OBTAINED

1
00:00:09,360 --> 00:00:20,310
i'm witness citizen

2
00:00:33,200 --> 00:00:31,109
witness citizens

3
00:00:58,549 --> 00:00:33,210
witness citizen

4
00:00:58,559 --> 00:01:03,189
what's up everybody

5
00:01:07,350 --> 00:01:06,070
thanks for joining me on this beautiful

6
00:01:10,710 --> 00:01:07,360
thursday

7
00:01:14,310 --> 00:01:10,720
at one o'clock central time

8
00:01:15,990 --> 00:01:14,320
might not be central time for you but

9
00:01:17,429 --> 00:01:16,000
i hope everybody's doing good if there's

10
00:01:18,469 --> 00:01:17,439
something that you want to talk about in

11
00:01:21,510 --> 00:01:18,479
particular

12
00:01:24,830 --> 00:01:21,520
uh you just let me know

13
00:01:27,590 --> 00:01:24,840

um and we can try to work on that stuff

14

00:01:32,069 --> 00:01:27,600

together um

15

00:01:35,429 --> 00:01:32,079

but otherwise what's up steve

16

00:01:38,830 --> 00:01:35,439

how you doing bro greg

17

00:01:41,429 --> 00:01:38,840

dude how's it hanging it's good to see

18

00:01:44,550 --> 00:01:41,439

you

19

00:01:46,230 --> 00:01:44,560

daddy nice thanks for joining us man uh

20

00:01:47,910 --> 00:01:46,240

6 out of 10 but would like to know more

21

00:01:49,749 --> 00:01:47,920

about it uh

22

00:01:51,670 --> 00:01:49,759

yeah i don't know that's that's a really

23

00:01:55,270 --> 00:01:51,680

hard story to find stuff about

24

00:01:58,310 --> 00:01:55,280

um i do try to work on that a little bit

25

00:02:00,469 --> 00:01:58,320

and you know but it's just real it's

26

00:02:02,230 --> 00:02:00,479

yeah it's a tough one and you can

27

00:02:03,670 --> 00:02:02,240

obviously find documents all over the

28

00:02:06,709 --> 00:02:03,680

place but we know

29

00:02:09,990 --> 00:02:06,719

that those have been debunked a lot

30

00:02:13,670 --> 00:02:10,000

so yo b 32 94

31

00:02:18,070 --> 00:02:13,680

49 64 24. thanks for coming

32

00:02:21,270 --> 00:02:18,080

yo and we got an alpha

33

00:02:24,630 --> 00:02:21,280

of a 1 8 hello eight

34

00:02:27,190 --> 00:02:24,640

evening time in sweden oh

35

00:02:29,910 --> 00:02:27,200

i'd love to be in sweden right now

36

00:02:32,949 --> 00:02:29,920

where's the super chat button

37

00:02:34,550 --> 00:02:32,959

i don't have a super chat button

38

00:02:36,229 --> 00:02:34,560

i think you need like a thousand

39

00:02:39,750 --> 00:02:36,239

subscribers or something

40

00:02:41,030 --> 00:02:39,760

and i'm at i don't know maybe 300

41

00:02:42,710 --> 00:02:41,040

something so

42

00:02:44,309 --> 00:02:42,720

if you want to pay money to ask me a

43

00:02:47,350 --> 00:02:44,319

question

44

00:02:49,830 --> 00:02:47,360

make sure you're subscribed um

45

00:02:51,430 --> 00:02:49,840

i'll gladly take it although you know

46

00:02:54,630 --> 00:02:51,440

you can take advantage of the time right

47

00:02:58,229 --> 00:02:54,640

now and just ask me for free

48

00:02:58,790 --> 00:02:58,239

um but yeah so i appreciate you guys

49

00:03:01,350 --> 00:02:58,800

joining

50

00:03:03,190 --> 00:03:01,360

yesterday i took off i was on ucr

51
00:03:06,390 --> 00:03:03,200
unidentified celebrity

52
00:03:07,589 --> 00:03:06,400
review um which was a lot of fun i had

53
00:03:10,070 --> 00:03:07,599
so much fun

54
00:03:12,149 --> 00:03:10,080
um i love those guys over there and to

55
00:03:16,309 --> 00:03:12,159
be honest i've wanted to be on that show

56
00:03:18,229 --> 00:03:16,319
since i met them at the big phone home

57
00:03:19,990 --> 00:03:18,239
so it was really cool to see all those

58
00:03:23,030 --> 00:03:20,000
things come together

59
00:03:25,430 --> 00:03:23,040
so yeah there you go steve yeah just

60
00:03:27,509 --> 00:03:25,440
make the email accounts

61
00:03:30,949 --> 00:03:27,519
you know i can only do so much i'm

62
00:03:32,630 --> 00:03:30,959
studying and all that stuff working

63
00:03:34,149 --> 00:03:32,640

you know what i haven't watched it yet

64

00:03:37,350 --> 00:03:34,159

i'm gonna watch it tonight

65

00:03:39,509 --> 00:03:37,360

um it's longs

66

00:03:41,990 --> 00:03:39,519

and i want to uh you know give it the

67

00:03:46,229 --> 00:03:42,000

dedicated time it deserves

68

00:03:47,990 --> 00:03:46,239

um unabated and concentrated

69

00:03:49,990 --> 00:03:48,000

so i won't really have any comments on

70

00:03:51,670 --> 00:03:50,000

that yet because i want to be educated

71

00:03:53,670 --> 00:03:51,680

first

72

00:03:55,429 --> 00:03:53,680

unidentified celebrity reviews in the

73

00:03:57,429 --> 00:03:55,439

house

74

00:03:58,949 --> 00:03:57,439

what's up dude yeah i had a blast dude

75

00:04:01,990 --> 00:03:58,959

that was just um

76

00:04:02,869 --> 00:04:02,000

it was a lot of fun just a lot of fun we

77

00:04:05,270 --> 00:04:02,879

laughed

78

00:04:06,789 --> 00:04:05,280

i did an impression of lou elizondo

79

00:04:10,869 --> 00:04:06,799

which was pretty good

80

00:04:13,670 --> 00:04:10,879

it i can recreate it it was uh

81

00:04:16,710 --> 00:04:13,680

maybe maybe it's in the spaces the

82

00:04:18,629 --> 00:04:16,720

in-between spaces

83

00:04:20,870 --> 00:04:18,639

something like that you know it doesn't

84

00:04:24,230 --> 00:04:20,880

really sound like them but it is still

85

00:04:26,710 --> 00:04:24,240

kind of creepy funny i guess

86

00:04:27,430 --> 00:04:26,720

it was 30 commercials but i still loved

87

00:04:31,189 --> 00:04:27,440

it yeah

88

00:04:33,909 --> 00:04:31,199

well you know that's how it's gonna be

89

00:04:35,350 --> 00:04:33,919

um you know like sports games are

90

00:04:38,390 --> 00:04:35,360

getting really bad these days

91

00:04:41,430 --> 00:04:38,400

especially like football i do watch

92

00:04:42,310 --> 00:04:41,440

and um it's like it's almost like they

93

00:04:44,950 --> 00:04:42,320

throw those

94

00:04:48,710 --> 00:04:44,960

extra penalties in there so they can

95

00:04:51,990 --> 00:04:48,720

have another reason to go to commercial

96

00:04:53,430 --> 00:04:52,000

you know it's like oh my god it gets so

97

00:04:54,950 --> 00:04:53,440

hard to watch sometimes

98

00:04:57,350 --> 00:04:54,960

in like the last two minutes of a

99

00:05:01,270 --> 00:04:57,360

basketball game where they're just like

100

00:05:05,350 --> 00:05:01,280

fouling each other on purpose um

101
00:05:10,310 --> 00:05:05,360
and it takes maybe 45 minutes to finish

102
00:05:11,350 --> 00:05:10,320
you know um so yeah but today what i was

103
00:05:14,150 --> 00:05:11,360
gonna do

104
00:05:18,390 --> 00:05:14,160
is um i thought about this a little bit

105
00:05:21,990 --> 00:05:21,350
it's like i'm always researching and

106
00:05:26,310 --> 00:05:22,000
trying to

107
00:05:28,629 --> 00:05:26,320
find um just relevant documents but

108
00:05:29,430 --> 00:05:28,639
you know i'll be the first one to tell

109
00:05:32,950 --> 00:05:29,440
you

110
00:05:33,670 --> 00:05:32,960
that it takes a long time and a lot of

111
00:05:36,710 --> 00:05:33,680
work

112
00:05:41,830 --> 00:05:36,720
to find things that are even

113
00:05:44,950 --> 00:05:43,590

josh b have you reviewed the emerald

114

00:05:48,310 --> 00:05:44,960

wilson document

115

00:05:51,590 --> 00:05:48,320

if so what are your thoughts um yeah

116

00:05:53,350 --> 00:05:51,600

uh definitely um i do have thoughts i

117

00:05:57,110 --> 00:05:53,360

went over them in a couple

118

00:06:00,950 --> 00:05:59,830

which is to me they're it's an

119

00:06:03,990 --> 00:06:00,960

interesting insight

120

00:06:05,430 --> 00:06:04,000

that i came up with um that many others

121

00:06:06,950 --> 00:06:05,440

could have as well but i just haven't

122

00:06:09,189 --> 00:06:06,960

found that online

123

00:06:11,189 --> 00:06:09,199

so i'm pretty sure it's new to most

124

00:06:18,390 --> 00:06:11,199

people

125

00:06:21,749 --> 00:06:19,830

you can go down to a certain phrase

126

00:06:25,670 --> 00:06:21,759

which is called the watch committee

127

00:06:28,070 --> 00:06:25,680

um or gatekeepers right

128

00:06:29,110 --> 00:06:28,080

so you i haven't really heard of the

129

00:06:30,950 --> 00:06:29,120

watch committee

130

00:06:32,870 --> 00:06:30,960

i don't think anyone else has really

131

00:06:34,309 --> 00:06:32,880

looked into it other than speculated

132

00:06:36,230 --> 00:06:34,319

what it is without

133

00:06:37,830 --> 00:06:36,240

actually looking into the watch

134

00:06:39,749 --> 00:06:37,840

committee um

135

00:06:42,469 --> 00:06:39,759

i even asked george nappies never heard

136

00:06:45,590 --> 00:06:42,479

of it and the watch committee

137

00:06:48,950 --> 00:06:45,600

does exist most definitely

138

00:06:51,350 --> 00:06:48,960

and i have documents to prove that

139

00:06:53,510 --> 00:06:51,360

now what i can't prove is that they have

140

00:06:57,909 --> 00:06:53,520

any direct relation

141

00:07:00,950 --> 00:06:57,919

um you know to gatekeepers

142

00:07:04,469 --> 00:07:00,960

and extraterrestrials or or ships

143

00:07:07,350 --> 00:07:04,479

or spaceships or whatever

144

00:07:08,150 --> 00:07:07,360

i find a lot of documents on them but

145

00:07:10,550 --> 00:07:08,160

not that

146

00:07:11,830 --> 00:07:10,560

and what they are is basically a

147

00:07:15,029 --> 00:07:11,840

representative of

148

00:07:17,830 --> 00:07:15,039

every agency military agency

149

00:07:18,629 --> 00:07:17,840

and their goal was to be the first of to

150

00:07:21,909 --> 00:07:18,639

know of a

151
00:07:25,110 --> 00:07:21,919
imminent attack so they got all the

152
00:07:26,230 --> 00:07:25,120
necessary intelligence uh before anyone

153
00:07:28,710 --> 00:07:26,240
else did

154
00:07:30,550 --> 00:07:28,720
this watch committee that's mentioned in

155
00:07:34,469 --> 00:07:30,560
the admiral stuff

156
00:07:34,950 --> 00:07:34,479
um so there were things that they could

157
00:07:37,350 --> 00:07:34,960
do

158
00:07:40,469 --> 00:07:37,360
as far as holding intel from other

159
00:07:40,479 --> 00:07:45,990
if it suited their mission so

160
00:07:51,430 --> 00:07:48,550
you know there's hints that they would

161
00:07:54,150 --> 00:07:51,440
be able to be that group

162
00:07:55,589 --> 00:07:54,160
but there's nothing definitive my

163
00:07:56,950 --> 00:07:55,599

argument is

164

00:07:59,189 --> 00:07:56,960

no one's really heard of the watch

165

00:08:02,309 --> 00:07:59,199

committee and

166

00:08:05,670 --> 00:08:02,319

it's in these notes so

167

00:08:09,029 --> 00:08:05,680

my perspective is whoever wrote those

168

00:08:10,950 --> 00:08:09,039

must have some knowledge of

169

00:08:13,589 --> 00:08:10,960

you know what it is inside the

170

00:08:20,710 --> 00:08:13,599

government

171

00:08:24,070 --> 00:08:22,550

and those notes i i don't know the date

172

00:08:26,550 --> 00:08:24,080

of when those came out but

173

00:08:29,990 --> 00:08:26,560

uh it's pretty clear it was you know a

174

00:08:35,029 --> 00:08:33,029

so someone must have inside knowledge

175

00:08:36,310 --> 00:08:35,039

and history of that inside knowledge

176

00:08:38,709 --> 00:08:36,320

because i don't believe

177

00:08:39,350 --> 00:08:38,719

it is the watch committee anymore i

178

00:08:41,350 --> 00:08:39,360

think

179

00:08:42,550 --> 00:08:41,360

you know whatever it is they change

180

00:08:45,030 --> 00:08:42,560

names or whatever

181

00:08:47,030 --> 00:08:45,040

like these agencies do in the government

182

00:08:49,350 --> 00:08:47,040

quite often

183

00:08:50,389 --> 00:08:49,360

um you know and that could be to keep

184

00:08:53,030 --> 00:08:50,399

them off your tail

185

00:08:53,829 --> 00:08:53,040

i don't know um like the video i posted

186

00:08:56,550 --> 00:08:53,839

today

187

00:08:57,190 --> 00:08:56,560

on my twitter where it took us from

188

00:09:00,230 --> 00:08:57,200

attic

189

00:09:03,269 --> 00:09:00,240

all the way to uh national air

190

00:09:05,990 --> 00:09:03,279

in space something intelligent it's

191

00:09:10,310 --> 00:09:06,000

really hard to keep up with those

192

00:09:14,230 --> 00:09:10,320

attic started in 47

193

00:09:17,350 --> 00:09:14,240

and project blue book and grudge uh all

194

00:09:20,630 --> 00:09:17,360

ran their they were cover projects

195

00:09:24,070 --> 00:09:20,640

and they were ran through attic which

196

00:09:25,430 --> 00:09:24,080

ran through like 61. so

197

00:09:28,150 --> 00:09:25,440

if you're gonna look into cases and

198

00:09:31,910 --> 00:09:28,160

stuff don't bother searching bluebook

199

00:09:33,750 --> 00:09:31,920

or grudge search attic atic because

200

00:09:36,230 --> 00:09:33,760

that's a catch-all it's gonna be a

201
00:09:39,220 --> 00:09:36,240
catch-all for all of those

202
00:09:41,670 --> 00:09:39,230
so it's pretty cool um

203
00:09:43,990 --> 00:09:41,680
[Music]

204
00:09:46,470 --> 00:09:44,000
you know in the reason i don't know why

205
00:09:48,949 --> 00:09:46,480
i put that together no one else

206
00:09:50,310 --> 00:09:48,959
i can say it's probably because of fresh

207
00:09:53,350 --> 00:09:50,320
perspective

208
00:09:54,389 --> 00:09:53,360
i haven't been you know just doing this

209
00:09:59,509 --> 00:09:54,399
for so long

210
00:10:01,509 --> 00:09:59,519
and kind of just i'm looking at it

211
00:10:04,389 --> 00:10:01,519
without any bias as well i'm just going

212
00:10:06,949 --> 00:10:04,399
into it and trying to put dots together

213
00:10:08,310 --> 00:10:06,959

and i don't listen to a whole lot of or

214

00:10:11,110 --> 00:10:08,320

read books

215

00:10:11,829 --> 00:10:11,120

on documents and all that kind of stuff

216

00:10:13,670 --> 00:10:11,839

which

217

00:10:15,750 --> 00:10:13,680

would be helpful to know if they're you

218

00:10:17,269 --> 00:10:15,760

know new or not but i definitely

219

00:10:18,870 --> 00:10:17,279

look into it afterwards if i find

220

00:10:20,389 --> 00:10:18,880

something important

221

00:10:22,470 --> 00:10:20,399

but i think that fresh perspective

222

00:10:23,670 --> 00:10:22,480

allows me to put maybe pieces and points

223

00:10:26,069 --> 00:10:23,680

and dots together

224

00:10:26,790 --> 00:10:26,079

that other people may not have for

225

00:10:29,190 --> 00:10:26,800

instance

226

00:10:30,470 --> 00:10:29,200

once you take it up from grudge and blue

227

00:10:31,990 --> 00:10:30,480

book can go on

228

00:10:33,910 --> 00:10:32,000

hey thanks healing girl thanks for

229

00:10:35,829 --> 00:10:33,920

coming um

230

00:10:37,750 --> 00:10:35,839

you're kind of on that mentality already

231

00:10:40,310 --> 00:10:37,760

so everything after that is going to be

232

00:10:43,829 --> 00:10:40,320

focused on those project names

233

00:10:46,230 --> 00:10:43,839

you know and we're so far past that

234

00:10:47,910 --> 00:10:46,240

like to go backwards and try to figure

235

00:10:51,430 --> 00:10:47,920

something else out then

236

00:10:55,110 --> 00:10:51,440

i don't think anyone may do anymore

237

00:10:57,990 --> 00:10:55,120

um when i research something i gotta

238

00:10:59,190 --> 00:10:58,000

start at the beginning right figure out

239

00:11:01,269 --> 00:10:59,200

what the government was like at the

240

00:11:03,910 --> 00:11:01,279

beginning what organizations did they

241

00:11:07,430 --> 00:11:03,920

have what did the documents look like

242

00:11:10,550 --> 00:11:07,440

um what acronyms are being used

243

00:11:12,310 --> 00:11:10,560

you know and the attic one what's up

244

00:11:15,269 --> 00:11:12,320

gandalf

245

00:11:17,590 --> 00:11:15,279

how you doing buddy um the attic one

246

00:11:19,910 --> 00:11:17,600

actually started at black vault

247

00:11:21,829 --> 00:11:19,920

of a document i found there and then i

248

00:11:24,389 --> 00:11:21,839

took an acronym that acronym

249

00:11:25,829 --> 00:11:24,399

and just searched a lot and i found

250

00:11:28,949 --> 00:11:25,839

things in the cia

251
00:11:32,389 --> 00:11:28,959
foia reading room lots of stuff uh found

252
00:11:34,790 --> 00:11:32,399
lots of stuff on this clifford stones

253
00:11:37,750 --> 00:11:34,800
website where he puts all where he put

254
00:11:39,509 --> 00:11:37,760
all his documents before he passed away

255
00:11:42,310 --> 00:11:39,519
a lot of people don't like him because

256
00:11:45,430 --> 00:11:42,320
he's was the type to say 53

257
00:11:46,470 --> 00:11:45,440
extra terrestrials and he was pretty

258
00:11:48,790 --> 00:11:46,480
adamant about it

259
00:11:50,629 --> 00:11:48,800
for sure i saw one like speech where he

260
00:11:53,829 --> 00:11:50,639
was like

261
00:11:56,629 --> 00:11:53,839
pissed off saying it

262
00:11:57,829 --> 00:11:56,639
you know and i don't i can't believe

263
00:12:01,670 --> 00:11:57,839

that

264

00:12:05,269 --> 00:12:01,680

having

265

00:12:08,310 --> 00:12:05,279

any proof but what he did do is he foied

266

00:12:11,030 --> 00:12:08,320

a lot and he learned

267

00:12:12,280 --> 00:12:11,040

how to get the correct documents via

268

00:12:13,829 --> 00:12:12,290

foia

269

00:12:17,509 --> 00:12:13,839

[Music]

270

00:12:21,829 --> 00:12:17,519

and from what departments and

271

00:12:25,110 --> 00:12:21,839

so he figured out that in the 50s

272

00:12:30,150 --> 00:12:25,120

a tick atic so he figured it out i guess

273

00:12:33,670 --> 00:12:30,160

really or o and osi

274

00:12:36,389 --> 00:12:33,680

have all these individual reports

275

00:12:36,949 --> 00:12:36,399

of pilots military people civilian

276

00:12:41,110 --> 00:12:36,959

people

277

00:12:43,110 --> 00:12:41,120

reporting unidentified flying objects

278

00:12:44,310 --> 00:12:43,120

so the whole time like blue book and all

279

00:12:45,829 --> 00:12:44,320

that stuff goes

280

00:12:48,150 --> 00:12:45,839

goes on and they have their little

281

00:12:52,069 --> 00:12:48,160

reports there's so many more

282

00:12:55,670 --> 00:12:52,079

interim internal reports from attic to

283

00:12:58,710 --> 00:12:55,680

the you know department of defense

284

00:13:02,389 --> 00:12:58,720

or um you know

285

00:13:05,750 --> 00:13:02,399

dni like all those places so

286

00:13:09,030 --> 00:13:05,760

and what they're doing is you know

287

00:13:11,190 --> 00:13:09,040

they're the lead on it even the the

288

00:13:13,190 --> 00:13:11,200

sheets where they have to write their

289

00:13:15,350 --> 00:13:13,200

reports on it the air you know it

290

00:13:17,750 --> 00:13:15,360

has their name up there and everything

291

00:13:21,910 --> 00:13:17,760

so it's important stuff

292

00:13:24,949 --> 00:13:21,920

um and then what happened with attic

293

00:13:27,350 --> 00:13:24,959

you know that in the 60s 68

294

00:13:28,230 --> 00:13:27,360

it was attic that actually turned into

295

00:13:31,350 --> 00:13:28,240

something called the

296

00:13:35,110 --> 00:13:31,360

aerial phenomenon office

297

00:13:36,870 --> 00:13:35,120

look it up it's real and that started

298

00:13:40,870 --> 00:13:36,880

with attic

299

00:13:43,189 --> 00:13:40,880

uh before that was a i a

300

00:13:45,509 --> 00:13:43,199

air intelligence agency i found some

301
00:13:48,710 --> 00:13:45,519
documents already with that

302
00:13:51,750 --> 00:13:48,720
accurate um

303
00:13:54,949 --> 00:13:51,760
so it was pretty interesting and um

304
00:13:59,030 --> 00:13:54,959
so basically it morphed into what is now

305
00:14:02,310 --> 00:13:59,040
i can say uh

306
00:14:05,829 --> 00:14:02,320
space force

307
00:14:09,590 --> 00:14:05,839
national n-a-i-s-c

308
00:14:11,509 --> 00:14:09,600
i think it is so

309
00:14:14,069 --> 00:14:11,519
and it's still at wright patterson so

310
00:14:17,670 --> 00:14:14,079
it's it started at right path

311
00:14:20,389 --> 00:14:17,680
and it's still that right pat

312
00:14:23,590 --> 00:14:20,399
yeah i got a lot of secrets they got a

313
00:14:27,590 --> 00:14:23,600

lot of secrets up in there

314

00:14:31,030 --> 00:14:27,600

um it's not two t's though one t

315

00:14:34,629 --> 00:14:31,040

i've actually so i've actually seen one

316

00:14:38,310 --> 00:14:34,639

story online that mentioned attic

317

00:14:40,069 --> 00:14:38,320

and it was about leon davidson

318

00:14:42,710 --> 00:14:40,079

which is the document i found on

319

00:14:43,350 --> 00:14:42,720

blackfold and they mention attic right

320

00:14:45,750 --> 00:14:43,360

in there

321

00:14:50,069 --> 00:14:45,760

they have no idea what it means they

322

00:14:50,079 --> 00:14:54,790

and they have no clue what attic even is

323

00:14:59,189 --> 00:14:57,750

and the story that they wrote shows that

324

00:15:00,310 --> 00:14:59,199

because if you didn't know what it is

325

00:15:03,030 --> 00:15:00,320

you could look it up

326

00:15:04,310 --> 00:15:03,040

and find even more pieces of that leon

327

00:15:08,550 --> 00:15:04,320

davidson story

328

00:15:08,560 --> 00:15:14,470

very humble mellow refreshing yeah

329

00:15:18,230 --> 00:15:17,110

yeah totally i'm trying to just be

330

00:15:21,590 --> 00:15:18,240

honest

331

00:15:23,670 --> 00:15:21,600

um i'll let you know that i'm trying

332

00:15:25,189 --> 00:15:23,680

but i'm gonna need help you know i'm not

333

00:15:28,389 --> 00:15:25,199

gonna be able to do it

334

00:15:28,710 --> 00:15:28,399

uh all by myself so because all this

335

00:15:30,629 --> 00:15:28,720

stuff

336

00:15:32,230 --> 00:15:30,639

takes so much time so all these things

337

00:15:35,189 --> 00:15:32,240

i'm finding could be

338

00:15:37,030 --> 00:15:35,199

especially i mean what i've told you is

339

00:15:39,910 --> 00:15:37,040

i'll stand by that i'll back it

340

00:15:41,430 --> 00:15:39,920

for sure i'm not an idiot and i put a

341

00:15:44,470 --> 00:15:41,440

lot of time to do it

342

00:15:45,910 --> 00:15:44,480

um but like stuff like i found today

343

00:15:48,790 --> 00:15:45,920

that i want to show you like

344

00:15:50,629 --> 00:15:48,800

that there could be pretty relevant

345

00:15:53,030 --> 00:15:50,639

stuff in there

346

00:15:53,829 --> 00:15:53,040

but i'm not i won't necessarily know all

347

00:15:57,350 --> 00:15:53,839

of that

348

00:16:00,150 --> 00:15:57,360

because i haven't

349

00:16:01,350 --> 00:16:00,160

been here doing this for many years you

350

00:16:05,749 --> 00:16:01,360

know

351
00:16:09,670 --> 00:16:05,759
so um you want to see some of this stuff

352
00:16:12,150 --> 00:16:09,680
first one is

353
00:16:13,350 --> 00:16:12,160
pretty intense we'll start with the

354
00:16:16,790 --> 00:16:13,360
psychological

355
00:16:24,629 --> 00:16:20,150
which um if you want to look up that

356
00:16:29,269 --> 00:16:24,639
the acronym for it is pws

357
00:16:35,990 --> 00:16:32,550
so you can find stuff on that and

358
00:16:38,949 --> 00:16:36,000
i will kind of show you what i found

359
00:16:40,069 --> 00:16:38,959
and it's not gonna necessarily mean

360
00:16:43,350 --> 00:16:40,079
anything

361
00:16:46,710 --> 00:16:43,360
um but it definitely definitely is

362
00:16:46,720 --> 00:16:58,150
so here we go i'll share with you guys

363
00:17:06,230 --> 00:17:02,870

make that bigger here and

364

00:17:14,470 --> 00:17:06,240

even a little bigger [h__\h]

365

00:17:21,669 --> 00:17:18,390

all right

366

00:17:24,949 --> 00:17:21,679

so let's go to the top here we

367

00:17:30,390 --> 00:17:24,959

get a review of s a

368

00:17:34,110 --> 00:17:32,870

pertaining to psychological warfare

369

00:17:38,150 --> 00:17:34,120

supplement

370

00:17:40,070 --> 00:17:38,160

304-15 to determine the minimum

371

00:17:42,630 --> 00:17:40,080

technical assistance necessary to

372

00:17:49,110 --> 00:17:42,640

further planning of a national

373

00:17:49,120 --> 00:17:55,190

this yeah april 7th 1948

374

00:17:58,630 --> 00:17:57,669

it was concluded that the state so

375

00:18:01,669 --> 00:17:58,640

that's what the

376

00:18:02,390 --> 00:18:01,679

the essay says whatever it stands for i

377

00:18:04,150 --> 00:18:02,400

think

378

00:18:06,070 --> 00:18:04,160

state army navy and air force

379

00:18:07,190 --> 00:18:06,080

departments should each nominate a

380

00:18:13,350 --> 00:18:07,200

suitable

381

00:18:17,350 --> 00:18:16,310

so that's pretty interesting so what

382

00:18:19,640 --> 00:18:17,360

they related to

383

00:18:20,789 --> 00:18:19,650

is um

384

00:18:23,430 --> 00:18:20,799

[Music]

385

00:18:26,830 --> 00:18:23,440

to be taken in the field of overt

386

00:18:28,789 --> 00:18:26,840

psychological warfare in the event of

387

00:18:31,350 --> 00:18:28,799

war

388

00:18:33,110 --> 00:18:31,360

so that's pretty interesting what do you

389

00:18:38,150 --> 00:18:33,120

think

390

00:18:47,510 --> 00:18:42,789

you tell me

391

00:18:50,789 --> 00:18:47,520

keeper or dawson keeper dawson

392

00:18:54,470 --> 00:18:50,799

let's try this one's

393

00:18:57,510 --> 00:18:56,470

you guys mind that music i was playing

394

00:19:00,549 --> 00:18:57,520

at the uh

395

00:19:02,230 --> 00:19:00,559

start is it isn't it nicer to have that

396

00:19:03,590 --> 00:19:02,240

background or is it better to just have

397

00:19:10,870 --> 00:19:03,600

like a

398

00:19:19,669 --> 00:19:10,880

quiet background you tell me

399

00:19:24,070 --> 00:19:22,310

report by the state army navy air force

400

00:19:27,350 --> 00:19:24,080

coordinating subcommittee for special

401
00:19:29,510 --> 00:19:27,360
studies and evaluations the problem

402
00:19:31,270 --> 00:19:29,520
to define initial emergency action to be

403
00:19:34,070 --> 00:19:31,280
taken in the field of overt

404
00:19:34,470 --> 00:19:34,080
psychological warfare in the event of

405
00:19:44,230 --> 00:19:34,480
war

406
00:19:52,310 --> 00:19:48,230
experiencing the problem national plans

407
00:19:54,870 --> 00:19:52,320
so here is your acronym here pwc

408
00:20:01,430 --> 00:19:54,880
talking about transitioning it from more

409
00:20:08,789 --> 00:20:06,310
i know

410
00:20:10,470 --> 00:20:08,799
one of these is pretty i forget which

411
00:20:12,630 --> 00:20:10,480
one one of these is pretty interesting

412
00:20:19,350 --> 00:20:12,640
where it talks about

413
00:20:24,870 --> 00:20:22,070

like movies and public appearances and

414

00:20:32,310 --> 00:20:27,190

i'm trying to find that but that'll be

415

00:20:32,320 --> 00:20:36,549

got some new comments and check it out

416

00:20:41,590 --> 00:20:38,870

i'm looping your intro music in my head

417

00:20:43,029 --> 00:20:41,600

without knowing it

418

00:20:44,630 --> 00:20:43,039

could just be an effort to coordinate

419

00:20:47,270 --> 00:20:44,640

propaganda and messaging between

420

00:20:50,789 --> 00:20:47,280

departments

421

00:20:53,590 --> 00:20:50,799

yeah i think so um i guess

422

00:20:56,710 --> 00:20:53,600

why this is interesting to me is if

423

00:21:00,710 --> 00:20:56,720

there was gonna be some sort of

424

00:21:02,630 --> 00:21:00,720

um like psyop or something

425

00:21:04,070 --> 00:21:02,640

look at this substitute the attach which

426

00:21:06,310 --> 00:21:04,080

i don't think

427

00:21:09,110 --> 00:21:06,320

there is definitely misinformation

428

00:21:12,230 --> 00:21:09,120

people out there

429

00:21:12,950 --> 00:21:12,240

right now and somehow we got to figure

430

00:21:16,310 --> 00:21:12,960

out who those

431

00:21:19,110 --> 00:21:16,320

are right get them out of here

432

00:21:21,350 --> 00:21:19,120

this one says hey burn it burn the pages

433

00:21:25,110 --> 00:21:21,360

[Laughter]

434

00:21:28,470 --> 00:21:25,120

so that's pretty interesting for sure

435

00:21:32,789 --> 00:21:28,480

um i will show you oh all right now

436

00:21:33,430 --> 00:21:32,799

this is toggling music volumes for

437

00:21:38,630 --> 00:21:33,440

background

438

00:21:42,830 --> 00:21:40,149

experiments and what are the boundaries

439

00:21:45,110 --> 00:21:42,840

to it like harm levels yeah

440

00:21:47,270 --> 00:21:45,120

they're that's something

441

00:21:48,149 --> 00:21:47,280

i would probably find if we decide i

442

00:21:51,750 --> 00:21:48,159

should keep it

443

00:21:56,070 --> 00:21:51,760

look

444

00:22:01,990 --> 00:21:56,080

find more stuff

445

00:22:05,590 --> 00:22:04,789

that is the point and i think that would

446

00:22:09,190 --> 00:22:05,600

be really

447

00:22:12,470 --> 00:22:09,200

neat if we work together on stuff

448

00:22:16,630 --> 00:22:12,480

um that's up to you okay so that's

449

00:22:18,710 --> 00:22:16,640

enough of that keep it that's shady

450

00:22:19,830 --> 00:22:18,720

that's what i think okay i have a couple

451

00:22:23,830 --> 00:22:19,840

more too so

452

00:22:25,990 --> 00:22:23,840

i'll read over them like this is one

453

00:22:27,909 --> 00:22:26,000

it's my nighttime reading you can't see

454

00:22:30,870 --> 00:22:27,919

that

455

00:22:32,549 --> 00:22:30,880

but uh yeah so because the more you know

456

00:22:34,070 --> 00:22:32,559

about that stuff the more you'll be able

457

00:22:36,549 --> 00:22:34,080

to identify it right

458

00:22:37,590 --> 00:22:36,559

that's what i think so yesterday i

459

00:22:41,430 --> 00:22:37,600

actually said

460

00:22:44,470 --> 00:22:41,440

that um atik turned into

461

00:22:47,909 --> 00:22:44,480

ftd foreign technology division

462

00:22:51,510 --> 00:22:47,919

and i'm going to show you right now

463

00:22:54,549 --> 00:22:51,520

why that is important

464

00:22:57,590 --> 00:22:54,559

and it's a pretty interesting

465

00:23:00,470 --> 00:22:57,600

document you're gonna like this one for

466

00:23:05,590 --> 00:23:03,029

so let me get it up this is off the

467

00:23:07,350 --> 00:23:05,600

psychological warfare aspect i do have

468

00:23:08,950 --> 00:23:07,360

a few more documents on that but this

469

00:23:13,750 --> 00:23:08,960

one popped up and i think we should just

470

00:23:18,630 --> 00:23:16,789

pretty pretty pretty good so some of you

471

00:23:23,669 --> 00:23:18,640

may have heard of uh

472

00:23:25,669 --> 00:23:23,679

werner von braun

473

00:23:27,270 --> 00:23:25,679

it's unfortunate because this is the

474

00:23:32,630 --> 00:23:27,280

only document in there

475

00:23:42,549 --> 00:23:36,710

but is there anything in here

476
00:23:48,390 --> 00:23:46,870
yeah um

477
00:23:50,149 --> 00:23:48,400
look at this warns and advanced

478
00:23:53,350 --> 00:23:50,159
propulsion concepts

479
00:23:58,470 --> 00:23:53,360
project outgrowth

480
00:24:02,830 --> 00:24:00,310
not pay-per-clip homie this one's

481
00:24:05,909 --> 00:24:02,840
project outgrowth

482
00:24:08,710 --> 00:24:05,919
um and here you can see

483
00:24:09,350 --> 00:24:08,720
so why ftd is important that was a tick

484
00:24:12,630 --> 00:24:09,360
right

485
00:24:20,870 --> 00:24:12,640
the

486
00:24:23,990 --> 00:24:20,880
referred to ftd

487
00:24:25,350 --> 00:24:24,000
foreign technology division advanced

488
00:24:28,710 --> 00:24:25,360

propulsion concepts

489

00:24:31,350 --> 00:24:28,720

project outgrowth um

490

00:24:32,789 --> 00:24:31,360

i do want to show this to rather be

491

00:24:35,350 --> 00:24:32,799

squidding

492

00:24:36,549 --> 00:24:35,360

because i think he knows a decent amount

493

00:24:39,990 --> 00:24:36,559

about this

494

00:24:46,070 --> 00:24:43,830

and the warns part what is that

495

00:24:47,669 --> 00:24:46,080

man i wish there was more pages to that

496

00:24:56,390 --> 00:24:47,679

one

497

00:25:04,870 --> 00:25:00,549

yeah it's also iffy i know

498

00:25:07,510 --> 00:25:04,880

it's it's all if that's why it's like

499

00:25:09,590 --> 00:25:07,520

stuff could be something could not be

500

00:25:12,950 --> 00:25:09,600

something you know

501
00:25:15,510 --> 00:25:12,960
um but it's definitely interesting

502
00:25:16,070 --> 00:25:15,520
so what do you think should i keep the

503
00:25:22,390 --> 00:25:16,080
that one

504
00:25:26,630 --> 00:25:23,830
i would say that's probably a good one

505
00:25:30,950 --> 00:25:28,630
and i think there's already a lot out

506
00:25:33,590 --> 00:25:30,960
there that i could catch up on quick

507
00:25:34,630 --> 00:25:33,600
before i go diving in for more so that's

508
00:25:37,669 --> 00:25:34,640
good

509
00:25:41,350 --> 00:25:37,679
um let's

510
00:25:44,950 --> 00:25:41,360
now this one is just completely

511
00:25:46,870 --> 00:25:44,960
weird and

512
00:25:48,710 --> 00:25:46,880
i don't think it's really relative maybe

513
00:25:51,990 --> 00:25:48,720

to any of this but

514

00:25:53,750 --> 00:25:52,000

it could be oh

515

00:25:55,590 --> 00:25:53,760

internet ufo database yeah thanks for

516

00:25:58,710 --> 00:25:55,600

hanging out man um

517

00:26:00,789 --> 00:25:58,720

yeah witness citizen dot com

518

00:26:02,390 --> 00:26:00,799

keep them all bro if they're verified

519

00:26:03,750 --> 00:26:02,400

post them all or do a story with john

520

00:26:07,190 --> 00:26:03,760

greenwald yeah he won't

521

00:26:10,789 --> 00:26:07,200

return my messages but um

522

00:26:14,870 --> 00:26:10,799

i'll put him up there for sure

523

00:26:16,710 --> 00:26:14,880

and what was i going to do

524

00:26:22,830 --> 00:26:16,720

i forgot oh yeah i was going to post my

525

00:26:25,990 --> 00:26:25,669

citizen.com there you go so some are up

526
00:26:29,029 --> 00:26:26,000
there

527
00:26:33,110 --> 00:26:29,039
just got them today

528
00:26:34,710 --> 00:26:33,120
so um but i can easily put them up there

529
00:26:37,350 --> 00:26:34,720
i've been

530
00:26:38,149 --> 00:26:37,360
some that i get are doc most of them are

531
00:26:40,230 --> 00:26:38,159
like actually

532
00:26:43,590 --> 00:26:40,240
pdfs and i'm trying to figure out a way

533
00:26:49,750 --> 00:26:47,430
pdfs to a website that works

534
00:26:51,190 --> 00:26:49,760
um the last time i did a google drive

535
00:26:54,149 --> 00:26:51,200
folder

536
00:26:55,510 --> 00:26:54,159
i just put the link in there and you

537
00:26:57,029 --> 00:26:55,520
know anyone with the link can go in

538
00:26:58,390 --> 00:26:57,039

there and look at it and download them

539

00:27:01,750 --> 00:26:58,400

or whatever

540

00:27:03,430 --> 00:27:01,760

so i haven't got any

541

00:27:06,390 --> 00:27:03,440

complaints but i don't know if anyone

542

00:27:09,990 --> 00:27:06,400

tried it so

543

00:27:11,669 --> 00:27:10,000

steve k ooh steve k for the win boom

544

00:27:13,830 --> 00:27:11,679

all right sounds good keeping it all

545

00:27:17,190 --> 00:27:13,840

right now this one you might

546

00:27:21,750 --> 00:27:17,200

this this one is

547

00:27:25,830 --> 00:27:21,760

intense okay again not necessarily sure

548

00:27:30,149 --> 00:27:29,029

and you're gonna see why i think this is

549

00:27:33,269 --> 00:27:30,159

intense okay

550

00:27:36,870 --> 00:27:33,279

ambassador jerusalem

551
00:27:40,310 --> 00:27:38,789
judea tents in the wake of sped of

552
00:27:44,070 --> 00:27:40,320
rumors in

553
00:27:46,230 --> 00:27:44,080
importance three what this is crazy

554
00:27:47,269 --> 00:27:46,240
three wise men reportedly arrived

555
00:27:50,310 --> 00:27:47,279
recently on

556
00:27:53,269 --> 00:27:50,320
diplomatic passports as afro-asian

557
00:27:53,909 --> 00:27:53,279
cultural mission said they're searching

558
00:27:57,110 --> 00:27:53,919
for

559
00:27:59,269 --> 00:27:57,120
quote king of kings unquote

560
00:28:00,389 --> 00:27:59,279
herod at first flattered thinking they

561
00:28:02,070 --> 00:28:00,399
meant him

562
00:28:03,590 --> 00:28:02,080
but now alarmed when their abrupt

563
00:28:06,630 --> 00:28:03,600

disappearance indicated

564

00:28:08,470 --> 00:28:06,640

they did not here's their abrupt

565

00:28:10,470 --> 00:28:08,480

disappearance like what the heck

566

00:28:13,450 --> 00:28:10,480

oh thanks rodrigo that means you must

567

00:28:14,830 --> 00:28:13,460

have tried it and it was all good

568

00:28:16,630 --> 00:28:14,840

[Music]

569

00:28:19,430 --> 00:28:16,640

um

570

00:28:20,310 --> 00:28:19,440

yeah i guess i should probably put this

571

00:28:22,230 --> 00:28:20,320

stuff up there

572

00:28:24,149 --> 00:28:22,240

google drive is working fast so people

573

00:28:27,669 --> 00:28:24,159

know what i'm talking about i guess

574

00:28:29,029 --> 00:28:27,679

um yeah but this is how i ran into

575

00:28:32,950 --> 00:28:29,039

because i wasn't searching for three

576

00:28:36,870 --> 00:28:35,190

but they like disappeared it's crazy

577

00:28:40,470 --> 00:28:36,880

more recently a bright star

578

00:28:43,990 --> 00:28:40,480

appeared in east in general direction

579

00:28:47,269 --> 00:28:44,000

bethlehem science and air

580

00:28:48,710 --> 00:28:47,279

uh attaches frankly baffled by this

581

00:28:51,190 --> 00:28:48,720

phenomenon

582

00:28:53,350 --> 00:28:51,200

star reportedly has odd effect on

583

00:28:55,990 --> 00:28:53,360

observers

584

00:28:57,350 --> 00:28:56,000

filling them with sense of joy and

585

00:29:01,510 --> 00:28:57,360

optimism

586

00:29:05,830 --> 00:29:01,520

what suggests nasa and smithsonian

587

00:29:05,840 --> 00:29:10,630

what is that

588

00:29:15,350 --> 00:29:13,110

three wise men were they wise men or

589

00:29:19,590 --> 00:29:15,360

were they like

590

00:29:23,590 --> 00:29:19,600

were they aliens i don't know

591

00:29:24,830 --> 00:29:23,600

i don't know and the star had an effect

592

00:29:28,389 --> 00:29:24,840

like that on them

593

00:29:31,990 --> 00:29:28,399

weird i mean this one's just

594

00:29:33,990 --> 00:29:32,000

totally out there but it's that's why i

595

00:29:35,669 --> 00:29:34,000

kind of downloaded it confused reports

596

00:29:37,430 --> 00:29:35,679

from bethlehem itself suggest

597

00:29:39,590 --> 00:29:37,440

important if unclear developments their

598

00:29:44,310 --> 00:29:39,600

city jammed by influx of persons to pay

599

00:29:48,789 --> 00:29:47,029

wild reports received here of angles

600

00:29:51,590 --> 00:29:48,799

bending it near the earth

601
00:29:56,149 --> 00:29:51,600
and appearing to shepherds keeping

602
00:30:00,710 --> 00:29:58,710
what appears to be either quote peace on

603
00:30:04,230 --> 00:30:00,720
earth good will to men unquote

604
00:30:08,470 --> 00:30:04,240
or quote peace on earth two men

605
00:30:11,830 --> 00:30:08,480
of goodwill mrs

606
00:30:14,950 --> 00:30:11,840
of message from quote angels unquote

607
00:30:18,549 --> 00:30:14,960
obviously different in two cases but

608
00:30:22,710 --> 00:30:18,559
either way it may if true

609
00:30:26,950 --> 00:30:22,720
be of some unknown significance

610
00:30:32,310 --> 00:30:30,630
that's a crazy story i didn't even read

611
00:30:35,430 --> 00:30:32,320
it fully until

612
00:30:43,190 --> 00:30:35,440
until i put it on your no that's crazy

613
00:30:46,789 --> 00:30:45,750

well doesn't seem like it did a whole

614

00:30:52,669 --> 00:30:46,799

lot of good so

615

00:30:52,679 --> 00:30:56,950

okay

616

00:30:56,960 --> 00:31:00,789

christian fearborn

617

00:31:07,830 --> 00:31:05,350

oh god all right i can't i shouldn't

618

00:31:09,190 --> 00:31:07,840

i shouldn't repeat every uh chat message

619

00:31:12,710 --> 00:31:09,200

i hear

620

00:31:18,950 --> 00:31:12,720

hey delete the name at the bottom yeah

621

00:31:21,430 --> 00:31:18,960

that's what it was h-e-d-l-e-y

622

00:31:22,310 --> 00:31:21,440

um i think that is that a keeper that's

623

00:31:24,470 --> 00:31:22,320

another keyboard

624

00:31:26,070 --> 00:31:24,480

are these all keepers angel means

625

00:31:29,830 --> 00:31:26,080

messenger so that's it

626

00:31:33,269 --> 00:31:29,840

sentence made sense yeah

627

00:31:36,710 --> 00:31:33,279

it almost seems like could it be

628

00:31:43,509 --> 00:31:39,669

like maybe that's like a code they were

629

00:31:47,430 --> 00:31:46,630

maybe because it's just kind of bizarre

630

00:31:50,470 --> 00:31:47,440

it's kind of funny

631

00:31:52,310 --> 00:31:50,480

they're like uh 2012

632

00:31:59,190 --> 00:31:52,320

all right i'll bring this back up hold

633

00:31:59,200 --> 00:32:05,590

we have december 1966.

634

00:32:05,600 --> 00:32:11,990

secret jerusalem 6633

635

00:32:19,509 --> 00:32:15,909

judea unrest challenges herod

636

00:32:24,110 --> 00:32:19,519

herod government h-e-r-e-n is written by

637

00:32:28,549 --> 00:32:24,120

hedley h-e-d-l-e-y

638

00:32:30,070 --> 00:32:28,559

h-e-d-l-e-y i can maybe see who that is

639

00:32:35,750 --> 00:32:30,080

the whole text sounds like a code it

640

00:32:35,760 --> 00:32:44,470

yeah even if it is it's cool

641

00:32:48,630 --> 00:32:47,990

uh the doc was declassified and approved

642

00:32:51,909 --> 00:32:48,640

for

643

00:32:55,190 --> 00:32:51,919

release in 2012.

644

00:32:57,430 --> 00:32:55,200

yeah it happened in 66

645

00:32:58,230 --> 00:32:57,440

that's way past the eight-year mark

646

00:32:59,750 --> 00:32:58,240

isn't it

647

00:33:01,750 --> 00:32:59,760

i don't know i thought there was like a

648

00:33:05,830 --> 00:33:01,760

eight year something

649

00:33:08,950 --> 00:33:05,840

i don't know crazy

650

00:33:10,950 --> 00:33:08,960

right it happened

651
00:33:12,310 --> 00:33:10,960
and then doc was too so wow i'm gonna

652
00:33:14,710 --> 00:33:12,320
look into that more

653
00:33:18,310 --> 00:33:14,720
that's pretty cool oh six six three

654
00:33:18,320 --> 00:33:26,269
steve k for the win now that guy's smart

655
00:33:26,279 --> 00:33:30,870
666.

656
00:33:34,710 --> 00:33:32,630
uh well it's funny that you say that

657
00:33:37,990 --> 00:33:34,720
because the three wise men

658
00:33:43,269 --> 00:33:38,000
that came that they mentioned

659
00:33:49,750 --> 00:33:46,549
year i was born oh boy

660
00:33:53,029 --> 00:33:49,760
so what does that mean an angel

661
00:33:56,630 --> 00:33:53,039
night i wish i was no i would

662
00:33:58,549 --> 00:33:56,640
wish i was born in the 50s

663
00:33:59,830 --> 00:33:58,559

actually the 40s would be cool i just

664

00:34:02,149 --> 00:33:59,840

love that stuff

665

00:34:06,070 --> 00:34:02,159

you've been to los alamos a bunch cool

666

00:34:12,149 --> 00:34:06,080

have you been like inside it

667

00:34:19,669 --> 00:34:15,589

so the lost alamo stuff so this one is

668

00:34:23,430 --> 00:34:21,909

not the lab but lots of friends who okay

669

00:34:26,629 --> 00:34:23,440

gotcha

670

00:34:27,349 --> 00:34:26,639

um so this document i'm going to show

671

00:34:30,470 --> 00:34:27,359

you

672

00:34:33,430 --> 00:34:30,480

is a perfect example of i need

673

00:34:34,149 --> 00:34:33,440

help with this one because it's a

674

00:34:39,589 --> 00:34:34,159

general

675

00:34:43,909 --> 00:34:41,990

designed at los alamos during the time

676

00:34:46,629 --> 00:34:43,919

that bob lazar worked there

677

00:34:48,550 --> 00:34:46,639

and it's full of a bunch of stuff that i

678

00:34:51,669 --> 00:34:48,560

don't really understand

679

00:34:52,629 --> 00:34:51,679

and maybe one of you guys do um one

680

00:34:55,109 --> 00:34:52,639

thing that i

681

00:34:56,950 --> 00:34:55,119

learned here which i didn't know is that

682

00:34:59,750 --> 00:34:56,960

uh

683

00:35:03,270 --> 00:34:59,760

the los alamos national laboratory is

684

00:35:07,990 --> 00:35:03,280

operated by the university of california

685

00:35:17,109 --> 00:35:12,470

so maybe that would be a place to check

686

00:35:21,190 --> 00:35:17,119

like for past stuff okay

687

00:35:25,829 --> 00:35:23,829

um and that's so you'll see right here

688

00:35:27,910 --> 00:35:25,839

los alamos national laboratory which is

689

00:35:29,990 --> 00:35:27,920

operated by the university of california

690

00:35:35,349 --> 00:35:30,000

for the u.s department of

691

00:35:40,710 --> 00:35:35,359

energy heard a lot about that haven't we

692

00:35:44,069 --> 00:35:43,190

this is the stuff i have no idea what

693

00:35:46,630 --> 00:35:44,079

this is

694

00:35:48,230 --> 00:35:46,640

but if anyone knows if any of this would

695

00:35:51,910 --> 00:35:48,240

pertain

696

00:35:54,950 --> 00:35:51,920

toward like what bob lazar was

697

00:35:56,150 --> 00:35:54,960

saying he worked on we could have

698

00:36:00,150 --> 00:35:56,160

something

699

00:36:02,390 --> 00:36:00,160

but if this is all just like

700

00:36:04,150 --> 00:36:02,400

jargon that's pretty typical and i just

701
00:36:05,670 --> 00:36:04,160
don't understand it

702
00:36:09,190 --> 00:36:05,680
that's why i'm sharing it maybe somebody

703
00:36:14,870 --> 00:36:11,270
conversion of refract i mean there's a

704
00:36:22,230 --> 00:36:19,140
crazy but i mean like input siemens

705
00:36:25,030 --> 00:36:22,240
[Laughter]

706
00:36:26,550 --> 00:36:25,040
yeah that's on your calculate molecular

707
00:36:32,150 --> 00:36:26,560
geometry

708
00:36:37,430 --> 00:36:35,990
incident spectra thermal motion analysis

709
00:36:44,630 --> 00:36:37,440
if anything's ringing a bell with

710
00:36:47,829 --> 00:36:47,510
just a nice index manual i say thingy

711
00:36:50,069 --> 00:36:47,839
need

712
00:36:51,030 --> 00:36:50,079
expert nerds in this or spend hours in

713
00:36:57,430 --> 00:36:51,040

wikipedia

714

00:37:04,230 --> 00:37:02,230

so this is the experiment selection

715

00:37:11,270 --> 00:37:04,240

i'll go through this a little bit on my

716

00:37:11,280 --> 00:37:16,470

sexp

717

00:37:20,069 --> 00:37:19,270

uh atom insertion and structure

718

00:37:29,829 --> 00:37:20,079

refinement

719

00:37:29,839 --> 00:37:33,750

i should get george knapp on the phone

720

00:37:40,069 --> 00:37:37,030

if you would talk to me peak

721

00:37:44,790 --> 00:37:40,079

profile peak shape function neutron time

722

00:37:53,430 --> 00:37:46,630

interim conclusion are usually my first

723

00:37:56,870 --> 00:37:55,750

atom data file well you know that's what

724

00:38:01,270 --> 00:37:56,880

they worked on there

725

00:38:08,630 --> 00:38:04,870

it's pretty yeah it's like

726

00:38:09,910 --> 00:38:08,640

introduction i i think i did try to read

727

00:38:13,829 --> 00:38:09,920

this but i

728

00:38:17,109 --> 00:38:16,150

for the processing and analysis of both

729

00:38:20,069 --> 00:38:17,119

single crystal

730

00:38:21,750 --> 00:38:20,079

and powder diffraction data obtained

731

00:38:23,910 --> 00:38:21,760

with x-rays or

732

00:38:25,910 --> 00:38:23,920

neutrons it's capable of handling all

733

00:38:29,190 --> 00:38:25,920

these types of data sometimes for

734

00:38:30,870 --> 00:38:29,200

a given structural problem

735

00:38:37,109 --> 00:38:30,880

i don't know and this is just like one

736

00:38:37,119 --> 00:38:40,550

who knows i don't

737

00:38:43,990 --> 00:38:42,870

uh what i'm really trying to do here if

738

00:38:48,470 --> 00:38:44,000

you're really into this stuff

739

00:38:52,390 --> 00:38:50,630

i think it might be like computer stuff

740

00:38:58,390 --> 00:38:52,400

but

741

00:39:02,150 --> 00:38:58,400

i don't know so maybe that one's a bust

742

00:39:02,160 --> 00:39:05,190

you know i just think

743

00:39:09,430 --> 00:39:08,870

we can research los alamos during that

744

00:39:11,990 --> 00:39:09,440

time and

745

00:39:17,430 --> 00:39:12,000

maybe find out something oh really is

746

00:39:21,109 --> 00:39:19,670

hydrogen bomb yeah the fusion fusion

747

00:39:26,550 --> 00:39:21,119

bomb right

748

00:39:30,960 --> 00:39:29,589

here's another this one's got nice

749

00:39:34,630 --> 00:39:30,970

colors to it

750

00:39:38,790 --> 00:39:38,310

los alamos um whatever because i'd found

751
00:39:42,430 --> 00:39:38,800
like an

752
00:39:43,829 --> 00:39:42,440
employee uh list but it was from like

753
00:39:46,310 --> 00:39:43,839
1982

754
00:39:48,950 --> 00:39:46,320
so that was way before he worked there

755
00:39:50,950 --> 00:39:48,960
so i figure if i keep looking

756
00:39:54,870 --> 00:39:50,960
maybe i'll find something like that in a

757
00:39:58,790 --> 00:39:58,310
um yeah so here's another one machine

758
00:40:00,630 --> 00:39:58,800
vision

759
00:40:02,310 --> 00:40:00,640
breakthrough and challenges and object

760
00:40:04,870 --> 00:40:02,320
recognition and architecture

761
00:40:07,589 --> 00:40:04,880
robotics challenges in motion control

762
00:40:10,950 --> 00:40:07,599
planning and visioning

763
00:40:14,950 --> 00:40:10,960

this looks like it could be

764

00:40:22,829 --> 00:40:17,349

forum for discussion and initiation of

765

00:40:26,550 --> 00:40:24,790

testbed

766

00:40:28,630 --> 00:40:26,560

yeah bunch of stuff i don't understand

767

00:40:33,430 --> 00:40:28,640

again

768

00:40:40,950 --> 00:40:37,109

um you guys have sound like elements

769

00:40:44,630 --> 00:40:40,960

did it i don't see i don't even know

770

00:40:47,190 --> 00:40:44,640

right over my head um

771

00:40:48,710 --> 00:40:47,200

what do you guys want to do you guys

772

00:40:50,069 --> 00:40:48,720

have any questions about current stuff

773

00:40:51,430 --> 00:40:50,079

do you want to hear my opinion on

774

00:40:54,710 --> 00:40:51,440

anything

775

00:40:58,390 --> 00:40:56,790

what do you guys think of the current uh

776

00:41:01,990 --> 00:40:58,400

climate right now i feel like

777

00:41:04,790 --> 00:41:02,000

after the report came out

778

00:41:05,670 --> 00:41:04,800

now the tmz and everything i don't know

779

00:41:07,349 --> 00:41:05,680

that it's

780

00:41:08,870 --> 00:41:07,359

is it clear it's still going in the

781

00:41:14,950 --> 00:41:08,880

right direction

782

00:41:22,390 --> 00:41:20,230

i think seemingly it is right get

783

00:41:24,230 --> 00:41:22,400

more stuff going on tmz in that

784

00:41:26,710 --> 00:41:24,240

discovery channel thing

785

00:41:27,510 --> 00:41:26,720

now i think it is getting to the point

786

00:41:30,069 --> 00:41:27,520

though

787

00:41:30,550 --> 00:41:30,079

where something has to kind of pop you

788

00:41:33,589 --> 00:41:30,560

know

789

00:41:34,309 --> 00:41:33,599

like that ultimate evidence or whatever

790

00:41:37,430 --> 00:41:34,319

it is

791

00:41:40,950 --> 00:41:37,440

like things can't

792

00:41:45,670 --> 00:41:40,960

we can't have already reached the

793

00:41:49,270 --> 00:41:48,069

because if we have that'll be very

794

00:41:53,270 --> 00:41:49,280

disappointing

795

00:42:00,630 --> 00:41:55,990

so it's going to get to a point where

796

00:42:07,750 --> 00:42:04,790

you know maybe elizondo or others

797

00:42:08,950 --> 00:42:07,760

have to spill the beans or they'll lose

798

00:42:11,910 --> 00:42:08,960

their

799

00:42:13,750 --> 00:42:11,920

kind of validity and they may not that

800

00:42:15,990 --> 00:42:13,760

they should

801
00:42:17,109 --> 00:42:16,000
but just like consider if it was three

802
00:42:21,910 --> 00:42:17,119
years from now

803
00:42:25,910 --> 00:42:24,550
you know so and i'm not saying that's

804
00:42:28,069 --> 00:42:25,920
gonna happen but

805
00:42:29,109 --> 00:42:28,079
i'm just saying that's why i think like

806
00:42:32,630 --> 00:42:29,119
there's a push

807
00:42:35,750 --> 00:42:32,640
come to shove here soon

808
00:42:39,349 --> 00:42:35,760
where it's like something's gonna pop

809
00:42:42,309 --> 00:42:39,359
off so i've just been lurking

810
00:42:42,870 --> 00:42:42,319
trying not to take anyone off yeah well

811
00:42:45,349 --> 00:42:42,880
you know

812
00:42:47,270 --> 00:42:45,359
i don't like that if you just have a

813
00:42:50,069 --> 00:42:47,280

different opinion from someone it's like

814

00:42:51,589 --> 00:42:50,079

okay let's fight you know which it seems

815

00:42:54,950 --> 00:42:51,599

like it is

816

00:42:56,710 --> 00:42:54,960

a lot of the times not too long ago that

817

00:42:58,790 --> 00:42:56,720

more countries were going to get into

818

00:43:00,470 --> 00:42:58,800

this and he said specifically next three

819

00:43:02,309 --> 00:43:00,480

months

820

00:43:03,910 --> 00:43:02,319

all right that's something to definitely

821

00:43:04,430 --> 00:43:03,920

look at right

822

00:43:07,430 --> 00:43:04,440

um

823

00:43:09,829 --> 00:43:07,440

[Music]

824

00:43:10,710 --> 00:43:09,839

i remember him saying that for sure so

825

00:43:13,589 --> 00:43:10,720

does that mean

826

00:43:15,270 --> 00:43:13,599

you win or something like that possibly

827

00:43:17,430 --> 00:43:15,280

i don't really see

828

00:43:18,630 --> 00:43:17,440

unless if it goes to the u.n all these

829

00:43:20,950 --> 00:43:18,640

countries have to then

830

00:43:22,710 --> 00:43:20,960

agree that it's not theirs and they

831

00:43:24,550 --> 00:43:22,720

don't know what it is

832

00:43:27,990 --> 00:43:24,560

and that's like the ultimate task for

833

00:43:32,790 --> 00:43:28,000

the world so it's a huge paradigm shift

834

00:43:34,470 --> 00:43:32,800

and it's that difficult because

835

00:43:36,150 --> 00:43:34,480

they're sharing their information for

836

00:43:40,150 --> 00:43:36,160

instance what's the

837

00:43:43,190 --> 00:43:40,160

reason corbell elizondo other people use

838

00:43:44,230 --> 00:43:43,200

that we can't see the better photos and

839

00:43:47,750 --> 00:43:44,240

video

840

00:43:51,109 --> 00:43:47,760

the excuse or reason is

841

00:43:54,950 --> 00:43:51,119

excuse is kind of a bad word that's like

842

00:43:56,630 --> 00:43:54,960

excuses the reason

843

00:43:58,630 --> 00:43:56,640

is that we would get their you know

844

00:43:59,430 --> 00:43:58,640

means of capturing this stuff and their

845

00:44:01,750 --> 00:43:59,440

technology

846

00:44:03,589 --> 00:44:01,760

and then it you know gets in the ends of

847

00:44:06,829 --> 00:44:03,599

uh an enemy or whatever

848

00:44:08,069 --> 00:44:06,839

so you know you want to take this to the

849

00:44:09,990 --> 00:44:08,079

u.n

850

00:44:11,910 --> 00:44:10,000

you know they're they're afraid to show

851
00:44:14,230 --> 00:44:11,920
us their sources and methods

852
00:44:15,510 --> 00:44:14,240
do you think they're gonna show all

853
00:44:18,550 --> 00:44:15,520
these other countries

854
00:44:22,230 --> 00:44:18,560
that no

855
00:44:26,309 --> 00:44:22,240
they're not so what kind of

856
00:44:29,589 --> 00:44:26,319
sharing program can you really have

857
00:44:33,510 --> 00:44:32,390
unless they all agree that this is the

858
00:44:35,990 --> 00:44:33,520
number one thing

859
00:44:36,710 --> 00:44:36,000
that the world should be working

860
00:44:39,750 --> 00:44:36,720
together for

861
00:44:42,950 --> 00:44:39,760
which would take a paradigm shift

862
00:44:44,870 --> 00:44:42,960
um house here we go

863
00:44:46,230 --> 00:44:44,880

kids will be back in school in three

864

00:44:48,829 --> 00:44:46,240

months right well science history

865

00:44:51,910 --> 00:44:48,839

lessons cover this topic

866

00:44:57,430 --> 00:44:51,920

no it hasn't gotten that far

867

00:45:01,750 --> 00:44:57,440

um i think they should incorporate

868

00:45:05,750 --> 00:45:01,760

um ufo history right

869

00:45:09,190 --> 00:45:05,760

but then that is also an opportunity

870

00:45:11,349 --> 00:45:09,200

for a lot more people to put a lot

871

00:45:13,430 --> 00:45:11,359

of different thoughts into a lot of

872

00:45:17,349 --> 00:45:13,440

young minds

873

00:45:24,550 --> 00:45:21,109

you know until it's uh proven

874

00:45:26,870 --> 00:45:24,560

like with or

875

00:45:28,069 --> 00:45:26,880

you know validated by the president of

876

00:45:31,510 --> 00:45:28,079

the united states or

877

00:45:32,150 --> 00:45:31,520

whatever but still yeah i mean people

878

00:45:33,829 --> 00:45:32,160

can

879

00:45:35,190 --> 00:45:33,839

do what they want with that and just

880

00:45:37,030 --> 00:45:35,200

imagine a

881

00:45:39,270 --> 00:45:37,040

person teaching a whole classroom every

882

00:45:40,790 --> 00:45:39,280

day from kindergarten to eighth grade

883

00:45:44,790 --> 00:45:40,800

that ufos are demons

884

00:45:47,829 --> 00:45:47,030

it would have to be definitely regulated

885

00:45:51,190 --> 00:45:47,839

education

886

00:45:52,870 --> 00:45:51,200

which could be yeah the un is more about

887

00:45:53,430 --> 00:45:52,880

climate change property and preventing

888

00:45:58,550 --> 00:45:53,440

mass

889

00:46:05,670 --> 00:46:01,349

yeah but i think it was uh china that is

890

00:46:09,109 --> 00:46:07,510

about this stuff or was going to or

891

00:46:10,470 --> 00:46:09,119

something

892

00:46:12,790 --> 00:46:10,480

and they just came out with that task

893

00:46:14,470 --> 00:46:12,800

force so who knows um

894

00:46:15,829 --> 00:46:14,480

house intelligence committee said they

895

00:46:18,870 --> 00:46:15,839

are pushing for hearings

896

00:46:22,550 --> 00:46:18,880

hearings hearings hearings i am all

897

00:46:24,069 --> 00:46:22,560

about hearings yes we need to have

898

00:46:29,030 --> 00:46:24,079

public hearings

899

00:46:32,630 --> 00:46:29,040

public testimony including lou elizondos

900

00:46:35,750 --> 00:46:32,640

um you know as much

901
00:46:39,270 --> 00:46:35,760
effort as was put into the

902
00:46:43,589 --> 00:46:41,750
i would say like the trump impeachment

903
00:46:47,750 --> 00:46:43,599
the two-time trump impeachment

904
00:46:48,309 --> 00:46:47,760
if we put all that effort into something

905
00:46:51,190 --> 00:46:48,319
like this

906
00:46:53,190 --> 00:46:51,200
and republicans putting all that into

907
00:46:56,710 --> 00:46:53,200
instead of like hillary clinton emails

908
00:47:00,390 --> 00:46:56,720
and all and election stuff

909
00:47:03,510 --> 00:47:00,400
if they all put this in there together

910
00:47:07,589 --> 00:47:03,520
all that energy in together both sides

911
00:47:09,670 --> 00:47:07,599
to figure this out if you know public

912
00:47:11,990 --> 00:47:09,680
congressional hearings uh that would be

913
00:47:14,309 --> 00:47:12,000

a game changer

914

00:47:16,390 --> 00:47:14,319

like they it seems like these news

915

00:47:19,510 --> 00:47:16,400

anchors and these

916

00:47:21,190 --> 00:47:19,520

uh and politicians generally now there

917

00:47:21,829 --> 00:47:21,200

are some that have come out lately that

918

00:47:24,870 --> 00:47:21,839

are not

919

00:47:25,349 --> 00:47:24,880

this way but generally speaking they

920

00:47:28,390 --> 00:47:25,359

have a

921

00:47:30,150 --> 00:47:28,400

just a lack of fire in their belly for

922

00:47:36,309 --> 00:47:30,160

the topic

923

00:47:39,829 --> 00:47:37,829

why they don't want to figure it out

924

00:47:41,510 --> 00:47:39,839

mitt romney for instance is maybe a good

925

00:47:45,829 --> 00:47:41,520

example

926
00:47:48,230 --> 00:47:45,839
he mentioned that it's not earth

927
00:47:49,190 --> 00:47:48,240
and he laughed at the idea of it being

928
00:47:50,790 --> 00:47:49,200
foreign

929
00:47:54,630 --> 00:47:50,800
he said they're clearly not there they

930
00:47:58,309 --> 00:47:56,549
and said he didn't know what it was but

931
00:47:58,950 --> 00:47:58,319
it's not important and there's all this

932
00:48:00,470 --> 00:47:58,960
going on

933
00:48:02,470 --> 00:48:00,480
in the world and we need to deal with

934
00:48:03,510 --> 00:48:02,480
this and this and that now that sounds

935
00:48:05,670 --> 00:48:03,520
like a guy that

936
00:48:07,030 --> 00:48:05,680
might have his opinion made on what this

937
00:48:09,349 --> 00:48:07,040
is

938
00:48:10,710 --> 00:48:09,359

and i'd like him to share but i could

939

00:48:17,910 --> 00:48:10,720

also see him being the guy that would

940

00:48:24,870 --> 00:48:22,230

i could definitely see him say that

941

00:48:27,270 --> 00:48:24,880

but throughout history it's documented

942

00:48:31,190 --> 00:48:27,280

in these government papers that these

943

00:48:38,309 --> 00:48:34,390

uaps or ufos

944

00:48:41,109 --> 00:48:38,319

um are not a national security threat

945

00:48:42,150 --> 00:48:41,119

every one of these that i read pose not

946

00:48:44,150 --> 00:48:42,160

a national security

947

00:48:45,190 --> 00:48:44,160

not national security not a national

948

00:48:48,309 --> 00:48:45,200

securities

949

00:48:50,069 --> 00:48:48,319

you know but i guess could that be

950

00:48:53,109 --> 00:48:50,079

because

951

00:48:54,549 --> 00:48:53,119

they just said it was always birds or

952

00:48:59,430 --> 00:48:54,559

balloons or satellites that could be the

953

00:49:03,910 --> 00:49:01,589

romney's statement was insane basically

954

00:49:07,030 --> 00:49:03,920

said it wasn't from earth yeah totally

955

00:49:10,549 --> 00:49:07,040

but let's worry about china which

956

00:49:13,190 --> 00:49:10,559

you know he's not wrong there either um

957

00:49:14,710 --> 00:49:13,200

you have to find a way to to tackle both

958

00:49:17,109 --> 00:49:14,720

i mean like that's the job of our

959

00:49:21,670 --> 00:49:17,119

government right

960

00:49:25,990 --> 00:49:23,030

and have different divisions what should

961

00:49:27,910 --> 00:49:26,000

they do but i mean uh politics-wise

962

00:49:29,589 --> 00:49:27,920

you don't just focus on china you also

963

00:49:31,109 --> 00:49:29,599

have like domestic issues

964

00:49:32,630 --> 00:49:31,119

these kind of issues whatever that

965

00:49:34,549 --> 00:49:32,640

you're all working on

966

00:49:35,910 --> 00:49:34,559

so you know the excuse is that there's

967

00:49:37,109 --> 00:49:35,920

more important

968

00:49:39,829 --> 00:49:37,119

important things or other things

969

00:49:43,109 --> 00:49:39,839

happening it's just ill-advised

970

00:49:45,910 --> 00:49:43,119

and crappy because

971

00:49:48,150 --> 00:49:45,920

uh you're always dealing with multiple

972

00:49:52,790 --> 00:49:48,160

issues as a politician

973

00:50:02,710 --> 00:49:59,670

um did i miss something here

974

00:50:05,109 --> 00:50:02,720

oh steve yeah well his religion is based

975

00:50:08,230 --> 00:50:05,119

on aliens

976

00:50:11,349 --> 00:50:08,240

that's um scientology isn't it

977

00:50:16,230 --> 00:50:11,359

or is mormon that too

978

00:50:20,470 --> 00:50:19,670

kind of basis of that i guess good point

979

00:50:23,750 --> 00:50:20,480

good point

980

00:50:25,589 --> 00:50:23,760

um yeah

981

00:50:27,430 --> 00:50:25,599

so i mean you can work on multiple

982

00:50:29,109 --> 00:50:27,440

things

983

00:50:31,670 --> 00:50:29,119

definitely i mean that's what you should

984

00:50:33,589 --> 00:50:31,680

be doing and let's be honest

985

00:50:35,349 --> 00:50:33,599

the amount he's actually working on any

986

00:50:37,910 --> 00:50:35,359

of the issues is probably

987

00:50:39,190 --> 00:50:37,920

a little more minute and i'm sure his

988

00:50:42,069 --> 00:50:39,200

assistance

989

00:50:42,870 --> 00:50:42,079

and everything that do most of the work

990

00:50:47,990 --> 00:50:42,880

let's be

991

00:50:51,829 --> 00:50:48,000

the important calls or probably goes the

992

00:50:52,950 --> 00:50:51,839

fancy dinners and stuff in the balls

993

00:50:55,190 --> 00:50:52,960

what do you think he's putting in the

994

00:50:57,200 --> 00:50:55,200

elbow grease

995

00:51:00,950 --> 00:50:57,210

no so what's he complaining about

996

00:51:05,430 --> 00:51:04,870

all right folks y'all are good folks

997

00:51:12,870 --> 00:51:05,440

folks

998

00:51:14,309 --> 00:51:12,880

um i'll be back tomorrow um do you want

999

00:51:15,430 --> 00:51:14,319

to do something like this again tomorrow

1000

00:51:21,670 --> 00:51:15,440

or should we try

1001
00:51:26,230 --> 00:51:23,270
um i feel like it's hard for me to come

1002
00:51:26,950 --> 00:51:26,240
up with questions for trivia and believe

1003
00:51:30,390 --> 00:51:26,960
it or not

1004
00:51:33,349 --> 00:51:30,400
there is no ufo trivia like game

1005
00:51:34,630 --> 00:51:33,359
that exists already how is that possible

1006
00:51:39,829 --> 00:51:34,640
you know

1007
00:51:43,990 --> 00:51:39,839
if you can have a a frasier seen it game

1008
00:51:50,390 --> 00:51:48,470
i hate fraser sorry if you like frasier

1009
00:51:55,190 --> 00:51:50,400
yeah just acting like they don't care

1010
00:51:59,510 --> 00:51:57,589
yeah that's true luckily to carry

1011
00:52:03,030 --> 00:51:59,520
because it

1012
00:52:05,990 --> 00:52:03,040
um so yeah that's an interesting point

1013
00:52:08,950 --> 00:52:06,000

does that mean or

1014

00:52:10,230 --> 00:52:08,960

you know keep in mind they can also care

1015

00:52:13,750 --> 00:52:10,240

but not

1016

00:52:17,109 --> 00:52:13,760

let us know they care right trivia game

1017

00:52:23,910 --> 00:52:20,710

that's the tagline of trivia

1018

00:52:25,060 --> 00:52:23,920

ufo trivia a trivia game with no

1019

00:52:27,990 --> 00:52:25,070

known facts

1020

00:52:30,230 --> 00:52:28,000

[Laughter]

1021

00:52:32,390 --> 00:52:30,240

oh that's awesome thanks so g sky watch

1022

00:52:34,470 --> 00:52:32,400

that's the tagline

1023

00:52:36,549 --> 00:52:34,480

again i'll take the trivia part out

1024

00:52:42,630 --> 00:52:36,559

cause that's redundant but

1025

00:52:47,670 --> 00:52:45,589

oh that's great uh we gotta leave on

1026
00:52:49,109 --> 00:52:47,680
that note because i'm smiling and happy

1027
00:52:52,549 --> 00:52:49,119
because that was great

1028
00:52:55,990 --> 00:52:52,559
and i like to leave uh

1029
00:53:00,230 --> 00:52:56,000
my witness citizens that way

1030
00:53:01,349 --> 00:53:00,240
um yeah so we'll see you tomorrow

1031
00:53:03,589 --> 00:53:01,359
we'll decide what we're going to do

1032
00:53:04,470 --> 00:53:03,599
tomorrow and next week is going to be

1033
00:53:08,150 --> 00:53:04,480
great i have a

1034
00:53:11,190 --> 00:53:08,160
huge week i have um

1035
00:53:14,950 --> 00:53:11,200
a lot of thanks to you ought to know

1036
00:53:17,990 --> 00:53:14,960
who has been trying

1037
00:53:21,030 --> 00:53:18,000
to help me and together we're

1038
00:53:23,510 --> 00:53:21,040

putting together a really nice week so

1039

00:53:24,630 --> 00:53:23,520

on monday we have scott brown is coming

1040

00:53:27,990 --> 00:53:24,640

back

1041

00:53:33,430 --> 00:53:28,000

we're going to talk about um

1042

00:53:36,630 --> 00:53:33,440

very intense and crazy uh case in brazil

1043

00:53:39,030 --> 00:53:36,640

and on tuesday

1044

00:53:39,910 --> 00:53:39,040

we have somebody uh that was just on

1045

00:53:41,910 --> 00:53:39,920

coast to coast

1046

00:53:43,270 --> 00:53:41,920

i'm gonna get this all written down on

1047

00:53:46,230 --> 00:53:43,280

an image and all that

1048

00:53:46,630 --> 00:53:46,240

fancy stuff um but it's getting pretty

1049

00:53:49,990 --> 00:53:46,640

cool

1050

00:53:53,430 --> 00:53:50,000

so next week's gonna be awesome and

1051

00:53:55,430 --> 00:53:53,440

tomorrow's gonna be awesome and saturday

1052

00:54:01,829 --> 00:53:55,440

i'm gonna have a stream

1053

00:54:06,230 --> 00:54:04,150

daily show sorry i'm late to the party

1054

00:54:08,549 --> 00:54:06,240

but having daily ufo talk is

1055

00:54:10,150 --> 00:54:08,559

what i've always wanted it's becoming my

1056

00:54:12,870 --> 00:54:10,160

new sports talk radio

1057

00:54:14,230 --> 00:54:12,880

exactly right and that's kind of why i'm

1058

00:54:18,470 --> 00:54:14,240

trying to do it at this time

1059

00:54:22,829 --> 00:54:21,030

you know there's it just seemed i tried

1060

00:54:25,030 --> 00:54:22,839

to do it initially at eight in the

1061

00:54:27,670 --> 00:54:25,040

morning

1062

00:54:29,030 --> 00:54:27,680

uh i'd like i mean i'm up at like four

1063

00:54:29,510 --> 00:54:29,040

o'clock in the morning so that's good to

1064

00:54:35,589 --> 00:54:29,520

me

1065

00:54:38,150 --> 00:54:35,599

but um you know i understand no one's

1066

00:54:41,349 --> 00:54:38,160

really up there are they so

1067

00:54:42,470 --> 00:54:41,359

um when do you start co-host uh europe

1068

00:54:47,190 --> 00:54:42,480

thingy i don't know

1069

00:54:50,549 --> 00:54:49,990

improve for nfd handshakes but contact

1070

00:54:57,430 --> 00:54:50,559

was

1071

00:55:03,270 --> 00:55:00,950

um i have to give me more details on

1072

00:55:06,390 --> 00:55:03,280

this one there's a lot in there

1073

00:55:07,190 --> 00:55:06,400

um yeah the europe thingy i don't know

1074

00:55:09,190 --> 00:55:07,200

whenever

1075

00:55:10,470 --> 00:55:09,200

they ask me hopefully pretty soon

1076
00:55:11,750 --> 00:55:10,480
because that'd be cool i'm working on

1077
00:55:15,109 --> 00:55:11,760
their theme song right now

1078
00:55:16,470 --> 00:55:15,119
so maybe when i finish that i'm almost

1079
00:55:20,789 --> 00:55:16,480
done with it it's pretty good

1080
00:55:23,829 --> 00:55:20,799
so um yeah steve k later

1081
00:55:27,510 --> 00:55:23,839
good show again thank you all right yo

1082
00:55:33,990 --> 00:55:31,430
so we use the only other thing

1083
00:55:35,670 --> 00:55:34,000
on a shapiro at this time well i balance

1084
00:55:38,230 --> 00:55:35,680
perspective not endorsing

1085
00:55:41,430 --> 00:55:38,240
i do that too i watch fox well i don't

1086
00:55:44,710 --> 00:55:41,440
watch really news anymore

1087
00:55:46,789 --> 00:55:44,720
um because they really just

1088
00:55:48,150 --> 00:55:46,799

put soap in my mouth the last few years

1089

00:55:51,510 --> 00:55:48,160

and i just couldn't stand it

1090

00:55:53,109 --> 00:55:51,520

and continue to do so um so i kind of

1091

00:55:54,789 --> 00:55:53,119

put that down but

1092

00:55:56,710 --> 00:55:54,799

yeah when i was watching the news i

1093

00:56:00,870 --> 00:55:56,720

would watch cnn

1094

00:56:04,470 --> 00:56:00,880

and i would watch fox at this point

1095

00:56:08,309 --> 00:56:04,480

um the perspectives are so off whack

1096

00:56:10,630 --> 00:56:08,319

that it's not even worth it for me

1097

00:56:11,750 --> 00:56:10,640

all right yeah be good guys um so we

1098

00:56:15,430 --> 00:56:11,760

started leaving you i

1099

00:56:25,430 --> 00:56:15,440

have a lot of fun um but

1100

00:56:25,440 --> 00:56:36,470

i am witness citizen
