[Music]

2  
00:00:14,920 --> 00:00:19,720  
so

3  
00:00:19,730 --> 00:00:28,830  
[Music]

4  
00:00:28,840 --> 00:00:31,910  
so

5  
00:00:31,920 --> 00:00:58,869  
[Music]

6  
00:01:04,549 --> 00:01:02,549  
listen up brother we got

7  
00:01:05,830 --> 00:01:04,559  
the ultimate warrior here today

8  
00:01:08,230 --> 00:01:05,840  
wrestlemania

9  
00:01:09,510 --> 00:01:08,240  
so we're gonna bring it the energy and

10  
00:01:12,469 --> 00:01:09,520  
all our ultim

11  
00:01:14,070 --> 00:01:12,479  
ultimate warrior maniacs okay i'm going

12  
00:01:18,230 --> 00:01:14,080  
to give up on that

13  
00:01:21,990 --> 00:01:18,240

but we have a fantastic

14

00:01:23,429 --> 00:01:22,000

fantastic guest today uh who i am very

15

00:01:25,590 --> 00:01:23,439

excited to have on he was one of my

16

00:01:27,590 --> 00:01:25,600

first guests if you haven't heard it

17

00:01:29,590 --> 00:01:27,600

um i do something called like a one on

18

00:01:31,510 --> 00:01:29,600

one with jazz shaw

19

00:01:33,670 --> 00:01:31,520

um where i interview him over the phone

20

00:01:35,030 --> 00:01:33,680

and stuff and i throw some dolphins in

21

00:01:37,590 --> 00:01:35,040

the videos

22

00:01:40,069 --> 00:01:37,600

and all that so it's pretty it's pretty

23

00:01:43,350 --> 00:01:40,079

neat you should definitely check it out

24

00:01:46,469 --> 00:01:43,360

um and with so much going on right now

25

00:01:49,109 --> 00:01:46,479

i figured it would be best

26

00:01:51,030 --> 00:01:49,119

to bring jazz in and kind of tell us the

27

00:01:51,749 --> 00:01:51,040

lowdown give us his idea of what's

28

00:01:53,590 --> 00:01:51,759

happening

29

00:01:55,109 --> 00:01:53,600

because you know we gotta bring the

30

00:02:01,350 --> 00:01:55,119

smart people in

31

00:02:06,870 --> 00:02:04,950

jesus how's it going

32

00:02:08,710 --> 00:02:06,880

so we're gonna have a great guest and

33

00:02:10,949 --> 00:02:08,720

smart person so who's the guest

34

00:02:13,430 --> 00:02:10,959

i'm the guest you're the smart person oh

35

00:02:15,510 --> 00:02:13,440

okay great

36

00:02:16,790 --> 00:02:15,520

that's good yeah nice to be back you

37

00:02:18,630 --> 00:02:16,800

know i actually

38

00:02:20,070 --> 00:02:18,640

see you i think last time we just did an

39

00:02:21,910 --> 00:02:20,080

audio thing so

40

00:02:23,110 --> 00:02:21,920

yeah but i really like how the intro of

41

00:02:23,990 --> 00:02:23,120

the show came out by the way he did a

42

00:02:26,790 --> 00:02:24,000

good job with that

43

00:02:28,309 --> 00:02:26,800

oh really thank you very much um yeah i

44

00:02:28,949 --> 00:02:28,319

put that together like five minutes

45

00:02:32,949 --> 00:02:28,959

before

46

00:02:37,589 --> 00:02:32,959

so great oh thank you very much

47

00:02:39,430 --> 00:02:37,599

um so

48

00:02:40,630 --> 00:02:39,440

you were on unidentified celebrity

49

00:02:42,710 --> 00:02:40,640

review yesterday

50

00:02:44,550 --> 00:02:42,720

uh you kind of touched on the story that

51  
00:02:48,830 --> 00:02:44,560  
you wrote for the debrief

52  
00:02:51,990 --> 00:02:48,840  
a little bit uh with the japan airliner

53  
00:02:52,630 --> 00:02:52,000  
um i guess what was it about that story

54  
00:02:55,830 --> 00:02:52,640  
that

55  
00:02:58,630 --> 00:02:55,840  
really inspired you to write it

56  
00:02:59,910 --> 00:02:58,640  
well it was there wasn't any more than

57  
00:03:02,630 --> 00:02:59,920  
anything else i mean

58  
00:03:03,110 --> 00:03:02,640  
uh i've always been aware of it i've

59  
00:03:06,309 --> 00:03:03,120  
always

60  
00:03:10,070 --> 00:03:06,319  
liked that incident

61  
00:03:11,350 --> 00:03:10,080  
uh it's very famous it's fascinating

62  
00:03:12,710 --> 00:03:11,360  
but the only reason i wouldn't have

63  
00:03:13,670 --> 00:03:12,720

written anything about it if it weren't

64

00:03:16,550 --> 00:03:13,680

for the fact that

65

00:03:18,229 --> 00:03:16,560

john greenwald at the black vault after

66

00:03:21,830 --> 00:03:18,239

17 years of trying

67

00:03:24,550 --> 00:03:21,840

finally uncovered the entire faa package

68

00:03:25,509 --> 00:03:24,560

of data from the investigation that was

69

00:03:28,550 --> 00:03:25,519

conducted

70

00:03:30,789 --> 00:03:28,560

into that event gigantic package

71

00:03:31,990 --> 00:03:30,799

and he dropped it about a week ago and i

72

00:03:34,070 --> 00:03:32,000

spent days going through

73

00:03:36,550 --> 00:03:34,080

all that stuff and by the time i was

74

00:03:38,550 --> 00:03:36,560

done i realized the story

75

00:03:40,390 --> 00:03:38,560

in my opinion was not really the way

76

00:03:41,670 --> 00:03:40,400

it's traditionally been portrayed in all

77

00:03:43,589 --> 00:03:41,680

the tv shows and

78

00:03:46,550 --> 00:03:43,599

podcasts that have covered to it covered

79

00:03:48,309 --> 00:03:46,560

it and that there was more and less to

80

00:03:51,509 --> 00:03:48,319

the story than met the eye

81

00:03:55,030 --> 00:03:51,519

yeah well in

82

00:03:55,990 --> 00:03:55,040

which ways are in which ways is it

83

00:03:58,470 --> 00:03:56,000

really different

84

00:03:59,750 --> 00:03:58,480

um for those not familiar like i'll be

85

00:04:01,990 --> 00:03:59,760

honest i wasn't

86

00:04:02,949 --> 00:04:02,000

very familiar with that case but i'm

87

00:04:06,630 --> 00:04:02,959

also new here

88

00:04:10,550 --> 00:04:06,640

so and there's a lot

89

00:04:14,229 --> 00:04:10,560

to dig into oh yeah there is

90

00:04:16,550 --> 00:04:14,239

so um you know can you do a quick some

91

00:04:19,030 --> 00:04:16,560

not a synopsis of it and what the

92

00:04:21,349 --> 00:04:19,040

you know what they were doing incorrect

93

00:04:23,909 --> 00:04:21,359

when they were publicizing it

94

00:04:24,510 --> 00:04:23,919

yeah sure uh we can do that if you like

95

00:04:26,950 --> 00:04:24,520

um

96

00:04:28,150 --> 00:04:26,960

1986 november i don't have the date

97

00:04:31,670 --> 00:04:28,160

right in front of me

98

00:04:34,469 --> 00:04:31,680

uh this japan airlines flight uh was

99

00:04:35,590 --> 00:04:34,479

it was a cargo plane uh that was flying

100

00:04:38,790 --> 00:04:35,600

from paris

101  
00:04:40,150 --> 00:04:38,800  
to tokyo with a stopover in anchorage

102  
00:04:43,270 --> 00:04:40,160  
alaska

103  
00:04:45,030 --> 00:04:43,280  
and as they were flying above

104  
00:04:46,310 --> 00:04:45,040  
northern alaska on their way to come

105  
00:04:49,510 --> 00:04:46,320  
into anchorage

106  
00:04:50,950 --> 00:04:49,520  
yeah the pilot suddenly started radioing

107  
00:04:53,189 --> 00:04:50,960  
to the tower

108  
00:04:55,110 --> 00:04:53,199  
saying asking if there was other traffic

109  
00:04:56,150 --> 00:04:55,120  
air traffic in his area because he was

110  
00:04:58,150 --> 00:04:56,160  
seeing

111  
00:04:59,350 --> 00:04:58,160  
two bright lights up almost directly

112  
00:05:01,029 --> 00:04:59,360  
ahead of him

113  
00:05:03,189 --> 00:05:01,039

and they said no there's nobody else

114

00:05:05,590 --> 00:05:03,199

around and

115

00:05:07,029 --> 00:05:05,600

pretty soon he reports that the lights

116

00:05:09,110 --> 00:05:07,039

have moved

117

00:05:10,629 --> 00:05:09,120

over to the left of his plane are kind

118

00:05:13,590 --> 00:05:10,639

of tracking along

119

00:05:15,029 --> 00:05:13,600

and getting closer he asks for

120

00:05:18,550 --> 00:05:15,039

permission to

121

00:05:21,590 --> 00:05:18,560

change altitude to change heading to

122

00:05:22,550 --> 00:05:21,600

presumably avoid a collision and they do

123

00:05:26,230 --> 00:05:22,560

give that permission

124

00:05:28,550 --> 00:05:26,240

and that's good yeah

125

00:05:29,510 --> 00:05:28,560

and then those two lights apparently

126  
00:05:33,029 --> 00:05:29,520  
disappear

127  
00:05:35,430 --> 00:05:33,039  
and are replaced by what he describes as

128  
00:05:37,590 --> 00:05:35,440  
something gigantic

129  
00:05:39,430 --> 00:05:37,600  
behind his plane now chasing him but not

130  
00:05:42,310 --> 00:05:39,440  
the original two things something really

131  
00:05:42,950 --> 00:05:42,320  
massively giant and it continues

132  
00:05:45,270 --> 00:05:42,960  
tracking

133  
00:05:46,629 --> 00:05:45,280  
behind him as he's reporting this

134  
00:05:49,189 --> 00:05:46,639  
information

135  
00:05:49,670 --> 00:05:49,199  
until uh it eventually goes away as he

136  
00:05:53,029 --> 00:05:49,680  
comes in

137  
00:05:56,390 --> 00:05:53,039  
and on comes for an uneventful landing

138  
00:05:58,550 --> 00:05:56,400

uh in anchorage but

139

00:05:59,830 --> 00:05:58,560

the case was interesting because it's

140

00:06:01,189 --> 00:05:59,840

cargo plane but there were two other

141

00:06:04,870 --> 00:06:01,199

crew members

142

00:06:06,870 --> 00:06:04,880

in the cabin with him and also

143

00:06:08,629 --> 00:06:06,880

uh a recording and a transcript of the

144

00:06:10,710 --> 00:06:08,639

recording of all the chatter that was

145

00:06:13,670 --> 00:06:10,720

going on between the pilot

146

00:06:15,029 --> 00:06:13,680

oh right the the people in the two two

147

00:06:18,390 --> 00:06:15,039

uh air traffic controllers

148

00:06:21,670 --> 00:06:18,400

in the tower a controller at the tower

149

00:06:25,510 --> 00:06:21,680

at a nearby military base mech base

150

00:06:27,590 --> 00:06:25,520

and yet another tower in fairbanks

151

00:06:29,430 --> 00:06:27,600

um and there's all this conversation

152

00:06:31,590 --> 00:06:29,440

going on and eventually

153

00:06:33,350 --> 00:06:31,600

before they land two other planes

154

00:06:35,350 --> 00:06:33,360

another commercial plane and a military

155

00:06:38,390 --> 00:06:35,360

plane are diverted

156

00:06:41,270 --> 00:06:38,400

and sent over to come within iran

157

00:06:42,710 --> 00:06:41,280

you know eyesight range of the plane

158

00:06:45,749 --> 00:06:42,720

nobody else sees

159

00:06:48,870 --> 00:06:45,759

the objects not the first two not

160

00:06:51,510 --> 00:06:48,880

the giant one behind them um

161

00:06:52,629 --> 00:06:51,520

and and that's where problems come with

162

00:06:54,870 --> 00:06:52,639

the story because

163

00:06:57,749 --> 00:06:54,880

if you have the full transcript of that

164

00:07:01,189 --> 00:06:57,759

chatter and you read through it closely

165

00:07:03,110 --> 00:07:01,199

a lot of things don't really add up um

166

00:07:05,110 --> 00:07:03,120

there were five different radars that

167

00:07:05,990 --> 00:07:05,120

were checking to look to see who the

168

00:07:09,189 --> 00:07:06,000

visitors that

169

00:07:11,589 --> 00:07:09,199

were in the nearby airspace were

170

00:07:12,790 --> 00:07:11,599

three of them didn't see it at all no

171

00:07:15,189 --> 00:07:12,800

nothing

172

00:07:16,469 --> 00:07:15,199

military radar said they were getting

173

00:07:18,070 --> 00:07:16,479

what looked like some

174

00:07:21,350 --> 00:07:18,080

scat they got something close to the

175

00:07:24,870 --> 00:07:21,360

plane but it looked sort of like scatter

176

00:07:27,029 --> 00:07:24,880

and not like a real return the

177

00:07:28,230 --> 00:07:27,039

radar at the air traffic control tower

178

00:07:31,589 --> 00:07:28,240

in anchorage

179

00:07:33,670 --> 00:07:31,599

did register a target in the vicinity

180

00:07:35,909 --> 00:07:33,680

uh for about five minutes out of this

181

00:07:37,350 --> 00:07:35,919

this entire encounter lasted like 40 to

182

00:07:39,350 --> 00:07:37,360

45 minutes

183

00:07:40,950 --> 00:07:39,360

long encounter yeah that is first five

184

00:07:44,070 --> 00:07:40,960

minutes they had something

185

00:07:46,710 --> 00:07:44,080

and then it disappeared off the radar uh

186

00:07:47,990 --> 00:07:46,720

so the radar data was very inconsistent

187

00:07:51,189 --> 00:07:48,000

and

188

00:07:55,350 --> 00:07:51,199

a lot of things were strange when

189

00:07:58,869 --> 00:07:55,360

the other two uh guys on the flight

190

00:08:01,589 --> 00:07:58,879

later very very soon after

191

00:08:03,189 --> 00:08:01,599

this ended uh gave testimony as part of

192

00:08:05,350 --> 00:08:03,199

an investigation

193

00:08:06,950 --> 00:08:05,360

uh that testimony was recorded that was

194

00:08:10,309 --> 00:08:06,960

released in the package also the

195

00:08:13,589 --> 00:08:10,319

tran the english version of the

196

00:08:16,550 --> 00:08:13,599

testimony that they gave um

197

00:08:18,390 --> 00:08:16,560

as i said the uh the transcript of of

198

00:08:20,790 --> 00:08:18,400

the control tower chatter

199

00:08:22,309 --> 00:08:20,800

and the radar data was in there and was

200

00:08:24,469 --> 00:08:22,319

released

201  
00:08:25,430 --> 00:08:24,479  
and so that's a lot of stuff to put

202  
00:08:27,350 --> 00:08:25,440  
together

203  
00:08:28,710 --> 00:08:27,360  
but this the stories of the other two

204  
00:08:30,230 --> 00:08:28,720  
crew members

205  
00:08:32,469 --> 00:08:30,240  
they really didn't line up with what the

206  
00:08:35,430 --> 00:08:32,479  
pilot said very well at all

207  
00:08:36,230 --> 00:08:35,440  
uh like he was describing the the two

208  
00:08:39,430 --> 00:08:36,240  
lights in front

209  
00:08:42,389 --> 00:08:39,440  
and then to the side as being

210  
00:08:44,389 --> 00:08:42,399  
definitely crap don't want to say craft

211  
00:08:45,110 --> 00:08:44,399  
objects of some kind he was describing

212  
00:08:47,269 --> 00:08:45,120  
structure

213  
00:08:49,509 --> 00:08:47,279

what it looked like both of the other

214

00:08:53,030 --> 00:08:49,519

two guys said they saw lights

215

00:08:55,430 --> 00:08:53,040

and one of them the person

216

00:08:56,150 --> 00:08:55,440

doing the interview said well so you

217

00:08:58,310 --> 00:08:56,160

didn't see

218

00:08:59,990 --> 00:08:58,320

an actual vehicle he's like no because

219

00:09:01,110 --> 00:09:00,000

did they look like they could be stars

220

00:09:03,509 --> 00:09:01,120

and the guy was like

221

00:09:04,150 --> 00:09:03,519

could be you know so that's a big

222

00:09:06,150 --> 00:09:04,160

difference

223

00:09:07,190 --> 00:09:06,160

you know right there there was a number

224

00:09:09,190 --> 00:09:07,200

of things like that

225

00:09:10,790 --> 00:09:09,200

it's a really interesting encounter

226

00:09:12,310 --> 00:09:10,800

story it's become legendary

227

00:09:14,470 --> 00:09:12,320

so many television shows have featured

228

00:09:16,949 --> 00:09:14,480

that but

229

00:09:18,310 --> 00:09:16,959

they generally seem to cherry pick the

230

00:09:19,430 --> 00:09:18,320

stuff that really supports the pilot

231

00:09:21,030 --> 00:09:19,440

story

232

00:09:22,710 --> 00:09:21,040

and don't really pay as much attention

233

00:09:24,470 --> 00:09:22,720

to those other things

234

00:09:25,750 --> 00:09:24,480

and now we have a more complete picture

235

00:09:27,670 --> 00:09:25,760

of it and that's why i wanted to write

236

00:09:29,030 --> 00:09:27,680

about it because

237

00:09:30,870 --> 00:09:29,040

there's there's a lot of questions

238

00:09:34,150 --> 00:09:30,880

remaining i think yeah

239

00:09:34,630 --> 00:09:34,160

it i wonder sometimes though if some of

240

00:09:37,110 --> 00:09:34,640

these

241

00:09:38,150 --> 00:09:37,120

experiences where you know there's

242

00:09:41,430 --> 00:09:38,160

different accounts

243

00:09:43,190 --> 00:09:41,440

if maybe

244

00:09:45,030 --> 00:09:43,200

some people who see this stuff just

245

00:09:47,750 --> 00:09:45,040

can't

246

00:09:48,310 --> 00:09:47,760

they just brush it under the rug maybe

247

00:09:49,829 --> 00:09:48,320

you know

248

00:09:51,750 --> 00:09:49,839

yeah it could be stars i don't know i

249

00:09:53,590 --> 00:09:51,760

don't want to talk about it

250

00:09:56,710 --> 00:09:53,600

well that's another possibility isn't it

251

00:09:58,790 --> 00:09:56,720

we're talking back in the 80s before

252

00:10:01,030 --> 00:09:58,800

this era of kind of openness that we

253

00:10:02,949 --> 00:10:01,040

have now long before that

254

00:10:03,910 --> 00:10:02,959

the two other crew members they were

255

00:10:05,509 --> 00:10:03,920

younger they were closer to the

256

00:10:07,990 --> 00:10:05,519

beginning of their career

257

00:10:09,590 --> 00:10:08,000

and talking about ufos when you worked

258

00:10:10,630 --> 00:10:09,600

for the airlines

259

00:10:11,990 --> 00:10:10,640

that could be the end of your career

260

00:10:13,269 --> 00:10:12,000

you'd be sent from a mentally vental and

261

00:10:16,069 --> 00:10:13,279

and you could be gone

262

00:10:17,110 --> 00:10:16,079

for all we know they said that because

263

00:10:18,630 --> 00:10:17,120

they didn't want to

264

00:10:20,630 --> 00:10:18,640

say anything about ufos to an

265

00:10:22,069 --> 00:10:20,640

interviewer because they might be afraid

266

00:10:24,550 --> 00:10:22,079

of losing their jobs we don't know

267

00:10:26,389 --> 00:10:24,560

right you know so it was a long time ago

268

00:10:29,350 --> 00:10:26,399

yeah and that's kind of the

269

00:10:31,750 --> 00:10:29,360

frustrating case with the frustrating

270

00:10:36,230 --> 00:10:31,760

part about almost every case

271

00:10:37,750 --> 00:10:36,240

is there's stuff that really supports it

272

00:10:39,110 --> 00:10:37,760

and then there's something that maybe

273

00:10:42,230 --> 00:10:39,120

doesn't

274

00:10:47,190 --> 00:10:45,110

you know and the longer ago it is the

275

00:10:48,389 --> 00:10:47,200

more stuff fades into history documents

276

00:10:50,069 --> 00:10:48,399

get lost

277

00:10:51,430 --> 00:10:50,079

people just develop perceptions and

278

00:10:52,150 --> 00:10:51,440

start repeating things they think they

279

00:10:53,910 --> 00:10:52,160

heard

280

00:10:55,590 --> 00:10:53,920

even maybe if that wasn't the actual

281

00:10:58,470 --> 00:10:55,600

story good point you know

282

00:11:00,069 --> 00:10:58,480

i'm sure i've done that you know because

283

00:11:00,550 --> 00:11:00,079

especially depending on who it comes

284

00:11:03,430 --> 00:11:00,560

from

285

00:11:04,949 --> 00:11:03,440

you know if it's like somebody smart or

286

00:11:06,949 --> 00:11:04,959

notable that you would think would have

287

00:11:08,630 --> 00:11:06,959

all the information

288

00:11:11,829 --> 00:11:08,640

and you start repeating their story and

289

00:11:13,750 --> 00:11:11,839

maybe they got it wrong

290

00:11:16,949 --> 00:11:13,760

well you know humans aren't perfect i

291

00:11:20,069 --> 00:11:16,959

guess um

292

00:11:22,870 --> 00:11:20,079

what what boat are you on as far as

293

00:11:24,790 --> 00:11:22,880

the the evidence that we know of that's

294

00:11:28,470 --> 00:11:24,800

come out this year

295

00:11:34,069 --> 00:11:28,480

like are you sold on that or are you

296

00:11:37,829 --> 00:11:36,550

something put in the water to confuse

297

00:11:40,710 --> 00:11:37,839

people or maybe

298

00:11:42,150 --> 00:11:40,720

get us excited and i mean just to be

299

00:11:43,590 --> 00:11:42,160

honest i'm talking about the core bell

300

00:11:46,069 --> 00:11:43,600

stuff

301  
00:11:47,990 --> 00:11:46,079  
um oh the two videos that he put out

302  
00:11:49,430 --> 00:11:48,000  
we've had time to sit on it now

303  
00:11:52,470 --> 00:11:49,440  
and i'm curious if anyone's kind of

304  
00:11:54,870 --> 00:11:52,480  
changed their opinion or anything

305  
00:11:56,069 --> 00:11:54,880  
i haven't changed my opinion much the

306  
00:11:59,110 --> 00:11:56,079  
pentagon came out

307  
00:12:01,110 --> 00:11:59,120  
and uh yeah you know said

308  
00:12:03,509 --> 00:12:01,120  
they didn't say they didn't give the

309  
00:12:04,550 --> 00:12:03,519  
status of the investigation

310  
00:12:07,509 --> 00:12:04,560  
they didn't say if there was a

311  
00:12:09,350 --> 00:12:07,519  
conclusion but they did say

312  
00:12:11,350 --> 00:12:09,360  
yes those are videos that have been in

313  
00:12:13,269 --> 00:12:11,360

our position they were taken by

314

00:12:14,470 --> 00:12:13,279

say by members you know service members

315

00:12:16,710 --> 00:12:14,480

in the navy

316

00:12:17,509 --> 00:12:16,720

so i certainly don't think it was a hoax

317

00:12:20,870 --> 00:12:17,519

um

318

00:12:21,350 --> 00:12:20,880

okay but again we're not we don't have

319

00:12:23,750 --> 00:12:21,360

all

320

00:12:25,030 --> 00:12:23,760

the data that we'd like to have to be

321

00:12:27,829 --> 00:12:25,040

able to work with that

322

00:12:28,629 --> 00:12:27,839

because as i said when numerous

323

00:12:32,230 --> 00:12:28,639

journalists

324

00:12:35,509 --> 00:12:32,240

uh have asked the pentagon so

325

00:12:37,110 --> 00:12:35,519

are they classified as unidentified and

326

00:12:38,470 --> 00:12:37,120

susan goff has come back to a bunch of

327

00:12:39,829 --> 00:12:38,480

people repeatedly

328

00:12:40,870 --> 00:12:39,839

and said i have nothing more on you for

329

00:12:41,750 --> 00:12:40,880

this i've already told you what i can

330

00:12:45,430 --> 00:12:41,760

tell you

331

00:12:46,870 --> 00:12:45,440

so for all we know they're saying

332

00:12:48,470 --> 00:12:46,880

you know they're saying yep those are

333

00:12:49,430 --> 00:12:48,480

real videos all right they were taken by

334

00:12:51,910 --> 00:12:49,440

sailors all right

335

00:12:52,949 --> 00:12:51,920

we investigated those they might not be

336

00:12:55,030 --> 00:12:52,959

saying

337

00:12:56,710 --> 00:12:55,040

oh we're totally stumped or they might

338

00:12:57,829 --> 00:12:56,720

not be saying oh yeah we found out it

339

00:13:00,310 --> 00:12:57,839

was a weather balloon

340

00:13:00,949 --> 00:13:00,320

yeah you know until they say something

341

00:13:03,990 --> 00:13:00,959

like that

342

00:13:05,990 --> 00:13:04,000

then we don't know yeah i mean and to be

343

00:13:07,829 --> 00:13:06,000

fair it wasn't it's in a presentation

344

00:13:10,310 --> 00:13:07,839

so for all we know the context of it

345

00:13:11,509 --> 00:13:10,320

could be these are examples of something

346

00:13:14,629 --> 00:13:11,519

that look like

347

00:13:17,430 --> 00:13:14,639

uaps but are not

348

00:13:18,150 --> 00:13:17,440

yes it's a possibility yeah yeah we just

349

00:13:21,430 --> 00:13:18,160

don't know

350

00:13:23,350 --> 00:13:21,440

um but you know the one thing i think it

351  
00:13:24,470 --> 00:13:23,360  
you know and it's tangible i think they

352  
00:13:27,430 --> 00:13:24,480  
did create a little

353  
00:13:29,829 --> 00:13:27,440  
you know excitement as far as getting

354  
00:13:31,269 --> 00:13:29,839  
people involved and paying attention

355  
00:13:32,949 --> 00:13:31,279  
i just hope that when people do that

356  
00:13:34,069 --> 00:13:32,959  
they actually do something versus just

357  
00:13:36,710 --> 00:13:34,079  
watching it all

358  
00:13:37,350 --> 00:13:36,720  
you know what whether that be make a

359  
00:13:39,509 --> 00:13:37,360  
phone call

360  
00:13:42,389 --> 00:13:39,519  
or you know push out accurate

361  
00:13:46,310 --> 00:13:42,399  
information like stuff from yourself or

362  
00:13:48,310 --> 00:13:46,320  
um you know for the most part right

363  
00:13:50,069 --> 00:13:48,320

but i mean i think that if we could all

364

00:13:52,389 --> 00:13:50,079

get that mentality and some of the

365

00:13:54,069 --> 00:13:52,399

observers and everything can kind of get

366

00:13:56,710 --> 00:13:54,079

involved maybe we can

367

00:13:58,310 --> 00:13:56,720

create something that can take this home

368

00:14:01,030 --> 00:13:58,320

um

369

00:14:01,430 --> 00:14:01,040

yeah the the two recent ones this this

370

00:14:11,509 --> 00:14:01,440

th

371

00:14:13,269 --> 00:14:11,519

stuff

372

00:14:14,710 --> 00:14:13,279

that particularly the nimitz one that

373

00:14:16,550 --> 00:14:14,720

was a long time ago most

374

00:14:17,750 --> 00:14:16,560

of those sailors the people who were

375

00:14:19,430 --> 00:14:17,760

involved are

376

00:14:20,550 --> 00:14:19,440

retired by this point and a lot of them

377

00:14:20,870 --> 00:14:20,560

didn't even go all the way to retirement

378

00:14:22,790 --> 00:14:20,880

because

379

00:14:24,150 --> 00:14:22,800

you know some people just serve four

380

00:14:27,350 --> 00:14:24,160

eight six years you know

381

00:14:28,870 --> 00:14:27,360

and and they get out so civilians feel a

382

00:14:30,790 --> 00:14:28,880

lot more free to come forward and talk

383

00:14:33,509 --> 00:14:30,800

about things trying to get somebody

384

00:14:34,470 --> 00:14:33,519

who's actually still in the service

385

00:14:35,670 --> 00:14:34,480

they're going to have to go ask

386

00:14:37,110 --> 00:14:35,680

permission and the answer is usually

387

00:14:41,430 --> 00:14:37,120

going to be no

388

00:14:43,269 --> 00:14:41,440

um almost always so that's a whole

389

00:14:45,030 --> 00:14:43,279

it might be a long time before we hear

390

00:14:47,670 --> 00:14:45,040

from any of the people

391

00:14:49,269 --> 00:14:47,680

uh from the ships that were in from the

392

00:14:51,990 --> 00:14:49,279

omaha on the other ship

393

00:14:52,389 --> 00:14:52,000

uh that were involved in that you think

394

00:14:56,230 --> 00:14:52,399

about

395

00:15:00,790 --> 00:14:56,240

uh alex who was just recently coming out

396

00:15:07,750 --> 00:15:04,629

so that's that's four years right

397

00:15:08,949 --> 00:15:07,760

no she was she was with favor right that

398

00:15:11,910 --> 00:15:08,959

was 2004.

399

00:15:13,590 --> 00:15:11,920

that's even longer and she was just

400

00:15:14,790 --> 00:15:13,600

starting at that point she uh

401  
00:15:16,629 --> 00:15:14,800  
in one of her interviews i remember

402  
00:15:19,829 --> 00:15:16,639  
saying that

403  
00:15:21,590 --> 00:15:19,839  
that was her first uh deployment

404  
00:15:23,030 --> 00:15:21,600  
after qualifying for carrier landings at

405  
00:15:24,629 --> 00:15:23,040  
takeoffs and

406  
00:15:25,990 --> 00:15:24,639  
you know she had been she had been

407  
00:15:26,710 --> 00:15:26,000  
flying before that but that was her

408  
00:15:29,910 --> 00:15:26,720  
first real

409  
00:15:30,949 --> 00:15:29,920  
active airwing work and favor had been

410  
00:15:33,110 --> 00:15:30,959  
around forever

411  
00:15:34,550 --> 00:15:33,120  
you know so he got out much sooner but i

412  
00:15:35,189 --> 00:15:34,560  
i think she was in for quite a while

413  
00:15:37,110 --> 00:15:35,199

longer

414

00:15:38,230 --> 00:15:37,120

but now she's you know retired and moved

415

00:15:41,350 --> 00:15:38,240

on so

416

00:15:43,590 --> 00:15:41,360

yeah um have you

417

00:15:46,230 --> 00:15:43,600

taken a listen to her account at all i

418

00:15:49,590 --> 00:15:46,240

mean i guess she did something with npr

419

00:15:50,949 --> 00:15:49,600

um in a different news outlet

420

00:15:52,949 --> 00:15:50,959

what do you gather from that do you

421

00:15:54,790 --> 00:15:52,959

think does it

422

00:15:57,269 --> 00:15:54,800

to me it seems like she doesn't really

423

00:15:58,949 --> 00:15:57,279

want to do any of this

424

00:16:00,550 --> 00:15:58,959

you know like go out in the public and

425

00:16:02,150 --> 00:16:00,560

talk about this and everything she just

426

00:16:05,350 --> 00:16:02,160

doesn't seem like the type to

427

00:16:07,350 --> 00:16:05,360

to want that attention um so now

428

00:16:09,189 --> 00:16:07,360

you know follow her on twitter [h\_\_h]

429

00:16:12,470 --> 00:16:09,199

she's uh

430

00:16:15,110 --> 00:16:12,480

she has said repeatedly that she

431

00:16:16,230 --> 00:16:15,120

never wanted to come talk about she she

432

00:16:18,389 --> 00:16:16,240

did talk about it

433

00:16:19,910 --> 00:16:18,399

she was grilled and had to file reports

434

00:16:22,949 --> 00:16:19,920

as soon as she landed

435

00:16:25,350 --> 00:16:22,959

as soon as they got back to san diego

436

00:16:27,269 --> 00:16:25,360

you know she had to do that she got

437

00:16:29,350 --> 00:16:27,279

summoned to washington multiple times

438

00:16:31,990 --> 00:16:29,360

and had to give testimony you know

439

00:16:33,670 --> 00:16:32,000

privately anonymously

440

00:16:35,430 --> 00:16:33,680

but as far as going public and doing all

441

00:16:37,110 --> 00:16:35,440

this stuff she said

442

00:16:38,550 --> 00:16:37,120

she never wanted to she still really

443

00:16:40,310 --> 00:16:38,560

doesn't want to

444

00:16:43,110 --> 00:16:40,320

but she's doing it because if there are

445

00:16:45,189 --> 00:16:43,120

other military members out there who

446

00:16:46,870 --> 00:16:45,199

are cautious about coming forward that

447

00:16:48,150 --> 00:16:46,880

she's trying to set an example

448

00:16:49,990 --> 00:16:48,160

and that's the only reason she's doing

449

00:16:52,150 --> 00:16:50,000

it but she she's she's

450

00:16:53,590 --> 00:16:52,160

i've heard her say several times now i'm

451  
00:16:54,790 --> 00:16:53,600  
so sick of being asked the same five

452  
00:16:56,629 --> 00:16:54,800  
questions over and over again

453  
00:16:58,470 --> 00:16:56,639  
you know yeah how would you not be

454  
00:16:58,949 --> 00:16:58,480  
especially on something that was so long

455  
00:17:00,389 --> 00:16:58,959  
ago

456  
00:17:03,350 --> 00:17:00,399  
like because personally you're probably

457  
00:17:05,189 --> 00:17:03,360  
over it by now a long time ago

458  
00:17:07,029 --> 00:17:05,199  
and you have to come back and rehash all

459  
00:17:10,069 --> 00:17:07,039  
this stuff with kind of the same

460  
00:17:12,230 --> 00:17:10,079  
information you had to begin with

461  
00:17:13,189 --> 00:17:12,240  
yeah and she was in the process of

462  
00:17:16,150 --> 00:17:13,199  
moving

463  
00:17:17,669 --> 00:17:16,160

when she got called to go on 60 minutes

464

00:17:19,510 --> 00:17:17,679

and she said

465

00:17:20,870 --> 00:17:19,520

i'm relying on memories from a long time

466

00:17:23,510 --> 00:17:20,880

ago she she said i

467

00:17:24,470 --> 00:17:23,520

i do i took very careful notes i still

468

00:17:26,230 --> 00:17:24,480

have those notes

469

00:17:27,909 --> 00:17:26,240

i will share them with you when i can

470

00:17:30,390 --> 00:17:27,919

but they're in my quote

471

00:17:32,150 --> 00:17:30,400

her phrase ufo box and she has a picture

472

00:17:32,870 --> 00:17:32,160

of her closet with like 900 boxes

473

00:17:34,789 --> 00:17:32,880

stacked up

474

00:17:36,150 --> 00:17:34,799

and and that one's down at the bottom

475

00:17:37,830 --> 00:17:36,160

and it's like well until she finishes

476

00:17:40,150 --> 00:17:37,840

moving and gets everything i'm back

477

00:17:41,510 --> 00:17:40,160

sorry you know yeah that's a bad game

478

00:17:44,630 --> 00:17:41,520

with jingo right there

479

00:17:46,390 --> 00:17:44,640

exactly hey hey i just want to say to

480

00:17:48,310 --> 00:17:46,400

alex if you're listening by some chance

481

00:17:49,190 --> 00:17:48,320

at least you've got a ufo box i wish i

482

00:17:53,270 --> 00:17:49,200

had one

483

00:17:56,789 --> 00:17:53,280

yeah yeah true i have a ufo folder

484

00:18:02,710 --> 00:17:58,549

with uh yeah i've been going through

485

00:18:05,909 --> 00:18:02,720

those uh cia documents

486

00:18:06,710 --> 00:18:05,919

that greenwald got black fault there's a

487

00:18:09,830 --> 00:18:06,720

lot in there

488

00:18:12,150 --> 00:18:09,840

and there is like so much

489

00:18:13,430 --> 00:18:12,160

history there as far as dealing with

490

00:18:17,029 --> 00:18:13,440

sightings

491

00:18:20,630 --> 00:18:17,039

dealing with you know um people who are

492

00:18:22,950 --> 00:18:20,640

constantly harassing them about reports

493

00:18:24,549 --> 00:18:22,960

um and then some stuff that's pretty

494

00:18:26,870 --> 00:18:24,559

jaw-dropping

495

00:18:28,390 --> 00:18:26,880

um though the latest one i posted on

496

00:18:31,990 --> 00:18:28,400

twitter there it was

497

00:18:35,110 --> 00:18:32,000

really it was from the deputy assistant

498

00:18:36,789 --> 00:18:35,120

i think sex secretary of something

499

00:18:39,350 --> 00:18:36,799

i don't know but these are legit guys to

500

00:18:40,710 --> 00:18:39,360

and from you can look at their actual

501  
00:18:42,230 --> 00:18:40,720  
titles on the letter

502  
00:18:46,070 --> 00:18:42,240  
but they're talking about the threat

503  
00:18:48,789 --> 00:18:46,080  
being part psychological even

504  
00:18:50,630 --> 00:18:48,799  
and they even go as far as to say

505  
00:18:51,430 --> 00:18:50,640  
because people are reporting this stuff

506  
00:18:54,230 --> 00:18:51,440  
so often

507  
00:18:55,190 --> 00:18:54,240  
and this is maybe in the 50s i want to

508  
00:18:58,470 --> 00:18:55,200  
say

509  
00:19:03,750 --> 00:18:58,480  
they may be they may be prepared

510  
00:19:07,830 --> 00:19:05,830  
that's crazy and there are two

511  
00:19:09,590 --> 00:19:07,840  
professional people

512  
00:19:12,070 --> 00:19:09,600  
corresponding through this email but

513  
00:19:14,630 --> 00:19:12,080

then that it went along the uh

514

00:19:15,590 --> 00:19:14,640

robertson panel so it's like what's true

515

00:19:17,990 --> 00:19:15,600

here

516

00:19:19,510 --> 00:19:18,000

you know like on the one hand they're

517

00:19:20,789 --> 00:19:19,520

doing the robertson panel on the other

518

00:19:23,510 --> 00:19:20,799

hand they

519

00:19:25,669 --> 00:19:23,520

you know are talking about some real

520

00:19:27,590 --> 00:19:25,679

serious stuff

521

00:19:29,270 --> 00:19:27,600

it's i guess that's their mo and i'm

522

00:19:30,789 --> 00:19:29,280

just really figuring it out for the

523

00:19:34,070 --> 00:19:30,799

first time

524

00:19:39,190 --> 00:19:34,080

how much of those documents are

525

00:19:41,590 --> 00:19:39,200

real how much got saved and wasn't lost

526

00:19:43,510 --> 00:19:41,600

uh that should provide more context over

527

00:19:45,669 --> 00:19:43,520

the years

528

00:19:47,909 --> 00:19:45,679

where one thing i know is they don't

529

00:19:49,669 --> 00:19:47,919

sound like the conspiracy theorist

530

00:19:50,950 --> 00:19:49,679

well that the air force is a whole

531

00:19:55,110 --> 00:19:50,960

another problem of its own

532

00:19:57,990 --> 00:19:55,120

yeah but the all those documents

533

00:19:59,669 --> 00:19:58,000

that i've been referred to where the cia

534

00:20:02,230 --> 00:19:59,679

was involved in questions like this

535

00:20:03,590 --> 00:20:02,240

way back in the day and how much they

536

00:20:07,029 --> 00:20:03,600

interacted

537

00:20:08,789 --> 00:20:07,039

with the pentagon with various elements

538

00:20:09,909 --> 00:20:08,799

you know those are open questions and

539

00:20:11,510 --> 00:20:09,919

there have been documents that were

540

00:20:14,310 --> 00:20:11,520

shown later to be forgeries

541

00:20:15,270 --> 00:20:14,320

that didn't come from there others were

542

00:20:20,710 --> 00:20:15,280

totally

543

00:20:22,630 --> 00:20:20,720

them in context and it's like

544

00:20:24,149 --> 00:20:22,640

well that could mean a couple different

545

00:20:26,870 --> 00:20:24,159

things right you know

546

00:20:29,110 --> 00:20:26,880

and how what do you want it to mean

547

00:20:30,310 --> 00:20:29,120

because i think that that always colors

548

00:20:33,029 --> 00:20:30,320

the conversation when you're doing

549

00:20:35,909 --> 00:20:33,039

research like this

550

00:20:37,350 --> 00:20:35,919

if you ever go through on john's site um

551  
00:20:38,870 --> 00:20:37,360  
and go look through all the cattle

552  
00:20:41,990 --> 00:20:38,880  
mutilation documents that he has

553  
00:20:43,750 --> 00:20:42,000  
and there's a lot man the cia has a long

554  
00:20:47,350 --> 00:20:43,760  
and colorful history there

555  
00:20:50,390 --> 00:20:47,360  
you know and and most of it

556  
00:20:52,870 --> 00:20:50,400  
is blown up by ufologists and

557  
00:20:54,310 --> 00:20:52,880  
bloggers and on you know shows hosted by

558  
00:20:55,270 --> 00:20:54,320  
william shatner and things like that to

559  
00:20:57,669 --> 00:20:55,280  
make it look like

560  
00:21:00,149 --> 00:20:57,679  
the cia was waist deep in the whole

561  
00:21:02,630 --> 00:21:00,159  
thing with the cattle mutilations

562  
00:21:04,230 --> 00:21:02,640  
they were a most of the time trying to

563  
00:21:05,430 --> 00:21:04,240

find ways to avoid having to get

564

00:21:07,510 --> 00:21:05,440

involved

565

00:21:08,630 --> 00:21:07,520

and when they and they had a real good

566

00:21:10,549 --> 00:21:08,640

excuse

567

00:21:12,149 --> 00:21:10,559

because they didn't have jurisdiction to

568

00:21:14,230 --> 00:21:12,159

get involved unless

569

00:21:15,190 --> 00:21:14,240

it was an incident that took place on

570

00:21:17,669 --> 00:21:15,200

tribal land

571

00:21:18,870 --> 00:21:17,679

or federal land and most of this most

572

00:21:21,110 --> 00:21:18,880

that stuff took place

573

00:21:22,390 --> 00:21:21,120

on private ranch property so they didn't

574

00:21:23,750 --> 00:21:22,400

have jurisdiction they could immediately

575

00:21:27,029 --> 00:21:23,760

just go

576

00:21:28,630 --> 00:21:27,039

sorry yeah call the sheriff you know and

577

00:21:30,870 --> 00:21:28,640

in the rare cases where they did they

578

00:21:32,549 --> 00:21:30,880

did go and do some investigation

579

00:21:34,789 --> 00:21:32,559

but the background documents that john

580

00:21:36,310 --> 00:21:34,799

dug up you know it makes it look like

581

00:21:37,750 --> 00:21:36,320

they really weren't that enthusiastic

582

00:21:38,870 --> 00:21:37,760

about it it's like do you want to be the

583

00:21:40,630 --> 00:21:38,880

guy whose career

584

00:21:41,710 --> 00:21:40,640

now is going to have the i invested the

585

00:21:49,190 --> 00:21:41,720

cattle mutilations

586

00:21:52,470 --> 00:21:50,950

one of the top most wanted killers in

587

00:21:53,350 --> 00:21:52,480

the country but you you stay on those

588

00:21:55,110 --> 00:21:53,360

cows phil

589

00:21:56,630 --> 00:21:55,120

man you got two bucks over there don't

590

00:21:57,750 --> 00:21:56,640

worry about them you get the cows over

591

00:21:59,350 --> 00:21:57,760

there the brown spots

592

00:21:59,700 --> 00:21:59,360

they ain't chocolate milk baby take it

593

00:22:02,149 --> 00:21:59,710

down

594

00:22:04,950 --> 00:22:02,159

[Laughter]

595

00:22:06,149 --> 00:22:04,960

um yeah but i kind of got that vibe too

596

00:22:09,990 --> 00:22:06,159

from looking at these

597

00:22:13,270 --> 00:22:10,000

cia papers regarding you know

598

00:22:15,029 --> 00:22:13,280

ufos and other correspondents

599

00:22:18,470 --> 00:22:15,039

it seems like they were kind of they

600

00:22:20,230 --> 00:22:18,480

were taking a lot of reports at first

601  
00:22:22,390 --> 00:22:20,240  
and somewhere in the 50s it just

602  
00:22:24,070 --> 00:22:22,400  
switched over to the air force

603  
00:22:25,669 --> 00:22:24,080  
everything's the air force all their

604  
00:22:29,270 --> 00:22:25,679  
responses was

605  
00:22:33,350 --> 00:22:29,280  
you know this is officially only

606  
00:22:35,110 --> 00:22:33,360  
up to the air force you know

607  
00:22:36,549 --> 00:22:35,120  
and you could tell so it kind of seemed

608  
00:22:37,190 --> 00:22:36,559  
to me like they were like yeah sure

609  
00:22:40,230 --> 00:22:37,200  
we'll take this

610  
00:22:41,669 --> 00:22:40,240  
on yeah this ain't real or whatever then

611  
00:22:41,909 --> 00:22:41,679  
they were like yeah you know we can't do

612  
00:22:45,430 --> 00:22:41,919  
it

613  
00:22:47,990 --> 00:22:45,440

the air force really should but

614

00:22:49,270 --> 00:22:48,000

you know uh yeah there's look at this

615

00:22:52,070 --> 00:22:49,280

look at the report that

616

00:22:53,669 --> 00:22:52,080

we just got a preview of supposedly uh

617

00:22:57,190 --> 00:22:53,679

from the new york times

618

00:22:57,669 --> 00:22:57,200

and the mention of a little over 120

619

00:23:00,310 --> 00:22:57,679

different

620

00:23:03,510 --> 00:23:00,320

cases yeah that were being investigated

621

00:23:06,230 --> 00:23:03,520

you know how many of those 120 were navy

622

00:23:06,830 --> 00:23:06,240

120 you know how many were the air force

623

00:23:12,390 --> 00:23:06,840

wow

624

00:23:13,750 --> 00:23:12,400

does not talk about this and they still

625

00:23:15,350 --> 00:23:13,760

don't talk about it

626

00:23:18,630 --> 00:23:15,360

what is what do you think the odds are

627

00:23:20,149 --> 00:23:18,640

that that the aliens if they are aliens

628

00:23:21,270 --> 00:23:20,159

they just really they're like go navy

629

00:23:22,070 --> 00:23:21,280

and they like hanging around the navy

630

00:23:23,909 --> 00:23:22,080

but they're like oh

631

00:23:25,590 --> 00:23:23,919

[h\_\_h] the air force and they don't even

632

00:23:27,590 --> 00:23:25,600

bother them or come here yeah

633

00:23:29,669 --> 00:23:27,600

no we wanted to we wanted to show

634

00:23:31,669 --> 00:23:29,679

ourselves like 60 years ago and you

635

00:23:34,870 --> 00:23:31,679

weren't having it so

636

00:23:38,549 --> 00:23:34,880

now you're coming we can't do it yet

637

00:23:40,470 --> 00:23:38,559

you know people talk about you know

638

00:23:42,630 --> 00:23:40,480

i don't know if anyone really truly

639

00:23:45,750 --> 00:23:42,640

believes

640

00:23:47,750 --> 00:23:45,760

like without evidence involved or or

641

00:23:50,149 --> 00:23:47,760

you know talking heads or anything i

642

00:23:53,510 --> 00:23:50,159

don't know that anyone truly believes

643

00:23:54,950 --> 00:23:53,520

that this could be foreign tech and i do

644

00:23:56,390 --> 00:23:54,960

think a lot of things are involved and

645

00:23:57,909 --> 00:23:56,400

some may be foreign tech

646

00:24:00,230 --> 00:23:57,919

but when i talk i just want to talk

647

00:24:01,830 --> 00:24:00,240

about the unknowns the unidentifieds

648

00:24:04,149 --> 00:24:01,840

i hate even when they include that in

649

00:24:05,750 --> 00:24:04,159

reports and stuff i don't care tell me

650

00:24:09,750 --> 00:24:05,760

what you have

651  
00:24:12,470 --> 00:24:09,760  
that's unidentified right

652  
00:24:12,950 --> 00:24:12,480  
no there there have been a ton of cases

653  
00:24:14,950 --> 00:24:12,960  
and

654  
00:24:15,990 --> 00:24:14,960  
i i've had to write about those in the

655  
00:24:19,029 --> 00:24:16,000  
past

656  
00:24:22,149 --> 00:24:19,039  
where there are unusual totally

657  
00:24:25,269 --> 00:24:22,159  
conventional things

658  
00:24:27,750 --> 00:24:25,279  
that can do some weird stuff we have uh

659  
00:24:28,710 --> 00:24:27,760  
publicly available unclassified videos

660  
00:24:31,110 --> 00:24:28,720  
of

661  
00:24:33,430 --> 00:24:31,120  
air force ships or air force planes

662  
00:24:35,750 --> 00:24:33,440  
coming and releasing swarms

663  
00:24:37,110 --> 00:24:35,760

of literally hundreds upon hundreds of

664

00:24:38,470 --> 00:24:37,120

little tiny drones

665

00:24:40,470 --> 00:24:38,480

that go out and use artificial

666

00:24:43,350 --> 00:24:40,480

intelligence and form into a cloud

667

00:24:44,630 --> 00:24:43,360

and move off and attack a target in mass

668

00:24:47,029 --> 00:24:44,640

you know

669

00:24:47,909 --> 00:24:47,039

on the low tech end of things it's

670

00:24:49,750 --> 00:24:47,919

already it's

671

00:24:52,070 --> 00:24:49,760

absolutely confirmed that al Qaeda has

672

00:24:55,110 --> 00:24:52,080

had a couple of says where they took

673

00:24:55,590 --> 00:24:55,120

small drones relatively small the kind

674

00:24:58,789 --> 00:24:55,600

you could

675

00:25:01,590 --> 00:24:58,799

buy at Walmart sometimes and attached

676  
00:25:03,909 --> 00:25:01,600  
balloons to them so that they didn't

677  
00:25:05,990 --> 00:25:03,919  
have to use very much lift

678  
00:25:07,750 --> 00:25:06,000  
and could stay aloft for quite a while

679  
00:25:10,070 --> 00:25:07,760  
and they deployed those things at very

680  
00:25:12,470 --> 00:25:10,080  
low altitudes above the ground

681  
00:25:13,669 --> 00:25:12,480  
with explosives on them and successfully

682  
00:25:15,830 --> 00:25:13,679  
committed attacks with them

683  
00:25:17,350 --> 00:25:15,840  
that's low tech but it was also

684  
00:25:18,470 --> 00:25:17,360  
technically at the time

685  
00:25:20,950 --> 00:25:18,480  
nobody was looking for something like

686  
00:25:22,230 --> 00:25:20,960  
that that was a ufo until it blew up

687  
00:25:24,549 --> 00:25:22,240  
and they picked up the pieces you know

688  
00:25:25,110 --> 00:25:24,559

right but no the stuff we're interested

689

00:25:28,070 --> 00:25:25,120

in

690

00:25:29,750 --> 00:25:28,080

that's none of that come on it's like

691

00:25:32,310 --> 00:25:29,760

don't even throw that in the mix

692

00:25:32,870 --> 00:25:32,320

because then you are muddying the waters

693

00:25:35,990 --> 00:25:32,880

yeah

694

00:25:37,750 --> 00:25:36,000

you know just i'm not trying to

695

00:25:39,350 --> 00:25:37,760

discredit anybody who says that there

696

00:25:40,549 --> 00:25:39,360

are things that are seen that aren't

697

00:25:42,789 --> 00:25:40,559

immediately identified

698

00:25:43,590 --> 00:25:42,799

that turn out to be something uh mundane

699

00:25:44,950 --> 00:25:43,600

conventional

700

00:25:47,190 --> 00:25:44,960

even something a little weird but

701

00:25:50,070 --> 00:25:47,200

certainly within our grasp

702

00:25:52,549 --> 00:25:50,080

you know absolutely that's the truth

703

00:25:54,549 --> 00:25:52,559

right but then there's that one percent

704

00:25:55,990 --> 00:25:54,559

there's interesting in the one air force

705

00:25:58,870 --> 00:25:56,000

thing that i found

706

00:26:00,710 --> 00:25:58,880

um was you know somewhat like we're

707

00:26:01,750 --> 00:26:00,720

discussing a report on a certain number

708

00:26:05,669 --> 00:26:01,760

of instances

709

00:26:07,190 --> 00:26:05,679

i think it was maybe i don't remember it

710

00:26:10,310 --> 00:26:07,200

was over a thousand

711

00:26:13,110 --> 00:26:10,320

but 20 percent were

712

00:26:14,950 --> 00:26:13,120

unidentified unexplained at that time

713

00:26:16,950 --> 00:26:14,960

but that does also kind of make sense

714

00:26:18,230 --> 00:26:16,960

because it's a 50s less technology

715

00:26:20,630 --> 00:26:18,240

but i thought that was interesting

716

00:26:23,909 --> 00:26:20,640

because that's a that's a large

717

00:26:24,950 --> 00:26:23,919

sum of unidentifieds and in the same

718

00:26:28,070 --> 00:26:24,960

time frame

719

00:26:31,510 --> 00:26:28,080

russia's having these things happen

720

00:26:32,470 --> 00:26:31,520

um and we are as well china just formed

721

00:26:36,830 --> 00:26:32,480

their own

722

00:26:39,750 --> 00:26:36,840

uh task force you know for unidentified

723

00:26:41,510 --> 00:26:39,760

aerial it's a different word

724

00:26:43,110 --> 00:26:41,520

they changed the word they changed the

725

00:26:44,390 --> 00:26:43,120

last word i forget but it's their own

726

00:26:46,390 --> 00:26:44,400

uap task force

727

00:26:49,750 --> 00:26:46,400

yeah so they say let's get real they've

728

00:26:51,669 --> 00:26:49,760

been looking at this forever

729

00:26:52,630 --> 00:26:51,679

such as us and i tend to think that

730

00:26:55,590 --> 00:26:52,640

they're going to be a little more

731

00:26:57,669 --> 00:26:55,600

planned out than us

732

00:26:58,870 --> 00:26:57,679

just because they seem to do that all

733

00:27:02,230 --> 00:26:58,880

the time these long

734

00:27:04,470 --> 00:27:02,240

outstretched plans 50-year plans

735

00:27:05,990 --> 00:27:04,480

you know oh yeah that's true and 50

736

00:27:09,029 --> 00:27:06,000

years ago hey

737

00:27:12,230 --> 00:27:09,039

they were dealing with this

738

00:27:14,950 --> 00:27:12,240

well so were we you know uh

739

00:27:16,789 --> 00:27:14,960

if you remember when harry reid

740

00:27:21,430 --> 00:27:16,799

initially got the funding to set up atep

741

00:27:23,750 --> 00:27:21,440

back in 2012 whenever it was uh

742

00:27:24,549 --> 00:27:23,760

he had two other senators and i know the

743

00:27:28,310 --> 00:27:24,559

names are goodness

744

00:27:30,470 --> 00:27:28,320

uh one of them was uh in effect and

745

00:27:32,950 --> 00:27:30,480

who got a bipartisan thing together to

746

00:27:35,110 --> 00:27:32,960

push for the money and it was successful

747

00:27:36,310 --> 00:27:35,120

and one of the other senators who was

748

00:27:36,870 --> 00:27:36,320

close to retirement already at that

749

00:27:39,830 --> 00:27:36,880

point

750

00:27:41,029 --> 00:27:39,840

had been a world war ii pilot and he

751

00:27:44,070 --> 00:27:41,039

flew fighters in world war

752

00:27:45,990 --> 00:27:44,080

ii and he told harry reid and then

753

00:27:47,990 --> 00:27:46,000

after he retired he told some reporters

754

00:27:49,269 --> 00:27:48,000

also one reason he jumped

755

00:27:51,110 --> 00:27:49,279

right on there and said yeah i think we

756

00:27:53,110 --> 00:27:51,120

need to be looking out for this

757

00:27:54,630 --> 00:27:53,120

was because when he was in the war

758

00:27:57,190 --> 00:27:54,640

flying over europe

759

00:27:58,070 --> 00:27:57,200

he saw the foo fighters he saw him with

760

00:28:01,110 --> 00:27:58,080

his own eyes

761

00:28:02,950 --> 00:28:01,120

tracking along next to his plane and he

762

00:28:04,870 --> 00:28:02,960

and never had an explanation never

763

00:28:06,950 --> 00:28:04,880

talked about it and then

764

00:28:08,389 --> 00:28:06,960

the opportunity for a tape a tip came

765

00:28:10,870 --> 00:28:08,399

along and he was like

766

00:28:12,070 --> 00:28:10,880

oh yeah we got 22 million for this you

767

00:28:15,590 --> 00:28:12,080

go

768

00:28:16,070 --> 00:28:15,600

interesting yeah there's so many stories

769

00:28:18,310 --> 00:28:16,080

like that

770

00:28:20,149 --> 00:28:18,320

it would be nice to just get some truth

771

00:28:20,870 --> 00:28:20,159

in admission of what's real and what

772

00:28:24,310 --> 00:28:20,880

isn't

773

00:28:29,110 --> 00:28:24,320

uh hopefully hopefully we get that uh

774

00:28:30,870 --> 00:28:29,120

um soon you know i don't think that the

775

00:28:32,230 --> 00:28:30,880

i'm kind of torn on the report actually

776

00:28:33,029 --> 00:28:32,240

a part of me kind of thinks they'll

777

00:28:37,110 --> 00:28:33,039

throw something

778

00:28:42,230 --> 00:28:40,149

a part of me is like maybe they'll just

779

00:28:43,269 --> 00:28:42,240

do it with china and everything now

780

00:28:46,470 --> 00:28:43,279

that's kind of

781

00:28:46,870 --> 00:28:46,480

changing the the game a little bit isn't

782

00:28:52,470 --> 00:28:46,880

it

783

00:28:53,990 --> 00:28:52,480

task force that's kind of like a

784

00:28:55,669 --> 00:28:54,000

challenge almost

785

00:28:58,310 --> 00:28:55,679

the people we're waiting on a report

786

00:29:00,149 --> 00:28:58,320

from first of all let's keep in mind

787

00:29:01,909 --> 00:29:00,159

these are the same people who recently

788

00:29:02,870 --> 00:29:01,919

admitted if they're even telling the

789

00:29:04,710 --> 00:29:02,880

truth

790

00:29:07,190 --> 00:29:04,720

that they deleted all of luella's

791

00:29:10,230 --> 00:29:07,200

honda's emails

792

00:29:11,350 --> 00:29:10,240

a a guy that is in charge of the secret

793

00:29:13,830 --> 00:29:11,360

ufo program

794

00:29:15,110 --> 00:29:13,840

and oh by the way was running a whole

795

00:29:16,789 --> 00:29:15,120

run in an office that was taking care of

796

00:29:19,269 --> 00:29:16,799

a whole bunch of stuff at gitmo

797

00:29:21,430 --> 00:29:19,279

including the trial of khalid sheikh

798

00:29:25,029 --> 00:29:21,440

mohammed the 911 mastermind but yeah

799

00:29:28,149 --> 00:29:25,039

why would you keep that guys yeah [h\_\_\h]

800

00:29:28,710 --> 00:29:28,159

and so either they deleted something

801  
00:29:31,510 --> 00:29:28,720  
that they

802  
00:29:33,029 --> 00:29:31,520  
never should have deleted or they told

803  
00:29:34,389 --> 00:29:33,039  
journalists that they deleted it and

804  
00:29:36,789 --> 00:29:34,399  
they lied

805  
00:29:37,750 --> 00:29:36,799  
you know so take your pick uh so what

806  
00:29:40,549 --> 00:29:37,760  
are we gonna get

807  
00:29:41,269 --> 00:29:40,559  
um we saw the preview in the new york

808  
00:29:44,470 --> 00:29:41,279  
times

809  
00:29:45,590 --> 00:29:44,480  
now and to me i had set my expectations

810  
00:29:47,669 --> 00:29:45,600  
so low that i was like

811  
00:29:48,870 --> 00:29:47,679  
that looks pretty good all i really

812  
00:29:50,470 --> 00:29:48,880  
wanted out of

813  
00:29:53,029 --> 00:29:50,480

up front for the first step and it's

814

00:29:55,590 --> 00:29:53,039

only a step was to say

815

00:29:56,789 --> 00:29:55,600

yep ufos are real nope we don't know

816

00:29:58,870 --> 00:29:56,799

what they are

817

00:29:59,830 --> 00:29:58,880

nope it's not our tech yeah and

818

00:30:02,070 --> 00:29:59,840

supposedly

819

00:30:03,830 --> 00:30:02,080

and and i mean that's a huge first step

820

00:30:07,190 --> 00:30:03,840

right it is gigantic and

821

00:30:09,269 --> 00:30:07,200

that's great that would be if that's

822

00:30:10,789 --> 00:30:09,279

every bit of what we got i would say so

823

00:30:12,710 --> 00:30:10,799

long as the work continues maybe

824

00:30:13,990 --> 00:30:12,720

there'll be another important six months

825

00:30:17,190 --> 00:30:14,000

that's a great first start

826

00:30:20,310 --> 00:30:17,200

congratulations my hat is off to you

827

00:30:22,870 --> 00:30:20,320

that that relies on a few assumptions

828

00:30:23,830 --> 00:30:22,880

it relies on number one that the new

829

00:30:26,389 --> 00:30:23,840

york times

830

00:30:27,590 --> 00:30:26,399

uh anonymous sources who provided this

831

00:30:30,630 --> 00:30:27,600

information

832

00:30:34,549 --> 00:30:30,640

that they actually did see the report

833

00:30:36,389 --> 00:30:34,559

that and let's go ahead and say they did

834

00:30:38,230 --> 00:30:36,399

that they relayed the information

835

00:30:40,710 --> 00:30:38,240

correctly accurately

836

00:30:41,909 --> 00:30:40,720

right and that the new york times is

837

00:30:43,590 --> 00:30:41,919

relaying the information

838

00:30:45,190 --> 00:30:43,600

they relayed and nothing was lost in

839

00:30:48,470 --> 00:30:45,200

translation

840

00:30:50,710 --> 00:30:48,480

um so we're relying on that and again

841

00:30:51,990 --> 00:30:50,720

the actual report that they saw assuming

842

00:30:53,590 --> 00:30:52,000

they did

843

00:30:55,430 --> 00:30:53,600

once again is coming from these same

844

00:30:57,509 --> 00:30:55,440

people we were just discussing

845

00:30:59,990 --> 00:30:57,519

how much transparent transparency and

846

00:31:01,350 --> 00:31:00,000

honesty you can expect from them

847

00:31:03,269 --> 00:31:01,360

let's just say that remains an open

848

00:31:04,310 --> 00:31:03,279

question yeah and i mean they already

849

00:31:07,190 --> 00:31:04,320

changed the headline

850

00:31:09,430 --> 00:31:07,200

so something's you know i know it's such

851  
00:31:11,909 --> 00:31:09,440  
a small thing but changing the headline

852  
00:31:13,990 --> 00:31:11,919  
is a big deal that's the first change

853  
00:31:16,230 --> 00:31:14,000  
they made was a huge deal

854  
00:31:17,350 --> 00:31:16,240  
yeah that's the first opportunity

855  
00:31:20,549 --> 00:31:17,360  
somebody has

856  
00:31:23,750 --> 00:31:20,559  
to either be interested or not and

857  
00:31:25,830 --> 00:31:23,760  
to me that headline was just written

858  
00:31:27,909 --> 00:31:25,840  
so people who are not interested and

859  
00:31:30,630 --> 00:31:27,919  
laugh at it can read that headline

860  
00:31:32,710 --> 00:31:30,640  
and continue to do so right you know if

861  
00:31:34,070 --> 00:31:32,720  
you saw the original headline

862  
00:31:35,350 --> 00:31:34,080  
are you going to click on that link if

863  
00:31:36,470 --> 00:31:35,360

you're not somebody that's already

864

00:31:38,310 --> 00:31:36,480

interested in the subject

865

00:31:40,389 --> 00:31:38,320

maybe are they dealing with this the the

866

00:31:42,310 --> 00:31:40,399

government found that there was no

867

00:31:43,509 --> 00:31:42,320

evidence of uh connection to

868

00:31:46,630 --> 00:31:43,519

extraterrestrials

869

00:31:48,470 --> 00:31:46,640

so in in their head i'm just hearing

870

00:31:49,830 --> 00:31:48,480

them filling in the blank going

871

00:31:51,830 --> 00:31:49,840

uh it's probably ours the russians

872

00:31:52,789 --> 00:31:51,840

chinese whatever and i'm moving on to

873

00:31:54,950 --> 00:31:52,799

the sports section

874

00:31:56,789 --> 00:31:54,960

which probably a lot of people did and

875

00:32:00,310 --> 00:31:56,799

then they changed the headline

876

00:32:01,750 --> 00:32:00,320

to say but they also can't rule it out

877

00:32:03,350 --> 00:32:01,760

but by that time a lot of people had

878

00:32:05,350 --> 00:32:03,360

already clicked over the sports section

879

00:32:07,110 --> 00:32:05,360

isn't that interesting how that works it

880

00:32:09,350 --> 00:32:07,120

was convenience yes but then on the one

881

00:32:10,950 --> 00:32:09,360

hand new york times is seemingly such a

882

00:32:13,269 --> 00:32:10,960

proponent of transparency

883

00:32:14,470 --> 00:32:13,279

so it's kind of weird with uh leslie

884

00:32:17,430 --> 00:32:14,480

keane and

885

00:32:18,950 --> 00:32:17,440

blumenthal in the 2017 story they played

886

00:32:21,750 --> 00:32:18,960

a huge role in that

887

00:32:22,950 --> 00:32:21,760

depends which editor you get who you're

888

00:32:25,350 --> 00:32:22,960

working for

889

00:32:26,549 --> 00:32:25,360

does it change like that oh yeah the

890

00:32:28,149 --> 00:32:26,559

newsroom is

891

00:32:29,750 --> 00:32:28,159

has different personalities with

892

00:32:32,230 --> 00:32:29,760

different takes on things

893

00:32:32,870 --> 00:32:32,240

you know uh we've heard that we

894

00:32:35,110 --> 00:32:32,880

interviewed

895

00:32:36,389 --> 00:32:35,120

uh ralph limonthal not too long ago and

896

00:32:38,230 --> 00:32:36,399

he was commenting on that

897

00:32:39,590 --> 00:32:38,240

because he has written for the new york

898

00:32:41,830 --> 00:32:39,600

times going back to

899

00:32:44,549 --> 00:32:41,840

the days of the pentagon papers you know

900

00:32:47,110 --> 00:32:44,559

and yeah a lot of stuff depends on

901  
00:32:48,630 --> 00:32:47,120  
who's on duty at the time you know which

902  
00:32:49,750 --> 00:32:48,640  
which editor gets a hold of it there are

903  
00:32:51,669 --> 00:32:49,760  
some people that are

904  
00:32:53,430 --> 00:32:51,679  
a lot more enthusiastic some people that

905  
00:32:56,470 --> 00:32:53,440  
are a lot less enthusiastic

906  
00:32:57,590 --> 00:32:56,480  
sure yeah they're human beings they they

907  
00:32:59,990 --> 00:32:57,600  
run the gamut

908  
00:33:00,950 --> 00:33:00,000  
and i would imagine this could be

909  
00:33:03,990 --> 00:33:00,960  
possible where

910  
00:33:07,190 --> 00:33:04,000  
whatever uh senators maybe don't

911  
00:33:08,310 --> 00:33:07,200  
want transparency perhaps maybe went to

912  
00:33:10,230 --> 00:33:08,320  
the new york times

913  
00:33:11,590 --> 00:33:10,240

because they were reputable in our

914

00:33:14,389 --> 00:33:11,600

neighborhood

915

00:33:15,350 --> 00:33:14,399

and maybe went to a gullible person or

916

00:33:18,310 --> 00:33:15,360

something and

917

00:33:20,310 --> 00:33:18,320

yeah who knows that's like that's how

918

00:33:21,750 --> 00:33:20,320

you can drive yourself crazy is think of

919

00:33:23,430 --> 00:33:21,760

all the options though oh well they

920

00:33:25,909 --> 00:33:23,440

could be up to something

921

00:33:26,470 --> 00:33:25,919

when somebody's book comes out in 15

922

00:33:28,310 --> 00:33:26,480

years

923

00:33:31,669 --> 00:33:28,320

looking back on this when we're all

924

00:33:35,909 --> 00:33:31,679

riding around in tic tacs

925

00:33:42,630 --> 00:33:39,750

no thanks i'll be in the tic tac

926

00:33:43,350 --> 00:33:42,640

i won't care that's what they don't get

927

00:33:46,310 --> 00:33:43,360

if they just

928

00:33:47,590 --> 00:33:46,320

drop the [h\_\_h] on us like who cares about

929

00:33:50,950 --> 00:33:47,600

the past

930

00:33:53,110 --> 00:33:50,960

we got tic tacs now exactly

931

00:33:54,070 --> 00:33:53,120

and you know if it is aliens and i'm

932

00:33:57,269 --> 00:33:54,080

still not saying it is

933

00:33:59,269 --> 00:33:57,279

aliens yeah if it is aliens and the the

934

00:34:00,950 --> 00:33:59,279

wildest stories that we hear

935

00:34:02,630 --> 00:34:00,960

about stuff that the government is

936

00:34:04,470 --> 00:34:02,640

coming covering up

937

00:34:06,789 --> 00:34:04,480

my opinion from the beginning is you got

938

00:34:10,230 --> 00:34:06,799

an alien body back there somewhere

939

00:34:13,430 --> 00:34:10,240

roll it out just call a press conference

940

00:34:15,030 --> 00:34:13,440

roll it out inside of a nitrogen encased

941

00:34:17,909 --> 00:34:15,040

thing wherever you've been keeping it

942

00:34:20,230 --> 00:34:17,919

and go oh by the way sorry should have

943

00:34:21,270 --> 00:34:20,240

mentioned this earlier i guess here's

944

00:34:24,310 --> 00:34:21,280

the alien

945

00:34:26,550 --> 00:34:24,320

yeah we people will be able to handle it

946

00:34:28,310 --> 00:34:26,560

it's a weird universe we we discover new

947

00:34:31,109 --> 00:34:28,320

things all the time

948

00:34:33,109 --> 00:34:31,119

it's the 21st century if you think that

949

00:34:35,190 --> 00:34:33,119

most educated people haven't

950

00:34:36,710 --> 00:34:35,200

looked up at the skies you know for

951  
00:34:37,750 --> 00:34:36,720  
centuries really and said

952  
00:34:39,589 --> 00:34:37,760  
oh come on man there's got to be

953  
00:34:40,950 --> 00:34:39,599  
something else out there you know it's a

954  
00:34:43,109 --> 00:34:40,960  
gigantic universe

955  
00:34:44,230 --> 00:34:43,119  
you know and if you come out and say

956  
00:34:45,510 --> 00:34:44,240  
yeah some people are going to be a

957  
00:34:47,030 --> 00:34:45,520  
little pissed including me

958  
00:34:48,710 --> 00:34:47,040  
it's like you could have told us this in

959  
00:34:51,430 --> 00:34:48,720  
the 40s right but

960  
00:34:53,109 --> 00:34:51,440  
okay you wheel out the alien you go okay

961  
00:34:54,710 --> 00:34:53,119  
here's a video from the basement where

962  
00:34:55,829 --> 00:34:54,720  
we keep the wreck saucer

963  
00:34:57,030 --> 00:34:55,839

we haven't been able to figure out what

964

00:34:58,069 --> 00:34:57,040

to do with the crap that's how we don't

965

00:35:00,710 --> 00:34:58,079

have ships like that

966

00:35:02,390 --> 00:35:00,720

but we can't make it work you know and

967

00:35:05,109 --> 00:35:02,400

that's where things stand

968

00:35:06,230 --> 00:35:05,119

and it would be over it's like ripping

969

00:35:08,069 --> 00:35:06,240

the bandage off

970

00:35:09,349 --> 00:35:08,079

you know it's like here you go and if

971

00:35:09,990 --> 00:35:09,359

they don't have any of that which i

972

00:35:12,230 --> 00:35:10,000

think is

973

00:35:13,349 --> 00:35:12,240

far more likely they probably don't know

974

00:35:15,030 --> 00:35:13,359

much more than we do

975

00:35:16,950 --> 00:35:15,040

except they got better films and better

976

00:35:18,870 --> 00:35:16,960

pictures and things like that right

977

00:35:20,390 --> 00:35:18,880

but if they don't know anything else

978

00:35:22,550 --> 00:35:20,400

then that's what

979

00:35:24,950 --> 00:35:22,560

sounds like they're preparing to tell us

980

00:35:28,069 --> 00:35:24,960

and if that turns out to be the truth

981

00:35:29,190 --> 00:35:28,079

which not a sure thing yet right um then

982

00:35:32,390 --> 00:35:29,200

as far as i'm concerned

983

00:35:32,870 --> 00:35:32,400

great thanks ufos are real not ours not

984

00:35:34,630 --> 00:35:32,880

russian

985

00:35:36,390 --> 00:35:34,640

not chinese we don't know where it comes

986

00:35:37,030 --> 00:35:36,400

from feel free to speculate in the

987

00:35:38,790 --> 00:35:37,040

meantime

988

00:35:40,150 --> 00:35:38,800

we'll keep collecting data and see if we

989

00:35:44,630 --> 00:35:40,160

can figure this [h\_\_h] out

990

00:35:48,150 --> 00:35:44,640

yeah definitely because we actually care

991

00:35:49,910 --> 00:35:48,160

yes what this stuff is um

992

00:35:51,670 --> 00:35:49,920

yeah and a couple of the reports yeah

993

00:35:53,270 --> 00:35:51,680

from the 50s or whatever always just

994

00:35:55,510 --> 00:35:53,280

said we deem this thing not to be a

995

00:35:56,470 --> 00:35:55,520

national security threat so we're moving

996

00:35:58,069 --> 00:35:56,480

on basically

997

00:36:00,230 --> 00:35:58,079

right it's like who does that even if it

998

00:36:02,550 --> 00:36:00,240

is not a national security threat

999

00:36:04,790 --> 00:36:02,560

you have this thing potentially from a

1000

00:36:06,310 --> 00:36:04,800

dimension or outer space

1001  
00:36:07,990 --> 00:36:06,320  
if it's not a threat that should make

1002  
00:36:11,670 --> 00:36:08,000  
you want to research it even

1003  
00:36:13,990 --> 00:36:11,680  
more and comfortably so

1004  
00:36:15,270 --> 00:36:14,000  
project sign project grudge project blue

1005  
00:36:17,430 --> 00:36:15,280  
book that's how

1006  
00:36:18,310 --> 00:36:17,440  
every one of them ended the content

1007  
00:36:21,109 --> 00:36:18,320  
report

1008  
00:36:23,190 --> 00:36:21,119  
it's like yeah we identified most of it

1009  
00:36:25,349 --> 00:36:23,200  
some we couldn't we're not really sure

1010  
00:36:27,109 --> 00:36:25,359  
but it doesn't seem like a threat and we

1011  
00:36:29,109 --> 00:36:27,119  
don't see that science is benefiting

1012  
00:36:30,230 --> 00:36:29,119  
from continuing to study this so we're

1013  
00:36:31,990 --> 00:36:30,240

moving on

1014

00:36:33,430 --> 00:36:32,000

you know that that's really the answer

1015

00:36:35,750 --> 00:36:33,440

they've always defaulted to

1016

00:36:37,510 --> 00:36:35,760

and there's been a big fear i was

1017

00:36:38,150 --> 00:36:37,520

listening to micah hanks uh two weeks

1018

00:36:41,190 --> 00:36:38,160

ago

1019

00:36:42,870 --> 00:36:41,200

and he was already predicting

1020

00:36:44,470 --> 00:36:42,880

that the report would be underwhelming

1021

00:36:45,109 --> 00:36:44,480

but he went down that list and he was

1022

00:36:48,550 --> 00:36:45,119

like

1023

00:36:50,150 --> 00:36:48,560

are we getting ready to see condom 2021

1024

00:36:52,069 --> 00:36:50,160

are they just going to come out and go

1025

00:36:53,750 --> 00:36:52,079

here's the stuff you asked for

1026

00:36:55,750 --> 00:36:53,760

we don't know what it is but it doesn't

1027

00:36:57,190 --> 00:36:55,760

look like a threat and we really

1028

00:36:58,069 --> 00:36:57,200

shouldn't be wasting taxpayer money on

1029

00:37:00,310 --> 00:36:58,079

this crap

1030

00:37:01,670 --> 00:37:00,320

yeah that i it doesn't sound any more to

1031

00:37:03,589 --> 00:37:01,680

me like that's the case

1032

00:37:05,430 --> 00:37:03,599

i think it's a little better than that

1033

00:37:07,510 --> 00:37:05,440

but yeah again if you're waiting for e.t

1034

00:37:09,430 --> 00:37:07,520

to get wheeled out

1035

00:37:11,349 --> 00:37:09,440

i don't see that at some point they

1036

00:37:12,950 --> 00:37:11,359

gotta give us something because if you

1037

00:37:14,150 --> 00:37:12,960

add up all the years that they've

1038

00:37:16,230 --> 00:37:14,160

actually been studying this

1039

00:37:17,270 --> 00:37:16,240

and all the taxpayer money that's gone

1040

00:37:18,710 --> 00:37:17,280

to it

1041

00:37:20,550 --> 00:37:18,720

you gotta have something to show for

1042

00:37:23,109 --> 00:37:20,560

this

1043

00:37:24,630 --> 00:37:23,119

because it's you know it's not a small

1044

00:37:26,550 --> 00:37:24,640

amount of time that they've been doing

1045

00:37:28,550 --> 00:37:26,560

this

1046

00:37:31,190 --> 00:37:28,560

what if there really is nothing to show

1047

00:37:34,829 --> 00:37:31,200

what if we are just so far

1048

00:37:37,349 --> 00:37:34,839

technologically behind yeah who or

1049

00:37:39,510 --> 00:37:37,359

whatever is doing this crap

1050

00:37:41,109 --> 00:37:39,520

yeah that we can't lay a glove on them

1051  
00:37:41,910 --> 00:37:41,119  
and does that sound that unreasonable so

1052  
00:37:45,030 --> 00:37:41,920  
far

1053  
00:37:48,230 --> 00:37:45,040  
they might not unless

1054  
00:37:49,190 --> 00:37:48,240  
who or whatever came and intentionally

1055  
00:37:50,310 --> 00:37:49,200  
made contact

1056  
00:37:52,069 --> 00:37:50,320  
with somebody in the government or

1057  
00:37:53,750 --> 00:37:52,079  
somebody somewhere and if you if you

1058  
00:37:55,910 --> 00:37:53,760  
listen to the experiences

1059  
00:37:57,829 --> 00:37:55,920  
uh the abductees and everything you're

1060  
00:37:58,390 --> 00:37:57,839  
gonna be sitting in there i know you're

1061  
00:38:00,150 --> 00:37:58,400  
yelling

1062  
00:38:01,829 --> 00:38:00,160  
at your laptop right now out there it's

1063  
00:38:02,150 --> 00:38:01,839

like well they have and they're talking

1064

00:38:03,750 --> 00:38:02,160

to them

1065

00:38:06,230 --> 00:38:03,760

okay well that may be the case never

1066

00:38:08,710 --> 00:38:06,240

happened to me but could be

1067

00:38:09,670 --> 00:38:08,720

but unless they did talk to the

1068

00:38:12,790 --> 00:38:09,680

government and

1069

00:38:13,510 --> 00:38:12,800

gave them some information or some

1070

00:38:15,349 --> 00:38:13,520

technology

1071

00:38:17,030 --> 00:38:15,359

fell into the government's hands that

1072

00:38:19,190 --> 00:38:17,040

they could show us

1073

00:38:20,069 --> 00:38:19,200

they could really have nothing more than

1074

00:38:22,630 --> 00:38:20,079

just

1075

00:38:24,790 --> 00:38:22,640

better photos and videos maybe they've

1076

00:38:27,829 --> 00:38:24,800

been chasing them since the 40s

1077

00:38:29,589 --> 00:38:27,839

and what you know i i always keep this

1078

00:38:33,270 --> 00:38:29,599

this handy on my laptop

1079

00:38:34,950 --> 00:38:33,280

and for any of uh your viewers

1080

00:38:36,550 --> 00:38:34,960

who may never have heard it i will go

1081

00:38:38,710 --> 00:38:36,560

ahead and include it again one of my

1082

00:38:41,990 --> 00:38:38,720

favorite quotes from all of ufology

1083

00:38:45,430 --> 00:38:42,000

uh came from um

1084

00:38:47,349 --> 00:38:45,440

a guy named uh dr richard c henry

1085

00:38:49,230 --> 00:38:47,359

he was an astronomer for johns hopkins

1086

00:38:52,470 --> 00:38:49,240

university and back in

1087

00:38:53,190 --> 00:38:52,480

1977 he was debating this exact same

1088

00:38:54,950 --> 00:38:53,200

subject

1089

00:38:56,630 --> 00:38:54,960

and he said i wanted to read it because

1090

00:38:58,710 --> 00:38:56,640

i wanted to get it exactly correct

1091

00:38:59,990 --> 00:38:58,720

said i very much doubt that an

1092

00:39:03,430 --> 00:39:00,000

intellectually inferior

1093

00:39:04,870 --> 00:39:03,440

species can study an intellectually far

1094

00:39:09,030 --> 00:39:04,880

superior species

1095

00:39:12,230 --> 00:39:09,040

be studied

1096

00:39:14,069 --> 00:39:12,240

now he said that almost 50 years ago how

1097

00:39:15,910 --> 00:39:14,079

prescient was that and could that

1098

00:39:17,349 --> 00:39:15,920

be the situation we're dealing with

1099

00:39:19,829 --> 00:39:17,359

right now yeah

1100

00:39:20,550 --> 00:39:19,839

i mean i think that's an amazing point

1101

00:39:23,349 --> 00:39:20,560

you know it's

1102

00:39:23,829 --> 00:39:23,359

it's tech we can't figure out we know

1103

00:39:25,190 --> 00:39:23,839

it's

1104

00:39:27,589 --> 00:39:25,200

they don't want to show us they don't

1105

00:39:30,870 --> 00:39:27,599

want to talk to us every time we try to

1106

00:39:33,270 --> 00:39:30,880

do something they evade it

1107

00:39:34,870 --> 00:39:33,280

you know somehow shut down

1108

00:39:37,990 --> 00:39:34,880

communications or whatever

1109

00:39:39,109 --> 00:39:38,000

just zip out of the dimension just blend

1110

00:39:41,030 --> 00:39:39,119

out

1111

00:39:42,950 --> 00:39:41,040

um you know that reminds me of something

1112

00:39:45,990 --> 00:39:42,960

chris mellon said on cnn

1113

00:39:46,390 --> 00:39:46,000

uh he that was kind of maybe we were

1114

00:39:50,550 --> 00:39:46,400

found

1115

00:39:54,310 --> 00:39:50,560

first thing that he was talking about um

1116

00:39:58,950 --> 00:39:57,589

zoo animals like we're kind of like zoo

1117

00:40:00,230 --> 00:39:58,960

animals maybe they'll come and play and

1118

00:40:03,750 --> 00:40:00,240

pet with us but they're really not

1119

00:40:05,510 --> 00:40:03,760

interested in dumbasses like us

1120

00:40:06,870 --> 00:40:05,520

what was it that johnny I teddy once

1121

00:40:07,990 --> 00:40:06,880

said when was the last time that you

1122

00:40:09,750 --> 00:40:08,000

flew halfway

1123

00:40:12,630 --> 00:40:09,760

around the planet to teach algebra to a

1124

00:40:17,829 --> 00:40:15,050

uh well are our dreams included

1125

00:40:19,349 --> 00:40:17,839

[Laughter]

1126

00:40:21,270 --> 00:40:19,359

well dreams are included we're into a

1127

00:40:22,870 --> 00:40:21,280

whole new ballgame that's true

1128

00:40:24,309 --> 00:40:22,880

i mean that's a good way to look at it

1129

00:40:27,190 --> 00:40:24,319

so then if that's the case

1130

00:40:27,750 --> 00:40:27,200

like what can you do to actually if you

1131

00:40:30,710 --> 00:40:27,760

can't out

1132

00:40:32,950 --> 00:40:30,720

trick them or out thank them you i guess

1133

00:40:36,710 --> 00:40:32,960

you kind of have to just

1134

00:40:39,430 --> 00:40:36,720

sit and not know well you can keep

1135

00:40:41,030 --> 00:40:39,440

trying to collect data but i mean if we

1136

00:40:42,230 --> 00:40:41,040

really haven't gotten anywhere

1137

00:40:44,230 --> 00:40:42,240

if they're sitting on a whole bunch of

1138

00:40:46,470 --> 00:40:44,240

data i'm number one

1139

00:40:47,349 --> 00:40:46,480

pissed which we'd already known but

1140

00:40:50,069 --> 00:40:47,359

number two

1141

00:40:51,190 --> 00:40:50,079

we'll be happy and relieved as they

1142

00:40:53,910 --> 00:40:51,200

start sharing it with us

1143

00:40:55,589 --> 00:40:53,920

yeah so maybe there is more to know but

1144

00:40:57,109 --> 00:40:55,599

if there is nothing more to know then

1145

00:40:59,190 --> 00:40:57,119

are some of us going to have to kind of

1146

00:41:00,950 --> 00:40:59,200

eat crow a little bit and go maybe the

1147

00:41:03,190 --> 00:41:00,960

condo report guys were right you know

1148

00:41:04,230 --> 00:41:03,200

it's like if they were going to attack

1149

00:41:06,950 --> 00:41:04,240

us

1150

00:41:07,589 --> 00:41:06,960

they certainly could have done it by now

1151

00:41:09,190 --> 00:41:07,599

you know

1152

00:41:10,550 --> 00:41:09,200

and if they're not going to attack us

1153

00:41:12,309 --> 00:41:10,560

and they're not going to interact with

1154

00:41:13,910 --> 00:41:12,319

us then

1155

00:41:15,670 --> 00:41:13,920

they're basically part of the scenery

1156

00:41:16,470 --> 00:41:15,680

right if there's nothing you can do

1157

00:41:18,150 --> 00:41:16,480

about it

1158

00:41:20,390 --> 00:41:18,160

if you can't catch them you can't touch

1159

00:41:21,589 --> 00:41:20,400

them we need to get one of those tic

1160

00:41:22,710 --> 00:41:21,599

tacs and cut it open and see what the

1161

00:41:24,870 --> 00:41:22,720

hell is inside

1162

00:41:26,630 --> 00:41:24,880

yeah but if that's way beyond our

1163

00:41:28,470 --> 00:41:26,640

capability

1164

00:41:30,309 --> 00:41:28,480

i i guess we just start working harder

1165

00:41:31,430 --> 00:41:30,319

to develop more capabilities so we can

1166

00:41:33,270 --> 00:41:31,440

catch them

1167

00:41:34,710 --> 00:41:33,280

but then if you do that does that look

1168

00:41:35,510 --> 00:41:34,720

like the first shot in an intergalactic

1169

00:41:37,430 --> 00:41:35,520

war

1170

00:41:39,030 --> 00:41:37,440

that you're probably going to lose very

1171

00:41:40,950 --> 00:41:39,040

badly

1172

00:41:43,190 --> 00:41:40,960

yeah you know that's that's an

1173

00:41:45,829 --> 00:41:43,200

interesting thing to think about though

1174

00:41:46,390 --> 00:41:45,839

the fact that maybe they are telling the

1175

00:41:47,990 --> 00:41:46,400

truth

1176

00:41:49,510 --> 00:41:48,000

that they can't figure out what the hell

1177

00:41:52,230 --> 00:41:49,520

it is

1178

00:41:53,670 --> 00:41:52,240

and yeah and he can't really do anything

1179

00:41:57,270 --> 00:41:53,680

if that's the case

1180

00:41:59,190 --> 00:41:57,280

so yeah that's interesting but you know

1181

00:42:00,950 --> 00:41:59,200

again it just comes back to transparency

1182

00:42:03,030 --> 00:42:00,960

just be honest with your situation and

1183

00:42:07,829 --> 00:42:03,040

we'll accept it you know

1184

00:42:09,910 --> 00:42:07,839

but at this point if it is we don't know

1185

00:42:11,490 --> 00:42:09,920

and that's honest no one's gonna believe

1186

00:42:13,510 --> 00:42:11,500

no one's gonna believe it

1187

00:42:18,630 --> 00:42:13,520

[Laughter]

1188

00:42:22,150 --> 00:42:20,550

oh this is interesting uh do you think

1189

00:42:24,790 --> 00:42:22,160

they're acting as tricksters

1190

00:42:25,190 --> 00:42:24,800

or is it that they're just doing their

1191

00:42:28,150 --> 00:42:25,200

thing

1192

00:42:29,270 --> 00:42:28,160

and avoid us i assume we're not talking

1193

00:42:30,309 --> 00:42:29,280

about the government now we're back to

1194

00:42:32,550 --> 00:42:30,319

talking about whoever

1195

00:42:33,349 --> 00:42:32,560

whatever is flying around yeah there's a

1196

00:42:36,550 --> 00:42:33,359

question from

1197

00:42:37,190 --> 00:42:36,560

rodrigo yeah i i've heard the trickster

1198

00:42:41,030 --> 00:42:37,200

theory

1199

00:42:43,270 --> 00:42:41,040

um people that think of the phenomena

1200

00:42:44,230 --> 00:42:43,280

as being related to all sorts of

1201

00:42:46,950 --> 00:42:44,240

different things

1202

00:42:47,349 --> 00:42:46,960

and very skin walker ranchy you know

1203

00:42:50,470 --> 00:42:47,359

yeah

1204

00:42:52,309 --> 00:42:50,480

and uh as opposed to people who

1205

00:42:54,550 --> 00:42:52,319

still tend to think of them more as

1206

00:42:57,510 --> 00:42:54,560

primarily just nuts and bolts but

1207

00:42:57,990 --> 00:42:57,520

nuts and bolts from a level of command

1208

00:43:02,550 --> 00:42:58,000

of physics

1209

00:43:05,430 --> 00:43:02,560

that we don't even have a grip on yet um

1210

00:43:07,430 --> 00:43:05,440

i don't even know if they're just

1211

00:43:09,109 --> 00:43:07,440

avoiding us because

1212

00:43:10,470 --> 00:43:09,119

avoiding implies intent this is a

1213

00:43:12,230 --> 00:43:10,480

conversation i've had with

1214

00:43:13,589 --> 00:43:12,240

quite a few people over the years every

1215

00:43:16,870 --> 00:43:13,599

time i hear somebody

1216

00:43:19,190 --> 00:43:16,880

speculating on okay let's just use the

1217

00:43:21,990 --> 00:43:19,200

word aliens in case it's aliens okay

1218

00:43:22,390 --> 00:43:22,000

what the aliens want what they don't

1219

00:43:23,990 --> 00:43:22,400

want

1220

00:43:26,950 --> 00:43:24,000

what their intentions are what might

1221

00:43:28,870 --> 00:43:26,960

they do why would they be here

1222

00:43:30,790 --> 00:43:28,880

feel free to speculate all you like i've

1223

00:43:33,190 --> 00:43:30,800

engaged in it myself at times

1224

00:43:36,470 --> 00:43:33,200

but we're making a huge assumption

1225

00:43:39,190 --> 00:43:36,480

because that implies knowing intent

1226  
00:43:40,230 --> 00:43:39,200  
we don't know assuming they are aliens

1227  
00:43:42,150 --> 00:43:40,240  
we don't know

1228  
00:43:43,510 --> 00:43:42,160  
how they evolved what conditions were

1229  
00:43:45,349 --> 00:43:43,520  
like there

1230  
00:43:47,670 --> 00:43:45,359  
we don't the evolutionary process they

1231  
00:43:50,309 --> 00:43:47,680  
went through to get where they are now

1232  
00:43:50,870 --> 00:43:50,319  
do they even have emotions do do they

1233  
00:43:53,829 --> 00:43:50,880  
understand

1234  
00:43:54,950 --> 00:43:53,839  
curiosity they these could just be

1235  
00:43:56,550 --> 00:43:54,960  
scientists that

1236  
00:43:58,390 --> 00:43:56,560  
are doing things that we're not at the

1237  
00:44:00,150 --> 00:43:58,400  
point where we could even grasp

1238  
00:44:01,750 --> 00:44:00,160

what the why would be as to why they're

1239

00:44:03,670 --> 00:44:01,760

doing them yeah you know

1240

00:44:05,990 --> 00:44:03,680

we can't put ourselves in the place of a

1241

00:44:09,109 --> 00:44:06,000

totally non-human intelligence

1242

00:44:11,030 --> 00:44:09,119

and you know say well because if i was

1243

00:44:14,150 --> 00:44:11,040

there i'd be curious about this

1244

00:44:16,870 --> 00:44:14,160

well sure you would would they i don't

1245

00:44:22,710 --> 00:44:20,550

you can't live on venus sir

1246

00:44:23,670 --> 00:44:22,720

yeah that's that's a that's a great

1247

00:44:27,270 --> 00:44:23,680

point though

1248

00:44:29,829 --> 00:44:27,280

is uh whatever

1249

00:44:33,270 --> 00:44:29,839

is whatever this is if it's you know a

1250

00:44:40,790 --> 00:44:37,270

we it may have a complete different way

1251  
00:44:43,910 --> 00:44:40,800  
of processing information

1252  
00:44:46,630 --> 00:44:43,920  
you know basically so

1253  
00:44:47,670 --> 00:44:46,640  
and yet again like just living or being

1254  
00:44:49,510 --> 00:44:47,680  
sustainable

1255  
00:44:52,309 --> 00:44:49,520  
you know that it assumes it's something

1256  
00:44:54,470 --> 00:44:52,319  
or somebody from out there

1257  
00:44:55,990 --> 00:44:54,480  
maybe it's something that evolved in

1258  
00:44:58,150 --> 00:44:56,000  
parallel with us right here that's

1259  
00:45:00,069 --> 00:44:58,160  
really good and not being caught

1260  
00:45:02,150 --> 00:45:00,079  
you know there's the time travelers from

1261  
00:45:04,710 --> 00:45:02,160  
the future multi-dimensional universe

1262  
00:45:06,390 --> 00:45:04,720  
able to cross dimensions they they might

1263  
00:45:07,910 --> 00:45:06,400

may not be coming very far at all they

1264

00:45:09,349 --> 00:45:07,920

may live right where we live except

1265

00:45:11,430 --> 00:45:09,359

they're in dimensions

1266

00:45:13,030 --> 00:45:11,440

four through seven yeah but they've just

1267

00:45:14,870 --> 00:45:13,040

popped into one through three

1268

00:45:16,870 --> 00:45:14,880

mm-hmm to check and see how we're doing

1269

00:45:19,990 --> 00:45:16,880

you know yeah there's a lot of

1270

00:45:22,550 --> 00:45:20,000

smart people who run that theory

1271

00:45:24,390 --> 00:45:22,560

um for instance i mean some of the main

1272

00:45:26,150 --> 00:45:24,400

players like lou elizondo and sean

1273

00:45:30,710 --> 00:45:26,160

cahill recommend the book

1274

00:45:32,710 --> 00:45:30,720

uh chains of the sea to read and that

1275

00:45:34,630 --> 00:45:32,720

you know there's some of that in there

1276

00:45:36,950 --> 00:45:34,640

too um

1277

00:45:38,550 --> 00:45:36,960

in different dimensions and stuff and

1278

00:45:41,910 --> 00:45:38,560

your visual spectrum

1279

00:45:43,510 --> 00:45:41,920

can only see so much i'm just expecting

1280

00:45:45,510 --> 00:45:43,520

when things start breaking down and i

1281

00:45:50,630 --> 00:45:45,520

start running into stuff i can't see

1282

00:45:52,230 --> 00:45:50,640

you know the dimensional layer is just

1283

00:45:53,910 --> 00:45:52,240

something pops through just at the

1284

00:45:54,870 --> 00:45:53,920

moment you're backing your car out of

1285

00:45:56,550 --> 00:45:54,880

the driveway

1286

00:45:58,950 --> 00:45:56,560

are you in the crash are you happy to

1287

00:46:03,990 --> 00:46:02,150

what the hell oh man do i have to

1288

00:46:05,670 --> 00:46:04,000

remember some lizard man gets out

1289

00:46:07,750 --> 00:46:05,680

is that considered a hit and drive if

1290

00:46:09,589 --> 00:46:07,760

it's uh from a different galaxy or

1291

00:46:12,790 --> 00:46:09,599

dimension

1292

00:46:15,510 --> 00:46:12,800

a hit and run i mean it's a lizard

1293

00:46:18,950 --> 00:46:15,520

person he doesn't even goddamn license

1294

00:46:19,990 --> 00:46:18,960

you know she's a galactic felony

1295

00:46:21,510 --> 00:46:20,000

all right think of one more good

1296

00:46:22,710 --> 00:46:21,520

question sir i hate to do this but i'm

1297

00:46:26,150 --> 00:46:22,720

running out of runway here

1298

00:46:29,190 --> 00:46:26,160

no that's problem uh not a problem um

1299

00:46:33,829 --> 00:46:29,200

let's see

1300

00:46:39,589 --> 00:46:36,870

what do you want

1301  
00:46:40,710 --> 00:46:39,599  
from a disclosure of an another

1302  
00:46:47,030 --> 00:46:40,720  
intelligence what do you want

1303  
00:46:53,990 --> 00:46:50,309  
from a confirmation

1304  
00:46:56,870 --> 00:46:54,000  
yeah i mean you're asking what i

1305  
00:46:58,069 --> 00:46:56,880  
want is in terms of disclosure from the

1306  
00:47:01,109 --> 00:46:58,079  
government or

1307  
00:47:03,109 --> 00:47:01,119  
what do i want in my life that would

1308  
00:47:06,710 --> 00:47:03,119  
come as a result of disclosure

1309  
00:47:10,390 --> 00:47:06,720  
happening the latter well

1310  
00:47:13,109 --> 00:47:10,400  
in the long run i think okay let's do a

1311  
00:47:16,950 --> 00:47:14,950  
i i think i would have more trust in the

1312  
00:47:20,069 --> 00:47:16,960  
government i think

1313  
00:47:22,230 --> 00:47:20,079

um the whole world and i'm not going to

1314

00:47:23,589 --> 00:47:22,240

go well sunshine and roses and buy

1315

00:47:27,430 --> 00:47:23,599

everybody a coke

1316

00:47:30,150 --> 00:47:27,440

but i think an understanding

1317

00:47:32,710 --> 00:47:30,160

that we're not alone and having some

1318

00:47:35,589 --> 00:47:32,720

sort of confirmation of that

1319

00:47:36,069 --> 00:47:35,599

would start a new conversation that

1320

00:47:38,549 --> 00:47:36,079

between

1321

00:47:40,630 --> 00:47:38,559

us that's very long overdue and i would

1322

00:47:43,829 --> 00:47:40,640

like to see that happen

1323

00:47:47,030 --> 00:47:43,839

um maybe a better

1324

00:47:48,870 --> 00:47:47,040

underst we tend in science

1325

00:47:50,390 --> 00:47:48,880

to sometimes not look for answers to

1326  
00:47:51,990 --> 00:47:50,400  
things when we don't realize there's a

1327  
00:47:55,109 --> 00:47:52,000  
thing to find

1328  
00:47:56,790 --> 00:47:55,119  
if we find out that oh

1329  
00:47:58,230 --> 00:47:56,800  
trans-dimensional stuff is definitely

1330  
00:48:00,309 --> 00:47:58,240  
possible you know

1331  
00:48:01,349 --> 00:48:00,319  
or faster than light you know using

1332  
00:48:03,829 --> 00:48:01,359  
quantum entanglement

1333  
00:48:05,670 --> 00:48:03,839  
something like that you know if we have

1334  
00:48:06,870 --> 00:48:05,680  
a real world example

1335  
00:48:08,870 --> 00:48:06,880  
then we have some eggheads that are

1336  
00:48:10,069 --> 00:48:08,880  
going to get to work and start seriously

1337  
00:48:10,870 --> 00:48:10,079  
banging away at that until they figure

1338  
00:48:12,309 --> 00:48:10,880

it out

1339

00:48:14,230 --> 00:48:12,319

might not be for a few years might not

1340

00:48:14,950 --> 00:48:14,240

be for a couple centuries but they'll be

1341

00:48:16,870 --> 00:48:14,960

working on it

1342

00:48:19,109 --> 00:48:16,880

so i think those are things i would like

1343

00:48:19,990 --> 00:48:19,119

to see in the short term that change in

1344

00:48:24,630 --> 00:48:20,000

the conversation

1345

00:48:26,710 --> 00:48:24,640

change in attitudes in the long run

1346

00:48:28,390 --> 00:48:26,720

overlapping with the let's get this new

1347

00:48:31,030 --> 00:48:28,400

technology

1348

00:48:32,790 --> 00:48:31,040

that's a double-edged sword that i'm

1349

00:48:34,630 --> 00:48:32,800

always afraid of you can ask mike

1350

00:48:36,069 --> 00:48:34,640

at singularity lab that you just

1351

00:48:38,950 --> 00:48:36,079

interviewed recently

1352

00:48:40,309 --> 00:48:38,960

he and i share a common fascination with

1353

00:48:43,510 --> 00:48:40,319

doom porn

1354

00:48:46,150 --> 00:48:43,520

and it's like tech

1355

00:48:49,430 --> 00:48:46,160

really really killer technology could be

1356

00:48:51,990 --> 00:48:49,440

literally killer and

1357

00:48:52,549 --> 00:48:52,000

that sort of thing is very high on my

1358

00:48:55,190 --> 00:48:52,559

lit

1359

00:48:57,190 --> 00:48:55,200

list of the most likely ways that we're

1360

00:48:58,470 --> 00:48:57,200

going to wipe ourselves out and i

1361

00:48:59,829 --> 00:48:58,480

have a high degree of confidence we're

1362

00:49:03,270 --> 00:48:59,839

going to wipe ourselves out i believe

1363

00:49:05,190 --> 00:49:03,280

the great filter is a real thing and

1364

00:49:06,710 --> 00:49:05,200

we're either going to develop artificial

1365

00:49:08,309 --> 00:49:06,720

intelligence to the point where it wakes

1366

00:49:09,910 --> 00:49:08,319

up and realizes that we're not terribly

1367

00:49:12,069 --> 00:49:09,920

useful

1368

00:49:15,349 --> 00:49:12,079

nanobots that are self-replicating and

1369

00:49:17,349 --> 00:49:15,359

suddenly just consume the whole world

1370

00:49:19,750 --> 00:49:17,359

genetic engineering that we're already

1371

00:49:23,190 --> 00:49:19,760

playing we have garage crisper out there

1372

00:49:26,630 --> 00:49:23,200

people with 500 bucks are doing genetic

1373

00:49:28,790 --> 00:49:26,640

engineering experiments look up garage

1374

00:49:32,390 --> 00:49:28,800

crisper after the after the interview

1375

00:49:34,150 --> 00:49:32,400

oh my god crisper c-r-i-s-p-r

1376

00:49:35,910 --> 00:49:34,160

that that's technology that has made

1377

00:49:39,270 --> 00:49:35,920

gene editing really easy

1378

00:49:41,349 --> 00:49:39,280

and amazingly available to the public

1379

00:49:42,549 --> 00:49:41,359

and god only knows the first person

1380

00:49:43,270 --> 00:49:42,559

that's going to cook up something that's

1381

00:49:46,630 --> 00:49:43,280

that's going to make

1382

00:49:49,190 --> 00:49:46,640

covid look like a mild winter cold

1383

00:49:52,150 --> 00:49:49,200

and just unleash it you know but the

1384

00:49:55,109 --> 00:49:52,160

list goes on so do we want to get

1385

00:49:56,150 --> 00:49:55,119

that super cool technology from a

1386

00:49:58,150 --> 00:49:56,160

potential

1387

00:49:59,349 --> 00:49:58,160

non-human intelligence that's a thousand

1388

00:50:01,270 --> 00:49:59,359

years ahead of us

1389

00:50:02,870 --> 00:50:01,280

who somehow managed to not wipe

1390

00:50:04,390 --> 00:50:02,880

themselves out

1391

00:50:06,150 --> 00:50:04,400

like where do they get the energy to

1392

00:50:08,069 --> 00:50:06,160

power those craft one of the number

1393

00:50:09,589 --> 00:50:08,079

not one of the leading contenders zero

1394

00:50:11,670 --> 00:50:09,599

point energy anybody who doesn't know

1395

00:50:14,870 --> 00:50:11,680

about zero point just go google it

1396

00:50:17,190 --> 00:50:14,880

but it's also it's been widely widely

1397

00:50:19,510 --> 00:50:17,200

speculated by people far smarter than me

1398

00:50:21,109 --> 00:50:19,520

that if we actually do crack the secret

1399

00:50:23,270 --> 00:50:21,119

of zero point energy

1400

00:50:25,589 --> 00:50:23,280

humanity and most of this planet

1401  
00:50:27,190 --> 00:50:25,599  
probably has six months to a year tops

1402  
00:50:29,109 --> 00:50:27,200  
because as soon as it gets into the

1403  
00:50:29,990 --> 00:50:29,119  
wrong hands once you have zero point

1404  
00:50:33,829 --> 00:50:30,000  
energy

1405  
00:50:37,349 --> 00:50:33,839  
latte starbucks cup

1406  
00:50:39,030 --> 00:50:37,359  
of coffee to evaporate a third of the

1407  
00:50:41,990 --> 00:50:39,040  
world's oceans

1408  
00:50:43,349 --> 00:50:42,000  
you know so you only use tiny tiny

1409  
00:50:44,710 --> 00:50:43,359  
little bits of it at one time

1410  
00:50:47,030 --> 00:50:44,720  
and somebody gets a hold of more than

1411  
00:50:48,710 --> 00:50:47,040  
that and somebody's like well i'm just

1412  
00:50:50,470 --> 00:50:48,720  
waiting to bring on you know the second

1413  
00:50:52,630 --> 00:50:50,480

coming or yeah

1414

00:50:54,069 --> 00:50:52,640

you know whatever it's a great point

1415

00:50:56,790 --> 00:50:54,079

gone it's a great point

1416

00:50:58,069 --> 00:50:56,800

i mean as much as it makes life easier

1417

00:51:00,069 --> 00:50:58,079

it also

1418

00:51:02,309 --> 00:51:00,079

you know can do the same thing as far as

1419

00:51:03,270 --> 00:51:02,319

the evil aspect and and make things

1420

00:51:06,150 --> 00:51:03,280

easier

1421

00:51:07,910 --> 00:51:06,160

as far as doing bad so i've always been

1422

00:51:08,950 --> 00:51:07,920

a luddite my friend i've always been a

1423

00:51:12,230 --> 00:51:08,960

luddite because

1424

00:51:15,030 --> 00:51:12,240

every great technological advancement

1425

00:51:16,390 --> 00:51:15,040

going all the way back to the first

1426

00:51:19,430 --> 00:51:16,400

metal plows

1427

00:51:21,349 --> 00:51:19,440

you know going up through the iron age

1428

00:51:23,750 --> 00:51:21,359

through the industrial age

1429

00:51:24,470 --> 00:51:23,760

the nuclear age all that stuff the

1430

00:51:27,030 --> 00:51:24,480

internet

1431

00:51:28,950 --> 00:51:27,040

that's one of the biggest offenders

1432

00:51:31,990 --> 00:51:28,960

every great advancement we've had

1433

00:51:33,030 --> 00:51:32,000

has created a cascading larger number of

1434

00:51:35,589 --> 00:51:33,040

series of problems

1435

00:51:37,270 --> 00:51:35,599

that we none need new innovations to

1436

00:51:38,309 --> 00:51:37,280

solve those problems the new innovations

1437

00:51:40,790 --> 00:51:38,319

cause more problems

1438

00:51:41,910 --> 00:51:40,800

it's been going on forever so yeah count

1439

00:51:44,069 --> 00:51:41,920

me with the luddites

1440

00:51:45,829 --> 00:51:44,079

yeah no i'm i'm right with you i'm a

1441

00:51:47,990 --> 00:51:45,839

huge proponent that

1442

00:51:49,910 --> 00:51:48,000

you know no one's going to really get or

1443

00:51:52,390 --> 00:51:49,920

like this probably but that technology

1444

00:51:54,630 --> 00:51:52,400

destroyed the music industry

1445

00:51:56,710 --> 00:51:54,640

sure you know should have just been

1446

00:51:58,870 --> 00:51:56,720

instruments and making vinyls

1447

00:52:00,069 --> 00:51:58,880

but once spotify came around they took

1448

00:52:03,750 --> 00:52:00,079

any possibility of

1449

00:52:05,510 --> 00:52:03,760

any money away from all out artists

1450

00:52:07,030 --> 00:52:05,520

too because everybody expects to get

1451

00:52:10,150 --> 00:52:07,040

everything for free

1452

00:52:10,950 --> 00:52:10,160

so why would you bother paying any more

1453

00:52:13,270 --> 00:52:10,960

authors

1454

00:52:15,349 --> 00:52:13,280

and you hit you know three one cent one

1455

00:52:19,990 --> 00:52:15,359

penny a play or one tenth of a cent

1456

00:52:22,950 --> 00:52:20,000

for every play if you're lucky it's like

1457

00:52:23,930 --> 00:52:22,960

so here i am on a ufo show making ufo

1458

00:52:27,190 --> 00:52:23,940

songs and

1459

00:52:28,950 --> 00:52:27,200

[Laughter]

1460

00:52:30,309 --> 00:52:28,960

all right brother it could be worse man

1461

00:52:33,190 --> 00:52:30,319

yeah no i am uh

1462

00:52:35,190 --> 00:52:33,200

actually very happy so some things just

1463

00:52:37,510 --> 00:52:35,200

happen to you that you don't get

1464

00:52:38,309 --> 00:52:37,520

but at the end of the day uh you're

1465

00:52:41,190 --> 00:52:38,319

grateful

1466

00:52:43,750 --> 00:52:41,200

and and that's where i'm at so any

1467

00:52:46,790 --> 00:52:43,760

parting words sir

1468

00:52:48,390 --> 00:52:46,800

no not really um

1469

00:52:50,309 --> 00:52:48,400

you want to follow me on twitter i'm at

1470

00:52:53,750 --> 00:52:50,319

jazz shaw all one word

1471

00:52:55,109 --> 00:52:53,760

uh i would do that i you know it's not

1472

00:52:56,069 --> 00:52:55,119

all ufo stuff there's gonna be a lot of

1473

00:53:00,630 --> 00:52:56,079

stuff about drinking

1474

00:53:03,910 --> 00:53:00,640

pets yeah so

1475

00:53:07,670 --> 00:53:03,920

be warned in advance um other than that

1476  
00:53:09,109 --> 00:53:07,680  
stop by uh the underdog find celebrity

1477  
00:53:12,390 --> 00:53:09,119  
review with their new logo

1478  
00:53:13,589 --> 00:53:12,400  
and uh and the singularity because i pop

1479  
00:53:15,430 --> 00:53:13,599  
up there

1480  
00:53:16,870 --> 00:53:15,440  
fairly often and that's when i am

1481  
00:53:18,069 --> 00:53:16,880  
talking about interesting stuff that

1482  
00:53:20,950 --> 00:53:18,079  
you'd actually care about

1483  
00:53:21,270 --> 00:53:20,960  
if you watch this show but other than

1484  
00:53:22,950 --> 00:53:21,280  
that

1485  
00:53:24,309 --> 00:53:22,960  
you know i don't really do facebook or

1486  
00:53:27,270 --> 00:53:24,319  
any of the other platforms so

1487  
00:53:28,470 --> 00:53:27,280  
you know i don't either i don't either

1488  
00:53:29,910 --> 00:53:28,480

most of the time i'm out in the front

1489

00:53:33,030 --> 00:53:29,920

yard yelling at clouds or

1490

00:53:33,910 --> 00:53:33,040

kids to get off my lawn you know so fair

1491

00:53:36,150 --> 00:53:33,920

enough

1492

00:53:36,950 --> 00:53:36,160

uh well thanks rodrigo i agree we had a

1493

00:53:40,470 --> 00:53:36,960

great chat

1494

00:53:42,790 --> 00:53:40,480

uh it's always nice to talk to jazz and

1495

00:53:46,790 --> 00:53:42,800

go follow him on twitter um he'll make

1496

00:53:52,549 --> 00:53:50,230

over and out have a good one thanks

1497

00:53:53,990 --> 00:53:52,559

all right that was another fantastic

1498

00:53:57,109 --> 00:53:54,000

episode with mr

1499

00:54:00,549 --> 00:53:57,119

jaz shaw uh dolphin

1500

00:54:03,190 --> 00:54:00,559

extraordinaire um

1501  
00:54:03,910 --> 00:54:03,200  
i really enjoy talking to him because he

1502  
00:54:06,230 --> 00:54:03,920  
he brings

1503  
00:54:07,349 --> 00:54:06,240  
a very level-headed perspective backed

1504  
00:54:10,150 --> 00:54:07,359  
with history

1505  
00:54:12,549 --> 00:54:10,160  
and i think that's uh very important

1506  
00:54:15,030 --> 00:54:12,559  
right now because we can't

1507  
00:54:15,750 --> 00:54:15,040  
you know you can't just lean all on

1508  
00:54:19,430 --> 00:54:15,760  
history

1509  
00:54:22,950 --> 00:54:19,440  
and just be sucked into jaded

1510  
00:54:25,750 --> 00:54:22,960  
and and weak but you also

1511  
00:54:29,190 --> 00:54:25,760  
have to look at the history to let it

1512  
00:54:30,870 --> 00:54:29,200  
kind of guide you for future situations

1513  
00:54:33,990 --> 00:54:30,880

you know what happened before how did

1514

00:54:37,190 --> 00:54:34,000

this go do something different this time

1515

00:54:40,710 --> 00:54:37,200

if we don't learn from history

1516

00:54:44,150 --> 00:54:42,309

and i believe we're growing and we're

1517

00:54:44,950 --> 00:54:44,160

learning and that's why we're here right

1518

00:54:47,990 --> 00:54:44,960

now

1519

00:54:49,990 --> 00:54:48,000

on the cusp of

1520

00:54:51,510 --> 00:54:50,000

uh some amazing stuff that i don't think

1521

00:54:52,950 --> 00:54:51,520

is going to go down like any of us

1522

00:54:54,390 --> 00:54:52,960

expect

1523

00:54:57,109 --> 00:54:54,400

but i still think we should be ready for

1524

00:55:01,829 --> 00:54:57,119

something great with that

1525

00:55:05,190 --> 00:55:01,839

being said i'll see you tomorrow for ufo

1526

00:55:08,710 --> 00:55:05,200

trivia so come bring your brains

1527

00:55:11,430 --> 00:55:08,720

we're gonna ask some ufo questions

1528

00:55:13,270 --> 00:55:11,440

and the winner gets nothing but they do

1529

00:55:15,349 --> 00:55:13,280

win

1530

00:55:16,309 --> 00:55:15,359

all right see you guys uh thanks so much

1531

00:55:18,470 --> 00:55:16,319

for watching

1532

00:55:19,829 --> 00:55:18,480

and supporting anything you can do to

1533

00:55:21,270 --> 00:55:19,839

spread the word to other people that'd

1534

00:55:24,870 --> 00:55:21,280

be great if you like what i do

1535

00:55:27,030 --> 00:55:24,880

i like doing it too um

1536

00:55:28,549 --> 00:55:27,040

but uh yeah i'll see you guys tomorrow

1537

00:55:30,549 --> 00:55:28,559

for trivia and

1538

00:55:31,589 --> 00:55:30,559

have a great day don't lose yourself to

1539

00:55:33,670 --> 00:55:31,599

this

1540

00:55:35,349 --> 00:55:33,680

you know take some time think about it

1541

00:55:38,390 --> 00:55:35,359

and then maybe just put it aside

1542

00:55:40,470 --> 00:55:38,400

go outside go for a walk enjoy yourself

1543

00:55:41,430 --> 00:55:40,480

because it can really you know this

1544

00:55:43,990 --> 00:55:41,440

topic

1545

00:55:46,150 --> 00:55:44,000

is never ending as far as possibilities

1546

00:55:48,150 --> 00:55:46,160

and where your thoughts can go so

1547

00:55:49,829 --> 00:55:48,160

it's important to take a break and with

1548

00:56:02,290 --> 00:55:49,839

that

1549

00:56:28,829 --> 00:56:02,300

we'll see you tomorrow

1550

00:56:42,829 --> 00:56:28,839

[Music]

1551

00:56:42,839 --> 00:56:49,560

so
