:25:11,679

what does it mean for you yeah yeah like

2303

01:25:16,229 --> 01:25:14,000

on one of my uh episodes when i don't

2304

01:25:17,830 --> 01:25:16,239

have guests sometimes i just go

2305

01:25:19,350 --> 01:25:17,840

go on little rants i guess or whatever

2306

01:25:23,430 --> 01:25:19,360

but one was

2307

01:25:27,110 --> 01:25:23,440

um yeah what does this mean for you like

2308

01:25:29,189 --> 01:25:27,120

what will work look like what will

2309

01:25:30,709 --> 01:25:29,199

your house look like what were your

2310

01:25:32,950 --> 01:25:30,719

relationships look like

2311

01:25:33,750 --> 01:25:32,960

you know like what are you still gonna

2312

01:25:37,510 --> 01:25:33,760

have a car

2313

01:25:38,830 --> 01:25:37,520

or you know what what if this whole

2314

01:25:41,669 --> 01:25:38,840

thing

2315

01:25:44,070 --> 01:25:41,679

exposes a different

2316

01:25:44,870 --> 01:25:44,080

um a different way to look at life a

2317

01:25:47,590 --> 01:25:44,880

different way

2318

01:25:48,390 --> 01:25:47,600

to look at civilization and humanity

2319

01:25:51,590 --> 01:25:48,400

survival

2320

01:25:53,030 --> 01:25:51,600

and thriving versus surviving

2321

01:25:54,629 --> 01:25:53,040

what if there's a different way to live

2322

01:25:56,870 --> 01:25:54,639

and what if we don't have to

2323

01:25:58,229 --> 01:25:56,880

we don't have to flip game board to

2324

01:26:00,950 --> 01:25:58,239

change things

2325

01:26:01,430 --> 01:26:00,960

you know that would be great yeah that'd

2326

01:26:06,070 --> 01:26:01,440

be great

2327

01:26:10,709 --> 01:26:06,080

um people should be able to do

2328

01:26:14,709 --> 01:26:10,719

with their life what they want and not

2329

01:26:17,350 --> 01:26:14,719

have to change their choices

2330

01:26:18,470 --> 01:26:17,360

for monetary reasons you know or other

2331

01:26:20,070 --> 01:26:18,480

things

2332

01:26:21,590 --> 01:26:20,080

like i think it would be need if we

2333

01:26:23,030 --> 01:26:21,600

could whatever

2334

01:26:24,629 --> 01:26:23,040

no i was just saying like a musician

2335

01:26:26,229 --> 01:26:24,639

should be able to work and

2336

01:26:27,750 --> 01:26:26,239

play music every day and try to write

2337

01:26:30,310 --> 01:26:27,760

the best stuff he can

2338

01:26:32,149 --> 01:26:30,320

you know but that doesn't happen because

2339

01:26:36,470 --> 01:26:32,159

it doesn't pay

2340

01:26:37,990 --> 01:26:36,480

you know yeah it's like but in real life

2341

01:26:40,709 --> 01:26:38,000

it shouldn't be about money but it kind

2342

01:26:44,709 --> 01:26:40,719

of forces you into a little square

2343

01:26:47,590 --> 01:26:44,719

you know yeah man we

2344

01:26:48,310 --> 01:26:47,600

are we're on the cusp of that of that

2345

01:26:50,709 --> 01:26:48,320

idea

2346

01:26:52,390 --> 01:26:50,719

of um you know some people think of it

2347

01:26:54,950 --> 01:26:52,400

as a utopia

2348

01:26:56,229 --> 01:26:54,960

other people think of it as a as a they

2349

01:26:59,189 --> 01:26:56,239

see it as a hell

2350

01:26:59,669 --> 01:26:59,199

um it's all about politics when you get

2351
01:27:02,709 --> 01:26:59,679
to those

2352
01:27:04,790 --> 01:27:02,719
polarized ideas of the future yeah and

2353
01:27:07,590 --> 01:27:04,800
that's just fear and control but

2354
01:27:08,390 --> 01:27:07,600
yeah if somebody like you or somebody

2355
01:27:10,070 --> 01:27:08,400
like me

2356
01:27:11,590 --> 01:27:10,080
if we wanted to we should have been able

2357
01:27:13,830 --> 01:27:11,600
to live while

2358
01:27:15,189 --> 01:27:13,840
expressing ourselves as an artist but i

2359
01:27:21,189 --> 01:27:15,199
was never

2360
01:27:24,790 --> 01:27:21,199
consider making a living at it

2361
01:27:26,470 --> 01:27:24,800
um it was always concerns to knock that

2362
01:27:27,910 --> 01:27:26,480
crap off and get a real job

2363
01:27:29,990 --> 01:27:27,920

and that i wasn't good enough i mean i

2364

01:27:31,110 --> 01:27:30,000

was told by the people like encouraging

2365

01:27:33,350 --> 01:27:31,120

me

2366

01:27:34,629 --> 01:27:33,360

but what's that yeah i was told i had a

2367

01:27:36,149 --> 01:27:34,639

lousy voice i was told

2368

01:27:37,750 --> 01:27:36,159

when i was a teenager you don't have a

2369

01:27:39,110 --> 01:27:37,760

distinctive enough voice for this and i

2370

01:27:40,310 --> 01:27:39,120

mean maybe when i was a teenager i

2371

01:27:43,990 --> 01:27:40,320

didn't but

2372

01:27:46,790 --> 01:27:44,000

yeah i know until now yeah

2373

01:27:48,149 --> 01:27:46,800

i was pretty bad then yeah it took it

2374

01:27:50,470 --> 01:27:48,159

took a long time for

2375

01:27:52,070 --> 01:27:50,480

yeah me to find my voice and all that

2376

01:27:53,590 --> 01:27:52,080

and i sound like somebody straggle

2377

01:27:56,629 --> 01:27:53,600

strangling scooby-doo

2378

01:27:57,750 --> 01:27:56,639

yeah no like tom waits hey it's good

2379

01:27:59,990 --> 01:27:57,760

stuff

2380

01:28:01,750 --> 01:28:00,000

yeah yeah yeah back then i was like i'll

2381

01:28:03,590 --> 01:28:01,760

smoke a half a pack of cigarettes and

2382

01:28:06,790 --> 01:28:03,600

i'll yell for 10 minutes now my voice is

2383

01:28:10,310 --> 01:28:09,270

oh yeah i have a loud voice that's

2384

01:28:12,950 --> 01:28:10,320

definitely

2385

01:28:15,110 --> 01:28:12,960

um something i have so if you ever need

2386

01:28:16,310 --> 01:28:15,120

someone to get a hold of a crowd in a

2387

01:28:17,990 --> 01:28:16,320

huge arena and you don't have a

2388

01:28:20,790 --> 01:28:18,000

microphone

2389

01:28:21,669 --> 01:28:20,800

that's me i've seriously at shows at

2390

01:28:24,070 --> 01:28:21,679

like

2391

01:28:24,709 --> 01:28:24,080

bigger places i've actually tested

2392

01:28:27,110 --> 01:28:24,719

myself

2393

01:28:28,229 --> 01:28:27,120

to see if i could sing a part of it

2394

01:28:30,950 --> 01:28:28,239

without the microphone

2395

01:28:33,270 --> 01:28:30,960

and get over the crowd noise i like to

2396

01:28:33,910 --> 01:28:33,280

brag that i have i have dressed off an

2397

01:28:36,070 --> 01:28:33,920

entire

2398

01:28:42,229 --> 01:28:36,080

aircraft carrier crew on the flight deck

2399

01:28:44,390 --> 01:28:42,239

without a microphone

2400

01:28:46,470 --> 01:28:44,400

holy crap yeah well i did it i did it

2401

01:28:47,830 --> 01:28:46,480
with the wind not against it so it

2402

01:28:51,189 --> 01:28:47,840
worked out

2403

01:28:52,709 --> 01:28:51,199
uh have you ever skydived no

2404

01:28:54,390 --> 01:28:52,719
i'm i'm actually really afraid of

2405

01:28:57,270 --> 01:28:54,400
heights really

2406

01:28:59,270 --> 01:28:57,280
i i uh i found that out at the top of

2407

01:28:59,710 --> 01:28:59,280
the ladder

2408

01:29:03,590 --> 01:28:59,720
oh

2409

01:29:05,030 --> 01:29:03,600
[Laughter]

2410

01:29:07,910 --> 01:29:05,040
found out i was afraid of heights at the

2411

01:29:10,629 --> 01:29:07,920
top of a ladder on a on a oil tanker

2412

01:29:12,790 --> 01:29:10,639
in the northern arabian gulf after uh we

2413

01:29:14,870 --> 01:29:12,800

when we went on board they were full

2414

01:29:17,110 --> 01:29:14,880

and so the accommodation ladder was like

2415

01:29:18,629 --> 01:29:17,120

this and they emptied at the terminal

2416

01:29:21,430 --> 01:29:18,639

while we were on board

2417

01:29:22,070 --> 01:29:21,440

and the ladder became vertical and i

2418

01:29:25,430 --> 01:29:22,080

almost

2419

01:29:26,950 --> 01:29:25,440

wet my pants um i and i

2420

01:29:27,830 --> 01:29:26,960

was the first one to go down the ladder

2421

01:29:29,270 --> 01:29:27,840

and my guys were like what are you

2422

01:29:30,950 --> 01:29:29,280

waiting for chief i turned around and

2423

01:29:31,510 --> 01:29:30,960

said something so salty to him and i

2424

01:29:33,030 --> 01:29:31,520

just

2425

01:29:34,149 --> 01:29:33,040

put one foot in front of the other and i

2426

01:29:37,030 --> 01:29:34,159

think with every foot i was like you're

2427

01:29:40,870 --> 01:29:38,550

but that's just you know to me that's

2428

01:29:42,790 --> 01:29:40,880

like like i went into sales for like

2429

01:29:43,910 --> 01:29:42,800

commercial roofing at my last job or

2430

01:29:45,430 --> 01:29:43,920

whatever and i would have been really

2431

01:29:46,229 --> 01:29:45,440

good at it but the latter was the hard

2432

01:29:50,149 --> 01:29:46,239

part

2433

01:29:52,149 --> 01:29:50,159

and you know it is it gets easier

2434

01:29:53,990 --> 01:29:52,159

like everything else you know the more

2435

01:29:55,510 --> 01:29:54,000

you do it

2436

01:29:57,430 --> 01:29:55,520

you just never want it done you're not

2437

01:29:59,590 --> 01:29:57,440

gonna get over it

2438

01:30:00,870 --> 01:29:59,600

i'm still scared of heights well you

2439

01:30:01,510 --> 01:30:00,880

know you don't have to deal with

2440

01:30:04,830 --> 01:30:01,520

everything

2441

01:30:06,470 --> 01:30:04,840

you just don't do the heist thing that's

2442

01:30:09,430 --> 01:30:06,480

fine

2443

01:30:11,189 --> 01:30:09,440

all right um i do have a company here

2444

01:30:13,510 --> 01:30:11,199

and some employees i should talk to

2445

01:30:16,709 --> 01:30:13,520

probably

2446

01:30:20,550 --> 01:30:16,719

um yeah it'd be great to

2447

01:30:23,030 --> 01:30:20,560

talk to you again um absolutely not any

2448

01:30:24,470 --> 01:30:23,040

parting anything words of advice

2449

01:30:24,790 --> 01:30:24,480

anything coming up you want to talk

2450

01:30:28,550 --> 01:30:24,800

about

2451
01:30:33,430 --> 01:30:31,590
and you can say no too well no i do have

2452
01:30:33,990 --> 01:30:33,440
something to say we're getting ready to

2453
01:30:37,189 --> 01:30:34,000
unveil

2454
01:30:37,910 --> 01:30:37,199
our company to people and if you know me

2455
01:30:39,510 --> 01:30:37,920
you know that i

2456
01:30:41,430 --> 01:30:39,520
don't like throwing things out there and

2457
01:30:43,669 --> 01:30:41,440
not following up on them

2458
01:30:45,189 --> 01:30:43,679
um i try not to hype things up and i'm

2459
01:30:48,229 --> 01:30:45,199
not full of it

2460
01:30:49,350 --> 01:30:48,239
um i have a genuine concern that people

2461
01:30:50,229 --> 01:30:49,360
are going to see that we've done a

2462
01:30:52,709 --> 01:30:50,239
really good job

2463
01:30:53,669 --> 01:30:52,719

and that we we we're professionals and

2464

01:30:56,950 --> 01:30:53,679

that they're going to think

2465

01:30:57,750 --> 01:30:56,960

that this is i i really don't like being

2466

01:30:59,830 --> 01:30:57,760

called an op

2467

01:31:01,590 --> 01:30:59,840

really bothers me we've been working our

2468

01:31:04,709 --> 01:31:01,600

ass off for a while now

2469

01:31:05,910 --> 01:31:04,719

and just because we don't look like what

2470

01:31:07,350 --> 01:31:05,920

you were used to and that we were

2471

01:31:10,950 --> 01:31:07,360

professionals that have

2472

01:31:13,830 --> 01:31:10,960

have a large acumen of capability

2473

01:31:15,830 --> 01:31:13,840

it i don't know i just want to get ahead

2474

01:31:17,990 --> 01:31:15,840

of that we're here to help people man

2475

01:31:18,709 --> 01:31:18,000

and we are we are completely transparent

2476

01:31:20,550 --> 01:31:18,719

so

2477

01:31:21,990 --> 01:31:20,560

as we move forward i hope people

2478

01:31:23,590 --> 01:31:22,000

understand that that

2479

01:31:25,189 --> 01:31:23,600

that we're trying to open this up for as

2480

01:31:26,870 --> 01:31:25,199

many people as possible

2481

01:31:28,390 --> 01:31:26,880

we're trying to open this conversation

2482

01:31:29,189 --> 01:31:28,400

so if there's anything that i can do to

2483

01:31:32,470 --> 01:31:29,199

open

2484

01:31:34,390 --> 01:31:32,480

the conversation to to unobscure things

2485

01:31:36,070 --> 01:31:34,400

and to help things make sense for people

2486

01:31:37,830 --> 01:31:36,080

that's what i want to do so anytime i

2487

01:31:40,390 --> 01:31:37,840

can come back here and help make

2488

01:31:41,430 --> 01:31:40,400

help reduce harm and help increase

2489

01:31:42,790 --> 01:31:41,440

understanding

2490

01:31:44,629 --> 01:31:42,800

you know i'm gonna be a part of that if

2491

01:31:46,390 --> 01:31:44,639

you want me to yeah

2492

01:31:47,669 --> 01:31:46,400

um i don't know who wouldn't want you to

2493

01:31:49,910 --> 01:31:47,679

be a part of it

2494

01:31:51,669 --> 01:31:49,920

and i've met a lot of people in in

2495

01:31:53,350 --> 01:31:51,679

business i've talked to thousands of

2496

01:31:56,470 --> 01:31:53,360

people on the phone

2497

01:31:59,350 --> 01:31:56,480

um picking up people's vibes and

2498

01:32:00,310 --> 01:31:59,360

figuring out who they are pretty quick i

2499

01:32:03,510 --> 01:32:00,320

can do that

2500

01:32:06,470 --> 01:32:03,520

um and i've been wrong for sure but

2501

01:32:08,870 --> 01:32:06,480

the older i get the more right i am um

2502

01:32:11,590 --> 01:32:08,880

and usually it's my gut

2503

01:32:12,629 --> 01:32:11,600

what i call the sixth sense that tells

2504

01:32:15,110 --> 01:32:12,639

me

2505

01:32:17,110 --> 01:32:15,120

what's real and what isn't and when my

2506

01:32:21,990 --> 01:32:17,120

gut connects with your gut

2507

01:32:24,790 --> 01:32:22,000

that's that shit's real you know um

2508

01:32:26,470 --> 01:32:24,800

trust until proven otherwise you can't

2509

01:32:30,550 --> 01:32:26,480

live your life

2510

01:32:33,510 --> 01:32:30,560

not believing anyone because of fear

2511

01:32:35,270 --> 01:32:33,520

you know take a chance trust trust your

2512

01:32:38,550 --> 01:32:35,280

gut

2513

01:32:39,270 --> 01:32:38,560

and you know what's what's the worst

2514

01:32:41,430 --> 01:32:39,280

that could happen

2515

01:32:44,310 --> 01:32:41,440

life could continue to be what it is or

2516

01:32:49,110 --> 01:32:46,470

i'm really glad you're here sean yeah

2517

01:32:54,470 --> 01:32:49,120

i'm glad you're here sean

2518

01:32:55,669 --> 01:32:54,480

i was talking to myself

2519

01:32:58,149 --> 01:32:55,679

i'm not going to do that until we get

2520

01:33:01,030 --> 01:32:58,159

off camera's off oh good

2521

01:33:02,470 --> 01:33:01,040

all right well um everybody i just

2522

01:33:04,229 --> 01:33:02,480

wanted to uh

2523

01:33:06,550 --> 01:33:04,239

thank you so much for being so

2524

01:33:10,470 --> 01:33:06,560

supportive and joining

2525

01:33:12,790 --> 01:33:10,480

the sean and sean show um you know

2526

01:33:14,229 --> 01:33:12,800

every time you comment or every time i

2527

01:33:17,270 --> 01:33:14,239

see another person

2528

01:33:20,709 --> 01:33:17,280

watching or liking my page or whatever

2529

01:33:22,950 --> 01:33:20,719

it uh pushes me to be

2530

01:33:24,870 --> 01:33:22,960

as compassionate and helpful even more

2531

01:33:27,189 --> 01:33:24,880

so that i can

2532

01:33:29,350 --> 01:33:27,199

because that's what i want to do in

2533

01:33:31,910 --> 01:33:29,360

seeing the results

2534

01:33:33,830 --> 01:33:31,920

from that pushes me to work even harder

2535

01:33:37,910 --> 01:33:33,840

to get bigger results

2536

01:33:39,350 --> 01:33:37,920

so thank you to everybody watching um

2537

01:33:41,189 --> 01:33:39,360

i promise you i'm going to make phone

2538

01:33:42,629 --> 01:33:41,199

calls after this but we went a little

2539

01:33:44,950 --> 01:33:42,639

a little over because some things are

2540

01:33:47,510 --> 01:33:44,960

just more important but

2541

01:33:48,550 --> 01:33:47,520

um so with that being said i will leave

2542

01:33:51,990 --> 01:33:48,560

you guys

2543

01:33:52,229 --> 01:33:52,000

so um yeah thank you very much re-watch
