

1
00:00:18,850 --> 00:00:17,830
i'm witness citizens

2
00:00:49,430 --> 00:00:18,860
witness citizen

3
00:00:55,510 --> 00:00:52,549
what's up everybody um it is

4
00:00:55,830 --> 00:00:55,520
saturday and i have a great guest today

5
00:00:59,830 --> 00:00:55,840
uh

6
00:01:03,189 --> 00:00:59,840
danny silva um i am super interested

7
00:01:07,109 --> 00:01:03,199
in talking to him um i think he has

8
00:01:10,710 --> 00:01:07,119
i would assume a lot of uh

9
00:01:11,910 --> 00:01:10,720
great things to offer um so i can't wait

10
00:01:14,950 --> 00:01:11,920
to have a conversation with

11
00:01:16,469 --> 00:01:14,960
them pick his brain a little bit um

12
00:01:18,230 --> 00:01:16,479
as far as where we're at now with

13
00:01:22,390 --> 00:01:18,240

everything

14

00:01:25,590 --> 00:01:22,400

uh the task force report um

15

00:01:29,910 --> 00:01:25,600

lawmakers commenting on their briefings

16

00:01:34,469 --> 00:01:29,920

you know stuff like that so um

17

00:01:37,590 --> 00:01:34,479

my mom's going i can't talk to her now

18

00:01:39,990 --> 00:01:37,600

so he should be here um pretty soon i

19

00:01:43,910 --> 00:01:40,000

started a little bit early here

20

00:01:50,550 --> 00:01:47,190

yeah good bad other ugly

21

00:01:54,710 --> 00:01:50,560

yeah okay all right fair

22

00:01:56,630 --> 00:01:54,720

fair enough um yeah it's pretty nice out

23

00:01:58,550 --> 00:01:56,640

over by me right now

24

00:02:00,789 --> 00:01:58,560

it'll be real nice to take a hike later

25

00:02:05,109 --> 00:02:00,799

that's for sure

26

00:02:08,710 --> 00:02:07,590

so yeah um thanks for watching guys i

27

00:02:10,150 --> 00:02:08,720

know it's saturday

28

00:02:12,470 --> 00:02:10,160

um there's probably a lot you could be

29

00:02:17,110 --> 00:02:12,480

doing but i appreciate the time

30

00:02:20,630 --> 00:02:17,120

i'm gonna try to make this as useful

31

00:02:23,990 --> 00:02:20,640

as possible um so

32

00:02:24,390 --> 00:02:24,000

uh i hope you enjoy yourself and next

33

00:02:26,309 --> 00:02:24,400

week

34

00:02:28,309 --> 00:02:26,319

don't forget to join us i'm back on

35

00:02:33,110 --> 00:02:28,319

monday at one o'clock

36

00:02:35,750 --> 00:02:33,120

so um yeah i will see you then

37

00:02:37,509 --> 00:02:35,760

and we'll see what happens from then

38

00:02:39,589 --> 00:02:37,519

between now and then

39

00:02:40,630 --> 00:02:39,599

so next week's going to be a pretty big

40

00:02:42,710 --> 00:02:40,640

week with the

41

00:02:44,630 --> 00:02:42,720

task force report and everything uh

42

00:02:45,830 --> 00:02:44,640

danny i can see you but you're sideways

43

00:02:48,550 --> 00:02:45,840

just saying no

44

00:02:51,830 --> 00:02:48,560

[Laughter]

45

00:02:55,030 --> 00:02:51,840

all right i'm gonna bring the boss in um

46

00:02:58,550 --> 00:02:55,040

without further ado mr

47

00:03:02,309 --> 00:02:58,560

danny silva how are you sir good man

48

00:03:05,350 --> 00:03:02,319

good only gonna go that way hold on yeah

49

00:03:06,949 --> 00:03:05,360

i'm so confused here that works whatever

50

00:03:09,750 --> 00:03:06,959

you want to do

51
00:03:11,830 --> 00:03:09,760
so yeah you know landscape portrait

52
00:03:13,350 --> 00:03:11,840
that's your choice

53
00:03:15,350 --> 00:03:13,360
i wasn't letting the landscape for some

54
00:03:19,430 --> 00:03:15,360
reason oh really

55
00:03:21,430 --> 00:03:19,440
whatever so um how you been

56
00:03:23,509 --> 00:03:21,440
good man how are you yeah i'm pretty

57
00:03:27,270 --> 00:03:23,519
good things are pretty exciting

58
00:03:29,910 --> 00:03:27,280
um next week should be

59
00:03:32,550 --> 00:03:29,920
interesting i'm trying to refrain from

60
00:03:34,550 --> 00:03:32,560
saying exciting per se um

61
00:03:36,229 --> 00:03:34,560
you know i don't want to get

62
00:03:38,149 --> 00:03:36,239
expectations out of bounds but how are

63
00:03:38,789 --> 00:03:38,159

you feeling about this stuff the report

64

00:03:41,110 --> 00:03:38,799

and

65

00:03:42,630 --> 00:03:41,120

you know based on the congressman uh

66

00:03:44,710 --> 00:03:42,640

comments and everything

67

00:03:46,309 --> 00:03:44,720

i think it's it's been exciting already

68

00:03:47,750 --> 00:03:46,319

it's

69

00:03:49,589 --> 00:03:47,760

definitely what's in the report i'm

70

00:03:51,910 --> 00:03:49,599

really happy about the run-up

71

00:03:53,429 --> 00:03:51,920

yeah um to the report and it's it's

72

00:03:54,390 --> 00:03:53,439

we've accomplished everything we wanted

73

00:03:56,070 --> 00:03:54,400

from it

74

00:03:58,630 --> 00:03:56,080

from the run-up and everyone commenting

75

00:04:01,589 --> 00:03:58,640

all the politicians all the media

76

00:04:02,309 --> 00:04:01,599

it's just been really amazing um i think

77

00:04:04,309 --> 00:04:02,319

uh

78

00:04:06,390 --> 00:04:04,319

what the new york times leaked about the

79

00:04:07,910 --> 00:04:06,400

report how it's going to just basically

80

00:04:11,030 --> 00:04:07,920

say that it's not us

81

00:04:12,470 --> 00:04:11,040

yeah and then um i think that'll

82

00:04:14,149 --> 00:04:12,480

probably be in the report i don't know

83

00:04:15,190 --> 00:04:14,159

if it's going to be a lot more but we're

84

00:04:18,310 --> 00:04:15,200

going to find out

85

00:04:19,990 --> 00:04:18,320

yeah but um that's

86

00:04:21,749 --> 00:04:20,000

pretty cool in itself just saying it's

87

00:04:22,790 --> 00:04:21,759

not us i mean i know the skeptics won't

88

00:04:25,270 --> 00:04:22,800

believe that

89

00:04:25,830 --> 00:04:25,280

yeah but uh all the press from the

90

00:04:29,430 --> 00:04:25,840

report

91

00:04:32,550 --> 00:04:29,440

is just amazing so it worked it's good

92

00:04:33,510 --> 00:04:32,560

and it's gonna be it feels like it's a

93

00:04:36,950 --> 00:04:33,520

rebirth

94

00:04:39,430 --> 00:04:36,960

of uh what happened in 2017

95

00:04:42,390 --> 00:04:39,440

like we had a huge jumping off point in

96

00:04:44,150 --> 00:04:42,400

2017 when lou first came out and now

97

00:04:47,670 --> 00:04:44,160

this feels like

98

00:04:50,870 --> 00:04:47,680

a second jumping off point um luke said

99

00:04:52,150 --> 00:04:50,880

in an interview like yesterday he still

100

00:04:53,749 --> 00:04:52,160

feels like

101
00:04:55,270 --> 00:04:53,759
we're at the beginning of the beginning

102
00:04:56,390 --> 00:04:55,280
we're not at the beginning of the end

103
00:04:58,230 --> 00:04:56,400
and we're not at the end of the

104
00:04:59,270 --> 00:04:58,240
beginning or at the beginning of the

105
00:05:00,790 --> 00:04:59,280
beginning of what's

106
00:05:02,310 --> 00:05:00,800
going on and happening and basically

107
00:05:03,749 --> 00:05:02,320
what he i think what he meant was a

108
00:05:05,749 --> 00:05:03,759
disclosure process

109
00:05:07,189 --> 00:05:05,759
right that's something to keep in mind

110
00:05:09,270 --> 00:05:07,199
um we're not there yet

111
00:05:11,350 --> 00:05:09,280
and we're not even probably close but

112
00:05:13,749 --> 00:05:11,360
we've also made tons of headway

113
00:05:15,590 --> 00:05:13,759

in the last four years thanks to him and

114

00:05:17,749 --> 00:05:15,600

thanks to melon and

115

00:05:19,749 --> 00:05:17,759

even people like tom delong and all

116

00:05:21,270 --> 00:05:19,759

these unnamed people

117

00:05:22,550 --> 00:05:21,280

oh thanks man and there's tons of people

118

00:05:24,390 --> 00:05:22,560

that we don't even know the names of in

119

00:05:25,590 --> 00:05:24,400

the government and other places that

120

00:05:27,670 --> 00:05:25,600

are doing things and we're never going

121

00:05:29,029 --> 00:05:27,680

to know their names but uh there's a

122

00:05:30,950 --> 00:05:29,039

bunch of people that work on the task

123

00:05:32,070 --> 00:05:30,960

force and worked on the other version of

124

00:05:35,350 --> 00:05:32,080

atip

125

00:05:36,790 --> 00:05:35,360

um the director of the task force that

126

00:05:38,629 --> 00:05:36,800

no longer works with them did a lot of

127

00:05:41,029 --> 00:05:38,639

great work so uh

128

00:05:42,310 --> 00:05:41,039

everything has basically worked that lou

129

00:05:44,790 --> 00:05:42,320

set out to do

130

00:05:46,390 --> 00:05:44,800

yeah as far as the government disclosure

131

00:05:47,670 --> 00:05:46,400

process we know to the stars academy

132

00:05:49,029 --> 00:05:47,680

didn't

133

00:05:50,870 --> 00:05:49,039

accomplish all their goals and that's

134

00:05:51,990 --> 00:05:50,880

unfortunate and it sucks especially for

135

00:05:55,510 --> 00:05:52,000

investors

136

00:05:57,510 --> 00:05:55,520

but uh the disclosure stuff worked yeah

137

00:05:58,950 --> 00:05:57,520

yeah as far as tom goes and everything i

138

00:06:01,510 --> 00:05:58,960

mean he he did

139

00:06:02,309 --> 00:06:01,520

a lot of this stuff you know um and to

140

00:06:03,909 --> 00:06:02,319

the stars

141

00:06:06,390 --> 00:06:03,919

i don't think they're done yet either he

142

00:06:07,270 --> 00:06:06,400

may not just be talking about um other

143

00:06:08,710 --> 00:06:07,280

things

144

00:06:11,430 --> 00:06:08,720

i heard the rumor he was still working

145

00:06:13,670 --> 00:06:11,440

on that uh scout project or whatever

146

00:06:14,870 --> 00:06:13,680

so we'll see but i mean you're totally

147

00:06:17,990 --> 00:06:14,880

correct with lou

148

00:06:18,830 --> 00:06:18,000

taking it this far ever since 2017 his

149

00:06:21,749 --> 00:06:18,840

show ident

150

00:06:22,950 --> 00:06:21,759

unidentified and it's pretty amazing

151

00:06:25,189 --> 00:06:22,960

actually looking back

152

00:06:27,909 --> 00:06:25,199

and how he's been able to follow through

153

00:06:31,430 --> 00:06:27,919

on such a long distance plan like that

154

00:06:33,749 --> 00:06:31,440

um because not many can that's

155

00:06:34,550 --> 00:06:33,759

that's a year's worth of fighting for

156

00:06:37,350 --> 00:06:34,560

sure

157

00:06:38,870 --> 00:06:37,360

he mentioned the uss boxer thing on one

158

00:06:42,870 --> 00:06:38,880

of his interviews

159

00:06:44,790 --> 00:06:42,880

um and yeah so i guess you kind of

160

00:06:47,029 --> 00:06:44,800

broke the news on that story the uss

161

00:06:49,189 --> 00:06:47,039

boxer story and it's kind of similar to

162

00:06:50,710 --> 00:06:49,199

to the tic tac event

163

00:06:52,629 --> 00:06:50,720

so i wanted to get your take on that

164

00:06:54,469 --> 00:06:52,639

anything new there i saw

165

00:06:56,469 --> 00:06:54,479

when you wrote the article you were kind

166

00:06:58,950 --> 00:06:56,479

of waiting on new information to

167

00:07:00,629 --> 00:06:58,960

verify and stuff so i haven't gotten any

168

00:07:01,029 --> 00:07:00,639

new information about that i'd like it

169

00:07:05,589 --> 00:07:01,039

to

170

00:07:07,510 --> 00:07:05,599

what happened with the uss kid

171

00:07:08,629 --> 00:07:07,520

sure um i basically had just heard about

172

00:07:11,909 --> 00:07:08,639

the boxer

173

00:07:13,990 --> 00:07:11,919

and i was confident um

174

00:07:15,029 --> 00:07:14,000

that it took place confident enough to

175

00:07:18,790 --> 00:07:15,039

write the blog

176

00:07:20,950 --> 00:07:18,800

yeah but then um rich hoffman

177

00:07:21,830 --> 00:07:20,960

spoke about it and i felt like that gave

178

00:07:24,550 --> 00:07:21,840

it some more weight

179

00:07:26,390 --> 00:07:24,560

as far as me writing about it and it was

180

00:07:28,710 --> 00:07:26,400

kind of the same thought process as when

181

00:07:30,950 --> 00:07:28,720

i first wrote about the uss kid

182

00:07:32,150 --> 00:07:30,960

thanks to dave beatty's work it was kind

183

00:07:35,749 --> 00:07:32,160

of just

184

00:07:38,469 --> 00:07:35,759

a little hint and we and um

185

00:07:39,270 --> 00:07:38,479

we knew uh that something probably

186

00:07:40,710 --> 00:07:39,280

happened

187

00:07:42,710 --> 00:07:40,720

but i didn't have a lot of information

188

00:07:46,309 --> 00:07:42,720

on it right and um

189

00:07:47,749 --> 00:07:46,319

but it's funny nothing has uh it hasn't

190

00:07:49,670 --> 00:07:47,759

done the same thing as what the

191

00:07:50,790 --> 00:07:49,680

happened with the uss kid and it went

192

00:07:51,909 --> 00:07:50,800

viral around the world and

193

00:07:54,150 --> 00:07:51,919

all these other guys jumped in with

194

00:07:56,550 --> 00:07:54,160

foias right it's like this huge massive

195

00:07:58,469 --> 00:07:56,560

event jeremy corbell is releasing

196

00:07:59,909 --> 00:07:58,479

videos from it and all kinds of stuff so

197

00:08:01,029 --> 00:07:59,919

i would love that to happen with the uss

198

00:08:03,189 --> 00:08:01,039

boxer it's also

199

00:08:04,950 --> 00:08:03,199

a lot older because it was the 90s right

200

00:08:07,670 --> 00:08:04,960

90s it's going to be harder

201
00:08:08,469 --> 00:08:07,680
but it would also maybe be easier to get

202
00:08:09,830 --> 00:08:08,479
some of these

203
00:08:12,390 --> 00:08:09,840
witnesses that were there because

204
00:08:13,189 --> 00:08:12,400
they're probably retired now that's true

205
00:08:15,749 --> 00:08:13,199
that's a good point

206
00:08:17,029 --> 00:08:15,759
yeah and that's what helped us i think a

207
00:08:19,350 --> 00:08:17,039
little bit with the tic tac

208
00:08:20,309 --> 00:08:19,360
because that was 2004 and it's what's

209
00:08:22,869 --> 00:08:20,319
hindering us

210
00:08:23,909 --> 00:08:22,879
with the kid because it just happened

211
00:08:26,309 --> 00:08:23,919
and these guys are

212
00:08:27,670 --> 00:08:26,319
still current military but uh yeah i

213
00:08:29,350 --> 00:08:27,680

would like to see more information about

214

00:08:32,790 --> 00:08:29,360

it i don't i don't really know much

215

00:08:34,070 --> 00:08:32,800

more than um anyone else or that i wrote

216

00:08:34,790 --> 00:08:34,080

yeah i just kind of put it out there and

217

00:08:36,149 --> 00:08:34,800

was hoping

218

00:08:37,990 --> 00:08:36,159

more would come from it and so far it

219

00:08:40,149 --> 00:08:38,000

hasn't but i like hearing

220

00:08:42,070 --> 00:08:40,159

lou talking talking about it and for him

221

00:08:45,350 --> 00:08:42,080

and for lou to talk about it

222

00:08:47,509 --> 00:08:45,360

he's really sure yeah um

223

00:08:50,389 --> 00:08:47,519

it would be really neat if there would

224

00:08:54,470 --> 00:08:50,399

be some way to get like a coalition of

225

00:08:56,470 --> 00:08:54,480

commercial pilots ex-air force pilots

226
00:08:57,750 --> 00:08:56,480
you know get them out there in the open

227
00:08:59,269 --> 00:08:57,760
and and

228
00:09:01,110 --> 00:08:59,279
so they can start sharing their story

229
00:09:01,829 --> 00:09:01,120
together i think that would be really

230
00:09:03,670 --> 00:09:01,839
powerful

231
00:09:05,430 --> 00:09:03,680
you know and then it wouldn't be one

232
00:09:06,870 --> 00:09:05,440
incident or another it'd be all these

233
00:09:09,269 --> 00:09:06,880
witnesses from

234
00:09:12,070 --> 00:09:09,279
all these different events that would be

235
00:09:15,110 --> 00:09:12,080
pretty neat you also mentioned the uss

236
00:09:15,829 --> 00:09:15,120
bainbridge is it anything more on that

237
00:09:19,190 --> 00:09:15,839
one

238
00:09:21,509 --> 00:09:19,200

yeah he's

239

00:09:22,949 --> 00:09:21,519

uh in that same blog post you said there

240

00:09:26,070 --> 00:09:22,959

was also

241

00:09:28,150 --> 00:09:26,080

possibly yeah but that was even less

242

00:09:29,910 --> 00:09:28,160

vlogs i've written so many years ago

243

00:09:31,910 --> 00:09:29,920

i don't i don't know anything else about

244

00:09:33,269 --> 00:09:31,920

that um that was just

245

00:09:35,430 --> 00:09:33,279

yeah same situation where i was just

246

00:09:38,389 --> 00:09:35,440

putting out there i heard about it

247

00:09:40,230 --> 00:09:38,399

and um and nothing else has come out

248

00:09:42,070 --> 00:09:40,240

about it it's kind of on everyone else

249

00:09:43,269 --> 00:09:42,080

to start and i don't do a lot of foias

250

00:09:45,190 --> 00:09:43,279

and things gotcha

251

00:09:47,190 --> 00:09:45,200

yeah sure so you kind of throw it out

252

00:09:48,790 --> 00:09:47,200

there and you know

253

00:09:50,230 --> 00:09:48,800

someone with enough motivation will go

254

00:09:52,070 --> 00:09:50,240

find out more yeah

255

00:09:53,509 --> 00:09:52,080

i am confident about stuff i don't

256

00:09:54,710 --> 00:09:53,519

remember i'd have to reread that blog i

257

00:09:56,470 --> 00:09:54,720

don't remember if uh

258

00:09:58,310 --> 00:09:56,480

rich hoffman mentioned it at the time i

259

00:10:01,990 --> 00:09:58,320

can't remember i don't

260

00:10:03,670 --> 00:10:02,000

think wait i thought he did yeah but

261

00:10:05,190 --> 00:10:03,680

i don't know he may have mentioned it

262

00:10:06,870 --> 00:10:05,200

but um yeah i

263

00:10:08,069 --> 00:10:06,880

i do have to be generally confident in

264

00:10:09,110 --> 00:10:08,079

order to write about something i'm not

265

00:10:10,150 --> 00:10:09,120

just going to put it out there if i

266

00:10:13,190 --> 00:10:10,160

think it's crap

267

00:10:15,269 --> 00:10:13,200

yeah but um yeah

268

00:10:18,310 --> 00:10:15,279

so how long have you been following this

269

00:10:21,430 --> 00:10:18,320

stuff and writing blogs and

270

00:10:23,350 --> 00:10:21,440

um i was always a fan of uh you know

271

00:10:23,750 --> 00:10:23,360

like coast to coast ufos and things like

272

00:10:26,069 --> 00:10:23,760

that

273

00:10:27,269 --> 00:10:26,079

sure but i wasn't super you know heavy

274

00:10:29,990 --> 00:10:27,279

into it and then

275

00:10:30,550 --> 00:10:30,000

2017 rolled around and that changed me

276
00:10:34,630 --> 00:10:30,560
forever

277
00:10:36,870 --> 00:10:34,640
it was crazy it was nuts and thank you

278
00:10:38,230 --> 00:10:36,880
came forward to the stars happened it

279
00:10:41,750 --> 00:10:38,240
was crazy

280
00:10:45,030 --> 00:10:41,760
me and a few other guys like andreas

281
00:10:46,630 --> 00:10:45,040
from ufo twitter we started uh

282
00:10:48,790 --> 00:10:46,640
he's a great writer he kind of has a

283
00:10:49,509 --> 00:10:48,800
background in writing and he started up

284
00:10:51,910 --> 00:10:49,519
a blog

285
00:10:53,829 --> 00:10:51,920
and along with some other guys and they

286
00:10:56,470 --> 00:10:53,839
kind of forced me to write when i didn't

287
00:10:57,750 --> 00:10:56,480
even feel comfortable doing it and um

288
00:10:58,949 --> 00:10:57,760

just because we were the ones on twitter

289

00:11:00,389 --> 00:10:58,959

there wasn't even that many people on

290

00:11:01,910 --> 00:11:00,399

twitter talking about this

291

00:11:03,350 --> 00:11:01,920

and we were digging we were googling

292

00:11:04,150 --> 00:11:03,360

everything we were contacting all these

293

00:11:05,590 --> 00:11:04,160

people

294

00:11:07,829 --> 00:11:05,600

and we realized that we could break

295

00:11:09,509 --> 00:11:07,839

stories at least to the ufo community

296

00:11:11,509 --> 00:11:09,519

yeah and uh it kind of just snowballed

297

00:11:12,470 --> 00:11:11,519

from there but um it was because of

298

00:11:15,509 --> 00:11:12,480

andreas and

299

00:11:17,670 --> 00:11:15,519

another guy named keith jason christian

300

00:11:19,509 --> 00:11:17,680

other people i'm forgetting and they we

301

00:11:22,150 --> 00:11:19,519

started a website at the time

302

00:11:23,990 --> 00:11:22,160

uh called uap info and then it dissolved

303

00:11:27,829 --> 00:11:24,000

and i just had my own after that

304

00:11:28,150 --> 00:11:27,839

yeah so is it safe to say you are one of

305

00:11:33,590 --> 00:11:28,160

the

306

00:11:34,949 --> 00:11:33,600

i guess i don't know i don't know if i

307

00:11:36,230 --> 00:11:34,959

would call myself that but yeah there's

308

00:11:38,550 --> 00:11:36,240

a bunch of us

309

00:11:39,829 --> 00:11:38,560

you know right after or even some of

310

00:11:42,069 --> 00:11:39,839

them were even before

311

00:11:43,190 --> 00:11:42,079

i think people like joe ufo joe was

312

00:11:44,790 --> 00:11:43,200

there before

313

00:11:47,269 --> 00:11:44,800

and some of these other guys were before

314

00:11:48,710 --> 00:11:47,279

ufo jesus was even before i think

315

00:11:50,389 --> 00:11:48,720

but um yeah we were there when there

316

00:11:52,069 --> 00:11:50,399

wasn't that many people there

317

00:11:53,750 --> 00:11:52,079

and it was kind of like a gold rush of

318

00:11:55,269 --> 00:11:53,760

information no one cared

319

00:11:57,509 --> 00:11:55,279

no one was really looking into this

320

00:11:59,829 --> 00:11:57,519

stuff right our main sources of

321

00:12:02,949 --> 00:11:59,839

information was like george knapp

322

00:12:04,389 --> 00:12:02,959

and um which is a good one yeah and to

323

00:12:05,110 --> 00:12:04,399

the stars academy and stuff like that

324

00:12:07,350 --> 00:12:05,120

now

325

00:12:08,150 --> 00:12:07,360

i mean it was a pipe dream back then to

326
00:12:09,910 --> 00:12:08,160
have

327
00:12:11,269 --> 00:12:09,920
mainstream media looking into this and

328
00:12:13,670 --> 00:12:11,279
now look where we are

329
00:12:15,030 --> 00:12:13,680
yeah and and i tweeted recently just six

330
00:12:16,470 --> 00:12:15,040
months ago

331
00:12:18,790 --> 00:12:16,480
for all these politicians to be

332
00:12:19,269 --> 00:12:18,800
commenting on this was like a dream for

333
00:12:20,790 --> 00:12:19,279
us

334
00:12:22,870 --> 00:12:20,800
and now six months later we're getting

335
00:12:23,750 --> 00:12:22,880
like massive amounts of politicians

336
00:12:25,030 --> 00:12:23,760
commenting

337
00:12:27,509 --> 00:12:25,040
it's just really crazy how far

338
00:12:28,710 --> 00:12:27,519

everything's gone yeah but um

339

00:12:30,870 --> 00:12:28,720
we still have there's still a lot of

340

00:12:33,190 --> 00:12:30,880
work to do yeah

341

00:12:33,990 --> 00:12:33,200
it does seem like a kind of an overall

342

00:12:36,790 --> 00:12:34,000
consensus

343

00:12:39,509 --> 00:12:36,800
is slowly starting to be reached but

344

00:12:41,030 --> 00:12:39,519
there's still some congress people who

345

00:12:43,509 --> 00:12:41,040
like that one guy who said i'm not on

346

00:12:46,150 --> 00:12:43,519
the seat of my pants or whatever

347

00:12:47,750 --> 00:12:46,160
it's like how can people have such

348

00:12:48,949 --> 00:12:47,760
different takes coming out of something

349

00:12:51,190 --> 00:12:48,959
like that

350

00:12:52,949 --> 00:12:51,200
i don't know sure i don't know what they

351
00:12:53,829 --> 00:12:52,959
want to see i mean i guess some of these

352
00:12:55,990 --> 00:12:53,839
guys just

353
00:12:57,030 --> 00:12:56,000
want to see aliens and i think probably

354
00:12:58,389 --> 00:12:57,040
it's coming from

355
00:12:59,670 --> 00:12:58,399
a lot of their personal beliefs and

356
00:13:01,750 --> 00:12:59,680
personal backgrounds on what they

357
00:13:04,470 --> 00:13:01,760
personally think is interesting

358
00:13:05,910 --> 00:13:04,480
um you know we've had for every one of

359
00:13:07,350 --> 00:13:05,920
those comments we've had some great

360
00:13:09,430 --> 00:13:07,360
comments by the politicians

361
00:13:10,949 --> 00:13:09,440
more so i would say a good one yeah yeah

362
00:13:12,790 --> 00:13:10,959
i think so and um

363
00:13:13,910 --> 00:13:12,800

regardless he should be on the seat of

364

00:13:15,030 --> 00:13:13,920

his pants because we're talking about

365

00:13:17,269 --> 00:13:15,040

the security

366

00:13:18,790 --> 00:13:17,279

of the armed forces in the united states

367

00:13:20,150 --> 00:13:18,800

so that's a real ignorant comment

368

00:13:22,870 --> 00:13:20,160

actually the more i think about it

369

00:13:24,069 --> 00:13:22,880

sure it is if even if it's not aliens

370

00:13:24,310 --> 00:13:24,079

maybe he was just talking about it from

371

00:13:25,829 --> 00:13:24,320

an

372

00:13:27,190 --> 00:13:25,839

alien perspective because i haven't

373

00:13:28,389 --> 00:13:27,200

heard the comment myself i've just heard

374

00:13:30,470 --> 00:13:28,399

people talking about it

375

00:13:31,990 --> 00:13:30,480

it's just a snippet i read too of course

376

00:13:35,030 --> 00:13:32,000

they just quote that part

377

00:13:36,550 --> 00:13:35,040

yeah but uh he should be uh on the edge

378

00:13:39,110 --> 00:13:36,560

of his seat when we're talking about

379

00:13:41,030 --> 00:13:39,120

security of the of the united states and

380

00:13:42,629 --> 00:13:41,040

maybe it is just russia and china

381

00:13:44,310 --> 00:13:42,639

and it's not aliens well he needs to be

382

00:13:46,069 --> 00:13:44,320

concerned about that sure

383

00:13:48,069 --> 00:13:46,079

i mean we have things in our restricted

384

00:13:51,350 --> 00:13:48,079

uh airspace

385

00:13:53,030 --> 00:13:51,360

um swarming our our

386

00:13:55,189 --> 00:13:53,040

prized possessions are beautiful boats

387

00:13:57,509 --> 00:13:55,199

and everything and all that stuff like

388

00:13:58,230 --> 00:13:57,519

uh no matter what it is it's dangerous

389

00:14:00,629 --> 00:13:58,240

you know

390

00:14:02,310 --> 00:14:00,639

it could be just one dude going rogue

391

00:14:05,110 --> 00:14:02,320

it's still dangerous

392

00:14:07,189 --> 00:14:05,120

so yeah they should be you know it kind

393

00:14:09,350 --> 00:14:07,199

of it baffles me

394

00:14:11,430 --> 00:14:09,360

how can they let this go every day for

395

00:14:13,430 --> 00:14:11,440

years like ryan graves said like how can

396

00:14:16,710 --> 00:14:13,440

you just

397

00:14:17,509 --> 00:14:16,720

not do anything you know yeah i don't

398

00:14:19,990 --> 00:14:17,519

know it is

399

00:14:21,829 --> 00:14:20,000

it is baffling it's really confusing you

400

00:14:22,790 --> 00:14:21,839

know probably they were chalking it up

401
00:14:25,430 --> 00:14:22,800
to

402
00:14:26,550 --> 00:14:25,440
drones or something like that but even

403
00:14:27,910 --> 00:14:26,560
if it is

404
00:14:29,990 --> 00:14:27,920
i think they'd be wanting to figure that

405
00:14:32,949 --> 00:14:30,000
out so um

406
00:14:33,910 --> 00:14:32,959
it's odd that we aren't protecting our

407
00:14:36,629 --> 00:14:33,920
airspace you know

408
00:14:37,430 --> 00:14:36,639
even if it's just drones um so i don't

409
00:14:39,750 --> 00:14:37,440
know

410
00:14:41,509 --> 00:14:39,760
i think maybe we can yeah or maybe

411
00:14:44,389 --> 00:14:41,519
there's some sort of cover-up

412
00:14:46,230 --> 00:14:44,399
and they didn't want us to get into it

413
00:14:47,750 --> 00:14:46,240

that could be the other explanation

414

00:14:49,670 --> 00:14:47,760

that there's a cover-up they know what

415

00:14:51,350 --> 00:14:49,680

it is and they don't want

416

00:14:52,949 --> 00:14:51,360

the pilots and anyone else giving it

417

00:14:55,990 --> 00:14:52,959

attention right

418

00:14:59,350 --> 00:14:56,000

yeah that could be too i suppose but

419

00:15:01,750 --> 00:14:59,360

i just can't understand why you know

420

00:15:03,110 --> 00:15:01,760

did this the cover-up thing all just

421

00:15:06,310 --> 00:15:03,120

start with

422

00:15:08,470 --> 00:15:06,320

roswell and trickled out of control or

423

00:15:10,629 --> 00:15:08,480

you know that's so weird to me that it

424

00:15:12,389 --> 00:15:10,639

can keep up for that long without people

425

00:15:15,430 --> 00:15:12,399

deciding to say okay

426

00:15:16,870 --> 00:15:15,440

you know yeah you say something here

427

00:15:18,470 --> 00:15:16,880

yeah i mean there's probably a lot of

428

00:15:19,910 --> 00:15:18,480

other reasons that we can't think of

429

00:15:21,670 --> 00:15:19,920

we can only speculate what happened

430

00:15:23,590 --> 00:15:21,680

right i personally believe there was a

431

00:15:26,870 --> 00:15:23,600

bunch of crashes back then

432

00:15:29,189 --> 00:15:26,880

and we were kind of caught you know

433

00:15:29,990 --> 00:15:29,199

not knowing what the heck was going on

434

00:15:32,230 --> 00:15:30,000

they were

435

00:15:33,509 --> 00:15:32,240

probably scrambling uh the government

436

00:15:36,389 --> 00:15:33,519

was probably scrambling

437

00:15:37,430 --> 00:15:36,399

really crazily to try to figure out what

438

00:15:40,389 --> 00:15:37,440

was happening

439

00:15:41,670 --> 00:15:40,399

they didn't want to admit that they

440

00:15:44,230 --> 00:15:41,680

couldn't control this and

441

00:15:46,710 --> 00:15:44,240

and uh there was probably some sort of a

442

00:15:48,870 --> 00:15:46,720

technology race that was going on

443

00:15:49,990 --> 00:15:48,880

um you know i could get really weird

444

00:15:52,230 --> 00:15:50,000

with it and

445

00:15:54,069 --> 00:15:52,240

and speculate further about what has

446

00:15:57,110 --> 00:15:54,079

happened since then

447

00:16:00,230 --> 00:15:57,120

but i don't know if that would be uh

448

00:16:01,590 --> 00:16:00,240

productive to do it but i have a lot of

449

00:16:04,230 --> 00:16:01,600

uh

450

00:16:06,389 --> 00:16:04,240

ideas of maybe what could have

451
00:16:08,710 --> 00:16:06,399
transpired in some of these

452
00:16:10,470 --> 00:16:08,720
programs studying things yeah and who

453
00:16:13,509 --> 00:16:10,480
knows what they were doing were they

454
00:16:15,829 --> 00:16:13,519
even trying to do you know ce5

455
00:16:16,710 --> 00:16:15,839
or or contact i mean i don't know weird

456
00:16:18,150 --> 00:16:16,720
stuff

457
00:16:19,509 --> 00:16:18,160
yeah that could have been happening or

458
00:16:20,069 --> 00:16:19,519
none of that has happened and it's all

459
00:16:23,350 --> 00:16:20,079
kind of

460
00:16:25,670 --> 00:16:23,360
what we figure but you also think about

461
00:16:27,430 --> 00:16:25,680
some of tom's words and i can't believe

462
00:16:30,870 --> 00:16:27,440
everything that tom says unfortunately

463
00:16:32,310 --> 00:16:30,880

i uh i used to at first believe

464

00:16:34,550 --> 00:16:32,320

he said and then i realized some of it

465

00:16:35,910 --> 00:16:34,560

was opinions it's hard when we talk to

466

00:16:36,870 --> 00:16:35,920

people and they're talking about having

467

00:16:40,230 --> 00:16:36,880

sources

468

00:16:41,590 --> 00:16:40,240

and they also add their opinions in

469

00:16:43,670 --> 00:16:41,600

and you don't know what is an opinion

470

00:16:45,269 --> 00:16:43,680

and what source with that with that said

471

00:16:46,949 --> 00:16:45,279

i really respect tom a lot and he's

472

00:16:47,910 --> 00:16:46,959

great and he is a good source of

473

00:16:49,590 --> 00:16:47,920

information

474

00:16:51,189 --> 00:16:49,600

you know he was talking about these guys

475

00:16:52,069 --> 00:16:51,199

i'm having sleepless nights being super

476
00:16:53,749 --> 00:16:52,079
worried

477
00:16:55,110 --> 00:16:53,759
while we're all you know going to dinner

478
00:16:56,790 --> 00:16:55,120
and going to the movies and living our

479
00:16:57,829 --> 00:16:56,800
lives and they have these huge problems

480
00:17:00,310 --> 00:16:57,839
on their back

481
00:17:01,670 --> 00:17:00,320
that seems accurate to me yeah um and it

482
00:17:03,350 --> 00:17:01,680
wouldn't even just be

483
00:17:05,110 --> 00:17:03,360
with the ufo subject it would be a lot

484
00:17:08,309 --> 00:17:05,120
of these government guys you know

485
00:17:09,909 --> 00:17:08,319
melaness talked about when they thought

486
00:17:11,590 --> 00:17:09,919
that there was like a nuclear weapon on

487
00:17:14,470 --> 00:17:11,600
the east coast right i couldn't

488
00:17:15,829 --> 00:17:14,480

believe he said it's nuts and so imagine

489

00:17:18,230 --> 00:17:15,839

knowing that information

490

00:17:20,069 --> 00:17:18,240

and you know just having to kind of not

491

00:17:21,829 --> 00:17:20,079

tell anyone or go to jail

492

00:17:23,510 --> 00:17:21,839

so that didn't turn into some sort of

493

00:17:25,429 --> 00:17:23,520

breaking news

494

00:17:27,189 --> 00:17:25,439

yeah i mean well it didn't leak oh you

495

00:17:28,470 --> 00:17:27,199

mean when melon said it yeah

496

00:17:29,750 --> 00:17:28,480

yeah you know i thought about writing

497

00:17:32,390 --> 00:17:29,760

about that actually i was like is this

498

00:17:34,630 --> 00:17:32,400

gonna be my first non-ufo blog

499

00:17:35,830 --> 00:17:34,640

i was because he tweeted it actually uh

500

00:17:38,150 --> 00:17:35,840

years before then he

501
00:17:40,230 --> 00:17:38,160
oh he did it again or a year before that

502
00:17:43,990 --> 00:17:40,240
and uh it was shocking to me

503
00:17:45,110 --> 00:17:44,000
and um but uh i don't know i mean these

504
00:17:45,990 --> 00:17:45,120
guys have a lot of stuff on their back

505
00:17:48,470 --> 00:17:46,000
look at luke he's talking

506
00:17:49,909 --> 00:17:48,480
about being on uh at guantanamo bay

507
00:17:52,470 --> 00:17:49,919
dealing with the 911 guys

508
00:17:53,590 --> 00:17:52,480
and uh so these these guys have a lot of

509
00:17:57,830 --> 00:17:53,600
uh

510
00:17:59,190 --> 00:17:57,840
they really are heroes in a lot of

511
00:18:01,830 --> 00:17:59,200
different ways a lot of these government

512
00:18:03,590 --> 00:18:01,840
guys um

513
00:18:05,110 --> 00:18:03,600

just from doing what they do and dealing

514

00:18:07,510 --> 00:18:05,120

with these issues for us

515

00:18:09,510 --> 00:18:07,520

could you imagine that like going from

516

00:18:10,630 --> 00:18:09,520

guantanamo bay which is probably

517

00:18:13,990 --> 00:18:10,640

traumatic i don't care

518

00:18:15,590 --> 00:18:14,000

how tough you are yeah and and then the

519

00:18:17,110 --> 00:18:15,600

uab task force

520

00:18:19,029 --> 00:18:17,120

and you're not in the aliens and they're

521

00:18:20,549 --> 00:18:19,039

like hey you want to do this now it's

522

00:18:23,669 --> 00:18:20,559

like

523

00:18:25,590 --> 00:18:23,679

maybe

524

00:18:27,270 --> 00:18:25,600

yeah it goes to show how much they

525

00:18:29,669 --> 00:18:27,280

trusted lou

526

00:18:30,870 --> 00:18:29,679

to i've talked to high-level people and

527

00:18:33,750 --> 00:18:30,880

um

528

00:18:35,029 --> 00:18:33,760

they've told me that lou is a hero aside

529

00:18:37,110 --> 00:18:35,039

from the ufo stuff

530

00:18:38,070 --> 00:18:37,120

because of everything else he's done so

531

00:18:40,470 --> 00:18:38,080

we kind of need to

532

00:18:43,029 --> 00:18:40,480

we we think of him in a ufo way only

533

00:18:44,549 --> 00:18:43,039

sure and uh we need to realize that he's

534

00:18:47,110 --> 00:18:44,559

done a lot for the um

535

00:18:48,470 --> 00:18:47,120

for the country and uh there's i think

536

00:18:49,750 --> 00:18:48,480

there's other stuff that um

537

00:18:52,230 --> 00:18:49,760

probably hasn't came out yet that he's

538

00:18:54,789 --> 00:18:52,240

done yeah i hope

539

00:18:56,310 --> 00:18:54,799

i hope it does come out you know and a

540

00:18:57,909 --> 00:18:56,320

lot of these bats too you could say that

541

00:18:59,909 --> 00:18:57,919

about any of these vets that have

542

00:19:01,350 --> 00:18:59,919

sure put their life on the line man but

543

00:19:03,590 --> 00:19:01,360

him he's the type to not

544

00:19:05,190 --> 00:19:03,600

you know uh toot his own horn so to

545

00:19:06,549 --> 00:19:05,200

speaking it is i want him to do his own

546

00:19:08,230 --> 00:19:06,559

horn a little bit sometimes it's like

547

00:19:09,990 --> 00:19:08,240

frustrating to me he keeps saying it's

548

00:19:11,830 --> 00:19:10,000

like a team effort and it is but i'm

549

00:19:12,710 --> 00:19:11,840

like bro this is like this is because of

550

00:19:14,789 --> 00:19:12,720

you man

551
00:19:16,789 --> 00:19:14,799
yeah yes basically yeah he always goes

552
00:19:18,870 --> 00:19:16,799
well there is a lot of due respect

553
00:19:19,830 --> 00:19:18,880
yeah but he's just like over the top

554
00:19:21,510 --> 00:19:19,840
like

555
00:19:23,110 --> 00:19:21,520
no i haven't done anything special i'm

556
00:19:24,789 --> 00:19:23,120
like come on

557
00:19:26,549 --> 00:19:24,799
that one person just joined twitter a

558
00:19:29,590 --> 00:19:26,559
couple weeks ago it's part

559
00:19:30,630 --> 00:19:29,600
partly due to her yeah and it is in a

560
00:19:33,430 --> 00:19:30,640
way

561
00:19:34,470 --> 00:19:33,440
i get it but uh he just speaks as a

562
00:19:36,390 --> 00:19:34,480
great leader

563
00:19:38,870 --> 00:19:36,400

yeah he does he brings everyone together

564

00:19:40,789 --> 00:19:38,880

look at all of these haters

565

00:19:42,390 --> 00:19:40,799

that have hated him for years and years

566

00:19:43,190 --> 00:19:42,400

and now they like him and he's going on

567

00:19:44,390 --> 00:19:43,200

a show

568

00:19:46,230 --> 00:19:44,400

i'm not going to mention any of their

569

00:19:47,510 --> 00:19:46,240

names i know what you mean yeah

570

00:19:49,510 --> 00:19:47,520

yeah i will not mention their names

571

00:19:52,870 --> 00:19:49,520

jimmy church um

572

00:19:55,190 --> 00:19:52,880

jimmy church hated everybody

573

00:19:56,230 --> 00:19:55,200

this guy hated jimmy church hated luke i

574

00:19:58,549 --> 00:19:56,240

remember hearing that

575

00:20:00,310 --> 00:19:58,559

over and over again yeah and like he's

576

00:20:01,350 --> 00:20:00,320

turned he's like changed his tune like a

577

00:20:03,510 --> 00:20:01,360

hundred percent

578

00:20:12,630 --> 00:20:03,520

yeah the that isn't the only person

579

00:20:15,990 --> 00:20:14,149

and i'm trying to wonder now maybe you

580

00:20:17,510 --> 00:20:16,000

know maybe i should start

581

00:20:19,350 --> 00:20:17,520

giving jimmy church a second chance or

582

00:20:21,350 --> 00:20:19,360

something it's hard

583

00:20:23,190 --> 00:20:21,360

years and years trashing little traction

584

00:20:25,350 --> 00:20:23,200

everything that we're doing

585

00:20:26,470 --> 00:20:25,360

and all of a sudden you know lou speaks

586

00:20:28,710 --> 00:20:26,480

to them

587

00:20:29,830 --> 00:20:28,720

personally and gets them to just totally

588

00:20:33,110 --> 00:20:29,840

flip and that's

589

00:20:33,669 --> 00:20:33,120

that goes to show you how uh honest and

590

00:20:35,750 --> 00:20:33,679

um

591

00:20:37,190 --> 00:20:35,760

how honest lou is and when you speak to

592

00:20:39,510 --> 00:20:37,200

him you really

593

00:20:41,270 --> 00:20:39,520

get an idea of the type of person he is

594

00:20:43,669 --> 00:20:41,280

and how could you hate this guy

595

00:20:45,190 --> 00:20:43,679

after you talk to him and uh but jimmy

596

00:20:46,470 --> 00:20:45,200

church especially

597

00:20:47,909 --> 00:20:46,480

you know he interviewed lou and then he

598

00:20:49,590 --> 00:20:47,919

was still trashing him on twitter this

599

00:20:51,350 --> 00:20:49,600

was a second last year

600

00:20:54,310 --> 00:20:51,360

and uh but now it seems like he's really

601
00:20:55,590 --> 00:20:54,320
um just kind of uh he's on our side now

602
00:20:57,830 --> 00:20:55,600
i guess i don't know

603
00:20:59,430 --> 00:20:57,840
well i mean you know what you do in the

604
00:21:00,149 --> 00:20:59,440
relationships you have and choices you

605
00:21:02,549 --> 00:21:00,159
make is

606
00:21:03,190 --> 00:21:02,559
you know just up to you but i would

607
00:21:06,630 --> 00:21:03,200
obvious

608
00:21:08,870 --> 00:21:06,640
i would say you know

609
00:21:10,710 --> 00:21:08,880
like it's a you know it's cliché but

610
00:21:11,909 --> 00:21:10,720
it's a bigger man to just let it go and

611
00:21:13,430 --> 00:21:11,919
try again right

612
00:21:15,270 --> 00:21:13,440
yeah and you know i've made a ton of

613
00:21:16,870 --> 00:21:15,280

mistakes you know we've argued

614

00:21:18,789 --> 00:21:16,880

with a lot of people i've argued with a

615

00:21:20,950 --> 00:21:18,799

ton of people over the last years

616

00:21:22,549 --> 00:21:20,960

um going through all this stuff and i

617

00:21:25,190 --> 00:21:22,559

wish i hadn't in some cases

618

00:21:26,549 --> 00:21:25,200

other cases it was justified and it

619

00:21:30,230 --> 00:21:26,559

should have happened

620

00:21:31,669 --> 00:21:30,240

but it's really weird too like

621

00:21:33,350 --> 00:21:31,679

a bunch of the people that have hated

622

00:21:35,590 --> 00:21:33,360

lou like they blocked me

623

00:21:37,270 --> 00:21:35,600

and now they are friends with them but

624

00:21:40,070 --> 00:21:37,280

i'm still blocked

625

00:21:41,590 --> 00:21:40,080

so i don't know that's crazy that's uh

626

00:21:43,270 --> 00:21:41,600

dodging admission

627

00:21:45,270 --> 00:21:43,280

[Laughter]

628

00:21:47,430 --> 00:21:45,280

because uh if they added you too then

629

00:21:49,750 --> 00:21:47,440

it'd be you know it's basically saying

630

00:21:51,750 --> 00:21:49,760

i was wrong or whatever but what you

631

00:21:54,310 --> 00:21:51,760

know one thing that lou always says

632

00:21:56,230 --> 00:21:54,320

uh don't we can't turn it into a tilde

633

00:21:59,029 --> 00:21:56,240

zone type of thing right

634

00:22:00,710 --> 00:21:59,039

and it's hard for me to do that yeah

635

00:22:02,549 --> 00:22:00,720

sure i can imagine man yeah

636

00:22:03,830 --> 00:22:02,559

and you'll see in some of my tweets i am

637

00:22:05,830 --> 00:22:03,840

i told you so guy

638

00:22:06,950 --> 00:22:05,840

but i gotta step back from that i am

639

00:22:08,870 --> 00:22:06,960

trying to

640

00:22:10,149 --> 00:22:08,880

but um you know the more stuff that gets

641

00:22:11,990 --> 00:22:10,159

confirmed

642

00:22:13,350 --> 00:22:12,000

um or the more stuff that lou talks

643

00:22:15,029 --> 00:22:13,360

about even though a lot of people still

644

00:22:16,870 --> 00:22:15,039

hate them and don't believe them

645

00:22:18,549 --> 00:22:16,880

uh it gives credence to a lot of the

646

00:22:20,310 --> 00:22:18,559

stuff that's going on and

647

00:22:22,789 --> 00:22:20,320

one of the things that makes everyone

648

00:22:25,510 --> 00:22:22,799

super crazy mad as mj12

649

00:22:27,110 --> 00:22:25,520

and uh you mentioned mj 12 recently and

650

00:22:28,630 --> 00:22:27,120

man a lot of the people just got super

651
00:22:31,830 --> 00:22:28,640
pissed off at him

652
00:22:32,230 --> 00:22:31,840
for mentioning mj12 yeah he talked about

653
00:22:39,909 --> 00:22:32,240
it

654
00:22:42,549 --> 00:22:39,919
and all the older

655
00:22:43,990 --> 00:22:42,559
ufo guys that have been doing this for

656
00:22:45,350 --> 00:22:44,000
years that don't have any government

657
00:22:47,270 --> 00:22:45,360
clearances or

658
00:22:49,270 --> 00:22:47,280
or really any big-time inside

659
00:22:51,029 --> 00:22:49,280
information they hate mj-12

660
00:22:52,390 --> 00:22:51,039
because most of the documents if not all

661
00:22:53,590 --> 00:22:52,400
the documents are fake

662
00:22:54,870 --> 00:22:53,600
and i understand why they hate it

663
00:22:55,990 --> 00:22:54,880

they're burnt out i'm talking about it

664

00:22:57,590 --> 00:22:56,000

they hate this stuff

665

00:22:59,190 --> 00:22:57,600

a lot of them hate crash retrievals a

666

00:23:00,549 --> 00:22:59,200

lot of them hate roswell

667

00:23:01,830 --> 00:23:00,559

they hate a lot of other subjects but i

668

00:23:03,110 --> 00:23:01,840

made a tweet that pissed off a lot of

669

00:23:03,909 --> 00:23:03,120

people where i like listed all these

670

00:23:05,990 --> 00:23:03,919

things

671

00:23:09,510 --> 00:23:06,000

that people uh so you're just a

672

00:23:11,990 --> 00:23:09,520

troublemaker yeah i am

673

00:23:13,029 --> 00:23:12,000

and uh they just hate this stuff they

674

00:23:14,870 --> 00:23:13,039

don't want to talk about it

675

00:23:16,230 --> 00:23:14,880

it's case closed to them no matter what

676

00:23:17,830 --> 00:23:16,240

else comes out about it

677

00:23:19,669 --> 00:23:17,840

they already have their minds made up

678

00:23:21,750 --> 00:23:19,679

and see that's unfortunate

679

00:23:22,950 --> 00:23:21,760

it is and then lou brings up android

680

00:23:26,470 --> 00:23:22,960

mj12 and man

681

00:23:30,070 --> 00:23:26,480

people get mad yeah well you know

682

00:23:33,270 --> 00:23:30,080

to his credit he didn't say mg12 existed

683

00:23:35,990 --> 00:23:33,280

maybe an organization like that right

684

00:23:37,909 --> 00:23:36,000

yeah that is well he said he's what did

685

00:23:38,789 --> 00:23:37,919

he say he said maybe both like it was

686

00:23:43,909 --> 00:23:38,799

rogue and

687

00:23:45,430 --> 00:23:43,919

um um on the oh he asked them if

688

00:23:47,190 --> 00:23:45,440

there's people that like fit the

689

00:23:50,870 --> 00:23:47,200
description of what that is yeah

690

00:23:53,750 --> 00:23:50,880
currently work in the yeah right

691

00:23:56,310 --> 00:23:53,760
um but it's not called uh it's not

692

00:24:00,789 --> 00:23:56,320
called mj12 it's called

693

00:24:02,710 --> 00:24:00,799
zodiac i don't doubt that it was uh

694

00:24:04,390 --> 00:24:02,720
yeah or something but i don't know you

695

00:24:04,789 --> 00:24:04,400
know again we're we're reporting on

696

00:24:06,950 --> 00:24:04,799
stuff

697

00:24:08,149 --> 00:24:06,960
me and myself ufo joe we get a lot of

698

00:24:10,870 --> 00:24:08,159
heat last year

699

00:24:11,909 --> 00:24:10,880
because we were reporting on a document

700

00:24:14,310 --> 00:24:11,919
that came out

701
00:24:16,710 --> 00:24:14,320
that hal put off and dr eric davis said

702
00:24:19,110 --> 00:24:16,720
that they vetted and verified

703
00:24:20,390 --> 00:24:19,120
um joe went farther than me saying he

704
00:24:22,390 --> 00:24:20,400
believed it was 99

705
00:24:23,510 --> 00:24:22,400
real or something like that i was

706
00:24:24,950 --> 00:24:23,520
basically just trying to say i'm

707
00:24:26,230 --> 00:24:24,960
reporting on what these super smart

708
00:24:27,830 --> 00:24:26,240
scientists are saying

709
00:24:29,990 --> 00:24:27,840
but you know of course everyone attacks

710
00:24:32,149 --> 00:24:30,000
us and attacked me for uh

711
00:24:33,190 --> 00:24:32,159
talking about it who lead that document

712
00:24:34,870 --> 00:24:33,200
out

713
00:24:36,390 --> 00:24:34,880

the document was on the internet for a

714

00:24:37,430 --> 00:24:36,400

long time no one was really paying

715

00:24:39,990 --> 00:24:37,440

attention to it

716

00:24:41,269 --> 00:24:40,000

everyone thought it was fake it became a

717

00:24:43,909 --> 00:24:41,279

story

718

00:24:45,510 --> 00:24:43,919

when hal put off was on george knapp's

719

00:24:48,549 --> 00:24:45,520

coast-to-coast show

720

00:24:49,909 --> 00:24:48,559

pretty pretty soon after 2017 i think it

721

00:24:51,830 --> 00:24:49,919

was like 2018

722

00:24:53,830 --> 00:24:51,840

he said there was a crash document that

723

00:24:55,990 --> 00:24:53,840

they were able to verify as real

724

00:24:57,590 --> 00:24:56,000

that leaked and we all went nuts the

725

00:24:59,269 --> 00:24:57,600

whole ufo community did really

726

00:25:01,110 --> 00:24:59,279

sure trying to figure out what crash

727

00:25:03,029 --> 00:25:01,120

document he was talking about

728

00:25:05,750 --> 00:25:03,039

i was following that story behind the

729

00:25:07,029 --> 00:25:05,760

scenes for a long time

730

00:25:09,430 --> 00:25:07,039

trying to figure out i felt like that

731

00:25:09,990 --> 00:25:09,440

was like a huge huge story and i had to

732

00:25:13,430 --> 00:25:10,000

know

733

00:25:14,470 --> 00:25:13,440

i got a tip from someone that said that

734

00:25:18,070 --> 00:25:14,480

they had talked

735

00:25:19,269 --> 00:25:18,080

to um actually i probably should just uh

736

00:25:21,190 --> 00:25:19,279

i don't remember how much of this is

737

00:25:23,110 --> 00:25:21,200

public i should ride this two on that

738

00:25:24,470 --> 00:25:23,120

they'll go ahead and it's fine but uh

739

00:25:26,310 --> 00:25:24,480

yeah certainly give me the thing but

740

00:25:29,830 --> 00:25:26,320

anyway so we caught wind that

741

00:25:33,669 --> 00:25:29,840

hal and eric thought it was real and

742

00:25:36,789 --> 00:25:33,679

uh you know it's always hard to

743

00:25:39,350 --> 00:25:36,799

keep sources um private

744

00:25:40,549 --> 00:25:39,360

but we caught wind of that it turned out

745

00:25:42,310 --> 00:25:40,559

to be accurate

746

00:25:44,789 --> 00:25:42,320

and then it became a story because they

747

00:25:47,430 --> 00:25:44,799

thought it was real

748

00:25:48,950 --> 00:25:47,440

yeah well that may be a little um

749

00:25:50,470 --> 00:25:48,960

irresponsible i guess for them to

750

00:25:52,789 --> 00:25:50,480

comment on it if they don't know

751
00:25:54,310 --> 00:25:52,799
it well they said they verified it you

752
00:25:54,549 --> 00:25:54,320
know and they have their ways to verify

753
00:26:01,669 --> 00:25:54,559
it

754
00:26:03,669 --> 00:26:01,679
they say to me is news

755
00:26:05,110 --> 00:26:03,679
yeah um and i want to know what they

756
00:26:07,669 --> 00:26:05,120
think and i want to should be

757
00:26:09,669 --> 00:26:07,679
are they verified yeah it should be uh

758
00:26:12,149 --> 00:26:09,679
news coming from them

759
00:26:14,549 --> 00:26:12,159
yeah it's you know there's the hard part

760
00:26:17,990 --> 00:26:14,559
with this topic is there is

761
00:26:21,430 --> 00:26:18,000
active disinformation campaigns

762
00:26:23,750 --> 00:26:21,440
you know and it can become difficult to

763
00:26:25,029 --> 00:26:23,760

to notice what is and what isn't you

764

00:26:27,990 --> 00:26:25,039

know

765

00:26:28,630 --> 00:26:28,000

and but i think if you just do your best

766

00:26:30,789 --> 00:26:28,640

to

767

00:26:33,269 --> 00:26:30,799

avoid the dramatic side of things you'll

768

00:26:35,350 --> 00:26:33,279

probably be all right

769

00:26:36,830 --> 00:26:35,360

but yeah it's it's hard to not get

770

00:26:40,870 --> 00:26:36,840

emotional um

771

00:26:43,510 --> 00:26:40,880

yeah have you had an experience sorry

772

00:26:44,470 --> 00:26:43,520

uh do you mean like with ufos yeah no

773

00:26:47,350 --> 00:26:44,480

i'm just

774

00:26:47,750 --> 00:26:47,360

some guy i've never seen ufo or if i

775

00:26:50,789 --> 00:26:47,760

have

776

00:26:53,110 --> 00:26:50,799

it's ufo right i'm

777

00:26:55,110 --> 00:26:53,120

very skeptical so i really needed to do

778

00:26:58,549 --> 00:26:55,120

like a right-hand turn

779

00:26:59,990 --> 00:26:58,559

or blast-off or something like that um

780

00:27:02,070 --> 00:27:00,000

you know i've seen like once i was on a

781

00:27:03,350 --> 00:27:02,080

plane and i saw like this metallic thing

782

00:27:05,269 --> 00:27:03,360

but i don't know if it wasn't just like

783

00:27:06,870 --> 00:27:05,279

some far away plane or some drone

784

00:27:08,549 --> 00:27:06,880

and i've seen like flashes of lights in

785

00:27:09,430 --> 00:27:08,559

the sky like that doesn't do anything

786

00:27:11,510 --> 00:27:09,440

for me yeah

787

00:27:13,510 --> 00:27:11,520

um i don't know what that was you know

788

00:27:16,549 --> 00:27:13,520

and i saw a green light

789

00:27:18,789 --> 00:27:16,559

that was really really low um in a town

790

00:27:20,549 --> 00:27:18,799

i was driving through it was really low

791

00:27:22,870 --> 00:27:20,559

but i didn't see it do any right handle

792

00:27:24,149 --> 00:27:22,880

turn so how do i know it wasn't a drone

793

00:27:25,430 --> 00:27:24,159

right that was probably the weirdest

794

00:27:27,430 --> 00:27:25,440

thing i've ever seen was this green

795

00:27:29,590 --> 00:27:27,440

light it was really really low

796

00:27:31,430 --> 00:27:29,600

but you know drones that was like the

797

00:27:31,909 --> 00:27:31,440

early point of when drunk people were

798

00:27:33,990 --> 00:27:31,919

flying

799

00:27:35,510 --> 00:27:34,000

drones so there's no way for me to know

800

00:27:37,269 --> 00:27:35,520

that it wasn't a drone

801
00:27:38,950 --> 00:27:37,279
yeah and i've had other weird things

802
00:27:40,870 --> 00:27:38,960
happen to me um

803
00:27:42,310 --> 00:27:40,880
but they i wouldn't chuck them up as

804
00:27:45,190 --> 00:27:42,320
like the ufo field

805
00:27:46,149 --> 00:27:45,200
sure maybe more paranormal which i think

806
00:27:49,029 --> 00:27:46,159
ufos

807
00:27:49,909 --> 00:27:49,039
could kind of fit in that category as

808
00:27:52,710 --> 00:27:49,919
well to be honest

809
00:27:53,510 --> 00:27:52,720
but generally i'm just like super normal

810
00:27:56,870 --> 00:27:53,520
and boring

811
00:27:58,230 --> 00:27:56,880
and um at first i felt like people

812
00:27:59,669 --> 00:27:58,240
you know experiences and stuff they

813
00:28:00,830 --> 00:27:59,679

didn't want to trust me as much they

814

00:28:02,950 --> 00:28:00,840

only wanted to talk to other

815

00:28:04,789 --> 00:28:02,960

experiencers but i'm really fun

816

00:28:06,710 --> 00:28:04,799

and um but also i think it gives me

817

00:28:08,789 --> 00:28:06,720

maybe more of um

818

00:28:10,310 --> 00:28:08,799

a level playing field because i'm not an

819

00:28:11,110 --> 00:28:10,320

experiencer i'm just coming from like a

820

00:28:13,430 --> 00:28:11,120

normal

821

00:28:15,430 --> 00:28:13,440

like kind of like a reporter standpoint

822

00:28:17,269 --> 00:28:15,440

yeah to be honest i think your

823

00:28:18,950 --> 00:28:17,279

your opinion would be a lot less biased

824

00:28:22,310 --> 00:28:18,960

because of that you know

825

00:28:22,870 --> 00:28:22,320

and i'm gonna i've had an experience i

826

00:28:24,389 --> 00:28:22,880

could

827

00:28:27,430 --> 00:28:24,399

you know don't care if you have or

828

00:28:29,990 --> 00:28:27,440

haven't you know

829

00:28:31,110 --> 00:28:30,000

to me it says even more that you haven't

830

00:28:32,389 --> 00:28:31,120

and you're going to want to have like i

831

00:28:33,269 --> 00:28:32,399

don't want to have like an experience or

832

00:28:35,669 --> 00:28:33,279

something but

833

00:28:37,750 --> 00:28:35,679

it'd be yeah it'd be cool to see you

834

00:28:41,110 --> 00:28:37,760

well sometimes the experiences are good

835

00:28:42,870 --> 00:28:41,120

but yeah what do the ce5 thing

836

00:28:44,710 --> 00:28:42,880

i could totally see you doing that i

837

00:28:47,029 --> 00:28:44,720

probably uh need to bring another pair

838

00:28:50,950 --> 00:28:47,039

of pants for sure

839

00:28:53,269 --> 00:28:50,960

yeah yeah um

840

00:28:54,950 --> 00:28:53,279

are you working on anything are you just

841

00:28:57,110 --> 00:28:54,960

like chilling out right now

842

00:28:58,950 --> 00:28:57,120

i'm always working on blogs my output

843

00:29:01,750 --> 00:28:58,960

has been a lot less

844

00:29:02,630 --> 00:29:01,760

this year i'm getting flack for it but

845

00:29:04,789 --> 00:29:02,640

the thing is

846

00:29:06,630 --> 00:29:04,799

back when i was writing every single

847

00:29:07,190 --> 00:29:06,640

week i was like one of the only people

848

00:29:10,070 --> 00:29:07,200

doing it

849

00:29:11,909 --> 00:29:10,080

and now we have major media and

850

00:29:13,750 --> 00:29:11,919

everything involved so it's like i don't

851
00:29:14,950 --> 00:29:13,760
have to do as much work now it seems

852
00:29:16,870 --> 00:29:14,960
like but um

853
00:29:18,310 --> 00:29:16,880
i need to do more i'm doing more

854
00:29:19,990 --> 00:29:18,320
interviews probably that i'm writing i'm

855
00:29:21,110 --> 00:29:20,000
probably writing like one blog a month

856
00:29:23,430 --> 00:29:21,120
now

857
00:29:24,870 --> 00:29:23,440
but i always have more in the back of my

858
00:29:27,110 --> 00:29:24,880
mind that i want to do

859
00:29:29,190 --> 00:29:27,120
and that i'm working on so i need to get

860
00:29:31,269 --> 00:29:29,200
off my butt and do it i'm just real busy

861
00:29:33,110 --> 00:29:31,279
in my personal life and trying to stay

862
00:29:35,269 --> 00:29:33,120
afloat financially and things like that

863
00:29:36,870 --> 00:29:35,279

yeah no i i hear you yeah i mean you

864

00:29:38,789 --> 00:29:36,880

know we don't uh a lot of us

865

00:29:40,070 --> 00:29:38,799

most of us you know we don't make money

866

00:29:41,990 --> 00:29:40,080

off this stuff at all

867

00:29:43,110 --> 00:29:42,000

and i mean no i'm in the room i'm in the

868

00:29:47,190 --> 00:29:43,120

red even doing this

869

00:29:49,990 --> 00:29:47,200

yeah buy stuff i have a patreon account

870

00:29:50,389 --> 00:29:50,000

and that people uh can't donate to but

871

00:29:51,990 --> 00:29:50,399

it's

872

00:29:53,430 --> 00:29:52,000

pretty pathetic how much i make a month

873

00:29:55,590 --> 00:29:53,440

off of it and uh

874

00:29:57,990 --> 00:29:55,600

yeah it's just you know a lot of us do

875

00:29:59,750 --> 00:29:58,000

this at the expense of like ignoring the

876

00:30:01,830 --> 00:29:59,760

rest of our lives and our financial

877

00:30:03,350 --> 00:30:01,840

well-being yeah you know i'm starting to

878

00:30:05,909 --> 00:30:03,360

see that in my own life and

879

00:30:06,470 --> 00:30:05,919

i'm trying to reason with that myself

880

00:30:08,630 --> 00:30:06,480

you know

881

00:30:10,710 --> 00:30:08,640

as attention is kind of taken away from

882

00:30:14,310 --> 00:30:10,720

other things whether it's

883

00:30:15,110 --> 00:30:14,320

music or yeah fixing something at the

884

00:30:16,710 --> 00:30:15,120

house or

885

00:30:18,710 --> 00:30:16,720

yeah you know and then money yeah

886

00:30:20,070 --> 00:30:18,720

totally like i'm doing this and i'm not

887

00:30:22,149 --> 00:30:20,080

the type to

888

00:30:23,190 --> 00:30:22,159

just like half it like if i'm gonna do a

889

00:30:25,029 --> 00:30:23,200

live stream

890

00:30:26,870 --> 00:30:25,039

i'm gonna do it i'm gonna really try and

891

00:30:27,750 --> 00:30:26,880

put my best foot forward so i had to go

892

00:30:30,630 --> 00:30:27,760

buy camera

893

00:30:31,350 --> 00:30:30,640

lights yeah and all that stuff and i'm

894

00:30:33,669 --> 00:30:31,360

doing this

895

00:30:35,269 --> 00:30:33,679

i'm like yeah well you know music cost

896

00:30:38,710 --> 00:30:35,279

me way more money

897

00:30:41,510 --> 00:30:38,720

so that's okay uh

898

00:30:42,870 --> 00:30:41,520

probably over the course of 20 years i

899

00:30:43,909 --> 00:30:42,880

couldn't even count how much money i've

900

00:30:47,190 --> 00:30:43,919

spent on music

901
00:30:49,350 --> 00:30:47,200
me too yeah what were you doing you're

902
00:30:50,789 --> 00:30:49,360
were you a dj or yeah i was doing dj

903
00:30:53,669 --> 00:30:50,799
producing i was making beats

904
00:30:54,870 --> 00:30:53,679
you know sampling records i have yeah

905
00:30:56,470 --> 00:30:54,880
tons of equipment

906
00:30:58,230 --> 00:30:56,480
thousands and thousands and thousands of

907
00:30:59,110 --> 00:30:58,240
records vinyl records i was sampling

908
00:31:00,789 --> 00:30:59,120
yeah

909
00:31:02,149 --> 00:31:00,799
cool i put my whole life towards it and

910
00:31:03,110 --> 00:31:02,159
that was another thing that kind of i

911
00:31:04,870 --> 00:31:03,120
was

912
00:31:06,870 --> 00:31:04,880
throwing my financial well-being out the

913
00:31:08,389 --> 00:31:06,880

window and i just wish i was uh

914

00:31:09,990 --> 00:31:08,399

because i trade stocks down too and i

915

00:31:10,710 --> 00:31:10,000

wish i was just trading stocks 20 years

916

00:31:13,269 --> 00:31:10,720

ago

917

00:31:14,149 --> 00:31:13,279

and getting my financial portfolios up

918

00:31:15,990 --> 00:31:14,159

rather than uh

919

00:31:17,830 --> 00:31:16,000

doing all this other stuff but hey

920

00:31:19,029 --> 00:31:17,840

that's all right

921

00:31:21,110 --> 00:31:19,039

you know though it's something i've

922

00:31:23,590 --> 00:31:21,120

realized is when you don't make

923

00:31:24,710 --> 00:31:23,600

like your your goal or what you're

924

00:31:25,909 --> 00:31:24,720

chasing

925

00:31:28,310 --> 00:31:25,919

you know you don't attach it to a

926

00:31:30,470 --> 00:31:28,320

monetary thing um

927

00:31:31,830 --> 00:31:30,480

and you follow a passion and have good

928

00:31:33,669 --> 00:31:31,840

intent and a good heart like you're

929

00:31:36,789 --> 00:31:33,679

going to be taken care of you just

930

00:31:37,750 --> 00:31:36,799

you know just whatever it is it just it

931

00:31:40,549 --> 00:31:37,760

just works out

932

00:31:41,509 --> 00:31:40,559

you know i've had pretty awful times as

933

00:31:44,789 --> 00:31:41,519

i'm sure you have

934

00:31:46,310 --> 00:31:44,799

but we're here yeah you know i'm glad

935

00:31:47,350 --> 00:31:46,320

you're here i'm glad you're you're doing

936

00:31:52,230 --> 00:31:47,360

this interview because

937

00:31:55,590 --> 00:31:54,549

i just came into this scene maybe you

938

00:31:57,830 --> 00:31:55,600

know

939

00:31:59,590 --> 00:31:57,840

august last year i had my first like

940

00:32:01,909 --> 00:31:59,600

real big experience

941

00:32:03,110 --> 00:32:01,919

and so i've been like digging really

942

00:32:05,430 --> 00:32:03,120

hard and

943

00:32:06,389 --> 00:32:05,440

you know since then so there's a lot i

944

00:32:09,669 --> 00:32:06,399

don't know yet

945

00:32:11,190 --> 00:32:09,679

but um you know it's nice to watch

946

00:32:13,029 --> 00:32:11,200

you know like people like you and nap

947

00:32:16,149 --> 00:32:13,039

talk together and

948

00:32:17,669 --> 00:32:16,159

jamie corbell um

949

00:32:19,669 --> 00:32:17,679

there's always a huge learning curve a

950

00:32:21,350 --> 00:32:19,679

lot of this and i'm not an expert on

951
00:32:24,149 --> 00:32:21,360
every historical case

952
00:32:25,750 --> 00:32:24,159
yeah by any means but i do follow the

953
00:32:27,350 --> 00:32:25,760
new stuff pretty closely

954
00:32:29,590 --> 00:32:27,360
but there's a lot of better people that

955
00:32:31,830 --> 00:32:29,600
need to talk to about historical cases

956
00:32:34,470 --> 00:32:31,840
yeah no i i mean i've just been digging

957
00:32:37,590 --> 00:32:34,480
into the like 1950s cases

958
00:32:37,909 --> 00:32:37,600
actually lately is it worth it to even

959
00:32:40,549 --> 00:32:37,919
dig

960
00:32:42,149 --> 00:32:40,559
into the past at this point i think so

961
00:32:42,950 --> 00:32:42,159
yeah i think it's amazing and you're

962
00:32:44,789 --> 00:32:42,960
going to see

963
00:32:47,110 --> 00:32:44,799

congruencies about what was happening

964

00:32:49,110 --> 00:32:47,120

back then i have yeah yeah and now

965

00:32:51,669 --> 00:32:49,120

and um it's a lot of the same stuff and

966

00:32:54,630 --> 00:32:51,679

it's amazing

967

00:32:55,269 --> 00:32:54,640

argument yeah lots of great stuff to dig

968

00:32:57,430 --> 00:32:55,279

into

969

00:32:59,029 --> 00:32:57,440

and i was uh definitely in my learning

970

00:32:59,909 --> 00:32:59,039

curve i'm just trying to read all the

971

00:33:01,990 --> 00:32:59,919

books i can

972

00:33:03,190 --> 00:33:02,000

and but it's almost impossible to read

973

00:33:06,470 --> 00:33:03,200

everything

974

00:33:09,190 --> 00:33:06,480

uh yeah it kind of is and then

975

00:33:10,789 --> 00:33:09,200

like watch the podcast and you know stay

976

00:33:13,590 --> 00:33:10,799

up to date on all the news

977

00:33:14,870 --> 00:33:13,600

like which lightly is you know there was

978

00:33:17,110 --> 00:33:14,880

a time when

979

00:33:19,669 --> 00:33:17,120

not too long ago when we could all just

980

00:33:22,950 --> 00:33:19,679

stay up on every news clip and every

981

00:33:25,669 --> 00:33:22,960

interview and it wasn't that difficult

982

00:33:28,230 --> 00:33:25,679

you know it's like a little blip on cnn

983

00:33:29,990 --> 00:33:28,240

there a little thing there

984

00:33:31,430 --> 00:33:30,000

it's really really crazy i mean there

985

00:33:32,950 --> 00:33:31,440

was times in the last four years where

986

00:33:34,870 --> 00:33:32,960

we wouldn't hear from lou for like

987

00:33:36,950 --> 00:33:34,880

a year he wouldn't talk because he was

988

00:33:38,070 --> 00:33:36,960

part of uh to the stars academy

989

00:33:39,990 --> 00:33:38,080

they were or they were filming

990

00:33:41,750 --> 00:33:40,000

unidentified and

991

00:33:43,190 --> 00:33:41,760

um so that's another reason why i'm

992

00:33:44,070 --> 00:33:43,200

writing a little bit less because now

993

00:33:45,669 --> 00:33:44,080

lou is

994

00:33:47,669 --> 00:33:45,679

doing an interview every day talking

995

00:33:49,590 --> 00:33:47,679

himself yeah i don't have to follow what

996

00:33:51,430 --> 00:33:49,600

those guys are doing as much because

997

00:33:52,789 --> 00:33:51,440

a lot of it is just out there but yeah

998

00:33:53,830 --> 00:33:52,799

there was times where everything was

999

00:33:56,630 --> 00:33:53,840

boring

1000

00:33:58,549 --> 00:33:56,640

you know for six months a year at a time

1001
00:34:00,149 --> 00:33:58,559
we were waiting and waiting and waiting

1002
00:34:02,389 --> 00:34:00,159
we were promised things were coming and

1003
00:34:05,509 --> 00:34:02,399
it was slow going slow moving

1004
00:34:07,430 --> 00:34:05,519
yeah so it's just a total different uh

1005
00:34:09,349 --> 00:34:07,440
environment right now that we're in what

1006
00:34:12,550 --> 00:34:09,359
do you see for yourself

1007
00:34:13,990 --> 00:34:12,560
like let's say there is a disclosure and

1008
00:34:16,790 --> 00:34:14,000
the disclosure is just

1009
00:34:18,069 --> 00:34:16,800
uh verification of another intelligent

1010
00:34:22,069 --> 00:34:18,079
life form

1011
00:34:24,149 --> 00:34:22,079
um what what does that mean for you

1012
00:34:25,109 --> 00:34:24,159
i follow a lot of the government stuff

1013
00:34:28,629 --> 00:34:25,119

real closely

1014

00:34:30,310 --> 00:34:28,639

and um to me i've said this other places

1015

00:34:31,270 --> 00:34:30,320

it feels like it's a waste of time

1016

00:34:33,909 --> 00:34:31,280

because

1017

00:34:35,510 --> 00:34:33,919

we're doing that as advocates to try to

1018

00:34:38,869 --> 00:34:35,520

get the world to believe

1019

00:34:39,909 --> 00:34:38,879

um what we believe so we have to focus

1020

00:34:42,389 --> 00:34:39,919

on the government

1021

00:34:43,909 --> 00:34:42,399

because that's who people listen to and

1022

00:34:45,510 --> 00:34:43,919

people want it and also they have

1023

00:34:46,710 --> 00:34:45,520

amazing data and sensors and all that

1024

00:34:48,950 --> 00:34:46,720

kind of thing

1025

00:34:50,629 --> 00:34:48,960

but there's other people like my friend

1026
00:34:51,750 --> 00:34:50,639
twitter user jay with the mind sublime

1027
00:34:54,069 --> 00:34:51,760
podcast

1028
00:34:56,710 --> 00:34:54,079
that directly look at what the

1029
00:34:59,190 --> 00:34:56,720
phenomenon is doing and how it's working

1030
00:35:00,550 --> 00:34:59,200
so really all of us that focus on the

1031
00:35:03,270 --> 00:35:00,560
government stuff

1032
00:35:03,829 --> 00:35:03,280
preferably will be cut out of the

1033
00:35:05,990 --> 00:35:03,839
equation

1034
00:35:07,349 --> 00:35:06,000
unless we switch it because once people

1035
00:35:08,310 --> 00:35:07,359
know everything is real

1036
00:35:10,870 --> 00:35:08,320
they're going to start looking at

1037
00:35:12,790 --> 00:35:10,880
consciousness and the phenomenon itself

1038
00:35:14,710 --> 00:35:12,800

right what the heck is going on a lot of

1039

00:35:17,349 --> 00:35:14,720

that stuff i don't understand

1040

00:35:18,710 --> 00:35:17,359

um and other dimensions and whatever

1041

00:35:20,790 --> 00:35:18,720

else you know

1042

00:35:22,710 --> 00:35:20,800

you can do to figure out how things work

1043

00:35:23,990 --> 00:35:22,720

on a scientific level on just a really

1044

00:35:26,150 --> 00:35:24,000

complicated level so

1045

00:35:28,310 --> 00:35:26,160

uh you know those people are going to

1046

00:35:30,470 --> 00:35:28,320

have a lot more to do

1047

00:35:32,950 --> 00:35:30,480

and uh the rest of us are going to be

1048

00:35:35,589 --> 00:35:32,960

kind of like dating apps

1049

00:35:36,630 --> 00:35:35,599

we're built to to get deleted you know i

1050

00:35:39,430 --> 00:35:36,640

don't know

1051
00:35:41,030 --> 00:35:39,440
happen to be honest because we may

1052
00:35:42,790 --> 00:35:41,040
always be fighting this thing

1053
00:35:45,030 --> 00:35:42,800
and we may never get full disclosure

1054
00:35:46,069 --> 00:35:45,040
quote unquote but if full disclosure

1055
00:35:48,790 --> 00:35:46,079
does come

1056
00:35:50,790 --> 00:35:48,800
and it's going to be like you know these

1057
00:35:52,230 --> 00:35:50,800
sci-fi movies where they know aliens are

1058
00:35:53,829 --> 00:35:52,240
here and then they're like contacting

1059
00:35:55,349 --> 00:35:53,839
all the scientists in the world

1060
00:35:57,030 --> 00:35:55,359
to try to figure out what the heck is

1061
00:35:58,710 --> 00:35:57,040
going on with the aliens or the other

1062
00:36:00,470 --> 00:35:58,720
you know intelligence whatever you want

1063
00:36:01,990 --> 00:36:00,480

to call it but uh

1064

00:36:03,829 --> 00:36:02,000

and a lot of us government reporters

1065

00:36:05,349 --> 00:36:03,839

will be done because

1066

00:36:07,109 --> 00:36:05,359

people know us here but we'll see if

1067

00:36:10,230 --> 00:36:07,119

that ever happens yeah

1068

00:36:12,710 --> 00:36:10,240

i mean the more i think about that

1069

00:36:14,150 --> 00:36:12,720

you know it's going to get it's not

1070

00:36:16,069 --> 00:36:14,160

going to get easier

1071

00:36:18,069 --> 00:36:16,079

when that time comes i think i think

1072

00:36:19,510 --> 00:36:18,079

it's going to become more complicated

1073

00:36:22,150 --> 00:36:19,520

there's going to be more things thrown

1074

00:36:23,670 --> 00:36:22,160

into the mix like politics and how do we

1075

00:36:25,349 --> 00:36:23,680

deal with this first

1076

00:36:27,109 --> 00:36:25,359

no i think we should do this first or

1077

00:36:28,630 --> 00:36:27,119

that first that's true and i guess i

1078

00:36:30,310 --> 00:36:28,640

could still stick to government at that

1079

00:36:32,390 --> 00:36:30,320

point

1080

00:36:34,069 --> 00:36:32,400

and and uh and just fighting for the

1081

00:36:36,550 --> 00:36:34,079

good side of this because there's

1082

00:36:38,069 --> 00:36:36,560

people not i guess i could still uh a

1083

00:36:39,190 --> 00:36:38,079

lot of us could still report on what the

1084

00:36:40,230 --> 00:36:39,200

government how the government is

1085

00:36:43,109 --> 00:36:40,240

handling it

1086

00:36:44,550 --> 00:36:43,119

and things like that but um yeah and uh

1087

00:36:45,990 --> 00:36:44,560

but i don't know if i'll ever be able to

1088

00:36:47,510 --> 00:36:46,000

figure out how

1089

00:36:49,109 --> 00:36:47,520

consciousness works or how the

1090

00:36:50,550 --> 00:36:49,119

phenomenon works or

1091

00:36:52,710 --> 00:36:50,560

what is going on specifically with it

1092

00:36:55,829 --> 00:36:52,720

that's just way over my head yeah

1093

00:36:57,270 --> 00:36:55,839

well i think they'll i would hope it'll

1094

00:36:59,190 --> 00:36:57,280

get to a point where there's someone

1095

00:37:00,150 --> 00:36:59,200

available to break it down in layman's

1096

00:37:01,670 --> 00:37:00,160

terms for everyone

1097

00:37:03,349 --> 00:37:01,680

because if they don't think many people

1098

00:37:04,950 --> 00:37:03,359

will get it yeah

1099

00:37:06,069 --> 00:37:04,960

that's if that's if they actually know

1100

00:37:08,230 --> 00:37:06,079

what the heck is going on and how it

1101
00:37:09,670 --> 00:37:08,240
works you know we don't know that yeah i

1102
00:37:11,190 --> 00:37:09,680
do believe that they've figured out some

1103
00:37:11,829 --> 00:37:11,200
of the technology if we're listening to

1104
00:37:13,990 --> 00:37:11,839
lou

1105
00:37:15,750 --> 00:37:14,000
we may know how these ufos are flying in

1106
00:37:18,069 --> 00:37:15,760
these space-time bubbles and whatnot

1107
00:37:19,910 --> 00:37:18,079
yeah that doesn't mean we know you know

1108
00:37:21,430 --> 00:37:19,920
what the other intelligence is thinking

1109
00:37:24,710 --> 00:37:21,440
why it's doing things and that's just a

1110
00:37:28,950 --> 00:37:27,349
that's a can of worms too yeah totally i

1111
00:37:32,470 --> 00:37:28,960
wonder what it is if they're just here

1112
00:37:34,230 --> 00:37:32,480
like monitoring us or taking samples or

1113
00:37:35,829 --> 00:37:34,240

you know i think it's human nature to go

1114

00:37:37,670 --> 00:37:35,839

to fear and say they're prepping for an

1115

00:37:41,030 --> 00:37:37,680

invasion but i don't

1116

00:37:42,950 --> 00:37:41,040

get that vibe from reading like past

1117

00:37:44,550 --> 00:37:42,960

reports from the 50s and what happens

1118

00:37:47,190 --> 00:37:44,560

now but you never know

1119

00:37:48,550 --> 00:37:47,200

like 50 years could be a second to them

1120

00:37:50,390 --> 00:37:48,560

i don't like that a lot of that trainer

1121

00:37:52,550 --> 00:37:50,400

thinking where people will say

1122

00:37:54,069 --> 00:37:52,560

are they going to invade us or or would

1123

00:37:55,990 --> 00:37:54,079

um

1124

00:37:57,589 --> 00:37:56,000

if they're mean why or if they're

1125

00:37:57,990 --> 00:37:57,599

negative why would haven't they blown us

1126

00:37:59,910 --> 00:37:58,000

up

1127

00:38:01,030 --> 00:37:59,920

we could already be invaded we could

1128

00:38:03,430 --> 00:38:01,040

already be

1129

00:38:05,430 --> 00:38:03,440

whatever we wouldn't know it especially

1130

00:38:07,430 --> 00:38:05,440

if they have those psychic powers

1131

00:38:09,030 --> 00:38:07,440

yeah you know we we could be their farm

1132

00:38:10,630 --> 00:38:09,040

already i mean it looks like they're

1133

00:38:12,790 --> 00:38:10,640

already here and they have been

1134

00:38:14,550 --> 00:38:12,800

for thousands of years so the fact that

1135

00:38:15,510 --> 00:38:14,560

they haven't bonus fbi just doesn't make

1136

00:38:17,030 --> 00:38:15,520

any sense to me

1137

00:38:18,550 --> 00:38:17,040

and we already could have been invaded

1138

00:38:20,069 --> 00:38:18,560

we could have been invaded thousands and

1139

00:38:21,910 --> 00:38:20,079

thousands of years ago

1140

00:38:23,510 --> 00:38:21,920

um or any of this stuff we just don't

1141

00:38:25,270 --> 00:38:23,520

know yeah i think

1142

00:38:27,670 --> 00:38:25,280

whatever i think you're right there

1143

00:38:33,190 --> 00:38:27,680

whatever it is is

1144

00:38:35,510 --> 00:38:33,200

uh i a lot longer of a situation

1145

00:38:36,390 --> 00:38:35,520

than you know we're maybe capable of

1146

00:38:39,589 --> 00:38:36,400

thinking

1147

00:38:42,230 --> 00:38:39,599

you know um for instance i think

1148

00:38:42,870 --> 00:38:42,240

like you said they've been here forever

1149

00:38:45,109 --> 00:38:42,880

um

1150

00:38:46,790 --> 00:38:45,119

but also that forever that a thousand

1151
00:38:48,710 --> 00:38:46,800
years to them for all you know could be

1152
00:38:50,230 --> 00:38:48,720
three minutes or whatever so maybe they

1153
00:38:50,710 --> 00:38:50,240
are going to blow us up on the fourth

1154
00:38:52,470 --> 00:38:50,720
minute

1155
00:38:54,310 --> 00:38:52,480
but that's just 20 years from now to

1156
00:38:55,510 --> 00:38:54,320
them you know and i don't rule anything

1157
00:38:57,829 --> 00:38:55,520
out maybe it is

1158
00:38:59,030 --> 00:38:57,839
after um you know we just don't know

1159
00:39:01,349 --> 00:38:59,040
every uh how put off

1160
00:39:02,069 --> 00:39:01,359
it everything is on the table yeah i

1161
00:39:05,829 --> 00:39:02,079
believe that

1162
00:39:06,550 --> 00:39:05,839
um but you know i yeah what's crazy is i

1163
00:39:08,230 --> 00:39:06,560

think

1164

00:39:09,910 --> 00:39:08,240

the government or some pockets of the

1165

00:39:11,589 --> 00:39:09,920

government are actually starting to

1166

00:39:13,190 --> 00:39:11,599

consider some of this stuff now which is

1167

00:39:16,069 --> 00:39:13,200

pretty amazing

1168

00:39:16,790 --> 00:39:16,079

yeah that's that is truly amazing yeah

1169

00:39:18,230 --> 00:39:16,800

especially

1170

00:39:19,750 --> 00:39:18,240

like we were just talking about this

1171

00:39:20,950 --> 00:39:19,760

reading reports from the 50s and

1172

00:39:22,790 --> 00:39:20,960

everything

1173

00:39:25,109 --> 00:39:22,800

and you know what kind of struck me is

1174

00:39:26,950 --> 00:39:25,119

how many times

1175

00:39:29,030 --> 00:39:26,960

there how many reports have just been

1176

00:39:30,630 --> 00:39:29,040

made you know to bring

1177

00:39:32,310 --> 00:39:30,640

different people throughout all these

1178

00:39:34,630 --> 00:39:32,320

years yeah

1179

00:39:36,470 --> 00:39:34,640

and it's kind of always the same is it

1180

00:39:39,510 --> 00:39:36,480

foreign

1181

00:39:42,790 --> 00:39:39,520

is it us no

1182

00:39:45,270 --> 00:39:42,800

no what is it i'm not sure all right

1183

00:39:47,270 --> 00:39:45,280

let's move on and don't tell anybody

1184

00:39:48,630 --> 00:39:47,280

yeah yeah they do it or maybe that's

1185

00:39:51,030 --> 00:39:48,640

what it is that they just they

1186

00:39:51,750 --> 00:39:51,040

have no handle on it that's what they

1187

00:39:53,670 --> 00:39:51,760

can do but

1188

00:39:55,030 --> 00:39:53,680

i don't know what do you think there

1189

00:39:56,630 --> 00:39:55,040

could be a whole another

1190

00:39:58,550 --> 00:39:56,640

level to this thing and i'm not sure i

1191

00:40:00,550 --> 00:39:58,560

don't want to get too conservatorial we

1192

00:40:03,430 --> 00:40:00,560

can always kick around ideas but uh

1193

00:40:05,030 --> 00:40:03,440

yeah speculate we're speculating

1194

00:40:07,030 --> 00:40:05,040

speculating well

1195

00:40:08,470 --> 00:40:07,040

you know i always speculate i put this

1196

00:40:10,390 --> 00:40:08,480

on uh

1197

00:40:12,470 --> 00:40:10,400

grant cameron's facebook recently and

1198

00:40:13,750 --> 00:40:12,480

this is super crazy speculation i have

1199

00:40:15,990 --> 00:40:13,760

no idea if it's true

1200

00:40:17,589 --> 00:40:16,000

i just wonder about it sometimes that

1201

00:40:19,190 --> 00:40:17,599

yeah if they've known that there's this

1202

00:40:20,390 --> 00:40:19,200

other type of intelligence right we know

1203

00:40:22,950 --> 00:40:20,400

that there's people that

1204

00:40:23,750 --> 00:40:22,960

do channeling all kinds of crazy stuff

1205

00:40:25,109 --> 00:40:23,760

not saying that

1206

00:40:27,349 --> 00:40:25,119

all of that is real but i'm not saying

1207

00:40:29,750 --> 00:40:27,359

it's not either because i don't know

1208

00:40:31,349 --> 00:40:29,760

if there was some type of a group that

1209

00:40:33,190 --> 00:40:31,359

attempted contact

1210

00:40:34,630 --> 00:40:33,200

maybe it was through ce5 maybe it was

1211

00:40:37,030 --> 00:40:34,640

through channeling

1212

00:40:38,630 --> 00:40:37,040

or whatever maybe they had a live alien

1213

00:40:41,030 --> 00:40:38,640

who really knows i mean

1214

00:40:42,550 --> 00:40:41,040

i'm not saying this is true of course i

1215

00:40:43,190 --> 00:40:42,560

know i hope these people speculations

1216

00:40:44,950 --> 00:40:43,200

are listening

1217

00:40:48,069 --> 00:40:44,960

right now speculation this is

1218

00:40:52,069 --> 00:40:49,910

no maybe something went wrong you know

1219

00:40:54,309 --> 00:40:52,079

we've heard rumors of

1220

00:40:55,750 --> 00:40:54,319

you know um getting during contact

1221

00:40:57,510 --> 00:40:55,760

experiences in the government

1222

00:40:59,430 --> 00:40:57,520

and people getting sick or dying or

1223

00:41:00,870 --> 00:40:59,440

crazy things like yeah maybe something

1224

00:41:02,150 --> 00:41:00,880

really horrible has already happened to

1225

00:41:04,309 --> 00:41:02,160

them when they were studying this in the

1226

00:41:06,630 --> 00:41:04,319

60s or 70s or 80s

1227

00:41:08,069 --> 00:41:06,640

and um and they decided they don't want

1228

00:41:09,109 --> 00:41:08,079

to mess with it and maybe that's why a

1229

00:41:12,309 --> 00:41:09,119

part of the government

1230

00:41:13,349 --> 00:41:12,319

uh has been shying away from this

1231

00:41:14,790 --> 00:41:13,359

because they don't

1232

00:41:16,950 --> 00:41:14,800

they already experienced it or they know

1233

00:41:19,670 --> 00:41:16,960

other people that did and they

1234

00:41:21,030 --> 00:41:19,680

it was really really bad so that's one

1235

00:41:22,069 --> 00:41:21,040

of my speculations i don't know if

1236

00:41:25,430 --> 00:41:22,079

that's true at all

1237

00:41:28,950 --> 00:41:25,440

i mean dr uh jacquez vale

1238

00:41:31,430 --> 00:41:28,960

uh has a lot of things to say about um

1239

00:41:32,710 --> 00:41:31,440

the bad side of making contact that's

1240

00:41:35,270 --> 00:41:32,720

for sure

1241

00:41:37,589 --> 00:41:35,280

you know one of his points is um goes

1242

00:41:40,309 --> 00:41:37,599

towards like abduction stories

1243

00:41:41,030 --> 00:41:40,319

and how they get people and sometimes

1244

00:41:44,309 --> 00:41:41,040

repeat

1245

00:41:46,309 --> 00:41:44,319

the same person and

1246

00:41:48,150 --> 00:41:46,319

the point of mix is it's just we're so

1247

00:41:50,790 --> 00:41:48,160

much better at doing that stuff

1248

00:41:53,190 --> 00:41:50,800

like you don't have to pick up somebody

1249

00:41:55,030 --> 00:41:53,200

twice to get their dna profile and this

1250

00:41:58,870 --> 00:41:55,040

information or that like

1251
00:42:01,190 --> 00:41:58,880
so there's something like um benevolent

1252
00:42:02,470 --> 00:42:01,200
involved you know like he's like i could

1253
00:42:04,069 --> 00:42:02,480
go get your blood and you wouldn't even

1254
00:42:06,309 --> 00:42:04,079
know or wake up and i wouldn't ever

1255
00:42:07,829 --> 00:42:06,319
need to get again to know everything

1256
00:42:11,270 --> 00:42:07,839
about you you know

1257
00:42:13,349 --> 00:42:11,280
yeah the um the whole idea of

1258
00:42:14,309 --> 00:42:13,359
abductions may be the whole reason for

1259
00:42:17,510 --> 00:42:14,319
the secrecy

1260
00:42:18,710 --> 00:42:17,520
i mean how can you tell the world that

1261
00:42:20,309 --> 00:42:18,720
abductions are real

1262
00:42:23,030 --> 00:42:20,319
there isn't a whole lot you can do to

1263
00:42:24,790 --> 00:42:23,040

protect yourself i mean that's right

1264

00:42:26,870 --> 00:42:24,800

that's going to scare people regardless

1265

00:42:31,109 --> 00:42:26,880

of how strong everyone is

1266

00:42:32,790 --> 00:42:31,119

i mean that's a huge problem yeah

1267

00:42:34,470 --> 00:42:32,800

that if they didn't address it right

1268

00:42:35,270 --> 00:42:34,480

away it'd be one of the first questions

1269

00:42:37,910 --> 00:42:35,280

probably

1270

00:42:39,670 --> 00:42:37,920

yeah i mean there's a whole thing that's

1271

00:42:41,589 --> 00:42:39,680

a can of worms that's gonna get opened

1272

00:42:42,950 --> 00:42:41,599

you know people are gonna start once

1273

00:42:45,349 --> 00:42:42,960

they start realizing that there's

1274

00:42:46,630 --> 00:42:45,359

something in our skies or in our oceans

1275

00:42:48,550 --> 00:42:46,640

they're gonna start asking all these

1276
00:42:49,510 --> 00:42:48,560
other hard hard questions and it's gonna

1277
00:42:51,430 --> 00:42:49,520
get crazy

1278
00:42:53,109 --> 00:42:51,440
yeah and you're gonna have people trying

1279
00:42:57,109 --> 00:42:53,119
to do crazy things

1280
00:43:00,150 --> 00:42:57,119
like catch them and chase them and

1281
00:43:02,470 --> 00:43:00,160
we'll see what happens i i continuously

1282
00:43:05,190 --> 00:43:02,480
get surprised about

1283
00:43:05,750 --> 00:43:05,200
what other people actually believe is

1284
00:43:08,390 --> 00:43:05,760
true

1285
00:43:08,790 --> 00:43:08,400
people that i respect i mean we can look

1286
00:43:12,150 --> 00:43:08,800
at

1287
00:43:15,349 --> 00:43:12,160
uh james fox who seems to be a

1288
00:43:15,910 --> 00:43:15,359

pretty um good source of information i

1289

00:43:18,150 --> 00:43:15,920

mean look

1290

00:43:19,190 --> 00:43:18,160

when he did the phenomenon documentary

1291

00:43:20,630 --> 00:43:19,200

it was awesome

1292

00:43:22,630 --> 00:43:20,640

and it didn't have a lot of crazy stuff

1293

00:43:26,150 --> 00:43:22,640

in there and now we're

1294

00:43:27,910 --> 00:43:26,160

now he's going to be uh reportedly um

1295

00:43:29,270 --> 00:43:27,920

his next documentary is about that other

1296

00:43:31,430 --> 00:43:29,280

brazilian incident

1297

00:43:33,190 --> 00:43:31,440

where there was like aliens running

1298

00:43:34,150 --> 00:43:33,200

around the town

1299

00:43:36,230 --> 00:43:34,160

i mean and he's doing the whole

1300

00:43:39,349 --> 00:43:36,240

documentary about that so you

1301
00:43:41,750 --> 00:43:39,359
can deduce that he believes that's real

1302
00:43:42,390 --> 00:43:41,760
so i mean it gets really really weird

1303
00:43:45,430 --> 00:43:42,400
there's a lot of

1304
00:43:47,990 --> 00:43:45,440
different stories um that you would be

1305
00:43:50,390 --> 00:43:48,000
surprised that these government guys or

1306
00:43:53,270 --> 00:43:50,400
top scientists in the in the ufo field

1307
00:43:56,950 --> 00:43:55,190
was nuts and they got an audio recording

1308
00:43:59,190 --> 00:43:56,960
of that yeah randall

1309
00:44:00,550 --> 00:43:59,200
there's this really weird ones the uh

1310
00:44:01,990 --> 00:44:00,560
that one brazilian thing though with the

1311
00:44:03,190 --> 00:44:02,000
aliens running around everywhere and

1312
00:44:07,270 --> 00:44:03,200
people seeing them that's just

1313
00:44:10,390 --> 00:44:08,630

i'm not aware of that story when did

1314

00:44:12,390 --> 00:44:10,400

that one come out that one was i think

1315

00:44:13,990 --> 00:44:12,400

in like the 70s or 80s

1316

00:44:16,309 --> 00:44:14,000

or maybe no it was the 90s i think i

1317

00:44:19,750 --> 00:44:16,319

think was the 90s

1318

00:44:22,309 --> 00:44:19,760

there was like a crash and there was

1319

00:44:24,069 --> 00:44:22,319

aliens running around the town in brazil

1320

00:44:26,470 --> 00:44:24,079

and the police are involved and i've

1321

00:44:28,550 --> 00:44:26,480

heard a bunch of other stuff about it

1322

00:44:29,670 --> 00:44:28,560

um i'm not sure what's true and what's

1323

00:44:31,109 --> 00:44:29,680

kind of legend

1324

00:44:32,950 --> 00:44:31,119

yeah i can't wait to look into that yeah

1325

00:44:34,870 --> 00:44:32,960

i think uh you know

1326

00:44:36,309 --> 00:44:34,880

fox has been covering this for a while

1327

00:44:38,150 --> 00:44:36,319

because he's been able to dig up a bunch

1328

00:44:40,230 --> 00:44:38,160

of the um

1329

00:44:41,589 --> 00:44:40,240

uh witnesses but there's other stuff

1330

00:44:44,390 --> 00:44:41,599

that we know that

1331

00:44:46,230 --> 00:44:44,400

people have people seem to believe you

1332

00:44:47,829 --> 00:44:46,240

can look at the ingo swan book

1333

00:44:49,030 --> 00:44:47,839

there's stuff in there that people seem

1334

00:44:50,150 --> 00:44:49,040

to believe there's a lot of stuff that

1335

00:44:52,230 --> 00:44:50,160

people don't believe

1336

00:44:53,670 --> 00:44:52,240

yeah but there's one wild story in

1337

00:44:56,950 --> 00:44:53,680

particular that people

1338

00:44:58,710 --> 00:44:56,960

um seem to think is true and i'm just

1339

00:45:01,910 --> 00:44:58,720

i'm amazed about some of this stuff it's

1340

00:45:04,069 --> 00:45:01,920

crazy yeah it's

1341

00:45:06,069 --> 00:45:04,079

i can never allow myself to fully

1342

00:45:07,589 --> 00:45:06,079

believe something that's

1343

00:45:09,750 --> 00:45:07,599

you know like chris mellon always says

1344

00:45:12,870 --> 00:45:09,760

it you know uh

1345

00:45:14,870 --> 00:45:12,880

bold claims or whatever require bold

1346

00:45:16,550 --> 00:45:14,880

evidence or whatever you know

1347

00:45:18,230 --> 00:45:16,560

however that goes i'm sure i [\h__\h] it

1348

00:45:19,829 --> 00:45:18,240

up but

1349

00:45:22,150 --> 00:45:19,839

you know yeah so i can never let my

1350

00:45:23,510 --> 00:45:22,160

believe myself believe in something a

1351

00:45:26,790 --> 00:45:23,520

hundred percent

1352

00:45:27,670 --> 00:45:26,800

without you know being able to touch it

1353

00:45:30,150 --> 00:45:27,680

and see it

1354

00:45:30,950 --> 00:45:30,160

and all that kind of stuff you know and

1355

00:45:32,550 --> 00:45:30,960

feel it

1356

00:45:33,750 --> 00:45:32,560

and these people are expecting doesn't

1357

00:45:34,550 --> 00:45:33,760

mean they're always right they could be

1358

00:45:37,670 --> 00:45:34,560

wrong

1359

00:45:40,790 --> 00:45:37,680

yeah that's true i mean people alive

1360

00:45:42,630 --> 00:45:40,800

you know but um

1361

00:45:44,870 --> 00:45:42,640

but that's why i kind of tend to play

1362

00:45:47,670 --> 00:45:44,880

more observer and

1363

00:45:49,349 --> 00:45:47,680

you know try to make more logical uh

1364

00:45:52,630 --> 00:45:49,359

choices in my brain i guess

1365

00:45:54,230 --> 00:45:52,640

yeah it's safer yeah you know

1366

00:45:56,230 --> 00:45:54,240

you don't know what the [h__h] it is i

1367

00:45:59,030 --> 00:45:56,240

don't yeah

1368

00:46:02,069 --> 00:45:59,040

you know i have my feelings and you know

1369

00:46:04,069 --> 00:46:02,079

strong speculations and feelings but

1370

00:46:05,510 --> 00:46:04,079

but i hope the government just steps in

1371

00:46:07,109 --> 00:46:05,520

and kind of puts all that stuff to bed

1372

00:46:07,510 --> 00:46:07,119

because you know they're really to blame

1373

00:46:09,190 --> 00:46:07,520

for

1374

00:46:10,790 --> 00:46:09,200

why we're here and even you know get

1375

00:46:13,190 --> 00:46:10,800

into these little infighting

1376

00:46:14,790 --> 00:46:13,200

tiffs and stuff we deserve the truth

1377

00:46:15,750 --> 00:46:14,800

people deserve the truth whatever is

1378

00:46:17,589 --> 00:46:15,760

going on

1379

00:46:19,589 --> 00:46:17,599

you know uh it's a civil right type of

1380

00:46:21,270 --> 00:46:19,599

situation it is we deserve to know

1381

00:46:22,150 --> 00:46:21,280

what's going on no matter how horrible

1382

00:46:24,069 --> 00:46:22,160

it is

1383

00:46:25,670 --> 00:46:24,079

i often speculate that maybe it's better

1384

00:46:28,150 --> 00:46:25,680

to not know

1385

00:46:29,670 --> 00:46:28,160

but that's not how the world works so

1386

00:46:31,349 --> 00:46:29,680

yeah we need to be told the truth no

1387

00:46:34,390 --> 00:46:31,359

matter how horrible it is

1388

00:46:36,150 --> 00:46:34,400

yeah and eventually if you live

1389

00:46:37,829 --> 00:46:36,160

you know not knowing someone's gonna

1390

00:46:40,150 --> 00:46:37,839

whisper in your ear and say yeah

1391

00:46:41,510 --> 00:46:40,160

yeah we know so and then you're gonna

1392

00:46:42,790 --> 00:46:41,520

get curious and

1393

00:46:45,589 --> 00:46:42,800

yeah you know you gotta find out

1394

00:46:49,670 --> 00:46:45,599

especially on all this stuff i guess

1395

00:46:55,349 --> 00:46:53,630

i guess if you had to

1396

00:46:58,950 --> 00:46:55,359

[Music]

1397

00:47:02,470 --> 00:46:58,960

if you had to recommend like a book

1398

00:47:03,990 --> 00:47:02,480

or yeah probably like a book or movie or

1399

00:47:07,829 --> 00:47:04,000

something that would be good for

1400

00:47:11,030 --> 00:47:07,839

a person first coming into this

1401

00:47:13,190 --> 00:47:11,040

um what would it be um i like james fox

1402

00:47:15,829 --> 00:47:13,200

phenomenon that was pretty solid okay

1403

00:47:17,270 --> 00:47:15,839

um i like unidentified the tv show

1404

00:47:18,230 --> 00:47:17,280

that's amazing i would tell them to

1405

00:47:22,150 --> 00:47:18,240

watch that

1406

00:47:24,230 --> 00:47:22,160

yeah um a lot of the other stuff

1407

00:47:25,430 --> 00:47:24,240

may be too far even the jacques ballet

1408

00:47:27,430 --> 00:47:25,440

stuff right

1409

00:47:29,190 --> 00:47:27,440

maybe a little bit too far i i've

1410

00:47:31,030 --> 00:47:29,200

noticed that you know we do we have to

1411

00:47:32,470 --> 00:47:31,040

stick to the government stuff in order

1412

00:47:33,589 --> 00:47:32,480

to convince people

1413

00:47:35,349 --> 00:47:33,599

i mean it depends who we're talking

1414

00:47:36,870 --> 00:47:35,359

about here if we're talking about a

1415

00:47:38,309 --> 00:47:36,880

normal person that just doesn't even

1416

00:47:38,870 --> 00:47:38,319

really care and we're trying to convince

1417

00:47:42,150 --> 00:47:38,880

them

1418

00:47:43,510 --> 00:47:42,160

i would say look at the government stuff

1419

00:47:45,670 --> 00:47:43,520

look what's going on there's a task

1420

00:47:47,670 --> 00:47:45,680

force currently you know but watch the

1421

00:47:49,270 --> 00:47:47,680

phenomenon watch unidentified look at

1422

00:47:51,829 --> 00:47:49,280

lou's story

1423

00:47:52,470 --> 00:47:51,839

look at chris mullin's story and that

1424

00:47:54,230 --> 00:47:52,480

kind of thing

1425

00:47:55,510 --> 00:47:54,240

if it's someone that believes and is

1426
00:47:56,549 --> 00:47:55,520
just interested then that's a whole

1427
00:47:58,309 --> 00:47:56,559
other uh

1428
00:48:00,150 --> 00:47:58,319
that's a whole other thing but um you

1429
00:48:02,950 --> 00:48:00,160
know we've came along a very very

1430
00:48:05,270 --> 00:48:02,960
very long way since 2017 i mean i have

1431
00:48:06,870 --> 00:48:05,280
friends and family all around me

1432
00:48:08,470 --> 00:48:06,880
they hated the subject they didn't want

1433
00:48:11,589 --> 00:48:08,480
to believe any of it

1434
00:48:13,990 --> 00:48:11,599
and now no one can deny there's advanced

1435
00:48:16,309 --> 00:48:14,000
technology flying around our skies

1436
00:48:18,069 --> 00:48:16,319
i mean the tic tac incident happened

1437
00:48:18,390 --> 00:48:18,079
whether it's some foreign adversary that

1438
00:48:21,430 --> 00:48:18,400

has

1439

00:48:22,870 --> 00:48:21,440

crazy technology or some other type of

1440

00:48:23,990 --> 00:48:22,880

non-human intelligence or whatever you

1441

00:48:25,430 --> 00:48:24,000

want to call it

1442

00:48:27,430 --> 00:48:25,440

that happened and it's kind of

1443

00:48:30,630 --> 00:48:27,440

undeniable now so

1444

00:48:32,069 --> 00:48:30,640

um and a lot of people know that now and

1445

00:48:34,790 --> 00:48:32,079

they can we can point them towards

1446

00:48:36,150 --> 00:48:34,800

politicians yeah that are saying it i

1447

00:48:38,309 --> 00:48:36,160

mean obama said it

1448

00:48:40,069 --> 00:48:38,319

that there's things uh flying around

1449

00:48:40,790 --> 00:48:40,079

peer gy so that's happening that's

1450

00:48:42,549 --> 00:48:40,800

occurring

1451

00:48:44,549 --> 00:48:42,559

why do you think that hasn't been a

1452

00:48:46,390 --> 00:48:44,559

bigger story

1453

00:48:48,150 --> 00:48:46,400

it did circulate pretty well i think

1454

00:48:49,430 --> 00:48:48,160

when obama said it but

1455

00:48:51,270 --> 00:48:49,440

you know i guess we could always want

1456

00:48:53,430 --> 00:48:51,280

more we always want more

1457

00:48:54,390 --> 00:48:53,440

but you know you can bring that to

1458

00:48:57,750 --> 00:48:54,400

almost anyone

1459

00:48:59,510 --> 00:48:57,760

and um you know i guess unless they hate

1460

00:49:01,190 --> 00:48:59,520

obama or something but uh

1461

00:49:02,549 --> 00:49:01,200

you can you can look at uh do it

1462

00:49:05,109 --> 00:49:02,559

bipartisan and and

1463

00:49:05,750 --> 00:49:05,119

find uh republicans like marco rubio

1464

00:49:08,790 --> 00:49:05,760

saying it

1465

00:49:11,109 --> 00:49:08,800

yeah but um you know that's it's an

1466

00:49:13,190 --> 00:49:11,119

undeniable fact so in that way

1467

00:49:15,510 --> 00:49:13,200

if if disclosure was the fact that

1468

00:49:16,870 --> 00:49:15,520

there's advanced technology in our skies

1469

00:49:18,870 --> 00:49:16,880

the disclosure has happened because

1470

00:49:20,790 --> 00:49:18,880

that's real and it's undeniable

1471

00:49:22,710 --> 00:49:20,800

yeah you're right and that's actually

1472

00:49:24,870 --> 00:49:22,720

something lou has said for a long time

1473

00:49:26,870 --> 00:49:24,880

when he would get frustrated sometimes

1474

00:49:29,109 --> 00:49:26,880

and say listen

1475

00:49:31,190 --> 00:49:29,119

everyone's asking for this big d one day

1476

00:49:33,030 --> 00:49:31,200

all of a sudden it just happens

1477

00:49:35,510 --> 00:49:33,040

uh first of all we've already had

1478

00:49:37,589 --> 00:49:35,520

disclosure um the government has

1479

00:49:39,270 --> 00:49:37,599

admitted there's things in our skies and

1480

00:49:41,030 --> 00:49:39,280

they don't know what they are

1481

00:49:42,710 --> 00:49:41,040

you know and then the rest of it is kind

1482

00:49:46,230 --> 00:49:42,720

of a slow trickle to get

1483

00:49:49,270 --> 00:49:46,240

to the truth of what it is

1484

00:49:51,030 --> 00:49:49,280

but yeah and it's hard to be patient

1485

00:49:55,750 --> 00:49:51,040

because it's exciting

1486

00:49:58,230 --> 00:49:55,760

yeah and i think you see that kind of uh

1487

00:50:00,549 --> 00:49:58,240

in people's tweets and stuff sometimes

1488

00:50:04,309 --> 00:50:00,559

myself included you know i get impatient

1489

00:50:05,990 --> 00:50:04,319

but yeah what would be the best uh what

1490

00:50:09,990 --> 00:50:06,000

would you advise or what would be

1491

00:50:13,750 --> 00:50:10,000

your advice for um somebody to

1492

00:50:16,309 --> 00:50:13,760

make a difference um

1493

00:50:18,230 --> 00:50:16,319

i would share this information with

1494

00:50:19,030 --> 00:50:18,240

people around them because that's our

1495

00:50:22,710 --> 00:50:19,040

goal

1496

00:50:25,030 --> 00:50:22,720

ufo community we already believe

1497

00:50:26,390 --> 00:50:25,040

we're trying to get others you know i

1498

00:50:28,710 --> 00:50:26,400

call them ufo citizens

1499

00:50:30,150 --> 00:50:28,720

normal people that don't care on board

1500

00:50:31,829 --> 00:50:30,160

so you can share that information with

1501
00:50:33,829 --> 00:50:31,839
your family and friends

1502
00:50:35,349 --> 00:50:33,839
you can contact your politicians i go

1503
00:50:38,549 --> 00:50:35,359
back and forth on

1504
00:50:40,630 --> 00:50:38,559
whether that's valuable to do or not but

1505
00:50:41,589 --> 00:50:40,640
you know it's something you can possibly

1506
00:50:44,630 --> 00:50:41,599
do

1507
00:50:48,069 --> 00:50:44,640
you can jump on social media which

1508
00:50:49,910 --> 00:50:48,079
we all did and um try to kind of just

1509
00:50:52,230 --> 00:50:49,920
enter the conversation

1510
00:50:53,270 --> 00:50:52,240
um but that's the best thing to do i

1511
00:50:56,470 --> 00:50:53,280
think is

1512
00:50:59,270 --> 00:50:56,480
share information with people around you

1513
00:51:01,270 --> 00:50:59,280

yeah um you can try to become an

1514

00:51:02,630 --> 00:51:01,280

influencer

1515

00:51:04,950 --> 00:51:02,640

if you feel like you can bring something

1516

00:51:06,470 --> 00:51:04,960

to the table you know whether you're on

1517

00:51:08,790 --> 00:51:06,480

tick tock or

1518

00:51:09,750 --> 00:51:08,800

any of these other um social media

1519

00:51:12,630 --> 00:51:09,760

platforms

1520

00:51:13,910 --> 00:51:12,640

yeah um there's a lot of other things

1521

00:51:16,710 --> 00:51:13,920

you can do you can go

1522

00:51:18,150 --> 00:51:16,720

and join uh your local mufon chapter and

1523

00:51:18,710 --> 00:51:18,160

try to become an investigator i don't

1524

00:51:20,950 --> 00:51:18,720

know

1525

00:51:22,150 --> 00:51:20,960

i'd love to do that yeah some people do

1526

00:51:24,470 --> 00:51:22,160

that i don't know how much

1527

00:51:26,150 --> 00:51:24,480

they're using these days i think it's a

1528

00:51:27,750 --> 00:51:26,160

lot of like over the phone stuff now

1529

00:51:29,349 --> 00:51:27,760

because they covered but

1530

00:51:31,270 --> 00:51:29,359

i don't know just start thinking man and

1531

00:51:33,109 --> 00:51:31,280

uh the good community no matter what

1532

00:51:36,710 --> 00:51:33,119

anyone says is small

1533

00:51:37,990 --> 00:51:36,720

so the bar is lower as far as trying to

1534

00:51:39,270 --> 00:51:38,000

make a difference like you and me we're

1535

00:51:41,030 --> 00:51:39,280

talking about music

1536

00:51:42,630 --> 00:51:41,040

we know how hard it is to make a

1537

00:51:45,589 --> 00:51:42,640

different music industry

1538

00:51:47,430 --> 00:51:45,599

it's insane it's easier in the ufo

1539

00:51:48,549 --> 00:51:47,440

community man you can jump in and

1540

00:51:49,910 --> 00:51:48,559

people will start listening to you

1541

00:51:51,190 --> 00:51:49,920

whether that's a good thing or bad thing

1542

00:51:53,030 --> 00:51:51,200

it's probably both

1543

00:51:55,030 --> 00:51:53,040

yeah but you know it's not hard to

1544

00:51:56,309 --> 00:51:55,040

become an influencer in the ufo

1545

00:51:58,309 --> 00:51:56,319

community i don't think so

1546

00:51:59,589 --> 00:51:58,319

yeah um if you if you can bring

1547

00:52:03,030 --> 00:51:59,599

something to the table

1548

00:52:03,990 --> 00:52:03,040

well i'd like to be but you know one

1549

00:52:07,349 --> 00:52:04,000

step at a time

1550

00:52:07,670 --> 00:52:07,359

um you know influence i only want to be

1551

00:52:10,309 --> 00:52:07,680

able

1552

00:52:10,790 --> 00:52:10,319

to give influence if it's positive so

1553

00:52:12,150 --> 00:52:10,800

yeah

1554

00:52:14,309 --> 00:52:12,160

you know and you know that that doesn't

1555

00:52:15,829 --> 00:52:14,319

mean it's it's good but uh

1556

00:52:17,430 --> 00:52:15,839

and maybe that's kind of a knock on the

1557

00:52:18,230 --> 00:52:17,440

ufo community that people will listen

1558

00:52:19,190 --> 00:52:18,240

but um

1559

00:52:21,270 --> 00:52:19,200

i don't know there's a lot of different

1560

00:52:23,589 --> 00:52:21,280

things you can do and uh yeah

1561

00:52:24,549 --> 00:52:23,599

i mean i would just say whatever part of

1562

00:52:26,549 --> 00:52:24,559

your life

1563

00:52:30,309 --> 00:52:26,559

that you live or and you can just spread

1564

00:52:33,990 --> 00:52:32,549

and it's hard to find out what is

1565

00:52:35,510 --> 00:52:34,000

accurate obviously because everyone has

1566

00:52:37,670 --> 00:52:35,520

a different opinion of what is working

1567

00:52:39,030 --> 00:52:37,680

yeah what are a couple good sources yeah

1568

00:52:40,549 --> 00:52:39,040

but that's why you know i like to stick

1569

00:52:41,430 --> 00:52:40,559

to the government stuff and the solid

1570

00:52:44,230 --> 00:52:41,440

stuff

1571

00:52:45,510 --> 00:52:44,240

and to share it with people and share a

1572

00:52:45,990 --> 00:52:45,520

new york times article with them or

1573

00:52:49,349 --> 00:52:46,000

something like

1574

00:52:53,430 --> 00:52:49,359

that you know whether you're a doctor or

1575

00:52:54,630 --> 00:52:53,440

you're a just a regular job employee you

1576

00:52:56,069 --> 00:52:54,640

know you can share stuff with people

1577

00:52:57,270 --> 00:52:56,079

around you they may not care they may

1578

00:53:00,470 --> 00:52:57,280

laugh at you but

1579

00:53:02,150 --> 00:53:00,480

at least you're breaking it down to them

1580

00:53:04,710 --> 00:53:02,160

the breaking down some of these walls

1581

00:53:06,790 --> 00:53:04,720

and uh i think the younger people are

1582

00:53:08,549 --> 00:53:06,800

the more open they are to some of this

1583

00:53:10,549 --> 00:53:08,559

stuff too yeah i think so

1584

00:53:12,710 --> 00:53:10,559

i think you're right yeah as a new

1585

00:53:15,750 --> 00:53:12,720

generation comes in i think

1586

00:53:18,470 --> 00:53:15,760

you know social norms and all everything

1587

00:53:19,430 --> 00:53:18,480

is gonna probably change you know um for

1588

00:53:21,829 --> 00:53:19,440

the better as

1589

00:53:24,150 --> 00:53:21,839

we evolve so yeah maybe that's when all

1590

00:53:25,750 --> 00:53:24,160

this stuff will happen

1591

00:53:27,510 --> 00:53:25,760

because you know a couple of me people

1592

00:53:27,990 --> 00:53:27,520

have made this point if aliens are you

1593

00:53:30,549 --> 00:53:28,000

know looking

1594

00:53:31,990 --> 00:53:30,559

down on us or whatever are they really

1595

00:53:35,270 --> 00:53:32,000

going to come here

1596

00:53:39,430 --> 00:53:35,280

they'd probably probably say next

1597

00:53:41,990 --> 00:53:39,440

next planet if you could um

1598

00:53:45,829 --> 00:53:42,000

ride in a spaceship or time machine

1599

00:53:49,990 --> 00:53:47,430

man i'm not sure i'm not sure i would do

1600

00:53:51,829 --> 00:53:50,000

both either i mean

1601
00:53:53,349 --> 00:53:51,839
i would like to go back in time and tell

1602
00:53:55,910 --> 00:53:53,359
myself some things

1603
00:53:57,750 --> 00:53:55,920
but uh it counts i'm kind of scared of

1604
00:53:59,109 --> 00:53:57,760
some of the stuff man like

1605
00:54:00,870 --> 00:53:59,119
i don't think i want to like see an

1606
00:54:01,910 --> 00:54:00,880
alien or something like that would not

1607
00:54:05,109 --> 00:54:01,920
be fun for me

1608
00:54:06,069 --> 00:54:05,119
i'd get really scared um well you don't

1609
00:54:08,309 --> 00:54:06,079
know that

1610
00:54:09,349 --> 00:54:08,319
yeah i guess i don't but i don't know

1611
00:54:12,230 --> 00:54:09,359
they look like little

1612
00:54:13,910 --> 00:54:12,240
bunny rabbits yeah that's true i think

1613
00:54:15,510 --> 00:54:13,920

it would be cool to see a ufo like from

1614

00:54:16,230 --> 00:54:15,520

a distance but i don't want that thing

1615

00:54:18,870 --> 00:54:16,240

near me man

1616

00:54:21,109 --> 00:54:18,880

and uh yeah um there's just too many bad

1617

00:54:23,190 --> 00:54:21,119

stories i don't know i'd have to uh

1618

00:54:24,950 --> 00:54:23,200

i guess if i'm being selfish i would say

1619

00:54:27,670 --> 00:54:24,960

i can do like a uh

1620

00:54:28,390 --> 00:54:27,680

biff situation and go back with like the

1621

00:54:31,510 --> 00:54:28,400

uh

1622

00:54:34,150 --> 00:54:31,520

the almanac and just get ready

1623

00:54:36,789 --> 00:54:34,160

yeah but you better drive uh carefully

1624

00:54:38,710 --> 00:54:36,799

or you'll run into a

1625

00:54:40,470 --> 00:54:38,720

truck bed of manure yeah over and over

1626

00:54:42,710 --> 00:54:40,480

again over and over again

1627

00:54:44,789 --> 00:54:42,720

yeah man i don't know the uh and maybe

1628

00:54:46,470 --> 00:54:44,799

hey maybe all the ufos are time machines

1629

00:54:48,549 --> 00:54:46,480

already that we're looking at

1630

00:54:49,510 --> 00:54:48,559

any of this stuff could be true but uh

1631

00:54:50,789 --> 00:54:49,520

yeah right

1632

00:54:52,710 --> 00:54:50,799

i always think if it's a hundred

1633

00:54:54,069 --> 00:54:52,720

thousand years ahead of us the tech like

1634

00:54:56,710 --> 00:54:54,079

well we're gonna have it then

1635

00:54:57,430 --> 00:54:56,720

so yeah i always quote um hal put off's

1636

00:55:00,549 --> 00:54:57,440

amazing

1637

00:55:01,990 --> 00:55:00,559

you see a ufo

1638

00:55:04,870 --> 00:55:02,000

on the ground and it's powered up and

1639

00:55:06,710 --> 00:55:04,880

don't run up because people die

1640

00:55:08,230 --> 00:55:06,720

you get your dirt there's fields around

1641

00:55:08,950 --> 00:55:08,240

there there's radiation or whatever you

1642

00:55:10,789 --> 00:55:08,960

want to call it

1643

00:55:12,069 --> 00:55:10,799

yeah right and it happens over and over

1644

00:55:13,990 --> 00:55:12,079

and over again to people

1645

00:55:15,349 --> 00:55:14,000

um even people in the armed forces they

1646

00:55:17,910 --> 00:55:15,359

get they die

1647

00:55:19,430 --> 00:55:17,920

or they get seriously injured so if you

1648

00:55:21,190 --> 00:55:19,440

see something i would say

1649

00:55:22,470 --> 00:55:21,200

move away from it rather than closer to

1650

00:55:26,069 --> 00:55:22,480

it and that's

1651
00:55:28,470 --> 00:55:26,079
great uh information to keep you healthy

1652
00:55:30,309 --> 00:55:28,480
there's tons of these stories that we

1653
00:55:32,230 --> 00:55:30,319
hear about that aren't public

1654
00:55:33,990 --> 00:55:32,240
that of people getting injured and dying

1655
00:55:37,109 --> 00:55:34,000
and i think

1656
00:55:38,390 --> 00:55:37,119
that is another um part of i i would

1657
00:55:39,349 --> 00:55:38,400
really hope that that's in some of these

1658
00:55:40,789 --> 00:55:39,359
briefings

1659
00:55:42,390 --> 00:55:40,799
because we know there was a dirt a

1660
00:55:44,150 --> 00:55:42,400
defense intelligence reference document

1661
00:55:47,510 --> 00:55:44,160
written written by kitt green

1662
00:55:48,150 --> 00:55:47,520
about it and um there's that's kind of

1663
00:55:51,430 --> 00:55:48,160

like another

1664

00:55:53,030 --> 00:55:51,440

dark uh part of uh this whole story that

1665

00:55:55,270 --> 00:55:53,040

people aren't really talking about but

1666

00:55:57,109 --> 00:55:55,280

you know um and whether it's on purpose

1667

00:55:59,829 --> 00:55:57,119

or not maybe it's not on purpose

1668

00:56:01,349 --> 00:55:59,839

i think lou made the analogy of someone

1669

00:56:03,990 --> 00:56:01,359

standing next to

1670

00:56:05,589 --> 00:56:04,000

a plane while it's taking off it's going

1671

00:56:07,109 --> 00:56:05,599

to last your hearing out

1672

00:56:08,950 --> 00:56:07,119

you can get injured in other ways and

1673

00:56:09,589 --> 00:56:08,960

the plane isn't necessarily trying to

1674

00:56:11,910 --> 00:56:09,599

hurt you

1675

00:56:13,190 --> 00:56:11,920

right you're just too close to it he's

1676

00:56:16,390 --> 00:56:13,200

pretty good with the analogies

1677

00:56:18,230 --> 00:56:16,400

oh he's great he's amazing and um

1678

00:56:20,230 --> 00:56:18,240

but that's just another thing you need

1679

00:56:21,990 --> 00:56:20,240

to worry about so if you see something

1680

00:56:23,430 --> 00:56:22,000

i would say leave the area and not go

1681

00:56:26,789 --> 00:56:23,440

closer to it

1682

00:56:28,630 --> 00:56:26,799

all right so don't ask for a ride

1683

00:56:30,309 --> 00:56:28,640

i mean that's the thing i guess if like

1684

00:56:31,589 --> 00:56:30,319

you're already in it and they know

1685

00:56:33,510 --> 00:56:31,599

and you're they're taking you for a ride

1686

00:56:34,309 --> 00:56:33,520

you don't get hurt but if they don't

1687

00:56:35,990 --> 00:56:34,319

know you're there

1688

00:56:38,150 --> 00:56:36,000

or something like that you could be in

1689

00:56:39,349 --> 00:56:38,160

serious trouble like that rental shrimp

1690

00:56:41,670 --> 00:56:39,359

incident

1691

00:56:42,630 --> 00:56:41,680

uh was it colonel hall who put his hand

1692

00:56:53,349 --> 00:56:42,640

over

1693

00:56:57,510 --> 00:56:56,150

well that's that's actually a real thing

1694

00:57:00,150 --> 00:56:57,520

i made the mistake of saying

1695

00:57:01,510 --> 00:57:00,160

it they put that on their workers comp

1696

00:57:03,349 --> 00:57:01,520

the rental stream for us but it's

1697

00:57:05,990 --> 00:57:03,359

something like workers comp except the

1698

00:57:08,069 --> 00:57:06,000

military and it's a lot harder to get

1699

00:57:10,829 --> 00:57:08,079

so that means that something definitely

1700

00:57:13,589 --> 00:57:10,839

happened yeah and john mccain worked to

1701

00:57:15,349 --> 00:57:13,599

yeah if they're what they were doing

1702

00:57:16,789 --> 00:57:15,359

so it's scary and i mean there's other

1703

00:57:19,109 --> 00:57:16,799

things like cash landrum and

1704

00:57:20,549 --> 00:57:19,119

it goes on and on i really am of the

1705

00:57:22,470 --> 00:57:20,559

mind that i believe

1706

00:57:24,390 --> 00:57:22,480

when i talk to people you know we hear

1707

00:57:25,190 --> 00:57:24,400

of one story right and that's public but

1708

00:57:27,829 --> 00:57:25,200

there's

1709

00:57:29,510 --> 00:57:27,839

tons of other stories that are similar

1710

00:57:32,309 --> 00:57:29,520

that we've never heard of

1711

00:57:33,829 --> 00:57:32,319

um there's kolaris island that happened

1712

00:57:36,069 --> 00:57:33,839

in brazil where this

1713

00:57:37,270 --> 00:57:36,079

town was basically under siege and

1714

00:57:39,190 --> 00:57:37,280

that's crazy and

1715

00:57:40,549 --> 00:57:39,200

but i think there's been tons of other

1716

00:57:41,829 --> 00:57:40,559

events like that that we haven't heard

1717

00:57:43,349 --> 00:57:41,839

of and it just goes

1718

00:57:45,109 --> 00:57:43,359

on and on we can be looking at these

1719

00:57:46,549 --> 00:57:45,119

military events currently

1720

00:57:48,710 --> 00:57:46,559

what we're hearing about is probably

1721

00:57:49,750 --> 00:57:48,720

like one percent of what's going on with

1722

00:57:52,710 --> 00:57:49,760

the military

1723

00:57:53,349 --> 00:57:52,720

yeah it's nuts i mean honestly the one

1724

00:57:57,910 --> 00:57:53,359

video

1725

00:58:00,950 --> 00:57:57,920

good

1726

00:58:02,150 --> 00:58:00,960

for you know cell phone stuff but i

1727

00:58:03,990 --> 00:58:02,160

wouldn't even think of

1728

00:58:05,589 --> 00:58:04,000

i didn't even think of reporting it to

1729

00:58:07,190 --> 00:58:05,599

anyone you know what i mean like how

1730

00:58:08,789 --> 00:58:07,200

many other people do that

1731

00:58:10,710 --> 00:58:08,799

where they see something or experience

1732

00:58:12,950 --> 00:58:10,720

something and reporting it

1733

00:58:14,309 --> 00:58:12,960

to the police doesn't even come to mind

1734

00:58:15,990 --> 00:58:14,319

because what i think is like well what

1735

00:58:18,069 --> 00:58:16,000

are they going to do

1736

00:58:19,510 --> 00:58:18,079

yeah now you can put it on youtube or

1737

00:58:22,789 --> 00:58:19,520

something um that's

1738

00:58:25,670 --> 00:58:22,799

unfortunate because with cg and cgi

1739

00:58:26,309 --> 00:58:25,680

all this stuff we never know what's real

1740

00:58:30,150 --> 00:58:26,319

what

1741

00:58:32,630 --> 00:58:30,160

does happen is if someone reports a ufo

1742

00:58:33,829 --> 00:58:32,640

uh incident and they have a video or

1743

00:58:35,030 --> 00:58:33,839

something like that even if they don't

1744

00:58:37,190 --> 00:58:35,040

have a video

1745

00:58:39,109 --> 00:58:37,200

some of these government agencies go in

1746

00:58:40,309 --> 00:58:39,119

and they'll look at the youtube uh or

1747

00:58:43,109 --> 00:58:40,319

whatever it is

1748

00:58:45,109 --> 00:58:43,119

and then they'll look at infrastructure

1749

00:58:48,309 --> 00:58:45,119

in the area

1750

00:58:49,910 --> 00:58:48,319

um so if there's like a camera

1751
00:58:51,510 --> 00:58:49,920
on a building that was in the area

1752
00:58:53,510 --> 00:58:51,520
they'll go access that camera

1753
00:58:54,789 --> 00:58:53,520
and try to verify it so that's it's

1754
00:58:55,829 --> 00:58:54,799
crazy but

1755
00:58:58,309 --> 00:58:55,839
of course they don't share that with

1756
00:58:58,630 --> 00:58:58,319
people yeah and would you report that to

1757
00:59:01,589 --> 00:58:58,640
the

1758
00:59:02,710 --> 00:59:01,599
police department or move on yeah maybe

1759
00:59:03,990 --> 00:59:02,720
you know it would be nice if people

1760
00:59:05,589 --> 00:59:04,000
started taking it more seriously

1761
00:59:07,510 --> 00:59:05,599
but you know the police get all these

1762
00:59:09,109 --> 00:59:07,520
ufo reports and i guess they

1763
00:59:10,710 --> 00:59:09,119

don't do much about it that's what's

1764

00:59:12,710 --> 00:59:10,720

really cool too is when um the police

1765

00:59:14,390 --> 00:59:12,720

themselves are reporting uh

1766

00:59:16,309 --> 00:59:14,400

seeing the ufo or something like this

1767

00:59:18,309 --> 00:59:16,319

yeah well there was that one guy in new

1768

00:59:19,430 --> 00:59:18,319

mexico too that famous one where he saw

1769

00:59:21,510 --> 00:59:19,440

the alien

1770

00:59:22,470 --> 00:59:21,520

yeah i forgot what his name was but that

1771

00:59:24,549 --> 00:59:22,480

was in

1772

00:59:25,990 --> 00:59:24,559

was that no phenomenon too i think that

1773

00:59:29,510 --> 00:59:26,000

story i can't remember

1774

00:59:32,390 --> 00:59:29,520

yeah i'm terrible with that stuff

1775

00:59:34,230 --> 00:59:32,400

but uh yeah if for anyone wondering how

1776

00:59:36,870 --> 00:59:34,240

i got him on the show i went to the

1777

00:59:37,990 --> 00:59:36,880

observation deck dressed in a cowboy hat

1778

00:59:39,430 --> 00:59:38,000

and a bolo tie

1779

00:59:42,870 --> 00:59:39,440

walked right up to him and said you're

1780

00:59:46,470 --> 00:59:44,549

that was fun being in that virtual world

1781

00:59:49,030 --> 00:59:46,480

man it was

1782

00:59:50,150 --> 00:59:49,040

yeah it was interesting what do you even

1783

00:59:52,950 --> 00:59:50,160

enjoy most about

1784

00:59:53,829 --> 00:59:52,960

observation deck um you know i'm just

1785

00:59:57,030 --> 00:59:53,839

happy that

1786

01:00:00,710 --> 00:59:57,040

richard dolan invited us um to do that

1787

01:00:02,710 --> 01:00:00,720

we don't get invited a lot to these uh

1788

01:00:04,230 --> 01:00:02,720

these things and you know all these

1789

01:00:06,309 --> 01:00:04,240

other guys are doing it

1790

01:00:07,910 --> 01:00:06,319

it's kind of like they want a lot of the

1791

01:00:11,349 --> 01:00:07,920

older researchers or

1792

01:00:15,270 --> 01:00:11,359

just not necessarily us to do it and

1793

01:00:19,030 --> 01:00:15,280

dolin invited myself ufo joe

1794

01:00:20,870 --> 01:00:19,040

james ian doley and project unity to go

1795

01:00:23,430 --> 01:00:20,880

and it was really nice of him to do that

1796

01:00:25,190 --> 01:00:23,440

to give us that look and we want to do

1797

01:00:25,829 --> 01:00:25,200

more of these and then speak at more of

1798

01:00:28,549 --> 01:00:25,839

them

1799

01:00:29,670 --> 01:00:28,559

yeah so it was just an honor for richard

1800

01:00:32,150 --> 01:00:29,680

dolan to

1801

01:00:33,510 --> 01:00:32,160

invite us it was really cool and it was

1802

01:00:36,230 --> 01:00:33,520

only virtual

1803

01:00:37,430 --> 01:00:36,240

um but uh you know people might be in

1804

01:00:40,549 --> 01:00:37,440

trouble if they get us

1805

01:00:43,990 --> 01:00:40,559

talking more and it's not the same

1806

01:00:47,349 --> 01:00:45,510

but and we have a lot of great

1807

01:00:50,309 --> 01:00:47,359

information if not better

1808

01:00:51,270 --> 01:00:50,319

than a lot of the older uh guys at the

1809

01:00:52,710 --> 01:00:51,280

conferences because they're not

1810

01:00:54,230 --> 01:00:52,720

following a lot of the new stuff

1811

01:00:55,990 --> 01:00:54,240

and the new stuff is what a lot of

1812

01:00:57,430 --> 01:00:56,000

people want to hear about i mean that's

1813

01:01:00,069 --> 01:00:57,440

this is what's changing everything is

1814

01:01:01,109 --> 01:01:00,079

elizondo and all these other guys

1815

01:01:02,390 --> 01:01:01,119

but you know people are always

1816

01:01:03,750 --> 01:01:02,400

interested in other things too and i'm

1817

01:01:06,870 --> 01:01:03,760

not knocking that

1818

01:01:09,349 --> 01:01:06,880

if they want to talk about you know

1819

01:01:11,190 --> 01:01:09,359

their abduction experiences from you

1820

01:01:12,150 --> 01:01:11,200

know 30 years ago or whatever too that's

1821

01:01:14,309 --> 01:01:12,160

interesting

1822

01:01:16,710 --> 01:01:14,319

um i have spoken at some local events

1823

01:01:18,069 --> 01:01:16,720

here but i haven't ever gone to like any

1824

01:01:20,470 --> 01:01:18,079

big conference so this was kind of like

1825

01:01:21,510 --> 01:01:20,480

our first uh conference even though it

1826
01:01:24,630 --> 01:01:21,520
was virtual

1827
01:01:25,910 --> 01:01:24,640
but it was cool yeah it was fun man yeah

1828
01:01:26,789 --> 01:01:25,920
it's really fun i mean it was no

1829
01:01:28,950 --> 01:01:26,799
different than

1830
01:01:30,390 --> 01:01:28,960
really our conversation right now we're

1831
01:01:33,190 --> 01:01:30,400
having it was just another um

1832
01:01:33,990 --> 01:01:33,200
panel discussion but uh it's cool man

1833
01:01:35,670 --> 01:01:34,000
and um

1834
01:01:37,030 --> 01:01:35,680
it's extra fun when it's in real life

1835
01:01:39,589 --> 01:01:37,040
and you get to meet people

1836
01:01:41,510 --> 01:01:39,599
yeah i've never done that people and uh

1837
01:01:42,789 --> 01:01:41,520
i've talked a few of them locally in

1838
01:01:44,150 --> 01:01:42,799

dallas and uh

1839

01:01:46,230 --> 01:01:44,160

it's cool to actually meet people in the

1840

01:01:49,510 --> 01:01:46,240

real world not on social media

1841

01:01:51,910 --> 01:01:49,520

and it's just fun to interact yeah

1842

01:01:52,950 --> 01:01:51,920

i can't wait to go to a real life ufo

1843

01:01:55,670 --> 01:01:52,960

conference for sure

1844

01:01:57,349 --> 01:01:55,680

because like i said yeah i just started

1845

01:02:00,069 --> 01:01:57,359

you know the kovitz stuff i actually

1846

01:02:02,150 --> 01:02:00,079

had a album i made a vinyl for the first

1847

01:02:05,190 --> 01:02:02,160

time for my music project and everything

1848

01:02:08,470 --> 01:02:05,200

i had all this promo set up and radio

1849

01:02:11,589 --> 01:02:08,480

stuff and uh shows and all this and

1850

01:02:12,230 --> 01:02:11,599

yeah then covet hit in march my release

1851
01:02:15,270 --> 01:02:12,240
show is like

1852
01:02:17,109 --> 01:02:15,280
april 16th yeah jim linneman

1853
01:02:19,430 --> 01:02:17,119
yep son of a [h__h] he tried everything

1854
01:02:21,109 --> 01:02:19,440
he could do but we couldn't do it the

1855
01:02:22,309 --> 01:02:21,119
conference is um i have mixed feelings

1856
01:02:23,510 --> 01:02:22,319
about some of the conferences because

1857
01:02:25,829 --> 01:02:23,520
you go there and

1858
01:02:26,710 --> 01:02:25,839
some of the information is so bad and so

1859
01:02:28,390 --> 01:02:26,720
corny

1860
01:02:30,069 --> 01:02:28,400
and really we're trying oh yeah i mean

1861
01:02:31,109 --> 01:02:30,079
there'll be people dressed up as aliens

1862
01:02:33,029 --> 01:02:31,119
walking around

1863
01:02:34,470 --> 01:02:33,039

let's put our own together yeah it's

1864

01:02:37,829 --> 01:02:34,480

kind of like a

1865

01:02:39,190 --> 01:02:37,839

situation um

1866

01:02:40,470 --> 01:02:39,200

but you know that's how people are

1867

01:02:41,910 --> 01:02:40,480

having fun and i don't want to knock

1868

01:02:43,430 --> 01:02:41,920

people for having fun

1869

01:02:44,950 --> 01:02:43,440

but we're trying to be you know stay

1870

01:02:47,670 --> 01:02:44,960

credible and do

1871

01:02:48,870 --> 01:02:47,680

uh and have credible information yeah um

1872

01:02:50,470 --> 01:02:48,880

and then you'll go to some of these

1873

01:02:52,470 --> 01:02:50,480

conferences and it's like

1874

01:02:53,670 --> 01:02:52,480

everything new age in the world is

1875

01:02:56,710 --> 01:02:53,680

included

1876

01:02:57,670 --> 01:02:56,720

and um just all kinds of wildlife

1877

01:02:59,589 --> 01:02:57,680

speakers

1878

01:03:06,069 --> 01:02:59,599

that have people wiping their asses with

1879

01:03:10,789 --> 01:03:09,109

to me it's somewhat exploitative but i

1880

01:03:12,950 --> 01:03:10,799

don't know it's kind of what we have to

1881

01:03:13,829 --> 01:03:12,960

deal with and the more credible the

1882

01:03:17,029 --> 01:03:13,839

conference can be

1883

01:03:18,150 --> 01:03:17,039

i think the better and if you look at

1884

01:03:20,230 --> 01:03:18,160

what richard dolan did on the

1885

01:03:21,109 --> 01:03:20,240

observation deck it was us for our young

1886

01:03:24,069 --> 01:03:21,119

guns

1887

01:03:24,470 --> 01:03:24,079

and richard dolan who's very credible

1888

01:03:26,789 --> 01:03:24,480

yeah

1889

01:03:28,470 --> 01:03:26,799

and lou elizondo so there was like no

1890

01:03:30,950 --> 01:03:28,480

weirdness at all on that one

1891

01:03:31,829 --> 01:03:30,960

yeah yeah and everything has its place

1892

01:03:32,789 --> 01:03:31,839

right

1893

01:03:34,630 --> 01:03:32,799

everything has this place i'm not

1894

01:03:36,069 --> 01:03:34,640

telling people to not have fun or not

1895

01:03:37,990 --> 01:03:36,079

listen to that stuff but we are trying

1896

01:03:39,829 --> 01:03:38,000

to stay credible these would public

1897

01:03:41,270 --> 01:03:39,839

i guess i could say that this is ufo

1898

01:03:42,390 --> 01:03:41,280

community stuff so it can get a little

1899

01:03:44,789 --> 01:03:42,400

more wild and

1900

01:03:47,670 --> 01:03:44,799

crazy but uh i mean some of these

1901

01:03:50,950 --> 01:03:47,680

conferences they have like a booth where

1902

01:03:53,190 --> 01:03:50,960

they hook you up to a um electronic

1903

01:03:54,789 --> 01:03:53,200

device and it reads your alien implant

1904

01:03:56,309 --> 01:03:54,799

for you

1905

01:03:58,150 --> 01:03:56,319

i mean it's just crazy stuff that makes

1906

01:03:59,750 --> 01:03:58,160

no sense and uh

1907

01:04:01,349 --> 01:03:59,760

i don't know what does it tell you if

1908

01:04:04,470 --> 01:04:01,359

you don't have one i don't know

1909

01:04:07,349 --> 01:04:04,480

i don't know no it's uh

1910

01:04:08,870 --> 01:04:07,359

no implant detected i don't know if that

1911

01:04:10,230 --> 01:04:08,880

hurts the subject overall i would say

1912

01:04:12,710 --> 01:04:10,240

maybe probably

1913

01:04:14,309 --> 01:04:12,720

yeah it's it's like what you were saying

1914

01:04:16,470 --> 01:04:14,319

earlier it's like once we get

1915

01:04:18,150 --> 01:04:16,480

data and get things confirmed and

1916

01:04:20,309 --> 01:04:18,160

settled up that way then we can

1917

01:04:22,950 --> 01:04:20,319

you know it'll be more okay to go into

1918

01:04:26,309 --> 01:04:22,960

those other areas like consciousness and

1919

01:04:28,710 --> 01:04:26,319

you know and i'd just say to ridiculous

1920

01:04:29,829 --> 01:04:28,720

i just i don't think that there's a um

1921

01:04:32,549 --> 01:04:29,839

uh some

1922

01:04:33,829 --> 01:04:32,559

some kind of a electronic device you can

1923

01:04:35,750 --> 01:04:33,839

place over an implant

1924

01:04:37,109 --> 01:04:35,760

right ridiculous and that's probably

1925

01:04:38,309 --> 01:04:37,119

exploiting people for their money

1926

01:04:39,109 --> 01:04:38,319

because they have to pay for this kind

1927

01:04:41,349 --> 01:04:39,119

of thing

1928

01:04:42,230 --> 01:04:41,359

but yeah i'm not i'm not just uh i'm not

1929

01:04:44,230 --> 01:04:42,240

crapping on uh

1930

01:04:45,750 --> 01:04:44,240

alien implants those could be very real

1931

01:04:46,549 --> 01:04:45,760

well you know it depends is there a

1932

01:04:48,470 --> 01:04:46,559

disclaimer

1933

01:04:49,670 --> 01:04:48,480

you know 50 50 will give you the right

1934

01:04:53,029 --> 01:04:49,680

answer or

1935

01:04:55,510 --> 01:04:53,039

if they say 100 this is right give me 20

1936

01:04:56,069 --> 01:04:55,520

and unfortunately um people with mental

1937

01:04:58,870 --> 01:04:56,079

issues

1938

01:05:00,549 --> 01:04:58,880

are drawn to the ufo subject it's a fact

1939

01:05:02,230 --> 01:05:00,559

yeah so if someone

1940

01:05:03,829 --> 01:05:02,240

is having these mental issues they think

1941

01:05:05,190 --> 01:05:03,839

they have an alien whether they

1942

01:05:06,789 --> 01:05:05,200

are not terrible yeah and they're

1943

01:05:08,150 --> 01:05:06,799

getting exploited for their money so

1944

01:05:10,870 --> 01:05:08,160

it's weird

1945

01:05:11,589 --> 01:05:10,880

it's a it's a fine line when money is

1946

01:05:15,029 --> 01:05:11,599

involved

1947

01:05:17,029 --> 01:05:15,039

in like a cause you know yeah

1948

01:05:18,309 --> 01:05:17,039

and it gets to a point where it turns a

1949

01:05:20,390 --> 01:05:18,319

cause into

1950

01:05:21,670 --> 01:05:20,400

an entertainment business for sure yeah

1951

01:05:21,990 --> 01:05:21,680

and i'm not saying people shouldn't make

1952

01:05:24,309 --> 01:05:22,000

money

1953

01:05:25,430 --> 01:05:24,319

but you know you have to it is it's a

1954

01:05:28,230 --> 01:05:25,440

fine line but if

1955

01:05:29,829 --> 01:05:28,240

anyone making money on ufo subjects i'm

1956

01:05:33,270 --> 01:05:29,839

not knocking them if they're doing it

1957

01:05:35,750 --> 01:05:33,280

respective respectfully and honestly

1958

01:05:37,589 --> 01:05:35,760

so yeah it's intent right yeah you

1959

01:05:39,109 --> 01:05:37,599

intend to take the money or do good work

1960

01:05:40,870 --> 01:05:39,119

yeah you put in really really hard work

1961

01:05:44,390 --> 01:05:40,880

into this and people do deserve to be

1962

01:05:48,549 --> 01:05:44,400

compensated for it yeah but as musicians

1963

01:05:52,789 --> 01:05:51,349

all right brother i hedge you for a hour

1964

01:05:55,109 --> 01:05:52,799

i really appreciate it

1965

01:05:57,109 --> 01:05:55,119

yeah man i had a great talk with you it

1966

01:06:01,910 --> 01:05:57,119

was really fun i hope you'll come back

1967

01:06:03,750 --> 01:06:01,920

sure so um yes stay in touch

1968

01:06:05,990 --> 01:06:03,760

anything you want to say or talk about

1969

01:06:07,750 --> 01:06:06,000

before we wrap up so you know they can

1970

01:06:11,750 --> 01:06:07,760

always check out my uh

1971

01:06:13,990 --> 01:06:11,760

website silverrecord.comrecord.com and

1972

01:06:15,510 --> 01:06:14,000

then i'm heavy on twitter and uh

1973

01:06:17,589 --> 01:06:15,520

instagram too and some of these other

1974

01:06:17,990 --> 01:06:17,599

places so just uh if they want to hear

1975

01:06:19,910 --> 01:06:18,000

from me

1976

01:06:21,750 --> 01:06:19,920

on a daily basis you probably need to go

1977

01:06:22,549 --> 01:06:21,760

to twitter but thanks so much for having

1978

01:06:25,109 --> 01:06:22,559

me appreciate it

1979

01:06:26,549 --> 01:06:25,119

yeah no problem it's my pleasure man um

1980

01:06:28,069 --> 01:06:26,559

yeah with that have a great day and

1981

01:06:28,950 --> 01:06:28,079

let's stay in touch can't wait to talk

1982

01:06:32,549 --> 01:06:28,960

to you again man

1983

01:06:33,349 --> 01:06:32,559

thanks for all peace all right that was

1984

01:06:35,910 --> 01:06:33,359

a great time

1985

01:06:36,549 --> 01:06:35,920

uh if you want to go to any of his

1986

01:06:39,029 --> 01:06:36,559

websites

1987

01:06:40,549 --> 01:06:39,039

and stuff i put it in the description of

1988

01:06:43,990 --> 01:06:40,559

the video here

1989

01:06:45,190 --> 01:06:44,000

so it's link tree and and uh twitter and

1990

01:06:48,710 --> 01:06:45,200

all that stuff and

1991

01:06:51,190 --> 01:06:48,720

silver record so um

1992

01:06:53,910 --> 01:06:51,200

yeah that guy's a ufo twitter godfather

1993

01:06:56,950 --> 01:06:53,920

maybe he won't take the credit

1994

01:06:57,910 --> 01:06:56,960

but but he is so oh thanks erica i

1995

01:07:00,710 --> 01:06:57,920

really appreciate it

1996

01:07:01,430 --> 01:07:00,720

thanks for coming and hanging out and

1997

01:07:04,710 --> 01:07:01,440

listening

1998

01:07:10,069 --> 01:07:04,720

i do appreciate it um

1999

01:07:13,589 --> 01:07:12,309

i'm gonna try to take my mind off it for

2000

01:07:15,190 --> 01:07:13,599

the weekend

2001

01:07:17,510 --> 01:07:15,200

i don't know if i'll have a choice i get

2002

01:07:21,029 --> 01:07:17,520

my second uh vaccine shot

2003

01:07:23,109 --> 01:07:21,039

after this so i know some people

2004

01:07:25,190 --> 01:07:23,119

kind of like almost die for a little bit

2005

01:07:28,950 --> 01:07:25,200

afterwards

2006

01:07:32,150 --> 01:07:28,960

so we'll see what happens um

2007

01:07:35,910 --> 01:07:32,160

but yeah so i'm gonna go do that

2008

01:07:38,230 --> 01:07:35,920

and you guys have a great weekend

2009

01:07:39,430 --> 01:07:38,240

and as long as everything goes well i'll

2010

01:07:42,950 --> 01:07:39,440

see you monday

2011

01:07:48,309 --> 01:07:42,960

at one o'clock central standard time

2012

01:07:52,390 --> 01:07:51,750

um by the way uh like my page share my

2013

01:07:55,910 --> 01:07:52,400

youtube

2014

01:07:56,630 --> 01:07:55,920

subscribe do all that stuff um so i can

2015

01:07:59,750 --> 01:07:56,640

continue

2016

01:08:02,069 --> 01:07:59,760

to do this and bring on wonderful guests

2017

01:08:03,430 --> 01:08:02,079

and have a positive impact in this

2018

01:08:05,910 --> 01:08:03,440

community

2019

01:08:08,069 --> 01:08:05,920
